National Crisis To Be Discussed Friday Night

The public is invited to a lecture discussion on "Race Riots: A National Crisis," to be presented at the Trinity Lutheran Church, Friday, August 25th, at 8:00 p. m., by Rev. Allen Johannes, pastor.

"Why do we have these riots? Why are they a national concern? The answer is not an easy one, yet it is one that we must ask and face realistically and openly by all people in our society today," Rev. Johannes said.

Rev. Johannes was in Detroit the day the riots broke out and two weeks later toured the devastated areas of that city. "The destruction that took place is unbelievable unless one is able to see it with his own eyes. Detroit looked as if it had been a European city during the war," Johannes said.

"Will the Watts, Newark and Detroit riots be repeated? This is a question that depends on both the white and colored communities. It is not a matter of either/or but both/and situation. Friday night's discussion is designed so that we might begin to understand one another and attempt to begin to answer some of the grave questions that are before us today," Rev. Johannes said.

MISS PATRICIA JEWELL IS CROWNED "MISS HEY-DAY"

Miss Patricia Jewell, 18, daughter of Mr. and Mrs. Harold C. Jewell of Haskell, was crowned Miss Hey-Day of 1967 before an overflow crowd at the Texas Theatre last Thursday night.

Miss Jewell was selected tops among 78 contestants in the fourth annual Hey-Day contest. First runner-up was Deborah Darnell, 16, daughter of Mr. and Mrs. John Darnell of Haskell. Second runner-up was Anita Kay Newton, 18, daughter of Mr. and Mrs. Leon Newton of Weinert.

Others in the top five finalists were Belinda McKelvain, 17, daughter of Mr. and Mrs. C. W. McKelvain, of Haskell, and Rubye Rainey, 18, daughter of Mr. and Mrs. R. J. Rainey, of Weinert.

Marsha Shaver, daughter of Mr. and Mrs. R. A. Shaver, of Rochester, the 1966 Miss Hey-Day, crowned the new Miss Hey-Day of 1967.

The field of 78 contestants was first narrowed down to 15 finalists, including: Peggy Thigpen, Peggy Blair, Diana Sue Hester, Patricia Jewell, Rhonda Sue Woodard, Deborah Darnell, Barbara Foster, Belinda McKelvain, Linda Riley and Margaret Cook, all of Haskell; Sherry Tibbetts, Rochester; Mary Yates, Anita Kay Newton and Rubye Rainey of Weinert, and Edith Chambers of Rule.

Judges were Mrs. Jack Watson and Mrs. Wayne Barnett of Stamford; Mrs. Talmadge Dean and Mrs. Helen Propst, of An-

Dist. Governor To Visit Haskell Rotary Club

Members of the Haskell Rotary Club will welcome District Governor Scranton Jones of Fort Worth on Thursday, August 31, on the occasion of his official visit to the club.

Governor Jones, who serves the 579th Rotary District, composed of 41 clubs, will speak on Thursday, August 31, at noon to the club and will confer with Robert Greenroy, Haskell Club president, and other club officials to obtain information on the club's plan for its service activities and to offer suggestions on Rotary matters.

Governor Jones is one of 283 Rotary district governors in all parts of the world. More than 12,900 Rotary Clubs in 134 countries are supervised by district governors. Jones, a past president of the Rotary Club of South Fort Worth, is an attorney and recently served as city councilman and mayor pro tem of Fort Worth.

"While in Haskell, Governor Jones will talk with us about possible growth of membership in order to better represent the business and professional classifications," president Greenroy said. "His visit will also give our members a broader understanding of the worldwide Rotary organization that today embraces more than 620,500 men and practically all nationalities and political and religious beliefs," he added.

Though a seasoned Rotarian before his election to the office of District Governor, Jones attended an eight-day meeting last May in New York State at which all Rotary Governors for the new club year received intensive training for their work.

One of the governor's major tasks, besides visiting each of the 41 clubs, will be to plan and direct the District Conference which will be held at Greene Oaks Inn in Fort Worth March 14-16, 1968.

Coach Everett Lions Speaker Tuesday Noon

"Winning is the American way of life and we want our boys to win," Haskell High School head football coach, Sonny Everett told members of the Lions Club at the Tuesday noon luncheon meeting at Fekker's dining room.

Troy Cuipepper was in charge of the program and introduced the guest speaker.

"A good athlete must have a funny bone, a wish bone, and a back bone," Coach Everett said. "If you don't play to win, why keep score? I don't exactly agree with the old adage that it's not so much if you win or lose, it's how you play the game. Of course, we teach our boys to play clean ... but on the other hand, we try to instill into them the desire to win," Everett said.

"All athletes must have self-discipline, learn how to accept their mistakes and then work harder to overcome those mistakes," the guest speaker said.

"The first scrimmage is set for Friday night, August 25th, with Herschi High, Wichita Falls, and a home scrimmage will be with Coleman here on Friday, September 1. All Indian fans are invited to attend these scrimmages, as well as all practice sessions," Coach Everett said.

Visitors introduced at the meeting were Everett's coaching staff, Jerry McWilliams, Raymond Bennett and Don Mullins and five of the senior football players, Patrick Pace, Ray Herren, John Jossel, Doug Bartley and Stanley Fancher. Other guests were Bill Thomas, Abilene Attorney and Jim Kemp.

Three Vehicles Heavily Damaged Over Weekend

Only one person received minor injuries, but heavy damage resulted to three vehicles in two wrecks over the weekend.

Roy Taylor Hunt, of Rule, driving a 1961 Chevrolet pick-up, smashed into a cow three miles west of Rule on State Highway 24, around 9:20 p. m. Friday. No one was injured in the mishap, but some \$400 damage resulted from the accident. The cow, belonging to Jack Wilcox, was killed in the mishap.

Sunday, around 2:45 p. m., on Farm Road 617, two miles north of Rule, a 1967 Ford pick-up, driven by Walter Douglass, of Aspermont, and a 1964 Ford pick-up driven by Dwight Kinney of Rule collided, resulting in some \$2,000 damage to both vehicles. Mrs. Douglass received only minor cuts on the knee.

Patrolmen Jim Terrell and Jesse Priest investigated the accidents.

LITTLE MISS HEY-DAY: Jill Ann Adkins, seven-year-old daughter of Mr. and Mrs. Royce Adkins, of Haskell, receives her crown as 1967 "Little Miss Hey-Day," from last year's title holder, Miss Emily Thigpen, during the Little Miss Hey-Day activities at the Elementary School Friday night.

JILL ADKINS IS SELECTED LITTLE MISS HEY-DAY '67

"A Vision of the Royal Palace," drawn by Mrs. R. W. Herren, set the stage decorations for the Little Miss Hey-Day pageant last Friday evening at the Elementary School.

Jill Adkins, seven-year-old daughter of District Attorney and Mrs. Royce Adkins, of Haskell, was crowned 1967 "Little Miss Hey-Day" by Emily Thigpen, the 1966 Little Miss Hey-Day. Emily is the daughter of Dr. and Mrs. Joe Thigpen.

The large field of contestants was first narrowed down to 10 finalists, including Kay Campbell, Jill Adkins, Terrie Mullins, Tammy Peiser, Deborah Sears, Sharon Turnbow, Tamra Parratt, Connie Jameson, all of Haskell; and Sherry Sloan, Camey Lynn Glover, of Rochester.

Sherry Sloan, age 10, daughter of Mr. and Mrs. Howard Sloan, of Rochester, was first runner-up and Deborah Sears, age 8, daughter of Mr. and Mrs. Harold Sears of Haskell was second runner-up.

Costumed "Heralds," Art Williams and Jim Pippin, marching down the aisle ahead of the reigning Queen, Little Miss Hey-Day of 1966, Emily Thigpen, and her escort, Jackie McAloo, set the "Carnegie" theme of the pageant.

