

Along The Waterfront

Fishing in the area has been reported good during the past week. Sand trout are plentiful along the flats south of Rockport and many croakers have been caught off the breakwater. Large gafftops are being caught in Aransas Bay. Copano Bay as well as Cedar Bayou is yielding nice size trout and reds.

Byron Vaughn and Ray Lofton brought in 100 pounds of gafftops which they landed on a fishing excursion Tuesday. Vaughn and Lofton recently arrived in Rockport from Paul's Valley, Okla. to enjoy another winter of fishing here.

Mr. and Mrs. C. M. Spires of Sharon Springs, Kansas, veteran Rockport fishermen, arrived this week to spend their third winter here. Mr. and Mrs. Spires spent the summer fishing in Minnesota and have come to call Rockport their home.

Karl Kurl arrived Wednesday from Nebraska to spend another winter fishing in the Rockport area.

H. H. Roberts and party from Palm Village fished with Harry Mills last Friday and caught 101 trout and rat reds.

Saturday W. O. Dennis of San Antonio went out with Harry Mills to fish for reds. They landed three 4-pound redfish and 12 rat reds. Dennis and Joe Barbera of San Antonio fished with Harry Mills Sunday and caught 60 trout and rat reds.

Mr. Lesser of Houston fished with Green Fleming Sunday and brought in 45 trout.

Mr. Tillotson fished with Herb Mills at Cedar Bayou Sunday and landed 12 flounder, 30 trout and rat reds.

J. J. Brown of San Antonio fished in Copano Bay with Jack Lawler Sunday. Their catch numbered 84 trout.

William Toland and Max Miller of Houston landed 141 trout during their week-end fishing trip here. They went out from Mills' Wharf.

Mr. and Mrs. Greeson and party from Luling fished with Jack Lawler Tuesday. They brought in 124 trout, one pompano and one large gafftop. They fished in Copano Bay.

Mr. Ulcheck of Jourdanton fished in Copano Bay with Jack Lawler Wednesday and caught 96 trout.

Herb Mills and Harry Mills are busy constructing duck blinds in preparation for the hunting season which opens Nov. 3. Henry Ballou has also taken time off from fishing to work on the blinds.

Mr. and Mrs. Eugene Smith returned to Dallas last week with nearly 200 redfish and trout which they landed during a 10-day stay here. They were guests at the home of Mr. and Mrs. Wm. Beutley.

Carnival Committees To Be Named Today

The standing committee for the annual Rockport P.-T.A. carnival will meet this afternoon and name committees to assist with the carnival this year which is scheduled to be held Tuesday, October 31.

Mrs. Albert Collier is chairman of the standing committee. Other members are Mrs. Roy Lee Hart, T. Houston Foster and Bill McGrath.

ABSENTEE VOTING STARTS WEDNESDAY, OCTOBER 18

Absentee voting for the general election November 7, will start Wednesday, October 18, it was announced this week.

Mr. and Mrs. A. D. Allen of Waurika, Okla. arrived in Rockport last week where they plan to enjoy a month of fishing. They are guests at Oak Shore Apartments.

Final Theatre Tryouts Scheduled For Friday Nite

The number of persons who appeared at the Woman's Club building last week-end to tryout for parts in the first production of the Aransas County Theatre were very disappointing, Mrs. Arthur Bracht, casting director, reported this week.

The third and final date for tryouts has been set for Friday, October 13, at 7:30, at the club building. If the people of Aransas County want a theatre they will have to feel that it is their theatre and be willing to take part in its activities, Mrs. Bracht said. There are many who are ready to carry on with the work of production but they cannot go ahead without people to take part in the play.

The committee chairmen wish to extend an invitation once again to everyone in the community that is interested to come to the tryouts Friday night. It is not possible to extend a personal invitation to everyone in the community, Mrs. Bracht said, and those persons not reached could very probably be the best suited for the parts. It is not an invitation affair and persons not asked should not hesitate to come to the tryouts, she said.

The committee appreciate the interest shown by those who did turn out last week-end—but there just weren't enough of them.

Tryouts are being held for the stage play, "The Hasty Heart", which is humorous as well as tender and takes place in the interior of a hut being used as a convalescent hospital somewhere within the southeast Asia command.

A cast of nine characters is needed, one lady and eight men. The cast includes a colonel, a man of middle age; a nurse, which should be a young woman; and seven young men who portray an orderly, a Yank, a New Zealander, an Australian, an English Tommy, and a Scotchman, all of whom are soldiers.

Scout Executive to Meet With Den Mothers Tuesday

A Cub Scout Den Mother's Planning Meeting will be held in the science room at the Rockport elementary school Tuesday night at 7:30, October 17. Mr. Vern Hering, Field Scout Executive from Sinton, will be here to conduct the meeting and all Den Mothers in Pack 49 are urged to attend.

Den Mothers for the four packs have been named; however, they are unable to start their work until a Cub Scout Master is selected.

Mrs. V. A. Schleider, who has taken the responsibility for organizing the Den Mothers this year, reports that practically all of the boys in the Cub Scout age group are interested in taking part in the activities of the organization. While eight boys are recommended as the maximum for each Pack, the five dens for which mothers have been named have an enrollment of 12 each.

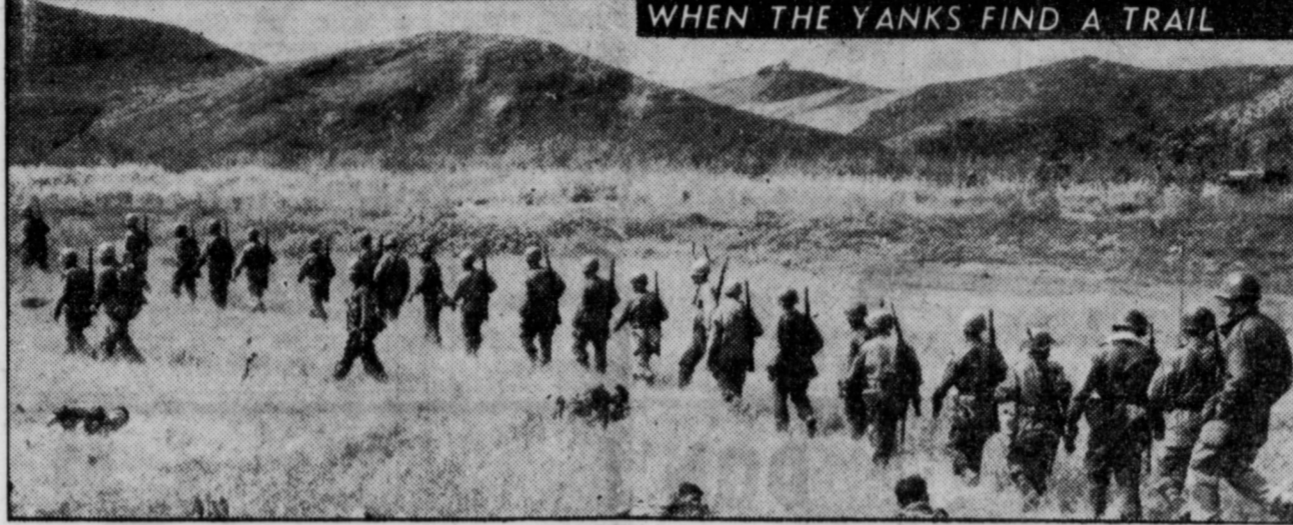

Mothers who will assist with the program this year are Pack 1, Mrs. J. J. Stephens and Mrs. Jas. L. Smith; Pack 2, Mrs. Jim Williamson and Mrs. Richard Happer; Pack 3, Mrs. V. A. Schleider and Mrs. Irvin Manning; Pack 4, Mrs. Harold Teegerstrom; Pack 5, Mrs. Ed Barnard, Mrs. Arley Shivers and Mrs. Joe Johnson.

