

FLYS IN JET FROM DALLAS

Mrs. W. O. Riddell, mother of Mrs. C. C. Turpen, arrived at the Lubbock Municipal Airport via a jet airliner Wednesday, July 29, on her 79th birthday. She is expected to visit in Abernathy about two weeks.

Mr. and Mrs. Bud Faver and family have moved into their new brick home on their farm on Highway 87 north of Abernathy.

Bo Jack Faulkenberry of Seagraves visited here in the homes of his aunts, Mrs. Douglas Chapman and Mrs. Alvin Hardin.

July Building Permits Total \$199,450

According to City Secretary L. J. Carter, the building permits issued for the month of July, 1953, totaled \$199,450. These permits covered four residences and one grain storage project.

Several more permits are to be issued immediately after the first of August.

SEWER AND WATER LINES

The Panhandle Construction Company has completed its contract with the city for laying water and sewer lines in the new Phillips Addition. The water lines are tied onto the regular water mains, but the sewer lines are independent to the older lines, having a direct line from the Phillips Addition to the pumping station, which in turn pumps the sewerage to the disposal plant north of town.

Donald L. Price Enlists In Army

Donald L. Price, son of Mr. and Mrs. Floyd M. Price, Abernathy, volunteered for a three-year period for an assignment in the Army Security Agency.

Donald enlisted at Oklahoma City Recruiting Main Station through the Lubbock Recruiting Station and will receive his basic training at Fort Ord, California. Upon completion of his basic, he will be transferred to Fort Devens, Massachusetts, for training in ASA, according to Army Recruiter M. Sgt. Pesch.

Donald was a graduate of the 1952 senior class of Plainview High and was employed by his father.

Mr. and Mrs. Ray Baumgart and baby daughter arrived here last week to visit Mrs. Baumgart's mother, Mrs. Lillian Young. Ray recently received his discharge from the U. S. Marine Corps following two years of duty in California.

Ronnie Loyd of Seagraves visited here with his grandparents, Mr. and Mrs. W. H. Loyd.

Larry Blumenstock and Bob Johnson, Abernathy, 4-H Club members, assisted the registration committee during the Hale County 4-H Camp held early last week in Plainview.

Hale County POG Directors To Be Named

Hale County cotton producers businessmen are invited to a meeting to be held at 8 p. m., Aug. 7, in the high school gym in Hale Center at which new directors to the Plains Growers, Inc. from Hale County will be named.

The meeting has been called by present directors John Plainview, and J. O. Edmondson, Bob Poteet, and Field Service for the meeting will speak at the meeting and outline future plans of organization.

It was explained that the POG will hold its annual meeting on August 28 and all meetings are to be held at that time and new directors so that they can be elected at the organization's meeting.

BUDGET HEARING SCHEDULED AUGUST 10TH

A public hearing on the 1953-54 county budget is scheduled for Monday, August 10, at 10 a. m. in the Commissioners Court room on the first floor of the court house in Plainview.

Judge Lee Nowlin and the commissioners urged that the public come in and discuss the budget with the court and make suggestions.

Head Struve and James Blacklock have returned from a four-day orientation session at the University of Texas, Austin. They will enroll at the university this fall as freshmen.

Mr. and Mrs. Dwayne Taylor went to San Angelo last Wednesday evening to pick up their son, Toby, who had been visiting with Dwayne's brother and family, Mr. and Mrs. Noble Taylor, on their ranch near Del Rio. Mr. and Mrs. Noble Taylor and their son, Jay, visited in Abernathy Wednesday and Thursday, July 22 and 23, and Toby returned with them to their ranch for a week's visit.

Major and Mrs. Delton Richerson and family, who spent two years on U. S. Air Force duty in French Morocco, Africa, arrived in the states recently and are visiting here with his mother, Mrs. R. R. Richerson, and brother, Truman Richerson, and family. Dwayne Reeves, who received his discharge from the Army July 23 at Fort Sheridan, Ill., visited

here. He is a son of Mr. and Mrs. J. W. Reeves, O'Donnel, formerly of Abernathy. Dwayne spent most of his three years in the Army in Puerto Rico, where he was on M. P. duty. John Dillinger has moved from 1206 14th St. to 1011 Ave. E. Claude E. Williams has moved to 411 Ave. G.

"THE LORD'S SUPPER?"

BY ROY DEAN VERNER

Reading Time: 4 Minutes

How often are we as Christians to partake of the Lord's Supper? Are we required to partake of it at all? These questions demand a scriptural answer. Some say we may partake of the Lord's Supper quarterly, and that such is acceptable to God. Others say it is not required that we have communion at all, but our concern should be "What does the Bible say about the frequency of partaking of the Lord's Supper?" and "Is it required that all Christians partake of it?"

