

Lions Annual Ladies Night Is Slated Next Tuesday

Davis Elected Commander Of Rogers-Cox Post

Tommy Davis was elected Commander of Rogers-Cox Post 221, American Legion, at a meeting held last Thursday evening.

Other officers to head the organization for the ensuing year include: Herbert Fischer, vice-commander; Joe Williams, 2nd vice-commander; Howard Sloan, Adjutant; Truitt Parsons, finance officer; Alvin Dornier, sergeant-at-arms; Cecil Pittman, assistant sergeant-at-arms; Charlie Conner, historian and Riley Stock, chaplain.

"The Restless Ones" To Be Shown Here

With the accent on youth, "The Restless Ones," a full feature-length film which deals imaginatively and dramatically with the teen-age crisis, will be shown at the Texas Theatre here Thursday, Friday and Saturday, June 29, 30 and July 1. Showings will be at 6:30 and 8:45 p. m. on Thursday and Friday and at 1:30, 4:00, 6:30 and 8:45 p. m., Saturday.

Two showings are scheduled for June 29 and 30 and four showings, two in the afternoon and two at night, will be held on Saturday, July 1.

With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, and artfully woven into the story pattern, "The Restless Ones" is a hard-hitting, bold approach to our social problems.

Admission will be \$1.00 per person.

Final Rites Are Held For Mrs. Scifres

Mrs. Elizabeth Scifres, 95, passed away at 6 a. m. Saturday at the Stamford Hospital, following an illness of 11 days. She had been a resident of the Rule community for the past 21 years.

She was preceded in death in 1945 by her husband, whom she married October 4, 1891.

Survivors include four sons, Charlie M. and William L., both of Rule, George L. of Haskell and Leland of Whiteface, Tex.; two daughters, Miss Aletha J. Scifres of Rule and Mrs. Susan Gage of Haskell; 14 grandchildren and 22 great-grandchildren; one brother, Charlie M. Shipman of Hamlin; a sister, Mrs. Allie A. Alls of Hamlin.

Funeral was held at 3 p. m. Sunday in the First Baptist Church in Rule with the Rev. Mike Harrington, pastor, officiating, assisted by the Rev. Danny Johnson of Stamford and the Rev. Aaron Ellison of Haskell. Burial was in the Benjamin Cemetery with the Pinkard Funeral Home in charge.

Trinity Lutheran Church Announces Sunday Activities

The annual congregation picnic of the Trinity Lutheran Church, in the form of a pot-luck dinner, will be held Sunday, July 23rd, at the Rice Springs Park.

Pastor Johannes said that Sunday School and church services Sunday morning will be held at the church, as usual, after which the congregation will assemble at the park for the dinner.

Gilmore To Report To Air Force Academy

Thornton Gilmore, son of Mr. and Mrs. Brax Gilmore, will leave for Colorado this weekend and will report-in to the United States Air Force Academy on Monday, June 26th.

Thornton, salutatorian of the graduating class of 1967, and outstanding Haskell High School athlete, applied for recommendation to the academy in the summer of his sophomore year and officially received word of his appointment early in May of this year.

To receive his appointment, Thornton had to get recognition from Congressman Omar Burleson who can keep only five boys in the academy. This year there were only two openings and Gilmore's name was placed with five other boys on a slate where only one boy was chosen from each of the two slates. To compete for the honor, points were kept on scores from three college board examinations, letters of recommendation from high school teachers, transcript, school honors and his airplane license among other things, was included in extra-curricular activities. He also took a physical examination at Sheppard AFB, which measured strength, coordination, endurance, speed and agility and a civil service examination.

Objective of the academy is to train young men in the academic program, leadership and military training, and physical education and athletics.

Last Rites Held For Long Time County Resident

Andrew Jackson Hearn, 76, longtime Haskell County resident, passed away Saturday at 8:30 a. m. in a Wichita Falls hospital.

Mr. Hearn was born March 16, 1891, in Godson, Ala. He was a retired farmer and landowner in Haskell County and had lived at Rochester since 1900. He married Minnie Matilda February 26, 1914, in Haskell.

Services were held at 4 p. m. Sunday at First Baptist Church in Rochester with the Rev. Fred Garvin, pastor of the First Baptist Church, officiating, assisted by the Rev. Martin, minister of the Church of Christ in Rochester. Burial was in the Rochester Cemetery under direction of the Smith Funeral Home.

Survivors include his wife; four sons, Everett, Herman and Arlis, all of Rochester; and Dalton of Tulsa, Okla.; one daughter, Mrs. Joe Mann of Stamford; 14 grandchildren and nine great-grandchildren; three brothers and one sister.

Tom Watson Is Re-elected Fire Chief

Tom Watson was re-elected for his eighth term as Chief of the Haskell Volunteer Fire Department and George Neely was re-elected as secretary-treasurer for the nineteenth time at the department's annual election on Monday night.

Re-elected to the assistant fire chief's post for the eighth time was Chester Hodgkin.

John Watson, Sonny Reynolds and Alton Middleton were also re-elected team captains. Olen Bartley was named tail twister and Belton Duncan, chaplain.

R. V. Black was recommended by the department as Fire Marshall which stands to be approved by the city council.

At the Monday night meeting, Chief Watson gave a report of the recent Firemen's Association Convention and firemen voted to purchase a stadium cushion seat ad from the Haskell Jaycees.

PAMELA REEVES

THERESA ABBOTT

Haskell Is Represented At Girls State

Pamela Reeves and Theresa Abbott, of Haskell, have been elected to offices at the American Legion Auxiliary Bluebonnet Girls State now in progress at Austin.

Miss Reeves was elected Federalist Party nominee for County Clerk, County of Cook. She is the daughter of Mr. and Mrs. Bill Reeves.

Miss Abbott, the daughter of Mr. and Mrs. Chester Abbott, was elected National Party nominee, County Commissioner Place 4, County Mind.

Girls State was organized as a national Americanism activity in 1937 by the American Legion Auxiliary. Non-partisan and non-political, the purpose of the Girls State Program is to provide citizenship training for girls of high school age, to afford them an opportunity to live together as a self-governing group and to inform them of the duties, privileges, rights and responsibilities which they will assume when they become adults. They learn the problems of government by performing the same duties as real office holders in the everyday world. Citizens are selected at local levels principally on a basis of character and leadership from students who have just completed their junior year in high school each year.

The 1967 session of the American Legion Auxiliary Bluebonnet Girls State has grown from an experimental conference of 94 girls, held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year, 400 girls are in attendance, plus two from Mexico City, making a total of more than 7,600 girls in Texas who have participated in this top-level citizenship program.

Climaxing the session which began June 14 and ends June 23 will be the selection of two outstanding citizens of 1967 who will be sent to Girls Nation in Washington, D. C. by the American Legion Auxiliary where the two young representatives will continue their study in responsibilities of the Republic.

Miss Abbott is sponsored by the American Legion Auxiliary No. 221 and Pamela Reeves by Mr. and Mrs. Charlie Conner.

22 Persons Complete Civil Defense Course

John Kimbrough, Haskell City and County Civil Defense Director, said that twenty-two persons completed the course offered in the Civil Defense School which was completed here Monday night.

The five-night, 16-hour course informed those attending how to gauge the amount of fall-out in the atmosphere, on the ground and in buildings, how to handle and care for food during fall-out, etc.

Conducting the school were Major Lewis E. Johnson, Lt. Glenn Samford, Sgt. Bill Mayhew and Sgt. Benny Johnston, of Fort Bliss.

Those completing the school of instructions will be furnished the necessary equipment to assist them in their civil defense duties in the county, Kimbrough said.

If enough interest is shown, a fall-out shelter school will be held in Haskell, Kimbrough said.

Foursquare Churches Reveal Pastoral Changes

Pastoral changes affecting area Foursquare Churches this past week included Haskell, Weinert and Hamlin.

Rev. Katherine Byrd, interim pastor of the Haskell Church for the past three months, has accepted pastorate of the Weinert Church.

The Rev. Roy Herricks, former pastor of the Haskell Church, has accepted the church here. He formerly served the Haskell Church for some six years.

Rev. and Mrs. Carl Pool have moved to Hamlin from Weinert to serve as pastors of the Foursquare Gospel Church. They served the Hamlin Church for eight years once before. They assumed the pastorate at Hamlin, Sunday, succeeding the Rev. and Mrs. Weldon Conner.

Rev. and Mrs. Pool served the Weinert Church for three and one-half years.

Son-in-Law Of Conners Completes Architect Exams

Grady R. Cozby Jr., employee of Boone & Pope Architects and Engineers, Abilene, has been licensed as a registered architect by the state board of architectural examiners at Austin.

Rev. and Mrs. Pool served the Weinert Church for three and one-half years.

Jerry Anderson Resigns Coaching Position Here

Due to the resignation of Jerry Anderson, Haskell is seeking an assistant football coach and head track coach. Superintendent of Schools, H. T. Wilkins and head coach Sonny Everett announced.

Mr. Anderson resigned to return to his native hometown of Cornman, where he will be engaged in farming.

Anderson joined the faculty here in September 1966. He is a graduate of A&M, and prior to coming to Haskell taught at Dimmitt.

21 Carloads Grain Shipped Via Railway

As of the first of this week, 21 carloads of grain had been shipped out of Haskell by the Fort Worth & Denver Railroad; however, some of the farmers are holding grain in storage, hoping to get a better price. Gene Schackelford, local manager said.

At this time last year some 60 cars had been shipped via the Fort Worth & Denver, Schackelford said.

FHA Loans Serve 410 Families In Haskell County

County Supervisor, Donald R. Perry, reports on progress of association loans made by the Farmers Home Administration in Haskell County, Texas. There have been four loans made to serve a total of 410 families for the sum of \$443,000.00.

In 1963 a loan was made to the Sugerton community in the amount of \$126,000.00 to put in a water system for the town and surrounding rural area. The facility serves 80 members. All loan payments are up to date.

In 1966 a loan was made to the City of O'Brien in the amount of \$62,000.00 to put in a sewer system. This facility serves fifty families. Their loan is current and the city is now adding to their cash and reserve.

In 1967 a loan was made to the Rule community in the amount of \$105,000.00 to establish Recreation facilities. This facility will serve 105 families. This loan will be closed and construction started within the next two weeks.

