

## Hunting Season Opens Friday; May Be Poor For Lack of Water

On Friday, November second, some 400,000 Texas hunters will arise from their blinds with a thunder of guns, hoping to take home the makings of a duck dinner, or maybe a goose or two. Rave notices have been pouring in from Canada, where waterfowl have been having a banner year. Mallards and baldpates have had a wonderful hatch; redheads, canvasbacks, scaups, green-winged teal and gadwalls have done

well; and only pintails and geese have failed to outstrip the 1955 crop, but . . . . .

Let's face it. Ol' debbil drouth still holds Texas in his grip and for lack of fresh water many flocks may not be able to occupy favorite winter grounds, a situation that could wind up with the poorest year for gunners we've had in an extremely long time!

Down in the lower Laguna Madre and around the Arroyo Colorado, Federal game wardens estimate that from 150,000 to 200,000 ducks have already congregated, although the great flocks of redheads have still to arrive. The King Ranch goose population is estimated at between eight and ten thousand, with only about 500 of them snows. The upper part of the Laguna, in the Corpus Christi area, isn't as good as that farther down, but there are still lots of ducks available. Here, as elsewhere, pintails far outnumber the rest.

Back country hunters in the lower coastal area have a good chance to hit the jackpot, because timely rains, from Port Mansfield down, have filled every tank, slough, and pothole to the brim, a situation which is usually irresistible to duck tourists. Along the coastal bend, guides have been fairly sanguine in their prophecies.

"We've sure got a lot of pintails around," said one at Port Aransas, "and if the tide don't let us down we ought to have some top-notch shooting."

Fresh water ponds in the Rockport-Aransas Pass-Bayside region have been attracting large flocks of pintails, baldpates and blue-winged teal. Recent rains have helped.

### Along The Waterfront

Frazier Cantrell fished Mr. and Mrs. E. M. McDuff and Mr. and Mrs. W. C. Stevenson, Fort Worth last Saturday and they came in with 138 trout. He had the same party Sunday and they caught 89 trout up to 2 pounds, as well as a flounder and a three-pound pompano.

Curly Floyd said that Guy St. Claire and S. S. Brewer, of San Antonio, fishing out of his place, caught 57 trout. L. E. Grimm and O. H. Warnecke, of Rockport, caught 56, and three Oklahoma preachers, Robert E. Goggan, Oklahoma City, Virgil Claxton, of Norman, and J. Stumbaugh, of Stillwater, came in with 111 trout.

Mrs. Faucett reports from Rattlesnake Point that Bill Alder, (continued on page 8)

### Rockport Church Adopts Theme For World Day

"The Universal Declaration of Human Rights" will be the theme of the program in observance of World Community Day Friday afternoon at 3 o'clock at the Methodist Church. The observance is being sponsored by the Council of Church Women.

Mrs. E. T. White, chairman of Christian World Missions will be charge of the program, which is as follows — Silent Meditation; Scripture reading, the Rev. Dana S. Green; "America the Beautiful," assembly; Worship Service, led by Mrs. White; solo, "Where Cross the Crowded Ways of Life"; Mrs. Denver Agler; offering; installation of the following new officers by Mrs. S. F. Jackson — Mrs. Paul C. Sorenson, president; Mrs. Fred Cloberdants, vice-president; Mrs. J. M. Bearden, secretary and Mrs. A. C. Glass, treasurer. Reading, "The Hall of Heroes", Mrs. Jack Horton; Benediction.

Mrs. Weldon Cabanis will be in charge of the register and Mrs. Carl Osborn and Mrs. B. W. Hamblin will greet the guests. A social hour will be held in Fellowship Hall, following the program. The Thanksgiving motif will be emphasized in the tea table appointments presided over by Mrs. Leroy Young, Mrs. John Haynes, Mrs. Melvin Borchert and Mrs. Chester Barre.

Mrs. E. G. Cooke is president of the Council and will present the new officers for installation, and Mrs. Norvell F. Jackson will be at the organ.

### New Courthouse To Be Occupied About Middle Of December

The new Aransas County courthouse will be occupied about the middle of December, according to County Judge John D. Wendell, if work proceeds at its present pace.

According to Judge Wendell, Brasletton and Company, contractors, anticipate finishing up on the building about November 15. Furniture ordered for the new building will arrive about that date, but will take some time to install.

Other furniture now owned by the county will also need some maintenance work done, and Judge Wendell did not believe this could be finished before about December 15.

## Pirates Play Tuloso-Midway Here Friday

The Aransas County Pirates play at home tomorrow night when they play the host to the Tuloso-Midway Warriors in a district 31A game.

The Warriors are currently tied for second place in the district race, having lost only to powerful Bishop in a hard fought game. The Pirates need to win this one to stay in the race. A loss tomorrow night would eliminate the Pirates of a chance to come out on top in the district. However, they will still remain in third place, by virtue of winning their first four district games before losing to the Orange Grove Bulldogs last week.

The Pirates passed successfully last week against the Bulldogs and there is a possibility that coach Borchert may plan on trying to move the ball via the air against the big Warrior line. If this happens, the Pirates could make a rough evening of it against the favored Tuloso-Midway team. A victory would leave the Pirates in a tie for second place.

### Chamber of Commerce, County Commissioners Attend Austin Meet

Judge John D. Wendell, County Commissioners Jack Sparks and A. L. Davis, Arthur Brach, president of the Chamber of Commerce, Jack McCready and Seth Steele, directors of the Chamber, M. W. Cochran, Rockport Chamber of Commerce director in the South Texas Chamber of Commerce, William Furlong, James Furlong, and Ellis Clark were part of a cavalcade of South Texas people who met with the Texas Highway Commission in Austin last Thursday, to see what could be done towards getting the projected, six-lane Federal highway from Orange to Brownsville routed through Aransas County.

Spokesmen from communities containing 20 percent of the population of Texas were at the hearing.

At least 20 cities and towns joined in the petition for the highway. City councils and county commissioners courts adopted resolutions agreeing to furnish rights-of-way if the state approves the project.

The expressway, forming an arc around the Gulf Coast and far enough inland to pass through principal centers, is believed to be the longest single road proposal ever to be put before the commission.

Proponents based their case on six issues: Population, national defense, ports, industries, agricultural needs, and the tourist business. Other cities and towns scheduling special trips for the hearing included Houston, Kingsville, Harlingen, Brownsville, San Benito, Raymondville, Sinton, Victoria, and Robstown.

### Number Of Cases Handled By County Judge John Wendell

County Judge John D. Wendell has tried a number of cases during the past week.

Forrest C. Juserand, charged with driving while intoxicated and guilty, was fined \$50 and costs of \$21, and sentenced to three days in jail and loss of his driver's license for six months.

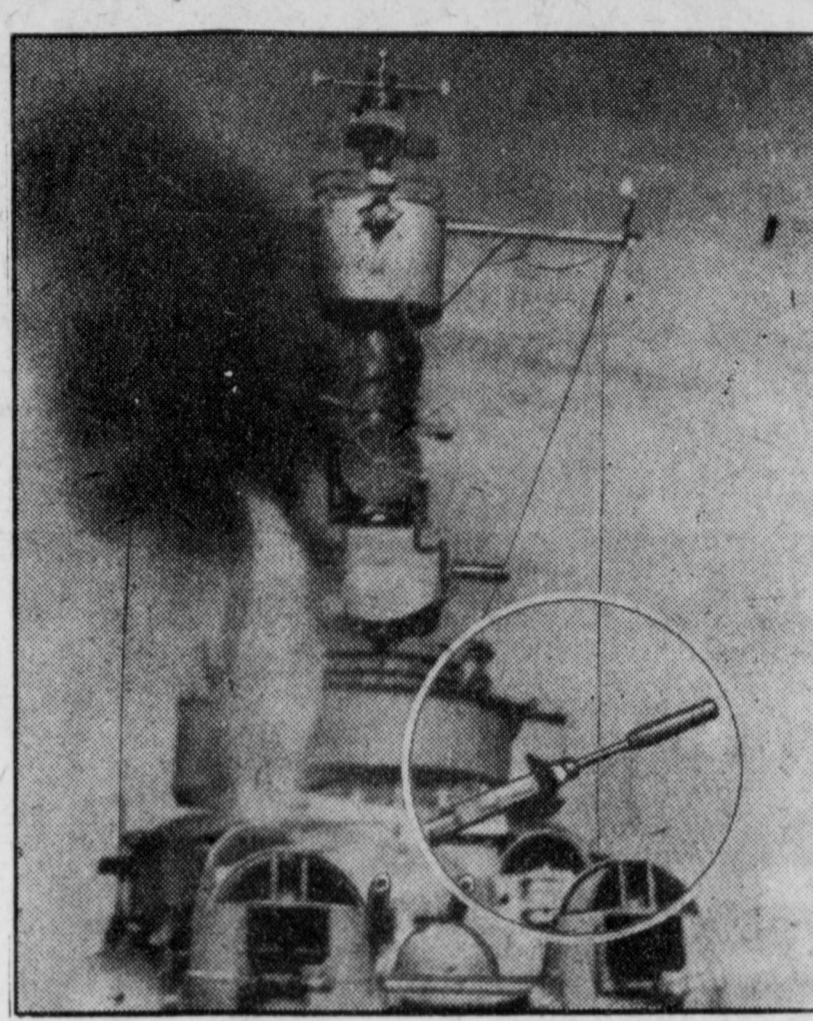

Charles Willingham, charged with the same offense, pled not guilty, and was released on \$750 bond, to appear in the December term of District Court.

