NUMBER 52

Teaxs Highway Commission Awards Contract To Build Freeway Through Abernathy

A contract for 4 miles of construction on U. S. 87 in Hale and Lubbock County has been awarded to a Lubbock firm, it was announced in Austin this week by the State Highway Commission.

J. O. Boswell & Sira & Payne submitted the low bid of \$1,447,477 on the project. Grading, stabilizing, subgrading, structures, flexible base, stabilizing base, asphalt concrete pavement and one course surface treatment in Hale Center and from 0.5 mile south of Abernathy to 0.5 mile northwest of Abernathy is expected to take 350 working days, according to Oscar

L. Crain, District Highway Engineer at Lubbock.
H. C. Weaver, Resident Engineer at Plainview will be in active charge of the project while it is under construction.

By REVA FLORENCE

The Maurice Tow family resides on 13th Street of Abernathy and have contributed much to the desirability of Abernathy as a place to live. The Tow family has four members—known as Maurice, Colleen, Malcolm and Betty to their friends.

Maurice was born in Mina, Arkansas, and as a young child moved with his family to Oilton, Oklahoma, where he received his schooling, graduating from high school there. During his senior year in high school he served his school band as drum major, and out of fourteen bands, he was chosen outstanding drum major, being awarded a silver baton. His band was awarded a cup for a first place performance.

After graduation from high school, he worked one year for the State Highway Department of California, and was working for the United States Forest Service at the time he went into service in 1942.

While he was in service, Maurice served with the United States Air Force, beginning his training at Lubbock with what was known at that time as the South Plains Glider Base. He worked in the Okla.

Reddy Kilowatt is a registered trademark of the Southwestern Public Service Company.

(Continued on Page 7)

Mrs. Gibson To Speak Here Tonight

Mrs. Charles Gibson of Lubbock will speak on the Political Question tonight (Thursday) at 8 o'clock in Abernathy City Hall club room.

Mrs. Gibson, who is a Conservative Democrat, introduced former Governor Allan Shivers at a luncheon in Lubbock recently. She has made talks in several area towns in the past two weeks, it was reported.

The public is cordially invited to attend.

Reginald Powell Is Boy Scout Executive

Reginald Powell, son of Mr. and Mrs. E. V. Powell, Abernathy, has accepted a position as acting District Executive with the Great Salt Plains Council, Boy Scouts of America, of Enid, Oklahoma. He will be in charge of the Roman Nose District around Okeene, Okla.

Reginald will attend the 29th Training School for Scout Executives in Mendham, New Jersey, January 10, 1961.

October 27, 1960
Mr. Buford Davenport
Abernathy Weekly Review
Abernathy, Texas

Dear Mr. Davenport:
In reading your column in this week's paper you were very lenient with your "DOWN WITH KENNEDY" and "UP WITH NIXON". You were very good with pointing out the bad points of Mr. Kennedy, but you mention none of the many bad points of Mr. Nixon.

In checking with the National Democratic Headquarters they assured us of the fact that Mr. Kennedy's advisers are NOT College Professors but he has some friends of whom he attended school with, but they are not his advisers.

Back in the summer you said that you were a Democrat and had been for many years but all of a sudden you change!

What are you a supporter of Democrats for Nixon? I am enclosing an article which is an open letter to Mr. Allen Shivers of which I hope you will read and let the people of this city know how you feel on the questions. And maybe not try to change the people in the way they want to vote.

I do however commend you on the fact that you did try to encourage everyone to get out and Vote and that is one of the purposes of this letter. I do doubt that you will publish it. But in any case, voting is one of our most valuable freedoms and if we are to have a good government no matter who wins the election!

I wish to close with one reminder that even though Mr. Kennedy is a Catholic that is no issue and it shouldn't be brought into the race as one even if The Republican Party is doing its best to make it one.

Please Vote for the Candidate of Your Choice. Honor your most Valuable Freedom.

Very truly yours,
ABERNATHY DEMOCRATS
FOR KENNEDY.

Dear Abernathy Democrats for Kennedy: This being the last issue of The Review before Nov. 8, I will raise no new issues, because you would not have the opportunity to answer them in this pa-

FIRE PLUGS OPENED

City workers reported at least four fire plugs opened by pranksters Halloween night. At press time, no large scale destruction had been reported.

Eventually, the city will obtain proof-positive on a fire plug opening incident, and the persons caught will be assessed the highest fine possible for such an offense.

Baptist Church To Show Films

The first section of an historic motion picture, "Our Bible—How It Came To Us," will be shown at the First Baptist Church, Abernathy, Wednesday evening, Nov. 9, at 8:00 p. m.

The three-part film traces the history and development of the Holy Bible from the first century A.D. to the present time. It was produced by the American Bible Society and ranks as one of the most authentic Bible films ever made.

The first section of the picture takes one back to the very beginnings of the Bible. It shows how the Old Testament was formed, and how the New Testament came to be written.

The second section of the picture, telling how the Bible spread across Europe, will be shown Nov. 16. The third section, which describes the making of the English Bible, will be shown on Nov. 23.

It is the hope of the American Bible Society and those who show these pictures that they will stimulate wide-spread interest in the Bible and its message for our time.

The Public is Invited To See These Inspiring Films.

ATTENDS MEETING

Abernathy School superintendent Noel Johnson attended a meeting of West Texas School Business Officials in Fort Stockton last Thursday. Fifteen of the 18-member schools were present. Among those were representatives from Abernathy, Lubbock, Brownfield, Kermit, Monahans, Odessa, Big Spring, Andrews and Plainview.

Eugene Kitchens moved to 607 5th Street.

Mrs. Frances Howard visited in Friona last weekend.

Mrs. Paul Stanford of Albuquerque visited her parents, Mr. and Mrs. Frank B. Lovelace, here last weekend.

The Bonnie G. Beard family of Crane visited her parents, Mr. and Mrs. B. H. Beard, here last weekend.

Lucille Fletcher moved to 911 Ave. F.

Letha Smith moved to 709 3rd Street.

Lewis Lecroy moved to 409 1st Place.

per before voting. I'll try to answer your letter paragraph by paragraph.

1. In choosing Nixon, I made no attempt to pin a pair of wings on him. The column said in part: "... It is with a great deal of reluctance that I vote for either one. Neither candidate is completely desirable for the presidency."

2. Information, which came through no party headquarters, and which has been common knowledge long enough to have been refuted by top Demo leaders ... the national party leaders ... if it had been incorrect, says Kennedy's advisers include college profs. At this stage of the

(Continued on Page 5)

Last Rites Held For O. O. Hiser

Funeral services were held here Saturday at 10 a. m. for Otto Odie Hiser, 55, Abernathy resident 15 years who died Thursday at Gainesville, where he was visiting.

Rites were conducted in the First Baptist Church with the Rev. Harold Poage, pastor of the Northside Baptist Church of Abernathy, officiating. He was assisted by the Rev. J. Strickland, pastor of the Abernathy Assembly of God Church.

Burial was in the Abernathy Cemetery.

Survivors include: the wife; a daughter, Mrs. L. O. La Knight, Gainesville; three sons, J. R. Whitesboro, Doyle, Kermit, and Leon, Plainview; three stepdaughters, Mrs. Donnie Aperson and Mrs. Buford Conn, both of Abernathy, and Mrs. Dwayne Elder, Las Cruces, N. M.; two stepsons, Verlon Barron, Abernathy, and Laurence Barron, Lubbock; two brothers, Earl Hiser, Asher, Okla., and Terrel Hiser, Phoenix, Ariz.; a sister, Mrs. Cancia Lance, Grangeville, Idaho; 10 grandchildren; and 10 step-grandchildren.

