MAYOR EDGAR GRAHAM is shown here, seated, making the first call system here's new dial telephone plant on Tenth Street in Abernathy.

The picture was made in the new building housing the dial telephone plant on Tenth Street in Abernathy.

Mayor's call was to the Mayor and Mr. Jenkins, an audience when this picture was made. Some 50 telephone company officials, city officials and Abernathians were making a tour of the plant at this time.

The plant followed a Dial Division at Graham's with the telephone company as host.

Following the dinner, Jenkins introduced Mr. Roberts, Memphis, Tenn., Division manager for Northern Division manager for General, who in turn introduced G. Howard Briggs, principal speaker of the evening. Mr. Briggs, San Angelo, is operating vice president of the Telephone Company of Texas.

FATHER DIES

Funeral services for Emmett Crow, Sr., were conducted Nov. 28, in Rogers, Texas. He was the father of Emmett Crow, Jr., of Route 2, Abernathy.

Terry Lee, 2-months-old son of Mr. and Mrs. Leroy Kitchel, Rt. 2, Abernathy, underwent surgery Thursday at a Lubbock hospital.

Antelopes Win Olton Meet

Coach Wayne Preston's fine Antelope basketball boys downed Olton 37 to 30 Saturday night to take Championship honors in the boys' division of the Olton Invitational Tournament. The Antelopes had earned the right to play in the finals by defeating the Floydada Whirlwinds, 44-28, Thursday, then thumping Friona, 52-33, Friday.

Champs

In the championship game Saturday night, the Antelopes were led to victory by Phil Guinn who dunked 17 points. He was aided by Neal Humphrey who dropped in 9, Jack Ingram with 7, Larry Florence with 5 and Jerry Givens with 2. Other boys seeing action but failing to hit the scoring column included Harold Thompson, Wilton Manley, Keith Beard, John Kiker and William Smith.

In taking the championship game, the Antelopes hit for 37 percent of their field goals and hit only 3 of 9 free throw attempts. They led 29-14 at halftime added 15 points in the third period and 4 in the last.

Anton's Jan. Crews had 12 points for the second place team. Ronnie Biffle, usually a high-scorer for Anton, was held to only four points by the outstanding defensive efforts of Guinn. Guinn allowed him only one field goal and two free throws during the game.

Whip Floydada

In Thursday's action the local lads dashed past the Floydada Whirlwinds. The Antelopes held a 21-11 halftime lead and went on to a 44-28 victory. Phil Guinn led the Antelopes' attack with a fine 21-point effort.

Harold Thompson came through with a nice 12-point game. Others hitting the basket included Florence with 5 points, Ingram and Kiker with 2 each, and Givens and Smith with 1 each. Those not scoring but seeing action included Humphrey, Manley and Beard.

The Antelopes hit 37 percent of their field goal attempts and racked up a whopping 85 percent on their free throws, hitting 16 out of 20.

Billy Gilliland tossed in nine for the "Winds."

Down Friona

Friday, the Antelopes took their second win of the tourney, and their third of the young season in as many starts, by running past the Friona boys, 52-33. Guinn again led the Antelopes to victory, sinking 18 points.

Humphrey added 9 points, Givens 8, Florence 6, Manley 4, Thompson 3, and Ingram and Beard had 2 each. Kiker and (See ANTELOPES, page 8)

Abernathy Girl, Spade Boy Killed In Anton Saturday

Two high school teen-agers were killed instantly at Anton Saturday at a railroad crossing in the smashup of their auto and a 73-car freight train.

The youthful driver, Douglas Eugene Taylor, 16, Spade schoolboy, and his companion, 14-year-old Shirley Tucker, Abernathy freshman, were killed at 7:18 p. m. where Farm Road 597 crosses the track near the Anton depot.

The train, a Santa Fe three-unit diesel, was delayed almost two hours at the site. It was south-east-bound for Lubbock on a Clovis-to-Slaton route. At least one other train was allowed to pass following the accident.

The auto, demolished from the front door forward, was headed southwest on the paved farm road.

Thrown From Wreckage

The freight, pulling more than 3,700 tons, and the 1955 Chevrolet, slammed together with frightening timing in a solid impact. Bodies of the two victims, thrown from the vehicle, were badly mangled.

The left side of the train's speeder car's 70 to 80 feet in about 40 track. Emergency brakes were used by the crew. The train hit and some 25 feet farther on.

Survivors include Mr. and Mrs. George ernathy; two sisters Abernathy; Mrs. N Anton; a brother Taylor were lying at Littlefield church, a Littlefield Men

Engine Also Damaged

Conductor William Polk, Slaton, said there was no indication the driver saw the train, although a whistle, light and bell were issuing full warning. His watch showed 7:18.

There is no blinking light at the crossing. The view is not obstructed and there are normal crossing signs there.

The "pilot" or front of the engine was broken, causing about \$400 damage. A cutting torch was needed to slice wreckage from underneath the train and rails.

Miss Tucker was the daughter of Mr. and Mrs. George Tucker,

BIRTH

Mr. and Mrs. Tom Palacio are parents of a son, Samuel, born Dec. 5, at Abernathy Medical Clinic. He weighed 7 pounds 8 ounces.

