

Haskell Memorial Hospital Adding Heart Monitor

According to Alfred Turnbow, Administrator, the Haskell Memorial Hospital has purchased a heart monitor unit for coronary patients and the new equipment should arrive within the next 30 or 60 days.

The heart monitor will allow medical personnel to maintain constant observation of coronary patients. Cost of this machine is in the neighborhood of \$5,000.

Mr. Turnbow stated that several persons have indicated to him they would like to assist with the purchase of the monitor unit, and the hospital is now accepting donations to help defray the cost of the new equipment.

Various attachments to be added to the unit will run as high as \$15,000.00. In the future, anyone wishing to donate to the "Haskell Memorial Fund" may do so, and all contributions will be used to purchase added instruments.

Upon receipt of gifts, the hospital will recognize the contributor by mailing them a card of appreciation, which in turn will serve as a receipt of their contribution.

"The Haskell Memorial Fund" was opened with a sizeable gift from Mr. Turnbow.

Mobile Chest X-Ray Unit To Visit Haskell

Haskell will be visited Saturday, March 21, by the Christmas Seal Mobile Chest X-Ray Unit of the North Texas TB Respiratory Disease Association. The unit will be located at the Courthouse Square between the hours of 12 Noon and 6 P. M.

This visit will be open to the public and all persons 15 years of age and over are urged to join this x-ray search for tuberculosis, emphysema, lung tumor, enlarged heart and other chest diseases.

If your chest x-ray is "O.K." you will not receive a report; however, if there should be any suspected abnormality found, you will be notified by letter within two weeks of the date of your x-ray. In other words, "No News is Good News!"

The "Christmas Seal Association", in addition to the Mobile Chest X-Ray service, carries on a program of health education in the fields of chest diseases, hazards of smoking and air pollution.

Cadet Braxton T. Gilmore

Cadet Braxton Gilmore Named To Honor List

Cadet Braxton T. Gilmore, son of Mr. and Mrs. B. B. Gilmore of Copperas Cove, formerly of Haskell, has been named to the Superintendent's List at the U. S. Air Force Academy.

The cadet, a member of the class of 1971, was selected for his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver star and wreath designating the honor accorded by the Academy superintendent.

He has also been selected for the position of element sergeant with the rank of cadet master sergeant.

The cadet will be commissioned a second lieutenant and awarded a BS degree upon his graduation from the Academy.

Cadet Gilmore is a 1967 graduate of Haskell High School where he was salutatorian of his class and a member of the National Honor Society.

County Savings Bonds Goal For 1970 Is Set

According to R. W. Herren, chairman of the Haskell County Savings Bonds Committee, the 1970 Savings Bonds goal for Haskell County is \$220,000. January sales totaled \$19,896 for 9 per cent of the sales goal.

The 1970 sales goal for Texas is \$179.9 million. During the month sales were \$15,862,542 with 9 per cent of the state's goal achieved.

The Treasury Department announced that sales over the nation totaled \$407 million — 3.8 per cent below January a year ago. Exchanges of Series E for Series H Savings Bonds during the month amounted to \$17.2 million — 3 per cent above the \$16.7 million exchanged in January 1969.

Heart Association Fund Campaign Gains Momentum

"The Haskell County Heart Association fund campaign is beginning to move at a faster pace, and with a little more time and full cooperation of workers, we should be able to reach our goal of \$2,500 within the near future," Abe Turner, finance chairman, said.

"Rochester has already turned in \$443.00, and we should be receiving reports from workers in Haskell and over the county soon," Turner said.

Main objective of the campaign is to support research, educational and community service activities of the local Heart Association.

Bob Beauchamp is president of the Haskell County Heart Association.

Commissioners Court Lets Contract For Erection of Co. Livestock Barn

The Commissioners Court convened in regular session Monday, March 9, with the following members present:

C. A. Thomas, Commissioner Precinct No. 1; S. E. Bledsoe, Commissioner Precinct No. 2; J. R. Perry, Commissioner Precinct No. 3; E. C. Collins, Commissioner Precinct No. 4; Judge B. O. Roberson, presiding, and Mrs. Lee McKelvin, County Clerk.

Minutes of the last meeting were approved as read. Motion was made and carried to pay all approved bills. The Treasurer's and Auditor's quarterly and monthly reports were reviewed and accepted as filed.

A joint motion was made by Commissioners Thomas, Bledsoe and Perry to appoint Dennis Tibbets, Dan Griffith and Eddie Sanders as Hospital Board members to serve for a period of two years beginning April 1, 1970.

The following order was, upon the motion of Commissioner Perry and duly seconded by Commissioner Bledsoe, unanimously carried and adopted to authorize and direct Mrs. Lee McKelvin, County Clerk, to give notice of meeting of the Board of Equalization on Oil, Gas and Utilities for May 27, 1970 at 10 o'clock a. m.

A motion was made and carried to erect a 40'x80' metal building on county lands at the fair ground to be used as Haskell County Livestock Barn. The contract was awarded to E. J. Stewart, lowest bidder.

Crew Leaders For Census '70 Are Appointed

Appointment of crew leaders for the 1970 Census Population and Housing in this area was announced today by Manager Richard R. Newton of the Census Bureau's temporary census office in Wichita Falls.

Mrs. Jean Kemp of 706 N. 11th, Haskell, has been named crew leader for district six.

Each crew leader will supervise 15 to 20 enumerators in the big nationwide census that begins April 1. Crew leader training is now under way. Topics being covered in the training sessions include procedures for recruiting census enumerators, training, canvassing methods, preparation and submission of reports, and supervision of enumerators to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the 1970 census. It is his responsibility to recruit and train the enumerators; to assign each one to an enumeration district; to review the work of each and see that it is correct; and to handle problems of difficult enumeration.