In two other cases yet to be tried, the state charged Jose Angel de la Rosa with murder with malice, and Armand Baldwin with aggravated assault.

### Retired SMU Professor Gives Library 100 Volumes On Home

A retired Southern Methodist University professor, Dr. H. L. Pritchett will give the Aransas County Library over one hundred volumes on home and family life and mental hygiene, according to an announcement made this morning by Mrs. Joe Slocum, president of the Aransas County Woman's Club, which has been actively sponsoring the library.

Dr. Pritchett was marriage counselor at SMU and he says that the books are of the type that the average person will enjoy reading, as they are not highly technical, but written for the layman.

**FLYING ASH CAN**—Caught by the camera 'at moment' of launching, the rocket, circled, is one of Uncle Sam's newest antishubmarine weapons. Shown being launched from the U.S.S. Wilkinson, "Weapon Able" has a mount which can be trained in a nearly complete circle. Its blast shield deflects the hot exhaust gases into a torch-like flame shape, as shown, and protects deck areas below it. The rocket is designed for launching from Navy escort destroyers and frigates.

## Aransas County United Fund Needs Help To Continue

The Aransas County United Fund, despite devoted work on the part of many Rockport citizens, needs help if it is to continue. Fund officials say that this year is the crucial one, and that this effort must be pushed harder than ever before if the quota is to be met. So far, collections are far from the total needed.

"In 1955," said Emory Spencer, "when the fund was first started, the budget for that year was made up by adding the totals of all drives made in the county the year before, and allotting each charitable agency the same amount."

### Mrs. Lola Sorenson Member of Early Family Passes Away

Mrs. Lola Herring Sorenson, 81, wife of the late John C. Sorenson, died at her home in Rockport Wednesday morning at 4:00 o'clock. Mrs. Sorenson was born in Rockport, member of a pioneer family in this area, and had lived here all of her life.

Until her health failed several years ago, Mrs. Sorenson was a very prominent church and civic leader. In her early womanhood she was a member of the King's Daughters, well known all over the area for its charities. She was a member of St. Peter's Episcopal Church and served as president of the Ladies Guild for 30 years.

She was also church organist for a number of years. She was a charter member of Rockport Chapter 479, Order of the Eastern Star; served as worthy matron and for a number of years has been a life member. Charter member of the Rockport Parent Teacher Association; also charter member of the Rockport Cemetery Association — served as the president for ten years and for the past three years has been the president emeritus. She is survived by two sons, Paul C. Sorenson of Rockport and Laurits of Houston; two daughters, Miss Iris Sorenson of Rockport and Mrs. Albert Collier of Galveston; one brother, James C. Herring of Rockport and seven grandchildren.

The funeral will be at three o'clock this afternoon, from St. Peter's Church, with the Rev. John T. DeForest, Jr., priest-in-charge officiating, assisted by Mr. Harry Carter, Lay Minister. Burial will be in Rockport Cemetery.

Palbearers are: W. B. Allen, J. B. Jackson, John Haynes, Weldon Cabanis, Dudley Bracht, and Ernest Harrist.

### UNICEF BOTTLE IN LOCAL STORE

For those who were denied an opportunity to give to the world's children on Halloween night through the tricks or treat program sponsored by the Wesleyan Guild, a contributions bottle has been placed in the Rockport Electric Company, according to Mrs. Jack Horton, chairman.

as it had been given in the past. "The first year, as people were unused to the idea of giving in one lump instead of many little dribbles, a great number of persons gave only the largest amount that they had contributed the year before, and not the total amount they had donated through the year."

"For instance, a family that had given \$10 to the Red Cross, \$5 to the Boy Scouts, \$5 to the Girl Scouts, \$5 to Cerebral palsy, and several other \$5 donations, for a total of \$30, gave only the largest amount, \$10 to the United Fund, and settled back with the feeling that their duty to the community was finished.

"The result was that the special gifts division had to make up the difference between what local people gave and the budget based on a record of their gifts in 1954. These special gifts came from firms and individuals outside the county, who had interests here and many of whom made it plain that in the future no further such gifts could be expected. These companies and individuals were willing to help get the United Fund started and to give it a boost during its infancy, but did not feel that they should be called upon to furnish its entire support. This, most of them indicated, should come from the citizens of the county itself.

"As a matter of fact, these outside donors were made up of two classes, oil companies and similar organizations who had business interests here, and summer residents with property in the area. These, after the initial gift in 1955, indicated that, as they contributed to the United Fund in their own communities, they did not care to do so in this region. Many of them pointed out that it was unfair to expect them to do so, as their contributions were heavy in their own communities.

"When the drive was started this year, it was done with the full knowledge that the special gifts would be smaller, and that we could not expect them to carry the burden they carried last year. It was confidently expected, however, that Aransas County citizens would be awake to their responsibilities." (Continued on page 5)

### Dog Licenses Total 190 For City And County

Dog licenses purchased in the city and county since declaration of the rabies emergency on Oct. 18 total 190, according to the City Clerk's office. Of these, 65 were in the county, and 125 in the city.

John Baugh, city poundmaster, says that fifty dogs and a number of cats have been impounded since he took office last Monday a week ago. Of these, he said, Dr. H. W. Schmidt had ordered one held for observation.

So far, he said, no other cases of rabies had been reported.

## Tuesday, Nov. 6 Is Election Day

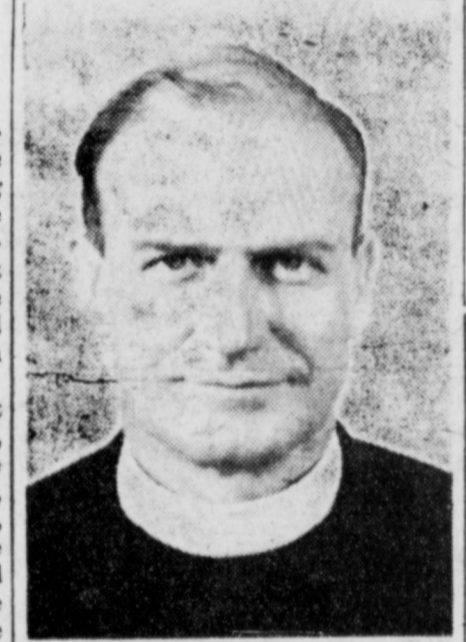

Polls Open At 7:00 A. M. On That Date And Decides Many Issues In Texas And Nation

Texas will decide many more things than the question of who is going to be president. Actually, and most important for many persons, it will, presumably, hand down the people's mandate as to which party will be in power during the next four years.

### Rev. Flaherty Lectures On Communism

The Rev. Francis Flaherty, who has been conducting a mission at Sacred Heart Church, will lecture on "Techniques and Methods of Communism" at 4:00 p. m. Sunday, in Sacred Heart Hall. Everyone is invited to attend.

The Rev. Flaherty was born in 1903 in Cincinnati, Ohio, where he attended elementary schools conducted by fathers of the Passionist Order. He received his clerical training in Louisville, Kentucky and St. Paul, Kansas, and completed his theological stu-

udies at the Passionist Monastery in Chicago, being ordained to the Holy Priesthood on February 19, 1927.

He volunteered for the China Missions and sailed for the East in 1928. Six months after his arrival he witnessed the burial of three fellow priests who had been murdered by Chinese bandits.

