

THE JAYTON CHRONICLE

Volume XXIX

Jayton, Kent County Texas

Thursday, July 7, 1949

Number 27

WITH THE CHURCHES

First Baptist Church

The revival meeting started last Friday night and will continue through Sunday July 10. Our goal for Sunday School Sunday is 146. Help us reach our goal by being present yourself.

Bro. John Osteen, an evangelist, is doing the preaching and those who are attending the services are enjoying the fine messages. You are missing a blessing by not attending. The subject of Bro. Osteen's message Thursday night is "Seven Things God Does Not Know." Come out and hear this man of God teach the word of the Bible.

The attendance last Sunday was off but we are thankful for those who are faithful and attend every Sunday.

Come to the nightly services praying that the lost people in Jayton will be saved and follow the Lord wherever he leads them. May the Lord have his way in our lives that we might be better Christians and soul-winners for him. You are invited to attend every service.

Margie Smith, Reporter

Lions Hear Address By Kathleen Crawford

The Jayton Lions Club met in regular session last Tuesday night at the Methodist Church. Guest speaker for the evening was Kathleen Crawford, Area Executive of the West Texas Area of Camp Fire.

The Camp Fire Girls program was organized for the purpose of providing worthwhile leisure activities for girls between 10 and 14 years of age. This is made doubly interesting by appealing to the imagination of the individual girl, and this work, through fun and happiness, develops the girls into useful and beautiful womanhood.

Some of the characteristics of the Camp Fire Girls program were pointed out. Coming for girls was first begun by this organization. To learn by doing was a new theory in 1910 when the Camp Fire Girls started. Not only must the girls do a task, but it must be done well before they are rewarded.

The Camp Fire Girls program is a feminine program and kept that way from their ceremonial costumes to the program of crafts and ranks that follow. The ceremonies which are used are peculiar only to this program for girls.

Miss Crawford told the Lions the duty of a sponsoring committee, pointing out the primary task of keeping continuous leadership. She expressed a desire that the people of Jayton would cooperate to provide the necessary leaders so that any girl who so desired might enjoy the various activities of the Camp Fire Girls.

Concluding her talk, Miss Crawford quoted Emerson saying that "a town is not known for its resources or its manufactured goods but by the type of people it puts out."

Utilities Company Receives Award

ABILENE, July 1—The Chronicle was advised today that a series of advertisements which appeared in this paper had been awarded first place in a national advertising contest.

A series of West Texas Utilities Company advertisements promoting the use of electric service was selected the best in Class A competition in "The Annual Better Copy Contest" sponsored by the Public Utilities Advertising Association, a Department of the Advertising Federation of America.

"The Better Copy Contest" is conducted for the purpose of stimulating finer advertising and to recognize work well done. This year more than 1,500 entries in twenty classifications were judged by nationally recognized authorities.

A certificate of award "for the best public utility advertising during the preceding year" was presented to the West Texas Utilities Company at the Annual P. U. A. A. Convention in Cincinnati, Ohio last week. Robert E. Kennedy, WTU Co. advertising manager, accepted the award for the company.

All copy and layouts for the winning series of advertisements were written and prepared by the WTU advertising department.

Services Held Monday For Mrs. J. P. Barkley

Mrs. J. P. Barkley, 72, died at her home in Clairemont Sunday, July 3, 1949, after a long illness. She had been a resident of Kent County since 1905.

Funeral services were held Monday at 2 p. m. at the Methodist Church at Jayton with the pastor, the Rev. L. B. Taylor, conducting. Burial was in the Jayton Cemetery under direction of McCombs Funeral Service, Rotan.

Mrs. Barkley was a member of the Methodist Church and the Eastern Star lodge.

She was born Annie Knutson in San Saba County in October, 1876, the daughter of Mr. and Mrs. C. W. Knutson.

Survivors are her husband; two sons, Ben Knutson Barkley of Fort Worth and Brady Barkley of Clairemont; and two daughters, Mrs. Florence Johnson of Clairemont and Mrs. Frankie Mayfield of Jayton.

Salt Important In Human System

A deficiency of salt in the human system can cause serious consequences, and for this reason Dr. Geo. W. Cox, State Health Officer, advises every person whose work is such that it causes excessive perspiration to add a pinch of ordinary table salt to each drink of water taken during the day.

