

Indians Bitten By Bulldogs; Hunt Wolves Friday Night

Haskell's winning streak was stopped cold Friday night as the Stamford Bulldogs eked out a 12-7 victory before a jam-packed stadium at Stamford.

The victory insured at least a share of the District 5-AA championship for Stamford. Underdog in district play, the Bulldogs meet Hamlin Friday night and a win or tie would wrap the championship up for the Bulldogs.

Stamford's Upshaw broke open a bruising battle in the second quarter with an 85-yard gallop to paydirt.

The mighty Indians had driven into Stamford territory four times up to that point but fumbles and the stubborn Bulldog defense kept them at bay. Haskell had definite control of the contest and it looked to be only a matter of time, until Upshaw scampered into the promised land for 6 points. The try for extra points failed and Stamford led 6-0 with 7:50 left in the second quarter.

After two turnovers, the Indians took over on their own 35 and this time were not to be denied.

Quarterback Lanny Ivy hit Roy Pittman with a 31-yard pass and two plays later, halfback Hershel Thompson burst for 35 yards to the Stamford 16-yard line. Tim Everett carried for 6 yards and then took a 10-yard pass from Ivy for the touchdown with just 20 seconds left in the half. Ray Herren's PAT made it 7-6 in Haskell's favor at the half.

In the third quarter, Stamford unleashed a drive for 81 yards in 11 plays, but the drive slowed and Upshaw on a third and

Haskell Countians To Face Dual Elections Saturday

Questions And Answers Concerning Creation of A Hospital District

Q-What is the main purpose for creating a Haskell County Hospital District?

A-To obtain more funds to operate, maintain and eventually expand our hospital.

Q-How was the creation of a Hospital District made possible?

A-By a Special Law passed by the State Legislature this year.

Q-Why the Nov. 11 election?

A-The Special Law required an election to be held throughout the county, except a narrow strip in the southern part, which is in the Stamford Hospital District.

Q-Who is eligible to vote in this election?

A-Registered voters who reside in Haskell County and have property assessed on the County's Tax Rolls.

Q-Why is it necessary to create a Haskell County Hospital District and obtain more funds from the 30 cents tax on each \$100.00 of valuation?

Several answers can be given:

A-1-Our county has to operate from an 80-cent tax rate, placed in the State Constitution in 1907-60 years ago.

A-2-All costs of operating the county government and operating and maintaining the county hospital have greatly increased.

A-3-Most important: the taxable values of our county has decreased 2 1/2 million dollars since 1962, due to oil depletion and further depletion possible.

Q-If Hospital District is created, how will it be governed?

A-By a six-member Board of Directors, appointed by the Commissioners' Court, which will fix the tax rate each year, not to exceed 30 cents, and have complete charge of the operation and maintenance of the hospital.

Q-On what basis of assessment will the tax be levied and who will collect the taxes?

A-On county Assessed Valuations and collected by the County Assessor-Collector.

Q-If district is created and 30 cent tax approved, who will provide medical care for indigents?

A-The Hospital Board of Directors, paid from the Hospital District Tax.

Q-Is the creation of Hospital Districts new in Texas?

A-No, for many have been created during the past 10 years, including our neighboring counties of Stonewall, Knox, Wilbarger and the Stamford School District.

Q-If the November 11 election carries and a 30 cent tax is authorized and levied, how much will my taxes be increased?

A-All resident taxpayers citizens are being mailed a statement which will show the amount of taxes they will have to pay.

Mrs. T. M. Patterson Named Haskell County H. D. Club Woman of Year

Mrs. T. M. Patterson, who has been an active member of the Center Point Home Demonstration Club of Haskell County since Extension work was first organized in the County, was named Haskell County Home Demonstration Club Woman of the Year at the Annual Achievement Luncheon held Wednesday, Nov. 8th, at 11:30 a. m. at Felker's Restaurant.

County Judge B. O. Robertson presented Mrs. Patterson with an awards pin and a corsage.

Following the luncheon a tour of homes was made by the group. The homes visited were: Mrs. Betty Watkins of Knox City, Mrs. Eva Covey of O'Brien, Mrs. Joyce LeFevre, Mrs. Billie Kupatt, and Mrs. Rachael Teichelman of Sargent, Mrs. O. W. Whitaker and Mrs. F. C. Hipp of Haskell.

Mrs. Patterson has served as president, vice president, secretary and council delegate several times throughout her years of club work. She has also served as council chairman and THDA chairman of Haskell County meetings. She attends the district meetings each year and has served as a delegate to the state meetings.

On all her years of club work she has seldom missed a club meeting and is always ready to help in any club activity. She has won several ribbons at the County Fair on her canning and sewing. She finds time each year to make several beautiful quilts for her family.

Band, Twirlers Place At Wichita Falls Contests

In the U.I.L. marching and twirling contests held at Midwestern Stadium, Wichita Falls, Tuesday, the Haskell High School Band made a III rating in marching which is very good considering the fact that contestants were ranked in divisions one through five, and some 21 schools entered competition up through class AA.

Results of the twirling contests were as follows:

Twirling solos, rating second division, were Paula Terrell, Patricia Tolver, Linda Riley, Lynda Lane, Belinda McKelvin; third division, Susznie Montgomery, Donna Gordon; fourth division rating, Jackie Beuchamp.

Twirling trio composed of Paula Terrell, Susznie Montgomery and Belinda McKelvin received second division rating.

Twirling trio composed of Patricia Tolver, Linda Riley and Donna Gordon received third division rating.

Wendell Gidson is the director of the 58-piece crack Haskell High School Band.