Fire Dept. Sponsors Student Poster Contest

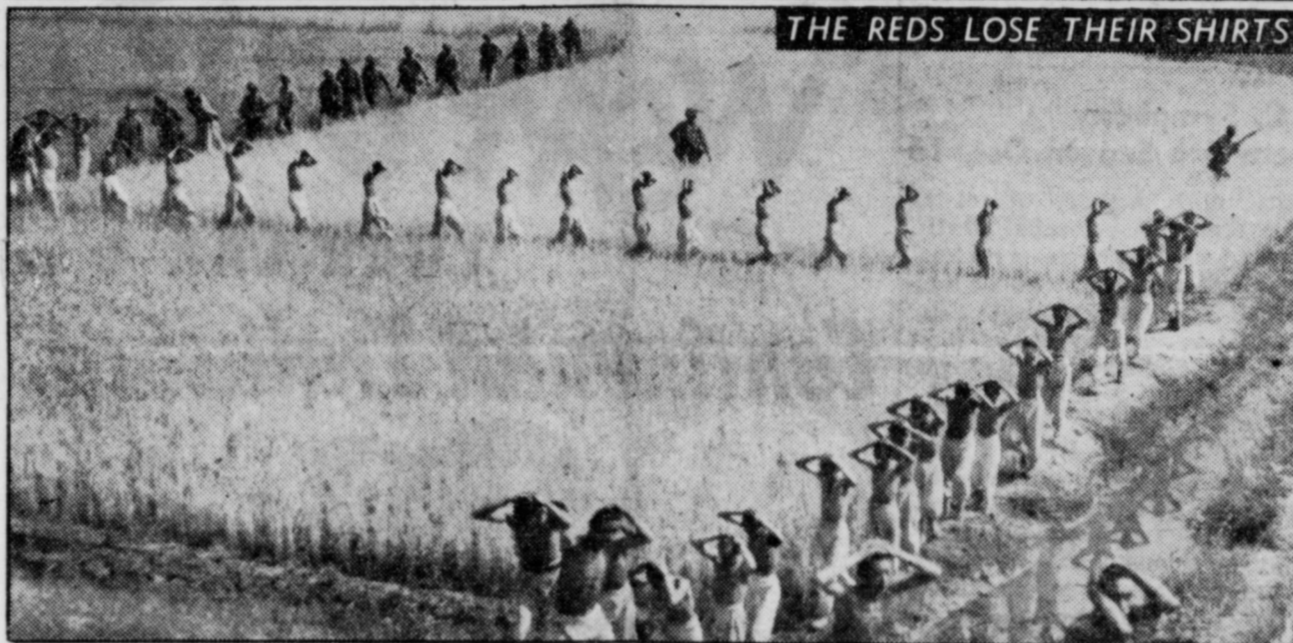

The Aransas County Emergency Corps is sponsoring a poster contest in all Aransas County school this week in connection with Fire Prevention Week. Prize money amounting to \$30 will be awarded the winning posters.

Firemen will judge the posters and announce the winners Friday. They will be displayed in local stores this week-end. The grand prize will be \$10. Five dollar awards will be presented to the student producing the best poster in the high school, the Fulton grade school, the Rockport grade school and the Sacred Heart school.

Leonard LeBlanc is chairman of the activities for Fire Prevention Week. He is assisted by T. J. Johnson in Rockport and Jim Polletti in Fulton.

WHEN THE YANKS FIND A TRAIL

THE REDS LOSE THEIR SHIRTS

OPEN SEASON ON NORTH KOREANS—The big game hunt is on in South Korea. In their triumphant push to the 38th parallel, UN forces bypassed countless pockets of Red troops who must be taken dead or alive. At top, troops of the 24th Division start out on a search for quarry. At bottom, they return with 44 prisoners, a bountiful day's bag. Stripped to the waist, the prisoners are marched single-file with their hands clasped on their heads. The hunt has ended for them.

Fall Advertising Plans Completed By C. of C. Group

The Tourist Bureau of the Chamber of Commerce met Tuesday night and completed plans to advertise in 17 northern newspapers this season.

The advertisements, portraying the Aransas County area as a winter vacation spot, will appear in the Sunday edition of the 17 daily newspaper late in October and early in November.

Papers chosen for advertising were The Denver Post, The Minneapolis Tribune, The Albuquerque Journal, The Daily Argus-Leader at Sioux Falls, South Dakota, the Peoria Journal Star, Peoria, Illinois, The Omaha World Herald, The Louisville Courier-Journal, The Fargo Forum, Fargo, North Dakota, The Duluth News-Tribune, Duluth, Minn., The Milwaukee Journal, The Des Moines Register, The Boston Herald, The New York Times, The Great Falls Tribune-Leader, Great Falls, Montana, The Salt Lake City Tribune, The Cheyenne State Tribune, and a newspaper in Dodge City, Kans. Funds appropriated for advertising at this time amounted to \$700. Approximately \$300 remains in the advertising fund which the Bureau plans to use to place ads in large Texas dailies later in the season to inform Texans of the advantages of hunting and fishing at Rockport.

Members of the Bureau accepted the proposal that the winter parties for this year's vacationers be sponsored by the Woman's Club at the Woman's Club building. The arrangements provided for an afternoon party for the ladies and an evening party for both men and ladies to be held each week for a period of 10 weeks. The parties were to be financed primarily from two sources. The tourist court operators will continue to contribute one dollar per rental unit to the fund. In addition to this, tickets will be sold to winter visitors for one dollar per person per month. This ticket will entitle the vacationer to attend the eight parties scheduled for the month. These tickets will be available for distribution by all courts that are members of the Tourist Bureau.

Admission for other persons desiring to attend the parties will be 50 cents per party. The Woman's Club will take over the responsibility of arranging for the parties as well as providing refreshments and prizes.

This is the first community effort to provide entertainment for the winter visitors. Parties were held regularly twice each month during the last several years which have been sponsored by the Tourist Bureau. The Woman's Club sponsored afternoon card parties for the visitors last year. This year the Tourist Bureau and the Woman's Club will combine their efforts to provide the entertainment.

Salt Lake Field Test Flows 105 Barrels of Oil On Potential Test

In the Salt Lake Field Phillips No. 1 Huff (F. G. Huffman), Joseph Hollis Survey, A-76 flow-ew 105 barrels of oil on potential test from 16-shot perforations at 7,960-64 feet. Test was through 7/8 inch choke under 700 pounds pressure on tubing, with casing seated. Gravity was 39.4 degrees and gas-oil ration was 900 to 1. Total depth was 8,200 feet; 5 1/2 inch casing was set at 8,047 feet; and plug-back depth was 7,979 feet.

In the Copano Bay Field location of Phillips No. D-1 Pano scheduled 7,500 foot test has been moved from State Tract 44 to a spot 467 feet out of the southwest corner of State Tract 43.

In the Mud Flats Field, George W. Graham, Ryan, Hays and Burke were taking potential on a pair of gas-distillate wells and continued to test at another.

