

ABERNATHY WEEKLY REVIEW

VOLUME 40 HALE COUNTY — ABERNATHY, TEXAS — LUBBOCK CO

THURSDAY, DECEMBER 1, 1960

NUMBER 4

Area Gins Receive 45,067 Bales of 1960 Cotton

Harvest Hits Peak; Gin Yards are Full

Gins in this area had weighed in a total of 45,067 bales from the 1960 cotton crop, according to a survey made by The Review Tuesday morning. Harvest is running late this year due to weather conditions earlier in the season. Fair weather favored the activities last week, and harvesting was in full swing Thanksgiving Day. Activities were halted Sunday by wind and sand rolling across South Plains. Weather was favorable early this week.

The three County Line gins (counting the two in County Line and Martin's Gin on FM 54) had weighed in a total of 10,833 bales. New Deal gins reported a total of 14,001 bales. Abernathy gins had a total of 20,231 bales, for a grand total of 45,067 for the area.

With the cotton harvest hitting a peak, the gin yards are overflowing with trailer loads of cotton. Ideal weather last week and much of the previous week set cotton stripping in full blast. Gins all over the region are operating around the clock, but still the gin yard loads mount. If the weather and trailers hold out, the harvest could be over in record time.

A check last week by the Texas employment commission office in Plainview revealed that 73,327 bales had been ginned in Hale County as compared to 133,387 bales ginned at that time last year. Even though the harvest is somewhat behind compared to this time last year, the slack is rapidly being taken up.

Liquor Raid Nets Big Haul

A raid by local officers Dan Blanchard and John Marsh, and two Liquor Control Board officers of Lubbock, netted a big haul at a residence in the Latin American section of Southeast Abernathy. The raid was staged at 6:15 p.m. Saturday, Blanchard reported. Confiscated in the raid were 154 cases of quart-size beer, 33 pints of wine and 14 3/4 half pints of whiskey. A Latin American man was arrested.

New Deal Basketball Tournament Set Thursday, Friday and Saturday

The Annual New Deal Invitational Basketball Tournament is slated for this week end, December 1, 2 and 3. Six girls' teams and eight boys' teams will be represented in this year's tourney.

Girls' teams in the tournament, other than New Deal, will be Roosevelt, Meadow, Cotton Center, Crosbyton and Idalou. Teams entering the boys' bracket besides New Deal include Roosevelt, Meadow, Monterey "B" (Lubbock), Idalou, Crosbyton, Sands and Cotton Center.

Tournament play will begin at 3:00 p.m. Thursday, (today) when the boys' teams from Sands and Cotton Center clash. That game will be followed by another boys' tilt between Monterey "B" and Idalou at 4:15 p.m. At 5:30 p.m. the first girls' game of the tourney will take place when the teams from Meadow and Cotton Center meet. Another boys' tilt is slated for 6:45 p.m. between Roosevelt and Meadow, to be followed by a girls' game matching New Deal against Idalou at 8:00 p.m. The final game on Thursday is slated for 9:15 p.m. between the New Deal and Crosbyton boys' teams.

Six games are on tap again Friday afternoon, thus starting the second round of play. The first game is set for 3:00 p.m., matching the loser of the Roosevelt-Meadow boys' game with the loser of the Monterey "B" and Idalou boys' game. The second game is slated for 4:15, also in the boys' bracket, when the loser of the New Deal-Crosbyton tilt takes on the loser of the Sands-Cotton Center game. A girls' contest is scheduled for 5:30 p.m. that day.

AHS Varsity Teams Win Two Games Over Slaton Teams Here

The Abernathy girls' and boys' basketball teams roared to two victories over the two teams from Slaton here Tuesday night. It was the local boys' first game of the season, and they came through with a 66-54 win after a shaky start, and the local lasses grabbed a 70-60 victory.

The Abernathy girls' squad led throughout their contest. They were ahead 19-15 at the end of the first quarter, led 39-30 at halftime and were out front 59-46 going into the final eight minutes of play. This was the highest score the girls have made this season.

Diann Owen paced the local fens to victory as she burned the nets with 36 points. Nelda Sanders pitched in 25 points, and Betty Johnson, who also saw considerable action at the guard position added 9 points. Slaton's girls were led by Judy

Review Office In Temporary Move to Ave. D.

This is to notify customers of The Abernathy Weekly Review that the newspaper office will be in a new location effective Monday, Dec. 5.

The new, and temporary, location will be on the east side of Avenue D in the center of town. Until further notice, the newspaper office will occupy quarters first door north of Lambert Cleaners, in the south side of the Harding building, August Jones Real Estate is in the north part of the Harding building. The Review office will be at the Ave. D location for the duration of construction activities on the freeway through Abernathy. Also, the block in front of The Review building at 605 Ave. C will be paved in the near future, to a convenience to our customers. The Review is taking the new location on Ave. D until the improvements are completed in our part of town.

Door Mail Slots There is a mail slot in the door at the new location. It may be used for delivering news reports when the office is closed. Also, there is a mail slot for the same purpose in the Review building door on Ave. C.

Abernathy's latest try for oil, located three quarter miles northeast of the northeast corner of the town square on Mrs. N. C. Hill's property, is being drilled. The well is 13 1/2 inches surface casing has been set at 450 feet and the fresh water sealed off.

Deserved Popularity—Mrs. B. H. Warren, Berger, was perhaps the one Homecoming visitor to receive the most attention at the 1953 Wayland Board of Trustees conferred the honorary Doctor of Literature on her in recognition of her many years of teaching literature, speech and language. At that ceremony her son, Col. Beverly H. Warren, delivered the baccalaureate address. Mrs. Warren now makes her home in Berger where she assists in caring for a small grandson since the death of his mother, Mrs. Warren's daughter, Miss Burson, formerly of Silverton, is librarian at Abernathy High School. Mr. DeBusk, who delivered the alumni address and received the Alumni Citation of Achievement, is an attorney in Dallas.

The contest, with top prizes in both categories. The above steps were taken by the local Lions to try to encourage more residents of Abernathy to decorate their homes, or yards, or both, this Christmas season. It is hoped that many of our citizens will go all-out in their planning, and will produce many outstanding and inspiring scenes.

Categories & Prizes Two categories designated by the Lions for the contest are Outside Scenes and Inside Scenes. The committee pointed out that "any inside scene or window decoration which can be judged from the outside (whereby the judges will not have to go inside the house)" will be considered an Inside Scene. Outside Scenes will include decorations of porches, roofs, garages, yards, etc.

Prizes in the contest will total \$100.00. Winners of first prize in each category will receive \$25.00; second prize will be \$15.00 in each category; and third prize in each category will be \$10.00. Persons wishing to enter the contest are requested to mail a postal card to: Richard Havens, Contest, Abernathy, Texas, giving their name, address, and which category they wish to enter. Deadline for entries is December 15, and judging will be done on Monday night, December 19.

Judges Judges from out of town. Their names will be published in the December 22 issue of The Review along with names of winners in each of the two categories. Decisions of the judges will be final.

Remember the deadline date: December 15. Send your name, address, and specify which category you wish to enter—Outside or Inside.

Local Woman Injured Here Tuesday Evening When Two Cars Collided

Mrs. Robert W. Dyess, 1215 14th Street, sustained serious injury to her nose in a two-car collision at 14th Street and Ave. G Tuesday at about 5:25 p.m. She is the wife of one of the athletic coaches in Abernathy schools. Mrs. Dyess was a passenger in a car being driven west on 14th Street by Mrs. Albert McCurdy, who resides at 15th and Ave. F. The McCurdy car was in collision with a car being driven north on Ave. G by Martha, daughter of Mr. and Mrs. Vic Struve, 711 16th St.

The Struve car, after the collision came to rest against the southeast corner of the S. H. Lebow residence at 1403 Ave. G. The car tore down a chain-link fence and metal posts set in concrete here hitting the corner of the house, which apparently was only slightly damaged by the impact.

Martha was treated at Abernathy Medical Clinic and released. Mrs. McCurdy escaped serious injury in the accident. Mrs. Dyess was given emergency treatment at Abernathy Medical Clinic, and was taken from there to Methodist Hospital, Lubbock by Dennis & Chambers ambulance for observation.

HAS BIRTHDAY PARTY A party was given for Melinda Huffaker Friday, on her third birthday. Attending the party, given in the home of Melinda's parents, Mr. and Mrs. Donald Huffaker, were; Sherry Rantz, Kim Pinson and Scott Lutrick.

EMERGENCY TREATMENT Mrs. Bobbie Lindsey, 25, who resides at 4th and Ave. J, was rushed to Abernathy Medical Clinic for emergency treatment at about noon Tuesday. Later she was taken by Dennis & Chambers ambulance to Methodist Hospital, Lubbock, for observation.

John Brown, Larry Florence, Wilton Manley

John Brown, Larry Florence, Wilton Manley

Three Abernathy lads were named to the 2-AA All-District football team early this week. The Antelope, back John Brown, tackle Larry Florence, and guard Wilton Manley were named to the All-District offensive unit, while tackle Wilton Manley was given All-District honors on the Lubbock, by Dennis & Chambers.

Second Team Abernathy placed two boys on the Second Team offensive unit and placed five on the Second Team defensive unit. Guards—Don Larry Florence, tackle; Stanley Joy, back; and Neal Humphrey, back.

Abernathy end Jack Waters received Honorable Mention on the offensive list.

Teams Named District 2-AA champion Olton

Accident Fatal To Parents Of Local Woman

The parents of a local woman were fatally injured in a head-on collision of two cars, Wednesday afternoon, November 16, 1/4 mile east of Quanah, on U. S. Highway 287.

Mrs. E. Wilkins of Quanah, mother of Mrs. Lucille Rogers of Abernathy, was killed outright in the accident. Her husband, 69 years of age, died in Memorial Hospital in Quanah from injuries he received in the accident. He suffered fractures of the jaw, leg, pelvis, shoulder blade and arm, a punctured lung and other internal injuries.

