PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF LUBBOCK AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Lubbock who helped make this department possible is sincerely appreciated.

JOHN C. AND OPAL ROGERS

Because this is a period of growth and expansion for Lubbock, those progressive business men and women who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are en-titled to more than ordinary acclaim. Mr. and Mrs. Rogers' persist-ent optimism and steadfast belief in the continued future prosperity of the people of Lubbock and vicinity, are characteristics which are deserving of our highest praise

Opal and John Rogers have also always shown a willingness to do their part in civic advancement, and have contributed their bit, in one form or another, to projects city. We believe that business peo-ple of this kind are entitled to sincere praise, both hereitled to sincere praise, both because they have achieved success in their private affairs, and because they are willing to contribute to the public good.
