STATE 2-A CAGE CHAMPS

Members of the 1957 girls State AA championship team, the Abernathy Antelopes, are shown above, from left to right: Donna Linton, Barbara Turner, Jo Ann Phillips, captain; Colleen Bradley, La Rea Abney, Carolyn Northcutt, Billie Vance Houston, Linda Monk, Lera Johnson, Margie Guinn, Brenda Shipman, Lenora Manley, captain; Paul Apperson, Betty Struve, Linda Shipman, and Evelyn Lyles. Not shown in the picture is team manager Gwendolyn Sanders and Coach J. N. Wilson and Assistant Coach Sherley Oswalt.

Is First State Title

By DOROTHY DAVENPORT

The Abernathy Antelope girls won the first state basketball championship in the history of the school by winning a hard fought game against the strong Rockdale Tigerettes 63-59 in the semi-finals and going on for an easier victory over Brewer of Fort Worth Brewerettes, 64-53, in the finals of the Class AA Division of the girls state basketball tournament in Austin last weekend.

Coach Pete Wilson's Antelopes

romped through their 39th victory of the season and emerged as the top team in Texas and the only undefeated team in the state. Abernathy's own Sherley Oswalt, an all-stater when the team played in the state tournament in 1955, is assistant coach.

In the state final Saturday night against Brewer, Margie Guinn opened the scoring with 2 points in the first 20 seconds of play. The Brewerettes scored 2 for a tie of 2-2, and again for a 2-4 to move ahead. Margie added 1 point for a 3-4. Jody Phillips hit a long shot to give the Antelopes a 5-4 lead. Margie hit for 7-4. Jody made a free throw, 8-4. Brewer added two for 8-6. Margie hit a free goal 9-6, and Jody shot from far out to gain an 11-6 lead. Brewer hit for 11-8 and Brenda Shipman dribbled in for a jump shot to open her scoring for 13-8. The Brewerettes bounced back with two for a 13-10 and added a free throw for 13-11, and seconds afterwards added two more on free shots for the second tie of the game, 13-13. Brenda added two points with one of her spectacular shots to put the Antelopes ahead 15-13. Brewer tied the game as the quarter needed, 15-15.

With only 35 seconds gone in the second quarter Margie dropped in two points for a 17-15 lead which the Antelopes never relinquished. Brenda scored 2 free shots, 19-15. Margie added 2 from the field, 21-15. Brenda shot for a 23-15 lead. Brewer made a free throw 23-16. Jody made two free shots, 25-16. Brewer followed with 2 free points 25-18. Margie added 2 free ones for 27-18. Brewer hit 4 points from the field for 27-20 and 27-22. Margie ended the second quarter scoring with a 31-24 half time lead.

To open the third quarter, Margie Guinn scored for 33-24 and Brewer added two with only 50 seconds gone. Margie hit 2 more for 35-26. Brenda upped the score 37-26. Brewer followed with 2 for 37-28, two free throws by Brenda gave the Antelopes a 39-28 lead. The Brewerettes changed the score to 39-30 and 39-31. Brenda dribbled in for two 41-31, the opponents

Wilson Wins On 3rd State Trip

By DON JONES

After two unsuccessful attempts, in which his teams failed to get past the semi-finals, Coach J. N. (Pete) Wilson's Abernathy Antelope girls basketball team finally broke his semi-final 'jinx.'

Coach Wilson, who has one of the most impressive won-lost records of any coach, guided the

Antelope girls basketball team to the first state championship in the school's history. His team, in winning the State AA championship this year, is the only undefeated high school basketball sextet in the state this year, having an awesome 39-0 record.

Mr. Wilson, in addition to coaching the most successful girls team this year, is also business mana-

ger for Abernathy schools. He assumed these duties in July of 1957 when Noel Johnson resigned to become superintendent of schools at Olton.

From Avoca

Before coming to Abernathy to take over as girls basketball coach in 1953, Wilson was mentor for the Avoca girls for four years. During the last two years at Avoca, Coach Wilson's team compiled a 60-10 won-lost record and in 1953 his Avoca team qualified for the state tournament in Austin.

Mr. Wilson's second team to go to the state tournament was in 1955 when all-stater Sherley Oswalt, who is now assistant coach for the Abernathy squad, was the top star.

In the semi-final game that year, the Abernathy girls were leading by one point when the game ended, but their opponent, Angleton, sank two free throws to win the game, and eventually the championship.

Wilson's Abernathy teams have lost only 4 of 58 conference games in the five years that he has been coach. In that five years as coach, his teams have failed to win the district championship only once and have compiled a 73-11 record the last two years.

Coach Wilson credits much of the success of this year's team to the assistant coach, Miss Sherley Oswalt. Miss Oswalt played on two of Coach Wilson's teams and in 1955 was an all-state forward for the team that was beaten in the state semi-finals.

Miss Oswalt, daughter of Mr. and Mrs. Doyle Oswalt of Abernathy, graduated from AHS in 1955 and is now a senior at ACC in Abilene. She will graduate this summer.

Project Show Winners List

By O. F. REA

Despite very nasty weather and one postponement and the inability of some exhibitors to get their animals in at all, the Abernathy Project Show was a great success. What the crowd lacked in size, it made up for in enthusiasm. The project boys and girls worked hard and did an excellent job in showing their entries in the show. Stalls were kept in good shape and aisles were kept clean. Some even swept the aisle down to the hard dirt to keep down the dust which helped keep the animals clean.

Several entries were unable to be shown because they could not get to town due to mud. One entry, we learned, had his animal washed clean and ready to go but could not get out with his trailer. However, there were sufficient entries who did make it in to have a good, interesting show of some very fine stock.

