## Navigation Dist. Due Much Credit for Accomplishments

The present Board of Aransas County Navigation District Number 1 is due much credit for the fine record it has made since being in office.

Within two years it has been able to arrive at an overall, long-range plan for the area, based on sound engineering advice; to issue bonds for much of the work; and now has the whole program well under way.

Tuesday his party was H. G. Muller and daughter of Seguin. They caught 69 trout. Wednesday he fished M. E. Hereford and party and they caught 47 better than average fish. For that matter, C. L. says, the general run of fish Sunday was good, there being quite a number of large trout included in the catches.

Henry Ballou turned in a nice fishing report, one of the best we have had in a long time. Last Tuesday Henry had Cleo Phillips, Mr. Phillips, Sr., and Bob Holt, on the Miss Janet, and Mr. and Mrs. Warncke, of Houston, with Charlie Brooks, on the Lola Jean. The total for the two parties was 276 trout, most of which would go two and three pounds.

Wednesday morning, Cleo Phillips and his party went out with Henry again, and came in with 156 nice sized trout. Henry said that this was the first time in four years that he had been able to fill a barrel by 8:30 in the morning.
