

ABERNATHY WEEKLY REVIEW

"IN THE PALM OF THE PLAINS"

VOLUME 38 Hale County - Abernathy, Texas - Lubbock County

THURSDAY, JUNE 25, 1959

NUMBER 33

Final Preliminary Plans Approved By School Board

In a special meeting of the Abernathy School Board held last Friday night, June 19, the school board members approved the last of the preliminary plans for Abernathy's school expansion program. Other phases of the preliminary plans had previously been approved by the board members.

The architects reported that work on the plans and specifications is coming along nicely. These plans will be ready to let early this fall.

During the meeting a board of equalization was appointed. Also at this meeting it was reported that the rebuilding of the south wall of the old gymnasium is progressing very satisfactorily.

33 Local Boys To Compete In Soap Box Derby Races Monday Night

The annual South Plains Soap Box Derby races are to be held Monday night, June 29, at 7:00 o'clock in Lubbock. This is said to be the earliest race to date in the Derby's history.

Prior to the big race, a final inspection of all racers entered in the event will be inspected at Modern Chevrolet Co. in Lubbock this Saturday afternoon. A preliminary inspection of the racing cars of the local entries was conducted last Thursday by Derby officials at Reid Chevrolet Co.

Those boys who do not have available transportation to take their racers to Lubbock for the final inspection on June 27 are asked to take their cars to Reid Chevrolet Co. early that morning. Trucks will be available there for that purpose.

Entries Listed

Thirty-three Abernathy boys and one New Deal lad will enter this year's Derby races in Lubbock Monday night, announced Edwin Crow, who is in charge of Derby activities here.

Following is a list of local boys planning to enter the June 29th Derby in the Hub City:

Joe Rex Thames, 11, son of Mr. and Mrs. J. B. Thames, Graham Restaurant.

Don Hughes, 14, son of Mr. and Mrs. George Hughes, Pioneer Natural Gas Co.; C. L. Stallings, 14, son of Mr. and Mrs. Harold Stallings, First State Bank; Mike Miller, 13, son of Mr. and Mrs. J. L. Miller Plains Gas Co.; Bob Teaff, 14, son of Mr. and Mrs. M. R. Teaff, County Line Coop Ginery.

Doyle Glenn Fuller, 11, son of Mrs. Lois Fuller, Hammond Maytag Sales; Wesley Knight, 11, son of Mrs. and Mrs. Jesse Knight, Struve Mercantile; Bobby Knowles, 13, son of Mr. and Mrs. Richard Knowles, Abernathy Jaycees; Gayle Adams, 14, son of Mr. and Mrs. Bob Adams, Carl Phillips Farm Store;

Ronnie Patton, 12, son of Mr. and Mrs. Jack Patton, Wilkinson Trailer Sales; Edward Ratliff, 11,

(Continued on page 5)

Sisters Reunited After 39 Years

Mrs. Lela Hamm of San Francisco, California, is visiting in the home of her sister, Mrs. Mary E. Johnson. This is the first time they have seen each other in over 39 years, having last been together 40 years ago this fall.

Mrs. Hamm arrived in Abernathy Monday night, June 22, her train having been delayed in Lubbock due to heavy rain and stormy weather.

Mrs. Johnson and Mrs. Hamm plan to travel to Arkansas in the near future to visit with another sister and a brother, and hope to meet their sister of Wichita, Kansas, ahead of them there.

Young People Doing Summer Mission Work

Five young people of the First Baptist Church are engaged in mission work this summer. Pastor Joe Griffin declares that this is a real honor to the church. It is a revelation of the depth of spirituality of the youth of the church.

Vaughdeen Allen and Evelyn Lyles are serving on the staff of the Baptist Encampment at Glorietta, New Mexico. Glorietta is the largest Baptist Camp west of the Mississippi River.

Yvonne Hager is serving in the Department of Recreation in Fort Worth. Her afternoons are spent on the staff of the Riverside Baptist Church of Fort Worth. The Riverside Church is one of the

School To Begin Driver Training Course July 6

Noel Johnson, superintendent of Abernathy public schools, has announced a summer driver's training program to begin July 6, for 16 freshmen students of AHS. Freshmen students who are interested may register in the office of J. W. Solis, high school principal, Monday, June 29, at 2:00 p. m. Participants for this course will be registered on a first-come, first-served basis, with members of the AHS band having preference due to tight schedules during the coming school year.

Classroom sessions will be held Monday through Friday from July 6 through July 17. Monday, July 20, will be test day. Beginning July 21 and continuing through August 11, (Monday thru Friday), teams of drivers will drive from 9:00 a. m. until 12:00 noon and

HOLLAND GRAVES, Chief Inspector, on the left side of the car, and Derby Director Dorrance Guy (partially hidden) of the Lubbock Avalanche-Journal on the right side of the car, are shown here inspecting the racer of Mikey Carter (back to camera). At right are Edwin Crow, director of Derby activities in the Ab-

RICKEY LYNN SMITH, 11-year old son of Mr. and Mrs. M. E. Smith, is shown above with his Soap Box Derby Racer being weighed by Edwin Crow, as part of the preliminary inspection which was conducted at Reid

Full Rehearsals Planned For Jubilee Pageant

Mrs. A. B. Reid, who has written the script for Abernathy's Golden Jubilee Pageant, "The Palm of the Plains," which is to be staged, Saturday night, July 11, reported to The Review that there is to be a full rehearsal of all participants in the pageant and all who are working with these people in any way Tuesday night, July 7, at 8:15. After this full rehearsal on Tuesday night, there will be another full rehearsal on Thursday night, July 9, same time, to correct any errors made on Tuesday night.

Mrs. Reid stated that rehearsals were started last week for the individual episodes, therefore allowing the directors as much time as possible with each group prior to the full rehearsals when all participants are to be present. She also stated that they have received wonderful cooperation from the participants thus far. A few of the teen-agers in the pageant have not been showing up or have been late for rehearsals due to other activities.

Mrs. Reid has spent many hours in research and going through old papers, church records, and other accounts of the times in an effort to present an authentic review of Abernathy's early days.

Several committees were selected to help with the presentation of the pageant. These committees, casting, production, costumes, music, staging, and lighting, have done wonderful work. They too, are to be present for the full rehearsal! Tuesday and Thursday nights, July 7 and 9, at 8:15.

1958 Unpaid Taxes Delinquent July 1

A tax notice, appearing in the Plainview Daily Herald and this issue of The Review, gives notice to all persons who have not paid their 1958 State and County taxes. 1958 taxes that are not paid will become delinquent July 1, 1959, and at that time penalty and interest will increase from 7 1/2 to 11 percent, plus \$1.00 redemption cost.

These taxes are payable at the County Court House in Plainview, to Marshal Surratt, Hale County Assessor-Collector.

NOTICE

Consumers' Fuel Association will be closed Wednesday, July 1, for inventory; also Saturday, July 4.