Church Rites In Waco Unite Deborah Lynn Pfeffer, David Chris Allison

Deborah Lynn Pfeffer of Waco became the bride of David Chris Allison of San Marcos on Saturday, February 28, at the Tabernacle Baptist Church in Waco.

Parents of the bride are Mr. and Mrs. James H. Pfeffer of Waco. Parents of the groom are Mr. and Mrs. D. C. Allison of Rule.

The Rev. Tom L. Daniels, pastor of the Tabernacle Baptist Church, officiated. Organist was Mrs. Erwin Muehler and soloist was Miss Gay McFarlen.

The bride was given in marriage by her father, Mr. James H. Pfeffer.

Miss Betty Brigham of Edna served as maid of honor and David Lowrie of Austin was the groom's best man.

Candlelighters and ushers were Crawford Allison of Austin and Billy Greaves of Waco.

The bride's gown was of white peau de soie with chantilly lace bodice designed with empire waistline, full skirt and long lace sleeves. Her shoulder length veil was held by a crown of lace and pearls. She carried a cluster of gardenias surrounded by a cascade of white carnations.

Miss Brigham wore a mint green dress styled with empire waistline, puffed sleeves and pepper pan collar. Her rose petal coil held her chin length veil and she carried a colorful nosegay of white carnations.

A reception followed the ceremony in the banquet room.

The couple will live in San Marcos where the bride is employed at Holiday Inn and the groom is a sophomore at Southwest Texas State.

The bride is a graduate of University High School, Waco, and has attended Southwest

Texas State at San Marcos and University of Texas, Austin.

The groom is a graduate of Rule High School.

Mr. and Mrs. Allison hosted the rehearsal dinner.

Bernard Buie Speaks To The Weinert Matrons

The Weinert Matrons Club met Thursday, March 5, at the Community Center. Mrs. Marvin Phemister presided and the minutes of the previous meeting were read.

"Involved in Our Heritage," was the theme of the program. Roll call was answered by describing a Texas Brand.

Guest speaker, Bernard Buie of Stamford, told of several places here that are in our heritage: the Knox Prairie, the homes of the first settlers, the trails where cattle were driven to Kansas, historical places around Stamford.

Mrs. W. A. King was elected delegate to the State Meeting at Abilene, and Mrs. R. W. Raynes, alternate.

Mrs. Dan Wadzeck and Mrs. W. D. Penman of Rochester were guests.

Members present: Mesdames Bailey Guess, Fred Roberds, Marvin Phemister, J. A. Mayfield, R. E. Hutchinson, J. W. Liles, Fred Monke, W. A. King, R. W. Raynes, M. C. Cunningham and Mrs. Henry Smith.

Refreshments were served by Mrs. Smith and Mrs. Cunningham.

Chemically, a diamond is pure carbon. It is 90 times harder than the next hardest mineral, corundum.

MRS. ROBERT SCOTT ARNOLD

Church Rites In Austin Unite Kitty Ruth Hill And Robert Scott Arnold

Miss Kitty Ruth Hill and Robert Scott Arnold exchanged wedding vows at seven-thirty o'clock in the evening Saturday, February 14th, in the Highland Park Baptist Church, Austin, with Rev. Ray Burchette officiating at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Leslie W. Hill and the groom is the son of Mr. and Mrs. V. R. Arnold of Austin.

The groom is the grandson of Mrs. Arthur Edwards, 800 N. Ave. E, Haskell.

Mrs. O. J. Hofmann of Austin, organist, and Walt Schmettkopf, of Kyle, soloist, furnished the nuptial music.

The altar was centered with a large arrangement of gladioli and candles outlined the chancel rail. Gladioli and fern marked the family pews.

Given in marriage by her father, the bride chose a formal gown of white velvet fashioned with a neckline outlined in lace appliques re-embroidered with seed pearls. The chapel train was attached to the back of the dress with a large bow. A calet encrusted with seed pearls held her fingertip veil of illusion and she carried a cascade bouquet of white roses nestled in small tufts of maline and velvet ribbons.

Maid of honor was Miss Patsy Henry, cousin of the bride, of Waco. Bridesmaids were Miss Susan Howell of Austin and Marilyn Arnold, sisters of the bridegroom. Junior bridesmaid was Tina Koerschgen, cousin of the bride.

The bride's attendants wore gowns of royal blue velvet fashioned in the victorian silhouette. Their headpieces were Frenched carnations tipped in royal blue and carried colonial nosegays of white carnations tipped in royal blue with pale blue accents.

Serving the bridegroom at best man was Steve Whitmeyer of Austin. Groomsmen were Scott Sherad of Dallas, Mike Hempel of Austin and Buddy Bale of Austin. Ushers were Thurman Payne of Texas City and Philip Thompson, Richard Flowers and Dan Klair, all of Austin.

The reception, given by the bride's parents, was held in the Fellowship Hall and the rehearsal dinner hosted by the bride's parents, was held at the Westwood Club.

The bride, a graduate of Kyle High School, attended Southwest Texas State University. She is employed at the Capital National Bank.

The groom, a graduate of McCollum High School, attended the University of Texas where he was a member of Delta Chi. He is affiliated with the Austin Order of Demolays and is assistant manager of Big Bear No. Three.

Following a wedding trip to New Orleans, the couple reside at 2327-B West Oak, Austin.

Members of the house party were Mrs. Earl Schwettmann of College Station, cousin of the bride; Mrs. Harold Henry of Waco, aunt of the bride; Mrs. R. C. Koerschgen, of Austin, aunt of the bride; Mrs. Ray Avey of San Marcos; Mrs. Thurman Payne of Texas City, cousin of the bride; Mrs. Glenn Miller of San Marcos; Mrs. Walter Schmettkopf of Kyle; and Mrs. Martin Reed of San Marcos.