VETS' BREAKFAST SET FOR NOV. 11

A breakfast for Veterans is slated for 8 a. m. to 8:30 a. m. Friday, Nov. 11, at the Day Armistice Day. The breakfast will be at Barton-Hood Post No. 500, American Legion Hall in Abernathy. ALL VETERANS are invited to attend. This includes Legion members and non-Legion members alike.

Newsbits FROM New Deal High

(By ANN SPEER)

The Future Homemakers of America have elected their beau for the coming year.

Elected was Billy Mack Ellison, son of Mr. and Mrs. R. C. Ellison. Billy is vice president of the junior class and active in sports.

Ray
The New Deal Lionesses scrimmaged Lorenzo Monday night at New Deal. The A team won and the B team lost.

The A team won by a score of 45 to 21. Shirley French was high scorer with 24 points. She was backed up by Darlene McDougal with 6 points and Ollie Mae McNeely with 7 points.

Lorenzo won the B game 36 to 35. High scorer for New Deal was Ruth Leatherwood with 21 points. La Vern Bell had 11 points.

The Lionesses will scrimmage Abernathy Saturday morning, November 5, at Abernathy.

Ray
The New Deal Lions won over Wilson 12 to 0 Friday night, to keep their conference record spotless with four wins and no losses.

There was no score during the first half. In the third quarter David Attebury scored from 2 yards out. The try for extra points failed. In the fourth quarter Doug James scored from 4 yards out and the try for extra points again failed.

Defensive standouts for the Lions were Charles Ruffin, Jerry Hogan, Jimmy Barrington, and John Cole.

Jimmy Cox, along with James and Attebury were offensive standouts.

Ray
The football boys and their coaches would like to thank whoever has been feeding them after the last two football games.

ATTEMPTED BREAKIN

City Policeman John Marsh reported that three young boys attempted to enter Ward's Store through a back door last Tuesday night. The three youths fled when they were spotted by the investigating officer, and escaped, Marsh said.

Mrs. Nannie Cox returned early this week from Charleston, S. C., where she had been visiting with her son, Carroll Cox. She also visited in Texarkana.

Lucille Fletcher moved to 911 Ave. F.

Letha Smith moved to 709 3rd Street.

Lewis Lecroy moved to 409 1st Place.

Nunns To Observe Golden Wedding Date

Mr. and Mrs. Jim H. Nunn, 409 Avenue G, Abernathy, are to observe their Golden Wedding Anniversary Sunday, Nov. 6. Their children will give a reception for them that afternoon from 2 until 6 o'clock in Abernathy City Hall Clubroom. Friends of the family are invited.

Their children are John, Panhandle; Robert, Gilbert, Ariz.; Weldon, El Paso; Delbert, Lubbock; Mrs. G. O. McCrohan, Amarillo, and Gean, Abernathy.

Mr. and Mrs. Nunn were mar-

ried Nov. 6, 1910, at Wayland, in Stephens County, Texas. They moved to Hale Center in 1922, and to Abernathy in 1929. Mr. Nunn is a retired farmer and a former justice of the peace in Hale County.

Mrs. Nunn was Miss Callie Brown before her marriage. She was born Sept. 11, 1890, in Eremond, Robertson County, Texas. James Henry Nunn was born March 5, 1886, at Wayland, Texas. Mr. and Mrs. Nunn have 14 grandchildren.

Hot Presidential Race Will Bring Out Record Vote For General Election Nov. 8th

Texans Consider Amendments and The Nominees

Abernathy and New Deal area citizens will go to the polls Tuesday, Nov. 8, along with the rest of the nation to name electors in the hotly contested battle for the presidency and the vice presidency of the United States. (See pictures of the nominees on inside pages of this paper.)

Area and Texas voters also will consider four proposed amendments of the Texas Constitution. A brief outline of the four proposed amendments will be found in the Abernathy First State Bank advertisement on page two in section two of this week's Abernathy Weekly Review. They also will vote on nominees for national and state offices, and for county and precinct officers.

Polls will open at 8 a. m. and close at 7 p. m. Voters are urged to mark ballots EARLY IN THE DAY so election workers will be able to report results shortly after the polls close. Due to the expected close race in the presidential election, a record high vote is expected here and throughout the nation.

Vote as early as possible Tuesday, Nov. 8!

Hale County

Hale County voters in this area will mark ballots at Abernathy City Hall, where G. M. Carr will

be election judge, and at Lakeview, S. M. Harrison will be election judge at Lakeview, and voting will be in Fellowship Hall of Lakeview Methodist Church.

Lubbock County

Balloting in Precinct 21, Lubbock County, will be at Job Thompson Implement Co., the John Deere House, on Ave. D (US 87 Hwy.) between First and Second Streets, in South Abernathy. Frank B. Lovelace will be election judge.

Free Rides For Voters Nov. 8

Abernathy Motor Co., local Ford dealer, will join Ford dealers throughout the United States Tuesday, Nov. 8, in a "Get Out The Vote" project. The nation's Ford dealers will offer rides to the polls for voters in their respective communities.

Abernathy Motor Co., in an advertisement on page three, section one, of this week's Review, announces its offer of free rides to the polls at Abernathy city hall and at Joe Thompson Implement Co. Anyone needing transportation to and from the polls Tuesday, Nov. 8, is invited to call Abernathy Motor Co., Phone CY-8-2821. "We'll take you to the polls and baby sit for you in our showroom while you vote," they further promise.

College Grid Game Nov. 10 In Plainview

College football moves to Plainview, Thursday, November 10, as the Texas Tech freshmen and the West Texas State B Team tangle in what may well be a contest of undefeated teams.

So far WT has beaten Hardin-Simmons and McMurry, and has no more games to play before the Plainview contest. Tech has beaten Arkansas and the Air Force but still must play NTSC.

The game, due to start at 7:30 p. m., is a WTSC home tilt. WT athletic director Frank Kimbrough arranged for the game to be moved to Plainview under the sponsorship of the Plainview Kiwanis Club to aid the club's civic work.

All proceeds go to the Kiwanis Club. Admission will be \$1 for adults and 50 cents for students, with all seats general admission.

The two teams include a number of area players, representing Lubbock, Petersburg, Lockney, Floydada, Hereford, Littlefield and Levelland.

One of the top performers is expected to be Tech's quarterback Doug Cannon, Levelland, who completed four of ten passes for 83 yards against the Air Force last Saturday.

The game will also match two former teammates against each other, as Robert Foster plays for Tech while David McInturiff is a starter for WT. The two lads were backfield starters on the great Sundown champion team of 1959.

JUST ONE VOTE . . .

One-vote margins have turned many eventful decisions in the past history of our country. Thomas Jefferson was elected President by one vote in the electoral college. So was John Quincy Adams. Rutherford B. Hayes was elected President by one vote, and his election was contested and referred to an electoral commission where he again won by a single vote. The man who cast that deciding vote for President Hayes was a Congressman from Indiana, a lawyer who was elected to Congress by a margin of just one vote. And that one vote was cast by a client of his who, though desperately ill, insisted on being taken to the polls to vote.

