

ABERNATHY WEEKLY REVIEW

VOLUME 38 Hale County - Abernathy, Texas - Lubbock County

THURSDAY, FEBRUARY 12, 1959

NUMBER 14

Progress Report

Through lack of time, space, or insufficient details at press time, here are brief reports on Abernathy's current boom of progress:

Contractors are negotiating with Virgil Phillips for acreage on the south side of his farm, which joins Abernathy's north city limits, to build a large number of houses to sell on FHA, GI and other loans.

Abernathy Jaycees, meeting tonight (Thursday) will have guests from Olton, who will describe their experiences in setting up a recreational project such as planned on Abernathy's airport section.

Meeting last week, promoters of the local project drew up the Constitution and By-Laws of the Abernathy Municipal Recreation Center (formerly referred to as Country Club project). The constitution and by-laws, in full text will appear in The Review next week.

Site is being sought here for cattle feeding pens on commercial basis. In the near future, Lubbock is to have a 500-head-per-day slaughtering plant in operation, providing a ready, nearby market for finished stock in volume.

City Secretary Lawrence Carter says more street lights may be installed soon, and that the area east of the business section will be considered for lighting when the new highway through town is completed.

Official report has not been received on the new partnership purchase of The County Line Gin. Reshuffle of partnership ownership has been noted at Abernathy Gin Co. and Farmers Tucco Gin, both north of town. No official reports on either.

AMF Equipment Contracted For 12-Lane Bowling Alley Here; Meet With Builder

Nine Abernathy men have formed a partnership to build a 12-lane bowling alley in Abernathy. They have contracted for AMF automatic pinpotters and other AMF bowling equipment. A new building will be constructed on a site tentatively selected.

The group Tuesday went into contract with W. T. Settle to buy approximately one and one-half acres on the west side of the highway joining the Vineyard Addition on the south. The site, about 200 feet by 300 feet, generally is north of Antelope Drive-In Theatre.

The new building will face east. One side wall will be so constructed and braced that it can be removed for installation of additional bowling lanes in event business outgrows the 12 original lanes in the future. A large parking area will be provided.

If construction and installation schedules can be maintained, the new bowling alley should be in operation by late spring or early summer.

Tentative Site For New Gin

Twenty local men have formed a partnership to build a new gin here. The group has entered into contract with E. M. Davis for a 15-acre site on his farm south of town. The location will be east of the new highway, and approximately east of Antelope Drive-In Theatre.

Included in the partnership are Millard Hancock, C. I. and Irvan Rhodes, Horace Davis, Vic Struve, Charlie Ellis, Jack Lee, Vernon (Pig) Pettit, G. W. Thompson, Frank B. Lovelace, Roy Matthews, James Davis, Charles Lambert, Donald Huffaker, Joe Lovelace, Harold Davis, H. S. Tennell, Lloyd Edwards, Bob Riley and Don McKenzie.

In Dallas early this week to confer with cotton gin machinery firms were Charlie Ellis, Don McKenzie, Vernon Pettit, H. S. Tennell, Joe Lovelace and Harold Davis.

Soil Fertility Meet Set In Plainview Feb. 16

The Twelfth Annual Soil Fertility Meeting will be held in Plainview at the National Guard Armory on Monday, February 16, according to announcement made by County Agent, Ollie Limer, General Chairman.

A full day of talks and information that is of interest to farmers will be presented by specialists throughout Texas. The program will begin at 10:00 a. m. starting off with some door prize drawing which will be continued throughout the day.

Lunch will be served to those that attend through the courtesy of the Plainview Chamber of Commerce. A committee from the Chamber of Commerce will assist in serving.

F.F.A. NEWS

The thirty-one boys that went on the annual FFA trip to Fort Worth last weekend were the following: Joe Betanari, James Blalock, Kenneth Davis, Dennis Edwards, Byron Eldridge, Malcolm Eldridge, Keith Ellis, Jerry Green, Don Habbinga, Jackie Habbinga, Wayne Haral, Glenn Jones, Jerry Judkins, Carl Roy Kelly, John Hikes, James Klarka, Dan Middleton, Ed Peters, Thomas Pettit, Johnny Roberts, Leslie Stanfield, Roy Smithman, Bobby Teafel, Bobby Terrell, David Wain, Jackie Waters, Charles Wisdom, and Clem Leach.

The boys, who left here Friday, Jan. 30, stayed in the Arlington Heights Junior High Gym. After attending the Fort Worth Fat Stock Show and the rodeo on Saturday, the boys returned home late Sunday afternoon, Feb. 1.

ATTEND LANDRACE MEET IN FORT WORTH

Carl Phillips and Ercell Givens, local Landrace hog breeders, attended a meeting of the Texas Association of American Landrace Breeders in Fort Worth last week. Givens was re-elected vice president of that organization, and was notified from the Columbus, Ohio, headquarters of his election on Jan. 17, to the board of directors of the American Landrace Association, Inc.

1959 NEW GROWERS COTTON APPLICATIONS

According to J. Earl Laney, Chairman, Hale A. S. C. County Committee, Monday, February 16 is the final date for filing applications for 1959 New Grower Cotton Allotments. This would apply to farms with no cotton history for the years 1956, 1957 or 1958.

Patsy Scott on LCC Honor Roll

Patsy Scott, daughter of Mr. and Mrs. C. E. Scott who lives at Abernathy, because of her superior grades, has been included on the Honor Roll at Lubbock Christian College, as announced by Dr. Jack W. Dean. Patsy has achieved a grade point average of 2.5 during the fall semester, which is equivalent to a B plus record. She is a freshman at Lubbock Christian this year.

Mrs. Homer Rantz underwent surgery last week in a Lubbock hospital.

Girls Assured of Tie Antelopes Win District Crown With Victory Over Muleshoe

By DON JONES

The Abernathy Antelopes sewed up their first clear cut district championship in four years by handing the Muleshoe Mules a 60-35 defeat Tuesday night, and the Abernathy girls assured themselves of at least a tie for the district crown, their third in as many years, by going past the Muleshoe girls, 61-47, on the same night in Muleshoe's gym.

The win left the Abernathy boys with a 6-1 District 2-AA record, two games ahead of pre-season favorite Morton, who was upset by Lockney Tuesday night. The local girls have a clean 6-0 record, also two games ahead of their closest opponent, Muleshoe.

The Antelopes, hitting over 40 per cent of their shots, posted a quick 2-0 lead and held the Mules at bay the entire game. The Mules held only three leads, all early in the game, and the score was tied the same number of times.

After posting a 15-10 first quarter lead, the Antelopes increased their margin to 31-20 at intermission and 45-26 after three quarters.

Gerald Watson paced the scoring in the game with 13 points, followed by Phil Guinn and Jim Dye with 12 each. Darrell Oliver also added 12 points for the home team.

After holding a 15-12 lead at the end of the first period, the Abernathy girls trailed only once afterwards, 22-21, with two minutes remaining in the half. Following their lead, the Muleshoe girls were able to tie the game up at 23-23 before the local girls grabbed a 26-23 halftime lead and never relinquished it. The Antelope girls stretched their lead to 42-33 after three quarters.

At Olton The Abernathy teams will finish the district campaign Friday night when they meet Olton at Olton.

Abernathy Girls Retain Title In H-SU Cage Tournament

The Abernathy girls basketball team retained its title as queens of the West Texas hardwood last weekend by winning the Hardin-Simmons University Girls' Basketball Tournament at Abilene for the second straight year.

