Antelopes Open Grid Season At Floydada Friday Night

The Abernathy Antelopes and the Floydada Whirlwinds will resume their gridiron rivalry Friday night after a one-year lapse when the two teams meet in Floydada's ballfield to kick off the 1959 football season for both schools.

The last time the Antelopes and Whirlwinds clashed was in 1957, and the Floyd County boys defeated the Antelopes to the tune of 33-0. The 1957 football season was the last time that both the Antelopes and the Whirlwinds were both members of the "old" 2-AA District. The game that year was played on Antelope Field.

Last year Floydada was put in District 3-AA, and Abernathy and Lockney were the only "regular" members left in the 2-AA District.

The young Antelope team, which has only six returning lettermen from last year's bi-district championship team, are given little chance of upsetting the veteran Floydada team. The Whirlwinds, with 12 returning lettermen, are rated the top team in District 3-AA, as well as one of the top AA teams in the state.

While the Floydadians get the nod in their district, the Antelopes under new head coach Curtis Davenport are in a building year and are expected to do no better than finish in second place in District 2-AA, according to pre-season ratings.

Coach Davenport's probable starting backfield for the first game tomorrow will include Billy Joe Smith and Aubrey Smith at the halfback positions, Harold Thompson on fullback, and John Brown at quarterback.

All probable starters in the backfield with the exception of Billy Joe Smith saw considerable action on the varsity team last year. Because of eligibility, Smith was limited to action on the B team during the 1958 season.

The probable starting linemen for the Antelopes will include Jerry Gist and Neal Humphrey at the end positions, Wilton Manley and Larry Florence at tackle, John Kiker and Roy Smitherman at the guard slots, and Jack Ingram at center.

Manley and Florence, both starting at the tackle positions, weigh over 200 pounds each, and Smitherman and Kiker, guards, are 165 and 135 pound boys. Both of the ends tip the scale at about 155 pounds, and Ingram pushes the scale to about 170 pounds.

Coach Preston Watson's probable starting team for the Friday game will include the following Floydada veterans: Don Vickers, Don Gilliam, Rodney Teague, and Richard Graves, backs; Danny Shipley and Eddie Parks, tackles; Larry Irby and Hal Hines, guards; Elwin Pearce and Larry Orman.

At the end positions, Wilton Manley and Larry Florence at tackle, John Kiker and Roy Smitherman at the guard slots, and Jack Ingram at center.

Manley and Florence, both starting at the tackle positions, weigh over 200 pounds each, and Smitherman and Kiker, guards, are 165 and 135 pound boys. Both of the ends tip the scale at about 155 pounds, and Ingram pushes the scale to about 170 pounds.

Coach Preston Watson's probable starting team for the Friday game will include the following Floydada veterans: Don Vickers, Don Gilliam, Rodney Teague, and Richard Graves, backs; Danny Shipley and Eddie Parks, tackles; Larry Irby and Hal Hines, guards; Elwin Pearce and Larry Orman.

City Gin To Have Formal Opening Wednesday, Sept. 9

The Formal Opening for City Gin will be held Wednesday, September 9, announced Charlie Ellis, manager and one of the partners in the ownership of the new electric gin plant one-half mile south of Abernathy city limits.

In addition to visitors being shown the operations of the new gin, a free barbecue dinner is scheduled to be served at the gin at noon that day. The public is cordially invited to come by and inspect the new gin plant and to enjoy the delicious barbecue meal.

All modern, complete automatic Continental control equipment is featured at City Gin, having push button control.

The new gin has four 120-saw gin stands with a Continental lint cleaner behind each stand. Also in operation will be a Double Constellation Moss Lint Cleaner. The gin also has two 14-foot bur machines and three six-cylinder incline cleaners.

City Gin will be in full operation this fall to serve the cotton farmers of this area.

Ownership of the City Gin is composed of a 20-man partnership. The partnership owners are the following:

H. V. Davis, J. W. Davis, A. H. Davis, Lloyd Edwards, Charlie Ellis, Millard J. Hancock, Donald Huffaker, Jack Lee, Joe Lovelace, Frank Lovelace.

J. D. Vineyard, Roy Matthews, Bob Riley, Ivan Rhodes, J. A. Rhodes, V. A. Struve, G. W. Thompson, H. S. Tennell, V. L. Pettit, and L. J. West.

Charlie Ellis is to act as manager of the new gin.

The erector for City Gin is E. I. Kuykendall of Dallas.

(See the advertisements on pages 4 and 7 in this issue of the Review.)

ABERNATHY ANTELOPES—Shown above are the Abernathy Antelopes of 1959. They are, first row, left to right, Johnnie Adams, Donnie Adams, John Kiker, Raymond Smith, Aubrey Smith, Billy Joe Smith; second row, left to right, William Smith, manager, Billy Jack Hackler, Keith Beard, Tom Ritchey, Dan Thompson, Jimmy Stillwell, Henry Masserang, Ray Ingram, and Porky Tennell, manager; third row, left to right, Coach Waydelle Hill, Mike Ritchey, Charles Wisdom, Harold Thompson, Roy Smitherman, Leo Kiker, Mac Houston, Billy Hooker, Jack Ingram, and Coach Wayne Preston; fourth row, left to right, Coach Curtis Davenport, Jack Waters, Ed Burnett, John Saari, Larry Florence, Wilton Manley, Neal Humphrey, Joe Brown, John Brown, and Jerry Gist. The Antelopes will open their season Friday night at Floydada against the power house Whirlwinds. (Staff Photo.)

MEN'S MAJOR LEAGUE MEETING SCHEDULED

All Major League Team captains are expected to meet in the conference room at A-1 Lanes Thursday night, Sept. 3, at 7:30 p. m. Team captains who cannot attend are asked to have a team representative present. Team captains will draw for team numbers and will receive final instructions at this time.

Curtis Lebow, League Secretary.

The H. T. Peters family returned recently from a 4,000-mile trip to Seattle, Wash. Eddie, son of Mr. and Mrs. Peters, returned to Abernathy with them. Eddie worked in Seattle this summer and stayed with his grandparents, Mr. and Mrs. Jack Winterhalter.

JAYCEES TO MEET THURSDAY NIGHT

The Abernathy Junior Chamber of Commerce will meet at 8 p. m. Thursday, September 3, at Graham's Restaurant. All members are urged to be present for this meeting.

Also, anyone who is interested in Junior Chamber of Commerce work is cordially invited to attend. The Abernathy Jaycees meet the first and third Thursday nights of each month.

"Pack The Pew" Revival Is Slated For Baptist Church

"Pack the Pew Revival" will begin in the First Baptist Church on Sunday, September 6, and continue through the following Sunday. Over 300 pew captains will be busy enlisting people to "pack the pews" nightly.

The evangelist for the revival is Dr. Ronald Prince, pastor of the First Baptist Church, Paris, Texas.

Dr. Prince has traveled as an evangelist for several years in more than thirty states. He directed the first civilian revival for the 82nd Airborne Division at Ft. Bragg, N. C. Because of the success of this endeavor he has been called upon frequently to address military installations and colleges.

He is in constant demand for meetings of church and civic groups as an after dinner speaker.

Dr. Prince was born August 14, 1922, in St. John, New Brunswick, Canada. He was reared in Boston, Mass., where he received his public education. Additional education was received at Austin College, Sherman, Texas. Prince is a graduate of Southwestern Baptist Theological Seminary, Fort Worth, and Southwestern State College of Durant, Oklahoma. Howard Payne conferred a Doctor of Divinity Degree on him recently.

Formerly Dr. Prince has served as a member of the Executive Board of the Baptist General Convention of Texas. He has been associate pastor of the First Baptist Church of Denison, Texas. He has also pastored the Parkside Baptist Church of Denison and the First Baptist Church of Cleburne, Texas.

He is presently pastor of the 106-year-old historic First Baptist Church of Paris, Texas. The church has 3,000 members. He is also vice president of the board of trustees of Howard Payne College.

Dr. Prince attended the Baptist World Alliance in London, England, and has visited other parts of Europe and the Holy Land.

All of these experiences have richly blessed Dr. Prince's ministry.

On page two of this week's issue of the Review, an ad is being carried giving the details of the service.

A special invitation is extended to all of the people to attend these services.

Over 200 Persons Inoculated Against Polio Here Thursday

The third free polio vaccination drive within the past three months was again sponsored by the Abernathy Junior Chamber of Commerce last Thursday. The polio shots were administered by Thomas Williams, Mrs. Jesse Greene, Mrs. C. A. Wynne, and Mrs. Joe Chambers in Abernathy City Hall between the hours of 1:30 and 4:30 p. m.

Over 200 local persons were inoculated against polio during this drive, bringing the total number of persons inoculated during the three drives to well over 1,100.

Another such drive is tentatively scheduled for the latter part of this month. The Abernathy Jaycees will again sponsor the free polio vaccination drive and will furnish transportation to and from the city hall for the people in Abernathy and the adjoining area who do not have available transportation.

Graham's Restaurant To Celebrate 13th Anniversary

Restaurant in Abernathy, Tex., opened after being closed for 10 days for repairs, will celebrate its 13th Anniversary next Thursday, September 10, announced Mayor and Mrs. E. O. Graham, owners.

During their anniversary, Gramhams will give away free coffee and cake to everyone who visits them on the anniversary celebrating their 13 years of service to the Abernathy community.

The Gramhams also invite everyone to inspect their new, recently added facilities. The restaurant just re-opened Monday, August 31, after being closed while the building was being overhauled. During the remodeling, new flooring throughout the building was put in, and the old part was completely remodeled. Also added were a charcoal broiler, electric grill, buffet equipment, food warmers, and a foyer to the entrance.

The business has shown a continuous improvement since it was established in 1946 by the Gramhams. This was the third major overhaul that has been made in the past 13 years.

The original Graham's Restaurant was in only two-thirds of the old building, which is the south side of the present building. In 1954, the north part of the building was purchased, and the party room in back of the restaurant was enlarged last spring to a seating capacity of about 65.

