

Abernathy Weekly Review

... In The Palm Of The Plains!

VOLUME 37 Hale County — Abernathy, Texas — Lubbock County

THURSDAY, SEPTEMBER 4, 1958

NUMBER 43

Mr. and Mrs. R. C. Patterson, Sr.

The year 1958 is the 50th year of the Nazarene Church!

In observance of this, the children of Mr. and Mrs. R. C. Patterson, Sr. met in the home of their parents to honor Mrs. R. C. Patterson as a Golden Anniversary Nazarene.

Mrs. Patterson joined the Nazarene Church at Wellington, Texas, in 1908, and has been a faithful member since.

Although Mrs. Patterson has been a member of the church for 50 years, she was not a charter member, as the Nazarene Church was organized at Pilot Point, Texas, some time in 1908.

A short program was given, climaxed by the presentation of a plaque, to Mrs. Patterson in commemoration of her fifty years as a Nazarene.

Those attending were Mr. and Mrs. Vernon Wright and family of Wichita, Kansas; Rev. and Mrs. Lewis Patterson and daughter, of Hayes, Kansas; Mr. and Mrs. Louis Spruiell and family, Abernathy; Mr. and Mrs. Vester Patterson and family, Abernathy; Alma Ruth Patterson, Abernathy; Mr. and Mrs. Melvin Patterson and family, Abernathy, and Mr. and Mrs. R. C. Patterson, Jr. and family, Abernathy.

Those other than the children attending were Rev. and Mrs. Darrell Moore and family, Mr. and Mrs. W. G. Spruiell and family, and Mrs. J. D. Anderson.

Struve Is Producing Brass Valves In New Industry Here

A new industry for Abernathy was recently located here and production has just gotten under way. This is a small brass foundry located at present on the Struve farm east of town. Arno Struve purchased the machinery, casting moulds, and other equipment of a small brass works which had operated in Lubbock. Negotiations for the purchase of this equipment had been going on for several months and only recently was completed and the equipment moved to Abernathy and set up for production.

Production at this time is limited to an excellent tank float valve with a compound leverage arrangement that makes closing

positive. Arrangements are being made for distribution through wholesale hardware and other jobbers. Other items of a similar nature will be added to their production as conditions will allow.

Olton Rites For Stephan Struve

PLAINVIEW (Special) — Funeral services for Stephan D. Struve, 82, pioneer South Plains resident, were conducted at 4 P. M. Sunday in the Olton Baptist Church.

The Rev. Manley, pastor of the Marble Falls Methodist Church, and the Rev. John T. Williams, pastor of the Anton Baptist Church, officiated. Burial was in the Olton cemetery.

Struve died Friday in an Amherst hospital.

Homesteaded Land
He was born May 22, 1876, in Burnet County. He came to Hale County soon after the turn of the century and homesteaded land southeast of here. In 1906, he obtained land northeast of Plainview and he and his family resided in the Running Water Draw community for a number of years.

He was a ranch foreman and later operated a freight line from Canyon to Plainview. Owner of one of the first automobiles in Hale County, Struve also was in the real estate business and conducted prospective land buyers about the area in his car.

Survivors included three daughters, Mrs. E. A. Lundy, Hargill; Mrs. George Heck, Abilene, and Mrs. Frank Craddock, Temple, Ariz.; two sons, W. V. Struve, Springlake, and S. L. Struve, Friona; a brother, F. W. Struve, Abernathy; 17 grandchildren; and five great-grandchildren.

ROYAL JAMES

... AHS Antelope Grid Coach

Starting his eighth year as head coach of the AHS Antelopes will be Royal James. James, who came to Antelope Land in 1951, served as assistant football and head basketball coach at Pecos High School before coming to Abernathy.

James' 1951 football team went farther toward the state championship than any other Abernathy football team. His 1951 team won the district, bi-district, and regional crowns before being eliminated in the state quarter finals.

The Antelopes also won the district championship again in 1952. The team won co-championships in 1955 and 56.

Coach James graduated from Loraine High School, where he played halfback for four years. He played 2 years of college ball for Abilene Christian College and one year of service ball for A. T. B. at Coronado, California.

James played his last year of college ball after being discharged from the services for the T. C. U. Horned Frogs, where he received an Honorable Mention on the All Southwest Conference Team.

The AHS mentor finished undergraduate work at Texas Tech, majoring in secondary education and minoring in physical education. He received his Master's Degree in 1952 from Tech.

In addition to serving as head football coach, James is also head track coach and head of the Summer Recreational Program. He also teaches civics and history in AHS.

Coach James and his wife have three children, one daughter, Linda, 11, and two sons, Stan, 9, and Van, 4.

Antelopes Open Season With Spur Bulldogs Here Friday

The AHS Antelope football squad, coached by Royal James and Earl Carter, opens its 1958 season at 8 P. M. Friday, Sept. 5, with the usually powerful Spur Bulldogs. The game will be at the Antelope Stadium, which features several improvements over last season.

A new tile ticket booth has been constructed at the southeast entrance to the field. Also of tile construction is the new concession building south of the east stands.

The restroom building has been moved from the old site to a location south of the west stands.

Ramps and aisles have been rearranged in the east stands for convenience of the fans, and to make all seats, including the lower ones, desirable for viewing the game.

Conforming with rules set up by members of Conference 2-AA, in which the Antelopes play, these charges for admission will be in effect this season: 50¢ for parking automobiles inside the fenced stadium area; general admission for students will be 50¢ and \$1.00 for adults; season reserved seat tickets for the six home games sell for \$7.50; reserved seats for individual games will be \$1.50.