The Abernathy girls concluded the giant 16-team girls' tournament Saturday night by defeating three time tournament winner Hawley, 70-48, in the championship game before a capacity crowd of about 2,500 spectators in Rose Field House.

The local girls team became only the third team to win the tournament for two years.

In many ways the championship game between Abernathy and Hawley resembled the championship bout between Abernathy and Roby last year in the tournament. Abernathy and Hawley had almost identical records going into the game: 24-3 for Abernathy and 24-2 for Hawley. Last year Abernathy and Roby had identical records going into the final game. Each team was undefeated in 29 games. Abernathy's All-State forward Margie Guinn had the same number of points against Roby last year as she did this year against Hawley, 49, only one point shy of the tournament record of 49.

Antelopes Win Over Indians

The Abernathy Antelopes gained full possession of first place in the District 2-AA basketball race by upsetting the favored Morton Indians Friday night, 60-52, at Morton.

With only one game remaining to be played in district competition, the Antelopes have a full two game lead over the Indians. Previous to the game Friday night, the Antelopes and the Indians from Morton were deadlocked with one loss each. The Antelopes stand 5-1 in loop competition; Morton is 5-2.

For the Antelopes, the victory was sweet revenge for the team that dealt them their only district setback. The Indians edged past the Antelopes, 41-38, earlier in the season in the Abernathy gym.

For the second consecutive game, four Antelope players scored in double figures. Phil Guinn paced the scoring for the Antelopes with 16 points. Lane Fannell hit the bucket for 15; Gerald Watson connected for 12, and Bob Heath scored 10.

Before ending the first quarter with a 14-13 lead, the Antelopes allowed the Indians only two leads, both early in the game, before they outdistanced the home town team in the second and third stanzas.

The Indians jumped into a 2-0 lead on two free shots by a Morton lad before Phil Guinn hung a field goal and three free throws on the scoreboard for the Antelopes to put the local team into a 5-4 lead with 4:30 remaining in the first period. Gerald Watson stretched the Antelope lead to 7-4 on a field goal with only 3:30 left in the same period.

The Indians got their last lead of the game at 2:15 when they led 8-7. The game was tied at 9-9 with only 1:30 remaining before the Antelopes pulled away for their one-point advantage at the end of the first period.

After Gerald Watson scored a fielder with 7 minutes remaining in the second quarter to give the Antelopes a 16-13 lead. The Indians never got closer than three points in that period before the Antelopes ended the first half with a 27-21 lead.

Mrs. Thomas Conner opened the meeting with a poem. The program and demonstration on "Monty McClevey's Figurama" was given by Mrs. B. L. Farley, guest speaker, assisted by Mrs. S. M. Smith and Mrs. R. G. Loper.

Other guests and members attending were Meses. Emmett Loper, A. N. Johnson, T. A. Brewster, Millard Hancock, Lee Roy Smith, M. M. Bell, R. L. Hall, Thomas Conner, W. F. Wolf, A. Melvin Johnson, W. H. Loyd, R. Knight, E. L. Cain, J. B. Herring, Earl Davis, and the hostess.

The next regular meeting will be on Friday, February 20, in the City Club House. Mrs. M. M. Bell will serve as hostess. The program will be on "Safety in the Home."

Mrs. M. M. Bell, HD reporter Charles Ray Hobgood has moved to 1501 Ave. L.

Contract of Grid Coach Is Terminated by School Board

The Abernathy School Board, by agreement, has released Mr. Royal James from his contract for the current year, effective February 6, 1959.

This official statement, concerning action of Abernathy school board of trustees in a special meeting Thursday night, was read to high school students in an assembly meeting Monday morning by Supt. Noel Johnson.

Prior to the official statement, the board's action had only been a rumor around school. Officials felt the students were due this explanation of the absence of Mr. James.

James was head football and track coach and taught history in high school.

Two of Triplet Girls Are Dead

Two of the triplet daughters born Jan. 31, to Mr. and Mrs. Clifford Blevins of Abernathy died last week in a Plainview hospital. Reports to The Review Tuesday afternoon of this week indicated improvement and progress in the condition of the surviving baby.

The first of the triplets died Feb. 2. Her name was Micki. Grave-side rites were held at Abernathy Cemetery Wednesday of last week. Death came to the second triplet at 1:40 a. m. Feb. 6. Her name was Nicki. Grave-side rites were held here Saturday morning.

The Rev. Nathan Helms, pastor of the Assembly of God Church, officiated at rites for both babies, and Rix Funeral Home of Lubbock had charge of arrangements.

In addition to the parents, the two babies are survived by the other triplet, Vicki, and two other sisters, LaWanna and Debra; a brother, Chris, and the grandparents, Mrs. Marie Campbell and Mr. and Mrs. Roy F. Blevins, Sr., all of Abernathy.

ABERNATHY'S NEW DOCTOR IS HERE

Dr. William C. Reagan, M. D., announces the opening of an office for the practice of medicine and surgery at 710 Ave. E. The telephone number is 402, Abernathy.

Dr. Reagan has been practicing medicine five years, and he is a graduate of Tulane University in New Orleans, La. Prior to coming here, Dr. Reagan did general practice in Dallas.

He will be assisted in the office by his wife. For the benefit of those who are not familiar with street numbers, Dr. Reagan is located in the offices formerly occupied by the late Dr. Harry E. Williams, one block west of Reid Chevrolet and half a block south. Dr. and Mrs. Reagan are temporarily rooming in Mrs. H. H. Seike's home.

HENRY TUEBEL WILL SPEAK AT LODGE MEETING TONIGHT

Henry Tuebel of Tulia, District Deputy Grand Master for the 96th Masonic District, is to speak on "Lodge System of Masonic Education" at the stated meeting of Abernathy Lodge No. 1142 A. F. & M., during the stated meeting tonight (Thursday). The meeting is of open at 7:30 p. m. Kenneth Phillips, Worshipful Master, urges all members to be present, and extends an invitation to visiting Masons to attend.

Banquet Set

Abernathy Lodge is to have its Washington Day banquet and program in the school lunchroom Saturday night, Feb. 21, John Strong, a junior student at the Masonic Home and School in Fort Worth, is to speak during the program.

SHOW SET FEB. 24

The Jaycee-sponsored stage show, Mysterama, is slated for 8 p. m. Feb. 24, in Abernathy school auditorium.

for the remainder of the current school term, through May 23, when his contract normally would have expired.

Supt. Johnson said a replacement for Mr. James would not be secured for the remainder of the school term. Other high school faculty members will take over his history teaching duties, and Earl Carter, assistant coach, will handle the track coaching work for the current season.

Royal James came to Abernathy High School in 1951, from Pecos High School, where he was assistant football coach and head basketball coach. He attended high school at Lovaine, where he played football four years. He played football while attending Abilene Christian College and Texas Christian University, and while he was serving in the Armed Forces.

The AHS Antelopes, under the coaching of Mr. James in eight football seasons, chalked up 61 grid victories against 24 defeats. His teams gained a quarter final berth, a regional championship, two bi-district championships, and the winning or sharing of five district championships.

Mr. James began coaching the Junior High Yearlings football team in 1953. The Yearlings have won 41 games and lost seven since that year.

According to information from official sources, there was no question as to the good character or good morals of Mr. James, nor was there an official complaint against the football record he has made here the past eight years.

