

School Board Approves Final Plans For New Facilities

Additional Land Purchased

The Abernathy School Board met in regular session Monday night, September 7.

announced Noel Johnson, school superintendent.

The final plans were to be placed in the hands of bidders this week. October 22 has been set as the date for the opening of bids.

In other business Monday night, the school board awarded a contract for kitchen equipment for the new cafeteria to the El Paso Hotel Supply Company. The low

bid of \$14,561.48 was accepted over four other bids, the highest being about \$18,000.00. The kitchen furnishings will include the serving lines and all the cooking equipment. Mr. Johnson pointed out that the ovens, ranges and fryers will all be electric.

Superintendent Johnson stated that the school has purchased some additional land from Mrs. H. R. Wesley of Colorado Springs. The land purchased forms a perimeter around the west and north sides of the area used for the baseball and football fields. It is a 160-ft. strip on the west and an 85-ft. strip on the north.

Jenkins Is Speaker At Lions Meet

E. I. Jenkins, of Rails, District Manager of General Telephone Company of the Southwest, was the guest speaker at the Lions Club's noon luncheon held in Graham's Restaurant Tuesday.

Mr. Jenkins' talk was carried out on a question and answer basis concerning the new dial telephone system being installed in West Abernathy, and the type of service the telephone company will have to offer when the installation has been completed.

In answering the Lions' questions, Jenkins stated that the latest type of dial telephone equipment is being installed here, and two additional lines are to be added. Also, after the dial system has been installed, local customers will be able to dial direct to other towns provided they know the code number of the town, the exchange number and telephone number.

The exchange number in Abernathy is to be CYPRESS 8, and the last four numbers will be the telephone number.

After the dial telephones have been installed, persons living in Abernathy who move to another address within the city will keep their same telephone number.

The employment at the General Telephone Company here in Abernathy will be reduced to three employees, whereas at present, if they were at full strength, there would be 11 employees. The three employees will include the installation operator, or "outside man," the cashier and the assistant cashier.

One of the major topics of discussion was the rates to be charged after the dial system goes into operation. Mr. Jenkins stated that a slight increase will go into effect, probably in December. That is the month the system is scheduled to go into operation in Abernathy.

ABERNATHY WEEKLY REVIEW

VOLUME 38 Hale County - Abernathy, Texas - Lubbock County

THURSDAY, SEPTEMBER 17, 1959

NUMBER 45

Off To College

With most of the colleges starting the 1959 fall semester Monday, September 14, Abernathy is well represented on at least ten college or university campuses.

Texas Technological College is the college that was chosen by almost half of the 42 students. Nineteen Abernathians have enrolled in the Lubbock school. West Texas State at Canyon was the second most preferred college by the Abernathy college students.

The following Abernathians are enrolled in Texas Tech for the 1959 fall semester: Mitchell LeMoine, Denny Park, Nelson Ward, Mason Hawkins, Wendell Howard, Gary Lambert, Wanzo Howard, Sandra Gilliland, Bob Heath, Jimmy Herring, Dan Middleton, Bobby Terrell, Johnny Roberts, Don Jones, Jimmy McAlister, Sam Williams, David Middleton, and Wendell Barrick.

The following eleven students from Abernathy have enrolled for the fall semester at West Texas State College:

Fred Evans, Gerald Watson, Carroll Dean Powell, Lane Tannehill, Troy Snodgrass, Jimmy Nelson, Suzan Benn, Gwendolyn Sanders, Beverly Suttle, and Mr. and Mrs. Jimmy Gragg.

Edris German, Billie Davis, and Pam Yeager are students representing Abernathy at McMurry College.

Horton Struve, James Blalock, and Billy Rea Sterrett have enrolled at the University of Texas. Jimmy Dye and Danny Miller are freshman students at Sam Houston State, Huntsville.

Vaughden Allen has enrolled in Decatur Junior College, Decatur.

Linda Schreier is a sophomore student at Eastern New Mexico University, Portales. Nancy Herral will be a sophomore at Texas Christian University, Fort Worth.

Margie Guinn and Jim Reid will attend Wayland Baptist College at Plainview.

Jerry Phillips has enrolled at Aggieland, Texas A & M. Colene and Ladell, daughter and son of Mr. and Mrs. R. C. Patterson, Jr., have returned to Bethany College, Bethany, Okla.

L. Q. Oswalt was under treatment in a Lubbock hospital. Mr. and Mrs. Bob Ratliff and son of Houston were recent visitors here in the home of his mother, Mrs. John B. Lane.

J. F. Sittion was a patient in a Lubbock hospital. The Will Dardens have sold their ranch near Elbert, Colo., and have moved to Route 3, Dalt, Texas.

King Collins was under treatment in a Lubbock hospital.

Operation will be casing perforation to develop at this horizon in the wildcat at the west edge of Abernathy. It is unofficially reported that logs and other data ruled out the lower Pennsylvanian and the Mississippian.

The zone for testing is between 9,125-172 feet. In mid-July a drill-stem test was run between 9,151 and 9,165. Pool was open four hours, surfaced gas in 15 minutes, with no estimate of volume. Recovery was 2,010 feet of 39.3 gravity oil and no water.

An eight-hour test at 9,166 to 9,185 feet returned gas to the surface in 70 minutes with no volume estimate. After closing tool and starting to pull pipe, 35 stands, approximately 3,200 feet of oil and gas, some 20 barrels of oil, was unloaded from the string. Recovery was 90 feet of slightly oil and gas cut mud, 1,800 feet of oil cut with salt water and drilled mud and 580 feet of salt water.

Evidently only the top five or six feet of this section will be included with the 14 feet or more above in present development.

Nearest Penn production is the Lutrick field seven and one-half miles northeast of the Abernathy wildcat. The lone producer in that

Fire Destroys the Tom Lesley Home

Fire completely destroyed the farm home of Mr. and Mrs. Tom Lesley in the early dawn hours Thursday of last week. The large frame and stucco house was located on the north side of FM 597 about one-half mile east of County Line. Edwin Crow, chief of Abernathy Volunteer Fire Department, left, and Truman Richerson, volunteer fireman, are shown here using fire hoses to contain the flames to the house. A nearby well house and hand house both escaped damage.

Origin of the fire is not known. There were indications of an explosion, but it was not determined whether the explosion was the cause of the fire or whether it was a result of the fire.

No one was in the residence when the fire started. Mr. and Mrs. Lesley left the previous Monday for a fishing trip. His sister, Mrs. Dollie Hilton, who makes her home with the Lesleys, was visiting in the home of her son in Levelland.