In 1935 he witnessed the Communist expulsion from their Kiangsi stronghold to the borders of the Mongolian desert. He continued to care for the Catholics in the Yuanling Hunan Diocese during the Chinese-Japanese War and World War II.

According to Father Flaherty, all the Passionist Fathers stayed at their posts and awaited the Red Tide that was to conquer China for communism. For 22 months after their arrival he had the opportunity to observe communism in action at first hand. He underwent the inexorable attack on the church, and was finally expelled from China in the summer of 1951.

In America since, he has been chaplain for a mental hospital and assistant superior of the Passionist monastery in Chicago. At the present time, he is rector of St. Joseph's Retreat House in Birmingham, Ala., where he is engaged in conducting missions and retreats. The picture accompanying was taken in Hong Kong.

### Atlantic Plans Try In Aransas

The Atlantic Refining Co. was nearing permit death on one Gulf of Mexico wildcat in Matagorda County and has scheduled another test out from Aransas County shores.

The mobile drilling platform "Mr. Gus" was drilling below 6,800 feet and slated to reach its 7,500-foot permit last night. The No. 1 Slate 527S is located in 27 feet of water and is on a lease which Atlantic has a 75 percent interest and Tidewater Oil Co. 25 percent.

After completion of the above test, Atlantic Tidewater and Gulf will drill the No. 1 Block 717, a scheduled 9,000-foot test 18 miles offshore from Aransas County in 80 feet of water.

It will also bring about eight decisions on state policy for, in addition to party candidates, eight proposed amendments to the state constitution will appear on the general election ballot, and a ninth, costing voters of the Lone Star State many, many thousands of dollars will be voted on the following week.

Gist of the amendments and arguments pro and con according to Vern Sanford, of the Texas Press Association are:

1. Authorizes the legislature to compensate persons fined or imprisoned for crimes they did not commit. PRO: Would make amends for hardships unjustly imposed on the innocent. CON: Might open the door to numerous fraudulent claims.

2. Allows county commissioners courts to vary allocations of tax money without special elections. PRO: Greater flexibility would make for greater efficiency in county financial management. CON: Commissioners courts would have too much authority.

3. Adds other colleges to the building program financed by the University of Texas Permanent Fund and authorizes investment of the fund in corporate stocks and bonds as well as government bonds. PRO: Would provide an increase in college building money without new taxes. CON: Involved in wider investments is not worth the possible return.

4. Increase the benefits of the teacher retirement system. PRO: Would attract more persons to the dwindling profession. CON: Would increase taxpayer obligations by \$4,500,000, take a larger nick out of teachers' salaries.

5. Authorizes another \$100,000,000 bond issue for veterans land buying. PRO: Program has been put in order, and additional money is needed to enable more veterans to participate. CON: Program does not merit public confidence; only about one per cent of Texas veterans have benefited.

6. Provides a different oath of office form for elective and appointive officials. PRO: Would clarify present inconsistencies. CON: Clutters constitution with minor details.

7. Requires competent medical or psychiatric testimony before commitment of a person to a mental institution and allows waiver of jury trial, except in criminal cases. PRO: A mentally ill person should not be "convicted" as a criminal. CON: Jury trial is a safeguard against "railroading" of persons into mental institutions.

8. Permits judge to deny bail to persons convicted of two previous felonies. PRO: Would curb habitual criminals. CON: Right of bail is one of our fundamental civil rights.

9. Authorizes the Legislature to give aid with federal assistance to citizens permanently and totally disabled by a mental or physical handicap. PRO: State has a moral obligation to these needy persons. CON: Tie-in with federal program could lead to more federal encroachment.

Texas' eligible voting strength will be at an all time high on November sixth and the State Comptroller's estimate is 2,410,188, compared to the previous record of 2,338,261 in 1952.

The majority of this vote will be for Stevenson if first returns in the Publisher's Auxiliary Poll are correct. On October 5, the Auxiliary, sent to all newspapers throughout the country, mailed 8,619 ballots to weeklies and 1467 more to dailies, but did NOT mail any to another 100 dailies throughout the country situated in cities having more than 170,000 population.

In Texas, 66 weekly newspapers replied to the questionnaire, saying that their communities favored Eisenhower, and 124 sent in their replies saying that Adlai (Continued on page 8)

### Rebekah Lodge Has New Members

Four new members were inducted into the Rebekah Lodge during October. They were Mrs. Della Scott, Mrs. Betty Dailey, Miss Virginia Stone and Mrs. Lillian Ballou.

Mr. and Mrs. Arthur Harris of Smithfield spent the week end with Mr. and Mrs. Boyd Faucett of Rattlesnake Point.

### STATE LOSES LAND CASE

In Highlights and Sidelines From Your State Capitol, published by the Texas Press Association, Vern Sanford, secretary of the association, calls attention to the fact that private owners in Aransas County have won out in an argument with the State Land Office over what constitutes "submerged" land.

The Texas Supreme Court has ruled that "ordinary high tide" instead of the "highest tide" is the determining factor. As a result, private owners retain 472 acres in Copano Bay. Texas had sought to claim the area, which is near the oil and gas fields, as tidelands.

### Gordon Luce Transferred To Ann Arbor, Michigan

Gordon Luce, who has been in charge of the U. S. Fish and Wildlife Service office in Aransas Pass, where he has been gathering data on shrimp production, has been transferred to Ann Arbor, Michigan.

His place will be filled by Orman Farley, who formerly had charge of the Brownsville office, and Bill Schiwetz, of Brownsville, will take over the office at that place.

### First Baptist Church Entertains Youth Groups With Witch Parties

The children and young people of the First Baptist Church have been entertained by the church with "Witch Parties" this week.

Monday night, the members of the Junior Department enjoyed a howling good time in fellowship hall. Games were directed by Mrs. W. D. Broadway, Mrs. Lonnie Wright, Mr. Homer Van Dyke, and Mr. Ed. Beasley. Refreshments were served to twenty three persons.

On Tuesday evening, 48 people attended the Young People-Intermediate "Witch Party". Highlights of the evening was the "spook" room prepared and presided over by the members of the boys class of the young people's department. Under the leadership of James Paul Ord these young men devised a tour guaranteed to frighten anyone. Wieners with cheese enclosed in a slice of bread, cold drinks, and cookies were served to all. Games were directed by Mrs. W. D. Broadway. Other teachers and sponsors present were Mrs. W. S. Coaker, Mrs. Christine McDonald, Mr. and Mrs. Jimmy Reid Simmons, and W. D. Broadway, pastor.

The Primary department Witch party was held at 3:15 p. m. Wednesday, also in fellowship hall. Mrs. M. D. McNorton led in games and was assisted in serving refreshments by the leaders in this department. They are Mrs. Del McLain, Mrs. Tom Shults, Mrs. Bill Clark, and Mrs. Loyd Branch, who arranged for the spook house. A good time was enjoyed by all.

Some 150 Cub Scouts and their families met on Thursday evening, October 25th, at the V. F. W. Hall in the first meeting of the year for Pack 49.

Special guest for the evening was Bob Reddell of Sinton, Scout Executive for the Mustang District, who led the assembly in an opening song session, after which Cubmaster Phillip Baldwin welcomed the group and introduced the Den Mothers for 1956-1957 and Assistant Cubmaster Ernest Russell.

Some 25 new cub scouts were initiated into the pack in a Bobcat ceremony conducted by Mr. Reddell.

In keeping with the theme for October, "Cub Scout Naturalist," Miss Pat Pew of the Game and Fish Commission presented a film on a game warden's mountain lion hunt, "Outlaw of the Cameron." Accompanying Miss Pew were Miss Carol Currie, also of the Game and Fish Commission, and the new flying game warden, Mr. Jim Palmer.

An impressive floodlight flag ceremony concluded the main part of the pack meeting, and was presented by the cubs and parents of Den 5, Mrs. Herbert Mills and Mrs. Shelley Roaten, den mothers.

Two rousing contests for parents and cubs were led by Cubmaster Russell to round out the evening. Refreshments and clean-up were under the supervision of Den 1, Mrs. L. R. Davenport and Mrs. Glenn Wendell, den mothers.

Advancement awards were presented to the following cubs: Bobby Ray Edwards, Wolf badge and gold arrow point; Bill Cutcher, Wolf badge; Tommy Thompson, Wolf badge and gold and silver arrow points; Billy Wilson, Silver arrow point on the Wolf badge; Tommy Castle, silver arrow point on the Wolf badge; Billy Ormand, gold and silver arrow points on the Bear badge; and Stephen Russell, silver arrow point on the Wolf badge.

