

Along The Waterfront

Frazier Cantrell reports a couple of parties this past week. A. W. Kneupper and Leon Hosob of San Antonio fished with him and caught 60 trout and one pompano.

On Saturday he made the boat trip from Rockport to the Aransas Wildlife Refuge with following members of the Audubon Society: Mr. and Mrs. Fred Martin, Oklahoma City; Fred Martin, Winslow, Arizona; Margaret and Edith Glocker, Dayton, Oklahoma; Kathryn Radley, Robert, Oklahoma; and Ida Yandel, Tishomingo, Oklahoma. The group spotted twelve whooping cranes on the trip.

At Mills Wharf, Mrs. Lawler said, a part of the Britton Electric Company fishing party walked across to the Gulf in front of Cedar Bayou and brought in a beautiful string of reds and drum. W. L. Dennis of San Antonio, hunting last Thursday and Friday, came in with five sprigs the first day, and with two mallards, 3 sprigs, 3 Canada geese and one snow goose on the second.

Out at Rattlesnake Point, Mrs. Faucett said, Mr. and Mrs. Geo. O'Camb, of Sun Valley, California, caught 22 drum, 21 trout, and 1 red. J. R. Jackson, Rockport, came in with 10 trout, a five-pound red, a five-pound flounder and four drum that weighed an average of eight pounds each.

R. E. Priour, Skidmore, caught 16 trout, and six drum, one of which weighed 5½ pounds. Ray Blackock, Aransas Pass, and Lois Hennessey, Taft, caught three reds and ten drum.

Angel Covarrubias Pays Fine For Dog Allowed To Run Loose

The first trial to be held under the new dog ordinance, passed when Rockport was threatened with an epidemic of rabies, was that of Angel Covarrubias in Corporation Court, before Mayor Chester Johnson, acting as judge. Covarrubias, who was charged with permitting a dog to run at large, pled guilty, and was fined \$10, plus \$14 costs.

St. Peter's To Observe Thanksgiving Thursday

Thanksgiving Day will be observed at St. Peter's Church on Thursday with a service of morning prayer at 9:00 a. m. followed by a brief address by the lay minister, Mr. Harry Carter.

CHAMBER OF COMMERCE TO BE CLOSED OVER THANKSGIVING WEEKEND

According to Mrs. Mary Juergens, manager of the Chamber of Commerce, the Chamber building will be closed from Thursday morning until Monday morning.

SEWER PLANT PONDS POSTED

Ponds at the municipal sewer plant, where some local gunners have been getting ducks, have been posted by the city in the interests of safety.

These ponds, which are almost the only fresh water for birds in the area, are along the road and boys have been shooting into them from the road which is against the law, and across the road, from one pond to the other, which is extremely dangerous.

Therefore, in the future, no hunting of any kind will be allowed on these ponds.

CITY OFFICES WILL CLOSE THURSDAY

City offices will close Thursday, and there will be no garbage pickup on that day. However, the truck will be back in action Friday.

V. F. W. To Host District Six

Steward-Wendell Post No. 3904, V. F. W. will be host to the Sixth District Meeting here on December 1 and 2, when approximately 100 members of the organization will descend upon Rockport.

The local group has planned an extensive program for the visitors, including a tour of the Marine Laboratory on Saturday.

Sunday the delegates will be welcomed by Mayor Chester Johnson. Luncheon Sunday will be at the V. F. W. hall and the women's business meeting will follow at the Woman's Club building. The men will meet at the V. F. W. hall.

Hearing On Goose Island Set, Bracht Urges Local Organizations To Attend

Judge John D. Wendell has received a letter from the State Park Board, appraising him of the fact that the next meeting of the Board will be held on Monday, December 3, at 9:00 a. m., at 106 East 13th Street, in Austin. At this time, according to Bill Collins, executive secretary, the board will hear anyone from Rockport or Fulton that may care to appear on behalf of the improvements asked for Goose Island State Park.

Arthur Bracht, president of the Rockport Chamber of Commerce, one of the prime movers in the drive to obtain increased appropriations, urges all individuals and organizations from here that are interested in the matter to try to attend.

This, according to Bracht, is a chance for the community to push the rehabilitation of Goose Island, the second largest in point of attendance in the state.

In support of this, the Rockport Lions Club sent the following resolution to the Parks Board:

WHEREAS, GOOSE ISLAND STATE PARK, on Lamar Peninsula, lies within Aransas County, Texas, and is annually visited by almost 150,000 people, and is one of the major attractions of the Coastal Bend Area; and

WHEREAS, said Park is in need of additional facilities and maintenance and repair of existing facilities for the comfort and enjoyment of its visitors; and

WHEREAS, the Rockport-Fulton-Lamar Area is economically dependent upon the tourist trade to a large extent, and it is in the economic interest of the area that said Park be further developed to provide additional recreational facilities for its multitude of visitors; and

WHEREAS, such funds as are needed for the additional development and maintenance of said Park must be appropriated by the State Legislature upon recommendation of the STATE PARKS BOARD;

BE IT THEREFORE RESOLVED BY THE ROCKPORT LIONS CLUB that the STATE PARKS BOARD be requested to include in its budget such additional funds as are required for the construction of additional facilities needed by GOOSE ISLAND STATE PARK, and such funds as may be required for the maintenance and repair of existing facilities, and that the State Legislature be urged to appropriate such sum of money as is requested by the STATE PARKS BOARD; and

BE IT FURTHER RESOLVED that a copy of this resolution be directed to STATE SENATOR WILLIAM S. FLY of Victoria, Texas, STATE REPRESENTATIVE HAROLD B. PARISH of Taft, Texas, COUNTY JUDGE JOHN D. WENDELL of Aransas County, Texas and the STATE PARKS BOARD in Austin, Texas in order that they may be informed.

Similar resolutions have been prepared by the Woman's Club of Aransas County, the Rockport Chamber of Commerce, the Rockport Rotary Club, and the Fulton Lions, and will be presented to the board by Seth Steele and M. W. Cochran, who will be present at the meeting. Others from here who have signified their intention of attending include James B. Jarboe, Arthur Bracht, Mr. and Mrs. Joe Slocum, Sheriff and Mrs. Shivers, and A. H. Wofford.

'DOG HERO' OF THE YEAR—Lassie, a Shetland sheepdog owned by Gary Gustafson, seven, of San Carlos, Calif., has been named the most heroic dog of 1956. Lassie summoned help for her master when the latter suffered a hemorrhage in the middle of the night—a week following a tonsillectomy. Physicians said the boy would have bled to death in another 15 minutes. Lassie received a \$1,000 U.S. bond, a medal, a gold leash and collar, and a year's supply of dog food at a dinner in her honor in Chicago just recently. The award was sponsored by Ken-L-Ration.

City Councilmen Decide To Intensify Campaign Against Stray Dogs In City

City councilmen, at their regular meeting, decided to intensify the campaign against stray dogs, now that the quarantine, brought on by a threat of rabies, has been lifted.

Accordingly, they instructed

Girl Scouts Have New Xmas Gifts In Stamps For Campers

The Girl Scouts of the Whooping Crane Council have invented something new in the way of Christmas gifts, according to Mrs. Katherine McLester, promotional chairman.

