

Abernathy B Team To Play Hale Center B Here Tonight

Lose To Floydada, 20-12

The Abernathy Antelope B team will play host to the B team from Hale Center tonight (Thursday), the game beginning at 6 p. m. The local B team previously defeated the Hale Center team Sept. 29, 26-12.

First Loss
Abernathy's fine Antelope B team took their first loss of the season last Thursday night here at

the hands of the Floydada B team, 20-12. The Abernathy lads had previously battled the Floydada B team to a 0-0 tie at Floydada in their first game of the season.

Floydada scored twice in the first quarter, the first coming on a two-yard plunge after Abernathy lost the ball on a bad snap from center on a punt attempt. Their second touchdown came on a 20-yard run after Floydada recovered an Abernathy fumble. Extra points tries after both touchdowns failed, and Floydada led 12-0. Abernathy scored in the second

period when halfback Joe Ybarra broke through the Floydada defense and raced 55 yards to the goal line. The try for extra points failed and Floydada still led 12-0.

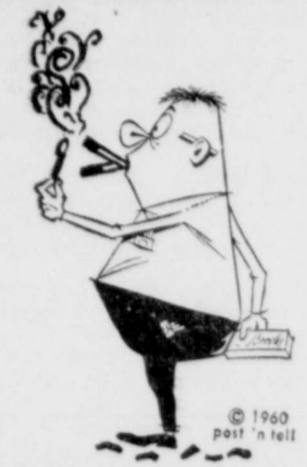

Abernathy tied up the game in the fourth quarter, 10-10. Ritchey, who saw action at both the quarterback and halfback positions. The EP try again failed.

Floydada went ahead for the victory in the last 26 seconds of the game on a 45-yard pass play. They added the extra points to take the win, 20-12.

17 See Action

Seventeen local B team boys saw action in last Thursday night's game. They were: Bobby Pettit, quarterback-halfback; Tom Ritchey, quarterback-halfback; George Reagan, fullback; Richard Saari and Joe Ybarra, halfback; Ben Templeton, center; Billy Jack Hackler, Ray Ingram and John Saari, guards; Charles Wisdom and Randy Henson, tackles; Billy Barrick and Ray Don Habbings, guards; Jim Stillwell, Clinton Stokes, Douglas Simpson and Kenneth Reedy, ends.

3 More Games

The local B team has three more scheduled games after tonight. They are to play Olton here next Thursday, Oct. 20, will travel to Lockney the following Thursday, Oct. 27, and will end their season at Olton Nov. 3.

The local lads have a 2-1 record.

GUARD AGAINST FIRE DAMAGE

College Station — What would you and your family do in case of a fire? Do you have any emergency plan? The Texas Farm and Ranch Safety Council says that if every member of the family knows what to do in case of fire, severe property damage or even loss of life may be prevented.

The Councilmen urge families to work out a simple emergency plan that is understood, and even rehearsed periodically, by all members of the family. Basically, the plan should involve calling the fire department, getting the family to safety and saving animals or farm livestock.

The more isolated your place is, the more important it is to have fire-fighting equipment on hand. Such common tools as rakes, axes, shovels, a ladder and garden hose are valuable for fighting small fires. It is also a good idea to have commercial fire extinguishers handy. Dry chemical or carbon dioxide extinguishers should be available for use on flammable liquid or electric fires, the Council says.

Another valuable fire-fighting aid is the farm pond or irrigation canal. If pumps are available, water sources such as these could mean the difference between light and heavy losses. High-pressure

orchard sprayers can also double as fire-fighting equipment.

Avoiding fire hazards is also a vital part of safeguarding your home from damage, the Council points out. Care should be taken in house planning and construction, in installation and use of electrical appliances, and in such every-

day activities as trash disposal, use of flammable liquids, and power equipment operation.

Portion Of Old Nazarene Church Is Relocated

A portion of the old Nazarene church building which the school purchased about two months ago, located just south of the old Junior High building on the south-east corner of the same block, was recently relocated on the East Ward campus.

The remaining north section of the building that was not moved will be relocated north of the new bus barn for storage purposes.

stated Noel Johnson, school superintendent.

The original church building, containing about 4,500 sq. ft. of floor space, and the two lots, were sold to the school for a total price of \$7,500.00 by the Nazarene church group.

OPTOMETRY: The Art and Science of Visual Care

You can be SURE . . .

that there is a never-ending research into the problems of vision.