Toliver Chevrolet, Toliver Oldsmobile Heavily Damaged

A 1968 Chevrolet owned and driven by Bailey Toliver, and a 1966 Oldsmobile, also belonging to Bailey Toliver, driven by Randy Wiseman, were heavily damaged in a collision at North 16th and Ave. F. Wednesday at 8:30 a. m.

Police Chief Tom Paul Barnett, who investigated the mishap, said both vehicles were heavily damaged but no one was injured in the mishap.

Randy Wiseman was using the Olds while his car was undergoing repairs.

Youth Revival To Be Held At Central Baptist

A youth revival will be held at the Central Baptist Church, Friday, Saturday and Sunday, Nov. 17, 18 and 19, Rev. Aaron Ellison, pastor, announced.

A cordial invitation is extended everyone to attend.

Final Rites Are Held For Spencer Bryant Lain

Rites for former resident of Haskell, Spencer Bryant Lain, 72, of Fort Worth, were held on Thursday, Nov. 2, in First Baptist Church, Lake Worth, with burial in Mount Olivet Cemetery, Fort Worth, Texas. Mr. Lain passed away October 31.

He is survived by his wife, the former Pauline Anderson, one time teacher at Midway school; one brother, Bennie Lain, of Haskell; two sisters, Bertha Humphrey, also of Haskell, and Audrey Tidwell of Littlefield.

Haskell Merchants Present Baker Triplets With Many Useful Gifts

Merchants of Haskell honored the Mr. and Mrs. Tommy Baker triplets with a surprise baby shower recently.

Gifts such as shoes, blankets, crib pads, baby food, milk, bottles, diapers, diaper pins, plastic baby pants, and many other assorted gift items were presented from the friendly Haskell merchants through the Haskell Chamber of Commerce.

Several of the merchants did not have gifts suitable for the triplets, and in turn gave cash, so the Baker family might purchase items needed. Approximately 35 merchants presented gifts for the Baker triplets.

Computers have figured the odds are about 7000-to-1 against the births of triplets, but Mr. and Mrs. Tommy Baker are trying to change those odds. The triplets, two boys and a girl, made their arrival in the Haskell County Hospital September 28, 1967.

Rotary Club Members Hear Ray Fulenwider

"America's strength does, and has always relied on the educated voter," Ray Fulenwider, Elementary School Principal of Rule told members of the Rotary Club at last Thursday noon-day luncheon meeting at Felker's Restaurant dining room.

Bill Ratliff was in charge of the program and introduced the speaker.

Using as the title of his talk, "The First Constitutional Convention," Mr. Fulenwider said that the first form of government was the Articles of Confederation. During that time there was no president; only one legislative house, and each state had only one vote.

"The main reason the Constitution was written was because the Articles of Confederation could not be amended or changed," the speaker said.

"It took four months to write the Constitution and out of 74 men appointed to write it, 19 of them never showed-up," Fulenwider said.

George Washington was chairman of the First Constitutional Convention, Benjamin Franklin, 81, was the oldest member of the group appointed to write the Constitution and James Madison, 36, the youngest.

Three things the people were against during the writing of the Constitution were: afraid of the Federal Power; the State would control voting rights, and there was no bill of rights with the constitution.

"Only about five per cent of the people in the United States voted on the Constitution," the speaker said.

Bob Greenroy, president, presided over the meeting. Invocation was given by Abe Turner and R. C. Couch led the singing, with Mrs. Henry Withers at the piano.

Guests included County Judge B. O. Robertson; Bob Philpot, Lone Star Gas Company Manager; and Haskell High School Senior guests, Johnny Stark and Charles Anders.

Wreck South Of Town Injures Two Haskell Men

A two-car crash one and one-half miles south of downtown Haskell on U.S. Highway 277 at 5:00 p. m. last Thursday sent two local men to the Haskell County Hospital for treatment of injuries.

Injured in the head-on crash were Johnny Olen Camp, 61, and W. L. Campbell, 47, both of Haskell.

Investigating officer, Sergeant Frank Jirik of the Highway Patrol, said that Camp, driving a 1964 Ford, was headed south and Campbell in a 1962 Plymouth was traveling north at the time of the mishap.

Attending physicians said that Camp received facial lacerations and Campbell facial and head lacerations.

Both cars were a total loss.

Rainfall Here For Year Still Below Normal

Rainfall in Haskell for the first 10 months of 1967 is still below normal, according to figures released by Sam Herren, "The Weatherman." A total of 1.39 inches fell here in October, bringing the overall precipitation for 1967 to 18.33 inches. Normal rainfall to date is 20.54.

Here is how the rains came during October: Oct. 7, .21; Oct. 16, .04; Oct. 30, .29; Oct. 31, .85. Total for the month, 1.39.

Highest temperature reading for October was a warm 88 on October 5th and 8th, and a low of a "nippy" 37 was recorded on October 17th and 31st.

Aspermont Members Host Beta Chi Chapter of The Delta Kappa Gamma

Aspermont members were host to Beta Chi Chapter Delta Kappa Gamma, Saturday, November 4th.

Mrs. H. T. Wilkinson, president, presided over a brief business session prior to the program of the afternoon.

Mrs. Norman Nanny as leader challenged all members to launch a new beginning for the year's study. The new theme or the year is Critical Analysis of Values. She pointed out the saying of a wise man: "Of a good beginning cometh a good end." Mrs. Nanny said she felt sure that we are justified in expecting a good end at close of the study because Beta Chi members are cheerful, enthusiastic and dedicated to the work.

Those on the program gave a few highlights of the subjects to be presented at future meetings.

Mrs. Curtis Casey, Chairman, commented on the purpose of the organization for the year. She presented an informed view about their program. An excellent chart showing many value patterns of this last thought question: "What is good?"

Mrs. Otis Cash and E. Bell gave enough view about their program given in February that each one present wished to hear all of grams.

