NUMBER 3

Friday Last Day for Additions To The City Paving Program

(By Paul Noland, City Manager)

After it was announced that it would be possible for the City to make additions to the paving program, several people called to have the streets abutting their property included. The City still has funds to pay its share on a limited number of additions, but since detailed papers still must be prepared before the project

can go forward, it has been necessary to set Friday, November 25, as the last day for additions to the program to be accepted. Anyone not presently scheduled for paving but desiring it should call City Hall no later than Friday. Personnel from Lubbock Pavers, the contractor with the low bid, have been at City Hall several times in the past two weeks obtaining the names and

addresses of property owners included in the program. In the near future, owners will be contacted for sign-ups. The cost per front foot for paved sign-ups: 40 feet street — \$4.28; 60 feet front — \$5.68 (includes Avenue "E" north of 1st Street; 80 foot street — \$6.47 (includes only Main Street).

For 2 Local Women

Little Dogs Are Big Business

(By O. F. Rea)

Abernathy has two experienced Chihuahua breeders who raise several of the small dogs each year and a demand for them is continuous. The two people who have reference to are pictured here. They are Mrs. S. E. Johnson, of 203 Avenue D, and Mrs. Olin Francis of 1408 Avenue H.

The Johnsons moved to Abernathy about 18 months ago. Mr. Johnson is owner and operator of Johnson's Blacksmith and Welding Shop just north of their residence. Mrs. Johnson stated that they have been selling these small dogs for several years. She added that the spring of the year is usually their peak selling period. Mrs. Johnson said: "These lovable little dogs have proved a blessing to asthma and hay fever sufferers, and are sold mostly for that purpose."

MRS. S. E. JOHNSON, 203 AVENUE D, is pictured above with three of her Toy Chihuahuas. At left is Boopy Doll, a five-month-old smooth coat dog which weighs 2 pounds. The other dog Mrs. Johnson is holding is a 14-month-old long coat dog, which weighs only 24 ounces. The dog's name is Tiny Bo-Bo, and is a Miniature Chihuahua. At far right is Juan - To Ninny, a mother dog which weighs 3 1/2 pounds. The above dogs were bred and raised by their owner, Mrs. Johnson — (Staff Photo).

Newsbits From New Deal High

(By ANN SPEER)
With the football season closed at New Deal, both players and coaches are beginning to concentrate on basketball. The girls have already had several scrimmages this year, but the boys have just begun. The boys held their first practice session Saturday morning. The Lions should have a strong team this season with four starters returning from last year's squad. Bob Wills is the boys' coach. This is his first year at New Deal. He and his family moved here from Bovina, where he taught and coached for five years. Mel Williams is the girls' coach. This is his first year at New Deal, also. He moved to New Deal from Lubbock, where he attended Texas Tech.

CLOSING IS SET THANKSGIVING

Thanksgiving is among holidays generally observed by many Abernathy firms by closing a part of their places of business. Abernathy post office will be closed that day and there will be no rural mail delivery. Abernathy First State Bank will be closed Thanksgiving Day, Thursday, November 24. Bank customers are reminded of the night depository unit at the southeast entrance to the bank, for making deposits after the bank closes, over the weekend and on holidays.

New Pastor Due For Church Here

Following is a roster of the 19-60-61 NDHS basketball teams:

Girls
Seniors: Lois Leatherwood, Ollie Mae McNeely, Barbara Kelly, Darlene McDougal, and Karen Sue Scharenburg.
Juniors: Shirley French, Carolanne Isaacs and Elizabeth Shawalter.
Sophomores: Michelle Rowell and Donna Slater.
Freshmen: Lois Leatherwood, Barbara Taylor, Wanda Stratford, La Vern Bell and Linda Stanley.

Boys
Seniors: Jerry Arant, Doug James, Glenn Looney, Lonnie Greenhill, and John Cole.
Juniors: Jimmy Cox, Billy Ellison, Gary Wheatley, and Larry McBride.
Sophomores: Don Enger.
Freshmen: Junior Willis, Jerry Oldham, and Vincent Thiel.

Anton's Carl Taylor proved to be too much for New Deal as he scored four touchdowns on runs of 73, 3, 66, and 4 yards to head Anton to a 38-12 victory in the Class 3B — 4-B bi-district tilt at Plainview Thursday.