When discovered, the fire had completely engulfed the residence, according to reports of passersby and neighbors who were first to arrive at the scene. Unaware that the Lesleys and Mrs. Hilton were away, the neighbors were quite concerned about them, thinking they were in the flaming house. Their fears ended when Mathew Goodrich, a neighbor, called Rupert Lee Allen, a grandson of the Lesleys, and learned that all three of the occupants of the house were away.

Nothing was saved from the residence. Allen called his grandparents at their fishing spot on the Llano River, near London, Texas, and informed them of the fire.

The original portion of the 3-room-and-bath residence was constructed in 1922 or 1923. Mr. Lesley said. The Lesleys had occupied the house since 1927. There was no insurance on the house or its contents.

The debris has been cleared and a ready-built house is to be moved onto the site of the residence that was destroyed by fire.

Shower Is Planned
The County Line Community

Women's Club is Planning a Miscellaneous Show

The Women's Club is planning a miscellaneous show, for the Lesleys Thursday, Sept. 21, at County Line Baptist Church. The event will start at 9 a. m. and will continue into the afternoon. Those attending are to bring covered dishes for the noon meal. The ladies plan to quilt two quilts for the Lesleys that day while there to receive the miscellaneous show gifts for the beloved pioneer County Line couple. (Staff Photo)

Hale County Soil Conservation District Tour Set For Sept. 22

The Hale County Soil Conservation District Tour has been scheduled for Tuesday, September 22, beginning at 1:30 p. m. at the First State Bank in Petersburg. The tour will include all the south part of the county ending up most too far from Cotton Center. Most of the tour will be on pavement this year to elevate the dust problem.

Abernathy people wishing to make the tour should meet their Supervisor, Glenn Reagan, in front of the City Hall in Abernathy at 1:00 p. m. on that date. There the farmers will be grouped and a few cars taken to join the group at Petersburg at 1:30. In case some are late, the first stop on Highway 87 will be at E. J. Pope's farm, 6 miles north of Abernathy.

Farmers and businessmen are encouraged to attend this tour, according to County Agent Ollie Line.

Crop varieties, fertilizer demonstration, water management practices, pasture grasses and other improved farming practices will be shown by the Soil Conservation Service and the Extension Service.

80TH BIRTHDAY "OPEN HOUSE" IS PLANNED

"Open House" in honor of Chris Benn's 80th birthday, will be held at their residence at 506 14th Street, Abernathy, on Sunday afternoon, Sept. 20.

All his friends and neighbors are invited to attend between the hours of 3 to 6 p. m.

NAZARENE CHURCH SPONSORS TEEN-AGE ENTERTAINMENT

The local Nazarene Church will open its Fellowship Hall to all teen-agers each Friday night following the ball games played at the home field, and will be open until 11:00 p. m. When the team plays out of town the hall will open at 8:00 p. m. and close at 10:00 p. m.

Entertainment will consist of table games, ping-pong, and shuffle-board. Soft drinks will also be available. All teen-agers are invited to come and participate.

Missionaries From Hawaii Visit Here

REV. AND MRS. STUART

Rev. and Mrs. Malcolm W. Stuart, Baptist Missionaries in Hawaii, recently visited for a few days in Abernathy in the home of Mr. and Mrs. Lee R. Smith.

(Mr. Smith was the Music Director in the Baptist Church at Uless, Texas, where Rev. Stuart was pastor prior to his going into missionary work.)

Rev. and Mrs. Stuart have been missionaries in Hawaii and China for the past 18 years. Having gone to Hawaii in 1941, they returned to the United States for one year in 1946. In the latter part of 1947 they went to China, but left there for Hawaii in 1949 when the Communists took over.

For the past eight years Rev. Stuart has been pastor of the Olivet Baptist Church, the largest Baptist church in the Hawaiian Islands, with a membership of over 1,000 and a Sunday School attendance of 1,300.

There are now 34 Southern Baptist Missionaries working in Hawaii. The missionary work has grown from two small churches in 1940 to the present total of 22 with a total membership of over 5,000 and Sunday School attendance of over 8,000.

Rev. Stuart stated that at the end of 1960, due to Hawaii becoming a state, foreign missionary work in Hawaii will end. The Hawaiian Baptist Convention will then be in charge.

The Southern Baptist Foreign Missionary will continue to furnish some personnel in Hawaii, as well as some financial assistance, for a limited amount of time. Some of the missionary personnel there will be moved to other missionary fields of service.

Rev. and Mrs. Stuart, who have two sons, Malcolm Boyd, 14, and Paul, 16, hope to be able to go back to China - either to Hong Kong or Formosa.

Rev. Stuart is originally from Alabama. Mrs. Stuart, who taught in the University of Shanghai for five years before their marriage, is a native of Garland, Texas.

Antelopes Bow To Tulia 21-26; Meet Hale Center Owls Here Friday Night

By DON JONES

The Tulia Hornets handed the Abernathy Antelopes their second straight defeat of the young football season Friday night, 26-21, on Antelope field before about 2,500 spectators. The Hornets of Coach Bill Henry capitalized on the Antelopes weak pass defense and costly penalties to ring up the victory margin.

An 89-yard touchdown run made by Abernathy's speedy halfback Aubrey Smith on the Antelopes' first play from scrimmage was called back because of an off-

side penalty against the Antelopes. To dampen the spirits of the Antelopes even more, the Hornets grossed a 14-7 halftime lead on a 64-yard pass play from quarterback Jerry Vandergriff to halfback Billy Dick with only nine seconds left in the first half. Abernathy had held the lead momentarily when Antelope halfback Billy Joe Smith plunged through center from the one-yard line following a pass play from quarterback John Brown to end Neal Humphrey that covered 42 yards. Smith was also the one that booted the extra point. Abernathy led 7-6 with 16 seconds remaining in the half.

Following the score, quarterback Brown kicked the pigskin to the Tulia 30 yard line. The ball was returned to the 36-yard line by a Tulia back, and on the

first play from scrimmage Tulia made its 64-yard touchdown. Halfback Buzzy Poage ran around left end to give Tulia its only conversion of the game.

After a scoreless first quarter, Tulia climaxed a 46-yard march early in the second stanza when Dick ran around the right end

(Continued on page 4)

TO TECH PRESS

Don Jones, 1959 AHS graduate and son of Mr. and Mrs. Ward Jones, terminated his employment at The Abernathy Weekly Review Saturday, and began work this week at the Tech Press in Lubbock. He will be a freshman student at Texas Tech when the Fall semester opens later this month.

Don had been with The Review since Nov. 5, 1956, when he was starting his sophomore year in AHS. He will attend Texas Tech under a journalism scholarship awarded him by the West Texas Press Association.

The Review management regrets losing this fine young man and key employe, but we are happy that he has this opportunity to further his education and training in the field of journalism.

