

“and!!”

We are going to make an effort to get the Chronicle out on Wednesday of next week so we too can have Thanksgiving off. We would appreciate it if you would have your news items in by Tuesday noon so as to avoid a last minute rush on our part.

## FARM NEWS

From the County PMA Committee

### DELEGATES TO ELECT COUNTY COMMITTEE

The following men were chosen in the November 12 election held by the Kent County Production and Marketing Administration. Delegates chosen by the three communities will meet Monday, November 21, 1949, for the purpose of electing the County Committee for 1950. A total of 264 votes were cast in this year's election compared to 164 for last year.

Community A: Delegate, James B. Reed, Alternate Delegate, Bob Hamilton, Chairman of Community Committee, Fred H. McGaha, Vice-Chairman of Community Committee, Roy P. Fuller, Regular Member of Community Committee, Carl George, 1st Alternate Member of Community Committee, John E. Willis, and 2nd Alternate Member of Community Committee, Donald W. Spradling.

Community B: Delegate, A. R. Shipp, Alternate Delegate, Horace B. Woods, Chairman of Community Committee, B. C. Clanton, Vice-Chairman of Community Committee, C. P. Reid, Regular Member of the Community Committee, George D. Welch, 1st. Alternate Member of the Community Committee, Bernice Clanton, and 2nd. Alternate Member of the Community Committee, Bruce Montgomery.

Community C: Delegate, Marvin Fuller, Alternate Delegate, William C. Dibrell, Chairman of Community Committee, L. O. Mayer, Vice-Chairman of Community Committee, R. L. Harrison, Regular Member of Community Committee, Ben Boland, 1st Alternate Member of Community Committee, W. D. Cave, and 2nd Alternate Member of Community Committee, Elvis G. Spradling.

### OKLAHOMA - TEXAS COTTON MARKET REVIEW

Trading in spot cotton showed some increase in Oklahoma and Texas last week compared with the previous week, according to the Production and Marketing Administration, U. S. Department of Agriculture. Sales at the 10 spot markets reflected this increase with 414,000 bales sold last week compared with 367,000 the week before and 169,000 during the same week last year. Sales at Dallas alone counted for 108,593 of the 414,000 bales sold at the 10 spot markets.

Prices went up and down within a narrow range of about 5 points between Monday and Thursday. Markets were closed Friday for Armistice Day. Thursday's quotations on Middling 15-16 inch-off-rings ranged from 29.10 cents per pound at Dallas to 29.30 at Galveston.

Last year on the same day cotton ranged from 30.95 to 31 cents per pound at Dallas, Houston and Galveston, or \$8.50 to \$9.25 per bale higher than this year.

Domestic and export demand for spot cotton continued to be very good last week. Best demand was mostly for the better grades and staples.

Cottonseed prices averaged slightly higher in Texas but slightly lower in Oklahoma last week. Texas farmers received an average price of \$43.80 per ton at the gin and Oklahoma farmers \$44.80.

### For Informing Motorist New Highway Sign

AUSTIN, Nov. 21.—A few months ago a new type of highway sign, an advisory speed sign designed to aid in traffic safety, made its appearance on Texas main highways. This was part of the Texas Highway Department's program of informing motorists of the maximum safe and comfortable speed on curves and turns which are not considered safe to travel at speeds above 50 miles per hour. It is a sign with a yellow background and black numerals and letters and is placed below curve signs.

The speed indicated on the sign is not the maximum at which a turn may be taken, but is the maximum at which the average car can make the turn without an uncomfortable side-throw of its passengers and still stay on its side of the road.

The Governor's Highway Safety Conference held last spring recommended that the Texas Department institute a program of speed zoning and marking curves with speed signs, and these signs are a result of that recommendation.

Motorists using speeds indicated on the signs are enthusiastic in praise of them.

# THE JAYTON CHRONICLE

Jayton, Kent County Texas

Thursday, November 17, 1949 Number 46

## King And Queen Of High School

Pictured above are Juanelle Harrison, daughter of Mr. and Mrs. Robt. Harrison, and Naylan Vencil, son of Mr. and Mrs. W. D. Vencil, who presided as King and Queen of the Annual P. T. A. Halloween Carnival. Both are seniors in Jayton High School and both have spent all their

## Prince And Princess Of Grade School

In the Annual Halloween Queen's Race which came to a climax Friday Night, October 28th, the fifth grade was victorious by a small majority of votes. Thus it was that Donnie Carriker and Wanda Joy Ratliff were named Prince and Princess of Jayton Grade School.

Donnie is the son of Mr. and Mrs. Bennie Carriker of Claremont, and Wanda is the daughter of Mr. and Mrs. G. D. Ratliff of Jayton.

