THURSDAY, SEPTEMBER 29, 1960

NUMBER 47

AHS Band Wins First In Fair Parade

The Abernathy High School Band took first prize in Class AA marching in the Panhandle South Plains Fair parade Monday at Lubbock. Second place went to Denver City.

A check for \$100 was presented to Drum Majors Doyle Johnson and Peggy Evans by Dr. D. O. Wiley, chairman of the parade and former Texas Tech band director. The check has been deposited to the band's account to finance future activities.

The band marched 122 strong, and made a very fine showing, according to Everett Maxwell, band director. Only larger band in the parade was Texas Tech with 169. Littlefield was the winner in Class AAA. Hale Center in Class A, and Texico in Class B. Thirty bands were in the parade. Others in Class AA besides Abernathy and Denver City were: Floydada, Friona, Lockney, Morton, Oilton, Post, and Tahoka.

Band marching activities con-

tinued with performances at all football games, and will culminate with the annual marching contest which has been set for Tuesday, November 22, at Brownfield.

Johnny Cloud's Rites Set For 2:00 p. m. Today

LEVELLAND (Special) — Funeral services for Johnny Cloud, 50, of Leveland, who died about 2 a. m. Tuesday, are scheduled at 2 p. m. Thursday at the Leveland First Baptist Church.

Officiating will be Dr. Bill Cook, pastor, and the Rev. Joe Griffin, pastor of the First Baptist Church in Abernathy. Burial will be in Abernathy Cemetery under the direction of Sanders Funeral Home of Lubbock.

Cloud died in Phillips-Dupre Hospital in Leveland, following five days' illness. He was a field mechanic for Western Drilling Co., moving to Leveland four years ago from Abernathy, where he had lived since 1929.

Survivors include the wife; three sons, Charles of Seio, Ore.; Elbert and Richard, both of Leveland; four daughters, Mrs. James Harry, Salina, Kan.; Mrs. J. W. Skpper, Abernathy; Mrs. Tyrone White and Miss Johnnya Cloud, both of Leveland; two brothers, Floyd Cloud and Lee Cloud, both of Bentonville, Ark.; and seven grandchildren.

Baptists To Show Billy Graham's Movie, "Africa On The Bridge," Here Oct. 2nd

Billy Graham's historic 17,000 mile "Safari for Souls" across Africa, is the theme of a new feature length motion picture, "AFRICA ON THE BRIDGE," which has its Abernathy premiere at the First Baptist Church on October 2, 1960 at 7:30 p. m.

Photographed in authentic sound and natural color in seventeen principal cities across Africa from Monrovia, Liberia to Cairo, Egypt, the document captures the spirit of Africa during these current crucial years. Frequently called "The Awakening Giant," Africa is depicted to be in a transition period—on a bridge—between ancient tribalism and the shining goal of independence from colonial rule. During this significant period, American Evangelist Billy Graham was accorded an unprecedented welcome by Africans ranging from Chiefs of State down to

News From New Deal

A grain storage building, 100 ft. by 280 ft., is under construction at Marion Warehouse and Storage Company, in New Deal, T. J. "Red" Attebury, manager, reported that the building will have a capacity of about 600,000 bushels and when completed will push their total storage capacity of all the buildings to about 1,650,000 bushels.

It was estimated that the new building, which is located just north of the storage building which faces U. S. Highway 87, will be completed in about 40 days.

L. H. Holcomb To Celebrate 99th Birthday

Mrs. N. Matthews is holding open house Sunday, October 2, at her home honoring her father, L. H. Holcomb, on his 99th birthday. Friends are invited to call from 2:00 'till 5:00 p. m. that day.

Arthur Mahagan was taken to a Plainview hospital Monday by Dennis & Chambers Funeral Home ambulance.

Mr. and Mrs. D. W. (Dub) Crain and son of Amarillo were here last weekend. Dub is a former director of Abernathy school bands.

WAYLAND TRUSTEES TO MEET OCTOBER 4

Plainview (Special)—Approval of plans for groundbreaking for a women's residence hall and a third unit of married students apartments and reports from the Wayland Associates and administrators are on the agenda for the semi-annual meeting, Oct. 4, of the Wayland Baptist College Board of Trustees, according to J. D. McPhaul, Lamessa chairman.

Expected for this meeting is A. B. Reid, Abernathy, a member of the Trustee Development Committee.

The Lions Club meets on the first and third Monday nights of each month at 8 o'clock in the New Deal Clubhouse. A. L. Isom is president and J. J. Scharnberg is secretary. Members are urged to attend and visiting Lions are welcome.

Visitors here in the W. A. Henson and Royce Henson homes included Mr. and Mrs. C. B. Cultra and the Durwood Haun family of Denver, Colo., and the Henry Henson family of Denver City, Texas. The W. A. Hensons and Hauns spent several days at the Henson cabin at Possum Kingdom Lake.

MR. AND MRS. King Collins of TUOCO are pictured with their five children: Sean, 4, and Mike, 13, (seated), and Sally, 8; Pat, 7; and Carla 11, (standing, left to right).—(Staff Photo)

New Deal Lions Defeated By Springlake Wolverines, 26-12

Springlake's Wolverines, paced by Hal Hudson, skipped past the New Deal Lions 26-12 at Springlake last Friday night.

Don Enger of New Deal scored on a one yard plunge and a few plays later David Attebury ran 4 yards to score. Both touchdowns were made against reserves.

Hudson of Springlake scored three times. His first one was on a yard plunge in the first. In the second, he ran 6 yards and kicked the point.

In the third quarter, Springlake Sandy Sanders scored on a two yard plunge with Hudson running over the points.

Hudson got his last touchdown on a 44 yard run.

Hudson, a 160-pound junior carried 12 times and picked up 163 yards. He had one touchdown called back and a 60-yard run called back.

Attebury and Jerry Hogan were outstanding for New Deal.

The Lions will have an open date Friday, but will be back in action the following week when they open their conference season against Sands (Ackerly) there.

FIRST BALE GINNED AT ABERNATHY GIN CO.

Harley Franklin delivered Abernathy Gin Company's first bale of 1960 cotton Sept. 16, reported Ellis Turner, gin manager.

Franklin delivered 2,880 pounds of seed cotton which produced a 590 pound bale of lint and a remnant of 198 pounds. The cotton tested Strict Middlin, 15/16.

Turner reported that the bale was ginned free and Franklin was to receive 50 cents a pound for the bale of lint cotton.

Mrs. Charles A. Wynne underwent surgery recently at a Lubbock hospital.

Baptists Elect New Brotherhood Officers Here

(By REVA FLORENCE)

The Baptist Brotherhood met in regular session Tuesday evening, September 20, at the church. Through actions of the nominating committee, these new officers were elected for the coming church year: President, Willie Florence; Vice-President, Pete Gregg; Secretary, Maurice Tow; Royal Ambassador, Leader, the pastor, Joe R. Griffin; Christian Witness Leader, W. T. Settle; Personal Stewardship Leader, Joe Thompson; World Missions Leader, Gene McMaster; Song Leader, Billy F. Skipper.

These new officers assume their duties when the new church year comes into effect, which is October 1, 1960. This organization of the Baptist faith are to encourage enlistment, education, and service.

District Meeting

The Annual District Meeting of the Baptist Brotherhood is to be held at the First Baptist Church at Lubbock, October 11, with a goal of 2500 men present. The goal is being set that the Lubbock Association have 1,000 men present at that meeting. What a challenge! And what seeds for growth in church service could come from such a meeting of a group of men.

Andy Reid, Dist. President

The president of the Lubbock Association for the ensuing year happens to be our own Andy Reid who has given many hours of service through love to our church and to our community.

King W. Collins Jr., better known to his co-workers as Bill—has been with TUOCO of Southwestern Public Service Company since January 2, 1946, when he began as a maintenance laborer. March 1 of 1947 he was promoted to the position of Fireman. March 1, 1951, he became a Turbine Operator and at present is known as a Turbine Operator, or Control Room Operator.

Bill has taken advantage of the opportunities to improve his skills as a plant employee by taking part in First Aid Schools and other means of improvement. He, as have several of the other employees, has completed the four-year Plant Skill Improvement School and has received recognition for having served ten years with the company.

Bill was born at Goodlet, Texas, attending schools at County Line, Clovis, and Roswell, New Mexico. He served in the Navy during World War II. He is a member of the local unit of the American Legion, and is a past Noble Grand of the IOOF Lodge. Also, he is at present a Scoutmaster for a group of our local Boy Scouts. After his good luck fishing in the Gulf of Mexico this past summer,

Local Men Take Top Prizes At Tri-State Sorghum Head Show

Monroe Waits, local DeKalb dealer, prepared over 1,000 grain sorghum heads, which he and other local farmers produced, for entries in the Sorghum Head Show at the Tri-State Fair in Amarillo last week.

G. L. Manley, who farms east of Abernathy, was Grand Champion winner of the entire show with his entry of C-4 DeKalb. He was also winner of the Texas Custom-Division.

Waits took Reserve Champion honors in the Dealer Variety with an entry of F62.

Other local farmers winning placings in the show included: Jack Lee, Elmo Webb, Bill Wolf, O. A. Webb, Doyle Oswalt, J. V. Harkey, Jr., Ralph Davis, I. G. Holmes, E. A. Houston, Ted Watts, David Waits, Jake Vineyard, Harvey Lutrick, Norris Raymond and Guy Thompson.

For a complete listing of Divisions, with placings in each division, see Monroe Waits Farm Store ad on page 5 of this paper.

Mr. and Mrs. D. W. Williamson, Sr., of Clovis N. M., visited here early this week.

Sugar Beet Meeting Set For Oct. 4

A meeting, regarded as "highly important to area sugar beet growers" is to be held at 8 o'clock Tuesday night, October 4, in the Hale Center High School cafeteria, it was announced.

Present for the meeting will be Lee Benefield, president of the Texas Sugar Beet Growers Association, of Hereford, and also a lawyer from Hereford, it was reported.