YEARLINGS DEFEAT OLTON 6-2

The Abernathy Junior High Yearlings, coached by Waydelle Hill with Pete Wilson as assistant, journeyed to Olton Tuesday night and defeated the Olton Junior High team to the tune of 6-2.

Coach Hill's Yearlings will play hosts to the Floydada Junior High team next Tuesday at 6:00 p. m.

Free Polio Shots To Be Offered At School September 29 and 30

Marguerite Greene, registered nurse for the Abernathy Public Schools, announced that free polio shots will be offered at the school on the afternoons of September 29 and 30 (Tuesday and Wednesday).

Dr. Thomas Williams will administer the inoculations to those who desire to take advantage of this free service. Parents, as well as the children, are urged to take the shots.

Mrs. Greene stated that all children who are not accompanied by a parent must have written permission from their parents before the polio vaccination will be administered.

Any person who has not had a booster shot within the past 12 months, or who has had no shots, or who needs to complete the series of shots, is also urged to be present either Sept. 29 or 30.

BIRTHS

Mr. and Mrs. Richard Davis are parents of 6 pound, 6 ounce daughter born at 2:44 a. m. Wednesday, Sept. 9, in West Texas Hospital, Lubbock. The father is employed by Higginbotham - Bartlett Lumber Co.

Mr. and Mrs. Juan Flores, Rt. 1, Abernathy, are parents of a daughter born at 2:45 a. m. Thursday in Methodist Hospital, Lubbock. She weighed 4 pounds, 9 1/2 ounces. The father is a farm laborer.

Mr. and Mrs. Jesse Bryan, New Deal, are parents of a 7 pound, 11 ounce daughter born in Porter Clinic, Lubbock, at 11:15 a. m. Thursday, Sept. 10.

Mr. and Mrs. Travis Powell are parents of a son born Sept. 15. He weighed 8 pounds 4 ounces.

Mr. and Mrs. Ed Posey were on vacation in Colorado recently.

SOMETHING NEW HAS BEEN ADDED

Something new for Abernathy has been added at Lon's Cleaners.

A machine for cleaning and mothproofing rugs and carpets is now available at Lon's. They will either clean rugs and carpets for those who are interested, or rent their machine to their customers.

See Lon's ad on another page in this issue of The Review.

We reported in last week's paper that oil leases east of town were bringing as high as \$30 per acre. Since that report, we have learned that at least one tract, and maybe more, leased for \$35 per acre.

Cavalcade Of Homes Is Featured Here

Commuter Homes, built by Southwest Homes, Inc. of Abernathy, has their Show Home featured in the 1959 Cavalcade of Homes, which opened Sunday for an eight day run.

Sixteen homes - in Abernathy, Lubbock and Shallowater - are being exhibited during this event.

On the last day of the Cavalcade of Homes event, Sunday, Sept. 20, a drawing will be held and two prizes of \$500.00 each will be given away.

Persons visiting Cavalcade Homes may take part in the drawings by entering at each of the exhibited homes in the three towns listed. The more homes visited, the more chances to win. Homes will be open from 10 a. m. to 9 p. m. each day.

Here's how it works.

Numbered Plans
Visitors will be given a numbered floor plan at each home. Those taking part then will fill out brief, simple cards, noting thereon the number of the floor plan handed out as they enter the home.

These cards will be collected from the individual homes and winning numbers will be drawn as the last item of business at the close of the eight-day Cavalcade Sunday night.

Holdings of numbered floor plans matching numbers drawn will be declared winners of the \$500.00 prizes.

20 MPH ZONES

City officials requested these notices to the public:

Your attention is directed to the new speed limits which became effective at the beginning of the current school term. On Avenida D (Highway Street) there is a 20-mile-per-hour speed limit for two blocks, from 19th Street, at Consumers Fuel Association, south to near First Methodist Church, at 7th Street. This speed limit is in effect from 7 a. m. until 5 p. m.

The 20-mile-per-hour speed limit also is in effect around the local schools and on all streets on which "slow" signs have been painted on the pavement.

Officials also issued a reminder that it is against the law to follow a fire truck en route to a fire, and that it is unlawful to park within a block of a fire.

Also, it is unlawful to drive across a fire hose. These laws will be strictly enforced, and tickets will be issued those not observing them, the officials warned.

If you should need a policeman in Abernathy during the night, and cannot get in touch with one by calling locally, telephone the Lubbock County Sheriff's office, Porter 5-5555, and have the radio operator relay your message to the Abernathy police car, giving the address where a policeman is needed.

LYNN SMITH BREAKS LEG

Lynn Smith, 9-year-old son of Mr. and Mrs. Robert E. Smith, fell and fractured his right leg while playing at school at noon Thursday.

He was taken to Phillips-Dupree Hospital in Levelland for treatment and was returned home Friday. He is in the third grade at Abernathy Elementary School.

Mr. and Mrs. S. H. Lebow plan to leave today (Thursday) for a three-week visit with their daughter, Mrs. Charles Buzbee, and family in Whittier, Calif.

"QUICK MEALS" IS NEW EXTENSION PUBLICATION

College Station—If you are an average homemaker, you spend about a third of your time planning, preparing and serving meals. Of course, some homemakers spend more time on food preparation than others. Size of the family, elaborateness of meals,

and the conveniences and use of kitchen equipment influence the time spent on meals. You can have colorful, appetizing meals in minimum time with less energy if you plan and manage them properly, according to extension foods and nutrition specialists. To help homemakers with the job of meal planning and management, specialists have written a new book entitled "Quick Meals."

The specialists give four pointers as to what makes a good meal. They are: use foods that vary in flavor, texture, size, and shape; they should be of good quality; appetizing and prepared so as to save food value; foods should be served attractively; and a pleasant atmosphere should be present to help the family enjoy meal time.

Better use of time by menu planning is discussed. Some suggestions are: serve fewer and well-prepared foods in generous amounts; use foods that can be cooked together, such as pot roasts and vegetables, and plan dishes which require few ingredients.

The bulletin contains many menu plans for quick meals, such as oven meals, one-dish meals, broiler meals, top-of-the-range meals, and meals from the freezer. All these recipes have easy to follow directions.

Contact your local home demonstration agent for a copy of the bulletin. Or write the Agricultural Information Office, College Station. Ask for E-927.

High Plains Research Foundation Schedules Third Annual Field Day

The Third Annual Field Day of the High Plains Research Foundation will be held September 24, 1958, at Halfway, Texas, 10 miles east of Olton and 15 miles west of Plainview on Highway 70. Dr. Thomas C. Longnecker, director of the Foundation, announced.