Graham, Ryan, Hays and Burke No. 2 Margaret E. Davis, Lot 7, Block 48, Fifth Addition, Taft Farm Lands, was acidizing perforations at 9,396-420 feet Tuesday preparatory to taking potential test as a gas-distillate producer. Total depth was 9,942 feet, plugged back to 9,460 feet and 5 1/2 inch liner was set at 9,450 feet.

Graham, Ryan, Hays and Burke No. B-1 F. G. Gabriel, Lot 6, Section 48, which originally had been completed on perforations at 9,615-25 and 9,643-70 feet, but then was worked over, Tuesday was taking potential on perforations at 9,050-56 feet, where it was complete as a gas-distillate well. The same operators No. A-2 Gabriel, also in Lot 6, total depth 9,804 feet, plugged back to 9,000 feet, 7 inch casing set at 9,015 (Continued on last page)

Chamber of Commerce Lends Assistance to Community Projects

Chamber of Commerce directors met at the fire hall Tuesday night to discuss plans for the banquet to be held Nov. 14, honoring volunteer firemen of Aransas County.

Directors approved the appropriation of \$17.50 to the Fire Department to be used in connection with their poster contest which is being sponsored in the public schools at this time.

They also voted to make up any difference up to twenty dollars for the marine laboratory seminar to be held here Oct. 27, 28 and 29, should funds for this project prove to be insufficient at the close of the seminar. The directors believed that the seminar, which is held twice yearly and brings students and professors from all over Texas and other states to Rockport, is an asset to the community and should receive wholehearted support from the Chamber.

Travis Johnson was named to serve as representative to the Aransas County Beautification project from the Chamber.

Pirates Take Fri. Off, Prepare For Game With Taft

The Rockport Pirates will have Friday night off as a game has not been scheduled for this week. They have had no vacation this week, however, as far as practice is concerned as Coach Chas. Roe, Jr. has had the boys on the field until dark each day trying to iron out some of the flaws which caused the team to suffer a 46-0 loss at the hands of Ingleside last week-end.

The Pirates gave the poorest display of blocking and tackling ever exhibited by a Rockport team. As a result Coach Roe is working the boys overtime in an effort to get them in shape for the game with the Taft Greyhounds which is scheduled to be played here October 20.

Taft, undefeated this season, is an overwhelming favorite to win the district. They will have no trouble winning from the Rockport team if the boys don't show a stronger will to win than has been exhibited so far this season.

Gene Sprinkle, one of the four lettermen on the squad, is out for the rest of the season. He suffered a complete dislocation of the elbow in the game with Ingleside Friday.

The junior teams will provide the entertainment for the football fans this week. The junior team and the Pee Wees have games scheduled with Taft here tonight. The Pee Wee game will get underway at 7 o'clock. Admission for adults is 50 cents. The boys played good football in their previous games this season.

County Agent Meets With Planting Group

R. R. Gibbs, county agent for Aransas and San Patricio Counties met with members of the Aransas County Beautification Project Monday night. This was the first meeting following organization of the group.

J. L. Baughman was named permanent chairman and Mrs. Travis Bailey was elected secretary.

Following discussion four committees were appointed:

1. Committee to arrange plans for an Arbor Day which would include contacting school authorities so that arrangements can be made for students to take part in the Arbor Day program.
2. Committee to investigate the possible source of plants which would be available when the planting program takes place.
3. Committee to work toward fire prevention which would include the erection of signs.
4. Committee to get in touch with Highway horticultural dept. in an effort to work in cooperation with highway authorities on the planting program.

The date for the next meeting has not been scheduled.

Secretary of State Shepperd Will Address C. of C. Banquet Honoring Firemen Nov. 14

Area Chamber of Commerce Members Will Be Invited to Celebrate the Occasion

Secretary of State John Ben Shepperd will be the principal speaker at the Chamber of Commerce banquet to honor volunteer firemen scheduled to be held Tuesday night at 7:30 November 14 Chamber officials announced this week.

All members of the Aransas County Emergency Corps, their wives, and their secretary, Miss Iris Sorenson, have been invited to be guests of the Chamber on this occasion.

SPEAKER

Secretary of State John Ben Shepperd will be guest speaker at the Chamber of Commerce banquet Nov. 14, to honor volunteer firemen.

Officers of Chambers of Commerce in Taft, Refugio, Beeville, Robstown, Victoria, Port Aransas, Sinton, Aransas Pass, Port Lavaca and Corpus Christi will also be invited as guests of the Chamber on this occasion.

Tickets for the banquet will go on sale to all members of the Chamber of Commerce at the Chamber office this week-end. They will be \$1.50 per person. All tickets will be sold prior to the banquet, there will be no tickets sold at the door. Members are urged to purchase their tickets early so that the Chamber can determine the number of extra tickets which can be made available to additional Chamber of Commerce members in surrounding towns.

Arley Shivers is serving as program chairman. DeWilton Jeffries is menu chairman and reports that a turkey dinner with all the trimmings will be served. The members of the Woman's Club will prepare and serve the food at their new building.

The Chamber of Commerce is fortunate in being able to obtain Mr. Shepperd as speaker for this occasion. Prior to his appointment to state office, Shepperd was national president of the United States Junior Chamber of Commerce. During this term of office, he made a "Fifth Freedom Flight" around the world, speaking on the freedom of opportunity that only a democracy can provide, traveling more than 260,000 miles and making nearly 300 speeches before more than 250,000 people.

Originator of "Democracy Beats Communism Week", now known as the "Gladewater Plan" and since adopted in communities throughout Texas and in many other states, Shepperd holds the award of merit of the National Conference on Citizenship for outstanding contributions in this field.

Other honors include being named "Outstanding Young Texan" by the Young Democratic Clubs of Texas and his selection as one of the nation's "Ten Outstanding Young Men of 1949" by Future Magazine.

P.-T.A. Celebrates Father's Nite Wed.

The Rockport Parent-Teacher Association will hold Father's Night to celebrate Texas Congress Birthday Wednesday night, October 17, at 8 o'clock at the school auditorium.

The program will be presented by students of the seventh and eighth grades under the direction of Jim Russell and Miss Mary Louise Hilderbrand.

Miss Charlotte Cron will give a vocal solo.

Addreses of the evening will be "The Kind of Parents Teachers Like" by T. Houston Foster, and "The Kind of Teachers Parents Like" by Mrs. Paul Clark Sorenson.

Following the program a social hour will be held in the school cafeteria. Mrs. Roy Lee Hart is chairman for the social.

United Carbon Workers Get Pay Increase

United Carbon Co. employees here, members of the Oil Workers International Union CIO, were granted a 10 cents an hour wage boost following a five-day bargaining session.

D. C. Heath, chairman for the workers committee, said the raise was retroactive to Sept. 16. Union and management renewed their contract for another year, he said.

Average wages are raised by the wage boost from \$1.62 an hour to \$1.73, he reported. About 100 persons are affected by the raise. Grant Thomas of Charleston, W. Va., represented management.

A pension and non-contributory insurance plan were negotiated last August.

Fulton P.-T.A. Plans Carnival October 31

Home Room Mothers of the Fulton P.-T.A. met at the home of Mrs. Monte Rouquette in Fulton Wednesday afternoon to make plans for the school carnival which will be held Tuesday, October 31.

Committees were named to make arrangements for the affair. Details regarding the carnival will be announced later.

Mr. and Mrs. Shelley Roaten and children left Monday on a ten-day vacation.

Mrs. Jas. G. Hooper and Mrs. Henry Schmidt of Taft will leave Friday for Marlin, Texas where they plan to spend three week.

