ABB GALLAGHER KILLED IN HEADON

Jaybirds Open New Season Friday With Roscoe Plowboys

Pvt. Smith At Fort Polk

Fort Polk, La. (AHRNC) Private Granville L. Smith, son of Mr. and Mrs. Louis C. Smith, Jayton, recently completed eight weeks of Basic Training at the U. S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid and army history and traditions.

His wife, Jamie, also lives on Route 3.

At eight o'clock Friday night a new football season will be kicked off, with the Roscoe Plowboys furnishing the competition.

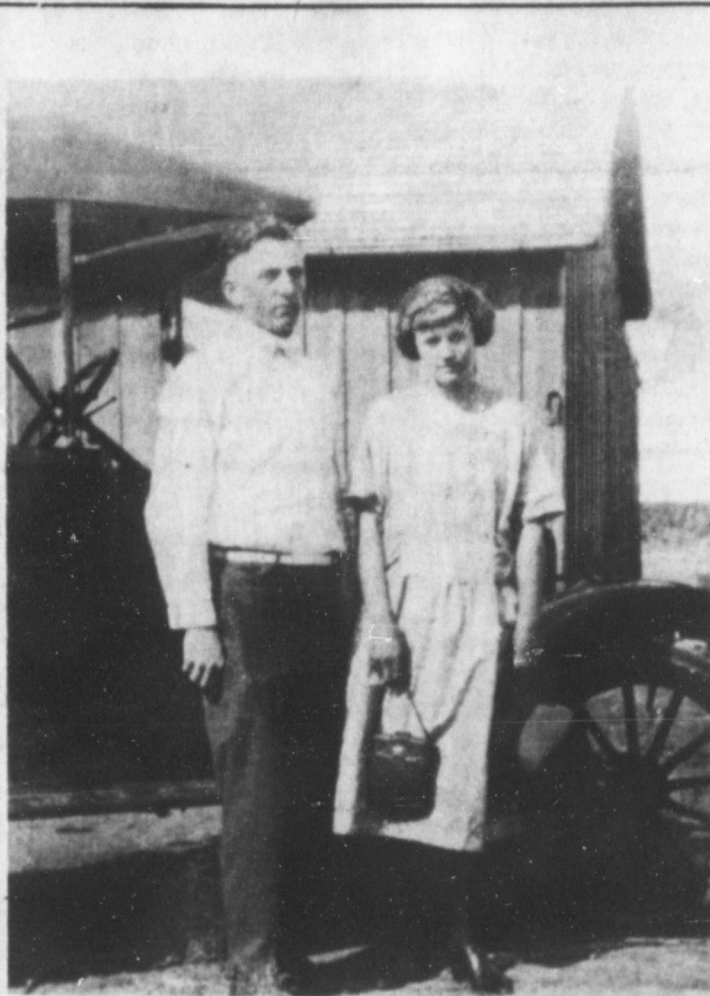

Coach Jerry English was not a real optimistic this week in conversation with the Chronicle reporter. He pointed out the fact so many boys graduated off last year's regional championship team, leaving the team with young, inexperienced boys. Also, the quarterback, Harold Judy suffered a broken arm in scrimmage, and will be out a great part of the season.

But on the bright side, it seems most of the opponents the Jaybirds will be playing on their schedule will be down this year, from their strength

shown last year, and the Jaybirds have that winning tradition to keep them hustling. This game this week, will see them facing the only Class A opponent on the schedule, and it could be against the toughest opponent of the year.

Coach English, will probably send out the following boys to be in the game, he said Tuesday.

James Hamilton, center; Alfonso Trevino, guard; Brad English, guard; Larry Williams tackle; Jim Phillips, tackle; Tommy Parker, end; Phillip Vardiman, end; Brad Dibrell, quarterback; Parker Kidd, fullback; Terry Favor, wingback; Billy Johnson, tailback, and Steve Kidd, tailback.

Pictured here is Mr. and Mrs. E. E. Ford on their wedding day, September 10, 1971. They are standing by a limousine which was borrowed

from Burton Moore of Dermott. The house in the background is where Mr. and Mrs. Ford made their first home after they were married.

Tragedy hit the Jayton community about 3 p. m. Monday, when a two-car head-on crash took the life of a pioneer citizen J. A. Abb Gallagher, who first came to Kent County in 1912.