For instance, research conducted at Purdue University shows that some nearsightedness comes from too much visual tension, in reading and studying, in the early school years. And, that temporary preventive bifocal or training lenses can, in many cases, reduce that tension. Thus, nearsightedness may be halted or even prevented.

Cooperate with your professional optometrist if he prescribes preventive bifocals for your child. He is practicing preventive vision care.

Information On Child Labor Law And School Attendance

(EDITOR'S NOTE: The following information was furnished by Abernathy Public Schools Superintendent, Noel Johnson).

School patrons are reminded of the Federal Law as applies to child laborers. Basically, the law prohibits persons under 16 years of age to be engaged in work during school hours on days that school is in session in the school district in which they reside.

The Federal Law makes the employer liable and responsible and there are no exceptions, exemptions. School officials have no authority to grant any kind of exceptions to the law. This is being printed in Spanish also so that Spanish-speaking persons may understand that it is useless to make applications to any school authority for exceptions to this law.

Los patrones de la escuela son avisados de la ley Federal que se aplica a los trabajadores hijos. Basicamente la ley se prohíbe a los jóvenes bajo la edad de 16 años trabajar durante las horas en que la escuela esta en sesión en el distrito en que viven.

La ley federal hace el amo exento de una pena y obligado, y no hay de excepciones ni exenciones. Los oficiales de la escuela no tienen la autoridad en alguna circunstancia ni otra conceder un permiso de algun modo a facilitar los años se relevan de ese obligacion. Este articulo se publica en español para que pueden entender los que hablan español que es inútil hacer aplicaciones a las oficinas de la escuela para excepciones a la ley.

Information On Student Accident Insurance Plan

(EDITOR'S NOTE: The following information was furnished by Noel Johnson, superintendent of the Abernathy Public Schools).

For several years the Abernathy School District has sponsored a Student Accident Insurance Plan as has many other area schools.

This service was initiated originally to help defray medical costs to students participating in athletics but grew into a plan that could be purchased by all students voluntarily.

This year as has been the case for the past two previous years the School Board selected the insurance carrier that writes over 80% of the Student Insurance in Texas. Like most insurance of this nature the policy is limited. The following excerpts are from a letter that goes out with each claim form.

1. Under no circumstances is a tax supported governmental subdivision, such as a public school, ever legally liable for medical attention to its employees, students, or third parties under the Texas statutes.

2. If the patient has or indicates that he has insurance coverage procured through voluntary student insurance plans or athletic benefit plans, it is still a prime responsibility of the doctor and parent of the student to make satisfactory arrangements for the payment of the medical bills.

3. The school provides necessary data on company claim forms and responsibility thereafter will rest with the parent and the doctor.

4. Negative X-ray is \$5 maximum. Office calls are limited to \$5 for the first visit and \$3 for all subsequent visits on the current plan.

The School Board and School Officials would like to be relieved of providing a service that often causes misunderstanding such as the Student Accident Insurance Program does and as the benefits become more limited, the premiums become higher, or both, the program will probably be discontinued.

MIRIAM CLASS MEETING

The Miriam Sunday School class of the First Baptist Church had their first meeting of the new year in the home of their teacher, Mrs. J. L. Miller, Jr.

Marsha Taylor presided at the business meeting and the following officers were elected: President—Edwina Anderson; Vice President—Mavy Kay Berutti; Secretary—Billie Rae Matthews; Treasurer—Peggy Davis; Devotional Leader—Martha Struve; Social Leaders—Carolyn Forbes, Janet Linton and Joyce Moore; and group captains—Marsha Taylor, Virginia Davis and Mary Ann Williams.

During the business session, secret pal names were drawn and the class named selected. After the meeting, supper was served to the following members: Edwina Anderson, Mavy Kay Berutti, Peggy Davis, Carolyn Forbes, Billie Rae Matthews, Joyce Moore, Martha Struve, Marsha Taylor and Mary Ann Williams.

MERCURY PRICES LOWER FOR 1961 NEW MODELS

Prices of the 1961 Mercury start at \$2,417, a major reduction from the lowest priced 1960 Mercury, according to Lloyd Givens, manager of Abernathy Motor Co. This is \$214 below the lowest priced 1960 Mercury. The decrease becomes even greater — \$299 — when the two models are equipped with radio, heater, white wall tires and automatic transmission.

