THE ONLY NEWSPAPER PUBLISHED IN ARANSAS COUNTY

Member Chamber of Commerce

ROCKPORT, ARANSAS COUNTY. TEXAS, THURSDAY OCTOBER 17, 1957

VOL. NO. 88

The fishing during the past week has not been very good, however, most of the fish that were caught were nice size.

Wednesday, Mr. Cline and party of Dallas, fished with Floyd Brown and caught 55 trout and red. Dr. W. T. Foster and party of San Antonio caught 68 trout and red, with some of the fish weigh-

ing as much as 8 pounds. Mrs. Faucett reports that the fishing was fair at Rattlesnake Point, Saturday.

W. T. Dotson, Dallas, brought in one red weighing 9 pounds, and

eight large trout. Mr. Strickland and son, Robstown, Mr. and Mrs. Fred Heinsohn, Corpus Christi, and Scoots Roberson, Odem, caught 17 nice size trout, red and drum.

O. A. McQuade and Oscar Gross, San Antonio, landed 7 trout, 3 drym, 1 sheepshead and 1 red. Frank Munoz and Edward Caro, Floresville, caught two red, two trout, and six drum.

Mr. and Mrs. Ed Roehm and Mr. and Mrs. L. O. Kaufman, San Antonio, brought in 12 drum and trout.

Good Luck Pier reports that Sunday, Willie Polk, Gregory, caught 10 gafftop weighting 37 pounds.

Tuesday, Lester Penny caught 7 large gafftops and 20 trout.

Both the highest and the lowest United States are in California.

Pirates Host to Flour Bluff Friday Make Plans

The ACHS Pirates will meet For Hallowe'en Flour Bluff at Pirate Stadium on Friday night in their fourth game of District 31A, in hopes of scoring another victory.

Flour Bluff has seven starters back from last year's team. They Hall Monday night. All children run a balanced line single and are invited to help collect money double wing formation and pass to buy food and medicine for needy about as much as they run. Their children around the world. two best boys are their tailback, Richard Adams and their fullback, Hop Self. Adams is their favorite town will be divided into sections.

The Pirates are in good form and want to begin the game hitting hard to get revenge for their early the Methodist Fellowship Hall befumbles in the Woodsboro game last week.

Fans will see a wide open game since the Pirates are adding several new plays this week and will be using a new defense.

Local Tax Collections About Average

Tax collections for the first half of October are running about average, according to the city, school, and county tax offices. The city reports that approximately \$9,000 has been collected by their office. The school tax office has collected approximately \$89,000, and the county has received approximately \$66,000. All of these offices give a 3% discount for taxes paid during October.

The school tax office, located in the new building of the Elementary School, is open on Saturday mornings, as also are the city and county offices.

Dr. H. E. Elliot Host To Osteopathic Group

Dr. H. F. Elliot was host to the members of District 9, Texas Association of Osteopathic Physicians and Surgeons, at his home, Sunday, at 3 p.m. The Ladies Auxiliary met in the home of Dr. W. S. Hughes at the same time.

Speakers for the men's meeting were District Attorney Joe Caldwell of Rockport and Calvin Foster of Corpus Christi, representative of the Texas Employers' Insurance Company.

Mrs. Jack Hagar, ornithologist, addressed the women's group on the fall migration of humming birds through Rockport. Dr. and Mrs. Elliot were host to the entire group for dinner. About 25 attended the affair.

Shirley Matthews Struck By Car

Shirley Matthews, 11, was slightly injured at 7 p.m. Tuesday when she was struck by a car Light Company and other electrion the north edge of the city.

Pirates Down Woodsboro In District Game Friday

The ACHS Pirates won over the Woodsboro Eagles 27 to 7 last, was the third district game of the season for the Pirates.

Woodsboro made its only score early in the first period when Jerry Walzel smashed through the Pirates' line on an off tackle play good for four yards. The kick by Homer Hartfell was good.

The Eagles fans hadn't stopped cheeling before the Pirates warmed up and started their four-touchdown scoring streak. John Cabaniss started off by going over from the Eagles' 3-yard line. Satsky kicked the point.

Satsky scored again in the second quarter when he ran off tackle for 60 yards to chalk up the second touchdown. He converted for the extra point.

Cabaniss pulled down a pass from Danny Adams for the other second period score. The conversion attempt failed.

All of the team showed tremendous ability and played an excellent game.