The Bible accurately describes the account when Jesus instituted the Lord's Supper. In M. A. 26:26-28, we find the following account: "And as they were eating, Jesus took bread, and blessed it, and broke it, and gave it to the disciples, and said, take, eat. This is my body. And he took the cup, and gave thanks, and gave it to them saying, 'Drink ye all of it: For this is my blood of the New Testament, which is shed for many for the remission of sins.' The above account explicitly shows Jesus commanding His disciples to commune with Him. The Apostle Paul wrote the church in Corinth concerning the Lord's Supper. In 1 Cor. 11:23, one may read "When therefore ye assemble yourselves together, it is not possible to eat the Lord's supper." (ASV). Here we find the church at Corinth assembling to partake of the Lord's Supper, but because of the feast they were making of the communion, they were eating and drinking in condemnation. The thing for one to note, however, is that they were attempting to partake of the Lord's Supper, but it was in an heathenish manner. But why were they trying to commune if it was not required of New Testament Christians? Verse 26 of the same chapter says, "For as often as ye eat this bread and drink this cup, ye do show the Lord's death till He comes."

The words "as often," show that it was a frequent observance. Note also in the same book 1 Cor. 16:2, "Upon the first day of the week let every one of you lay by Him in store, as God hath prospered Him, that there be no gathering when I come." Note that it was on the first day of the week when they had come together that they were to lay by in store. (Con-

tribute to a common treasure.) These verses show that there was a coming together and that it was frequent, but further information is found in Acts 20:7, "Upon the first day of the week when the disciples came together to break bread, Paul preached unto them." Here it may be noticed that the disciples came together upon the first day of the week "to break bread," that is to commune. As a final verse of scripture note Heb. 10:25, "Not forsaking the assembling of yourselves together as the manner of some is, but exhorting one another, and so much the more as ye see the day approaching." Here the author of Hebrews commands the Palestine Jews not to forsake the "meeting together" of the congregation.

This indicates a frequency of coming together because some were guilty of not doing this very thing.

The Bible gives an example of a church attempting to observe the Lord's Supper, and this church was to make a contribution on the first day of the week. The church at Troas met on the first day of the week to "break bread," and the practice of staying away from the assembly was forbidden. The examples and commands are easily understood. One might think, however, it does not say each first day of the week in Acts 20:7 so it is not to be every first day. The answer is that each first day of the week was the time for coming together because the original language (Greek) in 1 Cor. 16:2 states "every first day," and the Revised Standard Version translates it as such. So since they were to meet "every first day" to contribute, and they were to observe the Lord's Supper frequently, we may conclude that New Testament Christians observed the Lord's Supper every first day of the week. It may be ridiculed, scoffed at, and abused, but it remains a scriptural fact that first century Christians observed the Lord's Supper each first day of the week.

If you have not been observing the communion of our Lord as the New Testament teaches you should, won't you resolve to begin this scriptural practice before it is too late.

JAMES AND COLEMAN FAMILIES HONORED WITH "42" PARTY

Eight couples enjoyed a buffet supper, with games of "42" following thereafter last Tuesday night, July 28, in the home of Mr. and Mrs. Dwayne Taylor.

The supper and "42" party were given in honor of Mr. and Mrs. Royal James and Mr. and Mrs. Woodie Coleman.

Hosts and hostesses for the James and Colemans included Messrs. and Mmes. Morris Kerr, Gid Adkisson, Bobby McAlister, Elza Lambert, Melvin Rape, and Dwayne Taylor.

The James family has moved to Spur where he will be head football coach and Director of Athletics at the Spur Public Schools.

Mr. Coleman will teach in the Lubbock Public Schools this fall.

BACK YARD SUPPER PLANNED

A back yard supper and picnic will be given at the home of Mr. and Mrs. G. D. Clapp around 7 o'clock Friday evening, August 14.

Mrs. Clapp, who is president of the local Home Demonstration Club, announced that all persons who were on the Home Demonstration Club's float in the Jubilee Parade and their husbands, wives, and families are invited. Also, Bill Harkey and James and Edward Attebury, who played their musical instruments and sang on the float during the parade, and their families are invited to attend.

The Home Demonstration Club's float, which depicted a community box supper being held in a one room school house, won first place in the float division in the parade, July 11.

REV. J. F. NIX TO SPEAK IN MISSISSIPPI

Rev. J. Frank Nix, a former Abernathy Baptist pastor, now of Lubbock, and Mrs. Nix have left for Corinth, Miss., to attend a reunion of former residents of the old Pisgah community near there.

The Rev. Nix, who grew up in that community, is to be the principal speaker on the reunion program.

The couple will go from there to Arkansas, then to Oklahoma City where Rev. Nix will preach on Sunday, August 16. He will preach at Mayfair Baptist Church in Oklahoma City. The Rev. C. A. Kennedy, a former pastor here, is pastor of the Mayfair Baptist Church.

Miss Reita Jackson of Arlington is visiting in the home of Mrs. M. E. Holland. Miss Jackson is a niece of Mrs. Holland.

Abernathy (Texas) Weekly Thursday, Aug. 6, 1959, P. 1

NORTHWEST TEXAS METHODIST SCHEDULE RETREAT CETA CANYON—Dr. Paul Ragsdale and J. Clinton Hays have been announced as the principal speakers for the Northwest Texas Methodist Conference men's Retreat, scheduled August 9, here.

Dr. Ragsdale, Superintendent of the Los Angeles District of the Southern California-Arizona Methodist Conference, will be the featured speaker on Friday and Saturday evenings and at 10:45 a. m. on Saturday mornings.

