

Inclement Weather Fails To Halt County's Third Annual Trail Drive

At 11 o'clock Wednesday morning, March 18th, the third annual Haskell County Trail Drive, sponsored by James Powell of the Haskell Livestock Auction, became history.

Inside the auction barn, Riley Middleton sold meal tickets as fast as he could make change. Perched on a high stool smack in the middle of the entrance, he made sure of profit which will go to purchase much needed equipment for the local FFA organization.

Renal Rosson, State Representative from Snyder, and Clovis McAllister, Reporter-News Farm Editor, were among out-of-town and county visitors.

Altogether better than 500 folks consumed more than 500 pounds of FFA calf, donated by James Powell, The Haskell Future Homemakers prepared pounds of potato salad and coleslaw, guided by Mrs. Edwin Jeter. It was an exciting day for cattle, cowboys, and Haskell.

Local Churches To Hear TANE Speakers, Sunday

Subjects of many sermons Sunday will be alcohol abuse and drug abuse. Speakers from Texas Alcohol Education (TANE) will occupy pulpits in six Haskell Churches, Sunday, March 22.

Churches in Haskell to have TANE speakers include East-side Baptist Church, R. D. Williams, Pastor; Calvary Baptist Mission, Isaias Longoria, Pastor; First Baptist Church, Troy Culpepper, Pastor; Southside Baptist Mission, H. H. Sego, Pastor; Church of God, J. W. Davis, Pastor and Paint Creek Baptist Church, Bob Griffith, Pastor.

"Problems of alcohol and drug abuse are growing daily. It is going to be up to the people who care, to do something about these problems," said Rev. Albert F. Tucker, TANE Executive Director. "We find people who care in Texas' churches," he said.

TANE's purpose is to prevent, through education, problems that arise from use of alcohol, narcotics, and other dangerous drugs.

"We do not speak in local churches with the idea of reaching drunks and dope addicts, but to report to the people on the problems and what is being done about them," Rev. Tucker said.

Rotarians And Guests Hear Herman E. Fox

Herman E. Fox, Parole Officer for the Texas Youth Council, spoke to members of the Rotary Club and guests at last Thursday's noon-day luncheon meeting at the City Cafe. Bill Ratliff was program chairman for the day and introduced the speaker.

The guest speaker told of the juvenile problems and the correctional institutions in the State where some 1600 boys and girls are now taking rehabilitation training.

Mr. Fox spoke of the Gatesville school for boys and the Gainesville school for girls. He said there were seven open type schools in the state where the boys and girls attended school like any high school student, other than the fact that they did not have the privilege of going home to their parents at night.

He stressed the fact that 65 per cent of students, or inmates of the correctional institutions were from broken homes and that a large per cent were from the slum areas, but there were some from wealthy homes receiving training.

"Presy" Eldon Anderson presided over the meeting. Invocation was given by Rev. H. O. Abbott, and the song session was led by H. V. Woodard, with Gail Barnett at the piano.

Bob Wheatley introduced the following guests: Paula Mayfield and Diane Thomas of Haskell High School; Joel Wilson of Abilene downtown Rotary Club and Haskell County Judge, B. O. Robertson.

Foursquare Youth Revival Underway At Weinert Church

REV. SAM OPPENHEIM

Rev. Sam Oppenheim, of El Paso, Youth Director of the South Central District, is the guest speaker for the Youth Revival which began Wednesday, March 18th, at the Weinert Foursquare Church, and will continue through Sunday, March 22. Services are being held at 7:00 p. m. No Saturday night service is scheduled.

Rev. Katherine Byrd, pastor of the Weinert Foursquare Church, extends a welcome to everyone to attend, especially the young people, since these services are designed with the youth in mind.

Miss Judy Gray, talented Weinert High School senior, is being featured in music. Miss Gray not only excels in voice, but is a talented pianist. Everyone is welcome!

The Haskell County Library will host a story hour, Saturday, March 21, from 10:00-11:00 a. m. Gail Barnett will direct the story hour.

Overton And Young Present Lions Program

Members of the Lions Club were treated to a rather different type of program at the Tuesday noon-day luncheon meeting at Felker's Restaurant dining room, as Bennie Young, Scout Executive, of Abilene, and Wallar Overton of Haskell, playing their own accompaniment on the banjo and guitar, presented a musical program.

Sandwiching their numbers with humor, Young and Overton (the poor man's Abbott and Costello team), picked and sang songs old and new, ranging from tear jerkers to modern, peppy tunes, which pleased Lions who kept roaring for more.

During a short business session, Lions voted to sponsor Johnny Fouts to the American Legion Fouts' State; Alfred Pierson was named chairman for the Lions Ladies' Night program to be held in June, and Hess Hartsfield, J. G. Vaughter and Alfred Pierson were named as a nominating committee to select a slate of officers for the coming official club year, to be voted on by Lions in the near future.

The City Floral was the scene of much festivity, Tuesday afternoon, March 17th, when friends honored Haskell's grand young man, Iron Pearsey, on his 95th birthday.

The "come and go" event was attended by a number of his friends, and of course, the traditional birthday cake and coffee was served.

Mr. Pearsey, who may be seen in "downtown" Haskell most any day of the week, was born in Star City, Ark., but came to Haskell when he was only 10 years of age.

The memory of this man spans many years and covers many events and his mind is clear... his health is good and his step is still firm and spry.

Happy 95th birthday, Mr. Pearsey!

Firemen Answer Call To Home Of Mrs. Verna Moody

Fire heavily damaged a southwest bedroom at the home of Mrs. Verna Moody, 304 South Ave. H, around 5:00 p. m., Tuesday.

The blaze originated in a corner of the bedroom where the family's clothing was kept. Quick thinking of Mrs. Moody and fast work of the Haskell Volunteer Fire Department held most of the damage to the one room. Mrs. Moody was at home when the fire broke-out. She said she smelled smoke and opened the door to the bedroom but quickly closed the door, keeping the blaze from spreading, and called the fire department.

Mrs. Moody said she did not carry any insurance.

Frontier Celebration To Be Staged In Conjunction With Jaycee Rodeo

Officers and directors of the Chamber of Commerce met at Felker's Restaurant at 7:00 a. m., Tuesday, March 17th, with president Bob Philpot presiding.

Minutes of the last meeting were read by the manager and approved by the board. Several committees chairmen were also present for the meeting. Mrs. Myron Biard, chairman of the tourist committee, reported that two new highway signs advertising the free trailer park were ready for erection. She also stated that other plans of advertising this park were in the making to include a type of brochure for distribution by station operators.

The main topic for discussion was the probability of staging the second annual Frontier Day Celebration in conjunction with the Jaycee Rodeo already scheduled for May 14, 15 and 16.

Dale Lawrence, Gaston Tidrow and Charles Thornhill, members of the Haskell Jaycees, were present for the meeting. They assured the board members that they would like for the two celebrations to be staged at the same time as they believed they needed extra attractions to tie in with the rodeo and more people and organizations working to make it a success. Dale Lawrence asked that Haskell merchants sponsor a Haskell County girl for the rodeo queen contest as they had not had the participation they desired on this phase of the annual rodeo.