Mr. and Mrs. Graham extend a cordial welcome to everyone to visit them on their 13th Anniversary Thursday, September 10, and drink coffee, eat cake, and brouse around the all-modern restaurant.

DRUM MAJORS—Pictured above are the Drum Major and Assistant Drum Major of the 1959-60 AHS Antelope Marching Band, Peggy Evans, left, daughter of Mr. and Mrs. M. D. Evans, is the Assistant Drum Major. Doyle Johnson, son of Mr. and Mrs. L. L. Johnson, is the Drum Major. Both students are juniors in Abernathy High School. The above pictured Drum Majors will be leading the AHS Marching Band during half-time ceremonies at Floydada Friday night.

POWELLS PURCHASE ANTELOPE CORNER

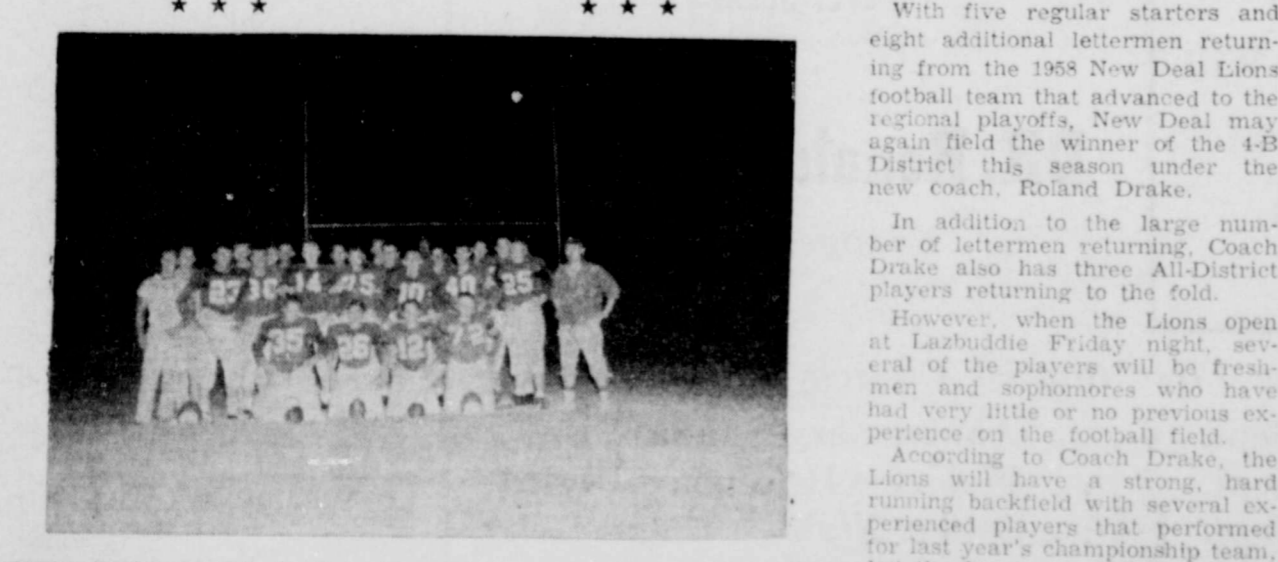

Mr. and Mrs. B. V. Powell have purchased Antelope Corner from Mr. and Mrs. O. O. Hiser. The Antelope Corner is located one block east of the elementary school.

The Powells will feature a complete line of school supplies plus cold drinks, candies, hamburgers, and hot dogs. School students are invited to eat lunch at Antelope Corner, where there is plenty of seating space available.

CORRECTION

The article on page two concerning the revision of bus routes and listing route numbers and bus drivers had been printed prior to the Review receiving the following information: The driver of bus number 2 is Bryant Powell, who replaced Robert Montgomery.

New Deal To Field Inexperienced Team

NEW DEAL LIONS—In the above picture are the members of the New Deal Lions football team. They are, first row, left to right, John Reagan, Glenn Price, Lynn Price, and Johnny Hamilton; second row, left to right, Coach Mike Harris, Kelly Chadwick, Gary Whiteley, Wendell Attebury, Billy Ellison, Charles Ruffin, Don Enger, David Parrish, Jim Justice, and Coach Roland Drake; third row, left to right, David Attebury, Lonnie Greenhill, Doyce Middlebrook, John Cole, Jimmy Cox, Leon Cox, Tommy Valdez, J. W. Leatherwood, Jerry Hogan, and Jerry Barrington. The Lions will open their season at Lazebudie Friday night. (Staff Photo.)

Jaycees Sponsor Dinner For 1959 'Lopes And Coaches

Last Thursday night, August 27, a "Get Acquainted Dinner" was given by the Abernathy Jaycees in honor of the 1959-60 football team and the coaches and their wives.

Coach Pete Wilson, athletic director at AHS, introduced the coaching staff: Curtis W. Davenport, head coach, and his assistants, Waydelle Hill and Wayne Preston.

Coach Davenport introduced the members of the 1959-60 Antelope football team, giving the position each man plays, and he also gave a rundown of the progress made during the workouts and the scrimmages.

Mrs. Mary Hardin is seriously ill at the home of her daughter, Mrs. Grover Baker.

55 Dogs Vaccinated Here August 28

Fifty-five dogs were vaccinated against rabies here last Friday night, stated Lawrence Carter, City Secretary.

Owners took their dogs to the Abernathy City Hall where Dr. A. A. Moore, D. V. A. of Moore Vet. Clinic, Lubbock, administered the vaccinations.

After September 1, 1959, all dogs without rabies shots will be picked up and impounded. All dogs must wear Vaccination Tags and City Tax Tags. Once a dog has been impounded, there will be a charge for redemption.

LIONS CLUB NEWS

The Abernathy Lions Club will resume their regular noon luncheon at Graham's Restaurant Tuesday, September 1. About 30 members and guests and the Lions Sweetheart, Rebecca Hager, attended the luncheon.

PROGRAM

Floyd Mooneyham, this week's chairman of the program committee, presented a very interesting and worthwhile program at the noon luncheon.

Mooneyham showed slide pictures which were taken at the Texas Lions Camp for Crippled Children at Kerrville, Texas. Well-versed, descriptive comments about each picture was given by Joe Mike Thames, Mickey Carter, and Mooneyham.

Joe Rex, 12-year-old son of Mr. and Mrs. J. B. Thames, and Mickey, 15-year-old son of Mr. and Mrs. Earl Carter, have attended the camp.

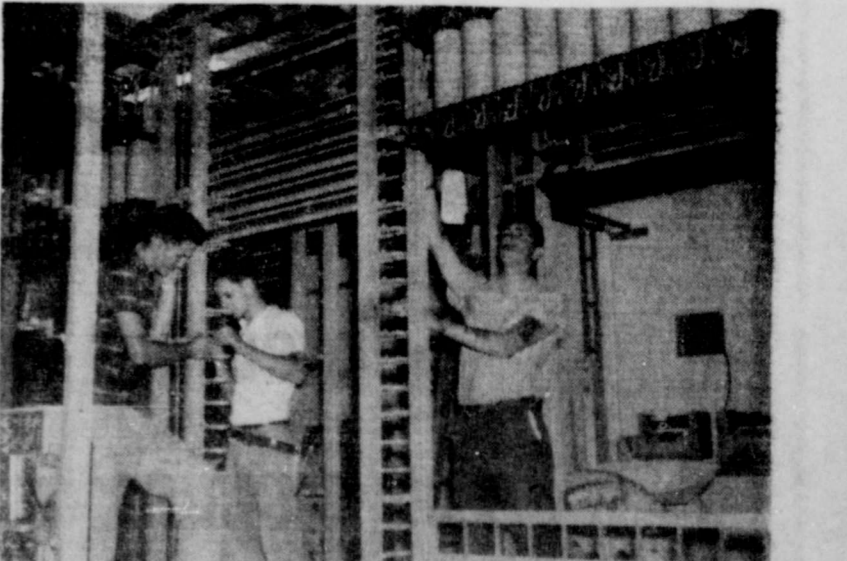

Pictures of the entrance to the camp, the bunk houses, the infirmary, recreation hall, arts and crafts building, dining hall, administration building, the swimming pool, the chapel, along with the descriptive talks about each one, proved very interesting and helped to better acquaint the Lions members with probably their most important project in Texas.

Delbert Beaton, justice of the peace, was taken to West Texas Hospital, Lubbock, early this week by Dennis Chambers Funeral Home ambulance.

Mrs. A. T. Johnson is under treatment in West Texas Hospital, Lubbock.

Mr. and Mrs. Melvin Ripe and children were in Spur over the weekend to be with his mother who is in the hospital.

Dial Equipment Installation

INSTALLATION WORK on the most modern dial telephone equipment available is being done in the General Telephone Company of the Southwest's new dial telephone exchange building in West Abernathy. Pictured above, left to right, are John Hurley, Riggs, Texas; Phil Boyd, Anna, Illinois; and C. L. Knighton, Murfreesboro, Arkansas. The above men are three of the members of a team of technical experts from Automatic Electric Corporation of Chicago. Shown in the upper right corner are the incoming switches for local service. They are the first-selector switches which absorb the first three digits dialed by a customer. The cross bars just above Hurley and Boyd are the distributing terminal assemblies. These assemblies, when strapped, will provide service for 10 percent of the total local dial telephone subscribers. In the right background are the ringing machines which are equipped to give full selective service for four-party lines. When a number of a subscriber on a four-party line is dialed, only that number will ring. (See Story on Page 4.)

TO BE CLOSED MONDAY, LABOR DAY

Abernathy First State Bank and the Abernathy Post Office will be closed Monday, September 7, La-

bor Day. No rural mail delivery will be made that day. A few other local business firms may also be closed.