Miss Hager, Mr. Satterfield To Wed

Mr. and Mrs. L. J. Hager, 910 14th Street, Abernathy, have announced the engagement and approaching marriage of their daughter, Yvonne Joyce, to Mr. Sam H. Satterfield Jr., son of Mrs. S. H. Satterfield Sr., 801 North Chandler, Fort Worth.

The date of the wedding has been set for October 3, 1959, at the First Baptist Church in Abernathy.

THE COOLEST PLACE IN THE COUNTRY

To be able to see a quarter on the bottom from anywhere on the side of the pool is the claim of the builders of the Abernathy Municipal Recreation Swimming Pool. The pool is filtered automatically, catching any debris that falls into the pool within fifteen seconds. The water is kept at a uniform eighty degree temperature by a heater, which is thermostatically controlled. The pool has underwater lighting for swimming after nightfall.

Our pool is open to anyone to come out and swim. Swimming classes are being conducted every morning beginning at 9:00 a. m. For open swimming, the pool will be available on Monday, Tuesday, Thursday, Friday, and Saturday from 1:00 p. m. to 10:00 p. m. On Wednesday, it will be open from 1:00 p. m. to 7:00 p. m. and from Sunday from 1:00 p. m. until 6:00 p. m.

The concession stand is open at all times. A life guard is present.

Lakeview News

The summer revival of the Lakeview Baptist Church is slated to begin Sunday, August 9, and continue through Sunday, August 16, with Rev. A. C. Hamilton of Hereford doing the preaching and Frank Parks of Carlon directing the song services. The evening service will begin at 8:15. The time for the morning service has not been determined.

Rev. Hamilton was formerly pastor of Date Street Baptist Church in Plainview, and he is a brother-in-law of Udell Adams of the Lakeview community.

Everyone is cordially invited to attend the services.

Mr. and Mrs. M. G. Stout are in Lincoln, Ark., visiting an uncle whom they haven't seen in 41 years.

Dianne DuBose returned late Friday from a two-week band school in Arlington.

Rev. Roy Copeland returned to his home in Groom at the conclusion of the 10-day revival he conducted at the Lakeview Methodist Church. There were four additions to the church membership during the revival.

Mr. and Mrs. H. L. Bridges went to Paris Thursday to return their daughter Wanda home after spending several weeks visiting relatives there.

...paired for pleasant living!

Like apple pie and ice cream an electric dishwasher and electric water heater go together. Your dishwasher does the dishes "a the double" — you're out of the kitchen in half the time. And you break fewer dishes, keep your hands lovelier, and keep those dirty dishes out of sight — in the dishwasher — between loads.

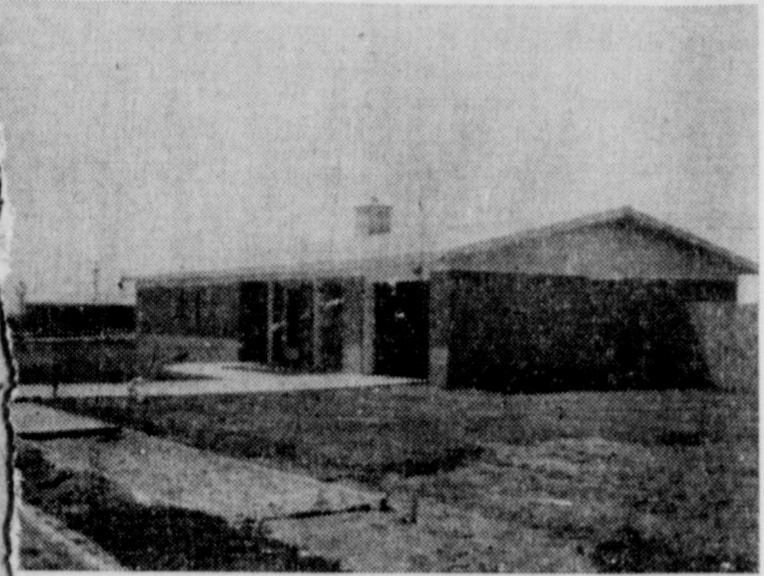

Plenty of hot water is what your dishwasher wants — and gets — from an electric water heater. You can put that electric water heater right where you want it — where you use the hot water — because it has no vent — no flues.

Yes, the electric dishwasher and water heater go together. Try it now — add the other later. You'll like them both.

ATTENTION, HUSBANDS
 Wouldn't you spend 11c a day have your wife lovely hands? Of course you would — especially if you could get the dishes done for that price. You can! And electric water heating is inexpensive, too, with a bargain rate.

 **PUBLIC SERVICE COMPANY**

 SEE YOUR REDDY KILOWATT ELECTRIC APPLIANCE DEALER

Commuter Show Home Is All-Modern Throughout

FEATURED ABOVE is the Commuter Home in the Virgil Phillips tract in North Abernathy. This home is open to the public during the formal Open House July 17, 18 and 19. It was "sold over" by over 1,200 people.

This fine house, built for grass living in West Texas by West Home Co. of Abernathy, is all-modern throughout. It has three bedrooms, two baths, tile brick, carpeted, and furnished. Featured in the home are Caloric Gold Star built-in gas range, RCA Whirlpool gas refrigerator, RCA Whirlpool dryer, gas heater, gas central heating, and gas outside lighting in front and rear of the home. The home also has built-in television, air-conditioned, and has a "ced-in" back yard.

