We were talking with W. M. Stephens about air travel and he told this experience which he had several years ago in another town where he formerly resided. A merchant gave numbered tickets with purchases at his store. The ticket entitled the holder to a free airplane ride over the town. On one of the days flights were being made, he was there awaiting his turn. Stephens had not finished a conversation with a friend when his number was called so he traded tickets with another man who was waiting to ride. On that trip, the plane crashed and the pilot and passengers were killed.

Oregon wheat farmers realize some salvage value from hauled out crops. They lease grazing rights to turkey raisers.

They may not look alike to you, but when I see Mrs. B. A. McDougal I think of Mrs. E. A. Houston and vice versa. The same applies to Mrs. R. C. Camp and Mrs. Henry Scarborough.

When you go to Ruidoso, N. M., this summer stop in and visit with a native Abernathian, W. A. Hart. He operates a large grocery and drug store a few doors "that way" from Fred Riley's Cafe. By "that way", I mean turn left as you leave Fred's place. I lose all sense of directions when I leave the Plains country. He was born on a place a few miles southeast of here before there was an Abernathy.

BOND ELECTION IS SET MAY 22 AT NEW DEAL

In a called meeting of the New Deal school board Tuesday night a \$60,000 bond election was set for May 22. Balloting is to be in New Deal High school building, with Pat Nix as election judge and W. M. Edwards and Earl Hobbs, clerks. Polls will open at 8 a. m. and close at 7 p. m. Should the proposal be favored by the voters, money from the bonds will be used to construct additions to school buildings.

The formerly-announced plan to vote on \$70,000 in bonds was abandoned after it was learned from authorities in Austin that \$60,000 would be the maximum issue with out raising property valuations in the district. Voters of the district balloted last November in favor of increasing the school's local maintenance tax rate not to exceed \$1.50 on the \$100 of valuation. This increase did not apply on last year's taxes but is in effect for the current year.

School officials stated that the \$60,000 bond proposal, if favored by the voters May 22, will not require an increase in taxes. The bond portion of the rate is to remain at 50c, they said. The board has not set the maintenance rate.

HONOR STUDENTS AT NEW DEAL

Supt. A. L. Faubion Tuesday, announced the honor students of New Deal High school Senior class of 1948. They are John Kveton, valedictorian, and Loretta Shinn, salutatorian. Tuesday afternoon was "Senior Day" at New Deal, and the boys had plenty of fun. It was reported that two ex-senior boys and a sophomore lad became involved in the activities to the extent of having to don basketball trunks before they could retrieve their trousers from atop the flag pole. Pat Thurman is constructing a 12x26-ft. addition to the south side of his residence.

Preston Foster Stars In Free Show Saturday

Preston Foster is featured in "King of the Wild Horses," the merchants free show at Rita theatre Saturday afternoon.

CANCER FUND DRIVE TOPS QUOTA HERE

Frank Roberts, Lions club president, staged a one-man drive last week and solicited funds to fill Abernathy's quota in the Hale county cancer research fund campaign. The local quota was \$135.25, and Roberts obtained donations totaling \$137.50. This was a separate drive from the one staged by several women's clubs here. Mrs. Jack Barton announced that the four local federated clubs received \$61.65 in contributions for the cancer research fund.

FIRE DAMAGES RESIDENCE

Fire early Wednesday afternoon badly damaged the interior of Mrs. E. B. Paxton's residence in South Abernathy. Household goods of the Carl Nobletts, who occupied the house, were lost in the fire, which was said to have been caused by a kerosene range.

LEGION BUYS BUILDING SITE

Barton-Hood Post No. 500, American Legion, purchased a building site in the Vineyard Addition south of the city limits. The site has 200 feet east front on the highway, by about 135 feet. Located south of the G. C. Pope residence, the lots were purchased from Henry Vineyard.

