Speech Students Present Rotary d summer. a man with Club Program

With the president, Eldon Anderson, presiding, Rotarians met last Thursday noon in the dining room of the City Cafe. Invocation was given by Charles Thornhill and the song session was led by H. V. Wood-ard, with Gail Barnett at the techniques

> Guests noted were Anita Thigpen, daughter of Dr. and Mrs. Joe Thigpen and Earl Reed and Fareed Hassen of Stamford.

Ira Hester was program chairman for the day and introduced two members of Mrs. Terry M. Digg's speech class. First to appear on the program was Van Josselet who gave a humorous reading to the amusement of club members. He was followed by Terry Kay Diggs, who entertained members and guests as she related many comical happenings of modern

day married couples.

In the introduction of the program. Mr. Hester stressed the fine work of Mrs. Digg's speech department, and related that she had won many district, re-gional and state contests with members of her department. R. A. Lane will be program chairman for today, Thursday's, noon-day luncheon session.

Dr. Ewing Speaks To County TSTA

Some 145 persons including teachers, wives and school board members were present for the Haskell County TSTA meeting held Monday night, February 2, at the Rule High

Dr. George W. Ewing, head of the English Department at Abilene Christian College, was the guest speaker, using as his topic, "Literature During the Temperance Period."

Community

Meeting To Be

Held At Weinert

A meeting with everyone A meeting, with everyone invited will be held at the Community Center, at Weinert, on Monday, February 9, at 7:30 p. m. for the purpose of organizing a Community Improvement Board.

Officers of the Haskell County TSTA Unit include W. D. Gibbs, Paint Creek, president; Alexander Swenn, Haskell, first vice-president; Charles Thorn, O'Brien, second vice-president, and Mrs. Betty Allison, Rochester, secretary-treasurer.

TERRY KAY DIGGS

Senior Terry Kay Diggs, daughter of Mr. and Mrs. Terry M. Diggs, on the basis of her score in the homemaking knowledge and attitude test taken by senior girls December 2nd, Haskell High School's 1970 Betty Crocker Homemaker of Tomorrow, it has been announced. In addition to receiving a specially designed silver charm from General Mills, sponsor of the annual homemaking education program, Terry is now eligible for one of 102 college scholarships totaling \$110,000.

Other activities in which Ter-Scroll Society, She was elected the recipient of the 1968 Quill and Scroll English Sweater.

awarded a \$1500 scholarship and the runner-up a \$500 educational grant. In addition, the school of the state Homemaker of Tomorrow will receive a complete set of Encyclopaedia Britannica from Encyclopaedia Britannica,

This spring, the 51 Homemakers of Tomorrow representing every state and the District of an expense - paid educational tour of Washington, D. C., and Colonial Williamsburg, Va. Climax of the tour will be announcement of the 1970 Betty Creeker All-American Home-maker of Tomorrow, Selected from the 51 finalists on the basis of original test scores and personal observation and interviews during the tour, she will be awarded an increase in her scholarship to \$5,000. Second-, third-, and fourth-ranking Homemakers of Tommorrow in the nation will also be chosen, and will receive scholarship in-creases to \$4,000, \$3,000 and \$2,-000, respectively.

Begun by General Mills in the 1954-55 school year to emphasize the importance of homemaking as a career, the Betty Crocker Search is the only national undergraduate scholarship program exclusively for high school senior girls. During its ry participates are National 16-year history, more than Honor Society and Quill and seven million young women have participated in the proto Who's Who, Miss HHS, is ed- gram and scholarship awards, itor of The Chieftain, and was while this year's grants will total over \$1,700,000.

HAPPY BIRTHDAY!

Most worthwhile undertakings have a way of remaining beteath the surface of public acclaim. They cement society together n an entity that we call civilization. One of the most worthwhile indertakings is that honored institution, the Boy Scouts of Amerca. Between February 5 and 13, 1970, over 2 million Boy Scouts n 70,000 troops will celebrate the 60th anniversary of the foundng of the Boy Scout movement in the United States. This year, is the Scouts observe their week, national attention will be drawn o the simple and elementary principles that make civilization possible. These principles are embraced in the Scout law.