Check with J. N. (Pete) Wilson in the high school business office for purchase of season reserved seat tickets. There are some 225 reserved seats in the east stands.

Ample free parking is available on the school campus east and north of the football stadium.

LEAGUE BOWLING

Abernathy League Bowlers will open the fall and winter season Monday night, Sept. 8, at North College Lanes in Lubbock.

Chitchats From AHS

By DON JONES
Review Staffman

Well, here we are again, already in the swing of another school year. The short summer is over and everyone should be ready to make the most out of the next nine months, educational wise.

Lets everyone put everything possible into this school year of 1958-59 to make it the most memorable school year ever in AHS. AHS students can do this by giving complete and undivided cooperation to the administrators and faculty members, by giving enthusiastic support to school athletic activities and other school sponsored activities, and, last but not least, by thoroughly studying and preparing each course that a student should happen to be taking.

"Chitchats from AHS" is glad to be back on the beat after a 3-month absence.

The author of this column would appreciate the cooperation of the entire student body in getting in school news. It is hoped that all class reporters will cooperate with us in turning in news from their respective classes. Anyone else having news that they think might be of interest, please let us know.

Pat Attebury and Lane Tannehill have been chosen co-captains of the Abernathy Antelope football team. Both boys are seniors and each one has had considerable experience with the pigskin. Lane is the starting quarterback and Pat is a starter at left end.

An associate captain will be elected each week before the upcoming game to assist the regular captains in the game.

Speaking of football, the Antelopes sure looked good in scrimmage against Hale Center Saturday. The Antelopes racked up seven touchdowns, several coming on long runs. Hale Center was unable to do much penetration against the Antelope defense. The most encouraging part of the scrimmage Saturday was the sharp blocking of the forward wall. The passing attack of the Antelopes also showed signs of being a menace to opposing teams this season. Of course, the backfield showed up as expected. With four starting veterans and good reserve strength, the backfield is the strongest that any Antelope team has had in several seasons.

The Antelopes' second string of defense also made a good showing, throwing the Owls for losses several times.

However, lets face the facts: Hale Center's team is the weakest it has been in several years. There are only three seniors on the entire squad. The team is very young and inexperienced.

Some interesting notes about Spur: The Bulldogs scrimmaged Seagraves Saturday and literally run the Seagraves team into the ground, getting several TDs, according to reports. Spur seems to be the strongest where the Antelopes are the weakest, in the line. But the Antelopes are the strongest where the Bulldogs are the weakest, in the backfield. All in all, Spur will field a stronger team than they try to make people think.

The worst news yet concerning the Antelopes reached us Monday night. Six starters did not report for workouts Monday because of flu, virus, or a sprained ankle. Those who were side lined were Jimmy Nelson, Harold Thompson, Gerald Watson, Carroll Powell, Jimmy Gragg, and Charles Evans.

Senior class rings are in and are in the process of being distributed. This is the earliest date that the class rings have ever come in.

An election was held Wednesday, Sept. 3, to elect a junior class cheerleader for this school term. Candidates for the position were Frankie Jo Manley, Becky Hager, and Tommy Jo Johnson. Other members of the Antelopes' no. 1 rooting squad are Brenda Hooker, head cheerleader, Sandra Gilliland, Barbara Phillips, and Patricia Gilliland.

Class meetings were held Wednesday, Sept. 3, for the purpose of getting each class organized. Class officers, parents, and sponsors were elected. Head sponsors had already been appointed to each class: Betty Hardin, senior; Shirley Oswald, junior; Dwight Lindsey, sophomore; and Robert Montgomery, freshman.

Sanders Delivers First 1958 Cotton

Abernathy ginned its first bale of 1958 cotton at 5:30 P. M. Friday, August 29. Grown by W. D. Sanders, farmer residing three miles north and four miles west of Abernathy, the first bale of cotton was ginned free of charge at Abernathy Farmers Co-op Gins. The first bale came from irrigated Paymaster cotton.

Sanders brought 1,500 pounds of seed cotton to the gin. It produced 405 pounds of lint and 880 pounds of seed. Leland Phillips, gin manager, paid Sanders premium prices of 50¢ per pound for lint and \$100 per ton for seed.

First Bale At County Line Gin As The Review was going to press, Mrs. J. C. Roberts called to report that Austin O'Neil of County Line community brought the first bale of 1958 cotton to the County Line Gin Tuesday, Sept. 2. Mr. Roberts is manager of the gin.

BIRTHS

Mr. and Mrs. Dale Worthan are parents of a daughter born August 28. She weighed 7 pounds, 5 ounces.

OBSERVE NEW SIGNS ON STREETS AROUND LOCAL SCHOOL CAMPUS

Motorists are urged to observe and obey new traffic control signs recently placed on streets around the school campus. The signs were placed there to protect the youngsters... please observe them.

Most recent signs there include the one way traffic control of the "L" shaped street in front of the elementary and junior high school buildings. Traffic enters this area one way, from 8th Street, going south, turning east to exit on Ave. E. Signs warn against entering this area from Ave. E.

BOARD ADOPTS BUDGET FOR 1958-59 SCHOOL YEAR

The Abernathy School Board in special session Tuesday night, August 19, officially adopted the budget for the 1958-59 school year. The budget was adopted after public hearings at which several large tax paying companies, including Southwestern Public Service, Pan American Oil and Gas and Santa Fe, were heard.