Rex Felker, Chamber of Commerce manager, gave those present a list of additional events which could be added to the Frontier Day Celebration to include the selection of a Frontier Day Queen, a proposed pony express race, a cowboys' camp meeting, the wearing of souvenir garments by all

Friends Honor Iron Pearsey On 95th Birthday

IRON PEARSEY ...passes 95th Milestone

The City Floral was the scene of much festivity, Tuesday afternoon, March 17th, when friends honored Haskell's grand young man, Iron Pearsey, on his 95th birthday.

The "come and go" event was attended by a number of his friends, and of course, the traditional birthday cake and coffee was served.

Late Winter "Cold Snap" Brings Snow

Snow, which began falling around 1:00 p. m. Wednesday of last week, and continued steadily all during the afternoon, then played a short return engagement Thursday morning, deposited around an inch of the white fluffy stuff.

The snow began to stack up on lawns, trees and cars late Wednesday, but most of it melted as it fell.

A total of .07 of an inch of moisture was gauged from the snow and fizzle-drippe, according to Sam Herren, "The Weatherman."

Another 10 of an inch was gauged Monday and Monday night, to bring the total rainfall for March to date to 2.34 inches. Normal precipitation for March is .92.

Absentee Voting Underway In City, School Election

Persons who may be out of town on the day of the city and school trustee elections, Saturday, April 4th, should keep in mind that voting by absentee began Monday, March 16th (20 days prior to date of election), and will continue through Tuesday, March 31st.

Absentee ballots may be cast in the city election at the city secretary's office, city hall.

In the Haskell Independent School District Trustee Election, absentee ballots may be cast at the office of Mrs. Lee McKeivain, County Clerk, Court-house.

Very little interest is being shown in the Haskell Independent School District Trustee Election, since three trustees are to be elected and only three names appear on the ballot. Incumbents Jack McAdoo, C. G. Burson Jr., and Bob Wheatley are seeking re-election, unopposed.

The "political pot", however, is beginning to simmer in the city election in a contested race for mayor and councilmen.

Mayor H. V. Woodard, incumbent, is a candidate for re-election, and is opposed by John Larned.

Five candidates are seeking three seats on the council. Incumbents, J. Belton Duncan, Carl J. Anderson and Buster Gholson are up for re-election. Also in the race for councilmen are Woodley Davis and Ralph Merchant.

Mobile Chest X-Ray Unit To Be Here, Sat.

The Christmas Seal Mobile Chest X-Ray Unit of the North Texas TB-Respiratory Disease Association will visit Haskell, Saturday, March 21. The unit will be located at the Courthouse Square between the hours of 12:00 noon and 6:00 p. m.

This visit will be open to the public and all persons 15 years of age and over are urged to join this X-ray search for tuberculosis, emphysema, lung tumor, enlarged heart and other chest diseases.

If your chest X-ray is "O.K.," you will not receive a report; however, if there should be a suspected abnormality found, you will be notified by letter within two weeks of the date of your X-ray. In other words, "No News is Good News!"

The "Christmas Seal Association," in addition to the Mobile Chest X-Ray service, carries on a program of health education in the fields of chest diseases, hazards of smoking and air pollution.

Farmers Union Meeting Slated Monday Night

According to Willard Jones, president, the Haskell County Farmers Union will meet Monday night, March 23rd, in the Community Room of the Haskell National Bank, at 7:30 o'clock.

In speaking of the meeting, Mullins said, "This is a very important meeting and every member should be present, as some urgent business matters will be aired."

Senator Ratliff Is Named To Ag. Committee

Lt. Governor Ben Barnes today announced the appointment of three Senators to the Committee on Development of Agricultural Production Potential in Texas.

Barnes named Senators Bill Patman of Ganado; David Ratliff of Stamford; and J. P. Word, of Meridian, to the study group. The Lieutenant Governor designated Patman as chairman.

Created by S. R. 870, the Committee will study all means by which development of the Texas agricultural production potential for the next decade can be encouraged and realized.

"Texas ranks third in the U. S. in total cash income from agriculture and I think we can be first," said Barnes. "This Committee will work to provide new ideas on how Texas can increase its cash income and insure the steady growth of agribusiness in Texas."

The Texas Highway Patrol investigated four accidents on rural highways in Haskell County during the month of February, according to Sergeant Jir-cik, Highway Patrol Supervisor of this area.

These crashes resulted in two persons injured and an estimated property damage of \$3,470.00.

The rural accident summary for this county during the first two months of 1970 shows a total of 13 accidents resulting in no persons killed, 12 persons injured, and an estimated property damage of \$13,170.00.

In an all-out effort to stem the rising toll of traffic accidents in Texas, the Department of Public Safety is increasing the ranks of its uniform services.

One hundred and twenty men between the ages of 20 and 35 are needed to start training for the position of patrolman on May 5, 1970.

All interested young men should contact any DPS office or patrolman for an application. Those who work Monday through Friday may contact the Lubbock, Amarillo, and Wichita Falls offices on Saturday mornings for processing.

Break-Ins At O'Brien; Old Glory Schools

Two area schools, O'Brien and Old Glory, were burglarized some time Wednesday night of last week according to Haskell County Sheriff, Garth Garrett. The break-ins were discovered Thursday morning.

Garrett said that an undetermined amount of cash was taken from the desk of the school secretary at O'Brien. The drawer, which usually contained about \$50.00 was ripped open with a fire tool. Entrance to the building was gained through a window. Several other doors and windows were reported broken.

At Old Glory the superintendent's office was ransacked and the door leading into the office was damaged; however, no money was missing.

Texas Ranger, Homer T. Melton and Sheriff Garrett are investigating the break-ins.

MISS VERLENE RUEFFER WED TO RICHARD EUGENE WHITELEY

MRS. RICHARD EUGENE WHITELEY
.. formerly Verlene Dorothy Rueffer

Wedding vows for Verlene Dorothy Rueffer and Richard Eugene Whiteley were read Saturday, March 14th, at three o'clock in the afternoon in the Trinity Lutheran Church, Haskell, with Rev. Sam Urrate, pastor, officiating.

Parents of the couple are Mr. and Mrs. Henry Rueffer, of Weinert and Mr. and Mrs. W. G. Warner of Victoria.

Mrs. Helmut Quiram, Jr., of Dallas, sister of the bride, was matron of honor, and Mrs. Ronnie Baccus, of Childress, bridesmatron.

The groom chose as his best man, his uncle, Wylly Webster, of Haskell. Jackie Daniels, of Haskell, was groomsmen.

Given in marriage by her father, the bride wore a white peau de soie street-length dress with long lace sleeves. Her shoulder-length veil was held by a band of small flowers. She carried white feather carnations atop a white Bible.

Attendants wore red A-line dresses with bell sleeves. Their flowers were red and white carnations.

Immediately following the ceremony, a reception was held in the church annex.

The bride is a graduate of Mattson High School, class of 1962. She attended Draughon's Business College in Abilene, and for the past seven years has been employed by the Haskell Free Press.

The groom attended Rockport High School. For the past year he has served in the United States Army, with the 25th Infantry Division in Vietnam, and just recently returned to the States.