A daughter, weighing 6 pounds 12 ounces, was born at Abernathy Medical Clinic Dec. 6, to Mr. and Mrs. Jose Lopez. She was named Leonor.

Abernathy Wins Two Basketball Games At Tahoka Tuesday Night

The Antelopes boys' and girls' basketball teams journeyed to Tahoka Tuesday night with the local team taking a decisive victory. The boys came out on top 46-34 while the local girls won 46-23.

Phil Guinn took high point honors, sinking 12 points, while Harold Thompson added 8. Tahoka was led by Frank Greathouse and Gerald Huffaker with 8 points each.

Barbara Turner led the girls to victory as she dropped in 18 points. Diann Owen followed with 12. Tahoka's Judy Thomas had 16 for the losers.

INDEPENDENT CAGE TEAM TO BE FORMED

Plans are being made to form an independent basketball team in Abernathy. About six prospective members attended a recent meeting for that purpose. All local men who would like to be on the cage squad are urged to contact H. L. Hunley at Abernathy Motor Co. or Fred Apperson at Abernathy Consumers Fuel Association.

Mrs. O. F. Rea is under treatment in Plainview Hospital.

Ed Wilson moved to 708 - 4th Street.

First Division Saturday

Antelope Marching Band, First Division in Interscholastic League marching event.

He added that the night reading and concert playing will be held in Levelland on the last Friday and Saturday of next April.

Mr. Crain wishes to express his appreciation to the parents for their cooperation in getting the band students to school for early band drills, and for any special drills. He stated that the parents have been wonderful to do this, and that this has added greatly to the quality of the band.

To Have Stage Band

A stage band is to be organized and will be called the Abernathy High School Stage Band, announced Mr. Crain. The purpose of the stage band is for the benefit of basketball fans and the boys and girls basketball players.

The Stage Band will play selections of music for the night games during the annual Abernathy Basketball Tournament, to be held this weekend, and plan to also play for all home conference games. About 17 band members will make up the stage band.

Joy Is Named City Attorney

James A. Joy, whose law office is at 917 Avenue D in Abernathy, has been named city attorney for the City of Abernathy. This action was taken by the City Council during a regular monthly meeting Monday night. Mr. Joy, as the city's attorney, will attend all regular and special sessions of the City Council.

CLOSED TUESDAYS

Davis Grocery, Abernathy's neighborhood grocery that formerly operated seven days a week, announces plans to close each Tuesday until further notice. The Tuesday closing will begin next week, Dec. 15.

Antelopes Make All-District Football Team

Three of Abernathy's fine Antelope football players were named as members of the All-District team in a meeting at Olton last Wednesday night.

Fine running halfback Aubrey Smith was named to the All-District offensive team, while outstanding defensive linebacker Harold Thompson and ever-alert tackle Wilton Manley were named to the defensive All-District team.

Seven local gridiron men made Honorable Mention, two of them being named to both the offensive and defensive teams.

Those making Honorable Mention on the offensive team included end Neal Humphrey, tackles Larry Florence and Wilton Manley, guard Roy Smitherman, center Jack Ingram and back John Brown. Those making the defensive team were Smitherman as the defensive end, Ingram at defensive linebacker and Billy Joe Smith at defensive halfback.

The Lockney Longhorns placed six players on the 22-man All-District 2-AA football team while champion Olton had five.

All five schools in the district were represented on the mythical team with Muleshoe and Morton each landing four berths and Abernathy had three spots.

Dan Smith, Lockney's outstanding tackle, was the only player to make both the offensive and defensive teams unanimously.

Besides Smith, there were four other unanimous choices on the offensive unit, but Smith was the only defensive player to get a vote from every coach.

Other unanimous choices were Oyama Buchanan, end from Lockney, guard Tommy Wilson of Olton, center Phil Neinst of Olton and back Aubrey Smith of Abernathy.

Abernathy Bowlers Take Over Tourney

Several Abernathy couples took to the lanes this past week to try their skill in the Holiday Mixed Doubles now being bowled at A-1 Lanes. The results were very gratifying indeed as two teams moved into the lead with some very out-standing scores.

This is the second week of the Tourney that will continue until the 2nd of January. If you have not yet bowled in the event you are cordially invited to choose your partner and give it a whirl. Here are the leaders in the Tourney as of Dec. 6th.

1. Iris Braly and Jimmy Herring—Abernathy—1368.
2. Marj Isom and Jim Yarbrough—Lubbock—1319.
3. Chris Lebow and Jimmy Herring—Abernathy—1310.
4. Billie Spear and Curtis Lebow—Lubbock and Abernathy—1294.

You may bowl in this event any time you wish and pick the lanes you wish to bowl on if they are available.

Boy and Man Are Injured in Two Accidents Here

An 8-year-old boy and a gin worker were injured here Friday in two separate accidents. Neither was seriously injured, reports said.

D. D. Overstreet, employed at Abernathy Farmers Co-op Gins & De-Linting Plant, was injured about 1 p. m. when a drive belt broke in one of the gin plants. Overstreet was struck on the head by a guard rail when the belt broke. He was taken to Methodist Hospital, Lubbock, by Dennis-Chambers Funeral Home ambulance where several stitches were taken to close the wound on his head. He returned home the same day and further treatment was at Abernathy Medical Clinic.