TO REPORT FOR PHYSICAL EXAMINATION SEPT. 15

Mario Ramos and Herman Copcock of Abernathy have been ordered to report for the Armed Forces physical examination at 10 A. M. September 15.

NOTICE

The grocery special prices appearing in Struve Mercantile Co. Grocery Department advertisement on page six of this paper are effective Friday and Saturday, September 5 and September 6.

GRIDMEN ARE TO BE GUESTS OF JAYCEES

AHS Antelope football players and coaches are to be guests of Abernathy Jaycees at a chicken dinner Sept. 9, at 7:30 P. M., in the school lunchroom. It was announced by Bob Nelson. All Jaycees are urged to attend and bring a guest. The public is invited to attend. Tickets will be \$1.25.

NOTICE OF NOMINATIONS FOR 1959 ASC COMMUNITY COMMITTEE ELECTION

Farmers whose names appear below have been nominated by the Community Election Board of the respective communities as candidates for 1959 ASC Committeeman and such names will appear on the election ballot.

Additional nominations may be made for any community by having (10) farmers in the community sign a petition, naming other candidates. Nomination by petition must be presented to Ollie Linder, Chairman of the Hale County ASC Election Board by not later than Friday, August 22, 1958.

Community D. E. L. Allen, Jack Lee, Elton G. Settle, H. S. Tennell, R. A. DuBose, Billie E. Harrison, Donald Huffaker, Charlie Ellis, Chester Pearce, and Lewis Lutzick.

The ballots for the Committee election will be mailed from the Hale County ASC Office August 29, 1958, to each known eligible voter in Hale County. A letter of voting instructions will be mailed with a ballot. In order for the ballot to be counted, it must be received in the ASC office by not later than five o'clock P. M. Monday, September 8, 1958, if delivered in person, or if mailed, it must be postmarked not later than midnight Monday, September 8, 1958.

The County Election Tabulation Board will convene September 11, at which time all eligible ballots received will be tabulated and final results of the Community Election will be certified.

The person in each community receiving the highest number of votes will be elected Chairman of the Community Committee and also delegate to the County Convention for the election of the 1959 ASC County Committee.

The County Election Board has designated Thursday, September 25, 1958, at ten o'clock A. M. in the Extension Service Conference Room (Courthouse annex) in Plainview, Texas, as the time and place for the convention for the purpose of electing the 1959 ASC County Committee. This convention is open to the public.

All persons receiving a ballot are urged to mark their ballot as instructed, place in the self addressed envelope which requires no postage and return it immediately to the Hale County ASC Office. It is hoped that ballot will be received from each eligible voter in the County. Since this is an important farmer election, and those men elected will appreciate your support.

W. P. Cox, whose home is on Ave. J at 15th Street in Abernathy, was reported in serious condition at Methodist Hospital, Lubbock, where he was taken for treatment.

JIM KELLY PRATHER

... Mascot

Fans attending the AHS Antelopes' football games this Fall will see the two cute children pictured here. As mascots, they will work with the AHS cheerleaders at football games and on other occasions.

Cynthia Kay is the four-year-old daughter of Mr. and Mrs. Joe Doyle Oswald, and Jim Kelly, all four, is the son of Mr. and Mrs. Jimmy Prather.

According to Principal J. W. Solis, 252 students had registered by 10:00 A. M. Monday morning, the largest number ever recorded for AHS.

Dr. Gregory is formerly of Big Sandy, Texas, where he operated the Big Sandy Hospital and Clinic. He is a graduate of Kansas City College of Osteopathy and Surgery. He has a wife and two children, a boy, Steve, and a girl, Vicki.

They have moved into the Hugh Vaughn residence, corner of 10th St. and Ave. D. Old 10th St. will remember that this house was built by Dr. Price, who served this community back in the early twenties. Dr. Gregory and family attend the Church of Christ.

They are members of the Church of Christ.

Christians Who Stray?

By LOYD E. ASH

Reading Time: 4 Minutes

The Christian life is a continual walk with God. Faithfulness in this fellowship is necessary to please God. However, some lose interest and wander back into sin.

The Bible warns us all: "Let him that thinketh he standeth take heed lest he fall" (1 Cor. 10:12). Again, "Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God" (Heb. 3:12). Such striking possibilities no doubt about the possibility of a Christian straying. These grave warnings should make us see God's concern that we live right.

What is the condition of the erring Christian? Can he finally lose his soul? We are given a clear answer in James 5:19-20: "Brethren, if any of you do err from the truth, and one convert him, let him know, that he which converteth the sinner from the error of his way shall save a multitude of sins." Did you notice the erring child of God is called a "sinner"? And that he is in danger of "death"? The reason he is in danger of death is his sins, for "the wages of sin is death" (Rom. 6:23). The prophet of God said: "The soul that sinneth, it shall die" (Ezek. 18:20).

Is there any hope for such a one? Not as long as he continues in sin. It is only through his willingness to come back to God, that he can be saved. To an erring people of God, Isaiah said: "Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon" (Isaiah 55:7).

Peter told a Christian who sinned, "Repent therefore of this thy wickedness, and pray God, if perhaps the thought of thine heart may be forgiven thee" (Acts 8:22). An alien sinner is never told to pray, but rather to obey. But this baptized believer was told to repent and pray for forgiveness. These instructions apply to erring Christians today as well as then.