All area farmers who are interested in the production of sugar beets are invited to attend.

TALK -- In Print

Lightning struck and killed three head of cattle recently in a pasture at the Horace Davis place east of town. One was a registered Angus heifer and the other two were large steers.

While exploring the vastness of Love Field's facilities at Dallas recently Clifford Conner found himself in a line of people who were shaking hands with Vice President Richard Nixon. He did, too. Clifford and his boss, Lloyd Givens, were waiting to fly home after viewing the 1961 model Ford automobiles in Dallas that day.

It's that exciting time of the year again... when new model automobiles go on display. Ford shows today and the Chevrolet and Mercury lines will be ready for public viewing early in October. All lines feature restyling for functional beauty. Chevrolet and Ford will have new offerings in the Corvair and Falcon lines, and Mercury will introduce two new lines. See all the new automobile and truck lines (Ford and Chevrolet) at Abernathy Motor Co. and Reid Chevrolet in Abernathy.

SELKE BOWLS THREE 200'S

Glenn Selke bowled three 200 score games Wednesday night, Sept. 21, in the mixed couples league at A-1 Lanes to chalk up a 600 series. He will receive a patch from ABC for the three games of the same score.

As an explanation to readers who are non-bowlers: It's a rare event to bowl three games of the same score, any score, large or small. C. J. Berutti bowled three 200-score games last year at A-1 Lanes.

CUNNINGHAM GIN CHANGES HANDS AND NAME

The former Cunningham Gin is now under new management and the name has been changed to Hygrade Gin, Inc. Two names have been added to the ownership—Henry Hortensine of Amarillo and A. L. Higgins of Abernathy. The name of Mark Hortensine remains as one of the owners. He also resides in Amarillo.

Mr. Higgins will manage the Hygrade Gin here and invites all those who have been ginning here under former managements to continue to bring their cotton to this gin as usual. He also invites as many others as will, to give him a trial of a few bales. He says the gin has been thoroughly overhauled and is in tip top shape for first class ginnings.

See his advertisement on page 9 of this issue.

LIQUOR VIOLATORS CAUGHT NEAR HERE

City Policeman John Marsh reported that two Negro men and two Negro women were arrested 6 1/2 mile north and one-fourth mile north of Abernathy Friday night. The two men were charged with transporting liquor and the women were charged with liquor violation, Marsh said.

Earl Holmes, Liquor Board Control, Lubbock, two highway patrolmen, and two Lubbock deputies made the arrests, Marsh stated. Marsh notified Holmes after a local farmer notified him of the "goings-on" in that vicinity.

Bob Reid, Chevrolet dealer at Leveland was here Monday on business with his brother Andy. Mrs. Alvin Dreesel was returning home Sept. 20 from West Texas Hospital, Lubbock, where she had undergone major surgery Sept. 13.

H. L. Hunley, foreman of Abernathy Motor Co. service department, attended a Ford Motor Co. school for mechanics in Dallas last week.

Adan Cavacos, an employee at Lon Cleaners, was taken to Methodist Hospital, Lubbock, Monday by Dennis & Chambers Funeral Home ambulance for treatment of a back injury.

Lloyd Givens, manager of Abernathy Motor Co., was in Dallas Friday to attend the dealer showing of the 1961 Mercury automobiles. The new models of 1961 Mercurys will be on display at Abernathy Motor Co. early in October.

Japanese Grain Study Team Visits Here

A six-man team of Japanese men, forming a Feed Grain Mission, visited here last Friday and were special guests at a noon luncheon that day at Graham's Restaurant. About 50 local farmers and businessmen were present for the luncheon, and heard the visiting men speak on their findings of the quality of grain sorghum in this area, what they desire in the way of shipments of grain sorghum to their country, and some background as to what extent the grain will be used and for what purposes.

Elbert Harp, local farmer and secretary-treasurer of the Grain Sorghum Producers Association, acted as host and also M.C.'d the program. First speaker on the program was Zenichiro Yasuda, Minister of Agriculture, Livestock Bureau, Tokyo, and head of the mission. Paul Y. Sone, secretary of the team and Assistant Regional General Director of the Wheat Association of the West, Tokyo, served as interpreter for Mr. Yasuda, and also for Shiro Kawada, President, Feed Manufacturers Association. The other speakers were Morihisa Emori, Chairman, Japan Cereal and Feedstuffs Importers' Association.

These men explained that the grain sorghum in this area is far better than they had anticipated; they are happy to have learned so much about grain sorghum since arriving here, and they plan to acquire as much additional information about it as possible.

It was stated that they feel that

(Continued on page 10)

BIRTHS

Mr. and Mrs. Buck Snider of Lubbock are parents of a daughter born Sept. 22. She weighed 6 pounds 7 1/2 ounces, and is a granddaughter of Mrs. and Mrs. S. H. Lebow of Abernathy.

Mr. and Mrs. Henry Wooten of Lubbock are parents of a daughter born Sept. 26. She weighed 8 pounds 7 1/2 ounces, and is the granddaughter of Mrs. Edward Myatt.

Kartway Park To Open Saturday

Abernathy's Go-Kart racing track has been in preparation for some time and has now been completed with the erection of lights for night racing.

Formal opening of the track is scheduled for Saturday night, October 1, announced Robert K. McAlister, one of four local men interested in the track. The other three men are Irvan Rhodes, Wayne Taylor and Joe Tom Brown.

McAlister announced that Trophy Races will be featured Saturday night, with 8:00 p. m. scheduled for all "A" and Super "A" Go-Karts.

The track is located in the northwest portion of Abernathy Airport section four miles east of town.

Al Owens, son of Raymond Owens, was under treatment in West Texas Hospital, Lubbock.

Local 4-H Boy Shows Top Gilt

Benny Lobstein, Abernathy 4-H Club boy, exhibited the Champion Sear's gilt in the District Sear's Show held Saturday, Sept. 24 in Lubbock. Benny, son of Mr. and Mrs. Wilburn Lobstein, was representing Hale County at this show.

Benny's gilt which was named Champion was a Poland China and was in competition with county winning gilts from 12 other counties in the district, representing most all the major breeds of swine.

Those attending the district contest were guests of the Sear's stores of Lubbock for a noon barbecue. The entire district program was held on the Tech campus at the animal husbandry livestock pavilion.

Hale County Show

Earlier in the week, on Thursday, Hale County held its County Sear's Show. Seven 4-H Club boys paraded their Sear's gilts for county honors before Lowell Richardson, assistant county agricultural agent in Lubbock County, who did the judging. Mr. Joe Cline of the Plainview Sear's Store was on hand to congratulate the boys and presented them their ribbons.

Placings in the County contest were as follows: 1st, Richard Montgomery, Abernathy; 2nd, Benny Lobstein, Abernathy; 3rd, Sammy Coleman, Fairview; 4th, Gil Hollingsworth, Hale Center; 5th, Robert Shackelford, Cotton Center; 6th, Gary Glidewell, Edmondson; 7th, Bart Montgomery, Abernathy.

Buddy Timmier, Hale Center, has the Sear's board.

DEALERS SEE 1961 CHEVROLET MODELS

Chevrolet dealers were given a preview showing of the 1961 Chevrolet models at a meeting in Oklahoma City, September 23. The new model Chevrolet automobiles will go on display at Reid Chevrolet here October 7, announced Andy Reid.

Those from here attending the Oklahoma City showing were Andy Reid, Edwin Crow and Morris Gist of Reid Chevrolet, and Joe Thompson, who has an interest in the Chevrolet dealership at Oilton, and R. S. (Bob) Reid, Choice Castle and Sam Langford of Bob Reid Chevrolet of Leveland.

ERROR MADE IN SHOOTING STORY

In last week's issue of the Review concerning the fatal shooting of a local Negro woman, an error in names of individuals concerned occurred. Information which appeared in The Review was obtained through usual channels, and we assumed it to be correct at the time it was published.

In the Review it was stated that Harvey Lewis, local Negro man, was involved in the struggle over a gun at a cafe in the southeast section of Abernathy. This was erroneous, as it was Charley Carruthers instead of Lewis, reported City Policeman John Marsh. After the woman was struck by the blast from the 12 gauge shotgun during the struggle over the gun between Carruthers and Alvin White (the latter being charged with murder with malice), Lewis put the woman in his car and tried in vain to reach a doctor before she died, Marsh said. Lewis was not involved in the affair in any other manner, it was reported.

Our apologies to Harvey Lewis.

Mrs. Shelby Pittman was a patient in West Texas Hospital, Lubbock.

'Lopes Play At Tulia Friday

The Abernathy Antelopes will travel to Tulia Friday night for their fifth and last non-conference game of the season. The Antelopes will be trying for their first win of the season as they battle the Hornets of Class I-AA who boast a record of three wins and one loss.

In their first game of the season, the Hornets downed Memphis 47-0, then belted Sunray 34-12 the following week. They lost their third game of the season to Lockney 6-20, then bounced back last week to defeat O'Donnell, 44-0.

Tulia is sparked by fullback Troy Brasher and other backs, Gary Don Haight, Paul Caraway, Richard Bales and Pat George, as well as linebacking guard Ralph Bates.

The Antelopes have lost three games and tied one this season. They were downed 18-6 by Dimmitt in the season opener, fell to

B-Team

The local B team will journey to Hale Center tonight for a tilt with the Hale Center B squad. The local B team battled Florsada's B to a 0-0 tie in their first game, then downed Lockney 13-6 here Sept. 15.

This will be their third game of the season.

Visit DeKalb Farm

Several hundred persons, including many local farmers, visited the research farm of the DeKalb Agricultural Association, Inc., near New Deal last Thursday during the firm's annual field day.

The tours were made on tractor-drawn trailers. Estimates of the total attendance ranged up to more than 800 persons.

Douglas Chapman, salesman for Abernathy Motor Co., attended a meeting in Abilene Thursday for Ford Motor Company salesmen.