Oil Interests Confer With Equalization Board of School District

Representatives of the oil interests in Aransas County met with the equalization board of the Aransas County Independent School District for the second time last Friday afternoon for the purpose of reaching an agreement on taxes on the oil interests for 1950.

An agreement was reached whereby owners of the oil interests would submit to the equalization board an offer in settlement of taxes along the lines of a revised schedule suggested by Mr. Morgan Biggs, evaluation engineer for the school district, with the understanding that the board would either accept or reject the offer.

If accepted, the oil interests would pay on that basis. If rejected, they would litigate the matter. Mr. Biggs suggested a schedule reflecting a valuation of \$87,500 for top wells in the Fulton Beach Field which consistently make their allowable of 101 barrels. This schedule was rejected by the oil companies and the board offered to take 80 percent of such valuation and to make special adjustments in connection with the high gas-oil ratio wells in the field.

Mr. Biggs stated that a valuation of \$87,500 on the top wells in the Fulton Beach Field, in his opinion, represented approximately 60 percent of the present market value of the property.

What We Fight For?

Written by Virgil Johnson, manager of the Chamber of Commerce at Lampasas, Texas. He was formerly with the Chamber of Commerce at New Braunfels. His editorial needs to be read thoughtfully by every man and woman and boy and girl who is concerned or might be concerned later on in the struggle in which we are engaged.

These are desperate days in Korea, days that try men's souls as well as rack their bodies. Americans at home should stop to think what they are asking their young sons and brothers to do, and why they are asking it. The more important question is the "Why," because men will fight and die gladly in a great cause if only they understand what they are fighting for. The reports from the front of the bitterness and bewilderment of our troops are too insistent and too obviously correct to be ignored. The young infantryman who said recently, "Damned if I see why I am fighting to save this hell-hole," was giving expression to a tragic ignorance, but one which his superiors and not he should be blamed.

Anyone who went through the World Wars knows the pitifully inadequacy of the political indoctrination given to American troops. In the last war, for instance, it was shocking to find GI's slogging their way through Europe month after month without any idea of what fascism or nazism really meant and what ideals they were defending. It is easy to put these youngsters on the front lines where the age-old alternative of "kill or be killed," plus their native guts and pride, will lead them to fight hard and even heroically. It stands to reason that a soldier who thinks he is fighting for a "hellhole," or who does not know what he is fighting for, is at a disadvantage, and is, incidentally, being criminally neglected.

The basic facts that every American soldier—and for that matter every civilian—must understand are relatively simple. The soldier in the Korean hills and the folks back home who pay the higher taxes and accept controls are, to begin with, fighting for survival. Korea is only a single battle in a long war whose sphere of action is the greater part of the world. This is an acute phase of a struggle in which our liberty and our way of life are at stake. One filthy, bleary-eyed boy firing a bazooka at a Russian-built North Korean tank is defending the freedom of his country and everything that Americans hold dear as surely as if he were defending the shores of California, Texas, or Virginia against Communist hordes. His enemy is only incidentally the fanatical, misguided Korean who comes at him to kill. It is communism, totalitarianism, slavery, the police state, that is the true enemy.

He must, then know what communism means and how it works in practice. He must be made to realize that there is no ground for compromise between Soviet Communism and Western Democracy; they can both live at peace in the world only if Communists stay on their side of the iron curtains. But Communism is an aggressive expanding force carrying a pseudo-religious message. It believes that the so-called bourgeois-capitalist-imperialist world seeks the destruction by war of communism but that in the inevitable final conflict the Communist must win. It uses methods that have no regard for normal principles or scruples; the end justifies the means, and it is a wicked end. It is powerful in its appeal, especially to the backward masses, but it is also powerful in military strength.

This is the enemy that the young infantryman is fighting in his Korean "hellhole," and it is tragic that no one has made him realize the truth. It would be more tragic if we go on allowing our troops to be inducted and trained and sent to battlefronts in continuing ignorance of the real issues at stake. There is a powerful instinct in military leaders to think of war in purely military terms, and to forget that war is an instrument of politics. If that was true in the Napoleonic days of Von Clausewitz, how much more true is it today when the world can almost be expressed in ideological terms.

The simple fact today is that there is a price to be paid—a very great price. The soldier pays it in blood, others in other ways, but there is no escaping it. If everybody concerned knows what he is fighting for, the price will be paid gladly and bravely.

Mary Wereldsma, 86 Buried Here Sunday

Funeral services were held at the Methodist Church Sunday afternoon at 3 o'clock, October 8, for Mary Hun Wereldsma, 86, who died at the home of her brother, J. A. Rogers, Thursday afternoon about 5 p.m., October 5. Rev. H. L. Fort and Rev. Almos Jamison of Premont officiated at the services.

Mrs. Wereldsma was born in Georgia and moved to Texas in 1892. She moved with her husband to Rockport in 1918. Since the death of her husband in 1931, she has made her home with her brother. She has been in poor health for the last three years.

Mrs. Wereldsma was a member of the Methodist Church and took an active part in church affairs as long as her health permitted. She was also a member of the Eastern Star.

Mrs. Wereldsma is survived by her brother, Mr. Rogers. Burial was in the Rockport cemetery. Pallbearers were Joe Johnson, A. C. Glass, Paul C. Sorenson, S. F. Jackson, LeRoy Young and Jas. C. Herring.

C. C. Symphony Opens 6th Season Oct. 16

With Miss Amparo Iturbi as guest star, the Corpus Christi symphony will open its sixth season under the direction of C. Burdette Wolfe at 8 p.m. on October 16 and 17 in the Roy Miller High School Auditorium in Corpus Christi.

Music critics have unanimously proclaimed Amparo Iturbi a master of the piano in her own right. Amparo Iturbi's artistry is characterized by freshness and vitality, by an unmistakable reverence for the music she interprets so brilliantly. She possesses in abundance that rarest of artistic entities, creative playing. The magical quality of her inspiring performance instantly communicates itself to her apt listeners.

Mr. Wolfe, chairman of the Del Mar College school of music, has contracted to bring several outstanding musicians to Corpus Christi again this season under the auspices of the Corpus Christi Symphony Society.

In addition to Miss Iturbi, whose appearance on Oct. 16 and 17 will begin the 1950-51 symphony season, Yehudi Menuhin, Luigi Silva and Miss Margaret Truman have been selected for guest star appearances here. The season's schedule includes six concerts.

Season tickets for the six concerts may be purchased at Randall's, John Ferris's, Buttrey's and Perkins' stores in Corpus Christi. Patrons may use their charge accounts at these stores for the purchases of symphony tickets.

The complete symphony schedule is as follows:

- Oct. 16-17, Amparo Iturbi
- Nov. 20-21, Yehudi Menuhin
- Dec. 11-12, Christmas Concert
- Feb. 4-6, Opera in Miniature
- Mar. 5-6, Luigi Silva
- Apr. 9-10, Margaret Truman.

Mr. and Mrs. John W. O'Neal were dinner guests at the home of Mr. and Mrs. E. S. Crow in Alice Saturday. Mr. and Mrs. Crow recently moved to Alice from Rockport.

Joe Johnson Elected to A & M Student Senate

Joe Johnson Jr. was elected to fill one of the seven senator-at-large seats in the Student Senate at A. & M. College in the recent student election, it was learned here this week.

Approximately 4,350 students voted to elect three members of the Student Life Committee, seven senators-at-large and three civilian housing area senators in the general Fall election.