**Den 1**  
The cub scouts of Den 1 met on Tuesday afternoon at the home of Mrs. Glenn Wendell, assistant den

mother, with the den mother, Mrs. L. R. Davenport leading the group in the pledge of allegiance as an opening ceremony.

The theme for November, "Life in Puerto Rico," was introduced and discussed, and plans were laid for the den skit for the November pack meeting, including costumes.

Host for the refreshment period was Reggie Wendell, who served the following cubs: Dennis Davenport, Kevin Draper, Bill Thompson, Jimmy Seawright, Gerald Van Etten, Gregory Uuselton, and Reggie Wendell, along with the den mothers and den chief Britton Dick.

### Den 2

Den 2 met with Mr. and Mrs. Ernest Russel and Mrs. W. A. Ormond, Tuesday. Bobby Taylor and Steven Russell led the opening flag ceremony. Assistant denner Billy Ormand presided over the business session and new officers were elected as follows: Denner, Steven Russell; assistant denner, James Russell; keeper of the buckskin, Bobby Taylor.

The theme for November is to be "Life in Puerto Rico" and plans were started to build a miniature El Morro Castle, one of the early forts in San Juan Harbor.

Bobby Taylor was host for refreshments to: Billy Ormand, Jimmy Farmer, Eric Henderson, Steven, Jack and James Russell.

Mrs. R. J. Taylor was guest of the week.

Games were played and the meeting was closed with the Living Circle.

### Den 3

The Cub Scouts Den 3 met at the home of Mrs. W. C. Cutcher Tuesday afternoon at 4:00 p. m.

After refreshments the meeting was opened and Tommy Cassel was elected as denner; Bubba Morrison, assistant denner, Roger Carroll, buck skinner. The discussed Puerto Rico and also decided to make flags. The living circle closed the meeting and then played football. Scouts present were: Tommy Thompson, Roger Carroll, Tommy Wilson, Bubba Morrison, Billy Wilson, Tommy Cassel, Mike Brooks and Billy Cutcher.

### Den 4

Butch Begnaud led the flag ceremony to open the regular meeting of den 4 on Tuesday afternoon when they met at the home of Mrs. N. F. Jackson, den mother. Denner Gary Tuer presided over the business meeting, during which time Dellon Beasley was introduced to the den as a new mem-

ber. N. F. Jackson, Jr., read the buckskin, which was approved as read, and it was announced that the cubs of Den 4 would participate in the "Get Out the Vote" campaign to be conducted on Saturday, November 3rd.

The recent pack meeting was discussed and evaluated, and the attendance of cubs and parents at these meetings was emphasized, as was the wearing of full uniform.

Chris Sorenson was named flag leader for the next meeting, which will be held at the home of Louis Tuer, Den Dad, and Gary Tuer was given charge of refreshments.

The theme for the month of November, "Life in Puerto Rico," was introduced, and Puerto Rican history, customs, and geography were discussed. During the activity period the cub scouts constructed small Puerto Rican flags, learning to fold and cut five-pointed stars in the process.

The cub scouts formed a Friendship Circle and sang "Good Night, Cub Scouts" as a closing ceremony, following which Bobby Ray Edwards served refreshments. At the conclusion of the meeting, the cubs were led by Den Chief Raymond Ingersoll in the exciting game, "Snap the Trap," which was won by Chris Sorenson.

Cubs present were Butch Begnaud, Bobby Ray Edwards, Andy Everett, Jack Gwynn, N. F. Jackson, Jr., Chris Sorenson, Gary Tuer, and Dellon Beasley, and Den Chief Raymond Ingersoll.

### Den 5

Den five met at the Roaten home with den mothers Mrs. Herbert Mills and Mrs. Shelley Roaten. The business meeting was conducted by David Picton, denner. Achievements were checked and plans made for completing work in Arrow Points. Shelley Roaten was host. Cubs present were: Charles Picton, David Picton, Shelley Roaten, Herby Mills, Gary Stryker, Roy Alan Rogero, and Bart Rozzell.

### Den 6

The cubs of Den 6 met on Tuesday afternoon at the home of Mrs. Grady West, den mother, with Mrs. Homer Elliott assisting. The opening ceremony included the pledge of allegiance and the Cub Scout Promise, and was led by David Waggoner, who also led the group in singing "America."

Following the answering of the roll call and collection of dues,

Mrs. West gave a narrative history of Puerto Rico to the cubs, who later colored maps of the little island.

The game, "La Candelita," concluded the day's activities. Host for the refreshment hour was J. B. Crawford, who served the special guest, Mrs. Herman Johnson, and the following cubs: David Waggoner, Charles Roe, III, Billy Wilson, J. B. Crawford, Denny Elliot, and Randy West.

### HUNTING DOPE

The season on both ducks and geese opens Friday, November 2 but closing dates are different. On geese the season winds up at sunset on December 31, while the duck shoot comprises 75 days and continues on through January 15.

Regulations otherwise are about identical with last year. Hunters are allowed five ducks a day and 10 in possession and five geese a day with no more than five in possession. Also, hunters are allowed not more than two Canada geese or its subspecies; or two white-fronted geese; or one Canada goose and one white-fronted goose.

Shooting hours are from one-half hour before sunrise till sunset daily.

Hunters shooting waterfowl in their home county do not need the state hunting license nor do hunters under 17 and 65 or over. A federal Duck stamp costing \$2 is required by every hunter 16 years of age or over. The stamp must be in possession of the hunter and it must have the hunter's signature across the face in ink prior to the taking of waterfowl.

The use of rifles is forbidden and all shotguns must be permanently plugged to hold not more than three shells. Nothing larger than 10 gauge is allowed.

If a boat or other floating craft is used, the craft must have the motor detached or it must be secured to a blind, resting at anchor or beached.

When ducks or geese are left to be processed — picked, cleaned and iced for shipping — the hunter must have a tag attached to the bunch, it must be made out to the person killing the ducks and the hunter must do this personally. The tag must include the address of the person doing the killing.

From where I sit... by Joe Marsh

### Fastest "News Service" in Town!

Had a frantic wire from Washington yesterday—saying that the local Congressman was making a surprise visit and a short speech. Could I get the word around fast? No time for a special edition of the *Clarion*, so I turned to the fastest "news service" in town—Windy Taylor. He spent an hour mobilizing his Lodge and Court House cronies—all pretty fine talkers—and the rest is history. Biggest turnout ever.

As a newspaperman, I hate to admit it—but facts are facts. The winds of this world aren't only quicker news spreaders

than our paper... they've even got better circulation.

From where I sit, some of us would rather talk than eat, while others are close-mouthed... just as some of us like coffee and others prefer a glass of beer. There's a lot to be said for both attitudes. But if you go in for gab don't talk against someone just because you don't happen to agree with him on some question of personal choice. Use your own "good censorship."

### Step into the wonderful world of AUTODYNAMICS

A low-slung beauty with Flight-Sweep style: Swept-Wing '57 Dodge Custom Royal Lancer 2-Door.

It unleashes a hurricane of power  
It breaks through the vibration barrier  
It is swept-wing mastery of motion

# SWEPT-WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance?

How do you explain its newness when everything about it is new?

On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics.

What is this wonderful world of Autodynamics? It is a world where everything is new from road to roof to achieve absolute mastery of motion.

Here's what it does in the Swept-Wing Dodge:

- It unleashes a hurricane of power from a thundering new air-craft-type Super Red Ram V-8 engine that's a spitfire in action!
- It tames a tornado of torque with a new TorqueFite Push-Button Drive for the greatest get-away on the road!

- It breaks through the vibration barrier with a revolutionary new rubber-mounted suspension system—Dodge Torsion-Aire—that features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.
- It is swept-wing mastery of motion in a sleek, low-slung beauty barely 4½ feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today... now at your Dodge dealer's!

**Pirates Lose To Orange Grove**

The Orange Grove Bulldogs put up a stout defense that stopped the Aransas County Pirates ground game last Friday night and went on to win over the Pirates by a score of 20-6.

The Pirates newly found passing attack kept them in the game and threatened to overcome a 20-0 deficit. Orange Grove opened the scoring in the first quarter with an end run that covered some thirteen yards. They tallied again in the second quarter when they scored from six yards out after blocking a Pirate attempted punt.

The Pirates running game being checked, they came back in the second half and began to pass the ball, with Washington on the receiving end of most of them. After a scoreless third quarter, Orange Grove scored again to put them out in front 20-0. From the spread formation, Satsky passed the ball up the field to the Bulldog's four yard line. From this point, fullback Allan Thomas went over for the Pirates lone touchdown.

