Antelopes to Battle Owls Friday Night

Lose To Spur, 12-0

The AHS Antelopes will be seeking their first win of the young season Friday night when they journey to Hale Center to test the Owls, who are also looking for their first win. Hale Center was defeated 12-8 by Sundown last Friday night, while the Antelopes fell to the Spur Bulldogs, 12-6.

Drive Inside One
Last Friday night the Antelopes looked like a fired-up ball club in the early minutes of the game, driving 66 yards to put the ball inside the Bulldog's one yard line with first-down and goal to go. But the grass was wet and the ball was slick, and the Antelopes fumbled a golden opportunity on the six-inch line and Spur recovered. The Antelopes seemed to have lost their spark after that and could not muster enough power to rack up even another penetration during the game.

Foul Weather

Several fumbles due to the foul weather marred the game. Intermittent drizzle prevailed until the last of the third quarter, then it began raining. Both teams fumbled about five times with Abernathy recovering two Spur mistakes and Spur recovering two of Abernathy's.

Last Week's Scores

Spur 12, Abernathy 0.
Sundown 12, Hale Center 8.
Olton 12, McCamey 8.
Morton 29, Whiteface 8.
Dimmitt 22, Lockney 6.
Littlefield 28, Mulshoe 0.
Denver City 37, Seminole 6.
Tulia 34, Sunray 12.
Lazbuddie 24, New Deal 0.

Breakdown By Classes
A breakdown of the students enrolled revealed 605 in the elementary grades, (grades 1 through 5); 296 in junior high, (grades 6, 7 and 8); and 251 students in high school.

School Enrollment Sets Record All-Time High

Enrollment in the Abernathy Public Schools hit an all-time high late last week with 1152 students enrolled in the white school, 72 students in the East Ward School, and 11 high school colored students transferred to Dunbar at Lubbock, making a grand total of 1235 students under control of the Abernathy school system.

Of the 605 in the first five graders, 141 are first graders, being handled in five sections. There are 127 second graders, also with five sections; 136 third graders, four sections; 104 fourth graders, three sections; and 97 fifth graders, three sections.

New Deal To Play At Hart Friday Nite

FALL TO SPEEDY LAZBUDDIE, 24-0

A hard-hitting Lazbuddie team propelled by two flashy quarterbacks scored in every quarter except the second last Friday night to blank the New Deal Lions, 24-0.

Mr. and Mrs. Waldo Cox and children, Rickey and Jerilyn

ramming over right guard, sending the Longhorns into the final period leading, 14-0.

Lazbuddie racked up a safety early in the fourth period after moving to the New Deal 4-yard line and losing the ball on a fumble. New Deal was forced to punt from its own eight, but the ball was snapped over Jerry Hogan's head and rolled out of the end zone for the Lazbuddie two-point conversion.

Bradshaw picked up the final score after the Longhorns recovered a New Deal fumble on the Lions' 6-yard line. Bradshaw broke over right guard and went into the end zone on the first play.

season, while New Deal took its second loss.

New Deal managed only five first downs while Lazbuddie netted 16. The Lions attempted 11 passes, completing one for 10 yards. Lazbuddie attempted three, completing none, except for the conversion. The Lions totaled 73 yards rushing and 10 yards passing, while Lazbuddie's speedsters added up about 200 yards.

Coach Willis had 22 boys suited up for the game, and all of them saw action during the tilt. Charles Ruffin, Lonnie Greenhill and Don Brown were outstanding defensively for the Lions.

Grain Harvest Is Getting Underway

The harvest of grain sorghum in the Abernathy area is getting under way, but as yet is not nearly in full swing.

The first load of grain sorghum delivered to Abernathy was brought in by Jack Lee, August 24, to Big State Grain Co. R. F. Templeton, manager, stated that Lee received a \$50.00 premium for bringing in the first load of 1960 grain sorghum to Abernathy. The load weighed 12,640 pounds and tested 13.96 moisture content.