It seems Gallagher was traveling east on FM Road 1083 (the road toward Little League Park) and three teenagers, Les and Leck Browning and Bobby Kelly, were traveling west, and their two vehicles collided, almost directly head-on.

Gallagher died about three hours later in the Rotan hospital.

Les Browning was given emergency treatment, and released. The other two boys Leck Browning and Bobby Kelly both require surgery. Their conditions were listed at the hospital as serious.

Funeral services for Gallagher were held at 3 p. m. Wed-

nesday in the Jayton First Baptist Church, with the pastor, Rev. Truitt Kuenster and the Rev. L. R. Stuckey officiating. He was a retired rancher and was a member of the First Baptist Church, and the Odd Fellows Lodge.

Survivors include three sons Buddy Gallagher of Jayton, Billie Gallagher of Midland and Dan Gallagher of Hamlin; three daughters Mrs. Mad Wade of Jayton and Mrs. Heb Wade of Reno, Nev., and Mrs. George Brandon of Fort Stockton; two brothers, Cole Gallagher of Kermit and Ted Gallagher of Girard; two sisters, Mrs. O. P. Tate Sr. of Snyder and Mrs. Fred Jones of Denton; 16 grandchildren and six great-grandchildren.

Pallbearers were Billy Wallace, Othel Brown, Dallas Kennedy, Gordon Hamilton, Robert Hall, Howard Gowick, Edd Kyle, and Robert Harrison.

This Week In Jayton

Get Tech Degrees

Texas Tech University President Grover E. Murray awarded approximately 1,050 degrees in 1971 commencement exercises in August. It was a record number for summer graduation ceremonies.

From Jayton were: Bobby Lee Debrell, Bachelor's in Management; Winona Robertson Forbes, Master of Arts in Sociology; Margo E. Lauderdale, Master of Education.

a number of his political assistants to fat-cat jobs, with good salaries. This, they say, is sure indication that he is getting ready to quit, and getting them all set in good jobs. We shall see.

Ralph Yarborough continues to look around, and ask his friends to tell him what to do. He says he may run, either for Governor or for U. S. Senator. His friends who claim to know, say he will run for Governor, whether or not Smith is in the race.

Nixon's so-called freeze, is being met with mixed emotions. Many are predicting that it will do no good, and that there will be a really big affair over prices and salaries after the 90 day freeze ends. Most of the people asking for raises will be trying to make it retroactive through the 90 day period.

Watch for big trouble over salaries and wages at the end of the 90 days.

Contract Let To Finish Building FM Road

The Jayton Chronicle was informed this week that the contract has been let for the completion of FM Road 1083 going out of Jayton west, and south to connect with 380 near the River bridge between Jayton and Claremont. This will entail the building of 406 miles of road.

High Plains Pavers of Lub-

bock was low of seven bidders. They will have 100 working days to build this road, states Ben Wilkerson, Highway Department Engineer of Colorado City.

Work is expected to get started within the next two or three weeks, on the \$71,966, 46 job, he said.

Meets Harrison Family Reunion At Silver Falls

The family of the late Mr. and Mrs. G. C. Harrison had its annual reunion at the park at Silver Falls near Crosbyton Sunday Sept. 5 with about 40 present.

Those present were Mr. and Mrs. Oliver Covington and four children of Mesquite; Mr. and Mrs. Billy Gene Harrison and Mr. and Mrs. R. L. Harrison of Brownfield; Mr. and Mrs. Don Boland and Billie Don and Mr. and Mrs. Norman Grant and three children of Ralls; Mr. and Mrs. Gary France of

Crosbyton; Mr. and Mrs. Bob Harrison and Rob of Knox City; Mr. and Mrs. Tucker Reeve, Patty and Stacy of Cleburne; Mrs. Nell Ballard, Kathy, Lisa and Billy; a visitor Brenda Wilson of Girard; Mr. and Mrs. Bill Harrison; Mr. and Mrs. R. L. Harrison; Mr. and Mrs. J. B. Gibson and Tommy of Jayton.

All reported a very enjoyable time although several of the regular members were unable to attend.