The lowest priced Mercury for 1961 is the Meteor 600 two-door sedan with a six-cylinder engine. Mr. Givens said, "It has a suggested retail price of \$2,417. The suggested retail price is the vehicle price shown on the price label affixed to each car, it does not include state and local taxes or transportation charges which vary from location to location."

"The 1961 Mercurys include two new series, the Meteor 600 and the Meteor 800. They are priced to compete with the middle and top series of the low-priced field," Mr. Givens said. "The Monterey is the top series in the 1961 Mercury lineup. The new Mercurys are on display now at Abernathy Motor Co."

"All optional equipment that people buy most often is priced lower than last year," he said. "The suggested retail price for the Mercury push-button radio is \$65.00, down \$21 from last year, automatic transmission for the V-8 is \$189.60, down \$41.70, power steering \$81.70, down \$24.50 and heater and defroster \$75.10, down \$3.60."

In addition to its V-8 engines for 1961, Mercury offers a six-cylinder engine for the first time.

The new Mercurys include such cost saving features as extension by the dealers of their warranty to 12 months or 12,000 miles, whichever comes first, and 30,000-mile chassis lubrication, Givens said.

LIONS CLUB NEWS

Phil Sterrett, program chairman at the Lions Club noon luncheon at Graham's Restaurant Tuesday, turned the program over to Leland Phillips, manager of the Abernathy Co-Op Gins and De-Linting Plant, who in turn introduced the guest speaker, Wilmer Smith of New Home.

Mr. Smith, a cotton farmer at New Home, is President of the Board of Directors of the New Home Co-Op Gin; President of the Board of Directors, Plains Co-operative Oil Mill, Lubbock; Vice President of the Plains Cotton Growers, Inc., Lubbock; is director of the Central Bank for Co-operatives, Washington, D. C.; is a member of the Board of Trustees of Texas Technological College, Lubbock; is President of the American Cotton Growers, Memphis, Tennessee; and is one of the 18 members of the By-Partisan, National Agricultural Advisory Committee, for President Eisenhower.

Mr. Smith's topic, quite naturally, was about cotton, the price support, acreage allotments, the "A" and "B" plan, surplus, production, and how cotton and farming affect the economy of America.

The outlook for cotton farmers to receive better prices or more acreage allotment is not too bright at this time. It is expected that the parity will be about 10% lower this next year than it was this year, Mr. Smith stated, with the possibility of less acreage allotted also.

The farmers produce food and fiber, from which many industries produce by-products, Mr. Smith stated.

In stressing the fact that the entire economy of America depends upon the agricultural economy of our country, Mr. Smith stated that aside from defense, farmers are the biggest users of steel, petroleum products, and chemicals than any other one industry, and added that the farmers can lead our country into or out of a depression.

AHS Band To Present Special Halftime Feature Friday Nite

A fire-baton twirling routine will be a featured part of the high school band's half-time show at the game with Morton Friday night, stated Everett Maxwell, Band Director. Lights will go out and the majorettes, Shirlee Nesbitt, Linda Faver, Diann Owen, Jan Exum, and Lucrecia Crenshaw, will twirl special batons which have the ends soaked in a mixture of gasoline and kerosene. The band will perform two new precision drills set to new music. Preceding the game, the band will undergo an intensive inspection by two Lubbock band directors, it was stated. They will be checked for condition of uniform and instrument, posture, courtesy, and response to commands. Buck Cecil, manager of the local bowling lanes, will award a certificate good for one line of free bowling to the eight members of the "sharpest" rank, Mr. Maxwell reported.

Class representatives of the band elected last week were: Jerry Givens, senior; Porky Tennell, junior; Gid Addison, sophomore; and Henry Northcutt, freshman.

COUNTRY GARDEN CLUB MEETING

The Country Garden Club met Tuesday, October 4, in the home of Mrs. Frank Lovelace. A Memorial service for Mrs. Thea Rantz was given by Mrs. Lovelace who gave a poem "In Memory" followed by prayer.

Mrs. Fred Blumenstock, chairman of the program committee gave tentative plans for the next club year. Work shop plans were changed to October 18, and a covered salad luncheon will be held in the home of Mrs. J. L. Miller, Jr.

Mrs. Fred Blumenstock gave "The Williamsburg of Texas" and Mrs. J. H. Barnett gave the roll call "As a Farm woman thinks." The program was concluded with films by C. J. Pharr.