The feeling that it was "time for change" existed, and the school board initiated the move on that basis. It was the board's intention to follow the routine in this matter by renewing his contract, allowing him time to secure another position, then accepting his resignation. This was not acceptable to Mr. James, then the board, in a unanimous decision, voted to relieve him of his duties effective February 6.

No Future Plans

Mr. James brought this formal, written statement to The Review Monday morning.

"I was asked to resign. I had no reason to resign. My record is open and clear. I never have had, and do not now have anything to hide."

Royal James Mr. James said he has no plans for the immediate future. Although he likes coaching athletics, he said he might seek employment in other fields. At present, he plans to remain in Abernathy so his children can complete the current school term here.

SPANISH EVANGELIST TO SPEAK AT CHURCH OF CHRIST

The Church of Christ of Abernathy invites all Spanish people who will come to their services Sunday, Feb. 15th, both morning and evening services.

Joe Gomez, Spanish evangelist of Las Vegas, New Mex., will speak. Bro. Gomez is a native of Las Vegas and has spent a good part of his life working with the Spanish people of that area. He understands Spanish people and Spanish thinking and is well qualified to teach the Bible and has been singularly successful in this work among his people.

Brother Gomez is accompanied by Robert Payne who has recently been working with him in and around Las Vegas.

A number of business people of this city as well as the Church of Christ have given freely of clothes and other goods to these less fortunate people many times in the last few years. Brother Joe Gomez is supported in his work by the Broadway Church of Christ of Lubbock as well as by others.

HOT ROD MEET

Abernathy Hot Rod Club is to meet Monday, Feb. 16, 8 p. m., in the city hall. Officers are to be elected, and plans for the year's activities will be discussed. Everyone interested is invited to attend.

Four Cases of Scarlet Fever Reported Here

Due to the numerous inquiries, and warranted alarm over the recent epidemic of Scarlet Fever (sometimes known as Scarlatina) this information is offered.

Scarlet Fever occurs throughout the world, but most frequently in the warmer zones. Late winter and early spring seasons show the highest incidence. It is rare before 6 months, but more than 50 percent of all cases occur between the ages of 2 and 8 years. Young males are affected more than females, and non-whites are generally less susceptible than white persons. At the present the incidence and severity of Scarlet Fever are low in the U. S. A.

There were 46 reported cases in Lubbock County last week, and 28 reported in Hale County. There were four reported cases in Abernathy during the last two weeks.

The disease is spread by contaminated articles from a carrier, such as drinking or eating utensils, milk, food, or even from coughing, and contaminated klanex, etc. Signs and symptoms are sore throat, headache, vomiting, and fever (101 or 105). Usually within 24 hours from onset there are red spots in the mouth, and by the second day a red rash appears on the neck and chest and spreads to the abdomen and extremities. The high temperature usually subsides within 24 hours but temperature of 101 usually persists for 7 to 14 days. Characteristic scaling off of skin develops after about 4 days.

The death rate is lower than ever before in history but averages approximately 6 to 8 per thousand of the severe cases. At the present time, confinement of the patient is required, but quarantine of the entire family is left up to the discretion of the City Health Officer. Any further information may be obtained from your family Physician.

Dr. Kenneth Gregory City Health Officer

ABERNATHY HAS NEW CHIEF OF POLICE

Willard Opp, who recently moved here, began his duties as Chief of Police for the city of Abernathy Wednesday, Feb. 4. Mr. Opp has considerable experience as a peace officer, having served in that capacity for twenty-five years in Midland, San Antonio, and Post, from which town he came to Abernathy. Mr. and Mrs. Opp now reside at 408 10th St.

Abernathy First State Bank will be closed today (Thursday, Feb. 12). It is Lincoln's Birthday, a legal banking holiday set by the state banking commission.

Suit Against Commissioner Court Is Dismissed

On the 24th day of January, 1959, suit was filed in the 64th Judicial Court of Hale County, Texas by 25 taxpayers of Hale County by way of class action against Lee Nowlin, J. W. Odell, Homer Robertson, Rayburn Karrh and Doc Brown, individually and acting as the Commissioners' Court of Hale County, Texas, alleging that road construction or road equipment had been used on private projects and for the benefit of private individual landowners and taxpayers in violation of the Revised Civil Statutes of the State of Texas, and asking for a permanent injunction to stop this practice.

After this suit was filed, various positions had been circulated, primarily by farmers in Hale County, commending the members of the Commissioners' Court for using county road machinery and equipment for performing maintenance work on farms of this county, setting out that some of

the services would not have been available from other sources because many of the jobs were too small to be performed by private contractors. Such petitioners ask the Commissioners' Court to exert all efforts to continue to render such services and to attempt to defeat the efforts of those who would prevent the rendering of this service.

On Monday afternoon, representatives of both groups met with the Commissioner's Court, with Austin Mallow and Neal Landrum representing the complaining taxpayers and Charlie Schuler, J. C. Eiring, Jack Barton and Frank Moore representing the petitioning farmers in an effort to see if some satisfactory solution to this problem could be worked out.

After listening to the complaints against the use of county equipment presented by the taxpayers and also the statements by representatives of the farmers as to what services by county equipment

are still needed, both representative groups recommended to the Commissioners' Court that the Commissioners' Court continue to render services to the farmers with county road and construction equipment where it is needed by the farmer and where privately owned construction equipment is not available to perform such work.

The Commissioners' Court did not take any action on the controversy but individually stated that they were glad that the matter was worked out satisfactorily for both sides without a dispute in court.

The representatives of the taxpayers stated they were satisfied with the recommendations of the Commissioners' Court and felt that the Commissioners' Court would put the recommendations into effect and for this reason they were this date withdrawing the suit that they had filed against the Commissioners' Court. (See story on page 6.)

Antelopes Win From Longhorns

By DON JONES

With four players hitting in double figures for the second time this year, the Abernathy Antelopes remained in the thick of the District 2-AA basketball race by dealing the Lockney Longhorns a 65-41 loss in the Abernathy gym last Tuesday night.

On the same night the Abernathy girls won their 21st game by thumping the Lockney girls, 63-22. The victory over Lockney gave the Abernathy boys a 4-1 district record. The Abernathy girls have a clean 5-0 record in loop competition.

The Antelopes jumped into a 4-0 lead before the Lockney lads were able to hang their first score on

the scoreboard. The local boys were headed only twice in the entire game, both times in the early part of the game, before they began to outclass the Longhorns in every department.

After holding a 14-10 lead at the end of the first quarter, the Antelopes widened the margin to 30-19 at intermission time. The two teams fought on even terms in the third stanza, both teams scoring 13 points, before the Antelopes let loose with 22 points in the final canto.

The Antelopes were paced in the scoring department by Lane Tamehill and Jimmy Dye, each scoring 17 points. Gerald Watson bucketed 13, and Bob Heath added 10. Donald Ivie was high scorer for the Longhorns with 12 points.

The Abernathy girls built up a 23-12 lead at the end of the first

half, before the B string took over and finished the game.

Although playing only part of the game, Margie Guinn was high scorer with 29 points. Nelda Sanders scored 12 for the Abernathy girls. Janice Boedecker scored 17 of Lockney's 22 points.

The district race will come to a close this Friday night, Feb. 13, when the Abernathy teams will meet the Muleshoe teams on the latter's court.

DON CUNNINGHAM PURCHASES BONANZA

Don Cunningham has recently purchased a 1947 Beech Bonanza airplane. This plane is a four place model J-35, with 205 horsepower and cruises at a speed of approximately 165 miles per hour.