Also killed outright in the accident was George L. Condon, 71, of near Chillicothe. Highway patrolmen reported that the Condon car headed east and the Wilkins' westbound car collided on the south side of the pavement.

Wilkins was driving the car in which his wife was a passenger. Condon was traveling alone.

Mr. and Mrs. Wilkins were a retired couple who had moved to Quanah several years ago. Survivors of the couple include five children, Mrs. Bill Parker of Quanah, Mrs. Lucille Rogers of Abernathy, Mrs. Margie Hodges and E. A. Wilkins, both of Hale Center and Vernon Wilkins of California.

Services for Mrs. Wilkins were on Friday at 2:30 p.m. She was born April 29, 1895 at Alba. Funeral rites for Mr. Wilkins were held Sunday afternoon at 2:30. He was born April 23, 1891 at Alba. The couple was married at Alba in 1912. They were both members of the Church of Christ. Interment was in Quanah Cemetery.

TALK IN PRINT

Another anonymous note in Tuesday's mail, signed "A Democrat" it was a poem, entitled "To My Republican Friend." It is an amusing poem, and the wording really isn't too shocking, but it wouldn't do to print, and I doubt that the Demo expected it to be printed.

There's nothing to be afraid of anymore, boys. Come out of the bushes... The Demos won. Sign your names to the stuff you send me. I'd like to know who you are, because I may need you to show me the way to that "New Frontier."

About 24 more days 'till Christmas! Been a short year, hasn't it?

Abernathy business places have good stocks of holiday merchandise ranging all the way from new 1961 Fords, Chevrolts, Corvairs, Falcons, and Mercurs, to small gift items. It's easier to shop here. Give your hometown business friends a chance to fill your gift needs. In many instances the prices may be lower, too. Several ads in this week's Review contain Christmas gift suggestions.

About 44 men from this section of Texas are in Chicago and other areas of the Midwest the week to study cattle feeding methods used in that region. Dr. W. L. Stangel of Lubbock says: "There is no reason why West Texas cannot become the livestock feeding center of the nation. We have grain sorghums and cottonseed meal and hulls and a far more moderate climate." (Than Midwest States).

Carl Barton, local manager for Pioneer Natural Gas Co., is a victim of a deer hunting accident... a minor accident. He sustained a severe and painful sprain of his right foot. Barton, hunting in the Llano area, was in a tree waiting for a deer to come by when the limb on which he was resting broke. He fell about 10 feet, hitting the ground on his right foot. X-Ray examination at a Llano hospital failed to discover any broken bones. He is on crutches.

Leo J. Kitchens family, who reside at 402 Avenue G, has many interests and has no trouble in passing the time with some profitable and worthwhile activity. Leo was born in Eastland County, completing high school at Ranger. He and his wife, Eula B. Kitchens, were employed at Ranger from 1939 and in 1944 both were employed at Berger with the Phillips Petroleum Company.

In May of 1945 Leo was inducted into service with the army at Fort Bliss, Texas, and from there was transferred to Camp Walters at Mineral Wells. From Camp Walters he was transferred to Fort Knox, Kentucky where he remained until his discharge. While in the Army, Leo served with the Field Artillery. After his discharge from service in 1946 Leo returned to Abernathy where he began employment with Southwestern Public Service Company at TUCO in December of that year. He holds

Fire Key Rate Cut Announced For Abernathy

AUSTIN — Cuts in the fire key rates for Abernathy and Littlefield were announced today by the State Board of Insurance, which means residents in both cities will be saving money on purchases of fire insurance. The fire key rate for Abernathy was lowered from 58 to 55 cents per \$100 of fire insurance purchased annually, and the rate at Littlefield was lowered from 40 to 39 cents.

The new rates were made effective on all policies written on or after November 15.

The key rate is set up after the Board sends out inspectors to look over hazards as well as preventive measures and equipment. Changes were made at Abernathy on water works, elevated tank, water mains, fire hydrants, fire department wholly volunteer, fire apparatus, no fire alarm system, building laws, narrow streets no fire marshal, and configuration hazards. Credits were allowed for booster trucks, methods of fire prevention taught in the public schools and a maintained arson reward.

Hit by Pickup on FM 597

Terry Winton, 13-year-old Abernathy boy, critically injured Saturday afternoon when he was struck by a pickup truck on FM 597 about 100 yards east of U. S. Highway 87, in South Abernathy. He is the son of Mr. and Mrs. J. S. Winton, 1311 Avenue G. Terry was taken by Dennis & Chambers Ambulance to Methodist Hospital, Lubbock, where he underwent surgery late Saturday. He sustained a compound fracture of the lower left leg, broken right knee, internal injuries and a possible head injury, reports said.

His condition was listed as "poor" by the hospital for the first two days after he was admitted. There was indication of improvement in his condition when the Review checked Tuesday morning.

Terry, his brother, Donnie, 11, and Dick Powell, 10-year-old son of Mrs. Elouise Powell, were walking along FM 597 when the accident happened. Driver of the pickup truck that hit Terry was George Oliver Cate, 24, of Lorenzo, investigating officers reported. Cate was driving west on FM 597, the report said. Highway Patrolmen investigated the accident.

BAND WINS A FIRST DIVISION IN LEAGUE MARCHING CONTEST

The Abernathy High School Band continued its winning ways Tuesday night, November 22, at Brownfield when it marched and played its way to a First Division rating in the Interscholastic League marching contest.

One hundred three of the 122 members of the Antelope Band performed the Staggered File Drill, Permian Drill, Arrow Drill, Pinwheel, and the AA exit. Music included a Special Fanfare, Grand Entry Swing March, Indiana State Band, Grandioso, Bells Across the Horizon, Salutation, and Hall to the Antelopes.

Thirty-two bands participated in the contest which began at 4:30 that afternoon. Abernathy marched about 8:00 p.m. Other First Division winners were: Monterey and Plainview in Class AAAA, Brownfield in Class AAA, Floydada and Olton in Class AA;

Rundown of Players Given For AHS Boys' and Girls' Basketball Teams

7 LETTERMEN RETURN FOR BOYS' TEAM; GIRLS RETURN 2 STARTERS

The Abernathy Antelope boys' and girls' basketball teams are looking forward to a progressive season. The local boys have seven lettermen returning from last year's squad, with four of them ranging in height from 6-0 to 6-3. Two of the lettermen are 5-11, and one is 5-8. The team will be assisted by four lads up from the B team, with heights of 5-10, 6-0, 6-2 and 6-3.

The AHS girls' squad is less fortunate as they have only two starters returning from last year's district team. With the aid of five fine athletes up from last year's B team, four sophomores up from last year's freshman team and the help from at least one freshman this year, the coaches hope to build a strong offensive and defensive unit.

Both the boys' and girls' teams are defending District 2-AA Champions. The boys lost to Dimmitt in the bi-district tilt last year and the girls were nudged by Friona for bi-district honors.

Seven Lettermen Return
Coach Preston has seven lettermen returning from last year's Antelope squad. They include Neal Humphrey, Jerry Givens, Mike Ritehey and Keith Beard, seniors and Larry Florence, John Kiker and William Smith, juniors.

Boys up from last year's B team are Wilton Manley, 6-3 senior, center; Robert Pope, 5-10 junior, guard; George Reagan, 6-2 junior, center; and John Brown, 6-0 senior, guard, who lettered as a sophomore but was out most of the early season last year due to a football injury.

Several talented players are up from last year's Freshman team and some could break into the lineup before the season's end. Included in this list of sophomores is Tom Ritehey, 6-0, guard, who is possibly the most promising of this group. Others include Eddie Davis, Mike Miller, Leon Johnson, Pat O'Neil, Bobby Pettit, Don Hughes, Charles Wine, Randy Henson, Gid Adkisson and Mickey Pettit.

Varsity
A rundown of the returning varsity lettermen follows: Neal Humphrey, 6-1, senior, forward, was a starter last year and is a fine, smooth, all-around player, and is a two-year letterman; Jerry Givens, 6-0, guard, senior, was also a starter last year, is a two-year letterman, and is a good play maker, good driver, and good team player; Mike Ritehey, 5-11 senior guard, is a two-year letterman and is a good ball handler; Keith Beard, 5-11 senior guard, is a two-year letterman, and is a good outside shooter;

Larry Florence, 6-3 junior, center, is a one-year letterman, and is a good rebounder and inside shooter; John Kiker, 5-8 junior guard, is a one-year letterman, started some games last year and is a real fire-ball competitor and hustler; William Smith, 6-2 junior forward, is a one-year letterman, and is a real fine jumper.

Girls' Team
The local girls' team will have a tough battle in district competition this year as they have only two starters returning from last year's team.

These two fine athletes are Diann Owen and Nelda Sanders, both seniors. Miss Owen and Miss Sanders were recently chosen to serve as co-captains of this year's Antelope girls' basketball team.

Diann plays forward and averaged 18 points per game last year. She also made several all-tournament teams, made All-State as a sophomore in the 1959 Championship team, is very versatile, uses both hands well shooting, and can play inside or "out".

Nelda also plays forward and was the team high scorer last year. She also made several all-tournament teams, made All-State as a sophomore in the 1959 Championship team, is very versatile, uses both hands well shooting, and can play inside or "out".

Up from the B team are the following girls:
Betty Johnson: 5-10 junior, forward (converted from a guard), a good jumper and has lots of potential and will probably be the key to success this year.

Frances Teaff: 5-9, junior, guard, lacking in experience, but is an "A" player and should improve fast.

Janice Adkisson: 5-9, senior, is the most experienced guard this season, having played guard on the B team last year.

Shirley Nesbitt: 5-9, senior guard, played Freshman ball but did not come out as a sophomore or junior; lacks speed but has been a tremendous worker this year.