HARDY SHELBY

Hardy Shelby Named Manager of SWPS in Plainview District

Hardy Shelby has been named manager of the Plainview District of the Southwestern Public Service Company, which includes Abernathy.

Shelby, a 30 year veteran of the electric power company, replaces Mart Pool, who died recently.

The new district manager comes to Plainview from Lubbock, where he has been manager since 1953. He had previously been in the Plains Division, of which the Plainview District is part, when he was manager at Littlefield for 11 years.

Shelby's appointment was announced by J. M. Collins, Plains Division Manager for the Southwestern Public Service Company. Collins said it would be effective as soon as housing was available for the Shelys in Plainview.

DOVE SHOOTING BEGINS SEPT. 1 IN NORTH TEXAS

AUSTIN — Season opens for North Texas dove hunters Tuesday, Sept. 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses will go on sale after August 20, according to the announcement. They will be effective Sept. 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire Aug. 31, and a new license is necessary for fishing outside the home county, or with any kind of winding device.

Persons over 65 years of age are not required to have a license. Exemption cards are available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required.

School Bus Numbers Revised To Correspond With Route Numbers

Noel Johnson, Superintendent of Abernathy Public Schools, announced that the school bus numbers and the bus routes have been revamped and revised for the coming school year. Plans are that the new system will be used for many years and should eliminate confusion experienced in the past when bus numbers did not correspond with route numbers.

Actually, the bus routes will remain the same, but the bus which runs each route will have the same number as the route number.

In the past, children who resided on route number 1 may possibly have been riding bus number 16. Hereafter, children who reside on route number 1 will ride bus number 1, etc.

The eight bus routes are numbered clockwise with route number 1 starting at the southwest.

Route number 1 is southwest of town and bus number 1, which is a new chassis with a reconditioned body, will be driven by Harold Poage.

Bus number 2, which makes a west loop, will be driven by Rob-

ert Montgomery. Jude Strickland will drive bus number 3, which is due west of town.

Route number 4 is northwest of town, and the driver of that bus will be J. B. Thames. J. C. Doggett is to be the driver of bus number 5, which makes the route north and northwest of town.

Bus number 6 will be driven by Tella Walker, with route number 6 being northeast of town.

Route number 7 runs east and northeast of town and Mitchell LeMoine will be driver of bus number 7.

H. A. Ross, bus foreman, will be the driver of the new 60-passenger school bus which is to be bus number 8. Route number 8 runs southeast, south, and southwest of town.

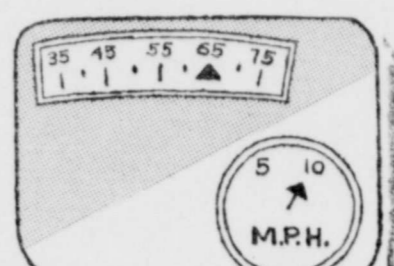

SCHOOL CALENDAR IS RELEASED

Following is the tentative schedule of holidays on the 1959-60 school calendar, as released by Noel Johnson, Superintendent of Abernathy Public Schools. The following schedule, which is subject to revision, has been approved by the School Board:

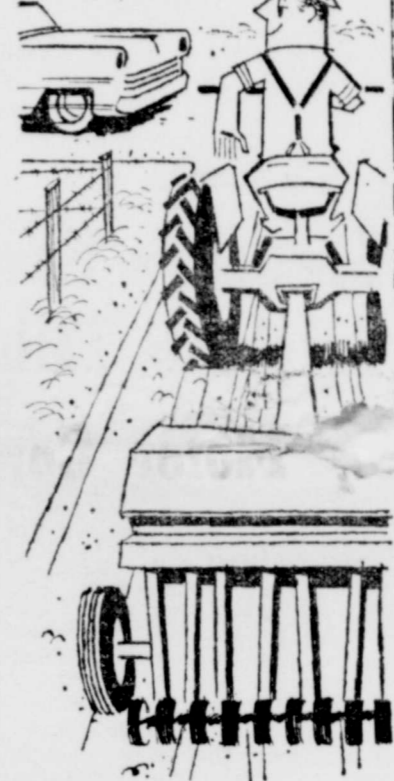

- August 31—School opens (2:00 p. m. dismissal).
- September 7—School out for Labor Day.
- September 8—School resumes.
- September 28—School out for fair.
- November 25—School out at 2:00 p. m. for Thanksgiving.
- November 30—School resumes.
- December 23—School out at 2:00 p. m. for Christmas.
- January 4—School resumes.
- January 15—Mid term.
- February 12—School out at 2:00 p. m. for Valentine.
- March 4—Teachers' meeting, Lubbock.
- April 14—School out at 2:00 p. m. for Easter.
- April 19—School resumes.
- May 15—Baccalaureate.
- May 19—J. High commencement.
- May 19—(175 days) End of 9th month of school.
- May 20—High School commencement.

FOLLOW THROUGH, NOW—Pictured above are some of the 91 boys and girls between the ages of 8 and 15 who were present for bowling classes on Friday, Aug. 21, at A-1 Lanes. The Children's Free Bowling Clinic, which began Thursday, Aug. 20, ended last Friday. (Staff Photo).

Childrens' Free Bowling Clinic At A-1 Lanes Proves Successful

Lindell Myatt, manager and partner in the ownership of A-1 Lanes, Abernathy's all-modern bowling place, announced that the Children's Free Bowling Clinic here that ended Friday proved very successful.

The bowling clinic, which was free of charge, courtesy of A-1 Lanes, began Thursday, August 20.

Classes were held from 9:00 to 11:00 a. m. on Thursday and Friday, (skipped Saturday and Sunday) Monday and Tuesday, (skipped Wednesday) and continued through Thursday and Friday.

Thursday, August 20, the first day of the Free Bowling Clinic, 52 boys and girls in the specified age group participated in the bowling classes. A total of 91 boys and girls were present for the bowling class the next day. Last Monday there were 96 present, with 94 present on Tuesday. The Thursday morning class fell

off slightly, with only 96 present and on Friday, the last day of the bowling clinic, there were about 80 present.

The bowling clinic was originally planned to be held for all boys between the ages of 8 and 15, but it was stated that since so many girls of that age group were also interested, they, too, were permitted to participate.

Instructing the boys and girls in the fundamentals of bowling, and such things as bowling form, delivery, bowling courtesy, and score keeping were Lindell Myatt, Keith Shipman, and Gene Bernhardt.

A Junior League is to be formed this fall for these boys and girls between the ages of 8 and 15 who wish to participate.

The purpose of the bowling clinic was to help the children with the fundamentals of bowling prior to the forming of the Junior League this fall.

TIPS ON THE LABOR DAY WEEKEND

September 4, at 6 p. m., the dash will start—a frantic race to have fun during summer's final, long-weekend holiday. Normalcy won't return before midnight, Monday, Sept. 7.

During these 78 hours, a large percentage of Texas' three-and-a-quarter million passenger cars will flood the state's streets and highways. Accidents, according to the Texas Safety Association, will inflict heavy losses in life, limb and property if history continues to repeat itself in traffic.

Drownings, too, will take their share of lives, as will plane crashes, boats, and other holiday activities.

What will people do wrong? They will drive too great distance in too little time, get impatient with other motorists, and make things tough for themselves by drinking and driving.

And, of course, they will drive too fast for conditions.

Many who will miss the traffic slaughter will drop their guards when taking part in other past-times that go to make a holiday pleasant. (If it is safe).

Swimmers, for example: too many will go in water alone, some will swim after dark, and some will take chances in waters that are unfamiliar to them.

To help a few Texans avoid many of these mishaps, the Texas Safety Association has prepared a list of do's and don'ts that are designed to increase the degree of safety for anyone—they are the following:

IN TRAFFIC—
1. Don't drive too far—400 miles a day should be the limit, and a lot less than that after working an eight-hour day.

2. Do cut your speed at least 10 miles an hour after dark. You'll be surprised how much more re-

Local Library To Be Open Each Saturday Afternoon

Miss Dessie Ritchey, librarian at Abernathy Library which is located in the city hall, announced that beginning Saturday, September 5, the local library will be open from 1:00 until 5 p. m. each Saturday.

The opening of the library on Saturdays is in addition to its being open from 1:00 until 5 p. m. each Monday, Wednesday and Friday, Miss Ritchey added.

laxed you'll be.

3. Don't drive if you drink!

4. Don't get burned up at other drivers. Good drivers keep cool behind the wheel.

5. Don't exceed the speed limit.

WHILE SWIMMING—

1. Never swim alone, even at a public beach. When children swim, an adult should be present.

2. Don't swim till exhausted—rest often.

3. Do enter water gradually, and wait an hour after eating.

ANYWHERE—

Do use courtesy and common sense. The more YOU think about safety, the less YOU will read about accidents.

FOR FUN AND HEALTH

The most pleasant sport to keep fit and well. Relaxation and pleasure is one.

Installation Work Begins On Dial Telephone System Here

Installation of the most modern dial equipment for Abernathy's future unattended dial system began Tuesday, August 4, according to E. I. Jenkins, District Manager for the General Telephone Company of the Southwest.

The District Manager stated that this equipment, the latest in design, will provide greatly improved telephone service to 850 customers in the Abernathy area. The new dial equipment will allow customers in this area to dial directly to the desired numbers, without the assistance of an operator, hence permitting a much more rapid completion of all local calls.

Company plant personnel are being assisted in this installation by several technical experts from Automatic Electric Corporation of Chicago, who specialize in the installation of this type equipment, said Jenkins.

As of last Thursday, the huge refrigerated air-conditioning system, the power equipment, batteries and chargers for the batteries had been installed. Also, at that time, the iron super-structure for the 600 line, 900 terminal dial office had also been installed.

The installation work is being done by J. Shepard, John Hurley, C. L. Knighten, and Pete Boyd, with Mike C. Wiseman, district supervisor, overseeing the installation. Also assisting with the installation is Wayne R. Arthur, local telephone service operator.

