

# Mayor Calls General Meeting Of Abernathy Voters

## TALK - In Print

We understand there is opposition brewing against the city's post office and bond proposals. It is the right of a qualified voter to oppose any proposal submitted by the city council. Before you make up your mind, finally, in opposition to the proposals, please take time to attend the city-wide meeting to be held Friday night at 8 o'clock in the school auditorium. Both proposals will be thoroughly explained at that time. Get the city council's viewpoint on these matters so important to the growth and progress of your town.

There has been no attempt to conceal the fact that taxes may be increased some if the proposals carry in the May 31 election. This will be discussed in Friday's meeting.

We returned Monday from an 1,800-mile tour of Texas. That trip convinced me more than ever that Abernathy must push every project that has any promise whatsoever of progress. We went through many once bustling, prosperous towns that now are "dead on the vine."

By going along with the city council's proposals in the May 31 election we can take a giant step forward. Turn them down and your town will take that same step backward.

The men on the city council are taxpayers, and are just as concerned as you over the heavy tax burden we all carry. They believe these proposals vital to Abernathy's progress. We elected these men to run the city's business. Let's back them in this move that will mean progress for our town.

Attend the meeting Friday night.

### Homemaking Plans Are Made For Summer Months

The first Summer Homemaking Class is scheduled for Tuesday, June 7, from 2 until 4 p. m. The class will be studying interior decorating.

Mrs. Bruce will assist Mrs. Cooke in helping the students plan the decorating and furnishing for the living room in the new Homemaking Department. This should be very educational and interesting. Everyone is encouraged to attend each meeting. Group meetings will be held each Tuesday afternoon in June.

Plans have been made for study of color scheme, drapes, carpet, furniture, and accessories. In addition to the group meetings, the girls will carry on individual projects in food, clothing, home decorating and remodeling, child care and guidance, personal improvement, gardening, yard improvements, laundering and recreation activities for the families.

nounced.  
Last Tuesday, May 16, at the Lions Club noon luncheon, the program was presented by a quartet of singers composed of Leon Hokett, Billy Skipper, John Harkey, and Ed Crow. They sang a couple of "old time favorites," and also sang a few spiritual numbers.  
In addition to their singing, they presented a trio instrumental number, "Golden Slippers," with Ed Crow playing the juke harp, Billy Skipper playing the French harp, and Leon Hokett playing the piano.

# City Bond Election Set For Tuesday, May 31

Resident qualified voters of the City of Abernathy, who own taxable property in said city, and who have duly rendered the same for taxation, will be eligible to go to the polls Tuesday, May 31, for the purpose of voting FOR or AGAINST a \$60,000 bond issue for the purpose of constructing a public building (a post office building), and FOR or AGAINST a \$90,000 bond issue for the purpose of constructing street improvements in and for the city of Abernathy.

The election will be held in the City Hall.

Following are the propositions, concerning the amount of the bonds, which will appear on an official ballot:

#### PROPOSITION NUMBER 1

"SHALL the City Council of the City of Abernathy, Texas, be authorized to issue SIXTY THOUSAND DOLLARS (\$60,000) general obligation bonds of said City for the purpose of constructing a public building, to wit: a Municipal Annex in and for said City; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

#### PROPOSITION NUMBER 2

"Shall the City Council of the

City of Abernathy, Texas, be authorized to issue NINETY THOUSAND DOLLARS (\$90,000) general obligation bonds of said City for the purpose of constructing street improvements in and for said City; said bonds to mature serially over a period of years not to exceed twenty-five (25) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

#### Option

Also before the voters will be a ballot FOR or AGAINST the granting of an option to purchase a portion of the city park of Abernathy for the sum of \$30,000 for the purpose of constructing the post office building thereon.

This proposed granting of the

option will appear on a separate ballot and will appear as follows:

#### FOR

The granting of an option to purchase the south 100 feet of the City Park of Abernathy, Texas for the sum of \$30,000 payable all in cash, and for the specific purpose of constructing a public building thereon to be used as a Post Office Building.

#### AGAINST

The granting of an option to purchase the south 100 feet of the City Park of Abernathy, Texas for the sum of \$30,000 payable all in cash, and for the specific purpose of constructing a public building thereon to be used as a Post Office Building.

### Final Rites Are Held Here For Mrs. W. E. Smith

Funeral services for Mrs. W. E. Smith, 78, a resident of Hale County and Abernathy for the past 29 years, were held at 3 p. m. Monday in the First Baptist Church here.

Officiating at the services was the Rev. Joe Griffin, pastor, assisted by the Rev. Harold Poage, pastor of the Abernathy Northside Baptist Church. Burial was in the Abernathy Cemetery under the direction of Dennis-Chambers Funeral Home.

Mrs. Smith died about 7 p. m. Saturday in Methodist Hospital in Lubbock. She was a member of the Abernathy First Baptist Church. Mrs. Smith was born in Comanche County and moved to Hale County from Eastland County.

Pallbearers were her grandsons. Survivors include the husband; seven sons, Roy and L. D., both of Midland; Mansell, Houston, Bill and M. E., all of Abernathy; and Bonnie, Midland; and two daughters, Mrs. L. J. Kitchens and Mrs. Sam Wade, both of Abernathy and a sister, Mrs. John Caldwell, Brawley, Calif.; 16 grandchildren and 6 great-grandsons.

Sherlan Selke, who is stationed with the Army at Fort Sam Houston, Texas, was home visiting his mother, Mrs. H. H. Selke and family.

Alvis Bilibrey, who suffered a heart attack May 11, was returned home from Methodist Hospital, Lubbock, Saturday by Dennis-Chambers ambulance.

Charles Cunningham was taken from Hi-Plains Hospital, Hale Center, to the Veterans Hospital, Amarillo, Monday by Dennis-Chambers ambulance.

### Jack Brown Wins Census Guessing With Low 2,350

District Census officials at Lubbock announced Abernathy's 1960 population figure at 2,491, far short of what the majority of those venturing a guess had estimated.