The Haskell County Country Club has been approved for \$150,000.00 recreation loan to establish a and improve their present recreation facilities. This facility will serve 175 families. This loan should be closed and construction should begin within the next four to six weeks.

YOUNG HOMEMAKERS WILL RING BELLS FOR FREEDOM

The Haskell Chapter of Young Homemakers will ring the "Bells for Freedom" on Independence Day.

This was the way the Fourth of July was celebrated the first hundred years of our nation's life. Later on the firecrackers came along and drowned out the sound of the bells. In 1962, since firecrackers have been banned in so many states, some men formed a committee to get the people to again celebrate the Fourth of July by ringing bells.

The idea has since spread and last year on the Fourth, bells were rung in every state in the nation. The committee suggested ringing all the nation's bells at once. But at what hour should this simultaneous clang occur? After looking into the doings of the Continental Congress in Philadelphia on July 4, 1776, they concluded that the manifesto of freedom was probably approved about 2:00 p. m. Thus, 2:00 p. m. Eastern Standard Time, was chosen as the hour when every state should join together and ring the "Bells for Freedom." Bells of all kinds are used, from churches, schools, firehouses, factories and all kinds of hand bells.

On this July Fourth, the Haskell Young Homemakers and their children will gather at the Presbyterian Church to ring the church bell. They would like to have all bells all over Haskell ring at 2:00 p. m. for four minutes. Everyone interested in observing the Fourth of July this way is asked to join the Young Homemakers at the Presbyterian Church, thus helping in this small way to reveal that we are proud of our country and glad to be free to ring "Bells for Freedom."

Clubs, civic organizations or individuals interested in helping to ring the "Bells for Freedom" in Haskell July Fourth should contact Shirley Greenroy by telephoning 864-2520 or Betty McBrown 864-2807, for further information.

Highway Patrol Investigated Six Accidents In County During May

The Texas Highway Patrol investigated five accidents on rural highways in Haskell County during the month of May, according to Sergeant Frank Jirik, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, two injured and an estimated property damage of \$9,120.00.

The rural accident summary for this county during the first five months of 1967 shows a total of 20 accidents resulting in one person killed, seven persons injured and an estimated property damage of \$16,740.00.

The vacation season is now in full swing. This means more traffic and many drivers going for long hours without sleep.

In many areas harvest is in progress which means slow-moving farm machinery on the highway, oftentimes poorly lit or not lit at all.

The Patrol Sergeant cautioned motorists to watch for the slow driver and to be alert for slow-moving vehicles. If you are traveling this summer, allow plenty of time for your trip, and rest often.

Chamber of Commerce Directors Map Plans For Upcoming Activities

Board of Directors of the Haskell Chamber of Commerce met Tuesday night at the Chamber office with President, Robert Greenroy presiding.

Minutes and financial statement were read by the manager, also corrections were made from the last meeting, concerning the manager attending all Chamber of Commerce meetings in West Texas, to manager training meetings in West Texas.

Mrs. Barbara Elliott, Home Demonstration Agent, reported to the Directors that two planned meetings have been held concerning the Miss Cotton of Texas contest. Mrs. Elliott also reported that there will be a committee meeting June 22 at 2:30 at the Chamber office with a representative from each community in the County present.

Mrs. Opal Adkins, retail committee chairman, reported that five programs were discussed at last retail committee meeting. These programs included: Continuation of Trades Day, a ping pong promotion, back to school bargain day, Thanksgiving Day turkey promotion, and red carpet days. Mrs. Adkins also stated that the Christmas car program would be continued two more years.

A report was given on the Hey Day committee meeting by Mrs. Luther Burkett. She announced the tentative date for the Hey Day activities is August 17-18. Also, the Little Miss Hey Day activities would be held in the City Park this year, and Miss Hey Day held in the theatre.

Bob Greenroy announced that all preparations for the Fly-In Breakfast set for July 8 have been taken care of. He stated that all directors should give complete cooperation and support to this project.

President Greenroy reminded Directors of the Munday Fruit and Vegetable Festival being held June 22 and 23. Jim Sampson suggested that we try to get a caravan to go over for the June 22nd event.

Mr. Greenroy reported that the Outdoor Recreational Survey is near completion.

The next regular Board of Directors meeting will be July 18 at 7:30 p. m. at the Chamber office.

Chamber of Commerce manager, Johnny Isaacs, told Directors of a meeting held at the Chamber office with four gentlemen from Munday. They asked that the City of Haskell support them in their conquest of securing an Agriculture Experiment Station in Munday. Dr. Williams made a motion that a resolution be drawn up, showing full support of the Chamber of Commerce in their endeavorment of this goal.

The meeting was then opened for round table discussion. There were many things discussed such as: The parking problem whenever construction begins in downtown area, operation sparkle, tourism, and the historical museum.

Hunt Receives Burns On Right Arm And Face

A hose to a cutting torch caught fire around 10:45 a. m., Tuesday, and David Hunt, who was using the torch on a trailer, received first and second degree burns on his right arm and right side of his face.

The accident occurred just east of the Bill Skains house on North Second Street.

Firemen answered the call but no property damage was reported.

HERE FROM GERMANY

Captain and Mrs. Lewis M. Jones and daughter, Leigh Ann, arrived in the States from Germany June 6th, and in Haskell, June 19th. They are visiting with their parents, Mr. and Mrs. Hugh Radtiff and Mr. and Mrs. Woodrow Jones.

Capt. Jones will report to Vietnam in July.

WINTERS VISITORS

Mr. and Mrs. R. S. Sanders, Larry and Jan, of Weinert, visited relatives in Winters last weekend.

Haskell Riding Club Cops First Place At Rotan

Under the leadership of President, Gene Hunter, the Haskell County Sheriff's posse continued their even-winning ways down Rotan way last Thursday as they won top honors in the parade which officially opened the 11th Annual Junior Rodeo in that city. Second and third-place honors went to the Stone-wall County Sheriff's posse and the Scurry County Sheriff's posse, in that order.

The Haskell club also set the pivots at the Rotan rodeo.

Today, Thursday, June 22, the club heads for Aspermont to ride in the parade and grand entry tonight.

On July 1, 3 and 4, the Haskell Club will be in Stamford to ride in the parade and set the pivots each night but will be the host club and will not be competing for honors, President Hunter said.

Cobb Accepts Position At University Calif.

Bryant Franklin Cobb, III, son of Mr. and Mrs. B. F. Cobb, of Haskell, has accepted a position at the University of California, Berkeley, to do research work of marine life.

Dr. Cobb received his PH.D. in Bio-Physical Chemistry from the University of Texas Medical Branch, Galveston, June 14th. He is president of graduate student body, member of Theta Kappa Psi, and Associate member of Sigma Xi. He attended Weinert school for two years, and Whorton school system three years and completed high school in Abilene. He spent three years overseas in France with the U. S. Army and received his BS degree from Abilene Christian College in 1961.

Dr. Cobb did research cancer work at M. D. Anderson in Houston in 1962.

He is married to the former Rose Michael, of Abilene, and they have four children, Sherry Lynn, Dwight Craig, David and Melanie Rose.

Toppled Guard Pole Injures Jesus Niaeto

A Holden Funeral Home ambulance rushed Jesus Niaeto, 41, to the Haskell County Hospital around 4:00 p. m. Friday for treatment of injuries received while working with a construction crew on the Highway 24 widening project through Haskell. The accident occurred about three blocks west from downtown Haskell.

Alfonso G. Lopez, superintendent of Monahans-based Phillip Parker Engineering Construction Company, said Niaeto was struck on the head and shoulders when a guard pole toppled into a deep ditch.

The attending physician said the injured man received a slight concussion and was hospitalized for further observation.

NEWS OF INTEREST TO WOMEN

MRS. DARRELL E. RICHARDS
... formerly Clara Ann Fischer

Fischer-Richards Vows Are Read In Bethel Lutheran Church, Ericksdahl

Mr. and Mrs. Darrell E. Richards, who were married Saturday, June 17, in the Bethel Lutheran Church, Ericksdahl, Texas, will reside at Route 1, Lueders, Texas, where the bridegroom is engaged in farming.

Rev. Allen Johannes, Haskell, and Dr. Hugo B. Haterius of Avoca, read the vows. Organist was Pamela Richards, of Stamford, and soloists were Carolyn Fischer, Haskell, and Birger Haterius, of Avoca.

Mr. and Mrs. Paul H. Fischer, Haskell, are the bride's parents. Richards is the son of Mr. and Mrs. Okey Richards, of Lueders.

Bertha Nauert, of Stamford, was maid of honor. Brides Matrons were Mrs. Jerry Jones, of Lubbock, sister of the bride; Mrs. Don Burton, Lueders, sister of the bridegroom, and Mrs. Bobby McGary, of Abilene.

Flower girls were Deanna

Richards, of Stamford, and Susan Burton, of Lueders. Bobby Druessdow, Jr., of Abilene, was ring bearer.

Attending his brother as best man was C. O. Richards, of Stamford. Groomsman were Wallar Overton of Haskell, Jerry Jones of Lubbock, Kenneth Lindsey of Winters, Sam Chaffin, Midland, and Rev. Don Burton, Lueders, seated guests.

Given in marriage by her father, the bride wore a gown of candlelight peau de soie accented with appliques of matching lace. The detachable chapel train was overlaid with illusion and chantilly lace. A crown of pearls held her veil. She carried a white orchid surrounded by feather carnations atop a Bible.

Her attendants wore identical gowns of shrimp crepe styled with cap sleeves and Dior bows

Lackey Family Reunion To Be Held Here July 2

The annual Lackey family reunion will be held in Haskell at the Corral Building, Sunday, July 2nd.

Relatives and friends of the family are invited.

Bean - Sloan Nuptials Read At Rochester

Miss Carolyn Ann Bean and Tommy Don Sloan, graduates of McMurry College, were married Friday evening in the First Methodist Church, Rochester, by the Rev. Wesley Reagan, minister of the Pasadena Church of Christ.

The couple will live in Mt. Pleasant, where Sloan is employed in the public schools. He has his B.S. degree in education and Mrs. Sloan has her bachelor of music education degree.

While in McMurry the bride was in a Cappella Chorus, Women's sextet, Mu Phi Epsilon and Kappa Delta Pi.