The completion date set at the

W. S. C. S. TO MEET MONDAY, SEPT. 7

The first meeting of the new year for the W. S. C. S. will be held Monday, Sept. 7, at 12 noon. A luncheon will be served in the parlor of the First Methodist Church.

All secretaries are asked to be present to report on the year's goals.

Christian Women Of Abernathy Elect Officers

The fifth Monday meeting of the Christian Women of Abernathy was held Monday, Aug. 31, in the city hall with Mrs. Leland Phillips, president, presiding.

The meeting was opened with a prayer by Mrs. E. M. Carr. During the business meeting a report on the Negro Cleanup Campaign, which was their project this year, was given by Mrs. L. S. Wilson. Also, during the business meeting, new officers were elected to serve for the 1959-60 year. Mrs. J. C. Beach was chairman of the nominating committee.

Mrs. Floyd Shipman was elected

present time for the installation of this new dial equipment is December 1.

Linda Roberts, Jimmy Gragg Married Saturday

In a candle light ceremony read at 5 p. m. Saturday in the First Methodist Church, Abernathy, Miss Linda Gail Roberts and Jimmy Forrest Gragg pledged double ring wedding vows. The Rev. H. B. Coggin, pastor, read the service for the daughter of Mr. and Mrs. H. T. Peel and the son of Mr. and Mrs. J. N. Gragg, all of Abernathy.

Given in marriage by her stepfather, the bride wore a gown designed and made by her aunt. White hand-clipped Chantilly lace and tulle over taffeta fashioned the gown. Featuring a V-neckline banded by pleated tulle the molded bodice was fashioned with long sleeves. Pleated fans of lace and tulle enhanced the floor length skirt which cascaded into a chapel train of alternate layers of lace and tulle ruffles. A pearl crown caught her fingertip veil of silk bouquets.

She carried a white orchid nestled in feathered carnations over a white Bible.

Wear Peacock Blue

Peacock blue peau d' or dresses with high necklines which dipped to a deep V in back were worn by feminine attendants. Miss Jane Roberts attended her sister as maid of honor and bridesmaid were Miss Nancy Haral and Miss Janis Roberts, cousin of the bride from Floydada. Matching velvet bandeaux enhanced their hair and they carried white feathered carnations arranged in colonial bouquets.

Best man was Reginal Stephens of Anton, and ushers were Lane Tannehill, B. W. Phillips, Charles Pope, and Richard DuBose. Miss Vicki Jones, cousin of the

ed president; Mrs. L. A. Suttle, program vice president; Mrs. Leland Phillips, secretary-treasurer; and Mrs. Harold Thomas, song leader; and Mrs. W. C. Clement, pianist.

Mrs. Shipman took charge of the meeting and urged each member to cooperate during the coming year.

Mrs. J. C. Mills, who was program chairman of the meeting, presented Rev. and Mrs. Santos DeLeon, Rev. DeLeon, pastor of the Mexican Mission in Abernathy, presented a talk about his work in the church and their needs at their church. Mrs. DeLeon presented solos for the group.

The meeting was dismissed with a prayer by Mrs. W. M. Medlin. The ladies of the Church of the Nazarene helped serve refreshments to the members.

bride of Anton, and Barry Selke, cousin of the bride, lighted candles. Music was provided by Mrs. Lamar McKenzie at the organ and Mrs. Jerry Moorhead, soloist.

At the ensuing reception in the fellowship hall, guests were served by Mmes. Jerry Oswalt, Richard DuBose, B. W. Phillips, Curtis Lebow, Glennon Selke, Paul Haral, E. J. Pope Jr., Glen Jones of Anton, Eddie Bishop of Anton, and Misses Beverly Suttle and Wanda Howard.

A royal blue costume suit of Italian silk was worn by the bride when the couple departed for a wedding trip to New Mexico. She added lizard accessories, a white feather hat and a white orchid corsage.

The couple will make their home in Canyon and will attend West Texas State College in the fall.

Both are 1959 graduates of Abernathy High School.

American Legion Officials To Make Tour

Department Commander of The American Legion Donald I. Peters of Houston will tour the Fourth Division of The American Legion which is comprised of the 16th, 17th, 18th, 19th, and 21st Congressional Districts, during the month of September. Vice Commander Maurice Kubby of El Paso has announced.

Sanderson will be the first stop

DONALD I. PETERS

of the tour Monday, September 7, at which time the Commander and his party will breakfast at 7:00 a. m. with Post Officials and members of the Post. That evening the Alpine Post will be host to the group at The American Legion Home.

El Paso will be the next stop on Tuesday evening, September 8, with a meeting to be held in the Green Room of the Hilton Hotel.

On Wednesday, September 9, Odessa will act as host at a meeting at The American Legion Home.

From Odessa the group will travel to Seminole for a noon meeting on Thursday, September 10, then to Brownsfield for an evening meeting at The American Legion Home.

Legionnaires in Lubbock will meet in conjunction with the American Business Club at noon on September 11 and Commander Peters will speak before the Club.

Girl Scouts

Intermediate Girl Scouts of District IV of Caprock Council enjoyed an overnight camp-out at Camp Rio Blanco near Crosbyton recently. Each troop prepared supper over camp fires before the entire group assembled for the evening program.

Troop 78 of Crosbyton lighted the bonfire with an impressive ceremony based on the Girl Scout Laws. Songs were directed by Miss Mary Jo Bell, District of Lubbock, and skits were presented by Troops 71 and 78 of Crosbyton, Troop 232 of Lorenzo and troops 88, 92, and 95 of Abernathy.

Informal talks about Round-up were given by two Senior Scouts from District IV. Charlotte Hodges of Crosbyton and Betty Ann Sterrett of Abernathy were the girls that gave the talks.

The group slept in tents and

That evening a meeting will be held at The American Legion Home in Plainview.

The 18th District Convention will

G. WARD MOODY

be held in Dalhart on Saturday and Sunday, September 12-13, and Commander Peters will be a guest of the Convention. He will speak before the Convention Sunday afternoon.

On Monday, September 14, the noon meeting will be held at Sweetwater and the evening meeting will be in San Angelo. The meeting at Brownwood on

then each group cooked its own breakfast. For a closing ceremony, Troop 95 of Abernathy lead a Scouts' Own on the bank of a river, which gave a vantage view of the beauties of nature.

Those attending from Abernathy included Cheryl Hall, Connie Knight, Zera Beard, Katie Evans, Jo Ann Lovelace, Lanay Crow, Cindy Wilson, Janet Rhodes, Linda Rhodes, Linda Hindman, Peggy Carter, Mrs. Jesse Knight Jr., Mrs. C. P. Beard, Mrs. Kenneth Jordan, Mrs. Virgil Rhodes, Mrs. Phil Sterrett, Linda May Kay Powell, Ruthie Beaton, Betty Ann Sterrett, and Frances Teaff.

Tuesday, September 15, will conclude the tour of the Fourth Division. The group will meet with the Lions Club at the Brownwood Hotel at noon.

Accompanying Commander Peters on the trip will be Department Adjutant G. Ward Moody of Austin, Department Service Officer Fred Brookman of Lubbock, and Vice Commander Maurice Kubby of El Paso. District Commanders will join the party in their respective Districts.

Commander Peters, a Houston attorney, is a World War II veteran and has been an outstanding Legionnaire since he became a member of the Legion.

According to the Commander, he intends to meet as many Post Officers in the Fourth Division as possible.

All Legionnaires are invited to attend the meetings that will be held in their area.

We cordially invite you to visit our Modern Gin

On Our Opening Day, Wednesday, Sept. 9, and see why we give the best in ginning service

We will welcome and appreciate the opportunity to show you our fine, modern CONTINENTAL gin equipment and complete facilities for giving you the best ginning service in this section of our State.

In addition, this gin is equipped with the Double Moss Lint Cleaner and Automatic Sampler. We hope you'll give us a trial this year, so we can show you what a big difference good ginning can make in the quality of your cotton and the price you'll get for it.

Your business here will be valued and appreciated. Once you try us, you'll never take your cotton anywhere but here.

Plainview Woman Credited With Preventing Train Derailment

A "strange sound" noted by a Plainview woman probably has prevented the derailment of a freight about eight miles north of Plainview.

Mrs. W. A. Lindsey has been credited by officials of the Panhandle and Santa Fe Railway Co. for noting the irregular sound and notifying railroad officials.

Mrs. Lindsey "unconsciously" hears the Santa Fe trains roll past her home daily. She hardly is aware of them unless there is something odd about the sound.

Train Made Odd Sound

A recent passing train made an "odd" sound.

"I could count every pair of wheels by a loud roar," Mrs. Lindsey said. The second day she heard the unusual sound she notified railroad officials.

A letter of "deepest gratitude" from K. C. May, Slaton, division superintendent, explained the unusual sound that Mrs. Lindsey had heard. May wrote Mrs. Lindsey that crewmen examined the track near her home immediately upon receiving her information.

May Have Saved Lives

Two bars on the rails were found to be broken. May wrote Mrs. Lindsey that had the breaks not been found, there probably would have been a derailment with possible injuries and loss of life. May said he and the company were deeply grateful to Mrs. Lindsey.

Mrs. Lindsey has undergone major surgery twice in recent months. Her husband is hospitalized with a serious heart ailment.

"Sometimes we wonder what we are left here for," Mrs. Lindsey said, "and then a reason turns up. I'm thankful I had enough curiosity to say something about the strange sound those trains made."

Cotton root rot damage is reported as widespread in the sections of the State where this disease is a problem. Farmers are advised to contact their local county agent for information on practices which may be used to aid in its control.

Airman of the Month

LONNIE DEAN BROWN
Airman Lonnie Dean Brown, son of Mr. and Mrs. Jack Brown of Abernathy, was selected Airman of the Month recently. Brown, who is stationed in Seoul, Korea, also received the Good Conduct Medal.

Lakeview News

Richard Belt moved to Welch Saturday where he will teach in high school during the 1959-60 school term.