Earnest Joe Hale, 8-year-old son of Mr. and Mrs. Joe Hale, 411 Ave. K, escaped with back and hip bruises and a scratch on his face when he was struck by a car at 4:15 p. m. Friday. According to a witness, the boy, a second grade student in the local school, "dashed out from parked cars and pickups on the south side of Main Street into the path of an automobile being driven east by E. J. Young of Abernathy." The accident happened about the middle of the block between Ave. D and Ave. C. City Policeman John Marsh, who investigated the accident, said apparently it was unavoidable. The boy was taken by Dennis-Chambers Funeral Home ambulance to Abernathy Medical Clinic, where he was examined, treated and released.

Last Rites For Jesse Knight, Sr.

Jesse Knight, Sr., 82, retired farmer, died at 8:30 a. m. Sunday at his home here following a heart attack.

Knight was a farmer east of Abernathy from 1938 until 1944, moving from Stephenville. He came to Texas in 1894 from Tennessee.

A member of the First Baptist Church here, he is survived by his wife; four sons, A. R. and Jesse, Jr., both of Abernathy; Jack, Shawnee, Okla., and Roy, Lemoore, Calif.; two daughters, Mrs. L. J. Jordan, Petersburg; Mrs. Clem Anz, Fort Worth; nine brothers and sisters; 25 grandchildren and 32 great-grandchildren.

Funeral services were conducted at 2 p. m. Tuesday in the Abernathy First Baptist Church with the pastor, the Rev. Joe Griffin, officiating.

Burial was in Abernathy Cemetery under direction of Dennis-Chambers Funeral Home.

See picture of Mr. Knight on page 1 of this paper.

December 19 and 20

A turkey shoot is to be sponsored by Abernathy's Barton-Hood Post No. 500, American Legion, Saturday and Sunday, Dec. 19 and 20. It will be held on the place farmed by Vic Struve, two miles north and one-half west of Abernathy.

Prizes will be hams and turkeys. Ammunition will be on sale at the turkey shoot site. Guns will be furnished, or shooters may use their own guns.

"PREACHING A FALSE DOCTRINE"

BY ROY DEAN VERNER
Reading Time: 4 Minutes

Sermons from different religious affiliations can be heard over the radio on almost any day. Especially is this true on Sunday. By a turn of the dial one can hear preachers claiming to be speaking God's Word, contradict each other in religious matters. One will say that an alien sinner must "Pray that his alien sins might be forgiven", while on another station at the same moment another preacher will be saying that one must "Believe only and take Christ as his personal Savior". On still another station at the same time another preacher is stating, "He that believeth and is baptized shall be saved" (Mark 16:16). These doctrines are contradictory to each other, and yet all are said to be taken from the Bible. If this be true, then the Bible contradicts itself, and few will believe this. What, then, is the answer? It is evident that some one is preaching a false doctrine.

Some have said, "It doesn't matter what one believes just so he is honest." This is not true, however, because Paul said, "But though we or an angel from heaven, should preach unto you any gospel other than that which we preached unto you, let him be anathema." (Gal. 1:8 ASV). Paul wanted these brethren to accept only the pure gospel which he had preached unto them. Prior to this statement he had written, "I marvel that ye are so quickly removing from him that called you in the grace of Christ unto a DIFFERENT GOSPEL; which is NOT ANOTHER GOSPEL; only there are some that trouble you, and would PERVERT THE GOSPEL of Christ" (Gal. 1:6,7). From these verses it is evident that the gospel of Christ was being perverted in New Testament times, and consequently, it can also be perverted in our present time. The apostle Paul was concerned about the congregations scattered throughout Galatia because they were listening to false teachers, and were being led away from the pure gospel of Christ. The world of today is being led away from the Truth of God because it is accepting the doctrine taught by His apostles, but distorted by the doctrines of men.

his massive audiences, "Repent and believe, and be saved. Baptism is optional", but Jesus said, "He that believeth and is baptized shall be saved". (Mark 16:16). He has further stated, "You can get into Christ by giving yourself to Him now in penitence and faith." Paul, however, said, "As many of you as were baptized into Christ put on Christ." (Gal. 3:27). Another statement of this man was, "Your sins are remitted when you believe and give your heart to Jesus", but Peter said, "Repent and be baptized everyone of you in the name of Jesus Christ unto the remission of your sins" (Acts 2:38). Thousands of others are preaching this doctrine and others similar to it, yet the world accepts them as Bible Truths without one time having "Searched the scriptures as to whether or these things are so" (Acts 17:11). Regardless of the educational level, the popularity, and the recognition a preacher may receive, his message should still be examined in the light of the scriptures. It doesn't take a person with a Doctor of Theology Degree to understand, "He that believeth and is baptized shall be saved." The language is too simple to be misunderstood. Even a person with little or no education can understand this command of Christ. Remember, Paul said, "Though we or an ANGEL FROM HEAVEN SHOULD preach unto you any gospel other than that which we preached unto you, let him be anathema." Not even angels from heaven have the authority to preach a gospel different from that taught by Christ and His apostles. Every man professes to teach God's Word, but fails to teach it in its completeness will be held accountable to God for such conduct. James wrote, "Let not many of you become teachers, my brethren, for you know that we who teach shall be judged with greater strictness" (Jas. 3:1 RSV). Won't you "search the scriptures", and determine whether you are doing the complete Will of God? All these doctrines being taught today cannot be right because there is but one gospel if the New Testament be true. (WHICH IT IS). All the scriptures, therefore, are messages from Paul. Won't you become a Christian today? Any question will be answered in the Bible.

