VOLUME 33, Hale County, Abernathy, Texas, Lubbock County. THURSDAY, SEPTEMBER 30, 1954 NUMBER 46

CHURCH OF CHRIST, ABERNATHY, TEXAS

Do not forget that the group from Southwestern Christian Christian College is to be in Abernathy tonight for a program of spiritual singing. Everyone is invited to be present at 7:30 at the building of the church of Christ, and enjoy Gospel singing at its best. There will be no admission charge, and no collections will be taken.

If you have never attended the services of the church of Christ, and you have a deep respect for God's word, you have a pleasant surprise in store when you visit with us. You will hear the Gospel preached in its purity as it was in New Testament days, and the worship is as it was then. You will be assembled with Christians of the New Testament order, and not with sectarians. The church that was established in 33 A. D. in the city of Jerusalem, Judea, by the gospel preached by the inspiration of the Holy Spirit sent down from heaven. Why not meet with us to study God's word?

Hear Ed E. Bryant on these subjects Sunday, October 3rd:
Morning: "Misplaced Affections",
Evening: "Why Tarriest Thou?"

Abernathy Lions Club News

The Lion's Club met in regular Tuesday noon in the private dining room of Graham's Restaurant with Lion President Phillip Sterrett presiding. After song by the group led by Lion Andy Reid and accompanied by Lion Sweetheart, Helen Duty Bro. Kennedy brought the asked the blessing. A bountiful fried chicken dinner with all the trimmings finished with cherry cream pie was enjoyed by around 40 members and guests.

Dr. Hale introduced as his guest Mr. C. M. Thacker and his father Mr. C. M. Hale. Bro. Kennedy introduced his guest Kenneth Coffee new educational and choir director of the First Baptist Church.

Lion Lon Carmickle introduced his new member Gene West.

Lion Noel Johnson, program chairman, introduced Mr. J. C. Eiring of the Christian Rural Overseas Program who brought out the fact that one car of wheat, milo or cotton given for over seas relief would release 20 out of government surplus for the same purpose. These commodities will be released through the missionaries rather than run the risk of foreign government graft.

BOY SCOUTS TO TEACH WATERFRONT SKILLS

Included in this year's budget for the South Plains Council, Boy Scouts of America, are funds for providing equipment to teach canoeing and row boating, according to Joe T. Salem, Council President.

"Since no organization is teaching and row boating, the Executive Board of the Council has decided to set up aquatic camps for the purpose of teaching Scouts and Explorers how to handle canoes and row boats properly and safely," he said.

The proposed budget includes \$2,000 for the purchase of 8 canoes and 8 row boats. They will be made of aluminum, and trailers will be built so that these facilities will be portable and aquatic camps can be set up wherever sufficient water is readily available.

"Certainly every boy must know his swimming and life saving, canoeing and row boating in order to take care of himself and others under all conditions," Salem said.

COUNTRY GARDEN CLUB

The Country Garden club met Sept 21st in the home of Mrs. W. D. Harp.

The next meeting will be with Mrs. C. J. Pharr October 5th.

Mrs. J. W. Price went to Rotan over the weekend to visit her son, Eumer Price.

ANTELOPES WILL GO TO DIMMITT FRIDAY

The Abernathy Antelopes will make their longest trip of the season Friday night when they will travel to Dimmitt to meet the Bobcats, a long time power of the Panhandle. Abernathy last met Dimmitt in 1951 in a pulsing thriller which the Antelopes won 20-19 to advance to the state quarterfinals. No such prize as a regional championship is at stake this time, but fans who saw the 1951 play-off battle will probably want to see this one.

The Bobcats are coached by Leo Fields, who led them to an 8-2 record last year. The Bobcats have a big line, outweighing the locals on an average of 18 pounds per man. The Bobcats' left tackle is a 6 feet 8 inch boy at 200 pounds. The Dimmitt backfield is only slightly bigger than the Antelopes.

The only comparison between the two teams would be on the game with Hale Center last week. The Bobcats were rather soundly beaten by the Hale Center Owls. In a pre-season scrimmage with the Owls, the Antelopes gave a good account of themselves.

The Antelopes are working hard, and spirit is high, because the boys feel like they could have won either one of the two games they lost with a little more heads-up play in a few spots.

YEARLINGS BEAT PLAINVIEW

The Abernathy Yearlings gained a measure of revenge last Thursday, Sept. 23 when they walloped the Plainview Bullpups by a score of 38-19. The Plainview team had defeated the local Yearlings previously by a narrow margin of 24-21. The win was strictly a team victory, with all boys who played turning in a spirited demonstration. The Yearlings have won two and dropped one. Their next game is Tuesday, Oct. 5, when they will go to Tahoka. Game time will be 6:00 p. m.