John Harold Sutherland of Acapulco, Gro., Mexico, is a guest at the M. W. Cochran home. He purchased some property on Fulton Beach last week. Mr. Sutherland is owner of the Hotel Los Palamos at Acapulco.

John received the third highest number of votes cast. There were 19 candidates from which the seven Senators were elected.

Postal Dept. Designates Period for Sending Christmas Parcels

The period Oct. 15 to Nov. 15 has again been designated for the acceptance of Christmas parcels for members of the Armed Forces serving outside the continental United States with the concurrence of the several departments of the National Military Establishment.

The importance of mailing Christmas parcels during the designated period cannot be emphasized too strongly — the earlier the better. Parcels destined for delivery in Japan, Korea and the islands in the Pacific should be mailed as early as possible, preferably not later than Nov. 1, in view of the distances involved.

Boxes for overseas transmission must necessarily be of strong construction on account of the great distance these parcels must be transported and the handling and storage they must undergo. It is absolutely necessary that all articles for overseas be packed in boxes of metal, wood, solid fiberboard, or strong double-faced corrugated fiberboard, testing at least 200 pounds.

Each box should be securely tied with strong cord. Sealing the flaps with gummed tape where they meet strengthens the box, but the use of such tape alone is not satisfactory, since the tape loosens if the boxes become wet or exposed to moist atmosphere.

Boxes should contain sufficient cushioning material so that the contents will be tightly packed to prevent any rattling or loosening of the articles within the parcels.

Addresses must be legible and prepared in typewriting or ink. It is preferable that the outside addresses be hand-printed directly on the wrappers of the boxes rather than on labels pasted to the wrappers, since experience has shown that the labels frequently fall off when subjected to moisture.

Greeting cards for armed forces personnel overseas may be mailed at any time but patrons should deposit such cards prior to Nov. 15, 1950, if they are to have a reasonable expectation of delivery prior to Christmas. Greeting cards for Army and Air Force personnel overseas must be sent in sealed envelopes and prepaid at the first-class rate.

Postmasters should continue to recommend to the public the use of postal money orders to transmit gifts of money to members of the armed forces outside the continental United States. With regard to cash remittances, patrons should be informed that the exportation of currency to overseas A.P.O.'s or between such A.P.O.'s where the dollar is not the accepted medium of exchange is prohibited. Postal notes are payable only in the continental United States and should not be sent overseas.

Science says the moon affects the tide. Lovers maintain it affects the untied.

The dime may not be as good as the dollar, but we bet it goes to church more often.

Rebekahs Hold Country Fair

Members of the Rebekah Lodge held a Country Fair at the Methodist annex Tuesday night.

All members of the lodge brought farm produce, pot plants and other such items to display. Following the exhibit, the products were sold. Mrs. Lillian Gray received the award for the best exhibit which was a red bird plant. Following the fair the committee of the month served a farm supper to 16 members in attendance.

The committee was composed of Mrs. Annie Evans, Mrs. Lillian Gray, Mrs. Fannie Townsend, Mrs. Myrtle McLester and Mrs. Nell Toops.

Torres Takes Course At Fleet Sonar School

Ramon Torres, Jr., seaman apprentice, USN, son of Mr. and Mrs. R. D. Torres of Rockport, Texas, is undergoing a course of instruction at the U. S. Fleet Sonar School, San Diego, Calif.

Torres, who entered the Naval service March 20, 1950, received his recruit training at the U. S. Navil Training Center at San Diego.

Before entering the Navy, he attended Rockport high school.

Dorothy Baker, attending school in Victoria, spent the week-end with her sister, Mrs. E. W. Townsend.

Mr. and Mrs. J. L. Baughman and Port attended the Rice-L.S.U. football game in Houston Saturday.

Mr. and Mrs. Roy Killough of Alpine visited with their aunt, Mrs. Mollye Davis, last week-end. They were accompanied by their son who has been receiving treatment at the Naval hospital in Corpus Christi following an injury in Korea. He was one of 27 boys flown to Corpus Christi for treatment.

Highway Dept. to Farm-to-Market Roads

The Texas Highway Department has constructed or has obligated itself to construct a total of 15,850 miles of Secondary or Farm-to-Market roads that are the maintenance obligation of the Texas Highway Department. In the near future, the Highway Dept. will work with the County Commissioners' Courts of Texas in the formation of a new program of Secondary or Farm-to-Market roads to be designated, planned, and built during the next two

Announcement

The Rockport Lions Club will hold their regular meeting at the V.F.W. hall Tuesday at noon, October 17.

years. The construction of these new roads has been made possible by the recent action of the United States Congress in passing the Federal-Aid Highway Act of 1950.

The District Engineers of the Texas Highway Department will visit and confer with the various Commissioners' Courts for the purpose of obtaining from them information and suggestions relative to the road needs in the various Counties of the State. It is felt that by utilizing this procedure of authorizing our District Engineers to confer with the Commissioners' Courts, a tremendous amount of time and expense can be saved that otherwise might be required for Commissioners Courts and other interested bodies to travel to Austin to the hearings of the Highway Commission.

The funds that will be utilized for this program of work are derived one-half from the Federal grant and one-half from State gasoline tax revenues.

These funds may be expended on projects of improvement, either on State Highways or on County roads, as long as they are secondary roads in character and may serve as Farm-to-Market roads, rural mail routes, and public school bus routes, and as long as mutual agreement is reached between the State Highway Department and the County Commissioners' Court involved.

As in previous programs of this type, it will be the policy of the Texas Highway Department to design and construct these roads so as to provide an all-weather, dustless, two-lane riding surface, and to maintain the roads after they are built. The obligation of the Counties will be to provide rights-of-way of adequate width free of cost to the State.

Auto Service Co. Adds to Plant

The Auto Service Company was issued a permit at the city hall recently to make a 37 by 48 foot addition on the east side of the present building. Construction will be of concrete block to conform with fire zone regulations. Location is on lot 5, block 9, Doughty and Mathis. Cost was estimated at \$1,800.

W. H. Schuster was issued a permit to erect a 14 by 25 foot frame mercantile building on a 50 by 180 foot tract out of outlet 27, Doughty and Mathis. Cost was estimated at \$1,000.

J. H. Rork obtained a moving permit to move a 6 room house from Henderson to Rockport. The house will be moved to lots 9, 10, 11 and 12, block 2, Live Oak Heights.

T. A. Roper obtained a building permit to erect a 16 by 28 foot stone block building to house rest rooms and laundry room for the

Taylor Oak Trailer Park. The building will be located on lots 9, 10, 11, block 60, Mathis addition. Cost will be approximately \$3,000.

Construction is underway on an 18 by 20 foot storage building and garage for Leo Prophet. The building will be of frame construction with stucco walls and cement floor. It is located on lots 5 and 6, block 27, Smith and Wood.

LaVerda Miller was issued a permit to erect a 20 by 18 foot frame building with septic tank for disposal unit. Cost was estimated at \$1,000 for the building which will be built on lots 13 and 14, block 39, Smith and Wood.

Joe Rinche was granted a permit to make an addition to his present building located on lot 4, block 53, Smith and Wood. The 12 by 20 foot frame addition will cost about \$200.

Some of these radio announcers should change their line and frankly say: "Due to conditions beyond our control, we present the program originally scheduled for this time."

Ought To "Polish Up" Her Traffic Manners!

Spent most of yesterday over at the Court House. "Tiny" Fields, the biggest and fastest-talking of our three policemen, was holding forth about his traffic troubles.