Chevrolet Dealership Bought By Robert Hall

A deal was negotiated in Jayton Tuesday night wherein Robert G. Hall purchased the Chevrolet dealership and the Mobil Agency from Chas. Wild. In the future the business will be known as the Robert Hall Chevrolet Co., Hall told the Chronicle Wednesday. Wild will continue to work

with Hall as Parts and Service Manager.

Hall said he expects to resign as an officer at the bank in Jayton in the near future, but will continue as a director of the bank.

Robert Edward Hall, also will work with his father in the office in Jayton, full time.

Mobil Station Sold

The Mobil Service Station north of the courthouse has changed hands. Jerry Tarant of Fort Worth has purchased it from Edward Hall.

The present staff will continue to run the station until the new owner can move here. He is the son-in-law of Clifford Scott of Girard.

Observe Anniversary

The children of Mr. and Mrs. Ernest E. Ford of Polar request your presence Sunday, September 12, 1971 at the Scurry County Coliseum in Snyder honoring their 50th wedding anniversary. Guests and friends will be calling from 2 to 6 p. m.

Mr. and Mrs. Ford have three sons, Norman and Don of Polar and Carlos of Stephenville, Texas. They also have eleven grandchildren and 8 great grandchildren. The Fords, both natives of Kent County, were married Sept. 10, 1921 in the Scurry County Courthouse by County Judge Holly.

Mr. Ford was born September 6, 1900 and has lived in the Polar community all his

life. Mr. Ford is engaged in farming and ranching. He still oversees all his farming and ranching operations and does much of the work himself.

Mrs. Ford, the former Willie Clanton, was born August 25, 1907.

Mr. and Mrs. Ford still live on the same place where Mrs. Ford was born and lived at the time she married. Mrs. Ford stays busy keeping house and assisting with the farm operations. She still milks a cow, raises chickens and keeps a garden. She also helps with calf branding and sheep shearing. In the fall Mrs. Ford helps with the crop harvest and hauls cotton to the gin.

Mr. and Mrs. E. E. Ford in 1971

CALENDARS FOR SALE

WHEN YOU THROW A PARTY THAT INCLUDES A LOT OF GUESTS WHO DON'T KNOW EACH OTHER, MAKE A NAME TAPE ATTACHED TO A SAFETY PIN FOR EVERY GUEST AND PIN IT ON THEM WHEN THEY COME. SERVE PLENTY OF PEPSI-COLA TO HELP ESTABLISH A WARM, FRIENDLY ATMOSPHERE AMONG PEOPLE WITH A LOT TO LIVE WHO KNOW THAT PEPSI HAS A LOT TO GIVE.

The Jayton band booster club is now selling the birthday calendars, states Gus Fincher.

If you would like to have one of these calendars, see any member of the club, he says.

They hope to have them all sold by Monday night. Also they may be purchased from Sylvia Sartain at the Drug Store, Fincher said.

Office Supplies at The Jayton Chronicle

Section Of Kent County Highway To Be Repaired

The Texas Highway Commission this week approved the expenditure of \$1,500,000 for highway safety and betterment and improvement of state highways and farm to market roads in District 8 during 1972.

District Engineer J. C. Roberts of Abilene said that a total of 159.3 miles will be involved in the annual program.

The work is part of the Highway Commission's combined Farm to Market Road Improvement and State Highway Safety and Betterment.

The types of work included in the program cover 135.6 miles of asphalt seal coats scattered over the district plus the additional surfacing of 1.8

miles of U. S. 277 in Haskell, 2.1 miles of U. S. 87 in Big Spring, 11.4 miles of U. S. 83 in Taylor County and 8.4 miles of Loop 243 in Abilene. This program also includes a safety lighting project in Merkel.

District Engineer J. C. Roberts said that among the project included in the program, the following projects will take place in this county.

FM Road No. 1231 from U. S. Highway 380 to the Scurry County line. This would be west of Claremont at the down south toward Snyder, a total of 13.8 miles.

It would be a seal coat, at an estimated cost of \$30,000, Roberts said.

Jayton H.D. Club Meeting

The Jayton Home demonstration club met in the home of Mrs. Ben Boland Thursday Sept. 2 with five members and two visitors present.

No particular program was planned as this is the first meeting since the August vacation.

They talked about the fair and plans for the next year's programs to be made up later. Bert Stanaland and Thelma Hamilton were visitors.