First Since 1954 Ted Wayne Watts Bowls Perfect 300 Game In League At Lubbock

NEW DEAL LIONS DOWNED BY ANTON IN BI-DISTRICT TILT

The New Deal Lions closed out their 1960 football season Thursday afternoon at Plainview when they were defeated 38-12 by the strong Anton Bulldogs in a Class B bi-district tilt.

The Lions were very much in the ball game until the third period. The Lions trailed 14-0 at halftime, but narrowed the margin to 14-6 early in the third quarter. However, the Lions managed only 6 points in the final quarter while Anton rambled for 24.

Anton's 180 pound fullback Carl Taylor was too much for the Lions as he rambled for four touchdowns on runs of 74, 3, 66, and 4 yards. Taylor rushed for 220 of the Bulldogs' 370 groundmade yards.

New Deal's first score came in the third quarter after the Lions recovered an Anton fumble on Anton's 49 yard line. The Lions, led by hard-running fullback David Attebury, moved the ball inside Anton's 10 yard line in eight plays, but three losses set them back to the 16. On fourth down quarterback Jerry Cox rolled out and passed to Jerry Hogan in the end zone. The extra points try failed.

Early in the fourth quarter Anton scored again and added the points. New Deal countered again on the first play following the ensuing kickoff when halfback Doug James broke loose from his own 31 and outran the entire Anton secondary 69 yards for the score.

Outstanding
Charles Ruffin, who played defensive linebacker provided to be a thorn in Anton's side all afternoon. He compiled a total of 40 tackles during the afternoon, 25 unassisted and 15 assists.

Baptists To Show Film Wednesday P.M.
The third and final section of the feature length motion picture, "Our Bible—How It Came To Us," which tells the thrilling story of how the Scriptures have come down through the ages, will be shown at a congregational meeting of the First Baptist Church, Wednesday evening, November 30 at 8:00 p. m.

A-1 LANES Bowling News
Tourney Results
The Second Annual Ladies Bowling Tournament held last week end at A-1 Lanes provided some outstanding bowlers, both locally and from neighboring towns.

Undergoes Surgery
Arlene Wyatt and son, Dennis of Spur, visited in the home of her parents, Mr. and Mrs. L. S. Wilson, Wednesday night, Nov. 23, and accompanied them to Fritch, Texas, 174, daughter and Judy Brownlow, 14, daughter of Guy Brownlow, Rt. 1, Abernathy.

TALK IN PRINT

Robert Cummins said this on Thursday night: "I keep my words soft and sweet because I never know when I'll have a need of them."

Nov. 18-21 is National Farm City Week, when farmers are supposed to make city dwellers aware of the problems faced by agriculture. In a town this size we already know.

Good natured ribbing has been coming my way since Kennedy's electoral-vote victory Nov. 3. "You don't seem to be taking it too hard," commented Carl Rhodes. "Are you ready to eat fish every Friday?" asked R. D. Spruiell, a Democrat.

These are rough days in the week-end newspaper business, but I didn't know that the situation was bad enough to drive a publisher to robbing banks as a sideline. (Note to our out-of-state readers: A publisher of two Texas weekly newspapers has been charged with holding up two Central Texas banks on two successive Saturdays, Nov. 5 and Nov. 12.)

THE RIG shown at the right in this picture is one of several earth-moving units that will dig the underpass to carry through traffic on the new freeway being built through Abernathy. Several hundred thousand tons (one estimate said 500,000 tons) of yards of dirt will be moved to build the underpass. Main Street traffic in the center of town will be on ground level and the freeway traffic will be in the underpass under Main Street. This picture is looking north from Main Street along the wide, cleared right-of-way for the freeway and service streets to be constructed on both sides. Dirt from the underpass construction will be used in bases for overpasses to be built for freeway traffic on the south and north ends of town — (Staff Photo)

TRAFFIC STOPPER — Signs similar to the one above greet east-west traffic from Ave B to Ave C clear across town. The signs warn of a beehive of activity created by construction of the freeway through Abernathy, from north to south. The barricade is across Main Street about one-half block east of Ave. C. A similar barricade stops Main Street traffic at Ave B. An underpass to carry freeway traffic is to be constructed here. Local Main Street traffic will be on ground level, crossing over the freeway traffic. — (Staff Photo)

Oil Firm to Drill Here

The oil test site is on a farm owned by Mrs. N. C. Nix, and joining the northeast corner of Abernathy city limits.