#### Gain Near 800

Compensating for the disappointment at not reaching a higher census figure is the fact that Abernathy gained 799 in population since the last official count in 1950. Abernathy's 1950 population figure was 1,692, compared with 2,491 in 1960.

By counties, Abernathy's 1960 population figure of 2,491 is divided as follows: Hale County, 1,828; Lubbock County, 663.

**Brown Is Winner**  
Jack Brown, 1216 Fifth Street, Abernathy, won the 100 games of free bowling at A-1 Lanes in the census guessing contest sponsored

by The Abernathy Weekly Review. Brown, who is employed at Tucco, guessed Abernathy's 1960 population figure at 2,350, missing the first census announcement of 2,491 by 141. His guess was filed at 10 a. m. April 8, 1960.

Nearest to Brown's prize-winning guess was the 2,675 number entered by Larry Wade, who missed the 2,491 count by 184.

Lowest guess entered was 1,922, and the highest was 5,600. Entries in the contest were removed from the bank vault Tuesday, and were opened and tabulated by The Review publisher and City Police man Dan Blanchard.

Mrs. Gene McMaster was in Methodist Hospital, Lubbock.

Among the list of 1960 AHS graduates who will receive scholarships to major colleges next fall is Daphne Matejowsky, who received a scholarship from Texas Tech in the Music Department. She is the daughter of Mr. and Mrs. Elmo Matejowsky.

### Keith Beard To Represent Area At Boys State

Keith Beard, 17, son of Mr. and Mrs. B. H. Beard, Abernathy, will represent Abernathy area at Boys State at Austin the week of June 5-11.

Keith, who will be a senior student in Abernathy High School next fall, will be sponsored by Barton-Hood Post 500, American Legion. Keith has attended Abernathy schools eleven years, having enrolled in the first grade here. He was just recently elected to serve as vice president of the Student Council during the coming school year.

## BIRTHS

Mr. and Mrs. Perfecto Cantu, Abernathy, are the parents of a daughter born at 3:18 p. m. Saturday, May 21, in Lauf Clinic, Lubbock. The girl weighed 8 pounds 1 ounce.

### FRIDAY NIGHT, 8:00 O'CLOCK, IN HIGH SCHOOL AUDITORIUM

(By O. F. Rea)

Mayor Edgar O. Graham has issued a call for ALL persons interested in the coming bond election to meet at the High School auditorium Friday, May 27, at 8:00 p. m., for the purpose of explaining all the details of the proposed bond election both for the post office bonds and the paying bonds. There seems to be some misunderstanding of the exact nature of these bonds, which are separate and may be voted upon separately, for either one or both, or for one and against the other. Come Friday night to this meeting and you will have all details of the bond election explained and you will have the opportunity to state your views and ask any questions you may have.

Mayor Graham and those who are working on this bond election urge that every qualified and interested voter be present and learn just what is to be voted

on and why. The more information you have, the better you will be able to understand how you wish to vote.

Come, both men and women, Friday night, for the election has been set for Tuesday, May 31, and there will be little time for informing yourselves further.

Don't forget be at the High School auditorium at 8:00 p. m. Friday, May 27. This is not a show of entertainment, but is for the purpose of discussing things you should be vitally interested in relative to our city and the taxes you may or may not have to pay.

### Jim Reid Is Named Chairman

Plainview (Spl.)—Jim Reid, Abernathy, has been named chairman of street services of the Ministerial Alliance organization at Wayland Baptist College.

Son of Mr. and Mrs. A. E. Reid, Abernathy, he will serve the organization for the coming year. The sophomore is seeing the Bachelor of Arts degree with a major in history and a minor in Bible from Wayland. He served this year as song leader of the campus Mission Band.

### Mack Houston In Tractor Accident

(By O. F. Rea)

Mack Houston, son of Mr. and Mrs. Billy Houston, had a painful but not serious accident Monday while plowing about half a mile south of the Houston residence. A rear axle on the tractor broke and the wheel fell inward, pinning Mack's leg about six inches above the ankle in such a manner that he was unable to release it and could not lift the wheel off.

He was by himself and no one came by for perhaps half an hour. He was in the seat of the tractor and the leg was caught in the regular driving position. Finally a hired hand came by near enough that Mack, by waving his arms, attracted his attention and he came up but was unable to life the wheel off. He then went for help but the two of them could not lift the wheel. The other man went for additional help and the first man finally got a fence post and was able to raise the wheel sufficiently to release Mack's leg.

### A-1 Lanes Bowling News

All men who have signed up or who wish to bowl in the Men's Major League, please attend the meeting at A-1 Lanes at 7:30 tonight (Thursday). Officers will be elected and the League will bowl its first games that night. This League will be limited to 16 three-man teams.

If enough interest is shown, a Singles League will also be organized, according to Curtis Lebow, secretary.

A Mixed Doubles League meeting was held at A-1 Lanes Tuesday night, and officers for the late shift were elected.

The proposed Mixed Doubles League on Wednesday night was changed to a 7 o'clock shift to be bowled on Tuesday nights.

**Full House**  
Buck Cecil, manager of A-1 Lanes, announced that the All Church League has a full house of sixteen teams participating in the Monday night league.

See the A-1 Lanes ad in this paper for a complete list and times of the various leagues now in process.

### Free Instructions

Free instructions are offered at A-1 Lanes by their qualified instructors, Mr. and Mrs. Curtis Lebow.

A special deal is in store for the beginners. Any beginner may call at the desk for a Bowling Instruction Certificate which entitles the holder to one free game of bowling plus free instructions. All you have to do is contact the A-1 Lanes personnel at the desk and ask for the certificate.

**Wins Tourney**  
Hugh Pettit won the Elimination Bowling Tournament for men at A-1 Lanes last Saturday, defeating R. L. Burgess in the finals. A total of 32 entries were recorded in the event.

### City Gin Holds Stockholders Meeting Here

The stockholders of City Gin held their annual meeting Thursday night, May 12, in the city hall club room. Included in the business session was election of directors.