Those attending were Mesdames Otey Shadden, C. J. Pharr, J. C. Mills, J. H. Barnett, Charlotte Goeth, Fred Blumenstock, J. M. Thomas, Lloyd Edwards, J. L. Miller, Jr., Roy Matthews, and two special guests, Mrs. Kit Medlin and Mrs. Lillian Potec of Lubbock.

FRIENDSHIP NIGHT HELD AT ABERNATHY ORDER OF THE EASTERN STAR

Mrs. Beulah Speer, Worthy Matron and Mr. Brooks Speer, regular Patron, presided at the regular stated meeting of the O. E. S. at the Masonic hall last Thursday night. This meeting was devoted to friendship night.

Guests were registered by Mr. and Mrs. Bill Richter, and presented programs in the shape of a western boot.

A salad supper was served as guests arrived. Tables were laid with red and white checked tablecloths. Lanterns and logs decorated the tables. Hostesses were Mmes. Hazel Blumenstock, Marietta Bartlett, Cecile Pettitt, Cleo Thomas and Faye Oldham. Western dinner music was furnished by Mrs. Annie Williams and Mr. George Hughes.

The chapter was decorated in all western atmosphere. Wagon wheels with fall foliage entwined were placed around the room. A cowboy mannikin hung in one corner, lanterns hung from the ceiling and candles were used for lighting. A large wash pot boiled in the center of the room and Wanted Posters were hung on the walls. Mrs. Helen Reagan and Mrs. Dortha Deering were in charge of the decoration.

Mrs. Pauline Smith, Past Grand Matron, Mrs. Molly Goodpasture, member of the Transportation and Mileage Committee and Mrs. Mildred Basinger, Deputy Grand Matron, District 2, Section 4, all of the Grand Chapter of Texas, Order of the Eastern Star, were introduced and welcomed by the Worthy Matron.

Fifty present Matrons and Patrons and past Matrons and Patrons were present and were welcomed.

A gift presentation was made. Kenneth Phillips, Associate Patron, retired the old flag while Mrs. Annie Williams played "The Star Spangled Banner." Brooks Speer, Worthy Patron and Mrs. Mary Will Lambert, Marshal, presented the new fifty star flag. Mrs. Eliza Rae Matthews, Jr., Past Matron, and Ralph Davis, Jr., Past Patron, gave a short address stating they were giving this flag as a gift from them to the Order of the Eastern Star and the Masonic Lodge.

Past Matron and Past Patron certificates were presented to Mrs. Eliza Rae Matthews, Jr. Past Matron and Ralph Davis, Jr. Past Patron.

A program was presented under the direction of Mrs. Edith Lovelace. Ms. Lavena McMenamy of New Deal gave a reading, "Family Goes On a Picnic." Mrs. Inez Grant, of Leveland drew a beautiful ranch scene, with chalk, while Mrs. Annie Williams played "Home on the Range." Mrs. Myrna Davis gave a reading "The Worthless Matron." Mrs. The Phillips, Associate Matron, sang "The Way of the Cross Leads Home," while Mrs. Inez Grant drew this scene.

After the program refreshments were served in the dining hall. Guests were present from Mt. Sylvan, Freedom, Truth, Lubbock 76, O'Donnell, Lamesa, Brownfield, Idalou, Popesville, Levelland, Hale Center, Petersburg and Floydada. One hundred and fourteen attended.

Girl Scouts

Girl Scout Troops 95 and 92 enjoyed an overnight trip to Camp Rio Blanco near Crosbyton. They left after school on Friday and returned Saturday afternoon.

The girls surprised Judy Kiker with an impromptu midnight party and birthday cake to celebrate her birthday on October 5.

On Saturday Troop 92 took part in "Operation Conservation." They were joined by over 700 other Jr. Hi Scouts. Troop 95 assisted the men directing the program in building water diversion dams, filling gulleys with brush, and clearing and marking native trees.

Those enjoying the outing were: Marsha Taylor, Ruthie Beaton, Peggy Evans, Linda Turner, Kay Powell, Betty Ann Sterrett, and Judy Kiker. From Troop 95, Ann Lovelace, Peggy Carter, Mary Tucker, Cindy Hurt, Janet Rhodes and Linda Hindman. Janie Phoebe was a guest.

Mrs. Joe Lovelace and Mrs. Phil Sterrett accompanied the group.

Children's Photos To Be Made

The time is almost here for the opening of this newspaper's Big Child Photograph Contest, and we're urging all of our readers to have their children ready for the big day.

Winston B. Lucas of Irving, Texas, will be in Abernathy on Tuesday, October 18 at Goebel Variety, 10 a. m. to 6 p. m. for the purpose of taking pictures in this vicinity.