Joseph G. Thomas of El Paso was here Saturday night. He is a former resident of this community.

Hale County Clerk issued a marriage license to Gable Johnson of Hale Center and Miss Allie Lew Manes of Abernathy.

Mr. and Mrs. J. L. Ellison have moved to Wells in Dawson County. He will keep books at the Wells Co-Op Gin. The C. W. PIPITman family has moved to the Ellison residence here at 509 12th St. Pittman is a teacher in the local schools.

Antelopes Outclassed by Strong Denver City Mustangs, 64-12

Abernathy's Antelopes were outclassed 64-12 by a powerhouse of Denver City Mustangs here last Friday night before an overflow crowd of over 2,000 fans.

The Antelopes definitely had a rough assignment as Mustang back Bert Gravitt reeled off long touchdowns runs behind the blocking of linemen, such as his twin brother, Bill, a 190-pound demon who was All-State last year, Mancel Dorethy, an All-State Plains guard, and also guard Jerry Cox.

The linemen mentioned above also played frequently in Abernathy's backfield, constantly giving the Antelope offense a hard time.

Look Good On TD Drives

Even though the Antelope defense could not hold the faster and stronger team, offensively they looked good on the two touchdown drives. Abernathy's first TD was by Jerry Grant, Buckley Johnson (10-yard pass from quarterback Gilbert Coats), and Jimmy Mobley. Johnny Fulbright was credited with six extra points and Grant with two.

Reserves See Action

Coach Curtis Deavenport just about cleared the bench Friday night as reserves saw plenty of action through most of the last half of the ball game.

Even though the Mustangs ran up a lopsided score, they only had four more first downs than the Antelopes, 16-12.

Mustang Touchdowns

Bert Gravitt was responsible for five of the Mustang's touchdowns, and two extra points, making TD runs of 49, 46 and 37 yards, and punt returns for TDs on 86 and 85 yards scampers. He also passed to Mike Hubbard for a 46-yard TD. Other TDs were made by Jerry Grant, Buckley Johnson (10-yard pass from quarterback Gilbert Coats), and Jimmy Mobley. Johnny Fulbright was credited with six extra points and Grant with two.

Reserves See Action

Coach Curtis Deavenport just about cleared the bench Friday night as reserves saw plenty of action through most of the last half of the ball game.

Even though the Mustangs ran up a lopsided score, they only had four more first downs than the Antelopes, 16-12.

TUCO Topics

(Continued from page 1)

he feels free to list fishing as one of his hobbies.

June Collins was born at San Diego, California, May 2, 1925, attending schools there. For two and a half years before her marriage she worked as a telephone operator in both San Diego and Lubbock. Her hobbies are sewing and knitting, but at present she does not have much time for hobbies because so much of her time is taken in caring for their five children plus attending a school of Vocational Nurse Training in Lubbock. Since this is a one-year course, she hopes to graduate in February, taking her State Board examination in March. This will qualify her as a licensed Vocational Nurse. June is also a member of the Rebekah Lodge Number 170 and at present is Conductress of the Lodge. Along with all these activities, the Collins family also are members of the First Baptist Church.

Bill and June are the parents of five children: Mike, Carla, Sally, Pat, and Sean. Mike is thir-

teen years of age and is in the eighth grade of our Junior High. He plays in the sports of both football and baseball, and plays the coronet in the Junior High Band. Mike is also active in Boy Scout work.

Carla is eleven years of age and a member of the sixth grade in our local schools; she plays the flute in the sixth grade band, is a Girl Scout, and a member of the G. A. (Girl's Auxiliary) organization of the Baptist Church.

Sally is eight years of age and is in the third grade of our Elementary School. She is also active in Scout work and is known as a Brownie.

Pat is seven years of age and began school this school term. He is very interested in school—and also very interested in becoming a member of the Cub Scouts.

Sean is four years of age and is called the little helper at home—but had rather play with his kittens and dog. His greatest desire recently has been to go to school with his big brother, Pat.

Thoughts of The Week After all: It is not the Flag we are ready to defend and fight for but what the Flag represents.

—William J. H. Boetcker We cannot legislate a good life

for our children, but we can leave them the possibility of making their own.

—Louis J. Halle

MAGAZINE GIVES PUBLICITY TO TUCO TOPICS

(Editor's Note: The September edition of THE SOUTHWESTERN, company magazine published by Southwestern Public Service Co., had the following comment on TUCO TOPICS, a feature currently appearing in The Abernathy Weekly Review. A picture of Mrs. Reva Florence, who writes the TUCO TOPICS column, also appeared in the magazine.)

The heading which you see just above, stands at the top of a column which makes our TUCO Plant unique among all those in the Company. It has its own news column in the local newspaper—in this case, the Abernathy Weekly Review. Reporter for the column is Reva Florence, wife of Willie Florence, assistant manager at TUCO Mrs. Florence attended Texas Tech before coming to TUCO with Willie, and she has had some teaching experience, so she can handle writing assignments. The column began in July.

TUCO has had an employee "camp" since beginning its operation, and is the last plant in the system to have one now. This type of housing, once very common in this region for power companies, oil and gas companies, is still in use to some extent. The growth in automobile ownership and increase of paved roads has reduced the necessity for camps, since many workers now live in towns near the station sites. However, some camps remain.

The TUCO camp today does not accommodate all the employees. Some live in Abernathy, but the many years of camp existence have fostered a strong family feeling among the group, making quite a community of interest. Mrs. Florence reports items of personal interest, like those we run here in the "Family Circuit," she usually also works in a longer story about a veteran employee, or perhaps an introduction to a new man and his family. This helps to acquaint not only his fellow employees, but also the people of Abernathy with the recent arrivals, and furthers public relations between the company and the town.

WELCOME TO MEETINGS

"Abernathy city council meetings are open to the public," said Mayor Edgar O. Graham, "and we invite interested citizens to sit in on these sessions," he added. (Regular sessions are held at 8 p. m. on the first Monday of each month in the city hall.)

DEPARTMENT OF PUBLIC SAFETY TO GIVE EXAMINATIONS

The Texas Department of Public Safety announced that applications will be received until October 1 to fill 120 openings in the DPS field services.

Field service examinations will be given October 4 in Tyler, Houston, Harlingen, Midland, El Paso, Lubbock and Waco.

Col. Homer Garrison, Jr., department director, urged young men between the ages of 21 and 35 to "take this opportunity to

serve your state and at the same time begin a life-time career of prestige and security as a patrolman."

He said application forms and full information can be obtained at any Texas Department of Public Safety field office, or by writing to department headquarters, P. O. Box 4087, Austin.

Music Club Opens Season

Abernathy Music Club opened this season's meeting in the City Hall Club Room Tuesday night with a "Music Potpourri" program directed by Mrs. Dean Sterling. This type program has become an annual tradition and each club member brings her own contribution.

Vocal selections by second grade pupils from the local school began this year's "Potpourri."

Other numbers which contributed in making an interesting program were:

An original composition by a local man, presented in duet form by two club members.

A clever pantomime complete with guitar.

"A Musical Romance" with script.

Medley of Hymns in pianist's own variations.

Piano and Accordion Selections.

Vocal solo of the program's theme, "September Song."

A Reading, "Music of the Ocean."

Coffee with cake squares bearing musical motifs were served to seventeen members.

Sharing hostess duties were Mrs. Floyd Mooneyham and Miss Alma Ruth Patterson.

The group will meet October 18 in the City Club Room with Mrs. A. F. Franklin and Mrs. E. O. Graham as co-hostesses, and Mrs. Joel Bray, director of the evening's program entitled "Sweet Adeline."

NEWSPAPER telephone number: CY-8-2883. The Review.

CONNYE CLEMENT
... Lions Sweetheart

Miss Connye Clement, 17-year-old daughter of Mr. and Mrs. W. C. Clement, was recently selected to serve as Lion Sweetheart of the Abernathy Lions Club for the 1960-61 year.

Miss Clement is a four-year member of the F.H.A., serving this year as 1st vice president. She was secretary of the club last year. She is also a member of the AHS Antelope Band, this being her fourth year in that capacity.

Miss Clement is a member of the Abernathy First Baptist Church and her church activities include being a member of the Y.W.A. and a member of the church choir.

Country Garden Club Meeting

The Country Garden Club met Tuesday afternoon last week in the home of Mrs. Cecil Gartin with Mrs. Frank Lovelace presiding.

Mrs. Lovelace gave the roll call "In the Beginning" followed by the colorful history of New Mexico and its Parks by Mrs. Cecil Gartin.

A film of interest on New Mexico was shown to nine members and one special guest, Mrs. Cave of Dallas.

Those attending were Mmes. Fred Blumenstock, Lovelace, Lloyd Edwards, J. L. Miller, Jr., J. C. Mills, Charlotte Goeth, Shadden, J. H. Barnett, and Gartin.

The next meeting will be at 2:30 p. m. October 4, in the home of Mrs. Frank Lovelace and a program and film of the Williamsburg of Texas will be presented.

TUCO Topics

(Continued from page 1)

he feels free to list fishing as one of his hobbies.

June Collins was born at San Diego, California, May 2, 1925, attending schools there. For two and a half years before her marriage she worked as a telephone operator in both San Diego and Lubbock. Her hobbies are sewing and knitting, but at present she does not have much time for hobbies because so much of her time is taken in caring for their five children plus attending a school of Vocational Nurse Training in Lubbock. Since this is a one-year course, she hopes to graduate in February, taking her State Board examination in March. This will qualify her as a licensed Vocational Nurse. June is also a member of the Rebekah Lodge Number 170 and at present is Conductress of the Lodge. Along with all these activities, the Collins family also are members of the First Baptist Church.

Bill and June are the parents of five children: Mike, Carla, Sally, Pat, and Sean. Mike is thirteen years of age and is in the eighth grade of our Junior High. He plays in the sports of both football and baseball, and plays the cornet in the Junior High Band. Mike is also active in Boy Scout work.

