1957 Study Club Enjoys Christmas Party

Members of the 1957 Study Club, their husbands and children, enjoyed a Christmas party at the City Hall Club room Friday night, Dec. 18.

The entrance of Santa Claus thrilled the children as he handed out sacks of candy, then presented them with gifts from beneath the tree. The grown-ups also received gifts.

Those attending included the families of Messrs. and Mmes. James Pope, Billy Gist, Bobby Young, Bobby Lewis, Lloyd Jones, Pete Knox, Richard Havens, and Mrs. Harold Williams and Jeff.

JERRY COOMBES AT LCC MEETING

Jerry Coombes from Abernathy attended an area-wide youth meeting held on the campus of Lubbock Christian College recently.

After a dinner in the college cafeteria, the young people were entertained with a concert by the LCC band and A Cappella Chorus. Stanley Lockhart, minister of the Harris and Irving Church of Christ in San Angelo, spoke during the devotional period on "The Challenge of the Age".

Approximately 1,000 persons from West Texas and New Mexico attended the meeting.

"THE WAY TO HEAVEN"

BY ROY DEAN VERNER
Reading Time: 4 Minutes

Going to heaven is not like going to Chicago or New York City as some tell us. They say one can take the road of his choice or that all do not have to go the same way or travel the same road. There are several routes to the two cities just mentioned, but there is only one way to heaven. John 14:6 reads, "I AM THE WAY, THE TRUTH, AND THE LIFE: NO MAN COMETH UNTO THE FATHER, BUT BY ME." Here Jesus refers to himself as THE WAY. If there were many Christs and all had died for the sins of the world, one could take his choice and go to heaven just as he could go to Chicago or New York City. Since there is only one Christ one does not take the Christ of his choice, and it is not like traveling to and from cities. Any one who has health and transportation may go to any city in the world provided he goes in the right direction. There are some, however, who CANNOT go to heaven until they change their course.

1. The UNBELIEVER cannot go to heaven in his unbelief. He can go if he becomes a believer, who accepts and obeys his Lord (Matt. 7:21). If one remains an unbeliever he will die in his sins and cannot go where Christ is (John 8:21, 24). The unbeliever will have his part in the lake which burneth with fire and brimstone; which is the second death (Rev. 21:8).

2. The FEARFUL cannot be saved. He can cast off his fear and courageously follow the Lord and be saved but he cannot be saved in his fear. One who is afraid that God cannot or will not fulfill his promises is not a fit subject for eternal salvation. One who is afraid of what the people think, or afraid of their criticism if he becomes a Christian has no hope of an eternal home in heaven (Rev. 21:8).

3. The MURDERER cannot be saved as long as he has hatred and malice in his heart. A murderer might be one who has taken the life of another, or one who hates his brother (1 John 3:15). God is love, and those who would be His children must be children of love. Murder, whether performed outwardly or concealed in the heart, is sinful.

4. The ABOMINABLE cannot be saved in their practice. They disregard God's laws and work that which seems right in their own eyes. It may be summed up by saying the abominable are those whose actions are offensive to God.

5. The WHOREMONGER cannot be saved in his practice. If he repents and turns to the Lord he will be forgiven, but he cannot be saved eternally unless he quits his illicit practice. Such thoughts and sins cannot be even harbored in the heart. (Gal. 5:19).

6. The IDOLATORS cannot be saved as long as they practice idolatry. Men are to worship God, and God only. (Matt. 4:10). Idolatry was condemned in the ten commandments of the law of Moses (Exo. 20:3, 5). It is also condemned in the New Testament (Rom. 1:23; Col. 3:5). "There is only one mediator between God and man, Christ Jesus" (1 Tim. 2:5).

7. LIARS cannot be saved in their lies. Men can be saved who have lied, but they cannot be saved if they keep lying. Lying is forbidden in Col. 3:9 and Eph. 4:25. "A righteous man hateth lying" (Prov. 13:5). Men should speak and act the truth at all times, and under all circumstances.

8. The SORCERERS cannot be saved as long as they practice sorcery. When one pretends to perform sorcery or work of magic by divine power he becomes gull-

You can enjoy chicken with full confidence— Following is a statement by acting United States Secretary of Agriculture True D. Morse— It is your assurance that no chicken now for sale at your meat counter has been treated with Diethylstilbestrol.

1—Not more than one percent of the nation's chickens have ever received the drug Diethylstilbestrol and none will be receiving it now that the Department of Health, Education and Welfare has stopped its use for poultry.

2—The one percent which had received the drug is being purchased by the Department of Agriculture and removed from the market.

