Indians Down Merkel

The Haskell Indians picked up their third District game here Friday night by defeating the Merkel Badgers 47-8. This gives them a 7-1 win-loss record and a 3-0 District record. As it stands now, this week could tell the District winners, as the Indians meet Rotan there. Rotan is undefeated this year and has a very strong team. They defeated Stamford 20-0 last week.

In Friday night's game, the Indians scored on their first series of downs. They covered 73 yards in five plays, Jackie Young 10; Charley Franklin 7; Young 1; Everett 9 and then Franklin covered 46 yards up the middle on a very good run. At least seven Badgers got their hands on him but could not stop him. Randy Stone's kick was good. This was the only score of the first period. The Badgers handled the ball 14 times to the Indians 13.

The second quarter started off fast. The Indians were on the 11 yard line as the first period ended. First play in second period, Young went over the middle for the 11 yards and his first score of the night. Stone's kick was good. The Badgers couldn't move on the Indian defense and were forced to punt on fourth down. Indians took the ball on the 25 yard line. The first play quarterback Everett handed off to Franklin for a beautiful 75 yard touchdown run up the middle. Stone's kick was again good, leaving the score at Indians 21-Badgers 0.

The Badgers then came to life and completed a 37 yard pass from Bill Whisenhunt to Jerry Holmes to put the Badgers in good field position. Six plays later Paul Thames covered the middle from the one yard line for the Badgers first and only TD. A pass from Whisenhunt to Larry Hewitt was good for two extra points.

Everett took the kick off on the 30 and traveled 70 yards for another Indian TD. Stone's kick was good. This ended the first half scoring.

The third period started off wild. On the kickoff, Young fumbled the ball on the 25, the Badgers recovered, next play Everett intercepted a Badger pass on the 10-yard line and carried it to the 40. Although a 15 yard penalty put it back on the 24. Eight plays later Young scored his second 6 points from the 27 yard line with a good run. Stone's kick was good. This was the scoring for the third period. Two plays later Everett scored from the two yard line for his second TD. Stone's kick failed.

With 45 seconds left in the game, Eddie Harris scored from the 7 yard line. Bill Cox's run for extra points failed. This ended the scoring and the ball game.

The great defense of the Indians did a fine job all night (Cont. on Back Page, Sec. 1)

Jim Silverman Lions Speaker Tuesday Noon

Jim Silverman, director of nurses and anesthesia at the Haskell Memorial Hospital, spoke to members of the Lions Club, Tuesday noon at Felker's Restaurant dining room. Harold Spain was program chairman for the day.

Silverman, a veteran of 12½ years' service in the United States Army, who recently retired with the rank of Major, briefed Lions on the conditions in Vietnam.

"Most of us think of the American soldier in Vietnam as there to shoot and kill, but they are doing a lot more good in working with the people than just a shooting war," Silverman said.

"It is humid and hot in Vietnam, as it rains six months in the year and then stays dry for six months. Skin diseases are most prevalent, and insect and rat bites have to be contended with," he said.

"The people in Vietnam are receptive to the work being done by the American Serviceman, and show their appreciation in many ways," Silverman said.

Don Lamb, of Rochester, was noted as a guest.

President Troy Culpepper presided over the meeting. Charles Thornhill led the singing with Suzanne Thomas at the piano, and the invocation was given by Rev. Aubrey Headstream.

"Prexy" Culpepper announced that a Lions Zone meeting will be held in Haskell at Felker's Restaurant, Tuesday night, November 10th, at 7:30 o'clock. Due to the evening meeting the regular luncheon session will not be held next Tuesday.

Culpepper also announced there would be a Lions directors meeting next Tuesday morning at 7:00 o'clock at Felker's Restaurant.

C. O. Holt, chairman, stated that everything was moving along on schedule for the annual pancake supper to be held Friday, November 13th, at the high school lunchroom, prior to the Haskell-Stamford football game. Serving time will be from 5:00-7:15 p. m.

A DAY OF PURPOSE

Observance of Veterans Day, on November 11, in the year of 1970, marks the ending of World War I more than 50 years ago. History reveals that 50 years ago, just as 200 years ago, or even in the days of World War II, only a little more than a generation ago, there was an overwhelming dedication and belief in the United States. Patriotism was not something to be ashamed of or submerged in cynicism...nor were liberty, the principles of self-government or the American economic and political system. Strong convictions commanded respect, and no one doubted our destiny as a nation.