In addition to having their pictures printed in this newspaper, the children will be competing for \$20.00 in prizes which are being offered for the three best photographs made during the day.

The photographs will be made absolutely free of charge, and there is no charge for their publication in The Weekly Review. Proofs will be shown and from these you may select the picture of your child which you would like to appear in this newspaper. If you wish extra photographs, they may be purchased, but no purchase is necessary in order to have your child's picture printed in this newspaper, or in order to compete for the prizes. It is entirely up to you, whether you buy pictures or not.

There is no age limit on the contest, and every child's photograph in this section is wanted so that they may appear in The Weekly Review. However, it is necessary that all pictures must be of uniform size, so they must be made by Winston B. Lucas on Tuesday, October 18.

Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper—make plans now to have these photographs made on Tuesday, October 18. Tell your friends and neighbors—the more the merrier.

VOTE FOR TEXAS

RICHARD M. NIXON, candidate for President, is a Californian, but he thinks the Texas way. Richard Nixon stands for:

- A strong national economy and defense so that America will not have to apologize to Khrushchev for anything;
- A sensible farm program that will attack and solve the present problems.
- Texas retaining its tidelands, and a tax policy favorable to Texas.
- Local control of our schools.

If you will read and compare Nixon's platform to that of his opponent, you will agree that a vote for Nixon is a vote for the best interests of Texas.

Reorganization Meeting Set Oct. 13 By Cub Pack No. 81

(By Waldo Cox)

There is considerable interest being shown in Cub Scouting in Abernathy. The organization has been very active in the past. The prospects look good for a very full program this coming year.

Cubbing is a cooperative program. It is based upon the joint work of the parent and the Cub. The program engulfs boys from the ages 8 to 10½ years at which time they go into a preparatory program for entering the Boy Scouts.

The work of the Cubbing program depends upon the interest of the parents in giving some of their time to assist and supervise meetings. At present there are forty-five Cubs, there are more than fifty boys who have indicated their desire to join the Cubs.

In order to accept these boys there must be enough mothers willing to accept the responsibilities of Den Mothers and assistant Den Mothers to form at least eight new dens. This calls for sixteen to twenty mothers willing to give an hour a week for den meetings plus time for planning sessions and Pack meetings. Each Den needs a Den Dad to assist in the den activities, also Dads are expected to serve on committees which carry on the activities of the Pack.

The present Den Mothers have done a wonderful job in Cubbing in Abernathy. They are gradually growing out of Cub activities as their sons progress into Scouts. Those who have given their time during the years in which their child was a Cub cannot be expected to continue on as Den Mothers.

If you want your child to have Cubbing are you willing to devote a few hours a month to his program?

Cubmaster W. W. Cox is calling a Cubmaster meeting of all those interested in Cub Scouting and willing to help in the organization. The meeting is to be held Thursday evening, October 13, from 7 to 8 p. m. in the High School Auditorium.

Please be present if your boy is interested.

Civil Defense Class To Begin Monday

A class on Civil Defense is scheduled to begin at 7 o'clock Monday night, Oct. 17, according to Frank Bartlett who will teach the 12-hour course.

Mr. Bartlett, an Abernathy Junior High teacher and a holder of a Civil Defense instructor certificate, stated that those wanting to enroll should contact him either at the Junior High school building or at his home after school hours, phone CY-8-2253. Only 20 persons will be taught in this class, therefore only the first 20 persons who contact Mr. Bartlett will be enrolled in this particular class. However, another class will be available in the future.

The 20-student class will meet in Room No. 2 of the Junior High building, at 7 p. m. Oct. 17, and will meet each successive Monday night from 7 to 9 p. m. for six weeks. It was stated that all sessions are a must to get the full benefit of the course.

The instructor will present each enrollee with a free manual and other material for future reference. He will make use of films, slides, film strips, charts and tape recordings to make the lessons graphic and interesting.

There is no charge for enrolling in such a course.

50 Cars Free In Sweepstakes

Baker Castor Oil Company Confirms Plans To Erect Castor Bean Factory In Area

PLAINVIEW — Top officials of Baker Castor Oil Co. confirmed the company's plan to put a factory at Plainview. "We are waiting on adequate acreage, which we are confident is going to develop," said E. G. Orling, president.

The firm has option on 48-acre site at Wright, six miles west of Plainview on the Burlington line. "Our plans for plant and storage here await production," said Mr. Orling.

