ROCKPORT, ARANSAS COUNTY, TEXAS, THURSDAY, FEBRUARY 27, 1958

Along The Waterfront

Loren Ball, Watonga, Okla.; John Belt, Lockney, Texas; caught 35 trout this past week. Bill Savoie, another Taylor Oak guest, caught 19 large trout, while John Belt, fishing again, caught 11, and the thirty trout weighed up to three pounds each.

Homer Vickery, of Arkansas City, and Charles Towne, of Ft. Collins, Colo., caught 46 nice trout, and when Loren Ball went again, this time with Grant Kiser, of Delphos, Kansas, they came in with 12 trout.

Hauled out at Rockport Yacht DRAG RACES DRAW and Supply were the Adelante, a cruiser, a couple of big shrimpers, including the Cristo Re; and Caspary and Wendell's Wasp, by the Corpus Christi Timing Aswhich has had extensive work done on her bottom.

At Rice's, only a single boat, the Sea Rider, was hauled out, but there were a couple of more that will be finished before the yard closes for good next week.

City Council Warned Of Rabies Danger

Dr. Henry Schmidt, Jr., told the City Council Monday night that an extensive program was apparently needed in this area to convince people of the rabies danger, ever present in Texas, and aggravated by the great number of stray and unvaccinated dogs running loose. He and J. E. Habuletzel, of Corpus Christi, discussed creation of a rabies vaccination clinic here.

Dr. Habuletzel stated that 100% vaccination was needed for com- hour over a quarter-mile drag. plete community protection, and Class winners: Bantamweighttold of some of his experiences in Raul Garcia, Corpus Christi;

One Burglar Gets Two Years, **Others Released**

Out of the seven youths and young men mixed up in the recent burglaries in Aransas County, one of them, Tony Sanchez, alias Antonio Garcia, was sentenced from two to five years in the penitentiary, and the balance of them were turned loose, some under suspended sentences.

Alfonso Zavala and Augustin Rodriguez, both of whom were indicted along with Sanchez in three cases of burglary, were given suspended sentences of two to five years each.

The grand jury failed to find bills against Joe Torres of Rockport and Joe Ortiz, of Gregory, both of whom had been charged

in Justice of the Peace Court with burglary in the night time. Two 14-year-old juveniles were also given suspended sentences and released in the custody of their families.

2,500 HERE SUNDAY

The drag races staged Sunday sociation drew a crowd of between 2,500 and 3,000 people, despite the fact that many cars failed to come from Houston and more northern points, having been warned of bad weather by their local weather men, and local eating places were filled to overflowing.

The weather here was ideal, not too hot or too cold, the track was fast, and the humidity was just high enough to set all the engines turning over at peak efficiency.

Brown and Veselka, with their dragster, had some bad luck, blowing a cylinder early. Even so, they were tops for the day although some of the others present turned in some exceedingly good times. Harry Woods of Corpus Christi turned in the fastest time in the motorcycle division of the drag races held here Sunday.

Woods posted a 101.69 miles per

Hale-Aikin Meeting **Held Tuesday Night**

An enthusiastic group of citizens, representing a cross section of the population of Aransas County, attended the organizational meeting of the Hale-Aiken Committee at the high school cafetorium, Tuesday night.

Patrons of the three schools in the county, faculty members, representatives of the board of education and other interested citizens made up the group called together to study the needs of the Texas public schools.

> Later, Loyd Richardson, of the Richardson Construction Company, Aransas Pass, bought out Steele's interest.

> The Rice Boat Works, as it came to be known, was one of the earliest shipyards along the Texas coast to secure war contracts.

"We built twenty-four 110-foot subchasers for the Navy," Rice said, "and nine 65-foot T-boats

"Since then we have built 10 or 12 big shrimpers, including a couple for the Crawford Packing Co. at Palacios, in addition to our regular repair work."

Among the shipyard's regular customers was the Matagorda Air Force Base at Port O'Connor, which depended on Rice to keep boats, barges and ferries used there in tip-top shape. The Coast Guard also had its cutters hauled out there whenever they needed repairs or an overhaul, as Rice's was practically the only ways that would handle boats larger than shrimpers, from Galveston to Port Isabel, and it employed a work force of between 25 and 30 men the year round.

The late S. E. Rice was no longer interested in the yard, as, some years before his death he and To go with the exhibit, the R. R. divided their holdings, S. E. some new maps prepared, showing R. Rice remaining here. connection with this dread disease. He also showed films that he had made of actual rabies cases.

Seth Steele petitioned for annexation of lots 12 to 16, in Block 209, Smith and Wood, and this petition was granted and the necesy sary ordinance prepared.

Mayor Chester Johnson reported that progress on the highway project had slowed down considerably, and that construction would start at a later date than originally planned.

Richard Hatch, city attorney, told councilmen that right-of-way easements were being procured, and that satisfactory progress along these lines was being made. He stated that, because of delay in the project, there was no great hurry in beginning curb and gutter assessments.

Johnson reported to the council that street improvement bonds had been approved and delivered, and that the money was on deposit at the First National Bank. The city instructed to continue payments ors, so if you do visit the schools on this project from the general fund, and also to write Laddie Janicek, of the First Texas, telling him that as soon as a complete transcript of all transactions connected with the Street Improvement Bond Issue is submitted, payment will be made for his services in connection with the issuance of the bonds.

The mayor was asked to investigate operation of the taxicab ordinance in the city, and councilmen requested copies of the previous ordinance on taxicabs, to compare it with a new one now planned.

BAND CONCERT ON FRIDAY

There will be a band concert at the High School Friday afternoon at 1:30 o'clock, and everyone is welcome, as this is part of the open house to be held at all schools during Public School Week. Refreshments will be served in the cafeteria afterwards.

Both elementary schools are also holding open houses, and there is a contest on between the rooms to see which can have the most visit-(and you should) be sure and register, so that someone will get credit for it.

Local O.E.S. to Serve Banquet

The local chapter of the Order of the Eastern Star will serve the annual banquet of the Chamber of Commerce in the Woman's Club building on the evening of Tuesday, March 4, Mrs. Mary Juergens, chamber manager, told directors at their regular meeting.

Mrs. Juergens said that so far approximately 115 tickets had been sold to the affair, at which between 125 and 130 were expected. She emphasized the fact that anyshould contact her at the chamber, or else could purchase tickets at the door. Another thing that Mrs. Juergens and directors said should be made clear is that you do not have to be a member of the Chamber of Commerce to attend the banquet. Mombers can bring guests that are not chamber members, or persons who are not chamber members and who wish to attend are Bar. Rain M.p.h. Dir. welcome to come on their own E hook.

Rev. F. M. Freeze **To Lead Revival**

A revival will be held in Rockport at the First Assembly of God

the near future. Church beginning March 3 and running through Friday, March 7. er of Education, says: The Rev. A. M. Freeze, formerly of Aransas Pass, and now of Corpus Christi, will lead the revival, according to Rev. J. R. Flaming, pastor of the local church.

Tom Shults Busiest Man In Town This Week

programs of their local schools. Tom Shults was the busiest man in town this past week, and had more headaches than any one man needs. A rain that totaled about three inches hit the already waterlogged soil of Rockport, with the result that practically everything one who has not been contacted everywhere overflowed, flooded, or wont out of kilter.

That he did a magnificent job of trouble shooting was evident all over town, where he and his crew could be seen hard at work installing drainage ditches, culverts, pumping water from low places, and otherwise repairing the

damage done by unprecedented rains. WE'RE SORRY -