Now, as we approach another Armistice Day... or Veterans Day...the in-thing, among many of the discontented, is to shun convictions or allegiance to any cause or principle. Pursuit of such a philosophy to its logical conclusion would be the abandonment of observation of all milestones in the history of the nation or in the history of mankind, for that matter. If nothing matters, there is nothing to observe; and, if there is nothing to observe or believe in, what is left but a vacuum where once there was a great nation and a great people.

Just as on other days that are important in the record of the United States, U. S. citizens turn out in tribute to Veterans Day, because they wish to reaffirm those beliefs that make a nation great and for which many of their fellowmen have given up their lives. November 11, in short, is a day of purpose.

Haskell County History

30 YEARS AGO
(November 8, 1910)

Mr. and Mrs. Virgil Reynolds of Brownwood spent last night with his parents, Mr. and Mrs. R. J. Reynolds. Their sons, Robert Bruce and Cris, accompanied them home after a visit of several days in Haskell.

Mr. and Mrs. W. J. Adams of this city are announcing the arrival of a daughter, Lynda Gayle, on Saturday evening, November 2nd. Her weight was six and one-half pounds.

Third cotton storage warehouse for Ed F. Fouts Warehouse Company in this city was completed last week. The building, 186x60 feet, is of sheet metal construction with storage capacity for 2,500 bales. The new addition provides the company with facilities for storing 7,500 bales of cotton in three buildings, and according to Ed F. Fouts, owner and manager, all storage space in the buildings will be required by this year's crop.

Breaking a tradition that has stood since founding of the American Republic, President Franklin D. Roosevelt was re-elected for a third term in the national election, Tuesday, when the Democratic ticket was overwhelmingly favored by a majority of the voters in thirty-nine states. President Roosevelt and his running mate, Henry A. Wallace, vice-presidential nominee, received 468 electoral votes to 83 credited in late returns to Republican nominee Wendell L. Willkie for president and Senator McNary for vice-president. Parents of children who are

in the school band met Monday night at the Baptist Church to organize a Band Patron's Club. Twenty members were present and Mrs. Bob Herren was elected president.

Mrs. D. Scott has returned home after a visit of several weeks in the home of her daughter, Mr. and Mrs. Guy Rails of Houston.

40 YEARS AGO
(November 6, 1896)

Miss Lela Welsh, who is teaching school in Wichita Falls, spent last weekend with parents, Mr. and Mrs. W. E. Welsh.

Mesdames Wilton Kennedy, Frank Williams and Misses Myrtle and Ola Bell Kennedy were business visitors in Stamford Tuesday afternoon.

Two fifteen-year-old boys, J. L. Howard and George Moeller, were badly cut and bruised early Sunday when the touring car in which they were riding overturned near the Irby school house east of Haskell. Young Howard was badly bruised about the head and face, and was rendered unconscious for some time. Moeller received a severe cut on his left hip, and his left knee was badly cut. Both boys were rushed to Haskell where they received medical attention, and their injuries are not expected to prove serious.

A total of 20 carloads of cattle have been shipped from Haskell during this week, eleven cars going to the Fort Worth Markets and nine cars to pasturage in North Texas. Eight carloads were shipped Monday by T. E.

The ALCW of the Faith Lutheran Church were guests at the Workshop of the Northwest

Ballard, local rancher to Fort Worth markets. On Tuesday 12 carloads were shipped by the Reynolds Cattle Company from their ranch east of town. Nine carloads were sent to Hartley, where they have large holdings, with three carloads going to markets at Fort Worth.

According to station agent Leo Southern, 5,400 bales of cotton have been shipped from Haskell to date as compared to 6,200 bales for the entire season last year. Considering the bad weather of recent weeks, this year's shipments indicate that the crop in this immediate territory will be considerably in excess of last year's.

Haskell County voters were not interested greatly in the General Election held Tuesday it seems, if voting in the four local boxes is an index of sentiment for the county. Only 311 votes were cast in the four Haskell precincts, with a strength of 1,238.

60 YEARS AGO
(November 3, 1910)

The cards are out announcing Monday evening, the seventh of November A. D. 1910 as the date of the marriage of Miss Kate Lemmons, daughter of Mr. and Mrs. T. J. Lemmons, of this city to Dr. John E. Morris of Spur, Texas, to occur at the M. E. Church of Haskell, at six o'clock. The groom is a most promising physician, and the bride is one of Haskell's most accomplished young ladies.