The leader, Mrs. Nanny, concluding remarks said we can envision full potentialities our finds us optimistic, and willing to accept abilities, thus our Chapter achieve its goals.

Booster Club Holds Regular Weekly Meeting

President E. Herbert Johnson called the Booster Club meeting to order at 8:00 p. m. Tuesday night after which minutes of the October 30th meeting were approved as read.

A report was held from Coach Mullins on the Haskell-Hamlin Junior High game. Coach Bennett reported on the Haskell-Sevmar "B" game. The Haskell "B" team played their final game of the season Tuesday night, November 7th.

A scouting report was given by Coach Bennett on Colorado City, and Coach Everett reported on the Haskell-Stamford game, after which the game film was shown.

Eula Mae Herren was the recipient of the T-Bone steaks.

ATTEND HORSE SHOW

Mr. and Mrs. Clinton Herren attended the World's Appaloosa Horse Show in Sweetwater Saturday night.

Charles Marshall, of Ventura, California, brother of Mrs. Herren, had an Appaloosa Stallion in the show that won trophies.

Brother Of Albert Bittner Passes Away

Otto Bittner, 56, brother of Albert Bittner, of Haskell, passed away unexpectedly in Austin, Wednesday, November 1st, at 10:30 p. m. He had lived in Austin for the past five years.

Mr. Bittner was born in Copeland on August 6, 1911, and was engaged in farming for most of his life. He was a member of Faith Lutheran Church in Austin. On January 26, 1933, he married Miss Minnie Kaiser who survives her husband.

He is also survived by a daughter, Miss Diann Bittner, Austin; two sons, James Bittner, Austin and Eugene Bittner, Glen Rose; four brothers, Reinhold Bittner, Thrall; Walter and Carl Bittner, both of Taylor; and Albert Bittner, Haskell; and two granddaughters, Patricia and Janice Bittner of Austin.

Funeral services were held Friday, November 2nd, at 2:00 p. m. in the Condra Memorial Chapel, Taylor, Texas, with Rev. Arthur Rode officiating. Burial was in the Copeland Cemetery. Nephews served as pallbearers.

Final Rites Are Held For Cecil Eager

Cecil Columbus Eager, of Stamford, owner of the Eager Feed and Mill Store and former president of the Stamford Chamber of Commerce, died about 5:30 a. m. Tuesday in Stamford Memorial Hospital following a lengthy illness.

Funeral was held at 11:30 a. m. Wednesday in Abilene at North's Memorial Chapel with the Rev. Jerry Boles, pastor of Central Presbyterian Church in Stamford, officiating. Burial was in Abilene's Elmwood Memorial Park.

He was born July 14, 1901. He had owned and operated the feed and mill store since moving to Stamford from Fort Worth in 1941. He was a 32nd degree Mason, a member of the Haskell County Sheriff's posse riding club and served as chairman of the Palomino Show at the Texas Cowboys Reunion for several years.

He received the honorary Lone Star degree at an Area II meeting held in Big Spring in 1954 because of "his untiring efforts" to get Future Farmers of America programs established in the Stamford school system.

In 1967 he was co-chairman with W. J. Bryant in the Stamford Community Chest drive.

Survivors include his wife, Laville; one daughter, Mrs. Bill Campbell of Irving; two brothers, Glenn of 3247 S. 34th in Abilene and Emmett of Clyde; three sisters, Mrs. Edyth Rainbolt of Cisco, Mrs. Elizabeth Knappe of Austin, and Miss Leatha Eager of 617 Beech, Abilene; and two grandchildren.

COMMISSIONED

Jerry R. Hardin, 25, son of Mr. and Mrs. Leo E. Hardin, 602 E. Moran, Stamford, was commissioned an Army second lieutenant after graduating from the Infantry Officer Candidate School, Ft. Benning, Ga., October 19.

During the 23-week course, he was trained in leadership, tactics of small infantry units and use of infantry weapons. He also received instruction in map and aerial photograph reading, guerrilla warfare and counter-insurgency operations.

Deer Hunters Formulate Plans For Big Hunt

"The Deer Hunters Club" held their regular meeting Friday afternoon, November 3rd, at 2:00 o'clock in the Walter Rogers Apartment.

All members were present to formulate plans for the big hunt in South Texas. Coffee and doughnuts were served to the following members: C. G. Burson, Sr., Frank Reynolds, Edd Fouts, Bill Lees, Skeet Miller, Clay Smith, Lynn Pace, Fred Brown, Walter Rogers and Melvin Miller.

The PTA Fall Festival Termed Very Successful

The PTA Fall Festival was held Saturday, November 4, at 5:30 p. m. The supper menu included beans, chili, coleslaw, hot dogs, sandwiches, pies and drinks. And for something extra good after the meal, or just to satisfy that urge to eat, there were delicious homemade ice cream, candies, and popcorn. Maybe you didn't care to eat it there, so there was the pie and cake sale that you could buy your goodies and take them home to eat.

Entertainment booths opened at 6:00 p. m. Here, young and old enjoyed the Bonnie Carson show, spook house, movies, fortune telling, mystery house, dart games, sidewalk artist and the Bazaar.

The PTA wishes to thank each and everyone, no matter how small or large your effort, for helping support the Fall Festival again this year and making it a successful one.

TSTA Endorses Sixth Amendment

The Texas State Teachers Association has endorsed amendment number six which Texans will ballot on in the Nov. 11th general election.

The proposed constitutional change would allow top public school, college and other state personnel to serve on state or federal advisory commissions.

The intent of the amendment is to allow Texans in non-elective posts to serve on unsalaried appointive bodies.

In effect, according to Charles H. Tennyson, TSTA executive secretary, the amendment's approval would authorize lending Texas brainpower to the nation.