Guided tours will begin at 1:30. Staff members and scientists from Extension Service, Soil Conservation Service, Texas Experimental Station and agricultural representatives of commercial companies will be at designated stops to discuss the research being conducted. The tours will cover such experimental research as: cotton fertilization, grain sorghum varieties and fertilization experiments, irrigation efficiency on cotton, recharge well and bench leveling, cotton skip-row and interplanting, soybean fertilization and rate of seeding and row spacing tests, castor bean variety and fertilizer tests.

The usual Bar-B-Que will be held at 6:30. Dr. Longnecker said everyone is cordially invited to attend this third annual Field Day to observe the research being done to help agriculture maintain its role as the foundation for the continued growth of these Great High Plains of Texas.

HUMBLE Presents... THE NEW TIRE of this generation!

ATLAS BUCRON TIRES
Positively No Squeal!

YOU CAN'T MAKE IT SQUEAL!
The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the miracle new rubber of the tread.

Ordinary tires "bounce" . . . multiply bumps and jars.
Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

SAFER!
STOPS 30% QUICKER THAN ORDINARY TIRES
Tested against other tires, the Atlas Bucron Tires stopped 30% quicker—often the difference between a safe stop and an accident. Atlas Bucron Tires will stop quicker on wet pavement than ordinary tires on dry.

SOAKS UP BUMPS AND JARS! You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron Tires smothers "bounce." Your car rides like the day you bought it, steers easier, handles better.

Trade Now for a set of these amazing new tires. Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. Equip your car with Atlas Bucron Tires on all four wheels.

GUARANTEED BY HUMBLE
Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. (Note: All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

1959 Cotton Crop Outlook Is Good

Texas High Plains cotton crop prospects for the 1959-60 season continue to look good and estimated production in early September was placed at 1,775,000 bales. This is up about 5,000 bales from the August 1 crop estimate made by officials of the Lubbock Cotton Exchange and the Plains Cotton Growers, Inc.

Crop reports throughout the area continue to be good. Late-planted June cotton is said to be making excellent progress. Some dryland cotton is possibly suffering now from lack of moisture but much of the dryland area is in good shape and farmers report heavily loaded stalks. Most noticeable change in the crop estimate is the decrease in production of dryland cotton and increase from irrigated areas.

Most cotton authorities now agree that weather the next six weeks on the Plains will mean the difference between a good and bad crop year, as far as cotton is concerned. Most farmers have hopes for a warm, dry fall

and late frost. If the 1,775,000 bale estimate does materialize, it would be the second largest cotton crop ever produced in the 23-county Texas High Plains area. Tops was the 1958 season which produced 2,025,433 bales. About 100,000 more acres were planted this year since there was no soil bank, but adverse weather in May and June wiped out as high as 600,000 acres and much of it was late in being replanted. Standing acreage on the Plains as of August 1 this year was 2,159,650 acres, just about the same as standing acreage in 1958 at that time.

The cotton production estimated for Hale County is 170,000 bales.

Houswives are very color conscious when it comes to buying chickens. Skin color of broilers was either the first or second consideration of nearly half the supermarket shoppers interviewed in a study conducted in Houston by the Texas Agricultural Experiment Station. A bird with yellow-colored skin was preferred by about the same number of shoppers as a light colored one.

STOP FOR SCHOOL BUSES

Thousands of school children are now trooping back to school throughout Texas. Many of them will be transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this year because a child or a motorist, or both, were careless at that very time.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive

or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed pass same at a speed "which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rules applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not apply when passing a stopped school bus in a town, the residential district or the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Familiar to all are the no passing zones designated by dash lines placed to one side of the center stripe on our highways. Not so well known are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking, when not engaged in passing another vehicle, one should not drive to the left of the roadway.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

IS YOUR PICKUP READY FOR THE FALL HARVEST?

Busy harvest days are ahead for your pickups & trucks. Bring them to Abernathy Motor Co. TODAY for the repairs they may need.

Now's a good time to have your irrigation motor overhauled. Call us, phone 54, for pick-up service on motors to be repaired.

Coming, to Abernathy Motor Co., Oct. 8

Heralding a new "breakthrough" in automotive design, the Ford Falcon—shown here with three views of the Ford model—is all-new from the ground up. Functionally styled, the Falcon has a full length sculptured side panel that adds grace to its lines and provides greater strength for doors and side panels. The Falcon's all-new 90-horsepower six-cylinder engine is designed to give up to 50 per cent better gasoline mileage than standard cars.

Could anyone deny this baby a few minutes?

Of course not! Yet the minutes you can save by speeding could mean this baby's life . . . or yours! Nearly 40,000 died in traffic accidents last year, with speeding a factor in 3 out of 10 fatal crashes! So think how many lives just minutes can save . . . and slow down!

BACK THE ATTACK ON TRAFFIC ACCIDENTS

Help stop senseless killing on our highways. Drive safely yourself. Insist on strict law enforcement for your own protection. Work actively with others to support your local Safety Council. Remember—where traffic laws are strictly enforced, deaths go down.

Published in an effort to save lives in cooperation with The National Safety Council The Advertising Council

Freshman News

The Freshman Class of AHS elected officers for the 1958-59 school year recently. They are: Carolyn Forbes, president; Sherry Wilson, vice-president; Janey Scoggin, secretary; Angela Presley, reporter; Peggy Davis, treasurer; and Mickey Carter, annual representative.

The Class also elected sponsors and class parents. The sponsors are Mr. J. C. Doggett and Miss Shirley Oswalt. The parents are Mr. and Mrs. Harold Davis and Mr. and Mrs. Ralph Davis.

We would like to extend a hearty welcome to all the new "fish" who have joined the school.

Mr. and Mrs. G. W. Crenshaw and family visited in Colorado City and Lorraine last weekend. Mrs. Crenshaw's mother, Mrs. Annie Nunn, of Colorado City returned with them for a visit here.

Football . . .

(Continued From Page 1)

from 12 yards out for the first score of the game. Poage's attempt to go through center for the 2-point conversion failed.

Following Tullia's touchdown was when the Antelopes took their only lead of the game, leading 7-0 for only seven seconds.

Following intermission, the Antelopes began to strike at the Hornets. After taking the kickoff on their own 37-yard line, the Antelopes made their second touchdown of the night when Brown passed to Aubrey Smith for the final three yards. The Antelopes covered the 63 yards in nine plays. Aubrey Smith put the ball on the 23 when he scampereed 33 yards from his own 44 yard line. Fullback Harold Thompson's attempt to go through center for the extra points failed, and Tullia still led, 14-13.

Tullia scored two quick touchdowns in succession early in the third to heap their lead to 26-13 at the end of the third period. Both of the Hornet's last TD's came on long runs. Poage put Tullia farther ahead by a score of 20-13 when he took a 58-yard pass off the arm of Dick. After Abernathy held possession of the ball for only four plays before punting, Poage ran another 45 yards for his second TD of the night. Both conversion attempts failed.