Thirty-two little misses, each wearing a gold crown, indicating that she was a princess in line for the throne, were sponsored by Haskell County merchants.

Receiving at the entrance to the auditorium and distributing programs was the first Little Miss Hey-Day, Robin Wheatley, and her escort, Pace O'Neal.

Hostesses to the pageant participants were Mrs. Joe Thigpen, Mrs. Bob Greenroy, Mrs. Bobby Ray Roberts and Mrs. Pat Bledsoe.

General chairman for Hey-Day was Mrs. Myron Beard, with Mrs. Robert Wheatley, Little Miss Hey-Day chairman. Wallace Cox Jr., was master of ceremonies.

Judges were Miss Hazel Long, Mrs. Robert Vaughan and Mrs. Fuller Shannon of Knox City. Hostess to the judges was Mrs. Luther Barklett.

COMMISSIONERS STUDYING COMBINING VOTING BOXES

In a meeting Tuesday, Haskell County Commissioners discussed combining voting boxes in the county. Under a new law passed by the legislature this past spring, no voting box can be maintained where there are less than 50 registered voters.

County Judge B. O. Roberson said that action on the matter would be taken by the Commissioners Court prior to October 1, 1967.

As a result of the new law passed by the Texas Legislature, fewer voting precincts in Haskell County appear in the offing.

Senate Bill 58, Section 7 states that if there are not as many as 50 registered voters in the precinct, it is mandatory that it be combined with another box.

According to the new law, it will affect five boxes in Haskell County ... Jud. Mattson, Irby, McConnell and Tanner Paint.

Haskell Merchants To Attend Market

Mrs. Stanley Fureh and Mrs. Opal Adkins of the Personality Shoppe; Mrs. Hardin Coffield of Coffield's Department Store; Mrs. R. A. Lane, Mrs. Viars Felker and Hazel Hodze, of Lane-Felker; Mr. and Mrs. Bob Wheatley and Robin of the C&B Store; Mrs. S. Hassen and Raja of Hassen's, and Mrs. Elma Guest of Elma Guest Ready-to-Wear, will attend the Holiday Market in Dallas, August 26-31.

Former Haskell Man Is Enroute To Australia

Mr. and Mrs. Jack Larned and son, Jean, age 3, visited in Haskell the first of this week with his mother, Mae Larned, and other relatives and friends.

Mr. Larned, a graduate of Haskell High School with the class of 1934, completed a 27-year police career on August 15 at San Antonio and is enroute to Australia where he will be a pistol shooting coach for the Australian Olympic competitors.

Mr. and Mrs. Larned and little son will embark from Vancouver, British Columbia, on September 9 via boat, for Australia.

HEY-DAY ROYALTY: Marsha Shaver, of Rochester, Miss Hey-Day of 1966, right, presents a trophy to the new "Miss Hey-Day," Patricia Jewell, of Haskell, at the conclusion of the Miss Hey-Day pageant at the Texas Theatre last Thursday night.

SAGERTON NEWS

MRS. DELBERT LEFEVRE

We received a good rain Wednesday of last week in part of this community. South of Sagerton over three inches fell, with the rain getting lighter further north. Crops will benefit greatly from the rain, especially the maize that is heading out.

Mr. and Mrs. Keith Whiteaker came in last week from Triangle, Virginia. Keith, who is in the Marines and will be discharged soon, returned to Virginia to his base until September 12, when he will be discharged and will enter Texas University. Jana and her mother, Mrs. F. A. Ulmer, went to Austin the end of last week where Jana was interviewed for a teaching position. She will reach the second grade in an Austin public school. She left Wednesday of this week to get ready for her school. Mrs. J. N. Boykin of Rule was also a guest in the F. A. Ulmer home on Wednesday night.

Mr. and Mrs. Mike Bailey and Rob of Amarillo spent Saturday with Mr. and Mrs. Delbert LeFevre and family. Other guests in their home Saturday were: Mr. and Mrs. Bob Bailey and Judy of Brownfield, Mr. and Mrs. Scotty White and Todd of Rule, Mrs. Keith Whiteaker, Mrs. F. A. Ulmer, Mr. and Mrs. Cliff LeFevre and Mrs. Reece Clark.

Mr. and Mrs. Charles Clark enjoyed an outing at Lake Whitney Sunday. They flew down in their plane.

Mr. and Mrs. Joe Swofford and children, Jay, Susan and Joann, enjoyed the weekend near Junction at their deer lease, just relaxing.

Residents of the community were shocked by the sudden death of Mrs. C. C. Bredthauer Wednesday afternoon of last week. She took ill suddenly at her home and passed away at the Stamford Hospital just as she arrived. Mrs. Bredthauer was a faithful member of St. Paul's Lutheran Church and enjoyed doing all she could for her church. She will be greatly missed, and the people of the community offer their sincere sympathy to her family.

Johnny Manske, who has been working with his brother, Jerry, with a combine that took them all the way to Canada, has returned home to go back to high school. His brother, Tommy, and Monty Martin of Rule, went up and came back with him.

Mrs. Ben Hess hosted the Sutch and Chatter Club in her home Wednesday afternoon of last week. Those present were:

Mrs. Etta Leach, Mrs. Cliff LeFevre, Mrs. J. H. Jordan, Mrs. John Clark and Mrs. Oscar Gibson, and the hostess.

Mrs. John L. Brooks visited her daughter, Mrs. Maxey Thompson and Mr. Thompson and Melinda, at Irving last

week.

Diane Stegemoller, daughter of Mr. and Mrs. Kenneth Stegemoller of Dallas, who spent two weeks here with her grandparents, Mr. and Mrs. F. A. Stegemoller, has returned home.

Mrs. Eldon Lewick was honored with a "pink and blue" shower in St. Paul's Lutheran basement Saturday afternoon of last week.

Mrs. John Clark and Mrs.

Ben Hess had a surprise visit Friday of last week from an old friend, Dr. Royal Moore, who lived here at Sagerton when he was a boy and moved away to California with his mother, Mrs. Kitty Moore, in 1911. He is now a surgeon at a children's hospital in Philadelphia, Penn. He flew down in his own plane to Abilene and came on here by car. He went to school here with Mrs. Clark. He also got to talk to another old friend, Dick Han-

kins. We are pleased that he thought enough of our little community to come back and visit with old friends.

Mrs. M. Y. Benton attended the Achievement Day Hobby Show at Rule Wednesday of last week.

Entries In State Fair of Texas Women's Dept. Must Meet Deadline

Fair fans who have a flair for the needle, crocheting, or pottery wheel and who plan to try for prizes in the State Fair of Texas Women's Department, must meet a deadline of Friday, September 1st.

Overall dates for the 1967 exposition in Dallas will be October 7-22.

Mrs. Elizabeth Peabody, Women's Department director, said that registration forms should be in September 1 for the following divisions: Art, Designer-Craftsman, Leathercraft, Hand Painted China, Ceramics, Creative Hobbies, Holiday Corner, Needlework and Sewing, Foods, Antiques and Hobby Collections. Articles to be exhibited will be received in the Women's Department September 2nd until noon September 26th.

The second important date for persons planning to enter the Fashion Sewing Contest will be September 28 when registration forms must be submitted. Upon receipt of the entry form identification tags will be mailed to the contestant for attaching to the garment.

Clothing contest entrants must bring their garments to the Women's Building no later than 8:30 a. m. on Monday, October 9, for judging. Winning garments will be modeled in a style show at 1 p. m. in the Women's Department auditorium.

Entry forms and the premium list are available by writing to the Women's Department, State Fair of Texas, Dallas, Texas 75226.

Clothing Designers Call 1967 The Year "Anything Goes" In Women's Fashions

Clothing designers call 1967 the year "anything goes" in women's fashions. The mood runs from mod to mad and back to conservative, and even the designers can't agree on hem lengths for fall. Some show short skirts, some show long.