Self-Evaluation Curriculum Study Begins in Local School

School dismissed at 2:00 p. m. last Wednesday in order that the faculty members might begin work on the self-evaluation Curriculum Study being carried out in the Abernathy schools. The teachers worked on the study until 5:30 p. m. that day.

The broad purpose of the study, which involves every teacher in every grade in school, is to continually improve the instructing in the school system. The study is in preparation for an accreditation visitation by a committee of the Southern Association of Secondary Schools and Colleges, the major school Accreditation Agency for southern schools, which is a member of the National Accreditation Agency.

Abernathy has never been a member, but application for acceptance will be made in the spring of 1961, Noel Johnson, school superintendent stated.

It is expected that current study of faculty members will last through the fall of 1960. In addition to sub-meetings and work the teachers will be doing on their own time, there will be about six meetings like the one held last Wednesday. The next meeting of this nature is slated for the latter part of January.

Counselors

Dr. Morris Wallace, head of the education department at Texas Technological College, Lubbock, has been engaged as chief consultant during the study.

Dr. Wallace presided at the general meeting last Wednesday. After the general meeting, the teachers were divided into four groups headed by four Dr. Wallace's faculty members. The Texas Tech faculty members assisting Dr. Wallace and the fields they cover: the Curriculum study are Dr. Olive Wheeler, Language Arts; Miss Catherine Evans, Social Studies; Dr. Berlie Fallon, Administrative and Secondary Study and Dr. Nagle, Science and Math.

It was stated that after major factor as to the reasons for undertaking this study includes the fact that the staff of the Abernathy school appreciate the support that the parents give their schools. They feel that the taxpayers are willing to provide good facilities for the boys and girls, that the faculty in turn would like to put forth special effort to constantly improve the instruction that the pupils will receive. Therefore, every teacher will participate in the year-long self-evaluation study of the Curriculum with the determination that the instructional program will always be commensurate with the new facilities.

Texas public school students entered more than 90,000 contests at Interscholastic League music contests in 1958-59.

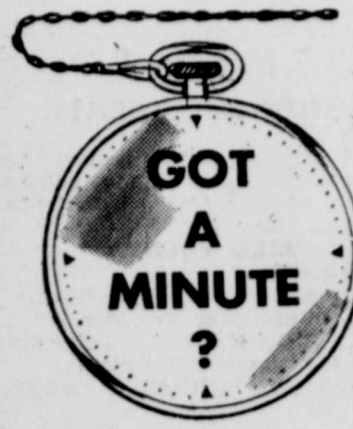

FARM CENSUS HALF COMPLETED IN AREA

The 1959 Census of Agriculture is about 50 percent completed in this area, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

The Census official stated that he was well pleased with the cooperation the census takers are receiving from farmers in the area and has high hopes of completing the canvass within the next ten days. He pointed out that the field canvass of farms is one of the larger costs of the census and that cooperation of farmers in completing questionnaires promptly will be a vital factor in keeping the final cost of the undertaking.

Quick completion of the census will not only help in keeping costs down but will aid in prompt publication of the results, the field director said. He urged local farmers who have not already done so to complete the census questionnaire and have it ready when the census taker calls.

Get Inspection Stickers Now

"Motor vehicle inspection should be obtained now to avoid the last minute rushes," said Captain Alan Johnson, Motor Vehicle Inspection Supervisor in this Region.

Johnson reminded all motorists that their motor vehicles must be inspected if the vehicle is registered in Texas, regardless of the age of the vehicle. The official inspection period is from September 1, 1959, through April 15, 1960. He further stated that all miniature automobiles and scooters being used by youngsters must be inspected and registered and the operator have a Texas drivers license if they are legally operated on public streets. Captain Johnson said that since the start of the Inspection Program in 1952, the State's traffic deaths have been reduced by 10 percent. He inches above your shoulders.

said only 4 percent of the fatal crashes in 1958 involved a motor vehicle with a defect that was a causative factor to the death crash. Only 6 percent of the non-fatal crashes involved vehicles with defects that were causative factors.

Captain Johnson pointed out that there are a half million vehicles in the 60 counties of the Department of Public Safety's Region No. 5 and over 600 inspection stations. He reminded that an inspection sticker obtained now may reveal a vehicle defect that otherwise would destroy a very Merry Christmas and a Happy New Year for some family.

Eighth Grade Girls Win In Crosbyton Jr. Hi Turney

The Abernathy eighth grade girls' basketball team won the Crosbyton Jr. High Tournament held Dec. 4, 5 and 6.

The local girls defeated McAdoo 22-5 in the first round of play. Janie Brown led the scoring with 11 points. She was followed by Paula Owen with 5, Joy Moore with 4 and Lynda Eldredge with 2 points. The entire squad of 15 saw action in this contest.

In the second round of play the girls defeated Floydada 23-13. Janie Brown led the scoring with 11 points, followed by Paula Owen with 8, Pam Davis and Jay Moore added 2 each. Again all 15 squad members saw action.