Jan Exum: 5-0, senior, guard or forward, is a fine morale booster, and played on the B team last year.

Up from the Freshman team are Martha Strive, 5-8, sophomore forward; Dee Ann Davidson, 5-6, sophomore guard; Peggy Davis, 5-5, sophomore guard, (will probably start; converted from a forward last year); and Elaine Bibbey, sophomore guard who is a real hustler.

Freshmen
Most promising from a crop of good freshman this year is Paula Owen who will probably play

some ball with the varsity. Other freshman that show a lot of promise and might break into the lineup later are: Linda Jo Brezzel, Susie Deering, Gwen Hendrix, Rita Evans, and Janie Brown.

The girls' squad, coached by athletic director Pete Wilson and his assistant Shirley Oswald, has played eight games this season, and scored well during each contest. Their lowest score thus far was 38 points, scored against New Deal in a scrimmage here early in November. They have scored in the fifty's twice, and scored in the sixty's four times.

Coach Pete Wilson in starting his eighth year as mentor for the AHS girls' basketball squad, and is in his second year as athletic director here. Before coming to Abernathy in 1953, Wilson was mentor for the Avoca girls for four years. In 1953 his Avoca team qualified for the state tournament in Austin.

Coach Wilson's second team to go to the state tournament was in 1955 when all-stater Shirley Oswald, who is now assistant coach for the AHS girls' team, was the top star. (That team was defeated by one point in the semi-finals).

Miss Oswald, daughter of Mr. and Mrs. Doyle Oswald, Abernathy, graduated from AHS in 1955 and graduated from ACC in Abilene in the summer of 1958. She is starting her fifth season as assistant coach here.

Last year the girls' team won

26 games and lost only 7 during season play. They won the district play-off against Muleshoe and figure to have an uphill fight with that team this year since they have lost only one starter.

Coach Wayne Preston is in his ninth year as boys' basketball coach at AHS.

Prior to coming to Abernathy, he served four years as football and basketball coach at Paint Creek, near Stamford. While there both his basketball and football teams won the district championship three out of four years. (His football team won Regional one year). Coach Preston is a graduate of Hardin-Simmons University, Abilene.

Assistant boys' basketball coaches are Waydelle Hill and Curtis Davenport. Both are graduates of Howard Payne college and both are in their second year here.

The boys' team last year compiled a 21-6 won-lost record. The boys have won district the past two years, and won district five times out of the past eight seasons (Coach Preston's tenure).

Mr. and Mrs. Ray Willis spent Thanksgiving holidays with their son and daughter-in-law, Mr. and Mrs. George Ray Willis, both students at the University of Texas in Austin. They attended the Texas U. Texas A. & M. football game Thanksgiving Day in Austin.

1961 COTTON ALLOTMENTS EXPLAINED

College Station — In response to questions raised by some growers about 1961 upland cotton allotments, B. P. Davenport, Jr., chairman, Texas Agricultural Stabilization and Conservation Committee, today explained the difference between the 1961 program and the one in effect for the past two cotton crops.

He pointed out that the 1961 national allotment of 18.5 million acres compares with the "regular"

1960 allotment of 16.3 million acres. This 1960 figure was increased to 17.5 million acres under Choice (B) elections. In 1961 there will be only one upland cotton allotment, whereas for the past two crops growers had a choice between the "regular" farm allotment and the 40-percent larger (B) allotment. All eligible growers in 1961 may receive the full available price support on their cotton, whereas in 1960 the eligible (B) growers received lower support but a larger acreage allotment.

Because of the provisions of the law the effect of the increased national allotment on the size of the State, county and farm allotments will vary widely. Some farms may receive no increase or

possibly a reduction from the available allotment acreage for 1960 primarily because of the operation of the minimum allotment provisions or participation in the Choice (B) program in 1960.

Growers on 1960 Choice (B) farms and on farms with allotments of 10 acres or less should keep these facts in mind when they receive their notices of 1961 upland allotments.

Davenport reminded farmers that the allotments will remain in effect for 1961 crop cotton whether or not growers approve 1961 marketing quotas in the na-

Page 2
tional referendum to be held December 13. Allotments are used as a means of determining eligibility for the available price support.

A two-thirds favorable vote in the referendum would mean quotas for the 1961 cotton crop, marketing quota penalties on any "excess" cotton, and price support at not less than 70 percent of parity. Opposition to the quotas by more than a third of the voters would mean no quotas or penalties for 1961 and supports at 50 percent of parity to growers who complied with their acreage allotments.

"ATTITUDES IN RELIGION"

BY ROY DEAN VERNER
Reading Time: 4 Minutes

Attitudes are important in every department of life. Our attitude in regard to our job determines, to a very great extent, how well we perform on the job, and how well we like it. Our attitude toward marriage may well determine whether or not our home will be a happy one or a broken one. Our attitude toward people determines whether we have many friends or not.

Our attitude in religion is by far the most important, for it may determine the eternal destiny of our soul. The fact that we have so many different religious bodies and beliefs is due greatly to the different attitudes exhibited in religion.

One says, "My father's religion is good enough for me." If your father's religion is good enough for you, then my father's religion is good enough for me, and everyone's father's religion is good enough for them. If this attitude is the correct one in religion, then the heathen would be acceptable before God—the heathen who worships idols of wood and stone, the heathen who throw their babies to the cocodiles and offer human sacrifices. If not, why???

Another says, "I think that I can be saved by just living a good, moral life." If this be so, then why did Jesus die on the cross? Why was his blood shed in order to purchase the church. (Acts 20:28). Why do we have commands in the Bible that pertain to things other than goodness and morality? Why was it necessary for Cornelius, "a devout man, and one that feared God with all his house, which gave much alms to the people, and prayed always," to send for Peter that Peter might tell him words whereby he and all his house might be saved? (Acts 11:14). If ever there was a good man, Cornelius was that man, but he was lost and needed to be saved. Are you so presumptuous as to suggest that you are better than Cornelius or that

God will deal with you in a different way than He did with Cornelius? Actually this attitude, if true, would save the infidel who lives a good, moral life. (Read Revelation 21:8).

Still another says, "I believe that one's conscience is what really counts in religion." In other words if you feel that you are pleasing to God, then you are Question: What about the heathen? Does God accept him? If so, then why send missionaries to all parts of the world? What good is the Bible? Why preach the gospel? The Bible speaks of a seared conscience (1 Tim. 4:2), a defiled conscience (Titus 1:15), and an evil conscience (Heb. 10:22). Will one who possesses one of these consciences please God by following it?

Another says, "I don't think a person has to adhere too closely to the Bible. He need follow it only in a general way." This is, perhaps, the most dangerous of all these attitudes and probably forms the basis for all of them. It shows a lack of respect for the Word of God. "God said it, but he didn't really mean it." That is how many view the Bible. They feel that the Bible is just a general outline and that they must fill in the details. Do you really believe that God provided man with salvation and then didn't tell him how to obtain it? Many do. Many feel that God has allowed them to choose their own way to heaven. Jeremiah said, "... it is not in man that walketh to direct his steps." (Jer. 10:23). If man could have found his own way to heaven, there would have been no need for Christ and for the Bible.

The proper attitude, and the only one that will save us, is to turn to the Bible and say, "Speak Lord, for thy servant heareth." Then be willing to obey ALL that He says to us.

Time To Check Heating Units

College Station, Fall is heating equipment "check-up" time, says W. S. Allen, extension agricultural engineer. It will pay to make sure that all of your heating equipment is checked out ready to give continuous service for the rest of the winter.

If you have a central heating system, make sure that the filter is clean. Replace if necessary, or obtain the assistance of a soot and dust, and check the gas and electrical connections. Oil the fan motor unless it is of the sealed unit type, and make sure the fan belt is not worn and un-serviceable, Allen continues.

Space heaters should be checked for faulty connections and dirty burners. They should be located so that they cannot overheat any nearby equipment or materials.

If you have a wood-burning fireplace, an annual check of this equipment is in order. Be sure that there are no cracks in the brick. Such cracks might allow sparks to get to wood or other combustible materials, and this could cause a fire that you don't want. Make any repairs necessary.

No matter what kind of heating equipment you have, it normally requires some maintenance and an annual check-up. Look over yours now, and if there is any question of serviceability of any

part of your equipment, repair it or obtain the assistance of a competent service man.

"A few minutes now could prevent some uncomfortable times this winter," concludes Allen.

SUPERINTENDENT NOEL JOHNSON
Elected To Interscholastic League Council

Noel Johnson Elected To The University Interscholastic League Legislative Council

Superintendent of Schools Noel Johnson has been elected to the University Interscholastic League Legislative Council.

The League sponsors all interschool contests in Athletic and Literary Events. The state is divided into Regions and Conferences within each Region depending on the size of the High School (top four grades) enrollment of members as follows:

- Conference AAAA — 905 and up
- Conference AAA — 400 to 905
- Conference AA — 205 to 400
- Conference A — 120 to 205
- Conference B — 119 and under.

There are only four regions in the entire state for Conferences AAAA, AAA, AA, and A, and eight Regions for Conference B schools. Mr. Johnson represents the 42 Region I Conference AA schools as follows:

Abernathy, Alpine, Anson, Ballinger, Canyon, Childress, Cisco, Colman, Comanche, Crane, Dalhart, De Leon, Denver City, Dimmitt, Dublin, Eastland, Floydada, Fort Stockton, Friona, Granbury, Hamilton, Harlin, Haskell, Lockney, McCamey.

Morton, Muleshoe, Olton, Perryton, Post, Quanah, Ranger, Seminole, Seymour, Shamrock, Slaton, Spur, Stamford, Tahoka, Tulia, Wellington and Winters.

