

# Abernathy Weekly Review

... In The Palm Of The Plains!

VOLUME 37 Hale County — Abernathy, Texas — Lubbock County

THURSDAY, FEBRUARY 27, 1958

NUMBER 16

**CHRISTMAS SCENE** at a children's orphanage in Germany shows an Abernathy soldier, SP 2 Dale Powell (facing camera) with his buddies and children of the home. Powell's Army unit entertained the children with a Christmas party.

Dale Powell, son of Mr. and Mrs. Bryant V. Powell, has been on Army duty in Germany almost 18 months, and is looking forward to coming home this Spring. He wrote his parents that "one of the most important things about 1958 is: I am coming home!"

Dale has recently been officially made tank commander. Last summer, he successfully completed a 5-week potential NCO course at the 3rd Armored Division (Spearhead) Academy in Germany.

Before going to Germany, Dale received a certificate of proficiency in a turret maintenance course at Fort Knox, Kentucky.

Dale has visited many countries and places of interest in Europe. His address is: SP 2 Dale Powell, RA18485655, Co. D, 1st Med. Tk. Bn., 33rd Armor, APO 39, U. S. Army, New York, N. Y.

## METHODISTS SET DRIVE

Methodists throughout the state will join forces Sunday, March 2, in an attempt to knock on the door of every unchurched and inactive Methodist family in Texas, and to win for active participation in some local Methodist church. In preparation for the extensive visitation, Bishop William C. Martin of the Dallas-Fort Worth area, and Bishop A. Frank Smith of the Houston-San Antonio Area, the Methodist Church, will speak to the general public via television and to teams of workers in local churches via film. Bishops Martin and Smith head Texas Methodists.

Three groups of visitors are to go out from each local church. Arrangements have been made to serve workers breakfast, dinner and supper. At 8 a. m. on March 2, breakfast will be served to the morning teams of visitors, who will be given evangelistic instruction and will visit two by two on assigned prospects from 9 a. m. to 12 noon.

At 12:30 p. m., there will be lunch for the morning and afternoon teams. Morning teams will share experiences and reports at the table. There will also be instructions for the afternoon teams. Visitation for the afternoon teams will be from 2 to 5 p. m.

Supper for the afternoon and evening teams will be served at 5:30 p. m. Afternoon teams will share their experiences. Evening teams will be instructed. They will leave the church at 6:30 p. m. and return at 9:30 p. m. for reports.

Prayer vigils for the visitation, which is part of the year-long Tell Texas About Christ campaign are to be held in each local church from 7 p. m. Saturday, March 1, through 7 p. m. Sunday, March 2.

On Sunday, January 26, Methodists conducted a state-wide census to find the unchurched and inactive. Each church has been given a responsibility list based on the census.

## DR. WILLIAMS TO MOVE OFFICE

Dr. Harry E. Williams is to move his office from 736 Avenue C, to 710 Avenue E, former location of Bailey Printing Company. E. M. Bailey, who operated the commercial printing shop here the past four years, last week moved his plant to 712 Broadway in Plainview. See Bailey's advertisement in this paper for further details.

Sam W. Williams owns the building to be occupied by Dr. Williams.

## Antelopes End Cage Season

# Girls Meet Dimmitt In Bi-District

## Game Set Tuesday In Plainview Gym

By DON JONES

The Abernathy Antelopes closed out the 1957-58 basketball campaign last Friday night at Post by downing the Post Antelopes 55-56 when Gerald Watson hit a jump shot with only 10 seconds left in the ball game.

An even sweeter victory for the Antelopes came last Tuesday night when they upset district champions Tahoka, 55-44.

Have 9-3 Record

The Antelopes closed out the season with a 9-3 district record, only one game behind district champion Tahoka. The Abernathy Antelopes were the most improved ball club in the district at the end of the season, if not possibly the best team. They lost only one game in the second round of district competition, that to Floydada by only five points. They now have a string of five victories going.

For the season, the Antelopes compiled a 14-9 record.

The victory by the Antelopes over Tahoka gave Tahoka and Floydada two losses each in district play; therefore forcing the two teams into a best-of-three play off in which both teams won on their own court and Tahoka won the district crown Saturday night over at Idalou when they surprisingly won the cudder game in the series, 55-51, in overtime play.

The Antelopes were never headed in their victory over Tahoka. After building up a comfortable 40-30 lead at the end of the third quarter, the Antelopes coasted to victory, never letting the Bulldogs get closer than 9 points to

them in the final stanza. The Antelopes built up a 44-31 lead midway in the fourth quarter.

The Bulldogs could do no better than tie the Antelopes a couple of times, both times during the second quarter, at 19-19 and 23-23. The Antelopes held a 27-24 half-time lead.

Lane Tannehill started the scoring in the game when he hit a field goal with one minute gone. The Antelopes ran up a 10-0 lead before the Bulldogs were able to connect on a free throw that was midway in the initial quarter before Tahoka hit its first field goal for a score of 8-5, Abernathy. Tannehill sank a field goal just before the buzzer sounded to give the Antelopes a 16-11 lead at the end of the first quarter.

Bob Heath hit a field goal to break the 19-19 deadlock at 6:00. Tahoka followed with two quick goals to tie up the game again at 23-23 at 4:00 in the second period.

After the second quarter, the Antelopes pulled steadily away from the Bulldogs.

Brown Top Scorer

Jerry Brown of Tahoka was the game's high scorer with 17 points. Jimmy Dye led the Antelopes with 15, followed by Lane Tannehill's 12, and Reggie Stephen's 10.

In the Abernathy-Post game, the Abernathy Antelopes, instead of leading most of the game as was the case against Tahoka, trailed most of the game, but came through in the clutch.

Watson Nets 17

Post held quarter advantages of 16-9, 33-26, and 43-39. However, Gerald Watson, a former Post product himself, began to find the range in the last quarter as he helped the Abernathians outscore the Post Antelopes 19-13 in the final stanza.

Watson led Abernathy scorers with 17 points, followed by Reggie Stephen's 15, and Jimmy Dye's 12.

Sophomore Jimmy Short of Post was the game's high scorer with

18 points to his credit.

The Abernathy girls chalked up their 33rd victory against no defeats when they downed Tahoka 57-19 and Post 72-57.

Although the Post girls ran up a five point lead before the Abernathy girls came alive, the local girls led 18-10, 34-25, and 50-40 at the end of the quarter periods.

Margie Guinn scored 36 points and Brenda Shipman 25 for Abernathy.

In the Tahoka game, the Abernathy girls allowed the Tahoka girls only two points in the final period and seven points in the entire first half.

Play in Plainview

The Abernathy girls will meet

Dimmitt at 8:00 P. M. Tuesday, March 4, in the Plainview gym in the bi-district tilt.

Although Abernathy defeated Dimmitt 76-60 in an earlier meeting of the two teams in the Abernathy Tournament, the Dimmitt Bobbies will have a much stronger, smoother, and experienced ball team than they had two and one-half months ago. The Bobbies will be out to halt the local girls' winning streak and end their ambitions for further honors.

To make the game more attractive, the Abernathy girls will be out to revenge the defeat they suffered at the hands of Dimmitt last year by only one point, 87-86, in the bi-district play offs in Dimmitt.

## Burglars Hit 2 Stations In Abernathy

Two Abernathy Service Stations were burglarized Friday night, Feb. 21. The Texaco Service Station was entered by using a thin blade or tool to force the latch back and open the front door. There was no damage to the door or any other part of the building or fixtures but the burglars did take cigarettes and a few cents from the cash drawer, and what money was in the cigarette machine. They also took an electric razor. This razor is very similar to the Norelco razor being made by the same Dutch company and was bought in Europe by Mr. Dillingier, of Texaco Service Station. The loss was small as there was but little change in the cash register and no large amount in the cigarette machine.