A Commuter Show Home was staged by Bruce Furniture Co. and is by Mrs. Clyde Dye. Stories are by Helen's Gift plants are courtesy of Abernathy Florist; and the table setting is by Home Decorators, Inc. Beth Evans, counselor. The Show Home is open to the public daily from 1:00 to 9:30 p. m., and at any time by appointment.

The house under construction in the background in the above picture is being built for Earl Poage. Other houses near those pictured above are also under construction in this new addition, where a total of 114 beautiful houses are to be built.

Other than the show home and the one for the Earl Poage family,

houses are under construction for Mrs. Lois Fuller and family, the Stanley Martino family, and the Carl Barton family. Mrs. Fuller is bookkeeper for Carl Phillips. Mr. and Mrs. Martino and daughter, Linda Lou, 12, have moved here from Richwood, Ohio, and he is employed at Joe Thompson Implement Co. Linda Lou will be in the seventh grade. The Carl Barton family moved here from Littlefield several months ago when he became manager of Abernathy's Pioneer Natural Gas Co. office. Mr. Poage is employed by Carl Phillips Massey-Ferguson Farm Machinery Co.

Representatives in Abernathy are Clyde Patterson, vice president of Southwest Homes Co. of Abernathy, Inc., and C. R. (Pat) Patterson, vice president of sales. President of the organization is Garth Stephens of Shallowater.

Buildings to house cotton harvest hands are under construction at Abernathy Girl Co., three miles north of town.

A residence is under construction on First Street, east of the W. A. Richter home, for the Fred Cooke family. Mrs. Cooke is home-making teacher in Abernathy High School.

W. T. Landers is building a residence on 10th St. at Ave. E, across the street north of the Church of Christ.

Abernathy's Summer Recreation Program Proves Highly Successful

The Summer Recreation Program was conducted during the months of June and July. The program was highly successful, with the Tri-County Baseball Tournament in Lorenzo in which the Juniors and Small Frys from Abernathy participated.

As in the past the two main activities were baseball and swimming.

There were three organized baseball teams, as follows: Pee Wee—consisting of boys 8, 9 and 10 years of age; Small Fry—consisting of boys 11 and 12 years of age; Juniors—consisting of boys 13, 14, and 15 years of age.

The League was composed of the following teams: Abernathy, Hale Center, Petersburg, Idalou, Lorenzo, and Crosbyton. There was a double round robin play of league games for both the Small Fry and Junior teams. They were played on Monday and Thursday of each week. The teams had a practice session one time per week, but played a schedule with neighboring communities.

Mitchell LeMoine managed both Small Fry and Junior teams, and Kendrick Joy managed the Pee Wee team.

Remuneration for both was handled as piece work, \$5 per home session and \$10 per session for out of town games.

The local school baseball field was used for home games. A school bus was used for transportation to out of town games and was driven by the respective managers. Both are duly licensed chauffeur operators.

Result for Each Team
PEE WEEES — Participants - 30 boys; won 3 (won last 3 games) and lost 4.
SMALL FRYS — Participants - 18 boys; won 3 and lost 7.
 (Have all players eligible to compete in this league again next year.)
JUNIORS — Participants - 15 boys; participated in two tournaments—Lubbock Teen Age Tournament and Tri-County League Tournament.

Work is progressing on the new home for the J. N. (Pete) Wilson family. It is located on First Street, west of the Billy Frank Skipper home.

Mr. and Mrs. Clyde Darden went to Colorado this week to visit with his parents, Mr. and Mrs. G. W. Darden.

The highlight of the season was this group's rapid improvement that culminated in their winning the championship in the Tri-County Tournament. Season record: won 10 and lost 4.

Tournament Scores
 Abernathy 10 - Lorenzo 0.
 Abernathy 10 - Petersburg 0.
 Abernathy 9 - Idalou 4.

Pee Wee Team
 Following is a list of local boys who participated on the Pee Wee baseball team:
 Larry Payne, Billy Drace, Stan James, Johnny Blake, Lewis Henderson, Toby Taylor, Darrell Selke, David Sinclair, John Myatt, Henry Mathis, Jimmy Hamilton, Skipper Davis, Roger Dale Rogers, Danny Kelly, Thomas Harris, Dennis Bristow, Richard Williams, Robert Vecchio, Lee Griffin, Jimmy Joy, Bobby Rhodes, Sammy Stephens, Kerby Spruiell, Terry Lutrick, Larry Cottrell, Ray Moreno, Larry Wade, and Jerry Sanders.