Rev. and Mrs. L. W. Baker of Halfway visited friends in the community Wednesday.

Mr. and Mrs. Lloyd Goldston attended the water ski show at Buffalo Lake Sunday afternoon.

Mrs. Harvey Howell and children of Lubbock visited her mother, Mrs. E. L. McLaughlin Sr., Sunday.

W. H. Britton, Mr. and Mrs. Garland Britton and Ronnie, all of Timpson, are visiting in the S. M. Harrison home this week. Mr. and Mrs. Howard Crawsky and children of Artesia, N. M., and Mr. and Mrs. R. L. Campbell of Amherst also were visiting in the Harrison home.

Mrs. N. Matthews is visiting her daughter, Mrs. Lee Cowart in Pueblo, Colorado.

Rev. and Mrs. R. H. Knight are visiting in the home of their daughters in Dallas and Conroe.

Messrs. Clayton Eger, E. A. McDougal, and Bill Harrison were dinner guests of Mr. and Mrs. Gunn Casey of Lubbock Saturday night.

Mr. and Mrs. J. C. Belt were in Buford last weekend to visit Mr. and Mrs. Jim Collins.

C. W. D. and Mrs. Vernon Petty of Sandia Air Base, Albuquerque, visited in the Bill Harrison home Saturday.

Mr. and Mrs. S. M. Harrison, accompanied by their guests, the Brittons of Timpson, left Monday on a trip to Carlsbad Cavern, and Grand Canyon. On the return trip, they will visit Mr. and Mrs. Preston Mitchell in Albuquerque.

First Day Enrollment At Abernathy Schools Breaks All-Time Record

Noel Johnson, Superintendent of Abernathy Public Schools, announced that the first day enrollment in the Abernathy Public Schools was above previous expectations.

At the end of the first day of school, Monday, August 31, a total of 1051 students had enrolled. In the first five grades there were 517 students; Junior High, 225. There were 258 who enrolled in high school, and East Ward reported an enrollment of 42. Nine of the enrollments at East Ward were transferred to Dunbar School in Lubbock.

At the end of the second day of the 1959-60 school year, 35 more students had enrolled in the local schools to boost the total to 1086. This is only 44 less than the highest number expected previously during the course of the school year.

The first day enrollment, 1951, is an all-time high for the Abernathy Public Schools, as far as first day enrollment records are concerned. It is not an all-time peak high for the total number of students enrolled during a school year. However, the peak enrollment during the 1959-60 school year is expected to be a record-breaker also.

The total number of students in high school by Tuesday, September 1, was 261, which is an all-time high for AHS during any other previous school year.

Mrs. A. E. Goebel, her sister, Mrs. A. L. Cone, and her daughter, Annie Lee Cooke, and children, all of Lubbock, have returned from a three-weeks tour of Yellowstone National Park and Canada. They also visited with relatives in Washington and Oregon. Mrs. Goebel stated that they had been to Yellowstone the week prior to the earth quake there.

Fertilizer applied in one year can result in additional profits at the end of the following crop year. Increased yields from carry-over fertilizer can often pay for the original cost of the fertilizer, says W. F. Bennett, extension soil chemist.

ANTELOPE COACHES—Shown above are the three Abernathy Antelope football coaches and the Director of Athletics. The coaches are, from left to right, Wayne Preston, assistant; Curtis Davenport, head coach; Waydelle Hill, assistant; and Pete Wilson, Abernathy Public Schools Athletic Director. (Staff Photo.)

Antelopes . . .
(Continued From Page 1)

Coach Davenport substituted freely in the scrimmage, and all of the Antelopes who made the trip saw action.

Scrimmage

In the second scrimmage game of the year with Anton last Friday night, the Antelopes showed a great deal of improvement over the previous scrimmage with the Bulldogs.

In the scrimmage, which was scored on sustained drives, both teams had possession of the ball twice, each team holding it for 15 minutes.

Coach Davenport substituted freely in the scrimmage, and all of the Antelopes who made the trip saw action.

Following work outs Friday, Coach Davenport reported that his team had covered a lot of ground in the past two weeks since the team has been having twice a day workouts. However, Davenport pointed out that a lot of work remained to be done before the opening game Friday night at Floydada.

THAT'S WHAT THE RULE SAID—Popular Houston football announcers Kern Tips, left, and Oleo Chesser, right, discuss the 1959 rule changes with Howard Grubbs, executive secretary to the Southwest Conference. The occasion was an announcers seminar held in Dallas. Tips heads the Humble Company's staff of 23 play-by-play announcers who will describe all conference games this season. Starting September 19, the oil company will sponsor some 50 broadcasts, 13 live telecasts, and a Sunday afternoon videotaped Southwest Conference "Game of the Week" on Houston radio and TV.

Corner on Cotton
BY BOB COLUNS

Getting discouraged with cotton? . . . maybe a few words from a report of the National Cotton Council will cheer you . . . the report was given the early part of the year, and it is a long range outlook based on sound economic research . . . we like to keep it around just to read when we get a little discouraged about the cotton business . . . the title of the report is "The Economic Outlook for U. S. Cotton's Markets" . . . here are some of the things it points out . . . Dr. M. K. Horn, Jr., chief economist for the NCC is speaking:

Lots of Hope

"Looking at the whole thing, I would like to say that there are plenty of grounds for hope that we can start the long-run trend of our market rolling upward. On the domestic market we have the big, encouraging fact that our losses among the industrial uses are declining and that the total trend of our clothing and household mar-

kets is strongly upward. The wash-and-wear finishes are helping us. A lower support price next season apparently will give us a new margin of competitive strength in many cases . . .

New Defense

" . . . thinking about a competitive strategy for cotton, we have been recognizing the great danger of rayon-cotton blends, based on the fact that in net cost to the mills rayon has a price advantage of six to ten cents a pound over cotton. But last year the cotton industry threw up one big defense against this when it obtained passage of the fiber labeling law . . . prices of cotton will be substantially lower . . . rayon raises its price. Nothing like this ever happened before . . . cotton is showing new competitive strength. . ."

16, 18, 20 Million Bales

" . . . our competitors are not unbeatable and American cotton has a lot of competitive strength and a great potential for the future . . . the declining production is the thing that has been felt by our farmers and ginners and merchants, but the future holds more promise than you would judge by this experience. We can see the trend of our market . . . toward 16, 18, 20 million bales and more if we go forward with a wise long-range campaign of competition for the market, not with price alone, but with price, research, and promotion combined"

Now don't you feel better???

NORTHWEST TEXAS METHODIST PLAN "ENLISTMENT INSTITUTES"

A series of district "Enlistment Institutes" is being planned for the Northwest Texas Methodist Conference for Sept. 9-17.

Purposes of these institutes are as follows:

1. To strengthen the information and motivation of the local church leadership for the "Year of Enlistment";

2. To provide training for the leadership of the local church holding the following offices: pastor, chairman of the commission on membership-evangelism, chairman of the local church committee on Christian vocations, general church school superintendent, membership cultivation superintendent, and superintendents of the adult, youth and children's divisions.

Institutes are scheduled as follows: Sept. 9, Lubbock; Sept. 10, Brownfield; Sept. 11, Plainview; Sept. 12, Childress; Sept. 14, Pampa; Sept. 15, Amarillo; Sept. 16, Big Spring; and Sept. 17, Abilene-Stamford.

Bishop William C. Martin, district superintendent, chairmen of conference boards of evangelism and education and the conference chairman of the Commission on Christian Vocations have been the general committee in the planning of this series of institutes.

Miss Olive Hill, Mr. Paschal Are Married Recently

Miss Olive A. Hill of Abernathy and George Hugh Paschal Jr., San Antonio, were married recently in Christ Episcopal Church in San Antonio with the Rev. Lewis R. Goodrich officiating.

The bride is the daughter of Henry Marion Hill of Abernathy

and the late Mrs. Hill. The bridegroom is the son of Mrs. George H. Paschal and the late Dr. Paschal of San Antonio.

Miss Tennis R. Simpson of Houston was maid of honor; and Miss LeVonne Wynne of San Antonio was bridesmaid.

James Steele Paschal served his brother as best man. Paul T. Walthall was groomsman. Ushers were Charles E. Cox and John S. Crossman.

The bride wore a white eyelet embroidered dress of ballet length.

The fitted bodice featured short sleeves. The skirt was bouffant. A nylon crepe crown set with rosettes held her shoulder length illusion veil. She carried a casual cascade bouquet of glameillas and stephanotis.

The reception was held at the church following the ceremony. Misses Janet and Sara Walthall presided at the bride's book. Assisting with the serving were Mmes. Walter Walthall Sr., H. Steele Watson, William Holden, William J. Steele, James Steele

Paschal, Wallace Wade of Fort Worth and Misses Edith Wiggins and Roberta Shumard.

After a wedding trip to Mexico City, the couple returned to San Antonio. They plan to move to 513 East State Street, Baton Rouge, La., around the tenth day of this month.

Mr. and Mrs. Andy Reid have returned from a vacation trip to Colorado Springs, Colorado.

Fall Applied

PHILLIPS 66 AGRICULTURAL AMMONIA

Increases Yields!

Recommended applications of Phillips 66 Agricultural Ammonia under wheat before planting have boosted yields 15 to 50% and more in recent years.

Other applications of Phillips 66 Agricultural Ammonia in wheat stubble before planting have returned \$4 to \$10 in wheat for every dollar spent for agricultural ammonia fertilizer when used with good management practices.

To increase your average wheat yield apply Phillips 66 Agricultural Ammonia. It's 82% Nitrogen — more nitrogen per dollar than you can get in any other type of fertilizer.

See us for full information.

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW... AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR*-conducted test of repeated stops from highway speeds.

*National Association for Stock Car Advancement and Research

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

BEST ENGINE . . . YOU COULD SPEND JARFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA* Guide Book.