Members of the board are: Horace Davis, president; Charles Lambert, vice president; H. S. Tennell, secretary; Charlie Ellis, J. D. Vineyard, Harold Davis and Lloyd Edwards, directors. Harold Davis and Edwards were re-elected to the board. Ellis and Vineyard follow Joe B. Lovelace and G. W. Thompson as directors.

L. L. Duckett is manager of City Gin, located south of Abernathy.

### VISIT HERE

Mr. and Mrs. J. H. Killingsworth of Killeen, Texas, were visitors in the home of Mr. and Mrs. O. F. Rea and the Billy Houstons last weekend. Mr. Killingsworth is a brother of Mrs. I. C. Houston, (deceased) and an uncle of Mrs. Rea and Billy Houston.

The Killingsworths are civilian employees of the Army at Camp Hood and have been for several years. Mrs. Killingsworth is cashier in an Army Post Exchange about ten miles from Killeen. Mr. Killingsworth is employed in one of the Army fire stations as fireman, a position which he also has held for several years.

Those attending were Meses, Barnett, Barton, Blumstock, Gartin, W. A. Goeth, Lovelace, Miller, Mills, Dick Pharr, Clyde Rhodes, Shadden, J. Morris Thomas and a new member, Mrs. Roy Matthews.

### LIONS CLUB NEWS

Conservation of water was the topic of discussion at the Lions Club noon luncheon at Graham's Restaurant Tuesday, Ollie Liner, Hale County Agent, spoke briefly and then turned the program over to Shelby Newman who works with the Lubbock Experiment Station.

Newman's main emphasis was that we must learn to manage our water and strive for efficiency in coordinating water and fertilizer in the proper amounts at the proper time, and strive for complete conservation of water. He explained that our water level in recent years has dropped as much as two feet per year. The possibilities of recharging wells from lakes was also discussed.

Stickers were available to the Lions at the meeting and read, "Water Is Money, Use It Wisely."

A new Lubbock Experiment Station is now underway. It will be located just south of the overpass south of New Deal, on the east side of the highway, it was an-

**Cheerleaders Chosen**  
The following girls were chosen last week to serve as our Junior High cheerleaders for next year: Jeanne Klafka, head cheerleader; Chellye Joy, and Denise Barker. These girls will represent the eighth grade. Jan Wilson and Treva Totty were chosen from the seventh grade.  
There were forty-one junior high girls who tried out for cheerleaders this year.  
We know that these five girls will do us a good job during our next football and basketball seasons.  
**Three Students Withdraw From Sixth Grade**  
Julian and Ray Lugo, and Mary Lopez withdrew from the sixth grade last week and have moved to Colorado.  
This leaves our junior high enrollment at 234 at the close of the year.  
The parents of the sixth grade students entertained the class and teachers with a picnic supper Thursday evening at the J. L. Irish barn north of town. Sizzling hamburgers with all the trimmings were served. Ball games and trampoline "artistry" were enjoyed by the students. The class and teachers wish to express appreciation to the parents for good food and a good time.  
**8th Graders Visit High School Library**  
Tuesday the eighth grade students spent one period going through the high school library to further acquaint themselves with the facilities there which will be available for their use next year.  
Last Saturday night the seventh graders enjoyed a party at the J. L. Irish barn north of Abernathy, sponsored by the parents. They were served refreshments and enjoyed various games.  
**Have Hamburger Supper**  
The eighth graders enjoyed a similar outing at the same location Tuesday night. Parents of the eighth grade students sponsored a barbecued hamburger supper which was enjoyed by students and parents.  
**LIVESTOCK SURVEY STARTING SOON**  
Acting Postmaster Herbert Hardin announced today that Rural Mail Carriers will begin distributing June 1, 1960 Livestock Survey Cards to patrons on their routes about May 19.  
This mid-year livestock survey is the first of three which your Post Office and U. S. Agriculture Department cooperatively make each year. The June 1 survey provides basic information to the Texas Crop and Livestock Reporting Service in Austin for estimating the 1960 calf crop, what the spring pig crop actually numbered, and a preview of farrowing intentions for the fall season.  
Also, poultrymen will get information on number of chickens raised during the spring. Those chickens will be the coming fall and winter's laying flock.  
To be sure our community is well represented in this survey, Acting Postmaster Hardin urges each patron receiving a card to fill it out and return to his mail box.  
Rural mail carriers working on this project are: George Ragland, Route One; Jack Hacker, Route Two.  
Boys and girls wearing the green and white of 4-H will assemble at Texas A & M College, June 7-9, for their annual State Roundup. Winners will be named in 25 different judging demonstration contests. Participants in the state contests have already won county and district honors.

### F. H. A. Chapter Installs Officers

(From Last Week)

Monday night, May 8, the local chapter of the Future Homemakers of America met in the High School Library. The purpose of the meeting was to install the officers for the 1960-1961 school year.

The traditional candle-lighting ceremony was led by Peggy Evans. Outgoing officers lighted candles for each of the eight purposes of the organization. Incoming officers stated their duties as they were installed and recited the F.H.A. creed.

The constitution was amended to change the offices of our chap-

ter to correspond to those of the state. That is, the degree chairman will be known as the second vice-president, the projects chairman will be the third vice-president, the recreation chairman will be the fourth vice-president, and the reporter will be known as the fifth vice-president.

In the meeting following the installation, Betty Struve, outgoing president was presented with a gift in appreciation of her services the past year.

Sally Connell, Ruthie Beaton, Linda May, and Angela Presley gave the group some of the highlights of their trip to Austin for the F.H.A. State Meeting.

Refreshments of ice cream and cake were served. Ruthie Beaton, chairman of recreation, was in charge of refreshments. Linda

Turner, Virginia Davis, Paulette Lebow, Mary Kay Berutti, Kay Powell and Peggy Davis assisted in the serving.

Honored guests at the meeting were eighth grade girls who will be eligible for club membership next year. They were: Linda Jo Brazeal, Joy Boone, Judy Brownlow, Rita Evans, Gwyn Hendrix, Janie Brown, Jackie Jones, Linda Ross, Linda Eldredge, Cheryl Cantrell, Pam Davis, Jane Roberts, and Dianna Elkins.