Just one vote gave statehood to California, Idaho, Oregon, Texas and Washington, and today all the millions living in those five states are Americans by just one vote. Among other momentous one-vote decisions was the passing of the Draft Act of World War II, according to the National Research Bureau, Inc., Chicago.

AHS Girls Open Basketball Season Tonight At Frenship

Abernathy's Girls' basketball team will open play tonight at Frenship. Both the A and B girls teams will participate.

TO PLAY IN BASKETBALL CLINIC AT PLAINVIEW

The girls' squad will participate in the 1960 Flying Queens Basketball Clinic at Wayland next weekend, along with nine other top teams in this area. Five games are on tap for Saturday, November 12, to close the clinic. The local lassies will meet the White Deer team at 7:30 that evening.

A complete story about the basketball clinic will appear in next week's issue of The Review.

FROST, FREEZE

A frost and freeze, low of about 28 hit here Sunday night or Monday morning. That, along with good weather, will be a boon to feed and cotton harvest.

PICTURED above is the TUCO Family featured in this week's column. In the picture are Mr. and Mrs. Maurice Tow and their two children, Betty, 12 years of age, and Malcolm, 15.—(Staff Photo).

New Deal Holds Onto District Lead, Defeats Wilson, 12 - 0

The New Deal Lions maintained their lead in District 4-B last Friday night as they downed the Wilson team 12-0 to make their conference record stand at four wins against no defeats.

The Lions have one conference tilt remaining—and will meet that opposition Friday night. The New Deal team will entertain the New Home Leopards, who are also undefeated in conference play but have played one less game than the Lions.

District Champs

Friday night's game between New Deal and New Home will determine the district champs of District 4-B. This is New Deal's last conference game and should they win, they will have an unblemished conference record this season. On the other hand, should New Home win the tilt, they would represent the district even if they lost their last conference game.

Wilson Tough

The Wilson defense was strong last Friday night, but was not strong enough to stop New Deal's David Attebury and Doug James. However, the Wilson eleven did stop New Deal inside the 10-yard line twice in the first half of the game, once within inches of the goal line.

There was no score during the first half, but early in the third quarter David Attebury carried over from two yards out for New Deal's first touchdown. The try for the extra points failed and New Deal led 6-0.

New Deal's second and final score came in the fourth quarter when Doug James blasted over

from the four yard line. The try for extra points again failed.

Defensive standouts for New Deal were Charles Ruffin, Jerry Hogan, John Cole and Kenneth Haggard. Attebury, James, and quarterback Jimmy Cox were the offensive leaders.

Ruffin, who plays middle line-backer on defense, was in on 21 tackles (some unassisted), during last Friday night's game. This is not unusual for Ruffin, said Coach Bob Willis, as he plays that type of defensive ball in every game.

AMERICAN CANCER SOCIETY'S FILM FOR WOMEN, "TIME AND TWO WOMEN"

The Hale County Unit of the American Cancer Society has announced that on Wednesday, November 16, the women of Hale County will be given the opportunity to see a life-saving film on uterine cancer.

This program is being made possible through the cooperative efforts of the Hale County American Cancer Society Unit, the management of the Granada Theater, the Hale County Medical Society and dozens of volunteers. Mrs. Ernie Brock of Plainview is serving as chairman of the open showing of this film.

The film, "Time and Two Women," will be shown in Plainview at the Granada Theater at 9:30 a. m. and again at 10:30 a. m. The program for each showing will last approximately one hour. A local physician will be present for each showing to answer questions after the film.

Produced by the American Cancer Society, the movie is designed to acquaint women with the necessity of including a complete pelvic examination as a part of their annual health checkup. Too few of us realize that almost 100 percent of the women who develop cancer of the cervix could be

Antelopes Lose To Floydada

The Abernathy Antelopes almost put a stop to Floydada's winning spree last Friday night, but two or three tough breaks played a vital role in the 13-8 loss to the Whirlwinds.

On the opening kickoff, Abernathy was the recipient, but the ball hit one of the linemen and bounced in the path of an oncoming Whirlwind. The second tough break probably cost the Antelopes the ball game. Abernathy was leading 8-7 late in the third quarter when a pass blocked high in the air off the hands of

an Antelope end and a Whirlwind defender, and Floydada halfback Richard Marler ran under the ball and carried to Abernathy's 23 yard line. Two plays later quarterback Rodney Teague carried over from 11 yards out for the deciding score.

Late in the final quarter the Antelopes took over on their own 31 after forcing Floydada to punt, and had moved the ball to the opponents' 47 yard line where they lost it on a fumble. From that point Floydada ran out the clock to insure victory.

Abernathy was playing without the services of starting right end, Neal Humphrey, who received a

broken right hand during workout last Wednesday.

DEFENSIVE GAME

The game was a defensive battle which saw both teams punt five times, and each team taking over on downs at least twice. Tackles Larry Florence turned in a fine defensive game and was backed up by guard Ronald Barriek. Johnnie Adams, playing defensive line-backer, also turned in a fine performance and at times crashed through the line to nail Floydada ball carriers for a loss.

Halfback Stanley Joy "saved the day" on at least two occasions. Early in the first quarter he bat-

BIRTHS

Mr. and Mrs. Johnny Vineyard are parents of a daughter born Oct. 24. She weighed 8 pounds 9 ounces.

A son, weighing 7 pounds 3 ounces, was born Oct. 27, to Mr. and Mrs. Frank Davila of New Deal.

Mr. and Mrs. Don Graham are parents of a daughter born Oct. 28. She weighed 7 pounds 9 ounces.

A daughter, weighing 6 pounds 1 ounce, was born Oct. 28 to Mr. and Mrs. Billy Wayne Nix of New Deal.

Mr. and Mrs. Jimmy Carl Ellis, Lubbock formerly of Abernathy, are parents of a son, born Oct. 30. He weighed 7 pounds 6 ounces, and is a grandson of Mr. and Mrs. Carl Ellis, and a great-grandson of Mrs. T. M. Tarver, all of Abernathy.

THE AHS and Junior High marching bands, the AHS football team and a host of students composing a cheering section are pictured here as they held a pep-rally on Main Street last Friday afternoon prior to the Abernathy-Floydada football game. A fine crowd of citizens of Abernathy and vicinity also were present for the event.—(Staff Photo).

Important Info About Grain Sorghum Stubble

(By Ollie Liner, County Agricultural Agent)

We all know that here in Hale County, acreage wise, grain sorghum has long been our number one crop. However, many times we do not think of the fact that grain sorghum produces an abundance of forage which we return to the soil as organic matter. In many instances the lack of organic matter together with the poor physical condition of our heavy clay soils is the biggest single factor in reducing our crop

yield and causing erosion. We should take a good look at the advantages of our sorghum stubble.

First let's take an inventory as to the amount of sorghum stubble we produce each year. Clipping studies have shown that grain sorghum planted on 40 inch rows producing an average of 5,897 pounds per acre also produced an average of 7,936 pounds per acre of air dry forage which could be returned to the soil. This year we have around 265,000 acres of irrigated grain sorghum in Hale County. It would not be unreasonable at all to assume that this 265,000 acres will average producing 3 tons or more per acre of air dry forage. This would give us a minimum of 795,000 tons of plant resi-

THANK YOU
Mrs. I. L. Johnson wishes to have the following message conveyed to her many friends and acquaintances: "I wish to thank you for the kindnesses that have helped me to be able to smile again."

due to return to our soil. Certainly the wise use of this tonnage of plant residue will help us maintain and increase the organic matter content of our soils.