JUNIOR C. OF C. MEETS MONDAY

Abernathy Junior Chamber of Commerce members are to meet Monday night, May 10, at a Krow's Kampus Korner, at 8:15 o'clock. A program of entertainment is to follow the brief business session.

BUY CAFE

Mrs. Estelle Carpenter and Mary Britton have purchased the interest of Nat Jones in Jones Cafe, by the post office. They are to serve free coffee and doughnuts from 5:30 a. m. until 11 a. m. Friday, May 7, they announced.

DELEGATES

In the Democratic Precinct Convention held here Saturday the following delegates were named to attend the county convention held Tuesday in Plainview: E. C. Abernathy, E. G. Thompson, G. M. Carr, Hugh Vaughn, H. E. Richter and Walter Harp, precinct chairman. Alternates elected were: Doyle Evans, Ray Pinson, Arno Struve, Mrs. E. C. Abernathy, G. G. Gilliland and B. L. Griffith.

AN IMPORTANT "FIRST"

The first street marker in Abernathy was installed Monday afternoon at the corner of Avenue D and Eighth Street, at Carl Phillips 65 Station. Among those present for the installation were Mrs. Dan Ward, left, in the picture above, and Mrs. Frank B. Lovelace. The 1935 Study club sponsored the Street Marker Project, which is nearing completion with the start of installation work Monday. Mrs. Ward is chairman of the club's street marker committee and Mrs. Lovelace, who resides two miles south and a half mile west of town, is president of the club.

The Junior Study club gave considerable assistance to the 1935 club on the project. Mrs. Joe Tom Brown, president of the Junior club, was out of town Monday afternoon, otherwise she would have been in the above picture.

Other members of the 1935 Study club who were present for the first marker installation were Mmes. Andy Reid, Rudolph Struve, Ray Pinson, Paul Herral, J. W. Harris, Erzell Givens, Virgil Zeman and Earlon Harp.

Dan Ward made movies of the event.

The club and the town, is indebted to Lamar McKenzie, whose usual vocation doesn't include street marker installation work, for contracting to do the job. His employees, Wayne Moore and M. T. Slough, installed the above street marker. After the "ceremonial" marker was set Monday, they began installation on First Street in South Abernathy.

The town was surveyed by Jeff Williams, Hale county surveyor, to determine exact spots where the markers should be.

Some of the markers will be on property which is being used as streets. Motorists are requested to be on the look out, and drive around those markers.

As shown in the above picture, the markers also have the block numbers.

RED CROSS FUNDS FOR COUNTY ARE OVERSUBSCRIBED

Hale County's quota for funds to carry out activities of the Red Cross Chapter was oversubscribed by more than \$800, final tabulation revealed. The fund raising campaign for 1948 ended March 31 with a total of \$7,148.85 collected. Dan J. Castles, finance chairman of the Hale County Chapter, reported. The quota for the county was \$6,190.

In making his report, Castles expressed appreciation for the cooperation of Hale County citizens and the assistance of workers in the drive. The amount of money collected, he said, will insure a successful operation of the Hale County Chapter during the year.

Erzell Givens, local chairman, reported that Abernathy exceeded its quota of \$625, with residents of this area contributing \$632.75. Mrs. A. B. Myatt was solicitation chairman.

W. V. and T. C. Cunningham left Monday night for McKinney after hearing radio reports of the storm there. Reports from there Tuesday said that the home of their mother, Mrs. T. H. Cunningham, was demolished but that she escaped with no injuries. Mrs. Erzell Givens reported that her father, G. D. Johnson, and her brother, Wesley Johnson, and other relatives escaped injury in the storm at Princeton.

M. O. Hood Resigns As V. A. Teacher; Is To Retire

M. O. Hood, longtime Vocational Agriculture instructor in Abernathy school, has retired. The announcement, made personally to the School Board in session Monday night came as a complete surprise. Though eligible for retirement several years, Mr. Hood has remained active and efficient in his profession during the critical shortage of Agriculture instructors during the war and reconversion.