His term of office will be for

Fat Stock Show Officers Named

The South Plains Junior Fat Stock Show Steering Committee met at the Chamber of Commerce Wednesday November 16th to elect new officers, discuss rules, change and formulate other plans for the 1961 show which is to be held March 20-21-22, outgoing Chairman Charles Signor announced today.

The new officers are: T. B. (Skinny) Edwards, General chairman; Raymond King, vice-chairman; Mac Goodwin, finance chairman; and O. J. (Bo) Sexton, clerk of sale. During the meeting it was unanimously voted that the 28th Annual South Plains Junior Fat Stock Show will be dedicated to Tech professor emeritus Ray C. Mowery who has served in various capacities in the Fat Stock Show for many years.

Professor Mowery was Professor of Animal Husbandry at Tech until retirement. He taught there from 1926 to 1960. He has served as Barrow Judge, 1932; superintendent of the Barrow Division 1933; Barrow judge 1934 and 1935; Lamb judge from 1938 through 1942; Barrow judge in 1946; Lamb judge from 1947 through 1954; Lamb judge from 1957 through 1959. Professor Mowery was vocational agriculture teacher from 1921 through 1926 in Lubbock High School.

A native of Dongola, Ill., he received his Bachelor's degree from Texas A & M in 1921, and his Master's degree from Iowa State College in 1926. He did graduate work at the Universities of Wisconsin and Wyoming. For 20 years under his coaching, judging teams have won at major shows such as the Southwestern Exposition and Fat Stock Show, Fort Worth; American Royal, Kansas City, Mo.; International Livestock Exposition, Chicago.

A former president and vice president of the National Block and Bridle Club, Mowery holds memberships in the American Society of Animal Production and the Texas Agricultural Workers.

In the First Presbyterian Church he was Sunday school superintendent for nine years, a church deacon for seven years and an elder for two years. He also was president of the Lubbock Kiwanis Club in 1936, commander of the Masonic Lodge in 1927 and secretary of the Milam Home organization from 1941 to 1945.

Mowery, a lieutenant in the National Guard from 1928 to 1930, is the father of two children, Susan and Ray Clifford Jr.

Ring Rites Are Read In Church Here

Wearing a gown of lace and satin, Miss Sharon Eynonne Thompson descended the aisle of Abernathy Church of Christ at 3 p. m. Wednesday to become the bride of David DeWitt Boatman. The bridegroom's father, the Rev. C. O. Boatman, minister of Flossville Methodist Church, officiated.

The bride, daughter of Mr. and Mrs. Guy Wilson Thompson of Abernathy, graduated from Abernathy High School and is a senior physical education major at Texas Tech.

The Rev. and Mrs. Boatman are parents of the bridegroom. He graduated from Benton High School at St. Joseph, Mo., and is a representative of the Record-Corporation of Dallas.

The Broadway Church of Christ Choir presented music as the bride's father gave her in marriage.

Her bridal gown was fashioned with a scoop neckline traced with seed pearls and long sleeves. A veil of silk illusion was caught to her crown of pearls and sequins. She carried a white orchid on a pearlized Bible.

Miss Sonja Thompson was maid of honor for her sister and Miss Sandra Seemann of Fort Worth was bridesmaid. They wore dresses of blue crystalline fashioned with fitted bodices and full skirts. Small blue hats with circular veils and blue shoes complimented the dresses. They carried white pompon mums.

John Boatman of Houston attended his brother as best man and groomsmen was Jerry Cook of San Antonio. Ushers were Juid Hewley, Jeff Templeton, Dale Thorn and Dan Thompson, brother of the bride.

Barry Thompson and Roger Thompson, cousins of the bride from Olton, lighted candles.

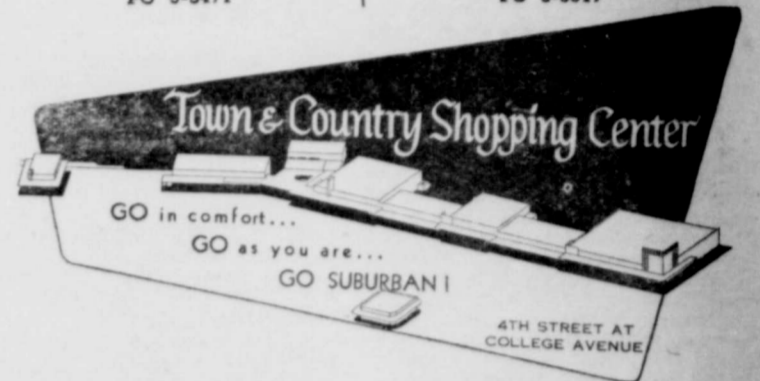

A reception was given in the home of Mr. and Mrs. Joe Thompson, uncle and aunt of the bride. Members of the house party were Mmes. Artel Chapman, of Clovis, N. M.; Dianne Frazier, Lubbock; Pete Thompson, Joe Thompson and Jessie Ramirez, all of Abernathy; and Miss Sue Thompson of Amarillo.

The bride traveled in a blue wool suit with black accessories. After a wedding trip to New Mexico, the couple will be at home at 2525 62nd St. Lubbock.

Guests in the home of Mr. and Mrs. A. D. Helms during Thanksgiving were his brothers Rev. Nathan Helms of Perryton and Huel Helms of Guyton, Okla., and their families.

County Farmers Attend Lubbock Soils Meeting

A large group of Hale County farmers attended a recent meeting of the Lubbock Agricultural Club when John E. Hutchison, director of Texas Agricultural Extension Service, College Station was guest speaker.

The program was in conjunction with the opening of the Extension Service's new soils laboratory which Hutchison said "will be of much benefit to the

intensified four-point soil fertility program which the Extension Service has underway in this area."

The laboratory will be used for on-the-farm soil testing and soil testing research work. Farmers, agricultural groups and others donated \$20,000 to get the laboratory into operation. After the first year it will be maintained by the Extension Service.

The speaker pointed out that the four-point soil fertility program is designed to increase net profit per acre through improved soil treatments, including the application of recommended amounts of fertilizer based on a soil test.

AHS Boys' Team To Participate In Plainview Invitation Basketball Tourney This Weekend

Abernathy's boys' Antelope basketball team will participate in the 7th Annual Plainview Invitational Tournament this weekend. Their first game will be at 7:30 p. m. tomorrow (Friday), against the team from Sweetwater. If the local lads win tomorrow night, they will meet the winner of the Plainview-Tulla game at 2:30 p. m. Saturday. If they should lose tomorrow night, they will play the loser of the above mentioned game, at 10:30 Saturday morning.

The eight teams entered in the tourney are Abernathy, Sweet-

water, Plainview, Tulla, Littlefield, Levelland, Dimmitt and Dumas.

Following is a time schedule for the various games in the tourney:

Friday
2:45 p. m. Littlefield vs Levelland.
6:00 p. m. Dimmitt vs Dumas.
7:30 p. m. Abernathy vs Sweetwater.
9:00 p. m. Plainview vs Tulla.

Saturday
9:00 a. m. Loser of Littlefield - Levelland game vs loser

of Dimmitt - Dumas game.
10:30 a. m. - Loser of Abernathy - Sweetwater game vs loser of Plainview - Tulla game.
1:00 p. m. - Winner of Littlefield - Levelland game vs winner of Dimmitt - Dumas game.
2:30 p. m. - Winner of Abernathy - Sweetwater game vs winner of Plainview - Tulla game.
4:00 p. m. - Seventh Place.
6:00 p. m. - Consolation.
7:30 p. m. - Third Place.
9:00 p. m. - Championship game.

The Abernathy Antelopes were scheduled to play Sweetwater at 7:30 p. m. Friday, but according to reports, Sweetwater has withdrawn from the tournament. At the time The Review went to press it was not known whether or not the athletic director at Plainview had been able to get a replacement team in the tourney.

Installation Of Kitchen Equipment In New School Cafeteria Is Started

Construction work on the various new buildings on the Abernathy school campus is progressing at normal rate, with final work having already been completed on the band addition, agriculture shop, and all but the "living room" of the home economics department.

School Superintendent Noel Johnson reported that the subcontractor handling the kitchen equipment for the new cafeteria began installation work Tuesday. The sub-contractor doing this installation work is El Paso Hotel Supply, El Paso, Texas. It was pointed out that the majority of the cooking facilities and counters were manufactured by the Manufacturing Company, St. Louis, Mo.

tra charge. Thus, the old home-making building was razed early last January to make way for the new cafeteria building.

The new cafeteria kitchen will feature electric bake ovens, electric cooking ranges, electric deep fryers, and electric food warmers in the serving lines.

The cafeteria dining room is located adjacent to the auditorium and is also connected to the new Primary wing of the new elementary school building. Students in the first five grades will not have to leave the building to gain access to the cafeteria, Superintendent Johnson pointed out.

The kitchen of the cafeteria follows the foundation lines of the original Home-marking Department. The contract called for a new roof on the old building and a tie-in to the other buildings. However, the general contractor, A. P. Kasch & Sons, Big Spring, proposed to tear down the old building and construct a new one in its place at no ex-

County Farmers Attend Lubbock Soils Meeting

A large group of Hale County farmers attended a recent meeting of the Lubbock Agricultural Club when John E. Hutchison, director of Texas Agricultural Extension Service, College Station was guest speaker.

The program was in conjunction with the opening of the Extension Service's new soils laboratory, which Hutchison said "will be of much benefit to the intensified four-point soil fertility program which the Extension Service has underway in this area."

The laboratory will be used for on-the-farm soil testing and soil testing research work. Farmers, agricultural groups and others donated \$20,000 to get the laboratory into operation. After the first year it will be maintained by the Extension Service.

The speaker pointed out that the four-point soil fertility program is designed to increase net profit per acre through improved soil treatments, including the application of recommended amounts of fertilizer based on a soil test.

Agricultural specialists at A&M College believe a 10 per cent increase is a conservative figure if all improved practices are rigorously applied.