R. L. Parsons, who farms north of town delivered a 16,700 pound load of grain sorghum to Co-Op Grain Co., on the following day, August 25, reported Glen Hammond, manager. It tested 22.19.

in the lobby of the Caprock Hotel, report that a colorful mail-order folder recently sent to residents throughout the South Plains is "getting big results."

"Ticket sellers pointed out that more than \$1,000 worth of tickets have been sold to area and city residents wanting to assure themselves choice seats at the dazzling ice show.

Since ice revues first were introduced to residents of the South Plains, the response from ticket buyers has steadily grown, officials note. The growing desire of new patrons to see the show, coupled with the constant flow of returning customers, is attributed to the ice show's youthful approach, its spectacular skating production numbers, its lavish costumes and its swift pace of presentation.

Matinee performances of the Ice Capades will be presented at 3 p. m. daily, Sunday through Thursday, of Fair Week, Sept. 26 - Oct. 1, with night-time performances Monday through Thursday getting started at 8:30 p. m.

On Friday, the last day of the Ice Capades presentations, the lavish ice show will open at 1:30 p. m., and the night-time performance will be kicked off at 5:30 p. m.

Grade school and high school students will be admitted to the colorful ice show matinees for half-price, except Sunday.

Prices for adults, all shows, are \$3.50; \$3; \$2.50; and \$2.

Before coming to Lubbock via train on Sept. 25, Ice Capades will present shows at Pittsburgh, Pa., Troy, N. Y., Raleigh, N. C., Houston and Amarillo.

After leaving Lubbock, the dazzling ice revue will move into New Mexico, British Columbia, Washington State, Canada, Iowa, Maine and Arkansas, Missouri and California.

ACERAGE SURVEY STARTING

Acting Postmaster Herbert Hardin announced that Rural Mail Carriers were to begin distributing 1960 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office and U. S. Agriculture Departments cooperatively make this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1960.

To be sure this community is well represented in the survey, Acting Postmaster Hardin urges each patron receiving a card to fill it out and return it to his mailbox.

WEST TEXANS SAY OF P-A-G MAN... that's sorghum!

The way P. A. G. Sorghums look in the field makes everybody who sees them exclaim "Man, That's Sorghum!"

P. A. G. has earned the confidence which farmers have in this sorghum. Each exclusive variety is researched, tested, and proved before it is offered for sale. Then when you plant P. A. G. you can be confident that not only will it look good in the field, but it will provide top yields. Careful quality control through triple isolation on seed production pays off in your field when you plant P. A. G. Sorghums. Hundreds of tests have proved it.

Now is the time to book your P. A. G. seed.

Congress O. K.'s Canadian Dam Fund Bill

Congressman George Mahon reported Thursday of last week that the House and Senate passed the bill containing an appropriation of \$300,000 for advance planning on the Canadian River Dam.

The bill has been sent to the President for approval, and he is expected to approve.

Any money left over would be used for planning an aqueduct to carry water to the 11 member cities of the Canadian River Municipal Authority, according to Leona W. Hill, director of the Region 5, Bureau of Reclamation.

Loan funds for construction of

the dam would not be approved by Congress until the member cities approved contracts under which the \$100 million loan would be repaid. Elections on the contract terms are expected to be held late this fall.

WELCOME TO MEETINGS

"Abernathy city council meetings are open to the public," said Mayor Edgar O. Graham, "and we invite interested citizens to sit in on these sessions," he added. Regular sessions are held at 8 p. m. on the first Monday of each month in the city hall.

"THE CARNALLY MINDED"

BY ROY DEAN VERNER

Reading Time: 4 Minutes

The definition of carnal is: (1) Of the body or flesh—opposed to spiritual. (2) Of the body as the seat of appetites. The apostle Paul uses this term in I Corinthians 3:3-6 in describing the condition of the Corinthians. The original language means "That which is governed by mere human nature, and not by the Spirit of God."