The final game was a very hard fought defensive battle. The local guards, Rita Evans, Linda Jo Brazael and Gwyn Hendrix turned in great jobs. They held the larger Lorenzo girls scoreless until two seconds before the half. The final score was 14-5. Paula Owen was high scorer with 8 points.

Other team members are: Jane Roberts, Lou Rogers, Judy Brown, low, Sara Brown, Joy Boogie, Linda Kitchens, and Judy Wisdom.

Down Center

The eighth grade girls team played the Center eighth grade girls Monday afternoon and defeated the visitors from the north by a 28-23 score.

Janie Brown scored 16 points for Abernathy, take high point honors. Paula Owens scored 10 points and Joy Moore added 2.

This win gave the eighth grade girls a 9-2 season record thus far.

Jr. High Boys Opened Basketball Season Monday

The Abernathy Junior High school eighth grade Yearlings opened their basketball season here Monday afternoon when they played host to the Hale Center Jr. High team and defeated the visitors, 21-12.

The W.S.C.S. Christmas party will be held Wednesday, Dec. 16, at 1:30 p. m. in the home of Mrs. S. M. Harrison, with Mrs. E. L. McGaugh and Mrs. N. Matthews as co-hostesses. The program will be arranged by Mrs. Jack Jackson and will feature the exchange of gifts from a Christmas tree when secret pals of the year will be revealed.

Mr. N. Matthews returned home early this week from a six week visit with relatives in Mabank and Sunday attended the Golden Wedding Anniversary of her brother and wife. Mr. and Mrs. Roscoe Holcomb in Kemp. She was accompanied home by a sister, Mrs. Viola Braden of Mabank.

Mr. and Mrs. J. C. Belt and Mr. and Mrs. Jim Collins attended a basketball tournament in Welch Saturday night.

Mr. and Mrs. Ralph Thornton and daughters of Paramount, Calif., visited in the S. M. Harrison home last week.

Gordon Timms returned home from Methodist Hospital Thursday and is able to be going and attending church services Sunday.

Mr. and Mrs. M. D. Anderson of Amarillo visited in the home of her daughter, Mrs. Udell Adams and family last week.

The Lakeview community Christmas tree will be held Dec. 22, at the Baptist Church at 7:30 p. m. Committees have been named for the program, decorations and treat for the children. Everyone in the community is invited to attend.

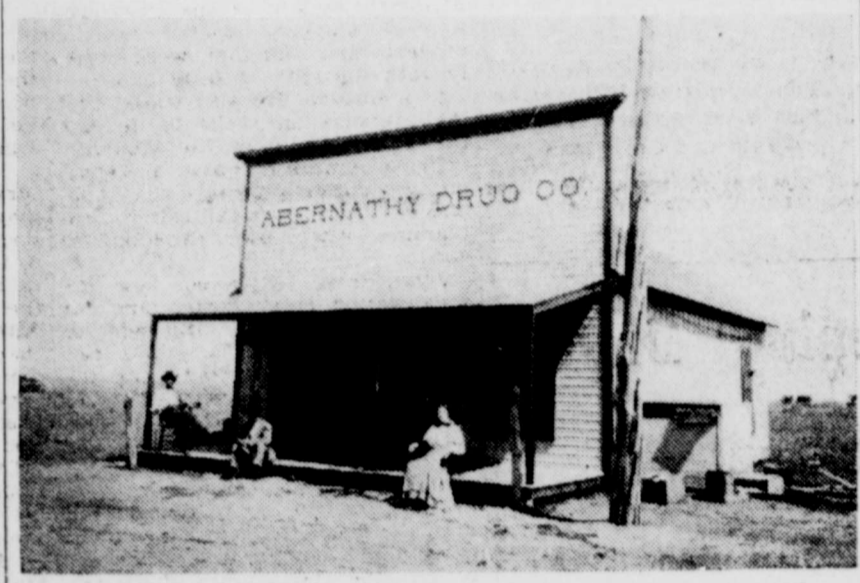

Mr. and Mrs. Gordon Timms will be hosts for the annual Christmas party for the Men's Class and Friendship Class in their home, the date to be announced later.

Lee Cowart of Pueblo, Colo., has been here redecorating the interior of Mrs. N. Matthews home. Mr. Cowart is a son-in-law of Mrs. Matthews.

Construction has been started on a 6-room brick home on Highway 54, for Mr. and Mrs. A. B. Colwell on property they purchased last year from the J. R. Brewer estate.

The home will have living room, dining and den combination, kitchen, two bedrooms and two baths.

Mr. and Mrs. Kermit Mitchell of Tulsa visited Sunday in the R. E. Anderson home.

MISS BERTHA BEARD, right, in the above picture, was Abernathy's first telephone switchboard operator, according to information we have. The tiny switchboard was located in the drug store building shown here.

Proper Soil Samples Given Better Tests

The use of fertilizer on Texas crops and pastures will pay dividends in the area where food is needed to boost the cheapest, easiest method for determining needs is to test the soil. A soil test is no better than a sample from which made. County Agents points out.

In fact, chemical poorly taker soil actually be misleading. suggestions from the ch how to take a good soil

A spade, probe or auger used for taking the soil Sampling should be done to depth of six inches. If a spade is used, dig a Y-shaped hole to the six inch depth and take a half inch slice of soil from the smooth side of the hole. Then cut away all but the center one inch of the slice and place it in the container being used for collecting the individual samples from which the composite sampler will come.