Among those attending from Hale County were Arno Struve of Abernathy, Dub Scarborough and Homer Roberson of Petersburg, Lee Dent and John I. Bowling of Hale Center; Dr. Tom Longnecker and Dr. Earl Collier of Halfway and these from Plainview, Ollie Limer, B. F. Yeates, Johnny Gray, Olin Alexander, Marvin Churchwell, S. M. True Jr., Price McWilliams, Russell Moore, Norman Hincliffe, Frank Moore, Jesse Jackson and Silas Flournoy.

A large group of Hale County farmers attended a recent meeting of the Lubbock Agricultural Club when John E. Hutchison, director of Texas Agricultural Extension Service, College Station was guest speaker.

New Deal Tourney . . .

(Continued from Page 1)

popped the nets for 18 points. Shirley French was close behind with 16 points, and Darlene McDougal contributed 13.

The Lionesses led throughout the first three quarters of play, but fell behind in the final quarter as the Cotton Center girls surged ahead.

Schedule
Following is the 1960-61 NDHS boys' and girls' basketball schedule.
Dec. 1-2-3—New Deal Tournament.
Dec. 6—Kress, at New Deal.
Dec. 9—Cooper, at New Deal.
Dec. 13—Lorenzo, at New Deal.
Dec. 16—Wilson, at New Deal.
Dec. 20—Sands, There.
Dec. 30-31—Roosevelt, double header, at Roosevelt.
Jan. 3-7—Idalou Tournament.
Jan. 10—Shallowater, There.
Jan. 13—Southland, There.
Jan. 17—Roosevelt, There.
Jan. 20—Cooper, There.
Jan. 24—Lorenzo, There.
Jan. 27—Wilson, There.
Feb. 3—Shallowater, at New Deal.
Feb. 7—Southland at New Deal.
Feb. 10—Roosevelt, at New Deal.

Water District Battle To Be Waged Soon

LUBBOCK—At a recently-held business meeting of the Board of Directors of the High Plains Underground Water Conservation District, the major item on the agenda was the review of illustrations, charts, graphs and maps being prepared for use in the underground-water depletion case which will be filed very soon in the federal court.

The Water District will attempt to show the court that underground water in the southern High Plains of Texas is a natural resource that is being mined in a manner quite similar to oil and gas, or any of the other natural deposits that come under federal laws allowing an income-tax deduction for their depletion.

The District will contend that water users who can show an actual cost in underground water beneath their land and who are using the water to produce income should be entitled to deduct the cost of such water as it is exhausted.

The Board of Directors of the Water District reports that a favorable decision by the federal courts would ultimately mean millions of dollars in tax savings to water users in the southern High Plains during the lifetime of the underground water supply.

LUBBOCK—At a recently-held business meeting of the Board of Directors of the High Plains Underground Water Conservation District, the major item on the agenda was the review of illustrations, charts, graphs and maps being prepared for use in the underground-water depletion case which will be filed very soon in the federal court.

FIREMEN CALLED TO EXTINGUISH TWO GRASS FIRES LAST WEEK

Members of Abernathy Volunteer Fire Department answered two calls last week to extinguish grass fires. The first call was received about 3:00 p. m. Wednesday from Western Warehouse Company about two miles north and ½ mile east of town. A grass fire along the railroad right-of-way was controlled by the firemen to prevent cotton at the warehouse from catching fire.

Firemen were called to extinguish a prairie fire about 2:30 p. m. Friday at Martin Gin, three miles north and 7½ miles west of Abernathy on FM Road 54. Fire Chief Ed Crow reported that about the time the fire was extinguished, they were summoned

NEWS FROM CITY HALL

The City Utility Department is streamlining its building system. Last week an addressing machine was purchased. With the new machine, office personnel can print the names and addresses of all water customers in a one hour period. The procedure formerly took two days by use of a typewriter. A revised accounting system also is being established.

The system to be adopted is more in line with accounting systems recommended for cities and will allow eventual adoption of a cost accounting system.

The City was notified by the State, Highway Department last week that several utility lines crossing the highway right-of-way would have to be lowered and removed. Heretofore, the city had been lead to believe the only work necessary would be the removal of a 6" water main from Main Street, where the underpass will be placed. Two other 6 inch mains must be lowered, however. Construction work on these projects has already begun. In fact, on Tuesday and Wednesday of last week it was necessary to cut off some water customers in the southeast section while a water main was lowered. The City will attempt to notify all customers if it is necessary to cut off their water, but sometimes customers are missed on this score. Any temporary inconvenience should be more than made up by the forthcoming highway improvements.

Need To Report A Telephone Out Of Order? Dial Operator And Ask For "Enterprise 2460"

Beginning December 1, people in Abernathy will report telephones out of order in a new manner, according to E. I. Jenkins, district manager for General Telephone Company of the Southwest.

Customers are asked to dial operator and ask for "Enterprise 2460". This new instruction is also listed on the information pages in the front of the new directories.

"This new procedure is being inaugurated in order to give our customers faster repair service after they have reported their troubles," Jenkins said.

"We would also like to emphasize the importance of consulting the information pages in the directory should subscribers have any questions relating to any phase of their telephone service," he added.

Letters To Santa Claus

Dear Santa Claus,
This Christmas I would like to have a toy piano and a perfect-patient doll. I will not be mad at you if you can't bring me what I want, for I know you have many children to give gifts to.

We will have fudge and milk for you. Please come in the front door. If you can, would you bring me a bicycle.

To Santa Claus

LETTERS

CHURCH OF THE NAZARENE
Arlington, Texas
Abernathy Weekly Review
Mr. Buford Davenport:
Dear Sir:
I certainly agree with you on our mutual benefit from close cooperation. I also want to thank you for your interest in our coming to Abernathy.

My wife's name is Gladys Robertson. We have two daughters. Ann is our older daughter. Her age is 16, she is a junior in high school, is a member of the high school choir, the library club, and the F.H.A. club. Our younger daughter is Sue, age 10, and she is in the fifth grade.

We have been at Arlington since 1950, and we have certainly enjoyed our ministry here. We look forward to being in your city. I will do my best to work with community and civic leaders of your city as much as possible. I have served here with several organizations and I am the immediate past president of our Pastors Alliance composed of some 55 churches.

I assure you I will be interested in promoting high ideals and a Christian spirit in Abernathy.

If I might ask a favor of you I would appreciate receiving your paper until I get there. My address will be Gen. Del. Arlington, Texas. I feel that it will certainly help me to become better acquainted with your town. Thanks so much.

Sincerely,
James H. Robertson
(This letter is from the new pastor of the Abernathy Church of the Nazarene).

Lakeview News

Mr. and Mrs. Dick Belt of Welch visited his parents, Mr. and Mrs. J. C. Belt Friday.

Durwood Howard of Tahoka, brother of Mrs. Clayton Enger suffered a severe heart attack at his home Wednesday night and is receiving treatment in Methodist Hospital.

Rev. and Mrs. O. N. Reed visited her parents, Mr. and Mrs. J. P. Cunningham in Tahoka during the holiday.

Attending a Thanksgiving dinner in the Lloyd Goldston home Thursday were Mr. and Mrs. Weldon Magers and Mrs. John Magers of Gainesville, Mrs. Mae Woolley of Modesta, Calif., Mr. and Mrs. Bill Goldston and Ted of Causey, New Mexico, Mr. and Mrs. J. Goldston, Mr. and Mrs. Odell Culp, and Mr. and Mrs. Jackie Culp, all of Petersburg.

Mr. and Mrs. Leon Manley and children of Lamesa and Jerry Watson, student of WTSU, Canyon, spent the holidays with their parents, Mr. and Mrs. Herbert Watson.

Rev. and Mrs. Wm. Mays and daughter of Brownfield and Price Amerson, student of Oklahoma City University visited their parents, Mr. and Mrs. Lawrence Amerson.

Tommy and Debbie Howell of Lubbock spent the week end visiting their grandmother, Mrs. E. L. McGaugh.

Mr. and Mrs. W. H. Bellow and Mr. and Mrs. W. H. Bellow Jr. and children of Ada, Okla., visited the S. M. and Bill Harrison Saturday.

FAMILY REUNION

Mrs. Lemmie Ragland had all of her children home for Thanksgiving and a three-day family reunion with the exception of a son, Merle Ragland of Springfield, Oregon. Those present were Mr. and Mrs. Clyde Ragland and Mr. and Mrs. Hamilton of El Paso, Mr. and Mrs. Chas. Fuller and son of Moutainair, New Mex., Mr. and Mrs. Paul Harrison of Truth or Consequences, New Mex., Rev. and Mrs. Bearden Chaney, Dolores and Doyle of Moriarty, New Mex., Mr. and Mrs. Paul Wayne Harrington of Grants, New Mex., Mr. and Mrs. Tommy Thomas of Plainview, and Mr. and Mrs. James Roy Rambo of Hale Center.

Mrs. Ragland accompanied the Clyde Raglands to El Paso late Sunday and plans to visit there several weeks.

Mr. and Mrs. E. E. Senter, Gerald and Kenneth, visited relatives in Grandfield, Okla., last week end.

L. H. Holcomb received lacerations of the face when he was in a minor car crash in Lubbock Thursday. He received emergency treatment at Methodist Hospital and was dismissed. He was an occupant of a car driven by his daughter, Mrs. N. Matthews. The car was extensively damaged.

Mr. and Mrs. Wayne Sistrunk are parents of a baby daughter born Nov. 26 in the Abernathy Clinic. Mrs. Sistrunk and baby are now staying with her parents, Mr. and Mrs. Smith at Halfway.

Mr. and Mrs. Jimmy Overstreet and children of Midkiff visited his parents, Mr. and Mrs. L. S. Overstreet last week end.