It is "Stamps For Campers", patterned after the War Savings Stamps developed by the treasury in World War II. By using the plan and saving as little as a dollar a week, every little girl who wants to go to scout camp next summer can have enough money by the time camping season rolls around, with a little left over for spending money!

The stamps come in five, ten, and fifteen cent denominations, and are stuck in a folder that, when it is full, contains enough stamps to pay for a week at Camp Copano, the council's summer camp.

Of course, Mrs. McLester points out, fathers, mothers, grandfathers, grandmothers, and even aunts and uncles can all contribute a stamp or two or three to the fund, and they make nice Christmas gifts.

MRS. EVA LUCILLE SCHOLARS PASSES AWAY IN SAN MARCOS

Mrs. Eva Lucille (Roberts) Scholars born in San Marcos, July 1, 1911, died Thursday evening about 10 o'clock at Moellendorfs Convalescent home in Fredericksburg after 2½ years of illness.

Survivors include one son Leonard George Roberts of Corpus Christi, two sisters; Mrs. Ruth Buster of Junction; Mrs. Bill Gray of Rockport; 3 brothers, L. N. and J. L. Owen of Austin and D. H. Owen of Corpus Christi.

Funeral services were held in San Marcos at 10:00 Saturday morning from Pennington Funeral home with Rev. A. Arnott Ward officiating.

Burial was in the Rockport cemetery. Fallers were: Robert Owen, Lloyd Williamson, Howard Owen, Edward O'Banion, Buster Williamson and Howard Posey.

Mrs. Scholars was a member of the Presbyterian Church in Rockport for twenty five years.

PETE HAYNES COPS FIRST IN RODEO. N. G. Bissett TOPS IN TIE DOWN SAT.

Pete Haynes took first place in the rodeo held at the Horseshoe Arena in Corpus Christi Saturday, while N. G. Bissett, of Bay City, won the money in the calf tie down.

City Poundmaster John Baugh To Increase His Efforts To Impound All Dogs Found On The Street With Out The Proper Registration And Vaccination Tags

This action was brought about by the fact that many dogs, while being kept confined during the quarantine period, have neither been registered or vaccinated, despite the fact that the danger of rabies has not passed.

Dr. H. W. Elliott, county health officer, has only, within the last few days, sent in two more heads, one from Aransas Pass and another from Rockport, of dogs that may have had rabies, and is awaiting a report on them from the state health department.

Since the rabies epidemic in Aransas County was declared a month ago, Baugh has impounded 124 dogs, of which only eighteen have been reclaimed. The other 106 were destroyed, as were 25 cats. During the same period, registration tags have been issued to 153 pooches in the city, and to 99 in the county. All of them were vaccinated by a registered veterinarian before the registration tags could be issued.

Cases Tried In County Court

The following cases have been tried in County Court, with Judge John D. Wendell presiding:

State vs. Albert Benavides, charged with aggravated assault. Pled guilty and was fined \$50 with \$21 costs and mileage of \$2.50, for a total of \$73.50.

State vs. Joaquin Santos, contributing to the delinquency of a minor. Pled guilty and was fined \$50 with \$28.50 costs, plus 10 days in county jail, being given credit for three days already spent there before trial.

State vs. Robert Ferris of Aransas Pass, contributing to the delinquency of a minor. Pled guilty and was fined \$25 and \$21 costs.

State vs. Sam Henry Adams, driving while intoxicated. Pled guilty and was fined \$100 with \$21 costs, plus three days in the county jail, and suspension of his driver's license for six months.

Oyster Reefs In Copano Bay Marked

The Copano Fish and Game Protective Association, with the cooperation of Mr. Lem Calhoun from Bayside and Mr. J. D. Derrough, have just completed marking the oyster reefs in Copano Bay.

The reefs are marked with blue and white flags on a fishing pole. Dr. J. E. Bauer, president of the association said that a few of the fishermen have been removing the flags. He says that they probably don't understand that they are placed in position to help fishermen know when they are on an oyster reef.

Library Committee Announces Almost Ready For Opening

Through the untiring efforts of a good many women in the county, the library committee, headed by Mrs. Everal L. West, is happy to announce that the work of cataloging the books and getting everything in order for the formal opening of the Aransas County Library, is about to be accomplished. The committee hopes to be able to turn it over to the county soon after the first of the year. Mrs. West estimates that 525 hours have been spent in the process of getting the library in working order, with more than 200 books on the shelves, worth approximately \$6000.

If there are any other persons who desire to contribute books, the committee asks that they get them in as soon as possible in order that the workers may finish the cataloging and indexing before the Christmas rush of activities.

For those of you who have not visited the workshop, there is an interesting array of "Just Texas" books, also a nice collection of juvenile literature and an imposing bookshelf of murder mysteries. Thanks are extended to Mr. Jack Baird for the gift of a Bible; to Mr. B. T. Hardeman for a Texas Almanac for 1956-57 and a volume on "Our Nations Water Reserves"; to the Rockport Rotary Club for a year's subscription to the Rotarian and to Prophet's Furniture Store for two chairs.

The Woman's Club, which sponsored the establishment of the library, has contributed the sum of \$200 with which to purchase supplies.

Barbecue For Methodist Building Fund Planned For Tuesday, December 4

The Methodist's Annual Barbecue, for the benefit of their building fund, will be given on Tuesday, December 4. W. B. Allen will barbecue the meat, as he has past years, and it will be served by the ladies of the church in the Methodist Annex.

Serving will be from 11 a. m. to 8 p. m. and the price of the tickets is \$1.25 for adults and 75¢ for children.

Oklahoma Ornithologists Visit Area on Field Trip

Nineteen Oklahoma ornithologists were in Rockport last weekend on a three day bird identification field trip.

The group arrived by special bus. The field trip is under the direction of Dr. Sam Moore, an orthopedic surgeon in Oklahoma City and a professor in the School of Medicine at The University of Oklahoma.

The Rockport trip was planned and sponsored by the Oklahoma City Audubon Society. Moore said 12 who made the trip do not belong to the sponsoring organization but are members of the state ornithological society.

Included were Dr. Alice Brueys, professor in the School of Medicine at OU; Dr. Fred Baumgartner and Dr. A. Marguerite Baumgartner, members of the Oklahoma A & M College faculty, and J. E. Martin of Oklahoma City, president of the Oklahoma Ornithological Society.

Mrs. Jack Hagar, nationally known bird authority of Rockport, planned the local itinerary for the group. The tour included Blackjack Peninsula, the territory along the beaches near Rockport, salt grass ranches in San Patricio County near Bayside where the group was successful in identifying the mountain plover, and a boat trip to the Aransas Refuge to see the whooping crane.

Moore said the trip was very successful in locating species new to the Oklahoma group. He estimated each individual added ten new birds to their identification list on the trip to Blackjack Peninsula.

The group was accompanied by a reporter-photographer who wanted to study group reactions as individuals spotted their first "spoonbill whifflesnapper." Armed with binoculars, tripod-mounted telescopes and cameras, the birdwatchers attitude was: "Laugh at us or laugh with us, but don't scare the birdies."