Bobby Close and Jerry Iles turned in a fine defensive game. Washington snared four passes and played a good defensive game. Roy DeForest intercepted a pass and looked good on defensive. The game was played on a field with very hard turf with little or no grass. This loss gives the Pirates a 4 win and 1 loss in district play. They take on the powerful Tuloso-Midway Warriors here at home tomorrow night.

"Cissy" Mundine is visiting with Mr. and Mrs. Bubba McCabe in San Antonio this week.

**C. P. L. Marks 40th Anniversary**

Central Power and Light Company this week marks its 40th anniversary of service to South Texas, according to B. T. Hardeeman, CPL manager.

The company's history has spanned two world wars and a depression — and has seen South Texas grow from a sparsely-populated agricultural country to a booming area with a widely diversified economy.

After World War II, Central Power and Light Company entered a period of its greatest expansion. Today, CPL is serving more than twice as many customers as ten years ago, and can supply more than five times as much electricity as it could in 1916.

All told, CPL now has 12 generating plants to supply South Texas' power needs. The power stations are strategically located near load centers and are interconnected with all cities the company serves by a network of high-voltage transmission lines.

From a meager beginning back in 1916, CPL has grown to a company of 2200 employees with an annual payroll which this year will exceed \$9,000,000.

Mrs. Chas. Dorsey spent the week end with Mr. and Mrs. Stanley Bissett.

**Services Held For Mrs. Laura Dorethy**

Funeral services for Mrs. Laura Pearl Dorethy, 68, who died early Saturday, were held at 2 p. m. Sunday at St. Peter's Episcopal Church in Rockport.

The Rev. David Rose, pastor of the Church of The Good Shepherd in Corpus Christi officiated. Burial was in the Rockport Cemetery.

Mrs. Dorethy, wife of Sam J. Dorethy, lived at 1327 Tenth St. at the time of her death, and had been a resident of Corpus Christi since 1938 and had formerly lived in Rockport. She had been ill for several months. She was a member of the Church of The Good Shepherd.

A son, Samuel, of Temple, survives, along with several nieces and nephews in Rockport.

Palbearers were: Henry Cammehl, Travis Johnson, Bill Gray, W. B. Allen, Jim Barber, and Paul Clark Sorenson.

**Presbyterians Form Committee On Education**

The Committee on Christian Education of the First Presbyterian Church has been re-organized and will hold a meeting at 7:00 p. m. on Wednesday, Nov. 7, to map out plans for 1957 before Miss Gladys Dillard, Director of Christian Education for the West Texas Presbytery, arrives here for the week of Nov. 1-18.

The committee is composed of the following members: Ted Little, chairman; Pat H. Greene, A. L. Bachman, Mrs. Herbert Mills, C. L. Taylor, C. C. Hayden, Beverly Matern, Mrs. Earle Thomas, and the Rev. A. Arnett Ward.

Mr. and Mrs. Carl Hardin and Elizabeth spent the week end in Cameron.

Mr. and Mrs. A. J. Matern of Marble Falls, are visiting with Mr. and Mrs. Ralph Matern. They expect to be here for 2 weeks.

Ingle Turner and daughter Grenda Pat of Woodsboro spent Sunday with Mr. and Mrs. Elmo Brundrett.

Mrs. Fred Mires of Taft spent a few days with Mrs. Elmo Brundrett last week.

**Engagement Announced**

The engagement of Miss Shirley Faye Harrell and Larry F. Wright has been announced by her parents, Mrs. Richard Hagner and Milton Harrell of Rockport. Mr. Wright is the son of Mr. and Mrs. Frank T. Wright of Hondo. The wedding will be Dec. 8 at the First Presbyterian Church in Rockport.

Mrs. J. H. Schleider, who has been ill in a Corpus Christi hospital, is doing well and is home.

Mrs. Manch Brundrett is visiting with Mrs. Fred Mires of Taft this week.