One must be willing to confess his sins if he hopes to enjoy God's forgiveness. Often it is necessary to ask the forgiveness of a brother whom we have offended. If a sin is publicly known, then it should be publicly confessed. John wrote: "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness" (1 John 1:9). It takes courage and humility to do this, but it is God's requirement. Sometimes a whole church can apostatize from God. The church at Ephesus, the Lord said: "Thou has left thy first love. Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent" (Rev. 2:4-6).

Sincere Christian people will readily confess their sins to one another, and earnestly pray for each other. We are told, "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much" (James 5:16). Could it be that we have failed to do enough of this?

One of the most beautiful of Jesus' parables is the story of the Prodigal Son. This young man portrays the erring child of God. He left the father's house and wandered in a far country. After foolishly spending all his money, he got a job feeding pigs and almost starved to death. At last he came to himself and returned to his father, confessing his sins. Of course, the father received him with joy.

It is always tragic to see a child of God overcome by sin. But it is always a time of rejoicing when one returns to the Father. As Jesus closed the parable, the father said to the son: "It was meet that we should make merry, and be glad: for this thy brother was dead, and is alive again; and lost, and is found" (Luke 15:32).

Visitors in the home of Mr. and Mrs. A. Zeman recently included their children, Mr. and Mrs. Alan Aune, South Northwalk, Conn.; Mr. and Mrs. Jack Cook, Abilene, and Mr. and Mrs. Virgil Zeman and son of Friona.

Mr. and Mrs. O. Y. Hageman moved back here from Plainview. Their home is at 1201 Ave. G. The J. N. (Pete) Wilson family moved from 1201 Ave. G to 911 Ave. F.

Bride-Elect Is Shower Honoree

Miss Mona Marie Struve, bride-elect of Hoppy Toier, was honored with a tea in the home of Mrs. F. B. Lovelace Friday, August 22. Co-hostesses with Mrs. Lovelace were the following:

Mrs. J. C. Mills, Mrs. Mack Scoggin, Mrs. Dean Sterling, Mrs. Vernon Pettit, Mrs. Loren West, Mrs. E. A. Houston, Mrs. D. W. Crain, Jr., and Mrs. Charles Wilson.

The serving table was laid in the bride's chosen colors with white ruffled net over a blue cloth, and centered with a bouquet of blue and white carnations.

Assisting with hospitalities were Misses Gay Scoggin, Betty Davis, Maudie Harral, Shirley Mills, and Mrs. Bobby Lewis.

Background organ music was provided by Mrs. Lamar McKenzie.

P-TA SETS INITIAL MEET OF SCHOOL YEAR

Mrs. Rudolph Struve announced the initial Parent-Teacher Association meeting for the 1958-1959 school term in Abernathy. It is set for 7:30 P. M. Monday, Sept. 8, in the school auditorium, and will be sponsored by Abernathy Lions Club, Mrs. Struve said. The meeting will welcome back to school all teachers, with special recognition of new members of the faculty.

Study program for the current year is "Stepping Stones to Maturity."

Deadline Set To File For Reserve Rate

Texas farmers have until September 28 to file a request with their county Agricultural Stabilization and Conservation Committee for a maximum rate for their farm under the 1959 conservation reserve phase of the Soil Bank program. According to I. H. Lloyd, who has charge of the Soil Bank program in the state ASC office, after the maximum farm rate is determined, farmers have until October 17, 1958 to apply for a conservation reserve contract.

Lloyd and the State ASC Committee emphasize that under present legislation there will be no acreage reserve program in 1959, and they urge farmers to become familiar with conservation reserves.

Mr. and Mrs. Charles Ray Owens and son were on vacation in Clouderoff, N. M., last weekend.

The girls shown above were recognized as Coronation Service Queens at the Plains Assembly. The girls are, front row, left to right, Pam Davis, Linda Miller, Pauletta Lebow and Sara Lou Bruce; Back row, left to right, Joy Boone, Linda Kay Berutti, Rita Evans, Martha Struve, and Janie Brown.

The First Baptist Church, Abernathy, produced the greatest number of girls in the Coronation Service at the Plains Baptist Assembly for G. A.'s. The Girl's Auxiliary is a unit of the Women's Missionary Union. The objective of G. A.'s is to carry out the principles of the WMU on the girls level.

There is a ranking system comparable to that of scouting that gives recognition to work accomplished. Those making a rank and recognized in the Coronation service were the following: Maidens: Toni Turpen, Carol Howard, Betty Tow, Frances Burnett, Patsy Hill, and Pauletta Lebow. Lady-in-Waiting: Janice Phillips.

Princesses: Jo Ann Lovelace, Linda Miller and Edwina Anderson. Queen: Joy Boone, Janie Brown, Martha Struve, Pam Davis, Peggy Davis, Rita Evans, Mary Kay Berutti, and Sara Lou Bruce.

In the history of the Plains Baptist Assembly, no church has ever had eight girls recognized as Queen in one Coronation Service. First Baptist, Abernathy, can feel proud of this unusual accomplishment. Those working with the G. A.'s of the church are Mrs. Maurice Tow, Mrs. George Burnett, Mrs. Ralph Davis, Mrs. Elgin Evans, Mrs. Dwayne Taylor, and Mrs. H. F. Gragg.

Save watermelon rinds to make delicious preserves or pickles. For directions ask your local home demonstration agent for a copy of extension bulletin, "SWEETS FOR THE FAMILY TABLE."