Judging results were as follows: Loyd Hancock—1 Duroc, medium barrow, 1st place and reserve champion; 2 Hampshire heavy barrows, 1st place and grand champion and 3rd place; 2 Poland China gilts, 1st and 2nd places. Jim Owens—2 Duroc heavy barrows, 5th and 6th places; 1 Poland China heavy barrow, 3rd place; 1 Duroc light barrow, 4th place; 1 Duroc light barrow, 5th place.

Malcolm Eldredge—1 Landrace light barrow, 2nd place. Larry Blumentstock—2 Poland China medium barrows, 2nd and 4th; 1 Poland China heavy barrow, 2nd; 1 Duroc medium barrow, 5th.

Bob Thomas—1 Poland China heavy barrow, 4th; 1 Hampshire medium barrow, 5th. Royce Davis—1 Duroc medium barrow, 6th; 1 Duroc light barrow, 1st; 1 Duroc light barrow, 5th.

David Waits—2 Duroc gilts, 3rd and 4th. Richard DuBose—2 Duroc gilts, 5th and 6th.

Steers were as follows: James Blalock—1 black Angus, light, 2nd and Reserve champion; 1 black Angus, heavy, 2nd. Thomas Pettit—1 Hereford, light,

MORE SNOW

M. O. Hood, local weather server, reported a total of 3.23 inches for the year, to last week, and a total of 5.23 inches of moisture from the snows and rains for the year.

An estimated two inches of snow fell here Monday night, bringing the total for the year to 31 inches, and adding slightly to the moisture total.

NAMES ADDED TO TRUSTEE BALLOT

The names of Fred Blumenstock and Joe B. Lovelace, both farmers in this community, were added to the Abernathy school trustee election ballot. This information was received after the trustee election story on page two of this paper had been printed.

1st and grand champion. Byron Eldredge—1 black Angus, heavy, 3rd.

Linda Eldridge—1 black Angus, light, 4th.

Orville Lee Schoor—1 black Angus, 3rd; 1 Hereford, heavy, 1st.

Sheep: Thomas Pettit—2 Duroc heavy, 1st and 2nd places.

Wayne Harrah—2 pens, white leghorns, 2nd place layers.

Richard DuBose—2 pens, white leghorns, 1st place layers.

Malcolm Eldredge—2 pens, Rhode Island Reds, 1st place broilers; 1 pen of white leghorns, 3rd place layers.

David Waits—2 pens, Dekalb Hybrid (leghorns), 2nd place layers.

Two rabbits were shown: one by Charles Pope and one by Kenneth Turner.

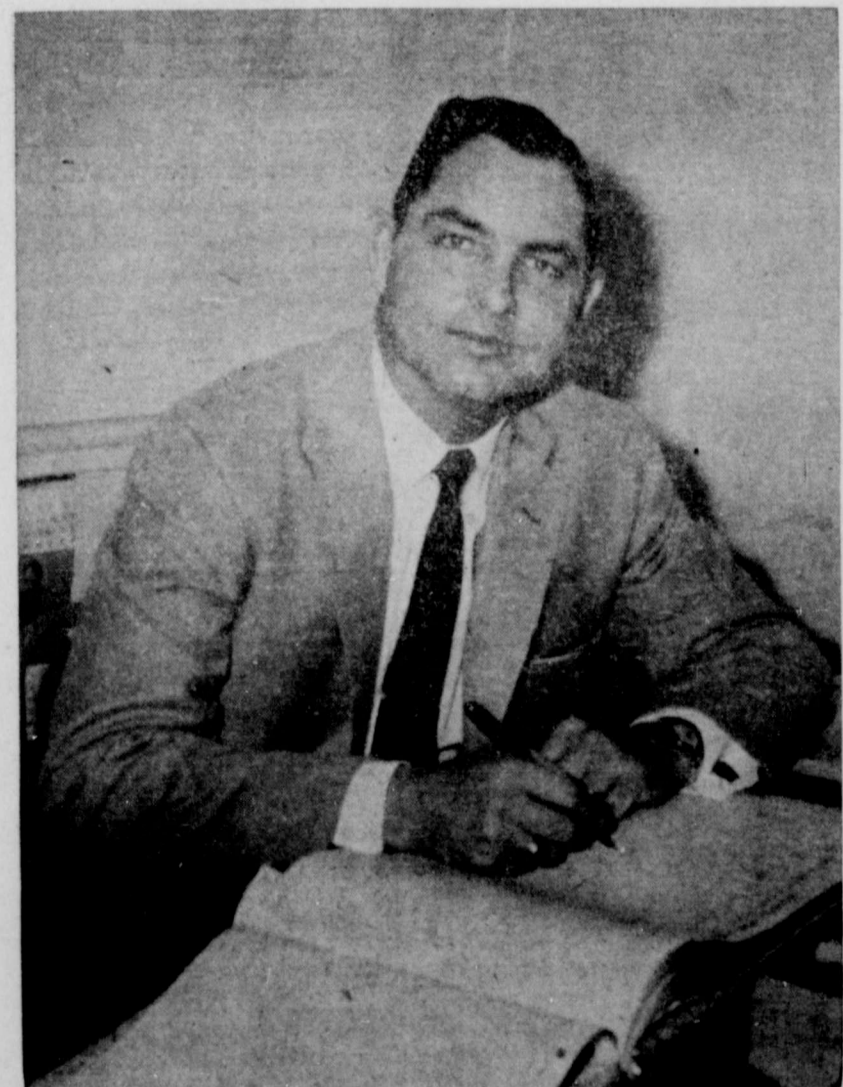

One frame of bees was shown by Malcolm Eldredge.

Showmanship award for hogs went to Loyd Hancock; James Blalock, steers; and Thomas Pettit, sheep.

The judge was L. M. Hargroves from the Agricultural Education Department of Texas Tech.