But one thing everyone agrees on, says Barbara Elliott, Haskell County Home Demonstration Agent, is the "total look" in attire. Each detail of the outfit is planned to produce a becoming total picture.

The Home Demonstration Agent suggests keeping the "total look" in mind when planning a fall wardrobe. And, most important is careful selection of accessories.

Accessories prove costly if good for only one or two wearings. Good leather bags, gloves and shoes are a mark of well-dressed persons, and are considered investments which last and look good longer than the cheaper ones.

Choose accessories simple in line and neat in workmanship. A few pieces of costume jewelry of semi-precious stones cost no more than a lot of imitation items and are in better taste.

The agent recommends subdued accessories with bright-colored garments; simply designed hats, shoes and bags with prints and plaids; a touch of color to relieve the monotony with all-black ensembles.

The width and height of a hat should balance with face and figure proportions. Horizontal and curving lines round and broaden face and figure; vertical lines lengthen and slenderize; and diagonal lines help diminish poor features, such as a square chin.

The smart shopper buys accessories suited for the places she goes. But the best rule of thumb is the old cliché—when in doubt, leave it out.

MRS. STEPHEN BENJAMIN HATERIUS
... formerly Virginia Ann Westbrook

WESTBROOK-HATERIUS WEDDING VOWS EXCHANGED SATURDAY

Mr. and Mrs. Stephen Benjamin Haterius are on a wedding trip to New Orleans after their wedding Saturday in the Bethel Lutheran Church in Stamford.

The bride, the former Miss Virginia Ann Westbrook, is the daughter of Mr. and Mrs. W. L. Pinkard of Rule. Haterius is the son of Mr. and Mrs. H. Birger Haterius of Stamford.

Dr. Hugo B. Haterius, grandfather of the groom, officiated. Mrs. Hugo B. Haterius was organist and Miss Ingrid Haterius, the bridegroom's sister, was soloist.

Pinkard gave the bride in marriage. Her cage gown was organza over peau de soie with a coat of Chantilly lace which had a chapel train. Her veil was held by a lace cap trimmed with pearls and she carried pink roses and gardenias.

Mrs. Ronnie May, the bride's sister, and Mrs. Jerry Hadaway were matrons of honor. They wore cage dresses of cherry georgette over taffeta sheaths. Clusters of cabbage roses held their veils. They carried pink roses and stephanotis.

The bridesmaids wore costumes like the matrons of honor. They wore cage dresses of cherry georgette over taffeta sheaths. Clusters of cabbage roses held their veils. They carried pink roses and stephanotis.

The groomsmen were Chuck Brownfield, Roger Merrill, Poncho Steiger and Johnny Westbrook, the bride's brother. Ushers were Ronnie May, Scotty White, David Grisson and Mike Bailey.

Caron Cloud and Jenny Ruth Lisle lighted the candles. Suzanne Haterius was flower girl and Ricky Haterius, the bridegroom's brother, was ring bearer. The bride's parents were hosts for the reception at the church.

The couple will be students at West Texas State University this September. The bride, a sophomore, is Miss Texas Cotton Queen. She was runner-up for Miss Rule High School where she graduated and was drill team majorette and in Beta Club. Haterius will be a senior, is in Beta Beta Beta and Alpha Chi and on the football team. He was graduated from Stamford High School.

The bridegroom's parents hosted the rehearsal dinner at the Cliff House Restaurant in Stamford. The couple will live in Canyon.

Rainbow Club Meets In W. E. Johnson Home

The Rainbow Club met in the home of Mrs. W. E. Johnson on Tuesday, August 15, with Mrs. Lizzie Andrews presiding over the business. The program opened with Stella Josselet leading the group in singing, "The More We Get Together." Beautiful seasonal flowers were attractively arranged throughout the house.

Reports from the committees were given and cards sent to the sick.

Stella Josselet gave the "Thought for the Day." After the group sang "Showers of Blessings" and "Higher Ground," several games were played. A birthday gift was given to the club mother, Mrs. Johnson and "Happy Birthday" was sung to her. Happy anniversary was sung to Mrs. J. B. Edwards in honor of her 64th wedding anniversary. Mrs. Edwards also received the hostess gift.

The meeting closed with all singing "Willing Workers." Refreshments were served to Annie Thomas, Sallie Patterson, Sue Peavy, Mrs. E. W. Andrews, Mrs. J. B. Edwards, Stella Josselet, Mrs. Jim Fouts, Mrs. W. E. Johnson and a visitor, Mrs. Ethel Hunt, from California.

Coffee Introduces Mrs. Thomas Riley Hester

Mrs. Ed Hester, Mrs. W. H. McBroom, Mrs. Jimmy Brown- ing and Mrs. Manuel Medley entertained with a coffee Monday morning, August 14th, in the home of Mrs. Ed Hester, to introduce Mrs. Thomas Riley Hester to a large group of friends and relatives.

The table was laden with a luscious arrangement of fruit and sweet breads.

The Cliff House Restaurant in Stamford. The couple will live in Canyon.

Peggy Thigpen, daughter of Dr. and Mrs. Joe Thigpen, of Haskell, who was first runner-up for last year's Queen at the Greenbelt Bowl football classic, was invited back to Childress for this year's bowl game activities, due to the fact that last year's queen was unable to attend, and Peggy appeared in her place.

Peggy Thigpen Is Honored At Greenbelt Game

Miss Thigpen rode in the parade in a convertible Saturday afternoon, and received all the honors of the queen. She also had the honor of crowning the new queen, Keitha Morris, of White Deer, at half-time ceremonies Saturday night.

Paul Liebent was invited to represent the Indians at Childress but was unable to accept.

"TAMMY AND THE MILLIONAIRE" is hilarious comedy in color

The fun picture of the season comes to the Texas Theatre when Universal's "Tammy and the Millionaire," a feature-length hit from the TV show, opens Sunday. Debbie Watson is Tammy in the comedy which also co-stars Denver Pyle, Frank McGrath, George Furth, Donald Woods and Dorothy Green.

Debbie makes a lovable Tammy. She has a ball with the English language as Grandpappy spoke it; the dialogue is hilarious. And, Tammy is enchanting as moonlight, warm as a sunbeam and funny as no young, beautiful star has been funny before.

In his novels, "Tammy Out of Sight," and "Tammy Tell Me True," upon which the current feature-length hit is based, author Cid Ricketts Summer put the first quaint words into Tammy's mouth, and George Tibbles wrote "Tammy and the Millionaire" for the screen.

This marks the fourth screen adventure for the doll from the bayous. But, while the previous "Tammy and the Bachelor," "Tammy Tell Me True" and "Tammy and the Doctor" were made only for the feature motion picture screen, this one is unique in that it was made entirely from the successful TV show.

VISITORS IN EVA M. PEARSEY HOME

Visitors over the weekend in the home of Mrs. Eva Pearsey were her two daughters, Mrs. B. C. Maddox of Nocona; Mr. and Mrs. Tot Johnson and children, Cheryl and Jeff, of Tulsa; and a granddaughter, Mrs. C. H. Kirby and children, Carole, Celeste, Kent, Claudette and Colette of Henrietta.

Bride-Elect Is Honored With "Gift Coffee"

A gift coffee, Saturday morning, August 19, in the community room of the Haskell National Bank, was a pre-nuptial compliment to Zana Lee Thompson, bride-elect of Perry Wayne Pogue.

Receiving the guests was Mrs. W. S. Pogue Jr., who introduced Miss Thompson, her mother, Mrs. H. G. Thompson of Rotan, and the groom's grandmother, Mrs. John Wisdom.

A silver and crystal serving set adorned the linen cutwork table cloth. Coffee was served by Mrs. E. L. Wyche.

Other hostesses were Mmes. Marvin Letz, Wallace Stark, Bob Herren, Gerald McCoy, Dugan Starr, Cecil Bowers, Bud Herren, Carl Anderson, Maurice Gannaway, Bob Watson and Bill Shaw.