Hix Farm at Northeast Corner Of Town Is Site For Wildcat

Chambers and Kennedy, Midland, No. 1 Hix will be drilled as a 9,400-foot wildcat in extreme south central Hale County, 3 1/2 mile north-northeast of Abernathy.

The wildcat, 10 miles east of Anton-Irish Clear Fork field will test the Pennsylvania section. It is 1 1/4 miles northeast of Hon-

lulu Oil Corp's No. 1 Martha Schultz dug 11,600-feet and plugged Oct. 13, 1959 after a strong Pennsylvanian show proved uncommercial. It is also 4 1/4 miles southwest of an 8,210-foot failure. Drillsite will be 1,808 feet from north and 1,978 feet from east lines of Section 13, Block C-2, EL&R survey.

This pattern of development in the eastern and western extremities of southern Hale County has maintained varied interest in the undeveloped, but often drilled area, between.

ABERNATHY GIRLS TEAMS WIN OVER SUDAN, ROOSEVELT TEAMS

Abernathy overcame Sudan in the final period to squeeze out a 53-52 girls' basketball victory here Monday night.

The game was close throughout with the score tied, 15-15, at the end of the first quarter and Sudan ahead at the half, 29-26, and 42-40 going into the final eight minutes.

Nelda Sanders led Abernathy with 22 points, while Johnnie Johnson added 17 and Diann Owen 14. Arlene Humphreys had 22 points for Sudan, followed by Linda Davidson's 15 and Gail Massey's 13.

Abernathy won the B game, 46-34, as Susie Deering had 21 points and Martha Struve 18. Ann Steer had 17 points for Sudan.

Win At Roosevelt
The AHS girls' varsity team journeyed to Roosevelt last Thursday night and captured their second win of the season as they downed the lasses in a close contest, 61-58.

Farm Income For 1961 Expected To Remain At Level Set In 1960

For what it is worth, the outgoing U. S. Department of Agriculture administration of Secretary Ezra Taft Benson has prepared and released a forecast of farm income for 1961, which will be the first year of the new Democratic administration.

According to the forecast, farm income for the next year should continue at about the same level as 1960, taking no account of any new Kennedy-Johnson Democratic farm program.

Programs affecting most 1961 crops, of course, will have been set before the new administration gets well underway, and there would be no time before the planting season for sharp changes to be made. The forecast anticipates relative stability in cash receipts, farm cost rates and net farm income.

In summary, the forecast predicted about as follows:

"Relative stability in cash receipts, production expenses, and net income will likely continue in 1961. Reflecting record farm output this year, the volume of farm marketings is running about three percent above 1959 and may increase further in 1961 if growing conditions are average or better.

"Livestock production will likely increase in 1961. Cattle prices in 1961 probably will continue to decline under the impact of larger marketing and result in some further decline in cash receipts from cattle.

"Marketing of hogs will continue below a year earlier well into 1961, reflecting the reduced pig crop this year, and prices are expected to remain relatively high well into 1961.

"Prices for dairy products and eggs are expected to hold above a year earlier well into 1961. But egg marketing in the last half of 1961 are expected to rise above a year earlier and prices may be lower. Prices for most crops so far in 1960 average about the same as a year earlier, and they probably will continue fairly stable in 1961."

President-elect John F. Kennedy has pledged to sponsor a broad program aimed at boosting farm income by various means, including higher price supports, stricter production controls, and an intensive program for disposing of farm surpluses which tend to hold price down.

The USDA forecast was included in a farm income report prepared for a department outlook conference with government economists, state extension leaders and others taking part.

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Flame cultivation research will be continued during the winter months on crops in the Rio Grande Valley by the High Plains Research Foundation, Dr. Tom C. Longnecker announced.

Dale Price, Agricultural Engineer for the Foundation, will leave December 1 to carry on a three months' research program with headquarters in Edinburg. LP Gas dealers and farmers in the Edinburg and Mercedes area are providing the acreage and crops for the research projects.

Research on weed control by flaming will be conducted on grain sorghum and many vegetables. Included will be a follow-up on the research that has been underway at the High Plains Research Foundation in 1960 on potatoes, onions and lettuce. Research with flame cultivation as a means of weed control will also be conducted on carrots, tomatoes, cauliflower, Brussels sprouts, broccoli, cabbage, table beets, sugar beets, sweet corn, green peppers, and Jalapeno peppers.

By working in the Rio Grande Valley during the winter and at Halfway during the summer it will be possible to combine two years' into one.