Farmers, mechanics, carpenters, construction men and all others whose work causes them to sweat profusely are in danger of having their body salt content seriously depleted, and as a result may suffer from heat cramps or heat fog. Salt is a prominent constituent of sweat, and when the thermometer hits the high register, the human body may lose as much as 40 to 50 grams of salt during a single day.

In many industrial plants, workmen are urged to take a tablet of pure salt or a mixture of salt and dextrose with each drink of water. Many find this a pleasant way of taking extra salt, but others prefer to add the needed amount of extra salt to their food and drink.

"Take your extra salt in any manner that is agreeable to you," says Dr. Cox, "but take it. Heat cramps are very painful and exhausting. They are characterized by cramps in the abdominal region, headache and in severe cases there may be nausea and vomiting. Body salt losses occur without the knowledge of the individual until a deficiency exists; then the abdominal muscles begin to cramp."

According to the State Health Officer, it is a wise precaution to keep the body supplied with salt, and thus avoid much possible suffering and loss of time from heat cramps.

News Notes From Duck Creek Soil Conservation District

"Twenty-five hundred dollars extra is what my level ridge type terraces meant to me this year," said W. K. Harvey, a district cooper in Soldiers Mound group. "The wheat yield on my terraced field and on the field not terraced is where I see the value," he continued. Wheat on the 100-acre field produced 35 bu. per acre for Harvey while adjoining fields that were not terraced produced only 21 bu. to the acre. Harvey figures 14 bu. per acre justifies his cost of terracing.

Wheat stubble left on or near the surfaces on his farm in Twir Well group has proven profitable to Geo. S. Link over a period of years. Link has been chiseling his wheat land as soon as the wheat is cut off in order to get the benefit of a good stubble mulch. By handling it in this manner the residue is left on top to give protection from blowing winds and damaging water. It will serve as a protective cover to keep hard rains from compacting the soil and as it decays the physical condition of the soil is improved.

King Ranch bluestem, Weeping lovegrass, and blue panic are three introduced grasses that are on display by the Duck Creek Soil Conservation District this week. The King Ranch bluestem or K. R. as it is called, is relatively new to this district but has already proved to be very drought resistant, easy to reseed, and excellent for grazing. The display can be seen at the Spur Security Bank.

New terraces totaling one mile have been built on Mrs. Samantha Smith's farm in Sage Brush group. This completes the two mile system on the farm which is operated by Paul Martin.

Barfoot Hotel Scene Of Annual Reunion

The members of the family of the late Mr. and Mrs. A. W. Barfoot are gathering at the Barfoot Hotel this week for their annual family reunion. The first reunion was held August 11, 1915 at Indleside, Texas, and since that date, it has been a custom in the family to meet each year. Reunions have been held at Hermleigh, Kerrville, Christoval, Brownsville, Murchison, Aransas Pass, Jayton, Fredricksburg and at Rockport.

Mr. and Mrs. A. W. Barfoot were early day Texas settlers. They moved from Mississippi to Texas in 1870. They know the pioneer life of the early days of the West, the drought, Indians, and privation. After a brief sojourn in Texas, the Barfoot family returned to Mississippi and it wasn't until 10 years later that they returned to make their permanent home in Texas. After spending a few years in East Texas they moved to West Texas in 1889.

Mr. and Mrs. Barfoot were the parents of eight children: six boys and two girls, of which seven survive.

Of these seven that survive it is noteworthy that five of the family have passed their three score years and ten; They are Henry, 79, John, 77, Sam, 75, Mrs. G. A. Pyron, 73, and Walter, 71. The two "kids" of the family are Oscar, 69 and Mrs. H. W. Harlan, 65.

The descendants of the late Mr. and Mrs. A. W. Barfoot number 5 sons, 2 daughters, 19 grandchildren, 32 great grandchildren and 7 great great grandchildren.

These present Thursday, July 7, will jointly celebrate the first day of the reunion and the birthday of Sam Barfoot.

Baptist Revival Now In Progress

Rev. John H. Osteen

The annual summer revival at the Jayton Baptist church is now in progress, reports Rev. C. C. Beaty, pastor. Rev. John H. Osteen, Evangelist from Amarillo who was here in March, is preaching and B. J. Kellett is in charge of the music. There will be one service a day at eight-thirty each evening.