## Last Rites Held For W. N. Lansdown

Wayman Nelson Lansdown, 54, died at his home in Jayton Thursday Nov. 10, at 7:30 a. m. A veteran of World War I, he had spent several months in veterans hospitals this year.

Funeral service was held at the Jayton Methodist Church Friday, November 11, at 4 p. m. Burial was in the Jayton cemetery. Military rites were in charge of Kent County Veterans.

Wayman was born in Callahan county January 7, 1895, and moved to Kent county with his parents when he was four years old.

He entered the service at Claremont on October 14, 1917, and was wounded in action in France on July 13, 1918 while serving with Company C, 125th Infantry. He received his discharge in April, 1919, at Highpoint, N. C.

He is survived by his wife, a son W. N. Lansdown, Jr., of Louisiana, a daughter, Mrs. J. D. Massey of Bay City, Texas, two grandchildren, his mother, Mrs. Linda Jane Lansdown, and a brother Dewey Lansdown, both of Jayton.

### WEEKLY SWING OF SOUTHWEST FARM MARKETS

Lower price for some products partly offset price advances on others at southwest farm markets, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Hogs lost mostly 75 cents to \$1 in Texas, Oklahoma and Colorado, although stocker and feeder pigs held steady at Fort Worth and Oklahoma City. Good and choice medium weight butchers sold mainly at \$15.75 at San Antonio Monday, \$16.75 at Fort Worth, \$15.75 to \$16 at Oklahoma City, and \$16 to \$16.50 at Denver.

Cattle and calves sold mostly unchanged to as much as \$1 higher than a week earlier in Texas and Oklahoma Monday, but some classes declined at Denver. Cows and calves found the best outlets. Canner and cutter cows ranged from \$10 to \$13.50.

Sheep and lambs advanced 25 to 50 cents for the week at San Antonio and Denver, but closed unchanged at Fort Worth and Oklahoma City. Good and choice lambs sold from \$23 to \$23.50 at Fort Worth and Denver Monday. Goats were steady to higher.

Mohair prices rose about 2 cents a pound in Texas last week. Texas 12-months wool sold from 72 to 86 cents per pound, grease basis, delivered to Boston.

Less cattle, calves and sheep but more hogs arrived at southwest and Midwest markets last week than the week before or a year earlier.

Eggs and poultry showed little change from a week ago. Light hens declined a cent or two to bring 15 cents at Dallas, 19 to 22 at Fort Worth, 12 to 18 at Denver, and 24 to 26 at New Orleans. Turkeys held fairly firm, with only a cent decline here and there. North Texas markets took hens at 34 to 36 and toms at 25 to 26.

Sweet potatoes sold a little higher at southern Louisiana shipping points. U. S. No. 1 Porto Rico fruit loaded at \$2.50 to \$2.65 per 50 pound crate. Citrus fruits found slow demand at New Orleans at slightly lower prices. Potatoes and onions sold firm on light supplies. Fort Worth received good quality Texas cabbage at \$1.75 to \$2 per 50 pound sack. Onions and potatoes strengthened at Denver.

Grain markets held to narrow changes of around a cent or less for the week. Oats, white corn and wheat advanced slightly. No. 1 hard wheat closed Monday at \$2.31 to \$2.37 a bushel in bulk carlots at Texas common points. No. 2 Texas white corn brought \$1.60 to \$1.62. No. 2 milo sold at \$2.07 to \$2.12 a hundred pounds.

Rice sold in firm markets during the past week. Most feedstuffs sold firm to higher, but animal proteins weakened. Light demand for hay barely matched the light offerings at about unchanged prices. Peanuts held steady despite slow demand.

Cotton lost 50 to \$1 a bale for the week. Spot middling 15-16 inch closed Monday at 29 cents a pound at Dallas, \$29.15 at Houston, 29.20 at Galveston, 29.45 at New Orleans, and 29.60 at Little Rock.

Frank Ewell of Carlton had business in Jayton last week.

Mr. and Mrs. Henry Hoyle and son of Colorado City visited her grandparents, Mr. and Mrs. Ab Ham, last week end.

Mr. and Mrs. James Woosley and Mr. and Mrs. Raymond Evans of Reten visited Mr. and Mrs. John Harrison last week end.

## Cotton Harvest Reaches Peak In Jayton Area

### Jaybirds Victorious In Games At Peacock

Last Thursday night the Jaybirds and Lady Jaybirds marked up another victory for their teams, winning over the Peacock teams.

The Jaybirds led the scoring from the beginning with the score standing 14 to 11 at the end of the first half, and with a final score of 31 to 22.

The Lady Jaybirds' game was a bit closer. At the end of the first quarter Peacock was leading by 4 points, but at the half the locals had a 1 point lead. The final score stood 25 to 19 in favor of the Lady Jaybirds.