He was in I.H.R. social club, Kappa Delta Pi, and president of his sophomore class.

For the ceremony, music was provided by Miss Kay Culwell, Gary Hood and Mrs. Claire Eheny.

The bride, daughter of Mr. and Mrs. Wilson Bean, wore a gown of peau de soie accented with lace and pearls. It had a long train. A tiara of seed pearls held her veil. She carried white orchids and rosebuds on a Bible. Her father gave her in marriage.

The bridegroom, son of Mr. and Mrs. Howard Sloan, was attended by Dickie Sloan, his brother, as best man.

Mrs. William Hester of Knox City, the bride's sister, was matron of honor. Bridesmaids were Mrs. Paul Chambers, Los Angeles; Miss Joyce Scott, Stratford, and Miss Lavon Watson, McLean.

Nanette Hester and Sherry Sloan were flower girls. Candlelighters were Ray Hester and Becky Sloan.

The bride's attendants wore yellow and white gowns and each carried a long stemmed yellow rose.

The bridegroom's attendants were Keith Hardin, Vera; Phil R. Simmons, Jr., Carrollton; Jerry Hester, Weinert. Ushers were William Hester, R. A. Shaver III, and Ken Strawn.

attached to a ring. They carried shrimp and white nosegays of Poms.

The reception was held at the Stamford Country Club with Mrs. Jerry Damm of Abilene registering the guests. Members of the houseparty were Mrs. Johnny Hudson of Pilot Point, Mrs. Phil Bowers of Austin, Carla Swenson of Stamford, Mrs. Benny Nanny Janice Moller and Mrs. Burl Medford of Haskell.

The bridegroom's parents hosted the rehearsal supper at the Cliff House in Stamford.

The new Mrs. Richards is a graduate of Paint Creek High School and has been employed by Bill Wilson Motor Company. Her bridegroom is a graduate of Lueders High School.

Bride-Elect Is Honored With Morning Coffee

Joan Watson, bride-elect of Johnny Fuston, was honored with a coffee Thursday morning, June 15, in the home of Mrs. Walslee Cox, Jr.

Cut flowers of yellow and white, the bride's chosen colors, were attractively arranged throughout the house.

The round dining table was covered with a white linen tablecloth and centered with an arrangement of yellow and white flowers. Yellow satin streamers, inscribed with "Joan and Johnny," lay atop the table.

An assortment of cookies with pineapple and orange fruit tidbits were served. Coffee was poured by Mrs. T. C. Redwine. An heirloom bud vase containing two yellow rosebuds centered the table where Mrs. Johnny Matthews registered the guests. Greeting guests were Mrs. Cox, Miss Watson and her mother, Mrs. R. N. Watson.

Other hostesses were Mrs. Carl Anderson, Mrs. H. H. Fancher and Mrs. Odell Helweg.

Engagement And Approaching Marriage Told

Mr. and Mrs. Alton Ross announce the engagement and approaching marriage of their daughter, KENNETH Gayle, to Amos David May, son of Mr. and Mrs. A. D. May, all of Rusk.

Marriage vows will be read on August 12 at 7:30 p. m. in the First Baptist Church.

Henshaw Family Reunion Held Here Sunday

The annual Henshaw family reunion was held in Haskell on Sunday, June 18, at the American Legion Hall. Those attending enjoyed a bountiful dinner, visiting and taking pictures.

Present for the delightful occasion were Babe and Toni Teague of Killeen; Georgia and Richard Moore of Haskell; Helga Hopper, Donald and Tina, of Killeen; Bessie Piland, of Haskell; Joy, Joe and Steve Walferburger, of Dallas; Callie and Joe Sheets, of Chicago, Ill.; Grace Atehuson and Iola Henshaw, of Haskell; Elsie and George Pierce, of Stamford; Art C. Rester, of Anson; Rosa Johnson, of Magazine, Ark.; Lillian and Richard Spinks and Mary E. and Riley Scott, of Haskell.

Ruth, Norman, Ruth Ann, Phyllis Larned and Keith Weldon Nichols, of Lancaster; Leslie Rogers, of Dallas; Jim, Vera and Daniel C. Gardner, of Ash Grove, Mo.; Deborah, Barbara and Dennis Hutchens, of Las Vegas, Nev.; Gloria and Carrie Scott and Lanny Hooper, of Eastland; Lillie and George A. McClure, of Fresno, Calif.; Dorothy and J. C. Halliburton, of Rochester.

Elaine and David Halliburton, of Mineral Wells; Bernie and Doyle Norman, of Rule; Marie and John Bartley, of Haskell; Mrs. Gertrude Pinkerton, of Austin, and Mrs. J. A. Rose, of Haskell.

Mrs. Mary E. Scott, president, said that the reunion next year would be held the third Sunday in June.

Wanda Jean Rogers Married To Glenn Caddell

Wanda Jean Rogers was married Friday evening to Larry Glenn Caddell of Weinert.

The bride is the daughter of Mr. and Mrs. Jack C. Rogers, Rt. 5, Abilene. The bridegroom's parents are Mr. and Mrs. Glenn W. Caddell, Rt. 1, Weinert.

The Rev. Oscar Fanning read the marriage vows at the Wylie Baptist Church. Music was by Kathleen Long, organist, and Sue Dickerson, soloist.

Laura Bynum of Abilene was maid of honor. The bride's sister, Yvonne Rogers, was bridesmaid.

Ronald Moody of Weinert was best man. Johnny Cunningham, also of Weinert, was groomsman.

Kenneth Dickenson of Fort Worth and Danny Prater of Dublin seated guests.

Mr. Rogers presented his daughter in marriage. She wore a gown of organza with jeweled chantilly lace overlay on bodice. A crown of lace, pearls and crystals held her veil. She carried gladioli on a Bible.

Attendants' light blue satin A-line gowns had net sleeves. Matching headbands held brief veils. Flowers were white daisies.

The bride is a Wylie High School graduate and received an associate of arts degree from Ranger Junior College. She was a member of Phi Theta Kappa, vice president of the Student Council and an honor graduate.

A Weinert High School graduate, the bridegroom also received an associate of arts degree from Ranger Junior College where he was a member of the Rodeo Club.

Both the bride and bridegroom will attend Tarleton State College.

During the summer they will live at Weinert where the bridegroom farms.

His parents hosted the rehearsal dinner at Underwood's in Abilene.

Reception was held at the church. Linda Davis registered guests and Mrs. Bill Jetton of Abilene served.

MRS. JOHNNY THOMAS FUSTON
... formerly Joan Elizabeth Watson

JOAN ELIZABETH WATSON WED TO JOHNNY THOMAS FUSTON

Joan Elizabeth Watson of Hereford and Johnny Thomas Fuston, also of Hereford, exchanged wedding vows, Friday, June the sixteenth, at four o'clock in the evening in the First Methodist Church, Haskell. Rev. Clifford Trotter, pastor of the First Methodist Church in Hereford, read the vows.

Parents of the couple are Mr. and Mrs. Robert N. Watson, of Haskell, and Mrs. J. A. Fuston, of Turkey, Texas.

Mrs. Kenneth Lane, of Haskell, was organist and Mr. Charles Vaden of Stamford, soloist.

Mrs. Burt Pardue, of Weatherford, sister of the bride, was Matron of Honor. Don Clements, of Hereford, served as best man. Ushers were Don Lyles, of

Clarendon, nephew of the groom, and Bobby Watson, of Haskell, brother of the bride.

Given in marriage by her father, the bride wore a gown of white peau de soie, with gentle rounded neckline enhanced with lace. The skirt extended into a chapel train and was accented with a bow at center back waist. She carried white orchids and rosebuds atop a Bible. Her veil of illusion was caught to a pearl crown. For something old the bride wore a cameo necklace belonging to her grandmother, which was worn at her wedding.

The matron of honor wore a yellow lace dress. Her short veil was attached to a ring of yellow chiffon leaves. She carried a cascade of yellow gladioli.

Reception was held in the Fel-

Four-H Dress Review Is Held At Weinert

The Weinert 4-H girls planned and held a tea last Thursday afternoon at 3:00 o'clock in the Weinert High School Homemaking Department.

Thirteen girls, with the assistance of five adult leaders, completed a five-day sewing workshop last week. The tea was planned in order for the girls to model, to interested persons, the dresses they had completed.

Preceding the modeling of the dresses, a style show was presented in which each girl designed and fashioned one of the latest styles of teenagers today. These fashions included the sack dress down to the popular and exciting new shape called the tent dress. Joan Caddell narrated the style show, after which she was introduced by her mother, Mrs. Glenn Caddell.

Melanie Vojkufka was introduced by her mother, Mrs. Melvin Vojkufka, after which Melanie told about each girls' dress

lowship Hall, First Methodist Church.

The bride is a graduate of Texas Technological College, of Lubbock, with a BA degree in Spanish. She was a member of Sigma Delta Pi, Spanish honorary, and Phi Alpha Theta, history honorary.

The groom is a graduate of West Texas State University, of Canyon, with a BS degree in agriculture, and was a member of the Block and Bride Club.

The couple will reside in the Thunderbird Apartments, Hereford, Texas. Both are employed in the Hereford school system.

Weinert H. D. Club Meets In Phemister Ho

The Weinert Home Extension Club held its meeting in the home of Marvin Phemister, with E. Hutchinson serving as hostess, Mrs. Tom Y.

In the business meeting, Mrs. Ben Bruton, the club's new president, had an up-to-date shop and invited Mrs. Phemister to participate. Mrs. Bruton will supervise the shop, the date to be at a later time.

The next club meeting held June 27, with Mrs. Sanders and Mrs. Leason as hostesses.

Mrs. Russell Rainey, good demonstration and aids on the proper way to prepare menus. She was assisted by Mrs. R. E. Hutchins.

so many of the club being engaged in the local 4-H girls seven members were Roll call was announced. "My Favorite Sande

Center Point Club Meets In Bland Home

Center Point Club met in the home of Emma Bland, Thursday afternoon, June 15, with the president, Sallie Patterson, presiding. Following the singing of the club song, the thought for the day was given by Eva Cain on the 23rd Psalm and what it means if observed. Roll call and committee reports were heard.

Janie Whiteker was in charge of the program for the afternoon on "first aid and what it can accomplish if used correctly."