City Gives Jaycees Okay On Street Numbering

The City Council met in regular session Tuesday night with the following present: Mayor Chester Johnson, Aldermen J. W. Porter, Ernest Harritt and Roy Rogero, City Secretary Mary Lake Segler, Water Superintendent Tom Shults, City Attorney Joe Caldwell and visitors: Gene Urban, Bill Johnson and Bopie Cole.

Urban presented a plan for house

numbering in the city. The plans were approved by the council and presented to Johnson and Cole, representatives of the Jaycees, to aid them in the drive to number all houses in the city limits. Samples of the numbers to be used were approved by the council and upon receipt of a supply of same members of the Jaycees will start their project.

Attorney Caldwell gave his opinion on the advisability of closing portions of Broadway, Mimosa and Austin Streets. Mr. Rogero moved that the City Council call a special election to close these portions for the purpose of obtaining a site for the erection of a new city hall, and that the City Attorney be authorized to draw up an ordinance to this effect. Mr. Porter seconded the motion and it carried unanimously.

A request for a street light at the corner of Patton and Alamo Streets was read and approved. Aldermen Rogero and Harritt were asked to make a survey to determine the need of additional lights in the north side of the city.

The city audit, compiled by Seale, McCarty, and Millikin of Beeville was accepted by the council. The accountants stated in their report that "the City records and the internal control are continuing to improve. All these records are in excellent condition". A condensed report will be published in the near future.

The Austin Street and business route paving project was discussed. Mayor Johnson reported that he had been in contact with Highway Department and County officials and that the delay in this matter was due to determining the best route for this highway at the south end outside city limits. Right-of-way outside of the city limits must be obtained before this project can go ahead and as soon as this can be accomplished the entire job should get underway.

Delinquent Tax List Published

Since the first notice that a list of delinquent taxes in Rockport was to be published, payments of such taxes have risen to an all time high for such a period of time. In six weeks they have amounted to more than they did in the entire year of 1955.

The list, which contains some 385 names, is published in another part of the Pilot, and will be published for the three weeks following before action is instituted for the collection of the delinquent payments.

Clothing Badly Needed By Sacred Heart Altar Society For Collection

Clothing of all sorts is still badly needed by the Sacred Heart Altar Society for needy and destitute people all through the world, according to Mrs. Ruby Hart, publicity chairman for the drive.

The drive will be carried on from November 24 to December 1, at Sacred Heart School and Sacred Heart Hall, where blankets, usable garments, bedding and shoes may be delivered, or donations made to aid in shipping the assembled materials to Europe, throughout the Middle east, and to Pakistan, Malaya, Formosa, Vietnam and Korea, as well as to countries in South America and Africa.

On November 30, Sacred Heart Hall will be open all day to aid those people wishing to give.

Items most needed are blankets of any size, of cotton, wool, or mixture; men's and boy's pants; sturdy, practical footwear of all kinds; and infant's clothing.

If you can't take the items you wish to contribute to the school or hall, call Mrs. Stanley Bissett, at 6310; the Misses Mabel and Genevieve Bracht, at 480; and Mrs. Bill Wendell, at 6392.

So widespread is the need, Mrs. Hart says, that the gifts of any practical garment in wearable condition, of any usable blanket, quilt, or coverlet and any pair of shoes in good condition, will be greatly appreciated.

The gifts are not for Catholics alone, but for all the world's needy.

WHOSE PICTURE ARE YOU DIALING?—The hear-and-see telephones of the future aren't far away any more. Floyd K. Becker, a Bell Telephone Laboratories engineer, demonstrates a successful model of a picture-phone system. A two-by-three-inch screen and small transmitter, left, are the principal components of the system, which uses only one extra telephone line on the customer's premises. It will be possible to dial a caller's picture like an ordinary telephone call. Bell engineers have transmitted recognizable pictures between New York and Los Angeles.

4,126 TEXANS ENTER SERVICE IN OCTOBER

Austin — A total of 4,126 Texans entered the armed forces during October, and 3,850 were separated from active service during the same time.

This was revealed Thursday in a report made by Colonel Morris S. Schwartz, state Selective Service director, to national Selective Service headquarters in Washington, D. C.

Of the 4,126 entries into the uniformed services from Texas during October, only 848 were through the draft boards, the remaining 3,278 individuals going into uniform by enlistment or other voluntary means.

State Selective Service forwarded 1,343 men to armed forces joint

examining and induction stations during October for pre-induction physical and mental examinations. Of this number, 829 were found acceptable, the remaining 514 unacceptable, a rejection rate of approximately 38 per cent.

Of the 848 men inducted through the draft boards in October, six were inducted from the Texas National Guard upon certification that they had failed to serve satisfactorily. This is authorized by Section 1631.8 of the Selective Service regulations.

During October, under provisions of the doctors' draft law, 12 Texas physicians were examined and found acceptable for service, four were found unacceptable and one dentist was found acceptable.

Quail Season Opens Saturday, Dec. 1

While south zone dove season ends today (the 28th) the Texas quail season opens next Saturday, December 1, with a fair to good crop of birds available for the gunner. Early spring rains helped bring about a good hatch, but drouth killed off some of the chicks, so the situation is about the same as it was 1955.

The regular quail season continues through January 16, with the bag limit, under the general law, 12 a day and not more than 36 a week or in possession.

Guns must not be larger than ten gauge and must be permanently plugged to three-shell capacity. Shooting can begin a half hour before sunrise and end a half hour after sunset. Dogs may be used.

However, as there are at least 16 special seasons in Texas for shooting quail, it might be a good thing to check with the local game warden if shooting in country unfamiliar to you. On his interpretation of the law may depend the legality of your shooting.

For example, Kenedy and Kleberg Counties have a season running from Dec. 1 through Jan. 31; La Salle County, Nov. 1 to Dec. 15; Live Oak County, Nov. 16 to Dec. 31; McMullen County, Nov. 1 to Dec. 15; and Guadalupe County, Sunday and Wednesday of each week during period of Dec. 1 to Jan. 16, both days inclusive, and when a Monday, Wednesday or Friday during such period is a legal holiday, also on the day following such holiday.

MOVIE SUPPOSED TO HAVE LOCAL BOYS IN SOME SCENES

The movie, "Away All Boats", a navy story in South Pacific, during World War II, is rumored to have a couple of Rockport boys in some scenes. Jack Davis, Jr., is supposed to be one of them. The show will be on at the Cove on Sunday and Monday, according to Ed Barnard.

Isham McElveen, for the past eighteen months in Korea, has been remembering friends around town with Christmas cards. They are the first of the season, but welcome, nevertheless.

In case anyone would like to send him one from home, his address is SP/3 Isham F. McElveen, US54174554, KMGAG Det. "L" (Prov) Admin., 8202d AN, APO 102, San Francisco, California.

The Pilot, where he worked, prior to joining up, wishes him the merriest of Christmases and the happiest of New Years, and a safe return home.

Mr. and Mrs. Walter Baker of Luling, Mr. and Mrs. Tyson McNealey of San Marcos and Mr. and Mrs. J. A. Baker of Kingsville, were guests for a Thanksgiving dinner at the home of Mr. and Mrs. M. C. Cutcher Sunday.

Winston Weber of St. Mary's was home over the Thanksgiving holidays.

Mrs. Johnson And Mrs. Picton Entertain

Mrs. Travis Johnson and Mrs. Charles T. Picton were hostesses for a dessert bridge, Friday afternoon at the Johnson home.