Lenora Manley, left, and Jo Ann Phillips, right, captains of the State AA championship team, are shown above. Lenora played guard and Jo Ann, who was the team's playmaker, played in a forward position. They are two of the three seniors that played their last game for AHS last Saturday night. The other senior is Brenda Shipman, who was also a starting forward for Coach Pete Wilson's team.

Easter Seal Drive Opens

The annual Easter Seal Campaign will be held March 6 through April 6 this year. Funds which are raised provide braces, wheel chairs, transportation to medical centers, etc. for needy crippled children.

Funds raised last year, for example, helped the mother of four children, one of whom needed expensive braces. The mother's only hope of obtaining the braces was to sell her washing machine, had Easter Seal funds not made them available to her. Another family was told their little girl needed braces following surgery if an operation was to be successful. This family could obtain only enough

money for surgery, but the child now has her braces because Easter Seal funds made them available to her. Easter Seal funds brought many wheel chairs. I wish you could see the change in outlook of a young boy who can now go where he wishes in a wheel chair, no longer dependent on someone to carry him wherever he may wish to go.

Any response to the Easter Seal Campaign will be greatly appreciated.

The clubs that contributed to this fund in 1957 were as follows: 1957 Woman's Club, Country Garden Club, Home Demonstration Club, Order of the Eastern Star, Lions Club, and 1954 Woman's Club.

School Election To Name Trustees Set Here April 5

Abernathy Public School will hold an election April 5th to name three members to the School Board of Trustees. The election will be held at City Hall with Rev. J. I. O'Neill as election judge. The terms of E. M. Crow, B. A. McDougal, and Loren J. West expire.

Requests were filed for placing of five names on the ballot. These were B. A. McDougal, Loren J. West, incumbents, and additional names of Marion Floyd, Harvey Lutrick, and H. S. (Pig) Tennell. E. M. Crow has declined to run for re-election. Additional requests

were received Thursday for entry of the name of Eugene Davidson to the ballot. Additional candidates may be placed on the ballot by written request filed by the prospective candidate, or by written request signed by five voters in behalf of a candidate, until 5 o'clock March 25.

Four clerks were named to assist Rev. J. I. O'Neill: Mrs. M. Z. Hollister, Mrs. O. P. Rea, Mrs. Bob McAllister, and Mrs. George Ragland. Two alternates were named also, Mrs. L. B. Young and Mrs. Wesley Harris.

Feed Per Day Cut 5% to 27%

Compared to conventional low to high efficiency rations

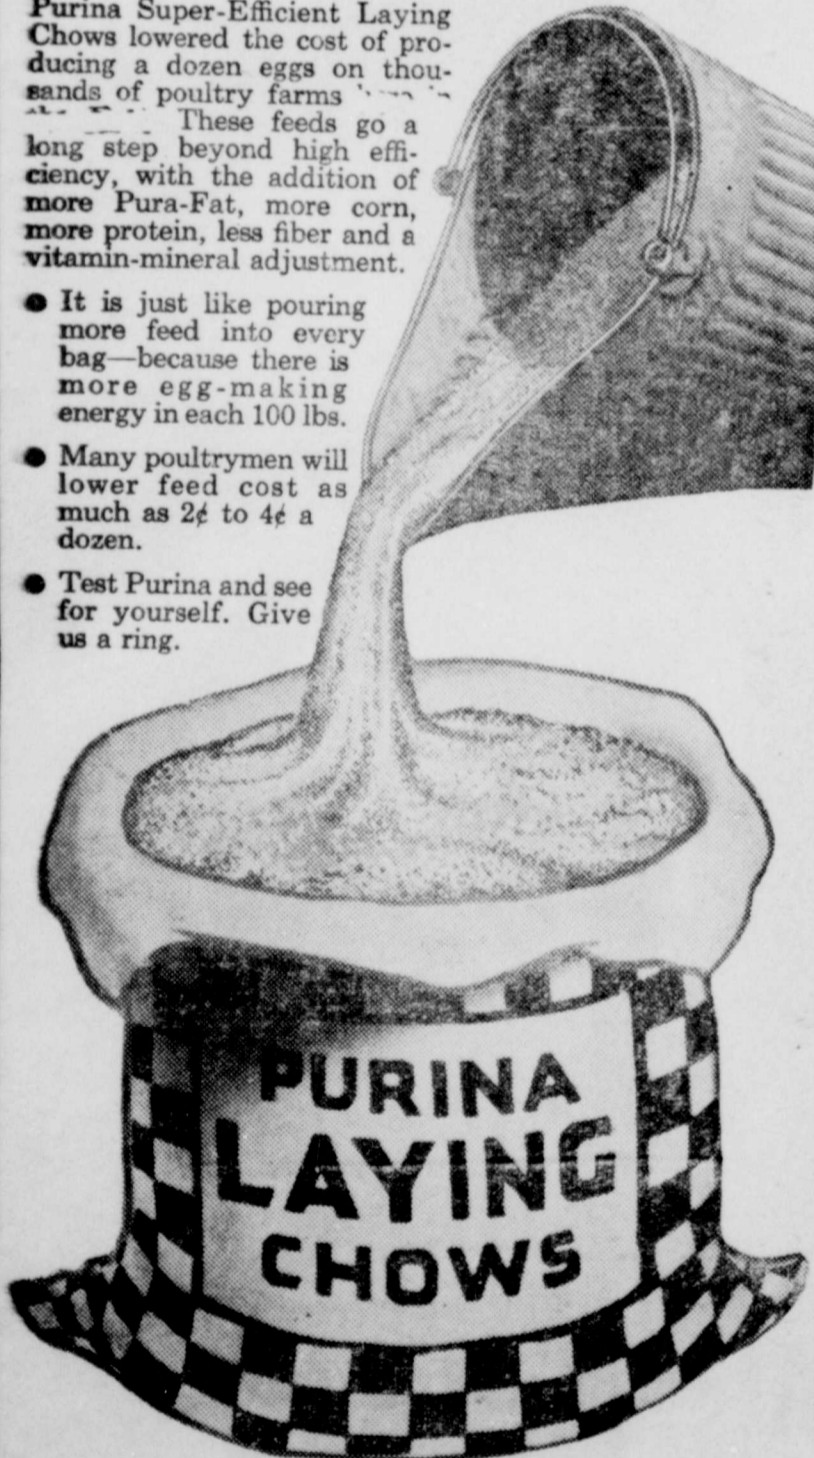

Purina Super-Efficient Laying Chows lowered the cost of producing a dozen eggs on thousands of poultry farms.