Flame cultivation at the Foundation in 1961 will include new research in sesame, sugar beets, peanuts, and vegetables. This will be in addition to continued research on cotton, grain sorghum, soybeans, corn and castor beans.

George Wilkins moved to 306 Ave. F.

pared for a department outlook conference with government economists, state extension leaders and others taking part.

Music Club Plans Family Night for Next Program

Names of favorite American Artists were given as roll call answers when the Abernathy Music Club met in regular session Tuesday, November 15.

During the business session Mrs. Herbert Hardin, club president, called attention to type of program for December being "family night" when families of club members will perform.

Mrs. Charles Wilson was director for the evening's program entitled "Home Sweet Home." The theme song was presented as an accordion solo by Miss Alma Ruth Patterson.

Various American Artists were discussed by Mrs. Lawrence Carter, Mrs. E. O. Graham, Mrs. John L. Haral, and Mrs. Joel Bray.

Recording of some of these artists by the group were: . . . Van Cliburn's "Piano Concerto in A Minor" . . . Pearl Bailey's "Two to Tango" . . . George Gershwin's "Rhapsody in Blue." Refreshments of cake and coffee were served by co-hostesses Mrs. L. J. Hager and Mrs. W. E. Guerrant.

Next meeting will be December 20 with the program entitled "White Christmas" under direction of Mrs. L. J. Hager, and members of the Social Committee as hostesses.

Host Club day, 1 Ave. 1 will ha great da Christmas. will be pre: ing membe for hutch; for bookcas for coffee in estock an end tal

operator of Smallwood's Vacuum Cleaner Repair at 3021 34th St. Tom P. Smallwood, repairs makes of vacuum cleaners and polishers. He is also the licensed dealer for FILTER EEN Vacuum Cleaners. He is any make of used machine, offering a new machine guaran-

When a customer calls SWIFT 1961, Smallwood's Vacuum Cleaner Repair goes out to see what is wrong with his or her vacuum cleaner. If he can fix it at the home, he does so, if not he takes it to the shop, checks it, and then, before he works on it, he calls the customer to say how much the repairs will cost. Only if the cus-

tommer gives the O. K., is the work done. If the customer says "No," Smallwood takes the machine back and makes no charge whatsoever.

If someone in an area town writes Smallwood at 3021 34th St. to ask that he stop by the next time he's in town, he gets a man there within two or three days. If the customer requests speedy action, Smallwood sends a man right away.

"I've built my business that way," I get customers by offering them such service. They don't forget me when they need more work or when they need a new machine." He gives free home demonstrations on all vacuum cleaners.

Smallwood's service extends right down to providing the customer with a substitute machine of the same make while the customer's own machine is being worked on.

"We have parts for all machines and we carry cloth and paper bags for cleaners," Smallwood adds.

"And I'd like to stress that we have a big stock of all makes of used machines on which we give a new machine guarantee." Smallwood's Vacuum Cleaner Repair is open from 8 a. m. to 5:30 p. m. six days a week. (Paid Adv.)

"IGNORANCE"

BY ROY DEAN VERNER
Reading Time: 4 Minutes

The word ignorant is defined as: Destitute of knowledge; uninstructed or informed. The word ignorance means the state of being ignorant. While in Athens, Greece the apostle Paul saw the multitude of idols which were worshipped there. After having proclaimed to them the truth of God he said, "In the times of this ignorance God winked at; but now commandeth all men every-where to repent." (Acts 17:30)

The vast amount of ignorance on the part of thousands of people concerning the Bible is astounding. The fact that so many do not know what God expects of them is a tragedy. So many expect morality alone to suffice. Others believe that once one is saved he is always saved. Still others believe it is not their task to determine what they shall do. Instead, they leave this to their priest or bishop. Paul, however, wrote, "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." If Tim. 2:15. Peter wrote, "But sanctify the Lord God in your hearts; and be ready always to give an answer to every man that asketh a reason of the hope that is in you with meekness and fear." (1 Pet. 3:15). From these words of inspiration one can learn that he must not be ignorant of what God would have him to do. God expects every man to study the Bible that he might know how to serve God acceptably.