Miss Thompson and Mr. Pogue will be married September 8th.

Final Rites Are Held For Mrs. Bredthauer

Funeral for Mrs. C. C. Bredthauer was held at 3 p. m. Friday at St. Paul Lutheran Church at Sagerton with the Rev. Gary Bruns, pastor, officiating. Burial was in Highland Memorial Cemetery in Stamford with Kinney Funeral Home in charge.

Mrs. Bredthauer, 74, died at Stamford Memorial Hospital at 5 p. m. Wednesday of last week of a stroke.

Mrs. Bredthauer was born Emma Heldmann on October 12, 1892, in Washington County, Texas. She married C. C. Bredthauer November 21, 1912, in Caldwell. They moved to Haskell County, near Sagerton, in 1944.

She was a member of St. Paul Lutheran Church.

Survivors include her husband, four sons, Alvin and Alfred, both of Stamford, Ernest of Sagerton and Walter of Weinert; three daughters, Mrs. Adela Nierdieck of Sagerton, Mrs. Lenora Kiekimoor and Mrs. Irene Bortz, both of Houston; 12 grandchildren; two great-grandsons; three sisters, Miss Elina Heldmann of Houston, Mrs. Mary Homeyer of Caldwell and Mrs. Henrietta Wolff of Austin; and five brothers, Fred of Brenham, Otto, Herbert, Arnold and Ed Heldmann, all of Caldwell.

Grandsons were pallbearers.

What They Wore

THE TROUSSEAU

IN THE 1920'S IT WAS NOT UNCOMMON FOR A BRIDE TO FANTASIZE DURING THE WEDDING CEREMONY—NOT FROM THE EMOTION OF THE EVENT BUT FROM THE SHEER WEIGHT OF THE HALF DOZEN PETTICOATS THAT WERE THE FASHION AT THE TIME!

THE FASHIONABLE BRIDE OF THE 1920'S WOVED HER WEDDING GUESTS WITH A SCENE AWAY ENSEMBLE RICH WITH TRIMMINGS AND ROWS OF BANDING.

ONE OF THE GARMENTS CHOSEN WITH GREATEST CARE BY THE PROSPECTIVE BRIDE OF 1920 WAS THE CORPS BALEINE. ALTHOUGH IT PERFORMED THE SAME DUTY AS A CORSET AND BRA TODAY, IT WAS A THING OF SUCH BEAUTY THAT GOWNS WERE DESIGNED WITH AN OPEN FRONT IN ORDER TO EXPOSE IT TO VIEW.

TODAY... WHEN BUYING WOMEN'S OR CHILDREN'S APPAREL LOOK FOR THIS LABEL—THE SYMBOL OF DECENT, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.

Enter now! win unless you enter. Then, do as Sandy does—relax, refresh, enjoy the Difference.

LETTERS TO THE EDITOR

Hospital Field Director
24th Evac. Hosp.
17 August 1967

Red Cross Chapter
Haskell, Texas

Dear Friends:

On behalf of the patients at the 24th Evac Hospital we would like to thank all of you (EOPW Club, Progressive Study Club, Magazine Club, and Garden Club), for the much-needed supplies which arrived in June. Generally the items are not available in the local area and "doing without" when one is hospitalized can get grim. You have brightened the situation considerably.

The wash cloths were an especially considerate item as many of the men come in right off the field and don't have personal items with them. It is almost unbelievable how dirty one can get in this area; at the present we're in the rainy season which means mud aplenty.

Many of the patients have enjoyed and appreciated the English Leather after-shave lotion. The patients feel it is "really living" to be able to slip a little after-shave on occasionally.

We try to encourage the patients to write home and the pens which you supplied are in constant demand. Most of the patients are quite willing to share if only they can get their hands on an American ball-point.

Of course, the military doesn't change in some respects, and the shoe polish, brushes, and cloths help patients keep their boots and things in order.

The ribbon can always be used as the patients enjoy sending a little gift home and doing something for another person for a change.

Handkerchiefs are really rare around here as the local shops just don't stock them.

All of us, patients and staff, want to thank you folks in Haskell for sending us these much-needed items.

Sincerely yours,
Miss Karen Gramke,
Hosp. Field Director
Miss Gail Jeffreys,
Caseworker.

NOTICE

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS No. 2190-A

Notice is given that NORTH CENTRAL TEXAS MUNICIPAL WATER AUTHORITY, P. O. Box 36, Munday, Texas, applicant, seeks an amendment to Permit No. 1995, from the Texas Water Rights Commission to authorize a change in the dam site to a point approximately two miles downstream from the presently authorized site; to increase the reservoir capacity from 25,520 acre-feet of water to 52,920 acre-feet; to increase the annual appropriation for municipal use from 3,500 acre-feet to 4,300 acre-feet; and to use the waters in storage for recreational use; on Millers Creek, Brazos River Basin, Baylor County, Texas.

The application is submitted under Commission Rule 610 as to all aspects of the project described and proposed in the amended application. Alternatively, Applicant seeks new appropriate rights pursuant to Article 7492, V.A.C.S., for any of the elements of the application to amend which do not fall within the scope of Commission Rule 610.

The appropriated waters will be diverted from the perimeter of the reservoir at a point S 76° W 9,390 feet from the northwest corner of Section 263 (Abstract No. 255), H&TC RR Co. Survey, Block 45, Baylor County, Texas, at a maximum rate of 20 cfs, all of which is more fully described in the application.

Unconsumed municipal water will be returned to the river by the using cities after processing through the respective sewage treatment plants.

Application No. 2190-A was accepted for filing by the Texas Water Rights Commission on June 5, 1967, and a hearing thereon will be held by the Commission in its office at Austin, Texas, on Wednesday, Sept. 20, 1967, at 10:00 o'clock a. m. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2.

Joe D. Carter, Chairman, Texas Water Rights Commission. 32-35c
Date: July 26, 1967.

Financial Aid To Students Is Available From Federal Programs

High school juniors and seniors are reminded that they may be able to obtain financial help to go to college under one of four Federally supported programs.

Dr. C. V. Galbreath, Director of Higher Education for Region VII of the U. S. Department of Health, Education and Welfare, urged that seniors who are planning to attend college this fall and who need financial assistance to meet educational costs get in touch immediately with the financial aid officer at the college of their choice and apply for a job, loan, grant or other assistance for which they may be eligible.

The four major Federal programs of financial aid to students in any field of study are: The National Defense Student Loan Program, the College Work-Study Program, the Educational Opportunity Grant Program, and the Guaranteed Loan Program.

During the 1967-68 academic year it is expected that these four programs will assist about 1,175,000 undergraduate students throughout the nation to attend institutions of higher education, at a total cost of over \$1.1 billion.

National Defense Student Loan Program
"Most colleges and universities in the United States take part in the National Defense Student Loan Program, the oldest major program of Federally supported student assistance," Dr. Galbreath said.

Under this program students borrow directly from their colleges. Repayment and interest do not begin until after the student has ended his studies, and may be extended over a five-year period. An undergraduate student may borrow up to \$1,000 each academic year to a total of \$5,000. Graduate students

may borrow as much as \$2,500 per year to a maximum of \$10,000. There is a special cancellation provision for student borrowers who become teachers.

College Work-Study Program
The College Work-Study Program provides jobs on campus or off-campus for students who need employment to help pay for college expenses. During the present school year it is estimated that more than 184,000 undergraduate students are employed in this program, earning an average total salary of about \$700 a year. During the present school year an estimated 9,880 students attending 77 colleges in Texas were employed in College Work-Study programs at an approximate Federal cost of \$6,350,000.

Educational Opportunity Grants
"The Educational Opportunity Grants," Dr. Galbreath said, "is a new program that began operation in the fall of 1966. It is intended for undergraduate students in such extreme financial need that without the grants they could not attend college."