The conditions mentioned by Paul were as follows: "For ye are yet carnal; for whereas there is among you envying, and strife, and divisions, are ye not carnal, and walk as men? For while one saith, I am of Paul; and another, I am of Apollos; are ye not carnal? Who then is Paul, and who is Apollos, but ministers by whom ye believed, even as the Lord gave to every man? I have planted, Apollos watered; but God gave the increase." Paul said these brethren were carnal, and he told the church in Rome, "For to be carnally minded is death, but to be spiritually minded is life and peace." (Rom. 8:6). Every reader is forced to admit that people in this condition are not pleasing to God.

One has only to look about him to see this sin before us. Paul mentions "envy, strife, and division" as carnal. There is envy among religious bodies, there is strife, and the number of denominations indicate the division that

is being experienced by the religious world. The tragedy is even worse because many are convinced that this is pleasing to God. The vast amount of divisions is accepted by many as the thing which God planned.

One only has to observe the teaching of the New Testament to see the tragic error in religious division. Note again the original meaning of "carnal" as "That which is governed by mere human nature, and not by the Spirit of God." Brethren at Corinth were saying "I am of Paul" while others were saying "I am of Apollos" and Paul said they were carnal for doing it. The usual question which follows an affirmative answer to the question, are you a Christian, is, to what church do you belong? Many answer, I am this kind of a Christian, or that kind of a Christian, and they attach another name to that of Christianity. To do this is to be guilty of the same sin the brethren at Corinth were guilty of. There is no difference in attaching some man-made name to the title Christian than saying "I am of Paul and I am of Apollos."

Don't be carnally minded; instead follow the Lord, and leave off all these party names of division. Just be a Christian only.

SEPTEMBER 15 IS COTTON DEADLINE
 September 15 is the new deadline for a farm operator to file a written application regarding failure to plant at least 75 per cent of the 1960 cotton farm allotment, John B. Martin, County Office Manager, Hale County Agricultural Stabilization and Conservation office reminded growers recently.
 Under program regulations for both upland and extra long staple cotton, the farm cotton allotment for 1960 will be used as the base in determining a farm's 1961 al-

lotment if at least 75 per cent of the farm's 1960 allotment was planted to cotton or regarded as planted to cotton.

Boy Scouts

Abernathy Troop 81 of the Boy Scouts held their regular meeting Monday night, September 12, at the American Legion Hall. At the meeting, plans for the coming months were discussed.

Plans were made for a camp-out at Silver Falls for the Scouts, September 24 and 25. Plans were also made for a program which calls for a group of Indian Ceremonial Dancers for the regular meeting night, Monday, September 26.

Cobra Patrol

Members of the Cobra Patrol are John Reagan, Patrol Leader, First Class Scout; and Tenderfoot Scouts, Toby Taylor, Manuel Cardinas and Barry Selke. Barry Selke is reporter for this patrol.

Barry reported that the patrol members received Second Class requirements. There are many different requirements for this class, but they are easy enough, he added.

The patrol extends a cordial invitation to any boy who wishes to become a Scout or who is interested in Scouting to meet with them.

Silver Wolf Patrol

Members of the Silver Wolf Patrol are Tommy Adkisson, Patrol Leader, First Class Scout; Mike

Collins, First Class; and Tenderfoot Scouts, Lindsey Webb and Gary Benn. Reporter for this patrol is Mike Collins.

Mike reported that the Patrol made plans for their weekly Patrol meetings.

Senior Patrol Leader for the above patrols is Ronnie Wynne, who is a Star Scout. He is in charge of both patrols and directs their activities, etc.

Junior Assistant Scout Master is Chuck Wynne, who is a Life Scout.

Scoutmasters are King Collins, Owen Benn and I. L. Johnson.

Remember—If you are interested in Scouting, now is the time and Abernathy is the place to join in a fine Scouting program.