A special night is announced for Friday. This will be "Sunday School at Night". Every teacher will be present and sit in the auditorium with all of his class members. Also there will be a goal for the Sunday School attendance for Sunday morning of 146.

Rev. Osteen has announced his service for Thursday night to be "Seven Things God Doesn't Know." The public is invited to be present each evening at eight-thirty.

News Of Your Neighbors

Mr. and Mrs. Sam Matthews of Cleburne, Texas spent last week end in Jayton and Peacock visiting his father, Mr. Less Matthews and her parents, Mr. and Mrs. W. H. McKenzie.

Mr. and Mrs. John W. Cave are the parents of an eight pound girl born Wednesday night at the Rotan Hospital.

Bilbreds To Hold Family Reunion

Mrs. Ras Bilbrey of Santa Anna, Texas, Chairman of the Bilbrey Reunion, called by the Chronicle office last Thursday and requested that the following information be printed for those to whom it may concern.

Mrs. Bilbrey told us that she was appointed last year at the annual reunion to look up the family tree of the Bilbreds and to give a report of her findings this year. There seems to be a question as to which is the proper name of the family, Bilbrey or Bilberry. As many of the family use the name Bilberry and to clear up the question for the benefit of the members of the family we are printing the following as presented to us by Mrs. Bilbrey. The family tree of the Bilbreds was traced back to three Bilbrey brothers, John, Eric and Jim, who lived in Livingston county seat of Overton County, Tennessee. Herod, son of John, had two sons, John and Henry, that came to Texas and settled. John in San Saba and Henry in Mason County. Henry died in Mason County in 1889. John moved to Stonewall County in 1899 and in the next few years many of his brothers children followed him to this area.

There were 10 children in the Henry Bilbrey family. Their names being, Martha Marandie, Madison Isaac, William Cambel, Cynthia, Doria, Susie, Ellen, Res, Jim and Sid. There were nine children in John's family: Vincent, Henry, Esaw, William, Myers, Tennessee, Martha, Martella and Lee. Further discussion of the family tree will be given at the reunion. Everyone related to the Bilbrey or Bilberry families is urged to attend the family reunion which will be held at the McKenzie Park at Lubbock this week end, July 8-10.

Mrs. Ras Bilbrey stated that more than 500 are expected to attend this annual reunion.

Prices Unsteady In Southwest Markets

Altho some southwest farm products brought higher prices this week than last, the majority sold at unchanged to sharply lower levels.

Fed steers and heifers brought strong to 50 cents higher prices at Texas markets and steady to strong rates at Oklahoma City and Denver. Cows lost 50 cents to \$1.50 or more at most markets, but sold fully 50 cents higher at Fort Worth and steady to 50 cents lower at San Antonio. Calves and weaners sold mostly \$2 lower at Denver, 50 cents to \$1 lower at Oklahoma City, and \$1 to \$1.50 down at Houston. Calves held steady at San Antonio and gained up to 50 cents at Fort Worth.

Spring lambs held steady at San Antonio and Oklahoma City, lost 50 cents at Fort Worth, and gained 50 cents at Denver. Ewes sold steady to 50 cents higher. Goats ruled steady to strong at San Antonio, on large receipts.

Butcher hogs and sows sold mostly \$1 lower than a week ago at San Antonio and steady to 50 cents lower at Oklahoma City. Sows lost \$1 to \$2 elsewhere. Butchers lost 50 to 75 cents at Fort Worth and 50 cents to \$1.50 at Denver.

Dressed beef, veal and mutton sold unchanged to \$1 lower for the week at Chicago. Pork ranged from \$1 to \$5 lower. Lamb varied from \$1 higher to \$2 lower.

All classes of livestock arrived in moderately greater numbers this week than last at both southwest and midwest markets. More cattle came to midwest markets than a year ago but all markets received far less sheep than last year.

White corn advanced 7 to 12 cents a bushel for the week, barley 2 to 3, and wheat one. Oats lost 5 cents a bushel, yellow corn one-half cent, and milo 10 cents a hundred pounds. Wheat closed Friday at \$2.07 1-2 to \$2.15 1-2 in Texas.

Cotton lost 50 cents to \$2.25 a bale. Middling 15-16 closed Friday at 31.55 cents a pound at Dallas and Little Rock, 31.80 at Galveston, 32.15 at Houston, and 32.30 at New Orleans.