The tea table, laid with an Italian linen cloth, had for its background, the filmy draperies of recessed windows. Giant white mums were flanked by branched silver candelabra holding white tapers. Miss Mabel Bracht served the snow balls and Mrs. S. F. Jackson poured coffee.

Arrangements of white mums were in the living room and miniature turkeys and autumn leaves centered the individual tables. The high score prize was awarded to Mrs. C. O. Lutz, second high to Mrs. J. V. Ferguson, consolation to Mrs. F. O. Lenoir and bingo to Mrs. J. W. Christian.

Mr. and Mrs. Lawrence Nelson had as their guests for Sunday dinner Mr. and Mrs. Sherman Wells and children, Mrs. Vernon Compton and Miss Lucille Compton of Odem and Mr. and Mrs. Jerry Boling and daughter of Corpus.

Mrs. Lottie Madden of Fulton who has been visiting in Robstown and Aransas Pass for the past two weeks returned home last week.

NONSTOP TO NOSTALGIA—Kanawha-type locomotive is unveiled at her final resting place in Coonskin Park, Charleston, W.Va., where she'll sit out the years as "the symbol of boyhood to every Charleston man and the symbol of manhood to every boy." A monument to the fast-disappearing age of steam railroading, she and her high-stepping sisters once ruled the rails of the Chesapeake and Ohio Railroad.

Many Countries Export Shrimp To United States

Texas shrimp fishermen, while producing a large part of the shrimp caught in U. S. waters, still fall far short of supplying the total needs of the country. In August, according to figures furnished by the U. S. Fish and Wildlife Service, fishermen of the Lone Star state brought in a little over 5.4 million (tail weight) pounds of these succulent crustaceans, and those of other states also contributed substantial amounts.

Nevertheless in the same month, Mexico exported 3,969,000 pounds to the U. S., while other countries helped swell the total. From Panama 685,000 pounds were shipped to this country; Japan sent in 698,000 pounds of shrimp, and imports from others were as follows: Norway, 10,000 pounds; Costa

Rica, 17,000; Hong Kong, 41,000; Canada, 50,000; Cuba, 18,000; Ecuador, 281,000 pounds; Peru, 21,000; Iceland, 2,000; India, 154,000; Pakistan, 22,000; Australia, 32,000; Netherlands Antilles, 4,000; Netherlands, 10,000; Korea, 4,000 pounds, and British Guiana 2,000 pounds.

Other countries which export shrimp to the U. S. include Colombia, Sweden, Denmark, Surinam, Chile, the United Kingdom, Turkey, Egypt, the Panama Canal Zone, West Germany, Greenland, Nicaragua, Bahamas, Argentina, and Spain.

These are all tail weight.

Mr. and Mrs. Jim Kautz of Corpus spent the weekend with Mr. and Mrs. Harry Kautz.

Home from A & I over the holidays were Kane Lassiter, Richard Simpson, and Mr. and Mrs. Johnnie Atwood.

Cemetery Association Meets Monday

Mrs. Carolyn C. Hooper was hostesses to the members of the Rockport Cemetery Association, Monday afternoon.

Thirteen members were present. Mrs. W. B. Allen presided and conducted routine business. The nominating committee was named and includes Mrs. S. F. Jackson, Mrs. Travis Johnson and Miss Mabel Bracht, to make a report at the January meeting.

Aransas Bay, Copano Bay and Part Bay: Permit No. W-N-243-41-PERMIT-2513, issued to the Arkansas Fuel Oil Corporation, authorizing the erection of structures for the production of oil at locations in State Tracts No. 175, 230, 231, 232 and 306 in Aransas Bay, 26 and 101 in Copano Bay and 4 in Part Bay, central to a point approximately 1 1/2 miles southwest from Rockport, Texas.

San Antonio, Hynes and Guadalupe Bays: Permit No. W-N-243-41-PERMIT-2549, issued to the Arkansas Fuel Oil Corporation, authorizing the erection of structures for the production of oil at locations in State Tracts No. 47, 61, 66, 71, 72, 79, 102, 108, and 151, central to a point approximately 3 miles southwest from Seadrift, Calhoun County, Texas.

The Tennessee Gas Transmission Company has made application to the engineers to operate in Copano Bay, from a point on the north mean high tide shore-line of the bay approximately 5,065 feet west from Texas Highway No. 35, southwesterly across the bay to a point on the south mean high tide shore-line approximately 4,980 feet west from Texas Highway No. 35, central to a point approximately 7 1/2 miles north from Rockport, Texas.

The applicant proposes to place a 12-inch pipeline at the above location. The top of the pipe would be a minimum of 3 feet below the bed of the bay. The pipe line would extend between the two mean high tide shore-lines for a distance of 11,567 feet.

Applications have also been made to the District Engineer for extension of the time limit to complete work authorized by a Department of the Army permit in navigable waters in this Engineer District, as follows:

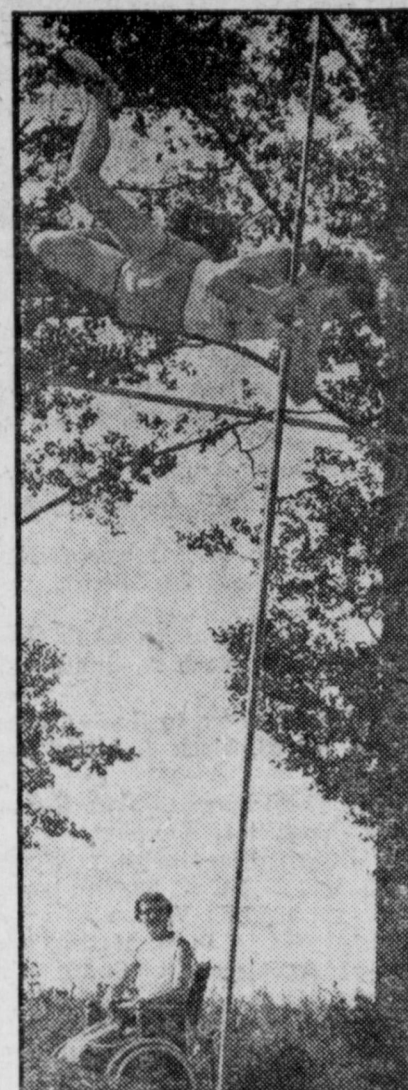

Aransas Bay: Permit No. W-N-4 243-41-PERMIT-1383, issued to the Humble Oil & Refining Company, authorizing the erection of structures for the production of oil at locations central to a point approximately 6 1/2 miles northeast from Rockport, Texas.

- For the 24 hours ending Nov. 8, 4,800 pounds.
- For the 24 hours ending Nov. 9, 53,700 pounds.

Landings of shrimp tails in the Rockport-Fulton area during the past several days have been as follows:

- 24 hours ending November 15, 14,000 pounds.

TWO TO GET UP—Ragee Lundberg, Swedish pole vault champion, performs brilliantly for one special spectator—his wife, Jinni. Mrs. Lundberg, a polio patient, was "loaned" to her husband for two weeks by the convalescent home in Stockholm on the condition that Ragee learn the gymnastics program Jinni has to go through every morning. Having learned it all, Ragee is now able to teach his wife how to move again, while he keeps training for the Olympic games. They hope soon to reach their goals: his, to jump higher; hers, to walk again.