CARD OF THANKS

I would like to say thanks to those of you who sent cards and for the flowers, the gifts and for your visits while I was in the hospital. Your kindness will always be appreciated.

Federal Land Bank Meeting Set Sept. 14

Mr. R. H. Farris, Jr. of Crosbyton, President of the Federal Land Bank Association of Spur, announced today that the Annual Stockholders Meeting for the Association will be held in Spur, Tuesday, September 14, at 7:30 p. m. in the Spur School Cafeteria. This association is one of 67 associations in Texas that are providing long term Land Bank loans. They are owned by the customers and have been providing financing through The Federal Land Bank of Houston

since 1917.

The meeting is called for the purpose of election of officers and the transaction of such other business as may properly come before the meeting. A steak dinner will be served at 7:30 and cash prizes will be awarded.

Other members of the Board of Directors in addition to Mr. Farris: Donald Wooten of Crosbyton, Joe V. Jennings of Lorenzo, Coy Morris of Afton, M. V. Jay of Jayton and M. L. Bilberry of Aspermont.

Chronicle Football Contest Starts Again This Week

This week, again we start one of the most popular features the Chronicle has ever featured, that is the football contest page.

Sponsored by progressive merchants of the community, who are also supporting the football team, each week a total of twelve football games

are listed. Local sports fans guess at the game, and try out their expertise at the game.

There are a number of people in the community who are consistently good guessers, but it still is just a guess. Get in on the fun. See the contest blank in this issue of the paper.

LEGAL NOTICE ON REFILING OF BRANDS

All brands and marks on Texas livestock must be re-recorded with County Clerks after August 30, 1971, according to a new law passed during the last session of the Texas Legislature. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis.

The law further states that all such brands and marks must be re-recorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The owner shall have the

right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording of that brand.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and re-recording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or re-recorded as provided by the new law.

It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location on the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated.

The law as outlined above applies to all counties in the state of Texas and shall take precedence over any special statutes heretofore applying to individual counties pertaining to recording and re-recording of brands.

The fee for recording each brand is \$2.00.

Kiddies Picture Taken In Color This Year

For many years the Jayton Chronicle has been running a pictorial feature of the youngsters in this area as "Citizens of Tomorrow". In the near future we will again be publishing free a picture of all the children who are brought by their parents or other guardian to the Chronicle office between 10 a. m. and 5 p. m. on Monday Sept. 20th.

New Fall colors in Polyester Knits at low, low prices. Sale on all summer fabrics.
Sew Sew Fabric Shop
323 W. 2nd, St. (Parker St.) Spur, Texas 32-2tc.

An expert children's photographer will take the pictures to assure uniform quality and size for best reproduction... and this year will be taken in natural living color. Please dress your children colorfully to take full advantage of the beauty of color photography. The pictures will run in black and white in the newspaper.

There are absolutely no strings to this invitation nor are there any charges to the parents... they do not have to be subscribers or even readers of this newspaper to participate. Neither are the parents obligated to purchase a ny of

the color pictures taken. Those who might desire color photographs may obtain them by making arrangements with the Studio Representative when they select the pose they wish to see printed in the Chronicle.

Appointments may be made by calling Mrs. Ada Lou Joiner phone number 237-3065.

While appointments are not necessary to have your children photographed it could avoid your having to wait. Check this date on your calendar now Monday Sept. 20th and help us make this a memorable community feature.

ATTEND THE CHURCH OF YOUR CHOICE

His foxhole faith stayed with him...

It's been told many times how there were no atheists in the foxholes.

Faith under fire was quick, complete, uncomplicated and unquestioned. Fortunately, many who found faith under these conditions kept it—even after the firing stopped and the last troopship docked back home.

Like much of the hard wisdom learned in war, the faith developed in battle has been put to wider, wiser

use in the years that have followed.

It has spread outward now... to the family, giving them the strength needed to weather the long, hard pulls and the short, sharp adversities.

That strong family faith and stronger richer life it brings are never built better than now... are never built surer than when you worship together regularly—every week. Remember! It's your faith... your family!