Mr. Hood has taught Agriculture in Abernathy High School for eleven successive years, coming here from a similar position in Dickens County in 1937. He is a graduate of John Tarleton College and Texas A. & M. College.

This year rounds out 32 years teaching in Texas class room, beginning his career at Mayflower, a small one-room school in Erath County in 1909.

Mr. Hood and his family expect to continue to make Abernathy their home. Over 500 boys have received the tutelage and sage advice of Mr. Hood during his tenure in Abernathy. There is hardly a family in this community which has not received benefit of his services over the past decade. He has rendered invaluable service to farmers of this area in many ways. It is said that he has located more irrigation well and "doctored" more sick cows than any other man on the South Plains. He is considered an authority on livestock diseases, especially milk fever in cattle. Besides attending to the myriad tasks of his position, he has found time to perform numerous services connected with the Lions club, the Methodist Church, and the School Athletic Teams.

His hobby has been his shop. He is never too busy or too tired to open up the shop for some boy, big or little, and help him with his work.

The whole community wishes Mr. Hood a full measure of happiness in leisure that he has so rightfully earned.

Supt. Miller reported that there is no prospective successor in view for the position, which will become vacant on July 1, the active date of Mr. Hood's retirement.

OES MEETS TONIGHT

A regular meeting of Abernathy Chapter No. 877, Order of the Eastern Star, is to be held tonight (Thursday) 7:30 o'clock, in the Masonic Lodge hall.

GAMES SCHEDULED

The Legion softball team is to play Levine's of Lubbock at Legion Field here Friday night, May 7, and the Farmer community team here Tuesday night, May 11. Both games are called for 8 p. m. The Legion nine defeated Hale Center, 8 to 7, in an over-time inning, in a game here last week.

Mr. and Mrs. Arles Blankenship's two sons have birthdays on the same day. Jimmie DeWayne was born May 1, 1943, and Arles Darwyn was born May 1, 1947. Darwyn was ill with measles on his first birthday, Saturday.

Lubbock county clerk issued a marriage license to Gene Settle of Abernathy and Miss Betty Gaither of Lubbock.

A SUNDAY SCHOOL CLASS FOR MEN YOU ARE INVITED TO ATTEND Men's Downtown Bible Class R. E. Lee, President — Rev. H. T. Pendley, Teacher Rifa Theatre 10 A. M. SUNDAY Abernathy

EDITOR'S COLUMN

(Continued from Page 1)
 nathy. He is the son of the late Jim Hart, who built the first graded road from Abernathy to Lubbock. W. A. is a nephew of J. C. Hart, who died here a few months ago. He has been in Ruidoso for 12 years. As young men, W. A. and Elbert Overton were great pals around here. They became separated and lost track of each other. Hart was hunting on the range land up country from Ruidoso a few months ago when a man rode up on a horse. You're right, it was Overton. He owns a ranch near Yeso, N. M.

It says here in this book of squibs: "Eyes set too close together may mean a bad disposition, but lips set too far apart are sure to get you into trouble."

We learned something Friday while Mrs. Ray Pinson and Mrs. Dan Ward were assembling the new street markers in Struve's International Store. Abernathy will have a 13th Street when the markers are installed. Under the old plan, the "unlucky" number was left off street designations, but the ladies included a street with

that number when they changed the method of numbering. The old system had an inconsistent set-up on numbering. The even numbers were in South Abernathy and odd numbers were in the north part of town. They will be in numerical order when the markers go up, starting in South Abernathy with First Street. The avenue designations have been reversed with Ave. A starting the first street west of the railroad and going from there west in alphabetical order. Lamar McKenzie has contracted to install the markers. He started the job this week.

Another local craftsman is Roy Sandefur, who can do things with trowel, mortar and brick. The job he did on the front of the IOOF Hall is worthy of note. He can lay brick in a plain or fancy design—you name it, and he'll do the job. He made the "I. O. O. F." in the building front. Roy also has a knack for turning out handsome fireplaces in rock or brick. Congratulations to the Odd Fellow Lodge for the fine appearance of the building.