It was purchased through Champs Aviation of Lubbock and High Plains Aviation of Abernathy, sub-dealers under Champs. The plane has been relicensed and the horsepower increased over the original installation. Don has not had an opportunity to make any trips, but he contemplates doing so in a few weeks.

QUARTER HORSE SALE

Elmo Caudle and Jackie Caudle staged a sale of Quarter horses in Hale Center Thursday, Jan. 29, in which thirty head of horses were sold. All were high grade Quarter horses raised from blooded stock by the Caudles.

The sale brought \$28,469.00, averaging approximately \$949.00 per horse. The top sale was for four old mares which brought \$5,000.00. The top stallion brought \$1,300.00.

For breeding stock, they kept eight mares and two stallions, all high bred horses.

Buyers came from far and wide, Arizona, Wyoming, Tennessee, Connecticut, and many other states.

"The effective Bible expository preaching of Walter Price during the seven years that I have known him, has made him outstanding among students and young pastors. God has blessed his pulpit ministry. Because he has been a pastor, he will be well prepared to relate himself to other pastors and churches in an effective evangelistic ministry."

WALKING BY FAITH?

By LOYD E. ASH

Reading Time: 4 Minutes

A little girl in Sunday school was asked, "What is faith?" She replied, "Believing what God says without asking any questions."

But, too many times we want to put ourselves up before God as authority on various subjects, expecting that He succumb to our wills in such matters, even though it means He will have to forfeit His position on the subject.

When God speaks we are not left with an opinion of our own. His word is always the final authority and if we believe, we accept it as such.

When the disciples told Jesus on one occasion that His mother and brothers stood without, the Lord asked, "Who is my mother, and who are my brethren?"

NOAH is an example of a man who walked by faith. God told him to build an ark of a certain type wood, of certain dimensions, and other specifications.

faith" (Heb. 11:7).

On the famous day of Pentecost in the New Testament, a multitude of sinners asked the apostles, "Men and brethren, what shall we do?"

Often times today when we teach people that they must be baptized for the remission of sins, someone says, "But, I thought we are saved by faith?"

ABEL is an example of a man walking by faith in his worship of God (Heb. 11:4). Though he is dead, yet he speaks this lesson to us.

When we depart from the written Word to follow the teachings of men, we cease walking by faith.

Let us heed the advice of Solomon, "Add thou not unto his words, lest he reprove thee, and

There is to be a Traffic Court Conference in Austin Feb. 12 and 13. It will be sponsored by the Texas University School of Law, State Bar of Texas, Texas Safety Association, Inc., in cooperation with Governor's Traffic Safety Council, Dept. of Public Safety, Texas League of Municipalities, the American Bar Association, and the Attorney General's Department.

Reports, which are yet incomplete, show that 2,900 were killed in Texas in traffic accidents in 1958. The object of the above conference, of course, is to reduce this number to the minimum possible.

Bridal Shower

Ten County Line hostesses entertained Thursday afternoon, Feb. 5, from 2 to 4 P. M. in the home of Mrs. G. W. Blackmon of County Line with an afternoon tea and shower honoring Miss Bonnie Howard, daughter of Mr. and Mrs. Clifford V. Howard of Abernathy and bride-elect of Mr. Darrell Goodrich, son of Mr. and Mrs. Mathew Goodrich of County Line.

For the tea-shower, one of the most enjoyed since the announcement of the approaching marriage of the honoree, the bride-elect's selected colors of white and green were used in the appointments. Covered with a hand made white lace cloth over white linen, the serving table was centered with a large white bell decorated with green nylon net ruffle. The center piece was flanked by a large engagement ring holding a miniature China bride and groom shadowed by a large wedding bell holding a whitemilk-glass bowl of white stock floral arrangement. Printed on the large bell in gold letters was the date Feb. 20.

Guests were received by Mrs. E. M. Crow and Mrs. G. W. Blackman. Presiding at the refreshment table were Mrs. R. D. Presley and Mrs. W. H. Conn, assisted by Mrs. F. C. Bishop, Mrs. Elton Blackman, Mrs. A. H. Allen, and Mrs. Martin McGuire. The guest register was presided over by Mrs. G. W. Nelson. The hostess gift was a set of China.

Special guests present were the honoree, her mother, Mrs. C. V. Howard, Mrs. Mathew Goodrich,

Grain Meeting Set March 3-4

What promises to be one of the most significant meetings in the history of the Great Plains agriculture is scheduled March 3 and 4, at the Herring Hotel in Amarillo, Texas.

A Grain Sorghum Research and Utilization Conference, designed to bring together research and development of scientists from throughout the Nation, who are studying the utilization of grain sorghum through livestock, industry, and export outlets, is the attraction.

Being held in connection with the two-day conference are meetings of the National Grain Sorghum Research Committee, the Grain Sorghum Utilization Committee and the annual meeting of the Grain Sorghum Producers Association.

A distinguished list of some of the Nation's leading agricultural researchers will attend, according to Bill Nelson, Vice President of the Grain Sorghum Producers Association, who is chairman of the two-day program.

It is expected that the material presented by the researchers and grain industry leaders will be used as background material for the Association's domestic and foreign market development activities.

and Mrs. C. B. King of Lamesa. Many beautiful and useful gifts were presented to the bride-elect who is to be married on February 20 at the First Baptist Church.

Bridal Shower

Miss Bonnie Howard, bride-elect of Darrell Goodrich, is being honored with a bridal shower Friday, Feb. 13 from 3 to 5 p. m. in the home of Mrs. Joe Thompson.

Other hostesses are Mmes. A. R. Knight, A. C. Harris, J. B. Herring, M. M. Bell, Clyde Dye, H. Myatt, A. B. Reid, L. G. Deering, J. A. Bruce and Bill Schreier.

April 15 Set As Sticker Deadline

The Motor Vehicle Inspection Service of the Texas Department of Public Safety issued a reminder today that registered vehicles in Texas must be inspected prior to April 15. This announcement by Captain Alan Johnson stated that only 19% of the vehicles in region 5 have been inspected. Region 5 consists of 60 West and Northwest Counties.

"Many vehicles are operating on the highways with defective equipment, including a large number with only one headlamp," said Johnson. "These defects make a vehicle hazardous, in addition to being in violation of the law." He further pointed out that vehicles should be inspected early in an effort to avoid a last minute rush.

A check revealed that there are some 428,000 registered vehicles in this region. Following the April 15 deadline, Johnson advised that drivers will be subject to a fine of \$1.00 to \$200.00 if they operate a motor vehicle without a valid inspection sticker attached.

Captain Johnson also advised that all licensed trailers having a gross weight exceeding 4,000 pounds, are required by law to be inspected.

WEED CONTROL

The Hale County Noxious Weed Control District completed its first year of operation on December 31st. Following is a report of the work accomplished by the District during the year 1958.

1. Herbicides applied by the district, 312,154 pounds.

2. Total Hale County farms serviced, 243.

3. Total acres of Field Bindweed treated by the District, 304.

4. Requests for bindweed control submitted to the State Highway Department, 88.

5. Field Bindweed control demonstrations performed, 13.

6. Herbicides applied to county road rights of way, 64,670 pounds.

The Weed control district wishes to express its appreciation to the Hale County farmers and others concerned for their splendid cooperation in helping develop a county weed control program which promises to be an even larger success in the future.

The District believes that Hale County is becoming more and more weed conscious and that the county is making progress towards defeating this menace and threat of our farming economy.