The regular meeting of the Magazine Club was held at the Public Library, October 28. The members responded to roll call with quotations from Bret Harie, and a well written paper on "The Hawaiian Islands and Their Resources," was read by Mrs. G. E. Lankford. There was a good attendance and a hearty welcome extended to the Club's new member, Mrs. A. M. Getz.

Mr. and Mrs. Hardy Grissom visited Dallas this week.

Mr. Icoda of Japan will deliver a lecture on "What Christianity Has Done for Japan" at the Methodist Church next Sunday evening at 7:30. His little boy five years and two months old will sing Japanese songs.

Mr. Cliff Branham who is now at the head of the mechanical department of the Free Press, designed and set the advertisement of the Dallas Fair in the prize contest that won second prize. When we consider that this young printer had to compete with printers everywhere, the distinction he won will appeal to our local pride. The Free Press is fortunate to have in its employment such a competent young printer.

The Mothers Club had a call meeting Wednesday, October 26, at the North Ward. Many were present and much interest was shown. The report of Mrs. Posey to the Mothers Congress at Austin was given at this meeting. The report was splendid and the enthusiasm and ideas brought back will do more than compensate to the Club. Next meeting will be Wednesday, November 2, at 4:00 p. m.

Rotarians And Guests Hear Jim Silverman

Haskell Rotary Club members and guests met at the City Cafe at noon, Thursday, October 29, with president Bob Herren presiding.

T. C. Walker was program chairman for the day and introduced Jim Silverman, director of nurses and anesthesia at Haskell County Memorial Hospital, having recently moved here from the state of Illinois.

Mr. Silverman, a veteran of 12 years service in the United States Army, recently retired with the rank of major, talked on some of the activities of servicemen in Vietnam. His interesting and informative talk told

of extra volunteer work being done in the Asian Country with special emphasis on the medical care which the military personnel were furnishing for dependents of the Vietnamese soldiers.

Silverman said that Doctors, nurses and enlisted personnel averaged seeing 100 patients daily with most of the treatments given being for skin diseases and for rat bites. He stressed that the major portion of the Vietnam doctors were in military service and that the civilians had little or practically no treatment for their illnesses. "They were most receptive to the work being done by the American servicemen and showed appreciation in numerous ways," he stated.

Invocation was given by Charles Thornhill and the song session was led by H. V. Woodard with club pianist Gail Barnett at the piano.

Guests noted were Harry Hamilton of Lubbock; Hollis Haynes of Stamford; Willard Mullins of Haskell and student guests Penny Darnell and Diane Sammons, of Haskell High School.

"Prexy" Herren congratulated club members for the fine attendance and advised that the Haskell Club had 100 per cent attendance for the past three weekly meetings. He urged members to make up at Rule, Rochester, Stamford or Hamlin in case of being absent at the local club meet to enable the Haskell Rotary Club

Booster Club To Sell Beat Rotan Signs

The Indian Booster Club met or its regular meeting Monday night. During the business meeting, discussion was held as to how the club might promote the securing of a better speaker system. Since only one home game remains, this will be tabled for the present time.

Head cheerleader, Marilyn Fischer, requested the fathers of the senior boys present the skit for the Stamford-Haskell pep rally. Miss Fischer also expressed appreciation to the mothers for the skit presented last week.

Decision was made to secure large signs to be placed on autos bearing the words BEAT ROTAN. Members of the club will be selling these for 25c. All fans are urged to place these on their autos early in the week and decorate all cars going to the game.

Coach McAdams gave an informing scouting report on the Rotan team. The quote was made that Rotan has the best set of backs in the district, or perhaps in the state, in our class. The fans were reminded that their back, Mickey Early, is the leading scorer at the present time.

Coach Ivey reported the B team won over Knox City last week and will play Seymour there at 7:30 Thursday (tonight).

Coach McAdams reported the Junior High team lost to Albany and will play Hamlin this week.

Prior to the viewing of the film, Coach Everett praised the mental attitude of the boys, and expressed the hope that the spirit will continue for this week's game.

Evelyn Cobb was the recipient of the door prize, a beaded coin purse, from the C&B Store.

Rochester Rips

Anson B, 54-32

Bob Hudspeth and Mike Adkins each scored 2 touchdowns leading Rochester to a 54-32 victory over Anson B at Rochester last Thursday evening.

Bob LeFevre, Johnny Martin and Hank Bird added single touchdown runs for Rochester as the Steers racked up their third win of the season against four losses.