The state constitution now prohibits state officials from holding more than one "position of honor, trust, or profit."

The proposal would amend Section 33 of Article XVI of the Texas Constitution to allow non-elective state officers and employees to hold other non-elective positions under this state or the United States.

"The proposal makes sense," Tennyson declares. "There is no point in not sharing the best brains of Texas with the nation in matters of national interest."

TSTA's endorsement came at its recent convention in Houston.

CARD OF THANKS

We want to express our sincere appreciation to our many friends for the beautiful floral offerings, food, words of consolation and any other act of kindness at the loss of our loved one, husband and father. Long Staple Cotton Can Be Grown In Area, Tests Show

Would you believe a 46-acre Rolling Plains dryland cotton patch, planted in an every-row pattern, that makes 402 pounds

of 1 inch and longer cotton per acre with a selling price of 21.22 cents per pound? When you add the price support payment of 11.33 cents, the cotton was actually worth 32.75 cents per pound.

Would you believe a 39 acre dryland cotton patch, again planted every row, that makes 290 pounds of 1 1/32 inch and longer cotton (actually 90 per cent was 1 1/16 staple)? This cotton value last Friday was 22.59 cents per pound. Add an 11.33 cents price support and you have 34.12 total value per pound.

"These are the first of hopefully many success stories made by Rolling Plains farmers who have experimented this year with some of the newer varieties of cotton," said Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers. "The first example was in Vernon and the latter was at Stamford. The pessimistic among us have said you can't raise long staple cotton under dryland conditions," continued Stenholm, "and in some respects they are right. You have not been able to raise some of the longer staples successfully in the Rolling Plains in the past. But there are 'new' varieties that our seed breeders are coming up with that we can raise this year, next year and in the more distant future."

"These new varieties will meet our every need to keep Rolling Plains cotton industry profitable and on an expanding price and production level," Stenholm optimistically declared. "Can't never won a football game. 'Can't' never made a successful farmer, either, said Stenholm. "There are a lot of things farmers can do to make their cotton allotment more profitable. Choice of variety is just one of many. And it appears that Rolling Plains cotton farmers will have several varieties to choose from next year that offer a lot of promise. These first success stories are a part of an overall quality evaluation program being carried out in the Rolling Plains."

"What is more encouraging is that the above results are based on green card evaluation," said Stenholm. "We haven't yet seen the mechanical class results but on some other it appears that man and machine are doing a much better job of agreeing this year than last."

"As more and more of these records come in, the value of unified and coordinated programs sponsored by farmers should be self evident."

Band Parents View Marching Contest Film

The Band Parents met Tuesday, November 7th, at 8:15 p. m. in the band hall. Members viewed the film of last year's marching contests held in Wichita Falls at which time the Haskell band received a III rating.

Band Director Wendell Gideon gave a report on this year's marching contest that the Indian Band participated in at Wichita Falls, Tuesday, Nov. 7.

Mr. Gideon said the band was awarded a III rating again this year. A good number of parents accompanied the band to Wichita Falls and reported the marching was "A-I" in their book.

Members decided that the first Tuesday in each month would be the regular meeting date for band parents for the rest of the year.

DESPITE THREATENING SKIES TOUR IS HELD ON SCHEDULE

Between 15 and 20 persons turned out for the annual Haskell County Committee's Tour Tuesday afternoon, despite threatening skies and occasional drizzle.

The tour was sponsored by the Agricultural Stabilization and Conservation Service, the Farmers Home Administration, the Great Plains Conservation Program, and the California Creek and Wichita-Brazos Soil and Water Conservation Districts.

First stop on the agenda was the Haskell Radiator Shop. This business, co-owned by Raymond Andrada and Jesse Sanchez, was established through the assistance of an Economic Opportunity Loan made by the Farmers Home Administration, explained Don Perry, Haskell County FHA Supervisor.

The Audie Penick Farm four miles north of Rule was the next stop visited. J. C. Yeary, Jr., Work Unit Conservator with the SCS and general tour guide, pointed out the work done on the farm under the Great Plains Conservation Program, including parallel terracing and a gressed waterway.

The farm is operated by E. C. Smith of Rule.

One of the highlights of the tour was the Rule Recreation Club, located 1 3/4 miles west of Rule and one mile north. The club property is being developed with the assistance of

a recreation loan made by the FHA.

The group then moved to the James A. Lisle farm about four miles south of Rule where they saw a system of parallel terraces established with assistance of the ASCS Agricultural Conservation Program. Lloyd Feemster discussed the project with the group.