*National Automobile Dealers Association

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Now there's an Impala Sport Sedan . . . one of Chevy's full series of Impalas for '59

See your local authorized Chevrolet dealer—you might as well get the most!

**THE COOLEST PLACE
IN THE COUNTRY**

To be able to see a quarter on the bottom from anywhere on the side of the pool is the claim of the builders of the Abernathy Municipal Recreation Swimming Pool. The pool is filtered automatically, catching any debris that falls into the pool within fifteen seconds. The water is kept at a uniform eighty degree temperature by a heater, which is thermostatically controlled. The pool has underwater lighting for swimming after nightfall.

Our pool is open to anyone to come out and swim. Swimming classes are being conducted every morning beginning at 9:00 a. m. For open swimming, the pool will be available on Monday, Tuesday, Thursday, Friday, and Saturday from 1:00 p. m. to 10:00 p. m. On Wednesday, it will be open from 1:00 p. m. to 7:00 p. m. and from Sunday from 1:00 p. m. until 6:00 p. m.

The concession stand is open at all times. A life guard is present from opening to closing, and there is an equipped playground for the "toddlers" who cannot yet play in water.

A formal opening will be held very soon, but everyone is invited to come out and "cool off" anytime the pool is open. Plans are progressing for the golf course to be started this month. The course will be ready next year.

This is Abernathy's newest recreation center. We invite you to use it.

**Lions Elect
International President**

Clarence L. Sturm of Manawa, Wisconsin, was elected International President of Lions International at the Association's 42nd Annual Convention in New York City. Lions International, with 590,000 members in 92 countries or regions, is the world's largest service club organization. Lions International is best known for its many youth programs, community service projects, sight conservation activities and aid to the blind. Last year Lions Clubs around the globe completed more than 180,000 individual worthwhile community service projects.

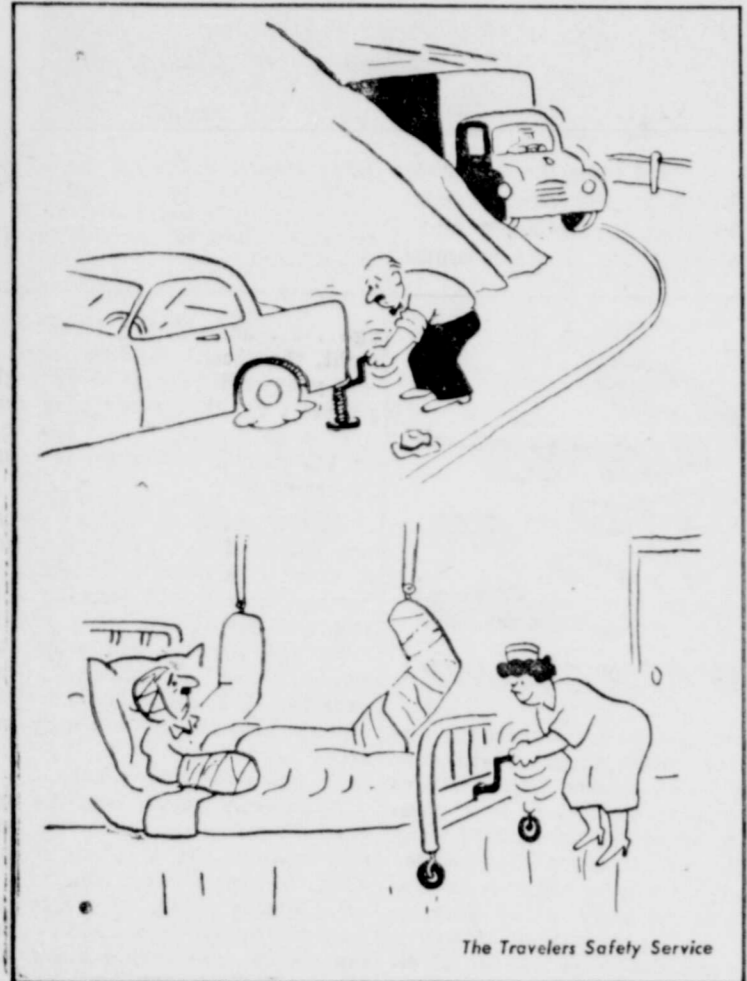

Tax Man Sam Sez:

Self-employed taxpayers (for the wage and salary people's information this is the government term to describe your service station operator, your groceryman and the other folks you do business with everyday) are required to pay their income tax throughout the year the same as a wage earner. Any person having income not subject to withholding files an estimated tax return on April 15 to pay quarterly. The age of mechanization in Internal Revenue has now reached the estimated tax payment billing system. In September the first estimated tax bills are coming out on an IBM card on which you complete part of the card and mail back your payment with the other part. Most taxpayers are familiar with this system since they receive electric bills, water bills, or gasoline credit cards on a similar type card. The Internal Revenue Service is naturally anxious to have taxpayers recognize that this is a bill and not an advertisement. They want part of the card back with the check that is due.

Water sports should be for fun and relaxation and not for adding more statistics to the nation's accident toll. More than 1,100 rural residents drown each year and the trend is upward. Ed Cooper, extension wildlife specialist, urges every person who participates in water sports to learn and observe the laws of safety. It could save your life.

4-H Club News

**CHICAGO TRIPS,
SCHOLARSHIPS AWAIT
TOP NOTCH 4-H'ERS**

CHICAGO—Awards are ready and waiting for 4-H Club members who have done a superior job in the national 4-H Safety and Forestry programs, according to the National Committee on Boys and Girls Club Work, Chicago.

Winners of the 1959 safety state award will be a delegate to the National 4-H Club Congress in Chicago this fall, with all-expenses paid. The state winner will then be eligible for one of eight national \$400 scholarships awarded in this program, the National Committee reports. These awards are

provided by General Motors which has supported the 4-H Safety program for 15 years.

The state winner in forestry will receive a handsome pen and pencil set, and will also become eligible for a national award. The latter is an all-expense paid trip to the National 4-H Club Congress. This marks the 12th year that American Forest Products Industries has provided forestry awards, the National Committee relates.

Club members are judged on the basis of achievement in their project work, leadership, and as all-around 4-H'ers. The Cooperator Extension Service makes the selections and announces the winners. Arrangements for the awards are made by the National Committee.

IN THIS NUCLEAR AGE

CD's a Vital Part of Farm Safety

Civil and Defense Mobilization Director Leo A. Hoegh in a Farm Safety Week statement urges farmers to accept Rural Civil Defense as a vital part of farm safety in this nuclear age.

Mr. Hoegh pointed out that fallout from nuclear attack on key military, metropolitan and industrial centers could cover hundreds of thousands of square miles of the United States.

"EVERY FARM family, no matter how remote it may be from a target," he said, "should build a family fallout shelter and stock it properly. This means providing a two-week supply of food and water, a battery radio, a first-aid kit, flashlights, bed-

ding and other items that would be essential to your survival."

Mr. Hoegh said Farm Safety Week, July 19-25, serves to remind farmers of the need to recognize and support the objectives of the Farm Division of the National Safety Council.

He said: "This nation cannot survive and recover from attack without its farmers. Rural America has always carried a heavy burden in times of national emergency. In this nuclear age, it is more important than ever before."

Mr. Hoegh pointed out that fallout is one menace of thermo-nuclear attack against which

simple protective measures can be taken.

"It need not kill," he said. "It is up to you to take action. Nobody can do it for you, any more than they can ship you a packaged civil defense from a factory."

"SURVIVAL WILL always be a personal thing. What you know and do will determine whether you—and your family—will live to help the nation survive."

Director Hoegh said free plans and designs for various shelters can be obtained by writing to OGD-M Rural Civil Defense, Battle Creek, Mich.

Senior Trips For Abernathy Students May Be Discontinued After 1960 Term

Approximately three months ago the Abernathy School Board voted to consider discontinuing the annual Senior Trip after 1960. It was stated at that time that such actions would be in keeping with the policies of other schools of Class AA size, and is also due to the expense involved.

Since that time, a neighboring school has surveyed 31 area schools regarding Senior Trips and has come up with the following:

Seven have discontinued senior trips.

24 still have trips.

(Three of these will discontinue senior trips next year.)

(Two of these will discontinue senior trips after the 1960 term.)

Fourteen schools take the trip before school is out.

*Nine schools take the trip after school is out.

One school has nothing to do with the trip, but is sponsored by parents after the school term is out.

Twenty schools send two faculty members along on the trips.

Two schools send one faculty member.

*One school sends three faculty members.

Three schools allow no parents on the trips.

One school sends four women (parents).

*Nineteen schools send two men and two women.

Fourteen schools allow three

school days for each trip.

*Seven schools allow five school days for each trip.

*Pantaloons and a weekend after school is out.

Two schools allow eight days after school is out.

Mileage is restricted in all schools. However, there is a wide range—400 to 2,300 miles. The average of the majority is 550 miles.

The majority indicated students are sent home early for misconduct.

All schools agreed that the early elimination of Senior Trips would be to the benefit of all concerned.

Statements which pertain to the Abernathy school are indicated by an asterisk (*).

WEED CONTROL

The Hale County Noxious Weed Control District resolved in a recent meeting of their board of directors that all harvest machinery, particularly combines, must be cleaned free of noxious weed seeds when entering Hale County or moving from one location to another within the county. Section 17 of House Bill 288 Chapter 369 of the Texas Legislature provides in part as follows:

"The Board of Directors (of a County Noxious Weed Control District) is specifically authorized to promulgate rules and regulations requiring the cleaning of farm implements and machinery which is brought into the District or which is moved from one location to another within the district. A violation of the rules and regulations shall constitute a misdemeanor and shall be punishable by a fine of not less than twenty-five (\$25.) nor more than two hundred and fifty dollars (\$250.)."