For their wedding trip to New Orleans, the bride wore a gold and black coat dress with black accessories.

Out-of-town guests who attended the wedding were from San Marcos, Waco, Denver, Colorado, Texas City, Kyle, Poteet, Lockhart, Dallas, San Antonio and Haskell.

Texas Day Program Directed By Mrs. Pippin At Magazine Club Meeting

The Magazine Club met Friday, March 6. After a short business session the president, Nettie McCollum, introduced Mrs. Jack Pippin, director for the Texas Day program.

She gave an interesting talk on early day historic places in Texas. Her main thought was "Winedale—Another Legacy to Texas"; in this she told of the restoration work Miss Ima Hogg, the Houston philanthropist and daughter of one of Texas' greatest governors, Jim Hogg, had done. Miss Hogg has given millions to the University of Texas and restored Winedale Inn known as "Sam Lewis Stopping Place" from 1840 until after the Civil War, attracts many visitors on the Independence Trail. Mrs. Pippin pointed out the truth that in traveling if we would take time to turn off on some of the side roads we would see interesting, historical places.

Mrs. R. L. Lemmon reminded the Club of the Book Drive for the County Library and urged each member to bring a book to the next meeting, March 20th.

Mrs. Robert Wheatley and Mrs. Joe Thigpen carried out the Texas Day theme with a cake baked in the shape of the map of Texas and with a styrofoam map of Texas with blue bonnets on the base. They also had a table with a display of Texas Maps, history books and early day documents.

Even though it was raining it looked like Spring with bowls of plum blossoms and ivy attractively arranged in the club room. A refreshment plate was served.

Jeanette Waller, Steven Harper To Wed April 10

Miss Waller received her education in Spain, Morocco and Guam. The prospective groom is a graduate of Haskell High School, class of 1966. He is attending McMurry College, Abilene, and will receive his degree in May of this year.

Progressive Study Club Members, Guests Hear Report On Water Plans

Mrs. Kenneth Lane, president of the Progressive Study Club, welcomed members and a number of guests to last week's regular meeting which was held Thursday, March 5th, at 7:30 p. m. in the Community Room of Haskell National Bank.

Guests included Mrs. Buford Abeldt, Mrs. Jetty Clare, Rev. R. D. Williams, Mr. Dennis Ratliff, Mr. Bill Holden, Mr. Rex Felker, Mr. Buster Gholson, and Mr. and Mrs. R. M. (Bob) Wagstaff.

In a short business session, Mrs. T. P. Barnett was elected to represent the Club as their delegate to the Mesquite District Convention of the Texas Federation of Women's Clubs which will be held at the Windsor Hotel in Abilene, Texas March 23-24, 1970. Mrs. Fred Green was named alternate.

An "Expression Naturelle," consisting of two lovely flower arrangements designed by Mrs. Ed Hester, was on display for the enjoyment of those in attendance at the meeting. The arrangements, one "dried," and the other "fresh," were both outstanding, and Mrs. Hester, in her remarks describing each, pointed out to her audience that beauty can be seen all around us, and that original arrangements may be made using anything from the most ordinary of woods to the loveliest of fresh flowers.

The program, sponsored by the Conservation Department with Mrs. W. O. Holden as Director, was presented by special guest, Mr. R. M. (Bob) Wagstaff of Abilene who is an Attorney-at-Law having been associated with Wagstaff, Alvis, Alvis and Leonard for 51 years. Mr. Wagstaff is also a member of the Texas Water Development Board, and a Director of "Water, Inc.," which was organized three years ago and is a private organization supported by private enterprise and is non-political in nature.

A recognized authority on water development and conservation, Mr. Wagstaff spoke on "Water: Plan for Texas' Future," and described in laymen's terms the nature of the plight which Texas faces in the very near future where her water supply is concerned. He informed his audience that at the present time, there are only two areas in the entire state which can be said to have an adequate water supply which should carry them through the next 10 to 15 years, and they are the cities of Austin and Abilene. Remarking that Texas was first known as the "Great

Desert," Mr. Wagstaff noted that we have conquered this desert situation up to a point, but that to eliminate it and to gain the water that will be so desperately needed in the future, it will be necessary for the State to undertake what will prove to be the largest engineering project in the history of the world. This project, should the bond election dealing with it win the approval of Texas voters in 1971, would involve the transportation of water by canal and natural rivers from the Mississippi River just below New Orleans, Louisiana to the State of Texas; a total of 8,000 miles at a cost of ten billion dollars. As complex as such a vast undertaking as this may sound, however, Mr. Wagstaff stated that the problem in Texas is not one of financing or of engineering, but is political in nature. Texas, according to Mr. Wagstaff, is through being one of the "growing states" in the nation unless our water problem can be solved. The bond election held last summer for this purpose passed throughout the State except in the Houston area. Should the proposed project pass when it comes up again in 1971, work could begin in 1975 or 1976, and within 10 years, Texans should see the water project functioning.

A "question and answer" session was conducted for the benefit of club members and guests by Mr. Wagstaff at the close of his presentation.

Hostesses for the evening were Mrs. Glen Sarunons, Mrs. Vance Abeldt, and Mrs. Garvin Foote.

Journey To Mexico

through customs, which was new and different for all of us. After customs we went to our motel, the Rio, where we spent a quiet evening.

Saturday, we all rose reluctantly at six to journey 220 kilometers (136 miles in our thinking) to Monterrey where we were to stay for the next two days. One of the many different things that we noticed was the way they had the pictures drawn on the signs so the "dumb" tourists could read them. So, in reading the signs we had no trouble at all.