Know what I'd do if I were a young man selecting a career? I'd

study and train to be a professional contest participant! High schools and colleges should offer specialized courses in newspaper, magazine and radio contests. Radio is the leader in the contest and quiz field. If you're lucky enough to get tickets to a radio quiz show and happen to be selected to participate, you have a good chance of walking away with half the wealth buried at Fort Knox. Of course, you might have to do some deep thinking to win such a rich prize. You might be asked this stumper: "Who was the first president of the United States?"

I'd spread out with branch offices in residential sections of all the major cities in the U. S. This would be for handling telephone calls from radio shows that offer you everything from a washing machine to a block-long automobile and a canoe trip down the Nile. I'd send letters and coins for some worthy cause from every office. Being the trained master mind, it wouldn't take long for me to ascertain the identity of Mrs. and Miss Shut-Up or the walking gentleman from Waukegan.

I'd train a corps of men and women in the art of getting into radio studios and on the programs. They'd have to take a lot of punishment, but they'd be amply rewarded with wrist watches and replicas of Big Ben. To earn this, they would have to subject themselves to laugh-provoking antics planned by the program thinker-uppers. Of course, I'd pay them a good salary for being dunked in a tank of ice water; for being immersed in molasses and rolled in feathers; for going out on the streets and selling the sponsor's five dollar

bills for a dime. With the watches my employees would earn on the programs, I'd set up a chain of jewelry stores from Maine to California.

My branch office employees would be required to inspect cans from bottles of cold drinks they consumed. You can never tell, there may be a gold mine in one. From every branch office, I'd send in coupons from newspapers and magazines, telling in 25 words or less why our cat climbs my leg every time I open a can of a certain pet food. This would bring in enough automobiles for me to start a string of "used" car lots, or merchandise in sufficient volume to open a dozen appliance stores.

The contests offer unlimited possibilities. I'm glad, however, that I did not embark upon such a career. Conscience would not permit me to take all the money and merchandise. I would be haunted at night with all that wealth and the knowledge that widows and their children were having to pay some of the prizes I had won. Such contests are supposed to increase sales, and volume is supposed to cut down on prices to the purchaser, but I'll bet that every consumer pays his part, even though small, on all those big prizes. Too, such a career would have kept me out of a small town. Those in large cities, I believe, have better chances of latching onto the prizes. The wealth I would accumulate would not compensate for all the fun I have putting out a country weekly newspaper.

MONROE-NEW DEAL NEWS

(By Mrs. Roy H. Priest)

HI NEIGHBOR!

Mr. and Mrs. Laffer and daughter of Idalou have moved on the McCullough place Southwest of Monroe.

OUR REGRETS:

The Odie Hamilton family in the loss of husband and father Sunday morning.

To the F. V. Jordens, who seem to have had more than their share of bad luck lately with their livestock. However, the worse seems to be over, and things are getting back to normal for them. The whole community is wishing for Ruth and "Shorty" the very best in the future.

Mrs. Jack Grimes (Lucile Mal-

lett) was moved to Dallas on Monday of last week. Her address is Room 36, Methodist Hospital. Reports are that she stood the trip and more surgery very well. To Mrs. Tony Rieken (Ruth Greenhill) who was reported ill Sunday.

TRAVELERS:

Mr. and Mrs. R. M. Winters are in Hot Springs, New Mexico, where they plan to stay for several more weeks. They are enjoying a rest and the bath treatments.

Mrs. T. H. Cox is making an extended visit with her son in Sweetwater.

HATS OFF:

To cafeteria workers at New

Deal School, who so faithfully labor to provide hot, nutritious lunches for the children. Workers include Mrs. Ruth Agnew, Mrs. Fay Agnew, Mrs. Jim Boyd, and Mrs. Marshall Grant.