Each land occupier in Hale County is urged to prevent new infestations of such noxious weeds from occurring through the use of certain cautionary measures that included preventing harvest operations on his land with any equipment that has not been cleaned free of all noxious weed seeds. Personnel experienced in the cleaning of noxious weed seeds from harvest machinery such as combines indicate that the most effective method is to wash the interior and exterior that may be lodged in or on the equipment, states Archie G. Martin, Supervisor of the Hale County Noxious Weed Control District.

The cost of eradicating noxious weeds with chemicals is usually very high. Many thousands of dollars are spent annually for such chemical applications. These dollars will have been wasted unless new weed infestations occurring from seed are prevented. The best and most effective means of eradicating noxious weeds is to prevent their occurrence by planting only clean crop seed and working and harvesting the crops with clean weed seed free equipment.

Army Is In Need Of Musicians

The United States Army offers young musicians a choice of assignment to a band in Texas or Oklahoma, with schooling in Washington, D. C. and an opportunity for career advancement.

The multi-benefit program is offered to fill requirements for over 100 Army musicians in the two-state area. There are openings for all band instrumentalists except drummers.

Accepted applicants will receive schooling of 20 weeks duration with the Army Element, U. S. Naval School of Music, Washington, D. C., a Department of Defense unified activity.

Major H. H. Copeland, Deputy Army Special Services Officer and Staff Band Officer, Fourth United States Army, explained that the schooling is conducted in a scholarly, musical atmosphere comparable to the best musical conservatories in the world.

Assignment benefits insure that a young man may enlist for a band of his choice in Texas or Oklahoma. "Choice, not Chance," assignments in Texas are available at Fort Sam Houston, Fort Hood, and Fort Bliss. In Oklahoma, positions are available at Fort Sill.

Career opportunities for outstanding musicians consists of advancement through progressive schooling such as the five-month Bandmaster Course. Major Copeland stated this course has been analyzed by nationally-known instrumental educators who found the five-month course teaches as much practical bandleading as the average student receives during a normal four year college or university course.

In addition to normal United States Army enlistment requirements, auditions are scheduled to determine an applicant's qualifications for an Army band. The major said that young men who have successfully played with a high school band, normally pass

Members of the colorful Boys Ranch Honor Patrol are shown in front of the chapel at Cal Farley's famous Boys Ranch. These young-

sters, selected from the best rodeo performers in the annual rodeo, will be seen September 6 and 7 in action at the fifteenth annual

Boys Ranch rodeo at the Ranch. Performances of the famed all-boy rodeo will begin at 2:30 p. m. on both days of the Labor Day weekend.

Panhandle South Plains Fair To Be Sept. 28 - Oct. 3

In a few weeks, hundreds of Lubbock citizens will take to the highways in chartered busses on GOOD NEIGHBOR BOOSTER TRIPS to area towns to invite South Plains residents to the 1959 Panhandle South Plains Fair.

Chairman of the Good Neighbor Committee Guy C. Victory announced this week that the schedule for the Booster Trips has been prepared and will include five trips beginning Tuesday, Sept. 15.

The first trip will include Ropesville, Meadow, Brownfield, Wilson, Tahoka, O'Donnell, Lamesa, Gail, Snyder, and Post.

Trip No. 2, scheduled for Thursday, Sept. 17, will include: Levelland, Whiteface, Morton, Plains, Denver City, Seminole, Seagraves, Tatum, N. M., and Lovington, N. M.

On Tuesday, Sept. 22, Trip No. 3 will be to Hale Center, Plainview, Lockney, Floydada, Matador, Roaring Springs, Dickens, and Spur.

Trip No. 4, on Thursday, Sept. 24, will include Littlefield, Amberst, Sudan, Muleshoe, Farwell, and the New Mexico towns of Texico, Clovis, and Portales.

The last trip, Trip No. 5, will be to Snyder, Shallowater, Anton, Abernathy, Petersburg, Ralls, Crosbyton, Lorenzo, Idalou, and Slaton.

Busses will leave from the Lubbock Chamber of Commerce in the morning of the scheduled day, with leading businessmen of Lubbock, citizens and civic club representatives going out to the area towns, expressing their good will and personally inviting folks to the 1959 Panhandle South Plains Fair.

Commissioners Court of Hale County, Texas

Can You Stop In Time?

It takes more than the distance between goal posts on a football field (100 yards) to stop a car traveling at 60 miles per hour under the best driving conditions. 4-H Club members point out. At 60 mph, a car travels 88 feet per second. There's not much "time" to come to a dead stop upon approaching a tractor or other slow-moving farm machinery.

"Highway safety is everyone's responsibility," 4-H leaders declare, and during the summer when traffic is at its peak the obligation becomes greater. The devastating fact that three out of four traffic fatalities occur in rural areas makes the 4-H Safety program the "number one crop" for nearly a million conscientious club members.

Statistics reveal that there are more teen-age drivers on the highways today than ever before.

It is also true that drivers under 20 years of age have a worse safety record than older drivers. So each 4-H boy and girl enrolled in the safety project is encouraged to become a "self-policing committee of one." These 4-H'ers make certain that the family car, truck, and tractor are in safe operating condition at all times.

For the past 15 years the 4-H Safety program has been supported nationally by General Motors, which among other things provides incentive awards for top ranking club members in each state. The awards consist of \$400 college scholarships, all-expense paid trips to the National 4-H Club Congress in Chicago, medals of honor, and plaques. The program is under the direction of the Cooperative Extension Service, United States Department of Agriculture.

Corner on Cotton

BY BOB COLLINS

Just how well the mechanics of the new cotton program will work when cotton starts to move over the country in volume is a question foremost in the minds of many cotton men. . . it may be expected that there will be considerable disappointment early in the program with the large amount of paperwork and the large number of errors that are certain to crop up. . . anyway, cotton and cotton men certainly are tested this season with an untried program, lots of red tape and the largest crop in six years, if the August forecast is accurate. . . in case you haven't seen the government forecast it's for 14.8 million bales. . . that's up 29 per cent from last year and up 5 per cent from the '48-'57 average. . . and, if the forecast is right, the record yield per acre of last year will be topped by eight pounds. . . that means the crop will climb to 474 pounds per acre or 145 pounds above the average 10-year yield.

What's going to happen to all this cotton???. . . feeling is that most of it will be consumed. . . the experts say that domestic mills will use more than nine million bales and exports will range between five and six million. . . last year the U. S. mills used about 8.6 million bales and exports were only about 2.8 million.

Cotton Everywhere

Apparently cotton was the only domesticated plant common to both the Eastern and Western Hemisphere in prehistoric times. . . all other plants grown by the Indians were not known in Europe. . . and the people who should know how to explain this don't have any explanation!!!

Mill Record

U. S. textile industry thinks it has an anti-inflation record. . . the average textile item that cost \$1.00 in 1947-49 now costs only 91 cents. . . on the other hand, the averaged other manufactured item that cost a buck in '47-'49 now costs \$1.28.

BAPTISM FOR THE FORGIVENESS OF SINS?

BY ROY DEAN VERNER

Reading Time: 4 Minutes

Without doubt the above question has received different answers. There are some who teach emphatically that the Bible does not teach a repentant person, who believes Jesus Christ is God's Son, to be baptized for the forgiveness of his past sins. There are others who claim that he is to be baptized in order that his sins be forgiven. What is the scriptural answer to this question? Is the Bible not clear on this question, or has man refused to accept the scriptural teaching concerning this matter?

On Pentecost, following Christ's resurrection, the Holy Spirit overwhelmed the apostles with miraculous powers. One of these powers was to be inspired of God in the teaching of His Word (II Tim. 3:16, 17). When a group of Jews, who had been convinced that they were guilty of killing God's Son, wanted to know what they should do, Peter gave them this answer: "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins" (Acts 2:38). Men in some theological fields have tried to say that the original does not say "For the remission (or forgiveness) of sins." Such, however, is the opinion of few. This writer has the documented evidence of twenty-three scholars from six of the largest religious bodies in the world. None of them are members of the Church of Christ. These twenty-three state that the original in this passage means "For the forgiveness of sins." They are not mentioned by name to conserve space, but are available to anyone interested. For evidence, however, note that all three of the popular translations of the Bible, The King James Version, The American Standard Version, and The Revised Standard Version, translate the passage "For the remission," "Unto the remission of your sins," and "For the forgiveness of your sins." Not only do these translations give the meaning as such, but also The James Moffatt Translation, Edgar J. Goodspeed Translation, The Williams Bible, The Basic Bible, The Noyles Bible, and The Amplified New Testament. The following is from The Amplified New Testament: "Repent — change your views and purpose to accept the

will of God in your inner selves instead of rejecting it — and be baptized every one of you in the name of Jesus Christ for the FORGIVENESS AND RELEASE FROM YOUR SINS" (Acts 2:38).

Acts 2:38 is only one of many passages of scripture which teach that baptism is essential for one to obtain forgiveness of past sins. I Peter 3:21 states: "The like figure where unto even BAPTISM DOETH ALSO NOW SAVE US." Peter states emphatically that baptism saves. He explains "Not the putting away of the filth of the flesh, but the answer of a good conscience toward God." Peter is saying that baptism does not wash sin from the skin, and it is not to be confused with the bath for the body or a ceremonial cleansing of the flesh. It is a condition precedent to the forgiveness which God alone exercises. Jesus said, "He that believeth and is baptized shall be saved" (Mark 16:16). Jesus did not say, "He that believeth is saved," but He that believeth and is BAPTIZED shall be saved." Paul said in II Cor. 5:17, "Therefore, if any man be IN Christ he is a new creature." Note that one must be "IN" Christ to be a new creature (or child of God). The question naturally arises, "How does one get IN CHRIST?" Paul answers this question in Gal. 3:26, 27, "For ye are all the children of God by faith in Christ Jesus for as many of you have been BAPTIZED INTO CHRIST have put on Christ." Therefore, we are forced to conclude from scriptural evidence that baptism is necessary in order to have one's past sins forgiven.

