## New Fire Truck

Eddie Williams, Fire Chief is shown above standing next to the new Fire Truck Stratford recently acquired.

Stratford Fire Department has received a new fire truck. This truck is a 1987 Ford Conventional 800 Engine Detroit Diesel 8.2T, 205 HP, 5 speed with a 130 amp alternator. The truck is a 1,000 gal. pumper which the State calls a "Class A" pumper. The tank is 750. The truck will hold about 2,000 feet of hose and came equipped with the following additional equipment: 1-3,000 watt Honda generator 1-Federal light telescoping pole

1-hose bed cover  
1,200 feet of 2 1/2 inch hose.  
400 ft. of 1 1/2 inch hose  
2-2 1/2 inch nozzles  
2-1 1/2 inch nozzles  
1-15 ft. soft suction  
1-24 ft. two section ladder  
1-14 ft. ladder  
1-37-180 radio.

The cost of the new fire truck is \$76,000 fully equipped. This pumper will be replacing the present pumper which is 30 years old and no longer recognized by the State Board of Insurance.

Why did the fire department get a new fire truck:

The State Board of Insurance said that our 1958 pumper will no longer be recognized. That plans should be investigated for an updated pumper. If the 1958 pumper had not been replaced the fire insurance rates would have increased about 80%.

The Stratford Fire Department would like to thank the City of Stratford and Sherman County Commissioners for their support.

Thank you  
Eddie Williams  
Fire Chief

## Bank Presents Filmstrip To High School

Typically, people have had to go to banks to learn about banking. The transition is being made however; the banking representative assisting the teacher with the technical aspects of banking. This is evidenced in a new filmstrip program "BANK-

# SCOT Notes

by Timmie Brown

Hi cheery "hello" to all Scot members and friends this showery Monday A.M. Almost need a little help from our furnances this a.m. don't we? Temperature is around 50 degrees we are told. Taking good advice about making an article worth printing, we state: This is Monday, August 24, 1987 and reported temperature is 50 degrees.

Scot calendar this week includes Board Meeting, Tues. 25, Scot regular meeting Thursday the 27th and Senior Citizens dance Saturday, August 29.

Trust you are ready and enthusiastic about the noon meeting, August 27th. Beside seeing our friends and enjoying our good meal, the Entertainment planned by Oline Caraway is unusual. Shannon Taliaferro is presenting a musical program. Hosts for our meeting are listed as follows: Chairpersons, Helen & Jim Taylor, Juanita and Cone Donelson, Alora and Tommy Taylor, Minnie Reeder, Maurine Plunk, Buzz and Alda Mitts. Come expecting a dandy meeting.

Good news for the dancers and music lovers is that musician, Dennis Hawley of Trinidad, Colo will be present to furnish the music. We plan to enjoy his dinner music.

Scatters offer love and congratulations to all the young people who have been in various contests lately-you are all winners to us!

Bob Lee returned home after a "good" visit with his

# Kerrick News

by Marylou McDaniel

On the coldest day ever, in August, Hank & Mabel Rogers and Alvin and Dayle Harris were hosts for Kerrick Community's annual swimming party! This was on Sunday, August 23rd at Stratford's indoor pool. Afterward the group gathered at Kerrick Community Center for a picnic supper. Those enjoying the swim or picnic, or both, were: Bevin and Donna Avent, April Harper, Bevilyn, Jimmy, Deanna and Lacey Wright, Kenneth, Lynn, and Derrek Wells, Ralph, Minnie, Ralph James and Annette Hampton, Verlie, Shannon and Laurie Norris, Virgie Mathews, Franny Taylor, Kayo and Jo June McDaniel, Ted and Joyce Irlbeck, Pat and Bill Boren, Bruce and Jay Harris and the hosts. A special thanks to Terry Kennedy for donating her time to be life guard.

As of 9:00 p.m. August 23rd, it's 51 degrees, still cloudy, and we have been blessed with one-half inch of nice soft rain!!! A short distance to the southwest, even more-like .60 and .65 maybe before we get this mailed in the morning we can report we've had more!

Jo June McDaniel wishes to remind everyone to get your Chili Pot and Favorite Recipe ready so you'll be all set to enter the Chili Cook Off on September 10th, during the Stratford Fair. Rules are in the Fair Book.

Derrick Wells, Stratford, is spending a few days this week with his grandparents, Kenneth and Lynn Wells.

Bethany Craig of Dumas, has been around most of the summer visiting with the Ralph Hampton, Larry Norris and Don Ellison families. She left August 15th for North Carolina and returned to her home in Dumas on the 23rd.

Mandy, daughter of Doug and Anita Taylor, flew to Dallas for a week's visit with her cousins, Erika and Amy Taylor of Euless, Texas. They are daughters of Bill and Sandy Taylor.