In its first year of operation \$58-million in Federal grants enabled 134,000 students to attend college. These students, so long as they remain in good standing, are eligible to apply for grants for each year of undergraduate study. The grants range from \$200 to \$800 a year.

Guaranteed Loan Program
The Guaranteed Loan Program, which began operation in the summer of 1966, provides a means for students to borrow directly from their bank, credit union, savings and loan association or other eligible lender.

While any student may borrow, the program is intended primarily to ease the heavy burden of educational costs for middle-income families. For students whose adjusted family income is less than \$15,000 a year the Federal government pays the

entire interest (6 per cent) during the school years, and half the interest (3 per cent) during the repayment period, which begins when studies are terminated. The loans are "guaranteed" by a State agency, or a private non-profit agency designated by the State.

"In spite of the 'tight money market' which existed as the program got underway, and still exists," Dr. Galbreath said, "between July 1, 1966, and Feb. 28, 1967, throughout the nation more than 260,000 students borrowed a total of more than \$206 million in loans. During this time, 7,725 students in Texas borrowed \$5,167,290 for their college expenses."

"A few years ago a college education was a luxury reserved for the child of affluent parents or youngsters with outstanding scholastic ability or athletic skills," Dr. Galbreath said, "but fortunately for our young people and for our country's future this situation has changed."

Dr. Galbreath urged citizens throughout Texas to look for talented young people who may not know of these opportunities for higher education and to encourage them to finish high school and go on to college.

\$5000 - \$9000 ROTC SCHOLARSHIP APPLICATION DATE IS SET

High School senior boys interested in applying for four-year Reserve Officers' Training Corps (ROTC) scholarships for school year 1968-69 must apply before January 15, 1968, according to spokesmen at Headquarters 4th U. S. Army, Fort Sam Houston, San Antonio, Texas.

It is not necessary for applicants to have participated in the junior (or high school) ROTC program. They may attend any college or university offering the four-year Army ROTC Program if accepted by that college.

Nationwide there will be 800 four-year scholarships this year, ranging in value from \$5,000 to \$9,000, depending on the tuition and fees, books, military uniforms and a \$50 monthly living allowance, for the period of the scholarship. The pay is higher during summer camps. There were about 100 scholarships awarded in the Fourth Army area of Texas, Arkansas, Louisiana, Oklahoma and New Mexico last year.

Selection for the scholarships is based on the results of the College Entrance Examination Board (Scholastic Aptitude Tests), high school academic record, participation in extra-curricular activities and personal interview.

The first CEEB-SAT testing date throughout the nation is scheduled for Dec. 2, 1967, for which the last registration date without a penalty fee is Oct. 28. Late registration for the tests may be made until Nov. 11th.

In Texas there will be a special administration of the CEEB-SAT on Nov. 4, for which the without-penalty registration deadline is Oct. 7 and the latest date possible for registration is Oct. 21.

Because of the early closing date (Jan. 15, 1968) for Army ROTC scholarship applications, interested young men are urged to schedule the CEEB-SAT for this first date. Counselors at each high school will have information about where these tests will be administered.

Application kits and further information on the Army ROTC Scholarship Program are available by writing Commanding General, Fourth U. S. Army, ATTN: AKAG-RR, Fort Sam Houston, Tex. 78234. The kits will be mailed as soon as they are available.

Use Only Checks Printed By Your Bank

Elsewhere in today's issue of the Free Press is an advertisement by the Haskell National Bank calling attention to the fact that when writing checks after September 1, 1967, you must use checks printed by your bank.

Customers drafts or changed checks will no longer be honored as checks by Federal Reserve Banks.

To make things easier the Haskell National Bank offers personalized checks with name address and telephone number.

Social Security Aid In Injuries, Illnesses Lasting Twelve Months

Thousands of working Americans suffer serious illness or injury each year. Many of these workers recover within a short time and return to their jobs. Others cannot return to work for as long as a year and some are never able to work again. What happens to the families of workers whose earnings stop? Don Austin, Social Security Field Representative for Haskell County, has these answers:

Social security disability insurance is the answer for employees and self-employed people who have paid social security for at least 5 years out of the 10 years before their disability began. Individuals who became blind before age 31 may be insured with less than five years of work.

In addition, benefits are payable only if a worker has a disability that prevents him from doing any substantial gainful work. This disability must have lasted, or is expected to last, for at least 12 months.

The amount of your monthly benefit depends on your average yearly earnings. For example, if your average earnings under social security are \$4200.00 a year, your disability benefit will amount to \$124.20 each month. Monthly benefits also go to dependents. A wage earner, his wife and two children, with the above average earnings would be entitled to a total of \$280.80 each month. It is important to remember that social security benefits are not paid automatically. Application should be made as soon as it seems likely the disability will prevent work for a year or longer. A representative of the Abilene social security office will be in Haskell every Thursday at 10:00 a. m. at the City

Hall annex to help you in any way possible on any social security matter.

Rotarians Hear Facts About Flying Saucers

Professor Joe Marshall, of Abilene Christian College, showed slides and talked to members of the Rotary Club last Thursday noon about "Unidentified Flying Objects," more commonly known as "Flying Saucers."

Charles Thornhill was in charge of the program and introduced the speaker. "The first known UFO was cited in 1876 by John Dunn of Denison," the speaker said.

"In the past 20 years, flying saucers have changed from cigar shape to circular designs and some 250,000 citations of flying saucers have been reported by reputable people since 1947," Marshall said.

"Of course there have been many hoaxes and many people have been fooled by illusions, but don't be against something that you know very little about, for we have actual proof of flying saucers where material contents have been found," the guest speaker said.

Professor Marshall showed some 30 actual pictures of unidentified flying objects. "If you see a UFO get in touch with me, Joe Marshall, 834 Canyon Court, OR 3-1314, Abilene," the speaker emphasized.

"A number of books on Flying Saucers are available such as 'The Flying Saucers Are Real,' 'The Smoky God, or a Voyage to the Inner World,' 'Flying Saucers Serious Business,' and many others," the speaker said.

President Bob Greenroy presided over the meeting. Invocation was given by Rev. J. V. Patterson; R. C. Couch Jr. led the singing; with Mrs. Henry Withers at the piano. Happy birthday was sung to Bill Skeen and Bill Ratliff.

Guests introduced at the meeting were Mr. and Mrs. Tommy Hester.

Indian Football Tickets On Sale

Reserve seat tickets for the Haskell High School Indians' six home football games went on sale Monday of this week, in the office of high school principal, W. P. McCollum.

During this week, persons who had reserve seat tickets last year have the option of picking-up the same tickets as they held last year. After this week, tickets will go on sale to anyone.

Rolling Plains Farmers, Businessmen In Same Cost-Price Squeeze

In the next few weeks cotton will be mailed to Rolling Plains cotton farmers. The cotton payment to farmers for complying with the federal crop-control program would much prefer to sell his cotton and receive his income solely at the market place. After all, farmers, too, are taxpayers and government payments of any kind are taxpayers' money being collected and redistributed. They might be compared to giving oneself a blood transfusion regularly with your own blood and spilling a little each time.

But with farmers making up only 7 per cent of the total population, others largely decide how much farmers should be paid for producing their products and farmers lacking sufficient organization are compelled to go along.

In 1963 the average selling price of Rolling Plains cotton was 28.54 cents per pound. In 1967 the average selling price will be 15.30 cents per pound. Cotton mills are buying cotton

Market Active And Steady On All Classes

The market was active and steady on all classes at Haskell Livestock Auction Saturday. Receipts for cattle totaled 811 and for hogs 43.

Quotations follow:

Top on hogs 20, bulk of butcher hogs 18.50 to 20, sows 14.50 to 16.50.
 Bulls: bologna 20.50-22, light 19.50-27.
 Butcher cows: fat 17-19; canner and cutter, 14.50-18; old shells down to 12.50.
 Butcher calves and yearlings: choice 25-26, good 24-25, standard 23-24, rannies 17-21.