Late in the final period of the game the Antelopes struck again when quarterback Brown again hit halfback Billy Smith with a 34-yard pass that put the ball on Tullia's 2-yard line. Fullback Thompson went the final yardage for the score. Substitute back Stanley Joy made good the conversion by going around left end to narrow the final score to 26-21, Tullia.

Morton was the only team in District 5-AA that was able to win a ball game Friday night. The Indians dumped Whiteface, 27-26, to remain the only undefeated team in the district. While Morton won, Olton was defeated by Floydada, 42-0; Lackney by Dimmitt, 24-6; Muleshoe by Sudan, 14-7; and Abernathy by Tullia, 26-21.

The Antelopes will meet the Hale Center Owls Friday night on Antelope field.

Junior Study Club

The Junior Study club, with eighteen members present, held its first meeting on Thursday morning, Sept. 10 at the home of Mrs. Harvey Lutrick. Members brought gifts, and secret pals for the preceding year were revealed.

Mrs. Morris Kerr is a new member.

Members present were Mmes. Gid Adkisson, Joe Barton, Bill Albers, Jack Lee, Joe Lovelace, Bobby McAlister, Joe Tom Brown, Dwayne Taylor, Hugh Pettit, Vernon Pettit, Carl Phillips, Virgil Phillips, Buford Davenport, Lindell Myatt, Elton Settle, J. W. Sollis, R. J. Jones and the hostess, Mrs. Harvey Lutrick.

The next meeting will be Sept. 22 with Mrs. Gid Adkisson, Jr., as hostess.

ness session. Mrs. Dale Milner gave a demonstration on leather craft.

The hostess served a refreshment plate to Mmes. Bob Olive, O. S. Bristow, H. G. Timms, N. Matthews, Herbert Milner, A. C. Smith and those mentioned above.

Mr. and Mrs. T. B. Mull of Plainview, spent several days last week in the home of their daughter, Mr. and Mrs. Lloyd Goldston.

Mrs. F. L. Bell returned to her home in Amarillo Tuesday, after spending several days in the home of her sister, Mrs. E. L. Mc-Gaugh Sr.

Mr. and Mrs. Leo Ammonett attended a family reunion at Midland last week, going from there on a vacation in Missouri, and on the return trip will visit in the home of their son, Mr. and Mrs. Derwood Ammonett in Oklahoma City.

Mrs. N. Matthews and her father, L. H. Holcomb, attended the Golden wedding anniversary of Mr. and Mrs. O. W. Wheeler at Come Sunday afternoon. The reception was held in the home of their son, Mr. and Mrs. Paul Wheeler of Come.

Mrs. E. L. McGaugh, Sr., left Tuesday to visit relatives in Springdale and Ft. Smith, Ark.

Mr. and Mrs. Jim Collins of Lenora visited in the home of the J. C. Belts last weekend. Richard Belt was also home with his parents from Welch, where he is teaching.

Mr. and Mrs. Gordon Timms visited her brother, M. Condra, who is seriously ill at his home in Ballinger.

Mr. and Mrs. S. M. Harrison visited relatives in Burkburnett last weekend.

Lakeview News

Ronald and Renee, infant twin grandchildren of Mr. and Mrs. A. B. Colwell, are critically ill in a Lubbock hospital, but are reported as showing some improvement. They are the children of Mr. and Mrs. Quinton Colwell of Lubbock.

Lloyd Goldston was in Roswell to return his parents, Mr. and Mrs. J. J. Goldston home from a visit with their daughter, Mrs. Floyd Fisher.

The Lakeview Hobby Club met Friday afternoon in the home of Mrs. Berlyn Ammonett. Mrs. Avery Fisher presided over the busi-

County Line Chit Chats

(By Mrs. Wayland Nelson)

The County Line Community Women's Club will have an all day quilting and miscellaneous shower honoring Mrs. Tom Lesley Thursday, Sept. 24. Get your thimble, scissors and needle ready and come out and bring a covered dish and meet with us. We will meet at the County Line Baptist Church, starting at 9 a. m.

The hostess met Monday at 2:00 p. m. at the home of Mrs. G. W. Nelson to plan a pink and blue shower for Mrs. Darrell Goodrich of Lubbock. The shower will be from 2:00 to 4:00 p. m. Friday, September 18.

Mr. and Mrs. Skinner Blackman, and Mr. and Mrs. Marvin Stephens are touring the southern states on their vacation.

Mr. F. C. Bishop is in Taylor Clinic, room 11. He had surgery Monday morning.

Mrs. Olen Knight is home after having major surgery in the Littlefield Hospital.

Mr. J. C. Roberts is recuperating at his home in County Line after losing three toes on his right foot in a power lawnmower two weeks ago.

Mr. J. L. Cox, father of Mrs. Noble Rice, is visiting his son and family in Midland this week. Mr. and Mrs. Clifford Cox.

Ret. Ronald McGuire has qualified for OCS Corps of Engineers. He is in the Army and stationed at Ft. Riley, Kansas.

Mrs. Emmett Crow has returned home after a 2 weeks stay in Temple with her mother who has been seriously ill in the King's Daughter's Hospital.

The success or failure of mechanical harvesting of cotton is dependent upon the defoliation job done. Fred C. Elliott, extension specialist, points out that a good defoliation job done in favorable weather enables a producer to harvest as high quality cotton by machine as by hand picking. Local county agents can supply detailed information on the subject.

News About Men In Service

FORT BLISS, TEX.—Marvin D. Manley was recently promoted to SF 4 while serving with the Hq Battery, 4th Missile Battalion (NH) 62d Artillery.

The 62nd Artillery undergoes intensive training in the use and maintenance of the Nike Hercules Missile. Troops from allied countries all over the world are now attending classes at Fort Bliss, Texas, acquiring the skill and

knowledge to put these missiles into action.

Sp-4 Manley is assigned the duties of Radar Operator in the battery. Entering the Army on Feb. 12, 1958, he then completed combat infantry training at Ft. Carson, Colorado.

Manley is a 1954 graduate of Abernathy High School, and he worked for Halliburton Oil Well Co., Duncan, Oklahoma, before entering the Army.

He is the son of Mr. and Mrs. G. W. Manley of Abernathy. His wife Margie and son are presently residing in El Paso.

Girl Scouts

The Caprock Girl Scout Council will hold a Program Workshop on Thursday, September 17, at the Westminster Presbyterian Church 33rd and Indiana Streets in Lubbock from 9:00 a. m. until 2:30 p. m. Each person attending is requested to bring her sack lunch. Coffee and soft drinks will be available. A nursery will be provided at a small fee.