Carla is eleven years of age and a member of the sixth grade in our local schools; she plays the flute in the sixth grade band, is a Girl Scout, and a member of the G. A. (Girl's Auxiliary) organization of the Baptist Church.

Sally is eight years of age and is in the third grade of our Elementary School. She is also active in Scout work and is known as a Brownie.

Pat is seven years of age and began school this school term. He is very interested in school— and also very interested in becoming a member of the Cub Scouts.

Sean is four years of age and is called the little helper at home—but had rather play with his kittens and dog. His greatest desire recently has been to go to school with his big brother, Pat.

Thoughts of the Week
After all, it is not the Flag we are ready to defend and fight for but what the Flag represents.
—William J. H. Boetcker
We cannot legislate a good life

for our children, but we can leave them the possibility of making their own.

—Louis J. Halle

MAGAZINE GIVES PUBLICITY TO TUCO TOPICS

(Editor's Note: The September edition of THE SOUTHWESTERN, company magazine published by Southwestern Public Service Co., had the following comment on TUCO TOPICS, a feature currently appearing in The Abernathy Weekly Review. A picture of Mrs. Reva Florence, who writes the TUCO TOPICS column, also appeared in the magazine.)

The heading which you see just above, stands at the top of a column which makes our TUCO Plant unique among all those in the Company. It has its own news column in the local newspaper—in this case, the Abernathy Weekly Review. Reporter for the column is Reva Florence, wife of Willie Florence, assistant manager at TUCO. Mrs. Florence attended Texas Tech before coming to TUCO with Willie, and she has had some teaching experience, so she can handle writing assignments. The column began in July.

TUCO has had an employee "camp" since beginning its operation, and is the last plant in the system to have one now. This type of housing, once very common in this region for power companies, oil and gas companies, is still in use to some extent. The growth in automobile ownership and increase of paved roads has reduced the necessity for camps, since many workers now live in towns near the station sites. However, some camps remain.

The TUCO camp today does not accommodate all the employees. Some live in Abernathy, but the many years of camp existence have fostered a strong family feeling among the group, making quite a community of interest. Mrs. Florence reports items of personal interest, like those we run here in the "Family Circuit;" she usually also works in a longer story about a veteran employee, or perhaps an introduction to a new man and his family. This helps to acquaint not only his fellow employees, but also the people of Abernathy with the recent arrivals, and furthers public relations between the company and the town.

WELCOME TO MEETINGS
"Abernathy city council meetings are open to the public," said Mayor Edgar O. Graham, "and we invite interested citizens to sit in on these sessions," he added. Regular sessions are held at 8 p. m. on the first Monday of each month in the city hall.

DEPARTMENT OF PUBLIC SAFETY TO GIVE EXAMINATIONS

The Texas Department of Public Safety announced that applications will be received until Oct. 1 to fill 120 openings in the DPS field services.

Field service examinations will be given October 4 in Tyler, Houston, Harlingen, Midland, El Paso, Lubbock and Waco.

Col. Homer Garrison, Jr., department director, urged young men between the ages of 21 and 35 to "take this opportunity to

serve your state and at the same time begin a life-time career of prestige and security as a patrolman."

He said application forms and full information can be obtained at any Texas Department of Public Safety field office, or by writing to department headquarters, P. O. Box 4087, Austin.

Local ambulance telephone number: CY-8-2331. Dennis & Chambers Funeral Home.

Every service we offer is backed by experience. We're experts in our field, and our many regular patrons are our best recommendation.

Music Club Opens Season

Abernathy Music Club opened this season's meeting in the City Hall Club Room Tuesday night with a "Music Potpourri" program directed by Mrs. Dean Sterling. This type program has become an annual tradition and each club member brings her own contribution.

Vocal selections by second grade pupils from the local school began this year's "Potpourri."

Other numbers which contributed in making an interesting program were:

An original composition by a local man, presented in duet form by two club members.

A clever pantomime complete with guitar.

"A Musical Romance" with script.

Medley of Hymns in pianist's own variations.

Piano and Accordion Selections.

Vocal solo of the program's theme, "September Song."

A Reading, "Music of the Ocean."

Coffee with cake squares bearing musical motifs were served to seventeen members.

Sharing hostess duties were Mrs. Floyd Mooneyham and Miss Alma Ruth Patterson.

The group will meet October 18 in the City Club Room with Mrs. A. F. Franklin and Mrs. E. O. Graham co-hostesses, and Mrs. Joel Bray, director of the evening's program entitled "Sweet Adeline."

CARD OF THANKS

I wish to thank everyone who was so kind and thoughtful during the illness and following the death of my dear brother, Arch Riley. Your kind deeds and words were so helpful in my time of bereavement.

I cannot remember and name all, but I would like to express my appreciation to: Rev. Joe Griffin, Rev. Harold Poage, Mrs. J. L. Miller, Dr. Kenneth Gregory

and Staff, Men of the Brotherhoods of both churches, Dr. Croon and his nurses, Mrs. India Price, Mrs. Florine Forbus, Bill Riley and family, Joe Chambers of Dennis and Chambers Funeral Home, Rix Funeral Home, and to all for the floral offerings and the food brought to the home.

MONNIE RILEY.

Mr. and Mrs. J. C. Belt and Jerry Belt of Tulsa visited their son, Dick Belt, in Welch Sunday.

Mrs. Lee Roy Waters accompanied her father, G. W. Stout, to Baylor hospital where he will receive a checkup.

Mr. and Mrs. D. F. Overstreet of Gorham are visiting in the home of their son, Mr. and Mrs. L. S. Overstreet this week.

Frank Stuart of Lubbock visited Sunday in the home of his uncle Rev. and Mrs. O. N. Reed.

C. P. Loyd was in Wichita Falls on a business trip last week.

Mr. and Mrs. Udell Adams and children spent the weekend visiting her mother, Mrs. M. D. Anderson in Amarillo.

Mrs. Elmer Robinson and children of Cisco spent the weekend with her mother Mrs. E. L. McGaugh.

Mr. and Mrs. S. P. Castleberry left Saturday for El Centro, California, when they received word of the serious illness of their daughter Mrs. Joe Goldston at her home in El Centro.

Mr. and Mrs. H. G. Timms visited in the home of their daughter, Mrs. Bill Carnes in Slaton Sunday.

Mr. and Mrs. Roger Castleberry of Oklahoma City visited relatives here last week.

Attending a District Lay Leaders meeting in the New Deal Methodist Church Monday night were Lawrence Amerson, Clayton Enger and Bill Harrison.

Mrs. Carlton Starkey of Lubbock visited in the Mrs. C. S. Smith home Saturday.

The mid-week prayer service was dismissed Wednesday night at the Methodist church when several of the members attended the Evangelistic Rally held in Lubbock Municipal Auditorium.

Miss Thomas and Mr. Darter Wed In New Jersey

RAMSEY, N. J. (Special)—First Presbyterian Chapel was the scene of a double ring wedding ceremony read at 4 p. m. Friday for Miss Anness Thomas daughter of Mr. and Mrs. J. Morris Thomas of Abernathy, Texas, and Charles Wade Darter, son of Mr. and Mrs. Clarence L. Darter of Childress, Texas.

The Rev. John K. Highberger performed the ceremony. The bride was given in marriage by her father.

She wore a suit of romance blue Italian silk. It was fashioned with a portrait collar, three quarter sleeves and a semi-fitted jacket above a slim skirt. Her matching veiled hat was trimmed with blue velvet. Her corage was of white feathered mums.

Miss Nancy McCallum of New York City was maid of honor and Bob Carpenter of Pennsylvania was best man.

The couple will live in Paterson, N. J. The bride graduated from Texas Tech and recently completed a dietetic internship at the Bronx Veterans Administration Hospital in New York. She is employed by St. Joseph Hospital at Paterson.

He is a graduate of Texas Tech and is serving with the U. S. Army at Franklin Lakes, N. J. The bride's parents drove to New Jersey for the wedding, then flew back.

W. S. C. S. NEWS

The Methodist Woman's Society of Christian Service met Monday, September 19, at 2:30 p. m. in the church. The devotional was brought by Mrs. Harold Davis with prayer led by Mrs. J. B. McClure. Special music was brought by Mrs. F. W. Struve.

Mrs. R. A. McAlister presided over a short business session. A program was presented by Mrs. L. A. Suttle, Mrs. Harold McCune and Mrs. A. L. Stone Jr., leaders, with each member present taking part. Benediction was by Mrs. McAlister.

Those attending were Meses Ray Pinson, F. A. Goebel, M. M. Bell, Finis Robertson, Harold Davis, Auvie Johnson, R. A. McAlister, F. W. Struve, L. A. Suttle, J. B. McClure, A. L. Stone Jr., W. M. Medlin, J. C. Mills, J. W. Davis, Harold McCune, J. P. Nystel, E. B. Lindsey, Elton Suttle, and George England.

Next regular meeting of the Society will be held at 2:00 p. m. Oct. 3, in the church.
Mrs. M. M. Bell, Reporter

Abernathy 8th Grade Yearlings Down Tahoka Eighth Graders Here, 14-0

The local eighth grade Yearlings defeated the eighth graders from Tahoka, 14-0, here last Tuesday night, displaying some fine football playing.

The visiting team received the opening kickoff but were unable to maintain the ball very long before the Yearlings took a strong defensive hold and gained possession.

The Yearlings had driven to the Tahoka 3 yard line when the first quarter ended. Then in the second quarter, six points were placed on the scoreboard when Joe Sandeval scored Abernathy's first touchdown. The conversion try failed and Abernathy led 6-0, that also being the halftime score.

The second half score was made early in the final quarter, with Jake Mallow having the honors on a 36-yard scamper. Sandeval added the extra points to make the score 14-0 in favor of the Yearlings.

Abernathy had three touchdowns called back because of penalties. Tahoka was held scoreless by the Yearling's fine defense.