Following a wedding trip to San Antonio, the couple will make their home at Ft. Benning, Georgia.

Officers Elected By The Sunshine Sewing Club

The Sunshine Sewing Club met Tuesday, March 10th in the home of Alice Ballard.

The meeting was called to order by the president, Wilma Brown. Minutes of the previous meeting were read and approved. Dues were collected and roll was called.

Games played emphasizing the Easter theme and the following new officers were installed: President, Lucille McCurdy; vice-president, Maud Lee Jones; secretary, Maud Rhoads; treasurer, Trudy Wheeler; cards and flowers, Hilah Swinson; recreation, Lalla Smith.

The couple reside in San Diego, California.

Members of Young Homemakers Program Presented By Mrs. [Name]

The Haskell Young Homemakers met Thursday, March 12, at the Homemaking Cottage. There were three visitors attending: Mrs. Ed Hester, Mrs. Alvin Sherman, and Mrs. Don Smith.

Mrs. Jimmy Browning gave a program entitled "I Walked A Mile With Sorrow". "Sorrow is a painful thing. None of us like to think about it but we must face it—because it comes to all of us at one time or another. We don't want to just get through the death of someone we love dearly and grieve, and then forget. We want to remember and profit by it," Mrs. Browning said.

Mrs. Browning gave the following outline to help us with sorrow:

- How sorrow helps?
 - Giving us experiences with loneliness.
 - Giving our faith new meaning.
 - By becoming a more sensitive person.
 - By bringing about understanding.
- Guidelines for handling sorrow.
 - Accept it with dignity.
 - Surrender ourselves to the experience.
 - Contrasts of sorrow and joy help us live true portions.

There was a day party given by Mrs. Mary [Name] and Mrs. [Name]. Mrs. [Name] was the guest of honor. There was a contrast of E. Prepare moments.

Saturday, Mrs. Bettye McPherson, president, brought Area IV P.H.A. from the Area makers.

The group includes John Powell of First Baptist Church in Haskell, and Evelyn Mayfield of Weinert.

John Powell will be a revival singer for a church in Terre Haute.

News from Rule

MRS. FAYE DUNNAM

Western Banquet

The ladies of the Rule Church of Christ entertained members of the Rule Senior Class with their annual Western Banquet on Friday night, March 13. The setting was "Ruth's Barn" at the home of Mr. and Mrs. Jack Wilcox. The western theme was carried out in room decorations and food.

John Greeson, pastor, greeted the group and served as Master of Ceremonies. Entertainment was by Chris Dunn, Lee Paul and Chris Smith, all Abilene Christian College students.

Seniors attending were: Charlotte Allison, Benson Bagley, Danny Barbee, Menda Beard, Rhonda Carroll, Cathy Casey, Rudy Casey, Sheila Chambers, Delle Davis, Bobby Denison, Sherry Gann, Jesse Galindo, Patricia James, Bill Jones, Winston May, Joe Allen Martin, Marilyn Moore, Sammy Simpson, Kay Smith, Terry Weaver, Sonny Self and Herbie Woodridge of Old Glory. Sponsors present were Mr. and Mrs. Lavon Beakley and Mr.

Philadelphia Club

The Rule Philadelphia Club met on Wednesday, March 4th, for their regular monthly meeting.

Mr. J. C. Yeary of Haskell, who is with the Soil Conservation Service, gave a program on conservation and showed slides, many of them made in Haskell County.

Mrs. W. S. Cole was program director and introduced Mr. Yeary. The Conservation Pledge was read by the group.

Hostesses for the occasion were Mrs. Clyde Grice, Pearl Connor and W. S. Cole.

Junior Play

The Rule Junior Class will present their play "Aunt Bessie Beats the Band" on Friday night, March 20, in the High School Auditorium. Curtain time will be 7:30 p. m. This is a three-act farce by Henry Rowland.

Members of the cast are: Peggy Clark, Pam Wilson, Bonnie Sego, Johnny Ross, Debbie Plunk, Clayton Stegemoeller, Kent LeFevre and Jimmy Lisle.

Marsha Moore will be Mistress of Ceremonies. The advertising committee is composed of Melinda Danson, Peggy Clark, Bonnie Sego, Debbie Plunk and Pam Pitcock.

Stage managers are Melinda Danson, Pam Pitcock, Danny Hisey and Eugene Lee.

Mrs. Troy Pittman and Mr. Connor Horton are directors.

Advance tickets will be 45c and 70c. Tickets at the door will be 50c and 75c.

The mothers will sell pie, coffee and milk after the play.

The members of the junior class will furnish entertainment between the first and second act.

Tax Man Sam Sez:

The Dallas District Office of Internal Revenue Service is very proud of the community type project that is sponsored by IRS, the Dallas Chapter of CPA's and the Dallas Bar Association. The adult taxpayers are given an opportunity to attend a nine-hour course on how to prepare their income tax returns. The series of schools was started six years ago. It is based on the high school and college "Teaching Taxes" course that has been given to more than two million students in Texas during the past fifteen years and more than fifty million nationwide. IRS found that the high school students, after taking the training course, make only one fourth of the errors that their parents make.

This year's schools were attended by 1775 Dallas adults—a record attendance. The Dallas Morning News joined in the effort by promoting enrollment as a no-cost community service project. Since most of us live a little too far away from Dallas to take advantage of this educational effort, we can either call on our kids (175,000 of whom are studying the Teaching Taxes course at our local schools) or we can get the tax instructions down and keep studying until we do come up with the answer.

Stamford Electric Cooperative, Inc. 31st Annual Meeting Set Saturday

Stamford Electric Cooperative, Inc., will hold their 31st Annual Meeting, Saturday, March 21, at the Stamford High School auditorium. Registration and entertainment will begin at 9:00 A. M. with drawing for prizes beginning at 9:30. Numerous prizes of money and merchandise will be given away, with a Westinghouse Frost-Free Ice-Maker Refrigerator-Freezer being the grand prize.

Directors will be elected and at noon a free barbecue will be served.

This year's program will feature Ken Loyd, who is Coordinator for the Austin headquarters of Texas Electric Cooperatives. He will cover a few of the main points that will interest consumers about the change to data processing, which will take place this year.

Carolyn Reed of Stamford and Russell Letz from Old Glory, winners of the cooperative sponsored Government-in-Action Youth Tour to Washington, D. C., will give their winning speeches on "My Future in Rural Texas."

There will be varied musical entertainment including the Round-up Boys, "Highlights" from Anson and "Anoretta" group from Stamford.

NEW TRAFFIC LAWS

Changes in Texas traffic laws now require motorists traveling at less than the normal speed of traffic to stay in the right-hand lane of a multi-lane road.

The Texas Safety Association stressed that passing on the right can be dangerous.

Rule Junior Class Play Friday Night

The Junior Class of Rule High School will present their play, "Aunt Bessie Beats the Band" in the Rule High School auditorium, Friday evening, March 20, at 7:30 p. m.

Members of the cast are Peggy Clark, Bonnie Sego, Pam Wilson, Debbie Plunk, Kent LeFevre, Jimmy Lisle, Clayton Stegemoeller, and Johnny Ross. They are coached by Connor Horton and Mrs. Pittman.