The Gulf Service Station did not fare quite so well as the burglars broke out the front door and badly damaged the door frame with a chisel, pinch bar, hatchet or perhaps a crow bar. Part of the door frame will have to be replaced and the door has already been replaced. A window in the ladies' rest room was also broken out but there was no opening into the station from the rest room. Approximately \$100.00 worth of cigarettes and about \$78.00 in cash were taken.

## FARM HOME BURGLARIZED

The farm home of Mr. and Mrs. Edwin Braly, four and a half miles west of Abernathy, was entered by burglars Sunday or Sunday night while the Bralys were visiting relatives in Lubbock. Entry was gained through a north window. Taken in the burglary were a television (RCA console), a radio (all-transistor G-E) and clothing. Hale County Sheriff's office is investigating.

## Lee Nowlin Is Candidate For County Judge

Lee Nowlin is a candidate for re-election as Hale County judge. In making his announcement, Judge Nowlin said: "I deeply appreciate the fine support given me in the past, and the fine cooperation of the citizens, Commissioners' Court and officers of Hale County. "If re-elected to the office of County Judge, I pledge continued diligent application to the many duties of this office, in every way a fair and impartial enforcement of the law with which this office is concerned, full and wholehearted cooperation with all City, County, and State officials, and assure you that all with whom I may come in contact will be treated with courtesy and consideration. "Again thanking everyone, I ask your support in my race for County Judge."

Included in the list of jury members on the C. L. Vincent murder trial in 64th District Court, Plainview, last week were Marvin Struve, Andy Reid, Lon Carmickle and Ted Watts. Vincent was acquitted.

Mr. and Mrs. Dean Sterling and Mr. and Mrs. Loren West attended the Tech-SMU basketball game in Dallas, Saturday night.

## Refrigerator Gas Blamed For Food Poisoning

By O. F. REA

Two young Latin Americans, who had just married a few days ago and rented a small house west of Tuco Gin, came home some time Saturday night and ate supper and went to bed. At 10 o'clock Sunday morning the neighbors, noticing no sign of life around the house, went to investigate and found Eulalio Manzanales, 17, unconscious, and were unable to revive him. His wife, Virginia Manzanales, 18, was sitting up, or rather attempting to sit up, but could not talk. An ambulance was called and they were taken to Lubbock to a hospital, and the man was revived sometime near 12 o'clock Sunday night. They are still in the hospital, their condition only very little improved, being still under an oxygen tent according to reports today, Monday.

The best information to be had is that the food they ate for supper had been kept in an old butane gas refrigerator which had not been used for some time, and evidently the gas had leaked into the food compartment and contaminated the food.

## IRISHMAN IS COMING HOME

The Irishman, W. R. McNamara, is coming home . . . as soon as they let him out of the General Hospital at Clinton, Okla. He underwent major surgery there February 13. Mr. McNamara has divided his time the past seven years between his home here and Tipton, Okla., where he cared for his mother until her death on February 7. Funeral rites for his mother, Mrs. Margaret McNamara, 89, were held at Tipton, February 11.

Mrs. Edwin Braly visited in the home of her daughter and family in Dallas last week. A granddaughter, Cyndy Janes, returned to Abernathy with her for a visit.

Mr. and Mrs. B. A. McDougal and daughters, Barbara and Gale, attended the Tech-SMU basketball game in Dallas Saturday night.

## P-TA Opens Drive For Clothing

The local P. T. A. would appreciate cooperation of the entire community in a clothing drive now underway. They urge you to check through all your discarded clothing and all that is clean and wearable please bring to the office of the school nurse in the elementary school building. If you do not have a way to bring them, call Mrs. Bill Moore at 43-W and someone will pick them up for you.

There is especially a need in the school for clothing for children between the ages of six and twelve. All other sizes of clothing that cannot be used locally will be carried to the Clothing Center in Lubbock, which has issued a desperate plea for clothing.

Please bring your clothing to the school during school hours (8:30-3:45). The P. T. A. clothing drive is in wearables as they cannot possibly have the clothing cleaned after it is received. Be sure you clean out your closets and bring your discarded clothing to the school.

## Mrs. Baker is On McMurry College Fall Honor Roll

ABILENE (SPL)—Mrs. Patsy Jo Baker, a former Abernathy High School student, has been named to the fall semester honor roll at McMurry College.

A junior, she compiled a 2.60 grade point average out of a possible 3.

The honor roll list was completed at the end of the fall semester examinations.

Mrs. Baker is a daughter of Mr. and Mrs. J. C. Mills of Abernathy.

## ABERNATHY ANTELOPE BAND TO PARTICIPATE IN TRI-STATE BAND FESTIVAL

By O. F. REA

The Tri-State Band Festival is held each year at Enid, Oklahoma, in the early part of May. None but top rated high school bands are invited to take part and an invitation is an honor to any band, as this is the top band competition of the three-state area. The best high school bands from Texas, Oklahoma and Kansas participate in this meet. The prizes are very much coveted because of the fact, the band has to be a first class organization to even get an invitation.

The Abernathy Antelope band has in prior years been good, but it is thought that this year we have an outstanding band. Band members have new uniforms and other equipment and expect to make a good showing. In this type of competition any honors won will be an outstanding accomplishment.

Antelope band members, in cooperation with the Abernathy Lions Club, are selling tickets to the Lee Grabel show, March 6, to raise money for the trip to Enid. At this time all proceeds go into the fund. Get your tickets early as sales have been brisk so far.

Mrs. H. H. Selke left Sunday, February 23, for Cisco where she will enter the sanitarium to be treated for buritis.

Frances Houston long time resident of Belton, Texas, died of a heart attack Wednesday, Feb. 19th at Belton. It is not known this time whether Mr. Houston was at home or in a hospital at the time of his death. He had had a heart attack a short while previous to the fatal attack. Frances Houston was a brother to I. C. Houston, deceased, long time resident of this community. Word was not received in time for anyone here to attend the funeral. Frances Houston was an uncle of Mrs. O. F. Rea and Billy Houston.

## Mrs. Halthcock Runs For County Superintendent

Mrs. Willie Merle Halthcock is asking reelection to the office of Hale County School Superintendent. In connection with her candidacy, she makes the following announcement: "In announcing for re-election to the office of County School Superintendent, I wish to express my grateful appreciation for the support and confidence the voters of Hale County have accorded me in the past. "In performing the duties of the office, I have been guided by my obligation to work for the best interest of the school children of our county and for a fair, honest administration of the office business. I have sought to keep professionally up-to-date by conference participation and graduate study in evening classes. I am glad to have a part in statewide efforts to improve the services which the county office provides the local school districts. My qualifications include a Masters degree in Education, the certificate required of school administrators and experience in public school teaching in Texas. "Believing that I can continue to give you efficient and effective service, I respectfully ask your consideration and support. I shall sincerely appreciate your vote in the coming election."

## BIRTHS

Mr. and Mrs. J. L. Green are the parents of a daughter born February 22. She weighed 7 pounds, 10 ounces.

## Girl Scouts Work in Heart Fund Drive

The Girl Scouts of Troop 88 assisted the local Lions' Club in the Heart Fund drive by making a house to house call for donations Sunday, February 23. We wish to thank each one that contributed and if we missed anyone that wanted to donate, we urge you to use the envelopes that were at your door and mail yours to the Heart Fund Ass'n. Girls helping were Linda James, Mona Drace, Zera Beard, Connie Knight, Susan Reeves, Cheryl Hall, and Linda Miller. —Reported

Mrs. N. C. Hix recently underwent major surgery at Methodist Hospital, Lubbock.

## 4-H Club Week Set March 1-8

COLLEGE STATION.—For more than half a century, 4-H club members in Texas have been learning to do by doing. While their programs have changed with the times, the basic principle of uniting Head, Heart, Hands and Health for the betterment of their homes, schools, churches and communities, has remained a major objective of the 4-H organization.