So far this season the Lady Jaybirds have been the winner in all their games. In their first game with Avoca they won by a large margin, 43 to 22, while their second game with Avoca took an additional 3 minutes of play for them to win 29 to 27.

The Jaybirds have lost one game, their first of the season, to Avoca by a 33 to 22 score. However they turned the tables when Avoca visited the local gym and won 21 to 14.

The Peacock teams will come to the Jaybird gym Friday night for a return game Friday night.

### New Radio Station At Snyder Now On Air

Snyder's new radio station KSNY is now on the air. The 500-watt station may be found at 1280 kilocycles on the radio dial.

KSNY, in the town now enjoying the nation's hottest oil boom, is owned by John Blake of Brownwood and Marshall Formy, formerly of McAdoo, Dickens County. The two men also own and operate KPAN at Hereford.

Roy Johnson is Chief Engineer. Clint Forby is Commercial Manager. Seven members comprise the staff. A 24-hour leased United Press wire provides news more than the several news casts throughout the day.

Ross Turner of Stamford visited with Avey Murdoch last Wednesday.

The weather during the past ten days is what cotton growers have termed "made-to-order". Clear warm days have allowed cotton pickers to spend full time in the fields harvesting Kent County's huge cotton crop.

At 1:30 Wednesday the local gin had ginned 3,231 bales of the 7,000 which is estimated for the season. Also at this time there were about 100 bales on the yard waiting to be ginned. Gin officials reported that for the past week they have operated 24 hours a day and have managed to stay within 24 hours of harvesting operations.

The cotton being ginned at Jayton is averaging Strict Low Middling, 29-32 at the present time but the grade is expected to go lower as the harvest continues.

The open market price for seed at the gin dropped \$3 again placing the price at \$40 per ton compared to the C.C.C. price of \$46.50.

The 1949 cotton crop is having a decided effect on the retail trade of this area. Merchants report much higher sales and in all types of merchandise.

Mrs. E. M. Jones was called to Eden last week end to be with her sister, Mrs. Fred Hall, who is ill.

Mrs. L. H. Matthews and Mrs. M. D. Fuller went to Kermit last Thursday to be with Mrs. Charlie Champion who was ill.

Mrs. Billy Charles Dibrell and sons, W. D. Fuller and Mrs. C. R. Kelley and Claudine visited in Lubbock Tuesday of this week with Mr. and Mrs. George Hall and Mr. and Mrs. Charles Tibble.

Ulysses Herman of Birthright, Texas, brought his niece, Mrs. Floy Hall, home last Friday and visited Mr. and Mrs. J. W. Barfoot while he was here.

Mr. and Mrs. Audie Armes and children of Oklahoma City, Mr. and Mrs. J. W. Armes and daughter of Anton, Mr. and Mrs. George Totoole of Fort Worth and Mr. and Mrs. Loyd Womack and children of Spur visited Mr. and Mrs. Lee Armes last Friday.

## 104 Bales Of Cotton Destroyed By Fire

### Watch That Cold It Can Be Dangerous

Dr. Geo. W. Cox, State Health Officer declares there's hardly anyone who hasn't caught a cold at one time or another. The common cold is common indeed! Besides making you feel miserable, colds steal your time and your money. They fool you, too, because the early signs are often the same as those of more serious illnesses.

And long-continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears, or sinuses. So, do your best to keep from catching cold. And if you do catch one, take proper care of yourself so you can get rid of it.

When you have a cold:

1. Get as much rest as possible. Stay in bed or indoors for the first day or so if you can.

2. Keep comfortably warm and dry. If you must go to work, wear clothes that will protect you adequately when you go outdoors, and avoid drafts and sudden chilling when you're overheated.

3. Drink plenty of citrus fruit juices, water, and other liquids. Eat simple foods which agree with you.

4. Protect other people as much as possible. Cover your mouth and nose when you cough or sneeze. Use paper handkerchiefs or paper napkins that can be burned. Wash your hands frequently with soap and water.

5. Blow your nose gently. If you don't, you may force infected material from your nose into your sinuses or middle ear and develop sinus trouble or serious ear infection.

6. If a cold starts with chills, fever, or aching, or seems more severe, or lasts longer than usual, consult a physician without delay.

Mr. and Mrs. L. O. Mayer visited Mr. and Mrs. J. R. Hill at Spur last Saturday.

Mrs. Gertrude Purslev, Thelma and Granville of Spur visited Mrs. M. E. Bond last Sunday.

Mrs. Kline Ellison and Mrs. Mamie Kiser of Mason are visiting Mr. and Mrs. J. M. Johnston. They spent Tuesday in Claremont with Mr. and Mrs. Bob Goodall.