By properly shredding and working the grain sorghum stalks into the top soil the water holding capacity is increased, which means we can irrigate less frequently. Also the aeration and permeability of our soil is improved which means we will have a soil which plows better and furnishes a better seed bed for seed germination and fast root development for our plants. The increased organic matter content will also enable the soil to take water more rapidly which means less waste irrigation tail water and run-off from rains. This also means less erosion from heavy rains.

Research has shown that we can expect cotton burs properly applied and fertilized to increase our yields around 38 pounds of lint cotton per ton of burs applied. For ton, grain sorghum stubble is worth almost as much as cotton burs, so let's handle our grain sorghum stubble wisely. By properly rotating our cotton and grain sorghum, we can also reduce the heavy loss caused by plant diseases in our cotton.

Junior High Football Teams Win Two Games Over Olton Teams Last Week

(By Bobby Dyess)

The Abernathy Junior High Yearling football teams traveled to Olton last Tuesday night and brought two victories back with them.

The seventh grade started the game by receiving the opening kick-off and returning it to mid-field. The first drive failed when Olton intercepted a Yearling pass and ran a touchdown. Their extra point failed and the score was 6-0 in the favor of Olton.

The Abernathy seventh graders started another drive only to have it stopped by another pass interception. Olton could not move the ball again and the score at half time was 6-0 with Olton in the lead.

The second half was a horse of a different color. Pat Hale, playing defensive halfback, intercepted an Olton pass and ran 80 yards for the first Abernathy score. The conversion failed and the score was 6-6. Pat Hale and Bobby Knowles teamed up on double reverses and single reverses to make several good gains. The next Abernathy score was on a reverse and handoff to Bobby Knowles who ran for 20 yards and the touchdown. The two point conversion was made and the score was 14-6 with Abernathy on top. Neither team threatened again and the score remained 14-6.

Outstanding for the Yearlings were Pat Hale, Bobby Knowles and Mike Tannehill on the offensive team and Lane Wade and Gene Hale on the defensive team.

8th Grade Takes Olton The eighth grade Yearlings rolled up their highest score last Tuesday night in beating Olton 24-6.

Olton received the opening kick-

off but could not get a drive started against an inspired Yearling defense led by Bill Lee and Joe Sandaval.

Jake Mallow took over the play calling honors and drove his team fifty yards in six plays with Joe Sandaval taking the ball over from five yards out. The conversion failed.

The next Yearling score came in the first quarter also, with Jake Mallow having the honors on a 15-yard end run.

The half ended with the score 14-0 with the Yearlings on top. The second half again was dominated by the Yearlings as they scored two touchdowns while Olton managed only one.

Terry Turner scored the third touchdown on a 3-yard plunge, captivating a 30-yard drive.

Bill Lee capped a 40-yard drive, scoring from five yards out. A key play which kept the drive going was an 11-yard pass from Jake Mallow to John Reagan.

Olton scored their touchdown on an intercepted pass. The game ended with the Yearlings out front, 24-6.

The Junior High teams will play their last scheduled game of the season Tuesday evening, Nov. 8, at Dimmitt.

REMEMBER Remember to call The Review, CY-8-2033, when you have news to report, or need an advertisement. We'll come to your place of business and help you prepare your advertisement. The 1961 Thunderbird retains the classic concept of Thunderbird design and introduces new standards of comfort, convenience, performance and automotive styling. No wider and no longer than the 1960 model, the new Thunderbird is roomier and offers such added convenience features as an optional movable steering wheel that with fingertip effort slides ten inches to the right as the driver gets in and out, elimination of the "dog-leg," wider door openings, and 12 pounds more foam padding in the seats. The fully automatic soft top of this convertible folds neatly into the trunk compartment, resulting in a smooth silhouette when the top is down! The hardtop model features the classic Thunderbird roofline. Standard equipment on the 1961 Thunderbird includes the 390 four-barrel V-8 engine, Cruise-O-Matic transmission, power steering and power brakes that adjust themselves automatically.

TO MARRY SATURDAY

DALLAS—Miss Maryetta Fewin, 4132 Travis, Dallas, and Don V. Cunningham of Irving, will be married November 5 in the chapel at Highland Baptist Church in

Dallas. The future bride, a graduate of Oklahoma Baptist University at Shawnee is the daughter of Mrs. Andrew C. Fewin of Hallowell, Kansas, and the late Mr. Fewin.

Son of Mr. and Mrs. W. V. Cunningham of Abernathy, the future bridegroom is a graduate of Abernathy High School and of Hardin-Simmons University at Abilene.

School Policy On Inclement Weather

Following is the Abernathy Schools' 1960 "School Policy Regarding Inclement Weather":

Official Radio Station
KFYO LUBBOCK 790KC has been designated as official station for emergency announcements of any kind.

If extreme bad weather develops during the night an announcement will be made between 6:30 and 7:00 a. m. if school is to be dismissed.

Should bad weather develop after the school day has commenced, an announcement will be made if school will be dismissed early.

NO ANNOUNCEMENT MEANS SCHOOL AS USUAL although at times busses cannot make all of their routes or even a part of it.

School Busses are so difficult to operate in mud and on ice that it is often dangerous to try as well as expensive in the long run with added repairs.

WHEN THE BUSES CAN'T RUN the school will appreciate your help in transporting your children and other children near you—especially in the afternoon where some areas are inaccessible to the school bus.

SCHOOL MUST GO ON if possible. Days missed have to be added to the end of school and all days must be completed before the end of May to receive full share of state money.

School officials wish to express sincere appreciation to school patrons who over the years have assisted us in meeting our transportation problems so that as a whole our school district has been able to render good transportation service.

Texas Farm Bureau To Hold Convention

WACO (Spl.)—The 27th annual convention of the Texas Farm Bureau will be held Nov. 9-12 in Dallas, according to J. H. West of Bishop, president of the state farm organization.

State policies to guide the organization through 1961 will be adopted at the convention. Adopted resolutions on national issues will become recommendations to the American Farm Bureau Federation convention scheduled for Dec. 11-15 in Denver.

Some 750 voting delegates will represent 190 organized county Farm Bureaus in the voting. Total attendance is expected to reach about 1,700.

Speakers at this year's convention include, West, Congressman Omar Burleson, Anson; Roger Fleming, Washington, D. C. secretary-treasurer of the American Farm Bureau Federation; E. D.

Abernathy (Texas) Weekly Review Thursday, Nov. 3, 1960 Page 3

Lipscomb, Memphis, Tenn., public relations director to the National Cotton Council; and Mrs. Haven Smith, Chappell, Neb., chairman of the AFBF's Women's Committee. Leon C. Burns, minister of the Central Church of Christ, Cleburne, will be vesper speaker.

Registration for the convention will get under way at 2 p. m., Nov. 9, in the lobby of the Hotel Adolphus. A "talk meet" and "talent find," for Farm Bureau young people will begin at 3:30 p. m. in the Baker Hotel. The vesper service will be that evening in the Adolphus.

The convention will get under way Thursday morning, Nov. 10, in the Adolphus with the invocation by the Rev. Melvin Carter, assistant pastor of the First Baptist Church, Dallas, Dallas Mayor R. L. Thornton, Sr., will give the address of welcome and District 4 Director J. T. Woodson of Gober will make the response.