"Women drive just as good as men do," Tiny said, "and just as bad. For instance—a girl in a convertible today. She started a three-block tie-up all by herself.

"She's creeping down Main Street—left hand stuck out and sort of waving around. Never turns right or left, never stops. But, of course, everyone behind her thinks she's signaling about

something. Nobody dares to pass. When I stop her and ask what's up, she smiles sweetly and explains that she's drying her nail polish!"

From where I sit, that girl's typical of certain folks who are so wrapped up in themselves, they never notice they're not being fair to others. Our neighbor has a right to drive in safety—just as he has a right to enjoy a glass of beer. Let's all respect the other fellow's rights.

THE STORY OF TEN LITTLE FREE WORKERS

REDDY DOCTOR RAILROADER MINER STEELWORKER FARMER LAWYER GROCER SALESGERK REPORTER

Ten little free workers in this country fine and fair. But if you cherish your freedom—worker have a care! Ten little free workers—Reddy was doing fine. Until the socialists got him—then there were nine.

Nine little free workers laughed at Reddy's fate. Along came federal medicine—then there were eight.

Eight little free workers thought this country heaven. But the government took over the railroads, then there were seven.

Seven little free workers—till the miners got in a fix. Uncle said coal's essential and took over leaving six.

Six little free workers till the day did arrive. The steel mills, too, were federalized—then there were five.

Five little free workers—but the farmers are free no more. The farms have been collectivized—that leaves only four.

Four little free workers till the government did decree. All must have free legal advice—then there were three.

Three little free workers—the number is getting few. But with government groceries selling food—then there were two.

Two little free workers—our story's almost done. With clerks at work in federal stores—that leaves only one.

One little free worker—the reporter son-of-a-gun. Mustn't criticize government—so now there are none.

Ten little workers—but they are no longer free. They work when and where ordered, and at a fixed rate you see. And it all could have been prevented if they'd only seen fit to agree. And work together instead of saying "It never can happen to me!"

Army To Call 40,000 Men In December

WASHINGTON—The Army this week called for 40,000 additional draftees during the month of December.

Its request was sent to Selective Service headquarters by the Defense Department. The men will be chosen by local draft boards from the ranks of those aged 19 to 25, inclusive.

The December call is 30,000 less than that for November. With the Army planning to draft a total of 300,000 in the six months that started Oct. 1, an Army spokesman said the reduction below the November rate might be due to two factors:

1. An average of 45,000 a month, during the period starting Dec. 1, would be sufficient to achieve this call.

2. Induction of draftees is usually suspended for a week or 10 days during the Christmas season, thus reducing the number delivered to the Army.

The December draft call brings to 210,000 the total number of draftees requested by the Army for September, October, Novem-

Presbyterian Women To Attend District Meet

Women of the Presbyterian Church will attend the District 2 Conference of the West Texas Presbytery in Aransas Pass Friday.

Mrs. T. H. Pollard will appear on the program. The subject of her address will be "Stewardship".

Rev. Glen Murray will speak to the group on his missionary work in the Congo. President of the Presbytery, Mrs. E. E. DeWees of San Antonio, will also give an address.

Mrs. P. D. Baricks left for Houston today where she will undergo surgery at the new Hermann hospital in the near future.

Mrs. Chas. Ankele spent the week-end in San Antonio.

ber and December.

The announced program to draft a total of 350,000 between Sept. 1 and next April 1 is a step toward building up the Army's manpower toward an ultimate total of approximately 1.5 million. This build-up fits into President Truman's plan to increase the overall strength of all armed forces to approximately 3 million.

No Delay for Increased Payments Under Social Security

"There will be no delay in getting out the increased retirement and family payments provided by the amended Social Security Act," according to H. M. Cleveland, manager of the Corpus Christi social security office.

"The area offices of the Social Security Administration have been working overtime to compute the increased amounts of payments and they are ready to get out the higher benefit checks," says Cleveland.

"Everyone now receiving old-age or survivors insurance will receive the increased payments, and a new application is not required. Post card notices to present beneficiaries of this important provision of the new law are in the mail," Cleveland said. "The increases will be effective with the September checks which will be mailed early in October," he added.

Payments under the amended law will range from a minimum of \$20 for a retired insured worker to \$150 maximum for family benefits.

Under the new law, people age 65 or over will be eligible for insurance benefits beginning in September if they have received wages

of \$50 or more for work covered by the Social Security Act in at least six calendar quarters, Cleveland stated. Many workers who could not qualify for benefits under the old law will now be insured. The Corpus Christi Social Security office will advise those, of whom it has a record, who now may become eligible for the payments by filing new applications.

The other provisions of the new law, extending social security coverage to groups of workers and self-employed people heretofore excluded, will go into effect on January first.

Mr. and Mrs. Fred Christilles left Monday for a vacation in the hill country. Besides visiting with friends, Mr. Christilles plans to do some hunting.

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- | | |
|---|--|
| General Federation of Women's Clubs | American Legion |
| American Farm Bureau Federation | National Association of Small Business Men |
| National Grange | United States Chamber of Commerce |
| Veterans of Foreign Wars | National Association of Retail Grocers |
| National Conference of Catholic Charities | National Retail Dry Goods Association |
| American Protestant Hospital Association | American Bar Association |

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

PERRY McCLELLEN NANCY JUERGENS WED AT SINTON

Miss Nancy Juergens, daughter of Mrs. Mary Juergens, became the bride of Perry McClellen, son of Mr. and Mrs. R. G. McClellen of Mathis, in a ceremony performed at the First Methodist Church in Sinton last Thursday afternoon. Rev. M. P. Stearns officiated. The couple are making their home in Rockport. The bride is a graduate of the Rockport high school and is employed at the Rice Boat Yard office. Mr. McClellen graduated from Ingleside high school and is employed here at the Cox Gulf Station.

EVENING CIRCLE HOLDS MEETING AT HAPNER HOME

Mrs. Richard Happner entertained members of the Evening Circle of the Presbyterian Church at her home Monday night. Mrs. Jack Davis gave the Bible study, "Nehemiah's Prayers". Mrs. Leonard Casterline presented a home mission article of the survey. Refreshments were served to 10 members. The November meeting will be held at the home of Mrs. Carl Osborn.

BAPTIST LADIES FORM NEW CIRCLE

The Ethel Hardy W.M.U. Circle of the First Baptist Church met at the O. A. Carol home last Friday afternoon for a Mission study. It was decided to form a new Circle, the Darlene Elliot Circle, as the Ethel Hardy Circle had grown large enough for two groups. Mrs. Ernest Hackett was named chairman of the Darlene Elliot division and Mrs. Carol will serve as chairman of the Ethel Hardy group. Members named were drawn to complete the circles. Other officers named for the Ethel Hardy Circle were Mrs. C. C. Landgraaf, co-chairman; Mrs. Cecil Williams, sec-treas.; Mrs. M. B. Mullinax, benevolence chairman; Mrs. E. B. Billings, community missionary; Mrs. H. F. Elliot, Bible study and Mrs. A. L. Ballou, mission study. Chairmen for the Darlene Elliot Circle are Mrs. Robert Key, co-chairman; Mrs. James East, sec-treas.; Mrs. Shelley Roaten, benevolence chairman; Mrs. Bill Etheridge, Bible study; Mrs. Alvin Simpsin, community missionary and Mrs. B. Holm, mission study.