Entertainment by the Junior parents will be featured between acts.

Following the play, pie, coffee, or milk will be served at a nominal fee.

Third In Series Of G.E.D. Tests Slated At Rule

The third series of G. E. D. tests will be given at the Rule High School on March 21, beginning at 8 a. m. These tests are for those enrolled in Adult Basic Education classes who are working toward their high school diploma.

Miss Irene Stewart is directing the tests. The fee for the five test series is \$10.

Outreach Seminar Slated For High School Students

An "Outreach Seminar" for high school students will be conducted at Abilene Christian College, Saturday, April 18, co-sponsored by ACC Mission Outreach (formerly Mission Study) and the ACC Students Association.

Featuring speakers such as Stanley Shipp, director of missions for Highland Church of Christ in Abilene; Dr. Anthony L. Ash, ACC associate professor of Bible; and Bob Douglas, minister for College Church of Christ in Abilene, the High School Outreach Seminar is designed for students from the ninth to 12th grades.

Purpose of the seminar will be to help high school students understand God's command to reach out to others with His Word.

Shipp will open the seminar at 9:00 a. m. with "Christ Now." Dr. Ash will follow at 10:00 a. m. with "Who Is Christ?" Douglas will talk to the seminar visitors at 1:00 p. m. on "Christ In Your Future."

The seminar will also feature group discussion sessions. Afternoon classes will be offered on foreign, vocational and medical missions; inner-city evangelism; camp work; summer mission opportunities; evangelistic journalism; preaching; and other topics.

Registration will begin at 9:00 a. m. in the main room of McGlothlin Campus Center.

Junior Citizens Club Presents Talent Show

The Talent Show was held Friday, February 13th, at the Neighborhood Center. The program line-up included song, prayer and pledge. Only a small group attended.

The club is asking for more mothers and fathers to attend the young people's programs, just to see what they can do. The parents attending said the program was good. The Junior Citizens hope to have a larger crowd the next time they present a program.

If parents would attend these programs, the young people would feel much better and it would encourage them.

Activities of The Negro People

Members of the Independent Baptist Church have enjoyed two weeks of spiritual inspiration. Rev. James W. Hanson of Gallup, New Mexico, delivered a wonderful message last Sunday, "Stop Talking to Yourself."

Members of the former Spiritual Echoes sang with the choir in Stamford last Sunday and also gave a special number. The Hopewell and Independent churches were blessed in a joint service Sunday afternoon.

Four united with the Hopewell church and one to Independent. Two were baptized.

Hopewell was host to the Brotherhood and Choir Program at 3:00 p. m. Sermons were delivered by Rev. V. Norman and Rev. A. L. Phea.

We are inviting you to visit with us in our mission services Thursday and Friday nights, March 26-27, and Sunday, March 29, 8:30 p. m., at the Independent Church.

The Easter program will be sponsored by the Training Union and Young Peoples Department.

Brother Willie Reed brought a message in the service Sunday, at 8:30 p. m. Psalm 27:1, "The Lord is my Light and my Salvation."

Mrs. Jas. Hanson is visiting her parents, Mr. and Mrs. Lee Kirk. Mary Kirk is home and doing fine. Priscilla Ford has been moved to the Clear View Lodge. Don't forget to visit the shut-ins.

WASHINGTON, D. C.—There are strong signs that the health industry is rapidly approaching a crisis. It is already at the critical stage for many who have recently experienced serious and prolonged illness. The system by which America heals its sick, is itself a failing patient. The chart of rising health-care costs shows a degree of fever which calls for urgent remedy.

The burden of a cure rests partially on medical men themselves, who must act to protect their honorable calling from radical, and perhaps disastrous measures. Perhaps it rests even more on government not intruding into sensitive doctor-patient relationship. Responsibility falls on the public who, whatever happens, will continue to pay the bills.

Last year, individuals and groups spent more than \$60 billion on health. This is almost 7 percent of our National Gross Product. So it is one of the biggest businesses in the Nation. Of this sum \$52.6 billion went for personal medical care. By comparison, in 1950 the bill was about \$20 billion. Fully half this \$40 billion increase can be charged to price rise alone.

Many factors conspire in these price rises. Inflation generally is, of course, first. This in turn has put pressures on those who make medical-care work, to increase hospital charges.

There have been tremendous advancements in medical hardware. These are machines undreamed of a generation ago, which help make people well—sometimes at great cost.

There have been countless improvements in surgical techniques, saving many lives that a generation ago would have been lost—but again, costing lots of money.

There has been an almost phenomenal development in medicines that cost millions in man-hours and research to discover. They have saved lives that are beyond price.

Results less dramatic have been caused by Government thrusting itself into health programs adding the heavy hand of bureaucracy to mushrooming medical cost. Estimated cost of medicare and medicaid payments is placing a threatening burden on our social security system.

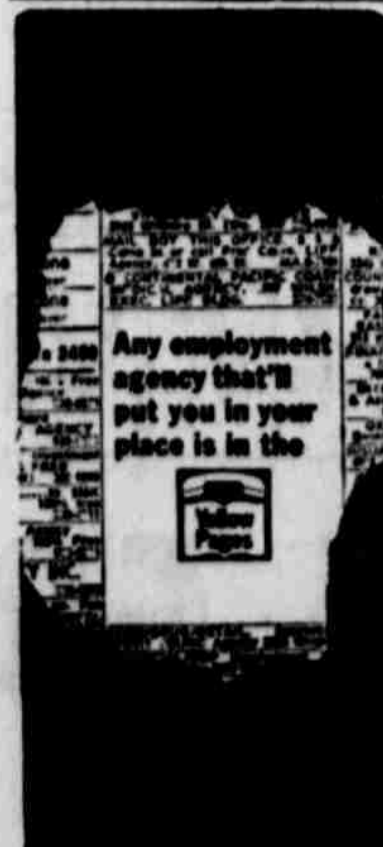

In the fact of this mounting medical crisis, almost by reflex it seems, the Federal Government is turned to for more answers. Pressures are building up for more Federal health programs devised, administered and paid for by taxes from all the people. All sorts of schemes have been proposed, yet many are vague, undefined and innovative.

The socialization of medicine does nothing to divert deterioration of services or reduce its price. Other countries, which are trying it, have found it stifles the medical profession which has raised America's medicine to eminence. The protection of that eminence and personal relationship with the patients and those that administer to them, is the duty of both the medical system and of the public which depends on it.

The ways and means committee of the Congress is struggling to find better answers to a mounting problem. Unless there are better solutions found, the entire health system is in jeopardy.

CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks and appreciation to our friends for the flowers, cards and words of sympathy at the loss of our loved one. Your many kindnesses in our time of sorrow shall always be remembered, and may God's richest blessings be bestowed upon each of you. Mr. and Mrs. Charles McCauley, Marilu and Melissa. 12p

Ten Years of Change In Texas Will Be Measured By The 1970 Census

Ten years of change in Texas population and housing will be measured by the Nineteenth Decennial Census to be conducted throughout the Nation in April 1970 by the Bureau of the Census, U. S. Department of Commerce. The new statistics will update information last collected in the 1960 census.