During the week of March 1-8, locally, statewide and nationally, 4-H members will honor their parents and recognize the important part they play in the lives of children and youth. President Eisenhower in a recent communique to all 4-H members said:

"It is gratifying to know that during this Club Week, you will honor parents—not only your own, but all parents. Mothers and fathers, as our first teachers, influence our lives immeasurably and deserve great credit and deep appreciation for the wise guidance and great inspiration they give us. The training and experience you are receiving in 4-H club work will enable you to build the kind of homes that create a nation of peace, strength and progress."

In Texas, the State's 111,535 4-H members will also make a special effort to inform the public about 4-H training and its value in character building and citizenship development. The 4-H story will be told in many ways and boys and girls not now members will be encouraged to enroll. Too, during the week, members with their parents will have an opportunity to check over past achievements and plan together for the future.

Members of the 4-H organization are a busy group . . . busy conducting or participating in worthwhile demonstrations or activities. Their free time is taken up by wholesome recreation or community and service programs. They are proud of their record of citizenship activities and the lack of juvenile problems within their organization. The teamwork between parents, 4-H members, adult leaders, the friends of 4-H and the county extension agents who direct 4-H club work in the counties is a fine example of what can be accomplished through cooperation and democratic action.

## P-TA Meet, Public Schools Week Observance Scheduled

By O. F. REA

A PTA meeting is to be held at 7:30 p. m., March 3, in Abernathy school auditorium, and officers for next year will be elected. A report on the Scholarship Fund Campaign as well as an extra good attendance as this is Texas Public School Week, and following the meeting there will be a Back to School Tour for parents and others. All class rooms and facilities of the school will be open and teachers will be on duty. All parents are encouraged to visit the rooms where their children attend classes. Teachers will show the parents how, and what, their children are being taught. Refreshments will be served in the school cafeteria following the open house entertainment.

## Last Rites Held For L. M. Rankin

Funeral services for L. M. Rankin, former Hale County Commissioner and early day Texas peace officer, were conducted Saturday afternoon.

The rites were at the Abernathy First Baptist Church. The Rev. Joe Griffin, pastor, officiated. Pallbearers were Doyle Evans, Wesley Webb, Hibern Barrick, Charles Ray Owens, Shelton Hardin, and Robbie Howe.

Burial was in Abernathy Cemetery.

The Abernathy IOOF Lodge members conducted graveside ceremonies.

Mr. Rankin died at 2 o'clock Friday morning at the Plainview Hospital and Clinic after an illness of several months.

He had lived at Abernathy more than thirty years, moving here in 1926 from Eug Lake. Rankin was sheriff of Reagan County from 1918 to 1924 and served as a special Texas Ranger at Big Lake from 1924 to 1926.

In 1935, he was elected commissioner of Precinct 3, Hale County, and served for five terms, until 1945.

He was a member of the Abernathy First Baptist Church and the IOOF Lodge here.

Rankin was born March 18, 1875, in Hunt County.

Survivors are one daughter, Miss Louise Rankin, Lordsburg, N. M.; one son, W. M. Rankin, Petersburg; two grandchildren; two sisters, Mrs. Ada Kennedy, Fort Worth, and Mrs. L. H. Whately, and one brother, J. T. Rankin, both of Greenville. Mrs. Rankin died ten years ago.

## CRAINS ATTEND MUSIC MEET IN GALVESTON

D. W. (Dub) Crain, director of Abernathy school bands, and Mrs. Crain attended a meeting of Texas Music Educators in Galveston last week.

# Gun-Barrel View Promised

Window peepers have been active here the past six or eight months, with increased activities noted during the last month, according to reports to The Review. This information was given the paper some time ago, with a request that it be withheld for a while. Reason for the requested delay was a proposed plan to "stakeout" areas of town in an effort to apprehend the peepers.

"It appears that no 'stakeout' is going to be made," said our informant, "so go ahead and print the story."

Several families are going to bed with their shotguns handy for action should the peepers visit their homes. Some peeping tom may find himself peeping down the barrel of a gun one of these nights. The peepers' area of activity centers

north of the school and south of the school. Fringe reports of peepers have come from the 1100 block of Ave. E and from houses on South Drive.

Local residents are urged to keep blinds drawn and doors locked at night. Screen doors should be kept locked during the day to keep uninvited door-to-door salesmen from forcing their way into homes.

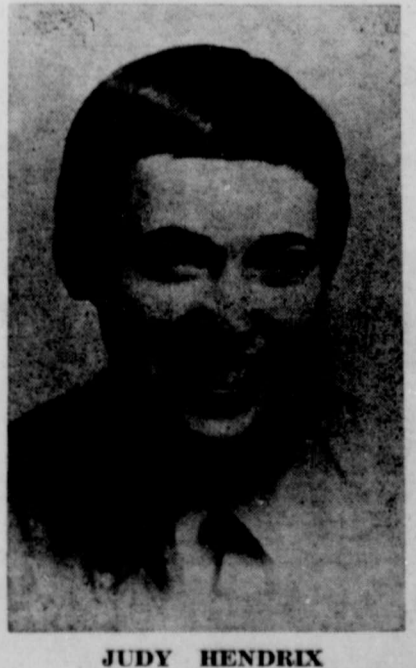

HELEN CULLUM

Featured speakers on the dinner program at Abernathy school cafeteria Saturday night were Helen Cullum and Judy Hendrix, senior students at the Masonic Home and School, Fort Worth. The event was the George Washington Birthday observance by Abernathy Lodge No. 1142, A. F. & A. M.

Miss Cullum, 18, spoke on "Opportunities at the Home." She is from Justin Lodge No. 963. Miss Cullum is an honor student, a member of the Glee Club, and is a cheer leader.

"The Home as a Community" was the topic of the talk given by Miss Hendrix, 17. From Yellow-house Lodge No. 841, she is an honor student, a member of the Glee Club, and a cheer leader. Harvey Williams, superintendent of the Masonic Home and School, who was scheduled as the principal speaker on the program, was a weather victim and did not arrive in time for the engagement. His plane was unable to land in Lubbock and he was taken to Clovis. Returning to Lubbock that evening, he was not met by the Dan Wards, who were his hosts for the night. Supt. Williams met informally with local Masons at Graham's Sunday morning before returning to Fort Worth by plane.

JUDY HENDRIX

# Governor Proclaims Special Weeks In Texas

## "Food Comes First Week" Set For February 23 to March 1 in Texas

Improving and safeguarding high health standards will be the goal of "Food Comes First Week" activities on the local, state, and national levels the last week in February.

President Eisenhower will address the National Food Conference breakfast Feb. 24 in Washington. The conference will bring together more than 1,000 leaders in American industry, agriculture and education to consider the vital role of food in the life of the family

and nation. Gov. Price Daniel, who has designated the week of Feb. 23-March 1 as "Food Comes First Week" in Texas, will open a state Food Conference breakfast Feb. 25 at the Stephen F. Austin Hotel in Austin.

County Farm Bureaus in many counties over the state are planning local food conferences with other groups to reach individual families and school class rooms with the story of the need for

## FFA Week Is Set Feb. 22-March 1

Thirty years of outstanding progress by Future Farmers of Texas were acknowledged by Governor Price Daniel recently as he designated February 22 - March 1 as official FFA Week.

In presenting the proclamation to Billy Penn, State FFA President and George Hurt, State Dir-

ector of Vocational Agriculture, the Governor praised the work of the Future Farmers who are studying the science of agriculture and who are striving to continuously improve the agriculture economy of the State.

The Texas Future Farmers have been extremely successful in developing leadership, promoting good citizenship, and inspiring patriotism among its members, the Governor said.

Billy Penn, State FFA President from Lufkin, received the proclamation in behalf of the 36,000 active members in 904 FFA Chapters in the State.