Mrs. N. Matthews, Mrs. E. L. McGaugh, accompanied by L. H. Holcomb left Wednesday for a visit with relatives in Mabank and Corsicana. Mr. Holcomb will remain in Mabank with his daughter, Mrs. Grace Pollock.

Mrs. O. N. Reed visited Mrs. Wayne Sistrunk at the home of her parents, Mr. and Mrs. Smith in the Halfway community Monday.

Mr. and Mrs. Jim Miller of Riverside, Calif., and Mrs. Don Brown of Seattle, Wash., visited their grandparents, Mr. and Mrs. S. P. Castleberry and Mrs. C. S. Smith last week.

P. H. RENROE

P. H. "Pete" Renfro, former TUOCO plant manager who has been for the past several years manager of the Southwestern Public Service Co. plant at Borger, was in town Friday of last week visiting briefly with many of his and Mrs. Renfro's friends here. Pete reports that he is in better health than he has been for many many years, and he really looks it. This writer was especially glad to see him, having worked under him for quite some time in the early forties.—OFR

JOE HOLMES
... FB Representative

A former Tulla High School vocational agriculture instructor is now serving 28 counties in the Panhandle as field representative for the Texas Farm Bureau. He is Joe Holmes, 30, who has been associated with the Farm Bureau for three months.

A native of Dundee, Holmes is a graduate of Valley View High School in Iowa Park and Texas Technological College. Following graduation from college in 1953 he entered the army, and after a two-year service stint taught vocational agriculture in the Quitaque school system for a while before his employment in a similar position at Tulla. He is married to the former Carolyn Chloe Griffin. They live in Tulla.

As fieldman, Holmes assists county Farm Bureaus with organizational work and serves as liaison between county organizations and the Texas Farm Bureau. Counties in his area include Armstrong, Bailey, Brisco, Castro, Carson, Childress, Collingsworth, Dallas, Deaf Smith, Donley, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, Moore, Ochiltree, Farmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler.

LIONS CLUB NEWS

Lions Club program chairman Noel Johnson turned the program over to Abernathy school band director, Everett Maxwell, at the Lions Club's noon luncheon at Graham's Restaurant Tuesday.

A run-down of Mr. Maxwell's duties and the number of students he works with in the various bands was given.

Mr. Maxwell presented motion picture film of most of the AHS band's haltime performances this past season, and pointed out that the band improved with each performance. Also on the film strip was colored film of the Panhandle-South Plains Fair Parade in Lubbock early this fall in which the AHS Marching Band won first place over ten other Class AA bands.

A portion of a colored film with sound was shown in which was presented the Andrews High School Marching Band during the Regional Marching Contest, December 16, 1958. Mr. Maxwell was the band director at Andrews at that time.

Don't overlook the story on page one of this paper about the Christmas Decorating Contest being sponsored by the local Lions Club. You may want to enter!

P-TA To Meet December 14

The December P-TA meeting is scheduled for Wednesday, December 14, at 3:00 p. m. in the school auditorium. Topic for the meeting will be "White House Conference on Youth and Education."

The student program will be presented by the second grade. All parents of school children and teachers are urged to attend.

Visitors in the Joe Tom Brown home Thanksgiving were Mrs. Brown's parents, Mr. and Mrs. J. L. Ellison of Wells, and her brother, Lewis Ellison, and family of Denver, Colo.

NEWSBITS FROM NEW DEAL HIGH

(By ANN SPEER)

The New Deal basketball squads traveled to Cotton Center last Tuesday night and split the games, the girls losing 51-47, and the boys winning, 39-18.

The Lionesses led throughout the game, but could not hold off the last quarter surge by Cotton Center. High scorer for New Deal was Ollie Mae McNeely with 18 points. Darlene McDougal and Shirley French had 13 and 16 points respectively.

Guards seeing action were Barbara Kelley, Loetta Leatherwood, Caroline Isaacs, and Michelle Rowell.

The boys had an easier time. They led throughout the game and were never headed.

Doug James was high pointer for the Lions with 14 points. Billy Ellison had 10 points and Jerry Hogan had 9.

The New Deal Invitational Basketball Tournament for high school boys' and girls' teams will be held this weekend, December 1-2-3. There are six teams entered in the girls' bracket and eight teams in the boys' bracket. Admission prices will be 50 cents for adults and 25 cents for students.

The following games in the tournament are slated for Thursday afternoon:

Sands vs. Cotton Center at 3:00 (boys).

Monterey "B" vs. Idalou at 4:15 (boys).

Meadow vs. Cotton Center at 5:30 (girls).

Roosevelt vs. Meadow at 6:45 (boys).

New Deal vs. Idalou at 8:00 (girls).

New Deal vs. Crosbyton at 9:15 (boys).

Dates for Annual Abernathy Basketball Tournament Set For December 8, 9 & 10

The dates for the Annual Abernathy Invitational Boys' and Girls' Basketball Tournament have been set for December 8, 9, and 10, according to Pete Wilson, Abernathy school athletic director.

Eight area schools will be represented in this year's tournament, each school being represented by both boys' and girls' teams. In addition to the two teams from Abernathy, other schools to be represented are Hale Center, Cotton Center, Crosbyton, Roosevelt, Tahoka, Frenship and Slaton.

The first game of the tournament will be kicked off at 2:00 p. m., Thursday, December 8, when the Hale Center and Slaton girls' teams meet. The Cotton Center and Frenship girls will follow up that game, meeting at 3:30 p. m. followed by a boys' contest at 4:50 p. m. between Hale Center and Cotton Center.

The boys from Roosevelt and Tahoka will meet at 6:00 p. m. Thursday, followed at 7:10 p. m. by the Roosevelt and Tahoka girls. The final game Thursday will be between the Crosbyton and Abernathy boys' teams at 8:20 p. m.

Friday's play will open at 2:00 p. m. when the Abernathy girls' meet the Crosbyton girls' team.

The only other first-round game Friday will be between the Frenship and Slaton boys' teams at 6:10 p. m.

Second-round play gets underway at 3:10 p. m. Friday. Other second-round games Friday are scheduled for 5:00 p. m., 7:20 p. m. and 8:30 p. m.

Second-round play will be resumed at 8:40 Saturday morning

County Court Jurors Award Road Payment

A jury in Hale County Court last week awarded John I. Bowling and wife \$25,000 for a section of U. S. 87 right of way. The case was styled the State of Texas vs. John I. Bowling et ux.

The right of way included 6.75 acres of land, the Bowlings' residence, garage and other improvements on the site approximately 5 miles south of Hale Center.

Bowling had ten days in which to file notice for a new trial.

Members of the jury were Mrs. J. C. Alford, Powers Cayce, Mrs. A. W. Denny, Mrs. J. W. Couch, Lon Carmickle and Mrs. J. E. Craig.

County Attorney Frank Gaston, district attorney-elect and Steve Hurt, county attorney-elect, represented the state.

Mrs. Joe Chambers and two children attended a family reunion in Ringling, Okla., during Thanksgiving holidays.

One of the referees of the games, Ediel Buchanan, performed on the trampoline during haltime of the boys' game. Buchanan, who is head of the Intramural Department at Texas Tech, was NCAA and National AAU Trampoline Champion in 1949, 1950 and 1951.

W. S. C. S. NEWS

The Woman's Society of Christian Service met Monday, November 21, at 2:30 p. m. in the Methodist Church. Mrs. R. A. McAllister presided over the short business session.

An inspirational Thanksgiving program, led by Mrs. Jack Barton, was presented by Mrs. Ray Pinson and Mrs. Jackie Barton. Mrs. M. O. Hood gave the benediction.

Those attending were: Mmes. A. L. Stone Jr., M. O. Hood, Jack Barton, R. A. McAllister, George Ragland, M. M. Bell, Harold Davis, Finis Robertson, F. A. Goebel, W. M. Medlin, M. M. Evans, Paul Noland, Don Huffaker, Jackie Barton, J. C. Mills, Ray Pinson, Elton Settle, H. B. Coggins, J. W. Davis and F. W. Struve.

Mrs. M. M. Bell, Reporter

Jim Ned Cragg was called on a petit jury panel in 72nd District Court, Lubbock, this week.

Cong. Mahon To Speak Tonight At Men's Meeting

Cong. George Mahon will speak at a quarterly meeting of the Brotherhood of Lubbock Baptist Association at Calvary Baptist Church, Lubbock.

The meeting will be presided over by Andy Reid, Abernathy, associational Brotherhood president. Arrangements for music are being made by Bob Dennis, Lubbock, music director for the association.

Congressman Mahon will speak on world missions as seen through the eyes of a layman and government official.

Although sponsored by the Baptist group, all men have an invitation to attend and hear Congressman Mahon speak, Reid said.

December 7, the 19th Anniversary Of Pearl Harbor Attack, Slated as National Civil Defense Day in U.S.

Nineteen years ago on December 7 the Japanese attack on Pearl Harbor brought war to America and shocked our people with its disclosure of the tragedy that can come when vigilance is lacking.

It is a fitting date for Civil Defense Day. As we pay our respects to the dead and surviving heroes of Pearl Harbor, let us re-affirm our resolve to be prepared and vigilant.

Attack on America could come without warning, swift and devastating. A massive nuclear attack against our military centers, major cities and industrial areas could bring wide spread death and destruction despite our superior military strength.

A strong Civil Defense with fallout shelters built into homes, office buildings, factories and schools, would save millions of lives. Non-military preparedness could spell the difference between life and death for this Nation.

Civil Defense is not a popular notion to every citizen. Some cling to the idea that war is unthinkable because nuclear weapons are so horrible. Others say, "If such a war ever comes we'll all die, anyway, so why try to prepare against it?"

Civil Defense leaders do not evade the grim vital statistics of possible nuclear conflict. They know that millions could die from the heat and blast. But they know the biggest killer would be radioactive fallout, and they know that most of the nation can be protected against this by proper fallout shelter.

are major civil defense purposes. As Civil Defense Day arrives, it might be well to reflect on the fact that your survival is largely your business. No one in this free country is compelled to build a fallout shelter. But you can't expect one, prepackaged and delivered by your government. Defense of the home is the first responsibility of every citizen.