ATTEND WORLD AUTOMOBILE SHOW IN DETROIT

Mr. and Mrs. Andy Reid returned last week from a trip to Detroit where they attended the World Automobile Show. They went by rail, boarding the local passenger train here at 3:25 p. m. one afternoon and by 2:00 p. m. the next day were in Detroit without leaving the coach one time, thanks to the excellent rail service now available through Abernathy.

They picked up a new Chevrolet in Detroit and visited relatives of Mr. Reid's in Michigan, returning through Ohio, Indiana, Kentucky, Tennessee, Arkansas, and Oklahoma, where they visited Mrs. Reid's father in Durant.

Andy reported that this was the exact time to catch the fall color, especially in Michigan, although there was beautiful color over the entire trip.

LIONS CLUB NEWS

Arno Struve, program chairman at the Lions Club noon luncheon at Graham's Restaurant Tuesday, had planned a program whereby the members of the Lions Club would take part. However, a visitor from Hawaii, Richard Nishikawa, was present, and was asked to tell a little bit about the Hawaiian Islands. During the course of his talk, several questions arose from the Lion members, which Mr. Nishikawa gladly answered.

Mr. Nishikawa is in the real estate business and his wife is the former Koko Maeda who served as Music and Youth Director of the First Baptist Church here for several months while a student at Wayland Baptist College, Plainview.

When asked about the comparison in price of real estate here and the real estate in Hawaii, Mr. Nishikawa stated that real estate on the islands sold by the square foot, and that some of the property sold for as much as \$70.00 per square foot. It was stated that the majority of the homes in Honolulu sell for \$35,000 and up (these being on 50' by 100' lots). Practically all of the building materials have to be shipped in to the islands, he stated.

After Mr. Nishikawa's fine talk, Arno conducted a poll concerning the presidential election. Eighteen votes were cast for Nixon; 10 votes for Kennedy; one vote for Governor Faubus, and one was undecided.

W. S. C. S. NEWS

The Women's Society of Christian Service met Monday, October 17, in the Methodist Church at 2:00 p. m. for the second session on the study of "Basic Christian Beliefs," under the leadership of Mrs. Avrie Johnson and Mrs. J. C. Mills. Mrs. Jackie Barton gave the scripture reading with prayer by Mrs. M. O. Hood. Taking parts on the program were Mmes. Elton Settle, L. S. Wilson, R. A. McAllister, Harold McCune and W. A. Richter.

Monday, October 24, the society met to continue the study. Mrs. L. S. Wilson called the meeting to order with prayer led by Mrs. Johnson. Rev. H. B. Coggins, Mrs. Don Huffaker and Mrs. Mills brought the program.

Those attending this meeting were: Mmes. F. W. Struve, Harold Davis, F. A. Goebel, Elton Settle, Finis Robertson, M. M. Bell, R. A. McAllister, W. L. Kerr, A. L. Stone, Jr., George Ragland, R. A. Lutrick, Avrie Johnson, Lewis Lutrick, L. A. Suttle, J. B. McClure, J. P. Nystel, J. C. Mills, M. O. Hood, L. S. Wilson, Jack Barton, Don Huffaker, Wayne McClendon, Horace Davis, E. B. Lindsey, J. W. Davis, Jackie Barton, M. M. Evans, and Rev. H. B. Coggins.

The study will be completed on Monday, Nov. 7, at 2:00 p. m. in the church. All members are urged to attend.

NEW SERVICE NOW AVAILABLE IN ABERNATHY

Jimmy Bruce of Bruce Furniture reports that an arrangement has been set up whereby users of General Electric appliances, large or small, may now have the services of trained G-E service men when needed. This is a service heretofore not available locally to users of G-E appliances. Any G-E appliance you purchase from Bruce Furniture has a twelve months service warranty with it and now all you need do is call Bruce Furniture for service when necessary. G-E service men will call at your home and in most cases make the necessary repair on the spot, thus not depriving you of the use of your appliance for lengthy periods of time.

If you are the owner of a G-E radio or TV and need service just call Bruce Furniture or Newton Radio and TV who is the local serviceman on radios and TV. See Bruce Furniture ad on this page.

Demos Blast . .

(Continued From Page 1)

game, I'd take with a pinch of salt any statement that came from headquarters of either party. The Review receives from 15 to 25 letters a week from headquarters of both parties. Demo hdqs. can "prove" that Nixon and Lodge have horns. Republican hdqs. can "prove" that Kennedy and Johnson have horns. What either hdqs. says about the other has no influence on me. This close to election day, I wouldn't believe either hdqs. on statements given under oath.

3. Back earlier in the year, before candidates were nominated, and before the Demo's fantastic platform was made public . . . back in the Demo primaries . . . I voted the Demo ticket for county, district and state candidates. I'll vote for these Demo nominees in the General Election. Splitting the ticket is permissible. I am a Democrat at the state level. There is a lot of difference between the Texas Democratic platform and the National Democratic Platform.

4-A. No, I do not belong to the Democrats for Nixon and Lodge. If I wanted to join a political group that would be the place for me. Every inch of this newspaper costs so much to produce. I will not be goaded into giving "for free" what the Lubbock County Democratic Headquarters paid the Lubbock Avalanche-Journal money to publish. A Lubbock TV station was paid good money to allow Allan Shivers to answer the ad that was in the paper. Shivers' answer to the ad was on TV Wednesday night.

4-B. Thanks for the compliment, but I doubt that we could change the voting mind of anyone with our Nixon decision. Back in the days before wide circulation of the daily newspapers, and radio and television, the country editor had more contact with the rest of the state and nation than any other person in his community. In those days, readers did look to the editor in considering things political. Today, all of the Review readers have an opportunity to read the daily papers, listen to radio and watch TV. With exception of the letters we get from headquarters of both parties, they have access

to all the information that is available on political subjects. The Review can boast a very intelligent readership. I have confidence in the ability of our readers to make up their own voting minds without help from me and this newspaper, or help from any other newspaper from any other town.

"We are in a position that we can't say much about how we are going to vote," the wife of a local man told me last week. Telling how I am going to vote is as much a part of my business activity as the news and ads we gather and publish. It's strictly routine. Any newsman who thinks he is all things to all people is kidding himself.

5. We seem to agree on your paragraph five. Just one question: What made you think we would not publish the letter?

6-A. I have stated my stand on the religious question before. For me it's not an issue. You don't consider it an issue. The Demo party is just whistling in the dark if it does not consider religion a great big issue in this campaign. There are several million voters who are conscientious in their belief that it would be bad for the future of the United States to elect a Catholic as president. I accord to these people the right to vote as they please on this or any other issue in the campaign. They can, I believe, vote this way without being branded bigots.

6-B. For all I know you may be as right as sunshine at harvest time about the Republican Party pushing the religious issue. It's good campaign ammunition for the Democrats to claim that the Republicans are stirring the religious issue. The Democrats asked to have their heads peeled when they nominated Kennedy. They had been through that in 1928. There will be good Democrats voting Republican this year for the first time due to the religious issue.

7. We agree on this.—BFD.

CARD OF THANKS
We thank all of our friends and neighbors for the many acts of kindness and words of sympathy during our recent bereavement. Thank you for the food and the beautiful flowers and cards also. May God bless each of you.