Members of the Monroe Church have enjoyed the series of four special services with Bro. Milton Truax of Frankfort, Kentucky doing the preaching and Roy H. Priest, Minister, as song director.

About fifty people attended the dinner at Mackenzie Park following Sunday morning church services. Everyone agreed that the meal was fine, and the fellowship perfect.

FAMILIAR SIGHTS:

Housewives exchanging friendly chatter across back fences.

Joe Taylor commuting to Monroe on his tractor with a couple of youngsters getting a free ride. "Betcha" none of the Taylors will ever be delinquents!

Mrs. A. L. Faubion working in her beautiful garden retreat. It is hard to believe that thirteen years ago it was a cotton field. Some good neighbor gave her the popular sprouts that made the beautiful tree screen at the back of the garden, and she give the new sprouts every year to other neighbors. And that goes on an on! To me, those popular sprouts symbolize the friendly West Texas spirit.

Janet Webster walking her big old collie. She almost has to run to keep up. Janet is the pride and joy of "Demp" and Oletha Webster.

Joan Priest was hostess to Mrs.

Frank Worley WELDING & REPAIR SHOP

Stalk cutters, go-devils & trailers made-to-order WELD ANYTHING

That can be welded. Monroe, Texas across from elevator

Beola Acker's third grade room at New Deal last Wednesday. She served creamsicles and chewing gum to the forty students present and had enough ice cream to serve the elementary teachers. Outside guests were Mrs. Cecil McSpadden, Amy, Cecelia and Marikay McSpadden, and Joan's mother.

Mrs. Earl B. Hobbs presented some of her piano pupils in a recital last Thursday at the home of Mrs. J. D. Jenkins. The following students were presented: Gladys Brogdon, Janet Webster, Barbara Jenkins, Annise Durham.

The Community Club reported a successful gate at the showing of the McMillan animal pictures. Proceeds go toward the club's project of a community house. This is another community endeavor that will make Monroe a nicer place to live. It will place a focus on our own community as a worthwhile place to spend our recreational hours.

Mrs. Marie Burris entertained Mrs. Elmer Cox with a birthday dinner Sunday. Elmer has helped Leola celebrate half her birthday. There is an example of an early marriage with a "lived happily ever after" story. And the nice part is that four sturdy youngsters and a brother are getting to share that happy home!

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employes reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employes, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15 1/2 cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15 1/2 cents already has been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Switchmen's Union of North America won't accept what more than 90% of all railroad employes have accepted. They have called a strike to get more!

Unions refuse rules discussion
Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them. These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified
Engineers and firemen are among the highest paid of all employes in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's Board,

after hearing evidence for 33 days, made recommendations based on all the facts in the case. The railroads have accepted these recommendations.

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms.

They have dictated a paralyzing railroad strike.

You will be the victim!

How long will the American people stand for the undemocratic, arbitrary, and abusive use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and firemen for 1939 (pre-war) and 1947. Also shown is what 1947 earnings would have been if the 15 1/2 cents per hour increase, offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.	1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Annual Earnings with Wage Increase Recommended by President's Board

MISS BARTON, MR. ALBERS TO WED JUNE 4

Mrs. Jack Barton entertained with a tea Thursday afternoon at her home announcing the approaching marriage of her daughter, Betty Ruth, to William B. Albers, son of Mr. and Mrs. Rollin Albers.

In the receiving line were Mrs. Walter Harp, Mrs. Barton, Miss Barton, Mrs. Albers and Mrs. Mary Burum.

The serving table was centered with a miniature May Pole bearing yellow and white streamers on which was printed "June 4 and Betty and Bill". At the base of the May pole were yellow carnations and snow ball surrounded with colored pebbles forming a path from which a miniature bride and groom appeared. Refreshments of punch and individual cakes decorated with yellow and white were served

by Mrs. Hernon Peel, Mrs. G. G. Gilliland, Mrs. Doyle Oswalt, Mrs. J. J. Barton, III and Mrs. Jack Barton, Jr.