As one stands before God at the judgment ignorance will avail

nothing in his behalf. Note the judgment scene in Matt. 25:41-46. Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels: for I was an hungred, and ye gave me no meat: I was thirsty, and ye gave me no drink: I was a stranger, and ye took me not in: naked, and ye clothed me not: sick, and in prison, and ye visited me not. Then shall they also answer him, saying, Lord, when saw we thee an hungred, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee? Then shall he answer them saying, Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me. And these shall go away into everlasting punishment: but the righteous unto life eternal." These people were ignorant of their responsibility toward their fellow-man and Christ. Evidence of this is seen in their question, "When saw we thee an hungred, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee?" Although these people were ignorant of their responsibility they were still condemned by Jehovah because He knew that they had been given the opportunity to know God's Will. This same Lord will hold every individual responsible in the same manner at the judgment scene.

Don't you want to stand before the Lord at the judgment day, and be acceptable before Him. Make certain that you are in proper relations with the Lord. Don't be ignorant of your duty toward God. Be a New Testament Christian only.

Contest To Be Sponsored By The Plains American Heritage Program

Plainview, (spl)—Junior High School students will this year share in the contests of the Plains American Heritage Program, according to Dr. Edward McMillan, director of American Studies program at Wayland College which sponsors the heritage program.

Now that the steering committee of representatives from 11 area school systems which are participating in the Plains American Heritage Program have set up contests, selected topics and prizes some one hundred teachers and administrators will meet Nov. 28 at 6 p.m. at McGrath's in Plainview for a dinner session. There they will complete details so that contests can get underway.

Prizes of \$25 United States Savings Bonds will go to first place winners in each contest in each school. Deadline for the school contests is March 15. Awards will be presented at the annual Heritage Banquet in Plainview on April 18. Speaker for this occasion will be Fern Stukenbroek, special assistant to J. Edgar Hoover of the Federal Bureau of Investigation.

At the Nov. 28 meeting a panel composed of steering committee members, W. H. Hezges, James Bottorff, Plainview, and Mrs. S. T. Newman, Dimmitt, will discuss ways of enlisting students in the contest and purposes to be achieved through participation.

The steering committee voted to include in the program junior high school students who will collect materials on the American Heritage. These can be collected under any one of 10 developments: transportation, entertainment, manufacturing, communications, agriculture, defense, ed-

ucation, health and welfare, government and history. Contests in all the senior high schools are under two divisions: the first, students may write on "Individual Responsibility in American Democracy" Posters to be developed under one of five heads: dignity of the individual; freedom of the individual; government as protector; right to free society; belief in open society. The second division is for anyone may become president; America's high standard of living; equality of opportunity; free enterprise; national party.

Members of the steering committee who set up this year's

Easy way to do your new-car sampling—
Drive Chevy once around the block at your Chevrolet dealer's one-stop shopping center!

Just drop in and take a drive in one of the 30 spanking new '61 models your Chevy dealer now offers under the same roof. With every drive, your dealer is giving away free Dinah Shore Christmas records while they last. So hurry! And you'll find that here's the easy, one-stop way to shop for the car you want. There's a model to suit almost any taste or need—at a price to suit almost any budget. There's a whole crew of new Chevy Corvairs, including four family-lovin' wagons. New Biscaynes—the lowest priced full-size Chevrolets. Popular Bel Airs. Sumptuous Impalas. And America's only true sports car—the Corvette. Come on in and pick your new car the easy way—on a one-stop shopping tour!

New '61 Chevrolet IMPALA SPORT SEDAN
You'll see five models in the '61 Impala series—the most elegant Chevies of all. They're sensationally sensible from their more parkable out size to their remarkably roomy in size. And note that trim new roof line.

New '61 Chevrolet 2-DOOR BEL AIR SEDAN
These beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use. Roomier dimensions reach right back to the easier loading trunk that lets you pile baggage 15% higher.

New lower priced '61 CORVAIR 500 CLUB COUPE
See what Corvair's got in store for you in '61! Thriftier sedans and coupes with nearly 12% more room up front for luggage. That rear engine's spunkier, too, with a gas-saving new axle ratio to go with it.

New '61 Corvair 700 LAKEWOOD STATION WAGON
There's room for almost everything but an freeze in these new one-and-only 6-passenger Lakewoods. And they're the only wagons with lockable trunk under the hood. Be sure to see the new Greenbriers, too.