The firm looks to the Great Plains area as a source of enough beans to maintain an operation in the area, tonnage also for their Bayonne, N. J. plant which has been processing beans from this area.

Baker supplies much of the domestic market with castor oil and is an important factor in export of the product.

It has been progressively increasing its contracted acreage in this area. Receiving stations are

located here on the Fort Worth & Denver and on the Santa Fe, scales installed on the Santa Fe location.

It maintains here a business office, a staff of scientists engaged in variety selection and plant breeding. Aid is provided growers throughout the growing and harvesting season.

In the party with Mr. Orling are D. R. Finn, vice-president and treasurer; Dr. W. E. Domingo, director of the company's oil-seeds production division, Le Mesa, California, and Robert L. Viginolo, western sales manager, Los Angeles.

A plant, such as Baker has projected for the Plainview area, would employ from 300 to 500 persons, said Mr. Orling. It would be a year-round operation.

Improved castor bean varieties and mechanical harvesting have

made the castor bean a competitive crop in this area. It provides additional income, is not surplus, is not government controlled, and there is large and increasing demand.

The plant holds promise of the most substantial increase in steady employment of any recent development in this area.

School Enrollment Report Is Given

An enrollment report for the end of the first month of school has been compiled by local school officials and released by school superintendent, Noel Johnson.

The total enrollment for the white school at the end of September was 1182 students, which is 81 students above the enrollment at the same time last year. Of

the 1182 students, 633 are in the first five grades (34 above last year's count); 299 are in Junior High (57 above last year's number); and 250 are in high school (10 less than last year).

There are 67 students enrolled in the East Ward School, this being nine students more than at this time last year. It was stated that there are also nine Negro high school students from Abernathy enrolled in Dunbar at Lubbock.

Health Bulletin

Dr. M. F. Priddy received a bulletin from the Texas State Department of Health early this week stating that Asian influenza in the early winter of 1959-60 accounted for an excess mortality of 26,000 individuals, most of whom were 65 years of age and over. Therefore, the Advisory Committee on Influenza Research recommends the routine immunization of all 65 years or older, all individuals with chronic heart disease, re-occurring chest diseases, kidney or metabolic diseases and all pregnant women.

Dr. Proddy advises that you consult your family physician for complete information on influenza immunization.

"GOD'S POWER TO SAVE"

BY ROY DEAN VERNER
Reading Time: 4 Minutes

Since God alone has the power to forgive sins and to save man, it is well to study His saving power. One should ask himself the question, what is God's power to save? In what way does it work, and how can I take advantage of it? No rational person wants to be lost eternally, therefore, he should investigate this matter seriously.

In John 6:44-45 Jesus said, "No man can come to me except the Father which hath sent me draw him: and I will raise him up at the last day. It is written in the prophets, And they shall be all taught of God. Every man therefore that hath heard, and hath learned of the Father, cometh unto me." This scripture tells us several things: (1) That no man can be saved, except God draw him. Certainly God has the power to draw us unto him. Some jump to the conclusion that God does this by a direct operation of the Holy Spirit. This is because of their failure to note carefully verse 45. This teaches that people shall be taught of God, and those that hear and learn of the Father come to Christ. This is not done directly by the Holy Spirit because it is not necessary. The Holy Spirit has given us the inspired Word of God (II Tim. 3:16, 17; I Pet. 1:21). (2) These Words of Inspiration tell one how he is born again, or where the Power of God is that saves. "Of his own will begat he us with the word of truth . . ." (Jas. 1:18). "For in Christ Jesus I have begotten you through the gospel." (I Cor. 4:15), and "Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth

and abideth for ever." (I Pet. 1:23). These scriptures teach very plainly what power God uses to save us. It is His Word because it is powerful. "For the Word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." (Heb. 4:12). (3) Paul tells in no uncertain terms what The Power of God to Save is. "For I am not ashamed of the gospel of Christ, for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek." (Rom. 1:16).

This is final and conclusive evidence that the Word of God is His drawing power, and His power to save. Jesus said in verse 45 that all who are taught and hear, and learn will be raised up and saved. "Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls." (Jas. 1:21). God has no other power to save people except the gospel because this is the way He has planned man's salvation. Man cannot alter or change this means of salvation. He must either accept it or reject it. He is a free moral agent. He must choose whom he will serve.

The gospel will save you if you hear, believe and obey it. "Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord . . ." (Isa. 55:7).