Nita Taylor enjoyed having her cousin, Dr. Bonnie Bell Buchanan, of Oklahoma City, as a house guest last Thursday night. Dr. Buchanan also visited with her Aunt, Minnie Butler.

Randy, Linda Kay, Jennifer, Lena, and Scott Swagerty of Clayton, New Mexico, were guest of Kayo and Jo June McDaniel Wednesday of last week.

Kelly and Monica Schoonover of Lubbock, were here visiting his family, Barbara, Terry, and Brady Schoonover for a few days last week.

Terri McDaniel and baby son, Nicholas, returned recently from spending 2 weeks in Hay Springs and Harrison, Nebraska. While there, Terri attended her 10th year class reunion at Sioux County High School.

Pat and Bill Boren have kept busy lately getting their kids off to school. Last weekend Bill helped Joe Bill move to Waco, where he'll be attending Baylor University. This weekend they moved Kerry to Goodwell. She will enroll for her third year at Panhandle State University on Monday.

Hank and Mabel Rogers and grandson, Josh, visited David Rogers in Denver recently. They returned a day earlier than planned so

Hank could consult a Doctor in Amarillo. Everything checked out fine, however. He just had some sore muscles.

On August 16th, 66 descendants of Mr. and Mrs. Benjamin Crabtree enjoyed a reunion at Kerrick Community Center. Those coming from a distance were: Ellen Myer and Grandson, T.J., from Winters, Texas. Ellen is a daughter of Virgil Crabtree. Also present were Ellen Wainscott Rogers and husband, Paul, from Buffalo, Oklahoma, and Jeanene and Dave Foeche and family of Colorado Springs. Jeanene is a daughter of Marshall Crabtree. Of the rest of the 66 people, none live father away than Amarillo.

L.D. Peters returned to his home in Dalhart Friday after spending a week with his cousin, Terri McDaniel.

Pat Boren and Franny Taylor had a ball visiting Fred and Marylou McDaniel at "Fred's Spread" in Colorado recently!! Patti and Sarah Powell, Denver, joined them for a weekend. Pat finally got to fish to her heart's content!! She caught about 40 beautiful trout!! then, of course, you get to eat them!! Fred is getting to be quite accomplished at cooking fish and potatoes outdoors! It was so cool and restful, they hated to have to return home to yards that needed water and hot winds and temperatures. Fred had to come home too, for business reasons.

Nita Taylor, Kenneth Borth and J.A. And Dorothy Robbins from Stratford, enjoyed the Horse Races in Raton Sunday.

While Newt Crabtree, Martha Ellison, and others were on their Alaska trip, some of the rest of the Newt Crabtree family enjoyed their annual family camp out at Platona, Colorado. and Denton Crabtree from Mt. Vernon, Missouri.

Campers were: Ted and Joyce Irlbeck, their daughter Belinda, and Jim, Tracy, Aaron, Megan and Jason Roberts from Coneln, Ted's sister Roberta and Elroy, Virginia, and Eddie Artho from Hereford. Part of the fun was riding their 4-wheelers and motorcycles. Cicki Thompson kept the post office open while Joyce was gone.

Kayo and Jo June McDaniel recently visited with Kayo's sister and husband, Ina and Newt James, on their ranch near Nara Visa, New Mexico.

Joyce Irlbeck had a call from former resident, Bob Scott of Kerrville. Last Wednesday the Scotts moved into their new home, which is a short distance from the Gualalupe River. He said he hadn't fished in 40 years, but intended to do lots of fishing now. Bob and Ferne's new address is: 2106 Waterfront St. Kerrville, Tex. 78028. I bet they'd like to hear from some of their old friends.

Pat and Bill Boren had a wonderful time Saturday night at the Luau at Gennell York's. There was live music by a group from Amarillo and very good old time to modern dancing by Jane Record of Dumas. Everyone received a Lei. The traditional roast pig with an apple in it's mouth and lots of other good, good things were served! A good time was had by all!

Barbara and Donna Avent and Bevilyn Wright spent last Thursday shopping in Taos and Red River. They left all the kids at home and really enjoyed the long day!!

Band Practice started on Monday, August 17th. Kerrick has only one member of the Stratford High School Big Blue Band this year. She is Kim Thompson.

## Fitness Tips

BY MECHELLE BALL

For those of you who have not jumped on "the fitness wagon" but are getting ready to make the big leap, a few tips to prevent you from missing the cart....

Getting out of shape is a process which did not occur overnight. Therefore, getting back into shape cannot be done overnight. Overworking the body--too much, too fast--will only set you up for failure. An overworked, out-of-shape body is susceptible to injury and an injured body only gets more out of shape as it "heals-up".

Before you begin your fitness program, have a physical examination from your doctor--especially sedentary men and women over the age of 35. Once you have gotten the necessary approval from your physician, then you might consider consulting professionals in health and physical education to assist you in the design of your program.