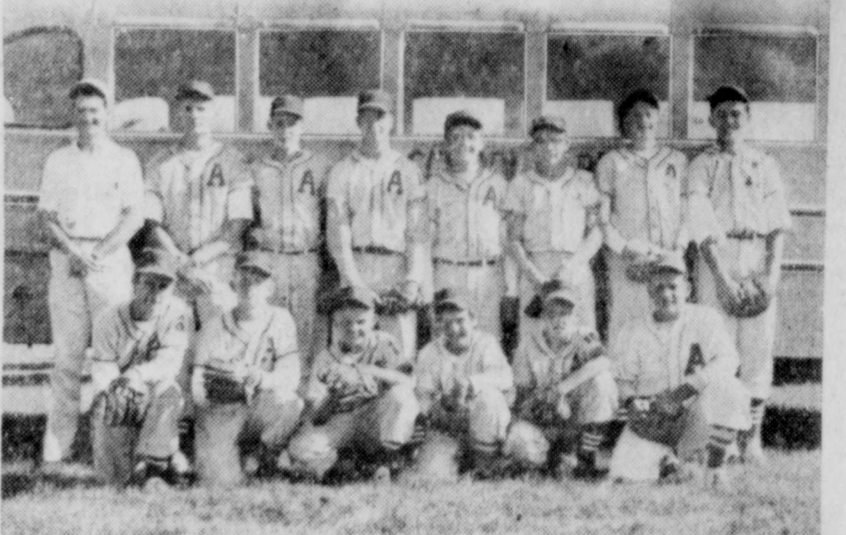

THANKS
 Thanks are extended to W. D. Sanders, Bob Cottrell, W. G. Spruiell, and Omar Wade who umpired during the games.

Also, thanks were extended to the many parents and fans who helped make this baseball season a successful one.

Swimming
 The swimming program again proved very popular with the local youth. Trips were made to K. N. Clapp Pool in Lubbock twice per week, on Wednesday and Friday from 1:00 until 4:00 p. m. Transportation was on a school bus driven by Coach Curtis Davenport, who also supervised the activities at the pool. Average participation was 35 persons per trip.

In summary, approximately 100 students participated in the summer program. The program received excellent cooperation from parents and youngsters, and the leaders of each group showed great interest and enthusiasm. Interest and support of the program seemed to increase as the season progressed.

Mr. Harold Davis presented the school with an unsolicited gift of new uniforms for the Junior League players. The uniforms became the property of the school with no stipulation as to their use. He was promptly written a letter of thanks by the Athletic Director.

Tri-County League Baseball Champs

ABERNATHY'S JUNIOR LEAGUE baseball team, winner of the Tri-County Baseball Tournament this season, is shown here just prior to their journey to Lorenzo for their second game in the tournament.

They are front row, left to right: Billy Hooker, 2nd baseman and pitcher; John Kikez, short stop; and catcher; Henry Northcutt, outfielder; Gene Hale, utility outfielder; Sammy Hunley, 2nd baseman and right fielder; Tommy Walker, outfielder.

Back row, left to right: Mitchell LeMoine, manager and coach of the Abernathy team; Larry Florence, pitcher and 1st baseman; Billy Jack Hackler, left fielder; George Reagan, outfielder; Don Hughes, center fielder; Keith Ellis, 3rd baseman; Eddie Davis, right fielder and 1st baseman; and Tom Ritchey, catcher, pitcher, and short stop.

The local lads defeated Lorenzo, 10-0, downed Petersburg by the same score, 10-0, and out played Idalou, 9-4, to take the tournament championship.

Small Fry
 The Small Fry team (not pictured), was not as fortunate as the Junior Leaguers, as they were defeated by Idalou, 8-7, in the first game of the tournament, thus eliminating them from further competition.

The local team led in scoring throughout the game until the last inning when Idalou edged past them by a one point margin.

Local boys who played on the Abernathy Small Fry baseball team during the summer are the following:
 Mike Tannehill, 2nd base; Ronny Murry, short stop; Larry Gist, pitcher; Mike Collins; Mike Johnson, right field; Harry Overstreet, right field;
 Pat Hale, right field; Lane Wade, center field; Randy Evans, right field; Terry Turner, 3rd base; Larry Northcutt, catcher; Jim Owens, left field;
 Earl Hill, right field; James Hale, 3rd base; John Reagan, 1st base; Barry Selke, left field; Ricky Smith, right field; Fredrick Benn, right field; and Tommy Bridges, pitcher.

 PRESCRIPTIONS

To the finest readers in the world:
 A Godly man told me this morning that they were having large crowds at their revivals this week, but that God's spirit was not working in the services.

This is what is ailing our community and we people of the church. We have joined in earthly, worldly, and selfish insurance companies and denied God's spirit the right of way in our lives.

God has almost quit working in our worship services. God told the church that all manner of sin would be forgiven, but that of denying the Holy Ghost.

I am glad that we still have people in Abernathy who are still trusting God for His love and grace in this time of need. Praise His holy name he has never failed His chosen people.

Let us return to God before He completely leave, our church. This is my earnest prayer. Pray, pray, pray.

Goeth-Fuchs Family History

(By O. F. REA)

This story of the early days of Abernathy and Abernathians started out as a story of the Goeth family and was given to me by Tony Barker, who was Tony Goeth before being married. However, as most of the early history concerned the Fuchs and the Ben Struve families, these families are included in this account.

Tony's grandfather, Fritz Fuchs, Sr., was born in Germany, December 2, 1840. He emigrated to America with his parents at the age of 9 years, in 1849 or 1850. They eventually settled in Texas in the vicinity of Johnson City where the Fuchs' acquired a ranch. This was a strictly German settlement and the language used was German. Mrs. Ben Struve says she only spoke German for several years.