1935 STUDY CLUB HAS LUNCHEON MEET

Thursday, Sept. 10, at one o'clock, the 1935 Study Club met in the home of Mr. John Hale for a luncheon. Co-hostesses were Mrs. R. A. McAlister and Mrs. Kit Medlin.

The study for the following year, "Russia in Focus," was started. Mrs. Dan Ward was leader, and the following program was given: "Physical features of the land called Russia," by Mrs. Vincent Cunningham; "Subdivision of the U.S.S.R.," by Mrs. Lloyd Edwards; "Climate in the U.S.S.R. and its influence on the people," by Mrs. Arno Struve.

Mr. and Mrs. N. A. Oliver were in St. Louis, Mo., last week.

GOLDEN AGERS MEET SEPT. 25

Mrs. F. W. Struve, reporter, has announced a meeting of Abernathy Golden Agers Club for 3 p. m. Friday, Sept. 25, at the city hall club room. She urges all members and prospective members to attend so the club will have a good start for the new season.

4-H CLUB TO MEET

The Abernathy Community 4-H club will meet in the City Club Room on Sept. 23 at 7:30 p. m.

CITY GARDEN CLUB HOLDS MEETING

The City Garden Club met in the Club Room on Thursday, Sept. 10, with 14 members present. The program was on "Pioneers" by Jessie Ruth Neis.

Mrs. G. B. Adkisson, Sr., was hostess.

Members present were Mmes. G. B. Adkisson, Sr., B. H. Beard, T. A. Brewster, T. O. Brown, H. B. Coggin, W. V. Halford, Edd Heath, A. E. Myatt, Harlow Neis, H. H. Selke, C. C. Shipman, Floyd Shipman, J. C. Veach, and O. W. Weeks.

The next meeting will be on Sept. 24, with Mrs. T. O. Brown as hostess. Program will be on "A Historic Garden in U.S.A." Mrs. H. H. Selke, Reporter

TALK

Each season . . . Spring . . . Summer . . . Autumn . . . Winter . . . has its own fine points; and it disadvantages. I like Autumn best for many reasons. During the transition period, from the time school begins and Autumn starts, about Sept. 22, you begin to throw off the lethargy spawned by long, hot summer days.

For the newspaperman, activities begin to hum as school news pours in and social events start a new season. Lights in the grain elevators at night during the grain sorghum harvest rush and the humming of cotton gins . . . the brisk pace of business activity . . . I like Autumn.

Another exciting event that usually comes in the Autumn is introduction of new model automobiles. Adding to the usual interest in this field will be the introduction next month of two new compact cars on the local market. Abernathy's two automobile dealerships will offer five different 1960 automobiles. This will be in addition to their pickup and truck lines.

Scheduled for showing October 2, at Reid Chevrolet will be the all new rear-mounted engine compact car, the Corvair. Abernathy Motor Co. will place Ford's entry in the compact car field, the Falcon, on display Oct. 8.

In addition to the Corvair, Reid Chevrolet will have the conventional 1960 Chevrolet, which promises many body and mechanical changes. Abernathy Motor Co. will have the regular Ford automobile for 1960, with a promise of numerous appearance and mechanical changes. Abernathy Motor Co. also will offer the 1960 Mercury automobile for the local market.

P. T. A. NEWS

New teachers were introduced and all the teachers were welcomed at the first meeting of the Abernathy P. T. A. at 7:30 September 14th in the High School Auditorium.

Mrs. Gid Adkisson, Jr., President, presided; and all the other new officers were recognized.

The theme of the program, as prepared by Mrs. Eudolph Struve, was "What's My Line," complete with panel and moderator. As the new teachers "signed in," interesting facts were read about each of them. In addition, there were four mystery guests who appeared on the program.

Approximately 100 people enjoyed the hospitality of the Lions Club who served refreshments during the social hour.

MONDAY IS DEADLINE

Deadline for news copy and ad copy is Monday at 5:30 p. m. Deadline for reporting on Monday night meetings or other news happening on Monday night is at noon on Tuesday.

Only copy accepted Tuesday morning will be that covering Monday night events. Other copy coming in on Tuesday morning will be carried over to next week's paper.

New Deal Lions . . .

Following is the 1959 New Deal football schedule:

- Sept. 18—Spring Lake, at New Deal.
- Sept. 25—Idalou, at New Deal.
- Oct. 2—Ropesville, there.
- Oct. 9—Open.
- Oct. 16—Lorenzo, there.
- *Oct. 23—Cooper, at New Deal.
- *Oct. 30—Wilson, at New Deal.
- *Nov. 6—New Home, there.
- * Denotes conference games.

County Tax Rolls Submitted For State Approval

Tax rolls of Hale County for the current year were taken to Austin last week by County Tax Collector Marshall Surratt. Mrs. Surratt accompanied him on the trip to the capital. The tax rolls were submitted to State Comptroller R. S. Calvert for approval.

The total valuations of real and personal property for the current year is \$41,055,385, as approved by the commissioners court, following its sitting as a board of equalization. This is an increase of \$44,950 over last year's \$40,605,435, in the main a natural increase due to additional property coming on the rolls.

HALE COUNTY FAIR BOOSTERS VISIT IN ABERNATHY MONDAY

The annual Hale County Fair Booster Trip covered two days this year.

The first trip started from the Chamber of Commerce office in Plainview Monday at 8:30 a. m., and the fair boosters visited PETERSBURG, ABERNATHY and HALE CENTER during that morning.

After lunch at Hale Center, they visited Cotton Center, Olton and Halfway, and then returned to Plainview.

Tuesday, Kress, Hart and Edmonson were on the tour agenda.

Mr. and Mrs. George Ragland returned on Tuesday of last week from a vacation trip to Los Angeles, where they visited in the home of their daughter, Mrs. A. B. Scheibel.

H. Garrett Number 1 Bauer, north of Lubbock, bottomed at 5,272 feet TD, and casing is set and waiting for completion rig. Good showing was seen in cores taken from 5,122 to 5,222 feet. This is thought to be a little higher than the Pure Oil Company's well, one-half mile to the northwest.

TO MY FRIENDS:

St. Matt. 6:32: "For after all these things do the Gentiles seek. For your Heavenly Father knoweth you have need of these things."

Jesus Christ is talking to his disciples and telling all church people of today that God will supply all earthly needs. In II Cor. 6:14, Paul says to the church to be not unequally yoked together with unbelievers. Please read all this sixth chapter. If we church people join in a union with the worldly people, we have violated this scripture of God's holy truth.

Just because some men are not obeying these truths does not lessen anyone's responsibility in the least. If all people say this is not the holy truth of the Bible, it is still God's holy truth. Thank God for faith that is steadfast and sure. Repent and believe, doubters. God and Jesus Christ will save you.

Pray with me for all of our people in Abernathy.
L. M. Hall.