Last Friday morning, at approximately 2:15 a. m., fire of undetermined origin was discovered in the local cotton yard. Before sufficient help could be summoned to move nearby bales some 104 bales of cotton had become ignited and were completely destroyed.

The fact that the nearest fire plug is located at the former oil mill made it impossible for the local fire department to get their fire fighting equipment into use. The Spur department was called and reached the scene in record time bringing additional hose which made it possible to wet down the burning cotton and prevent further damage.

### WITH THE CHURCHES

#### THE METHODIST CHURCH

Jayton, Texas  
November 20, 1949  
Sunday School at 10:00 A. M.  
Morning Services at 11:00 A. M.  
Message, "Our Faith In Prayer"  
Young People and Juniors at 6:30 P. M.  
Evening Services at 7:00 P. M.  
Bible Study Wednesday Night at 7:00 P. M.

We are always happy to have you in our services. We have a class for you and all members of your family. If you are not going to church and Sunday school somewhere in Jayton we invite you to come to the Methodist Church. It doesn't take fine clothes or money to go to church. Your presence in church will mean more than all the fine clothes or money you could ever possess. God wants you in his services, we want you to come, for you are always welcome. Go to church somewhere this week.

—L. B. Taylor, Minister

Jon Fowler is going through the clinic at Temple this week.

**1950 FORD**

**IT'S HERE FRIDAY AND 50 WAYS NEW!**

White sidewall tires available at extra cost.

**WITH THE EXCLUSIVE NEW 100 H.P. FORD V8**

**ITS QUIET WHISPERS QUALITY**

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

**NEW SOUND CONDITIONING**  
New "sound conditioning" in floor, doors and body panels insulates Ford's "Liegeant" Body against road noises. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

**NEW "HUSHED" RIDE**  
Ford's famous "Mid Ship" Ride is now so quiet you can talk in whispers while travelling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

**NEW QUALITY FEATURES**  
New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a leather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

**NEW DRIVING COMFORT**  
Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

**SEE THE ONE FINE CAR IN THE LOW-PRICE FIELD at your FORD DEALER'S**

**H. D. BLACK MOTOR CO.**

Styling of the 1950 Ford Custom Deluxe Fordor sedan includes features which add to the performance, economy, safety, comfort and appearance of the new cars. With improved quality as the keynote, the 1950 Fords introduce a new treatment of the grille and parking lights, a colorful new crest — the first in Ford history — a new ornamental rear deck handle and lock, new instrument knobs, new and larger horn ring, foam rubber front seats with non-sag seat springs and a complete new line of interior trim fabrics. In addition the powerful Ford V-8 and 6-cylinder engines have been improved to give Ford the quietest and smoothest running engines ever produced by the Ford Motor Company.

Mr. and Mrs. David Farmer and son, and Mr. and Mrs. Buel Evans of Abilene visited Mrs. Fannie Evans and Mrs. Maurine Dibrell last Sunday.

Mrs. J. H. Montgomery went to Rotan last Friday and then on to Cisco to visit her brother, Dr. Clark, who is home after an operation in Dallas some two weeks ago.

**For the New Taste In Brownies**

Semi-Sweet Chocolate gives fudgy chewiness to your old love "Brownies"

From the Test Kitchen of that famous chocolate manufacturer, who gave you TOLL HOUSE COOKIES, QUICK FUDGE and CONGO SQUARES, comes a Semi-Sweet adaptation of the old, loved Brownie recipe. The use of Semi-Sweet Chocolate instead of the old fashioned cooking chocolate adds an intriguingly different fudginess to these old time favorites. Since Semi-Sweet Brownies retain their moisture longer than the old time Brownies, they keep better—provided, that is, you hide them away from the eager hands and mouths of your family! Try the easy recipe herewith and learn "How to do them up Brownie."

**Sift together and set aside:**

- 1/2 c. sifted flour
- 1/2 tsp. baking powder
- 1/4 tsp. salt

Melt over hot water, mix well until smooth and set aside:

- 1 pkg. Semi-Sweet Chocolate Morsels
- 1/3 c. shortening

**Beat until thick and lemon-colored:**

- 2 eggs with 1/4 c. sugar

Add:

- Flour mixture
- Stir in: Chocolate mixture 1 tsp. vanilla

Pour in 8" square greased, waxed-paper lined pan. Sprinkle (optional) one cup chopped nuts on top and press lightly into batter. BAKE AT: 375°F. TIME: 25 Min. YIELD: 16 squares

When cool, cut into squares (2" x 2").

Mrs. W. N. Lansdown returned home with her sons, Clarence and Shorty Lee, to Bay City for an extended visit.

Mr. and Mrs. Doyle Clayton of Seminole visited Mr. and Mrs. Kirby Clayton last week end.