Outstanding players offensively, for the Yearlings were Jack Mallow, Jim Owens and Joe Sandeval. Defensively, the whole Yearling line was a standout, with

Jim Owens making several outstanding tackles as a line backer.

Following is a list of boys playing on the eighth grade team:

Backs—Earl Brown, Terry Turner, Arnulfo Garza, Frank Garcia, Vincent Vecchio, Jake Mallow, Barry Selke, Tommy Adkisson, Jim Owens, Joe Sandeval, Ray Lardy, Mike Collins and Larry Blumenstock.

Center—James Wade and Ronnie Murray.

Guards—Santos Ramirez, Mar Poage, J. Frank Jackson, Ronald Stillwell, Charles Barrick, Nathan Knight and Eddie Winton.

Tackles—Sandy Downs, Larry Northcutt, and Bill Lee.

Ends—B. O. C. Paxton, Jimmy Vannoy, John Reagan, Steve Monk, and Junior Vecchio.

Coaching the Junior High team is Bobby Dyess. Managers for the eighth graders are Joe Rex Thames, Gerald Amerson and Bill Forbes.

THANK YOU
I sincerely thank everyone who has been so kind and thoughtful since the accident. I appreciate your visits while I was in the hospital and after I returned home your letters, cards and flowers.

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you . . . and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease rucks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford . . . beautifully proportioned to the Classic Ford Look . . . beautifully built to take care of itself.

'61 FORD

ABERNATHY MOTOR COMPANY

CY-8-2821 — Ford Dealer — Abernathy, Texas

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

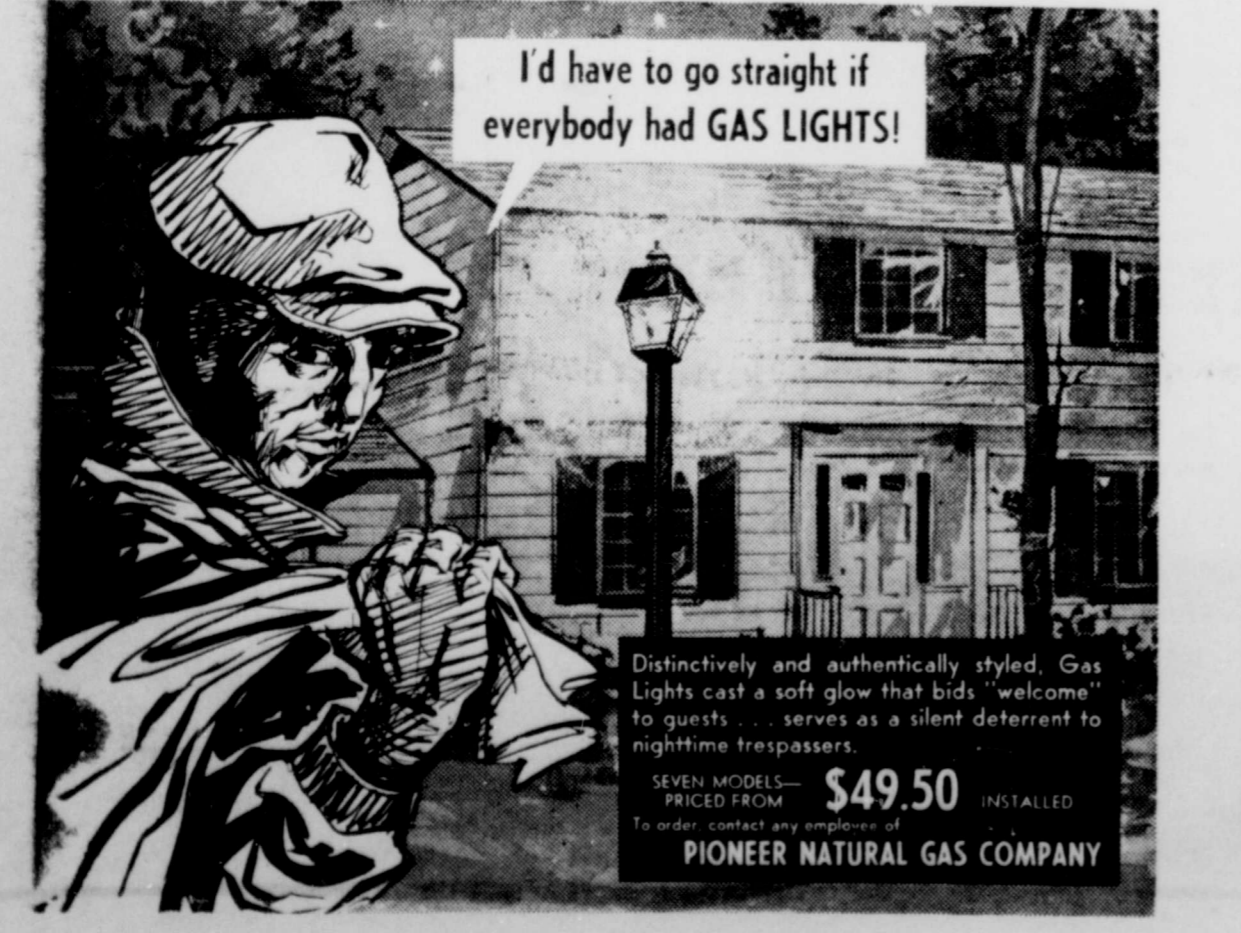

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

I'd have to go straight if everybody had GAS LIGHTS!

Distinctively and authentically styled, Gas Lights cast a soft glow that bids "welcome" to guests . . . serves as a silent deterrent to nighttime trespassers.

1960-61 AHS Senior Class Elects Officers

MIKE RITCHEY
... Class President

NEAL HUMPHREY
... Vice President

DIANN OWEN
... Secretary

RONALD BARRICK
... Treasurer

BARBARA PHILLIPS
... Class Reporter

LUCRECIA CRENSHAW
... Annual Representative

Officers of the AHS Senior class for the 1960-61 school term were chosen in a class meeting on September 13, and are pictured above. They are: Mike Ritchey, president; Neal Humphrey, vice president; Diann Owen, secretary; Ronald Barrick, treasurer; Barbara Phillips, reporter; and Lu-

crecia Crenshaw, Annual representative. Also chosen during the class meeting were the class sponsors and class parents. Chosen as sponsors were: Mr. Waydelle Hill, Mrs. Bettie Hardin, Mrs. Florine Forbes and Mrs. Fayna Drummond. Mr. and Mrs. Fred Exum

and Mr. and Mrs. Pete Burnett were chosen as class parents.

The class is looking forward to another wonderful year. The senior rings have been ordered and should be in around the 21st of October.

The class, at this time, has an enrollment of 58 including three new students—Deanna Clark from New Deal, Pat Simpson from Lakewood, and Benny Reedy from Petersburg. We would like to extend a big welcome to our new seniors.

Barbara Phillips, Reporter.

Wanda Lee Smith S-Sgt. Freddie King Are Wed In Lubbock

Mr. and Mrs. Mancel Smith announce the marriage of their daughter, Wanda Lee to S/Sgt. Freddie E. King of Centralia, Illinois.

The couple were married in Lubbock at 3:00 p. m. Saturday, September 24.

S/Sgt. King is presently stationed at Reese Air Force Base. The couple will make their home in Lubbock.

7th Graders Tie Tahoka Team, 8-8

The seventh grade Yearlings of Abernathy battled the Tahoka seventh graders to an 8-8 tie here last Tuesday evening in their first ball game of the season.

After returning the opening kickoff to their own 40 yard line, the Yearling blockers did some fine work and two plays later Tony Lujan broke loose on a 55-yard jaunt to the goal line. However, the Yearlings were offside and the ball was brought back.

It was the second quarter before any score reached the scoreboard. Abernathy's Bobby Knowles broke through for a 20-yard scamper which resulted in the touchdown. The conversion was also good and the Yearlings led at halftime, 8-0.

The second half was dominated by the Tahoka team running wide plays and completing short passes. The visiting team managed to score a TD and also made their conversion try good to knot the score at 8-8.

Outstanding offensive players for the 7th grade Yearlings were Tony Lujan and Bobby Knowles. Defensive standouts were Bobby Knowles, Gail Smith and John Burns.

Players on the 7th grade roster are:

Backs—Larry Gist, Terry Barton, Bobby Knowles, Terry Winton, Tony Lujan, Lee Roy Williams, Mike Tammill, Pat Hale, Michael Lardy and Johnny Ponce. Center—Randy Evans.

Ends—Edward Shadden, James Healy, Lane Wade, Dennis Bristow, Harry Overstreet, Ronald Preston, Mike Skipper and Julian Lugo.

Tackles—Johnny Peters, Johnny Burns, Jimmy Joy, Jim Barton, Larry Crowder and Jimmy Franklin.

Guards—Gene Hale, Mike Pettit, Gail Smith, Bill Crites, Larry Durrett and Bobby Favor.

Managers are Joe Ramirez, Mike Johnson and Randy Downs.

The Junior High Teams will travel to Lockney Tuesday evening, October 4, for their first out of town game this season.

FIELD DAY OCTOBER 6 AT NEW STATION

Hale County farmers will have a look at the new Texas Experiment Station in Lubbock this year for the first time.

County Agent, Ollie Limer, states that the annual field day will be held Thursday, October 6 beginning at 9:00 a. m. A discussion will be held in the afternoon.

This is the first year at the new location north of Lubbock 8 miles on Highway 87, the first road going east after crossing the overpass just north of Lubbock, will take you to the headquarters.

All farmers and businessmen interested are encouraged to attend especially for the tour that morning.

NEWSPAPER telephone number: CY-8-2683. The Review.

City Garden Club

The City Garden Club met in the city club room at 3:00 p. m. Sept. 22.

Mrs. S. O. Gowen, of Lubbock, gave a constructive talk with demonstration on dried arranging.