Tax Man Sam Sez:

According to the amount of income tax we pay, our economy in the northern half of Texas is growing at the rate of 4 per cent per year. Most of us wish that our own personal economy would grow much faster. One way to make it grow faster is to read your tax instructions and save on your tax dollars. If you want the government to have the money you can loan Uncle Sam, the money you save on your taxes by buying U. S. Savings Bonds and drawing interest off of Uncle to help your personal economy grow. At any rate it is always a good idea to know more about the taxes on your business. It always saves money and even if you find you owe more you save trouble with the tax men and that is always a worthwhile saving.

SMALL GRAINS GROW BETTER WITH PHILLIPS 66 AGRICULTURAL AMMONIA

Applied in the Fall

Apply Phillips 66 Agricultural Ammonia ahead of your small grains for earlier, faster growth that makes possible more fall and winter grazing with higher grain yields next year, too.

Phillips 66 Agricultural Ammonia is easy to use. It's 82% nitrogen—more nitrogen per dollar than you can get in any other type of nitrogen fertilizer.

Agricultural ammonia stores well in loamy to heavy soils. It stays in the moist root zone . . . resists leaching . . . until growing crops need it.

1212 Ave. D — Abernathy — Phone 285-W

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

The Texas Number 1 well, one mile west of Anton, was drilled to a TD of 11,700 feet. This well may be tested in the Clear Fork for production.

Beef cattle in shaded feedlots gained faster and made more ec-

nomical gains than those in unshaded lots according to tests conducted in California's Imperial Valley.

DRIVE SAFELY — Reasonable speed allows more time to act.

THE SABBATH?

BY ROY DEAN VERNER
Reading Time: 4 Minutes

Some claim that the Sabbath is still binding upon Christians of today. They claim that it has been observed since the creation of the world. Does the Bible sustain such a doctrine or not?

Those who teach that the Sabbath is binding today do not claim to live under the law of Moses. They teach that there were two laws given on Mount Sinai: that God gave one, and that Moses gave the other. They believe that the one given by the Lord was written on tables of stone; that the law given by Moses was written in a book, and was abolished by Christ. They assume that the law of God pertained to moral obligations, and that the law of Moses consisted of ceremonial duties. Not every one believes this doctrine, therefore, it is the responsibility of every person believing the Bible to investigate this matter and see if these things be true.

First of all one should investigate the scriptures to determine if there were two laws given on Mt. Sinai. Does the Bible teach this, or has man assumed it? One can read "This Ezra went up from Jerusalem. And he was a ready scribe in the LAW OF MOSES," (Ezra 7:6), and in the same chapter (7:12) one can read "Ezra the priest, the scribe of the LAW OF THE GOD OF HEAVEN. . . . These expressions are also used interchangeably in Neh. 8:1 and 8:8. Luke 2:22, 23 reads as follows: "And when the days of her purification according to the LAW OF MOSES were accomplished, they brought him to Jerusalem, to present him to the Lord. As it is written in the LAW OF THE LORD every male that openeth the womb shall be called holy to the Lord." From these verses of scripture, we may conclude that the law of the Lord, and the law of Moses, are used synonymously. Note also that the Bible does not say that Moses gave one law and the Lord gave another. "This Ezra went up from Jerusalem. And he was a scribe in the LAW OF MOSES which the Lord had given," (Ezra 7:6). Here it is stated that the Lord gave the law, and in II Chron. 34:14 one reads, "And when they brought out the money that was brought into the house of the Lord, Hilkiah the priest found a book of the LAW OF THE LORD given by Moses."

Concerning the idea that one

was a moral law and the other a ceremonial law, one should note II Chron. 31:3, "He appointed also the king's portion of his substance for the burnt offerings, to wit for the morning and the evening burnt offering for the sabbath, and for the new moons, and for the set-feasts, as it is written IN THE LAW OF THE LORD." Here THE LAW OF THE LORD stipulates that animal sacrifices are to be offered, therefore those who say that the law of the Lord was a moral law only are in error. The terms law of the Lord and law of Moses are used interchangeably.

The Bible also fails to support the idea that the sabbath was given at creation and has been observed by men ever since. The sabbath was made known on Mt. Sinai: "Thou earnest down also upon Mt. Sinai, and spakest with them from heaven, and gavest them right judgments, and true laws, good statutes, and commandments: and made known thy HOLY SABBATH, and commanded them precepts, statutes, and laws by the hand of Moses thy servant," (Neh. 9:13, 14).

It is not difficult to determine from the above scriptures that the sabbath was a part of the law of Moses. Since Christ took the law away "nailing it to the cross," (Col. 2:14) we do not observe the sabbath. One must note, too, that the Sabbath (Saturday) is not the first day of the week (Sunday). "And they returned, and prepared spices and ointments, and rested the sabbath day, according to the commandment. Now upon the first day of the week. . . . (Luke 23:56-24:1). Here the sabbath had ended and the first day of the week was beginning. New Testament examples of Christians worshipping on the first day of the week are found in Acts 20:7. "Upon the first day of the week when the disciples came together to break bread, Paul preached unto them," (I Cor. 16:2), and "Upon the first day of the week let every one of you lay by him in store. . . . Christians worship on this day. If you have not been worshipping God as you should, you have this invitation to come and worship "in spirit and truth" only. If you have questions concerning this article, let us hear from you. Your inquiries concerning this matter will be given prompt attention.

AHS STUDENT COUNCIL NEWS

By Sandra Wolff, Council Reporter

The first meeting of the 1959-60 Abernathy Student Council was held on September 9 in the high school. President Jack Ingram presided over the meeting.

Mr. Dub Crain, who served as sponsor of the Council last year, was again elected to that position.

Mr. J. W. Solis, AHS Principal and co-sponsor of the Council, proposed that the AHS Constitution be amended as follows: Article b—Sponsors of the Council, Sec. 1. The principal and one other member of the faculty appointed by the principal shall sponsor and direct the council.

In accordance to the Constitution, this change will be decided at a later date.

The Council also voted to sponsor the Invitational Basketball Tournament, the All-Sports Banquet, the Valentine Day Tea, and Career Day. The Council will also sponsor the paper dispensing machines that supply typing and ruled note book paper for use of the students.

As a new project, the Student Council is selling plastic coated book covers that are colored in maroon and white and have a character of an antelope on them. The book covers will be sold by various Student Council members for 15 cents each or two for 25 cents.

Two committees were appointed, one for printing the election ballots and one for counting the ballots and determining the results of an election.

MISS YVONNE HAGER HONORED WITH GIFT COFFEE

Miss Yvonne Hager, bride-elect of Sam Satterfield, was honored with a gift coffee Wednesday morning in the home of Mrs. Roy Matthews.