Senior Class Holds Bake Sale Saturday

The senior class is holding a Bake Sale each Saturday morning at 9 o'clock at Kelly's I. G. A. Grocery and Model Cash Grocery. They have announced that you can get your favorite cake or pie if you let the class know before Friday afternoon. Those who have a preference should phone 433 or 282. Pies sell for 75 cents to \$1.00, cakes for \$1.00 and cupcakes are 60 cents a dozen. You can't treat the maid like a member of the family, nowadays, and get away with it.

WALKER-CARTER MARRIAGE CEREMONY PERFORMED FRIDAY

Mrs. F. B. Carter and I. O. Walker were united in marriage in a quiet ceremony performed at the Presbyterian manse last Friday night at 7:30. Rev. T. H. Pollard officiated. Mr. and Mrs. L. W. Hight were the only attendants. Mr. Walker is employed in Aransas Pass at the Gulf Marine shipyard. The couple will make their home in Rockport where Mrs. Walker will continue to manage the Shady Grove Trailer Park.

MISS LOYCE MAE SHULTS-ROBERT LANDRUM ANNOUNCE WEDDING DATE NOVEMBER 24

Mr. and Mrs. Tom W. Shults have announced the engagement and approaching marriage of their daughter, Loyce Mae, to Robert L. Landrum, son of C. L. Landrum of Bellville and Mrs. C. P. Gulick of Houston. The wedding date has been set for November 24, with the ceremony to be performed at the First Baptist Church. Miss Shults and Mr. Landrum are graduates of the Rockport high school. She is attending business college in Corpus Christi at the present time and he is employed at Hemmi's Humble Station.

FHA GIRLS HOLD SLUMBER PARTY

The F. H. A. girls held their first slumber party last Friday night at the homemaking cottage. Honoring new members was the occasion for the party. Fifteen new members were installed, bringing the total chapter membership to 36 girls. Entertainment was provided by the new members and refreshments were served. Miss Lois Blount, Miss Martha Chericco and Miss Dorothy Isaacs were sponsors for the affair.

CONGRATULATIONS

Mr. and Mrs. J. D. Kinsey of Corpus Christi have announced the birth of a son, Septhen Douglas. The infant was born in Corpus Christi September 27, and weighed 7 pounds, 11 ounces at birth. Mr. and Mrs. E. J. Johnson of Rockport are proud grandparents. Jimmy Herring has been elected president of the Engineers Club at Texas A & I College, it was learned here recently. Most people love to go to the movies. Then there are others who go to the movies to love.

F.H.A. LOANS

F. H. A. Loans on Aransas County property are hard to secure because the vast majority of eligible property is leased for oil and gas purposes with insufficient restrictions.

After two months work I have secured a commitment for FIVE F. H. A. Loans, \$4,500.00 each, 20 year, 4 1/4% interest, monthly payments of \$25.00 per month, on homes to be built in

Fulton Oaks Addition

These loans are available in Fulton Oaks Addition ONLY because of the favorable restrictions of the oil and gas lease on the lots in FULTON OAKS ADDITION.

Applicants interested in these loans should have at least \$2,500.00 of their own money.

Homes will be built to your plans and F. H. A. specifications. These loans are available whether you own your own lot in Fulton Oaks Addition or expect to buy.

DE-LIGHT-FUL!

Delightful is the word for Lone Star. For Lone Star is truly a *delightfully* light beer. Because it's brewed without added sugars or fattening syrups, Lone Star is light in color, light in aroma, light on your system. A natural, all-grain beer, Lone Star is also double-aged by slower, costlier ageing processes to develop that double-mellow flavor. You'll taste a delightful difference when you "Take a Break" for a cold Lone Star, Texas' fine, light beer.

Lions Clubs Plan Costume Party For Joint Meet Oct. 31

The joint dinner meeting of the Rockport and Fulton Lions Clubs scheduled to be held Tuesday night, October 31, at the V.F.W. hall will be a costume party, Dr. H. F. Elliot announced this week. The occasion is also Ladies Night which more than 100 persons are expected to attend.

All persons are requested to come to the party in costume or old clothes. Prizes will be awarded to the man and the woman with the best costume. Several door prizes will also be presented.

The dinner meeting will be followed by informal dancing with a juke box providing the music.

There will be advance ticket sales with tickets to be available from members of both clubs. Dr. Elliot is in charge of the Rockport sales and Col. Gibson is in charge of the sale at Fulton.

Safety Patrol Supervises Student Traffic Near School

The Student Safety Patrol, organized for the purpose of supervising the safety of school children walking to and from school, is back on the job this fall controlling student traffic at the main thoroughfares near the school. The patrol leaders are stationed at two places in front of the school and at two places on the highway where student traffic is heaviest.

Their job is to watch the traffic and to keep the students from crossing the street until the danger from traffic has ceased. It is not the duty of the patrol leaders to control vehicular traffic. They are instructed to be courteous at all times to students and patrons of the school.

When it is safe for a student to cross the street, the patrol lead-

Double-Header Tops List Of Humble Football Broadcasts Saturday

The nation's biggest football double-header tops a full list of Humble Oil and Refining Company's radio coverage of Southwest Conference teams this weekend.

Much attention goes to Dallas' unique day-and-night program, with the Texas-Oklahoma game in the afternoon and SMU against Oklahoma A&M in the evening, all in the Cotton Bowl. Other outstanding intersectional games dot the schedule, along with one conference meeting—Arkansas-Baylor.

The Rice-Pittsburgh meeting at Pittsburgh, will be important, and VMI's visit to Texas A&M. Winding up Saturday's list of games is the Texas Tech-TCU contest at Fort Worth.

The Rice-Pittsburgh game will be broadcast at 12:50 p.m. from massive Pitt Stadium. Charlie Jordan and Buddy Bostick will be heard over stations KPRC, Houston; WOAI, San Antonio; WFAA-WBAP-820, Dallas-Fort Worth.

The colorful renewal of the long Texas-Oklahoma rivalry will be on the air at 1:50 p.m., with Kern Tips and Alec Chesser on hand to report via stations KFJZ, Fort Worth; WRR, Dallas; KABC, San Antonio; KTHT, Houston; KRIS, Corpus Christi.

From Fayetteville, Ark., the coverage of the Baylor Bears' trip to Razorback Stadium will be handled, beginning at 2:20 p.m. by Eddie Barker and Jim Wiggins on stations WFAA-WBAP-570, Dallas-Ft. Worth; KXYZ, Houston; KSTA, San Antonio; KWBU, Corpus Christi.

On the evening schedule, Ves Box and Alec Chesser will be at the Cotton Bowl microphone for the Oklahoma A&M-SMU meeting. The broadcast begins at 8 p.m. and will be heard on stations KTRH, Houston; KRLD, Dallas; KABC, San Antonio.

Bill Micheals and Bob Walker will be at College Station to report the Texas A&M-VMI game. That broadcast starts at 8 p.m. on stations WBAP-WFAA-570, Fort Worth-Dallas; KXYZ, Houston; KMAC, San Antonio.

The TCU-Texas Tech contest will be called by Dave Russell and Carl Mann, beginning at 8 p.m., over stations KFJZ, Fort Worth and WRR, Dallas.

Arthur L. Roberts Stationed At Corpus Naval Air Station

Arthur L. Roberts, aviation storekeeper first class, USN, son of Mr. Raymond A. Roberts of Rockport, is now stationed at the U. S. Naval School, All Weather Flight, Naval Air Station, Corpus Christi.