Anson scored all of its touchdowns on passes as Jamie Watt threw four touchdown passes, two of them to Santos Seballos. Seballos threw the other scoring strike for Anson.

Rule Rambles Past Throck

Rule's Bohcats overwhelmed Throckmorton, 40-24, in a crucial District 2-B opener at Throckmorton Friday night.

It was a game between two teams expected to battle it out for the championship and Rule erupted for 20 points in the second quarter and went on to the victory.

Rule's Jimmy Lisle exploded for five touchdowns to pace his team to the win.

He got things started with a 9 yard scoring run in the first quarter, then ran over the extra points.

Throckmorton closed the gap to 8-6 when Sam Nacol escaped on a 38 yard scamper in the same quarter.

Rule's Kent LeFevre rambled 22 yards for Rule's second TD early in the second period, but Throckmorton came right back with an 83-yard scoring pass from Mike Weaver to Dick Hibbets.

That left the score at 13-12, then Lisle took over. He scored on an eight yard run, tallied the two extra points, then skittered 25 yards for another TD before halftime.

That left it at 28-12 and if there were any doubts about the outcome, Lisle erased them when he bolted 66 yards for his fourth tally in the final quarter.

Weaver and Hibbets teamed up on a 75-yard scoring pass for Throckmorton, but it didn't keep the gap closed as Lisle went 25 yards for his final TD of the night. Weaver hit Hibbets on an 8 yard pass to close out the scoring.

Benjamin Bops Paint Creek

Benjamin opened its District 4-B season in impressive fashion with a convincing 46-0 win over Paint Creek in a six-man football game at Benjamin Friday night.

Den Roberts and Billy Pierce, each with two touchdowns, paced the Benjamin victory.

LOW LEVEL FLYING ROUTES TO AFFECT HASKELL AREA

The world wide commitments of the 516th Tactical Airlift Wing (TAW), Dyess AFB, require continuous low level flying training. The highest possible degree of proficiency must be maintained and the 516th TAW aircrews must be current in all modes of aerial delivery. As a result, C-130 Hercules and

C-7A Caribou aircraft are flown at low level altitudes over the "big country" on a daily basis.

These low level flights may be scheduled between 8 a. m. and midnight, Monday through Friday, and less frequently on weekends. Daylight missions are flown at an altitude of 500

feet above the terrain while night low level activities are conducted at least 1,000 feet above any obstacle, man made or geographic, within three miles of the prescribed track of the aircraft. Airspeeds will vary from 112 to 200 miles per hour.

All flights are made along specific routes which are approved by the Tactical Air Command, only after coordination with the Federal Aviation Administration and local airport managers. Minimum distur-

ance of farms, ranches and communities is the primary consideration in selecting low level routes. Towns, local airports, resorts, hatcheries and stock pens are avoided when planning the routes and will not be overflown by C-130 or C-7A aircraft under any normal circumstances. 516th officials would like to emphasize that, even though training must be conducted at low altitudes and high airspeeds in order to be realistic all possible precautions are taken to prevent disruption

of local agriculture and community activities. The areas affected by these training flights are: Abilene, Merkel, Rotan, Aspermont, Hamlin, Stamford, Throckmorton, Haskell, Rule, Winters, Ballinger, Coleman, Talpa, Cisco, Eastland, Comanche, Carbon, Albany, Anson, Nolan, Christoval, Paint Rock, Tuscola, Tye, Sylvester, Roby, Girard, Buffalo Gap, Baird, Lueders, Seymour, Benjamin, Knox City and Old Glory.

If you want to be liked by others, even loved, do everything you can to build up their dignity and self-respect. However lowly their positions, however uneducated they may be, respect them as children of God, and show it...

When you trample another's dignity it is not just his ego that is hurt. The hurt goes deeper. You wound his self-respect, bruise his pride. Every person, however unimportant, likes to stand tall inside.

You help him more perhaps than you will ever know, when you consistently recognize his status as a human being. And usually your attitude will speak more eloquently than anything you say.

Life is lived moment by moment. The secret of getting the most out of this particular moment lies in our viewpoint. In doing first things first, and important tasks that should be done, we feel a sense of progress and purpose. This moment blesses us as we look for the blessing in it, as we relate it to the whole of our day, realizing it is important, for it is the moment we are living.

Prattler heard of a 77-year-old man who took up golf and became an ardent slave to par. His wife, a spy woman who likewise was given to active hobbies, was asked if she intended to take up golf too. "Lordy, no honey," she replied. "I wouldn't even know which end of a caddy to hold!"