Every Hale County farmer is invited and urged to use the facilities of the Hale County Noxious Weed Control District to meet his weed problems and receive aid in developing a program to fit his individual situation.

Hi-Lights From Junior High

New Students Enroll In Junior High

Last week found four new students enrolling in our junior high and to these new students we would like to say, "Welcome," and hope you stay in Abernathy will be a pleasant one.

Leonard Cortez, eighth grade, son of Mr. and Mrs. Andres Cortez, moved here from Muleshoe, Texas.

Larry D. Poage, eighth grade, and Ray M. Poage, sixth grade, sons of Mr. and Mrs. Earl Poage, came to our school from Olton.

Judy S. Brownlow, seventh grade, daughter of Mr. and Mrs. G. E. Brownlow, moved to Abernathy from Lubbock.

Mrs. Andy Reid Gives Book Review

The seventh and eighth grade students enjoyed another wonderful hour last Thursday afternoon when Mrs. Andy Reid brought them the story of "Swiss Family Robinson" in her book review of the week. Words cannot express our appreciation to Mrs. Reid for bringing us these wonderful stories, and we know that it is doing a fine job in our reading program as many students ask each time to check out the book and read it after hearing the story.

Junior High Students, Teachers, And Many Parents Enjoy Assemply Program

We were treated to another wonderful assembly program last Friday afternoon presented by students of the seventh grade. The program was as follows: Sextet: Sara Bruce, Susie Deering, Paula Owen, Joy Boone, Rita Evans, and Jane Roberts; and for their first number they sang "Secret Love" and their second number: "At The End of The Rainbow." Next an Instrumental Duet, "Allegheny Moon" by Mike Irish and Danny West; A poem "America for Me" by Lou Rogers; Piano Solo, "Norwegian Concerto" by Janie Brown; Vocal Duet, "My Happiness" by Rita Evans and Susie Deering; Poem, "Texas Our Texas" by Deanna Ritchey; Violin Solo, "Faith of Our Fathers" by Ronnie Wynne,

A Twirling Number by Pam Davis. Basketball At Its Best This Past Week

Our congratulations to the junior high boys in their games with Hale Center last Thursday night. The seventh grade team defeated the Hale Center seventh graders by a score of 19 to 11, and in the second game our eighth grade team won over the Hale Center eighth graders by a score of 23 to 17.

Then on Friday night Mr. Preston's Antelope turned on the heat to beat a very stubborn Morton team. Keep up the good work Antelopes.

Then a big three cheers for Mr. Wilson and Miss Oswalt, and their fine group of girls who played such fine ball in Abilene this past week-end. We are very proud of these fine girls.

We, in junior high would like to take this opportunity to thank the business firms in Abernathy for making it possible for the people to hear the broadcast of the girls game from Abilene.

Senate Journal Received In Junior High

Our thanks go to Senators Andy Rogers and Preston Smith for sending us the proceedings of the Fifty-sixth Legislature in the Senate Journal. This journal comes in very well in our social studies courses as we can keep up on the happenings down Austin way.

Mr. J. W. Sollis Teaches Seventh Grade Science Class

The students in Seven B Science enjoyed a lecture given them by Mr. Sollis on Weather in their class Friday morning. Thanks Mr. Sollis for bringing this important message to our class.

Junior High Library

Jr. H. Library has increased its circulation each week since the beginning of school. The average circulation is 52 books per school day. Students and teachers invite you to visit the library and see our HIT PARADE OF BOOKS. Each month the students vote on the book they have read the past month and liked best and the top ten are posted on the bulletin board in the library. This month's top ten are 1. Prince and the Pauper, 2. Lassie, 3. Down the Big River, 4. Fifteen, 5. Tom Sawyer, 6. Penrod, 7. The Black Stallion, 8. Mara, Daughter of the Nile, 9. Senecentho Summer, 10. Girl of the Limberlost. The increase in our circulation of books and the interest shown in the library by the students we feel is a result of the wonderful book review Mrs. Reid has been giving our students. We want to say thank you to Mrs. Reid for being so willing to give her time and talent to help the students like and understand good and entertaining reading.

Diana Elkins Re-Enters Junior High

Diana Elkins who withdrew from our school November 17, 1958 and moved to Amarillo has moved back to Abernathy and has re-entered school here. We are happy to have Diana back with us.

Going Places With Junior High

Mr. and Mrs. B. F. Moorman, Chief of Police, Friona, and Mr. and Mrs. Ed Duke of Friona were visitors in the Ike Pollock home Sunday.

Mr. and Mrs. John Scoggin and Family

Mr. and Mrs. John Scoggin and family from Lubbock and Mr. and Mrs. Karl Hansen and family from Amarillo, Texas visited in the home of Janey Scoggin and family.

Bruce Paxton and Family

Bruce Paxton and family visited in the home of Mr. and Mrs. Bruce Neal of Lubbock.

Linda Burnett visited in the home of Mr. and Mrs. Calvin Davis in Lubbock Sunday.

Janie Brown, Susie Deering and Linda Jo Brezel went to Clovis, New Mexico Sunday with Deanna Ritchey and family to visit in the home of Mr. and Mrs. Gerald Spies.

Mr. and Mrs. Floyd Morehead of Littlefield visited in the home of Pat Davis and family, Sunday.

Sara Bruce went to Hobbs, New Mexico over the week end to visit Mr. and Mrs. James Bruce and family.

Mr. and Mrs. Jack Hager of Lubbock visited in the home of Rita Evans and family Sunday.

The following students and their families went to Abilene this week-end. Sherry Wilson, Dianne DuBose, Leon Johnson, Elaine Bilbrey, Eddie Davis, and Danny West.

Mr. and Mrs. Ray Boyce, Ricky Lane and Kim Chavers visited in the home of Kay Boyce.

Mr. Frank Scott from Borger visited in the home of Cherylene Bradley.

Gid Adkisson and family went to Petersburg Sunday to celebrate his Grandmother's 75th birthday.

James Waters visited Mr. and Mrs. Fulton Glen at Soper, Texas Sunday.

Miss Bernice Amy visited in the home of Norma Condray.

Travis King from Amarillo visited in the home of Linda Kemp Sunday.

Janie Pearce and family visited in the home of Joe King in Plainview Sunday.

Lakeview News

Mr. and Mrs. Jimmy Belt and Mrs. O. S. Bristow accompanied by Mr. and Mrs. Jim Collins of Colorado City, left Thursday for California. The Belts and Collins will visit the Belt's son and family. Mr. and Mrs. Jerry Belt at Ontario, and other relatives in Los Angeles and Pomona. Mrs. Bristow will visit relatives in Tulare. They plan to be away two weeks.

Lawrence Amerson visited an uncle, Price Amerson near Hamlin, Texas Thursday. He was accompanied by Raymond Amerson, Petersburg.

J. A. Smith and Warren Brown were in Colorado City Monday.

Mrs. Nita Overton of Mountainaire, N. M. spent last week in the Jack Lee home. Mr. and Mrs. Lee were in Las Vegas, Nev.

Mr. and Mrs. Fulton Flenn of Ropesville visited in the L. P. Amerson home.

Mrs. Winston Wilson of Friona spent several days last week with her parents, Mr. and Mrs. E. L. Fisher.

Mr. and Mrs. James Holcomb and little grandson, Larry Baker of Lubbock visited in the N. Matthews home Sunday.

Mr. and Mrs. H. C. Timms visited at Shallwater Sunday with Mr. Timms brother. They also visited Mrs. Homer Rantz in Methodist hospital.