New '61 Chevrolet 2-DOOR BISCAZYNE 6 NOW—Big-Car Comfort and Small-Car Prices
These new Biscayne 6's—the best priced full-size Chevrolets—let you save money the big way, yet give you a full measure of Chevy's new boniness—such things as higher easy chair seats, larger door openings, more leg room in front, more foot room in the rear.
*Also available as V8 models

Miss Sharon Thompson, David Boatman To Say Wedding Vows Wednesday, November 23

Mr. and Mrs. G. W. Thompson, Rt. 2, Abernathy, announce the approaching marriage of their daughter, Sharon, to David Boatman, son of Rev. and Mrs. C. O. Boatman of Floresville, Texas. A double ring ceremony will be read at 3:00 p.m. Wednesday, November 23, at the Abernathy Church of Christ with the Rev. C. O. Boatman, father of the groom, officiating.

Miss Thompson is a graduate of Abernathy High School, and is a

senior student at Texas Technological College, Lubbock. Her fiancée is employed by Recordac Corporation of Dallas.

Reception
A reception following the wedding is to be held in the home of Mr. and Mrs. Joe Thompson, 1001 1st Street, Abernathy.

Invitation
All friends of Miss Thompson and Mr. Boatman are cordially invited to attend the wedding ceremony and the reception.

Shower Given For Deerings

A wedding shower was given Tuesday evening in the home of Mr. and Mrs. J. W. Pope, honoring Mr. and Mrs. Billy Deering, who were married recently.

Assisting hostesses were Meses. Bill Jack Ingram, C. C. Turner, Herman Lambert, Billie Harrison, Roy Matthews, M. M. Monk, Ralph Stephens, J. A. Bruce, Sam Williams, E. O. Graham and W. C. Clement.

1954 Women's Club

The 1954 Women's Club will meet at the City Hall on Wednesday, November 24, at 8:00 p.m. The program will feature a presentation by Jo Ann Lambert on the program of the year.

Refreshments were served by Lillian Rape, Martha McGauhey, Ann Bute, Thelma McGauhey, Gene Bryant, Jo Ann Lambert, Billie Harrison, Jo Dell Betty Gist, D'Aun Shipman, Watts, Mary Dace, Jerry C. Thompson, Charlie Greaves, C. Thompson, Charisie Hays, Dorothy Priddy, Sue Davenport, Priddy.

The next meeting will be on November 27. Hostesses will be C. Brogden and Laverna B.

Kitchen Shower Set For Noland's

An informal coffee and kitchen shower will be given from 9:30 to 11 a. m. Wednesday, Nov. 24, honoring Mrs. Paul D. Noland. The event will be in the home of Mrs. Lon Carmickle, 1001 Ave. G. Mrs. John W. Hale will assist Mrs. Carmickle in the hostess duties.

A fire at the Noland home recently destroyed or damaged much of the family's kitchenware. The hostesses are taking this method of inviting all who would like to attend the coffee and shower.

THE ELECTRICAL feeder line from Southwestern Public Service Company's substation into the city of Abernathy was slightly re-routed last week, and a portion of the old line removed to make way for the construction of a new 100 by 200 grain elevator to be built by Plains Grain Co.

Glenn White and Robert Fletcher of Plainview are shown in the photo at left as they were connecting the new line to the old line at the corner of 7th street and Texas Avenue, just south of Plains Grain Co., Friday. Supervisor of the project is L. A. Pope, also of Plainview.

The new line runs north to 7th Street, then west in front of Sam Williams' Onion Packing Shed to Texas Avenue where it connects with the old line. The line formerly ran 1/2 block west from the sub station, then north across the block to the corner of Texas Avenue and 7th Street.

The wires above which are covered are "hot" wires, carrying 12,000 volts of electricity stated Melvin Rape, local manager of SWPS.—(Staff Photo).

H - D CLUB

The Abernathy Home Demonstration Club met Friday, November 18, in the home of Mrs. Roy Matthews. The club welcomed Mrs. C. L. Adams as a new member. Mrs. R. L. Hall gave a fine council report, and Mrs. Matthews gave a most interesting program and demonstration on candle making.

Mrs. Thomas Conner served refreshments to Meses. J. F. Matthews, E. L. Kelly, Roy Matthews, M. M. Bell, E. M. Davis, Lee R. Smith, Mary E. Joy, R. C. Patterson Jr., R. L. Hall, Melvin Johnson, and the hostess, Mrs. M. M. Bell.

Baptist W. M. U. Week of Prayer Set Nov. 28-Dec. 2

"His Peace For The Multitudes" will be the theme of the W. M. U. Week of Prayer for Foreign Missions, November 28-December 2. The meetings are scheduled for 9:30 each morning at the First Baptist Church here.