From The Recipe File of Opal Richards

GERMAN CUCUMBER SALAD WITH SOUR CREAM DRESSING
(Kuhensalat mit saurer Sahne)
Cook and set aside
1 egg
and pare
1 large cucumber
cut cucumber 1/8 in. deep
pulling the tines of a fork
lengthwise repeat to score
the surface. Cut cucumber
into thin slices. Put into a
bowl.
Mix together
1/2 cup thick sour cream
1 1/2 tablespoons vinegar

1 tablespoon chopped
chives
3/4 teaspoon salt
1/8 teaspoon white pepper
Pour the mixture over the cu-
cumber slices and toss lightly
to coat evenly. Chill in re-
frigerator.

When ready to serve, cut the
peeled egg into halves, re-
move egg yolk and chop finely.
(The egg white may be
used in other food prepara-
tion.) Garnish salad with the
chopped yolk.

GERMAN GREEN BEAN SALAD
(Grüner Bohensalat)
Wash, cut off and discard ends
stem, and cut into 1-in pieces
1 lb. green beans
Cook 15 to 20 min., or until
beans are tender. Drain
thoroughly if necessary, and
put beans into a bowl. Keep
beans warm.
Meanwhile, clean and cut
into slices 1/8 in. thick
2 small onions

Separate onion slices into
rings and put into bowl with
beans.
Dice and fry until crisp, with-
out pouring off drippings
6 slices bacon
Add to skillet containing ba-
con
1/3 cup vinegar
2 1/2 tablespoons sugar
1/2 teaspoon salt
1/4 teaspoon monosodium
glutamate

SCANDINAVIAN CABBAGE SALAD

Blend together thoroughly in
a small bowl
1/3 cup mayonnaise
1/3 cup French dressing
1 teaspoon dry mustard
1/4 teaspoon curry powder
1/4 teaspoon salt
Cover and put in refrigerator
to chill.
Wash and finely shred to chop
3/4 lb. cabbage (about 3
cups, shredded)
Put cabbage into a deep bowl,
cover and put in refrigerator
to chill.
Shortly before serving time,
remove cabbage and dressing
from refrigerator. Stir dress-
ing and pour enough of it over
cabbage to moisten. Toss
lightly to blend. Add more
dressing if necessary.
Put cabbage into a serving
bowl and shape into a mound.
Garnish with
Pimiento
Sprigs of parsley

CHINESE COMBINATION SALAD

Mix one-half cup chopped
celery and one-half pound
bean sprouts. Cut four rad-
ishes and one cucumber in
thin slices. Slice one-half
green pepper in rings. These
vegetables should be placed
in alternate layers.
Pour over them French
dressing flavored with one ta-
blespoonful of Chinese sauce.

SCANDINAVIAN CUCUMBER SALAD (Pressgurka)

Rinse and pare
1 large cucumber
Score cucumber by pulling the
tines of a fork lengthwise
through cucumber. Cut cu-
cumber into very thin slices.
Put into a shallow bowl.
Mix well
1/3 cup cider vinegar
5 tablespoons water
5 tablespoons sugar
1/2 teaspoon salt

Few grains white pepper
Pour over the cucumber slices
and toss lightly to coat evenly.
Cover and put in the refrig-
erator for several hours to chill
and allow flavors to blend.
Garnish cucumber with
1 tablespoon finely chop-
ped parsley

Heat mixture to boiling, stir-
ring well. Pour vinegar mix-
ture over beans and onions and
toss lightly to coat thoroughly.

About Price Control

There has been only a few
inquiries about the wage-price
freeze and other aspects of the
aspects of the President's Ex-
ecutive Order on Economic
Stabilization received in the
Kent County Agricultural Sta-
bilization and Conservation
Services (ASCS) Office, ac-
cording to Joe M. Favor,
County Executive Director.
He reminded Kent County
residents that additional in-
formation is constantly com-
ing to the ASCS Office, which
is an official center for infor-
mation concerning the Stabi-
lization Program.

Most questions pertain to
prices farmers can charge for
farm products. The freeze
does not apply to raw farm pro-
ducts. Hay, grain, cotton and
cattle are not effected but the
product therefrom after first
processing is effected. An ex-
ample would be that alfalfa
hay is exempt while alfalfa
pellets is controlled.

