#### (By O, F. REA)

At a Jubilee committee meeting at Graham's Tuesday, July 14th, to see where we stood on the financing of the celebration, as well as other phases of it, several things of interest showed up.

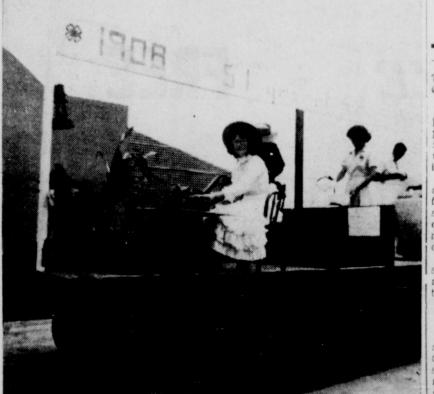

One was, 7,230 Pops were servd. Another was that bills to the amount of \$4,676.09 have been submitted so far. Another was that checks have been written for \$4.227.30 so far. The amount of bills still outstanding could only be estimated. It also developed that all money promised to the chairman of the finance committee, Phil Sterrett, has not bee received. It was estimated that something in the neighborhood of \$600.00 will be needed to keep the celebration in the black.

General chairman Ray Pinson expressed his appreciation to all committee chairman and all who worked with them in making the celebration the success that it was. A vote of thanks went to R. J. Jones, Jr., for his excellent help with the P. A. system in handling the browd, and keeping

#### TO THE COMMUNITY OF ABERNATHY

My home town is more than just a place on the map. It is a place where the people have such wonderful loyalty that, when we attempt the unusual, everyone is eager to give his best.

So it was in the weeks of preparation for the pageant. Not a few, but hundreds contributed time and effort, and I wish that each of them could have been recognized as you so generously recgnized me. To each person who helped in

any way, I want to offer my deep appreciation, and to my home town, my sincere gratitude. Mrs. Andy Reid.

Among the former Abernathians ttending the Golden Anniversary celebration last weekend were Mr. and Mrs. J. D. Norman of Colorado City, and Mrs. Ethel (Carlson) Albers of Kerrville.

Mrs. O. F. Rea was hostess to the AHS Class of 1927 Friday afternoon, July 10, with an informal get-together

Only seven of the original eigheen graduates were present but this did not prevent them from having an hour or two of real pleasure, going over the early school days and more or less getting each other briefed on the happenings down to the present.

After a short time meeting each other and the husbands and wives, all were invited to come sit around the large dining table and punch was served. A class roll was produced and those on the roll not present were discussed, and most of them could be located by one or more of those present. The where-abouts of some however was unknown to any present. Of the seven class members address by Superintendent of Ab-ernathy Public Schools Noel John-single. Ruth Jones said the only single. #### TO MY FRIENDS (Continued From Last

Week's Story) The Bible says in the last times hat the beast old Satan, will make himself God by the fear of he church and deceive many and possible he would deceive all. am presuaded this has happend in our churches today, but God did not say the people would be forsaken by Him. The church is God's elect and cannot change, but I am persuaded by studying he Bible that the church as a whole has not accepted as a whole by doubting the truths that Jesus taught that these people be-

ures on earth. And we all know "Coming together is a beginning; wherever the insurance company Keeping together is progress; Cor has the money reserved that the Working together is success." This Har Jesus says lay not for your treasstate requires, is where thieves can break through and steal it because it is put in some bank on earth. One other good reason for not buying this insurance is that | has cost the people of our

country more money than we have received in damage payments. If you doubters will come and visit with me in in any home in Abernathy tomorrow, I will visit with you and if we find four persons who have not had to pay more for insurance than they have received for repayments, then I can assure you it you buy in-surance that you have fulfilled all of God's laws, but you have not fulfilled the truths that Jesus Christ taught in His ministry on

earth. In the book of Solomons Ecles-eastees, He says this is the con-clusion of the whole truths, fear God and not man and keep His ommandments and fulfill all the laws of God, but it does say that we fulfill all the law of Jesus. There are lots of people who are

TO MY FRIENDS

(Continued From Last Week's Story) The Bible says in the last times that the beast, old Satan, will make himself God by the fear of the church and deceive many and possible he would deceive all. am presuaded this has happend in our churches today, but God did not say the people would be forsaken by Him. The church is