Of course not! Yet the minutes you can save by speeding could mean this baby's life . . . or yours! Nearly 40,000 died in traffic accidents last year, with speeding a factor in 3 out of 10 fatal crashes! So think how many lives just minutes can save . . . and slow down!

TUCO Topics

(Continued from page 1)

ern Public Service at TUCO, working under maintenance. His promotion to Fireman came in July of 1947. Through special training on the job, concluding with a practical test in the Engineering Department at Texas Tech, he became a certified welder in October of 1949, and has been a journeyman certified welder and mechanic since the above date.

The Sinclairs are all sport fans, and at the time TUCO had a baseball club he was one of the pitchers for the club. He also enjoys golfing and likes to fish. He can find the spare time at building the family cabin at Lake Thomas. The cabin is a family affair and the Sinclairs are building it themselves.

In January of 1946 Louis and Nina Green were married and moved to TUCO in April of that year. Nina was born at Roaring Springs and finished high school there. After finishing high school,

she worked in Lubbock at both the Koons and Roberts studios. Much of her work there consisted of oil finishing of portraits of which we hear she was very adept. As are the other Sinclairs, Nina is interested in spectator sports, golfing, camping, fishing, and a little knitting and crocheting—as the seasons demand.

In the Sinclair family there are three children: David, Terri Sue, and Jerry Don. David is eleven years of age and attends junior high school as a sixth grader. His chief interests are water skiing and band—and he sometimes gives his Dad good competition as a golfer.

Terri Sue is eight years of age and is interested in piano, swimming, and reading.

Jerry Don is two years of age and is classified by the family as an "explorer."

Newsbits

The Sinclair family are the proud owners of a new Chevrolet purchased the first week of October.

"Shag" and Mary Nell Willis visited their son, George Ray, and his wife, Jackie, in Austin this past week and George and Jackie are now enrolled at the University.

Vanoy Parsons and George Hughes have recently returned from the SWPS plant of Guymon, Oklahoma where they have helped in turbine and cooling tower maintenance.

The "TUCO Boys" are teasing Leck Adams because he plans to attend the negro football game in Lubbock this weekend, October 8, because Abernathy has an open date.

Thoughts For The Week
 Courage consists not in hazzarding without fear, but being resolutely minded in a just cause.

Science develops at random. Its progress depends on fortuitous conditions, such as the birth of men of genius, the form of their mind, the direction taken by their curiosity.

Junior High School Football Teams Win Over Lockney 7th And 8th Graders

The Abernathy seventh and eighth grade Junior High Yearling football teams captured two victories last Tuesday evening as they downed the Lockney teams on Lockney's home field.

The local seventh graders downed the Lockney seventh grade boys, 22-0, to hold on to an undefeated record thus far this season. They now have a record of two wins, one tie, and no losses.

The eighth grade Yearlings added another win to their record in defeating the Lockney team, 20-0. The eighth graders now have won two games and lost only one, that being to Hale Center, 20-12.

8th Grade Game
In the Lockney game, Joe Sandaval ran the opening kick off back 80 yards behind fine blocking for a touchdown. He also made the two-points conversion

to put the local team out front 8-0.

Sandaval was also credited with the other two touchdowns, one coming on a 25-yard jaunt and the other on a 65-yard run.

The defensive team held Lockney for only one penetration and no score. The offensive and defensive teams both played good, hard football, said Bobby Dyess, Junior High PE instructor.

The Yearlings played at Tulla Tuesday night, but will not have another game until Tuesday, Oct. 25, when they will travel to Olton.

7th Grade Game
The seventh grade Yearlings played a short but sound game against Lockney last Tuesday night, Oct. 4.

Scoring was led by Bobby Knowles, followed by Pat Hale. Bobby scored on a 25-yard run

Ground Work To Begin On Wayland Building, Oct. 17

Plainview (Spl.)—Wayland Baptist College trustees in session Oct. 4 voted to name the 100-unit women's residence hall, for which ground will be broken Oct. 17, for President A. Hope Owen. This is the first project of Wayland Associates, an organization of West-Texasans for the promotion of Wayland which is headed by Ted Ferguson, Amarillo.

Owen Hall will honor Wayland's seventh president, who began his eighth year as president in July. Prior to becoming president Dr. Owen had served seven years on the Wayland Board of Trustees

and on a 35-yard pass from Pat Hale. He also ran one conversion. Pat scored on a 15-yard off-tackle play.