One of the most beautiful sights that we saw were the Sierra Madres. We were granted with favorable weather throughout the trip which was helpful in viewing these beautiful mountains. After about an hour and a half we arrived in Monterrey. We were greeted by the friendly natives of the country and found the traffic was much different than we were used to. But, thanks to our wonderful chauffeurs, Mr. Wilkinson, and Mr. Stapleton, we made it without killing anyone or being killed.

Immediately after unloading we all went to the City Market where we learned how to bargain with the people that work there. (Not knowing that we were really the ones being "took.") Saturday night we toured the city by horse-drawn carriage and saw the beautiful residential section.

Sunday, bright and early, we left for a tour of the historical relics in Mexico. First on the agenda was the Bishop's palace and then to the private owned silver exhibition where we saw the most known silver in the world. (Tasco) Sunday at lunch we ate at the beautiful "Horse-tail Falls" and after returning from there, part of the group were fortunate enough to view a Bullfight. The most spectacular event was that of the Portuguese who fought with magnificent grace. Sunday night we "did the town" and saw how the younger generation spent their time.

Monday, we left for the "States." We arrived in San Antonio and saw with wide open eyes the talked about Joske's and were given the chance to spend the rest of our money (little that we had).

Tuesday, before going back, we toured the famed Alamo and then left for Haskell. We also went by the former President Johnson's house while passing through Johnson City. That was of much interest to us all.

At six o'clock that evening we were greeted with open arms by our parents and friends.

Members of the Spanish Club II of 1970 are: Darlene Abbott, Gail Barnett, Bill Cox, Pam Colbert, Mark McCoy, Karen Pippin, and Denise Roberson.

The sponsors who made the trip were: Mr. and Mrs. Max Stapleton, Mrs. Buford Cox, and Mr. H. T. Wilkinson.

Weinert Home Demonstration Club Meets

The Weinert Home Demonstration Club met at the Community Center March 3rd with Mrs. Alice Yates presiding. Mildred Sanders reported the vanilla and black pepper were here and plans laid out for serving. The Club voted to serve supper for the Water Boards on March 18th. Committees appointed to make menus and dishes to prepare will be assigned later.

Dishes to be taken to Salad Luncheon were assigned.

Programs for last months of the year were selected.

Publicity for Salad Luncheon planned: for newspapers, radio, and posters. People designated to do this.

Mrs. Barbara Elliott, H. D. Agent, brought the program on "Family Nutrition." She noted that virus could occur from food not being properly cooked. When food is left at room temperature for hours, bacteria will begin to grow. When food is put in the refrigerator, avoid using large containers as the food will not cool quick enough to prevent spoilage. Food should be put in small containers to speed cooling.

Mrs. Elliott pointed out that fruit canned from open kettle should be processed 5 minutes at 10 pound pressures. She also said pickles should be put in hot water bath with water boiling above jars for five minutes.

Mrs. Elliott said that 5 per cent vinegar should be used for pickles.

Always boil canned vegetables 10 to 20 minutes. And always heat meat thoroughly before using.

CAP Home Demonstration Club Meets

Margaret Wilson

The CAP Home Demonstration Club met March 5 at 7:30 p. m. at the Community Action Center, with president Juanita Lewis presiding. The meeting was opened with an old familiar hymn, "What A Fellowship," led by Mrs. Bessie Hanson.

The program was presented by Mrs. Julia Roberson and Ethel Phea on Tricks and Mixes on one dish meals. Mrs. Roberson did the easy cake mix and Ethel did the Paella.

Visitors presented to the group were Mrs. Maggie Simmons and Mrs. Karen Johnson and daughter.

The club sponsored a shower for Mrs. Stella Thompson at the home of Mrs. Margaret Wilson.

Mrs. Georgie Wade was hostess and served refreshments after the meeting.

Menus...

School lunch menus for week of March 16-20:

Monday: Tuna fish sandwiches, potato chips, English peas, tomato wedges, apricot-pineapple cobbler, milk.

THE SPRING THING

Spring will be a little great this year with children's fashions covering a wide range of styles and colors. Some keynotes to look for: the Thirties influence in fabric and body-hugging styles, the two-piece look with long vests playing a major role and the coat ensemble in many different varieties.

The Spring '70 Cinderella color palette stars tender pastels like mauve pink, lilac, lemonlight yellow, blimey limey green, apricot, shrimp and strawberry mousse. Big neutrals are shades of navy and rich, warm brown-looking especially good when combined with zinc white. And the patriotic shades of red, white and blue make any little girl look like something to cheer for.

Texture, dimension, sheen—are the big hits in fabrics to catch your eye. Getting down to the knitty gritty of knits reveals the soul of single knits, slinky, supple, close-to-the-body, as well as double knits getting lighter and more pliable. Terry velour gets in the dress act, too, knitted in cotton and polyester. Crepe polyester, antron, nylon and acetate shine on in slithery dress-ups. Canvas, poplin, oxford, denim and pique all make the sporting good. Of course, Cinderella's "Stop the Press"—the great no-iron-wash-and-hang-up-finish—steals the scene when it comes to easy care.

This Spring, every little girl's going to take her ribs skinny—in knitted ribby patterns, wear art deco nostalgically, dote on dots and serve up ice cream plaids. What's in store for little girls' fashion this Spring? Some smashing looks that'll make the flowers sit up and take notice.

Native of Haskell Recently Returned To States From Service In Vietnam

Sp5 Robert Brian McMillin, a native of Haskell, recently returned to the States from Army service in Vietnam. He is the son of Mr. and Mrs. Lon McMillin, of Abilene, and formerly of Haskell, and grandson of Mr. and Mrs. John McMillin and Judge and Mrs. Dennis P. Ratliff, all of Haskell.