 Stocker heifer yearlings: good and choice, 24.50-26.50; common-medium 21-24.50.
 Stocker steer calves: choice, 27.50-33; good 25-27.50; common-medium 22-25.
 Stocker heifer calves: choice 25-28, good 24-25, common-medium 21.50-24.
 Cows and calves: pairs, 165 to 240 a pair.
 Young springer cows, \$135-170 per head, commons and mediums 14.50-18 by 100.

Advertising doesn't cost . . . It Pays!

at \$65.00 per bale, cheaper today than in 1963 and yet the price of cotton sheets, shirts, dresses, etc., have increased. Herein lies the reason for the checks now being mailed. Even with the subsidy farmers in the area will be receiving only 26.50 cents per pound or 2 cents per pound less than in 1963.

This is an area problem, not just a farmer's problem. When a farmer is paid less for what he grows, he has less money to spend. When his cost of production is increased at the same time you drive him out of business. When you drive 7 farmers out of business in the Rolling Plains, you also drive out one businessman.

The businessman and the farmer in the Rolling Plains are in the same cost-price squeeze. There is no simple answer but it appears that by working to understand each other's problems fully and then working together to solve them, we might do a much better job.

James Powell Named Chairman Of "Round-Up"

James Powell of Haskell has been appointed area chairman of the 1967 Cattlemen's Round-Up for Crippled Children.

The announcement was made by Charlie Morris of Abilene, general chairman of the Round-Up, the chief means of support for the West Texas Rehabilitation Center. Several persons from this area receive free treatment at the WTRC, which has accepted neither state or federal funds during its nearly 14 years of operation.

The area chairman, supporters of the Round-Up for many years, act as the chief link between the Round-Up and the ranchers in their area.

Throughout the years, the WTRC has received valuable support from generous area ranchers who have cut out a head or two of cattle—or other livestock—and donated them to the WTRC for sale at the annual Round-Up. This year, the Round-Up will be conducted on

September 25th at Ranchers and Farmers Livestock Auction in Abilene.

During each of the last two years, the Round-Up has raised nearly \$80,000 toward the Center's annual budget of \$260,000. Other operational funds come from memorial contributions and from various United Funds.

The Center provides free treatment, without regard for race, creed, color or financial circumstance, to more than 1,600 patients from far-flung areas.

"We have the WTRC at our disposal only because we cat-

temen care," Morris said, in emphasizing the need for an especially good Round-Up this year. "The cattlemen of West Texas haven't let us down yet, and we don't expect them to this year."

Any livestock donated to the Round-Up will be transported free of charge to the Abilene auction site, the chairman added. Anyone wishing to donate livestock to the sale should contact his area chairman or the WTRC in Abilene, Morris said.

DRIVING TIPS

Fasten your seat belt! It only takes a second. Take a firm grip on the steering wheel ... with both hands. One handed driving gives you half the control.

Brake before you turn. Then maintain a constant speed throughout with your accelerator. Coasting or riding your brake through a turn sacrifices control.

If a wheel slips off the highway onto a soft shoulder, don't use your brake! Hold the steering wheel tightly and adjust to the added drag. Slow down gradually and turn back onto the road so that your tires meet the edge of the pavement rather sharply.

When passing on a highway start further back. You can accelerate to your passing speed before pulling out and you have a better view of oncoming cars.

Don't ride your brake on the highway. Anticipate slowdowns ahead of time! On long trips take turns driving. If you are alone, pull into a rest area for short naps. A half hour snooze in your locked car will work wonders.

Most highways are straight and uneventful. Stay alert by changing your seat position. Clear your mind with fresh air. Recite a favorite poem aloud, or sing. Do anything, but keep your mind active.

30 YEARS AGO
(August 27, 1937)

Time of appearance of a Haskell Quartet who broadcast weekly over station KRBC at Abilene has been changed from Wednesday to Sunday afternoon at 4:15 o'clock, it was announced this week. Members of the quartet are Pete Emerson, Joe Maples, Hayden McDonald and Manley Branch. They render a 15-minute program of songs and invite Haskell listeners to send requests for special numbers to station KRBC.

Copy for the 1937 catalog and premium list for the Central West Texas Fair will be placed in the hands of the printers this week, and work will be rushed in order to get the books in the hands of exhibitors at the earliest possible date.

Mrs. Marvin Branch of this city has been named secretary of the Central West Texas Fair Association. She succeeded Mrs. Irene Campbell, resigned. Mrs. Branch, former bookkeeper for the West Texas Utilities Company, will assume her duties on September 1.

A tentative list of candidates for the various master's degrees, to be conferred at the August 30th commencement of the University of Texas, has been announced by Dean A. P. Brogan of the Graduate School. The list of applicants includes Hattie Lucille Paxton and George Cardeman Wimbish ... both Haskell candidates for the degree of master of arts.

Mr. and Mrs. George V. Wimbish returned to Haskell Sunday from Austin, where they attended summer courses at Texas University. Mr. Wimbish is principal of the High School, and Mrs. Wimbish is also a member of the High School faculty.

Mrs. A. C. Pierson and children, Alfred Carroll and Louise visited in Abilene and Eastland last week.

Park Woodson returned Monday from Kaufman, where he visited in the home of Mr. and Mrs. J. K. Griffin. He was accompanied by Mrs. Woodson who is attending school in Dallas.

40 YEARS AGO
(August 25, 1927)

Mrs. C. L. Lewis left Tuesday night for Abilene where she will visit her sister, Mrs. J. B. Girard.

Miss Mary Helen Neff, daughter of Mr. and Mrs. H. D. Neff is in Abilene, the guest of Miss Mildred Williams.

A premium which totaled \$91.50 was raised by the businessmen of this city last week for the first bales of 1927 cotton, and was divided among the first three farmers who brought in last week's cotton. First award of \$50.00 was given to W. L. Davis, who brought in the first bale to weigh over 450 lbs. Second money, the sum of \$25, went to Harley Andrews, who brought in the first bale of 285-lb. one, however. Third award of \$16.50 was given to Joe Grantebauer, who brought in the third bale of the season.

Mr. and Mrs. Henry Alexander returned Tuesday morning from St. Louis, where they purchased the fall stock and goods for F. G. Alexander & Sons Store of this city.

The Methodist team defeated the Baptists with a score of 4 to 2, at Fair Park Tuesday evening in a well-played game which was attended by quite a crowd.

Mr. and Mrs. B. Cox have returned from a visit of several weeks in Sweetwater.

Mrs. R. C. Couch and daughter, Miss Mary Sue Couch, were in Knox City last Tuesday where they both had minor operations at the Knox City Sanitarium.

By far the best game that has been played in Haskell in several years between Woodson and Haskell, was witnessed by a good crowd, Friday, Rogers on the mound for Woodson, allowed only four singles, but three of them came in the fifth inning which gave Haskell the one-run of the game. Richard Bischoffhausen, on the mound for Haskell, was the sensation of the game. His good mound work aided by his broad smile won the game. He allowed only four scattered singles and was credited with 11 strike-outs.

The Round-Up is in honor of the students and faculty, but everyone is urged to attend. As usual each family will bring the "fixin's" for grilled hamburgers and tea for their family and a little over. Be sure to have the meat made out in to patties ready to cook by 7:30 p. m. This will be held outside of the Baptist Church, come rain or shine. If weather don't permit outside cooking, it will be held inside 8:00 p. m. is the time set to start eating. "So come one, come all."

Mrs. Truman Therwanger and children visited in the John Therwanger home over the weekend. The children remained for a week's visit with their grandparents.

Mrs. Willard Wren and her daughter, Mrs. Ray Lobsinger and children, Michael, Wayne and Rhonda, visited their mother and grandmother, Mrs. G. B. Cornett and other relatives in Ranger over the weekend.