While the County ASCS
Office is an official center
for information on the wage-
price freeze, it has no authority
to act on complaints or handle
requests for exceptions to the
freeze, Favor said. Such com-
plaints or request should go di-
rectly to the Internal Revenue
Service district office. If this
is not convenient the County
ASCS office can provide
forms, advice, and assistance
to persons desiring to submit
a complaint.

He also emphasized that the
County ASCS Office is serv-
ing as an information center
residents.

Information received in the
County ASCS Office is
"across-the-board," he said.
It deals with all aspects of the
President's Executive Order on
the economy. Information is
included which relates to ag-
riculture and agri-business,
but is not confined to this.
Persons seeking information
may visit, write or phone the
Kent County ASCS Office.
The telephone number is 237-
3573.

The report, Crime in the
United States (Uniform Crime
Reports, 1970) just issued by
Edgar Hoover, director, Fed-
eral Bureau of Investigation.
It has a lot to say. Eight mil-
lion people were arrested for
crimes in 1970, and 86 per
cent of them had previously
been arrested on a criminal
charge. Nearly a billion dol-
lars worth of automobiles were
stolen. But buried on page
133 of the report, and not
commented upon in the sum-
mary sent out by the director,
was this information. Of all
the cases involving murder and
non-negligent homicide re-
ported in this country in 1970,
70.1 per cent were committed
by Negroes and 27.6 per cent
were committed by whites.
It becomes even more inter-
esting when you consider that
about 10 per cent of the popu-
lation is Negro, which means
that 10 per cent of the popu-
lation committed 70.1 per
cent of the homicides in 1970.

Football Contest

\$3.00 **2.00** **1.00**
FIRST PLACE SECOND PLACE THIRD PLACE

Join the fun. Guess the winners. Nothing to buy. Just circle the teams you think will win, fill in your name and address, and bring it to the Chronicle office, or get it into the mail before 5 p. m. Friday. Everyone is eligible except employees of the Jayton Chronicle, and members of their families. Use this from here in the paper. Come by the office and we will give you a free form. Or, write it out on a piece of paper, in the same order as printed here, and that will do. The editor of the Jayton Chronicle is the sole judge as to the winner. In the case of tie, the amount will be shared. Be sure and mark the tie breaker score, which we will use in an attempt to break the tie. That is all there is to it, and you have a lot of fun. This contest is sponsored by the firms listed on this page. They are supporting the Jayton Jaybirds, Regional Champions, all the way.

CIRCLE THE WINNER

- New Home at Loraine
- Sands at Grand Falls
- Forsans at Bronte
- Aspermont at Rule
- Rochester at Knox City
- Brownfield at Slaton
- Floydada at Ralls
- Denver City at Seminole
- Crosbyton at Littlefield

ABOUT PEOPLE YOU KNOW

BY CLIQUE SMITH

PHONE 237-3593

Mrs. Oleta O'Neal of Odessa and her sister, Mrs. Georgia Mae Smith of Vernon were in Jayton last Thursday afternoon visiting friends. They are the daughters of the late Mr. and Mrs. S. E. Tyler. They lived in Jayton years ago. They both subscribed to the Jayton Chronicle and said they plan to be back for the Jayton school home-coming. They are both former students of the school.

Mrs. Ruby York has returned from a visit with Mr. and Mrs. Tom Wilson of Van during Mrs. Wilson's illness. She is now at home and reported to be doing well.

The rains have stopped at last. For how long, we do not know. But for this we are sure, the weeds and grass have grown exceedingly well. If you want to know how well try to cut a careless weed in some of the fields. We have some fruit trees, some three years old or more and some of the weeds would put them to shame in size and height; and even that is better than sand storms. The cotton is doing real well, also. There should be lots of grain and feed going into the bins, etc. Thankful? You better believe it.

This Friday night will be the first football game. There has been two scrimmages, but Friday night really gets the fall season on the way. Go Jaybirds.

Mrs. Bessie Pearson is in the Rotan hospital.

Visiting with Mrs. Guy Brown and Zephie over the holidays were Mary of Denton, Maydell Hicks of Albuquerque, and Mr. and Mrs. Brack Brown.

Mr. and Mrs. Maylon Johnson and family are moving to Jayton this week.

Oleta Moore, Terry and Dana visited in DeLeon with her parents, Mr. and Mrs. Clarence Floyd.

