Friends Meet At Our Fountain

frontier girl and daughter of the "U. P.'s" first engineer, and McCrea as a stalwart trouble-shooter sent out by Washington to help bring a semblance of law and order to the West. "Union Pacific" depicts their great struggles against not only hostile Indians, but against Eastern financial manipulators, who have their own reasons for wanting the road sabotaged.

The financial manipulators, who are determined to see to it that the "U. P." does not reach Promontory Point at the appointed time, have their chief agent in Sid Campeau (Brian Donlevy), a Western sharper, as unscrupulous as he is daring. He operates a dance-hall and lures the workers away from the railroad with liquor, gambling and women. He stirs up dissension among the construction chiefs, and when this fails, gets Indian tribes to aid the settlement. In his efforts to stop Campeau, Jeff is aided by Akim Tamiroff, who plays "Fiesta," a roistering Mexican railroad cop who brings his own kind of law and order to the frontier at the end of a bull-whip.

Oscar, Annie Ruth, Frank, J. D. and Mrs. J. D. Thomas, Mattie Jackson, Mr. and Mrs. M. L. Malone, Mrs. R. E. Barns, Flora and Robert Earle Ratliff, Fred and Martha Reid.

### DAISY FAY LEBOW MARRIED TO RODNEY BOYKIN

Marriage rites were read Wednesday night of last week for Miss Daisy Fay Lebow and Rodney Boykin, both

of Abernathy. The ceremony was performed by Baptist Pastor J. Frank Nix at the parsonage. Attendants were Miss Estelle Ashton of Artesia, N. M. and Curtis Lebow of Abernathy, a brother of the bride.

The bride wore a white shark skin ensemble with navy blue accessories and carried a bouquet of rosebuds. Miss Ashton also wore white.

Mrs. Boykin was graduated from Abernathy High school this year. She is a daughter of Mr. and Mrs. S. H. Lebow of Abernathy.

Mr. Boykin, a son of Mr. and Mrs. J. E. Boykin of this community, was graduated from Gail High school.

They were the first to be married in the newly remodeled Baptist parsonage and they were the first to be married by Rev. Mr. Nix since he

assumed the pastorate here.

The world knows Chevrolet passenger cars and trucks are first in value, and that's why the world has placed them first in sales!

Important to every motor car buyer is the fact that Chevrolet, first in passenger car sales, is also first in motor truck sales, because truck buyers select the trucks that pay the greatest returns.

The same qualities that distinguish Chevrolet trucks exist in equal degree in Chevrolet passenger cars. You may choose your Chevrolet solely for its beauty, comfort, or performance—but you will get in addition that all-important extra value.

**CARD OF THANKS**

We want to thank everyone for their kindness and help to us during Irvin's sickness. Words can't express our appreciation to each and every one. Especially do we thank the Masons and Odd Fellows for their timely help. And to those friends who gave blood for the many transfusions. Herbert Hardin and Jack Hackler gave twice, Ralph Barker, Joe Craig, Rudolph Struve, Martin Collier, Carroll Cox, many thanks, boys. Also we thank all those who so readily came to give for transfusions that were not needed. We appreciate their help just as much. We hope and pray that none of them will ever be called on to go through such a trial in life. No one knows how to appreciate their friends until such trials come.

Irvin is at home now after 15 weeks, 105 days, in the Plainview Sanitarium where he was given nine blood transfusions and was so sick. Words can't tell how we thank those doctors and nurses for their attention and care.

Mr. and Mrs. J. G. King and family.

**CALLED TO LOVE CHURCH**

By unanimous vote, members of the Love Baptist church, east of Tullia, called Rev. Herbert Brown to the pastorate. He is to preach there each first and third Sundays. The youthful Abernathy minister preaches at Wayside church, east of Happy, on each fourth Sunday.

**MEETINGS SET MONDAY, TUESDAY**

Regular meetings are set Monday for the city council and Tuesday night for Abernathy Agricultural Association. The farm session is held at the school auditorium.

**POSTAL RECEIPTS SHOW DECREASE**

Postal receipts of the local post office the second quarter were near \$100 under those of the same period last year, said Postmaster George W. Ragland.

The 1938, second quarter, receipts totaled \$1,201.92 compared with \$1,102.44 in the same period this year.

**ON TSCW HONOR ROLL**

(Special to the Review)  
DENTON, July 6.—Ranking scholastically with the upper eight per cent of a student body of 2800, Miss Theodora Price of Abernathy was placed on the Honor Roll at Texas State College for Women for her work during the second term of the past school session.

Miss Price, a junior last year, did her major work in the field of Art in Advertising and Industry. She received a letter of commendation from Dean E. V. White this week on her outstanding record.

**PRATHER OPENS SERVICE STATION**

Boyd Prather and Joe Craig are back at their old stand operating the service station across the street south of Mrs. W. H. Ragland's home.

**FOURTH OF JULY UNEVENTFUL HERE**

Abernathy did not add to the Nation's July 4 death list and no casualties had been reported in this area Wednesday morning. The day passed uneventfully for this community. Many stores were closed all or part of the day. Farmers stayed in fields battling a heavy crop of weeds that took a head start of the men during rainy weather.

**HALE WHEAT IS AVERAGING SIX BUSHELS TO ACRE**

(By C. B. Martin, Co. Agent)  
The Hale County farmers are about to wind up this year's wheat harvest with an average production of six bushels per acre. There has been some delay in the harvest due to excess rainfall. Hale County farmers had 177,000 acres of wheat land allotted for 1939 harvest; sixty per cent of this wheat withstood the sand-

**HAVE YOU HEARD THIS ONE?**

Mr. A: Have you been trading cars?  
Mr. B: No, this is the same old buggy.  
Mr. A: Looks like a newer car than your old jalopy.  
Mr. B: I turned it over to the boys at MAIN STREET SERVICE STATION and told them to see what they could do to improve it, and they just washed, greased and vacuum cleaned it.  
Mr. A: Good idea—believe I'll try that with my car. It makes your's look like a \$100 better car. Saves tailor bills, too.

**T. M. Tarver**

storms and drouth in the spring and is now being harvested. Seventy per cent of this crop has been harvested, with 98 per cent of the farmers taking the government loan on their wheat in preference to selling it. It is true the wheat crop in Hale County is short, however, the farmers are blessed by having high quality wheat, with an average protein of 16 per cent.

July first finds the general crop condition good in Hale County. Recent rains covering the entire county has given the farmers sufficient moisture to carry the row crop, cotton, and grain sorghums through the dry summer season. With favorable seasons during the month of August Hale County will produce a big feed crop and make a normal cotton crop. In this county we have 82,000 acres allotted for cotton planting for 1939 harvest. Due to drouth early in the spring and heavy rains late spring, farmers have only planted 42,000 acres of cotton. This cotton is up to a good stand and is looking very promising at the present time. 142,000 acres has been allotted for planting general crops. Sixty per cent of the feed crop (general crop) in Hale County is in good condition for the month of July. A reasonable amount of rain in August will pro-

duce a bumper feed crop for the county.

Prospects for a good feed crop in Hale County makes the outlook for feeding lambs, cattle and dairying much brighter. The livestock business is gaining popularity each year among our farmers.

The use of the trench silo in the feed conservation program carried on by the local county agent, is stabilizing the livestock business as well as the feed business.