In the third period Satsky came back to score another touchdown Aransas County High B team by going over from the eight on an off tackle play. Again he converted for the extra point.

In Regular Session

The City Council met Monday

night in regular session. Mayor Chester Johnson reported Commissioners Court and signed

The council decided to permit the sheriff to allow delivery and freight trucks to park in the middle of the street. This is to

A pest control ordinance was passed by the council. A Pest Control Board was set up to handle the applications for licenses. In the event that an application is appealed from the Pest Control Board it will be handled by the City Council.

A motion was made and carried that a street light should be installed at the corner of Per I and

King Streets. Joe Caldwell informed the council that due to the fact that he is now district attorney, he would not be able to find ufficient time to handle th elegal affairs of the city. Mayor Johnson instructed Clark, Georgia Couser, Marilyn that a letter of appreciation be written to Mr. Caldwell.

Visitors at the meeting were Carl Osborn and A. C. Shivers.

ROCKPORT ELECTRIC PLAN ANOTHER COFFEE TIME

Mr. and Mrs. B. W. "Bob" Hamblin are planning another "Coffee Time" for Friday, Oct. 25 at the Rockport Electric Co. They feel that this will be the "biggest and best" of all of the Coff Times they have held for their customers PRESBYTERIANS and friends.

These affairs have always attracted large attendance, because veryone has found out they can come, look over the attractive disand the cafe will be under the per- plays of appliances and gift wares sonal management of Mrs. Ste- without feeling obligated to buy

ROCKPORT

OF OUR TIME ... THE WONDROUS YEARS

Man's use of petroleum — of oil and natural gas — began before the first records of history.

But petroleum's full usefulness to man has been a matter of decades only.

They have been wondrous years, those decades. Years that saw automobiles built by the millions because gasoline was available as a cheap source of power. Years that saw the oceans dwindle under the high speed of great ships powered by oil. Years that saw the evolution of a more comfortable living in homes warmed by oil and natural gas. Years that saw rubber, fibers, paints and many other useful items of everyday living produced from petroleum's hydrocarbons. Years that saw the earth shrink under the wings of the airplane, and great wars decided by the availability of oil.

Thus, the oil industry has led the way into the wondrous years of our time. The industry, through foresight, ingenuity, research, and risk-taking, has found and produced the oil required in greater quantity each year, has conserved oil for the future, has devised the transportation systems that move oil economically, has built the refineries and plants that convert crude oil and natural gas to the hundreds of useful products needed by a growing United States.

The Humble Company, founded in 1917, has participated in petroleum's progress during four great decades, and has pioneered in the development of many current techniques for finding, producing and refining oil. This week, with the industry, Humble invites you to consider the variety and extent of oil's progress . . . Surely no other industry has contributed more to the making of modern America.

HUMPLE OIL & REFINING COMPANY

TALK

by Stan Bell, District Manager

Our schools opened their fall term last month and while most of us are careful drivers we should be doubly careful at this time. More children are on our streets going to and from school than anytime in the past. Lets be good citizens and observe all the safe driving practices we have been taught. By doing this we can have a safety record that we can be proud of, rather than one we will regret which could result from careless driving.

Football Fun

Another football season is underway. If there are any fans around your house, it's likely that the radio and television sets will be working overtime for the next few months bringing the games into your home. It's the next best thing to having a 50-yard line seat.

Maybe you've never realized it but the telephone company plays an important part in bringing you these football broadcasts, as well as other radio and television programs you enjoy. We handle the transmission of programs from distant places for your enjoyment.

Telephone engineers have worked constantly through the years to improve these facilities. Today we use both cable and microwave networks to transmit these broadcasts.

And, of course, improved transmission means more pleasure from the programs for you.

This is another example of how the telephone company always seeks to bring you improved communications-in radio, television, on a local telephone call across t wn or a Long Distance call across

Getting back to football, have you attended any of the Aransas County High School Pirate's games this season? If not, why don't you plan to be at the next one. Better still, go to all the Pirate's games this year. You'll enjoy them and the team will appreciate your support.

Save 1/3 On Out-of-town Calls

Whether you're making a business call or just keeping in touch with numbers of the family in other cities, it's smart to place your Long Distance calls Station-to-Station.

You save money because Station-to-Station rates are about one-third lower than Person-to-Person rates. This means you can make three calls for the price of two.

And here's another Long Distance tip to remember: Call by number-it's twee as fast.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

CARD OF THANKS