Take a composite sample from each soil type in the field. For example, take a sample from the level ridgetop and another from the slope. In getting the composite sample, from 16 to 18 individual samples should be taken from over the area. These should be collected in a clean container and thoroughly mixed before the soil for the composite sample is placed in the sample box. In taking the random samples, field depressions, old fence lines or unusual areas within the sample area should be avoided. Too, separate samples should be taken from areas that have been cropped differently.

In numbering the sample boxes, make sure the box number corresponds to the number shown on the information sheet and keep a record of the sample numbers and the area from which each was taken. The soil sampling sheet is available from the local county agent—should be filled out as completely as possible. The samples along with the information sheets may be mailed directly to the laboratory at College Station or taken to the county agent's office or community leader for transmission to the laboratory. The test results should be back to the sender in three weeks.

NOTICE

STATE LAW

RECOVERY OF CIVIL DAMAGES DUE TO DESTRUCTION OF PROPERTY BY MINORS

Section 1. Any property owner, including any municipal corporation, county, school district or other political subdivision of the State of Texas, or any department or agency of the State of Texas, or any person, partnership, corporation or association, or any religious organization whether incorporated or unincorporated, shall be entitled to recover damages in an amount not to exceed Three Hundred Dollars (\$300) from the parents of any minor under the age of eighteen (18) years and over the age of ten (10), who maliciously and willfully damages or destroys property, real, personal or mixed, belonging to such owner. However, this Act shall not apply to parents whose parental custody and control of such child has been removed by court order, decree, or judgment.

Section 2. The suit may be brought in any court of competent jurisdiction, and venue thereof shall be governed by the statutes regulating venue in actions based upon trespass. The recovery shall be limited to the actual damages in an amount not to exceed Three Hundred Dollars (\$300), in addition to taxable court costs.

Section 3. The action authorized in this Act shall be in addition to all other actions which the owner is entitled to maintain and nothing in this Act shall preclude recovery in a greater amount from the minor or from any other person, including the parents, for damages to which such minor or other person would otherwise be liable, it being the purpose of this Act to authorize recovery from parents, and to limit the amount of the recovery, in situations where they would not otherwise be liable.

WIND-WHIPPED FIRE raced through trailers filled with seed cotton at Simmons-Henry Gin south of New Deal Friday, causing near \$100,000.00 loss. Early estimates said from 300 to 500 bales of cotton were destroyed in the fire along with some 175 cotton trailers and two trucks. The burning trailers of cotton were scattered over a wide area north and west of the gin plant by volunteer helpers. —(Staff Photo)

Student Council Officers On Lions Program

At the Lion's noon luncheon at Graham's Restaurant Tuesday, Lion Archie Nystel gave a report as to the candy sales the Lions club is to undertake this week. The candy was to arrive Tuesday and the Lions are working in teams of twos to canvass the town during the candy sale. The candy sells for \$2.00 per box.

Program
Acting program chairman, Pete Wilson, turned the program over to AHS principal, J. W. Solis, who in turn introduced Dub Crain who is the AHS Student Council sponsor.

Mr. Crain, serving his second year as Student Council sponsor, introduced the officers of the AHS Student Council. They are: Jack Ingram, president; Price Amer-son, vice president; Linda Shipman, secretary; John Brown, treasurer; and Sandra Wolf, reporter.

The officers had chosen to present to the Lions, in the form of short talks, the different phases of working operations of the Student Council.

Jack Ingram explained that the Student Council is an organization of students elected by and for the student body and faculty members. He also stated that the organization seeks to develop the best that is in the students.

Price Amer-son gave a report on the duties of each individual officer of the organization, explaining what was expected of each.

John Brown explained how the organization is supported and for what purposes the proceeds or profits are used. There are two main sources of income for the organization, being that of sales of paper through their paper machines and the sales of plastic coated book covers. Their expenses incurred include the decorations of the gym during the annual basketball tournament here, and another main expenditure is the sponsorship of Career Day.

Linda Shipman gave a rundown of the activities the organization sponsors or takes part in, explaining that these activities are valuable to the students and to our school.

Sandra Wolf's talk was devoted to the requirements for students to be eligible for membership in the Student Council. And she explained that these requirements must continue to be adhered to by the students after gaining membership.

66th Wedding Anniversary Observed By S. L. Easons

In the justice of peace office in Caddo Mills on Dec. 3, 1893, a wedding was solemnized which has lasted for 66 years. The participants were S. L. Eason, 21, and Miss Molly Smith, 15.

The couple, with two daughters, several of their grandchildren, many friends and neighbors celebrated the occasion of their 66th wedding anniversary Thursday evening with open house at their home in Plainview.

Eason was born in a log house in Cass County in March 1872, seven years later Mrs. Eason was born in a log cabin in Ollin County.

Orphaned at a very early age, Eason had the good fortune to be raised by people who were willing to help him in his undertakings as he grew older.

The hard working young man had acquired a span of mules which he was paying for and in the installment plan and 100 when he wooed and won the young lady who was to be his helpmate for more than six decades.

The couple remember they finally got the mules paid for and then had an opportunity to trade them for 100 acres of land. This was timberland in Cass County, but the Easons made the trade and cleared enough land to build a small house, their first home.