These feeds go a long step beyond high efficiency, with the addition of more Pura-Fat, more corn, more protein, less fiber and a vitamin-mineral adjustment.

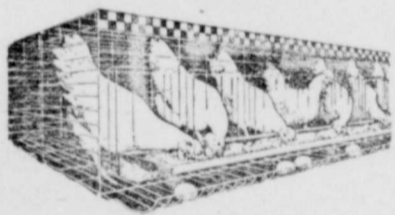

- It is just like pouring more feed into every bag—because there is more egg-making energy in each 100 lbs.

- Many poultrymen will lower feed cost as much as 2¢ to 4¢ a dozen.

- Test Purina and see for yourself. Give us a ring.

7-STEP PROGRAM AIDS COTTON IMPROVEMENT

College Station—12 years ago a program was initiated by the Texas Agriculture Extension Service that has through the years grown in scope and importance to the cotton industry of the State. It was known as the 7-Step Cotton Program and was an effort to bring together on the county and state basis committees representing every segment of the cotton industry to work for the betterment of their industry.

A backward glance over the annual reports filled by Fred Elliott, extension cotton specialist, shows how effective this joint effort has been. During the 12-year period, the average lint yield per harvested acre in Texas has climbed from 134 pounds in 1946 to 291 pounds for 1957. The 1957 figure has been exceeded only once, the records show, and that was an estimated 325 pounds an acre for 1866.

Last year, Elliott reports that county agents in 193 Texas counties assisted producers with various phases of the 7-Step Program. Involved in the total program were 5.8 million for the 5.9 million acres harvested in Texas last year. Spreading bars on the land for soil improvement and to reduce gin fire hazards was stressed and 10,250 farms in 125 counties were treated. Cotton followed phosphated legumes on approximately 29,000 farms in 153 counties; barnyard manure was used on more than 8,000 farms to increase yields; and defoliants or desiccants were used on more than 21,000 farms in 104 counties as an aid to mechanical harvesting.

Too, 1,587 spindle pickers used in 57 counties and 23,132 stripper harvesters in 123 counties to harvest an estimated 1,200,000 bales of cotton at a saving of \$30,000,000 in labor. Mechanical and chemical weed control practices cut the farmers' hoe bill by an estimated \$15,000,000. Elliott says producers in 150 counties used 44,978 rotary equipped tractors; that 87,954 acres in 143 counties were spotted for Johnsongrass control and that 13,346 acres in 41 counties were lateraled with post-emergence chemicals.

Elliott gives full credit to the 7-Step Committees for the achievements and predicts the progress will continue.

Community Service Rewards 4-H Pair

Lone Star 4-H Club members are staunch supporters of the good neighbor policy. Two of the best, Kathleen Nagel, 29, of DeWitt county, and Earl Keese, 15, of Bandera county, were named winners in the 1957 state 4-H Community Relations program. Their outstanding service was rewarded with attractive certificates of honor, given by the Wm. Wrigley Jr. Co.

Kathleen Nagel Earl Keese

Miss Nagel effectively told the 4-H story in DeWitt county, speaking before clubs and church groups, making radio talks and writing news releases. As a 4-H junior leader, she helped her club and other county 4-H'ers raise money to purchase a bus. Applying the green and white 4-H emblem for the bus was one of her projects.

An expert in 4-H clothing, food preparation and beef cattle, Miss Nagel won a batch of blue ribbons in eight years of 4-H work.

Young Keese has steadily climbed the leadership ladder in his six years of 4-H work. This year he put in three terms as junior leader.

With his 4-H Meat Animal projects, Keese consistently placed high in the Bandera county livestock shows, and collected almost \$100 in prizes. Substantial profits from the sale of animals will provide a financial backlog for his education at Texas A. & M., he says.

The 4-H Community Relations program is conducted by the Cooperative Extension Service.

FORD OUTSOLD ALL OTHER MAKES OF AUTOMOBILES IN 1957

DETROIT, MICH.—Ford outsold all other makes in 1957, according to final and official registration figures released here today by R. L. Polk and Company, the automobile industry's statistic-gathering agency.

The figures show that not only did the nation's Ford dealers sell more new Ford cars in 1957, but they also sold more new cars and trucks combined than any other manufacturer.

The figures, which cover sale of both 1957 and the successful 1958 Ford models, show Ford obtained 37,329 unit lead in cars and a lead of 23,670 when cars and trucks are combined.

A total of 1,493,617 Ford cars was registered in 1957 compared to 1,458,288 cars registered by Ford's closest competitor. Combining cars and trucks, the figures show a total of 1,770,918 Fords registered in the year, compared to 1,747,248 for Ford's nearest competitor.

The statistic-gathering agency reported a total of 5,982,342 new car registrations entered in 1957. Ford's share of this is 25 per cent.

Ford's percentage of the total automobile market has increased over the past 10 years—from 14 per cent in 1948 to 25 per cent in 1957. Not only has Ford captured an increasingly large share of the market, but the growing percentage has been in expanding auto market which has nearly doubled since 1948. Registrations in 1948, for example, totaled only 8,490,952.