NEW BOWLER MAKES HIGH SCORE

Foy Evans, a comparatively new bowler, Saturday night set a record high at Abernathy's new bowling place, A-1 Lanes, announced Manager Lindell Myatt. Evans chalked up a 280 game, only 11 pins short of a perfect game of 300.

Evans, a farmer here, was bowling with his wife and children when he made the 280, a game that even a championship bowler would be glad to have on a TV program.

Clean-Up, Fix-Up, Paint-Up

A general Clean-Up, Fix-Up, Paint-Up Campaign has been kicked-off here, with Mayor Edgar O. Graham as head of the concerted drive. Prompting this action is the Abernathy Golden Jubilee Celebration, July 10, 11, and 12, when several thousand visitors are expected to be in town.

Every home owner and business

place owner is urged to join in this move to make the town clean, bright, and attractive for the big celebration.

The Clean-Up portion of the drive also should include clearing lots of weeds. This also would help in the battle against mosquitoes.

Roy Verner Is New Minister At Church Here

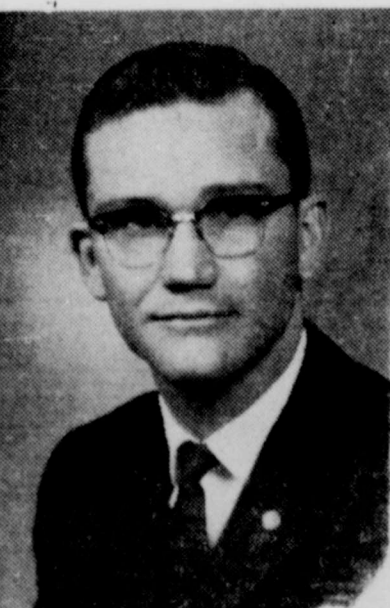

The Church of Christ has granted a release to Loyd Ash, at his request, which will allow him to fulfill a long cherished ambition which was outlined at beginning of his term of service with the church here. He will go to Pennsylvania to work among people he worked with several years ago in what was, and perhaps still is to be considered, a mission field. The church here wishes him every success in this field.

To fill the vacancy thus created here, Roy Verner, of Abilene has

been engaged. Roy is married and brings his wife Wanda, who is well known to many here, and three boys with him. Wanda will be remembered by many, as she worked as secretary to Dean Brookshire for four years while at Plainview, with Columbia Street Church of Christ. Roy is a nephew of Dean Brookshire. They will move into the preachers home which has been rented for the last two years and will make this their home until completion of the new preachers home which is to be built shortly on a lot recently purchased in the south part of town.

Roy is no novice at preaching, as he has preached for the last six years. While going to school a A.C.C. he served the church at Miles for two years. He is in his early thirties.

He will begin his work with the church here the first Sunday in July.

LOYD ASH ... to Pennsylvania

BIRTHS

Mr. and Mrs. Jerry Moorhead are parents of a son, Jerry Mark, born June 20. He weighed 5 pounds 3 ounces.

A son, who was named Stephen Lynn, was born June 22, to Mr. and Mrs. Gene Bernhardt. He weighed 8 pounds, 6 1/2 ounces, and is the grandson of Mr. and Mrs. Anton Wolff.

A daughter, weighing 6 pounds, 9 ounces, was born June 20, to Mr. and Mrs. Eulalio Mansanales. Mr. and Mrs. Johnny Johnson are parents of a daughter, born at 2:10 p. m. Monday, June 22, at Lauf Clinic, Lubbock. She weighed 5 pounds, 4 ounces. The father is a farm laborer.

Ralph Reagan of Odessa visited his mother, Mrs. G. A. Reagan, here last weekend.

Installation Ceremonies Held For Lions Officers

The Abernathy Lions Club held its annual installation ceremonies for incoming officers last Tuesday night, July 16, at the City Club. There were 35 members and guests present for the occasion.

The newly elected Lion officers were installed by Dr. Marshall Harvey, a chiroprapist, of Lubbock. He was introduced by Joe Thompson, outgoing Lion President, and a brief background was given. Dr. Harvey was one of the main individuals who helped to organize the Lions Club in Abernathy 15 years ago. And he was

(See Picture on Page 2)

Rev. Glasscock Is Guest Speaker At Lions Luncheon

Guest speaker at the regular noon luncheon of the Abernathy Lions Club Tuesday, June 23, was Rev. James Glasscock, who is conducting the annual summer revival at the Abernathy First Methodist Church this week.

Rev. Glasscock's talk was based upon archeology—aligning the past with the present. The discovery of many ancient scrolls, with writings very similar to manuscripts of the Old and New Testaments, has opened a wide field in new Bible study.

Rev. Glasscock went into details about the scrolls which have been discovered in different countries, and their value to the human race, since these scrolls will help us to better understand the past as it relates to the present.

ABERNATHY HAS NEW BEAUTY SHOP

Lucille Rogers has opened Lucille's Beauty Shop at 507 10th St. More equipment is to follow until her shop is fully equipped with modern, up-to-date equipment. She will be assisted by operator Odesa Booth, an experienced operator. All her friends are invited to come see her, as is anyone needing expert hair styling.

Her shop is air conditioned with refrigerated air, and the north front should be ideal for keeping it pleasant and refreshing inside.

Bobby Duty Opens Print Shop Here

A printing office has been established in Abernathy by Bobby Duty, son of Mr. and Mrs. John Duty. Bobby has been employed by the Lubbock Avalanche-Journal for six years and is fully acquainted with the printing business.

His printing office will be located at 612 13th Street and will be known as Abernathy Printing Company.

Abernathy has been in need of a printing company for quite some time now, and it is good to see someone establish one here.

Bobby and his wife, the former Miss Charlene Gibson of Littlefield, will continue to live in Lubbock until his business is fully established here.

GOLF EXHIBITION TO BE PRESENTED SATURDAY

Curt Wilson of Lubbock, professional golfer and trick shot artist, who is the golf professional and swimming pool manager at Abernathy Golf and Recreation Center, will perform his golf exhibition and trick shots Saturday, June 27, at 6:30 p. m. on the local football field.

Rare indeed is the man who can burst par on a golf course, hit trick shots, and be a showman combined. Few men have hands that are strong, quick, and sensitive enough to become successful trick shot artists. This talent also requires perfect body balance, coordination and timing.

Curt Wilson is one of those rare talented men. He has a combination of trick shots, golf shots, and showmanship that you shall never regret seeing.

Today there are only about ten men who even claim to be trick shot artists; of these only about four are active. They are Curt Wilson, Paul Hahn, Joe Kirkwood, and Chuck Lewis. Curt is said to be one of the greatest golf showmen in history.

Wilson was too busy being a professional at other sports—baseball, basketball, and tennis—until he was 30 years old. At 37, he describes himself as one of the game's best scramblers... a wizard with a wedge. In the few tournaments he played as an amateur he won one, was runner-up in another, and broke four course records.