Local "B" Team Ties Floydada "B" Team, 0-0

Abernathy's high school "B" team football squad journeyed to Floydada last Thursday night and battled the "B" team Whirlwinds to a 0-0 tie. Both teams had opportunities to score, but the opposing defense held each time. The Abernathy coaches were well pleased with the showing made by the local "B" team boys. Coach Davenport stated that the line blocking, backfield running and quarterback Bobby Pettit's

play selections were all very good. The Abernathy boys worked the ball down to the 6 or 7 yard line once during the game but couldn't move the pigskin over the double stripe. On the other hand, the local boys held Floydada on downs after the Whirlwinds had moved the ball to the three or four yard line. Nineteen local lads suited up for the game, with 14 seeing action. They were: Don Hughes, left end; Charles Wisdom, left tackle; Ray Ingram, left guard; Ben Templeton, center; Kay Don Habbinga, right guard; Billy Barrick, right tackle; Douglas Simpson and

Kenneth Reedy, right end; Bobby Pettit, quarterback; Richard Saari and Wayman Morgan, left halfback; George Reagan, fullback; and Larry Boyce and Joe Ybarra, right halfback. **Play Lockney Here** The local "B" team will play host to the "B" team from Lockney at 6:00 p. m. today (Thursday) on the local field. The remainder of the "B" team schedule is as follows: Sept. 8—Floydada 0; Abernathy 0. Sept. 15—Lockney, Here; 6 p. m. Sept. 29—Hale Center, There, 6 p. m.

Oct. 6—Floydada, Here, 6:30 p. m. Oct. 13—Hale Center, Here, 6 p. m. Oct. 20—Oilton, Here, 6 p. m. Oct. 27—Lockney, There, 6 p. m. Nov. 3—Oilton, There, 6 p. m. **JR. HI YEARLINGS TO OPEN SEASON TUESDAY** The Abernathy Junior High Yearling football team will open their season Tuesday, Sept. 20, when they will play host to the 7th and 8th graders from Tahoka at 6:00 p. m. Coaching the Junior High boys this year is Bobby Dyess, summer graduate of Eastern New Mexico University, Portales, and a 1956 graduate of Spur High School. Following is the 1960 schedule for the Yearling football team: Sept. 20—Tahoka, Here. Sept. 27—Hale Center, Here. Oct. 4—Lockney, There. Oct. 11—Tulia, There. Oct. 25—Oilton, There. Nov. 1—Lockney, Here. Nov. 8—Dimmitt, There. All games will be played at 6:00 p. m. unless changed.

on Plant Supervision. He was accompanied by Dennis Barker and Jack Brown who also received the training offered by the conferences.

In 1960 Waldo attended a company-sponsored school for training in American Red Cross First Aid, covering standard, advanced, and instructors courses. He then supervised the training in teaching First Aid techniques to the employees and their wives at TU-

CO who were interested in such training.

Not only does Waldo take advantage of that training which makes him a better employee, but he also has other interests. He is the Cub Scout Master of our Abernathy Cub Scouts, giving much of his time to the training of these young boys. He is also interested in photography and has an interesting collection of pictures of which he has a right to be proud. Also, he is interested in guns and their collection. He doesn't hunt much but enjoys collecting and repairing all types of guns. We might also say he is very much interested in various

types of mechanics and if there is some household gadget that has failed to work, the password is—"Let Waldo fix it; I know he can do it."

This coming December Waldo will have served fifteen years as an employee of TUCO—a record to be proud of.

Betty McDowell has been known as Betty Cox since her marriage to Waldo in 1949. Betty and her family moved to Olton when Betty was five years of age, moving from Kerens, Texas. She completed all of her elementary, junior high, and high school training at Olton, graduating in 1944. From graduation she entered Wayland College at Plainview where she graduated in 1946, going to Hardin Simmons University from Wayland. There she worked toward her degree, being a senior and lacking fifteen hours of courses when she accepted a position of teaching at Hale Center. After teaching there one year she accepted a position as first grade teacher at Abernathy where she taught three years.

The Cox family are active members of the First Baptist Church where Betty is president and assistant teacher of the Rhoda Sunday School Class. She is also Social Chairman of the P.T.A. for the current school year. But Betty says her first and most important interest and hobby is her family, the second being her Sunday School Class. She also enjoys cooking, especially baking and making salads—and when she has the time she likes to do handwork. Just in case you would like to try one of Betty's good salads, we are passing the recipe for this pineapple salad on to you.

cup whipping cream and fold into mixture. Chill until firm.