Mr. and Mrs. F. E. Rose of Cisco and Mr. and Mrs. Paul Geeslin of Lubbock visited with the Mark Geeslins over the week-end.

Jan Montgomery recently visited in Waco with relatives.

Mr. and Mrs. Zanny Anderson and girls of Roby visited in the home of John and Judy Fowler Sunday afternoon. Zanny and John went to school here in Jayton when they were kids.

Visiting Mr. and Mrs. Wendell Scott on Sunday were his mother, Mrs. Earl Scott; his

and family at Seymour on Sunday evening.

Mr. and Mrs. Bill Vencil had their children with them over the weekend Mr. and Mrs. Nalon Vencil, Scott and Greg of Odessa. Vanessa had returned from Ireland recently after six weeks visit with her Dad and family.

Nicky Williams and Kim Nichols are enrolled at West Texas State University at Canyon for the fall term.

Mrs. Nichols stated there are a few 1970-71 annuals still for sale at the school. Contact her or the annual staff members if you want one.

Mrs. Blanch Barfoot has been in Lubbock visiting her granddaughter, Sue Barfoot while convalescing from surgery.

Mr. and Mrs. Delmon Stafford of Littlefield visited for a short time with Mrs. Oleta Moore Friday afternoon, on their way to the dedication of the new Odd Fellow Hall at Ennis. He is an Old Fellow and she's a Rebecca. This new hall was built at the cost of a million dollars. Mrs. Stafford's parents and Mrs. Moore's parents were friends when they were very young.

Visiting recently with Mr. and Mrs. Check Thomas were their children, Harold of Roanoke, Mrs. Donna Thompson of Matador; Mr. and Mrs. Bob Gardner and children of New Castle, Pa.; Mr. and Mrs. Don Grandreaux of Franklin, La.; Mr. and Mrs. Jim Lewis of Corpus Christi; Mrs. Thomas', mother Mrs. Mary Ba-

ker of Hawley; and two of her sisters Mrs. Eunice Meador of Brownwood; Mr. and Mrs. Jack Strickland of Deer Park; and a friend Wanda Wright of Keller.

LADYBUGS give almost perfect control of Bollworms with no harm to the ecology. Call Claud Senn, Jayton, 915 237-2334. 26-6tc

As It Looks From Here

By Omar Burleson, M. C.

WASHINGTON, D. C. --- MEMBERS OF CONGRESS RETURNING to Washington this week after an August recess, bring back a common comment. People back home are disturbed about a great many things—inflation, schools, crime and drugs, the war—to mention a few.

Justified or not, it seems we are mired in an age of disbelief which is eroding our will as a Nation and as individuals, not only to succeed but to survive.

Sons do not believe fathers, blacks do not believe whites and vice versa. Stockholders do not believe corporate executives, and citizens have grave doubts about their government at all levels. Even clergymen are doubted because of the militant acts of a few.

Does this sense of despair and skepticism really matter? It certainly does if we believe that this Country was built on

self-confidence is a pride in its past and a faith in the future. A great nation without self-confidence is as unlikely to continue its greatness as a businessman who is without determination.

As has been said in this space before, likely government has promised too much to too many. When these expectations failed to materialize in a short time, many people seem to lack the maturity to deal with adversity.

Black leaders castigate the whole system of Government as racist because inequalities and prejudices persist. The fact that great comparative gains have been made is overlooked.

Civil libertarians characterize our Government as "repressive." They ignore all evidence that never in history has there been a freer age than this.

Many of the young disparage society as "unresponsive."

The fact is, never has a society been more oriented towards child welfare and the young than today.

In short, there seems to be missing in our society that

sense of proportion upon which all good and healthy conditions depend.

Our rivals on the world scene—the Russians and Red Chinese—are able, determined, thrusting, and are evidently endowed with a strong sense of purpose, of destiny, and yes, patriotism. They have their problems, no doubt about that, but their national and international goals and ambitions appear to be intact, un-eaten by the cancer of disbelief.