"I guess boxing was my best sport," Wilson explains, "baseball my favorite." His mother was against boxing, though, and after a few fights, Curt also decided against it.

He started out as a semi-pro

(Continued on Page 5)

BOWLING POSTPONED FOR DERBY RACES

The adult mixed doubles bowling league, which usually bowls on Monday nights at A-1 Lanes in Abernathy, next week will bowl on Tuesday night, June 30, at 7 and 9 o'clock. Bowling in that league was changed from Monday night due to the Soap Box Derby Races in Lubbock. A large number of Abernathy boys are entered in the Derby event.

Jaycees Sponsor

It was reported earlier this week by the City Health Officer of Abernathy that the Abernathy Jaycees are undertaking the sponsorship of a free polio vaccination drive to be held Thursday, July 2, in Abernathy city hall between the hours of 1:30 and 5:30 p. m.

This free polio vaccination drive is for the benefit of all persons in the Abernathy community between the ages of three months and 40 years who have not had a polio vaccination, or who need a booster shot, or who need to complete a series of polio shots.

Transportation to and from the city hall will be furnished by the Abernathy Jaycees to any persons in the city or adjoining area who do not have available transportation. Those who need this transportation may contact Marvin Rape, manager of Southwestern Public Service and president of the local Jaycees, Dr. Gregory, Dr. Williams, or any member of the Abernathy Jaycees.

The City Health Officer stated that enough vaccine and equipment are now available to vaccinate approximately 1,000 persons. This vaccine and equipment is furnished free of charge by the American Red Cross.

A repeat of this drive will take place 30 days after this event. This will enable those who take their first shot on July 2 to take their second shot of the series, as well as furnish the same benefits as the first drive.

The State vice president of the Junior Chamber of Commerce, who is associated with KDUB-TV in Lubbock, has asked the City Health Officer to appear on a TV program to stress the importance of this free polio vaccination drive, and to make a plea to the people of Abernathy and surrounding areas to take advantage of it. A date and time for this appearance has not yet been set, but upon setting a definite time and date, it will be frequently announced over radio station KDUB. Dr. Kenneth Gregory and Dr. Thomas Williams, who will administer the vaccinating, are asking any nurses, or anyone else, who have the time and are willing to help with this inoculation, to please contact them.

Louise Rankin of Lordsburg, N. M., is visiting in the home of her brother, Billy, and family.

Reports from North Texas State College, Denton, say that Jerry Eggs, former New Deal High School football star, is to play at tackle position for the NTSC Eag-

les. Son of Mr. and Mrs. U. B. Beggs, he was named to the all-district team twice.

Attend Abernathy's Golden Anniversary Celebration
JULY 10-11-12, 1959

JEHOVAH'S WITNESSES

Clarence W. Hall Sr., presiding minister of Jehovah's Witnesses for the Plainview congregation and vicinity, reports that a peak of 663 persons attended the conference, held June 12 through 14, in Barwise Junior High School in Wichita Falls, Texas.

THE KINGDOM?
By LOYD E. ASH
Reading Time: 4 Minutes

DR. J. E. McBRIDE, above, was a pioneer Abernathy physician. He served the people of this area faithfully for many years before retiring from active practice. He came here about 1918, from Chickasha, Okla. Dr. McBride died in 1945, at Waurika, Okla.

Two weeks ago we considered the second chapter of Daniel and the unusual interpretation of Nebuchadnezzar's dream in that article we established the TIME of the setting up of the Lord's kingdom on earth. Now let us see the POWER and INFLUENCE of God's kingdom.

"And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed; and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand forever" (Dan. 2:44).

Though an element of TIME is present, there is also an indication of the POWER and INFLUENCE of the kingdom. Notice verse 35: "And the stone that smote the image became a great mountain, and filled the whole earth."

Never Destroyed

The kingdom of God on earth has never been destroyed since its establishment on the day of Pentecost in 33 A. D. (Acts 2). Although there was a falling away, an apostasy, there was not a complete destruction.

In order to destroy the kingdom, the seed by which it is produced must be destroyed. But what is the seed of the kingdom? Jesus plainly said: "The seed is the word of God" (Luke 8:11). This seed must be destroyed before the church or kingdom of God is destroyed.

To illustrate this: what would be necessary in order to accomplish the destruction of the wheat kingdom? A group of men might destroy every stalk of wheat upon the face of the earth without destroying the kingdom of wheat. They would also have to destroy every life-producing grain of wheat in existence.

Men have never been able to destroy the word of God. They have tried it through the ages but have failed. It is stated by the apostle Peter that "the word of the Lord endureth forever" (1 Pet. 1:25).

Consume Other Kingdoms

The subjects of God's kingdom have come from all nations of the earth (Isa. 2:2-4; Luke 24:47). From every earthly kingdom have

some those who have pledged their allegiance to a New King, the Ruler of heaven and earth. Their first loyalty is to Christ. Thus, the influence and power of earthly thralldom is broken at the feet of the King of Kings and Lord of Lords!

Fill The Whole Earth

When Jesus gave His apostles the Great Commission, He said: "Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved" (Mark 16:15-16). Again, He said to them: "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth" (Acts 1:8). Thus, He intended that His kingdom should spread its borders throughout the whole earth!

Jesus set forth the growing aspect of the kingdom when He said: "The kingdom of heaven is like unto a grain of mustard seed, which a man took, and sowed in his field; which indeed is the least of all seeds; but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof" (Matt. 13:31-32).

The book of Acts records something of the early growth of the church. "And believers were the more added to the Lord, multitudes both of men and women" (Acts 5:14). "... the number of the disciples was multiplied ..." (Acts 6:1). Thus, it is a growing kingdom.

The expansive power of the kingdom was alluded to by Christ when He spoke of the destruction of Jerusalem and the end of the Jewish state. "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come" (Matt. 24:14). Did this actually happen before the end of the Jewish state? Paul said it did: "I ye continue in the faith grounded and settled, and be not moved away from the hope of the gospel, which ye have heard, and which was preached to every creature which is under heaven; whereof I Paul am made a minister" (Col. 1:23).

(Paid Advertising)

THE ABOVE PICTURED LIONS were installed as officers for the coming year last Tuesday night, June 16, at installation ceremonies held at the City hall club room. Their term of office will be effective as of July 1st.

The Lions officers above are, seated, left to right: Joe Thompson, outgoing Lion President and newly installed 3rd vice president; Lon Carmickle, tail twister; Bob-

Installation Ceremonies Held For Lions Officers

(Continued From Page 1)

the man who installed the first officers of the Abernathy Lions Club at that time.

Dr. Harvey began his brief talk by stating that it is always a pleasure and a privilege to him to participate in any special occasion, but especially so when it concerns the Lions. His belief in the Lions Club is strong and sincere, and he stated that during the past 15 years, since the Abernathy chapter was organized, that the local Lions Club and the city of Abernathy have both grown progressively. He feels that the Abernathy Lions Club had a great deal to do with the progress our fair city has made during those years.