Outgoing officers were: Betty Struve, President; Peggy Evans, Vice-President; Connye Clements, Recording Secretary; Edith Johnson, Corresponding Secretary; Judy Kiker, Treasurer; Evelyn Dye, Parliamentarian; Edwina Anderson, Historian; Daphne Matejowski, Reporter; Eva Morgan, Song Leader; and Betty Sterrett, Pianist.

Incoming officers are: Betty Sterrett, President; Connye Clement, First Vice-president; Sally Connell, Second Vice-president; Ruthie Beaton, Third Vice-president; Peggy Davis, Fourth Vice-president; Judy Kiker, Fifth Vice-president; J a n e Apperson, Treasurer; Edwina Anderson, Corresponding Secretary; Linda May, Recording Secretary; Karen Kelly, Historian; Evelyn Dye, Parliamentarian; Angela Presley, Pianist.

#### "DISCRETION"

BY ROY DEAN VERNER  
Reading Time: 4 Minutes

Discretion is defined as the act or faculty of wise decision; being discreet in matters of propriety; self-control, prudence and circumspection; the exercise of sound judgment and caution. Discretion can be termed the ability to analyze both sides of a question, judge-like; to place one's self in the other fellow's position, arriving at a decision for action in conformity with the rule of reason tempered with the thing described by God's Word. Discretion is wisdom in action.

Solomon said, "Wisdom is better than rubies; and all the things that are desired cannot be compared to it" (Prov. 8:11). He also said, "Wisdom is the principal thing; therefore get wisdom; and with all thy getting get understanding" (Prov. 4:7), and "How much better is it to get wisdom than gold; and to get understanding rather to be chosen than silver!" (Prov. 16:16). From these passages of scripture it is evident to all that discretion or wisdom is something to be desired by all men. It is an attribute of man that is well pleasing to God.

Discretion is needed in every phase of life, and especially is it needed in religion. Man should

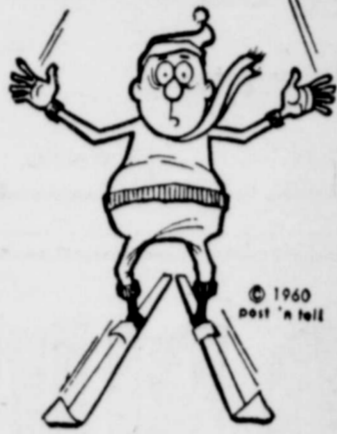

strive to obtain this discretion or wisdom from the only available source, James informs all where it is to be found. "If any of you lack wisdom, let him ask of God that giveth to all men liberally . . ." (Jas. 1:5). James also tells us who a wise man is. "Who is a wise man and endued with knowledge among you? Let him show out of a good conversation his works with meekness of wisdom" (Jas. 3:13). Obviously the wise man or discreet person is the one who serves God daily. Instead of depending upon his own intellect, and human resources, a wise man consults the proper source of authority, the Bible. He obeys the New Covenant or New Testament under which he is now living. Paul states, "See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil" (Eph. 5:15).

Every person of discretion or wisdom is a child of God. Which are YOU? If you are not a Christian, why not become one today by obeying the gospel of Christ. In doing so you will be showing the world that your discretion is what every person's should be.

## LOCAL COUPLE ATTENDS RATTLESNAKE RODEO

Mr. and Mrs. Dan Blanchard and C. A. Garner, Naval recruit from Lubbock, spent Thursday, May 12, in Garza County near Post where Mr. Blanchard and Mr. Garner participated in the twelfth annual Caprock Peace Officers rattlesnake rodeo. The rodeo was begun in 1949 with an attendance of six and is becoming highly popular with a record attendance of 418 this year.

Peace officers from all over the state participated in the event. The chief deputy, Cletus Dyer, Justice of the Peace Lewis, Chief of Police, Pelphrey, and officer deputy, Harold from Plainview, were among the guests from this area.

Barbeque was served to everyone present. The menu consisted of barbeque pork, beef vindson, and french fried rattlesnake, with potato chips, onions, pickles, ranch style beans and coffee on the side.

Top contenders of the live rattlesnake shoot were Rip Smith, Texas Highway Department, form-

# VISIT H. T. "SI" PETERS' MOBIL STATION

# PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF LUBBOCK AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the cooperation of those citizens in Lubbock who helped make this department possible is sincerely appreciated.

## JACK R. HENRY

It is a privilege in this Lubbock review of progressive men and firms that have been such a great aid to the growth and development of this section of Texas to place such a man as Jack R. Henry of the Simmons - Henry Gin, on an equal plane with others in this rank. In the past, few men have exceeded him in contributing of their time and energy to the onward progress of Lubbock and the surrounding country.

Mr. Henry is generally recognized as one of the more dependable cotton gin operators in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflect the principles which he has always so successfully applied to his business affairs.

We congratulate Jack Henry on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

## PAUL E. RAYMOND

We wish in this edition to pay tribute to Paul E. Raymond of the Fairgrounds Roller Rink, for his many services to the city of Lubbock, and his splendid record of achievements in the recreational life of the city.

Mr. Raymond probably has as wide a circle of friends as any other man we could name because he is just naturally the kind of man who makes friends with almost everyone, and always conducts himself in such a manner as to deserve the good will of all who know him.

Lubbock is fortunate in being able to number, among its more progressive business men, citizens of this type. He is always ready and willing to lend his support to the promotion of any project which promises to benefit this entire district.

He may be depended upon, and his services to the people are too many in number to be described here. It may be sufficient to say that we consider Paul Raymond an asset to the community, and a progressive business man of whom his city may be proud.

## WILBURN W. SEAL

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the TV Corner in their contacts with the public, and the ready acceptance of all business and civic obligations by Wilburn W. Seal, proves conclusively that he is a man who is well versed in the principles of successful business management.

As most people know, this firm is a leader in their line of business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Wilburn Seal for the successful management of the business, and for his many contributions to those civic projects aiding in the growth and progress of Lubbock and the adjacent territory.