New Census-Taking Method
 Even the method of taking the census will be changed for many Americans. All householders will receive census forms by mail and will fill them out at home. In densely populated areas, including eight Texas counties, they will be asked to return the forms by mail to the Census Bureau. These people will be visited by census takers only if they do not return their forms. In other parts of the country, census takers will call to pick up the completed forms.

The eight Texas counties where the new mail-out, mail-back method will be used are Bexar, Tarrant, Dallas, Harris, Galveston, Chambers, Jefferson and Orange.

First Texas Census
 Texas, originally a part of Mexico, won its independence by revolution in 1835-36 and continued as an independent republic until 1845, when it was annexed to the U. S. and admitted to the Union as the 28th State. The present boundaries of the State, except for minor changes, were established in 1850.

Texans numbered 212,592 in the 1850 census. By 1900 the population had grown to 3,048,710. The most rapid growth rate in the 20th century (27.8 percent) occurred during the 1900-10 decade. By mid-century the population stood at 7,711,194. The largest numerical increase (1,868,483) occurred during 1950-60.

The 1960 Census
 In 1960, with 9,579,677 inhabitants, Texas ranked sixth in population among the 50 States and the District of Columbia. Of the total, 1,187,125 were Negro. Three-fourths of the population, 75 percent, lived in urban areas, about 7 percent on ranches or farms, and the rest were non-farm rural residents.

Among Texas' 253 counties, the 1960 population ranged from 226 in Loving to 1,243,158 in Harris. About half the counties lost and half gained population during 1950-60. Counties that gained more than 100 percent are Andrews, Ector, Midland, and Randall.

Education and Income
 The median number of school years completed for Texans 25 and older in 1960 was 10.4 years compared with a national median of 10.6 years. There were

463,447 persons who had completed 4 years or more of college and 2,321,155 persons 5 to 34 years of age enrolled in school or college.

Median family income in Texas was found to be \$4,884 in the last census compared with a median of \$5,660 for the U. S. Per capita income was found to be \$1,626 compared with \$1,850 for the U. S.

Texas Housing
 A total of 3,153,127 housing units was counted in Texas during the 1960 census, 80.1 percent of which had one or more bathrooms. Of the total housing units in the State, 57.1 percent were owner occupied, 31.0 percent renter occupied, 87.9 percent were one-family structures and 35.7 percent had been built during the 1950-60 decade. The number of occupied units totaled 2,778,116, and 83.1 percent of these had television.

VA Questions And Answers

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—I am single and receive Social Security benefits of \$150 per month, and military retirement benefits of \$90 per month. I am a patient in a nursing home due to severe disabilities. Can I qualify for a VA pension?
 A—Yes. You may qualify for a VA pension at a rate exceeding your military retirement benefit, which must be waived in order to receive VA payments. The VA pension rate would be \$51 a month, plus the aid and attendance benefit of \$100, for a total pension benefit of \$151.

Q—I was ordered recently to report for an examination of my disabilities for which I am receiving compensation. I did not report, and have received a letter discontinuing my compensation. What can I do?
 A—You can notify the VA by letter that you are willing to report for an examination, and another examination will be scheduled. The VA realizes that there are problems in reporting for examinations, and tries to schedule them at the veteran's convenience, if possible.

FARMER

SUPPOSE WE LOSE OUR FARM PROGRAMS?

1970 IS OUR YEAR OF DECISION

We Plow! We Plant! We Fertilize! We Spray! We Harvest! We spend a lot of money \$\$\$! We can recover only if we have good products.

To maintain our prices we must save our farm programs.

To improve our prices we must improve our farm programs.

HR-14014 — (The Coalition Farm Bill) both—save and improve our farm programs.

In addition to saving our present programs, HR-14014 will—

- Extend basic program permanently.
- Provide an improved class I base for dairymen.
- Extend cotton program without payment limitation.
- Add an export wheat certificate—(55c per bushel million bushels).
- Increase support loan from \$1.61 to \$1.76 per hundred bushels, increase payment from 53c to 70c per bushel, comparable increases on other grains.
- Expand marketing orders to new commodities.
- New soybean program.
- Expanded cropland adjustment program.
- Food and fiber reserves.

THE GROWING FARM COALITION

One of the year's most astonishing ironies is that those who cry loudest that farmers could not get together are now crying because they can. The Coalition of Farm Organizations is growing and it is growing. It represents a broad cross-section of agriculture. It knows what it wants and has said so in a bill that is now before the Congress.

The Coalition met two weeks ago and its members were pleasantly surprised that their number has grown to 27 general commodity organizations. All of the general farm organizations have been in from near the beginning of the movement. One major commodity in the nation now covered directly by the Coalition is included.

The only hold-out on the coalition has been the Farm Bureau. One somewhat unexpected consequence has appeared to be a substantial revolt in the Farm Bureau. The Bureau said the present cotton program should be continued. The North Dakota Farm Bureau came out flatly against the Bureau's own proposal—massive land retirement with emphasis on farms—and urged continuation of the present wheat program.

One of the curious anomalies of the current situation is that the so-called "consensus" bill appears to lack the support of a single farm organization. Neither has it obtained Congressional support. One wonders who is in the "consensus". The Coalition is the sole group to come forward with true "consensus" legislation. The coalition represents a majority of farmers. The coalition includes wheat, grain, peanuts, rice, sorghum, beans, milk, cotton, wool, vegetables, potatoes, and feed. An interesting indication of growing sentiment for the Coalition was revealed in a survey by Wallace's Farmer. The survey interviewed farmers in Illinois and found that only 15 percent of the farmers supported the Bureau's "phase out" proposal, and only 19 percent of the farmers supported it. The Coalition has been supported by Congress. It is difficult to see how Congress can fail to support a bill that it represents.

Now is the time for all good farmers and agri-businessmen to get together to the aid of Rural America. Farmers were mainly responsible for allowing us to be able to repeat their Spirit in 1960. Let us use letters to our National Congressmen. UNION GETS RESULTS! With your support even more can be accomplished.

Grass Identification And Land Contest Winners Are Announced

Area FFA teams braved freezing weather Tuesday afternoon, March 10, to participate in the annual land judging and grass identification contests sponsored by the California Creek Soil and Water Conservation District. The Roby FFA Chapter, under the leadership of Instructor Jim Laurie, scored 655 points out of a possible 960 in land judging, and 766 points out of a possible 900 in grass identification to carry off the honors of the day.

H. Birger Haterius, Chairman of the Board of Directors of the California Creek SWCD, conducted the contests. Assisting Haterius was Olin Amerson, Member of the Board of Directors from Hamlin, J. C. Yeary, Jr., District Conservationist, Soil Conservation Service, Haskell, Joe P. Henson, District Conservationist, SCS, Anson; and Jim Boykin, Soil Conservationist, SCS, Haskell.

Other FFA Chapters competing in the contests were Anson, Don Blackwell, Instructor; Aspermont, Ronnie Teichelmann, Instructor; Hawley, Wayne Forrest, Instructor; and Stamford, Weldon Holbrook, Instructor.