For entertainment the Cox family enjoy outings of all kinds and also camping out. They also like to travel, stopping at every museum, historical place or "sight seeing" the spots that God has so beautifully placed on earth for us to enjoy. When they can find a good "family entertainment" movie, they like to go to the movies together.

Waldo and Betty Cox have two children—Rickey and Jerilyn. Rickey is ten years of age and in the fifth grade. He likes scouting very much, the country and all things pertaining to nature. His mother teasingly says he also likes eating and TV.

Jerilyn is seven years of age and is in the second grade in

school. She likes school very much, piano playing, and her tiny dog, Gin Jan.

Newsbits

The Carl Scott family is on vacation in Arkansas and while there pianist to help Patsy enroll in college at Searcy, Arkansas for the coming school term. Jim and his wife, Peggy, also are enrolling there for the fall semester.

Linda Monk is making preparations to enroll in West Texas State College for the fall semester. She begins official registration Monday.

Billy Rea Sterrett has returned to Austin where he plans to attend the University of Texas again this year. He is a member of the Longhorn Band, and begins practice sessions Monday.

TUCO employees are closing a

two-week period of bearing inspection of the plant with Mr. Morris Roquemore supervising the work. He represents the Westinghouse Manufacturing Company with offices at Dallas.

Jana, Dan, and Ann Apperson, children of the Kenneth Appersons have been visiting recently with their grandparents, Mr. and Mrs. A. L. Apperson of House 2, TUCO. The Kenneth Appersons reside in Dallas.

Linda Schreier is making preparations to return to Eastern New Mexico University for the fall term.

OPTOMETRY: The Art and Science of Visual Care

"Oh, what a shame!"

Jimmy had to put on glasses — and he's so young!"

"Yes, Clara, he did. But you know what Dr. Roberts said that such an eye problem as his couldn't have been corrected 25 years ago.

"Back in those days youngsters with Jimmy's eye problem grew up unable to do well enough in school to make passing grades. Then, children's chances of achieving much in life were very poor.

"Now, thanks to optometric science, Jimmy is able to learn and to adjust himself. We're SO grateful that optometry could provide him an equal opportunity to live a good normal life."

A professional optometric examination might mean the difference in your child's future.

COUNTRY GARDEN CLUB HAS MEETING

The first fall meeting of the Country Garden Club was conducted Tuesday afternoon, September 6, in the home of Mrs. Fred Blumenstock with Mrs. Shad-

den presiding in the absence of the president, Mrs. Frank Lovelace.

The program, Water and Soil Conservation by Mrs. J. L. Miller, Jr., and Insecticides and Fungicides by Mrs. J. H. Barnett, was given followed by a roll

call with each member participating.

Those attending were Mmes. Shadden, Barnett, Miller, W. A. Goeth, Dick Pharr, Clyde Rhodes, M. J. Thomas, Jack Barton, one guest, Miss Meta Ulrich of Lubbock and the hostess.

The next meeting will be Sept. 20 in the home of Mrs. Cecil Gar-

Hi-Lights From Junior High

Abernathy Junior High School Building was occupied by students on Tuesday, September 6, although the building was not 100 percent complete.

Some features that make this school attractive and highly functional as well as economical are as follows:

1. ROOF—The roof is of the over-hanging type on steel decking. There are no metal gutters and troublesome down spouts. The overhang adds to the attractiveness and protection of the building.
2. FLOORS—Corridor floors are terrazzo. Rest room floors are ceramic tile and all classrooms have vinyl asbestos tile coverings.
3. HEATING—The heating is by individual room unit ventilators. Hot water is piped to heat coils in the unit and fans blowing fresh air from the outside through the heat coils provide a circulating heating situation (at a later date this unit may be converted to cooling by pumping chilled water through the hot water pipes).
4. OPEN BREEZEWAY—Trimmed, glass breezeway sashes, and locking mechanisms have been eliminated. The resulting openings guarantee continuous free circulation. Attic fans pull stale air through special louvers out through the roof.
5. CEILINGS—Ceilings are suspended, acoustical, fiber-glass panels and continues through the breezeway opening into the hallway reducing the noise level.
6. WAINSCOT—Brick wainscot in the corridors and every classroom area provides an attractive and long-wearing feature with min-

imum maintenance and re-decoration expense.