Local Boy's Swine Wins

PLAINVIEW (Special) — Larry Blumenstock, Abernathy 4-H Club member, has been announced as winner in the Sears Roebuck Foundation Swine Program for the Lubbock store area.

Dennis Hall, Cotton Center, took second place to give Hale County 4-H members a sweep of the top two honors. Larry won the contest with a nine-pig litter weighing 453 pounds, and Dennis placed second with an eight-pig litter weighing 378 pounds.

The contest is for boys who received gilts under the Sears Roebuck program last year. It involves the first litter of pigs from these gilts.

Blumenstock's sow weaned nine pigs that weighed an average of 50 1/2 pounds at eight weeks of age. "He accomplished this achievement by keeping his sows and pigs healthy and clean, both inside, and out," said E. F. Yeates, assistant Hale County agricultural agent.

Larry's pigs were farrowed on a concrete floor, where they remained until they were two weeks old. Pig started pellets were provided as a "creep feed" for the baby pigs.

The sow was fed a special lac-

tating ration, and she was kept cool, both before and after farrowing, with the use of a "fogging nozzle." The sow and pigs were moved from concrete to clean ground, where no pigs had ever been, when the pigs were two weeks old.

Dennis followed the procedure used by Larry, except that he did

not have concrete floors for farrowing, Yeates said. Hall used a special farrowing house with a wooden floor. His eight pigs weighed an average of 47 one-fourth pounds per pig.

Prize money of \$25 and \$20 will be awarded to Blumenstock and Hall, respectively.

Young Men May Register Here At Post Office

Young men of South Hale County may register for Selective Service at Abernathy post office, it was announced by Herbert T. Hardin, acting postmaster. Heretofore, they were required to go to the Selective Service office in Plainview to register.

The young men are required to register for Selective Service upon reaching their 18th birthday.

Twenty-four outstanding 4-H boys and girls, representing the 12 Texas Extension Service districts, have been named recipients of the State Fair Award of Honor for 1958. Floyd Lynch, state 4-H club leader, said they were selected for outstanding achievements in general club work.

DANGER WARNING TO "WINDOW PEEPERS"

(Window peepers must be working a circuit in Hale County. A couple of years ago, Hale Center was up in arms over a similar situation. Early this year, Abernathy had window-peeper problems. The following article is from the August 1st issue of the Petersburg Journal.)

It has been called to our attention that there is quite a bit of "Window Peeping" going on in Petersburg. This is a mighty dangerous practice and somebody is going to be on the receiving end of a load of buckshot some of these nights, and we don't mean maybe. This must stop, and now. Shotguns and pistols are loaded and residents of Petersburg are going to use them on "Window Peepers." Nuff sed!

City Garden Club

The City Garden Club was called together at 8 o'clock Thursday, August 28, by the club's new president, Mrs. C. C. Shipman.

The flower show was discussed and the time was set for Saturday, Sept. 27th.

Fourteen members attended. They were the following: Mrs. G. E. Adkisson, H. O. Oliver, R. E. Smith, H. H. Selke, A. B. Myatt, J. C. Ulach, B. H. Beard, T. O. Brown, J. L. Harral, Floyd Shipman, and J. M. Gardner.

Lyra Johnson has returned to Abernathy, after working in Lubbock during the summer, to enroll in school.

Mr. and Mrs. Pat Young of Littlefield visited his mother, Mrs. Lillian Young, here Sunday night.

Local Juniors Win 3-County Tourney

The Abernathy Junior baseball team put the lid on a highly successful season at Idalou on the night of August 2, as they blasted Idalou by a score of 13-1 to win the Tri-County Tournament.

The game was close until the seventh inning with the local boys holding only a 3-1 lead up to that point. However, the Abernathy youngsters really cut loose in the seventh to make a race track of the bases. Ten runs crossed the plate before Idalou could get the rally extinguished. The Abernathy hitters collected a total of eleven hits during the ball game. Mike Rittchey and Stanley Davis led the hitters with three safeties each. Two of Rittchey's hits were home runs. Rittchey opened the ball game with a home run, as he was the first man up in the first inning. He blasted another fourmaster in the seventh. Pitcher John Brown scattered 5 Idalou hits to emerge as the winning pitcher.

Incidentally, Brown was undefeated on the mound this year, posting a record of 11 wins.

The victory over Idalou in the League Tournament gives the Juniors a sparkling season's record of 20 wins and 1 loss. The lone loss of the season was to Hale Center on the day after the local boys had gotten home after midnight because of a rain-delayed game in the Lubbock Teenage Tournament. They later beat Hale Center in a playoff for the League Championship. Included in the Juniors record this year are the championships of the Tri-County League, Tri-County Tournament, Hale Center Tournament, and the Lubbock Teenage Tournament.

GRAIN DAMAGE

There has been much concern in regard to some of the grain sorghum heads being blasted at the top and bottom of the head. Some of this may be attributed to aphid damage or false chinch bugs, according to County Agent Ollie Limer. However, the agent states that the bulk of the damage is probably caused by the milo heading out during the hot part of the summer and the flag leaf or boot being sealed rather tightly around the head and on very hot days there may be a steaming effect inside the boot causing damage to the young flowering head. It is felt that the damage in most fields will not be too severe.

Another comment that has been made frequently in regard to the grain sorghum this year is the fact that it is heading out a little earlier and is much shorter than usual. This is due, according to the agent, to the increased heat that we have had this year over last year. And then, too, much of our grain sorghum was planted earlier this year than last year. Later planted grain sorghum normally produces more grain than early planted grain, according to the agent.