Ford attributed its sales leadership to product superiority in both the 1957 and 1958 models and an alert dealer organization that emphasizes customer service.

During 1957, Ford also continued its long-time dominance of the station wagon and convertible field. Ford Division produced more than one-third of all station wagons and convertibles built in the United States.

The retractable hardtop, which Ford calls the Skyliner, accounted for 22,647 sales, or nearly one-fourth of all Ford convertibles. This model, introduced a year ago, is the only fully retractable steel-top convertible in the industry.

Ford sold 15,173 Thunderbirds in 1957, the last year for production of the two-passenger model. Dealers currently are introducing a new luxury version of the Thunderbird that seats four persons.

Ford also maintained its V-8 leadership by selling more V-8 models than any other make.

The 1957 Ford Was a Great Automobile, and the all-new 1958 Ford is even greater!

RED CROSS DRIVE OPENS

Your National American Red Cross paid out in its last fiscal year \$56,000,000 in Disaster Relief alone. As a result of tornadoes on the South Plains between June, 1956 and July, 1957, American Red Cross spent \$1,239,965.00 in this area for Disaster Relief. This was \$40,970.00 more than this area contributed to Red Cross during the same period.

Red Cross was generous to us, let's be generous to Red Cross. The executive secretary is the only person in the local chapter who receives a salary. The rest of us give whatever amount of our time, money, and efforts and now it is time for you to give whatever amount you can to help the chapter meet its local and national obligations.

The Hale County Chapter has a goal of \$12,720.00. Abernathy's shooting mark is \$750.00. The Chairman for our community is Mrs. N. C. Hix.

Armed Robber Hits Station

By O. F. REA

Bridges Mobil Gas Station in Abernathy was robbed at about 11:30 P. M. Friday, March 14, of about \$35.

The robber was apprehended by law enforcement officers only twenty-five minutes after the hold-up and is being held in lieu of \$7,500 bond on a charge of armed robbery in the Lubbock County jail.

The robber has been identified as Don Standifer, 2028 63rd St., Lubbock, who was also charged with a holdup at the Cadenhead Servis Station in Idalou on March 5. \$210 was taken in the Idalou job.

At Abernathy, Mr. and Mrs. Garvin Bridges were checking in and preparing to close up for the night when the short man came and knocked on the door. Bridges, who thought it was someone out of gas, let the man in. The robber said that he wanted a coke and fumbled in his pockets, as if looking for change. The man pulled a gun and ordered the Bridges to get the money out of the cash drawer.

The bandit ordered the Bridges to the back of the station before leaving.

Daniel Aids in Arrest
Bridges promptly notified city policeman J. Daniel of the robbery. Daniel, in turn, notified Plainview officers and roadblocks were put up between here and Plainview. Standifer was captured a mile southwest of Plainview on U. S. 87.

Amarda's No. 1 Roy Johnson, west of Lubbock, reported drilling below 8,700 feet. This well, on an earlier drill stem test, showed 2,430 feet of oil from the Leonard formation, which is a new pay zone for this area.

A. L. Ritchey moved from 1412 14th St. to 203 Ave. J. Kendrick Joy moved to the Vineyard Addition.

Aviation Information

(By W. E. Guerrant)

The General Aviation Facilities Planning Group has estimated that during the next decade the total hours of general aviation will reach 20 million hours, of which 11 million will consist of business flying alone. The privately operated fleet of American business and industry is presently comprised of some 30,000 aircraft of varied categories. The total civil aircraft listed as active in 1957 was 87,531. The business fleet saves time for the executives and management, creates opportunity for labor, extends the usefulness of highly qualified technicians and also opens possibilities for expansion and assures ready servicing of critical equipment. The aircraft industry is interested in wooing inactive pilots back into the air. Of the 766,308 pilots

Jerry Adams from Gray Air Force Base, Texas, visited in the home of his parents, Mr. and Mrs. C. L. Adams. He was accompanied by Mr. and Mrs. Victor Stachowiak of Temple.

Mrs. Bill Dailey and twin daughters, Brenda and Linda, spent Tuesday of last week visiting Mrs. J. G. Marrs of Petersburg.

on the Civil Aeronautic Administration lists, less than half have active ratings. The government has a heavy stake in the enhancement of civil production of aircraft. The United States can be secure only as long as the aircraft industry retains resources capable of outproducing any enemy in volume and quality.

The Abernathy Air Enthusiasts will meet Thursday, March 27, 1958, at 8:00 in the City Hall. A program has been planned and refreshments will be served. Everyone interested in aviation is invited to attend.

Lying? (No. 1)

By LOYD E. ASH

Lying is uttering or acting falsehoods to deceive, thus imputing dishonesty. Deceitful implies the intent to mislead and commonly suggests a false or specious appearance, double-dealing, or the like.

The Psalmist proclaimed: "I said in my haste, 'All men are liars'" (Psa. 116:11). I'm glad that this is not the case, aren't you? What would this world be like if all men were liars? The Cretians had a bad name in this way: "One of themselves, a prophet of their own, said, 'The Cretians are always liars, evil beasts, slow bellies. This witness is true. (Titus 1:12-13). In all sincerity, I hope the day never comes when a man of Paul's integrity will say earnestly: 'The Abernathians are always liars.' That will be the time to pack up and leave. I don't know of any sensible person who wants a liar's reputation.

A liar always suffers the consequence of his untruthfulness. The merchant who practices double-dealing will eventually find himself losing out with his customers. Jacob practiced deceit and the same was cast into his teeth. Solomon said: "Whoso diggeth a pit shall fall therein; and he that rolleth a stone, it will return upon him" (Proverbs 26:27). In modern parlance it means: The man who lives in a glass house should not throw stones. The man who doesn't want to be deceived and lied to should not deceive and lie to others.