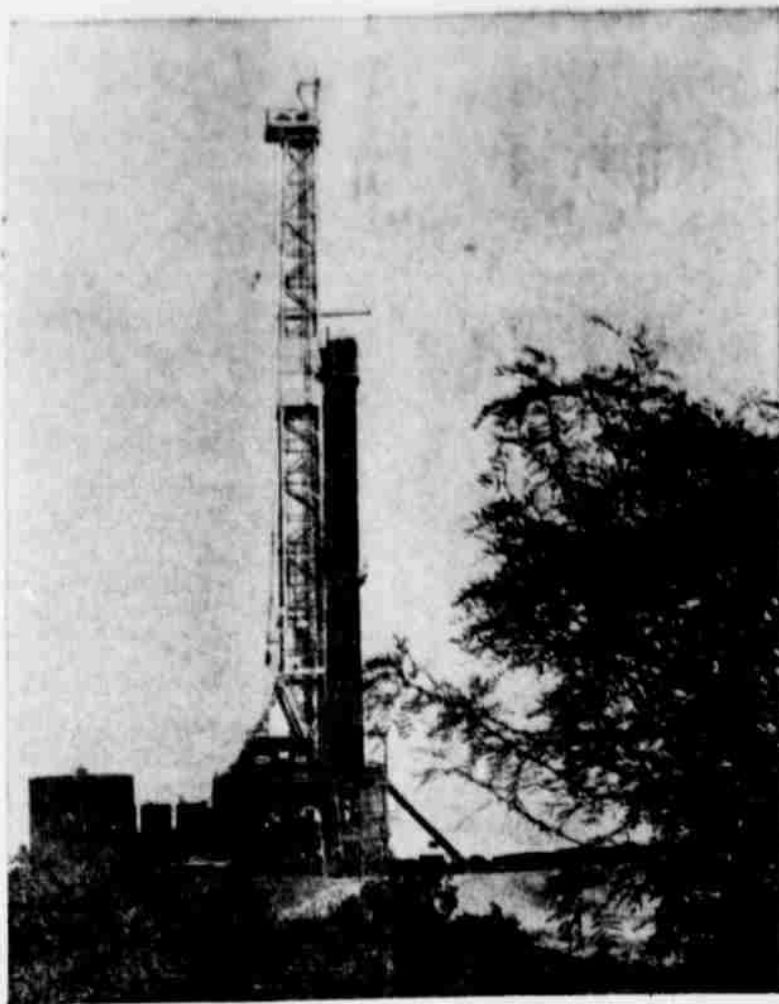

Last stop of the afternoon was the Joe A. Clark farm two miles north of Sagerton. This farm unit is operated by Clark under all three programs, ASCS, FHA and GPCP.

A Farm Ownership Loan through the FHA helped Clark purchase the unit, the GPCP assisted in the development of the unit with the establishment of Bermuda Grass on the river bottom pasture, brush control and seeding on the native mesquite-infested rangeland, field and pasture diversions to control outside water and prevent it crossing and washing fields and field terraces.

The ASCS assists Clark with his cotton, wheat and feed grain programs.

HERE FOR FUNERAL.

Mrs. William Archebald, the former Louise Herren, of Alexandria, Virginia, was in Haskell last week to attend the Douglas Lees funeral, and to visit her parents, Mr. and Mrs. Sam Herren.

DRILLING THE DEEPEST

Humble Oil & Refining Company's Rig 32 is shown here in the Gomez field of West Texas drilling the world's deepest producing well. The new ultra-deep producer — the Henry Willbanks No. 11 — was completed in the Ellenberger formation at 21,883 to 22,610 feet. The well, located in Pecos County about 10 miles northwest of Fort Stockton, flowed gas at a calculated open flow rate of 14 million cubic feet a day.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends and neighbors for their kindness and words of sympathy shown to us during the illness and passing of our dear loved one. For the food that was brought to the home and the dinner, that was served at the community center at Weimer. For the beautiful flowers and cards that were sent. Also to Bro. Ross Anderson and Bro. Donald Myers, May God bless each of you. The George Brauggeman Family. 45p

C OF C BOARD OF DIRECTORS MEETING HELD TUES. MORNING

The Board of Directors of the Haskell Chamber of Commerce met November 7, 7:00 a. m., at Folker's Restaurant, with President Robert Greenroy presiding. The financial statement was read and approved.

Greenroy told directors of the progress of the new brochure. He stated a completed proof had been promised within the next few weeks.

The possibility of the Chamber sponsoring a Dale Carnegie Course was then discussed. The directors thought at this time too many other things were pending and there would not be enough time to sponsor this program.

Greenroy stated to directors that gifts have been presented to the Baker triplets. He also stated the Chamber was still trying to secure a banquet speaker.

Work on Christmas decorations is progressing slowly. The C of C Manager asked that

work is being done at Stewart Motor Company at night. The Jaycees will again be asked to resume the responsibility of putting up and taking down the decorations this year.

Indians Need Opponent For Sept. 6, 1968

To round-out the 1968 football season, the Haskell Indians are in need of an opening game on September 6th and will play either an A, AA or AAA team, head coach Sonny Everett said. Contacts concerning the September 6, 1968 game, may be made by telephoning Coach Everett at 864-2539 or 864-2635, Haskell, Texas.

TAX MAN SAM SEZ:

Apparently filing a tax return wasn't as hard a task as most taxpayers claimed here in Northern Texas. Sixty-five per cent of the taxpayers filing individual income tax returns during 1967 got a refund. The computer rolled out 987,000 refund checks amounting to more than \$137 million. Brother, that's a lot of dough!

The good tax folks say that they still have several thousand refund checks that could not be delivered. If you haven't got your refund and haven't heard from it, either you made an error, or one of the processing employees gave the computer the wrong information, or else you hauled off and moved. If you still have a refund check coming and have not been notified of problems on the refund, sit down and write the Internal Revenue Service — tell them when you filed, what your social security number is, and how much refund check you are due. You will probably get your check.

Marine Private Muegge Completes Recruit Training

JACK R. MUEGGE

Marine Private Jack R. Muegge, son of Mr. and Mrs. G. H. Muegge of Haskell, graduated from eight weeks of recruit training at the Marine Corps Recruit Depot, San Diego, California.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

Scout Troop 48 Returns Home Triumphant

Boy Scout Troop 48, Paint Creek, returned home triumphant with a first place ribbon from the Council Jamboree last weekend.

Over 500 boys from all over the Chisholm Trail Council were at Hoad's Creek Lake near Coleman for the two-day cold weather event and Troop 48 earned the ribbon by scoring 920 out of a possible 1,000 total points by participating in various skill events.

With only four boys representing the troop, they sailed through their Scout Craft skill events with total points in signaling, fishing, knot tying, first aid and compass work, but found a bit of difficulty in flipping a home-made flapjack over a string stretched eight feet above the ground. Other events at the Jamboree were: Uniform knowledge, nature, map reading and flag ceremony.

