# ABERNATHY WEEKLY REVIEW

VOLUME 39 Hale County - Abernathy, Texas - Lubbock County

THURSDAY, NOVEMBER 12, 1959 NUMBER 1

Not Being Discourteous

It has been brought to our a tention that several Abernath football fans have wondered the Abernathy school was dis-courteous at the recent foothall game with Lockney here, cos-cerning the playing of the school songs.

In most cases neither sc song is played until the team are on the field. However, Lock ney had requested that they be permitted to play their school song before the teams came onto the field

In talking with the Abernathy school officials last week, it was learned that arrangement is made with the band directors of the home and visiting schools as to when each band will play their school song. This arrangement, after being agreed upon, is then made known to the announcer who calls for each school song at the time requested.

Therefore, the announcer only adheres to the arrangement made by the band directors, rather than to "call the shots" himself.

INJURED AT TUCO

Ray Willis, plant electrician at Tuco, sustained a fracture in the The Rev. Darrell Moore, pastor of Abernathy Church of the Naza-rene, is to deliver the message at Abernathy Community Thanksic, he was sent to Methodist hos-Churches of the town are cooppital, Lubbock. Willis fell only three or four feet, but sustained perating in the service, to be held the injury when, in an effort to break his fall, he hit his left wrist the Assembly of God Church against a concrete wall. Music for the Thanksgiving service will be provided by Aberna-thy First Methodist church.

OPTOMETRY: The Art and Science of Visual Care

## The odds ARE against her

Through 12 years of public schooling, your child must read and understand an average of 432 books. With such great demands on her reading vision, the odds are against her completing these years without developing a visual problem.

She begins life very farsighted, seeing only form and motion. By the time she starts to school, it is assumed her focusing and eye coordination are developed and equal to the task. If they aren't, then seeing problems can develop.

Professional optometry can determine if she is "visually ready" to start to school. EYESIGHT IS NO GAMBLING MATTER.

THIS MESSAGE PRESENTED IN THE INTEREST OF BETTER VISION BY

It was called for the purpose preparing for the revival which started Sunday night at the Methodist Church in Shallowater. A bout 16 women were invited to meet at the Gates home for coffee after which Mrs. Gates gave a devotional and we were led in prayer by Mrs. H. B. Thomas, Jr. Mr. and Mrs. Wayland Nelson spent Wednesday at their farm in Causey, N. M.

Mr. and Mrs. Dan Knight have moved back to County Line. He is employed by the County Line Co-op Gin. Mrs. Knight is recuperating at home after having been in the hospital the past week with throat trouble.

The County Line Community Club is planning a get-together at the nome of Mrs. G. W. Black-mon Thursday, November 19. We want to meet and plan our Christmas party. It has been suggested for a change from the annual Christmas dinner. If you have any Frontier Stamps bring them Thursday when you come to the get-together Thursday afternoon, starting at 1:30. This will be our Thanksgiving party and we would like for every member to come and have a good big party.

Mrs. Marvin Floyd and Mrs. Mathew Goodrich are on the sick list this week.

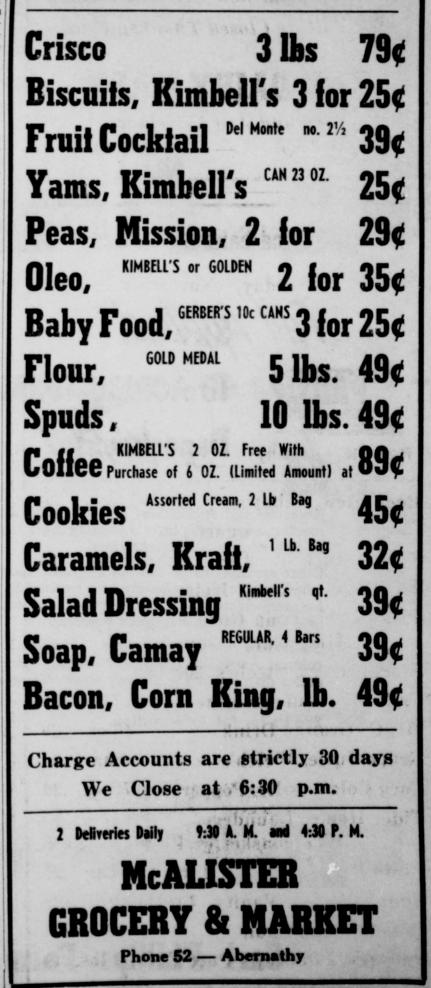

The W.M.U. of the First Baptist Church of County Line meets regularly every Monday afternoon at 2:30. One week they have Bible Study and one week the lesson is taken from the study book, Royal Book of Service. Mrs. Buford Conn, President, presides at the meetings. Come and have fellow-ship with them each Monday afternoon.

Laddie Snead Dies In Car Wreck In California

Laddie Snead, 38, a former resident of County Line, was killed October 31, in a car wreck in Tulare, Calif. It was believed that he was on his way home to see his parents when the accident occurred. He was a passenger in a car with three other boys. Laddie was killed instantly and the other three were seriously injured. Funeral services were conducted at 3:00 p. m. Saturday, November 7, in the First Baptist Church with the Rev. John T. Williams, pastor, officiating. Burial was in the Anton Cemetery under the direction of Rix Funeral Home, Lubbock. Pallbearers were his former classmates of County Line School; Chet Hudson, Way-land Nelson, Red Embry, Rupert Allen, Bill Connell of Muleshoe, and Jack Connell.

Snead, whose parents now reside in Anton, was raised in County Line and lived in Anton from 1938 to 1947, when he moved to the West Coast.

Survivors include his parents, Mr. and Mrs. Joe Snead, Anton; one son, Mike, Anton; and two daughters, Patricia Ann, Anton; Brenda Gail of Las Cruces. Also surviving him are his twin sisters, Mrs. Jack Oakley of Anton, and Mrs. O. B. Nelson of Grand PraiFriday - Saturday, November 13 & 14

## **PHILLIPS 66 AGRICULTURAL AMMONIA**

Increases Yields!

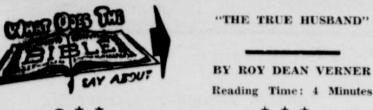

Recommended applications of Phillips 66 Agricultural Ammonia under wheat before planting have boosted yields 15 to 50% and more in recent years.

Other applications of Phillips 66 Agricultural Ammonia in wheat stubble before planting have returned \$4 to \$10 in wheat for every dollar spent for agricultural ammonia fertilizer when used with good management practices.

To increase your average wheat yield apply Phillips 66 Agricultural Ammonia. It's 82% Nitrogen - more nitrogen per dollar than you can get in any other type of fertilizer.
