Local People May Appear On Jerry Lewis Telethon

There will be an opportunity for local individuals to appear in person on the air during the mammoth Labor Day weekend telethon famous comedian Jerry Lewis is doing for the benefit of Muscular Dystrophy Associations of America. The Star-studded 20 hourspectacular -- emanating "live" and in color from the Americana Hotel in New York City--will be seen here over K.L.B.K., Channel 13.

According to Bill Sandel, president of the South Plains Chapter of the national voluntary health agency, the station plans to cut away periodically from the big show to enable representatives of contributing groups to make their gifts "on camera" in its studios. Such local segments, Mr. Sandel said, will also feature celebrities, civic leaders and individuals directly concerned with the fight against dystrophy and related disorders.

"The Jerry Lewis telethons always attract a vast viewing audience," he emphasized. "These "in persons" presentations, besides advancing our cause, will also give

well-deserved recognition to the many local organizations; labor unions, fraternal societies, clubs and other groups, who ar supporting our efforst. It's a good way, we feel, to let people know who they are, and what they-'re doing for the welfare of the community."

A special pamphlet, "Put Yourself in the Picture, "has been prepared for groups wishing to participate actively in the Labor Day weekend telethon. It can be obtained by calling 747-4221 in Lubbock.

About History And Wars And Religion

Two hundred years ago the world famous Declaration thirteen struggling colonies of Independence. Several lay along the Atlantic seayears of war and privation board consisting of people ensued finally with the help from almost all parts of of the French Fleet, General Europe. The colonies were Washington hemmed Lord governed by England, and Cornwallis's army on the as time wore on the demands Yorktown Peninsula and of the British increased. peace was made and Demo-Taxes became so high that cracy prevailed. protests were made to no avail. We had no represent-

Democracy as interpreted by our forefathers means equalrights to all and special privileges to none. Democracy may be defended with bloodshed, but it can mean nothing to any country except through worthy practice. Our leaders have made many mistakes at the close of the late war while trying to satisfy the demands of Soviet Russia. Our statesman made concessions at Cairo, Yalta and Potsdam that resulted in the beginning of the Cold War, that later erupted with violent death in the rugged mountains of Korea, where 150,000 of the cream of American manhood were killed, wounded or imprisoned in the slimy dungeons of a relentless foe.

Appeasement has served only to lower the respect of the Communist World for as was shown at the first United Nations conference at San Francisco in 1945, when the American delegated with their usual consideration for the over-sensitive feelings for ungodly Russia omitted the usual procedure and left God out of the conference Thye took the view that it was better to please man rather U. S. delegates of hypocrisy for the omission. "Be not deceived God is not mocked and whatsoever a man soweth that shall he also reap. " As we know this nation is the greatest adventure in human freedom' that the world has ever known. No foreign country can improve upon our way of life. Here, if a man through hard work and honest enterprise can amass a fortune, he is commended, while government ownership virtually denies him the right to accumulate anything, even his right to worship his God is restricted. As we know, Communism is actuated by a spirit of strategy while Democracy is actuated by principle. The Iron Curtain is nothing new. For years it has hid with its dark mantle the atrocities and horrors of a godless nation, and today the red star of Comminism is in opposition to the star of Bethlehem and offers the greatest threat to world freedom that this world has ever known.

In the year 1856, one hundred and ten years ago, an eminent Swiss philosopher said what terrible rulers would the Russians be if ever they should spread the might of

their rule over our country.

They would bring us a Polar

despotism silent as darkness,

rigid as ice, insensible as

bronze, decked with an out-

ward amiability glittering

with the cold brilliancy of snow, a slavery without recompence or relief. What different world would this be if only the nations of the earth were God fearing and Christ

It was the great Bismarck who said, "The statesman should be ready to grasp the hem when he hears the garment of God rustle through events." But statesmen are spiritually deaf and they do not hear the garment of God through current events, and I am afraid that a broken, blood-soaked earth awaits the coming of him who will rule in peace and righteousness.

In the year of 1949, J. Edgar Hoover who is generally recognized as one of our leading authorities on national and international crime said, 'The struggle between communism and Democracy is more than a clash of political ideologies. It is the offensive of atheism against all religions that have their belief in God, and to any honest student of communism it is clear and unequivalent, that communism is Anti-God. Anti-Christ and Anti-Moral. Communism is religion's mortal foe!

Girard Potshots

At a meeting of the officials of the Horse show for the Kent-Dickens Fair this year, the other night at the Community Center, W. E. Bill Jones of Jayton was named to head the horse races. And you didn't know we were going to have horse races, eh? Well thats a settled fact and there will be at least four "matched horse races" on Saturday afternoon of the Sept. Fair. There will be barrel races, a Open Horse shoe, a Goat milking for eleven year olds and under, and O Boy, you name it we will have it at the Kent-Dickens Fair in September and it will all be in Girard and plans are, there will never be a dull moment at the County Fair. Ya'll come.

Bill Williams of Jayton, a progressive Gulf Oil Dealer as well as selling Butane and Liquid Feeds will furnish the fence (portable) for the Kent-Dickens Fair which encircle

the football field where a lot of the Fair events will take place, and to, Bill sells these fenses but will furnish same free of charge we are told for in Fair in Sept. Thanks Bill!