Present for the meeting were Mrs. E. A. Pearsey, Betty Higgs, Zada Smith, Julia Gibson, Lil Davis, Janie Whiteker, Sallie Patterson, Laura Overton, Dorris Hanner, Eva Cain and one visitor, Altha Dyches and the hostess, Emma Bland.

Plastics Require Special Cleaning Treatment

Plastics require special cleaning treatment, according to Barbara M. Elliott, County Home Demonstration Agent.

Plastics should never be cleaned with a solvent. To remove dirt and grime, sponge with warm water and mild detergent, allow to soak for a few minutes so the dirt will loosen, then rub briskly. Rinse and wipe with a damp cloth until nearly dry. Wax to restore luster.

Nail polish and remover, shoe polish and ball point pen ink will cause permanent damage to plastics and should be removed as quickly as possible with a clean cloth.

To remove paint, wipe off with a clean, white cloth dampened with turpentine or kerosene. Do not use paint remover on plastics. Use care when using turpentine, and pre-test it on a small inconspicuous area.

Sulphide stains from atmosphere permeated with coal gas or direct contact with hard-boiled eggs, permanent hair wave solution, and other sulphur solutions, use six per cent hydrogen peroxide. Place a clean white cloth over the spotted area and pour a liberal amount of the peroxide, available at drug stores, on the cloth. Allow it to remain on the spot from thirty minutes to an hour. If the spots persist, allow the cloth to remain overnight. Do not let the hydrogen peroxide solution to come in contact with stained or lacquered wood, or permit it to seep into the seams of upholstery, since it will weaken cotton thread.

To remove tar, asphalt and creosote, wipe off as quickly as possible with a cloth dampened with kerosene or naphtha. Tar left for any length of time will produce an indelible, yellow-brown stain.

Mrs. Elliott says the following new bulletins are available at the county extension office: "Cleaning Upholstery, Mattresses and Rugs"; "Cleaning Walls and Woodwork"; "To Clean Windows and Mirrors."

VISITS SISTER

Mrs. Maggie Larned has returned from a week's visit with her sister, Mrs. W. A. McClung in Kermit, who has been ill.

THANKS

Express our sincere appreciation to friends and relatives for cards, flowers, and encouragement acts of kindness during my stay at the hospital. Mr. and Mrs. 25p

Mark Pittman Earns All-American Title

For the second time in as many years, CMS has an All-American winner. Mark Pittman, CMS track star, returned a winner from the National Collegiate Athletic Association college division track and field championships held in Ogden, Utah this past weekend.

Pittman was an All-American winner of two track and field medals for placing fourth in the long jump and sixth in the triple jump.

He earned All-American recognition with his fourth place finish in the NCAA long jump. Capturing the long jump and triple jump championships at Cedar Rapids, Iowa in May, gave Pittman the right to compete in the NCAA national meet.

Pittman's performance at the national meet marked the end of an outstanding collegiate career at CMS. In four years of competition he won seven MIAA championships, three NCAA Midwest Regional championships and has placed three times in the NCAA national meet.

His leap of 46 ft., 9 inches established a new NCAA Midwest Regional and CMS record. Pittman was the only double winner at the NCAA Midwest Regionals. He also ran on the mile relay and 440 yard teams that placed third and fifth.

CMS track coach, Dick Maxwell spoke highly of Pittman when he said, "Mark is truly an All-American in every respect. He has worked long and hard to be able to post the marks that have brought his many championships."

The CMS All-American received his Bachelor of Science degree in sociology last month, graduating Cum Laude.

Last year Keith Browne received All-American honors for his NCAA javelin throw performance.

Pittman was reared in Haskell and is the son of Dr. Riley Herman Pittman.

Scouts Making Plans For Camp Tonkawa Trip

Monday night, Boy Scouts of Troop 36 met to make final plans to go to Camp Tonkawa. Twenty-four boys and three adults will make the trip.

Departure time will be Sunday morning and they will arrive at camp in time to set-up their tents and get the camp site in order.

Next Thursday night the parents and families of the Scouts are invited to visit and see the Order of the Arrow Tap-Out.

At Camp Tonkawa the boys will be working on merit badges and ranks.

Troop 36 held their swim session Monday night and will meet this coming Saturday at 9:00 a. m. to clean the bus.

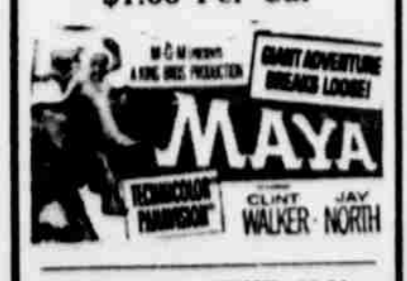

TAX MAN SAM SEZ:

If you were divorced during the year you need to consider your income tax problems in settling your property. Each spouse is liable for the income tax on one-half of the income earned by both spouses up to the date of divorce. They are, of course, entitled to one-half the withholding credit for both spouses up to the date of divorce. After the date of divorce, each includes the separate income for the remainder of the year. If you don't get this settled as a part of the divorce you may have some additional problems with your 'ex.'

I want to thank all my friends for all the nice cards, gifts and flowers you sent me in my stay at the hospital. I do want to thank all the nurses and Dr. Williams. May God bless you. Charles Friebele. 25p

Mike Overton Participating In Training Program

Mike Overton of Haskell is among the 22 students who are participating in a summer training program as a part of the curriculum of the Texas A&M University Recreation and Parks Department.

Overton has a summer position with the Dallas Park and Recreation Department.

Dr. L. M. Reid, head of the A&M Recreation & Parks Department, said the purpose of the "internship" is to give the group practical experience.

"Exposure to various philosophies of park and recreation administration is a prime objective," Reid said, "and both the university and participating agencies work closely to arrange a summer program which is a challenging and stimulating experience for the interns."

The students spend considerable time on planning, financing and administering park and recreation systems.

Lodge Hall At Rule Is Under Construction

Rule Lodge No. 954 A.F. & A.M. began construction of their new lodge building recently. Members poured concrete for the foundation and floors.

H. E. Abbott and Son of Abilene will construct the steel building with a brick front. There will be 2600 square feet of floor space with a kitchen, lounge area, two rest rooms and a lodge room.

Members will finish the interior with sheetrock, paneling and acoustical ceiling.

Niece of Mrs. Virgil Meadors Passes Away

Mrs. Virgil Berry Hallfield, 2101 Warner Road, Fort Worth, passed away Tuesday, June 13.

She is survived by her husband, Patrick H. Hallfield, Sr.; a son, Patrick H. Hallfield, Jr.; her mother, Mrs. J. P. Berry, all of Fort Worth, and a sister, Ann LaVerne Patton, Houston.

She is a granddaughter of the late Dr. and Mrs. D. L. Cummins, of Haskell, and a niece of Mrs. V. W. Meadors, who attended the services. Also among the out-of-city relatives in attendance were an aunt, Mrs. E. M. Regen of Nashville, Tenn., and an uncle, D. L. Cummins, of Belton.

Mrs. Hallfield was a member of the C.P.A. Auxiliary, Kappa Alpha Theta Sorority, graduate of the University of Texas, Austin; member of the University Christian Church and a member of the Fort Worth Lecture Foundation.

Services were held Thursday, June 15, at 4:00 p. m., with Dr. Granville Walker officiating. Interment was in Mount Olivet Cemetery, Fort Worth.

"Young Matrons" Coming To Ind. Baptist Church

The "Young Matrons," a mission group from the Mount Olive Baptist Church, of Stamford, will present a program on Sunday, June 25, at 3:00 p. m. in the Independent Baptist Church, Haskell, under the sponsorship of the ministers and Deacon wives.

Rev. Andy L. Phea, pastor of the Independent Baptist Church and Mrs. Phea, chairman of the ministers and Deacon wives board, extend an invitation to everyone to attend.

Visiting relatives: Kathy Grimes of Weibert is in Oklahoma City visiting relatives.

HASKELL PHARMACY

SALT RIDES POISON IVY

Use salt to rid your yard of poison ivy, advise local Junior Fire Marshals. Mix 3 lbs. of common salt in a gallon of soapy water, and apply to the leaves and stems as a driving mist from an air-pressure sprayer.

California Man Discovers Way to Hold False Teeth

BAKERSFIELD, Calif. — A new discovery called Acryline is big news. Users say it fits plates so beautifully they can't believe it. Acryline uses a startling new vacuum principle. It flows on plates and forms an air tight seal. Users say this feels akin to natural teeth. This wonderful feeling lasts six months before a new application is necessary. Acryline is available at

Grasshoppers Threaten Vast Areas This Year

Grasshoppers will eat practically everything in sight if you let them. This year, grasshoppers are expected to infest wide areas of farm and range land in 17 Western and Midwestern states. In addition 5 other states will have smaller infestations. According to surveys made by the Plant Pest Control Division of the Agricultural Research Service, total infested rangeland is more than 11,393,000 acres.

In parts of this infested area, survey crews found between 3 to 7 grasshoppers per square yard. In other areas checked, they found more than 8 grasshoppers per square yard. If weather conditions are favorable to the pests and eggs hatch well, billions of grasshoppers could emerge to begin their destructive work this Spring and Summer.

Although the infested main areas only include 17 states, the local infestations, and the normal migration of the hoppers, could spread the problem to other areas. States where serious hopper problems could occur include Montana, Wyoming, North and South Dakota, Nebraska and Kansas. Other states are Texas, Minnesota, Iowa, Missouri, New Mexico and Arizona. Smaller areas were found infested with grasshoppers in Idaho, Oregon, Washington, Utah, Colorado, Wisconsin, Iowa, Illinois, Nevada and California.

Grasshopper surveys are made each fall to determine the number of adults in selected areas. The number found per square yard is projected to provide a guide to possible control problems for the following Spring and Summer. Grasshoppers hatch from eggs laid in the soil the previous year. Nymphs emerge and begin their hungry, destructive work. They'll eat just about anything from weeds to grass and field crops. During severe infestations, the skies are literally clouded with hoppers, chewing their way across the countryside.