George Hurt pointed out that the Future Farmer organization is composed of boys who are studying vocational agriculture in the public high schools as preparation for careers in farming, ranching, and related occupations. Hurt credited the teachers of vocational agriculture, the school administration, and the lay people where vocational agriculture is taught, for the success of the FFA program in the State.

better balanced diets. "Food Comes First Week" activities have been organized as a public service by private enterprise groups representing farmer, processor, distributor, and merchandizer. The Farm Bureau organization has been assigned the responsibility of co-ordinating the program on county, state, and national levels.

"Food Comes First Week" activities across the nation during the week of Feb. 23-March 1 are aimed at building a nation of healthier people through better eating habits.

Surveys show that two out of three Americans eat too little breakfast. Studies in one state (Pennsylvania) revealed growth failures in nearly half the girls; three out of four boys tired too easily and nutritional anemia signs are present in both sexes.

A study of skilled and well-paid industrial workers in New Jersey showed that about one-fourth were getting less than the required amount of one or more nutrients considered necessary for good nutrition.

Speakers at the Texas Food Conference breakfast Feb. 25 in Austin include a leading nutritionist, and officials of the state departments of Agriculture, Health, and Education.

Representatives of the following organizations have been invited: Texas Beef Council, Texas Federation of Women's Clubs, Texas Congress of Parents and Teachers, Texas Home Demonstration Clubs, Texas Dietetic Association, Texas Bakers' Association, Texas Restaurant Association, Texas Retail Grocers' Association, Texas Wholesale Grocers' Association, Texas Farm Bureau, Texas Grange, Texas Sheep and Goat Raisers' Association, Texas and Southwestern Cattle Raisers Association, Texas Poultry Association, Texas Association of Cooperatives, and the American Dairy Association of Texas.

## Feed Per Day Cut 5% to 27%

Compared to conventional low to high efficiency rations

Purina Super-Efficient Laying Chows lowered the cost of producing a dozen eggs on thousands of poultry farms.

These feeds go a long step beyond high efficiency, with the addition of more Pura-Fat, more corn, more protein, less fiber and a vitamin-mineral adjustment.

- It is just like pouring more feed into every bag—because there is more egg-making energy in each 100 lbs.
- Many poultrymen will lower feed cost as much as 2¢ to 4¢ a dozen.
- Test Purina and see for yourself. Give us a ring.

FEBRUARY 28 FINAL DATE PRICE SUPPORT ON 1957 CROP GRAIN SORGHUM

The 1957 CCC Crop Support on grain sorghums has been extended through February 28, 1958, therefore all Commodity Credit Corporation loan documents for 1957 grain sorghum must be completed by February 28, 1958, and that must be distributed by lending agencies by not later than March 15, 1958.

John B. Martin, Office Manager of the Hale County Agriculture Stabilization and Conservation, urges all farmers in Hale County who desire to obtain a CCC loan or purchase agreement on this commodity to make application to the County Office in sufficient time for completion of documents by February 28, 1958.

Mr. Martin explained that grain sorghum loans and purchase agreements, both warehouse and farm stored, will mature on March 31, 1958.

## OFFICIAL MEMORANDUM

By

### PRICE DANIEL

Governor of Texas

AUSTIN, TEXAS

Greetings:

Public Schools Week in Texas is a special time set aside each year in which to place increased emphasis on our public schools. Parents visitation is encouraged, and the citizens of our communities are urged to take an active interest in the school systems and to cooperate with the respective school boards, superintendents, principals and teachers in an effort to make Texas public schools the finest in the nation.

Today, more than ever before, the importance of our schools is being realized by an awakened Nation. Education, both in scientific and liberal arts fields has taken on a new perspective. However, with all the rush to train scientist and place satellites in outer space, it is important to remember that our public schools will furnish our leaders of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

THEREFORE, I, as Governor of Texas, do hereby designate the week of March 3 - 7, 1958, as

## PUBLIC SCHOOLS WEEK

in Texas, and urge each citizen to recognize the tremendous importance of our public schools.

In official recognition whereof, I hereby affix my signature this 15th day of Jan., 1958.

Price Daniel  
Governor of Texas

The First State Bank's PUBLIC SERVICE CORNER ...

"BE A GOOD MEMBER"

Good members make good clubs—a good club fills a definite need in a community and is worth working for, says Mildred Cox, County Home Demonstration Agent, who works with home demonstration clubs in Hale County.

Try these suggestions for making your clubs a good one:

- Be at the meeting place and seated at the time the meeting starts.
- Pay close attention to both the business meeting and the program. Take part in the discussion and give your ideas to the club.
- Accept your share of the responsibility for the work of the club. Tell the president what your interests are so you can be put on committees where you can serve best. Accept offices when you are asked to serve. It is an honor to be asked to take an office. Do the "home work" your club promotes.
- Show your appreciation to officers, committee chairmen and people who have a part on the program. Don't complain.
- Be friendly and get to know the members of your club. Friends work well together.

### Auto License Violations Up In Hale County

AUSTIN — Suspension and denials of drivers' licenses in Hale County almost doubled in 1957 over 1956, 121 to 67, according to the annual report of the driver improvement section of the Texas Department of Public Safety.

This sharp increase was attributed mainly to stricter enforcement of license requirements on violations, along with the normal increase in the numbers of drivers, vehicles, and traffic problems. Statistics were kept on a calendar year basis in 1957, while comparative figures came from the 1955-56 fiscal year report.

Driving while intoxicated as usual led all other violations in suspensions and denials, with 67 in Hale County in 1957 against 54 in 1956. Next was 38 suspensions for habitual violation, compared with only six for this offense in 1956. Other causes for loss of licenses included one for being incapable of driving, three for violating license restrictions, and five

for being responsible for accidents.

Statewide, there were 26,613 licenses suspended or denied in 1957, including 1,746 Texas drivers who lost their licenses for violations in other states. This was an increase of about 12 per cent over 1956, when the total was 23,630. Of these, 16,394 were for driving while intoxicated, a proportional rise from the 14,168 suspensions and denials for this offense in 1956.

Rural accidents involving drinking drivers have declined from 49 per cent fatal and 31 per cent non-fatal in 1950 to 39 per cent fatal and 22 per cent non-fatal in 1956.

Sometimes the best news in the paper is in the advertising columns . . . newsworthy projects, styles, values . . . new ideas for better living! Keep your eyes on the ads for better buys. BY ANY COMPARISON, MERCURY IS YOUR BEST BUY!

### Miracles (No. 2)

By LOYD E. ASH

It is our hope that these two articles will help many to understand what the Bible teaches about miracles as well as to be able to clearly evaluate the claims that they are made by some concerning miracles.

Does the Bible support the idea that men today can work miracles as the apostles did? Is there any indication that the day would come when such miracles would cease?

Isn't Jesus Christ the same yesterday, today, and forever?

Yes, Heb. 13:8 teaches this, but the writer refers to the CHARACTER or MORAL ATTRIBUTES of Christ, and not to administration. Working miracles is under the heading of administration and not His NATURE, and thus this passage does not apply to miracles. Does Christ still feed multitudes with the loaves of a boy as He did the 5,000? Does God still form man out of the dust of the ground as He did Adam? Does Christ still walk in the flesh as He did long ago? Though the Lord has often changed His method of doing things, does that mean He changed? His NATURE does not change. Thus Heb. 13:8 does not prove that Christ still works miracles among men.

Doesn't the Bible say that signs will follow believers?

Yes, but what believers were referred to? Mark 16:17-18: "And these signs shall accompany them that believe: in my name shall they cast out demons; they shall speak with new tongues; they shall take up serpents, and if they drink any deadly thing, it shall in no wise hurt them; they shall lay hands on the sick, and they shall recover."

Does this prove that believers today can do these things, or was this prophetic utterance fulfilled in the days of the apostles? Notice that Mark assures us that this prophesy was fulfilled in the days of the apostles: "And they went forth, and preached every-

where; the Lord working with them, and confirming the word with signs following." (Mark 16:20).