Co-hostesses for the occasion included Mmes. W. V. Cunningham, Chester Pearce, L. R. Smith, Floyd Mooneyham, Recia Kelly, Ralph Davis, H. F. Gregg and Marvin Toler.

Mrs. L. S. Wilson visited a few days last week in Amarillo with her daughter and son-in-law, Mr. and Mrs. Roy Sons.

October 4 - 10 Declared Letter Writing Week

The 22nd annual Letter Writing Week will be celebrated in Abernathy, Texas, during the week of October 4 to 10, it was announced by Acting Postmaster Herbert Hardin.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to 'write today to those away'."

Posters, depicting a mailman in a new postal vehicle called the mailster, will be displayed in post offices throughout the country. Colorful streamers, proclaiming that "Letters are fun to send and exciting to receive," will be displayed on postal vehicles.

Acting Postmaster Harding stated that the special Week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives, and others who will welcome a personal letter.

The 160-lesson series will begin Sept. 28 on the NBC network and terminate May 27. Dr. Samuel H. Lee, Tech associate professor

of chemistry and program coordinator, announced. It may be seen locally from 6:30 to 7:00 a. m. on KCED-TV.

Tues. Sept. 15 — Yearlings 6, Olton 2.
Tues. Sept. 22, Floydada—Here.
Tues. Sept. 29, Open.
Tues. Oct. 6, Lockney—Here.
Tues. Oct. 13, Floydada—There.
Tues. Oct. 20, Open.
Tues. Oct. 27, Olton—Here.
Tues. Nov. 3, Lockney—There.
Tues. Nov. 10, Dimmit—(place to be decided).

All games are scheduled for 6:00 p. m.

The drop in hog prices emphasizes the need for swine producers to speed up their shift to meat type hogs. Even with lower prices, T. D. Tanksley Jr., extension animal husbandman, says that producers of more desirable types, in many instances, are getting market premiums for their animals.

ATTEND SHOWING OF 1960 CHEVROLET AND CORVAIR IN OKLA. CITY

Representatives of Reid Chevrolet were in Oklahoma City last week to attend a dealer-salesman showing of the 1960 Chevrolet lines of automobiles and trucks. Holding top interest at the show was Chevrolet's all new Corvaire for 1960. It is Chevrolet's entry in the compact car field, and will be shown to the public on Oct. 2, along with the regular 1960 Chevrolet automobiles and trucks.

Attending the Oklahoma City meeting were Andy Reid, Ed Crow, W. M. Gist, Dale Powell and Jim Reid.

AMERICAN LEGION OFFICIALS VISIT HERE FRIDAY

On Friday afternoon, Sept. 11, the Department Commander of the Texas Department of the American Legion, Donald I. Peters; the Vice Commander, Maurice Kubby; the Department Adjutant, G. Ward Moody; the 19th District Commander, Ray Andrews; and the Department Service Officer, Fred C. Brookman, of the Veterans Administration office in Lubbock, stopped in Abernathy for coffee with Barton-Hood Post No. 300 Commander Ted Hill and the following local Legion members: Bob Drace, Lon Carmickle, L. J. Carter, and Herbert Hardin.

Mr. and Mrs. Tom Whiddon of Austin visited here this week in the home of his sister, Mrs. R. J. Jones, Jr.

Martha Benn of Long Beach, Calif., arrived here last weekend to visit her parents, Mr. and Mrs. Chris Benn, a graduate of AHS and of Texas Tech. Miss Benn is District Director of the Long Beach Girl Scout Council.

Mr. and Mrs. Tom Whiddon of Austin visited here this week in the home of his sister, Mrs. R. J. Jones, Jr.

Mail News to The Review

Rites Are Held For A. O. Vaughn

Funeral services for Austin Owens Vaughn, 76, Jemez Springs, N. M., were conducted at 2 p. m. Sept. 9, at County Line Baptist Church.

The Rev. E. L. Minor, pastor, and Dr. C. Melvin Rathaal, pastor of Trinity Baptist Church in Lubbock officiated.

Burial was in Resthaven Mausoleum, Lubbock, under direction of Rix Funeral Home.

Vaughn lived at County Line for many years. He was a retired farmer and a tourist court operator.

He died in an automobile collision at 6:17 p. m. Sunday, Sept. 6, at 4th St. and Quaker Ave. in Lubbock.

Mr. and Mrs. Ray Baumgart and daughter of Pleasanton and Mr. and Mrs. Pat Young and daughter of Plainview visited here last weekend with Mrs. Lillian Young.

Mr. and Mrs. Tom Whiddon of Austin visited here this week in the home of his sister, Mrs. R. J. Jones, Jr.

TO SEE 1960 FORD FALCON IN DETROIT

Lloyd Givens, manager of Abernathy Motor Co., Falcon, Ford and Mercury dealership, plans to leave today (Thursday) for Detroit, Mich., to attend a showing of the 1960 Fords and the 1960 Ford Falcon. He will be accompanied on the trip by his wife and daughter, Cristie, and Mr. and Mrs. Robert Howard of Lubbock. The party also will stop in Chicago, where they will visit a bicycle factory. Mr. Howard is a dealer in Lubbock for Schwinn bicycles.

Douglas Chapman and Jack Myatt, Abernathy Motor Co. salesmen, will attend a showing of the 1960 Fords and Falcons Sept. 30, in Dallas.

The 1960 Ford automobiles and Falcons will go on public display Oct. 8.

Lubbock County Clerk issued a marriage license to A. C. Warden of Abernathy and Miss Julia Ann Hubbard of Lubbock.

H. L. Smith of Beaumont, Calif., is visiting here in the home of his daughter, Mrs. Bryant V. Powell, and family.

Joe Thompson, S. R. Jackson and Calvin Jordan left Wednesday night by plane for Denver to attend a John Deere general sales meeting. Approximately one thousand dealers and salesmen will be present. The return trip will be made Friday night, by plane also.

Assembly OF God Church To Hold Revival Sept. 20 - 28

Rev. Jude Strickland, pastor of the Abernathy Assembly of God Church, announced that their Revival will be Sept. 20 through Sept. 28.

The evangelist will be Rev. J. C. Lewis of Chickasha, Oklahoma. Singing will be led by the pastor, Rev. Jude Strickland.

Services will be held nightly at 7:30 o'clock.

TO GALVESTON

Mrs. G. D. Clapp, president of Abernathy Home Demonstration Club, left Lubbock Tuesday for Galveston where she is attending a convention of the Texas Home Demonstration Clubs. Mrs. Clapp is the delegate from this area of Hale County.

Recent guests in the home of Mrs. and Mrs. N. A. Oliver included Mr. and Mrs. Murray Stewart and children of Levelland. She is tax assessor-collector of Hockley County.