The tenets of Scout law go far beyond the world of the Boy scout. They are the premises of our daily existence. According to scout law, a Scout is trustworthy. A Scout is loyal to his home, parents, and country. A Scout is helpful, A Scout is friendly and ourteous. He is kind. He is obedient. He is cheerful. He is thrify. A Scout is brave and clean in body and thought, Finally, a scout is reverent. As we join in helping the Scouts observe Boy scout Week this year, it is well to pay tribute, among other things, o the Scout law...and emulate it if we can. Judging by their past schavior, it will be quite a task for a lot of people

vor of the Steerettes. The boys' game was all Ro-chester from the beginning. The final score was 71-46. This breather or slight rest will preto face pare them for a Tuesday night showdown with Old Glory.

On Friday night the local teams will travel to Weinert for the Steerint Creek district action. This will be the final game for the Steerettes who'll try to upset the unbeaten Weinert girls. A large crowd is anticipated for two good games. erves for some exaind double

Junior High Tourney

ter Public School Gym, winners in the Rochester Invitational tournament were presented. First place winners in the girls' division was the Yearlingettes of Rochester. The final game between Rochester and O'Brien girls was one of the most exciting games of the tournament. last weekend, As always the game was close. Each team was plagued by fouls; a game total of 61, But the Yearlingettes prevailed to take their own tournament, Rochester earlier in the tournament defeated Paint Creek and Munday, O'Brien had played two tough games to qualify for first place. On a last second shot, O'Brien beat Knox City

over Goree. Consolation in the girls game game, was between Rule land

31-30, and also eked out a win

In the boys' division, O'Brien boys captured the first place trophy. They played the Rule Kittens in the finals, This was another good game, with both teams displaying gallant effort, Consolation boys was won by the Knox City, team after

walloping Munday. This game wasn't much of a contest after seeing so many close games.

The tournament was a huge success and the Rochester Senior Class would like to thank all the people who came to the games and those who supported the concession stand. the concession stand.

Farmers And Ranchers Should Plan Minimum Tillage For All Cropland

Frequent freezing of the duces evaporation by the wind soil during recent weeks has and sun. developed a powdered surface condition more subject to wind crosion," says Ernest L. Cowerosion," says Ernest L. Cow-ger. Soil Conservationist with the Soil Conservation Service, assisting the California Creek and Wichita Brazos Soil and

Water Conservation Districts. "Farmers and ranchers should plan minimum tillage for all cropland, leaving crop residues on or within the soil surface to reduce soil blowing to a minimum. When inadequate residues are produced, surface roughening tillage using sweeps or chisels reduces blowing," relates Cowger.

Tillage operations should be reduced to a minimum, Unnecessary trips over the land are expensive, compact the soil and break down the natural structure which results in loss of soil moisture needed for crop production.

Crop residues left on the soil surface or placed there, as a mulch, such as cotton burs, reduce wind and water erosion, increases absorption of rainfall, adds needed plant foods, in-

Menus...

School lunch menus for week of February 9-13: Tamales, cheese sticks, pinto beans, spoon tomato salad, cornbread, butter,

pear halves, milk, Tuesday: Tuna fish sandwiches, pimiento cheese sandwiches, oven browned potatoes, English peas, tomato wedges.

cutlets, mashed potatoes, buttered greens, carrot sticks, rolls, butter, pineapple-apricot cobbler, milk. Thursday: Hamburgers, let-

mas, apple crisp, milk.
Friday: Cheese meat loaf, LEDGER SHEETS, boxed typebuttered corn, blackeyed peas, writer paper, and columnar

applesauce cake, milk. Wednesday: Chicken fried

cabbage slaw, rolls, butter. cinnamon crisples, milk.

Farmers expecting to construct parallel terraces in the near future should not perform major tillage operations such as deep chiseling or moldboarding. Shredding the stalks and one disking operation is enough to ready the field for construction.