Entomologists keep a close watch each year on suspected grasshopper infestations. As the situation develops, advance warnings are issued. Control is possible today, thanks to the availability of effective, modern insecticides. In previous years, chlorinated hydrocarbon pesticides were used to kill grasshoppers. Although these older materials worked, they presented problems of residue, especially where crops were needed for livestock feed. Agricultural scientists, working with farmers and colleges have come up with improved techniques. Research with the established phosphate type insecticide Malathion, led to a dramatic breakthrough in pest control. Now it is possible to apply ultra low quantities of undiluted Malathion, as low as 8 ounces per acre, to knock out grasshopper invasions. Malathion can be applied quickly by

air by one plane over the same acreage that it would take four planes to cover using older spray methods. This new breakthrough has another advantage for farmers. When applied according to label directions, Malathion Low Volume Concentrate leaves no residue problems. Today, thanks to the teamwork of scientists in agricultural industry, government and agricultural colleges who developed the dramatic new ultra low volume use of Malathion LV insecticide, grasshoppers can be beaten.

Talent Show, Program To Highlight Knox County Vegetable Festival

A talent show and program, which has been planned for all ages this year, will highlight the fifth annual Knox County Vegetable Festival at Munday, according to Paul Pendleton, entertainment chairman, and Billie Montgomery, co-ordinator. Opening events on Saturday, June 24, will be horned-load races for the kiddies at 9:30 a. m. on the tennis courts. At 2:15 p. m. the children will enjoy a potato hunt on the football field, trying to find the most spuds in which coins have been placed. An old fiddlers' contest will be held at 3 p. m. in the Elementary school gym. All fiddlers are invited to enter, and three awards will be given. The decorated hat contest, also in the gym, will follow. At 7:30 p. m. visitors will be entertained at the high school auditorium by Zane Franklin on the electric guitar, Bill Smith on the bass fiddle and John Morton at the piano. The variety show beginning at 8 p. m. in the high school auditorium, will feature talent from Seymour by Greg Ferrier with a twirling act, a combo band and "The Time Travelers." "The Gables" from Jayton will feature Tom Sorelle on the saxophone. Goree will feature Christie and Butch Greenwood. Coming from Knox City will be a trio consisting of Pam and T. G. Waldrip and Dee Thomas. Talent from Munday will include Jackie Paul Pendleton, Mr. and Mrs. Jeanette professional tap dancer, Miss Jeanette last year. At the close of a Zenon clock awarded. Admissions for adults and children.

Blowing his own horn, Jonathan Winters stars as the unprincipled husband and, thereafter, the very lively corpse who's hung in the closet in "Oh Dad, Poor Dad, Mamma's Hung You In the Closet and I'm Feelin' So Sad," which opens Sunday and Monday at the Texas Theatre. A Seven Art presentation in Technicolor for Paramount Pictures, it also stars Rosalind Russell, Robert Morse, Barbara Harris and Hugh Griffith.

PAINT CREEK . . . COMMUNITY NEWS

Mrs. Gene Overton for the conservation work he has done on his Paint Creek Ranch. Brooke was the Conservation Supervisor from this district at one time, and has long been an advocate of conservation. Mr. and Mrs. Walter Callahan and Pat Berger of San Antonio, Zack Isbell of Graham and Mr. and Mrs. Ben Isbell visited Mr. and Mrs. Allen Isbell last Tuesday. Mr. and Mrs. Jess J. Mickler had their grandchildren, Vanessa, Lisa and Monte Williams, children of Mr. and Mrs. Phil Williams, of Lubbock, visiting them last week, and have Melvin and Danette Mickler, daughters of Mr. and Mrs. Bob Mickler of Vincent here visiting this week. Vicki and Janay Morrison of H-SU, Abilene, spent Father's Day with their parents, Mr. and Mrs. Pat Morrison and Jo. Seventeen calves belonging to Paul Fischer broke into an implement shed where a cotton planter was stored. They turned it over and ate some seed which had been treated with insecticide. When Mr. Fischer found them sick, they were rushed to the veterinarian. Before they could get them all to Dr. Ballard, four died. Three were kept overnight at the Vet. hospital, and the others brought home after treatment. The remaining 12 were saved. A post-mortem was performed on one calf and only 4 or 5 seed were found in its stomach. That stuff must be deadly. The flea hoppers and boll worms won't have a chance . . . we hope. But farmers should respect the stuff and wash their hands after handling the treated seed before they eat, or smoke a cigarette. Brenda Buerger of Haskell spent last week visiting her aunt and uncle, Mr. and Mrs. Dan LeFevre and children. Danny Isbell has been a patient in the Haskell Hospital for the past week, suffering with pancreas and kidney infection. Tests were run Monday and he was allowed to come home. The Education Agency sent Danny an electric typewriter and a tape recorder to use in his college work. When a student is injured to the extent Danny was, a scholarship and aids are furnished him to complete his education. Mr. and Mrs. Lennis Jones, Sr., and Mr. and Mrs. L. W. Jones Jr. and family had Sunday dinner on Father's Day with their daughter and sister's family, Mr. and Mrs. Gene Overton, Waller and Mike. Milla Perry of Texas Tech, Lubbock, spent the Father's Day weekend with her family Mr. and Mrs. Ray Perry and Ricky. Here for the Richards-Fischer wedding Saturday were Mr. and Mrs. Sam Chaffin and Mr. and Mrs. Don Perlowski and Mike of Midland, Mr. and Mrs. Casey of Dallas, Mr. and Mrs. Jerry Jones and Greg Jones of Lubbock, Carolyn Fischer of Texas Lutheran College at Seguin. Mr. and Mrs. Boyd Cathey and Elizabeth of Grand Prairie spent last week at their Paint Creek home on a part of their vacation. They visited Mrs. Cathey's aunt, Mrs. Clyde Gordon, at Plainview on Tuesday, and Mr. and Mrs. Howard Montgomery went with them.

Thursday they visited Mr. and Mrs. Ruth Phillips of Abilene. Brenda Griffith spent last week at Cisco Junior College at Cheerleaders School. She and Nan Jones of Rule were roommates for the school. Mrs. Tom Horton, who served as counselor at Camp Fire Camp two weeks ago at Leuders, is spending this week at Leuders as camp nurse for G.A. camp. Mike Overton of Dallas spent Father's Day at home with his parents, the Gene Overtons, and brother Waller, and to attend the Darrel Richards-Clara Ann Fischer wedding. Mrs. Gary Goree of Azle attended the wedding of Clara Fischer and Darrel Richards. Mrs. Goree was the former Carolyn Cook and graduated with Clara from high school. (Warmed over news from last week) William Overton of Garland and North Texas University of Denton, spent the weekend with his parents and to attend the National Guard meeting in the Stamford Armory. Mrs. Olga Taylor is attending a two-week workshop at the University of Texas. She and her daughter, Judith, have an apartment in Austin. Judith is attending the University summer school. She played her harp for the Commencement exercises of the Graduate School of the University June 3rd. Judith is becoming a well-known harpist, and is asked to play for programs in Austin often. A two-bedroom house was recently purchased from a couple in Sagerton and moved to the Paint Creek campus. It is being redecorated and will be the

home of Mr. and Mrs. Tom Horton. It was moved to the east end of faculty row where the faculty house burned this spring. Mr. and Mrs. Othella Moody of Odessa and son spent last week visiting his parents, Mr. and Mrs. Arthur Moody. Mr. and Mrs. Frank Sims have moved to their new home at Throckmorton. The community surely hates to lose these fine people. They have had three fine sons to graduate from our school, and bring pride to the community with their work since then. Dr. Frank Sims has a veterinary hospital in Vernon; Dub Sims is assistant county agent at Midland, and Ray Sims is county agent at Alpine. Frank and Dub hold degrees from Texas A&M and Ray is a graduate of Texas Tech. Mr. Sims was foreman of the Brown Davis Ranch in our community and then moved to Dr. Sim's place near Stamford. He has worked at the Harrison Mickler Elevator ever since it opened. They will be more or less retired at Throckmorton, except for their herd of cattle on the farm they own near Throckmorton. Their home is west of the school. Mr. and Mrs. Sammy Griffith, daughters, Wanda and Marilyn, and niece, Linda Griffith, went to Carmel, California last week and spent the week with their daughter, JoAnn. Mr. and Mrs. Griffith returned home and the girls are staying until JoAnn's school closes and will come home with her.

Get a trinket for your wife with the money you save Gas Air Conditioning.

Maybe you won't be able to purchase the Hope Diamond with what you'll save on gas air conditioning, but save you will Economy of operation is just one of the advantages of gas equipment. It's built better and it lasts longer. There are fewer moving parts to wear out. So upkeep costs you less. And Lone Star offers special summer rates for cooling. Wouldn't you like to have a jewel like gas air conditioning for your home? Call your air conditioning contractor or Lone Star Gas for a free estimate.

EVERY 60 SECONDS

During 1966, Texas traffic killed a person every two hours and 34 minutes. A person was injured every two minutes, 31 seconds and an accident occurred every 60 seconds.

PROGRESSIVE FARMER NOTES COTTON QUALITY PROGRAM

"Plains Farmers Zero-In On Cotton Quality" points out the May issue of The Progressive Farmer Magazine. Their program is called LSM—for length, strength and micronaire. These are the fiber properties upon which all the specially grown and ginned cotton will be marketed.

Participating growers will plant small acreages of long-staple, open-boll varieties. Then, they will pool their production for efficient marketing.

Cotton in the LSM program will be ginned separately in 40-to-50-bale lots under conditions to preserve purity of seed and lint. Heat and lint cleaners will be used at a minimum to avoid fiber damage.

The cotton will be tested on instruments in the marketing association's laboratories in Lubbock. Growers will get cash advances based on these readings. Sampling holes on bales will

be closed and LSM bales will carry an identifying symbol of quality.

Some farmers in Lubbock and Dawson Counties have already tried growing long-staple cottons and received premiums of \$35 to \$50 per bale. In Lubbock county some 50 farmers will grow 5,000 acres of Acala 1517 BR-2 this year. For the third year, cotton from this acreage has already been contracted by a well established mill which will take all production at a pre-arranged price. The cotton will be ginned to the mill's specifications.

DON'T BLAME ROSES

Ragweed is the principal cause of hay fever. Junior Fire Marshals know that the fragrance of roses or other flowers may irritate some peoples' noses but this is not hay fever.

TRAFFIC DEATHS

The 351 motorcides in December was exceeded only by the 363 recorded in December 1965. On only two other occasions has a single month exceeded 300 traffic deaths.