From where I sit ... by Joe Marsh

The Kid's Learned to "Take Charge"

I was down at Buck Benson's store the other day when a fellow came in with a six-year-old boy—obviously his son.

While the fellow was looking over some stuff on the counter, Buck handed a free peppermint stick to the boy, who promptly tore off the wrapper and went to work on it.

The father seemed quite put out about his son's lack of manners and held up his hand to stop him. "What do we say when Mr. Benson gives us something?" he demanded. "Charge it," replied the kid without hesitation.

From where I sit, children aren't the only ones who "repeat things" without knowing what they're talking about. For instance, I'm convinced that many of those who speak out against the old American custom of enjoying a glass of beer after work are just parroting what they've heard others say. It's better to get the facts—then make up our own minds—and permit our neighbors to do the same.

6,018 TEXANS REGISTER FOR DRAFT IN OCTOBER

Austin — A total of 6,018 Texans registered in the state's 137 draft boards during October, or with volunteer registrars in many small towns and cities.
 Colonel Morris S. Schwartz, state Selective Service director, said registration for October was "up to normal." He said registration during the summer months was "not up to expectations."
 Colonel Schwartz said that, from official reports which have reached him recently, some young men take needless trips from their communities to draft boards to register when there is an officially appointed registrar living near them.
 He said the state Selective Service headquarters recently had ordered registration posters to place in state high schools to keep young men turning 18 reminded of their obligation to register and to direct them to the nearest registrar.
 The federal draft law requires all males to register with a draft board on their 18th birthday, or within five days thereafter. If they are not at home at the time, they are required to go to the nearest board or registrar.
 A young man who registers away from home can be sure he is assigned to the board in his home area if he gives as his place of residence his address in his

home area.
 Since the present draft law was enacted in 1948, all males born since August 30, 1922, have had and now have a legal obligation to register, except those not yet 18. Failure to obey the law can mean a fine up to \$10,000, five years in prison, or both.

Mrs. H. B. McDow and baby and Mrs. Henry Koehler had lunch with Mr. and Mrs. Frank Duge of Corpus Christi Saturday.

Mr. and Mrs. Eugene Mayo, and Mrs. Billie Jo Cotten of Overton, Texas, spent Thanksgiving holidays with Mr. and Mrs. Bobby Dailey and sons.

Mr. and Mrs. Fred Johnson of Sinton spent the weekend with Mrs. Chas. T. Picton.

First Tourist Card Party Held

Mrs. Joe H. Slocum, Mrs. Arthur Bracht and Mrs. J. V. Ferguson were hostesses for the first tourist card party of the season, Monday afternoon at the Woman's Club, from 2 to 5 o'clock.

Seven tables of bridge and canasta players participated in the afternoon's entertainment with Mrs. C. O. Lutz winning the high score prize, in bridge, Mrs. James Jarboe, consolation, Mrs. Chester Johnson, high in canasta and Mrs. Birch Addington, bingo.

Mrs. Johnson won a door prize, a crocheted pot lifter made by Mrs. A. B. Leeper of Lima, Ill. and another door prize was won by Mrs. J. R. Finstead, two passes to Lib's Golf Course.

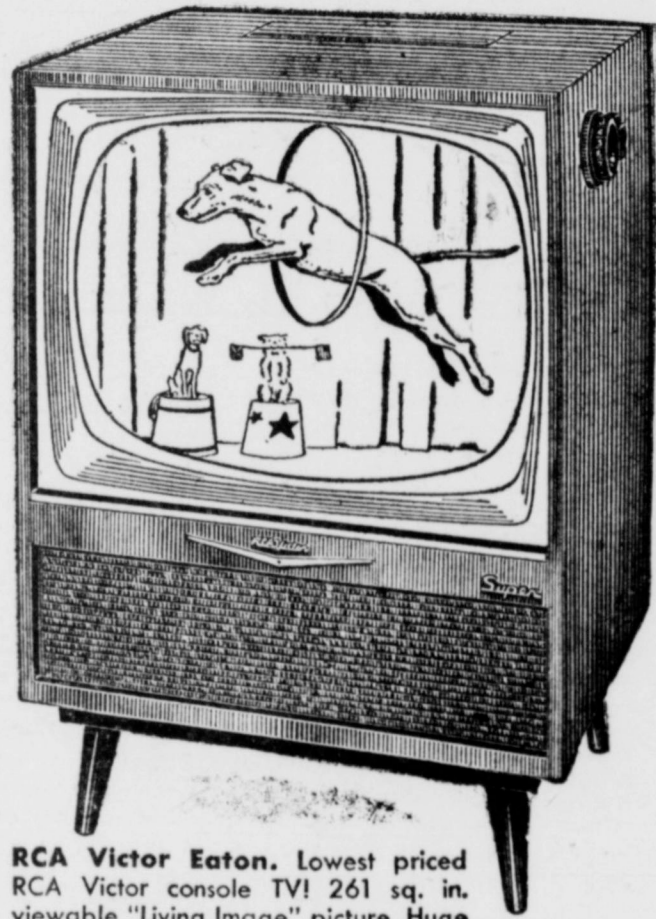

The Thanksgiving motif was

featured in the tea table appointments where pumpkin pie, coffee and hot punch were served. 50c is the price of admission for the privilege of taking part in this social event for the purpose of contributing to the pleasure of the winter tourists and the local women.

Mr. and Mrs. George Lee Brundrett had as their guests for Thanksgiving Mr. and Mrs. John B. Hasseman and daughters; Mr. and Mrs. Geo. A. Brundrett and David and Jeanie Gibson of Corpus and Mr. and Mrs. Herbert L. Mills and family.

Mr. and Mrs. Earl Ward, Jr. and sons of Houston spent the week end in Rockport and Corpus and visited with Mr. and Mrs. Henry Camehl Thursday.

Seven Species of Quails Known To Sportsmen of Texas

To hunters familiar only with that feathered bombshell, bobwhite, it may be a surprise to learn that Texas has seven species or subspecies of quails, six of which may be shot when the season opens on December 1.

There are two subspecies of bobwhite - the Virginian and the Texan; there are also two subspecies of blue or scaled quail; two west Texas, Mearns' or fool quail, and Gambel's; and, last of all, an European import, the migratory quail of the Bible, on which the Children of Israel fed in the wilderness.

Between them they furnish shooting for most of the state, many gunners swearing that no other sport is comparable. Bobwhites occur east of a line running roughly from Hanford to Val Verde counties. The Virginian species was apparently the original inhabitant of the state, but, beginning about 1920, the state game and fish commission imported a great many of the Texan (or Mexican) quail, and now the two subspecies are as thoroughly intermixed that it requires an expert ornithologist to tell them apart.

Today, as in former times, scaled quail (also called blue, Mexican, or topknot quail, or blue racers) occupy the drier lands of west and south Texas, where bobwhites have a tough time surviving. A chestnut-bellied subspecies is found mainly south and east of Maverick County, while the plain-colored one occurs in counties to the north and west, along the Rio Grande.