"Its simple and takes very little time to dry your leaves with glycerine and water, your flowers with borax and corn meal. It's a very interesting past time," said Mrs. Gowen. She showed many different kinds of beautiful leaves and flowers that she had processed. Also lovely arrangements she had made from her dried materials with driftwood and different kinds of containers were shown.

Mrs. Edith Vaughn and Mrs. Frank Bartlett were voted in as new members.

Cake, coffee and punch were served by the hostess, Mrs. B. H. Beard to the guest speaker, Mrs. S. O. Gowen, Mrs. Earl Allen of Lubbock, a visitor, and club members, Mmes. G. B. Adkisson, M. M. Bell, T. A. Brewster, T. O. Brown, H. B. Coggins, W. V. Halford, Edd Heath, Edwinn Hardesty, S. R. Jackson, A. B. Myatt, Harlow Neis, H. H. Selke, C. C. Shipman, Floyd Shipman, R. B. Smith, J. C. Veach, H. H. Vineyard and Orval Weak. Mrs. S. R. Jackson, Acting Reporter.

JUNIOR HIGH SPLITS WINS WITH HALE CENTER

Abernathy's seventh and eighth grade Yearlings played host to the Hale Center teams here Tuesday night, the local seventh graders taking a 2-0 victory and the eighth graders falling to the visitors, 20-12.

Boy Scouts

King Collins, Scoutmaster, reported that nine local Boy Scouts and three adults left here last Saturday morning bound for Camp Post for an overnight campout.

Boys making the trip included Ronnie Wynne, John Reagan, Tommy Adkisson, Barry Selke, Mike Collins, Gary and Frederick Benn, Toby Taylor and Lindsey Webb.

Two of the boys earned Merit badges while on the overnight campout. Mike Collins got his Camping Merit Badge, and Barry Selke got his Cooking Merit Badge.

Other adults besides Collins who went to Camp Post that morning were Owen Benn and Glenn Selke. Dwayne Taylor and Wesley Webb arrived that afternoon, and the five took part in "Show-and-Do," a course for adults. The course started at 9:00 that morning and ended around 9 o'clock that night, Collins said.

Collins stated there were around

100 adults at Camp Post from surrounding towns.

The Scouts broke camp Sunday morning and arrived back in Abernathy around noon that day.

Collins said that Saturday, October 8, has been tentatively set for another overnight campout. This time they plan to go to the Boy Scout Camp near Silverton, he said.

(From Last Week)

Cobra Patrol

In the Cobra Patrol we made plans for the coming Saturday camping trip to Silver Falls.

There will be a Patrol meeting at Barry Selke's home Thursday (today) after school. All boys interested in Scouting are invited.

Barry Selke, Scribe

Silver Wolf Patrol

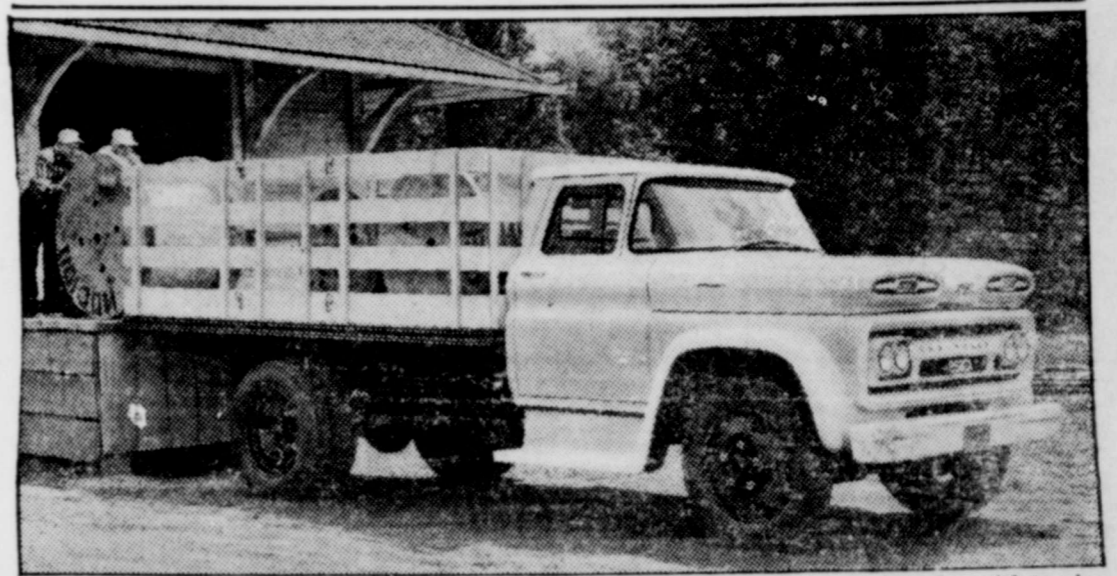

Present for the Patrol meeting were Tommy Adkisson, Patrol Leader; Lindsey Webb, assistant Gary Benn; and Mike Collins; and new Scout, Jay Johnson. The main topic was the Saturday campout menu.

1961 Chevrolet

Trucks Feature Proved Design

Continuation of the highly successful suspension system introduced last year, moderate front style changes, and refinements in chassis and cabs mark the 1961 Chevrolet truck line. Proved by one full year of customer use, the suspension features independent front springing with torsion bars and rear coil or variable rate springs. Cab improvements include a smaller floor tunnel in some models for increased leg and foot room, and an optional six-inch thick foam rubber seat.

**LCC Associates Of
Abernathy Host Luncheon**

The Abernathy Chapter of the Lubbock Christian College Associates was the hostess chapter at the annual luncheon and the first meeting of the Associates this fall on September 12 at the Lubbock Christian College Cafeteria.

The autumn motif was carried out in the center piece for the head table using burnt orange as the predominant color. Each ta-

ble, of which there were 24, had a center piece of autumn leaves and pine cones.

The speaker for the luncheon was Brother Roy Osborne from San Leandro, California. Brother Osborne, among his many interests, teaches two classes at San Quentin each week. He praised the Associates for the work that is being done here in this area and stressed that the work done was not only for the benefit of our own children but for generations to come. He said that in this

**CONSUMERS FUEL ASS'N.
IMPROVES FACILITIES**

Consumers Fuel Association has enclosed the portion of their building that has been just under a roof on the south side of their building. The tire changing facilities will be moved into this new room and out of the office and sales room. The car hoist is in the newly enclosed addition and will be improved by the addition of late model attachments to fit new model car axles. The new addition will allow the sales room to be better arranged and also much quieter.

work that we were fulfilling our responsibility to society, and that one trait which was characteristic of every criminal was his lack of a sense of responsibility to society around him.

The Abernathy Chapter was praised highly by Dr. Mattox for the work done, as this chapter raised more money than any of the other chapters working on the Five Talents Project this summer.

There's more to the production of a bale of quality hay than just planting and mowing a field of forage. George McBee, extension pasture specialist, said that hay quality is affected by harvesting, curing and fertilizer use. The crop should be harvested before it reaches the mature stage, cured as rapidly as possible and fertilize just the same as other crops.

O. Box No. 1818, Washington 5, D. C. (9-7-61)

**Letter Writing
Week Is Set
October 2-8**

The 23rd annual Letter Writing Week will be celebrated in Abernathy, Texas during the week of October 2 to 8, it was announced by acting postmaster Herbert Hardin.

Acting Postmaster Hardin noted that there has been a revival of personal letter writing during the

last few years. "A letter remains the most economical, longest lasting, and sincerest means of extending greetings, communicating social news, and exchanging ideas," the Acting Postmaster said.

During Letter Writing Week, Acting Postmaster Hardin suggested that individuals write at least two letters: one to a friend or relative from whom you have not heard in a long time, and the second as a reply to a friend or relative who recently wrote to you. He also

urged correspondence to people in other countries as a means of promoting greater understanding among the people of different nations.

The slogan of this year's event, as indicated on more than 200,000 banners is "Letters are Links to Friendship." The display materials will appear on post office bulletin boards, and rural carrier vehicles, as well as in various schools and libraries.

**TELEPHONE NUMBER
IS CHANGED**

Dan Blanchard, City Policeman and Hale County Deputy, has a new telephone number, which local citizens should write in the back of their telephone books. The number is CY 8-2342, and is an extension from the office of the Justice of Peace, Blanchard said.

**'61 CHEVY
TRUCKS**

WITH WORK-PROVED
INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

Possibility Of Sugar Beet Processing Plant On The South Plains Foreseen

(By O. F. REA)

The U. S. Agriculture Department's sugar division called a meeting of the National Beet Growers Federation and other interested parties on September 19, in Denver, Colorado, to consider the present acreage allotment which is due to expire and suggested such acreage allotment be changed or extended and changed at the next session of Congress October 3, 1960. The federation includes 19 grower associations in 11 states.

Presently, and has been for some time in the past, the acreage of sugar beets grown is tightly controlled by the industry through acreage allotments under the Federal Sugar Act. The acreage increase under present law allows for only two tenths of an acre per new applicant. This very effectively eliminates any new acreage as about twenty-five acres is the minimum that is profitable to grow. The Sugar act has been extended by congress until March 31, 1961. Lawrence A. Myers, head of Agriculture Department's sugar division declared that there was little if any reason to doubt that the sugar act will be extended by the next congress.

Some members of the Federation favor continuing the restrictions at a relatively high level while others advocate removing all

restrictions on the 1961 crop. Prominent among these are the growers from California and the Red River Valley area of Minnesota and North Dakota. These were joined by a number of presently non-growers. These representatives advocated letting the manufacturers contract with whoever wanted to grow beets. These two groups have generated considerable pressure on the Agriculture Department's sugar division of the stringent regulations. Lawrence A. Myers, head of the department's sugar division, advised the industry to consider carefully the pressure for new beet acreage in areas where no factories exist for processing beets.

Should Congress for any reason not extend the sugar act there will be serious supply problems in April and May according to Myers.