3—Consumers can continue to buy regular broilers, fryers, roasting chickens and capons with the knowledge that they have not been treated with Diethylstilbestrol.

JUNIOR STUDY CLUE YULE DINNER PARTY

Members of the Junior Study club and their husbands attended a Christmas dinner Saturday night, Dec. 18, in the private dining room at A-1 Lanes. Following the dinner, the group went to the new home of Mr. and Mrs. Joe B. Lovelace for the Christmas Tree party.

Attending were Messrs. and Mmes. Gid B. Adkisson, Jr., Joe Barton, Buford Davenport, R. J. Jones, Jr., Morris Kerr, Jack Lee, Joe B. Lovelace, Harvey and Lewis Lutrick, Robert K. McAlister, Lindell Myatt, Vernon and Hugh Pettit, Carl Phillips, and Elton Settle.

TO MY FRIENDS, BOYS AND GIRLS

In the story last week instead of the word "believe," place the word "I know" because one day Jesus revealed His Spirit to my mind so real, it became knowledge of his truths as recorded in the Bible.

There are lots of fine people in Abernathy that are getting along really good for the comforts of life, nice homes, fine cars, in fact everything we really need to be comfortable and not a lot of want for life.

But there is a spirit of fear in our people's mind that these good things will not continue to be given to us in which we have spent a lot of money to get some far off people to promise to help us if trouble does come to our town. I do not know how much these people will send to help, but from the facts I have been able to find by associating with our people, there has been lots of money given to these out-of-town men that has never been returned to help, simply because we have not needed the help for trouble. We have had very little trouble in our town since I have known of for the past 35 years I have lived in this community. Of course we must keep sending these men money each year because if we do not pay them they will not help us when we start having trouble.

Really Friends, does it sound like a Christ-like spirit we are teaching our wonderful boys and girls. Why not ask the Lord Jesus to deliver us from this spirit of fear and take us all to a better world when He is finished with Our Righteous Dressing here in this life.

Pray, pray, pray with me.
Your in Christ,
LOCKHART HALL.

Consider New Court Room Furnishings

The Hale County Commissioners Court is considering purchase of new furnishings for the District Court room in the Hale County court house.

Representatives of the Plainview Bar Association met with the court and requested equipment to replace the old, somewhat battered furnishings in the court room. The room, on the second floor of the court house, is equipped with judge's bench, jury box and benches of considerable age.

The general furnishings, it might be said, give a rather drab, worn air to the highest judicial location in the county where an atmosphere of dignity should prevail.

Representatives from the bar were J. M. Randolph, Frank Gaston, Charles H. Dean, Frank Day. The Commissioners Court plans to advertise for bids in further considering the proposal.

The Commissioners employed Bill Dunn in the tax office. Dunn's duties will be mostly outside the office and will include assessment of new properties for county taxation.

His salary was set at \$350 per

month with mileage allowance of 10 cents per mile. The employment was for six months. Approving the employment of Dunn were Commissioners Doc Brown, Rayburn Karrh and J. W. Odell. Commissioner Homer Roberson voted against the proposal.

The Court extended for five years the contract on rental of school land owned by Hale County and located in Bailey County. Dr. Joe Webb and Raymond Akin are the lessors.

At the session were Judge Lee Nowlin, the commissioners and County Clerk Mildred Tucker.

BRIDGE CLUB HAS YULE PARTY

The Wednesday Afternoon Bridge Club entertained their husbands Monday night, Dec. 21. A holiday dinner was served in the private dining room of the Bowling Alley A-1 Lanes Cafe, after which the couples went to the home of Mr. and Mrs. Alvin W. Hardin for bridge.

Those attending were Mr. and Mrs. Joe Tom Brown, Curtis Davenport, Thomas Johnston, Morris Gist, Harvey Lutrick, A. E. Bille, Clyde Benn and James Joy. Mrs. Davenport won high for the ladies and Mr. Clyde Benn for the gentlemen.

The C. E. Hooker family has moved to Edna, Texas.

CHRISTMAS OPEN HOUSE

The home of the James A. Joys was the scene of two Open Houses during the weekend of Dec. 19-20. Sharing the host duties with Jim and Ruth Joy were Rudolph and Marian Struve.

On Saturday night, December 19th, about 125 guests called from 7 till 9:30 p. m. The guests were greeted at the door by the host couples. Those attending were served sandwiches, Christmas cookies, and punch by Mrs. Earl Davis and Mrs. Billy Shipman. Assisting in the serving were Pam

and Chelley Joy and Carol Herrington. The Christmas motif was carried out through the entertaining rooms. A red net cloth covered the serving table and milk glass appointments were used.