Mrs. Eason recalls the house was long and straight and had just two doors, one in the north and one in the south. There wasn't a glass in any of the windows until after the first crop or two was made. After their house was finished they began clearing the remainder of the land to farm. They remained on this farm for several years and then moved to Runnels County in 1904.

During their stay in Runnels County, Eason served as constable and also as county commissioner. They moved to Hale County from Runnels County in 1925 and settled on a farm in County Line community west of Abernathy where the couple lived until moving into Plainview in 1943. For several years they owned an acreage on Date Street, later moving to their present address on East Fourth Street.

Mr. Eason says they have never lived on but two rental places in the 66 years of married life. He had rented additional land many times during his active work life but always lived on land he owned.

Mr. Eason considers he has been pretty "lucky." Although he was orphaned he has never at any time been a "casual." He has always owned his own home and usually had a little money in the bank, so he feels he has been

good to them during the more than half century. They've enjoyed their 66 years immensely but both of them feel 66 years more would be too many.

Of the 11 children born to the couple only five are living. Two sent for the anniversary observance. Mrs. Ila Mae Fuller of Plainview and Mrs. Gladys O'Neill of Auburn, Calif., daughters of the couple, were here with them during the celebration Thursday evening.

They have three sons, Luther of Dixon, Calif.; S. L. Jr., of Manhattan Beach, Calif.; and Earl of Torrance, Calif. They have 16 grandchildren, 28 great-grandchildren and two great-great grandchildren.

Hi-Lights from Junior High

Junior High Basketball

The eighth grade girls basketball team defeated New Deal Monday, Nov. 23, by a score of 21-18. Paula Owen was high point girl with 10 points.

The junior high girls' teams split two games with Ralls Monday night, Nov. 30, in the local gym. The Abernathy 8th grade team was defeated 20-18 in an overtime period. Janie Brown was high point girl with 11 points. Pam Davis had 5 points. Joy Moore only made two points but they were the two points which tied the game with two seconds to go to put the game into an overtime. The eighth grade guards were Linda Jo Brazel, Rita Evans, and Gwyn Hendrix.

The Abernathy seventh grade team defeated the Ralls eighth grade 'B' team 23-15. Donna Webb was high point girl with 10 points, followed by Linda Miller with 8 points and Frances Turner with 5 points. The seventh grade guards were Cheryl Joy, Denise Barker, and Cheryl Hall. Others seeing action in the game were: Patsy Pettit, Katie Evans, Janie Pearce, Carol Wade, Deanna Amer-son, Connie Knight, Glenda Evans, Shelia Buske, Linda Martino, and Zera Beard. Miss Shirley Oswald is coaching the junior high girls.

The junior high boys basketball teams, coached by Mr. Waydelle Hill, played their first game of the season here Monday, Dec. 7, at 6 p. m. Come out to the junior high games and back these fine girls and boys.

Several Students Withdraw From Junior High

In the past two weeks the following students have withdrawn from junior high: Guadalupe CIA, sixth grade, moved to tin; Jacinto Villa, sixth grade, moved to Donna; Empedio Leon, seventh grade, to Aust.; and five from the eighth grade, Ramiro, Massimo, moved back to Uvalde, Jerry Jones to Odessa, Melba Russell to Hale Center, Tony Villarreal to Arlington, and William Green moved to Ft. Worth.

Our enrollment now stands at 238 with 56 in the eighth grade, 91 in the seventh grade and 91 in the sixth grade.

Students Enjoy Magician Show
On Wednesday, Dec. 2, the junior high students enjoyed another one of the Southern Assemblies Programs. This program featured Dr. Lockman and Co., a magician and escape artist. Mrs. Andy Reid Gives Book Review.

Last Thursday afternoon the seventh grade students enjoyed another fine book review given by Mrs. Reid. Her book this time was "Ben Hur." Thank to Mrs. Reid for this fine review.

Congratulations
To the eighth grade girls on winning the Crosbyton basketball tournament.

To the high school band on winning first in marching at Leveland Saturday.

To the high school boys on winning the Olton basketball tournament.

Mr. and Mrs. Gene Rader and family of Roswell, N. M., and Mr. and Mrs. J. A. Rader and Larry of Hereford, visited in the home of M. C. Davis Jr., over the weekend.

Mr. and Mrs. Dickey and family visited Mr. and Mrs. Sipes at Spade. Mr. and Mrs. Ruiz and family visited Mr. and Mrs. Loya of Lubbock.

The Interscholastic League offered a girls' basketball program in 1915 but it was not an organized program and no champions were determined. The League discontinued girls' basketball in 1920 and it was introduced again in 1950-51. The League last year had 96 girls' high school basketball teams participate which was the largest number of any state in the nation. The first state champion girls' basketball teams under League jurisdiction were Claude in Conference B and Comanche in Conference A.

Cotton Vote Is Set For Dec. 15

Committees of farmers who will be responsible for conducting the cotton marketing quota referendum throughout the county on December 15 were announced today by the Hale County Agricultural Stabilization and Conservation Committee. All committee members are farmers eligible to vote in the referendum.

Arrangements have also been completed for establishing polling places in all of Hale County's twelve cotton-growing communities. Notices showing the date of the referendum, the rules governing eligibility to vote, and the location of polling places have been posted in conspicuous places in the county, and notice mailed to each known eligible voter.