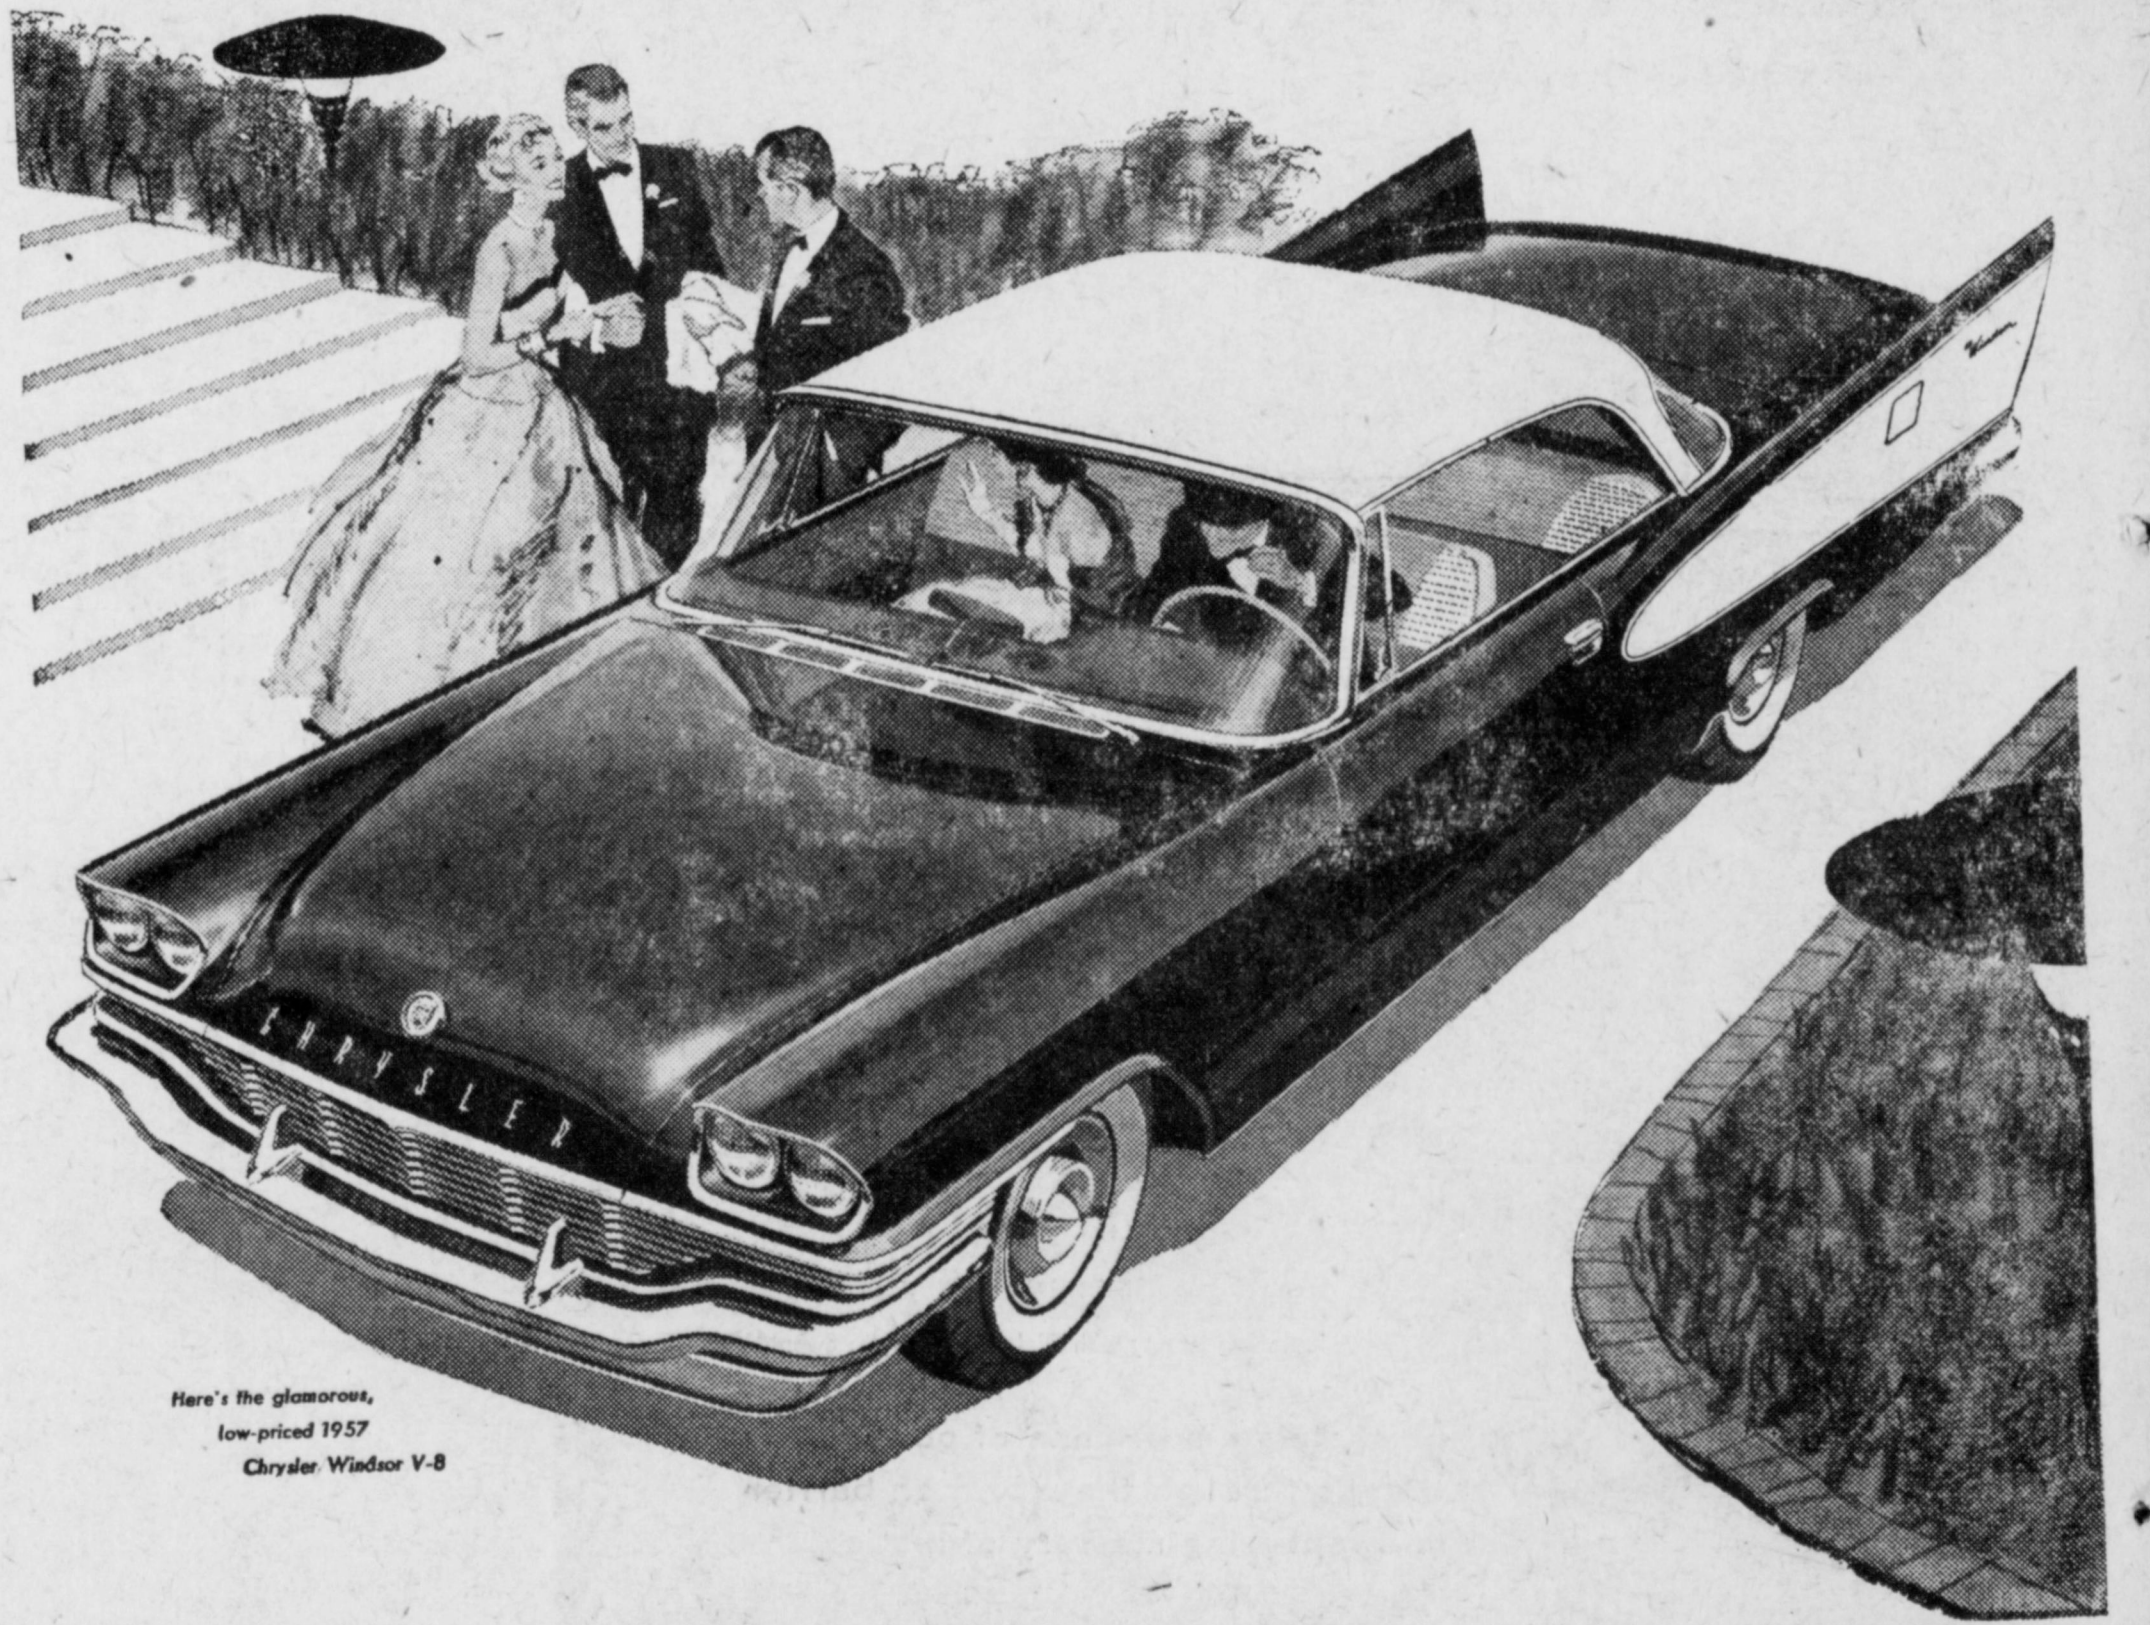

Mrs. Cleo Smith who has been visiting in Abilene the past week returned home Friday evening.

Mr. and Mrs. Walter Armstrong, Mr. and Mrs. Roy Dossat and son of Houston spent the week end with Mrs. Clyde Armstrong.

Mr. and Mrs. August Schulze of Danevang and Blue Schleider of Tivoli visited Mr. and Mrs. Ted Atwood Sunday evening.

Within four years, Texas will need 43,000 teachers for replacements and additions. Vote Teachers Retirement Amendment No. 4 on November 6.

# THE MIGHTY CHRYSLER FOR 1957

Here's the glamorous, low-priced 1957 Chrysler Windsor V-8

## Announcing the most glamorous car in a generation!

You never looked or felt as good in anything before!

Other cars have changed models . . . this one changes motoring. Look at its rich, racy lines . . . at the long, low silhouette . . . at the dramatic upsweep of the rear fenders that plume back from the waist like the wake of a hydroplane. It's a streak of a car with the elegance of the boulevard and the spirit of the speedway.

Get into this car; drive it into traffic or out on the open highway and you enter a new domain of travel. In the 1957 Chrysler, with its new Torsion-Aire Ride, motion has a new "feel". And wait till you toe the throttle. A new Pushbutton Torqueflite Transmission teams with a mighty airplane-type V-8 engine, developing up to 325 horsepower, to give you a new high-velocity getaway, matchless passing power when you need it.

Come in this week and visit our showrooms. See and drive the most completely new car of the year!