DISTRICT DEPUTY TO VISIT REBEKAH LODGE HERE MONDAY

Mrs. B. H. Beard, Nobel Grand of Abernathy Rebekeh Lodge No. 170, announces that Mrs. Fannie Mae Green of Plainview, District Deputy, will make an official visit to the local Lodge at the regular meeting Monday night, starting at 8 o'clock. All members are urged to attend.

Kenney Rankin Makes Last Mail Delivery

Rankin returned to the mail messenger work in 1940, and was on duty seven days a week the year around, until the fifteenth of this month.

Early-day mail messengers in Abernathy were Shorty Smith and the late Bill Groves.

Abernathy Lions club and individuals served months ago protested the post office department's proposed plan to take the mail delivery off the passenger trains and give it exclusively to trucks. On present schedule, three trucks run night, and one about 9:30 a. m. each day.

LAST MAIL HAUL - Shown above, left, is M. H. (Kenney) Rankin making his last trip as mail messenger between the post office and Santa Fe depot. He is handling mail sacks to Acting Postmaster, Hermet T. Hardin. Rankin's final run was made Sept. 15, the last day on which the two Santa Fe passenger trains hauled mail on their runs through Abernathy.

MEXICAN CHURCH OF THE NAZARENE NEWS

Our Revival meeting at the Mission Church which began the 19th has been blessed of God since the first service. We have had good sincere interest among our Mexican people.

On Sunday evening we had one man converted who said, that was the first Gospel message he had ever heard. He and his wife also have been attending services since and seem happy and contented with their choice. Since the revival began we have had 8 new converts with several seeking God.

Rev. Rosalio Chavez is delivering some wonderful Gospel messages. Clyde Rhodes is at the Piano. Bro. DeLean leading the song service. Sr. De Lean is giving some wonderful Spiritual Solos.

The Sunday School average for September was 48. Last Sunday evening we had approximately 70 present. We wish all who have helped in prayers and money also could come to our service and see the result of digging up the fallow ground and sowing the seed. Bye and bye God will reward each one as his work shall be. We are saved by grace, rewarded for our work. Let's gather all the sheaves possible till Jesus comes, for the night cometh when no man can work.—Mrs. Lillie Slemmons.

ABERNATHY STUDENTS ENROLL AT McMURRY COLLEGE FOR FALL TERM

ABILENE, Sept. 30. (Special)—Two Abernathy students have enrolled in McMurry College for the fall semester, according to Jerome Vannoy, registrar.

They are Reginald Powell, son of Mr. and Mrs. B. V. Powell; and Bonnie Gene Beard, son of Mr. and Mrs. B. H. Beard. Both are freshmen at McMurry.

Powell, a 1954 graduate of Abernathy High School, played in the AHS Band and was a member

of both the football and track teams. Beard, also a 1954 Abernathy graduate, played football, basketball, and ran track. He was voted to Who's Who in Athletics and was basketball king.

The McMurry registrar reported that more than 615 students have registered for the fall semester, representing a sizable increase over last year's enrollment. Forty-two students are studying toward the master's degree, Vannoy said.

DOYLE WANTS TO SEE YOU

Of my old Ford they all make fun,
They say it was born in Nineteen One.
May be it was but this I'll bet
She's good for many a long mile yet.

Her windshield's gone, her radiator leaks,
Her fan belt slips, her springs all squeak,
She rattles the nuts and the screws all loose,
But she sure can run on Texaco juice.

If we can't get Texaco we burn kerosene
And we have driven home on Paris Green,
She's a rattle in front, a grind in the rear
And a Chinese puzzle for a steering gear.

Her coils are dead, her plugs won't fire,
Her piston rings are baling wire,
But in spite of this the hills she'll pass
And all she asks is Texaco gas.

With other cars they give you tools,
Some extra parts and a book of rules,
But Texaco gas and a pair of shears
Is all we've carried in fifteen years.

And if I live to see the day,
She falls apart like the "one-hoss shay"
I'll buy another of the same old class
And feed her nothing but Texaco gas.

You'll always be glad you bought a Chevrolet
(and now's a great time to buy one!)

You'll stay proud of Chevrolet's lasting good looks

You won't find another low-priced car with the look of quality you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always.

You'll enjoy exclusive features for finer motoring

Body by Fisher—the highest-compression power of any leading low-priced car—the biggest brakes, the only full-length box-girder frame

and the only Unitized Knee-Action ride in the low-price field. They're all yours in Chevrolet!

You save when you buy and when you trade

Even so, Chevrolet is priced below all other lines of cars. And at trade-in time, you'll be ahead again from Chevrolet's traditionally higher resale value.

You'll get a special deal right now Right now, we're in a position to give you the deal of the year on a

new Chevrolet. Come in and let us show you how much you'll gain by buying now!

Now's the time to buy!

Get our big deal! Enjoy a new...