Lucrecia Crenshaw, Joanne Klafka Reign As The 1960 Harvest Festival Queens

Lucrecia Crenshaw and Joanne Klafka were crowned Harvest Festival Queens of Abernathy High school and of the first eight grades, respectively, Monday night, climaxed the annual Harvest Festival activities. Miss Crenshaw is a senior student and Miss Klafka is an eighth grader, and was representing the Junior High grades. Their escorts were Jimmy Burnett, senior, and Jake Mallow, eighth grader.

The other queen candidates and their escorts were: Cris Wolf and Jerry Miller, grades 1 and 2; Sherry Schooler and Jim Johnson, grades 3, 4 and 5; Jane Roberts and Richard Saari, freshmen; Angela Presley and Mickey Pettit, sophomores; Pat Galloway and Mac Houston, juniors.

Activities
Harvest Festival activities were kicked off Monday afternoon with a P-A-T-A 5 p. m., followed by the P-T-A ham supper. The program, "Davy Jones' Locker," was presented at 7:30

that evening in the school auditorium. Tom Ritchey played the part of Davy Jones and narrated the program, which was composed of around 150 students.

Float Winners
Winners in the school float division of the parade were announced prior to the program. The senior class float won 1st place and \$15; the freshman class float took 2nd place and \$10; and the Junior High float captured third place honors and \$5.

Costume Winners
Costume winners in the four classes are as follows:
Most Unusual: 1st—Lionnie and Virginia Bartlett; 2nd—Phillip Jackson; 3rd—Tommy Sterrett.

Prettiest: 1st—Marilyn Powell and Barry Blair; 2nd—Cathy Pinson; 3rd—Vicki Anderson.

Scariest: 1st—Glen Hammond; 2nd—Roland Murray and Garland Knight; 3rd—Susan Montgomery.

Funniest: 1st—Darrell Selke and Larry Guerrant; 2nd—Burl Fuller; 3rd—Patsy and Nancy Lambert.

Roy L. Smitherman

Pictured above is Roy L. Smitherman, the 18-year-old son of Mr. and Mrs. Roy Smitherman, of Rt. 2, Abernathy. Smitherman just recently completed basic training at Lackland AFB, San Antonio, Texas, and is now stationed at Chanute AFB, Illinois. His address is: A. B. Roy L. Smitherman, AF 15597158, 3353rd School Sq., 3345th Technical School, USAF, ATC, Chanute AFB, Illinois.

He is a 1960 graduate of Abernathy High school.

Members Of Abernathy Fire Department Complete 5-Week Training Program

(By Paul Noland, City Manager)
On Tuesday, October 25, members of the Abernathy Volunteer Fire Department completed a five weeks, (fifteen hours), training program. The school, sponsored and directed through Texas A & M, is designed to further the fire fighting ability of a local department, and to assist in formulating more valuable and interesting training sessions.
Mr. Tom W. Robinson, Instructor from Fireman's Training School, A & M, headed up the five sessions. He discussed: "Pump, Theory and Crew Organization," "Pump Operation and Hose Loads," "Forcible Entry and Ventilation," "Ladders and Advancing Hose," and "Fire Fighting Practices."
On the final night, the department presented Mr. Robinson a gift certificate at Wards Mens Store. In accepting the gift, Mr. Robinson stated that he was happy and pleased to receive it, but that the gift he appreciated most of all was the excellent attendance record. The firemen started with 24 in attendance on the first night and ended up with the same number in attendance on the last night. Mr. Robinson stated that it certainly was a pleasure to work with a group having such a vital interest in fire fighting.
The following firemen did not miss a drill during the course: Fire Chief Ed Crow, C. J. Berutti, Jim Bob Smith, Bob Scott, Dick Hughes, Carrol Bradley, Truman Richerson, Clarence Jordan, and Ventilation," "Ladders and Advancing Hose," and "Fire Fighting Practices."
The fifteen names above, seven others only missed one meeting.

Antelopes . . .

(Continued From Page 1)

ted down a fourth down pass on the eight yard line, and just before the half he intercepted a pass on his own four yard line to stop a whirlwind threat.

The Antelopes played a fine ball game as a unit, both offensively and defensively, with at least 20 boys seeing action.

Scoring
Floydada scored midway in the second quarter with Teague carrying over from two yards out on fourth down, against stout resistance. The Antelopes could not get a scoring drive started and managed only one first down during the first half. The halftime score was 7-0.

The Antelopes scored the first time they got the ball in the third quarter. After kicking off to the "Winds and forcing them to punt, the Antelopes drove 64 yards for the TD. With a fourth-and-one situation on Floydada's five yard line, ace quarterback John Brown fired a pass to end Jack Waters who took it in the end zone. Brown then raced around right end for the two-points conversion to put Abernathy out front, 8-7.

After Floydada intercepted an Antelope pass late in the third quarter, Teague threw a pass to Marler good for 12 yards, to put the ball on the 11 yard line. Then on the first play of the fourth quarter Teague worked his way to the goal line for the final score. Teague attempted to run the extra points, but was nailed behind the line of scrimmage by alert Ronald Barrick.

Summary
Abernathy added 8 first downs in the last half for a total of 9, and Floydada added 4 for a total of 11. Abernathy made 115 yards rushing and 14 yards passing, while Floydada made 130 yards rushing and 31 passing.
Play At Olton Friday Nite
The Antelopes, who have not

Abernathy B Team Downs Lockney B Squad, 12-0

The Abernathy Antelope B team traveled to Lockney last Thursday night and downed the Lockney B boys, 12-0. Quarterback Bobby Pettit and halfback Tom Ritchey shared the scoring honors. Pettit scored the first TD on a one-yard plunge, and Ritchey raced 30 yards for the second score.

Final Record
The local B team now has a 4-1 record for the season. The lads defeated Hale Center twice, 26-12 and 34-0; downed Lockney twice, 16-6 and 12-0; battled the Floydada B team to a 0-0 tie in their first meeting, then lost to the same team, 20-12, at a later date.

Olton has a long team with 12 lettermen from last year's squad. Fullback Robert Priest and tailback Rande Buchenau have been carrying most of the scoring load for the Mustangs this season. However, tackle Ken Hooper (210) and center Robert Duncan (175) have been paving the way for these backs. Fred Riney, Jerry Thomas and Coy Carlisle are other Olton stars.
Should Abernathy defeat Olton, and Olton defeat Floydada next Friday night, it would throw the district into a three-way tie among these three teams, provided Abernathy gets by Muleshoe next week.

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Seven varieties of safflower were tested at the High Plains Research Foundation during 1960 in cooperation with the U. S. Department of Agriculture and the Texas Agricultural Experiment Station. The yields ranged from 285.12 to 589.19 pounds of seed per acre. The high yield was produced by the N-4051 variety.

These varieties were planted on March 19. Each received two irrigations of 2 inches on April 6 and May 20. There were 20.42 inches of rainfall during the growing period. A fertilizer application at the rate of 300 pounds of 16-20-0 per acre was topdressed on May 20. The safflower plants withstood two light freezes during the early seedling stage of growth. A light hail on May 17 caused some damage to the top of the plants. All plots were sprayed with Endrin and Chlordane on May 27 and June 25.