Dr. Harvey said that the Lions Club not only brings the businessmen together, but bounds them together for progress, thus pushing growth and community betterment.

When installing the new officers, Dr. Harvey expressed his belief that these men will successfully guide the destiny of the club for a year of progress—a year of progress not only for the Lions Club, but for the entire community as well.

Officers installed at the ceremonies Tuesday night are: Dr. John Hale, president; Pete Wilson, 1st vice president; Floyd Mooneyham, 2nd vice president; Joe Thompson, 3rd vice president; Boyd Mitchell, secretary-treasurer; Lon Carmickle, tail twister; and Bobby McAlister, Lion tamer. Two newly elected directors who are to serve a two-year term, Melvin Rape and Neff Turner, were also installed. The two hold-over directors are P. S. Sterrett and Jack Hackler.

Outgoing officers are: Joe Thompson, president; Dr. John Hale, 1st V. P.; Boyd Mitchell, 2nd V. P.; Willie Florence, 3rd V. P.; Ollie Murray, secretary-treasurer; Floyd Mooneyham, tail

wister; and Melvin Rape, Lion tamer. The two outgoing directors who have completed a two-year term are A. B. Reid and Lon Carmickle.

Awards Given

After the new officers were installed, Joe Thompson presented awards to the Lions who had 100 percent attendance for the past year. Those receiving the awards were Pete Wilson, David Ray Pinson, Boyd Mitchell, A. C. Nystel, Chris Benn, H. E. Richter, Ted Hill and J. P. Nystel. J. P. Nystel has received the 100 percent attendance award every year since becoming a member of the Abernathy Lions Club 15 years ago.

Refreshments Served

Delicious cakes and ice cream were served to all present following the installation ceremonies. A hearty thanks is extended to the wives who were present (and to those who could not be present) for these delicious servings.

Albert McCurdy, son of Mr. and Mrs. Cecil McCurdy, is to leave Saturday, June 27, for Fort Hood, near Killeen, Texas. The Reserve Unit he is assigned to is scheduled to be at Fort Hood about two weeks.

The Stambaugh Story

(By Ima Johnson)

The Vinster Stambaugh family did not arrive in the Abernathy community as early as some of the old timers but they did arrive early enough to be counted as residents at the time Abernathy was chartered in 1909.

My father, known to everyone as "Vint," worked about six years as a cow-puncher before he married. He worked on the Bivin's Ranch, north of Amarillo, where the boys from Cal Farley's Boys' Ranch now ride. This was in the mid-nineties. We children never tired of hearing him relate exciting stories of his life on the range. My mother, who was Minnie Pophrey, came with her family from Collinsville, in Grayson County in about 1889. They settled

on a farm west of Floydada, where her father and mother lived until their deaths in 1915. Both the Stambaugh and Pophrey families came originally from Kentucky. Mother and Daddy were natives of that state and came to Texas as small children.

For the first ten years of their married life the Stambaugh family lived out from Okarche, Okla. Early in 1906 they moved to Abernathy with their three young sons, Troy, Lewis and Oliver. I can be counted as one of the babies born in the early years of Abernathy. The late Mrs. Arthur Reed always liked to remind me that I was born on their wedding day.

A wagon yard and boarding house was the Stambaugh's first business in Abernathy. Daddy will best be remembered as a grocer by the old timers. For a number of years, with the exception of about four when he was farming and in the grain business with Mr. Sam Merrill, he was in the grocery business. His first store was jointly owned with Mr. W. A. Shelton and was located where the bank now stands. His last store, known as Stambaugh & Company, was located where Struve Implement house is today. After adding men's clothing to the store he sold the grocery department to McAlister Brothers in December, 1924. He turned the clothing store over to Troy and Lewis. The two firms operated for some time in the same building, moving together to a new brick building across the street, then expanding to separate buildings.

Mother and Daddy moved back to the farm in 1926, where they remained until 1938. They then purchased the house at 1001 Ave. E, living here until their deaths in 1945 and 1948.

The Stambaughs very early established a reputation for generosity with everyone they came in contact with. Mrs. Stambaugh seldom prepared a meal just for the family, always thinking of the visitors and others who usually were present by meal time.

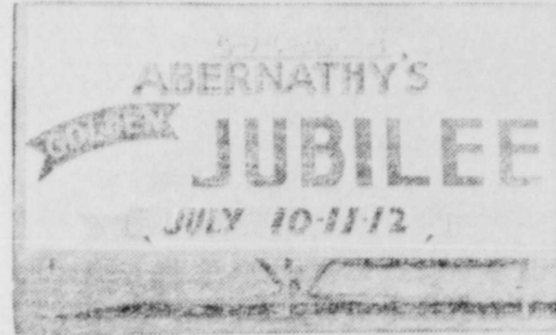

A granddaughter, Mrs. Virgil Phillips is the only one of the Stambaughs now living here.

Miss Bradley, Mr. Cecil Marry

Kathleen Colleen Bradley and Oris J. Cecil surprised their many friends when they were united in marriage on May 25 in Saint Elizabeths Catholic Church in Lubbock.

After the ceremony they journeyed to California for a 2-week honeymoon trip. They visited many interesting places, including Grand Canyon and the petrified forest.

They are at home at 410 3rd St. The bridegroom is in business with his father.

Rev. and Mrs. C. N. Reed attended the Old Settlers Reunion in Tahoka Saturday.

Mr. and Mrs. J. C. Belt attended the Clark Lemon wedding in the First Methodist Church in Plainview Sunday at 5 p. m.

Mrs. Lemmie Ragland is visiting in the home of her daughter, Mrs. Paul Harrington in Albuquerque and attended a Ragland family reunion held there Sunday.

Mrs. Jack Jackson underwent major surgery in the Plainview Hospital Friday and her condition is reported as satisfactory.

Mr. and Mrs. Gordon Timms attended the closing program of the Anton Baptist Vacation Bible School at Anton Friday night.

Mrs. C. B. Beeson was a patient in Plainview Hospital several days last week.

Mr. and Mrs. O. D. Rhodes have purchased a home at 3502 41st St. in Lubbock, and moved there Saturday.

Mrs. N. Matthews returned home Tuesday from a visit with relatives in Wichita, Kans. and Pueblo, Colo.

Mr. and Mrs. Floyd Hill of Lubbock were midweek visitors in the Rev. O. N. Reed home.

Rev. and Mrs. Knight were hosts for a dinner in Fellowship Hall Sunday for the Men's and The Friendship Classes of the Methodist Sunday School. Attending were Messrs. and Mmes. R. E. Anderson, T. W. Driver, L. Amerson, A. B. Colwell, and Mrs. Oma Ramsey, N. Matthews and E. L. McLaugh.