A car safety check is wise before a family vacation trip, Junior Fire Marshals know.

RECORD HIGH

The record high of 3,406 motorcides in Texas during 1966 is 378 more than the 3,028 in 1965, an increase of over 12 per cent.

LITTLE LEAGUE

Tuesday, June 13
Hawks vs. Lions, with the Hawks squeezing by the Lions 7-6. The game was tied 6-6, after 6 complete innings of play. Ruben Martinez was the winning pitcher, going in for the Hawks in the 7th to relieve O'Keefe Cario, and Steven Grand was charged with the loss after relieving little Ray Lee Kilgore, who had gone 6 innings for the Lions. The Hawks had the bases loaded in the bottom of the first and trailing 2-0, when O'Keefe Cario hit a line drive to the pitcher, Kilgore; the runners did not tag-up... the throw went from Kilgore to catcher Temple Johnson, to third baseman, Donnie Hise, and to second baseman, Steven Grand, to retire the side on the first triple play of the year. Then in the bottom of the 5th, the Lions had a double play. The Hawks only runs came in the 3rd and 7th inning.

Thursday, June 15
Hawks vs. Lions, Rams won 4-1. The Rams got the first run in the first inning. The Lions came on strong to tie it up in the third. Eric Whitaker was relief pitcher, replacing Roy Lee Riley in the 4th for the Rams, and helped to win his own ballgame, with a homer in the 5th. Mike Warren was catcher for the Rams. Battery for the Lions was Temple Johnson on the mound and Ray Lee Kilgore catching. The Rams had a double play when Kenny Ivey, Lions 1st baseman, hit a grounder to the pitcher and the throw went

to Larry Ozuna, second base, then to Roy Lee Riley at first to get Ivey.
Friday, June 16
Hawks vs. Cubs, Cubs winning 5-3. David Dodson was the winning pitcher, Jackie Young was the losing pitcher. Steve Sammons came in to relieve Young in the third inning. Walton Wooten relieved Dodson in the third. O'Keefe Cario, Hawk shortstop, got a homer in the second.

Saturday, June 17
Rams vs. Tigers. The Rams had to put on some real ball-playing to outscore the Tigers in one of the better-played games of the season, when they came out on the long end of the score, 4-3. The Tigers had the Rams 3-0 in the first inning and in the bottom of the first, the Rams tied it up 3-3. Roy Riley started the game for the Rams but Frank Paul Jirek relieved him in the first with one run in and two on base. Jirek was the winning pitcher, while Randy Ivey was the losing pitcher. Robin Colbert and Tommy Watson were relief pitchers for the Tigers. The Tigers had two double plays... the first one in the first inning, when Randy Ivey, pitcher, threw Roy Riley out at home plate, to catcher Kippie Grand, and catcher to Riekey Acosta, the 3rd baseman, getting Scott McDonald. In the 4th inning, Ollie Johnson looked as if he had a nice hit but Randy Ivey (2nd base) took it in short center field for the out and the throw to Riekey Acosta was in time to get Eric Whitaker.

Monday, June 19
Hawks vs. Cubs, with the Hawks winning 4-2. The Hawks took the lead in the bottom of the first when Steve Sammons, Hawk pitcher, hit a homerun with two men on base. The Cubs could never get a rally going against the fielding of the Hawk team. Losing pitcher was David Dodson with Walton Wooten catching. Jackie Young was catcher for the Hawks and Steve Sammons was winning pitcher.

American Cancer Society Holds District Meeting

District XIII of the American Cancer Society met in Wichita Falls Tuesday, June 13, 9:30-2:00 p. m. at the Trade Winds Motel.

Haskell County was one of the four counties to receive honor for "Bettering Our Best." One other will receive their award later. Mrs. R. W. Herren, only delegate from the Haskell County unit, was presented the certificate of award.

Five persons who have worked in the cancer programs for the past ten years were presented service awards. Mrs. Lela Aikin, received a 15-year award for service and another was given to Mr. Charles McAllen, Crowell, 20 year service. The new directors, elected were: Mr. Powell Boone Jr., Abilene; Charles Wilson, M. D., Wichita Falls; and Mrs. J. W. Holmes, Vernon.

It was inquired as to and if any of the Haskell County crusade funds went to M. D. Anderson Hospital, and found that the American Cancer Society is the Hospital's largest one contributor. American Cancer Society gives to research and not to administration—where the tax dollar can be used for administration and not for research.

The American Cancer Society gives yearly the sum of \$400,000 to the M. D. Anderson Hospital in Houston for research only. This hospital has a world wide reputation. Twenty-four gave papers to the World Cancer Conference this past year in Japan. The next conference will be in Houston.

There are some new handbooks for teachers, three levels. Elementary, Junior High and High School, which may be had for the asking. They may be ordered from the State Office. Anyone interested, contact Mrs. R. W. Herren, Haskell.

CARD OF THANKS

We wish to express our sincere appreciation to Rev. Arnot Ellison and to our many friends for the beautiful floral offerings, food, love, words of consolation and many other acts of kindness during the illness and death of our mother, May God bless each of you. The Seifres family, 25p

Another Step Towards Improvement In Cotton Classing Procedure Taken

Another step toward improvement in cotton classing procedure was taken June 15 when representatives of Rolling Plains Cotton Growers, Inc. and other cotton producer and ginner groups met in Dallas with U.S.-D.A. officials.

Discussion was concerned mainly with instrument classing of cotton in future years, but there were also assurances that U. S. D. A. in 1967 would place added emphasis on the accuracy of its human classers, especially in the Rolling Plains.

Stanley Rademaker, Director of the Cotton Division of U.S.-D.A.'s Consumer and Marketing Service, said extra care would be taken in the assignment of classers to the Abilene, Monday, Memphis and Altus offices and that current plans call for increasing the number of classing supervisors.

A report on work in the field of instrument classing and a visit to Motion Control, Inc., a Dallas corporation that is developing a line of instruments, gave hope that instrument classing is closer at hand than many people realize and could very well be effected in the near future, according to Charles Stenholm, R.P.C.G. executive vice president, who represented R.P.C.G. at the meeting along with J. B. Cooper Jr., of Roscoe, president.

Stenholm reported that at least one and possibly as many as three, instrument classing "lines" will be set up this fall in Memphis, Tennessee, to evaluate both individual instruments and the system. He said all instruments which are sufficiently developed at the time will be tested in the lines.

Evaluation of cotton classing instruments of somewhat different type will be carried out at Plains Cotton Cooperative Assn. in Lubbock again this fall. USDA and Plains officials will exchange ideas and evaluative materials in hopes of speeding up the development of machines that will get the job done.

Machines likely to be included are a combination colorimeter-trashmeter, length analyzer, improved micronaire tester and possibly strength and

Prevent Mower Accidents, Save Fingers, Toes

County Agent R. W. Schumann offers the following suggestions which can prevent mower accidents and save fingers and toes:

- 1) If you have a new mower or one you are not familiar with, study the instruction manual before using it.
- 2) Before mowing, walk over the lawn. Clear off stones, pieces of wire and other debris which might be turned into a projectile by a rotary mower.
- 3) When it's raining or anytime when the grass is wet, do not use an electric mower unless you are absolutely certain the mower and cord are in perfect condition.
- 4) Start safely — stand firm and make sure your feet are well away from the blade.
- 5) Don't run while mowing. Be certain footing is secure when mowing a steep bank or hill.
- 6) Never fill the gasoline tank while the engine is running or is still hot.
- 7) Learn how to disengage the clutch or stop the mower quickly in case of an emergency. Always stop the engine and disconnect the spark plug wire when you leave a mower.
- 8) Never allow small children or pets to play around the area where a lawn mower is operating.
- 9) Always keep hands, feet and clothing away from moving parts. If work must be done on the underside of the mower, disconnect the spark plug wire and tip the machine over the handle.
- 10) Always push the mower forward. Don't take a chance of pulling it backwards over your foot.

Rotarians Hear Facts About Nuclear Fall-Out

Lt. Sanford, who was in Haskell last week and the first of this week, assisting with the Civil Defense School, spoke to members of the Rotary Club and showed a film on "fall-out" at last Thursday's noon-day luncheon meeting at Felker's dining room.

Bob Greenroy was program chairman for the day and introduced John Kimbrough, Haskell City and County Civil Defense Director, who in turn introduced Lt. Sanford.

"Only 10% of the people would actually be killed by the blast but between 140 and 160 million would be affected by nuclear explosions," the guest speaker said.

Lt. Sanford said that the three main weapons against nuclear fall-out are record rate of decay, mass or weight of particles and distance. In case of fall-out, food should be washed or wiped.

"Russia has the best civil defense program," the guest speaker said.

Twenty-five persons enrolled in the five night, 16-hour civil defense school held here.

Bob Herren presided over the meeting. Invocation was given

Swimming Lessons To Be Offered At Local Pool

Dwanna and Pam Klose, instructors of the Haskell Pool, announce that lessons will be offered to beginners, intermediate and advanced classes, beginning Tuesday, June 20th.

Registration begins tomorrow, June 23, and will be Larry Jewell, Kemp.

Registration for the lessons should be prior to Monday, June 22. Ladies' night begins Thursday, June 22, at 7:30 p. m.

For information, contact Services of Alcohol Anonymous, Telephone Day - 864-3333, Night 864-3114.

Brother-In-Law Of Mrs. Crouch Passes Away

Mr. and Mrs. O. L. Crouch were in Olton, Monday, to attend funeral services for Henry Mathis, 58, brother-in-law of Mrs. Crouch.

Services were held from the First Baptist Church, in Olton, with Rev. John E. Lewis and Rev. R. H. Campbell, officiating. Interment was in the Olton Cemetery.

Mr. Mathis was co-owner and manager of the Circle gin at Olton.

Cancer Center Is In Need Of More Workers

The Cancer Center is in need of additional workers to make bandages and the Center also needs more sheets, especially colored sheets, according to Mrs. Perry Spenny.

The Center meets each Thursday at 2:00 p. m., on the third floor, Haskell County Courthouse. Volunteer workers are welcome.

VA Questions and Answers

Q—I am enrolled in Graduate School under the G. I. Bill at a state university. How many hours must I attend school to qualify for the full educational allowance?