National Civil and Defense Mobilization Director Leo A. Hoegh has summed up what the individual should know and do to survive in this nuclear age:

1. Know warning signals. A steady blast of three to five minutes means "attack probable; take action as directed by local government." A wailing tone or short blasts for three minutes means "attack imminent — take cover immediately in best available shelter."

2. Know your community plan for emergency action.

3. Protect yourself and your loved ones against radioactive fallout. This means having a shelter against radioactive fallout, no matter where you live. Your local Civil Defense office can give you free instructions for building inexpensive shelters, or you can write to Box Home Shelter, OCDM, Battle Creek, Mich.

4. Know first aid and home emergency preparations. Store a two weeks supply of food, water, and other essential items.

5. Know CONELRAD This is the emergency civil defense radio, either 640 or 1240 on the dial, from which you would receive local emergency instructions.

When you realize these steps,

Service-anytime, is our specialty. Drive in for free air as regularly at you do for gasoline, oil, or lubrication. Ask the motorists who do it regularly.

"Air, windshield cleaned, water and please dust my car out."

Community 4-H Club Elects New Officers

The Abernathy Community 4-H Club was called to order by Bob Thomas, acting president, November 17 at 7:30 in the city hall club room. Steve Johnson led the Pledge of Allegiance to the flag and Larry Blumenstock led the 4-H Pledge and Motto. The roll was called. The roll will be revised, so every member is urged to be present at the December 15 meeting.

There were two new members present at the meeting. They are Jerry and Burt Fuller.

New Officers
New officers for the year 1961 were elected. They are as follows:

You will be safeguarding your loved ones, and adding to our Nation's total defense. You will be adding to our deterrent power for peace.

Lloyd Hancock, president; Steve Johnson, vice president; Larry Blumenstock, secretary; Bob Thomas, council delegate; and Benny Lobstein, reporter.

The program committee for December is composed of Burt Montgomery, and Steve and Jim Johnson.

The achievement program to be held on Saturday was the main topic during the meeting.

The Hale Center achievement program was held at Petersburg Saturday, November 19, with the Lions, Jaycees, and Men's Business Club furnishing the lunch.

Several of the Abernathy Club received awards. They were: Benny Lobstein, health award; Burt Montgomery, dairy award; Steve Johnson, entomology award; Larry Blumenstock, home beautifications; Bob Thomas, field crops; Lloyd Hancock, beef cattle and the Danford award.

All of the above received year pins. Jim Johnson received his first year pin, and Janie Hall and Thomas Pettit also received year pins. To receive a year pin or an award, a member must turn in a record book each year on what he or she has done during that year.

Fred Blumenstock, Avie Johnson, Millard Hancock and Mrs. R. L. Hall received leadership year pins.

To the girls who are interested in 4-H—these ages are 9 to 21 years of age. The Abernathy girls have not had a club the past year. Girls, let's have a club. Please contact Mrs. R. L. Hall, Phone CY-8-2518, or Mrs. Avie Johnson at County Line, PL-7-2741.

Lloyd Hancock, reporter.

Doras Sunday School Class Holds Meeting

The Doras Sunday School class of the Northside Baptist Church met in the home of Mrs. Bill Holleman Thursday, November 17.

Devotional and prayer from the 23rd Psalm was given by Mrs. C. R. Evans.

Plans for distributing "Love Gifts" during the Thanksgiving season were made.

Those present were: Mrs. Earl Poage, T. A. Dally, Ed Greening, Brownlow, John L. Haral, C. R. Evans and Bill Holleman. The next business and social meeting will be the second Thursday in December at 9 a. m. Place of the meeting will be announced at a later date.

Abernathy (Texas) Weekly Review, Thursday, Dec. 1, 1960 Page 2

A/B ROY L. SMITHERMAN

A/B Roy Smitherman Transferred To Chanute AFB, Ill.

LACKLAND AFB, Texas — Airman Roy L. Smitherman, son of Mr. and Mrs. Roy H. Smitherman of Rt. 2, Abernathy, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training course for Aircraft & Missile Maintenance Training at Chanute AFB, Ill.

Airman Smitherman is a 1960 graduate of Abernathy High School. Basic airman at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after five weeks of basic training. At the technical schools they are given additional military training along with the technical instructions.

Governor Acclaims Texas Beef Industry

AUSTIN, TEXAS, Governor Price Daniel has proclaimed December 4-10 as "Beef Week in Texas" for 1961, marking the 7th consecutive year that state-wide tribute has been paid to the Texas Beef Council. The Governor delivered his official proclamation to Hugh A. Fitzsimons, of San Antonio, president-elect of the Council.

"Texas cattlemen, producers of our most traditional basic food, have made invaluable contributions to the economic wealth of our state and the health of our citizens," the Governor's statement read in part. "Beef is one of our State's greatest agricultural resources, and Texas cattlemen, by constantly improving their product, have built for Texas a national and international reputation as the world's foremost beef cattle producing area."

Local activities will pay tribute to the Beef Council's "eat more beef" campaign in more than 200 Texas communities, Fitzsimons said. Highlight of the week will be a state-wide "Beef-Supper" in San Antonio on December 7, at which Walter Hehnmeyer, of the National Cotton Council, will be the speaker.

E. B. Lindsey was under treatment in St. Mary's Hospital, Lubbock

NEWS from the High Plains Research Foundation

"We are wasting our valuable irrigation water by applying the water to land with 1 per cent to 3 per cent slope, James Vaillant, Water Engineer at Halfway, said today.

Mr. Vaillant is completing the first of several years' testing at the High Plains Research Foundation to determine the value of water applied to grain sorghum on a level bench and on sloping land.

Three plots of the same area were planted in grain sorghum, one on a bench and the other two were planted directly down the slope varying from 1 to 3 per cent.

The level bench received 16.9 inches of irrigation water per acre with no run-off. The grain sorghum yield was 5,800 pounds per acre.

One of the sloping areas received the same 16.9 inches of water but 2.5 inches per acre or 15 per cent of the applied water was lost in run-off. The yield on this plot was 3,900 pounds per acre.

The second area on the slope was irrigated both pre-plant and during the growing season so that the soil contained adequate moisture at all times. This irrigation procedure required 24.5 inches of water per acre with 5.9 inches lost by run-off. Grain sorghum yield on this area was 3,700 pounds per acre.

The loss in water run-off and top soil erosion alone would be enough to justify benching," Mr. Vaillant said. "However, the additional profits from the 2,000 per acre increase on the bench yield makes benching profitable. Weeds were controlled and the borders on the benches maintained with a custom-made bordering machine and use of a propane burner

EDITORIAL

(A guest editorial by Walter R. Richter, executive director of the Texas Rehabilitation Center, Gonzales Warm Springs Foundation. Walter is a nephew of Mrs. F. W. Struve and Bill and H. E. Richter of Abernathy.)

One of the most frustrating experiences a person can have is to find himself paralyzed, helpless, and dependent. This is true of the paraplegic—someone paralyzed from the waist down. It is even more true of the quadriplegic—a person paralyzed in all four extremities. Certainly it is also true of the Hemiplegic—the stroke victim with one side immobilized.

You can be sure that it is true of adults as well as children, although, somewhat strangely, the handicapped adult has never evoked the interest and sympathy accorded to the crippled child.

There are an estimated 20 to 30 thousands of such severely disabled persons in Texas. Less than two percent of the civilian paraplegics alone, if we can believe one qualified spokesman for the handicapped, have received rehabilitation services.

Another authoritative source, following a survey of rehabilitation in Texas, observed that the needs of disabled Texans are "far beyond the reach of present resources and programs." The majority of these neglected and forgotten citizens can be restored through the various disciplines of rehabilitation to partial or even complete self-sufficiency, any can become qualified for gainful employment. Others, by acquiring a measure of independence, can relieve other members of their families for employment.

The practical economic aspects of intensive rehabilitation, costly though it may seem, are inescap-

able. More important, however, are the humanitarian benefits—and they are without limit.

It seems urgent, even imperative considering the needs and the potential results, that all thoughtful concerned Texans lend a hand to programs of intensive, long-term care for our severely handicapped fellow citizens. Adults as well as children.

This appeal is specifically for assistance for the non-profit, non-sectarian program at the Texas Rehabilitation Center, Gonzales Warm Springs Foundation. It treats young and old alike and many different types of disabilities. It is one of very few such in-patient facilities in the Southwest.

The charity portion of the Center's program runs between \$25,000 and \$30,000 per month—a difficult burden for a few to carry, a relatively simple one if many pitch in to help.

A long list of seriously handicapped Texans are waiting to be admitted. Almost without excep-

tion, they will need a great deal of financial assistance.

Only if many Texans support this program will the needs of these applicants—and others shaded to wheel and chair—be properly served. Your contribution mailed to TRC, Gonzales, Texas, will be profoundly appreciated.

Miss Lyles and Clayton Teeter To Marry Dec. 20

Mr. and Mrs. D. E. Lyles announced the engagement and coming marriage of their daughter, Evelyn, to Carroll Teeter, son of Mr. and Mrs. Clayton Teeter of New Deal.

Miss Lyles is a graduate of Abernathy High School, and at present is employed at Joy's Beauty Shop in Abernathy. Mr. Teeter was graduated from New Deal High School.

The wedding will be on December 20, in Abernathy, and following a short wedding trip, they will be at home on their farm northwest of Lubbock.

Garden Club Sets Christmas Tea And Guest Day

Mrs. Otey Shadden is to be hostess to the Country Garden Club from 2:30 until 4 p. m. Tuesday, Dec. 6, in a meeting at 1609 Ave. E in Abernathy. The club will have a Christmas tea and guest day for that meeting.