### Torsion-Aire Ride pours the road under you!

Try Chrysler's new Torsion-Aire Ride and you'll think some of the laws of gravity, motion and inertia have been suspended in your favor. No more rock and roll. No more pitch when you stop. Chrysler's new torque rod suspension and lower center of gravity give you a brand new ground-skimming "feel" of the road. The wheels ride the contours . . . but you *don't*. The road just pours under you.

## Tex Says He's No Expert But He Believes Ike Is

The other night a bunch of us were sitting around in the drug store after the football game, drinking coffee and talking. You know how it is after a game in a small town, especially after the home team loses. Nearly every man in the crowd had a theory as to why we didn't win the game. Most of them, of course, blamed the coach. I couldn't help remembering that before we consolidated the county schools we didn't even have enough boys to make up a football team. And these same football experts who were saying what Rockne or Bud Wilkinson would have done, up until a few years ago they didn't know a football from a watermelon.

But that's the way it is in a small town (and in big ones, too, I understand). I guess there's no real harm done, although sometimes it's pretty rough on the coach.

I guess we have a right, in this free country, to be self-appointed experts in any line we want to pick out. It seems to me that most people choose either football or politics.

Take this presidential election coming up next Tuesday: During the last few weeks I have heard so many different theories from so many different political experts that I nearly get confused sometimes. I have to stop and think that the fellow who is talking probably doesn't know any more about it than I do, and that helps me keep straightened out.

In fact, I guess I have had my mind made up all along. To make no bones about it, I like Ike. He's a man you can always look up to and respect—the kind of

man you'd be proud to point out to any person, from any country on the face of the globe, and say: "That's our President!"

About Adlai, now, I'm not so sure. Of course, if he was elected, he would be my President, too, and I would hope he'd do a lot better than most people around here seem to think he would. This is something I don't think we need to worry about, because from all I can hear and read, Ike is going to win it again.

It seems to me that if Adlai ever had a chance around here, he threw it away when he came out with that H-bomb business. Now, the folks in our town don't know much about H-bombs, except that they don't want any personal dealings with them. Our scientific knowledge of H-bombs is about on a par with our football knowledge, I reckon. But we do know one thing: We don't want some misguided, inexperienced fellow fooling around with our national defense. When it comes to trusting what Bulgannin says or what Eisenhower says, I'll take Ike. So will the rest of the country, if I don't miss my guess.

Just before we broke up the other night Doc Brown came into the drug store, and somebody asked him: "Hey, Doc, how's Ike doin'?" (Doc's a big Eisenhower man.) Doc said: "Well, it's a busy campaign for the medical profession. Last week Ike went and got his heart examined; and I understand that this week Adlai is going to get his head examined."

*Yours truly,*

**Elroy Parr, Theresa Moore Celebrate 1st Birthday**

Mrs. Elroy Parr of Rockport, and Mrs. Kenneth Moore of Edna, were hostesses to a joint birthday party in honor of Elroy Parr, Jr. and his cousin Theresa Moore of Edna at the home of Mrs. Sam Mundine Sunday afternoon from 2 to 5.

A circus decoration of balloons decorated the living room. The center piece for the table was a chocolate Choo Choo train and white lamb-cake. The birthday cake was a large pink and blue with 1 candle at each end, which was served with blue and pink punch. Forty-five guests attended.

Out-of-town guests were Mrs. Kenneth Moore, Edna, Texas; Mrs. Kent Weatherly, Pamela and Debra of Victoria; Mrs. Ted McLester, Barbara and Nancy of Falfurrias; Mr. and Mrs. Jerry McLester, Deanie and Marvin of Laredo, Texas; Mrs. Chester Brock, Ronnie, Lester and Agnes of Clarkwood; Mrs. Lillian Payne, Maggie and Barbara Parr of Corpus.

**Episcopal Church In Rockport Has Unusual Landscape**

"Evergreen Garden" is the setting for St. Peter's Episcopal Church, unlike any other church background in town.

The idea was conceived by Mrs. M. L. Cochran, who personally superintends its care and landscaping. Planted on three sides of the church, many of the shrubs are memorials.

Included are ligustrum, oleanders, bougainvillea, Bird of Paradise, magnolias, juniper, pyracantha, pitiosporum, natal plum, trailing lantana, esperanza, hibiscus, Japanese yew and Texas ebony trees. The north side of the garden is dedicated to many varieties of holly and wax vine and fig vine cling to the grey stone wall which encloses the ground.

On the front lawn, facing the church, is a 3 1/2 foot statue on a 4 foot pedestal of St. Francis of Assisi, the work of Lincoln Borglum of Beeville presented by James H. Sorenson, Jr., and dedicated to the memory of his grandfather, Capt Andrew Sorenson and his father, James H. Sorenson.

Two years ago the church experienced a face lifting when it was moved from its location on the highway to the rear of the block. It was enlarged and new furnishings installed. A parish hall was built and furnished and connected with the sanctuary.

**Aransas County Junior High Tarpons Defeated**

Thursday night, October 25, a strong Gregory Junior High team defeated the Aransas County Junior Tarpons by a score of 28-0. The Kittens from Gregory controlled the ball game from the start to the finish, handing the Tarpons their second defeat in their fifth game. Tommy Aycock was the big man for the Kittens, scoring three touchdowns and gaining almost all the yardage for his team. Actually the game was an upset as the Tarpons were favored going into the game.

This week on Thursday, Nov. 1, at 7 o'clock, the Tarpons will host the Port Aransas Junior High team at the high school stadium. This game promises to be a thriller — be at the game and support our Junior High School.

A program of interior decoration is now in progress. A white ceiling in a continuous arc blends with mahogany walls and pearl gray woodwork.

Opaque glass windows in clear white on one side of the sanctuary are off set by similar windows in cathedral blue on the other and memorial windows adorn the front and rear of the room. A central heating plant has been installed for the sanctuary and parish hall.

**Rockport PTA Carnival Held Last Saturday Night**

The Rockport PTA held their annual Halloween carnival last Saturday night, and it was well attended. After making the rounds of the booths, people attending had a chance to enjoy a talent program under the sponsorship of Mrs. Golda James, Mrs. Charlyne Hunt, and Mrs. Bailey Nations.

Frankie Jones acted as M. C. for a scintillating list of starts which included:

Accordion solo, Georgia Kresta; Pantomime "How to be Very, Very Popular" by Linda Clark; twirling routine, Carla Eller; Piano Solo, Amber West; Monologue, Sherilee McElwee; song, Sue Eller and Carol Kinsel; tap dance, Georgia Conser; piano solo, Alton Kinsel; song by "The Macks"; song by second grade girls and another song by the second grade boys in Halloween costume; pantomime, Steirly Rozzell; solo, Rose Marie Walthall; piano solo, Betty Rae Neal; song, fifth grade girls; song, "Alleghany Moon", by eighth grade girls; pantomime, Dillon Beaseley; song, Ronnie Magee; reading by Jan and Caroline Clark; song, Suzanne Keith; song, Pam Stivers and Joyce Lewis; twirling, Mary Lou Johnson; Mexican hat dance, Johnny Garcia and Rafaela Ramirez, with Randy West at the piano; Let the Good Times Roll, by Kay Frances Mack; Tom Cat

Mambo, Snooks Roberts; song by Sandra Arrington and Bonnie Chupe; ballad, Mary Scott; acrobatics, Judy Deason.

As a climax to the carnival, Sue Johnson was crowned as Queen of the Carnival. She was escorted by Eddie Smith. Duchesses and their escorts were: Mary Lou Atchley and Randy West; Carolyn Taylor and T. W. Armstrong; Terrie Thomas and Chris Sorenson; Suzanne Armintrout and Roger Carroll; Terry Ann Wilson and Wilton Owens; Ann Cassel and John Wells. Kay Sparks was elected a duchess, also, but, because of illness could not be there.

Over \$500 was cleared for the PTA.

**DROUGHT ASSISTANCE**

- More than \$60,000,000 already spent to aid Texas drought sufferers.
- \$4,000,000 roughage program for Texas.
- Increased grain certificates to \$1.50 per hundredweight.
- \$15,000,000 disaster fund, 50% coming to Texas.
- \$5,000,000 loan to Mexico for purchase of beef cattle from drought areas.
- Pushed freight price concession for Texas farmers.

**SOIL BANK PAYMENTS**

- A practical approach to farm needs and a means for conserving vital soil resources.
- This year's payments to reach \$211,000,000; \$23 1/2 million coming to Texas.
- Due to increase next year.