It doesn't pay for a husband to deceive his wife, or for children to try to outsmart their parents, or for the parents to put something over on the kids. Truthfulness and fair play go hand in hand and are always the best policy. Even the evasive politician can't fool the people for long. "A righteous man hateth lying; but a wicked man is loathsome, and cometh to shame" (Proverbs 13:5). Lying becomes a fool (Prov. 10:18) but not a prince (Prov. 17:7). The Jewish Torah forbade lying: "Thou shalt not bear false witness against thy neighbor" (Exodus 20:16), and the superior law of the Christian Dispensation says the same: "Lie not to one another, seeing that ye have put off the old man with his deeds" (Colossians 3:9).

God is the source of Truth, but Satan is the source of all lies. "A God of truth and without iniquity, just and right is he" (Deuteronomy 32:4). Jesus told the rebellious Jews of His day: "Ye are of your father the devil... for he is a liar, and the father of it" (John 8:44). Those who practice telling the truth follow God, but all liars are following the devil. Which will you choose?

Lying is disgusting in the eyes of God: "These six things doth the Lord hate; yea, seven are an abomination unto him... a lying tongue" (Proverbs 6:16-17). "Lying lips are abomination to the Lord; but they that deal truly are his delight" (Prov. 12:22). Is there any wonder, then, that Ananias and Sapphira were struck dead for their attempt to mock God by lying to him? (Acts 5:1-11).

It is not only wrong and unprofitable in this life to tell lies, but it is eternally disastrous! All liars will miss Heaven after judgment. "And there shall in no wise enter into it any thing that defileth, neither whatsoever worketh abomination, or maketh a lie; but they which are written in the Lamb's book of life" (Revelation 21:27). For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whatsoever loveth and maketh a lie" (Rev. 22:15). Where will liars spend eternity? "But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death" (Rev. 21:8).

Every soul should diligently strive to be truthful under all conditions. It should be the prayer of sincere people that they may ever be kept from the awful sin of lying: "Deliver my soul, O Lord, from lying lips, and from a deceitful tongue" (Psalms 120:2).

A. C. Nystel has gotten in touch with the Cotton Research Center in Arizona, which produces the Arizona A-44 Certified Cotton Seed. This seed can be bought for \$14.00 per 80-pound sack, delinted, and \$6.60 per 80-pound sack machine delinted, both FOB Arizona shipping point. Several local persons have indicated a desire to try some of this new variety of upland cotton seed. Others interested should contact J. P. Nystel or A. C. Nystel of Abernathy before April 1 to be sure of obtaining this seed.

In charge of portions of the meeting will be Mr. and Mrs. Hilton Lambert of Snyder, Mr. Lambert is Commander of the Texas Fifth Division of the American Legion, and Mrs. Lambert is head of the Auxiliary's 19th District.

Rev. J. T. Howell Dies in Lubbock

The Rev. J. T. Howell, 81, retired Methodist Minister, 2522 23rd St., Lubbock, died at 7:50 p.m. Tuesday, March 11, in Methodist Hospital. He had been ill about a week.

Funeral services were at 2 p.m. Thursday, March 13, in Asbury Methodist Church of Lubbock with the Rev. Don Davidson, pastor, officiating, assisted by the Rev. Marvin Boyd, district superintendent of the Methodist Church, and the Rev. Wayne Cook, chaplain at Methodist Hospital.

The Rev. Mr. Howell had resided in Lubbock since 1941. His first pastorate in the Northwest Texas Conference of the Methodist Church was at Floydada in 1904. He was retired in 1941. He was a member of the Masonic Lodge.

Survivors include his wife, Mrs. Lennie Howell; a daughter, Miss Mattie Sue Howell, Midland; two sons, Charles, Los Angeles, and John T. Jr., of 2304 36th St.; two sisters, Mrs. E. J. Moore, Colorado Springs, Colo., and Mrs. Pearl Law, Ponder, and two grandchildren.

4-H Club Girls Hold Meeting

The Abernathy 4-H Club girls met March 10, 1958, with Edwina Anderson, president, in charge of the meeting. After saying the motto, "To Make the Best Better," Miss Anderson led the 4-H prayer.

Afterwards, the entire group of girls said the 4-H Pledge. Joe Boone and Angella Ramos led the song, "If You're Happy," Linda Jo Brazel, 4-H Secretary, called the roll and read the minutes of our last meeting.

The meeting was adjourned. Gwyn Hendrix, reporter

BIRTHS

Mr. and Mrs. James B. Anderson are parents of a son, born March 11. He weighed 8 pounds 12 ounces.

A son was born March 8, to Mr. and Mrs. Emmett Loper, Oklahoma City, formerly of Abernathy. He weighed 3 pounds 3 ounces, and is the grandson of Mrs. R. P. Loper and Mr. and Mrs. G. D. Clapp, of all this community.

A daughter, weighing 8 pounds 15 ounces, was born March 14, to Mr. and Mrs. Henry Kveton.

PLANE PURCHASE

Calvin Jordan has purchased a four passenger Piper Tri Pacer plane. This is a fine plane with more power and speed than the plane he owned previously. At present he is hanging the plane at the Virgil Rhodes farm just south of Tuco plant.

Jordan said that the city will get possession of the local air field east of town March 14. The city has owned this field for some time and had leased it to the Air Corps for use in training as a practice field for landing and take offs. Since the city gets possession of the field again, an effort is being made to have it retained as a landing field. Runways are in fair condition and are being used frequently by local plane owners for practice landings. It is hoped that arrangements can be worked out to have permanent hangars erected which could be used by local flyers and plane owners, perhaps on a rental or lease basis. The recently organized Abernathy Air Enthusiasts are working on the project at the present time.