Bill Wolf & Sons Irrigation Supply announces the addition of the California Western Deep Well Turbine Pump to their line of pumps and other equipment. The California Western is an all wood bearing pump, the wood bearing being solid from top to bottom of the shaft, which fits the bearing loosely, the space between bearing and shaft being filled with oil. Bill Wolf & Sons will continue handling the Jacuzzi as usual.

Boll Pullers Are Available

One and one half bale crew. The following letter was handed in by Mayor Ed Graham:

Dear Mayor, Abernathy, Texas, Dear Sir:

Please hand this letter to some good cotton farmer there near you. I have one and one half bale crew of cotton pullers that I will bring there, when needed. I have transportation and expense money, but write me where and when to come.

Yours respectfully,

A. E. Barrington,

Rt. 2

Ashdown, Arkansas

Do you need or anticipate needing this size crew? If so, here is the information needed to get them started.

Mr. and Mrs. H. Myatt and Mr. and Mrs. A. B. Myatt left Monday for a vacation in the mountains.

Mr. and Mrs. O. B. Graham and daughter of Littlefield visited here Sunday in the home of their son and brother, Mayor Ed Graham, and family.

The Bonnie Beard family of Crane visited here last weekend in the home of his parents, Mr. and Mrs. B. H. Beard, and with other relatives.

County Calls For Payment State Funds

The Hale County Commissioners Court in regular session applied to the state Board of County and District Road Indebtedness to return to the county \$33,512.53 to be used in construction, improvement and maintenance of lateral roads.

The funds are a share of this county's state gasoline tax of 5 cents per gallon paid in last year.

The Commissioners Court ordered transfer of \$39,572 from the county available fund to the central fund for county schools. The money is derived from interest on securities owned by the county and from rental on county owned school land in Bailey County.

On the basis of 8,700 scholastics in the county, the apportionment will be \$1.21 per capita.

Present for the session were Judge Lee Nowlin, Commissioners J. W. Odell, J. J. Goldston, Rayburn Karrh and Doc Brown and County Clerk Mildred Tucker.

Local law enforcement officers remind drivers of the 20 miles per hour speed limit in the school zone area on the highway in town. Also they request that you observe the stop sign at the pedestrian crosswalk between city hall and Pinson Pharmacy.

To the Farmers of this Area From Your Local J. I. Case Dealer

DID YOU KNOW that in the first six months of this year hundreds upon hundreds of farmers all over the country have traded in their "conventional drive" tractors for one or more of our revolutionary Case-o-matic Drive models?

DID YOU KNOW that because of farmers' widespread acceptance of Case-o-matic Drive, J. I. Case sales have increased more this year than those of any other other farm equipment manufacturer? (First six months sales are way up—more than 50% over 1957!)

DID YOU KNOW that Case-o-matic Drive new-look tractor styling is way out in front and is being copied more and more?

DID YOU KNOW that with the special low introductory price now in affect you can buy a Case-o-matic Drive tractor for less money today than at anytime in the foreseeable future?

DID YOU KNOW that a 1960 Case-o-matic Drive tractor actually costs less than most so-called current model "conventional drive" tractors of similar plow-pulling capacity?

DID YOU KNOW that Case-o-matic Drive senses the load, doubles pull-power automatically without shifting or stalling . . . this greater operational efficiency gives more work output every minute, every hour,

every day.

DID YOU KNOW that Case-o-matic Drive permits you to stop and start without changing gears or using the clutch—just like your 1959-1960 automobile.

DID YOU KNOW that tests under actual field conditions show that a Case-o-matic Drive tractor will use less fuel per acre of plowing than most other tractors you can buy? Farmers are proving this every day all over the country on their farms.

DID YOU KNOW that Case-o-matic Drive enables most farmers to add another plow bottom, thereby reducing their plowing time by as much as 25 to 33%?

DID YOU KNOW that Case-o-matic Drives gives you all 3: Torque converter drive for heavy loads; direct drive for lighter loads; and independent PTO with engine power priority for more efficient baling, chopping, combining.

DID YOU KNOW that Case-o-matic Drive brings new efficiency to machinery whether new or old? New efficiency in plowing, disking, planting, cultivating, harvesting . . . a very real increase in operational efficiency to all farm machinery.

DID YOU KNOW that Case-o-matic absorbs shock loads, prolongs life of both tractor and implement? That is why all Case-o-matic Drive torque converter units carry

a double warranty, twice the warranty period on conventional transmissions.

DID YOU KNOW that the clutch in Case-o-matic Drive tractors is hydraulically actuated, requires no adjusting? There is no burning, no occasion for excessive wear and tear?

DID YOU KNOW that Case-o-matic Drive reduces tire slippage to a measurable minimum, improves traction, adds mile-upon-mile to tire life? Power is applied smoothly . . . you start out evenly and surely in the field or on the highway.

DID YOU KNOW that Case-o-matic can start heavy loads smoothly in road gear by merely pressing the accelerator . . . that you can come to a stop, and start out again without clutching or shifting, even on grades?

DID YOU KNOW that Case-o-matic is easier and safer to operate than conventional tractors . . . keeps you fresher at the end of the day because you drive the tractor and control your implements with less effort.

We are willing to stake our reputation on the fact that the statements and the features listed above can be proved or demonstrated to the satisfaction of any prospective customer.

Johnson-Stanton Implement Co.