Visitors in the home of Mr. and Mrs. C. V. Ashley Saturday night were his sister, Mrs. Exa Lott, of Rule, and her son, Mr. and Mrs. Don Lott and two boys of Fort Worth.

Mrs. R. W. Raynes and son, Bobby, attended the funeral of their brother-in-law and uncle, Roy H. Muntzert, in Great Bend, Kansas on Thursday of last week.

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000) providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Fund.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such Fund; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby intended to be held for a governmental purpose, although they shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

tirement of any bonds heretofore issued and sold and pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, and there are sufficient moneys retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and there after becoming a part of said Fund shall be governed elsewhere provided herein.

"This Amendment being intended only to establish basic framework and not to a comprehensive treatment of the Veterans' Land Program there is hereby reposed in the Legislature full power to the sign and effectuate the objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it deems necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment no such law shall be void for reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of qualified electors of this State at an election to be held November 11, 1967, at which election all ballots shall be printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing sale of bonds to increase Veterans' Land Fund for purpose of purchasing in Texas to be sold to Texas veterans who served in Armed Services of United States between September 16, 1940, and date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing sale of bonds to increase Veterans' Land Fund for purpose of purchasing in Texas to be sold to Texas veterans who served in Armed Services of United States between September 16, 1940, and date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue necessary proclamation for election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Amendments Are Effective August 28th To The Driver's License Law

The Department of Public Safety reminded Texans today that August 28 marks the effective date of several amendments to the drivers license law which are designed to benefit Texas motorists from the standpoint of providing added protection.

The law set new minimum age limits for acquiring a license, provides for issuing a provisional license to any person under the age of 21, and increases the penalties for driving without a license and violations calling for automatic suspension.

It also sets penalties for counterfeiting or forging a license, or for possessing such a license.

The age limits were raised to a minimum of 16 years for obtaining a license when a person has satisfactorily completed an approved driver education course, and to 18 years for persons who have not had such a course.

The minimum age for operating a five-brake horsepower motor scooter was raised to 15 years. A special examination will be required after January 1 for applicants desiring a license to operate a motorcycle which includes an "off-street phase" and an "on-street phase." The applicant must provide the motorcycle and a passenger vehicle and licensed driver to convey the License Examiner during the road test.

Licenses issued to persons under 21 years of age will be stamped "Provisional" and may be suspended if the operator is convicted of two traffic law violations in a 12-month period. This becomes effective January 1.

Upon conviction of driving without a license, a motorist is subject to a fine of up to \$200 for the first offense and increasingly stiffer penalties for each successive conviction.

Persons convicted of driving while intoxicated for a similar offense are subject to a first suspension of 12 months. Any subsequent suspension on the basis of this type of conviction will be for a period of 18 months. In addition, any driver whose license has been suspended or revoked may be required to attend a program of rehabilitation for problem drivers.

Any person applying for an original license must furnish the Department with certified copy of the applicant's birth certificate or other documentary evidence deemed satisfactory by the Department for proof of age. The Department is also authorized to require any other information necessary to determine the applicant's identity, competency and eligibility for licensing. Thumb prints will be required on all original applications after August 28.

Among other provisions designed to ban unsafe drivers from the highways is the requirement that the Department of Public Welfare furnish the DPS with a list of the persons who apply for or receive assistance to the needy blind. The license of such persons must be revoked to comply with the law.

Also, any persons who is convicted of driving while his license is suspended or revoked, shall be punished by a fine of not less than \$25 nor more than \$500, and shall be imprisoned not less than 72 hours nor more than six months.

Did you know...

... that fresh tomatoes, which are available all over the country, both in winter and summer, originated in the South American Andes? That prehistoric Indians took them further north to Central America and Mexico? Treasure-seeking explorers took tomatoes to Europe as a prize.

... that while tomatoes are now known to be rich in vitamins C and A, plus other vitamins and minerals, yet low in calories, they were once thought to be inedible? They were greatly admired as an exotic plant, but commercial growing was not extensive until about 80 years ago.

... that Sir Walter Raleigh once gave Queen Elizabeth a beautiful ripe tomato as a token of his devotion? Tomatoes are more popular today than ever, a favorite with millions. They are eaten for breakfast, lunch and dinner—are delicious raw or cooked, sliced or diced, boiled or braised, in salads, sauces and sandwiches. Anyway you slice it, the tomato is some dish!

Rolling Plains Cotton Growers Slate Meeting Monday In Lubbock

A meeting of great importance to Rolling Plains cotton farmers will be held in Lubbock Monday morning, August 28, 1967, at the Koko Palace beginning at 10:00 a. m.

The meeting is being called by the Secretary of Agriculture for the purpose of discussing and securing recommendations on the cotton situation and the 1968 cotton program. Mr. Ralph Price, Chairman of the State ASCS Committee, will be in charge of the meeting and representatives of the Secretary from the Washington office will be in attendance to lead the discussions.

Matters to be discussed at the meeting will include skip-row, projected yields, the cotton supply-demand situation, the size of the national cotton acreage allotment, diversion percentages, diversion payment rates, the price support payment rate, the loan rate and other miscellaneous problems and decisions of importance that the Secretary must make by some time in October.

"There are many decisions the Secretary is going to make that can have a long-time effect on the Rolling Plains cotton industry," said Charles Stenholm, executive vice-president of the Rolling Plains Cotton Growers. The Rolling Plains Cotton Growers urges as many Rolling Plains farmers, news media and businessmen as possible to make plans to attend this meeting either to make recommendations or derive as thorough an understanding as possible of the present cotton situation.

SCS Plant Materials Center Knox City To Be Dedicated September 7

The Soil Conservation Service Plant Materials Center at Knox City will be dedicated September 7, according to plans announced today by H. N. Smith, State Conservationist, Temple.

Donald A. Williams, SCS Administrator, Washington, D. C., will speak at the public ceremony.

The center finds, evaluates and puts into use, new plants to solve both farm and non-farm conservation problems. It serves Texas, Oklahoma and adjoining states.

Other SCS plant materials centers proved and introduced such plants as King Ranch bluestem, Texas buffelgrass, Uvalde sideseed grama, Cheyenne Indiangrass and weeping lovegrass.

About 850 selections of grasses, herbs and shrubs are being evaluated at the new center. Planting materials being used include seed, sprigs and rootstock.

The Haskellites also took a sight-seeing tour of San Francisco, then headed for the Sierra mountains and viewed the place where "Wells-Fargo" is filmed.

While in Los Angeles they visited with Alvie Chapman, brother of Hallie.

Other highlights of their trip included Disneyland, Knott's Berry Farm, a boat ride to Catalina Island, and especially the tour in a "glass bottom boat."

T. J. Finley Attends Work Shop In Abilene

T. J. Finley, minister of the Haskell Church of Christ, representing the Herald of Truth radio and television programs, joined more than 400 top religious leaders from the churches of Christ in the United States and Canada for the fourth annual Herald of Truth Workshop held Wednesday and Thursday of last week at the Highland Church of Christ in Abilene. The workshop was sponsored by the host church, producers of the Herald of Truth programs.

Special emphasis in this year's workshop was placed upon involving participants in the planning and evaluation of the programs. Herald of Truth programs are currently carried by 770 radio stations and 150 television stations in 14 countries.

Workshop Director Donald R. Sime, professor of religion at Pepperdine College in Los Angeles, stated that the Herald of Truth radio and television ministry "has demonstrated for more than 15 years its intrinsic worth through providing a potential source of teaching and contact for millions of Americans who might otherwise remain untouched by the words of Christ."

What people are saying about... **A CLEAN BREAK WITH THE PAST**

"Electric heat keeps mother so comfortable," says Mrs. Earl D. Tracy of Junction, Texas. Mrs. Tracy's mother, who is 90 years old, makes her home with the Tracys. Caring for her in an electric comfort-conditioned home is much easier, Mrs. Tracy says. "As you get along in years, drafts and varying temperatures in the winter time are bad. With electric heat, the room stays the same temperature, and there is no dryness like from other heating. And individual room controls allow each of us to select the temperature we like best."