In 1908, The Fuchs' came to Abernathy and bought four sections of land south east of town. This was, no doubt, a result of information

from Ben Struve and others who had come up here earlier. Ben Struve came to Hale County in the late nineties and worked on different farms and ranches.

Mr. and Mrs. Ben Struve lived near Plainview until 1911, when they moved to Abernathy by hack. They only passed two houses on the way down. Lived on part of the original Fuchs land until 1919, when they moved to town and entered the grocery business with Fritz Struve who was already in business here. Ben ran the grocery department and Fritz the hardware and drygoods department. Emil Fuchs, a brother to Mrs. Struve, ran the first barber shop in Abernathy.

The Goeths came to Abernathy in July, 1919, coming from Cypress Mill, a community in the same German settlement near Johnson City. They came by train to Plainview and by wagon to Abernathy. They also settled on

some of the original Fuchs land, which was divided among the Fuchs children.

They lived for several years in a four-room house located five miles from Abernathy. A trip to town took a day by wagon, buggy or horseback. The family consisted of Mr. and Mrs. Goeth and four children, Erna, Herbert, Raymond, and Tony. The children went to school at Center School several miles east and rode horseback most of the time and walked part of the time.

One day when they had walked to town a real sand storm and they could only make it to the home of their grandmother which was only two miles from the school. Stayed all night here. Some of the teachers whom Tony remembers are: Bert Pinson, Thea Goebel, Roy Showalter, Mr. and Mrs. Burr Myers, Mrs. A. C. Pool, and Bess Holston.

Bert Pinson would ride as far as the Goeth home and then walk the remaining five miles into Abernathy. He had no trouble at all stepping over the fences. Surely must have been very hardy and industrious people in those days. Now we can't walk over to the corner drug store.

The Goeths farmed rather than ranched and lived off the farm produce. They grew cotton, standard or crooked neck maize, corn, wheat and a variety of garden stuff, as well as cows, chickens and hogs. These they sold along with cream and eggs and other things. At first the cream was hand skimmed but later was separated. They also had an orchard and "put up" fruit for winter use.

All was not as easy as it sounds on paper, for along with the sand storms and hail storms, there were snow storms as well as prairie fires. Came a real blizzard in 1918 and cattle's legs froze up to the knee joints and they had to be killed. Hogs had to be dug out of the snow.

Entertainment had to be "home made" as there were no movies, radio nor TV. There would be get-togethers mostly in the homes, and ring games and folk dances, and other dances would furnish entertainment. Eventually, however, the Model T Ford came along and with quicker transportation and

newer types of home type entertainment shifted to the new place. Along in the late thirties and early thirties having a hard time "making" money. Cream, eggs and so on could be sold at a profit. Bread was made in the form of flour and meal. They could load a few sacks of wheat or corn into the Model T and drive over to the flour mill at Abernathy and swap this wheat for flour and the corn for meal and take home the butter and eggs money. Charley Goeth took advantage of this and swapped with the mill regularly.

In 1933, due to bad health and being physically unable to run the farm, the Goeths sold their farm and moved to town. Both Mr. and Mrs. Charley Goeth died several years ago.

Herbert married in 1922 and farmed outside of Friona and later lived in Lubbock for several years. He now lives in California. Erna married Lee Brahear in 1925, and lived in Abernathy for several years, a little while in Kansas, and now lives at Johnson City near her birthplace and early home. Raymond married Mrs. H. G. Wells in 1923, as did butler married Georgia Barker and they have resided in Seagraves several years. Raymond being a shift foreman at the Denver City plant of Southwestern Public Service Co.

Tony married Dennis Barker, a brother of Georgia, and has lived in and near Abernathy ever since. Tony and Dennis live at Tuco where he has been maintenance foreman for several years. They have one daughter who is at home. Raymond and his wife have one child also a daughter and her husband, Jim's daughter who is well known here, having gone

through school or most of it here, has married since they left here and now resides in Fort Worth.

Dennis Barker came to this county much later than the others of this story, coming to Monroe or New Deal in 1930, from Electra where they had been working in what had been the boom time of the oil fields. The boom played out at Electra and the town went dead, so they came to the Plains.

After making good money there, \$10.00 and \$12.00 per day, the 10¢ per hour paid for farm work out here sure was discouraging. However they kept things together by hard work and later moved to Abernathy.

Dennis farmed a couple of years after marrying and decided he could do better in town. Dairied for about two years then worked for Struves. Worked for county two years under Mr. Rankin on a maintainer. Went to work at Tuco in September, 1944.

Tony should be around for a long time yet as she comes from a family, the Fuchs, among whom were some that lived many years. Her grandfather lived to be just a few days short of 93 years. An uncle lived to 98 years and another early relative lived to 95 years.

This information on ages was furnished by Mrs. Ben Struve along with much other information related in this story.

SENATOR Andy Rogers, who was the Acting Governor of Texas for one day early last month, shows here signing a proclamation concerning Abernathy's Golden Anniversary Celebration, held July 10, 11, and 12. Looking on is Representative H. G. Wells of Tulsa, Okla., who is Pro Tem of the State Senate. Rogers was acting governor of Texas on a day when both Gov. Price Daniel and Lt. Gov. B. C. Gandy were out of the state. The picture and the following information arrived too late to run before the Celebration.