High point individuals in land judging were: first, David Forrest, Hawley; second, Jerald King, Roby; third, Johnny Knox, Roby; fourth, Jackie Hendon, Hawley; fifth, B. F. Townsend,

Hawley; and sixth, Greg Reddon, Roby.

High point individuals in grass identification were all from the Roby FFA Chapter. They are first, Ronald Pursley; second, Clyde Pursley; and third, Gary Stuart.

Hawley FFA Chapter placed second in both contests. Anson FFA Chapter placed third in land judging while Aspermont FFA Chapter placed third in grass identification.

Haterius stated that this was one of the best contest groups the District has hosted. He was very pleased with the number of teams registered, and especially with the two lovely young ladies from Aspermont, Misses Loretta Hanke and Becky Martin who participated in the grass identification contest.

Walter Felker Jr. Recipient Of Gold Award

Walter Felker, Jr., son of Mr. and Mrs. W. V. Felker, of Haskell, has recently been honored by The Southwestern Company of Nashville, Tennessee. The Company has had a summer selling program for ambitious college students since 1868. Last year more than 4,500 outstanding college students were selected from approximately 400 colleges and universities across the nation to participate in the program.

Recently Walter was presented the Gold Award, a coveted award given to students in the Southwestern Summer Program who work 75 hours or more each week of the summer. This is quite an accomplishment and to win this award Walter certainly executed a tremendous amount of drive, initiative and determination.

Walter is presently a student at East Texas State University. Due to the outstanding job he has done in the past, he has been asked to return as a Student Manager.

Hamburger Supper Slated Sunday By Hermann Lodge

Haskell Hermann Lodge No. 241 members and friends will gather at Irby Hall, Sunday, March 22, for a hamburger supper.

Members are asked to bring meat for their family and guests. Buns, pickles, and drinks will be furnished by the Lodge.

Members are again reminded that meetings have been changed from the second Sunday to the fourth Sunday in each month. Meetings are held at 3:00 p. m. at Irby Hall.

THE REAL CULPRIT

Blaming the other fellow for inflation is the sheerest kind of hypocrisy, if increasing the price of service or product is taken as the sole measure of who is to blame for inflation. A recent graph published in U. S. News & World Report should serve as an excellent scoreboard. It tabulates price changes of goods and services that involve everyone.

For instance, if you are a barber and tend to kick about the price of groceries at the corner grocery down the street, it is well to remember that the grocer may reciprocate. According to the U. S. News chart, men's haircuts have risen 32.9 per cent in the past five years. Perhaps you are an auto repairman. Before kicking too much about the man next door whom you think may be overcharging his customers, it is well to note that auto repairs have risen 23.5 per cent between 1964 and 1969. If your business involves such items as repairing furnaces, reshingling roofs, or replacing a kitchen sink, silence is the best policy. They have gone up respectively 44.3 per cent, 40.3 per cent and 40.2 per cent.

The real inflation culprit is the individual who persists in adhering to the quaint notion that he can get something for nothing... if the government gives it to him.

Haskell County History

30 YEARS AGO

(March 22, 1940)

Exceeding all expectations in attendance, and sparked by enthusiasm of a pre-game football rally, the fourth annual banquet of the Chamber of Commerce held Friday night in the North Ward school gymnasium is down in the records as the most successful held in years. With Haskellites vitally interested in the past achievements of the civic organization and its plans mapped for the coming twelve months, proud residents of this city were joined by numbers of visitors from other towns and cities anxious to join in giving recognition to Jarrin John Kimbrough, All-American Aggie fullback of 1939, who was named honor guest of the banquet, together with his mother, Mrs. W. A. Kimbrough, all members of the Kimbrough family and Coach Homer Norton of the Texas Aggies who was a special guest. The attendance of 458 guests and out-of-town visitors taxed the seating capacity of the gymnasium, and numerous late requests for reservations could not be accommodated.

D. H. (Dave) Persons, Haskell roofing supply dealer, and leader in Boy Scout work for years, was presented the Silver Beaver award, highest honor in lay scouting, Wednesday night at the annual dinner of the Chisholm Trail area council in Abilene.

What is planned as one of the biggest rabbit drives of the season will be staged in the Rockdale community in the southeast part of Haskell county, Friday, March 22. All sportsmen of this section are invited to attend and take part in the drive. Rabbits are reported plentiful in that section and plenty of sport is assured. "Gone With The Wind", the film epic of the year, has been booked for a four-day run at the Texas Theater in Haskell, according to H. S. Leon, owner of the local show house and theaters in a number of surrounding towns.

Listed among those in Who's Who in Texas High Schools will be Paul Kuenstler, Buster Ghossein, Hassell Hunter, Leatrice Wheeler, Wanda Dulaney and Jean Conner from Haskell High School.

40 YEARS AGO

(March 20, 1930)

An indication of the importance of the poultry industry in Haskell county is furnished by the statement of Hollis Atkinson, proprietor of the "M" System Store, who states that on last Saturday over one thousand dozen eggs—1,167 to be exact—were purchased by his store. Mr. Atkinson had adver-

tised an increase of three cents per dozen in the price of eggs, and he states that the results obtained Saturday is the confirmation of the value of advertising. It is worth observing that with this one store in Haskell receiving this quantity of eggs in one day, that the development of the poultry and egg industry in this section will mean a substantial increase in the income of the farmers and poultry raisers and produce a year-round revenue for those encouraging its development.

Officers for the ensuing year were elected by Haskell Lodge No. 1138, B.P.O. Elks, at their regular meeting Monday night. Officers elected were as follows: Exalted Ruler, Guy Mays; Esteemed Leading Knight, Myrtle Crow; Esteemed Loyal Knight, Dr. O. M. Guest; Esteemed Lecturing Knight, Harry Lee; secretary, C. E. Braye; treasurer, T. C. Cahill; Tiler, W. A. Duncan; Inner Guard, W. E. Welsh; Trustee, Hollis Atkinson.

In our announcement column this week will be found the name of T. R. Odell of Throckmorton as a candidate for the office of Representative of the 113th District which is composed of Haskell, Throckmorton and Baylor counties, subject to the action of the Democratic primaries.

We are authorized this week to place the name of Emory Menefee in our announcement column as a candidate for the office of Mayor, in the City Election to be held April 1st.

Bill Whiteaker, student in John Tarleton College, spent the weekend with home folks here.

Dr. Ben F. Ammons spent the weekend with his brother, Dr. E. M. Ammons of Munday.

60 YEARS AGO

(March 19, 1910)

Last Monday the votes of the people were polled in this county on the liquor question, and according to correct unofficial returns there were 2,081 votes polled that gave a pro majority of 381 votes.

Messrs. Ben Clifton, George Clifton, Carroll Haswell and Will Hubbard attended the Fat Stock Show at Fort Worth this week.

Mr. Cyrus Lindell, who now owns the farm formerly owned by Judge Hamilton in the south part of the county, was in the city Monday. Mr. Lindell has 150 acres of small grain, has some fine jersey cattle and hogs and is a practical dairyman. He told the writer that seven stands of bees paid him \$50.00 last year and that he now has twelve hives.