The hearing produced general agreement that a relatively large beet sugar production is needed in 1961. Most of the representatives present seemed to favor a maximum 10 percent increase, on the basis of existing factories. Should sufficient increase in acreage be allowed to justify the building of a new factory there is a possibility that it could be located on the plains and possibly here on the south plains. This area is very well adapted to the

growing of sugar beets as the sugar content is generally above the national average.

Abernathy has only two beet growers at present. One of them and nine other interested Abernathians attended the meeting in Denver to acquaint themselves

with the possibility and probability of growing more beets in this immediate area. The Hereford area was also represented. There is ample room for acreage increase in Texas as the total Texas allotment is only 1,803 acres, with practically all of it here on the plains.

Should a sugar factory be placed here on the plains it would mean a \$15,000,000 investment and require about three years to construct. There would be a valuable addition to the economy here on the plains as it would increase the payroll and taxes collectable and bring in a large amount of money from the beet crop.

Interested parties are working hard toward this end, as it requires about 18,000 acres to support a sugar factory. This could help to relieve the excess of cotton and maize. Area farmers interested in growing sugar beets are asked to contact any of the following men who were present at the above meeting:

Sam Williams, Jack Barton, Joe Barton, Don McKenzie, Joe Lovelace, Virgil Rhodes, Harvey Lutrick E. B. (Chub) Braly, Billy Houston and J. C. Mills.

This should be done at once because Congress meets Oct. 3, and any interest should be manifested now in order to be presented to the Congress this next session to have any bearing on action to be taken.

A total of 15 Hale County men attended the Denver meeting. Homer Garrison of Plainview acted as spokesman for the group. "This is the first time," said Garrison, "that a national body has taken a look at new growers and the first time that there has been general talk in terms of new refineries in new areas."

**LCC ASSOCIATES
OF ABERNATHY
HOLD MEETING**

The regular meeting of the Lubbock Christian College Associates of PTA was held in the Club Room of the City Hall on Tuesday, September 13, at 9:30 a. m.

A report was given on the pancake breakfast which was held August 30. \$113.00 was cleared on the breakfast and a sincere thank you is expressed by every member of the group to those who made this breakfast such a success.

Also, a report was given on the summer project, called the Five Talents. It was reported that a total of \$500.00 was raised here in Abernathy, and the college decided to buy a grand piano for the reception room of the girls dormitory with this money. The Associates here in Abernathy are very proud of this accomplishment and wish to express a big thanks for the cooperation that they have had from the whole town. This could not have been done without it.

We know that LCC will grow into a college that this whole area will point to with pride with this kind of cooperation. Also, work is being done to send to the gift fair to be held in November. A building will be rented in down town Lubbock to display the handiwork of the many women over the area who will donate to this fair. The Abernathy Chapter of the Associates or PTA asks that anyone who is interested in making a donation to this gift fair please contact Mrs. Bobby McAlister. We know that there must be those of you who have handiwork, such as canned goods, that

Class On Civil Defense Will Be Taught Here

The need for personal and family preparedness in the event of disaster from nuclear attack sparked the interest of 50 Hale County citizens who two weeks ago completed an adult course in Civil Defense Education taught by Clark Titus, consultant with the Texas Education Agency, Austin.

Frank Bartlett, Abernathy Junior High teacher, was one of 26 Hale County teachers who completed the instructor's 15-hour course and received certificates to conduct other similar classes in the technique of survival from man-made and natural disasters.

For those who wish to study the techniques of survival Mr. Bartlett will teach a 12-hour course

giving a student's certificate to those who complete the full course. He has made arrangements with the Abernathy Volunteer Department to teach such a class to members of the department starting in November. The members agreed to meet once each week for six weeks to complete the 12-hour course. After the fire department finish the course, Mr. Bartlett will then be available for instructing others interested in taking such a course.

The instructor will present each enrollee with a free manual and other material for future reference. He will make use of films, slides, film strips, charts and tape recordings to make the lessons graphic and interesting.

Hale County people who attended the class taught by Mr. Titus in Plainview, September 1-6, represented the various communities in the county. Twenty-eight individuals completed the 12-hour course and received the student's certificate which is granted by the Civil Defense Division of the Texas Education Agency.

The citizens class in Plainview had a total enrollment of 74. Other Abernathy residents who attended the first meeting were Fire Chief Charles E. Crow and City Manager Paul D. Noland.

DRUM MAJORS—Pictured above are the drum major and assistant drum major of the 1960-61 AHS Antelope Band. Peggy Evans, left, daughter of Mr. and Mrs. M. D. Evans, is the assistant drum major. Doyle Johnson, son of Mr. and Mrs. L. L. Johnson, is drum major. These two senior students are starting their second year serving in these positions.

DRIVE SAFELY — The best safety known device is about nine inches above your shoulders.

Eligibility Of Young Voters

With reference to those who have reached voting age this year, may I refer such ones to Section 33' (Art. 5.01), to wit:

"And who is exempt from the payment of a poll tax by reason of the fact that he or she has not yet reached the age of twenty-one years on the first day of January preceding, but who shall have since become eligible to vote by reason of length of residence or age, shall not later than thirty (30) days before any election at which he wishes to vote obtain from Assessor and Collector of Taxes for the county of his or her residence a certificate of exemption from the payment of a poll tax, and no such person who has failed or refused to obtain such certificate of exemption from the payment of a poll tax shall be allowed to vote."

This information has been copied from the Texas Election Laws by James I. O'Neill, one of the local election judges, for the benefit of those concerned.

The certificate of exemption may be acquired from the office of the Hale County Tax Assessor and Collector in the courthouse at Plainview, or by writing Marshal Surratt, Hale County Tax Assessor-Collector, Plainview, Texas, or the Lubbock County tax office if you reside in that county.

DRIVE SAFELY — You're never safe enough to afford one careless moment.

NEWS from the High Plains Research Foundation

Dr. D. G. Langham, President of the International Sesamum Foundation, announced that Dr. Earl Collister, Chief Agronomist and Assistant Director of the High Plains Research Foundation, has been named an Honorary Trustee of the International Sesamum Foundation. He is one of three scientists throughout the world to be honored by such an appointment.

Dr. Collister's appointment came in recognition of his pioneer research work in the development of improved varieties of sesame. The varieties developed by Dr. Collister have been distributed to scientists throughout the world as part of an effort to further sesame production in countries where there is a great need for food crops.

The Administration Headquarters for the International Foundation is located at Milford, Connecticut, and the Directorate office is in Maracay, Venezuela. The purpose of this Foundation is to conduct world research in this crop, to provide a central exchange headquarters for research information and seed stocks, to evaluate and develop uses of the crop and to promote additional research on a world wide basis.

Dr. Collister produced the first variety of sesame that was grown commercially throughout Texas in 1953. He is conducting a breeding program with sesame at the High Plains Research Foundation. There are 895 strains in the 1960 breeding program. The 1961 breeding program will be enlarged with over 1000 different strains to be furnished by scientists in several foreign countries.

Mr. Harold Hinn, Chairman of the Board of Trustees of the High Plains Research Foundation, stated that the Board was very pleased over the honor bestowed on Dr. Collister.

DRIVE SAFELY — A 'tight nut' at the end of a steering wheel isn't a safety device.

Africa Movie ...

(Continued from Page 1)

the general population of bush, desert and jungle. A total of 500,000 persons attended outdoor mass meetings with nearly 35,000 inquirers remaining for further help and instruction.

"AFRICA ON THE BRIDGE" has great pictorial scope, ranging from sequences depicting primitive village life to scenes of modern city and industrial activity. Exciting and colorful pagan rites and ceremonies are featured, together with some of the most remarkable big-game footage ever filmed.

Climaxing the story of the spiritual trust of the Billy Graham Team is a tribute to the missionaries, whose years of faithful labors were in a large measure re-

sponsible for the spiritual harvest experienced by the Evangelist. Missionary leaders and ministers joined with State and Civic officials to extend the invitation for Mr. Graham to visit the Continent.

"AFRICA ON THE BRIDGE" was directed by Dick Ross and produced by World Wide Pictures, the organization responsible for such well-known films as "THE HEART IN A REBEL", "SOULS IN CONFLICT", "OILTOWN, USA", "MR. TEXAS", and many others, with newest dramatic color feature scheduled for October release, "SHADOW OF THE BOOMERANG", starring Georgia Lee and Dick Jones.

W. L. Watts has moved to 911 3rd Street.

Right-Of-Way Warrants Issued

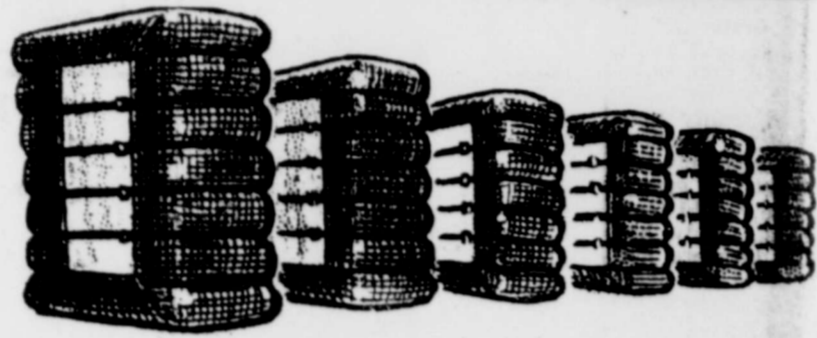

The Hale County Commissioners Court two weeks ago completed issuance of the \$300,000 right-of-way warrants validated June 15, 1959. County Treasurer M. L. Rea ordered a semi-annual payment of \$875 interest due.

Mr. Rea said all of the money obtained from the warrants except about \$300 had been spent in obtaining right-of-way for the U. S. 87 by-pass at Plainview for right-of-way for improving the same highway in Hale Center and Abernathy, between those points and for lateral road rights-of-way.

The warrants are held by First Southwest Co. and bear 4.50 per cent interest. The first payment of the principal in the amount of \$5,000 is due June 15, 1961.