## JERRY BROOKS

In compiling this review of progressive Lubbock business men, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in their various fields of activities. Such a man is Jerry Brooks of Jerry Brooks Wholesale Jewelry, who is well known, and has many friends and business associates throughout this entire district.

Mr. Brooks' main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

Jerry Brooks is a man of wide experience whose exploits in the business and commercial life of Lubbock and vicinity merit more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

## MELVIN K. ROACH

At the head of one of the district's most prominent wholesale air conditioning equipment, parts and supply firms, and as a leader of recognized ability in community life, Melvin K. Roach stands out today as one of the best liked men on the panorama of Lubbock activity. His friends are numbered by the hundreds, and all of them are of the lasting fiber which come from worth-while associations, both

in the world of business and in the realms of neighborhood life.

TERSCO Incorporated, of which he is the manager, has been a strong factor in the growth and progress of Lubbock, and Mr. Roach's own efforts, in many instances, have been the stimuli behind the outstanding accomplishments of the wholesale air conditioning supply firm.

The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who has done so much to promote the growth and progress of this entire district.

## WAYNE TAYLOR

Recognized as one of the more progressive business men of Lubbock, Wayne Taylor of the Wayne Taylor Company, located at 4061 Avenue A, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has, and continues to build up good will for the Wayne Taylor Company throughout this entire district.

Mr. Taylor is deserving of praise, and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate Wayne Taylor on his splendid record, and trust he shall continue to serve the people of Lubbock and vicinity.

## RAYMOND G. BILLINGSLEY

Because this is a period of growth and expansion for Lubbock, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Raymond G. Billingsley of the Top Oil Company, for he has become a well known figure in the business and commercial life of the city.

Mr. Billingsley's persistent optimism and steadfast belief in the continued future prosperity of the people of Lubbock and vicinity are characteristics which are deserving of our highest praise.

Raymond Billingsley has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

## JACK DANKLEFS

We desire in this Lubbock review to call the attention of our readers to the well-earned position which Jack Danklefs has reached in the business life of this section. During the comparatively short time he has been operating Jack Danklefs Chevron Station at 38th and Avenue H, in Lubbock, he has made many personal friends, as well as having earned the good will of his associates for the straight-forward manner in which he has conducted his business affairs.

Mr. Danklefs has worked hard to deserve the confidence which the people of the community have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself but for the operation and management of his Chevron Service Station as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of Lubbock, and is always ready to lend his support to civic projects. Jack Danklefs deserves our heartiest congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

## R. S. PROTHRO

In mentioning some of those men who are taking a progressive part in the evolution of the business and industrial life of Lubbock we would be censured if we fail to include R. S. Prothro of Custom Imports Co., located at 1713 Avenue F, capable of importing industrial and cultural objects from any part of the free world, and the State Distributors Co., dealers for industrial insulation and adhesives and other items pertaining to heating and air conditioning, and dealers for Occo Feed & Minerals.

Mr. Prothro is that solid type of citizen whose fairness and friendliness and sincere desire to be of service, are accountable for a large measure of his success. And as time goes on, his person-

ally interests have become more closely interwoven with the business and commercial affairs of the city. As a result he has, quite naturally, become accepted as a man who can be called upon, and who will cheerfully do his part to further the development of those community activities to which he is best fitted to lend assistance.

R. S. Prothro has, by the conduct of his business, and by his attention to civic affairs, earned the friendship and good will of his fellow citizens. He is to be complimented for his activities, and we only express the desire of his many friends and associates in wishing him continued success.

## M. D. TEMPLE AND BOB SUDDERTH

Two of the more dependable real estate men of Lubbock, whose success can partly be attributed to a deep insight as to the direction in which the city will develop are M. D. Temple and Bob Sudderth of Temple & Sudderth Real Estate, who specialize in farm and ranch properties and mortgage loans. They have a sound basic knowledge of real estate values, and have turned that knowledge to the advantage of the people with whom they do business. And their aggressive methods coupled with their sound and practical ideas have made the services they have rendered to the people more valuable, and materially contributed to their well-earned success.

Mr. Temple and Mr. Sudderth are also civic-minded and have always shown a cheerful willingness to contribute their share of time and energy to the promotion of community projects.

It is because of the activities of such progressive business men that year after year, Lubbock continues to show such a healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to Bob Sudderth and M. D. Temple for the part they are playing in the onward progress of their city.

## E. F. SWALLEY

Logically a man who has earned the reputation of being one of Lubbock's more dependable cattle buyers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is modest, efficient, friendly. E. F. Swalley who numbers many of our readers as some of his closest friends and associates.

Mr. Swalley is the type of man who would be an asset to any community, not only because of the successful conduct of his business, but because of his part in the general civic scheme, but because the ultimate measure of his value to his city and this district lies in the fact that he is untrulyingly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of Lubbock for numbering among their more progressive citizens such a man as E. F. Swalley, and we also express the wish that he will enjoy many more years of success.

## "ERNIE" W. ZELNER

In compiling this review of progressive Lubbock business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and commercial life of the city.

Such a man is "Ernie" W. Zelner of the Universal Lawn Sprinkler Company, located at 3703 35th Street, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community and in his way has done much to advertise the city.

Mr. Zelner has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to "Ernie" Zelner, and to point out to our readers that his sincere desire to be of service, coupled with his aggressive methods are largely responsible for the standing of the Universal Lawn Sprinkler Company throughout this entire area.

## DURWARD L. STEPHENSON

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is Durward L. Stephenson of the Stephenson Jack Company, who well deserves the reputation he has earned for being one of Lubbock's more progressive business men. His thorough knowledge of everything pertaining to the hydraulic jack service and repair business is exemplified by the manner in which he fulfills each and every demand upon him in line with his business.

Moreover, such experience as Mr. Stephenson has gained in the

successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Durward Stephenson in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and commercial life of Lubbock.

## J. E. HOOD

The true value of a citizen is not gauged by his personal success. But rather by the manner in which he shares that success by his contributions to the city in which he lives.

And J. E. Hood of The Smoke Shop, located at 1107-B Main, is one of those men who has given much toward the development of Lubbock and vicinity. He has turned his personal success in the business field to the advantage of the people as a whole, and has accomplished much toward making the city a better place in which to live.