H-SU Hosts Contest

Hardin-Simmons University in Abilene was the host of the 1970 Region II South Zone Interscholastic League Solo and Ensemble Contest on March 14.

The instrumental contest had students from grades 7-12 and from Class B through AAAAA schools participating. Solos and Ensembles are classed by the University Interscholastic League in these classes: Class III, the least difficult, Class II, more difficult than Class III, and Class I, the most difficult that can be played. All three classes require many hours of preparation. The numbers played are judged by one judge and are rated from division I to V, derived from the student's performance. Tone, Technique, Interpretation, Selection and General Effect are taken into consideration.

Five students from Rochester played solos Saturday and represented the band very well. Edwin Roberson, son of Mr. and Mrs. B. O. Roberson, played a Class I solo and received a division I rating. For six years Edwin has entered the U.I.L. sponsored contest and each year he has received a division I rating. This made the fourth consecutive year he has played a Class I solo and received a I rating. This now entitles him to be eligible for the State Solo and Ensemble Contest in Austin the first week in June. Last year he received a division I rating there. Edwin is a senior and is the Steer Band president. He also plays the saxophone.

Stanley Chambers, son of Mrs. Bill Chambers, played a Class III solo. This was his first year to enter the contest. Stanley received a division I rating also. Stanley plays the trombone and is in the eighth grade.

Also receiving a division I rating was Melissa Roberson, seventh grade daughter of Mr. and Mrs. B. O. Roberson. Melissa played a Class III solo on the Flute. This was also her first year.

Other Rochester students entered were Susan Stegemöller and Mark Tibbets. Susan played a Class II solo on Cornet, receiving a II rating. Mark played a Class III solo on Trombone receiving a IV rating. Both students did a real fine

Mr. and Mrs. S. W. Scott left Thursday night to attend the Fat Stock Show at Fort Worth.

Mrs. Henry Tandy is visiting relatives in Fort Worth this week.

Mrs. A. W. McGregor of this city is visiting in Fort Worth this week.

Mrs. D. Scott was the hostess of a very pleasant social meeting of the Baptist Ladies Aid Society Friday afternoon from 4:00 to 6:00 o'clock. On this occasion we were each to have some money (a dollar being the limit) and tell in rhyme how we made it, which proved to be very enjoyable and also proved quite a number of expert poets among our ladies. After our rhymes were all in and money counted we found we had \$13.40. Those present were Mesdames G. R. Couch, Arbuckle, Clifton, Smith, Robertson, Holcomb, Ross, Evans, Ellis, Oates, Whitman, Peters, Jones, Irby, Griffin, McFatter and Scott.

Mr. Jno. B. Baker left Thursday night to attend the Fat Stock Show at Fort Worth.

Mr. Y. L. Thomason went to Fort Worth this week on business.

job. This was their first year also.

Melissa and Stanley were awarded with Bronze medals. Edwin received a gold medal. Accompanying the soloists on piano were: Mrs. B. O. Roberson for Edwin and Melissa, and local band director, S. R. Quattlebaum for Stanley, Susan and Mark, as well as some As perment soloists.

Homecoming Plans Made

Plans are already underway for the 1970 annual Rochester School Homecoming to be held this fall, October 10, 1970. The football game in the afternoon with Goree is scheduled on Saturday afternoon, October 10, at 2:00 p. m. in Field's Stadium. The schedule for the other Homecoming activities will be announced later.

Headstream Chosen Favorite

Cary Headstream, sophomore student at Cisco Junior College in Cisco, was elected by the sophomore class at CJC as their class favorite. Cary has been active in football and track while at Cisco.

Cary graduated from Rochester High School in 1968. He is the son of Rev. and Mrs. Aubrey Headstream.

SPORTS

The 1970 Steer Track team traveled to Anson Saturday where they ran head-on into some very stiff competition against Class A schools from around the Big Country, as well as the Class B schools.

Bob Hudspeith placed third in the Long Jump, and Randy Goode placed fifth in the shot put and fifth in the discus for the only points for the Steers. This was the first track meet for the Steers, but they still are to run in the Jayton Relays, the Knox City Relays, Rochester Invitational, and defend their title as district champs.

Also in sports last week it was announced by the coaches of District 26-B, who made the All-District team. Making first team honors from the Steer Basketball team was Randy Goode, son of Mr. and Mrs. Archie Goode. Randy is a graduating senior this year who has been very active in all sports throughout his high school days.

Mack Martin, son of Mr. and Mrs. Clarence Martin, capped second team honors. Mack is also a senior and has been active in all sports during high school.

Kenneth Turner, son of Mr. and Mrs. S. F. Turner, was selected as an honorable mention candidate. Kenneth is a junior and will be a major contribution to the Steers next year.

Baby Shower Held

Saturday, March 7, in the home of Mrs. R. B. Townsend, Mrs. Johnny Scoggins was honored with a Baby Shower. Many gifts were brought or sent and forty guests registered.

Guests were served from a lace over yellow covered table. Crystal appointments were used to serve lemon punch, cookies, nuts and mints. In the receiving line were the honoree, Mrs. Scoggins, her mother, Mrs. Pat Martin, her sister, Mrs. Ocie McGuire of Linsey, Okla., and her sister-in-law, Mrs. Pat Martin Jr. of Archer City.

Hostesses for the occasion were Marsha Reid, Elaine Glover, Mardelle Roberson, Ila Jo Wolf, Winona Tibbets, Ann Summers, Elizabeth Byrd, Mrs. Earl Hanson, Margery Hitt, Jane Short, Ophelia Newsom, Eva Ray Gaunt, Shirley Sloan,

Jerry Ann Harris and Earlene Townsend.

Methodist News

Saturday night the Rochester United Methodist Church held their final Revival service of the week. The Reverend H. O. Abbott, pastor of the First United Methodist Church in Haskell, preached all the services. During the revival several people from surrounding Methodist churches attended the services, as well as other Rochester Churches. Pastor of the Rochester Church is Rev. Aubrey Headstream.

Here and There

Phil Acree was home over the weekend visiting the E. K. Acrees. He is a student at Howard Payne College in Brownwood.

Mr. and Mrs. Guy Marshall went to Hale Center Saturday to visit their son and his family. Stewart Roberson of Cisco Junior College was home over the weekend visiting the B. O. Robersons.

Cary Headstream, a student at Cisco Junior College in Cisco was home over the weekend visiting his parents, Rev. and Mrs. Aubrey Headstream.

Mr. and Mrs. David Hollingsworth and Michael of Wichita Falls were in Rochester over the weekend visiting Mr. and Mrs. Dee Hollingsworth, Rev. and Mrs. Aubrey Headstream, and other friends and relatives.

Bro. and Mrs. Walter Copeland of Haskell were in the First Baptist Church here Sunday for their final interim pastorate service. The members of the church certainly appreciated the Copelands for their fine work here.

Mr. and Mrs. Knott Ballard were in Big Spring Sunday to see Mrs. Ballard's sister and her husband, who is in the hospital.

Mr. and Mrs. Charles Wood of El Paso visited in the home of Mrs. John Clemmer last week.