7. LIBRARY—The library features a controlled open stack for books and functional furniture in an air-cooled area.

8. DRINKING WATER—All drinking water is refrigerated insuring a healthful quantity of water consumption by growing youngsters.

Venetian blinds have now been installed, but the chalk board manufacturer has not yet delivered the chalk boards. A few other small items are yet to be received also.

Wherever there is
a human need . . .
COOPERATIVES
CAN MEET IT

"I'm gonna be a farmer like my dad!"

Well . . . not quite!

This boy may stay on the farm all right, but there'll be many changes. Sons don't farm like their fathers did in this period of rapid change.

In his father's lifetime, for instance, bigger and better machinery has given him the power to farm more land in less time, with less labor. Electricity has taken over many of the back-breaking, time-consuming chores. New chemicals give him powerful weapons in the fight against insects and diseases. New fertilizers boost crop yields.

Cooperatives have played an important part. One kind of cooperative supplies electricity; another helps with credit problems. Purchasing cooperatives buy chemicals, gasoline, oil, feed and other supplies at more favorable prices. Marketing cooperatives help the farmer get more for what he sells. Insurance cooperatives provide lowest cost protection against hazards.

Cooperatives help the farmer benefit from change; turn progress into profits.

The advantages of employing cooperatives to get jobs done will belong to the son as they have to the father. That will not change . . . and the future is brighter because of it.

LIONS CLUB NEWS

Guest speaker at the Abernathy Lions Club noon luncheon at Graham's Restaurant Tuesday was the Lions District Governor, J. D. Dyer of Lamesa. Dyer is a former mayor of that city and has served as an alderman.

Dyer stated that it has been a pleasure to see the fine job that the Abernathy Lions Club is doing, and continued by listing the numerous campaigns they have sponsored and donation drives they have contributed to.

The theme of his talk was "Where Are You Going?" He stressed that the club should set certain goals for the coming year and work toward those goals. This is true not only in the Lions Club, but as individuals as well.

After the program, Lion Boss Pete Wilson expressed his thanks to those who helped with the serving of refreshments at the P-TA meeting Monday night at the school auditorium.

He then called on City Manager Paul Noland who read a Resolution to the Club which designated this week and next week as "Abernathy Clean-Up Weeks," and asked the local Lions Club to support such a drive.

Remember to call The Review, CY-8-2033, when you have news to report, or need an advertisement. We'll come to your place of business and help you prepare your advertisement. Review ads are read by 3,000 potential customers every week. Invite them to your place of business through Review advertising.

SIX HOME GAMES ON RAIDER CARD

LUBBOCK—If there's a home stadium advantage in football, Texas Tech's Red Raiders could spoil the Southwestern Conference title chances of two teams prominently mentioned for 1960 laurels.

Baylor University, the darkhorse choice of many, will be played in expanded Jones Stadium Oct. 15, and defending co-champion Arkansas will be met here Nov. 19.

A third Southwest Conference member, Southern Methodist, is slated for the Red Raiders' homecoming Oct. 22.

Rounding out a home card of six games are West Texas State Sept. 17, Tulane Nov. 5, and Wy-

oming Nov. 12. West Texas State and Baylor are the only night games at home.

On the road the Raiders play Texas A&M, Texas, Texas Christian, and Rice.

Coach DeWitt Weaver's Red Raiders will be making their Southwest Conference football debut, a goal set back in 1927.

For the first time in history, Texas Tech will have a major All-American first team selection in the person of center E. J. Holub. The choice of the Football Writers Association and NEA Service last year, Holub, 6-4, 215, has been picked on the pre-season All-American teams of about a half dozen magazines.