There were considerable variations in the yields of the 7 varieties with all seed yields low. The plants received continuous heavy rainfall during the seed development period. This situation was probably responsible for the immature seed found in all varieties. Leaf rust caused considerable damage to all varieties. Insect damage was very light. Early planting was probably responsible for less insect damage.
The N-4051 variety was superior to all other varieties in the test from the standpoint of yield ability. This variety also ranked high in height, stand, number of heads, and number of seeds per head. The lowest yielding variety, U. S. 10, was superior to all others in seed size.
Safflower is considered to have possibilities in the High Plains agriculture, and research will be continued over a period of years at Halfway.

ACREAGE ALLOTMENTS FOR 1961 COTTON CROPS ANNOUNCED FOR STATE

College Station—The U. S. Department of Agriculture has announced state acreage allotments for the 1961 crops of upland and extra long staple cottons.
The upland allotment for Texas was set at 7,849,196 acres which includes 10,686 acres as the State's share of the national reserve. The Agricultural Act of 1958 authorizes a national acreage reserve of 310,000 acres for apportionment among the states on the basis of the estimated need for additional acreage to establish minimum farm allotments as provided by legislation.

The extra long staple acreage allotment for Texas was set at 21,893 acres out of the national allotment of 63,740 acres.
The State allotment will be apportioned among the counties to establish county allotments and these will be further broken down among the individual farms of the counties in accordance with the provision of the law and regulations issued by the Secretary of Agriculture.

Farmers who were engaged in the production of cotton will vote in a national referendum on December 13 to determine whether marketing quotas will be operative for the 1961 crops—upland and extra long staple. At least two-thirds of those voting must approve quotas if they are to continue in effect.

Only one allotment-price support program will be available to upland cotton growers for 1961. If marketing quotas are approved in the referendum, price support will be available to upland growers who comply with their farm allotments at a level within the range of 70 to 90 percent of parity. The exact level of support will be announced at a later date. If quotas are not approved, allotments will remain in effect and price support at 50 percent of parity will be available to upland growers who comply with the allotment program.

The USDA announcement noted that farm acreage allotments will be mailed to operators of cotton farms prior to the December 13 referendum.

CARD OF THANKS
We wish to express our sincere thanks to everyone who was so kind during the recent illness and death of our loved one. We thank you for the food, flowers, cards, prayers and words of sympathy. May God bless all of you.

Selective Service Seeks Clerk

AUSTIN, Oct. 28—State Selective Service is looking for a qualified person with permanent Civil Service status to fill the position of clerk of the Swisher-Hale-Ployd-Motley county draft board, located in Plainview.
The present clerk, Mrs. Gladys B. Deen, is resigning in the near future.
Applications with postmarks up to Nov. 15, 1960, will be accepted. Only female applicants will be considered.
"Our government regulations require that we hire a person with career or career-conditional Civil Service status if possible," Colonel Morris S. Schwartz, state Selective Service director, said in announcing that the position will be open.
"We are interested in appointing someone in the four-county area," he continued, "if a person of career or career-conditional Civil Service status can be found locally."
"The government is interested in appointing a local person if a person of qualified status resides there," he concluded.
The full-time position pays \$67.60 weekly or \$3500.00 a year.
Interested persons with Civil Service career or career-conditional status in the four-county area may secure application blanks,

Standard Form 57, from the draft board or post office.
When completed, these applications should be forwarded at once, with Standard Form 50, Notification of Personnel Action showing status, to the State Procurement Officer, State Headquarters, Selective Service System, 304 East 5th Street, Austin 14, Texas.

PLAINS COTTON GROWERS, Inc.
1720 Ave. M, Lubbock, Texas
Mr. Cotton Producer
High Plains, Texas
Dear Member:

The Plains Cotton Growers, Inc. is a PRODUCER organization, with the cooperation of ginners and other segments of the Plains cotton industry.

Your Association is engaged in a hard-hitting, result-getting program of Research, Promotion, and Service. Your dues and participation are making it possible to carry on this program which has already gained favorable world-wide attention.

Thousands of your dollars go into production and marketing research, and many additional thousands have been allocated to research in the High Plains by State and Federal agencies as a result of your willingness to help yourselves. These projects have resulted in better quality cotton, and have added millions of dollars to the value of your crop in recognition of light spotted cotton alone.

Through your active advertising campaign (in cotton trade journals) cotton merchants and mills everywhere are fast becoming aware of the excellent qualities and values in High Plains cottons, resulting in a definite strengthening of your market situation.

Your dues are also providing competent representation of your problems in trade circles, in U.S. D.A. conferences, and before Congressional committees.

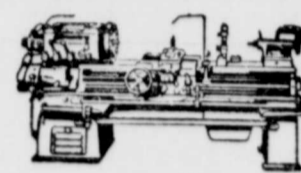

The High Plains has the greatest potential for cotton leadership in the United States—but you must work at it. Competition within the U.S., and from foreign producing cottons, is very keen. You cannot let up on research and promotion.

Most ginners are cooperating, not only in acting as collectors of the 15¢ per bale dues, but in adding 1¢ dues of his own. But your ginner needs your help. He needs to know that you want to be an active member and pay your share. So, phone or visit him TODAY and tell him you want your dues deducted. The benefits are for everybody, so you will want to do your part.

Yours for a strong cotton industry—the backbone of your economy.
Sincerely yours,
Plains Cotton Growers, Inc.
George W. Pfeiffenberger
Executive Vice President

Senator John F. Kennedy, Democratic candidate for president, with his wife and young daughter.

KEEP THE VOICE OF TEXAS STRONG

Texas' dominant position in the Democratic Party has been a major factor in the amazing growth and prosperity of our State during the past 50 years.

Count our blessings that have come because TEXANS were in the RIGHT party at the RIGHT time.

Count the jobs... educational opportunities... military installations... defense projects... water and soil projects... rural electricity and telephone systems. Count our ultimate potentials for development.

Now the Democratic Party has selected a TEXAN for one of the two top offices our Nation has to offer. As Vice President, Lyndon B. Johnson will be in a position to render the greatest service any Texan has ever been able to give his State, his Party, his Nation.

Our Nation needs the dynamic leadership of John F. Kennedy and Lyndon B. Johnson. And Texas needs to be counted in the Democratic column November 8 to keep its voice STRONG in the party that has honored its sons and nurtured its growth. Texas has no such stake in any other party or any other candidate.

Texas' future — and America's — lies in your response November 8.

Vote Democratic — Vote The Texan's Ticket

GARDEN CLUBS HOLD ZONE MEETING

The annual fall meeting of Central Zone, District 1, Texas Garden Clubs, Inc., was conducted Tuesday in the Brownfield First Methodist Church. The Brownfield Garden Club was hostesses.

The members attending from Abernathy City Garden club were: Mrs. A. B. Myatt, M. M. Bell, H. H. Selke, B. H. Beard, S. R. Jackson, G. B. Adkisson, Sr., and Orval Weeks.

Next year the annual fall meeting will be held in Abernathy, and hostesses will be members of the Country Garden Club and the City Garden Club.

Republican Presidential Candidate Richard M. Nixon and Mrs. Nixon.

Local School Is Taking Active Part In The Plains American Heritage Program

Plainview (Spl.)—Eleven area public schools are participating in the Plains American Heritage Program sponsored by Wayland Baptist College's American Studies Division under the direction of Dr. Edward McMillan. Included are: Plainview, Hale Center, Cotton Center, Abernathy, Petersburg, Olton, Hart, Dimmitt, Kress, Lockney, and Tulia.