LEARN THE BARBER PROFESSION G. I. Approved

Lubbock Barber College is the cheapest way to a good profession since the full six-month course costs only \$250.00. Upon completion of the state approved course, anyone over sixteen and one-half years of age is eligible to take the examination for a state license. Since the student is in school only seven hours per day, some work after school will pay the expenses. The school is G. I. approved and has dormitory facilities.

For details of how to train for a good paying trade where there are lots of jobs open for all graduates, contact the

SMALL GRAINS GROW BETTER WITH PHILLIPS 66 AGRICULTURAL AMMONIA

Applied in the Fall

Apply Phillips 66 Agricultural Ammonia ahead of your small grains for earlier, faster growth that makes possible more fall and winter grazing with higher grain yields next year, too.

Phillips 66 Agricultural Ammonia is easy to use. It's 82% nitrogen—more nitrogen per dollar than you can get in any other type of nitrogen fertilizer.

Agricultural ammonia stores well in loamy to heavy soils. It stays in the moist root zone . . . resists leaching . . . until growing crops need it.

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE THESE BIG CHEVY VIRTUES!

D Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with . . . your knuckles and fingernails will appreciate it.

greater roominess

Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

bigger savings

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from every full-sized car!

bigger brakes

Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a NASCAR*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

*National Association for Stock Car Advancement and Research.

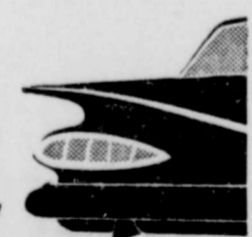

award-winning engines

The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines . . . for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

full coil ride

You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TRENDS magazine can give you a hint of what you're in for: ". . . the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

fresh styling

POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling . . ." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

higher trade-in

N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to \$128 higher than comparable models of the other two cars in Chevrolet's field.

*National Automobile Dealers Association.

See how much more Chevy has to offer—visit your local authorized Chevrolet dealer!

Lavern Corder To Teach At H-SU

Lavern Corder, a former teacher in the Abernathy Public Schools, is to join the staff at Hardin-Simmons University as an instructor in Business Administration in the fall of this year. Last year he taught business courses in the Hereford Public Schools.

LAVERN CORDER
... to Hardin Simmons U.

Mr. Corder graduated from Morton High School in the spring of 1950, then attended Eastern New Mexico University, graduating from that college in 1954.

During the summer of 1954 he worked in the offices of Waples Platter Food Company in Lubbock and as a stenographer for the Santa Fe Railroad. He started his teaching career in the fall of 1954 at the Abernathy schools, but this was interrupted by a two-year tour of duty in the Army, having been inducted on Nov. 1, 1954.

After basic training and specialized clerk-typist schooling at Fort Chaffee, Arkansas, Mr. Corder served as a Company Clerk in Erlangen, Germany, for about 15 months. He also taught in the American Education Center for American soldiers on the base.

While in Germany, Corder toured the following countries: Germany, France, Italy, Saar, Switzerland, Monaco, Austria, England, Belgium, Holland, Denmark, Turkey, Lebanon, Israel, Jordan, Syria, Egypt, and Greece.

In 1956 he returned to Abernathy and became Secretary to the Superintendent of Schools, while teaching some business subjects. In 1957 he taught full time in the business department.

Mr. Corder has also attended school at Texas Technological College, at Lubbock; Hardin-Simmons

University, Abilene; and Amarillo Center. He is to receive his Master's Degree from West Texas State College, Canyon, August 21 of this year.

Recently Mr. Corder married Margaret (nee) Lovett. She holds a B. A. Degree from Eastern New Mexico University and has 60 graduate hours in music from Southwestern Seminary. Prior to marriage, she was secretary to the Baptist Student Union for the State of Oklahoma.

Leon Hokett has moved to 1012 Ave. E.

C. A. Winn has moved from 304 Ave. D to 1606 Ave. D.

Mr. and Mrs. Truman Richardson and son, Roy, and Neal Humphrey, and Sharon Thompson have returned from a trip to Tres Ritos, N. M. They were joined in Tres Ritos by Mr. and Mrs. Larry Lamb of Clovis.

Reclassify 30 Cotton Farms To "A" Plan

Approximately 30 Hale County cotton farmers have changed from the E to the A cotton plan.

John E. Martin, office manager for the Agriculture Stabilization and Conservation office, said about 45 requests for the change had been made and the ASC committee is still considering about 15 applications. There were 430 farms operating under the E plan.

The applications for changes came after the farms received hail damage. Martin pointed out that before a farm can be reclassified enough of the cotton must have been destroyed to reduce the acreage to conform to the A plan. It is not permissible to plow up cotton, Martin said.

Farmers have until harvest to make application for reclassification. Martin estimated that 50 percent of the cotton acreage in the county has received hail in amounts varying from nominal damage to total destruction.

The most seriously hit is a strip a few miles wide extending north-west of Plainview to south and southwest of Hale Center, a distance of around 25 miles. Martin said the section of the county escaping serious hail damage is that east of Plainview and south to the Petersburg area.

Wheat Allotment Is Raised In Hale

Hale County's new wheat allotments is 66,511 acres, 1,685 acres above the 1959 allotment, John Martin, Agriculture Stabilization and Conservation office supervisor, said.