Bill Stone of the Beggs Ranch is Chairman of the Horse show for the Kent-Dickens Fair and he is interested in making the horse show one of the best---and bet you he will do just that.

Connally Tech Institute Offers \$400 Scholarships

WACO, TEXAS -- A \$400 scholarship has been made available for a student wishing to study seed processing at the Texas State Technical Institute this fall.

Funds for the scholarship, to be known as the W. R. "Bob" Poage Scholarship, were donated by the Texas Seedsmen's Association and the Texas Certified Seed Producers. The two groups have set aside a total of \$1,000 for scholarships this fall.

The program is offered only on the James Connally Campus of TSTI. Other campuses in the multicampustechnical school will

not offer the course this fall. Program chairman for seed processing technology, Robert Loe, said the money can be used for tuition, room, board and other student expenses. Professor Loe asked that incoming students interested in the program should contact him before August 15.

TREAT YOUR EYES WITH CARE

You have only two eyes and since much of your success and happiness in life depend on them, they should receive the best of care.

This should be easily understood, almost taken for granted. But downright carelessness and neglect-by adults as well as children - cause much eye trouble.

Eyestrain can be expected for in our busy society there is an endless river of paper work, much of it involving fine print which overtaxes the eyes of stenographers, typists, auditors, clerks, etc.

But, according to Barnes-Hind Pharmaceutical officials. certain precautions can be taken to reduce the danger of eye infection of any kind. The company has a variety of solutions and accessories to keep contact lenses clean. Since there are about 120-million people in the country with eye defects of some kind - many wearing contact lenses-this is a worthwhile health tip.

Barnes-Hind points out, too. that since improved contact lenses can now be worn for much longer periods of time. their maintenance is of even greater importance. They explain there is no danger in properly fitted.

Poise, self-confidence and a beautiful complexion are magic

words to any teenager.

Complexion problems appear, all to often, just when she becomes acutely aware of her personal appearance and begins to take a real interest in make-up,

hair-do and fashion. If the skin condition is severe or if acne is suspected, a dermatologist should be consulted. But if her problem seems to be superficial, exter-nally-caused blemishes, Fashion Two Twenty's Formula Nineteen will help her achieve that pretty complexion that means so much to a girl's selfconfidence.

This marvelously beneficial lotion is designed to combat skin difficulties caused by improper cleansing, a primary cause of blemishes.

Teens often have over-active glands which secrete excess oil. If the face is not kept scrupulously clean, the pores tend to become clogged with oil and dirt, thus inviting

Diet is also a major cause of teenage skin problems. Along with a proper cleansing routine with Formula Nineteen, I also advise teens to avoid rich, oily foods such as potato chips, French fries and cola drinks.

Use Formula Nineteen in place of soap and water morning and night. The proper way to cleanse your face is to moisten a cotton square with Formula Nineteen and work from the chin up to the ears using an upward and outward mo-tion. For best results and to

CARD OF THANKS

We wish to thank you for your prayers, cards, letters, flowers and the Love Fund you sent us while John was ill. We also want to thank you who came and sat with him and helped with our farming and 'tended our cows. Also for all the kindness shown our children while we were away from them.

For the beautiful floral offering and food at the time

Words once spoken cannot be wiped out with a sponge.

It costs more to revenge injuries than to bear them.

SALAD GARNISHES CUCUMBER TULIPS-Cut the

ends (2-inch lengths) from unpeeled medium cucumbers. Cut 6 or 7 triangular sections down from cut edge, making petals. Toothpicks may be used as markers so that all the petals will be even. Hollow out remaining seeds, leaving a 1/4-inch wall. Place a small rounded bit of carrot, rutabaga or beet on a toothpick and press into the center. Chill in ice water.

CUCUMBER BALLS-Cut large cucumbers into balls with French. vegetable cutter and marinate in French Dressing. Sprinkle with paprika and serve as a garnish. GREEN OR RED PEPPER RINGS -Cut a slice from the top of fresh pepper; remove seeds and partitions. Slice crosswise, making rings as wide as desired. These rings may be used to hold together stalks of asparagus. whole string beans etc., or if cut quite wide they will serve as cups to hold mayonnaise. JELLIED GINGER ALE CUBES-

Sprinkle 1/2 tablespoon gelatin over 2 tablespoons cold water. Dissolve over boiling water. Cool.

WATERMELON BOWL

Cut watermelon lengthwise in a 1/3 to 2/3 proportion. Remove top third. Then cut out melon balls with a French vegetable cutter. Chill. Mark off 2-inch spaces on cut edge of melon and cut out triangular sections between each marker, making a notched edge. Fill bowl with chilled watermelon and cantaloupe balls.

Add I cup ginger ale and mix thoroughly. Pour into a square pan which has been dipped in cold water. Chill until firm. Cut into small cubes. To make grape juice cubes use 1/2 cup grape juice and 1/2 cup ginger ale, instead of the 1 cup ginger ale. RADISH ROSES-Trim off all but an inch of stem. Cut off root and with a sharp knife cut the outside layer down from the tip toward stem end in 5 or more sections so that the red outside covering stands out like the petals of a flower. Chill radishes in ice water until petals curl Cut olives, capers, pimientos, slices of hard-cooked egg or beets into fancy shapes.