Mrs. E. L. McLaugh and Mrs. Elmer Robinson returned from a visit with relatives in Ainsworth, Neb., and Mrs. Robinson has returned to her home in Cisco.

Mrs. Guinn Casey of Lubbock visited her parents, Mr. and Mrs. E. L. Fisher last week.

Mrs. O. N. Reed has returned from a visit in the home of her daughter, Mr. and Mrs. Clifton Mills, in Medicine Lodge, Kans. Rev. and Mrs. William Mayo and daughters of Brownfield, visited her parents, Mr. and Mrs. Lawrence Amerson.

Price Amerson attended a M. Y. F. council meeting in Lubbock Sunday afternoon.

Enjoying a morning coffee and social hour in the home of Mrs. L. Goebel Tuesday were Mmes. J. C. Belt, Urcell Moreland, Leo Smith, and Homer Rantz.

Mrs. R. E. Anderson visited in Ammonett, O. S. Bristow, Vernon the home of her son, Kermit Mitchell, in Tulia last week.

Miss Brewster, Lenoy Stallings Marry Sunday

Following a family tradition, Miss Tommye Ruth Brewster wore a satin wedding gown worn by her two older sisters as she became the bride of Wilbur Lenoy Stallings at 4 p. m. Sunday in First Baptist Church.

The bride is the daughter of Mr. and Mrs. T. A. Brewster, and her father gave her in marriage. Mr. and Mrs. H. H. Stallings are parents of the bridegroom.

The Rev. Joe R. Griffin read the double ring service.

Mrs. Lindy Neis was her sister's matron of honor, and the brother of the bridegroom, C. L. Stallings, was best man. Mrs. Henry Rieff of Cotton Center, another sister of the bride, also was an attendant of the bride.

Other bridesmaids were Misses Glenabel and Barbara Ferguson and Leatrice Davis of Mineral Wells. Lindy Neis and Harris Scott, brothers-in-law of the bridegroom, Billy Skipper and Truman Richerson were ushers.

Candlelighters were Ronnie Rieff and Steve Gates, the bridegroom's nephews, and the bride's nephews, Randy Neis and Jerry Rieff, were ring bearers.

The bridal gown of white slipper satin was fashioned with a yolk of imported lace outlined with seedpearls and a bow leading to

the train. The fingertip veil of imported lace was attached to a tiara of pearls, and the long mittens were also of lace. She also wore an antique lavalliere belonging to her mother. Miss Brewster carried a white orchid on a white Bible.

Identical dresses of aqua dacron and cotton were worn by the bridal attendants. Darker aqua taffeta cummerbunds encircled their waists above bouffant skirts. They carried white feathered carnation nosegays with aqua satin streamers.

Sisters of the bridegroom, Mrs. Gates and Mrs. Harris Scott of Lubbock, were included in the houseparty at the ensuing reception held in the home of the bride's parents. Other hostesses were Mmes. Kenneth Good of Anson, Carroll Bradley, Don McKenzie, Raymond Reeves and Misses Barbara Burdick of Graham, Faye Cook of Westbrook, Betty Gayle Adkisson and Elizabeth Pearce.

Santa Fe, N. M., was on the itinerary for the couple's honeymoon trip. An aqua dress of silk linen with black accessories was worn by the bride as she left.

Miss Brewster, a graduate of Abernathy High School and Hardin-Simmons University, will be employed by Lubbock Public Schools as an elementary school teacher this fall. Stallings graduated from Abernathy High School and completed his military service. He is employed by First State Bank.

GIRL SCOUT Day Campers are receiving crafts training in this photo made at the campsite. The

campsite was in the tree-shaded area at the home of Mr. and Mrs. Jack Barton northwest of Abernathy.

Girl Scouts Go To Tres Ritos

The Girl Scout Troup 95, made a trip to Tres Ritos, New Mexico. They left Tuesday morning and returned Saturday. While there they stayed at the Thompson's cabins. Activities were planned such as horseback riding, hiking to a water falls and riding in a jeep.

They wish to thank Mrs. Guy Thompson for letting them stay in the cabin, and Mrs. Phil Sterrett for taking us. Thanks are due to our two handy men, Dan Thompson and Billy Rex Sterrett.

Those who took the trip were Ruthie Beaton, Peggy Evans, Judy Kiker, Kay Powell, Betty Sterrett, Marsha Taylor, Frances Teaf, Sonja Thompson, the handy men, and our two sponsors.

DRAG RACES SET HERE JUNE 28TH
Sponsored by Abernathy Hot Rod Club, drag races are scheduled for Sunday, June 28, on the airport section four miles east of town. Time trials begin about 10 a. m., with elimination races to start at 2 p. m. Adult admission is \$1.00, with children admitted free of charge.

Assembly Of God Has New Pastor

The new pastor of the Assembly of God church in Abernathy is Rev. Jude Strickland, former pastor of the Assembly of God church in Amarillo. Rev. Strickland had previously spent several years in the Floydada and Lockney area. Rev. and Mrs. Strickland have two sons about eight and 10 years of age.

Rev. Strickland is replacing Rev. Nathan Helms who is to be the new pastor of the Assembly of God church at Perryton, Texas.

THANK YOU
I want to say thank you for the many, many nice cards and beautiful flowers, the pleasant visits and generous amounts of good food you brought while I was in the hospital and recuperating at home afterward. Friends like you are what make life so pleasant and dear. I am doing fine and will be out seeing every one of you soon. Thanks for everything.
Gladya Rea.

County Line Chit Chats

(By Mrs. Wayland Nelson)

It sure is nice to be back after an absence of three weeks from County Line. I have been with my father in Quanah, who has been in the hospital for three weeks with Melanoma malignant cancer. After three operations on his arm, he is rapidly improving at his home.

Did you know County Line had a Little League Baseball Team? The County Line Co-op Gin is now sponsoring a baseball club composed of boys from the ages of 8 to 13. The gin has a baseball diamond laid off over by the Co-op Gin and the boys meet every Tuesday from 3:00 to 6:00 p. m. and on Saturday from 9:00 a. m. to 11:00 a. m. Twenty-one boys have reported to the club so far. They will have to play for one baseball season before being eligible to make Little League. The Cotton Center boys came over Saturday, June 20, and played County Line in their first matched game. The score was 22 to 3 in favor of our home team. They will play a return match over at Cotton Center Saturday, June 27. When they have participated one year of baseball they will be in the Little League and will play Shallowater, Spade, Anton, and Smyer. They have invited the Anton Negro boys team to come over in the future for a game.

Mrs. G. W. Blackmon is issuing invitations this week to all who are interested to come to her house Thursday, June 25, at 1:30, to an afternoon quilting. Mrs. Blackmon will put up a quilt at her house. There is a lot of old business and new business to be brought before the club members. If you have any Frontier Stamps, please bring them, as the club is trying to get enough to get a milk glass punch bowl for the club to use at their parties and showers. It takes 8 1/2 books to get the bowl and ladle and 12 cups. The regular July 4 picnic will be planned. Come and bring your neighbor.