**PRICE-DEPRESSING SURPLUSES CUT**

- Drastically reduced \$9 billion surpluses piled up under Fair Deal policies.
- For example, virtually all cottonseed oil stocks gone; all surplus rice sold.
- Foreign markets expanded by 11%.
- Accelerated research for new uses and markets; budget for this expanded by \$45,000,000.

RESULTS OF THIS PROGRAM have begun to show. For the first time in a generation farm income has begun to move upward without war... now 7% above last year and still increasing. (Remember, 85% of the drop was under policies of the Democrat farm bill)

**Dessert Bridge Held Here**

Mrs. Frank Lenoir, Mrs. J. H. Mills and Mrs. Harry Dow were hostesses for a dessert bridge, Thursday afternoon at the Woman's Club building.

Colorful arrangements of native wildflowers and shrubs with a central basket of goldenrod were on the stage, flanked by croton plants, all forming the background for the tea table which featured the Hallowe'en motif. A cornucopia of fruit gave additional emphasis to the fall season and the individual tables were centered with hibiscus blossoms.

Mrs. S. F. Jackson served the pumpkin pie and Mrs. Jack Hagar poured coffee. In addition to the players there were 10 tea guests.

Mrs. Charles T. Picton was the high score winner, Mrs. C. H. Whiteley, second high, Mrs. F. L. McCord, low and Mrs. H. S. Randolph, bingo.

## GIRL SCOUTS

### Whooping Crane Girls Plan Annual Meeting

The annual meeting of the Whooping Crane Tri-County Council, Girl Scouts of America, will be held at the Aransas County High School auditorium, Monday, November 5 at 7:30 p.m.

The program is as follows: Presentation of the colors, Intermediate Troop 32; pledge of allegiance, by the assembly; singing of "America" by the assembly; invocation, Rev. J. G. O'Doherty, pastor Sacred Heart Catholic Church; welcome, Mrs. James B. Jackson, Rockport-Fulton neighborhood chairman; business meeting and annual reports, with Mrs. Douglas Henslee of Beeville, council president, presiding.

The installation of new officers will be conducted by the Rev. A. Arnett Ward, pastor of First Presbyterian Church. "Senior Round Up" will be presented by

Seaman Jan Hutsell, Midshipmate Jeannette Lyle and Midshipmate Rita Ray, with Mrs. B. B. Hutsell leader Marine Troop 50. Corpus Christi Girl Scouts, Inc.

The benediction will be given by the Rev. Dana S. Green, pastor of First Methodist Church, followed by the retiring of the colors. A social hour will be held in the school cafeteria after the program.

Invitations are being issued to all the adult members of the council, including leaders, assistant leaders, troop committee members and any other registered adult and all intermediate troops except fly-up troops.

Shrimp landings in the Rockport-Fulton area were as follows:

The 4 by 350-foot wharf will have a 10 by 20-foot T-head, an elevation of five feet above mean low tide, and the bayward face of the wharf would be in water having a depth of approximately 2 1/2 feet at MLT.

### Miss Sylvia Hernandez Is Bride of Isreal Tomas

Single ring vows were exchanged by Miss Sylvia Hernandez and Isreal Tomas at the Sacred Heart of Jesus Church Sunday morning at 10 a. m. in Bloomington. Father Igancius Estes of Victoria performed the ceremony.

The bride is the daughter of Mrs. Rosia Hernandez of Bloomington and the groom's grandparents are Mr. and Mrs. Reymundo Tomas of Victoria, Texas.

Given in marriage by her brother, Ramon Hernandez, the bride wore a tulle lace gown over satin in white, fashioned with a lace bodice and long sleeves ending in points over the wrists and buttoned with tiny covered buttons which were also used at the back of the bodice to the waistline.

The high neckline was edged with scallops of the lace and the molded elongated bodice set on to the bouffant skirt in deep points. The skirt was lace with back inset with alternating tiers of ruffles of crystal pleated tulle and lace sweeping into a short train.

Her full circular veil of bridal illusion was held on by a queen's crown encrusted in pearls and rhinestones.

Miss Mary Alice Montez of Victoria was matron of honor and the bridesmaids were Mrs. Jose Infante of Victoria, Miss Lillie Calderon of Victoria, and Miss Andie Martin of Bloomington. Each wore a dress of emerald green chiffon with shoulder drapes of pale green. They carried bouquets of bronze chrysanthemums.

The groomsmen were Mr. Jose Infante of Victoria, Mr. Felipe Hinojosa of Victoria and Urban Chupe of Rockport, Texas.

A reception was held at the Parish hall. After a short wedding trip to Corpus Christi, the couple will return to Victoria and then he will go back to Ft. Richardson, Alaska where he is stationed.

Mrs. C. L. Taylor entertained her son Craig on his 7th birthday Saturday at noon. Hot dogs, cake and ice cream were served to the following: Mark and Russel Johnson, Chris Bekins, Freddie Jackson, Kenneth LeBlanc, John McDavid, Mike Matern and John James. After lunch the boys spent the evening playing cowboy.

### The Intracoastal Canal One Of World's Greatest Commodity Carriers

The Corps of Engineers, U. S. Army, has just released a report on one of the world's great commodity carriers, the Intracoastal Waterway. Stretching from one end of the Gulf Coast to the other, it furnishes a watery highway more than a thousand miles long over which Texas products move to market in ever increasing cargoes.

It is one of the most important links in our traffic pattern. It carries 41 million tons of freight over 7 billion ton-miles annually, and furnishes a transportation artery binding the cities of the state together in a complete industrial organization.

It carries more cargo every year than the Panama Canal. In 1946 this amounted to 20,456,788 tons; in 1955 its burden had grown to 41,378,856 tons, or more than double its 1946 level.

From the Sabine River to Galveston, barges and towboats hauled 17,441,667 tons; from Galveston to Corpus Christi cargoes in 1955 amounted to 7,661,762 tons, or about 3 million more than in 1946. Below Corpus Christi there was no Intracoastal Waterway until 1948; traffic in that year started off with 25,842 tons going below Corpus Christi. At the end of 1955 it had reached a total of 1,092,930 tons annually.

The goods that move on this vast salt water highway are as diverse as the needs of men. In Texas we find oyster shell for cement and lime forming part of the cargoes, corn, wheat, oats, other grains, automobiles, gasoline and oil, clays and carths, food, drink — anything that is needed for our complex civilization — all moving in the holds of barges.

Below Galveston the traffic thins out a little, but there is still a surprising amount and variety consigned to Corpus Christi. For instance, 500 tons of sugar, a ton of piling, petroleum products, non-metallic minerals, steel products, manganese, machinery, chemicals, beer, and half a hundred other things all entered the Coastal Bend on barges, either to unload at Corpus Christi or to continue southward.

Outbound from South Texas, these same barges carry grains, fruits, oil, sulphur, more non-metallic minerals, scrap iron, lead, and similar products to the industrial north.

### WOMEN UNDER AGE 65 RECEIVE REDUCED SOCIAL SECURITY PAYMENTS

Working women and wives of retired workers may start getting social security payments between ages 62 and 65 in a reduced amount, but the payment will continue at a reduced rate when they reach 65, H. M. Cleveland, District Manager of the Corpus Christi social security office says. The reduction is not a temporary one, but it remains in effect after age 65.

"If a woman worker applies for payments to start at age 62, each month's payment will be 80 percent of what she would get if she were age 65. The reduction will be less for those who apply between age 62 and 65, but those who take reduced payments in order to get them before age 65, will continue to receive the reduced amount even after age 65," Cleveland explained.

The wife of a worker who is receiving his retirement insurance can also become entitled to a reduced benefit at age 62 amounting to 75 percent as much as she would get if she visited until age 65. She too will continue to receive reduced payments if she takes them before reaching 65.

First payments under the new provision will be made to women under age 65 for November, 1956. These checks will be mailed early in December for the month of November to women who are eligible for the payments, and who have applied for them.

There are over 55 beaches in New Jersey.

IS A BETTER DEMOCRAT THAN STEVENSON!

## TEXAS DEMOCRATS FOR EISENHOWER

W. R. BOB SMITH CHAIRMAN

You are a free Texan . . . You can vote any way you like. Regardless of what you may have heard, it is perfectly legal to split your ticket if you want to, just as it is legal to vote the Democratic ticket straight, or the Republican ticket straight. The purpose of the ballot is to determine what the people want. And if you want to vote for Eisenhower and Nixon — then cast the rest of your ballot for the Democratic nominees — that is your privilege. Don't let any one tell you otherwise! BY LAW YOUR VOTE MUST BE COUNTED