A—This is not prescribed by the law. The Veterans Administration will accept the certification of the school as to whether or not the student is attending full-time, half-time or quarter-time, and pay educational allowance accordingly.

OIL NOTES

Haskell County has gained site for a new wildcat in the area 12 miles east of Stamford.

The venture is Exploraco Oil Co. of Stamford No. 1 N. M. Hansen, located on a 157-acre lease.

Having a proposed depth of 3,300 feet to test the Palo Pinto reef, it spots 990 feet from north and 230 from west lines of section 7, block 3, H&TC survey.

Raven Oil Co., Inc. of Abilene, staked location for No. 3 G. C. Lam in the Turnbow (Bur-

son) Field, five miles north of Haskell.

The planned 4900-foot venture spots 1,400 feet from south and 2925 from east lines of J. Montgomery survey 2.

Location is 267 feet south of the firm's No. 2 Lam, producer in the Turnbow (4625 Strawn) Field.

Raven Oil Co., Inc. of Abilene staked No. 1 W. W. Turnbow as a proposed 4,900 foot rotary Burson Sand wildcat in Haskell County.

Drill-site is five miles north of Haskell, 5,761 feet from the

Release of \$148 Million In Rural Loan Funds Has Been Announced

The Farmers Home Administration has been authorized to insure an additional \$148 million of rural loans according to word received by Mr. L. J. Capplemann, Farmers Home Administration Texas State Director.

Funds for Rural Housing loans to low and moderate income families were exhausted in April. The Farmers Home Administration is now holding some 42,000 applications and unfunded loan dockets for Rural Housing loans.

Both the funds for Farm Ownership and Rural Housing loans are being made available immediately.

Farm Ownership loans are made to buy land, construct or repair buildings, improve land and re-finance debts. They are repayable over 40 years and bear 5 per cent interest.

Rural Housing loans are made to farmers and other rural residents in open country and small rural communities with populations of not more than 5,500. Loans are made to construct and repair needed homes and essential farm buildings, purchase homes or buy sites on which to build homes. The maximum term is 33 years. The interest rate on loans to families with low and moderate incomes is 5 per cent.

Farmers Home Administration services are made available through more than 1,600 county offices serving the 3,000 rural counties in the United States, Puerto Rico, and the Virgin Islands.

The county office for Haskell County is located at 316 North First Street, Haskell. The county supervisor is Donald R. Perry. Office hours are from 8 to 5 every Monday Mr. Perry will be glad to discuss the Farmers Home Administration loan programs with interested individuals.

Both the funds for Farm Ownership and Rural Housing loans are being made available immediately.

Farm Ownership loans are made to buy land, construct or repair buildings, improve land and re-finance debts. They are repayable over 40 years and bear 5 per cent interest.

Rural Housing loans are made to farmers and other rural residents in open country and small rural communities with populations of not more than 5,500. Loans are made to construct and repair needed homes and essential farm buildings, purchase homes or buy sites on which to build homes. The maximum term is 33 years. The interest rate on loans to families with low and moderate incomes is 5 per cent.

Open Admissions Policy State For HASKELL CONVALESCENT HOME

It is the policy of the Haskell Convalescent Nursing Home to admit and to treat all patients without regard to race, color or nationality. The same requirements for admission apply to all, and patients are assigned to the nursing home without regard to color or national origin. There is no discrimination in eligibility for, or in the manner of, any patient service provided by or through the nursing home.

All facilities of the nursing home are available without distinction to all patients and staff, regardless of race, color, or national origin.

All persons and organizations that have either to refer patients for admission to the Haskell Convalescent Nursing Home are advised to do so without regard to patient's race, color or national origin.

Among those from Weinert attending the wedding of Wanda Rogers and Larry Caddell were Mrs. Henry Volkufka, Mrs. Ina Stewart, Larry Cunningham, Mr. and Mrs. Marvin Phemister, Mr. and Mrs. Harold Durham, Scotty Moody and Miss Sue Roddy of Hamlin.

Mr. and Mrs. Jiggs Raynes of Great Bend, Kansas visited Mr. and Mrs. C. V. Ashley Sunday afternoon.

Mr. and Mrs. Jack Therwhanger and girls of Eastland visited their parents, Mr. and Mrs. Clifford Williamson and Mr. and Mrs. John Therwhanger, over the weekend and for Father's Day.

Mrs. Frank Oman returned home Friday of last week from the hospital. She had chest surgery in Abilene Hendricks Hospital some two weeks ago and is recovering nicely.

Mr. and Mrs. Scotty Oman and children of Dallas visited his parents, Mr. and Mrs. Frank Oman, over the weekend and were with them on Father's Day.

Ruthie Dutton and Marsha Berry are attending Methodist Camp at Camp Buttman at Buffalo Gap. Rev. Hedley, pastor at the Methodist Church, took them. Also Helen Myers of Munday and Beth Carl of Goree.

Mrs. Murphy Flanagan and son, Jay, are visiting her mother.

Mr. and Mrs. Jack Boykin of Lubbock visited her sister, Mr. and Mrs. E. G. Alexander and Bonnie, and his brothers, the Ted Boykins and Mack Boykins, last week.

Mr. and Mrs. E. G. Alexander and Ronnie spent Father's Day with their daughter, Mr. and Mrs. Barney Haynes and children in Abilene.

PRIDE OF HASKELL

(Editorial Comments From Wichita Falls Record News)

Here at the height of the rodeo season, we believe the time is now to voice strongly an expression of unreserved praise and commendation for the consistently superlative performances of the Haskell County Sheriff's Posse in rodeo parades and grand entries at such typically western events over the years.

Haskell's Sheriff's Posse, an eye-appealing group of crimson-shirted, palomino-mounted horsemen, has compiled a phenomenal record and brought glory galore to this solid West Texas community and county during the 14 years of its existence.

Participating in some 10 to 12 rodeo parades each season, Haskell's riding club "fields" anywhere from 10 to 22 riders, depending on the chores its members have to handle back home on any given day. Paced by such stalwarts as Gene Hunter, Dr. T. W. Williams, C. O. Holt, Cecil Eager and Jetty V. Clare, the Haskell horsemen's demonstrations of classic conformance of horse-and-rider time and again have earned them top honors in stiffest competition.

Exemplary of their prowess is their record thus far in the 1967 rodeo season. In seven outings, Haskell's Sheriff's Posse has been awarded five first and two second places. Their last two parades were in Wichita Falls for the Red River Rodeo and in Vernon for the Santa Rosa Roundup. They won top trophy in both cities, competing with 12 other riding clubs here and 18 other riding clubs in Vernon.

One of the highlights of the Haskell riders' schedule each year for the last three has been their invasion of Albuquerque to take part in the opening of the New Mexico State Fair there. They won first place one year and second the other two in judging which included more than 30 riding clubs from several states each year.

All in all, Haskell County Sheriff's Posse has brought home more than 100 items of "top hardware" symbolic of their horsemanship and showmanship since they began poundin' leather "for the glory of Haskell."

The worth of the Haskell County Sheriff's Posse to their own community and this entire area cannot be measured in dollars, or words. They are a definite asset, and deserve the loftiest of accolades for preserving the flavor and providing the flair of the Old West each time they take to the saddle.

Haskell County History

30 YEARS AGO

Arrangements have been completed to charter at least three 20-passenger Pageway buses to be used by the Haskell County delegation that will attend the Frontier Fiesta in Fort Worth on July 16th set aside by Fiesta officials as "Haskell County Day," according to an announcement made by Ralph Duncan, secretary of the Haskell Chamber of Commerce.

Six Haskell County Boy Scouts, Pete Place of Rule; James Frank Cadenhead Jr. and Herman Joesselet of Weinert; Dan Oates, Hugh Lowe and Zug Phelps of Haskell, joined 30 other Scouts of the Chisholm Trail Council in Abilene this morning and boarded the "Camshine Special" for Fort Worth where they will join a huge special train for Washington, D. C. to attend the National Jamboree of the Boy Scouts of America, which will be held on the banks of the Potomac from June 30 to July 9th.

Mrs. R. J. Paxton is in Dallas this week visiting relatives and friends.

Dr. and Mrs. Gaines Post and little son left Saturday for their home in Madison, Wisconsin after a visit in the home of their parents, Mr. and Mrs. H. S. Post and Mrs. Bunk Rike and other relatives.

Ralph E. Duncan, secretary of the Haskell Chamber of Commerce, and H. T. Sullivan, secretary of the Central West Texas Fair Association, made a trip to Abilene Saturday in the interest of the automobile races to be held here on July 3 and 4.

C. F. Mullino made a business trip to the Rochester community last Friday.

Proposed consolidation of the Cliff rural school with the Weinert Consolidated District was defeated by voters of the Cliff district in an election held Saturday. In the Cliff voting box 15 votes were cast in favor of consolidation and 21 against the proposal. A majority of voters in the Weinert district favored the proposition.

W. P. Trice, who has been a patient in the Knox County Hospital for several weeks, is reported to be improving nicely.

10 YEARS AGO

Mr. and Mrs. Kenneth Thornton have returned to Haskell and are living in the McNeill apartments.

H. Weinert, Jr., who is attending a medical school in Galveston, is spending the summer with his parents, Mr. and Mrs. H. Weinert of Weinert.

Mrs. Hardy Grissom spent last week in Electra, the guest of her uncle and aunt, Mr. and Mrs. W. L. Cason.

Mr. and Mrs. J. E. Bernard, Miss Vivian and Master Ralf, left last Monday for a visit to the National Park.

Gaines Post, who is attending Harvard University at Cambridge, Mass., arrived Wednesday for a several weeks visit with his parents, Mr. and Mrs. H. S. Post and other relatives.

Mrs. J. U. Fields, president of the Texas Federation of Women's Clubs, returned last Friday from Grand Rapids, Mich., where she attended the council meeting of the General Federation.

Mrs. S. R. Rike and son, John, and daughter, Miss Katherine, are taking their vacation on their ranch 12 miles east of Haskell.

Miss Mary Lela Richey has returned to Temple after spending her vacation with home folks here.

Mrs. R. H. Sprowls, Miss Alma Sprowls and Mrs. Ed Sprowls of this place and Mr. Milton Sprowls of Phoenix, Arizona, left for Dallas Tuesday morning to visit relatives.