The entertaining rooms were decorated with seasonal flowers in the bride's chosen colors of yellow and white.

Guests attending were: Mesdames Louis Thompson, Harold Neis, Effie Jacobs, H. S. Hilburn, Harlow Neis, W. A. Goeth, Robert M. Adair, H. E. Richter, H. Schulz, Chris Benn, Earl G. truck to Fox Bros., Petersburg; 1941 Chevrolet 4-door sedan to J. H. Jones and a 1940 Chevrolet 2-door sedan to H. W. Pate.

Dewey Price sold a new 6-rooms-and-bath residence to Archie Davis and plans to build a 5-rooms-and-bath, frame and stucco residence east of the one sold to Davis. Price bought a small house and three lots from Leroy Waters, located across the street south of the Joe Thompson home. He plans to sell the house and build a 6-rooms-and-bath residence on the location.

Mrs. R. G. Phillips of Seattle, Wash., left this week following a

visit here with her parents, Mr. and Mrs. J. M. King.

Mr. and Mrs. Fred Riley and son of Ruidoso, N. M., recently visited here in the home of Mrs. K. O. Riley.

Mr. and Mrs. Frank Tannehill attended funeral rites in Toluca

Sunday for her cousin, Ed Sanders, 52.

Mrs. Ethel Downs bought a 75-foot lot from M. L. Seay, south of his home, and is constructing a 4-rooms-and-bath frame and stucco residence on the site.

J. A. Bruce was in Mena, Ark., this week to visit relatives.

Mr. and Mrs. Douglas Malone were in Clayton, N. M., last week.

Mr. and Mrs. H. E. Rantz and Mrs. M. Goebel returned from a visit in Mena, Ark. Miss Betty Fuch, who has been in Mena, for the past several months accompanied them home.

PLAY CAST WILL TAKE TRIP TO VERNON

(By Betty, Rhetta and Donald)
Directors of the senior play, Mr. Ray Veteto and Mrs. Jack Hackler, are taking the play cast to spend the week-end at Vernon in the home of Mr. and Mrs. George Veteto, parents of Mr. Ray Veteto.

The group consists of: Nada Dean Stallings, Rhetta McMaster, Betty Reagan, JoAnn Brown, Ella Marie Williams, JoAnn Vaughn, Melba Jernigan, La Verne Turner, Jack Blair, Lindy Neis, Don Cunningham, Donald Robison, Skeet Rhodes, Leldon Blackmon, and Billy Jack Hackler.

Ray Veteto, Mrs. Jack Hackler, and Charles Bucks will take cars for the trip.

The group will leave Saturday, May 8th. They are scheduled to arrive about noon. Saturday evening the group will have a picnic supper at the country club and attend the rodeo that night.

Sunday the party will attend church followed by a dinner at the Canton, a Chinese restaurant, leaving Vernon soon afterward for Abernathy.

HAS OPERATION

(By Sandy Robison and Jack Blair)

Mr. W. M. Riddle underwent an operation in the West Texas hospital early Friday morning, April 30. He is in a very serious condition. Mr. T. E. Lutrick and Mr. Melroy assisted him in getting to the hospital.

SCOUTS PLAN TRIP

(By Don Cunningham and Jack Blair)

Abernathy's local troop No. 81 has planned an all night outing for Friday, May 7.

If the weather is permissible the troop will camp out all night. Each scout will cook at least two meals while gone.

GUESTS OF LIONS CLUB

(By Joyce Laverne Turner)

Members of Boy Scout Troop 81 were guests of the Lions Club Wednesday afternoon, March 28.

The troop marched down into the cafeteria, stood at attention and said the scout oath. Each of the five patrols gave their name and call.