In Acts 3 Peter and John completely healed a man who had been lame from birth; in Acts 9 Peter raised Dorcas from the dead; and in Acts 28 Paul was bitten by a poisonous snake but he was not hurt. These examples show us that fulfillment of the Lord's statement in Mark 16:17-18. Where is the evidence of those who claim to do the same today?

Does the Bible indicate that Miracles would cease?

Yes, (1) 1 Cor. 13:8 speaks of the miraculous gifts of the Spirit as soon to fail, cease, and vanish away. This took place when "that which is perfect" came—the New Testament, the perfect law of liberty (James 1:25). "That which is in part" (the miraculous gifts) were done away.

(2) This is further indicated by the purpose of miracles, i.e., to confirm the message or word of the apostles (Mark 16:20; Heb. 2:3-4). When this purpose was realized, the miracles were withdrawn.

(3) Further, it is indicated by the fact that only the chosen apostles of the Lord could impart the miraculous gifts of the Holy Spirit by laying on their hands (Acts 8:14-18). When the apostles died, there was no one to pass on this miraculous power. It was at this time that the writings of the New Testament were completed and in the hands of Christians. There was no longer need for miracles.

Let us understand today that we can carry on the work of the Lord without the use of miracles. In the place of miracles we have the New Testament, the perfect law of liberty. The gospel is God's power into salvation (Rom. 1:16) and this gospel is verified in the Bible, given by the inspiration of God (2 Tim. 3:16-17).

## Soap Box Derby National Director Visits Here

By O. F. REA

Bruce Overby, Detroit, Michigan, National Director of the Soap Box Derby, Harry Davidson, Dallas, Regional Sales Promotion manager and L. P. Smith Oklahoma City, Zone Sales Promotion manager for Chevrolet were visitors in Abernathy February 18, in the interest of the coming Soap Box Derby. They visited Edwin Crow, local director of the Soap Box Derby. Rules for this year's races have been mailed from Detroit and should be here shortly.

Abernathy has had more entries in proportion to its population than any other town or city in the nation. Mr. Overby remarked that he hoped Abernathy would have fifty entries this year. He also stated they hoped to have Ireland back in this year as well as Germany, Canada, and others.

Mr. Overby says 195 sets of wheels have been shipped to Venezuela and he looks for that nation to be represented in the finals

at Akron.

Okinawa is expected to have an entry and possibly Japan and other places where American soldiers are located.

If you are age 11 thru 15 and would like to participate in something that is highly educational, very fine to develop manual skill, mental alertness, and good sportsmanship, see Ed Crow, local Soap Box Derby Director, and make arrangements to enter. If you are a beginner you may get valuable suggestions from boys who have been in the races and are too old to enter this year. Even though you have to build your own entry, these older boys can advise help to you to avoid many mistakes you would probably make if working alone.

More than 250,000 people per year visit the Texas National Forests.

DRIVE SAFELY — Promote safety and prevent sorrow.

### Tax-Man Sam Sez

By this time of the year a lot of folks are wearing out the lid to their mail box looking for their refund check. Some folks start looking for the refund check a few days after they have filed their tax return. The tax folks in Dallas have to be pretty fast in figuring tax returns and getting out refund checks because it takes several months at the rate of 10,000 checks per day to get out over 700,000 refund checks. You have to remember that there are millions of taxpayers and there are a lot of steps required by law in checking your return before Internal Revenue can send you your refund check. If you move, tell Uncle Sam your new address and give him a little time and your check will probably be along within a couple of days. Don't write and ask for it before July 1.

**Don Henderson  
Guest Speaker  
For Local Club**

"Gladiolas" was the theme of the Tuesday, Feb. 18, meeting of the Country Garden Club, held at the home of Mrs. Frank Lovelace. The guest speaker for the afternoon was Mr. Don Henderson of Don's Flower Shop of Lubbock, who gave a most interesting program on Gladiolas, their growth, culture, color variations and the many varieties of the flower. The process in the development of new species of "Glads" was one of the highlights of Mr. Henderson's program.

Refreshments were served by the hostess, Mrs. Frank Lovelace, to the following members and guests: Mmes. R. E. Albers, J. H. Barnett, Jack Barton, Fred Blumenstock, Lloyd Edwards, Cecil Gartin, W. A.

**AHS Students  
Organize New  
Science Club**

Due to a growing interest in science among AHS students, a new organization known as the Pro-To Club, has been organized.

Goeth, J. L. Miller, Jr., C. J. Pharr, H. E. Rantz, Clyde Rhodes, Otey Shadden, P. S. Sterrett, Morris Thomas; guests included Mmes. Wayne Burns, Chris Benn, H. E. Richter, J. O. Pope, J. P. Nystel, C. C. Shipman, Wayne Riley, A. E. Goebel, Bill Williams, Kit Medlin, Vincent Cunningham, Buck Lindsey, Wesley Harris and Harlow Nels.

The next meeting of the club will be on March 4 at the home of Mrs. J. L. Miller, Jr.

Within the title, Pro-To, is found the main purpose of this newly found organization: progress together. The club motto is "Knowledge has no peak." There are three requirements to be met before membership can be acquired. These are (1.) Interest, (2.) Pass written exam, and (3.) Pass oral exam.

The interest qualification is of greatest importance. The written test is over general knowledge. If a candidate fails to pass this test he may try again. The second test is oral and is conducted in round table discussion fashion. Should an applicant fail the round table discussion, he may be placed on trial or probation. An alternative for probation is refusal of admittance to club membership. Examinations are held in room 105 of the high school the first Thursday of each month at 7:00 P. M. Any student wishing to take these exams is urged to attend the club meeting March 6, 1958.

Officers of the club are Billy Fowler, president; Harley Franklin, vice president; John Saari, treasurer; Tommy Matthews, secretary; and Doyle Johnson, reporter.

Those attending the meeting Feb. 20 were Billy Jack Hacker, Larry Coombes, Jimmy Schuey, Ralph Wright, and the officers.

At this meeting the club decided upon three main projects. One of these is the construction of a club reflecting telescope. James Blalock contributed equipment and material for grinding and work is expected to begin soon.

Another project is that of building of a model rocket. This rocket will not be propelled, but it is believed much can be learned in design, etc., through the construction of this model.

The third project is a weather station. Too, this project lacks in equipment, but after discussion, members decided that some of the equipment could be built by the club and other devices that might be bought with the club funds.

Doyle Johnson, reporter

**Texas 4-H'ers Back from Chicago Congress**

The 36th National 4-H Club Congress recently concluded in Chicago is a once-in-a-lifetime experience to be long remembered by Lone Star 4-H Club members who were there. Among the delegates were the 1957 state winners in the national 4-H Clothing and Dress Revue programs.

The coveted 4-H Dress Revue award, a week in Chicago, was won this year by Mary Ann Haisler, 19, of Denton county. Her dual role as seamstress and model helped bring about this honor. The Simplicity Pattern Co. sponsored the Chicago trip. Mary Ann modeled her win-

Doris Range

Mary Ann Haisler

Learning good construction principles and how to dress appropriately were prerequisites in a state award won by Doris Range, 19, of Victoria county. Imagination in designing her clothes helped Doris win a trip to Club Congress provided by Coats and Clark, Inc.

Working in this project for 10 years, Doris completed 139 garments and 15 other articles. She made 19 clothing exhibits and participated in nine dress revues.

Last year Doris was Gold Star Girl, received her eight-year pin, three medals and a bond. She was vice president of the Patti Welder 4-H Club four terms, of the county group for two, and was assistant leader.

ning ensemble at the gala style show during the Congress. Her costume is a Dior blue wool crepe dress with a portrait neckline, scarf of self fabric, and raglan three-quarter length sleeves. The pencil slim skirt has small unpressed pleats. Accessories included a matching feather hat, black leather pumps, white gloves and pearl earrings.

Mary Ann was president of her local 4-H Club. A student at North Texas State College, she hopes to have a career as a home demonstration agent.