E. J. Pope, Jr., County ASC Committee, points out that "eligible" voters in the December 15 referendum are all persons who are landlords, tenants, or sharecroppers, engaged in the production of upland cotton in 1959. Any questions about eligibility should be checked in advance with the County Office.

The community polling places in this area and the referendum committees serving in the December 15 poll are as follows:

Community "D", City Hall, Abernathy, Texas, Elton G. Settle, Chairman, H. S. Tennell, Vice-Chairman, and Billie Harrison, Member.
Community "L", County Line Coop Gin Office, County Line Community, Bob Riley, Chairman, Glenn F. Reagan, Vice-Chairman, and A. E. Johnson, Member.

Masonic Home and School Considered Among Finest

The Masonic Home and School of Texas, located on the outskirts of Ft. Worth and noted for producing some of the nation's first citizens, has just celebrated its sixtieth anniversary.

In its sixty years of service, the home and school has fed, clothed, sheltered and educated more than 2,000 children or grandchildren of Texas Masons. Evidence of the school's high caliber are the college professors and presidents, lawyers and judges, school superintendents, doctors, engineers and other high professional men and women who are numbered among Masonic Home alumni.

Through the years the Masonic Home has been able to fulfill its mission so successfully because it has lacked neither human nor physical resources.

There are 12 major buildings on the 212-acre campus. One of them houses the Masonic Home Independent School District, created by an act of the Texas Legislature, which includes a 12-grade accredited school system and a kindergarten. Classes are small enough to afford each student individual attention, and excellent working conditions have kept teacher turnover at a minimum. Harvey S. Williams has been School Superintendent for 14 years.

Both faculty and students are provided with the best in equipment and facilities. The latest step

in the school's continuing program of class-room modernization was the purchase of study centers for the third, fourth, fifth, and sixth grades. The Study Center, made by American Seating Company of Texas, is a compact, movable, self-contained desk and chair unit that can be adjusted to different angles needed for various study and work positions, and for better vision and posture. The chair and seat can be moved forward and backward and up and down for maximum student comfort.

Over the past 14 years, 67 percent of the school's graduates have continued their education in colleges and universities. The national average of high school graduates who attend college is only 46 percent. Such a record can only be a tribute to the school's quality of elementary and secondary education.

Life at the Masonic Home and School is not all class room studying and homework. The boys and girls, ranging in age from 3 to 17, have a well rounded home life and comfortable modern dormitories. A balanced program of recreation, vocational guidance and training, and religious activities is provided residents of the school and home.

Masonic Home and School is open to the children and grandchildren of Texas Masons, who through circumstances beyond

MISS MANLEY TO WED JIM MILLS; DATE IS REVEALED AT TEA

A Valentine's Day Wedding for Miss Frankie Jo Manley and Jim Mills was announced at a tea given Saturday by the mother of the future bridegroom.

1960 Cotton Allotments Are Reduced

Cotton allotments for sixteen
counties in District 2 have been
received by the Agricultural Sta-
bilization and Conservation com-
mittee, Dale Carter, district field
man, announced.

There was a reduction of acre-
age in all of the sixteen coun-
ties. This was explained by Car-
ter as resulting from moving up
the five year base period from
1954 through 1958, dropping 1953
which was a big production year
in the district.

Individual Hale County allot-
ments are being prepared and
should be in the hands of cotton
producers by this time.

Hale County's allotment is 153-
266 acres for 1960 compared to
159,651.6 acres. The difference is
6,385.6 acres. The new acreage
allotment is 96 percent of the 1959

OPTOMETRY: The Art and Science of Visual Care

500 killed -- 3000 wounded!

Quite a slaughter, isn't it? That's a reliable estimate, however,
of those who will be killed or injured by accident this hunting season.

There's only one tragic explanation for it — MISTAKEN IDEN-
TITY. Experienced hunters seldom cause these accidents.

If you hunt only once in awhile, be doubly sure:

1. That your vision is good enough.
2. That you hold your fire until you are sure.

Don't kill or injure your hunting friends. Have your vision exam-
ined by a professional optometrist EVERY year.

Cotton allotments for sixteen counties in District 2 have been received by the Agricultural Stabilization and Conservation committee, Dale Carter, district field man, announced.

There was a reduction of acreage in all of the sixteen counties. This was explained by Carter as resulting from moving up the five year base period from 1954 through 1958, dropping 1953 which was a big production year in the district.

Individual Hale County allotments are being prepared and should be in the hands of cotton producers by this time.

Hale County's allotment is 153,266 acres for 1960 compared to 159,651.6 acres. The difference is 6,385.6 acres. The new acreage allotment is 96 percent of the 1959

OPTOMETRY: The Art and Science of Visual Care 500 killed -- 3000 wounded! Quite a slaughter, isn't it? That's a reliable estimate, however, of those who will be killed or injured by accident this hunting season. There's only one tragic explanation for it — MISTAKEN IDENTITY. Experienced hunters seldom cause these accidents. If you hunt only once in awhile, be doubly sure: 1. That your vision is good enough. 2. That you hold your fire until you are sure. Don't kill or injure your hunting friends. Have your vision examined by a professional optometrist EVERY year.