Out-of-town guests from Lubbock were Mr. and Mrs. Tom Clinton, Cecil Kelsey, Woodrow Ramo and E. B. Kelley, and Mr. and Mrs. Marshall Formby, Frank Gaston, and Leo Wallace from Plainview.

Again Sunday afternoon, December 20th, from 3 till 5 p. m., the Struve's and the Joys' were host to the members of the Abernathy

Church of Christ. Presiding at the table were Mrs. Roy Dean Verner, Mrs. Lynn Young, Mrs. Lloyd Givens and Mrs. Clarence Nelson. Assisting in the hospitalities were Cristi Givens, Dee Ann Davidson, Pam and Chelley Joy. About sixty guests called during the afternoon.

Out-of-town guests were Mr. and Mrs. George Stephenson, Milton Greer and son, and Mrs. Cecil Lofland from Lubbock.

MUSIC CLUB

The Abernathy Music Club met last Tuesday evening for their annual Christmas program. Children of the club members performed. Pat Hale played Jingle Bells on the trombone. Connie Clements gave a vocal solo. Janet and Davis Rhodes played a duet on the piano. Karen Sterling a piano solo, Mickie Sterling a piano solo, and Jan Wilson gave a flute solo, accompanied by Sherry Wilson.

Mrs. Carter gave a Christmas story for her daughter, who was ill. Refreshments were served to members and their guests.

Mrs. Richard Kitchel and Mrs. Danny Kitchel and Mrs. Daymond Boswell have as their guests, their parents, Mr. and Mrs. C. W. Wilson of Sentinel, Okla.

Several local people plan to spend New Year's in El Paso.

ABERNATHY HAS TWO BURGLARIES

Burglars broke into Struve Mercantile Company store Sunday night, Dec. 20, and the following articles were taken: 1 each of models 56, 63, 77, and 61 Winchester 22 calibre rifles and 1 model 39A Marlin 22 calibre rifle. They also took about 100 boxes or 22 LRHP and 22 short ammunition. Entrance was gained by breaking the glass in the market door on the alley and unlocking the door. The door was locked back when leaving.

Home Furnishings Co., was also entered by breaking the glass in the rear door and apparently crawling through the hole. The glass was neatly placed in two small stacks nearby. At the time of this writing nothing was missed however.

City Policeman John Marsh investigated the burglaries.

Income Tax Regulation Is Changed

College Station.—Some taxpayers may overlook recent changes in income tax regulations that could reduce their 1959 tax. One new feature is the 20 percent first year depreciation allowance on tangible personal property. Farm and ranch operators should know the limitations on this depreciation option in order to decide whether to use it, according to C.H. Bates, extension farm management specialist.

To be eligible for this first year write-off, the property must have a useful life of six or more years. Usually a tractor or combine will qualify. Also, the property must have been purchased. Bates said any asset acquired by gift or inheritance does not qualify.

The maximum amount on which this depreciation can be taken is \$10,000 on a separate return and \$20,000 on a joint return. Bates explained the specialist, this limitation may include several items of property to make up the total.

The full 20 percent additional depreciation can be taken on equipment bought in December so it enables quick recovery of this much of the cost. Then, the regular yearly depreciation can be set up for the remaining cost, less salvage value. For example, a \$4,200 tractor bought on December 5 for \$4,200, would be allowed \$840 first year depreciation. In addition, one month's regular depreciation would be allowed. If a salvage value of \$160 is set up, the annual straight line depreciation on an eight-year basis would be \$400. Depreciation for the month of December would be \$33. So the total depreciation allowance on this tractor for 1959 would be \$873 (\$840 plus \$33). In 1960 the depreciation allowance on the straight line method would be \$400.

Some situations in which this additional first year depreciation might be beneficial tax-wise are: In years of unusually high net income, and in periods when considerable borrowed capital is needed for beginning or expanding operations. Also, in case of casualty losses involving considerable equipment, such as a fire, windstorm or flood. Bates said the advantage of larger depreciation allowances would "cushion" the financial shock of re-investing in equipment needed.

For a complete explanation of this and other newer features of the tax regulations, obtain a copy

Conference Is Set In February

College Station.—The second statewide County Judges' and Commissioners' Conference is scheduled for Texas A & M's Memorial Student Center, February 14-16, 1960. The Texas Agricultural Extension Service and the County Judges' and Commissioners' Association of Texas are again co-sponsoring the conference.