After receiving basic training at Fort Bliss, Texas, and specialized training at Fort Huachuca, Arizona, Sp5 McMillin arrived in Vietnam on January 8, 1969, and was assigned to the Headquarters Company of the 299th Combat Aviation Battalion at Cu Chi, on January 14, 1969. He was promoted to Pfc January 8, 1969, Sp4 on February 13, 1969, and Sp5 on July 22, 1969.

Besides other overseas medals, Sp5 McMillin was awarded the Army Commendation Medal for meritorious service in Vietnam, during the period from January 1969, to January 1970, by order of the Secretary of the Army. While in Vietnam he participated in the Vietnamese Counter Offensive Campaign, Phase VI, Tet 69 Counter Offensive and the 11th unnamed campaign. He reported for duty at Fort Hood, Texas, on February 10, 1970, and is presently assigned to the 502nd Adjutant General's Administration Company of the 2nd Armored Division, as a personnel management specialist at the company's replacement center for all in-processing personnel returning from overseas duty and for newly assigned personnel at Fort Hood.

Sp5 McMillin and his wife, the former Lynda Stephenson of Abilene, are presently residing at 508 Northside Drive, Killeen, Texas, and he is due to be discharged on February 28, 1971, after completing three years on active duty in the United States Army.

Point Race Of W.T.B.R.A. Assn. Slated Sunday

The monthly point race of the West Texas Barrel Racers Association will be held Sunday afternoon, March 15th, beginning at 1:00 o'clock in the James P. Cawley Arena, located just back of the Haskell Livestock Auction building.

Included in the events will be barrel racing, pole bending, goat tying, flag racing and ribbon roping.

There will be no admission charge and the public is invited to see some of the top cowgirls and horses in the state. Many of these girls compete and win against the professionals. Plenty of seats will be available in the grandstand.

The West Texas Barrel Racers Association welcomes new members and any girl wishing to join may do so by paying yearly dues and entrance fee to the secretary, Jo Palmer, at the arena.

Maxine Hannsz of Rule is in charge of arrangements. Electric eye timing will be used.

Use Of The Wrong Tables May Cause Overpayment Of Taxes

So far this year 1,387 taxpayers in North Texas have used the wrong tax table or rate schedule in computing their 1969 Federal income tax.

Not only have refunds been delayed but many taxpayers have overpaid their income tax as a result, Ellis Campbell Jr., District Director of Internal Revenue for North Texas, reported today.

The problem occurs, Mr. Campbell said, when a married taxpayer filing a joint return uses the tax table for either married couples filing separately or for single persons. Frequently, single taxpayers use the tables for married taxpayers by mistake.

There are separate tax tables for single persons, unmarried heads of household, married couples filing jointly and married couples filing separate returns. Mr. Campbell urged North Texas taxpayers to use the right one to avoid mistakes.

Computation from the wrong tax table results in the wrong tax due. Some taxpayers, as a result of the error, receive a

Apply Terraclor Super-X the first time you plant cotton.

Think for a minute what it costs to replant an acre of cotton that doesn't make a stand. There's the cost of seed, fertilizer, herbicides, insecticides, equipment, operators and the precious time. Multiply that by the number of acres you could lose to seed and seedling disease.

Now think about Terraclor Super-X Soil Fungicide. It could very well eliminate replanting. Here's why: Terraclor Super-X is a combination of two Olin discoveries that effectively control the fungi that cause cotton seedling disease.

How important is this to you? The regional Cotton Disease Council reports that losses average \$60,000,000 a year to seedling diseases alone.

Terraclor Super-X is applied while you plant. Your cotton seed is surrounded by protection in the furrow, where it counts. As the seed germinates and the seedling emerges, the fungi that kill un-

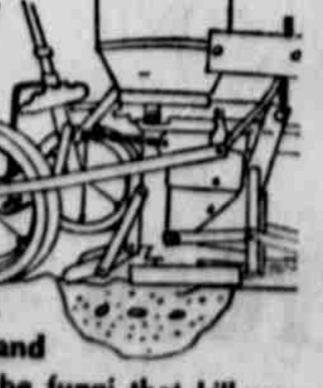

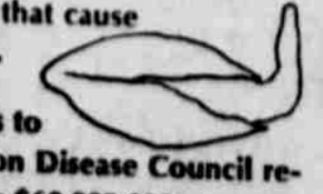

protected plants are held off by Terraclor Super-X. You get a healthy, vigorous stand from only one planting.

About seed treatments: They are great—far as they go. But seed treatment protection lasts only until the seed coat opens and the seedling grows into untreated soil. That's when you need Terraclor Super-X in the furrow.

Terraclor Super-X is available from your Olin dealer in three formulations: granular, liquid and dust. A special formulation is available with a systemic soil systemic insecticide impregnated in the granules for combination fungus and insect control.

If you don't know your local Olin dealer, write to Terraclor Super-X, P. O. Box 991, Rock, Ark. 72203 for his name.

You ought to get to know him. He can get you a good stand from only one planting. That's one good reason he is known as the man in the business.

Makes Announcement Concerning His Race For CITY COUNCIL

First of all, I want to make it clear that I am not identified with, or sponsored by any side, group or individual.

I am not against the progress that has been made, or is being made by our present city council. Some are of the opinion that I am against the water project and announced for that reason. But I am not, and have always voted for water because I sincerely believe that good water is the most precious commodity any West Texas city can have.

I have been reared in and around Haskell and Haskell is my home and I am deeply interested in the city's progress and economy. As most of you know, I have had a number of years experience in business as well as a good knowledge of machinery and construction which I feel will help in serving you efficiently.

I believe there are improvements that can be made in the operation and economy of some of our city departments and will strive to make these improvements.

On this basis I solicit your support for city council.

Again I want to assure the voters of Haskell it was my, and only my decision, to run for city council.