Mrs. Eleanor Dean underwent major surgery in Hi-Plains Hospital at Hale Center last week.

Kerr to Manage Lubbock Firm

By O. F. REA

Morris Kerr, who has been associated with Joe Thompson Implement Co. in Abernathy for several years, has accepted a position with the newly organized, heavy industrial machinery manufacturing company in Lubbock to be known as Yellowhouse Manufacturing Company. They will handle John Deere heavy industrial machinery, including heavy road building machinery. John Deere has been manufacturing heavy machinery of this nature for some time, but is now expanding its sales organization into various areas of the country.

Kerr is to be manager of the new concern in Lubbock.

A resident of Abernathy for many years and a son of Mr. and Mrs. W. L. Kerr, Morris has been in business here for himself and for others in various capacities for a number of years. He spent approximately two years with Higginbotham - Bartlett Company, did a hitch in the Navy in World War II, was a partner with Harold Stanton in Kerr & Stanton Service Station for nearly three years, and was beginning his ninth year with Thompson Implement Company, which he has done in two hitches. The Kerrs plan to continue living in Abernathy in their present home at 1211 Ave. G.

City Garden Club

Mrs. J. B. Herring was hostess to the City Garden Club Thursday afternoon in the City Hall Club Room.

Soap Box Derby National Director Visits Here

By O. F. REA

Bruce Overby, Detroit, Michigan, National Director of the Soap Box Derby, Harry Davidson, Dallas, Regional Sales Promotion manager and L. P. Smith Oklahoma City, Zone Sales Promotion manager for Chevrolet were visitors in Abernathy February 18, in the interest of the coming Soap Box Derby. They visited Edwin Crow, local director of the Soap Box Derby. Rules for this year's races have been mailed from Detroit and should be here shortly. Abernathy has had more entries in proportion to its population than any other town or city in the nation. Mr. Overby remarked that he hoped Abernathy would have fifty entries this year. He also stated they hoped to have Ireland; back in this year as well as Germany, Canada, and others.

The above picture was taken February 18, at the high school football field. Left to right, they are Larry Smith, Oklahoma City, zone promotion manager for Chevrolet; Bruce Overby, Detroit, national director of the All-American Soap Box Derby; Carroll Powell, 1956 winner at Lubbock; Ed Crow, local Soap Box Derby director, and Harry Davidson, Dallas, regional sales manager for Chevrolet.

Overby, Smith, and Davidson stopped here in the interest of the Soap Box Derby coming up this summer. An effort was made to get Gerald Grimsley, 1955 winner, in this picture but he could not be located in time for the picture. Carroll Powell finished 18th at Akron, running in two heats, one being a photo finish and just out of the money.

Want to make a trip to Akron? Build a winner and win the Lubbock Soap Box Derby race this summer.

Whether leaders are born or made, two outstanding Texas 4-H'ers agree that continued leadership demands perseverance and hard work. Lynne Hansen, 17, of San Benito, Cameron county, and Donald Neumann, 16, of Chilton, Falls county, were named 1957 state winners in the 4-H Leadership program conducted by the Cooperative Extension Service.

This capable pair received handsome pen and pencil sets to commemorate their selection. Edward Foss Wilson provided the awards.

Miss Hansen was an inspiring junior leader, and gave food and clothing demonstrations in addition to guiding 10 younger girls with their 4-H projects. She is

president of the local 4-H Club and vice-president of the 4-H County Club.

Winner of the county foods award in 1957, Miss Hansen also was a member of the team which took runner-up honors in the state vegetable demonstration contest.

Young Neumann was twice president of his local 4-H Club. Currently he is president of the 4-H County Council and active on district and state committees.

Among his 4-H projects were beef and dairy. In 1956 he showed grand champion of the junior Jersey show at the Heart O' Texas Fair.

The 1957 County Gold Star Boy award was bestowed upon Neumann.

Children's Photos To Be Made

Tuesday, March 25, is the day that the kiddies here will again meet their photographer friend, Winston Lucas of Irving, and have their pictures made for the annual Children's Photo Contest.

Mr. Lucas will be at the Smith Goebel Variety on Tuesday, March 25, at 10:00 A. M. to 6 P. M. to make pictures of children in this area.

The photos will be made free of charge and each child will have his picture published in the Abernathy Review. In addition, the children will be competing for \$18.20 in prizes, being offered for the three best photographs made during the day.

Proofs will be shown and from these you may make your choice for the picture you wish to appear in our paper.

Of course, you may purchase extra pictures, but no purchase is necessary in order to compete.

Now don't forget the date and time, 10 A. M. to 6 P. M. Tuesday, March 25. Relatives and friends who live in other places, as

Auto Show Set March 26 - 30

Reid Chevrolet Co. of Abernathy will be co-sponsor of an exhibit for the second annual West Texas National Automobile Show, scheduled for Lubbock Municipal Coliseum March 26-30.

In all, some 75 businesses over West Texas will sponsor auto show displays. Auto show tickets may be purchased, at \$1 for adults and 50¢ for children under 12 years of age, at Reid Chevrolet Co.

Send your Review and Lubbock Avalanche subscriptions to The Review office. You save money when you take them together.

well as those who live here will be quite happy and proud to have the kiddies picture in the Abernathy Weekly Review. There will be no age limit.

Wayland Sets Science Event

Plainview, Feb.—(Spl.)—The area Science Fair, covering six counties, will meet this year at Wayland Baptist College on March 30, according to Miss Mary Ellen Young, Wayland instructor in physics and sponsor of the Fair.

High school students from Bailey, Hale, Floyd, Cottle, and Motley counties will take part in the fair, sponsored by the Wayland Science Club. Exhibits demonstrating principles, procedures and applications of any field of science and mathematics will be accepted for display.