Compared with the showier and more easily flushed bobwhite, few blues are killed nowadays by hunters, as they are hard for dogs to handle and prefer to run, rather than fly. Mearns' quail (or Massena's partridge) and Gambel's or desert quail are also runners. Mearns' occurs mainly in Brewster, Presidio and Jeff Davis counties, where its shyness and the rugged and inaccessible country make it extremely difficult to hunt. However, in early days, ranchers finding these jewel-bright birds in the rocky ravines of the Big Bend called them 'fool' quail because, when frightened, they sat so close that sometimes they could be killed with sticks!

Most beautiful of all the family is the Gambel's or desert quail, whose plumed crest and pastel plumage make it a picture bird. This species occurs only along the upper Rio Grande in Texas, between El Paso and the Chisos. Perhaps the most resourceful and adaptable of any of the quails, Gambel's is well-equipped to elude the hunter, as it can trot along ahead of a dog at 15 miles an hour, and is adept at keeping out of sight.

The seventh species is a European, Coturnix, the migratory quail mentioned in the Bible as a furnishing food for the Israelites. Smaller than our native quails - seven inches compared to the eight-to-ten-inch bobwhite - this foreigner is entirely different from Bob, who is a stay-at-home, rarely roaming far from where he was hatched.

In summer Coturnix is a dweller on the ground, an earth-lover, but in his wide wanderings in fall he crosses seas, vast deserts, and the loftiest mountains. So far, although a number of pairs have been released in Texas, no one knows whether they will remain.

SURVIVAL 'HARDWARE'

FCDA Stockpiles Would Aid U. S. After Huge Attack

One of the world's largest "hardware dealers" sells no merchandise, has an 80,000-ton "inventory" which is constantly increasing, and hopes that none of the "hardware" will ever be used.

This vast stockpile of machinery and supplies, housed in 65 warehouses across the nation, is the Federal Civil Defense Administration's store of items which would be urgently and immediately needed if the United States were ever attacked.

IT INCLUDES such widely diverse items as medical supplies and blood "expanders" (chemicals which augment whole blood), portable emergency hospitals, gasoline-operated pumps, generators and water purifiers, and radiological "survey meters" for detecting fallout.

FCDA warehouses of all types are located from 20 to 100 miles from most major target areas in the nation, the size of the stockpile depending on the size and potential need of the target city.

While FCDA stockpiles are primarily for man-made disaster, they have also played a vital role in some recent floods.

The cities of Easton, Stroudsburg, and Scranton, Pa., depended on emergency pumps and purifiers for their city water in August 1955. FCDA medical supplies and 600 cots alleviated human suffering in Marysville and Yuba City, Calif., in December 1955, while pumps bailed out inundated Yuba City.

STOCKPILE of emergency supplies in Federal Civil Defense Administration warehouse is carefully marked and stored, so that supplies most urgently needed after an attack can be moved more quickly. (FCDA Photo)

Cheaney-Smith Vows Repeated Here Saturday

In a candlelight ceremony, Saturday night at the First Presbyterian Church, Miss Patricia Ann Cheaney of Aransas Pass became the bride of Charles Hammond Smith.

Mr. and Mrs. W. H. Cheaney are the parents of the bride and Mr. and Mrs. Somer Smith, the groom's parents.

Mrs. Norvell Jackson played a program of nuptial music preceding the ceremony and accompanied the soloist, Mrs. James G. Hooper, who sang "Always" and "The Lord's Prayer".

Branched candelabra holding white tapers and floor baskets of white gladioli were the background for the double ring service at which the Rev. A. Arnott Ward, officiated.

Tall white tapers with maline trim, marked the approach to the altar. The bride, who entered with her father, wore a dress of champagne brocade taffet, fashioned with a moulded bodice and bouffant skirt over crinolines. Her small white hat was worn with a short veil and she carried a white Bible topped with white carnations. Miss Judy Edwards, of Ingleside, cousin of the bride, was maid of honor. Her dress of blue taffeta similar to that worn by the bride, was matched by a small blue hat and her corsage was white carnations.

Miss Trevia Williams and Miss Roberta McMullen, both of Aransas Pass, were bridesmaids. Their dresses of red taffeta were worn with small harmonizing hats and their corsages were white carnations. Travis L. Smith served his brother as best man. The groomsmen were Charles Garrett Jr. and

Cloyce Hayden and Frankie Rowe, Leyton Lett and Earnest Camehl, ushers.

Following the ceremony, a reception was held in the assembly room of the church. The bride's table was covered in pink with a white organdy flounce. A bowl of pink carnations on a reflector was flanked on either side by double crystal candelabra holding pink candles, forming the centerpiece.

Mrs. J. H. Cheaney of Aransas Pass, aunt of the bride, served the cake which was decorated in a pastel floral design and silver dragees. Miss Sandy Braley, Aransas Pass, poured punch and Mrs. M. E. Taylor, also of Aransas Pass, was in charge of the guest book. After a short wedding trip, Mr. and Mrs. Smith will make their home in Rockport.

Mrs. Smith attended the Aransas Pass High School and the groom graduated from the Rockport High School. Out of town guests for the wedding included Mr. and Mrs. Ernest Silberstein, Mr. and Mrs. M. B. Wood, Miss Rowena Cavitt, E. H. Ray and Mr. and Mrs. James Jones, Corpus Christi; Mr. and Mrs. J. S. Edwards, Helen and Gail Edwards, Ingleside; Mrs. W. D. Cheaney, grandmother of the bride, Mike Taylor, Donnie Brische, David Cheaney, Walter Gene Cheaney, Sara Cheaney, Cooter Paily, Miss Geraldine Bromley, Miss Wanda Jordan, Mrs. W. J. Holden, Mrs. C. C. McMullen, Mrs. Robert Britton, Mrs. Jess Ross, Robert L. Owen, all of Aransas Pass; Larry Brinkley, Alvin and Mrs. Norman Oliver, Troy, N. Y.

TEXAS IN REVIEW

Football makes its final appearance on the Humble Company's Texas in Review for 1956. Highlights from three Southwest Conference games will be shown. Other interesting features of next week's program will include the South Plains Maid of Cotton Contest, scenes from the wild bird hatchery in Brownsville and the story of the retirement of the Chief of Police of Taylor, Texas. Key plays from the Texas A & M-University of Texas Thanksgiving game and the Baylor-Rice and SMU-TCU football games will be described by Kern Tips.

An interesting story of the retirement of Police Chief J. W. Dellinger of Taylor, Texas, will picture the tribute given him by the local Taylor citizens and show his activities in retirement. Scenes from the wild bird hatchery in Brownsville will show W. D. Hill pursuing his hobby of raising bob white quail, chukarpartridge and pheasant.

Texas in Review can be seen Monday (December 2) over KPRC-TV, Houston, 9:30 p. m.

Tuesday (December 4) Texas in Review can be seen over KRBC-TV, Abilene, 9:30 p. m.; KRIS-TV, Corpus Christi, 8:00 p. m.

Wednesday (December 5) Texas in Review can be seen over KRIS-TV, San Antonio, 6:30 p. m.

Texans Increase Bond Purchases

During October of this year, Texans increased their purchases of Series E Savings Bonds, Fred Bracht, chairman of Aransas County Savings Bonds Committee reported today. Sales of the popular E bond increased 3.4% over the same month in 1955.