These 4-H award programs are arranged by the National Committee on Boys and Girls Club Work, and conducted by the Cooperative Extension Service.

### Texas Salutes 4-H Champions

The Lone Star State salutes three top ranking teen-agers for superior performance in 1957 4-H activities. Recently returned from expense-paid trips to national 4-H Club Congress in Chicago are Patricia Madison (left) and Wanda Lewis. The third national champion is Johnny Manning, winner in the 4-H Dairy program, who also attended the Club Congress.

One of the nation's stars in the 4-H Frozen Foods program, Patricia Madison, 17, came appropriately from Rising Star, Brown county, to show her prowess in freezing foods. An amazing record of 1,562 pounds of fruits and vegetables, 5,379 pounds of meat, poultry and fish and 355 packages of other foods carried her to national success.

Patricia gave more than 50 demonstrations before state, district and local groups, and appeared on radio and TV as well. Whipool Corporation is the donor of her trip and \$400 college scholarship award.

Helping and teaching others to play won national honors in the 4-H Recreation program for Wanda Lewis, 17, of Breckenridge, Stephens county.

Active at leading songs and games, she was recreation leader of her local 4-H Club in 1954 and of the county club in 1955. Wanda served on county and district recreation committees and was junior leader on county-wide recreation programs.

Wanda was a member of a leadership encampment group covering 22 states, and recently attended a leader workshop. Among her many awards is the

4-H Gold Star. As national winner, her Club Congress trip was made possible by the National Committee on Boys and Girls Club Work.

Johnny Manning, 15, of Godley, Joannson county, built his 4-H Dairy project from one Jersey heifer to become one of six national winners in the program.

Of that heifer, won in a drawing, Johnny said, "To thin to be even wild," but after being well fed and cared for, she won 20 blue and three red ribbons, was five times grand champion and three times reserve champion.

Today Johnny has six cows and five heifers which won 69 ribbons. Named the 4-H Gold Star boy of Johnson county, Johnny also won numerous honors in judging contests.

President of his local 4-H Club and of the county club, Johnny is now chairman of the 250-member county dairy club. The Oliver Corporation provided his trip and a \$400 college scholarship.

The national 4-H award programs are arranged by the National Committee on Boys and Girls Club Work and are directed by the Cooperative Extension Service.

### ABERNATHY

Bruce Furniture jumped into a 1/2 game lead after winning 3 of 4 from Graham's while Johnston Insurance was losing 4 to Co-op Gins in Abernathy Women's bowling at North College Lanes Monday night. Cecile Pettit took top honors for the night with a 199-474. Shirley Young picked up the 7-6, 10 split.

Results of Monday night bowling and individual team highs are Bruce Furniture won 3-1 from Graham Restaurant, LaNell Stone 156-428; Taylor Bros. swept 4-0 from Young's; Faye Lutrick 156-435; Marlene Shipman 162-436; Abernathy Co-op Gins swept 4-0 from Johnston Insurance, Cecile Pettit 199-474; Dorothy Davenport 148-399; Cunningham Gin won 4-0 from McKenzie Insurance, Clyde Webb 166-404, Betty Adkisson 147, Karen Struve 397.

In the Men's League, Bill Moore Well Service holds a 2 game lead over John Duty Mfg. and Shipman Insurance. Curtis Lebow took top honors for the men with a 214 game and 594 series.

Results and individual team highs are Bill Moore Well Service took 3-1 from First State Bank, Wayne Ray 191-476, Billy Pittman 206-496; John Duty Mfg. won 3-1 over Struve Mercantile, Vernon Pettit, 181-460, Wendell Howard 181-460; Shipman Ins. swept 4-0 from Weld-Rite Welding, Dwan Bristow 186, Jerry Givens 506, Curtis Lebow 244-594; McKenzie Insurance won 3-1 from County Line Co-op Gins, Dan Wright 177-462, Ted Watts 188-505; McAlister Grocery won 3-1 over White Gold Gin, Glenn Selke 187-468, W. C. Bryant 178-428; Thompson Implement swept 4-0 from White Auto, Hutch Young 188-485, J. C. Roberts 204-552.

**20 Seniors Report**

Only two seniors reported for the squad this year. They are Jerry Oswald and A. C. Harris, who was the top miler in the district last year and who is expected to be one of the Antelopes' top performers this year.

The only other district winner from Abernathy last year was Charles R. Evans who was the shot put. Evans who was a senior in qualification withdrew from school recently to join the Navy.

The first scheduled meet thus far for the Antelopes is March 15, when they will compete in the Crosbyton Relays. The district meet is scheduled for April 5, the regional meet for April 12, and the state meet is set for May 1, 2, and 3.

Twenty Freshman and about fifty Junior High boys reported for track workouts Monday.

Both the Freshmen and the Junior High boys are defending champions in their division in the district. The only scheduled meet for these youngsters is the district meet on April 5.

Initiation for twenty-one new members into the Abernathy chapter of the National Honor Society was held last Thursday in the school auditorium.

Gerald Watson, Abernathy National Honor Society President, served as master of ceremonies. Brief talks were also given by Sue Williams, Brenda Shipman, Janet Williams, Beverly Suttle, Linda Roberts, and Horton Struve.

New members of the society are Jim Mills, Jerry Oswald, Linda Schreiber, Edris German, Billie Davis, Sandra Johnson, Nelson Ward, Billy Rea Sterrett, Levett Hord, Pat Ellis, Sandra Gilliland, Price Amerson, Jimmy Shuey, Sandra Wolf, Linda Shipman, Linda Monk, Jean Murdock, and Philip Guinn.

Faculty sponsors for the Abernathy chapter are Misses Beecie Donegan and Dodie Stokes.

The high school student body, faculty members, parents, and visitors attended the ceremony.

Mr. and Mrs. Hugh Vaughn were in Matador, Sunday, to attend the funeral of Henry C. Ford, who was manager of Higginbotham-Bartlett Co. there.

Lubbock County Clerk issued a marriage license to Eulallo Massanales and Miss Virginia Allen Oliver, both of Abernathy.

Ralph Wolf moved to the residence on 13th St., formerly occupied by Wayne Wolf, who moved to a farm southwest of town.

### Chitchats From AHS

(By Don Jones, Review Staffman)

About twenty-five Abernathy high school boys reported for track and field workouts Monday, Feb. 24.

Although Abernathy traditionally has a strong track team, the Lockney Longhorns are strong favorites to repeat as district champions, returning with the same sprinters that helped defeat the Antelopes by nine points last year.

Head coach for the Antelopes will be Royal James, who will start his seventh year as track coach for the Abernathy schools. During his past six years at AHS, James' teams have won three district championships and he has never had a team to finish worse than second in the district.

Coach James' mile relay team won the state meet in 1955, setting a new record of 3:23. The 3:23 time was also the best time recorded in the nation for a school of Abernathy's size.

The members of that great mile relay team were Roy Sons, Ralph Wolf, Lawrence Barron, and George Willis.

Only two seniors reported for the squad this year. They are Jerry Oswald and A. C. Harris, who was the top miler in the district last year and who is expected to be one of the Antelopes' top performers this year.

The only other district winner from Abernathy last year was Charles R. Evans who was the shot put. Evans who was a senior in qualification withdrew from school recently to join the Navy.

The first scheduled meet thus far for the Antelopes is March 15, when they will compete in the Crosbyton Relays. The district meet is scheduled for April 5, the regional meet for April 12, and the state meet is set for May 1, 2, and 3.

Twenty Freshman and about fifty Junior High boys reported for track workouts Monday.

Both the Freshmen and the Junior High boys are defending champions in their division in the district. The only scheduled meet for these youngsters is the district meet on April 5.

Initiation for twenty-one new members into the Abernathy chapter of the National Honor Society was held last Thursday in the school auditorium.

Gerald Watson, Abernathy National Honor Society President, served as master of ceremonies. Brief talks were also given by Sue Williams, Brenda Shipman, Janet Williams, Beverly Suttle, Linda Roberts, and Horton Struve.