Students in any school in the six county area immediately east and west of Plainview are eligible

to enter exhibits, and winners will go, April 12, to the District Fair in Lubbock. The two students whose exhibits receive highest rating at this contest will win an all-expense paid trip to the National Science Fair in Flint, Mich., May 7-10.

The fair is affiliated with the Science Clubs of America and the National Science Fair. Members of the Science Club who are assisting with the project are Kim Draper, Plainview, president; Ken Mattox, Clovis, N. M., vice-president; Roma Brewer, Tuba, secretary; Margaret Odom, Dimmitt; Gwen Arthur, Pampa; Janice N. Miller, Friona; Dick Waldren, Santa Rosa, Calif.; Pat Hurt, Dilley; Bobby Sartain, Friona; Jim Morrison, Muleshoe; and Ruby Cheung, Hong Kong.

The sure-footed Chevrolet purrs past a road sign that says "danger"—and ahead lies the toughest part of the perilous Andean climb!

OCEAN TO OCEAN ACROSS SOUTH AMERICA—AND BACK—IN 41 HOURS!

CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

*Extra-cost option.

Thanks To Bowlers

I would like to express my appreciation to all the men of the Abernathy Bowling League who participated in the recent Lubbock City Association Bowling Tournament and extend heartiest congratulations to those who finished

in the money. Abernathy bowlers made a most exceptional showing in the tournament. Although there were no first place winners, we had four teams in the top ten. There were 123 teams entered, of which only nine were from Abernathy.

Abernathy bowlers also made as good if not better showing in doubles and singles. The top finishers were literally saturated with Abernathy men.

The entire Abernathy League would like to say congratulations to our girls basketball team. Curtis Lebow, President, Abernathy Men's Bowling League

Mrs. E. G. Strickland and family had as their guests over the weekend, Mr. and Mrs. Aulton Dowdy and son, Harvey, of Petersburg.

added two, 41-33, and Margie made two for a 10 point lead to end the third quarter, scoring at 43-33.

Brewer bounced back for 2 points to open the fourth quarter, 43-35. With Only 30 seconds away Margie hit for two, 45-35, Jody made a free shot 46-35. Brewer hit a field goal and 2 free shots 46-37, 46-39. Margie added two for the Antelopes 48-39. Brewer matched her for 48-41. Brenda added two, 50-41, a free shot for the opponents made the score 50-42.

Jody Phillips made one of her many outstanding long shots for a 52-42 lead. Brewer followed with two, 52-44. Brenda Shipman made a field goal and a free shot for a 54-44 and 55-44 lead and Margie added a free toss, 56-44, for Abernathy's first 12-point lead. The Brewerettes narrowed the lead 56-46 but Margie regained the 12-point lead with two for 58-46. Brewer added four points, 58-48 and 58-50 before Antelope Margie Guinn added 2 free shots for a 60-50 lead. Jody hit a jump shot for the third 12-point lead of the game 62-50. Three free shots for Brewer changed the score to 62-51 and 62-53. Margie Guinn dribbled in for the last score of the game, 64-53.

This was a team victory for the Antelopes as all 39 games have been with guards Lenora Manley, Billie Vance Houston, Lera Johnson, and substitute Paula Apperson setting up a strong defense to lead the team to the state championship. In the final game, Margie scored 33 points, Brenda made 19, and Jody 12.

In the semi-final game, the Antelopes battled the Rockdale Tigerettes for a hard-fought 63-59 victory. Abernathy held the lead six times, were tied 6 times and trailed Rockdale twice during the first quarter, with the Antelopes leading 16-11 as play ended.

Margie opened the second quarter after 1 minute and 30 seconds of play on two free shots for an 18-11 lead. The Antelopes retained the lead during the remainder of the first half for a half time score of 31-24. Margie scored 14, Brenda 12, and Jody 5, in the first two quarters of the game. Widest margin was midway in the second quarter with a 9-point lead for the

Antelopes, 25-14. The third quarter saw the Rockdale Tigerettes live up to their name by scoring 24 points to the Antelopes 17 to tie the score at the end of the quarter at 48-48. The Antelopes held the lead 16 times, were tied three times, 44-44, 46-46, and 48-48, and were trailing Rockdale three times, 43-44, 44-46, and 46-48. Jody Phillips scored several spectacular long shots to keep the Antelopes on even terms with the Tigerettes. Abernathy's highest lead in the third quarter was on the first scoring, 33-24, a nine point lead.

Rockdale jumped into the lead 48-50 to start the final quarter of the all important game. Abernathy trailed three times, 48-50 49-50, 51-52, in the first seconds of the final period, but jumped ahead 53-52 on a long shot by Jody Phillips. Margie added 2 points and from this point the Antelopes led the remainder of the game, to gain a place in the finals. Linda Shipman replaced Brenda in the last seconds of the game after Brenda fouled out.

Margie Guinn scored 17 points in the second half for a total of 31 points in the game, Brenda had 6 for a total of 18 and Jody made 9 for 14 points in the Friday night game.

Again the Antelope guards played a strong defensive game, contributing their share of the victory.

Guard Lenora Manley and forwards, Brenda Shipman and Jody Phillips, all seniors, played their last games for Abernathy High during the state tournament, a fitting finale for three outstanding basketball players. All other members of the squad will return next year.

After the victory, the girls threw Coach Wilson in the Terrace Motor Hotel swimming pool. Two members of the team, Paula Apperson and Betty Struve, became overbalanced and fell in also.

The team, coaches and fans had a victory dinner at Hill's in Austin Saturday night after the game, before the team returned to Abernathy.

It was estimated that between 3 to 4 hundred fans followed the team to Austin.