Mr. and Mrs. Mike Valdez and children visited Mrs. Valdez's mother and family and sister, Betty and family in O'Donnell Sunday.

Mr. and Mrs. G. W. Nelson returned to County Line Sunday afternoon. Mr. Nelson went to Quanah after Mrs. Nelson, who has been in Quanah for the past three weeks.

Mathew Goodrich of the County Line Co-op Gin is attending the Ginners School at Texas Tech this week. It has been going on for one week and will be over Friday, June 26.

O. H. (Curly) Crowder of the County Line Co-op Gin is coaching the boys baseball team at County Line. Tom Johnston of County Line is acting as umpire.

Mr. and Mrs. Leo White brought their daughter, Marsha Kay, over from Plains Thursday afternoon, so she could ride with her grandfather, Edd Nelson, in the Plainview Rodeo parade and grand entry. They attended the rodeo Thursday night, Friday night, and Saturday night, and rode in the Grand Entry each night. She returned to her home in Plains Sunday night.

Mr. and Mrs. Darrell Goodrich of Lubbock, spent the weekend with their parents, Mr. and Mrs. Mathew Goodrich. The occasion was Father's Day. Rev. E. L. (Roy) Minor is absent from our community for two weeks. He will be missed. He is holding a two-weeks revival in Becton First Baptist Church. While he is away, Dr. Turner is filling the pulpit at County Line Baptist Church. Dr. Turner is from Lubbock and is head of the State

Abernathy Junior League Team Defeats Crosbyton Lads, 15-4

Abernathy's Junior League baseball team got its first victory of the season Tuesday evening, June 16, by defeating the Crosbyton team to the tune of 15-4, on the latter's home field.

Tom Ritchey was the starting pitcher for the local team, but was a little wild. After going one and a third innings on the mound he was relieved by Billy Hooker, Ritchey went to catcher and Hooker, who was doing the catching, went the rest of the way on the mound. Between the two, they allowed the Crosbyton lads only two hits during the entire game.

Mitchell LeMoine, manager of both the Small Fry and Junior League teams, said this was the best game played by the Junior team thus far. The boys, as a

team, played better ball than in the two previous games this season, and their fielding was great. They did exceptionally well at hitting also, getting 11 of their runs in the top of the 7th inning.

Two exceptionally good plays were made by lads on the local team, F. C. Mathis, who prior to this game was batting 0.750, made one of the outstanding plays of the game, and Bill Jack Hacker made a spectacular catch in left field.

Don Hughes and George Reagan, who have returned to the aid of their fellow players after a Boy Scout trip, added considerable strength to the team.

LeMoine is proud of his boys, as should be the entire community. Baseball is one of the greatest sports of our nation, and these boys are learning not only to be winners, but also to work together as a team and to respect the meaning of good sportsmanship.

Clayton Barrick, Miss Smathers To Wed Sunday

The engagement and forthcoming marriage of their daughter, Frances to Clayton Barrick of Abernathy has been announced by Mr. and Mrs. Forrest Smathers of Valley Spring.

Miss Smathers, a Llano High School graduate, was employed at the Premier Granite Quarries for several years before receiving her degree from Texas Tech in 1958. She majored in psychology. Miss Smathers is now employed as a counselor at the Texas Lions Club Camp for Crippled Children at Kerrville.

Mr. Barrick is engaged in farming at Abernathy. The wedding has been set for June 28 at Valley Spring.

Mission of the First Baptist Church.

If you are not taking the Abernathy Weekly Review, why not start now. Bring your money and subscribe from the County Line Community Quilting Club when you come to the quilting Thursday.

Mrs. W. H. Conn is helping out as counselor of the Boys Baptist Camp at Glorietta, New Mexico.

The County Line Baptist Church has started its choir practice on Wednesday night, after the regular Wednesday night prayer services.

Mrs. Jim Compton and children of Kingsville, are visiting her parents, Mr. and Mrs. Marvin Stephens, and family.

Mr. and Mrs. A. H. Allen spent the weekend in Glorietta, New Mexico, visiting their daughter, Vaughdeen, who is attending the camp this month.

Mr. and Mrs. Fred Exum went to Louisiana this week to get Mrs. Exum's mother, Mrs. Stokes, who has been visiting in Louisiana the past two weeks.

Mr. and Mrs. J. C. Neal of Lubbock have moved into the County Line Community. Mr. Neal will be the winner at the Farmer's County Line Gin. He replaces Mr. J. T. Atkins who resigned and moved to Plainview several weeks ago with his family.

CURT WILSON, swimming pool manager and golf professional at the local football field. He is said to be one of the greatest golf showmen in history, and his show, being beneficial to the golf profession, will enrich your personal knowledge of the game.

King Joe Bauman four times one night in Amarillo.

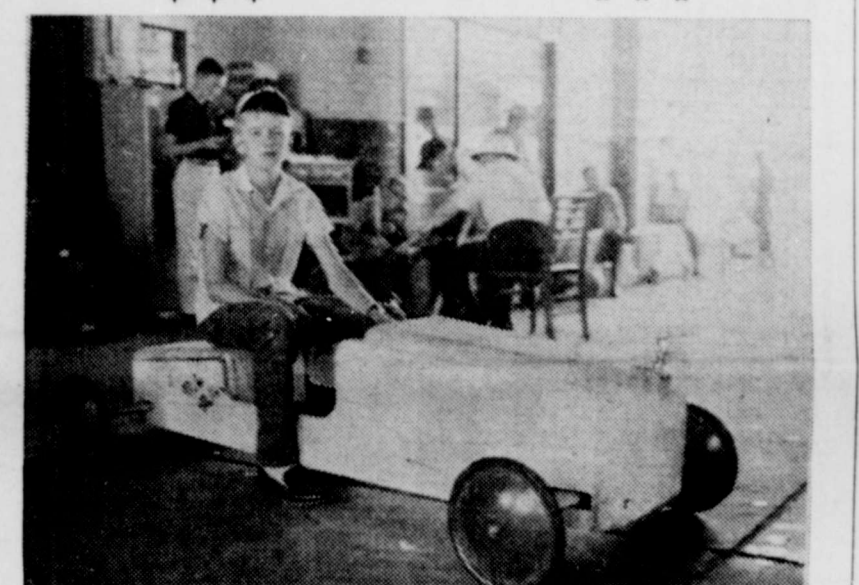

Along with his baseball ups-and-downs, Wilson had an outstanding record as a three-cushion billiard player. He once ran 13 straight billiards (world record is 15 by Willie Hoppe). He quit that in 1956 to concentrate on being a fireman.

Since 1950, the emphasis has been on golf.

Come by the football field Saturday evening at 6:30 and watch the wizard with a wedge perform his golf exhibition and trick shots.

While conversing with Wilson last week, he stated that the swimming pool, as well as the driving range, which is now under construction, should be open by July 6.