Crosbyton's Golden Jubilee Celebration To Open Sept. 8

First performance of the spectacular pageant celebrating Crosbyton's Golden Jubilee will be held Sept. 8, in the Crosbyton Rodeo Arena, announces Bill Thames, Chamber of Commerce manager. More than 300 local people will participate in the performance of the Cavalcade at 8:30 P. M. nightly, Sept. 8-10. The show is being produced by the John B. Rogers Producing Company of Fostoria, Ohio.

Included in the historical pageant will be a group of Kiowa Indians from Anadarko, Okla., Thames said. The show will tell of the founding of the city by the CE Livestock Company in 1908 and of its growth and progress in the past half century.

Official opening of the celebration will be noon Monday, Sept. 8, with an Aerial Bombardment. Afternoon activities will include the opening of the midway and an Old Fiddlers Contest. A Historical Progress parade featuring dignitaries, statesmen, city officials, county officials, pioneers, horse drawn entries, and floats will begin in the downtown area at 5 P. M. In the evening will be the first performance of the Cavalcade in the rodeo stadium with coronation of the Anniversary Queen and her princess as a part of the pageant prologue.

The second day's Jubilee celebration will see the Anniversary Belles in a flurry of activity. In cooperation with the Brothers of

the Brush, they will preside over a kangaroo court session. Later they will present a style show featuring fashions of 50 years ago, ending with judging of costumes and beard growing contest.

Kiowa Indians will present a colorful show with their famed ceremonial dances which they perform at the nationally known Anadarko Indian Exposition each year. Second performance of the Cavalcade will include a mammoth fireworks display.

Guests attending the final day of the Jubilee will be treated to free barbecue luncheon on the grounds of the new Pioneer Memorial building. Congressman George Mahon will deliver the dedicatory address of the new building and museum at 4 P. M. Final performance of the Cavalcade will begin at 8:30 P. M. in the arena. Hospitality Headquarters, located in the Pioneer Memorial building will be open each day for registration and information for guests.

Plans have been made for caravans to surrounding towns during the latter part of August. Junkets will be made by local people to distribute publicity material in Dickens, Spur, Post, Slaton, Idalou, Ralls, Floydada, Lockney, Plainview, Petersburg, and Lubbock.

"Whatsoever He Saith Unto You, DO IT"

Pierce Ready was in Abernathy Friday on business. He lives in Friona and works a considerable territory in his business. The Ready's lived near Abernathy for a number of years.

Bert Snead of Littlefield was a visitor in Abernathy last week. Mr. Snead lived near County Line for a number of years before moving to Anton and later to Littlefield.

SUE WILLIAMS ENTERS CULVER-STOCKTON COLLEGE
Canton, Mo.—Miss Sue Williams, daughter of Dr. and Mrs. Harry Williams of Abernathy, has been accepted as a student at Culver-Stockton College, Canton, Mo., for the 1958-59 school year. Miss Williams is a 1958 graduate of Abernathy High School.

ABERNATHIANS ATTEND COLLEGE DEDICATION
There were 44 people from Abernathy who attended the dedication services of Lubbock Christian College's new \$600,000 administration-library building on August 16. There were over 5,000 people to attend the dedication ceremonies.

By joining with other workers in the social security insurance program and paying social security taxes, all workers share the risk and receive a greater measure of personal and family protection at less cost, Hutton declared.

If you intend to retire this month and file a claim at the Social Security Office for retirement benefits, you should bring the W-2 which you received from your employer, or a copy of your 1957 income tax return, according to John G. Hutton, manager of that office.

The W-2 can be used to verify your 1957 earnings if you work for someone else. The income tax return, plus a carefully completed schedule C, Profit or Loss from Business, is essential if you were in business for yourself in 1957. Farmers should file schedule F instead of Schedule C. Canceled checks or other evidence of payment of the Social Security Tax should also be available if you were self-employed in 1957.

NEED A PRESCRIPTION FILLED?
If you do, you need
quality prescription service
ABERNATHY PHARMACY
908 Ave. D, phone 327

Mr. Hutton says that his office, like all other Social Security Offices is having an exceptionally high intake of claims since the first of the year, and some delays will be unavoidable. However, if claimants will come prepared with the proof of earnings described above, this record volume of work can be processed more rapidly.

Mr. Hutton points out that the Social Security Amendments of 1956, which brought new groups under the program, reduced the retirement age for women, and provided benefits for the severely disabled worker age 50 to 65, are responsible for the sharp increase in the work in his office.

Youngsters pictured here were photographed recently by Winston Lucas, children's photographer of Irving. They are, top row, left to right: Denise, daughter of Mr. and Mrs. Buddy Benton; Elaine and Janna, daughters of Mr. and Mrs. J. W. Hamilton.

Middle row, left to right: Kim, Mr. and Mrs. David Pinson; Alvis Eugene and Sharon, Mr. and Mrs. Preston Amerson.

Bottom row, left to right: Alan, Raymond and Diane, Mr. and Mrs. Glen Hamilton.

DRIVE SAFELY — Remember, you too, are a pedestrian part of the time.

United States Government Offers for Sale
Two 40 x 100' Quonset Structures for Handling or Storing Agricultural Commodities to highest bidder for not less than \$3,383.95 Each

The structures are in relatively good condition and are located in Abernathy, Texas.

Terms of sale will be cash and they must be moved from the site within 60 days from date of purchase unless the buyer obtains written consent from the owner of the land on which they are located to permit them to remain thereon for a longer period of time, and which will release Commodity Credit Corporation from any further responsibility under their lease.