These are but a few of the passages which teach the necessity of baptism in order to become a Child of God. These few, coupled with Romans 6:3-6, Col. 2:12, I Cor. 12:13, Acts 22:16, Matt. 28:19-20, Acts 10:48, and I Cor. 15:1-4, should be conclusive evidence that God's word teaches baptism to be essential in the forgiveness of one's past sins.

If you have not been baptized as the Bible teaches, then you are still in sin. The opinion of man can be wrong, but God's word is always right.

Any question concerning this article will be given prompt attention.

Football Reminiscence

(The following article was taken from The Amarillo Globe News. It is a recent article from Putt Powell's column, "PUTTING AROUND WITH PUT POWELL")

I saw my first football game in 1924. Amarillo High School crushed the Hereford Whitefaces, 46-0, at old Ivin's Stadium.

I've seen quite a few games since that time. But I've never seen a more exciting game than Abernathy's 26-20 win over Dimmitt in the Class AA bi-district tangle last Nov. 21 at Plainview.

The game started off on the dull side. The first half was scoreless. Dimmitt's one 20-yard penetration looked awful big. The Bobcats took the third quarter kickoff on their 34. On the 20th play, Jimmy Curtis dived the last yard. Norman Nelson made a diving catch in the end zone of Carlos Barnes' pass for two extra points.

Only 3:22 was left in the third quarter. Those eight points looked real big as Dimmitt also had two penetrations. Playoff games are decided on penetrations if the score is tied. But Abernathy struck right back. The kickoff was returned to the Antelope 36. A first down returned the ball to the Abernathy 45. Gerald Watson caught a pass from Lane Tannehill on the Dimmitt 25 and raced the rest of the way for the 55-yard touchdown play. Dimmitt still led 8-6 as Tannehill was stopped on a run for the extra points. There was 1:42 left in the third quarter.

Dimmitt had to punt on the second play of the fourth quarter with the ball rolling into the end zone. Abernathy took over on its 20. On the third play, Dimmitt recovered on the Abernathy 33. Norman Nelson dived over from the one yard line to jump Dimmitt ahead 14-6. Barnes failed to connect on a pass for the extra points but that 14-6 lead looked awful good.

Abernathy needed to score twice as Dimmitt also had three penetrations and 14 points. Then the game broke wide open. Abernathy returned the kickoff to its 21 and scored in 11 plays. Tannehill went the last yard. Dimmitt still led 14-12 when Tannehill failed to connect on a pass for the two extra points.

The situation looked real good for Dimmitt. The Bobcats led 14-12 with only 3:07 left.

But Abernathy recovered an on-side kick on the Dimmitt 43. On the first play, Pat Attebury grabbed a pass from Tannehill on the 15 and sailed into the end zone. Tannehill passed to Watson for the two points. That put Abernathy on top, with only 2:45 left.

Then it was Dimmitt's time to strike back. The Bobcats returned the kickoff to their 22. Junior Coffey caught a pass from Barnes on the Abernathy 40 and fought his way to the 18.

I'll never forget that play. Coffey must have been hit head-on at least three times but just kept going. I told J. D. Covington (Dimmitt's coach) I wanted to see the movies of that play. J. D. said, "So would I. Our cameraman thought the scoring was already over and didn't bother to load the camera."

Barnes went over from the one on the third play. Nelson failed to go over on a run for extra points. The score was 20-20 and Dimmitt was leading on penetrations, 4-3.

There was only 1:21 left in the game. That looked like a cinch.

Abernathy returned the kickoff to its 27. Nine yards was made on the first play. There was only 39 seconds left on the clock. Tannehill passed to Jimmy Dye on the Dimmitt 25. Dye went the rest of the way on a 64-yard play. Tannehill failed to hit a pass for the extra points.

But Abernathy led 26-20 with only 29 seconds left.

That's the way the game ended. But Dimmitt almost pulled the game out of the fire. Kickoff was returned to the Dimmitt 48. Barnes passed to Hal Ratcliff for a first down on Abernathy's 37.

The game ended after two more passes failed.

All 46 points came in the last 15 minutes and 22 seconds. Twenty six of the points came in the last 3 minutes and 7 seconds.

I got a big thrill out of Tascosa's 7-0 win over Plainview that night at Plainview. But it was an anti-climax to the Dimmitt-Abernathy battle royal.

Boys Ranch Rodeo Is Slated For September 6-7

Most famous sports event of its kind in the country, Boys Ranch Rodeo, in its fifteenth annual performance, will be presented at Cal Farley's Boys Ranch on the afternoons of September 6 and 7, Labor Day weekend.

The rodeo, staged entirely by Boys Ranchers, features only the youngsters from the ranch. Specialty acts by well-known rodeo performers will be presented between the fast, action-packed regular events, but these will be the only "outsiders" in the show.

Boys from five through 17 will ride in bronc, steer, bull, and calf busting events for points and prizes.

zes, as well as the title of Best All-Around Cowboy. Boys taking top honors become eligible to qualify for the crack riding group at the Ranch, the colorful Boys Ranch Honor Patrol.

Among other events featuring the boys will be the clowning, trick riding, the wild horse scramble and calf riding.

Providing music for the two performances will be the widely known 40-piece Amarillo Air Force Base Golden Spread Band with Chief Warrant Officer Guy Stone directing.

Performances will begin at 2:30 p. m. each day, and admission for adults will be \$1.25 for adults, 75 cents for children, and 50 cents

for service men in uniform.

"With all roads to the ranch now paved, we are hoping to have a record turn-out for the rodeo, and we hope there is, as this is the only event of the year when the boys get to show what they can do," said Cal Farley, Ranch founder.

Farmers interested in the Conservation Reserve of the Soil Bank for the 1960 crop season can obtain the latest information on the program from the local ASC office. The USDA has announced a basic rate of \$12 an acre and a tentative goal of 452,000 acres for Texas under the 1960 program.

New Deal Lions . . .

(Continued From Page 1)

letterman Wendell Attebury, also
second string All District last
year, will fill the slot at left half
this year, and Kenneth Haggard
will be at right half. David Atte-
bury, who is only a sophomore,
will be the first string full-
back.

The only experienced linemen
that the New Deal mentor has
returning is All District tackle
Tommy Valdez and Charles Ruf-
fin, a junior letterman. Other
than the tackle positions the other
positions on the line will be filled
with inexperienced men.

Other linemen who will fill the
remaining positions are Jerry
Hogan, end; J. W. Leatherwood,
guard; Billy Clark guard; Don
Brown, guard; and Gary Wheat-
say, guard. Billy Ellison and Glenn
Wright, quarterback and halfback,
respectively, are the other two re-
turning lettermen.

Advanced To Regional
The Lions won the District 4-B
championship last year over Cop-
per, Wilson, and New Home and
defeated Whittharral, 41-20, in bi-
district before bowing to powerful
Green in the regional playoff at
Canyon. In Class B, the regional
playoffs are as far as a team can
advance. The Lions compiled a
7-3 season record.

Coch Drake is no new comer
to the gridiron wars at New Deal.
Before going to Suley High

**Abernathy Airport Participates In
CAP Squadron Simulated Search**

The Abernathy Municipal Air-
port, located four miles north-
east of town, was the starting
point for several squadrons of
Group 5 of the Civil Air Patrol

as it went through its annual
simulated search and rescue ac-
tivities concerning an imaginary
crash.

The search began at 8 a. m.
Saturday on the airport grounds.
Kenneth George, Muleshoe squa-
dron, spotted the "downed" plane
at 3:10 p. m. and a rescue and
first aid unit was at the scene in
48 minutes. The observer in the
plane with George was Eugene
Maxwell, Muleshoe squadron.

Air Force officers worked out
the problem, plotting the flight
plans for the plane. Ground radio
units worked with the searchers.
The annual SARCAP (Search
and Rescue, Civil Air Patrol) was
directed by air force officers. Col.
Ben F. Lowell, commanding of-
ficer of the CAP Texas Wing, his
staff and a delegation of Reese
Air Force Base Officers took part.

Virgil Rhodes, owner of the Ab-
ernathy airport, reported that over
450 gallons of gasoline and 15
quarts of oil were purchased at
the local airport for use in the
fourteen planes that participated
in the search activities.

Twenty-seven sorties were made
in the 15.4 combined searching
hours.

The area embraced by the
group is bounded by Lamesa to
the south, the Oklahoma line on
the north, the New Mexico line
on the west, and the Wichita

ABERNATHY WEEKLY REVIEW

ABERNATHY, TEXAS, THURSDAY, SEPT. 3, 1959 Page 10

Published On Thursday of Each Week In Abernathy, Texas
Entered As Second Class Mail Matter At The Post Office At
Abernathy, Texas, Under The Act of Congress of March 3, 1879
ESTABLISHED IN 1921

Richard Havens, Editor — Buford F. Davenport, Publisher
P. O. Box 847, Abernathy, Texas Telephone 30
605 Avenue C

Falls area on the east.

Squadrons in the group are based
at Plainview, Amarillo, Borger,
Dalhart, Muleshoe, Childress,
and Lubbock.

An evaluation of the day's ac-
tivities was given by the Air
Force officers at a banquet at 8
p. m. Saturday at the Caprock
Hotel, Lubbock. Approximately 100
persons attended.

Mr. and Mrs. J. G. Finch, of
Bakersfield, Calif., were weekend
guests in the home of Mr. and
Mrs. N. A. Oliver here last week.
Mrs. Finch is a cousin of Mrs.
Oliver.

**1960 INSPECTION
STICKERS AVAILABLE**

The Texas Department of Public
Safety announced that the new
1960 motor vehicle inspection
stickers are now available to Tex-
as motorists as of September 1.
Col. Homer Garrison Jr., Direc-
tor, recommended that Texans
have their vehicles inspected ear-
ly in the inspection period, which
extends from Sept. 1 to April
15, 1960. Vehicles not displaying the
new sticker after April 15 will be
operating in violation of the law.

DRIVE SAFELY — Reasonable
speed allows more time to act.