BIRTHS

Mr. and Mrs. Franklin Spruill, Plainview, are parents of a daughter, Angella Terese, born Nov. 13. She weighed 6 pounds 1 ounce and is a granddaughter of Mr. and Mrs. R. D. Spruill of Abernathy.

Mr. and Mrs. Dale Worthan are parents of a daughter born Nov. 17. She weighed 7 pounds 4 ounces.

A daughter, weighing 8 pounds 3 ounces, was born Nov. 18, to Mr. and Mrs. Melvin Lindsey.

Mr. and Mrs. Tom Eastland, Lubbock are parents of a son born Nov. 16. He weighed 8 pounds.

The father is a reporter at the Avalanche-Journal, and is an eighth grade teacher at New Deal School.

Mr. and Mrs. Phillip Miller of Amarillo are parents of a son born at 4:00 a. m. Saturday, November 12, in an Amarillo hospital. The boy weighed 8 pounds 6 ounces and was named Phillip Ray Jr. He has three sisters and is a grandson of Mr. and Mrs. A. H. Miller and Mr. and Mrs. A. T. Sons of Abernathy.

Abernathy Medical Clinic reported the following births:

Mr. and Mrs. Gus Rodriguez are parents of a daughter, born Nov. 1. The baby weighed 7 pounds 10 ounces and was named Olivia.

Mr. and Mrs. Fidel Carrazos of Hale Center are parents of a son born Nov. 11. He weighed 6 pounds 2 ounces and was named Fidel Jr.

Mr. and Mrs. Creencio of Plainview are parents of a daughter, weighing 8 pounds 5 ounces, born Nov. 2.

Mr. and Mrs. Pedro Castillo of Hale Center are parents of a daughter, born Nov. 9, and weighing 8 pounds 3 ounces.

Mr. and Mrs. Santos Garcia of Hale Center are parents of a son born Nov. 18. The baby was named Robert.

AHS Boys And Girls Basketball Goes Into Full Swing Next Week

Basketball for the AHS boys' and girls' teams will really get into full swing next week when the local teams will play host to the Slaton Tigers and Tigresses Tuesday night. Also, the girls' A and B teams will play at Sudan Thursday night, December 1, and the boys' varsity team will compete in the Plainview Invitational Tournament Friday and Saturday, December 2 and 3.

The girls, coached by Pete Wilson and his assistant, Shirley Oswalt, have played six games, including the game here Monday night against Sudan. The girls won over Frenship 65-34, lost to New Deal in a scrimmage 38-43, lost to Slaton 61-67, lost to White Deer in the Plainview Clinic 62-66, then won over Roosevelt last Thursday night, 61-58. They won again Monday night, defeating Sudan 53-52.

The Antelope boys' squad is coached by Wayne Preston. He is aided by assistant coach Waydelle Hill. The Antelope team began workouts last week, and there are 22 boys working out for the varsity team. However, two of the two-year lettermen, Neal Humphrey and Mike Ritchey, have football injuries (fractured hand and fractured collar bone respectively) and probably won't see action before the first of the year, according to reports.

Last Year's Records

Both the boys and girls' teams are defending District 2-AA Championships. The boys lost to Dimmitt in the bi-district tilt last year and the girls were nudged by Friona for bi-district honors.

The boys' team last year compiled a 21-6 won-lost record. The boys have won district the past two years, and won district five times out of the past eight seasons (Coach Preston's tenure).

Last year the girls' team won

Junior High Teams Split With Slaton

The Abernathy Junior High seventh grade boys' and girls' basketball teams traveled to Slaton last Thursday night and split two games with the Slaton seventh grade teams.

It was the first game of the season for the seventh grade boys' team, but nevertheless they brought home a 30-20 victory. The girls' team was defeated 21-14.

Mike Tannehill led the local lads to victory as he dunked 13 points. Pat Hale contributed 10 points to the cause, and Bobby Knowles and Ronald Preston had 5 and 2 points respectively.

Cindy Wilson led the scoring for the local girls' teams as she dropped in 7 points. Marilyn Teaff scored 6 points, and Jeraldine Evans added 1.

Split With CC

The Junior High seventh and

COMPLETE CIVIL DEFENSE COURSE

Those completing the course were the Stretts, Mrs. Harry Williams, and Mrs. Roy Figley, Mrs. J. D. Rhoades, Jr., Mr. and Mrs. W. C. Rhoades, and William W. C. Rhoades.