The structures may be inspected, additional information and bid forms obtained by contacting Mr. John B. Martin, County ASC Office Manager, Box 1271, Plainview, Texas, Telephone CAPitol 4-2138, prior to September 5, 1958.

The Government reserves the right to reject any and all bids.

When asked why social security taxes were taken out of their pay envelopes many workers recently queried could not come up with the three main reasons, John G. Hutton, district manager of the Lubbock social security office, said today.

Most of them knew about old-age benefits, but fewer were aware of survivors' benefits—payments to a worker's dependents in case of his death. Some did not know about disability insurance protection for the worker, and for disabled children.

"Every working person and his family should know that, through his social security payments, he is building three-way protection. He should realize that the modest deductions from his pay envelope can provide a monthly income if his earnings are cut off either by old-age, disability, or death," Hutton pointed out.

Social security insurance payments are only a partial replacement of lost earnings. Because most working people are compelled by law to pay social security taxes the measure of protection afforded is greater than it would be if the system was on a voluntary basis—that is, a system in which the worker could "join up" and pay the tax, or stay out and pass up protection.

The hand house, which burned the night of August 19, on the Harvey Lutrick farm four miles north of town, has been replaced. The Latin American family, occupants of the house, lost clothing and furniture in the fire. The fire started from gasoline being used in repairing a washing machine in the house.

Lakeview News

(From Last Week)

Mr. and Mrs. D. V. Keithley of Durant visited in the home of her sister, Mrs. Herbert Watson, last week.

Mr. and Mrs. Jack Lee visited her mother, Mrs. Nita Overton, at Mountainair, N. M. They were accompanied by Mrs. Ruth Pipkin of Plainview.

Mrs. Mary Gilmore of Post visited in the home of her brother, W. A. Water.

Visitors in the home of Mr. and Mrs. S. P. Castleberry and the C. S. Smith homes were Mr. and Mrs. Roy Castleberry of Riverside, Mr. and Mrs. K. D. Stark of San Bernardino, Calif., Mr. and Mrs. Roland Wilson of El Centro, Calif., and Mr. and Mrs. Dub Sewell of San Francisco.

Mr. and Mrs. O. D. Rhodes, Mr. and Mrs. Arlie Paxton, and Mr. and Mrs. L. M. Hall attended services at the Hart Methodist Church Sunday night where Rev. Lyman Wood, formerly of Petersburg, is pastor.

Mr. and Mrs. Glenn Orvall Rhodes of Farmington, N. M., visited in the C. P. Loyd home last weekend.

Mr. and Mrs. Glenn Dees of Plainview are parents of a son born August 20 in the Plainview hospital. He was named Jerry Glenn. He is a grandson of Mrs. E. L. McLaugh.

Enid Fisher accompanied Mr. and Mrs. Guinn Casey of Lubbock on a vacation to Carlsbad and other places of interest in N. M.

Mrs. Dessie Ritchey and Nancy spent the weekend in Albuquerque.

Mr. and Mrs. P. H. Buske and children visited her parents, Mr. and Mrs. A. L. Whitworth, at Avon last weekend.

Mr. and Mrs. Leon Manley of Canyon visited her parents, Mr. and Mrs. Herbert Watson, last weekend.

Mr. and Mrs. R. L. Campbell of Mercedes visited in the S. M. Harrison home last week.

Rickey, son of Mr. and Mrs. Murrey Lee Brewer, of Dimmitt, and Harvey, son of Mr. and Mrs. Audie Brewer, of Plainview, spent last week with their grandparents, Mr. and Mrs. Charles Brewer.

Mr. and Mrs. Lloyd Goldston visited in the home of Mr. and Mrs. Frank Reid in Floydada Sunday.

Mr. and Mrs. Charles Brewer attended the annual Hall family reunion at Mackenzie Park Aug. 15.

Miss Samie Jo Pittman, bride-elect of Wesley Cagle, was honored with a bridal shower in the home of Mrs. C. B. Beeson Thursday, August 21.

The serving table was laid with a white linen cutwork cloth. The center piece featured a white and pink net umbrella, which stood a bridal couple encircled with silver wedding bands.

The appointments were of crystal silver with crystal candelabra with pink tapers.

Miss Patsy Fred and Betty Lynn Pittman served decorated cake squares, pink punch, mints, and nuts.

La Honda Goldston registered guests in the bride's book.

Hostesses were Mmes O. S. Bristol, Leo Ammoneth, Henry Scarborough, N. J. Fred, Peggy Gordon, Lee Roy Waters, Ted Smithee, Homer Crabtree, Harold Poague, Dale Arthur, H. S. Timms, Rita Smith, and Patsy Fred.

Miss Pittman and Mr. Cagle are to marry August 31.

CARD OF THANKS

I would like to express my gratitude for the kindness and sympathy shown and for the many flowers and food that were given me during my hour of sorrow.

May God's richest blessings be with you.

Mrs. J. M. Gardner and family

The Keith Shipmans, along with Mr. and Mrs. Pat Young of Littlefield, were on vacation in Colorado.

MAY DISCONTINUE INSURANCE AFTER '58-'59 TERM

Supt. Noel Johnson reports that the school board is considering plans to discontinue the general student insurance program covering accidents after the 1958-59 school term. "In many cases," the superintendent pointed out, "this insurance plan duplicates similar insurance which the parents carry on the children in a family group."

The school WILL continue its insurance plan covering injury to students participating in athletic games governed by the Texas Interscholastic League.