Mr. and Mrs. A. R. Dubose, Dianne and Jerry Watson spent the weekend at Abilene.

Mr. and Mrs. Weldon Richie of Hale Center spent Sunday in the home of Mr. and Mrs. Fred Crenshaw.

Mrs. Udell Adams and children, Ayr and Fraven, visited her grandmother, Mrs. M. Griffith in Tulsa Thursday.

Miss Reita Smith, Mmes. C. B. Eeason, H. G. Timms, W. W. Adams, N. Batthews, H. N. Meadows, N. J. Fred, Udell Adams, C. D. Rhodes and Patsy Fred were co-hostesses for a bridal shower honoring Mrs. Don Goldston, the former Doris Patton in Fellowship Hall at the First Baptist Church in Petersburg Friday afternoon, Feb. 6. Other hostesses were from Petersburg and Section.

Mrs. Gist Shower Honoree

Mrs. Billy Gist was honoree at a pink and blue shower Wednesday morning at 9:30 in the home of Mrs. L. P. Amerson with Mmes. Dwain Bristow, Jack Jackson, Billy Harrison, Herbert Watson and A. R. Dubose as co-hostesses. The serving table was centered with a large Valentine arrangement and Valentine plate favors were used. Cookies, mints, coffee and cocoa were served. The reception room had decorations of large pink and blue storks, and a centerpiece of a small stork and baby bed in a net covered arrangement. Twenty-one guests registered.

N. Matthews received a message Thursday that his brother-in-law, G. L. Ragan in Albertville, Ala. had passed away at his home there. He was past 80 years of age and had been in declining health for some time.

Mrs. H. G. Timms and granddaughter, D'Aun Carnes of Salton, Ava and Fraven Adams spent Tuesday at Anton in the home of Mr. and Mrs. Gordon Timms.

The occasion was to attend a birthday party for Dorenda Timms.

Marry Saturday

Miss Charlie Mae Harp and E. L. Griffith were united in marriage Saturday morning, Feb. 7, at 10 o'clock. Rev. H. B. Coggin performed the ceremony in the First Methodist church in Abernathy.

Jack Jessor of Lubbock played organ selections preceding and during the ceremony.

Mrs. Wesley Webb was the bride's attendant and John Bickley of Lockney was best man.

Before her marriage, Mrs. Griffith was employed in Dallas. Mr. Griffith farms near Abernathy.

50th Wedding Anniversary Is Observed

Mr. and Mrs. H. C. Crow of 2717 Dartmouth St., Lubbock, marked their 50th wedding anniversary Sunday.

They were married Feb. 7, 1909 in Cook County near Gainesville. Mrs. Crow is the former Miss Melinda Harris of Burneyville, Okla.

In 1918 they moved to Memphis and came to Abernathy in 1941. Crow was a farmer. They came to Plainview in 1943 where he worked in a machine shop and as a caretaker for a church.

The couple have seven children, Mrs. M. L. Rogers of Lubbock, Weldon Crow of Taft, Cal., Mrs. Cleatus Lebow of Brownfield, Mrs. Bob Douthis of Wheeler, Kenneth Crow of Roswell, N. M., and Mrs. Clyde Fulkerson of Plainview.

They have 21 grandchildren and five great-grandchildren.

Bryan Medlin and children have moved from Southwestern New Mexico to a farm he bought early this year near Petersburg.

Those visiting in the home of Mr. and Mrs. Gene Kemp Sunday were Mr. and Mrs. Robert Pierson and girls, Mrs. and Mrs. Jim Pierson, Mr. and Mrs. Troy Pierson, Mr. and Mrs. Porter Kemp and daughter, Mr. and Mrs. C. L. Debard and girls all of Lubbock and Mrs. H. W. Johnson and son and Letha and Lana Helms of Abernathy.

Income Tax Information

It is tax time at the Internal Revenue Service. Every Monday morning thousands of North Texans call the magic IRS telephone number for the answer to those baffling tax questions. Other taxpayers find it necessary to visit one of the 21 Internal Revenue Service offices located in major cities throughout the northern half of Texas.

District Director Ellis Campbell, Jr., of the Dallas office, who supervises the Internal Revenue Service district covering 143 counties in the northern half of Texas, has answered the ten most common questions being asked this year:

(1) Can I use the new card form 1040-A? Yes, if your income is less than \$10,000 per year and you do not desire to itemize your deductions you can complete the simple Form 1040-A. These cards are available to all Internal Revenue Service offices, most banks, and Post Offices;

(2) I am an employer. What are the new FICA tax rates for Social Security withholding on my employees for 1959? Answer: The new tax rates were provided to all employers on an extra sheet attached to the Form 941 mailed during the last week in December; (3) I am an employer. When will I receive the new Circular E which gives the new Social Security rates for my employees? Answer: Unfortunately, the new printing of this publication has been delayed. We expect to be able to mail the Circular E to the more than 92,000 employers in our district during the first week in March;

(4) Since the Internal Revenue Service took line 6 (a) of the Form 1040, how do I claim my travel expenses on your 1958 return? Read the instructions on page 6, entitled "Employees' Business Expense"; (5) What can I claim as a medical expense deduction? Answer: Medical expense deductions are explained on pages 9 and 10 of your Form 1040 instructions this year. Most taxpayers will have no trouble in taking the medical expense deductions if they will read the instructions; (6) I am an employer. How do I figure my state unemployment credit on the tax Form 1040? Answer: The instructions on how to figure state unemployment credit is attached to the Form 940 that was mailed on December 24 to the more than 40,000 North Texas employers due to file this tax return. Employers who do not understand the instructions can obtain additional help from any Internal Revenue Service office; (7) Do I have to file an estimated return? Answer: The tax instructions mailed to taxpayers with 1958 forms set out the requirements on page 14 on who must file. If you have income other than wages you should plan to file an estimated tax return along with your income tax return for 1958 by April 15; (8) I am an employer and I have not received my Employer's Federal Tax Return, Form 941. These forms (more than 92,000 of them) were mailed on December 24 to employers. This is earlier than the usual mailing and the form may have been lost in the Christmas shuffle. If the employer cannot find the form, he should contact Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas, and we will furnish a duplicate form; (9) I am an employer. Why have I not received my forms W-2 and W-3? Answer: Publication 393, the booklet containing the Form W-2 and W-3 were mailed to more than 92,000 employers in our district in September, 1958. Last year was the first year that Forms W-2 and W-3 were mailed to employers in booklet form and we received more than 20,000 telephone calls and letters asking for these forms: We hope that next year everyone will be familiar with the form booklet, Publication 393; and (10) What deductions can I claim under the new law changes? Answer: There are more than 200 changes in the income tax law under the 1958 Technical Amendments Act change. Only a few of these changes affect the average individual. These are contained in the tax instruction booklet you received in the mail with your 1958 Form 1040. We advise you to read your instructions carefully and file early.

Chitchats From AHS

By DON JONES Review Staffman

Last weekend was indeed a great time for local basketball fans! With the girls winning the Hardin Simmons Tournament for the second year, and the boys defeating Morton to grab the lead in the district race, it was about as much as anybody could ask, at least for one weekend.

Tuesday night left the Abernathy teams even more to crow about. The boys wrapped up the 2-AA District championship with a win over Muleshoe, aided un-

expectedly by Lockney, who eliminated Morton from the running by dealing the Indians their third loss of the year in the district race.