Total sales of Savings Bonds for the first ten months of this year in our county amounted to \$59,714, while sales in Texas were \$160,301,508 for the same period, Chairman Bracht continued.

"During this season of giving, I would suggest a gift which keeps on giving... United States Savings Bonds. You can make gifts of Series E Savings Bonds with absolute assurance that they will continue to appreciate in value for a period of up to 19 years and 8 months, when they will be worth 80% more than you paid for them. Meanwhile, they have a cash-in value of cost, plus accrued interest, at any time after the first sixty days," Bracht advised.

Oetopi have the ability to change color through the expansion and contraction of pigment spots or chromatophores in their skin.

Everett Michael Passes Away

Everett Michael, 63, died in an Aransas Pass hospital Saturday morning. He was the manager of Palm Village and had lived there three years.

He was a member of the Methodist Church.

He is survived by his wife, Gladys, of Rockport; one son, Vernon, Pasco, Wash.; a daughter, Mrs. Betty Kantz, Traverse City, Mich.; a brother, Ralph of Muncie, Ind. and four grandchildren.

Funeral services were held at 2 p. m. Monday at Cage-Marshall funeral chapel in Rockport with the Rev. Dana Green, pastor of the First Methodist Church officiating. Burial was in Rockport Cemetery.

HUMBLE BROADCASTS FOOTBALL: GAMES

Probably one of Texas' largest football audiences will see and hear Humble Oil & Refining Co.'s broadcast and telecast of the Texas-Texas A & M game Thanksgiving (Nov. 29).

More than twenty television stations and 65 radio stations will carry the game.

Kern Tips and Alec Chesser will describe the color and action over the television network beginning at 1:45 p. m. over KRIS-TV, Corpus Christi.

Ves Box will describe the play-by-play action and Eddie Barker will furnish the commentary on the colorful highlights over radio beginning at 1:30 p. m. (CST) over KRIS, Corpus Christi-1360.

The broadcast of three Southwest Conference football games this Saturday will conclude Humble Oil & Refining Company's football coverage for 1956.

The Baylor-Rice game will be broadcast from Waco. Ves Box will describe the play-by-play and Eddie Barker will cover the color highlights. Broadcast time is 1:50 p. m. (CST) over KWBU, Corpus Christi-1030.

The SMU-TCU game will be played in the Cotton Bowl in Dallas with Kern Tips and Alec Chesser on hand to provide the descriptive details of play-by-play action and color highlights. Broadcast time is 1:50 p. m. (CST) over KRIS, Corpus Christi-1360.

Pack 49

Some 170 Cub Scouts, parents, and guests of local Cub Scout Pack 49 met for the November Pack Meeting at 7:30 on Thursday evening, November 22nd, at the V. F. W. Hall.

The theme for the month was "Life in Puerto Rico," and the opening ceremony was a Grand March to the accompaniment of Puerto Rican music. A cub from each den carried a Puerto Rican flag in a parade to the front of the assembly room, there forming a circle around the American flag held by Andy Everett. The entire audience then joined in singing the first verse of "The Star Spangled Banner."

A few words of welcome, and several announcements were made by Cubmaster Philip Baldwin, following which the seven dens presented den skits carrying out the month's theme. Den 5 portrayed the landing of Columbus and his men on the island of Puerto Rico in 1493, using a model of the original "Santa Maria". Den 1 presented the cubs in the costumes representing the industries of Puerto Rico. The Battle of Moro Castle, under the leadership of Sir Frances Drake, was reenacted by the cubs of Den 2, scenery, built by the cubs, consisted of a replica of Moro-Castle. Den 6, using a large-scale map of the Caribbean, took the assembly on a narrative trip around the island; this narrative was composed in verse, with the cubs singing the brief chorus to the accompaniment of "Cuatro" guitars which the cubs had constructed. The cubs of Den 3, having constructed a large replica of the Governmental Seal of Puerto Rico, explained the meaning of the various emblems on the seal. Den 7, with each cub wearing a Puerto Rican hat covered with various kinds of fruits, represented the Puerto Rican "Fruit Bowl." The concluding skit was a Puerto Rican Calypso Band by Den 4, with the den mother singing an original Calypso song and the cubs singing the

chorus, all to the accompaniment of various native instruments which the cubs had constructed.

Following the presentation of the skits, a count of the patrons was made, and Den 4, with 34 cubs and guests present, was awarded the Pack Totem pole for attendance for the month.

After the presentation of advancement awards by the Cubmaster, Den 2 led the group in the concluding flag ceremony, with Mrs. W. A. Ormand presenting the meaning of the stars, stripes, and stitches of the flag to the cubs of Pack 49 gathered in a huge circle around Old Glory.

Assistant Cubmaster Ernest Russell led the cubs in a "carry the marble in a spoon" game, following which Den 2 was host to the group for refreshments.

The following awards were presented to the cubs by Cubmaster Baldwin. Bobcat pins and cards: Denny Elliot, Reginald Wendell, Denise Davenport, Gregory Uselton, Jim Thompson, Michael Brooks, Bobby Taylor, Jimmy Farmer, Eric Henderson, Edwin Chester, James Russell, Jack Russell, Amado Cruz, Johnny Guzman, John Cooper, Walter Lassiter, David Waggoner, Billy Wilson, Brian Barnard, J. B. Crawford, Jim Jackson, Chris Johnson, Randy West, and Punkin Roe. Bobby Ray Edwards was awarded two silver arrow points on the Wolf Badge and a one year service star; two year service stars were awarded to N. F. Jackson, Jr., and Andy Everett; Tommy Ben Thompson and Tommy Castle were each awarded a silver arrow point on the Wolf Badge.

The next Pack Meeting will be held the last Thursday evening in January, the December Pack Meeting having been dispensed with because of the Christmas holidays.

Thanksgiving Is Topis For OES

A Thanksgiving program was presented for the Order of the Eastern Star Monday night.

The first proclamation, made by President George Washington in 1789, was read by C. C. Hayden and this year's proclamation by President Dwight Eisenhower was read by William Beetley.

Mrs. A. L. Davis, Mrs. I. E. Allemang and Mrs. Elmo Brundrett were hostesses for a social hour.

WATERFRONT—
(Continued from Page 1)

caught 89 trout. Paul Jordan and A. W. Zouzalik, San Antonio, strung 23 specks. L. H. Nachlinger, Ed Rohm, J. J. Hoffman, Sergeant Roberts, and John R. Miller of San Antonio, caught 82 trout. "Pop" Miller caught 40 of them by himself.

J. R. Jackson, on another trip, came in with four reds and four trout. One of the specks weighed six pounds. His son Jim was along, and he brought in a five-pound red, one drum, and a 2 1/2-pound trout.

Bill Kerr, Fred Brock, and Tommy Amfipatano and Frank Bonnie of Mason, and Mr. Stanley and son of San Antonio, caught 30 trout. Mr. and Mrs. A. H. Reed and T. L. Beady, Waco, caught fifty trout.

Mr. and Mrs. Fred Christilles got back Saturday night from a couple of weeks in the deer country, during which time they visited their children, Mr. and Mrs. Howard Schott and family, of Hebertes. Mrs. Christilles got her buck, but Fred didn't do so well. As a matter of fact, Mrs. Christilles said, deer up in that part of the country would even flirt with Fred.