No suggestion or even inference is being made that we should blindly trust all the clichés and slogans which constantly bombard us—it is our inherent right, duty and responsibility to seek truth on which to base our trust. In fact, the acceptance of "everyone knows" such and such may be contributing to our disturbance. A recent development may be a good example. Since Rachel Carson's book "Silent Spring" "everyone has known" that DDT is an awful thing. Now

SEWELS LOSE THEIR LUSTRE IF NOT WASHED REGULARLY. USE A BRUSH AND WARM, SOapy WATER. NEVER EXPOSE PEARLS TO AMMONIA OR ITS FUMES.

NOTICE...

We want to express our appreciation to everyone for their patronage while we have operated the Mobil Station Here in Jayton. Due to lack of time which is consumed by my other duties as office manager of Chevrolet we find it necessary to sell the station, because we could not manage it in a manner satisfactory and in such a way as you good people deserve. It has been a pleasure to have been of what service we have been able to render, and will always thank and appreciate your help and consideration.

R. EDWARD HALL MOBIL SERVICE
MR. & MRS. ROBERT EDWARD HALL

New front end among refinements of Chevrolet's Monte Carlo Coupe for '72

Chevrolet's personal luxury car has a new wider grille and parking lights set between the grille and Power-Beam headlights for 1972. A bright center windshield blends into the six-foot long hood. Variable ratio power steering and power disc/drum brakes are standard. Luxury interiors, rugged body and chassis components and agile handling contribute to Monte Carlo's steadily increasing sales. All 1972 Chevrolets will be introduced Thursday, September 23.

UNKLE ZEKE SEZ

DEAR MISTER EDITOR:

The fellers at the country store Saturday night got to talking about some of the words we use and how some of em jest don't fit our style of living. The feller that runs the store said the first word needing some work was "housewife." He said that word was used way back when wimmen's place was in the house. He figured nowadays the word fer them is "carwife."

Ed Doolittle said he couldn't judge by his old lady, cause she was good about the house, but from what he sees up and down the road, Ed said, he would agree with the feller that runs the store. It seems wimmen spend more time hauling younguns around and going from one meeting to another than they do in the house. Ed said.

Actual went on Ed, they is a lot of words that don't mean what they say. Fer instant, he said, a permanent wave really is a temporary wave. And you got a little word like "fix," said Ed, that means you can do it or you're in it. And we git new ones all the time. Ed went on, like the feller that saw a friend when he got on the airplane, said "Hi, Jack" and they arrested him fer trying to make em fly him to Cuba.

Course, broke in Clem Web-

Dr. Phillip Handler, president of the prestigious National Academy of Sciences says that no harm to humans has been proved and "the tales of damage to fish and wildlife appear to have been woefully exaggerated." A dozen or so top ranking scientists support this opinion. In this instance "what everyone knows" is wrong. The application can doubtless be made in many other correct situations.

Ben Johnson once observed that "next to truth, a confirmed error does well."

Back to our doubts, fears and distrust, just maybe we need to recapture what seems to be our last innocence. Putting it another way, maybe our sophistication has run away with us.

Referring to us as a nation, Emerson said, "We should have reached a maturity to prove that we are capable of listening, not only to what the hour tells us, but what centuries whisper."

ster, you got some words that git it said fast. Clem said he had saw where scientists is working on a Z bomb. This is a bomb that blows everthing to zero. And Clem recalls seeing a sign posted on some land near his place that said, "No Huntin, No Fishin, No Nothin," and that don't leave no wrong meaning, he said.

General speaking, said Ed, the Government has more trouble saying what it means than anybody. When you hear a Congressman say they is looking fer "new revenue sources," you know they really is looking fer somepun new to put a tax on. And when you see where a project has been "referred to committee" you can figger its been buried. What you can be sure of is that taxes is like cutting the dog's tail off a inch at a time with the idee it's easier on the dog, wes Ed's words.

Clem said he had saw by the papers where the Government is making meat packers call goat meat that, instead of chevon, which means goat meat. The packers claim they say chevon cause people won't buy stuff they know got goat meat in it.

That's the way it goes, allowed Clem, and he was waiting to see some of the things meat packers mean when they put "meat by-products" on the label. Light bulbs now got to be listed in lumens, whatever they are, added Clem. He said it was gitting where we need a lable to tell us what the words on the lable mean.

Talking about meaning what you say, Mister Editor, I recall the gal that said the feller that ask her out fer a boat ride not only lied about the size of his yacht, he made her do all the rowing.