Christmas flower arrangements will be presented by the following members: Mrs. Jack Barton, for hutch; Mrs. Lloyd Edwards, for bookcase; Mrs. Cecil Gartlin, for coffee table; Mrs. Fred Blumentock and Mrs. Hollis Barnett, for end table.

Funeral Held For Garcia Infant

Manula Garcia, 29-month-old baby of Mr. and Mrs. Pedro Garcia, New Deal, died about 6:30 p. m. Wednesday in Porter Clinic-Hospital.

Funeral services were held at 3:30 p. m. Thursday in an Abernathy Church. Burial was in Abernathy Cemetery.

Bill Wolf, Joe Tom Brown and James W. Davis of Abernathy, and Bob Reid and Bruce Burney of Levelland were on a pheasant hunt on the Kansas-Nebraska state line, near Bird City, Kan., recently.

An Announcement

OF

A Reduction In Interest Rate

TO

6 PERCENT

Effective December 1, 1960

The Association borrows all the money it lends from the investing public, (corporations, individuals, banks, etc.) through the Intermediate Credit Bank, Houston. Interest on this money largely determines the interest rate the Association charges.

Cost of money on the Nation's money markets has declined in recent months. This reduction is therefore passed on to those who borrow from the Association.

Plainview Production Credit Association

"THE NATION'S LARGEST"

Dependable Credit For Agriculture
 Capital and Reserves in Excess of \$3,500,00 0.00
 Lending in Excess of \$32,000,000.00 Annually.

TUCO TOPICS ...

(Continued from Page 1)

high school she worked for two years as a nurse's aid in the hospital at Ranger. She and Leo were married in 1939, coming to Abernathy at that time to make their home. For the past three years she has worked at the school cafeteria, but in addition to this is keeping her family organized. She has found time for her hobbies, such as cooking, sewing, painting and photography (especially family movies).

The Kitchens family are active members of the First Baptist Church.

Leo and Eula B. Kitchens are the parents of three children: Linda, Jerry Don, and Terry Lee. Linda is fourteen years of age and a sophomore in the Abernathy High School. She plays the flute in the Antelope Band and is also very adept at playing the piano. She is a member of the FHA and finds much joy in reading. She is also a member of the Senior Department of the First Baptist Church and is active in the activities of her Sunday School class.

Jerry Don is ten years of age and is in the fourth grade. He is active in Cub Scouting and likes all sports, especially football and horseback riding. He and his daddy have a lot in common when it comes to fishing, hunting and horseback riding. Some of this can be done at their farm north of town where Leo spends much of his time when he has his "four days off" from plant duty.

Terry Lee is seven years of age and is in the second grade of our elementary school. Like his brother and daddy he enjoys horseback riding and fishing — and also the family camp-outs. Camping is a family affair with the Kitchens and each member of the family enjoys the activity to its fullest.

News Bits
George Reagan is on vacation this week.

Bill Collins has just completed a week's vacation.

TUCO duck hunters have been few thus far, and so have the ducks.

The TUCO family Christmas dinner has been set for December 18, to be held in the school cafeteria.

Thoughts for the Week
Age should not have its faith lifted but rather teach the world to admire wrinkles at the etchings of experience and the firm lines of character.

— Ralph Barton Perry.

We place at the top of our esteem those people who take cheerfully the heavy blows of life; who are not brave merely, but gallant.

— Owen Wister.

FURNISHED HOUSE for rent. See Mrs. N. C. Hix at Abernathy First State Bank. (1tc)

DOG FOUND—large male collie dog came to our place Nov. 24. He had no collar or tags. Anyone knowing of a lost collie, please let us know. Johnnie J. Davis, Rt. 2, Abernathy, 3 miles north, 6 miles west, 1 mile north and 1/2 mile west of town. (1tp)

TALK in print

(Continued from Page 1)

We've been unable to obtain details on a report that Orval Overstreet, a former local manager for Southwestern Public Service Co., was critically injured in a 40-foot fall at Alamogordo, N. M.

I'm no authority on corsages, but the ones we saw Mrs. L. G. Deering and Mrs. Ralph Stephens making at Abernathy Florist for their Christmas trade are very attractive. In addition to the corsages, they have flowers for holiday arrangements.

Similar items also are available at Patterson's Rose Garden Nursery and Florist here.

New York-dominated tv news is having a field day over the New Orleans school integration problems. What I can't understand is why the tv network news fails to give such detailed coverage on racial incidents when they happen in the North and East. According to daily newspapers, there was school integration trouble in a suburb some 20 miles from New York City. If it was a great deal of tv coverage, I didn't see it. Neither did I see on tv news a New York City incident concerning a swank NYC tennis club and Dr. Ralph Bunche, Nobel Peace Prize winner and United Nations official. Dr. Bunche said, according to the daily papers, that the tennis club president turned him and his young son down for membership because they are Negroes.

Had that happened to Dr. Bunche, the tennis club president would have been found in the arms of the police for days of reporting on the incident.

New York City based magazines of national circulation also follow a policy of big play for the South and soft report for North and East on racial incidents.

Loss of local telephone operators when Abernathy's system went modern dial about a year ago has created problems having to do with emergencies such as fires, accidents and calls for policemen.

A possible solution to some of these problems may be found in the offer made by Joe Chambers of the Dennis & Chambers Funeral Home.

The County of Hale might, if properly approached by officials, provide 2-way radio equipment for emergency use in the Abernathy area.

City officials have been aware of this possibility, but obtaining a full-time operator for such a system has been a financial problem. Chambers says that he will operate the station radio for the 2-way system without charge if the city will obtain one and install it at his place.

Joe's business keeps him pretty close to the telephone day and night, making his telephone number a logical one to call on most emergencies. Having the station at his place would be very little help to his business directly, Joe says.

A lot of problems would be solved if the city can get the county to provide the radio system. Proper action should be taken to get this project working at the earliest possible date.

—bfd

Band Wins ...

(Continued from Page 1)

Beautiful show and well done. Exit was fine."

Dr. Ted J. Cramer of West Texas State said: Releases not together on fanfare. Beautiful entrance—drums too loud for good balance. Precision troubles in tempo in segue on company fronts in block. Space more (using breath push accents) on Grandioso. Nice drill here. Alignment sometimes marred by failure of some individuals to hit line with uniform portion of foot. Arrows nice—drums much too loud here. A really beautiful, well-planned show. Biggest suggestion would be to improve (even more) balance and style of playing. A real pleasure to see you perform.

M. B. Montgomery of Snyder High School wrote: "Band not precise on fanfare, especially drums. Needs more low brass. Beautiful band. Precision faulty going into block. Very effective drill on Grandioso. Would like to have seen them use 6 to 5 here. Alignment faulty at times here. Beautiful chevrons and pinwheels. Band gets fine sound for this cold weather. Tremendous sound on exit. Excellent band. Shows fine training and hard work on part of band and director. You should be proud to be a member of this group. Congratulations!"

The concert and sight reading contests will be held the latter part of April. A First Division in each of these two divisions would give the Abernathy band another Sweepstakes rating.

The Ed Williams of Spur were visitors in the home of Mr. and Mrs. L. B. Young of this city Sunday, Nov. 27. Mr. Williams is a brother to Mr. L. B. Young. A son, Don Williams, is attending T.C.C.

HELPED WITH DEERING SHOWER

In setting up the type last week about those helping with the wedding shower given for Mr. and Mrs. Billy Deering, an error in names was made. Included in the list of assisting hostesses should be Mrs. C. C. Turpen instead of Mrs. C. C. Turner.

DOCTORS SPONSOR DINNER FOR AREA GUIDANCE TEACHERS

Doctor members of District X of the Texas Association of Osteopathic Physicians and Surgeons sponsored a dinner for vocational guidance teachers from South Plains area colleges and high schools Tuesday evening, Nov. 29, at 7:00 o'clock at the Parkway Manor Restaurant in Lubbock.

Featured speaker was Dr. Morris Thompson of Kirksville, Missouri, president of the Kirksville College of Osteopathy and Surgery. Dr. Thompson is a member of the U. S. Surgeon General's Advisory Group on Medical Education.

More than 150 vocational guidance counselors and school administrators attended.

I. L. Johnson's

Father Dies On Trip to Detroit

Funeral rites were held Friday in Mineral Wells, for L. H. Johnson, 69, a Shallowater arrear farmer since 1939, and the father of Iver L. Johnson of Abernathy. Burial was in the Mineral Wells Cemetery.

Johnson died about 10 a. m. Wednesday of last week in Detroit, Texas, where he was on a pleasure trip. He had been a victim of a heart attack earlier Wednesday.

Johnson moved to Shallowater from Tahoka, where he had lived since 1936. He moved to Tahoka from Snyder, where he lived from 1923 until 1936.

He was a member of the Union Baptist Church, Snyder, and of the Shallowater Masonic Lodge.

Survivors include the wife; a daughter, Mrs. Wayne Wallace, Clovis; three sons, I. L., Abernathy; Lonnie, and Leroy, both of Shallowater; the mother, Mrs. Laura McGaha, Mineral Wells; four sisters, Mrs. Floyd Connell, Snyder; Mrs. O. H. Grantham, Mineral Wells; and Mrs. Bill Price and Mrs. Lou Miller, both of Glendale, Ariz.; and nine grandchildren.

DAIRY BEE UNDER NEW MANAGEMENT

The Dairy Bee, drive-in eating place on the east side of Highway 87 in South Abernathy, now is under the management of Mrs. W. D. Morgan and daughter, Eva.

The new managers plan a formal opening Saturday, Dec. 3, and will give free doughnuts with each order that day.

The Dairy Bee is featuring Jumbo Hamburgers. The Morgans also feature quick service on orders called in to their telephone number, CY-8-2517.

See their ad on another page in this week's paper for further information.