V. G. Young, state agricultural agent, and President C. Y. Johnson, of the sponsoring organizations, point out that the program has been planned to bring specific ideas and methods to those attending in order to aid them in their service to the public. The response from last year's participants, say the leaders, formed the basis for planning the 1960 conference program.

One of last year's most popular presentations was made by Judge J. C. Davis, Jr., assistant attorney general, Austin. He will lead a discussion on the 1960 program covering legislation passed by the 56th Texas Legislature affecting county officials.

Such important topics as the use of herbicides and chemicals for weed and grass control on road right-of-ways; records as a part of a good machinery maintenance program; bond elections and issues; refinancing and appraising and negotiating problems will be discussed.

Another expected highlight of the conference will be a mock land condemnation trial by members of the Attorney General's staff.

Registration for the conference will begin at 1 p. m. on February 14 and the formal program at 8:30 a. m. on February 15. The conferees will have lunch on the 15th with the A & M Cadet Corps and the evening program will include a smorgasbord and entertainment by the Singing Cadets. The conference is due to adjourn on the afternoon of February 16.

TALK - In Print

The mayor and aldermen, although competent to run their respective businesses or professions, cannot be expected to keep abreast of all the legal aspects of running the city government. They made a wise move in retaining an attorney for the city. He will attend their meetings, giving them on-the-spot advice concerning the legality of proposed actions of the Council, and can handle other legal matters for the city.

Following the announcement that James A. Joy had been appointed by the Council as the city's attorney, some thought he was devoting full time to that position. Such is not the case. The city work is only part time, and he still has his private practice, here and at San Antonio, where he formerly had a law office.

Several San Antonio firms and individuals still have him on retainer. Joy commutes to San Antonio, flying a rental plane from Virgil Rhodes' Hi-Plains Aviation, to serve his clients in that city.

Most people regard an attorney as useful only when trouble arises. In many instances trouble, business and personal, can be avoided by seeking the advice of an attorney before action is taken on important matters. It's easier, and cheaper, to keep out of trouble than to get out of trouble.

Hats off to the postal workers in the local office. They moved mountains of mail during the Christmas rush, which was unusually heavy this year. True enough, it's their job and they get paid for doing it, but a big "Thanks" is in order for the entire staff.

Things will be booming around here in 1960, in the construction field. Largest project is on the school campus, where several buildings are to be constructed.

The State Highway Department plans to call bids on the freeway through Abernathy in January, with work expected to start in the spring. One highway official says the project could be finished in about eight months, providing there is no holdup in securing steel. There will be an underpass at Main Street for the through traffic, with local traffic on ground level crossing over the underpass. There will be overpasses for through traffic at the north and south ends of town. The freeway project through town will begin near the Antelope Drive-In Theatre and go north to near the Owen Benn home. Later, a four lane highway will be built from Abernathy to Hale Center, and from here to Lubbock.

In the event you are a surviving victim of a holiday accident, you are reminded of the services offered by the local Legion Post. Provided by the Legion, there are wheel chairs, crutches, a hospital bed and other sickroom supplies available to residents of this area. These items are kept at Abernathy city hall. See or call City Secretary Lawrence Carter if you need them. Also available for emergency use is a stretcher, a resuscitator and bottled oxygen. The city hall telephone number is CY-8-2545.

I spent a bloody two and one-half hours with television, from 6:30 to 9 p. m., Nov. 18, and kept score on the violence dished out on four programs.

If your children were watching, this is what they saw:

Nine people killed, eight by guns, one run over by an automobile; two fist fights; nine gun-draws without shooting; three persons wounded by gunshot; an invalid locked in a burning house and left to perish in the flames (rescued by the hero); two men viciously beat up one man; a blind girl kidnapped and her seeing-eye dog shot; one man slugged unconscious by a gun butt; a theft; a jailbreak, and numerous arguments.

That's preparing their formative minds for Gatesville and, eventually, Huntsville.

I am not accusing the television industry of being communist-dominated, but I can imagine how happy it makes Moscow for such programs to be fed to the children and youth of the United States. The Reds, themselves, could not think of a more vicious way to ruin the moral fiber of young America.

The advertisers who sponsor such programs that go into your homes are equally as guilty as the television industry itself.

Also drawing protests from many is the language that has been used on television programs recently. It is language that men usually do not use in the presence of ladies and children, yet it comes into your home via television for all to hear.

I hope television cleans house before it forces the Federal Government to impose censorship on its programs. Government censorship is not desirable for television.