Last week at one time snow covered the ground here in Rochester but it didn't get quite

had enough to turn out school.

AREA IV FFA

Highlight of the Area IV FFA meeting in Stephenville was a talk given by Past State FFA president, Bill Sarpalus from Clarendon, Texas. Bill challenged the 1,500 FFA'ers to care about others, to care about America and being able to teach their future children to know right from wrong. He said 85 per cent of the murders in America were committed in homes - husband against wife, wife against husband or children. This means unstable homes are the underlying reasons for America's low morals and troubles in general.

The Area Chorus sang songs chosen by Martha Nell Chambers, Rochester's FFA Chapter president, and Area IV's fourth vice president until January when she graduated from Rochester High School. She is presently attending HSU but attended the Stephenville meeting to assist Alexia Mayfield, from Wenert, whom she asked to complete her term as Area Officer. Alexia had charge of the Talent Contest presented on Friday night.

Nancy Rose, 1st vice president of Rochester, and a member of Area IV's Evaluation Committee for State Degrees of Achievement, assisted Gayle Campbell of Knox City, Area II 2nd vice president, in the degree ceremony on Saturday.

Others attending from Rochester were: Bus driver, Mrs. R. B. Townsend; Mrs. E. K. Acree, representing Chapter members' mothers; Mrs. Bill Chambers, Chapter Advisor and FFA members; Ann Hicks, Karen Sanderson and Nancy Rose, all graduating seniors. Kay Newsom, Janis Roberson, Louise Byrd - Juniors, Era Mae Sessions, the only sophomore, and freshmen Sharon Foster, Lisa Grinstead, Debbie Beauchamp, Patti Acree, Helen Aguilera and Riva Hitt.

Bridal Shower

Tuesday, March 10, in the home of Mrs. Bill Chambers, Kay Berryman, the former Kay Davidson, was honored with a bridal shower. Several guests attended as well as gifts were sent.

The tablecloth was of white lace, with a pink and white flower arrangement. Pink mints, pink punch, cookies and nuts were served to the guests. In the receiving line were Kay, Mrs. Dorvin Davidson, Kay's mother, Mrs. Carl Davidson, Mrs. C. A. Jackson, Kay's grandmothers, and Mrs. Bob Berryman.

Hostesses for the shower were: Mrs. Lewis Hester, Mrs. La Verne Rogers, Mrs. Howard Sloan, Mrs. Melvin Sharp, Mrs. Gene Rose and Nancy, Mrs. W.

H. Patterson and Karen, Berntha Barrios, Mrs. Desmond Allison, Mrs. Henry Cobb and Linda Hudspeith, Mrs. Taylor Segg, Mrs. Jim Beauchamp and Debbie, Mrs. Warren Short, Mrs. Earlene Townsend, Mrs. Ronnie Partain, Mrs. Q. D. Byrd and Louise, Mrs. Grady Newsom and Kay, Mrs. W. R. Roberson and Janis, Mrs. J. B. Glover, Mrs. Nena Alvis, Mrs. John Nichols, Mrs. Tommy John Michaels, Mrs. O. J. Apply Terraclor Super-X

and only

the first time you plant cotton.

Think for a minute what it costs to replant an acre of cotton that doesn't make a stand. There's the cost of seed, fertilizer, herbicides, insecticides, equipment, operators and the precious time. Multiply that by the number of acres you could lose to seed and seedling disease.

Now think about Terraclor Super-X Soil Fungicide. It could very well eliminate replanting. Here's why: Terraclor Super-X is a combination of two Olin discoveries that effectively control the fungi that cause cotton seedling disease.

How important is this to you? The regional Cotton Disease Council reports that losses average \$60,000,000 a year to seedling diseases alone.

Terraclor Super-X is applied while you plant. Your cotton seed is surrounded by protection in the furrow, where it counts. As the seed germinates and the seedling emerges, the fungi that kill un-

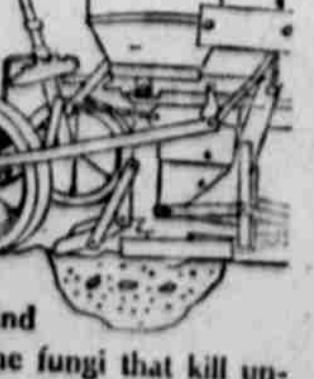

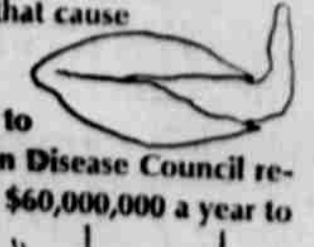

protected plants are held off by Terraclor Super-X. You get a healthy, vigorous stand from only one planting.

About seed treatments: They are great as far as they go. But seed treatment protection lasts only until the seed coat opens and the seedling grows into untreated soil. That's when you need Terraclor Super-X in the furrow.

Terraclor Super-X is available from your Olin dealer in three formulations: granular, liquid and dust. A special formulation is available with a systemic insecticide impregnated in the granules for combination fungus and insect control.

If you don't know your local Olin dealer, write to Terraclor Super-X, P. O. Box 991, Little Rock, Ark. 72203 for his name.

You ought to get to know him. He can help you get a good stand from only one planting. That's one good reason he is known as the rare bird in the business.

Are you going to go through another year thinking you can't afford an Oldsmobile?

Our own surveys indicate that quite a few people think an Oldsmobile is out of their reach. They think it costs a lot more than it really does. Result? Many people buy an ordinary car and end up with a lot less car and value for their money.

So why settle for the ordinary when you can step up to an Olds and all the value

that an Olds represents. Take this big, exciting Delta 88, for example. It starts out with a surprisingly modest price. Add to this the features that make it such an outstanding value—extras that are included in the modest price: Regular-gas Rocket V-8 Power Steering Power Brakes, front discs Nylon-loop carpeting Bias-Belted Tires Door Side-Guard Beams Hidden Radio Antenna Fig-Thru Ventilation Bigger, better riding 124" wheelbase. Check these extra values at your Olds dealer's today!

Artie Bradley Makes Statement To The Voters

Artie Bradley, candidate for County Treasurer of Haskell County, made the following statement in behalf of her candidacy:

"First, I would like to take this opportunity to thank each of you for the consideration which you have given me in the past.

"I would like to solicit your vote and support in re-electing me as your County Treasurer. "During the time I have served you as County Treasurer, I have endeavored at all times to handle the duties of the office to the best of my ability, and if re-elected I will continue

to serve you in an efficient manner. "Due to my duties as your County Treasurer, I will be unable to see each of you during the campaign. Please accept this message as a personal solicitation of your vote and influence in the coming election. If given the privilege of continuing to serve you, I promise that I will discharge the duties of the office in such a manner that will merit your continued confidence. "Again I want to say Thank You!—Artie Bradley.

ONIONS DON'T SHOW

Onions and other strong-smelling foods or beverage have no effect on the newly approved breath test which scientifically measures the amount of alcohol in a driver's blood.

The Texas Safety Association says only the amount of alcohol present in the blood is shown by the test thus helping to tell the difference between drunk and sober drivers.