Before joining the All Weather Flight School in September, 1949, Roberts served for more than two years at Lakehurst, N. J. Since coming here he has been attached to the School's material department. The school operates R4D and SNB type aircraft, which are Navy versions of the commercial DC-3 and Beechcraft, to train naval aviators in instrument flying.

Roberts graduated from Rockport High School in 1942 and was employed by Rice Bros. Shipyard before joining the Navy in October, 1942. His first duty after recruit training at San Diego, Calif. was at NAS, Moffett Field, Calif. where he was attached to Commander Fleet Air Ships Pacific until in January, 1946. He then had sea duty aboard the aircraft carrier USS Point Cruz which made Magic Carpet runs to Guam and Japan until it was decommissioned in 1947.

Roberts then had his tour of duty at Lakehurst and received his discharge from the Navy there. He came to Corpus Christi and reenlisted aboard the Naval Air Station.

Mrs. Roberts is the former Margaret E. Smith of Brampton, Ontario. They have one daughter, Frances, age 2.

If necessity is the mother of invention, then luxury must be the father of it.

Gen. Walter Krueger Named Co-Chairman of Texas March of Dimes

Gen. Walter Krueger (Ret.), of San Antonio, Texas, has accepted appointment as Co-Chairman of the 1951 March of Dimes in the Lone Star State, it was disclosed today by Basil O'Connor, president of the National Foundation for Infantile Paralysis.

In his capacity as co-chairman, Gen. Krueger will work with Texas State Chairman Ed S. Stewart, of Abilene, in coordinating the National Foundation's campaign director's activities in counties and cities throughout the state.

Gen. Krueger has had a long and distinguished military career. He was graduated from the Infantry-Cavalry School in 1906 and from General Staff College the year following. He attended the Army War College in 1921 and the Naval War College in 1926.

Gen. Krueger served as private, corporal and sergeant in the U. S. Army 1898-1901, and in 1901 was commissioned as a Second Lieutenant.

Subsequently he was promoted through grades to Brigadier General, Major General, Lieutenant

General, and received the rank of General, March 5, 1945.

He served in the Spanish-American War, the Philippine Insurrection, on the Mexican border and was with the AEF as Assistant Chief of Staff, G-3, 84th and 26th Divisions, Chief of Staff, Tank Corps. After World War I Gen. Krueger was a member of the War Plans Division of the War

Department General Staff and also served as such in 1943-46. During these years he was in command of the Sixth Army in the Southwest Pacific Theater in operations in New Britain, Admiralty Islands, New Guinea, Leyte and Luzon and participated in the occupation of Japan. He retired in July, 1946.

er signals by holding his yellow flag in a horizontal position. The flag in the vertical position signifies that it is unsafe to cross. The student is permitted to cross between a pair of horizontal flags. Patrol members are instructed to report students who cross against these signals as well as those students who are guilty of other unsafe practices such as jaywalking, walking on the wrong side of the street and riding a bicycle or motor scooter dangerously.

Membership of the Safety Patrol is taken from the junior high school, and it made up of boys who make passing grades and show leadership qualities. There are two duty sections, one for morning and evening and one for the noon hour.

Boys who have stations during the morning and evening are Jimmy Mills, Dave Driver, Alfredo Rodriguez, Edward Simmons, Albert Mendiola, Mickey Bowser, Martin Pena and Louis Solis. On duty at noon are Roy Allen Davis, Richard Horn, Billy Don Edler, Robert Tiloson, Ray Longino, Robert Bracht and Bobby Boone.

Officer in charge of the student patrol is Lt. Donnie Lee Fields. His duty is to take reports on unsafe practices that are turned in by the patrol leaders and to report them to the principals at the high school and grade school. He works under the supervision of T. Houston Foster, grade school principal.

SALT LAKE

(Continued from page 1)

feet, Tuesday was preparing to perforate and test at 8,754-65 feet.

The Railroad Commission has adopted 2 new operating rules for Fulton Beach Field, Aransas County, and has amended Rule 9, which was adopted Sept. 19.

The Rule 9 amendment extended the requirement for semi-annual gas-oil ratio tests to all wells in the field, instead of just those producing into common tankage, and substituted a 1,000 to 1 gas-oil ratio limit for the statewide 2,000 to 1 ratio called for in the unamended rule. Tests of wells producing into common tankage must be witnessed by a commission agent or an offset operator.

The new Rule 10 sets up the 1,000 to 1 gas-oil ratio limit and allows credit for injected gas after the usual reports are made. Volumetric displacement allowable is set up for gas wells which produce from oil reservoirs on 40-acre tracts.

However, if all the gas from a reservoir is returned to that reservoir, the allowable of gas wells will be calculated on the basis of "net volumetric displacement," which is arrived at by subtracting the dissolved gas-oil ratio of each reservoir from the volumetric displacement created by the production of one barrel of stock tank oil converted to standard cubic feet of gas.

No gas well shall be assigned acreage in excess of that assigned oil wells, and allowables of gas wells on less than 40 acres will be determined on a pro rata fractional formula.

Rule 11 requires datum reservoir pressure tests at minus 7,130 feet (minus 7,410 feet for the E1-2 reservoir). They are to be made annually during January or February and reported by March 15. Tests are to be taken after 48 hours on file to the commission and offset operators, under the supervision of the commission, and after shut-in periods of from 36 to 48 hours.

Rockport Women Attend Educational Program On United Nations Flag

Mrs. Floyd Huffman and Mrs. Joe Johnson attended a meeting of the San Patricio Home Demonstration Club in Sinton last week, where instructions were given regarding the making of a United Nations flag. The Rockport women have completed a flag which will be flown here in a public place on United Nations Day, October 24.

The program was designed to inform people about the UN and its flag so they would become more interested in the work of the UN. "In none of the material we have received is there anything about flying the flags any place," Mrs. Jas. E. Miller, home demonstration agent, said. Mrs. Miller pointed out that the home demonstration clubs of the nation were asked to make the UN flags as part of a campaign being staged by the National Citizens Committee for United Nations Day.

San Patricio county women held a leadership training program in Sinton to discuss details of making the flags.

Organizations desiring a United Nations flag can obtain a complete kit, which contains material and other necessities for making the flag, for \$2.25. The kit can be obtained from the National Committee on Boys and Girls Club Work, 59 E. Van Buren, Chicago, Ill. It takes about three weeks to get the kit, which makes it impossible for local organizations to obtain the flag material in time to make it and hoist it for United Nations Day this year.

Motion Picture Of Scout Jamboree Shown Rotarians

Shorty Lewis, Corpus Christi Scout official, showed moving pictures of the National Scout Jamboree at Valley Forge which he took this summer, at the Rotary luncheon Wednesday.

Other guests were Bill Workman and Coke Williamson of Corpus Christi and Jim Dow of Galveston.

Travis Bailey said today that he had not received word as to whether Representative John Lyle would be able to speak to the Rotarians next week as scheduled. If he is to be here, members will receive notice from their secretary.

Mr. and Mrs. Roland Dittforth and Slick of Alice spent Sunday night at the Joe Smith home. Mrs. Smith visited with them in Alice Saturday.

CARD OF THANKS

I wish to express my appreciation for the many kindnesses extended during my confinement at the Rockport hospital, and to thank Dr. L. G. Wood and the nurses at the hospital for making my stay at the hospital so pleasant. c26
Mrs. Frieda Harris

Lola Jean Ballou spent the weekend in Houston visiting with her sister, Patti, a junior at Rice Institute. They attended the Rice-L.S.U. football game.