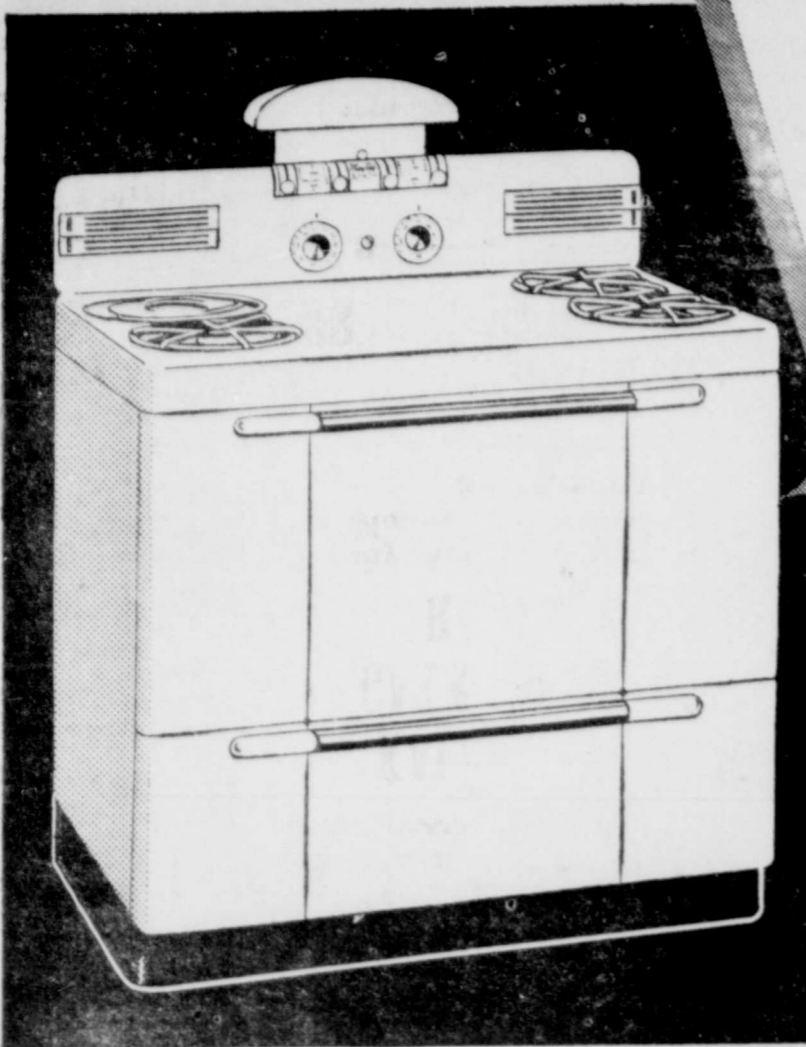

Buddy Goldston, James A. Bruce and Frank Roberts were called to administer first aid to Mr. Rhodes.

LUNCHROOM INSPECTION

(By William and Bobby)

Miss Reagan from the U. S. Department of Agriculture, lunchroom division, made a routine inspection of the Abernathy School Lunchroom here this week. Her report indicated that the Abernathy School Lunchroom is one of the best to be found anywhere in this area.

Look what you get in this new kind of range!

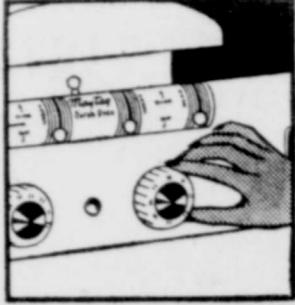

Maytag Dutch Oven Gas Range

cooks automatically or by conventional methods, and brings you the never-equalled excellence of famed Dutch Oven cooking.

As a conventional range, it's years ahead. Cooks faster—saves gas—with its new heat-focusing Spiral Flame burners. And you'll like the new ease of cleaning, with entire top and burner bowls stamped from one piece of gleaming porcelain!

For Dutch Oven Cooking, set the dial and forget it. A whole meal cooks without attention... automatically. Gas shuts off at the specified time, and cooking continues on retained heat. Super-insulation keeps the heat in... and keeps the kitchen cool.