Since he's been back, however, he has managed to take out one party. They were Mrs. Ed. Auge, and Mr. and Mrs. John Keene and son, and the group caught 87 specks.

Hu Johnson reports that he fished H. J. Ewald and party, Seaguin, who came in with 36 specks.

Johnson's Bait Stand sent in a nice report this week. They record E. Lawson, Crisbyton, with 24 trout. John Belt, Lockney, 11 reds; L. and Gladys Kent, Fredrick, Oklahoma, 70 trout; Ed Whitfill, Lockney, 1 4 1/2-pound trout, 1 of 4 pounds and nine smaller ones, along with 5 reds.

John Belt, fishing again with Shorty Taylor and Herb Utley, caught 45 trout; J. B. Tooney and Dave Floyd, Pecos, 26 trout; Geo. Whaling and wife, three reds, two drums, and a trout; M. L. and F. L. Kirbyville, San Antonio, caught 46 trout. Ernest Camehl

brought in fifteen specks; W. J. Fox, Norman, Oklahoma, caught 50 trout, a red, one sheephead, and two croakers.

Paul Boston, Jack Phipps and Pat Smith, San Antonio, strung 30 trout. Wilson Dedmon, Houston, came in with 36 trout, five reds, and Ed Whitfill, fishing again, caught 23 trout. J. E. Neal, Houston, strung 40 trout.

Roy Rogero and Henry Ballou went to Allyn's Bight Thursday and came back with 26 reds apiece, that weighed 2 1/2 pounds each. Henry had a trout, also.

Old Record Books Tell A Tale of Old, From Brands To Marriage Licenses

The first two brands recorded in Aransas County, after it split away from Refugio and acquired a brand book of its own, belonged to Captain James R. Wells, Sr., the great-grandfather of Elmo Brundrett, who still lives in Rockport.

Wells, according to Clark Herring, present clerk of Aransas County, had a house in the mott of live oaks just west of present Highway 35, across the road from where Mills Wharf now stands. A new England Puritan by descent; a Bostonian by raising; and a Mississippi steamboat captain when the Texan Revolution broke out, he recruited a company of men and joined the battle. After San Jacinto, Wells enlisted in the Texan Navy, and later became commandant of its first Navy yard, at Galveston.

Safe Or Sorry, How Will Your Hunt Be?

College Station — There isn't a deer, duck, turkey, dove or quail in Texas worth the price of a permanent injury or death to a hunter, says E. H. Cooper, extension wildlife conservation, specialist. He adds, there is little excuse for hunting accidents if a few simple rules of safety are observed.

First, he says, know your gun — its capability and proper operating procedure. Keep the weapon unloaded until the actual hunt gets underway in the field. If hunting with others, know where the other hunters will be and when, and keep guns away from children.

Never cross a fence or climb a tree with a loaded gun. Doing so can cost a limb, loss of an eye or even a life. And remember, says the specialist, alcohol and gun powder do not mix. The same applies to alcohol and gasoline.

Once the hunt is underway, be sure of the target. Never pull a trigger until all doubt the target is removed. Livestock and fellow hunters are always out of season.

The wise hunter is familiar with hunting regulations and obeys them. He also respects the rights and properties of the landowner and doesn't enter upon the property of another without permission.

Finally, says Cooper, see that fellow hunters respect and obey the same rules which you follow. Cooperation with and consideration for the other fellow will make the annual trek to the woods a pleasure and improve the chances for taking the game sought.

Somehow along the line, a bunch of Frenchmen crawled aboard and registered their brands; Celestine Chaison, James Chaison, Sarah Herrin, Baptiste Dugat and others, and, turning to another kind of brand book, we learn that the first marriage license in the county was issued to Mr. George Howard and Miss Jane F. Dugat. Howard was a postmaster at old St. Mary's from 1872-1879. He and his family settled in St. Mary's after the Civil War, and, in addition to running the postoffice, he had a partnership in a general store in the area, called Ratchford and Howard.

The first clerk of Aransas County, Edward S. Winsor, issued the license, and the Rev. William Baxter performed the ceremony. Baxter had reached St. Mary's after the war as had Howard, and was pastor of the Disciples of Christ, who, along with the Presbyterians, Methodists, and Baptists all had churches in the town.

The second license was made out to James C. Fulton and Miss Fannie Dunlap. Fulton was the son of Colonel C. V. Fulton, first custom collector of the Republic of Texas, and a cattle baron whose palatial home still graces the waterfront of the little community that bears his name. The younger Fulton and his wife were the grandparents of Miss Gladys Bruhl, of Rockport, now Mrs. Gladys Gibson of Corpus Christi.

Mr. and Mrs. Bill Gray and family. c34

CONGRATULATIONS

The duration of a trade-mark registration is 20 years.

Tourist Promotion Committee Of Chamber of Commerce Plan To Attract Senior Trips To Rockport

The Tourist Promotion Committee of the Chamber of Commerce met Tuesday evening to consider ways and means of attracting senior classes to Rockport in the spring, when the tourist business is suffering from a slack season.

Pointing out that the new Chamber of Commerce folder, which will be ready immediately after the first of the year, was planned with attraction of these groups in view, as well as to grip the interest of other types of tourists, Mrs. Charles Roe, Sr., asked for suggestions from the rest of the committee.

After some discussion, Coach Melvin Borchert, chairman of the senior trip committee, suggested that one of the first things necessary was a listing of the area's attractions, and planning in order that students could use and enjoy them.

As outlined by the committee, the plan will be carried out as follows:

First, the president and sponsors of every senior high school class in Texas will be contacted by letter shortly after the first of the year. The letter will draw their attention to the facilities available here for their trip, and one of the new folders will be included.

If the class is interested, and replies, then the Chamber of Commerce will send them another letter, detailing the tourist courts available, with maximum and minimum rates; charter boats that can be hired, with the same information; and maximum and minimum rates at the area restaurants.

In this same letter, the Chamber will offer to help plan the trips so that the students making the tour can gain maximum

enjoyment from it.

A committee to contact court owners in regard to the program was appointed, and consisted of Mrs. Roe, A. L. Holland, Frazier Cantrell, and Floyd Smith. Cafes and boat owners will be contacted by another committee, consisting of Alec Scott and Bob Winton.

These committees will discuss the plan with the various courts, individuals, and cafes, and endeavor to work out a method for handling such classes in the event they should choose to come here.

It was pointed out that one of the things that must be carefully thought out was the opportunities for recreation, and every one present was asked to write out suggestions for this and to have them ready for the next meeting of the committee on December 11.

To arrive at the teenagers' point of view as to what does or does not constitute fun, Coach Borchert expects to consult some Rockport youths for their ideas. He is also obtaining the school list from which mailing will be handled, and is giving attention to the need for some sort of a hospitality committee.

A. J. Bracht was appointed to contact the Woman's Club in regard to their co-operation in part of the program, if necessary.

Mrs. Roe reported that card parties at the Woman's Club were now under way, and that bingo games would be started on Dec. 27, in the VFW hall, and would be held on every Thursday thereafter.

The gerenuk is a distinctive type of gazelle, and is sometimes called the giraffe antelope on account of its remarkably long neck.