Mr. Hood's thorough knowledge of every phase of the pipe and stem repair business, one of the very few men capable to handle this intricate aspect of the business, has raised him to a position of leadership in his field of activities, and gained for him the reputation of being one of the city's more progressive business men.

We compliment J. E. Hood in this Lubbock review, and wish to offer him this small evidence of public esteem.

## WALTER R. VAN LUIT

Performing an outstanding service for the people of Lubbock and the surrounding territory, Walter R. VanLuit of The VanLuit Agency, located at 3833 34th Street, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. VanLuit is a man of ideas, and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the public. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of the city. Yet, he is unassuming and modest in his personal contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Walter VanLuit who have caused Lubbock to become recognized as the business center for this section of West Texas.

## E. E. HASTINGS

E. E. Hastings of the Tech Drug Store, has a well earned reputation for his aggressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable. This invariable policy has made the Tech Drug Store outstanding in its field, a fact that is well known to the public throughout this entire area.

But Mr. Hastings has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city, but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving E. E. Hastings the credit for his accomplishments which his friends and associates have so long accorded him.

## KEITH MARTIN

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive business men of Lubbock have found to be the shortest route to success. In making this statement, the man we have in mind is Keith Martin, the manager of Unclaimed Freight Of Lubbock, and Picture Tube Supply, a wholesale supply firm whose products may be purchased through their retail dealers in this area.

The popularity and patronage enjoyed by his many services accentuates the ideals of courtesy and efficiency which he has consistently applied in the management of the business, and in the servicing of its patrons.

The conduct of such businesses, and the men who operate them have done much to make Lubbock the business center for many miles around, and it is fitting that we give credit where credit is due to such men as Mr. Martin for his part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know him.

Keith Martin has earned his suc-

cess by the method in which he has served the public, and accepted both civic and business responsibilities and we wish him every success in the future.

## EARL WESTBROOK

One of the more progressive business men of Lubbock, and a man who deserves the respect and good will of a great many residents of the city is capable, friendly Earl Westbrook of the Westbrook Motor Service, located at 302 Avenue H, whose wide knowledge and long experience in the automotive repair and maintenance business has raised him into a position of prominence in his line.

It is because of this that the Westbrook Motor Service has earned a reputation for reliability—second to none.

Mr. Westbrook is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire district. And the people of Lubbock may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to Earl Westbrook as a progressive business man of whom we may well be proud. His devotion to the city has been constant, and his achievements well merited. We wish for him further success.

## W. L. SPEED

In paying tribute to some of the more progressive business and professional men of Lubbock, we would be remiss in our duty should we fail to include W. L. Speed of Speed's Appliance Service, whose business ability is no greater than the "know-how" and professional skill which has contributed to his well earned success in the refrigeration and freezer repair and maintenance business. Service calls can be made by calling POrter 3-9091, and emergency or night calls at SWIt 9-3163.

He has also contributed generously to the welfare of the city and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Speed is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play. He is a specialist in the service and maintenance of Whirlpool, G. E., Bendix and Hamilton laundry equipment.

We congratulate W. L. Speed on his splendid record of service, and trust he shall continue to assist us for many years to come.

## W. L. "BILL" PHILLIPS

Every progressive and successful business man in Lubbock contributes in some manner to the growth and progress of the city. And a man who is always willing to do his part in both civic and business activities is W. L. "Bill" Phillips of Steere Tank Lines Incorporated, who is well known and has many friends and business associates throughout this entire district.

The prominent part that The Steere Tank Lines Incorporated is playing in the business and commercial life of Lubbock and the South Plains, mirrors the progressiveness and ability of such men as he. Furthermore, Mr. Phillips has also at all times been steadfast in his devotion to the city, and the surrounding country, and on many occasions, has lent his support to the successful promotion of meritorious civic projects. Lubbock and this district are fortunate to have such a man as "Bill" Phillips in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more progressive business men.

## TOMMY HALEY

Tommy Haley, the manager of the White Swan Institutional Foods Company, has a won't the universal respect and good will of the people of Lubbock and the surrounding country for the progressive manner in which he has kept this dependable firm in the forefront of the business, and commercial life of this entire district.

So for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Haley is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quite reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment Tommy Haley for the successful management of the White Swan Institutional Foods Co., and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

## DEE WOOLLEY

Good motels and tourist courts are indispensable to the progress and development of a growing city such as Lubbock. And the Western Ways Motel, combining the best features of both, has accommodated a great many tourists and business men in a manner that assures them of the continued patronage and good will of the motoring public.

The management of the Western Ways Motel has maintained an ideal of service which is thoroughly exemplified by the manner in which every need of the traveling motorist has been anticipated and prepared for. Nothing is taken for granted; nothing is forgotten, and hospitality and service is always their first and last consideration.

Much of the credit for the splendid reputation of this modern drive-in motel is now due to the executive ability of Dee Woolley, whose untiring efforts, foresight, and careful attention to detail, have maintained a standard of hospitality and service which would be difficult to surpass. It is a pleasure to publish these few words of praise about the Western Ways Motel, and its friendly operator, Dee Woolley.

## F. H. A. NEWS

The next F. H. A. meeting will be Monday, June 13, at the home of Betty Ann Sterrett. Each girl should bring a sack supper.

The girls are to meet at 2:00 p.m. From there they will go to the park for a swimming party. They will return to Betty's house for supper and their business meeting. They will elect an Advisory Council.

A special invitation is extended to the incoming Freshmen girls, and to all mothers who wish to join the group and help plan next year's activities.

## HD Club Meeting

The Abernathy Home Demonstration Club met May 20, with our president in charge. Roll call was answered by five members.

Mrs. Davis was elected to represent our club, as nominee to council, for delegate to the State Convention which will meet in September.

Our club voted to adjourn until September 2. We will have our picnic in August.

Mrs. Davis gave a very interesting council report. "How to care for cut flowers to make them stay fresh longer."