Supt Hinds Attends Meeting At Lubbock

Supt. J. S. Hinds, who is attending the Graduate School of Hardin-Simmons University this term left Abilene Wednesday morning for Lubbock where County and City school Superintendents will gather July 5 and 6. The purpose of the meeting is to give the Superintendents a complete explanation of the minimum foundation program as presented in the recently passed Gilmer-Alken bill.

"and!!"

One of the greatest labor-saving inventions of today is tomorrow.

We have been asked to announce that the date set for open house at the Community Center has been changed from Friday, July 8, to Tuesday night, July 12. The date was changed so that there would be no interference with the Baptist revival now in progress.

'Employer to beautiful blonde who has filled in job application: "Miss Jones, under 'experience' could you be a little more specific than just 'Oh Boy!'?"

We drove around the county the other afternoon and looked over the crops. The cotton is beginning to look mighty good as most of the farmers have cleaned out the weeds but the feed crops are beginning to show a need for a good rain. Who would have thought a few weeks ago that we would be needing a rain by this time.

Patient: "Doctor, I don't smoke drink, or chase around with women. Will I live a hundred years?"

Doctor: "No. But it will seem like it."

One wife: "How do you get money out of your husband?"

Another wife: "Oh, I say I'm going back to mother and he immediately hands me the fare."

The steady stream of farmers and ranchers after "hopper" poison Tuesday indicates that the pests are getting a good start toward the fields of green crops as the pasture land becomes dry. It seems that the area south of Girard and west of Clairemont is getting the greatest number of grasshoppers. Remember that you can get the necessary poison to combat the "hoppers" by contacting the County Agent.

A dimple is one depression enjoyed by all business men.

Did you know— That there was a company of Mexicans who fought on the Texas side at San Jacinto?

That after the fall of the Alamo, Santa Anna had Mrs. Dickinson, mother of the "Babe of the Alamo", brought before him and tried to persuade her to let him adopt the little girl?

That a young man who became famous later as Bet-a-Million Gates, convinced cattlemen that barbed wire would hold cattle by building a corral in the Military Plaza at San Antonio—and thereby revolutionized the economic history of Texas?

That Texas was under not six, but seven, flags—the "forgotten" flag being the green banner of the filibusters who in 1814 drove every Spanish soldier out of Texas for a time?

That a Texan who was "killed" in the Grass Fight at San Antonio "came back to life"?

That Samuel Mavrick, who gave the word, "mavrick" to the cattle industry, never owned more than 1,200 head of cattle?

These, and many other stories are told in your columnist's newest book, "City of Flaming Adventure," (Naylor Co., San Antonio), the first full length history of San Antonio, Texas' most historic city and one of the four most distinctive cities in America.

Ralph Killgore, Rosebud publisher-postmaster, feels that there is the proverbial million dollars' worth of ready made publicity for a rose grower if he would locate there. "Roses from Rosebud"—the phrase rolls off the tongue. He's probably correct—but just wait till the Tyler Chamber of Commerce hears about this!

Consternation prevailed in an Eastland County newspaper office a while back. There is a community called Morton Valley but, in setting a headline, the operator left out the "t" and it came out in the paper, "Moron Valley."

THE JAYTON CHRONICLE

T. O. Wade, Editor and Publisher

Published Every Thursday at Jayton, Kent County, Texas

Entered as Second Class Matter, February 10, 1921, at the post office at Jayton, Texas, under the Act of March 3, 1879.

Subscription, One Year, \$1.50

NOTICE TO PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm, or corporation that may appear in the columns of The Jayton Chronicle, will be gladly corrected when called to our attention.

Visitors in the home of Mr. and Mrs. W. J. Garrett over the week end were: Mr. and Mrs. Wilson Garrett and family of Itasca, Texas, Mr. and Mrs. Spill Garrett of Cheyenne Wyoming, and Mrs. Robert Kennedy and daughter of Borger and Mrs. Jim Kennedy of Dallas.

LOST:

50 foot garden hose, somewhere between my home, my mothers home or my farm southwest of Jayton.

 "If you think I'm in a bad shape you should have seen my car before MASON CHEVROLET COMPANY fixed it."

The heat doesn't bother this winsome lass at slumber time. She dons a brief cotton Tommiecoat to catch her winks in cool comfort. Her coat is made of bright cotton calico and frosted with crisp white eyelet, the National Cotton Council reports.