New members of the society are Jim Mills, Jerry Oswald, Linda Schreiber, Edris German, Billie Davis, Sandra Johnson, Nelson Ward, Billy Rea Sterrett, Levett Hord, Pat Ellis, Sandra Gilliland, Price Amerson, Jimmy Shuey, Sandra Wolf, Linda Shipman, Linda Monk, Jean Murdock, and Philip Guinn.

Faculty sponsors for the Abernathy chapter are Misses Beecie Donegan and Dodie Stokes.

The high school student body, faculty members, parents, and visitors attended the ceremony.

Mr. and Mrs. Hugh Vaughn were in Matador, Sunday, to attend the funeral of Henry C. Ford, who was manager of Higginbotham-Bartlett Co. there.

Lubbock County Clerk issued a marriage license to Eulallo Massanales and Miss Virginia Allen Oliver, both of Abernathy.

Ralph Wolf moved to the residence on 13th St., formerly occupied by Wayne Wolf, who moved to a farm southwest of town.

### Hi-Lights From Junior High

Andrew Cortez visited in the home of Louis Lopez and family of Muleshoe Sunday.

Mrs. C. M. Martin from Muleshoe, Mrs. C. E. Miller from Lubbock, and Gerald Prater from Hereford visited in the home of Helen Prater.

Mr. and Mrs. Thomas Conner visited in the home of Mr. and Mrs. Dick McMahon of Abilene Saturday and Sunday.

Mr. and Mrs. Gid B. Adkisson, Jr., and family visited in the home of Mr. and Mrs. Noel Johnson and family of Olton Sunday.

Pat O'Neill visited in the home of Mr. and Mrs. J. Johnson of Olton Sunday.

Marsha Taylor went to Del Rio over the weekend.

Linda May went to Oklahoma and Kansas over the weekend.

Carolyne McGuire went to Muleshoe over the weekend to visit her brother and wife, Mr. and Mrs. Donald McGuire.

Jimmy, Jerry, and Jean Bruce visited in the home of Sara Bruce this weekend. They are from Slaton.

Pat Davis visited her great grandfather, Mr. J. M. Thomas on his 90th birthday. He lives in Littlefield.

Janice Adkisson, Frances Teaff, Marsha Taylor, and Linda May gave a party at the Legion Hall Friday night. There were about 30 who attended.

Betty Sterrett had a slumber party Friday night. Those who attended were Janice Adkisson, Linda May, Marsha Taylor, Frances Teaff, Judy Kiker, Jane Apperson, Carol Totty, Kay Powell, and Ruthie Beaton.

Jim Stillwell visited his brother Dean Stillwell of Jae, New Mexico.

Ann Brooks visited her aunt and uncle, Mr. and Mrs. Frank Daniel, of Brownfield.

Patsy Peters visited Pam Knowles of Lubbock Sunday.

Mrs. George D. Coffey spent last week-end at Sheppard Air Force Base, Wichita Falls, where her husband is stationed.

Mrs. J. W. Brooks attended the funeral of Mrs. J. Bruce Caldwell and her twin daughters in Lubbock Monday. They, along with two others, were victims of a two-car collision near Haskell Saturday.

Wayne Graham has moved to 410 West 5th St.

Mr. and Mrs. Otto Curry and daughters visited here last weekend in the home of his sisters, Mrs. Douglas Chapman and Mrs. Alvin Hardin. The Currys are moving from Abilene to Grover, North Carolina.

**Lee Grabel, TV Sensation,  
to Appear in Person**

You'll explode with laughter, bubble with excitement, and sizzle with intrigue when Lee Grabel Revue comes to Abernathy under the auspices of the Lions Club.

Imagine, if you can, a young lady fired from the mouth of a cannon and appearing immediately in the center trunk of several that are nested one inside another. This is but one of the internationally famous sequences that make up an exciting evening with Lee Grabel and Company.

In far away lands Lee Grabel has observed the mystery of the Orient and the gaiety and excitement of Europe as well as the dynamic power of the American free enterprise. All are reflected in the new production of the Lee Grabel Revue which will be presented in Abernathy School Auditorium March 6.

After his foreign tour, Grabel completely revamped his extravagant production, which had been a tremendous success, and made it even greater.

Hit of the ABC Television program "You Asked for It," master illusionist Grabel will present the exotic Helene with a talented cast in a dozen lovely sequences that add up to a great entertaining show.

Advance tickets may be se-

cured from members of the Lions Club. Matinee performance is scheduled at 3:00 P. M., 50 cents for students and \$1.00 for adults; evening show will be at 8 o'clock, 75 cents for students and \$1.50 for adults.

All money made by the Lions Club on the show will be used to finance the trip to Enid, Oklahoma, for Dub Crain's AHS Antelope Band in May. The band will participate in the Tri-State Band Festival in Enid.

**Consumers  
Stockholders  
To Meet Here**

Abernathy Consumers Association annual meeting of stockholders and patrons will be held Thursday night, February 27th, 7:30 at the Abernathy School Cafeteria. One director is to be elected. Be sure to register as you enter at the northeast door of the Grade School Gym. For more information about registering see Consumers advertisement in this issue and the next. If you are a stockholder in Consumers Fuel Association don't fail to attend the meeting.

**Nystel Seeks  
Planting Seed  
From Arizona**

Archie Nystel of Nystel Realty Company reports that he is trying to obtain some planting seed of a cotton raised in Arizona and known as A-44. This cotton produces a staple of one and one-sixteenth inch and longer and is grown on the highlands of Arizona very successfully and is well suited to irrigation and a heavy producer. Three bales per acre was produced by some of the better farmers and the average yield was 1,000 pounds of lint per acre in 1955. 353,000 acres planted in 1955 and 353,000,000 pounds lint cotton produced in Arizona. This cotton known as A-44 Short Staple Upland Cotton was developed during the years 1941 to 1947.

The 1954 national average of all cotton was 341 pounds per acre. The Arizona yield 1039 pounds per acre. A small number of cotton raisers produced as high as five bales per acre under ideal conditions. This A-44 cotton was tried out here a few years ago but as there was only few lots planted they happened to be hailed out completely and no seed was produced. Mr. Nystel thinks our country and climate compares favorably with the upland areas of Arizona and is anxious to try this cotton here.

**WSCS NEWS**

Priscilla Circle of Women Society of Christian Service met Monday, February 17, at 2:30 P. M. in the home of Mrs. M. M. Bell. Mrs. W. M. Medlin led the group in prayer followed by Mrs. R. W. Owens, who gave a lovely devotional. Mrs. H. B. Coggin and Mrs. B. V. Powell both gave interesting parts on the program.

The meeting was closed with a prayer by Mrs. J. P. Nystel. Attending this meeting were Mmes. J. L. Greenwaldt, J. P. Nystel, R. W. Owens, H. B. Coggin, B. V. Powell, W. M. Medlin, Miss Dixie Durfee, and the hostesses.

Next meeting will be March 17, in the home of Mrs. J. P. Nystel, 1008 Ave. G.

**HDC MEETING**

Home Demonstration Club met February 18, in the City Club house with Mrs. G. D. Clapp hostess. Mrs. Thomas Conner led the recreation. Mrs. A. N. Johnson, council delegate, gave a good report.

Mrs. Lee R. Smith gave an interesting program and demonstration on "Color and Accessories in the Wardrobe."

Members present were the following: Mmes. T. A. Brewster, A. N. Johnson, M. M. Bell, Thomas Conner, W. F. Wolf, Melvin Johnson, Lee R. Smith, J. B. Herring, and the hostesses.

The next meeting will be March 4, with Mrs. Thomas Conner as hostess. County Home Demonstration agent, Miss Mildred Cox, will have charge of the program.