The Abernathy girls, in affect, wrapped up their present for the year. Although assured only of a tie for the championship, the girls defeated Muleshoe, the only team that had an outside chance at the crown. With only two games to be played, those against Morton and Olton, the girls need only one more victory to clinch the title.

So, for the third time this year, the Abernathy Antelopes will meet the Dimmitt Bobcats, this time in the bi-district playoff. The Abernathy girls will probably meet Friona in the bi-district clash.

Congratulations to both teams!

In a record turnout of Abernathy High School voters last Wednesday, Billie Vance Houston was chosen Miss AHS and Lane Tannehill was given the honor of Mr. AHS. For Most Beautiful, there will be a run off between Frankie Manley and Linda May. Richard DuBose and Harold Thompson are in the run off for Most Handsome.

227 votes out of a potential voting force of about 250 students were cast in the all-campus election last Wednesday.

A Valentine Tea will be given by the AHS Student Council this Friday in the speech room. All students are invited to come and "sip" tea between periods.

School will be dismissed at 2 o'clock Friday.

Important dates on the calendar: March 5—National Honor Society Installation service; March 6—Teachers Meeting (holiday for students); April 3—Junior-Senior Banquet; April 21—Senior play; May 8—Athletic Banquet.

"Should I follow Plan A or B?" This is a big question in the minds of many cotton farmers. Those who don't completely understand the plans or can't decide which to follow are advised to see their local county agents or other authorities who can explain the plans and possibly help individuals make a wiser decision.

WONDER FAX

THE HOG does not make a "hog" of itself. The hog does not overeat and takes only what it needs, no matter how much food it is given.

ABERNATHY School Faculty, 1918-1919, was composed of these six persons. They are, back row, left to right: Mrs. Sam Smith, George Ragland (just back from duty in World War I) and Mrs. Ola Legg; front row, left to right: Mary Evans, Drucilla Shopshire, and Mrs. Boyd, superintendent. (From the photo collection of Mr. and Mrs. W. A. Richter.)

What Makes Abernathy Tick?

By O. F. REA

Money spent in Abernathy for material, labor, services, merchandise, and many other things is one of the main items that keeps Abernathy ticking.

Brown Pipe Supply of Abernathy, a locally owned concern, has spent in 1958 \$32,000.00 for labor and salaries, \$18,000.00 for gas, oil, and maintenance on their equipment.

They have twelve employees, and with the two proprietors, this makes fourteen people living off of this home town concern.

J. W. Stricklin and Cliff Howard, without much belly-boo, have done and are doing just this. They have laid 110,000 feet of irrigation pipe locally, 12 and 48-inch pipe in Abilene, and 24,000 feet in Sweet-

water. In closing out the three-day circuit convention for Jehovah's Witnesses at Woodward, Oklahoma, Kenneth R. Savoy, district supervisor of Brooklyn, N. Y., said, "Jehovah's purpose for man and this earth is one of happiness, peace, and everlasting life in a new world, whereas this old world under man's direction is preparing for its final destiny of turmoil, strife, and death."

All this business goes through the local bank which helps in employment of local people. This information was provided by Mr. Stricklin and Mr. Howard.

Farmers Protest Injunctive Action on County Equipment

A group of Hale County land owners and farmers are organizing to oppose the application of 25 Hale County citizens in 44th District Court for an injunction against the commissioners court of Hale County to prevent use of county earth moving machines, bulldozers, trucks, graders, and similar equipment for any private purpose, except soil conservation and work of public benefit.

Among the leaders in the movement are Tommy Applewhite, L. F. Lowry, Earl Jean Beach, Peyton Barrington, Fred Hubbard, Oscar Allen, Harmon White, Dick Sturdivant, and others of Cotton Center, where the movement originated.

Applewhite said that others were working in their areas to obtain representative attendance at a meeting with the Hale County Commissioners Court last Monday afternoon. The court set the date complying with their request.

In the Plainview are Thurman Thomas, H. E. Burnett, J. C. Eiring, and others, who attended a meeting of farmers from over the county with the court last week, will seek land owner-farmer cooperation in this area.

"We don't think the county should use its equipment on big jobs, on which private contractors can profitably serve," Lowry said. "It is often that big equipment is needed, is not owned in the neighborhood, and not available, while the county will have big equipment nearby and can move in on a job and get it done at its convenience, where it would be impracticable and prohibitively high if a private contractor would move his equipment in from a distance."

"There is a lot of slush pit digging, border construction and private road grading which the county is doing, much to the advancement of agriculture in the area. It is paid for at an hourly rate equal to or above private contractor rates. The cost of moving private equipment to these small jobs would greatly increase the cost to the farmer, and the work would be delayed until the private contractor could conveniently get on the small job. Many jobs that are sorely needed would never be

done, without the use of county equipment. Farmers are paying their way and want nothing of the sort free," he said.

"Farmers are willing to pay out of pocket cost for this work," said Tommy Applewhite. "There have been great changes in conservation practices, and much of the work that is complained of is in keeping with modern needs. If the law prevents such practical use of public equipment, wherein the farmer repays its cost, then maybe we need to get the law changed."

"A sudden about-face on the part of the county would certainly be an unexpected hardship," G. M. (Pappy) Carr and others circulated petitions here last week to present at Monday's meeting with the Commissioners Court. Hundreds of local taxpayers signed the petitions seeking to keep services of county road machinery available to farmers on the same basis as has been customary for the past several years.

OPTOMETRY: The Art and Science of Visual Care

Are YOU horse and buggy?

Some people still hold to Horse and Buggy ideas—even about their vision. Some think vision examinations are a simple 5-minute procedure. Actually it takes almost an hour, sometimes more, to make a complete visual examination. That's simply because the demands on vision today are totally different than 50 years ago.

An ethical optometrist always examines not only for present seeing problems, but for problems that might arise in the future. Preventive care is a fundamental part of any profession—especially OPTOMETRY.

HUMPS ARE GREAT! BUT...

NOT FOR CARS

'59 MERCURY CUTS THE HUMP IN THE FLOOR WAY DOWN. FIRST CAR WITH REAL COMFORT—even FOR CENTER-SEAT PASSENGERS

For 1959, Mercury's got what the other new cars forgot. For example, Mercury is the only new car that remembers "the man in the middle."

Other new cars still have that big tunnel-hump in the center of the floor. The so-called "6-passenger" models are only comfortable for 4 passengers. Center-seat passengers ride with their legs doubled up. But Mercury has cut the hump in half—shrunk it into a footrest. Seat cushioning is deep and soft. There's solid, stretch-out comfort wherever you sit.

Stop in. See all the ways Mercury turns problems into pleasures: windshield wipers that clear even the center, doors that are easy to get through (wider than in the costliest cars). And so much more—all at a price that 2 out of 3 new-car buyers can afford.

Retrospection . . . the history of Abernathy area

By FINIS ROBERTSON

Installment No. 5

The First State Bank was organized in 1909. The bank opened for business on the morning of Dec. 17 with a capital stock of \$10,000. The original stockholders were W. A. Shelton, S. R. Merrill, W. H. Eagland, C. A. Burrus, M. C. Overton, V. S. Stambaugh, and N. C. Hix.

In the 50-year old record, the signature of L. A. Harral shows that he purchased the shares from one of the above men.

All of the gentlemen herein mentioned in the foundation of this banking firm have passed on to their reward.

In the earlier years W. A. Richer worked for the institution for six years. Among other employees over the years were Leonard

Harral, Mrs. Della Shaw Drew, and Miss Beatrice Matejowsky, later Mrs. N. C. Hix.