Junior Citizens To Present Talent Show

By Eric Whitaker
Junior Citizens met March 4 at 4:45 p. m., with the president, Edward Riley, presiding. The club mapped plans for a talent show to be held Friday, March 13th at 7:30 p. m. at the CAP Center. Admission will be 25c. Tickets may be purchased from any of the Junior Citizen members. Refreshments will be served following the show.

Officers of the club include the president, Edward Riley; vice-president, Charles Jackson; secretary, Lawrence Thomas; assistant secretary, Kenneth Mays and Reporter, Eric Whitaker.

Motor Inspection Deadline Nears

"With the April 15 motor vehicle inspection deadline five weeks away, only about 50 percent of the registered vehicles have been inspected," stated Captain Alan Johnson, Motor Vehicle Inspection Supervisor of the Texas Department of Public Safety.

"Unless there is a rapid increase of inspections, it appears that many vehicles will not be inspected before the April 15 deadline. Any driver operating a vehicle displaying an inspection sticker on the right-hand side of the windshield after April 15 will be operating in violation of the inspection law," Johnson added.

Johnson noted that this will be the last April 15 inspection deadline, because on September 1, 1969, the Texas Legislature adopted a year-around inspection program. Inspections will come due one year after the current month of inspection. This will establish an anniversary month for each vehicle to be inspected and prevent the log-jam of over six million vehicles to be inspected at one time.

The new inspection sticker will be placed on the left-hand side of the windshield. The number of the current month of inspection will appear on the sticker.

Scholarship Program Offered By Air Force

High School Juniors - Within the next year you will be giving very serious thought to your future, and in particular the first step - a college education. For many of you, finances may be a factor as to which school you are able to attend. Perhaps the United States Air Force ROTC program can be an assist to you. The Air Force offers a four year scholarship program for selected freshmen. The scholarship consists of full tuition, laboratory and association fees, an allowance for books, plus a tax-free allowance of \$50 a month as long as the scholarship is in effect. If the college of your choice has the four-year AFROTC program, you may want to consider applying for the scholarship. The training you get while in AFROTC cannot be matched. It will help you develop your leadership potential; create a disciplined personality; and generally prepare you for entrance into the Air Force Officer Profession upon completion of your college work. The cutoff date for applica-

HHS Students, Parents Invited To Technicians Opportunities Night

Haskell high school students and their parents have been invited to attend Technicians Opportunities Night at the Rotan High School Friday, March 13, at 7 o'clock. The meeting, organized by counselors in the area, is especially designed to acquaint juniors and seniors of the possibilities for vocational and technical training after high school.

Representatives from state-supported schools which offer a wide variety of career opportunities will be on hand to discuss financial aids, housing, job placement, and admission. Those present will be able to meet with three different representatives during the scheduled sessions.

Dr. Hazel Weaver and Mrs. Artie Mae Burkett, Haskell counselors, have assisted with plans for the event. Mrs. Patsy Hamric, Fisher county counselor, is chairman of arrangements. According to the coun-

selors, the training includes more than 46 different programs ranging from accounting and computing to irrigation technology. Opportunities for high school graduates to acquire specialized training are unlimited.

Mrs. Hubert Watson, Stamford high school counselor; Jerry Schuchert, Stamford coordinator of distributive education; Miss Irene Stewart, Haskell County supervisor, and Mrs. Lora Beth Ross, Knox County counselor, have charge of announcements and publicity for the meeting. Students from Fisher, Jones, Haskell, Kent, Scurry, Knox, Nolan and Stone-wall counties are expected for the event.

Persons in need of transportation, who are interested in attending the meeting, should contact any of these counselors at their schools.

H-SU To Host Contestants

Hardin-Simmons University will host the Region II South Zone Interscholastic League Solo and Ensemble Contest on March 14.

The instrumental contest will take place from 9 a. m.-5 p. m. Bill Owens, contest chairman and assistant professor in brass and music education at H-SU, reports that there will be 480 events and 600-700 students competing.

HSU students will serve as monitors and helpers. The activities will take place in Caldwell Hall and Behrens Chapel. Abilene schools to participate in the contest are Franklin Junior High, Jefferson Junior High, Lincoln Junior High, Madison Junior High, Mann Junior High, Abilene High and Cooper High.

Other high schools to compete are Sweetwater, Albany, Roscoe, Spur, Knox City, Jayton, Bronte, Robert Lee, Rochester, Aspermont, Haskell, Hamlin and Stamford.

NATURE'S MAGNIFICENT ORDER

A winter Chinook sweeps across the land; and for a few days, people get the idea that spring has arrived. However, the corner will be turned officially on Friday, March 20th this year. The prescribed path of the sun will lift its rise to an altitude in the Northern Hemisphere that will start the cycle of spring once more.

The lifeless appearing ground beaten by winter snows and frigid temperatures will begin to absorb warmth. Before we know it, there will be a trace of green. The wildlife and foliage, depending upon where we live, will reappear right on schedule. Whenever man becomes so presumptuous as to compare his works with those of nature's, in magnificence of performance, he has but to place his miserable disarray alongside the eternal perfection of the seasons. The first warm spring day is a good time to contemplate these things.

Haskell County History

30 YEARS AGO (March 13, 1918)

The keys of the city are in possession of "Big John" Kimbrough and Coach Homer Norton of the Texas Aggies. Kimbrough and Norton will be honored guests at the annual Chamber of Commerce Banquet Friday night.