**Attending School in Dallas**

Donald Bell, son of Mr. and Mrs. M. M. Bell, finished his high school work here at mid-term and is now attending school in Dallas. He will be back here in May to graduate with his class.

Topdressing fall-seeded small grain with nitrogen fertilizer has paid farmers good dividends in most areas of Texas. The practice, according to W. F. Bennett, extension soils chemist, will increase the amount and nutritive value of the forage produced by the small grains as well as grain yields. Since these crops are widely used for grazing, the extra production of forage is of prime importance.

The nation's cotton growers by their votes in the December 10 cotton marketing quota referendum will determine whether quota penalties will apply and also the level of price supports for 1958-crop cotton. The referendum, reminds R. G. Shrauner, chairman, Texas Agricultural Stabilization and Conservation Committee, is of vital importance to every cotton grower and all are urged to vote.

### Broadway Mystery Extravaganza Coming to Abernathy, Internationally Famous Illusionist Due Here

Ever see a pin-up girl come to life? The baffling maiden is but one of the amazing mysteries that illusionist Lee Grabel brings to the stage of Abernathy School Auditorium March 6.

The Lions Club has brought this attraction to Abernathy for the first time. Grabel is now on a transcontinental tour of America after a successful Broadway run that brought him the plaudits of the critics. Art Baker of "You Asked for It" fame calls him a fabulous illusionist. National Business Reviews in a recent edition

agreed with the critics in saying "The Lee Grabel Show is the finest stage attraction to tour America in many years. For a memorable evening make it a point to see this famous Review when it plays your city." You will say its the most fascinating evening of entertainment you have ever enjoyed.

Tickets for the Lee Grabel fabulous mystery show are on sale and may be had from all members of the Lions Club.

Mail News to The Review

### Gay Scoggin Is Initiated Into Kappa Alpha T.

Miss Gay Scoggin, daughter of Mr. and Mrs. Mack Scoggin, has been initiated into Kappa Alpha Theta national fraternity at Texas Technological College where she is a freshman. Miss Scoggin was one of 19 young women to become an active member of the Gamma Phi chapter in exercises Saturday, February 15.

Bill Richter made a trip to Lindale Thursday, February 13, coming back the following Sunday. Bill's daughter, Billie Mae, Mrs. Ralph Stevenson, has had the help of her mother in caring for the son since birth recently and all are doing fine. Mrs. Richter returned home with Bill. This was Bill's first time to see his grand-son.

### TALK

In Print

Taxpayers of the United States, who are still paying World War II-imposed taxes twelve years after V-J Day, likely will take with a grain of salt the implication that the boost to a five-cent postage stamp would last only three years. Senate Republican Leader William Knowland of California indicated that he would favor the five-cent stamp for first class mail provided it had a 3-year limitation.

Amarada's No. 1 Johnson well 5 miles west of Lubbock is reported drilling at 6235 feet. Contract depth 10500 feet.

# Southern DESIGNS for living

Design D-102

Living area: 1,439 square feet  
House: 33'-0" by 43'-6"

### Feeling of Space

Although confined to an area of only 1,439 square feet, this week's "DESIGN for living" does not have the slightest suggestion of skimpiness.

Besides the three bedrooms and two full baths, it includes a spacious kitchen with a breakfast area which can easily seat six people, a full dining room and a beautiful living room, 14 feet by 19 1/2 feet.

Most of the side wall of the living-dining area consist of glass doors to make the most of the open terrace which can be easily serviced from the kitchen

for outdoor living and eating. This terrace is completely private with the decorative brick wall which is an extension of the front living room wall.

### Pleasant Kitchen

The airy kitchen area includes all of the features of the country estate with its mud room-laundry combination, breakfast bar and dinette space.

Economy of space and pleasing design has built into this area, a kitchen that would be the envy of any woman desiring beauty as well as efficiency.

### Attractive Bedrooms

Three bedrooms including a master bedroom for the most discriminating taste are provided for

truly enjoyable living. The master bedroom is 11 feet wide and 16 1/2 feet long with a large walk-in closet and a private bath.

Each of the other bedrooms has a sliding door closet large enough even for two teen-age daughters. Ample linen storage is provided with a closet at the entrance which can be reserved exclusively for guests.

### Cleverly Designed

This weeks design begins, so to speak, with a pleasing exterior combining brick with an interesting use of wide wood siding. The high brick wall across the front of the house gives the impression of size and mass with a chance for simple but very effective decoration, complete with a low roof, wide overhangs and exposed beams.

### Send for Study Plan

You can get a study plan for the DESIGN of the week by mailing \$1.00 with your name and address to Southern Features Service, 116 1/2 E. 4th Street, Charlotte 2, North Carolina. Be sure to mention the plan by number in your order.

This study plan shows a plan of each floor of the house along with each of the four elevations. It is scaled at 1/8 inch per foot.

After looking over the study plan to determine if it will meet your needs, you can then order complete building blueprints directly from the architect. These blueprints are prepared to meet the specific building needs of the South.

## WANT-ADS

(Rates: 3 cents per word, or 50 cents minimum.)

## CARD OF THANKS

We wish to thank our friends and neighbors for their kindness and assistance during the illness and at the time of the death of our dad. Your thoughtfulness and words of sympathy were of great comfort to us. We sincerely appreciate the beautiful floral offerings.

W. M. Rankin family  
Louise Rankin

## News

Sp. 3-C and Mrs. Curtis Riddle visited in the home of his uncle Charles Brewer last weekend. Cpl. Riddle returned to the States Jan. 20, after serving 16 months in Korea and Japan with an armored Battalion. He was married Sept. 20, 1957, to Miss Yuko Aoki of Kochiken, Shikoku, Island Japan. Curtis formerly lived in this community with his parents, Mr. and Mrs. W. M. Riddle, and is a grandson of the late J. R. W. Brewer. He was enroute to an assignment at Ft. Hood.

Visitors in the home of Mr. and Mrs. N. Matthews Sunday were Mr. and Mrs. Clifton Curley and Mrs. Ben Kelley of Hereford, Mr. and Mrs. Gene Matthews and family of Petersburg, and Mr. and Mrs. Udell Adams of this community.

Don Rhodes was in Houston attending the Fat Stock Show where he entered lambs.

Mr. and Mrs. Leon Manley of Canyon spent the weekend with their parents, Mr. and Mrs. Herbert Watson.

Mmes. T. W. Driver, L. P. Amerson, and N. Matthews attended the World Day of Prayer Service at the Methodist Church in Abernathy last Friday night.

J. R. Fitzgerald of Whitney visited here last week.

Mr. and Mrs. H. G. Timms were in Sweetwater Saturday to attend the formal opening of a service station operated by their son, Gordon Timms, Jr.

Mr. and Mrs. Audy Brewer and children of Plainview visited his parents, Mr. and Mrs. Charles Brewer.

Mrs. Lee Hays and son of Littlefield visited in the C. B. Beeson home last weekend.

Word was received here of the death of W. W. Armstrong, brother of Mrs. Jimmy Belt, in Veterans Hospital in Temple Saturday, Feb. 22, at 4 A. M. Mrs. Belt had been at the bedside of her brother for a week.

Funeral rites were held Tuesday at 2 P. M. in the Highland Methodist Church in Sweetwater.

Those attending the funeral services from Lakeview were Messrs. and Mmes. Vernon Smith, Lawrence Amerson, Jack Jackson, Clayton Enger, A. R. DuBose, Gordon Timms, Rev. Luther Baker, and Bill Harrison.

Rev. and Mrs. Skeet Rhodes of Slaton visited in the home of his parents, Mr. and Mrs. O. D. Rhodes.

Amarada Oil Company's No. 1 Ray Johnson is reported drilling at 6,235 feet with 10,500 feet the contract depth.

Pan American Oil Company has just announced a new location for a test well to be known as No. 1 L. H. Johnson, on south half of Section 31, Block D-5, located three miles southwest of Shallowater. Reported depth is 11,000 feet.