Chief G. B. Fields and Firemen R. L. Harrison, Clay Smith, Harry Farmer, R. A. Hays, Floyd Howell and Jesse Collier returned Sunday from the State Convention of Volunteer Firemen held in San Antonio last week.

One of the prettiest drug stores in this section of the state has been opened in the new McKinney building on the south side of the square by J. W. Martin of Sagerton and son, J. M. (Mac) Martin, of this city.

60 YEARS AGO

Misses Katie and Belle Barnes have returned to their home in Haskell County after a pleasant visit to New Mexico. The girls have each taken up a claim of 160 acres of land and are well-pleased with this victory. As a souvenir of their visit they carried home a lump of salt from the natural salt lake in New Mexico.

On last Saturday, Mr. M. A. Clifton went out with some hands and broke the first dirt on the foundation for the \$45,000 cottonseed oil mill, of which he is president. Mr. Clifton said "I am prouder of the act of throwing the first shovel of dirt for this enterprise than I am of being its president."

Messrs. F. G. Alexander and A. H. Day attended the meeting at Abilene on last Saturday of The Central West Texas Association of Commercial Clubs, as representatives of the Haskell Commercial Club. The object of this association of clubs is to induce a desirable class of settlers and industrial enterprises to come to this section.

NOTICE TO CONTRACTORS

Sealed Proposals addressed to the Haskell County Country Club, Haskell, Texas, will be received in the office of Robert Y. Mobley, Jr., President, in Haskell, Texas, at the Community Room of the Haskell National Bank, until 2:00 p. m., Thursday, June 29, 1967, for the construction of recreation facilities including improvements to the existing nine-hole golf course, a complete irrigation system, roads and parking areas, an earth fill dam and spillway, a community center building, complete, a swimming pool complete, caretaker's house complete, picnic areas, play courts, utilities, landscaping and all other necessary appurtenances.

Each Proposal shall be accompanied by a Cashier's Check, Certified Check, or acceptable bid bond in the sum of five per cent (5%) of the largest possible bid, made payable without recourse to the order of the Haskell County Country Club, Haskell, Texas, as a Guarantee that the Bidder will enter into a contract and execute a Surety Bond in the amount of the total contract price from a Surety Company acceptable to the Owners within seven days after notice of award of contract to him. Each proposal must also be accompanied by evidence of the financial responsibility of the Bidder and other information relative to his experience on similar work.

Separate bids will be received on: Unit A - Irrigation System Pipe, Valves and Sprinklers; Pumps and connections; Sewer Lines and Drain Field; Treated Water Line to Haskell; and Appurtenances; Unit B - Road and Parking Area Grading, Gravel Base, Asphalt Paving, Concrete Curb and Gutter; Site Grading; Compacted Earth Fills; Fill Soil, Topsoil, and Sand for Tees, Greens, and Sand Traps; Improvements to Fairways and Preparation for Seeding; and Appurtenances; Unit C - Bent Grass and Bermuda Grass Seeding, Peat Moss, Fertilizers and Trees; Unit D - Community Center Metal Building complete, Stone and Metal Fences, Shelter Sheds, Picnic Facilities, Septic Tank, and all appurtenances; Unit E - Swimming Pool and Wading Pool complete with all equipment; Unit F - Moving two Existing Structures; Unit G - Caretaker's House complete.

Bidders may bid on any one unit, two units, or all units. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas (and all subsequent legislation) concerning the wage scale and payment of prevailing rates of wages as established by the Owners in the contract documents.

The Haskell County Country Club reserves the right to reject any or all bids, to waive formalities, and to consider the most advantageous bid or bids. No bids may be withdrawn within thirty days after date on which bids are to be opened.

Purposal forms, plans and specifications may be secured from Ernest L. Andrews, Consulting Engineer, 3218 Seymour Road, Wichita Falls, Texas, upon a deposit of \$35.00. Full amount of deposit will be returned to Bidder returning plans and specifications along with a fully qualified bid. Only one-half of the amount of the deposit will be returned to Bidder upon return of plans and specifications if fully qualified bid is not filed. Haskell County Country Club Robert Y. Mobley, Jr., President

News from Rule

MRS. FAYE DUNNAM

Mr. and Mrs. Jay McWilliams are visiting their children, the Travis Sells and the Johnny McWilliams, this week.

Mr. and Mrs. Joe B. Cloud are visiting in Albuquerque, N. Mexico for a time.

Mr. and Mrs. Olen Sego have moved to Carlsbad, N. Mexico. George French, former math teacher, visited friends in Rule Sunday. He is leaving for Vietnam for a year.

Mr. and Mrs. A. R. Eaton are on a ten-day trip to Peru with a group of directors in the Cotton Producers Association. They caught the plane in Dallas.

The A. T. Fouts Jr. family of Lubbock, spent last weekend with relatives in Rule.

Five Rule Bobcat Drill Team cheerleaders attended the cheerleading school at Cisco Junior College June 11-16. RECEIVES PROMOTION

Marine Corporal Jack Hutson, son of Mr. and Mrs. Leo F. Hutson, of 506 N. Avenue D, Haskell, was promoted to his present rank while serving with the Seventh Engineer Battalion, First Marine Division, based in Vietnam.

His promotion was based on time in service and rank, military appearance, and his knowledge of selected military subjects.

His battalion supports the division through road and building construction, and the laying of land mines. Engineers are also trained in the use of explosives and demolitions.

The Good Earth

By Mrs. B. F. Cobb

Since I last wrote this column our daughter (Yvonne) re-married. She, her husband (Dock Dearing) and the two grandchildren, moved to Stamford. For the first time in a year I do not have youngsters around. Believe you me, the silence can be very loud some times.

My husband and I left Haskell at 3 a. m. Tuesday night to watch our oldest son get his degree in Galveston.

We saw lots of water as we went down, evidently it had rained rather hard the night before. Lush green pastures gave evidence of rain all the way down to Galveston.

We ate breakfast in Comanche just as the sun rose over the horizon. Pastures were green between Comanche and Gatesville. Yellow buttercups were about the only flowers we saw until we crossed the Leon river. The river valley was covered in Indian blankets, purple iron woods and orchid devil's claw. From there to Temple, the pastures were not with Indian blankets, white thistle poppies, orchid sweet williams, yellow dandelions and brownish red cone flowers mingling every so often.

It was almost like entering another country when we got to Temple, and farming was so far ahead of Haskell. Cotton was a foot high, maize nearly ready to cut, and lots of corn was already harvested. Peaches were hanging red on the trees. We brought some peaches back from Rogers.

That land at Rogers is so black and rich that if you will stick to it in dry weather, it will stick to you in wet weather. The earthworms there are as big around as a lead pencil and at least a foot long. (This is not an exaggeration). My husband laid one in my lap as a joke; I screamed, for I thought it was a snake. Truly, I've never seen richer land anywhere.

Near Cameron, sweet clover permeated the air, and fields of new-mown hay added its refreshing scent to the cool morning air. Black-eyed Susan, sunflowers, red cane flowers, purple thistle, wild verbena and white mountain daisies turned the bar ditches into a regular flower bed from Cameron to Milano. Railroad beds were covered with wild dew and blackberries. Grape vines twined gracefully over fences and trees.

We visited the farmers market at Milano. Four or five stalls displayed the farmers' wares... cantaloupe, huge tomatoes, red, yellow and white onions, kershaw, pumpkin, watermelon, pepper (both hot and sweet), several varieties of squash, both field and sweet corn and many more things (such as homemade syrup and honey) were on display. We loaded the car with goodies to take to our children in Galveston.

We saw the greatest amount of wild flowers between Caldwell and Brenham. The sand hills were alive with wild snapdragons, red godets, Indian blankets, tiny sunflowers and standing spruce. The bar ditches were white with the blossoms of the Elderberry bush. We saw pear and apple trees heavy with fruit. Large oak trees hung with eerie Spanish moss. Lots of persimmon trees with green fruit showed up in thin patches of the forest.

Just past Brenham we saw many patches of sweet corn ready to harvest. The rolling hills were like a dark green lawn. Many of the pastures are mowed, the native grass makes wonderful hay. There are lots of dairies near Brenham. As the rolling hills gave way to more even land, great patches of Johnson's roses begin to appear; this is a shrub rose often used for fences, the single white

blossoms bloom most of the time.

As we neared Sealey we saw elderberries that had ripened, the purple fruit and large clusters of white blossoms were all on the same bush. Orange trumpet flowers covered trailing vines all along the right of way. Wild larkspur and white poppy thistles looked like a blue and white patchwork quilt.

Not far past Sealey the terrain changes completely. Here

is the beginning of the coastal plains. Huge fields of cotton were covered in blooms. Hundreds of acres of corn was ready for market. Even the flowers change. Wild snapdragons of yellow and orange, blue bells and many colored phlox dotted the bar ditches and fields from Sealey to Rosenberg.

Great fields of cotton at Rosenberg were loaded with bolls. Here the climate is warm enough that many date and

palmetto palms grow in yards and along driveways. Trucks loaded with sweet corn kept passing us as we approached the highway to Houston.

Alcala had the only poor crops we saw on our trip down. The corn and cotton was stunted because of dry weather. We arrived in Galveston at 2:30 p. m. — hot and very tired and sleepy. The Gulf was a deep, deep blue and breakers were rolling white caps in as we passed along the

shore going to our son's house. Next week I will tell of our fishing luck and our way back via Rising Star and Cisco.

RAGWEED CAUSES HAY FEVER

More than 90% of hay fever victims are susceptible to ragweed. During August and September, Junior Fire Marshals warn that roughly 98% of all pollen in the air over cities is ragweed.

Insect Control May Be Needed For Home Gardens

Most home gardens in Haskell County are off to a good start. But insect control may be required some time during the growing season to keep them healthy and productive, says County Agent R. W. Schumann. He reminds home gardeners

that not all insecticides are recommended for home garden insect control. Poor insect control may result from the use of the wrong insecticide and perhaps a bigger problem could come from insecticide residues on the treated vegetables.

The Food and Drug Administration, explains the county agent, has set certain restrictions on the use of insecticides residues on the treated vegetables. Information on controlling in-

sects in the home garden is available in the Home Garden Guide. The county agent and if they are found the situation gets out from the County Extension Office, Schumann.