Developments in county politics this week included the addition of one name to the list of candidates for office and the withdrawal of a candidate who had previously announced for county office, and his entry into the campaign for a post in the 39th Judicial District. Curtis Pogue, Haskell attorney, who last month announced his candidacy for County Attorney, has withdrawn from the race to become a candidate for District Attorney of the 39th Judicial District. He announced this week in a statement published in this issue of The Free Press. Mr. Pogue outlines his decision to seek the higher office. He is opposing Ben Charlie Chapman of this city who is a candidate for re-election. The 39th district includes Haskell, Throckmorton, Stonewall and Kent counties. New candidate to announce this week is W. E. Bland, well-known farmer of Center Point community, who enters the race of Commissioner of Precinct 4. With this entry, six candidates are listed for the precinct post.

Mmes Glenn Gillette, Marie Womble and Misses Janie Lyle Martin and Lucille Akins were in Fort Worth this weekend to attend the Fat Stock Show.

Jno. A. Couch went to Waco Friday to spend the weekend in the home of his daughter, Mr. and Mrs. Ed Burleson. Mrs. Couch accompanied him home after a week's visit in the Burleson home.

Connie Morris, Jean Conner and Pysatt McCollum visited in Lubbock this weekend. They were guests of Geraldine Conner and Mary Eleanor Diggs.

Dr. Gertrude Roberson and Mrs. Carrie McAnally were in Fort Worth this weekend and

attended the Fat Stock Show. Mrs. Leo Duncan and children spent the weekend in Moran visiting her parents, Mr. and Mrs. T. C. Rogers.

10 YEARS AGO (March 13, 1938)

At the last meeting of the Board of Trustees of the Haskell Independent School District, Lynn Pace was selected as a member of the Board to fill the unexpired term of W. E. Kirkpatrick, who recently moved from Haskell to Dimmitt, Texas. The Board is composed of seven members as follows: R. C. Couch, president; Courtney Hunt, T. J. Arbuckle, E. I. Christian, Chas. M. Conner, Lynn Pace and T. C. Rogers, secretary.

We take pleasure this week in announcing the name of Miss Lois Ernest in our announcement column as a candidate for re-election as District Clerk subject to the action of the Democratic Primary.

The name of Mike B. Watson will be found in our announcement column this week as a candidate for re-election as Tax Assessor-Collector of Haskell County, subject to the action of the Democratic Primary in July.

We are authorized this week to place the name of Miss Minnie Ellis in our announcement column as a candidate for re-election as County Superintendent of Public Instruction, subject to the action of the Democratic Primary in July.

The following persons have been summoned as Petit Jurors to serve during the third week of March term of County Court and are instructed to appear at the court on the 17th day of March at 10:00 o'clock a. m.: R. Large Crowd Sees Program

The 1970 Annual Public School Week Program was a huge success. A large crowd enjoyed this year's program as the theme was "Sounds of Music". The program was begun with the Steer Band playing the song, "The Sound of Music". Next the always delightful Kindergarten, First and Second Grades presented two musical numbers. Conducted by young Dennis Stegemoeller, the youngsters were equipped with rhythm instruments. This group

was headed by Mrs. Truett Alvis, Mrs. Lowell Freeman and Mrs. Orville Hamilton.

After they were introduced, the Third, Fourth and Fifth Grades, headed by Mrs. Joe Mathis, Mrs. Don Lamb and Mrs. Phil Simmons, presented their view of happiness in their song "Happiness Is". Then the group presented a choral reading entitled, "Happiness is Living in Rochester."

Besides numbers played by the Steer Band between acts, Janay Tibbetts and Mike Adkins told jokes that were quite amusing.

While we have not met with spontaneous response from the farmers which we hoped for in the creamery proposition, we do not feel discouraged, knowing that it is a matter of which the people of this section had not previously thought about or given any study and on which very few had any definite information. So far only about 100 cows have been listed. From 100 to 200 more are needed to make it worthwhile to take the matter up or seriously consider the establishing of a creamery at Haskell on a commercial scale.

After this the Sixth, Seventh and Eighth grades presented a skit on the Rochester School Board. Their problem was hiring a school choir director. After a brief meeting, the Board saw their future employment in action. A choir, directed by Vernon Sessions who was the applicant, then sang "Do, Re, Mi". This group was headed by Mrs. Beverly Roberson, Mr. Ronnie Partain, and Mrs. John Nichols.

Continuing with the musical theme the "Rochester Singers", a girls singing group conducted by S. R. Quattlebaum, sang some entertaining numbers.

Parents and students are seldom ever privileged enough to see a teacher's meeting in action, so various high school students presented a skit on a meeting. Each teacher in the school was represented as well as the principal and superintendent. The jurors also just happened to make the scene.

The Steer Band ended the program with three numbers, and the singing of the school song led by band president Edwin Roberson.

Master of Ceremonies for the evening was Bob Hudspeth.

Preceding the program Elementary school, Junior High and High School, all held Open House in the various school rooms. All students exhibited their materials they had prepared for this.

Many hours of hard work were put into this year's program and Open House. The teachers and students express their appreciation for the cooperation and support this year.

Technical Opportunity Night Is Set

The Area Counselors in this area are planning for a Technical Opportunity night for the high school students and their parents at Rotan, March 13, at 7:00 p. m. This is the first time in this area to offer a Technical Opportunity Night to parallel College Night.

The meeting is designed to acquaint students and parents of the possibilities for vocational and technical training after high school.

Representatives from state-supported schools, which offer a wide variety of career opportunities, will be on hand to discuss financial aid, housing, job placement and admission. Those present will be able to meet with three different representatives during the scheduled sessions. Howard County Junior College, Cisco Junior College, South Plains at Levelland and Texas State Technical Institute, Waco, have agreed to send representatives.

The training at these schools include 46 different programs from accounting and computing to welding technology. Such diverse programs as seed quality and processing technology to fashion merchandising management are offered in a one and two-year program.

Mrs. Arlos Weaver and Mrs. Luther Burkett, Haskell County Counselors, are in charge of arrangements in Haskell and Rochester. Miss Irene Stewart, Haskell County Counselor, is making arrangements for the other schools in the county.