Mr. Tracy is a rancher, and is well known in and around Junction. The Tracys really live in their home—enjoy it themselves and entertain friends. Mrs. Tracy has cooked electrically for 35 years, and the Tracys have lived in total-electric comfort for two years. The cooling system is ducted-in type, the kitchen total-electric, there is an electric home laundry, water heater and two bath heaters in addition to baseboard heating. The home is of brick construction—6 rooms and two baths—and the average per month cost is only \$26.20. "Electric living is so much less expensive than I ever thought," Mrs. Tracy says.

Why don't you convert to total-electric living and see what you have to say about it?

Accidental mixing of cartridges is the most common cause of gun blowups.

Usually, this happens when a hunter grabs a handful of hulls and crams them in his pocket without looking. If he is shooting a 12 or 16 gauge shotgun and slips in a 20 gauge shell, he's headed for trouble.

Some hunters who are affluent enough to own two guns of different gauges long have recognized this. They have been buying different brands or at least checking over their supply of cartridges before going afield.

If you load your gun slowly, you can tell by the feel whether it is a 12 or 20 gauge. But

if you are on a pass, shooting doves or ducks, lots of times you will reload without ever giving a thought to fingering the shell for size.

Although ammunition makers long have recognized this hazard and printed notices on their boxes, it remained for Federal to really pioneer in the field of coloring.

You can immediately distinguish the gauge of the shell by its color. For instance, the 12-gauge in all load now is a deep purple. There is no mistaking it.

The 16 gauge is loaded in a bright yellow case; the 20 is in a deep red.

Thus a shooter can tell at a glance whether his shells are mixed. Perhaps others in the industry will follow a similar plan.

Many reloaders have been doing this for a long time. Some of them swap among themselves, getting all empties in the same color for each of the three gauges.

Reloading also has picked up immeasurably since the major manufacturers have started selling components.

For a long time reloading was practiced only by a few who did a lot of shooting. Now there are reloading clubs. Three or four men will get together and buy first class automatic equipment. None of the individuals may have the necessary cash to buy the more expensive equipment, but jointly they can.

With the automatic equipment they are assured of both speed and safety. When the reload is set up, it will decap, size, insert the new primer and add the uniform powder and shot charges according to the measuring bar and every shell then will be crimped with a uniform load.

Shooters feel, even with amortizing their equipment, they can save upward of 50 per cent on the price of a box of shells. This, of course, is provided they are able to get their empties without cost, or at a minimum of one cent each.

Getting empties today, however, isn't as easy as it used to be. So many shooters are saving them. This is especially true around the ranges.

Where shooters congregate in certain places, like the white wing hunt in the Lower Valley, there is competition for the empties. If a shooter doesn't want them himself, the man standing next to him probably will pick them up. And if not, small boys follow close behind the shooters, gather up the empties and sell them for 5¢ per hundred.

It is also possible to buy empties from the manufacturers. However, this increases the price somewhat and lowers the saving on reloading.

But at the same time, the major manufacturers are assisting in holding down the prices of other components.

For many years, shot, powder and primers were not readily available in many places. They were produced by a few smaller companies, or perhaps bought wholesale from the majors and resold.

Now you not only can get

components produced by the two big companies—Winchester and Remington—but from many others.

And there is a wide choice of reloading equipment available at prices ranging from \$9.00 up.

State Draft Boards Get September Call

State draft boards will be called upon to furnish 1,180 men for the armed forces in September, Colonel Morris S. Schwartz, state Selective Service director, said Tuesday.

This compares with quotas of 1,421 for August, 974 for July, 875 for June, 885 for May and 675 for April.

The Selective Service boards will forward approximately 4,000 men in September for pre-induction examination, Colonel Schwartz said, and they have scheduled 6,220 for this examination in August.

Local board quotas for induction and pre-induction examination in September already have been figured and sent to the state's 155 draft boards.

The Texas quota of 1,180 for September is the state's share of a national call of 25,000, all for the army.

DINOSAURS INVADE DALLAS OCT. 7-22

"I'M REALLY ONE OF THE GENTLE PEOPLE!" Back to earth after 60 million years, a herd of life-size dinosaurs will be a major outdoor exhibit attraction at the 1967 State Fair of Texas October 7-22 in Dallas.

As early as 1620 Cornelius Van Drebbel, a Dutchman, successfully operated an underwater rowboat. However, David Bushnell, an American, is credited with invention of the first craft to use modern submarine principles. His "Turtle" had water ballast tanks and pumps, two hand-operated screw propellers and carried a mine containing 150 pounds of gunpowder.

DRIVER IMPROVEMENT QUIZ

The ability to make split-second decisions while driving your car could easily save your life some day.

The American Automobile Association, in its series of "Driver IQ Tests," has prepared a quiz asking what you would do in five selected emergency situations calling for quick action.

Think each situation through carefully and jot down the one or more steps you would take to minimize the danger or afford maximum protection for yourself. Then compare your solutions to those below and make an honest judgment as to whether you decided to do the right thing.

To score yourself, take 20 points for each substantially correct solution. A score of 100 is excellent; 80, only fair though dangerous; 60 or below, poor, and perhaps fatal! Now, take an extra minute to study each correct solution so that hopefully they will be reflex actions if you ever need them!

(1) You are driving along when suddenly your brake pedal drops lifelessly to the floorboard. You have a runaway car. What do you do to stop safely?

(2) A car passing you cuts back in too closely, forcing you to swerve. Your right wheels drop off the pavement onto a soft shoulder. What do you do in the next few seconds to recover as safely as possible?

(3) You encounter a drunk or erratic driver weaving from lane to lane. How do you protect yourself from him?

(4) Your gas pedal sticks and your car shoots ahead into traffic. What do you do immediately in this situation?

(5) An oncoming driver fails to dim his headlights and you are blinded by them as the two of you approach each other. What can you do?

Answers

(1) Pull the emergency brake a series of short, swift pumps to build up pressure in the hydraulic system. Try to shift to low gear. Edge to side of road and look for a field or soft shoulder. If worse comes to worse—that is, if you cannot possibly come to a stop without a collision—head for a clump of bushes, a very small tree, or a light traffic sign. Avoid a traffic signal post, a light post, another car, a concrete abutment, or a large tree.

(2) Don't yank your car back on the road and don't slam on the brakes. Either of these moves may cause you to lose complete control. Ease up on the gas and steer your car so that it straddles the pavement edge. When you have slowed down enough, ease the car back onto the roadway.

(3) Don't pass him or pull alongside him. Avoid him like poison. Pull well out of his way, brake, and let him get ahead of you. Stay behind him, so that you control the situation.

(4) Hitting your brakes is not the first thing to do. Turning off the ignition is. Put transmission in neutral and find a spot to pull off the roadway.

(5) Before he passes, avoid looking directly into the lights and keep as far to the right as you safely can. After he passes, you may be blinded for about 7 seconds if the lights caught your eyes directly. Slow down, steer cautiously and stay as close to the right as you can until your normal vision returns.

Signing Into Law 32 Years Ago SS Act Has Much Significance

Thirty-two years is a period of time that doesn't get nearly as much attention as the 10's, 25's, 100's, etc., but for almost every person in Haskell county, the 32nd anniversary of the signing into law of the original Social Security Act does have much significance.

Thus mused R. R. Tuley, Jr., District Manager of the Abilene Social Security Administration district office as August 14th came and went a few days ago. "Growth from retirement plan

slated to start paying from \$10 to \$42 per month in January 1942 to today's comprehensive system of protection against the hazards of lost income due to old-age, death, or disability, and against the costs of health care in old-age, marks 32 years of history important to almost every family in Haskell county," Tuley added.