Start your fitness program gradually--allow yourself and your body time to become reacquainted. You will not see results overnight so patience, in this instance, is a real virtue. If you follow a consistent, sane aerobic exercise and good nutrition program, you will begin to notice change within six to eight weeks.

Your fitness program should include five components to be a well-rounded regime, with each component being equally important: Flexibility; muscular strength; muscular endurance; cardiovascular-respiratory conditioning; and body composition.

Flexibility exercises increase the body's range of motion, allowing one to move more freely during exercise and day-to-day activities. Properly executed stretching/flexibility exercises also decrease muscle tension and cuts down on the risk of injury during other types of physical exertion.

The body becomes a stronger machine with the force of muscle against resistance. Working with weights is an excellent way to improve muscular strength, however, many of the exercises performed in organized classes accomplish much the same result, using the air as resistance in floor and free-arm work. It is

obviously important for you to have strong muscles to be a fit person.

The ability to go for "The long haul" is defined as muscular endurance and this is the muscle's ability to resist fatigue. Along the same line is cardiovascular/respiratory conditioning which is the capacity of the heart and lungs to perform moderate-strenuous large muscle exercise for a relatively long period of time.

Last, but not least, if body composition, which I consider to be the end result of your efforts. A truly fit body is composed of lean body mass-muscle and bone-as opposed to an unfit body which is composed mainly of fat tissue.

The benefits of a well-rounded, sane exercise program will be enjoyed by the person who approaches his fitness task gradually, but consistently. In Luke 15:11-32 we find what is referred to as the parable of the Prodigal Son. It is in reality an illustration of the Father's redeeming love. In the story, the prodigal represents lost humanity who live in the rejecting world. The father represents God and the elder brother represents Israel. There are three things shown as cost of the prodigal's sin. [1] Sin always takes a person farther from the Father than they intended to go. The prodigal only wanted to go into the city to see the sights and live a little. He certainly didn't intend to travel to a hog pen! [2] Sin always costs more than a person intends to pay. There may be pleasure and enjoyment for a season but there is always a payday-in this life or the next. In the parable it cost the prodigal everything! He didn't even have food to eat. It costs some their health, some their families, some their lives and many their eternal souls. [3] Sin always keeps a person longer than they intended to stay. No doubt as the money began to dwindle the prodigal would say "one more day" and then later "just one more day" until finally he found himself in the hog pen. Some wait too long to get back to God and never make it. Two other thoughts concerning this parable: [1] The elder brother did not go into the Father's banquet for he was jealous. He represents a nation and religion that was ordained of God to bring forth his Son-then rejected him! He represents those who are religious but lost, who "have a form of Godliness but deny the power thereof [II Tim. 3:5]. [2] Even though the prodigal came to the father and there was happiness and joy and forgiveness, what about those lives he had influenced and left behind? What about somebody's daughter he associated with and persuaded to involved with him? What about the guys he had boozed it up with and gambled with? You see even though God loves us and forgives us when we come home to him, we can never undo the influence of our sin upon the lives of others. For better to come to God early and live holy and blameless lives.

## INSTRUCTOR GAVE AN 'A'

Identity of the young lady is withheld but the memory of her answer lingers on with the instructor conducting a science course at a local high school. One of the requirements in the written quiz was: "Define a bolt and a nut and explain the difference if any. The girl wrote:

A bolt is a thing like stick of hard metal such as iron, with a square bunch on one end and a lot of scratching wound around the other end. A nut is similar to a bolt only just the opposite, being a hole in a little chunk of iron sawed off short, with wrinkles around the inside of the hole."

The startled professor marked that one with a large "A".

## TRIED TO DOGE BRIDGE AND LOST HIS AUTOMOBILE

Clyde Younghorse, a young northern Oklahoma Indian who has recently become oil rich, bought himself a \$5,000 automobile out in Oregon last week and drove away. Next day the automobile salesman was confronted by Younghorse again. The Indian was afoot. He walked with a limp and his face bore various contusions and bruises. He had a pocket full of money and he wanted to buy another car. This was his explanation:

"Drive out big car, buy gallon moonshine; take drink, step on gas. Trees and fences go by fast. Pretty soon see big bridge coming down road. Turn out to let bridge pass. Bang! Car gone. Gimme 'nother one."

I have been fifth-columned bamboozled, flim-flammed and propagandized. Here I have been sleeping with Mom and Pop for nearly three years and all of a sudden they start spreading the story that only babies sleep with their Moms. They put it over, too, and to prove I am a big boy, I started sleeping in my own bed. Now it has dawned on me there's something rotten in what used to be Denmark; this propaganda has moved me out, but Pop is still there.

A little boy about 4 was watching the repair man trying to fix their TV set. The boy said I think if you get all those dead cowboys out of the bottom of it, it will be OK.