The four man patrol consisted of Ricky Brazell, Jim Mickler, Glen Casselberry and Tommy Pritchard. Wallar Overton is Scoutmaster for the troop.

Rule Romps Over Newcastle

Rule's Bobcats moved into a firm second place in District 6B Friday night with a decisive 47-14 win over the Newcastle Bobcats.

Tied for second with Lockett coming in to Friday night's game, the Rule win gives the team a 4-1 conference mark. Lockett's 34-16 loss to top-ranked Chillicothe, gives them a 2-2 conference mark and 3rd place.

Rule opened the game with a strong defensive show, which garnered 21 points in the first

period and gave them a half-time score of 27-0.

Paul Cornelius, who tallied three TDs and kicked two extra points, sparked the defensive squad in linebacker position along with James Anderson at tackle.

Newcastle got on the scoreboard in the fourth quarter, with Preston Pitts making both tallies, Pitts was the game's leading gainer with 172 yards.

Rule missed one score with a fumble on Newcastle's 2-yard line, but later in the second half blocked a Newcastle punt at the 2 to set up the team's fifth tally.

FB Convention Slated In Austin November 12-15

Leading spokesmen for agriculture, industry and government will participate in Texas Farm Bureau's 34th annual convention Nov. 12-15 at the Terrace Motor Hotel Convention Center in Austin.

They will speak Monday afternoon, Nov. 13, at special discussion conferences dealing with matters of particular interest to Texas farmers and ranchers.

Morris Atlas McAllen, attorney for La Casita Farms of Rio Grande City, will discuss "Current Labor Developments in the Rio Grande Valley" at the Farm Labor Conference. Atlas represented La Casita in recent labor hearings by the Senate Sub-Committee on Migratory Labor at Rio Grande City and Edinburg.

Texas Commissioner of Agriculture John C. White will talk on "Regulatory Programs for Texas Agriculture" during the Field Crops Conference.

WILLIAM C. McCORD

William C. McCord, vice-president of Lone Star Gas Company's Dallas Division of Distribution, has been elected executive vice-president-Chemical operation and a director of Nipak, Inc., a Dallas-based subsidiary of Lone Star.

VETERANS DAY

Throughout recorded history and no doubt for hundreds of thousands of years before that, it has been a tragic fact that the best of the young men have had to carry the burden of fighting the battles and the wars in which their families, their tribes or their nations have been involved. In the United States today, every person, every family and most especially those with children know well that civilization has not yet progressed far enough to lift this burden from its young people who know how to fight on an Asian battlefield in defense of the ideals and principles for which this country stands.

During the November 11th observance of Veterans Day, the nation will pause to honor those veterans, living and dead, who have served in the U. S. armed forces in time of war. It is especially fitting at this time that they be so honored. World War I, as our older citizens will remember, was thought to be the war to end all wars. November 11th was originally set aside by Presidential Proclamation as a time to commemorate the termination of hostilities in that war which came on the morning of November 11, 1918. In 1926, Armistice Day was established as a national holiday.

But the armistice did not last. Since that time many millions of American servicemen have fought this nation's battles on every continent of the earth. In recognition of this fact, the meaning of Armistice Day was broadened in May of 1964 when Congress decreed that this November day should be known as Veterans Day with a broader significance recognizing all those who have served this country in time of need. The nation will remember them and carry the hope that will bring the day when the world will see the signing of the final armistice so young men may give their energies rather than their lives for the building of a better future.

Haskell County History

30 YEARS AGO (November 12, 1887)

Ralph Bernard of Haskell, student in Texas University, was a pledge this week in the Alpha Omega fraternity at an honorary Eagle Scout service. From a group of 35 Eagle Scouts pledged, Ralph was the only representative from the Chisholm Trail Area, he stated in a letter to his parents, Mr. and Mrs. J. E. Bernard.

Miss Clara Cliff, teacher in the Dallas schools, Frank Cliff of Duncan, Oklahoma, and Jack Cliff of Dallas, spent the weekend in Haskell, visiting in the home of their parents, Mr. and Mrs. B. T. Cliff.

Talent from Rule will give an entertaining program, over KRBC Sunday afternoon at 2:30 with the regular Rochester program. Those appearing on the program will be Spurgeon Newby, Levi Davis, Zane Franklin, Ross Cannon and Ernest Westmoreland.

Mr. and Mrs. F. T. Sanders visited Mr. and Mrs. Roy A. Sanders and daughter, Carol Ann, in Abilene, Sunday.

Mr. and Mrs. R. J. Reynolds were business visitors in Abilene one day last week.

The Rev. Woodrow Adeock, pastor of the Sagerton and O'Brien Methodist Churches in Haskell County, is one of the 25 young ministers in the School of Theology at Southern Methodist University who are serving as student pastors while enrolled in the Seminary. Rev. Adeock travels approximately 500 miles a week to fill his pulpit each Sunday. The Rev. Adeock is completing his first year in the Seminary. He is serving for the second time as pastor of the two Methodist churches in Haskell County. He is the son of J. W. Adeock.

Miss Maybelle Taylor left last week for El Paso where she will attend a State Baptist Convention.

Mayor F. G. Alexander has appointed a committee to aid postmaster J. M. Diggs in taking the unemployment census of Haskell and surrounding area during the four-day period of November 16-20.

10 YEARS AGO (November 10, 1927)

The Board of the Christian Church met Sunday and tendered a unanimous invitation to Rev. G. R. Forrester to continue as pastor of the church, with a substantial increase in salary. Brother Forrester is expected to announce his decision soon. Lynn Pace and Clyde

Grissom were elected new members of the Board at the meeting. R. J. Reynolds, who was operated on for appendicitis at the Baptist Sanatorium in Abilene last week, is recovering rapidly according to reports received here and he is expected to return home in a few days.