SHOWN ABOVE are a few of the racers to be entered in the annual South Plains Soap Box Derby race to be held in Lubbock Monday, June 29, at 7:00 p. m. This picture was taken last Thursday afternoon in front of Reid Chevrolet just prior to the preliminary inspection conducted there at 3:30 p. m.

PICTURED ABOVE is Mike Miller with his official Soap Box Derby racer. His racer had just been inspected at Reid Chevrolet last Thursday when this picture was made. The South Plains Soap Box Derby race to be held in Lubbock Monday night, June 29, will be Mike's third consecutive year to participate in this event. The first year he won the first heat, but lost out in the second. Last year he was among the top eight racers at the Lubbock race, winning five heats before losing the second heat of the semi-final race.

Mike is the son of Mr. and Mrs. J. L. Miller, and is sponsored by Plains Gas Co. In the background, Edwin Crow, who is in charge of Derby activities here, and Chief Inspector Holland Graves, of Modern Chevrolet Co., (seated) are shown inspecting the racer of Charlie Stallings. Charlie, son of Mr. and Mrs. Harold Stallings and sponsored by the First State Bank, has participated in the South Plains Soap Box Derby race two years, winning two heats last year.

L. M. Hall (Paid Advertising)

TWO of the ten partners in A-1 Lanes, Abernathy's new 18-lane bowling place, are pictured here on lanes one and two by the AMF Magic Circle ball return unit, new in this area. They are Jack Myatt, left, and Erceel Givens. Back of the men are the scorekeepers, desk, bowlers' seats and seats for spectators. Other partners in the costly business venture are Dwayne Taylor, Alvin Hardin, J. H. Myatt, Virgil and Carl Phillips, Thomas Johnston, Harvey Lub-

rick, and Lindell Myatt, who was named by the other partners to serve as manager of A-1 Lanes.

Hot weather poses hazards for the hen flock, says Ben Worme, extension poultry husbandman. Keep them as comfortable as possible and this means plenty of clean, cool drinking water, properly ventilated houses and in cases of extreme high temperatures artificial cooling, he adds.

CHOICE COTTON PURCHASED BY CCC TO BE SOLD BY LOCAL SALES AGENCIES

The U. S. Department of Agriculture announced April 21 that Choice (A) upland cotton purchased by the Commodity Credit Corporation under its 1959-crop price support operations will be offered by approved local sales agencies as well as by the New Orleans Commodity Stabilization Service Commodity Office.

To be approved as a local sales agency, an agency must have had recent experience in merchandising cotton and must have entered into a Cotton Sales Agency Agreement with CCC.

The cotton will be sold by the local sales agency at the highest price offered but in no event at

less than 110 percent of the Choice (B) support price plus carrying charges. The carrying charges will begin at 10 points in October 1959 and will increase 15 points per month through July 1960.

The quality assigned to the cotton will be used in determining the minimum acceptable sales price for local sales. The 110 percent of the Choice (B) support rate will be applied to the particular quality and storage location of the cotton being offered. Final settlement for the cotton will be based on this same classification and the weights show on the warehouse receipts.

The schedule of carrying charges (in points per pound) which will be added to determine minimum

acceptable prices for the cotton offered is as follows: August and September, none; October, 10; November, 25; December, 40; January, 55; February, 70; March 85; April, 100; May, 115; June, 130; and July 145.

Details of the sales program through local sales agencies, and of the sales agency agreement the sales agencies will be required to sign, are now being developed. Copies of these — Announcement CN-A and the Cotton Sales Agency — will be released and made available to interested persons through the New Orleans Commodity Stabilization Service Commodity Office, 120 Marais St., New Orleans 18, La.

Cotton from 1958 and prior crops as well as any Choice (A) cotton taken into the CCC inventory and offered by catalogue will be made available for sale through the New Orleans Commodity Office. Any of this cotton sold for unrestricted domestic use during the marketing year beginning August 1, 1959, will be at not less than the market price as determined by CCC or 110 percent of the Choice (B) support rate plus carrying charges, which ever is higher.

More car than this Impala Sport Coupe is hard to find at any price.

clings to curves like a cat on a carpet!
the travel-lovin' Chevrolet

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's born with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word *compete* only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all

four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll feel the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.

This one's really made to travel and loves every minute of it.

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

The Pioneering Shaw Family Came to Local Area in 1900

QUALITY YOU can measure

LET YOUR OWN CAR DEMONSTRATE THAT SHAMROCK QUALITY IN GASOLINE AND LUBRICANTS MEANS IMPROVED PERFORMANCE

(By O. F. REA)

In 1890 the Shaw family decided to go west from where they lived in Brown County. So, they loaded their possessions on a wagon, that is, all that could not walk or roll, and with a yoke of oxen for motive power, they headed for the Plains country.

After three months on the road, they settled on a spot near where the town of Gail is now located. The family at that time consisted of Mr. and Mrs. Shaw and five children. On arriving at the place they were to live on, the first thing to be done was to arrange for some kind of protection from the elements.

Now, there were no neighbors, and the nearest town was 60 miles away. Building a house was out of the question, as there was nothing to build out of as there is now. The only thing to do was to dig a dugout, and this had to have a roof of some kind. Mr. Shaw left the family under a tree while he went to Colorado City, 50 miles southeast, and got enough lumber to cover the dugout.

He was gone about three weeks, as oxen were not very fast travelers, and the trip was 120 miles there and back. Mr. Shaw had the sizable sum of \$15.00 in money at this time, but he got the lumber and a few other things and had money left for the family to live on for several months.

Now that a roof was over their heads and mother earth was under their feet, they began the task of living off the land. With no neighbors and very few travelers going by, they were not bothered with any gossiping. This was a man's country and Mrs. Shaw would see a woman only once in three, four, or maybe five months.

There was only one house at that time between their place and where Lubbock now is.

They lived here for 10 years and would gather up buffalo and other bones and also hides which could be sold. Hides brought varying amounts and bones brought about \$5.00 per ton. About two tons at a time would be hauled to Colorado City and necessities brought back. These bones and hides furnished enough money to live on for several months.

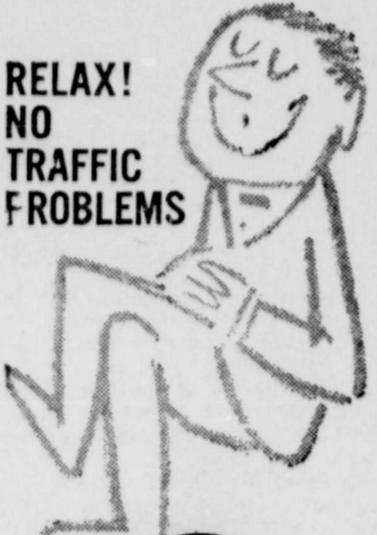

All this time, their cattle were increasing in number, and horses had long since replaced the oxen. Now with this increase in cattle and horses, grass was a prime necessity and Mr. Shaw began looking for greener pastures. Grass was far better and land was cheap in another part of the Plains, and he bought four sections of land south of the present Abernathy for \$450.00 and leased eight sections.