However, for more than four decades, the chief individual and spokesman was N. C. Hix.

No man, in all the acquaintances among men anywhere which I have ever known, was more faithful to his job than N. C. Hix.

Whether it was good years or lean years, the little bank seemed to do a vast volume of business. Abernathy, even from the start, was a good trading place. There was the sale and shipments of livestock such as hogs, cattle, sheep, and most of the years there were many products of the soil.

Business transacted through the local bank for the past 50 years is most unlikely unrivaled by any other bank in this neck of the country.

By the time Andy Reid and Erzell Givens came along it was not unusual for them to work

all day and half the night at their place in the bank.

The building which stood where the Ford House is today, was very small, and the first brick building for Abernathy.

The First State Bank, in their new banking house, which was completed this year, cost about \$165,000. At present it has a capital stock of \$125,000. The firm opened for business in its new home June 8, 1958.

Anyone with even a slight degree of civic pride today is proud of the First State Bank, especially the neat arrangement of the spacious interior.

TUCO POWER PLANT
This steam turbo generating plant is located about four miles, by the pavement, north of Abernathy. It was completed in 1930, and it has had considerable added construction in 1940 and again in 1949. Its payroll for many years has been a great boost to the community, and its taxable payments to the Abernathy schools has been a life saver during the strenuous years of the past.

There are twelve families living in the Tuco houses and the others, for the most part, live in Abernathy.

Neighboring the power plant are the Shamrock Company and the local Cotton Warehouse Company. These two establishments have invested vast property holdings, all of which gives the land to the north a kingdom of rural industry.

These institutions and the fine homes have greatly changed the picture since the old days.

Installment No. 6

Along about the time of the old school platform Chautauqua when the late William Jennings Bryan

came to Hale County, on two occasions, and in those years when it was so dry that a stock farmer got so poor that he would do well to keep his thigh bone attached at both ends, a Jew dry goods merchant came to Abernathy.

One day after the blast of yellow summer had passed, this young merchant got into a heated argument over the Bible and religion with Uncle Fritz Struve. Finally the Jew, red with anger, shouted, "If you don't think there is any hell, then where has my business gone the last three months."

partment of education at Texas Tech, who spoke on "American Education—Why?"
He stated that American Education was approaching the most critical stage in its entire history. America has a literacy rate of 92, the highest of any country in the world. How did we achieve such an enviable rate? Through our system of public education which is available to all classes of people.
He gave four points on American Education that we must all concern ourselves with if we are to meet the crisis that threatens our educational system—namely:
1. Who should be taught? Any child living in America who can profit by instruction. 2. What shall schools try to accomplish? 3. What shall be taught? 4. Who shall teach?
The founders day committee assisted by the hospitality committee served coffee, cakes and cake for a social hour preceding the meeting.
American Education week will be observed at the next meeting on March 5 at 7:30 p. m. A band concert will be held in the auditorium. The school visitation will be held in the various buildings.

WIN H-SU CAGE TOURNEY

(Continued from page 1)

point for point, and the local girls retained their 17-point spread, 48-31, going into the final quarter.
In the final quarter, the Hawley females could do no better than get within 18 points of the defending state champions.

Eula Wins Third
The Abernathy victory over Hawley snapped a 13 game winning streak for the Hawley girls and extended the Abernathy girls' winning streak to 16 consecutive games.

Eula survived a last quarter scoring spree by Winters to take third place in the tournament, and Avoca stopped Baird, 44-37, to win the consolation championship.

Meet Olton
The Abernathy girls, who are 8-6 in District competition, will meet the Olton girls Friday night in Olton in a district game.

BOWLING NEWS

Young's Dress Shop team moved into first place by winning 3 1/2 games in Bowling Monday night at North College Lanes, in the Women's league. For the men Thompson Implement team won 3 games to take first place.

Marlene Shipman had high game and series for the women with a 192 game and a 531 series. Alvin Hardin had high game for the men with 213 and W. C. Clement had high series of 565.

In the Women's league Young's won 3 1/2 from Abernathy Sheet Metal, Marlene Shipman 192-531, Murtice Nesbitt 184-455; Graham Restaurant won 3-1 over Cunningham Gin, Jennie Chapman 169-419, Theo. Struve 416, Alice Selke 174-407; Abernathy Co-op Gins won 3-1 over Johnston Insurance, Mary Drace 170-492, Dorothy Davenport 164-463; Bruce Furniture won 4 games by a forfeit from McKenzie Insurance, Zelma Hale 165-477, Maxine McKenzie 143, Karen Bradley 143-360.

In the Men's league Thompson Implement won 3-1 over County Line Co-op Gins, A. B. Teaff 201-474, Donald Huffaker 178-466; Bill Wolf & Sons split 2 with McAlister Grocery, Curtis Lebow, 190-459, Bill Pittman 188, J. D. O. E. S. Meeting

Ladies of Abernathy Chapter No. 877, Order of the Eastern Star, were honored with a Valentine supper Thursday night, Feb. 5, preceding a stated meeting of the chapter.

Two new members received the degrees of the Order in the meeting which followed, as Mrs. Boyd Oldham, Worthy Matron, and Larry Deering, Worthy Patron, presided.

Mrs. Oldham announced the degrees of the Order in the meeting of the Worthy Grand Matron, Mrs. Byron Pauls of San Antonio, to be held in Lubbock April 18.

Rev. H. B. Coggin spoke on the relationship of the Masonic Lodge and the Order of the Eastern Star.

Forty-eight members and two guests were present.

The hall was decorated in the Valentine motif with clusters of red paper hearts suspended in the East and West. A large heart of red satin and white lace, enclosing a white and gold cupid figurine, framed the Worthy Matron's station. A similar heart was placed in the West. Smaller hearts tied with satin were at the star point stations with lace cupids suspended above the Conductress and Associate Conductress. Lighted tapers and arrangements of

P-TA NEWS

Abernathy P-TA met in regular session at 3 p. m. Feb. 9 in the school auditorium. Mrs. E. A. Houston, president, presided for a short business meeting. The minutes of the last meeting were read by the secretary, Mrs. John Hale. The treasurer, Mrs. Elza Lambert, gave a report and Mrs. W. B. Albers gave a report for the nominating committee. The secretary read a letter from Edris German, thanking the organization for selecting her as recipient of the P-TA scholarship last year.

The program opened with a group of cub scouts giving the flag salute and some interesting facts about the Boy Scout movement whose birthday is celebrated this month along with the 62nd birthday of the Congress of Parents and Teachers.

Supt. Noel Johnson introduced the speaker of the afternoon, Dr. Morris Wallace, head of the de-

partment of education at Texas Tech, who spoke on "American Education—Why?"

He stated that American Education was approaching the most critical stage in its entire history. America has a literacy rate of 92, the highest of any country in the world. How did we achieve such an enviable rate? Through our system of public education which is available to all classes of people.

He gave four points on American Education that we must all concern ourselves with if we are to meet the crisis that threatens our educational system—namely:

1. Who should be taught? Any child living in America who can profit by instruction. 2. What shall schools try to accomplish? 3. What shall be taught? 4. Who shall teach?
The founders day committee assisted by the hospitality committee served coffee, cakes and cake for a social hour preceding the meeting.
American Education week will be observed at the next meeting on March 5 at 7:30 p. m. A band concert will be held in the auditorium. The school visitation will be held in the various buildings.
Norman Stone has moved to 1106 12th St.