In a raid last Friday night, Sheriff Al Cousins and his deputies, assisted by Chief of Police Welsh and his men, arrested 63 negroes and three white men when they swooped down on a gambling resort on a farm in the northeast part of the county.

Mrs. J. U. Fields, State president of Texas Federation of Women's Clubs, accompanied by Mrs. F. T. Sanders, Mrs. Courtney Hunt and Mrs. W. H. Marchison left last Sunday morning for El Paso where the State Convention of the Texas Federated Women's Clubs convene.

On last Sunday Mr. and Mrs. R. L. Harrison and sons, and Mr. and Mrs. W. B. Harrison and Mr. and Mrs. Marvin Harrison of Denton, motored to Seymour and visited Mr. and Mrs. Leonard Harrison and in the afternoon they went to Lake Kemp.

The Lucky Thirteen Club met last Friday evening in the home of Mr. and Mrs. J. W. Martin with Miss Grace Martin as club hostess. The rooms where the guests were received were lovely with fall flowers. After an evening of bridge the hostess served a delicious plate of cream chicken on toast, salad, nut cake, ice cream and coffee to Misses Nettie McCollum, Eunice Huckabee, Lois Earnest, Lola Welsh, Mammie Barron, May Belle Taylor, Lewis Manley, Madalin Hunt, Eunice Huckabee, Helen Harbison, Sula Mae Ratliff, and special guest, Miss Ida Lillian Miller of Stamford, house guest of Miss Eunice Huckabee and Miss Florence Shook.

60 YEARS AGO (November 9, 1907)

Mr. and Mrs. Mark of the Cliff community were in the City Tuesday.

J. S. Rives, Superintendent and P. D. Sanders, president of the Board of Trustees, issued the following public school notes: Progress in school depends upon the condition of the pupil's mind. Unless the minds of the pupils are devoted to their studies one cannot look for the results wished for. We therefore desire to call attention of

Cockerell All-Around Athlete At Paint Creek

DUDLEY COCKERELL

Dudley Cockerell, son of Mr. and Mrs. Bill Cockerell, is a senior letterman on Paint Creek Pirates football team. He has been an outstanding end, both offensively and defensively, playing a major part as a leading pass receiver and scorer for the Pirates. Dudley was named on the second team as defensive end in 1966 in District 4-B.

He lettered in all three major sports last year.

the parents to the following facts: 1. Pupils should not be on the streets after night, but at home engaged in study. 2. Boys and girls who are in school should not keep company with each other. The results of keeping company are very baneful. Perhaps nothing so distracts the mind and renders it unfit for diligent application. 3. Pupils should be regular in attendance and punctual. There are some pupils in school who miss from two to three days a week. We desire and earnestly request cooperation of parents in carrying out the above regulations in a matter both mutual and philanthropic.

Mr. J. E. McPherson, a real estate and insurance man, late of Venice, Johnson County, has moved to Haskell with his family and associated himself with the Real Estate firm of Sanders and Wilson.

Mr. and Mrs. D. W. Piteford, accompanied by Miss Tommie Boone attended the Dallas Fair. Miss Boone will visit relatives at McKinney before returning home.

Mr. T. J. Lemmon returned Saturday night from Kansas City, where he had gone in charge of several cars of cattle for Mr. M. S. Shook. Mr. Lemmon told the Free Press Editor there was more improvement going on in Haskell than he saw from the train the whole trip.

Some misguided people are talking of withdrawing their money from the banks as soon as they can do so. It is the worst thing that can be done for the country at large and for the individual.

Paint Creek Pirates Topple Strawn 32-18

The Paint Creek Pirates won a hard-fought victory over the Strawn Greyhounds at Paint Creek Friday night, November 3.

Jim Ballard, a flashy, hard-running Jr. halfback for the Pirates rolled over for 12 points in the first half while Dudley Cockerell pulled one out of the air for 6 and an extra point, making the halftime score 19-6.

Twice, Pirates Ricky Perry and Steve Livengood intercepted Greyhound passes, setting-up scoring drives for the fighting Pirates. The second half found Ballard and Cockerell hitting pay dirt again for a 32-18 win over Strawn.

Paint Creek meets O'Brien tonight, Thursday, November 9th, at Paint Creek with the Pirates striving for the District 4B championship which they won in 1966.

Cotton Classing Report

The Mundav Cotton Classing office of the U. S. Department of Agriculture classed about 7,000 samples for the week ending Nov. 3, according to A. D. Peebles in charge of the office.

Rain the first of the week halted harvesting, enabling the

office to completely catch-up on receipts.

Grades and staples for the week were slightly lower. Consumer and Marketing Service statistics show 34 per cent grad- ed Middling, 4 per cent Strict Low Middling, 57 per cent Middling Light Spotted, and 3 per cent Strict Low Middling Light Spotted.

Staple lengths for the same period show 16 per cent 29/32, 60 per cent 15/16, 10 per cent

31/32, and 14 per cent 1 inch or longer. Micronaire readings for the week indicate 86 per cent read in the 3.5-4.9 range and 13 per cent 5.0-5.2. Sales increased this week. Average selling price for Middling Light Spotted 15/16, was 19.05.

COUNTY AGENT'S CORNER

By R. W. Schumann Haskell County Agricultural Agent

Now that some of our cotton is being harvested, don't forget all of those boll-weevil problems you had this past year and the years before. You can help cut down on the weevils we have next year by an early stalk destruction program. You must remember that these weevils need to build up a fat reserve if they are going to survive the winter. By destroying their food supply we can really reduce numbers of the weevils that make it till next year. Shredding the stalks and getting them plowed under early is a good preventive measure.