To launch the program some 60 school administrators attended the kickoff dinner at Estacado Junior High School, Plainview, on Oct. 18 at which Dr. Charles F. Matthews, Plainview superintendent, and Mrs. Eleanor Griffin, Cotton Center teacher, spoke on the benefits derived last year from the pilot program.

Both speakers commended Wayland highly for projecting this program to awaken interest in the American heritage on the part of school children. Dr. Matthews said: "There is definitely a need to give students greater insight into basic principles that made this nation great. We have tended to take this too much for granted in recent years. Teachers will help determine the leaders of future world powers."

Mrs. Griffin listed 12 values that last year she observed were the result of student participation in the American Heritage Program. One of her students, Catherine Payne, Cotton Center, placed first in the county-wide essay contest.

On Nov. 7, at a dinner meeting a McGrath's in Plainview, the steering committee of 11, with 15 alternates, will set up criteria for the poster and essay contests which will again be conducted and decide on other types of participation which may be desirable, according to Dr. McMillan. Plans will also be completed for a meeting of some 100 teachers of the area in late November.

Acceptance of the appointments to the steering committee have been received from Mrs. Polly Gilbert, Ray Murphy, Lockney; Mr. and Mrs. S. T. Newman, Miss Bernice Littlepage, Dimmitt; Willis

Hedges, C. L. Carry, Olton; Leroy Roberts, Walter Edwards, Tulia; Tella Walker, C. W. Pittman, Abernathy; Bill McDowell, James Bentley, Kress; James Langford, Wayne Bannister, W. G. Akin, Hale Center; Mrs. Eleanor Griffin, Cotton Center; I. L. Whitfield, James Bottorff, Mrs. A. B. Cox, Plainview. Other appointments will be made including those from Hart and Petersburg.

Dr. McMillan also announced that visual aids such as flannel-board presentation on Communist brainwashing, films on Communism, Socialism, and Capitalism are available for use by schools. Wayland is also making available a 10 to 20 minute book review of J. Edgar Hoover's "Master of Deceit," which discusses Communism in America, and a short presentation with posters of "America's Free Enterprise System."

Those from Abernathy attending the kick-off dinner included school superintendent Noel Johnson, Howard Humphrey, Gid Adkisson, Jr., Tella Walker and C. W. Pittman.

THEATER TO REOPEN IN ABERNATHY

Jess Roundtree of Littlefield has purchased the Nue-Vue theater from Clyde Darden and says he will re-open the picture show about November 15. Considerable work reinstalling seats and screens and other equipment is necessary before the show can open.

Mr. Roundtree says the building is for sale or trade as of now, but he will open the theater as planned unless a trade or sale turns up before that time. Mr. Roundtree lives at 709 14th St., Littlefield.

1954 Women's Club

The 1954 Women's Club met Oct. 19 in the city hall. Members of the club entertained their children with a Halloween costume party. Hostesses were Jo Ann Lambert, Lillian Rape, Charlsie Gregory, Mary Megna, and Billie Harrison. The next meeting will be Nov. 2 with Lillian Rape in charge of the program. Hostesses will be Helen Neil and Billie Ann Thomas.

(Mail News To The Review)

TUCO Topics

(Continued from page 1)

capacity of an Aircraft Mechanic, attending two aircraft mechanic schools, one in New York and one in North Carolina. He was discharged from service in New York in the year of 1944.

After returning home from service Maurice spent a short time farming, and also worked as a pump for the Pure Oil Company in the Anton - Irish Field.

November 15, 1961, Tow became an employee with Southwestern Public Service Co. as an Auxiliary Operator. He then served as a member of the maintenance department, and is at present known as a Maintenance Journeyman. He has received two certificates, one for each year he attended the Plant's Apprentice School. Also, he has been awarded the 5-year service award and will receive his 10-year award in 1962. He has also received a certificate for having satisfactorily completed training in one of the First Aid Schools sponsored by TUCO Plant.

Maurice Tow and Coleen Fleming were married in November of 1942 and have two children. Coleen was born near Plainview and attended grade school at County Line. Mrs. Wade Ray was one of her first grade teachers and Mrs. John L. Harral was one of her second grade teachers. Coleen graduated from our own Abernathy High School.

Both Maurice and Coleen have been active members of different organizations within our community. Both are active in church service at the First Baptist Church, each teaching a group of twelve-year juniors. Maurice is serving as secretary-treasurer of the Brotherhood for the church year. Also, both have been active in working with the Cub Scouts in years past—Maurice has served as a Den Dad and Coleen has served as an Assistant Den Leader.

Both Coleen and Maurice say they have no hobbies, but the beautiful flowers and trees around their home show that they get a great deal of care from some interested person, or persons. Maurice is also handy in woodcraft and is hoping to some day have a

shop where he can enjoy this hobby to its fullest.

The Tow's two children, Malcolm and Betty give their parents great pride in their accomplishments. Malcolm, who is fifteen years of age, is a sophomore in our local high school. He is a member of the Antelope Band and plays the trombone. He is also an active member of the First Baptist Church and serves as vice-president of his Sunday School Class. He has been active in Scouting and may well say that gun collecting is his hobby, and swimming is his favorite sport.

Betty is almost thirteen years of age (come December) and is a member of the sixth grade of our Junior High School. She is also a member of the band of that school and plays the clarinet—she also plays the piano and is a piano student. Betty is also an active member of the First Baptist Church and holds an office in her class. She is also active in G. A. work (an auxiliary of the Baptist W. M. U.) and has the rating of a Princess. She is studying for

a queen rating. She loves to collect dolls and what-nots and takes great pride in her collections. Betty says that she considers skating to be her favorite sport.

Newsbits
The Billy Pittman family of House 10, TUCO, is proud of the arrival of a new member—a baby girl.

Willie Florence and Bill Schreier spent two days of this past week in attendance at a Plant Water Treatment School at Plant X. At least two representatives from each plant within the Southwestern Public Service Company attended.

COUNTY TO PAY FOR FARM ROAD RIGHT-OF-WAY

The Hale County Commissioners Court recently voted for the county to provide the right of way for 2.1 miles of improvements on a farm road on the north outskirts of Plainview.

The strip will connect U. S. 87 and FM 400 and is now designated as 34th Street. The State Highway Commission had requested the county provide the right of way when funds for the hard surfacing were appropriated.

Purchase of road building and maintenance machinery for precincts 1 and 2 were approved. Precinct 1 bought a motor grader from West Texas Equipment Co. for \$12,000 and a new Galion motor grader from Plains Machinery Co. for \$12,000. Trade-ins were involved in both purchases.

Precinct 2 bought a payload loader from Plains Machinery Co. for \$5,750 and a trade-in machine.

The court appointed Don Mouser, Inez Ott, and John T. Boyd as judges to count the county's General Election absentee votes on November 8.

Legal Notice

ORDINANCE NO. 106

An Ordinance having the effect of the City of Abernathy to collect penalties and interest on delinquent tax accounts for the period beginning October 17, 1960, and ending November 25, 1960, for those taxpayers paying delinquent taxes during said period; authorizing the refund of penalty and interest collected on delinquent taxes since October 15, 1960; and stating the intent of the City of Abernathy to make every legal effort to collect delinquent tax accounts and the penalty and interest due on said accounts after November 25, 1960.