Mrs. M. M. Bell was hostess. Mrs. T. A. Brewster, Reporter

## CARD OF THANKS

I wish to thank all of you for the many beautiful flowers, cards, and visits during my recent stay in the hospital. All were greatly appreciated.

**LCC GROUP'S MEXICAN SUPPER IS SUCCESSFUL**

The Lubbock Christian College Association of Abernathy would like to thank everyone who helped in anyway to make the Mexican Supper such a success. Mrs. Frances Ruiz cooked the food which was delicious. Yeager Wholesale donated the tickets and there were many others who donated food and bought tickets. In addition to enjoying the food and fellowship, there is much satisfaction in knowing that Christian education for our children is being supported.

There were several officials of the college who were guests of Mr. and Mrs. Lloyd Givens. They were Mr. and Mrs. Herman Wil-

son, Mr. and Mrs. Jack Carter, Dr. and Mrs. Jack Bates and Mr. and Mrs. E. Higgins.

The associates are planning another Mexican Supper sometime next fall.

**Enrollment Held Steady At 1082**

School Superintendent Noel Johnson reported that the enrollment for the local school at the end of the eighth month of school stood at 1082 students. That number also ruled the sixth and seventh months of the school year.

Total number of students enrolled in the first five grades at the end of the eighth month was 600; grades six, seven and eight, 236; and high school grades nine through 12, 246.

The end of the month totals throughout the school year follows: End of 1st month—1101; 2nd month—1148; 3rd—1128; 4th—1070; 5th—1076; 6th—1082; 7th—1082; 8th—1082.

**Sophomore News**

(From Last Week)

The Sophomore class had their last class party of the year on Friday 13.

We left for the park about 5:45 Friday afternoon. After reaching the park, we had a picnic supper.

Although Friday 13 is known as an unlucky day, our class had only fun and enjoyment. That is except for the scratches and bruises almost everyone received from playing football.

After playing football, volleyball, and commando, the class went to the Amusement Park. Everyone had fun riding the hammer, tilt-a-whirl and the sport's cars.

We then returned home about 10:00 p. m.

The class parents and sponsors who accompanied us were: Mr. and Mrs. Robert Montgomery, Mr. and Mrs. Mitchell LeMoine, Mr. and Mrs. Herbert May, and Mr. and Mrs. E. A. Houston.

This was a wonderful ending for a successful year.

**Abernathy Is Sitting Pretty In The State's Two Highest Farm Production Counties**

Having a town divided by a county line has certain disadvantages while in some instances there are compensations.

One of the compensations has Abernathy, "In The Palm of the Plains," sitting pretty in the two counties leading the State of Texas in farm income . . . No. 1, Hale County; No. 2, Lubbock County!

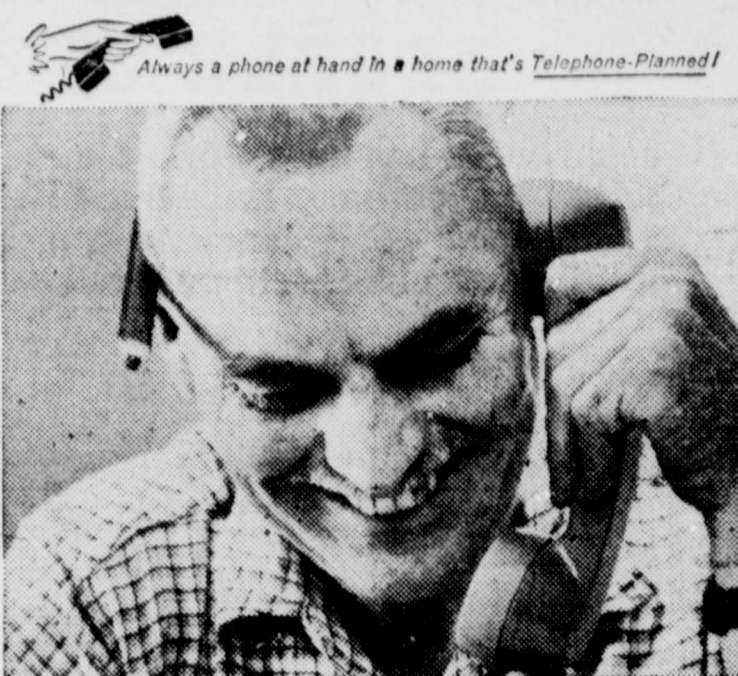

The Bureau of Business Research, College of Business Administration, University of Texas, announced last week that Hale County was number one in farm income for 1959, while Lubbock County was number two.

Hale County, in 1959, chalked up a farm income record of \$83,

394,568.00, to lead all counties in Texas. In second place is Lubbock County with \$72,083,726.00.

**PICTURE ALBUMS FEATURE MEMBERS OF AHS CLASSES**

Huge picture albums of Abernathy High School graduating classes for several years past are being prepared as a permanent record. The big albums will be mounted on supporting frames with casters so they can be moved to any place desired in the high school building. They will be kept in the library. On special occasions when the school has visitors the albums will be moved to a place where they can be inspected by the school's guests.

**NOW LOOK WHAT CORVAIR'S GONE AND DONE!**

The same Corvaire that tallied a thumping 27.03 miles per gallon\* in the Mobilgas Economy Run . . . went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvaire's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvaire (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvaire is totally unique. But you'll find that out the first five minutes you're at the wheel!