They have secured the services of H. L. Guess, Superintendent at Weinert, to take a bus for students who wish transportation. Contact any of these persons if you need transportation.

Anita Edwards Watkins has

returned from her trip to Hawaii. She and husband, Ronnie, had six days there. She said Hawaii was undecipherable, everything so pretty, she said the weather was mild, they wore summer clothing, but the nights were cool. She said it was mountainous, yet the beaches were there and very nice. They were at Waikele Beach, Honolulu, and took several tours to Sea Life Park, Pearl Harbor, and others. The International Market Place was interesting, having restaurants from most every country there. There were many shops where one could buy food or clothing.

They rented a car while there so they could visit more places. She reported Ronnie is in good health, but anxious to get home and see the daughter, Anita enjoyed the plane ride, though it was lengthy, about 8 hours from Dallas to Hawaii.

Dr. Don Smith of Denton flew in Sunday on a cross-country flight, and his mother, Mrs. Henry Smith, returned with him for a few days' visit with all her children.

Public School Week Observed At Weinert

Public School Week was observed all last week at Weinert School, but Thursday the parents attended. A luscious meal was served at noon. Then rooms were visited. All the doors had welcome signs and decorations that were very attractive. The first and second grades had large cutouts of cowboys, cattle and deer. They were having a story writing class.

The fifth and sixth grade rooms had pillow tops made of burlap and a design embroidered on them, and beautiful pictures displayed. The students were busy with lessons.

The third and fourth classes put on a puppet show. The children made their puppets and put on an interesting play of the Pony Express, Airplane show, and Being A Good American.

A peek into the Pre-School room convinced visitors that the children were having fun while they were learning.

Mrs. Roberts pupils showed much interest in learning the 3 R's.

A program was held in the gym. Mr. Guess spoke on the "Importance of Getting An Education", and the constant need to change so as to meet the need of the students.

A music program presented by Mrs. Don Davis, music director, was enjoyed. The little ones sang "Twinkle, Twinkle, Little Star."

The first four grades sang "Ro, Re, Me", "I Like Mountain Music", and "Chickory Chick."

The fifth grade through high school "did their own thing" in singing folk music, "Gentle on My Mind", "Turn Around and Look At Me", and "Papa Sang Bass." They were accompanied by a string band, Mr. Chet Forehand, Donnie King, Lee Gray and Jerry Sanders played guitars with Mrs. Sarah Berry beat the drums.

Hassell Hunter Is Recipient Special Achievement Certificate

Hassell Hunter, of Las Vegas, Nevada, son of Gene Hunter, of Haskell, is the recipient of a special achievement certificate awarded by the United States Atomic Energy Commission for his contribution to the work.

Hassell's wife also received special recognition for her patience, understanding and encouragement which made it possible for Mr. Hunter to receive the special award.

During the period of May 1968 through November 1969, as Chief, Drilling & Mining Branch, Mr. Hunter was responsible for planning, scheduling, reviewing and evaluating drilling programs; coordinating, preparing and reviewing plans and specifications; a and determining methods and agencies for procuring equipment, materials and services for NVOO drilling activities of the Supplemental Test Sites and the Nevada Test Site.

His vast knowledge and experience in the drilling field and his aggressive application of these attributes directly contributed to the successful preparation for and execution of the Milrow event at Amchitka and preparations for the Adagio event at Crocker-Huffman hole at Crocker-Huffman. A tremendous effort was directed which resulted in the abandonment of the hole not without a resultant injury to a \$25 million event. However, persistent and expert direction resulted in the completion of the hole to maintain operations.

Mr. Hunter freely of his effort in furthering the drilling and mining program. In support of this attitude, he has maintained contacts with officials, he has a genuine interest in drilling problems significant to the completion of the program and service applicable to the and usually available to the AEC for development.

Solve your **OLD-FASHION** laundry problems with a **FRIGIDAIRE Jet Action Pair**

One of the marvels of this age is the wonderful new fabrics we get in our clothes today. Another marvel is the work-free ease of the new Frigidaire laundry pair. The new electric washers will wash anything you can put in water—even clothes you used to hand-wash. And the new electric dryers are a worthy companion to the washers. Many of them have a feature that gives you TRU NO-IRON drying for your multitude of no-iron clothing. And for everything you wash, the electric dryer dries them quickly and thoroughly. Here is a special offer from West Texas Utilities, FREE 220 volt normal wiring to WTU residential customers who purchase a dryer from a local dealer. So don't delay! Go to West Texas Utilities and see for yourself the modern features of the new Frigidaire home laundry pair.

1 Higher resale value. Year after year. No other car in Chevrolet's you as much back on your initial investment.

2 Deep down value. Excludes like flush-and-dry rocker panels and set of fenders keep Chevrolet looking good longer.

3 Smooth, smooth ride. Because of Chevrolet's computer selected Full Coil suspension and advanced body mounting system.

4 Impressive styling. The impression is that it's an expensive want to make an impression.

5 Massive interiors. Result? Room to stretch out or to sit tall. Has more front leg room than any other car in its field.

6 Side-guard beams. Chevrolet puts more between you and the Steel beams built into every door.

7 A finish that lasts. It's unfortunate other cars in Chevy's field a Magic-Mirror finish because it sure keeps its shine.

8 Exceptional engines. Chevrolet's standard 350-cubic-inch V8 regular fuel. Plus there are five more engines available.

9 Tremendous selection. Of colors. Of accessories. Of engines. Of fabrics. And of models. There are nine big Chevrolets alone.

10 America's favorite. Something a new "something else" can't actions speak louder than words, doesn't this say something to you?

Putting you first, keeps us first.