SP Fat Stock Show Catalogs Are Mailed

Catalogs for the 27th Annual South Plains Junior Fat Stock Show, scheduled for March 21-23-24 at the Panhandle South Plains Fairgrounds in Lubbock, were mailed this week to all area county agents and vocational agriculture teachers, announced Charles Signor, general chairman of the Fat Stock Show.

Judges for this year's show have been named and include, Dean W. L. Stangel, Texas Tech, who will be judging the Fat Steer division in his 26th year of judging; Ray Mowery, Professor from the Texas Tech animal husbandry department, judging the Fat Lamb division; and Stanley Anderson, also a professor in Texas Tech's animal husbandry department, who will judge in the Fat Barrow division.

The Fat Stock Show is sponsored annually by the Panhandle South Plains Fair Association and the Lubbock Chamber of Commerce with its general aim and mission to stimulate and advance the practice of feeding surplus feed to livestock for home and commercial use by the people of the South Plains and adjacent area.

A significant change in this year's show is evident in the

Wild Life Work In Hale County

There has been considerable interest among farmers in regard to increasing the amount of wild life, such as quail, here in Hale County.

The Hale County Soil Conservation District Board of Supervisors along with the Hale County Agricultural Agent, have been doing some work along this line.

Game Preserve signs are now available in the County Agents office or the Soil Conservation Service office for \$1.00 each. Those who are interested can pick up some signs at either office in Plainview. County Agent, Ollie Liner, said that these signs had been effective in other parts of the area in preventing people from shooting birds on various farms.

Hale County is now under the regulatory power of the Fish and Wild Life Commission out of Austin and under this program we should increase the number of quail in the county especially on soil bank acreages.

SOIL TEST REPORT SIMILAR TO A PRESCRIPTION

The recommendation which you receive on your soil test reports are backed up by years of research by soil scientists and demonstration tests conducted in Hale County.

Soil test recommendations are based on field experiments conducted on many soil conditions. These experiments have shown what rates of fertilizer uses are most profitable.

In addition to research knowledge, well-trained personnel, headed by Dr. Bill Bennett of the A & M. College System interpret the soil tests and make the recommendations. These highly trained men use this chemical analysis of your soil, your past management and fertilizer practices as reported on your information sheet, together with their knowledge of local soil conditions to make recommendations to you.

A copy of the report will be mailed to you. Also a carbon copy is sent to Ollie Liner, County Agent.

Wayland Students In Mission Work

Plainview, (spl.)—For the average college student, Friday nights are reserved for parties, ball games, the movies or that special date. But this is not true of more than ninety students enrolled at Wayland Baptist College.

These students, who leave the campus each Friday evening in groups of six to fifteen, are the volunteer directors and workers who maintain ten Friday night missions in Plainview, Abernathy, Halfway, Hale Center, Hart, Petersburg, Cotton Center, Edmondson and as far away as Shallowater.

An average of 235 children, ranging in age from four through eighteen years, are in regular attendance at the missions, all of which are for Spanish children

Traffic Death Rate is High

The Texas Department of Public Safety has released information on traffic deaths and injuries through the month of October, 1959. The report presents a gloomy picture for year-end statistics since deaths are up 4% over last year and injuries an amazing 15%!!

Commenting on the report, Murrell R. Tripp, President of Southwestern Insurance Information Service, Dallas and Tulsa, noted that "these frightening statistics are what the Texas Legislative Council had in mind when they suggested that the State Board of Insurance devise and put into effect a plan that would penalize reckless drivers and reward safe drivers. The Texas Safe Driving Plan was the Board's answer and the Council, the Board, and the casualty industry are hopeful that it may result in more careful driving and lower accident rate."

"Disciplinary measures are no more popular with adults than with children and adoption of the Plan necessitated courageous action on the part of the Board," Tripp said.

"For companies and agents the Plan means greatly increased paper work and record keeping which is already burdensome. For the plain citizen, it means keeping that foot light on the accelerator and eyes on the road for law violations and negligent collisions will send his insurance rate skyrocketing."

In the past ten years it has become apparent that simple rate increases were not the answer to the rising number of claims and cost of settling them. Twenty per cent of the drivers are the troublemakers that cause a high

percentage of the claims and claim costs. Some way sought to charge these drivers more and the cautious drivers less. It seems perfectly fair that now an accident-free driver may earn a 20% bonus on his liability and collision insurance."

"No plan is perfect and every plan contains imperfections which time and experience will correct. If we can discipline Texas drivers into a decreasing fatality and injury record, we will accomplish a great deal.