Dear Mr. and Mrs. Price:  
It is with great pleasure that I am able to inform you that your son, Private First Class Donald L. Price, has distinguished himself by graduating as an Honor Student from the Communications Technical Course of the United States Army Security Agency School.  
This course of instruction is of a highly technical nature and is considered among the most difficult courses in the United States Army educational system. The accomplishments of your son in this endeavor will enable him to occupy a duty assignment of great importance to the defense of our nation.  
The diligence, perseverance, ability and attitude he displayed has made him a student of whom we are justly proud. His outstanding achievement reflects great credit upon himself, his family and the United States Army, and is indeed deserving of our congratulations.  
Sincerely,  
CHARLES H. HISER

**AHS Seniors Left Sunday On Trip**  
23 members of the senior class, and ten adults left Abernathy early Sunday morning on the Senior Trip to the Houston-Galveston area.  
The group included 12 girls, 21 boys, and Mr. Sollis, Mr. and Mrs. Gid E. Adkisson, Mr. and Mrs. Herbert Hardin, Mr. and Mrs. Furman Shipman, Mr. and Mrs. T. A. Stephenson, and Miss Dodie Stokes.  
The group was to board a train in Amarillo at 8:25 a. m. Sunday, and was to arrive in Houston at 9:25 that night, where they were to have stayed in the Ben Milam Hotel.  
That night, where they will check in at the Ben Milam Hotel.  
The trip will include one night at the Ben Milam Hotel in Houston, three nights at the Jack Tar Court Hotel in Galveston, and one night on the train during the return trip. Areas of sightseeing will include Houston, Galveston, the Gulf Coast, Baytown, Texas City, and the San Jacinto Battleground area in Houston.  
The group is scheduled to arrive in Amarillo at 7:30 a. m. Friday, May 27, and should arrive in Abernathy around 10:30 that morning.

**FARMERS CO-OP GIN HOLDS MEETING OF STOCKHOLDERS HERE RECENTLY**

The management of the Farmers Co-op Gin was host to approximately one hundred and fifty members and guests Tuesday night May 10 at the high school cafeteria. A barbecue supper was served by Ed Graham. As is customary the retiring members of the board of directors were replaced. Hugh Pettit and J. D. Webb were retired and replaced by B. A. McDougal and Ralph Davis. Lee Roy Waters was re-elected and will serve as president of the board this year. Members whose terms have not yet expired are: Clayton Enger, Harvey Lutrick, Billy Harrison, and R. A. DuBose.  
This was the 27th annual stockholders meeting under the present charter and by-laws. The Co-op Gin was organized in 1930, originally, but in 1933 the charter was changed and the present set-up was installed. John T. Carlisle was the first manager. Leland Phillips, the present manager is serving his 10th year in that capacity, having begun with the gin on March 1, 1951.  
During this period 91,826 bales were ginned with an average saving to the customer of \$10.74 per bale ginned. This amount varies from year to year, the saving for the past season being \$10.58 per bale ginned. The management would like everyone to understand that every bale ginned by anyone is entitled to and does participate in this saving. The total earnings for the past ten years are \$986,211.24, a tidy figure saved by all who ginned with Co-op Gin.  
**NEW OPERATORS AT BEAUTY SHOP**  
Mrs. Ralph Wolf, owner of Alice's Beauty Salon just south of A-1 Lanes, announces the addition of two new operators, Mrs. Peggy Shipman and Mrs. Beth Gist. The Salon now has four operators. The other two are Mrs. Wolf and Donna Shadden.  
Mr. and Mrs. Billy Gist were in Austin recently where she took examination for her beauty operator license. She and Mrs. Shipman are recent graduates of the Jesse Lee beauty school in Lubbock.  
J. L. Shirley and others sold a quarter-section farm to Billie E. Harrison, and another quarter-section farm to J. W. McReynolds. The places are located three miles north, four miles east and one mile north of Abernathy.

**JUNIOR CLASS HIGHLIGHTS**  
(From Last Week)

This school year is all but over; just the formalities of picking up report cards and clearing records remain. It has been a highly successful year for the junior class, and the members of the class have many pleasant memories. We started out the year by winning first place in the float competition in the Harvest Parade. To top that off the class' candidate Diann Owen was crowned queen of the festival.  
Not too long after this was all over, came the magazine sales. This too was a success for we outdid all classes previous to us and set a new record for sales. Soon after that, plans for the Junior Play were begun. As before, this turned out to be a success. The last thing that we as juniors did this year was to plan and host the Junior-Senior Banquet which we enjoyed very much. The theme of the banquet was Mardi Gras and it was very colorful.  
As you can see we have been quite busy but we have enjoyed every minute of it. We would like to express our deepest thanks to our class sponsors Mrs. Forbes, Mr. Preston, and Mr. Davenport, and to our class parents, Mr. and Mrs. Fred Exum and Mr. and Mrs. Bryan Phillips. They have been wonderful to help us in all that we did. Our class officers have served well in their job. They were Doyle Johnson, President; Keith Beard, Vice-President; Neal Humphrey, Secretary; Mike Ritchey, Treasurer; Barbara Phillips, Reporter; and Diann Owen, Annual Representative.  
We hate to think of next year as being our last, but it has to come sometime.  
Our hearts as well as everyone else's were saddened when we learned that our wonderful principal and our band director will not be with us next year. We'll miss them very much but wish them all the happiness in the world.  
And so another chapter in our book of life is over but we're looking forward to an even better senior year—a year we hope to make the very best we've spent in school.  
—Barbara Phillips, Reporter.

**Mercury's the better low-price car and you can prove it!**

**ADD UP MERCURY'S EXTRA VALUES:** Just stop in at our showroom and see the proof firsthand. Open the front door of a Mercury—it's up to 5 inches wider than other low-price cars so you can get in and out that much easier. Slide into the front seat. Notice how the instrument panel has been moved far forward. What other car gives you this feeling of spaciousness? Now accept our invitation to go on a private demonstration. Notice the steady, silent smoothness of the ride. That's because Mercury has a 7-to-8-inch longer wheelbase than other low-price cars—is up to 494 pounds heavier, and has far more sound-proofing all-weather insulation.  
Try the brakes. They're up to 26% larger in a Mercury. Mercury's windshield and windows give you up to 21% greater visibility than other low-price cars. Now, for the best news of all, just keep on reading...  
**COMPARE MERCURY'S LOW PRICES:** prices start \$63 to \$66\* below even the lowest-priced V-8 powered Plymouth Fury or Chevrolet Impala!  
And we're not talking about a "stripped" Mercury. This price comparison is based on a deluxe-appointed Mercury Monterey with luxurious nylon interior and thick wall-to-wall carpeting. So why settle for less? Get all your money can buy with Mercury—the better low-price car.  
\*Based on comparison of manufacturer's suggested 1960 retail base prices for lowest-priced V-8 models.