Rule News

Plans for the annual Chamber of Commerce Banquet were made when the Rule Chamber met for its monthly dinner meeting on Thursday night, January 29, in the Bluebonnet Thirteen members, two guests and one new member were present.

Bill Boles, president, presided for the business meeting. Officers for the coming year were elected. Red Ezell as president, Herbert Rinn, vice president, Mrs. E. H. Norwood, secretary, Committees were appointed

for banquet arrangements. Bob Reynolds of Fort Worth spoke to the group about a ity Property and the Federal Housing Project for Rule,

Mr. and Mrs. Bill Fouts spent the weekend in Irving, Texas visiting with their children and grandchildren.

Mrs. F. L. Chambers, Shella and Anella, spent the weekend in Lubbock.

Rev. Roy Shaahan and wife were in Rule Saturday and Sunday. He filled the pulpit at the First Baptist Church Sunday. He was pastor in Rule during 1935 to 1938. They now live in San Angelo

Lowell Millican Receives Award For Heroism

Army Specialist Five Lowell R. Millican, 22, whose parents, Mr. and Mrs. L. C. Millican, and wife, Suzanne, live in Throckmorton, received the Air Medal Award during ceremon-ies in Vietnam.

Spec. 5 Millican received the award for heroism involving aerial flight in action against enemy forces in Vietnam.

The specialist, a medic with the 159th Medical Detachment, entered the Army in September 1967 and also served at the 45th Surgical Hospital in Viet-nam. He arrived overseas in September 1968. Spec. 5 Millican is a 1965

graduate of Throckmorton High School. The award was presented December 27.

Growers, Inc.

Farmers in 12 mid-section counties of the Rolling Plains will receive an increase of \$4,-879,670 in total price support payments on the 1970 cotton crop over the total received on the 1969 crop.

This increase will be due in part to an over-all boost in yields per acre for the area, according to Charles Bragg, ex-ecutive vice president of the Rolling Plains Cotton Growers,

Also, the payment rate on the 1970 crop has been increased 2.07 cents per pound, from 14.73 to 16.80 cents, and acreage allotments in the dozen counties Storew was increased 35,682 acres over Taylor 1969. Total support payments on Throck. the 1970 crop will amount to TOTALS \$20,071,573 \$24,951,243 \$24,951,243, compared to \$20,-071,573 for 1969. Nine of the counties received

increases in projected yields,

Picture of Cecil Seymour visited in the home of Davis Appears In Nat'l. Magazine

In the February issue of the National Geographic Magazine on pages 148-150 are pictures of wheatfields in Glacier County, Montana, and on page 151 is a picture of Cecil Davis, son of Mr. and Mrs. J. D. Davis, of Weinert.

The picture was taken while of Haskell, the E. D. Usserys Davis was working in that area in the wheatfields. Cecil is a junior at McMurry.

NOTICE OF HIGHWAY IMPROVEMENT OR CONSTRUCTION

Texas Highway Department is planning to proceed with the development of the prohighway improvements S. 277 in Haskell County from F.M. 2163 in Haskell to the Knox County line. Since the Bureau of Public Roads has approved the route proposed for this project, the Highway Department will begin work on the next phase of engineering necessary for the development

of this project. The proposed improvement will provide for a four-lane highway. The usual construction will consist of an additional roadway of 24 ft. pavement, a usual 76 ft. depressed median, and right of way widened to 260 ft., except (1) on the section from F.M. 2163 to 1.5 miles North where the present highway will be widened to a 52 ft. pavement for a four-lane divided highway with a 4 ft, painted median on the existing usual 100 ft, right of way, and (2) in the vicinity of Weinert where a four-lane divided highway is proposed on a new location consisting of two 24 ft. pavements, a usual 76 ft. depressed median, and 260 ft. new right of way. Maps, drawings showing geometric design and all other available data concerning the development of this project may be inspected at the Resident Engineer's office at 249 North Central Avenue in Hamlin.