This was in February, 1900, and in May, 1900, they moved to this place. This time they made the trip in far less time, needing only 10 days for the move. Mr. Shaw drove the wagon and Pearl Shaw, now Mrs. G. C. Pearce, drove the hack. Their cattle had increased to 300 head, so six men were hired to help tend them on the trip, as well as several horses. Everything went fine except that it rained every night.

They stayed one night at the old Dixie Ranch, east of where Tahoma now is, and it stormed and thundered and lightened so much that the cattle all stampeded. Men went out to try to round them up but they had to give up until the next day when it took nearly all day to get them all rounded up.

The family camped the next night at Lubbock, which consisted of three stores, one blacksmith shop, one hotel and one wagon yard. They camped where the middle of the business part is now located. When the next day came,

THE RAILROAD was built from Plainview to Lubbock through the present site of Abernathy in 1906. These pictures were made at the campsite of the railroad builders when they were working near the Shaw home. Top photo is of Bob Shaw, railroad gang cook and the construction engineer standing in front of a wagon used on the job. In the bottom picture, the railroad engineer played hosts to members of the Bob Shaw family and others at a Sunday dinner in the campsite kitchen tent.

story about one house between the Shaw place and Lubbock. This house belonged to a man named Seede or Seedge, and he and his wife had come from Kentucky somewhat against her will.

He insisted on coming and she finally told him she would come and stay with him for fifteen years, and if the country had not settled up by then, she would go back to Kentucky.

She stayed the fifteen years and never liked the county. It had not been settled by that time, so the man carried her to Colorado City, and, before boarding the train, she dusted off her shoes very carefully before climbing on. She never returned to the Plains. Mr. Seedge finally gave up and went back also. They had left something in Texas, though, and the place where they had lived finally became the present town of Grassland.

house was built, and other conveniences were had that were far ahead of those on their place near Gail in previous years.

Windmill parts were hard to get, as it took so long for them to get here after ordering because everything came by freight wagon from Canyon or Colorado City. Now with the mail going out by stage coach, the time was very long indeed. Water was plentiful, but in deep wells and hard to pump by hand, especially for three or four hundred cattle and horses.

The Shaws needed windmill parts badly and had to rig up some way to get water to the cattle, as well as themselves. They tried pumping by hand with levers and in relays. Finally, they rigged a wagon wheel in a horizontal position so a horse could walk around it, and, with a lever rigged to catch in the spokes about three times per turn around and pull on a rope running over a block and connected with the pump rod. About three pump strokes per turn brought up a little water. However, they still were short of water, and Mr. Hart, who lived about four and half miles to the northwest and who had plenty of water plus a good windmill, heard about the Shaw's troubles and he told them to drive the cattle up to his well. This was done daily until the windmill was repaired.

Mustang horses were fairly numerous about this time and they would come up to the ranch at night and sometimes in the day and lure off the horses. A mustang came in among the horses one day, and Mrs. Shaw, fearing for the safety of a small colt which the mustang was apparently taking up with, went out to drive the mustang away. When she came near the colt, the mustang just circled the colt and would not let her get to it. She saw the colt was in no danger,

so she gave up and let them alone.

Another time, a big mustang stallion came in among the horses, and the men endeavored to drive him off. He was not about to be driven off and finally the mustang singled out one man and made a run at him, the man being on foot. Another man shot the stallion just in time to save the first man from being trampled under foot.

In the winter of 1902, came a blizzard and snow storm which made the cattle drift before the wind and snow. One of the boys went out to try to prevent the cattle from drifting and he got lost in the snow. When he did not return after considerable time, it was decided he might need some help in finding the house. So, Mr. Shaw fired a shot gun several times, and, as they figured, he heard it, and found he was about a mile east of the house. Going north, he would have passed it without knowing.

Pearl Shaw was married to G. C. Pearce in 1901, and they moved to the present Pearce home in 1907. In 1908, the railroad construction crew made camp at the Shaw place and remained there nearly a year. The boys worked on the roadbed construction with the crew. When the road was completed and trains were running, the Shaws decided in the fall of 1909 to go to the State Fair in Dallas. This they did and on coming back, Mr. Shaw asked the conductor to stop and let him off at their place instead of at Abernathy, and the conductor readily agreed. The Shaws were deposited right at their front door, so to speak.

It was mentioned earlier in this

BOB SHAW, left, who moved to this area with his family in 1905, is shown here with his sons and daughters. Their home, in the background, was located about three miles south of the present town of Abernathy. It was across the highway and railroad north-east of the current site of the C. L. Goble home and dairy.

Others in the picture are Pearl Pearce, of Abernathy, Bob, Leo and Cleo Shaw, and Adella, now Mrs. Drew of Plainview.

CITY MAIL DELIVERY POSSIBILITY HERE

Herbert T. Hardin, acting postmaster, says Abernathy could qualify, population-wise, for city mail delivery. Only hitch is the lack of paved streets. The postal department requires that a town have near 80% of its streets paved before it authorizes city mail delivery. City Secretary Lawrence Carter says Abernathy has about 40%, or one-half the number of paved streets required.

Mr. and Mrs. J. L. Thorp Jr. of Midland, visited in the home of Mrs. M. Z. Holland last week. Mrs. Thorp is a cousin of Mrs. Holland, and is the nearest kin Mrs. Holland has at this time. Mrs. Holland lived in the Thorp home as a girl. The Thorps were on a vacation trip to Colorado Also recent guests in the home of Mrs. Holland were Miss Margaret Huff and Miss Virginia McLean of Lubbock. Mr. and Mrs. Wayne Wolf are visiting relatives in California.

CHRISTIAN WOMEN TO MEET MONDAY

The 5th Monday meeting of Christian Women will be held at 9:30 a. m. Monday, June 29, at the City hall club room. All women are cordially invited to attend this meeting.

Mr. and Mrs. Tommy Harrison and daughter, Paula, of Easton, Maryland, are visiting Mrs. Harrison's parents, Mr. and Mrs. Pete Parks, in Lubbock.

Pte. LaDoyce Lambert, who is stationed at Fort Meade, Maryland, is visiting his parents, Mr. and Mrs. Herman Lambert.

Mr. and Mrs. Richard Havens and son, Mark, are visiting relatives in Henderson. It was reported to The Review last week that L. G. Deering has been having considerable trouble with his back and hips.

Carroll Dean Powell is serving as a life guard at the swimming pool at Ceta Canyon Methodist Camp this summer.

Mr. and Mrs. Fred Blumenstock and son, Larry, recently visited relatives in Topeka and other cities in Kansas.

Mrs. Wanda Beeson was a surgical patient in a Plainview hospital.