The commissioner's approved purchase of a loader for Precinct 1 for \$6,750 plus a trade-in.

Present for the session were Judge Lee Nowlin, Commissioners J. W. Odell, Rayburn Karrh, Doc Brown and Homer Roberson and County Clerk Mildred Tucker.

Men with a mission

These men are directors of a cooperative.

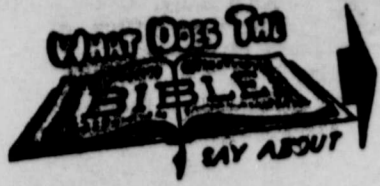

They were elected by fellow members because of their stature in the community, because of their business ability and vision, and because they are devoted to the cooperative way of doing business.

They guide the affairs of a concern which may serve thousands of customers. Their duties are the same as directors of any other corporation but their rewards are different.

Their mission has but one purpose. It is to operate a business that serves its customers and its community better.

"PREACHING AN UNCHANGING GOSPEL"

BY ROY DEAN VERNER
Reading Time: 4 Minutes

A great challenge of Christianity is to preach an unchanging gospel in a changing world. We live in an age of constant change. Our grandparents marvel at the ease and luxury in which we live. Modern conveniences are certainly vastly different from the "new inventions" our ancestors bragged about. Our modern postal system makes the Pony Express seem centuries ago—instead of just 80 years in the past. The progress of the automobile and airplane industries far exceed the first dreams of Henry Ford and Orville Wright. Grandmother's black wash pot, lye soap and scrub board have given way to automatic machines, detergents and a clothes dryer. In the midst of this stepped up living one is not surprised to hear some preacher say, "We need a 20th Century gospel for a 20th Century people." God forbid. What we need more than anything else is the first century message for this chaotic, sinful age. It is the only hope of the world.

Paul said that anyone who preached a different gospel from the one he delivered would be accursed (Gal. 1:8), and Jude, verse 3, instructs us to contend for the same faith that the Apostles delivered. It is indeed a sobering responsibility in such a changing world. But, it is a thrill unsurpassed to stand before a group of people—whether it be

four or four thousand—and know that one is preaching the same thing that Paul, Stephen, Philip and Peter proclaimed in the long ago.

Paul charged Timothy, "Preach the Word" (II Tim. 4:2), however one cannot preach what he does not know. For this reason Paul said, "Study to show thyself approved unto God a workman that needeth not to be ashamed, rightly dividing the word of truth" (II Tim. 2:15). Peter told his readers "To be ready to give an answer of the hope that is in us" (I Pet. 3:15). Knowledge of what the gospel is cannot be overemphasized.

To the brethren at Rome Paul wrote, "For I am not ashamed of the gospel of Christ; for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek. For therein is the righteousness of God revealed from faith to faith; as it is written, The just shall live by faith." (Rom. 1:16, 17).

Since the gospel is God's way or method of saving man it must be preached in its fullness. There can be no alterations, or changes in any way. A lost and dying world can be saved if all preachers will meet this challenge—to preach a changeless gospel in a changing world.

Pro Basketball Game Set Oct. 4

Although football season is just getting underway, basketball will take over a share of the area sports spotlight on the night of Oct. 4 when the St. Louis Hawks meet the Cincinnati Royals at Lubbock Coliseum.

This will be the lone Texas appearance by these two NBA clubs, and will give South Plains cage fans an opportunity to see some of basketball's all-time greats in action. Among the stars due to perform in the Lubbock game are Bob Pettit, Clyde Lovellette and Cliff Hagan of St. Louis, and Oscar (Big O) Robertson and Jack Twyman of Cincinnati, to name only a few.

Tickets for the Lubbock game are priced at \$3.00, \$2.50 and \$2.00, with choice seats still available. In addition, there is a special student rate of \$1.00 for end zone seats, provided student tickets are bought prior to the date of the game. To order tickets now, fans should mail a check to Pro Basketball, Box 5002, Lubbock, Texas.

News About Men In Service

GRAFENWOHR, GERMANY (AHTNC)—Army Pvt. Eddie R. Peters, 17, son of Mr. and Mrs. Herschel T. Peters, 1309 Fifteenth St., Abernathy, Texas, is participating with other personnel from the 3d Armored Division's 503d Military Police Company in a field training exercise in Grafenwohr, Germany. The exercise is scheduled to be concluded Oct. 1.

Some 15,000 troops and more than 1,000 tanks and armored personnel carriers of the division will maneuver over the rough and hilly terrain of the training area. This exercise is typical of the constant training conducted to determine that all units in the NATO shield of defense in Europe maintain a high rate of combat efficiency.

A military policeman in the company in Frankfurt, Peters entered the Army in October 1959 and received basic training at Fort Ord, Calif. He arrived overseas in March of this year.

Peters attended Abernathy High School.

Hale Accident Report Given

The Highway Patrol investigated 13 rural accidents in Hale County during the month of August, according to Sergeant D. S. Lawson, Patrol Supervisor of this area.

These wrecks have accounted for 4 persons killed, 16 injured, and a property damage of \$8,930.00.

This brings the total for the year in this county to 4 persons killed, 45 injured, and property damage of \$30,559.00.

Prior to the first of this month there had been a total of 1,088

fatal accidents in Texas. These tragedies resulted in 1,342 persons losing their lives.

The back to school bell has already sounded for Texas school children. They will be using our highways and streets to and from school. Motorists should drive with more caution and care than ever before.

Fifteen persons were killed and 240 injured in rural traffic accidents involving school busses in Texas during 1959.

Remember, no one has a child to spare!!

The 1960 Ginning Season Has Opened At

HYGRADE GIN INC.

From Boll To Bale

Our Gin Is In Top Condition
And Ready For The New Ginning Season.

We are confident of our ability to give you TOPS in ginning service, as well as TOPS in Turn Out and Sample.

In addition to having our plant thoroughly overhauled, tuned and ready to go, we have a trained crew to operate the plant. Our office staff is experienced in handling all the paper work on your cotton and seed.

WE WILL BUY YOUR COTTON

Or will handle the details of placing it in the Government Loan. We are also a purchasing agency for your "A" plan cotton.

To all the farmers served in the previous seasons, we invite you to come back this year. To the new farmers in our community, we solicit your business. Give us a trial run of bales to gin. We believe you, too, will be pleased with the service we offer, and the good job our gin plant will do in providing the best possible turn out.

Scouting the BEST

Clyde L. Prestwood, General Chairman, announces plans for the ANNUAL CUB SCOUT LEADERS POW-WOW, to be held on Saturday, October 8 at the South Plains Junior College in Levelland. Prestwood says, "The Cub Pow-Wow is the finest training experience offered to all adult leaders in the Cub Scouting program and each leader from over the 20-county area of the South Plains Council should make every effort to attend this Pow-Wow."

Registration will begin at 1:00 p. m. in the foyer of the Administration Building and the Pow-Wow will conclude about 8:00 p. m. This Pow-Wow type training experience will include: a large midway filled with numerous Cub Scout exhibits, displays, and demonstrations; intensive training in Games, Pack Administration, Handicraft, and Ceremonies, the four main areas of Cubbing program. The Pow-Wow will conclude with the evening meal and a typical Cub Scout Blue & Gold Banquet.

Chairman Prestwood reports people assisting him with plans for promotion and conducting the Cub Pow-Wow; Mr. and Mrs. Dale Hunicutt of Lubbock, Games Section; Harold Vinson of Idalou, Handicraft Section; Elmer Watson of Petersburg, Ceremonies Section; Jim Cox of Ralls, Pack Administration Section; Cecil Haney of Levelland, Midway Chairman; Bob Simpson of Lubbock, Exhibit Section; Dr. W. S. Deel of Levelland, Blue & Gold Banquet Program; Wilburn Wheeler of Levelland, Physical Arrangements; Jim Harvey of Lubbock, Promotion and Attendance; A. L. Fisher of Levelland, Trading Post.

Chairman Prestwood reports plans all ready and complete for the Pow-Wow, which promises to be bigger and better than ever before; expecting over 300 adult Cub Scout Leaders.

Grain Team . . .

(Continued from page 1)
In the near future garin sorghum will take the place of as much as 15 to 20 percent of the corn which is now imported to Japan from the U. S. and other countries. (Japan now imports about 1,000,000 tons of corn per year, they stated.)

However, the primary concern is the moisture content of grain sorghum during the trip by sea to Japan. They would like for the grain to have a moisture content of not over 13%, they said. They also mentioned the possibility of transporting by rail from here to the Pacific to be placed on ships there rather than going by ship from Corpus Christi, Galveston, Houston or New Orleans, thus they stated.)

LIONS CLUB NEWS

Program Chairman Arno Struve introduced Virgil Rhodes as guest speaker at the Lions Club noon luncheon at Graham's Tuesday. Rhodes and his wife recently made a flying trip to South America. During the trip they made numerous pictures of various sections of South America and points of interest.

At the Lions meeting Tuesday Virgil presented a descriptive, informative and interesting narrative along with the pictures. Pictures shown were made in and over Peru, (after flying to Mexico, Mexico City and Central Amer-

ica, across the Andes Mountains to Brazil, with several pictures made during tours in Brazil. From Brazil they flew to the Island of Trinidad, Porto Rico, Florida, and then back to Abernathy.

Rhodes is owner of Hi-Plains Aviation at the airport section four miles east of town.

15-Year Awards
At the noon luncheon last week, Lion Boss Pete Wilson announced

saving several days of shipping time.

Harp stated that the GSPA is at present trying to get the railway officials to set an export rate from here to the west coast. Others from Japan were Harujuro Kotake of the Feed Department, National Farm Cooperative Association, and Kohji Yamamoto, Mill-feed By-Product Producer's Association and Feed Manufacturer.

Also present were A. P. McWilliams of Plainview, president of the Hale County GSPA and a director of the National Association, and B. M. McGinley, field representative for the GSPA.