Martin said individual farm allotments have been mailed. The ASC officials were of the opinion that most of the Hale allotment will be seeded.

Martin said the ASC has measured over 25 percent of the cotton land in this county. There is a crew of 18 assigned to do the work, but weather conditions have slowed work.

DRIVE SAFELY — A good look beats good luck in the job of safe driving.

1959 Soybean Crop Support Information

Warns Handlers Of Insecticides

Insecticides are poison and must be handled with due caution. Persons are available to people for specific purposes only, and it is a good idea to restrict their use to those that are recommended.

Ollie Liner, Hale County Agent, says, "Nobody need suffer from the effects of insecticide poisoning if (and that's a big if) the proper precautions are observed. It is mighty easy to get into serious trouble with insecticides." Here are some of these precautions:

1. When loading the sprayer or duster stay upwind and do not spill insecticides on the body or clothing.
2. Wear a proper respirator when loading or applying insecticides.
3. Wear fresh clothing each day, and if liquid insecticides are spilled on the clothing, take a bath and change clothes immediately.
4. Wear rubber gloves to keep insecticides off your hands.
5. Do not smoke or eat while handling insecticides. Wash hands thoroughly before eating or smoking.
6. Destroy all empty insecticide containers.
7. Store insecticides where children or farm animals cannot get to them.
8. Do not store insecticides unless they are clearly labeled.
9. If you become dizzy, sick at your stomach, have a headache or blurred vision, quit work instantly and see a doctor.

The 1959 final Hale County Price Support rate established for soybeans of the classes Green soybeans and Yellow soybeans grading No. 2 or better, and containing from 15.8 to 14.0 percent moisture is \$1.76 per bushel, John E. Martin, County Office Manager, Hale County Agricultural Stabilization and Conservation office, announced.

For soybeans stored in an approved commercial warehouse, the loan rate is \$1.76 less the service fee charge of one-half cent per bushel and the warehouse charges will be deducted according to the table of deductions: 13 cents per bushel from Aug. 21 - Sept. 10, 1959; 12 cents - Sept. 11 - Oct. 1, 1959; 11 cents - Oct. 2 - Oct. 22, 1959; 10 cents - Oct. 23 - Nov. 12, 1959; 9 cents - Nov. 13 - Dec. 3, 1959.

Schedule of premiums and discounts for 1959 - crop soybeans. PREMIUMS: Foreign Material 1% or less equals 2 cents.

Moisture 12.2 or less equals 4 cents; 12.3 to 12.7 inclusive equals 3 cents; 12.8 to 13.2 inclusive equals 2 cents; 13.3 to 13.7 inclusive equals 1 cent; 13.8 to 14.0 inclusive equals none.

DISCOUNTS: Foreign material 2.1 - 2.5% equals 1 cent; 2.6% - 3.0% equals 2 cents; 3.1% - 3.5% equals 3 cents; 3.6% - 4.0% equals 4 cents; 4.1% - 4.5% equals 5 cents; 4.6% - 5.0% equals 6 cents.

Splits: 20.1% - 23.0% equals 1/2 cent; 23.1% - 28.0% equals 1 cent; 28.1% - 35.0% equals 1 1/2 cents; 35.1% - 40.0% equals 2 cents.

Discounts for test weight: For No. 2 soybeans, the minimum test weight per bushel is 54 pounds and a discount of 1/2 cent per

bushel for each pound under 54 shall be applied.

Loans and purchase agreements will be available from time of harvest through January 31, 1960.

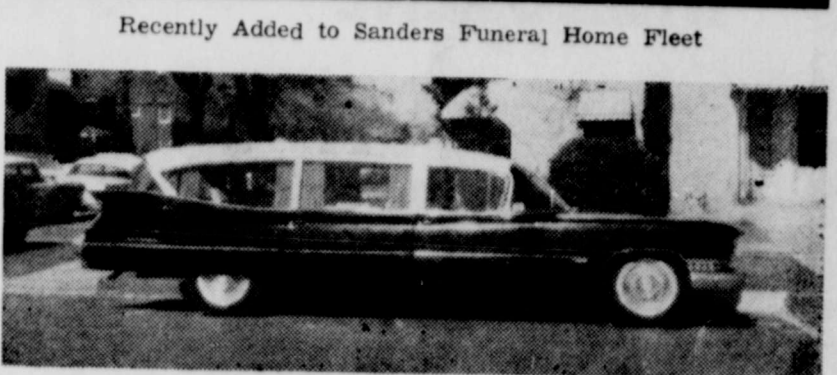

Loans mature on demand but not later than May 31, 1960.

Soybeans must be soybeans of any class, grading No. 2 or better, and containing not in excess of 14 percent moisture.

Final Loan Rate For 1959 Wheat - The 1959 final Hale County price support rate is the same as the

interim rate of \$1.82 for U. S. No. 1 Wheat. John E. Martin, County Office Manager, Hale County Agricultural Stabilization and Conservation, announced.

Sherley Oswalt was flown to San Antonio last Friday morning to attend a funeral to be conducted at 9:30 a. m. She went with Don Cunningham in his plane, leaving about 5:30 a. m. and returning in the afternoon. Don flies a Beech Bonanza.