There have been many cases of screw worms all over the state for some reason. Most of the blame can be given to the hurricane we had down in the Brownsville area. As far as I know, there have been no confirmed cases here in Haskell County, but these things can live up fast. I hope that you livestock producers will keep a close watch for suspected screw worm cases, and will continue to send in samples to the lab at Mission. I have the vials and instructions for sending samples at the office, if you need help in collecting samples, just let me know and I'll be glad to assist.

Rochester Loses To Turkey 14-12

Turkey, behind the rushing of Claude Robinson and Russell Barnhill, squeezed by the Rochester Steers last Friday night, 14-12, the difference in the game coming on a conversion run.

Robinson went 11 yards for the first Turkey score in the first quarter, and Russell Barnhill dashed 14 yards for a second touchdown in the same period. After Johnny King burst into the end zone for a pair of conversion points, Turkey held off a gallant Rochester comeback.

The Steers outgained Turkey statistically, 254 total yards to 227 for Turkey. Mike Wyatt went 12 yards in the third stanza for the Steers' opening score, and then quarterback Smart fired a 5-yard pass to halfback Phil Tanner to close out the scoring.

Rochester and Turkey have identical season records of 2-6.

TAX MAN SAM SEZ:

The taxpayers throughout the Nation continued to have trouble in talking to the IRS computer. In 902,000 cases the taxpayer transposed or at least used the wrong social security number on his 1966 return, and naturally the computer don't speak to people unless he knows who they are. In Northern Texas, however, the tax folks told the taxpayers to be careful about the correct social security number on their tax return. The taxpayers evidently listened, because only 1,700 Northern Texans had trouble with the computer over their social security number. This is only one-tenth of the number of errors that taxpayers made on this item throughout the country.

OUTDOORS -IN- TEXAS

By Vern Sanford

Some people say they do not care for venison. Complaint usually is that they do not like the "gamey taste."

Most people blame the meat itself, rather than the way it is handled or prepared.

When fixed correctly, venison is delicious, and most people find it difficult to tell the difference between it and beefsteak.

Many factors are involved in preparing venison that is delicious. In a booklet titled "Wild Game Care and Cooking," put out by the Texas Agricultural Extension Service of Texas A&M University, it is pointed out that "the success of cooked game depends to a great extent on the treatment the animal received when killed."

Deer should be dressed immediately after the kill. The longer the shot-up innards remain inside the cavity, the more tainted the meat becomes.

Most people simply gut the deer, wash it out thoroughly and hang it in a convenient place until it can be taken home or to a locker plant.

Authors of "Wild Game Care and Cooking" recommend the following things to improve the quality of wild meat:

Cut away all tainted or mutilated portions of meat. Do not wash the carcass. To clean, wipe the carcass with a clean cloth. Remove hair and any debris that adheres to the meat. Skin and quarter the carcass for more rapid cooling, if possible. Otherwise, hang the carcass outside at night and wrap it in a large sack, tarp or game bag in the shade or indoors during the day. Protect the meat from flies and moisture. Many hunters prefer to leave the skin on the carcass to protect the meat from contamination until it is butchered.

When taking the deer carcass home, do not expose the meat to motor heat or exhaust fumes. Wrap the meat loosely and transport it on top of the car, the bed of a pick-up truck or the car trunk.

As for cooking, the authors explain that young and tender game is best cooked by dry heat such as roasting, broiling, pan-broiling and frying. Dry heat preserves flavor and insures tenderness. Basting with additional fat may be necessary if the meat is lean.

Old and less tender game is best when cooked by moist heat such as braising, stewing and simmering. Swiss steaks and pot roasts are cooked by braising. Add a small amount of liquid to the meat which is cooked in a covered container. Stews, tri-casses and boiled game are prepared by simmering (not at boiling point) in hot liquid which partially or completely

covers the meat. With moisture, the high temperature necessary to soften the connective tissues can be obtained.

One recipe from the booklet (which, incidentally, can be obtained from your county agent) is for venison swiss steak. To prepare this dish, you will need 1 1/2 pounds round venison steak, 3 large onions, 1 medium stalk celery, 1 cup tomatoes, 2 tablespoons Worcestershire sauce, and salt and pepper.

The steak should be about 1 1/2 inches thick. Dredge with flour and season with salt and pepper; brown in fat on both sides. Add the other ingredients. Cover tightly and cook in greases F. or over top of range until 1 1/2 hours. Remove platter and make a dripping in the four.

O'Brien Outlasts Benjamin, 44-20

Swift Lynn Holmes scored 24 points to lead O'Brien past Benjamin in a District 4-B six-man game at O'Brien last Thursday night, 44-20.

Mark Lippard booted four points after for an 8-point total to help the winning cause. Mike Young headed Benjamin scoring with 12 points.

With the win, O'Brien stands 2-1 in district play while Benjamin is winless in three starts. O'Brien 14 8 0 22-44 Benjamin 6 7 0 7-20

CUSTOMER SERVICE NEWS Light up the Night... Rent a Guard-Lite Safety-Convenience-Security Dusk-to-Dawn Guard-lite is the name for the automatic outdoor dusk-to-dawn light being installed throughout the service area of West Texas Utilities, to light up and help guard commercial buildings, equipment storage areas, churches, schools, warehouses, motels, parking lots and homes in rural or secluded areas. At Dawn a photo-electric cell switches the Guard-lite on automatically. At dusk it turns it off again. Throughout the night, your Guard-lite helps bring you greater convenience, security from prowlers and vandals, safety from accidents, and adds a touch of prestige to your property. Low rental covers everything-normal installation, maintenance, lamp replacement and the cost of electricity. Guard-Lite is a bright idea -call WTU for complete details West Texas Utilities Company