The quarters were only six minutes long instead of the usual eight minutes. The game was not much longer than a workout, but was far more rewarding.

The seventh grade Yearlings traveled to Tulla Tuesday evening along with the local eighth graders, and will also travel to Olton Oct. 25.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, JULY 2, 1916 AND JUNE 11, 1960 (74 STAT. 208) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF

Charles E. Crow, Notary Public in and for Hale County, Texas.

(My commission expires June 1, 1961.)

while he was pastor of Plainview's First Baptist Church.

In other action, the trustees voted for J. D. McPhaul, Lamesa, chairman, to appoint a seven man committee to study Wayland's recruitment plans and policies and to report in full at the Mar. 14, 1961, meeting. They also heard reports from Tom Z. Parrish, vice president of developmental services, E. M. Osborne, Plainview, finance chairman, H. L. Mitcheson, business manager, on development plans and current finances. Routine reports on enrollment and housing were made by Dean Cecil Cosper and Dean Maurice J. Sharp.

Mrs. Henry Heck, Plainview, reported on program of the Home Life Building campaign being conducted by District 9 Women's Missionary Union. She stated that some \$80,000 is in hand and that under the leadership of Mrs. Ralph Davis, Abernathy, a concerted drive is being made this fall.

Dr. Owen reported on a survey of capital needs of the eight Texas Baptist colleges which is being made by the Baptist Education

Abernathy (Texas) Weekly Review Thursday, Oct. 13, 1960 Page 9

Commission under the direction of Dr. E. N. Jones, newly appointed secretary of education. The Wayland survey shows that within the decade Wayland will need some \$4,675,000 for such

buildings as a student union, auditorium, gymnasium, science, small chapel, classrooms, married students apartments and additional residence halls.

Ground will be broken for Allison-Conkwright Hall, a married students apartment, and Owen Hall on Parents' Day, Oct. 17, according to Dr. Owen. These buildings will cost approximately \$375,000 and are included in the \$4,675,000 estimate. Allison-Conkwright Hall is named for Wayland benefactors, J. R. Allison, Wayland trustee, Mrs. Allison, and Mrs. H. G. Conkwright.

Mr. Ferguson reported that Wayland Associates hopes to be able to announce at the spring meeting other projects for which money is available.

moved them back to their own 15 yard line.

Greenhill Injured
Lonnie Greenhill, senior guard, was injured on the opening kick off of the ball game when he was knocked down after the whistles had blown. He landed on his right elbow and suffered a chipped bone. He will be out for the rest of the season, Coach Wills said.

Lorenzo Next
The Lions will entertain the Lorenzo Hornets Friday night in their first home conference game. The Hornets have not won a game this far this season, but may be tough in conference play.

New Deal is leading in the District 4-B race as the New Deal-Sands game was the only conference tilt played in that district last week. However, no team in the six-squad conference has played 500 ball this season or outscored its opposition in total points. New Deal has won 2 and lost 3; Cooper, New Home, and Wilson have each won 1 and lost 1; Sands has won 1 and lost 5; and Lorenzo has won none and lost 3.

tist Churches by 1964. Every church is being asked to sponsor a church and mission.

This method of expansion has proven to be a real blessing to both the sponsoring church and to the mission. The First Baptist Church in Abernathy averages about 450 in Sunday School and this past Sunday there were 431 in Sunday School in the sponsoring church and 121 present in the mission church. This gives a total of 552 which is more than a hundred more than the church would have had without a mission. A wonderful spirit of cooperation has been demonstrated by the sponsoring church and the mission group. A great blessing has been received by both groups in their labors together.

A cordial invitation is extended to all to attend this historic meeting of the constituting of the Northside Baptist Mission into the Northside Baptist Church.

Which Democratic Platform?

Which do you prefer: the socialistic, anti-Texas platform of Kennedy — or the Nixon Platform that more nearly conforms with Texas principles and ideals as expressed in the State Democratic platform?

The Kennedy platform is against nearly everything Texans are for—it is for nearly everything Texans are against.

What will be your choice? It is between a party label and the best interest of Texas and the Nation.

Allan Shivers says:
"I'LL TAKE TEXAS. I accept the Texas Democratic platform and will work for it. I repudiate the other—the Kennedy platform. I will join with my fellow Democrats to work and vote for men of maturity, experience, responsibility, and a fearless dedication to this country's best interests."
"I will vote for Richard M. Nixon and Henry Cabot Lodge."