Mr. Strett stated that if enough people complete the course, the class should be held at the Junior High school building at its home of 15 persons.

The course will meet on the four Monday nights between now and Christmas to complete the course. It was stated that all sessions are a must to get the full benefit of the course.

The instructor will present each enrollment with a free manual and other material for future reference. He will make use of films, slides, and strips, charts and tape recordings to make the lessons both clear and interesting.

There is no charge for enrolling in such a course.

O. E. S. TO MEET DEC. 1

A stated meeting of Abernathy Chapter No. 877, Order of the Eastern Star will be held Thursday night, Dec. 1.

M. F. Land moved to 1009-14th Street.

Lakeview News

Mrs. Lemmie Ragland spent last week in the home of her daughter, Mr. and Mrs. James Roy Rambo.

Mr. and Mrs. C. P. Loyd, Paulite and Danny visited in the home of Rev. and Mrs. Winfred Rhoades in Graham last week end. Guests in the Lloyd Goldston home Sunday were Mr. and Mrs. O. D. Ogle and children of Halfway and Mrs. Jesse Boyd and children of Petersburg.

L. H. Holcomb spent last week with Mr. and Mrs. Robert Gary in Harmony community. He also visited Mr. and Mrs. Jeff Spikes in Crosbyton Friday.

Lloyd Goldston and Wayne Castleberry went to Truth or Consequence, New Mexico Tuesday to meet Mr. and Mrs. S. P. Castleberry who were returning from a visit in California. Mr. Castleberry and daughter, Mrs. Joe Goldston remained in the New Mexico city for a series of treatments there. Mr. and Mrs. Kermit Mitchell of Tulla visited in the R. E. Anderson home Saturday.

Rev. J. D. Weatherford of Mesquite visited Mrs. N. Matthews and L. H. Holcomb recently.

Charles Wendt of Texas Tech Faculty will speak at the Wednesday night services at the Methodist church and will show films of his recent trip to Africa. A Thanksgiving supper will be served in Fellowship Hall following the film.

The WSCS met Monday at 2 p. m. at the church for the regular study program. Mrs. Jack Jackson arranged the program. Eight members attended.

LET US FORD DEALERS SHOW YOU THE MOST MAINTENANCE-FREE FORD IN HISTORY

BECAUSE IT'S BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

With all of its flash and T-Bird dash, the new Ford is so maintenance-free it can save you hundreds of dollars in operating costs alone and end most bothersome servicing.

Imagine, Ford's new Truck Size brakes adjust themselves automatically for the life of the lining. Think of it! Normally you could drive around the world before you'd need a chassis lubrication. And 4,000-mile oil changes. Ford's Diamond Lustr Finish stays beautiful without waxing, too.

Remember, too, each part of '61 Fords, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Normal maintenance service or routine replacement of parts such as filters, spark plugs, condensers, ignition points are not covered. Ask your dealer for details.

BEAUTIFULLY PROPORTIONED TO THE CLASSIC FORD LOOK

This model was presented by the International Fashion Authority Centro per L'Arte Mode Italiana, to the 1961 Ford for functional expression of classic beauty.

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF—HERE'S HOW

Lubricates itself. You'll normally go 30,000 miles without a chassis lubrication.

Cleans its own oil. You'll go 4,000 miles between changes.

Adjusts its own brakes. New Truck Size brakes adjust themselves automatically.

Guards its own muffler. Ford mufflers normally last three times as long as ordinary mufflers.

Protects its own body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing panels below the doors.

Takes care of its own finish. New Diamond Lustr Finish never needs wax.

Texas Farm Bureau Opposes Merit Insurance Rates For Automobiles

Texas farmers Nov. 11 opposed the state's merit rating system for establishing car insurance rates and expressed some concern over what is being taught in public schools.

The 673 delegates to the Texas Farm Bureau convention, in their first resolution voting session at the Baker Hotel in Dallas, voted firmly for the abolition of the merit system as a means of determining the auto insurance.

Delegates to the Texas Farm Bureau's annual convention here voted Saturday to hold to a line of less government price fixing and production controls.

They turned down efforts made by delegations from the South Plains of West Texas and Central Texas to endorse price supports of 80 and 90 per cent of parity.

"The ranchers and rice growers of South and Central Texas out voted us on the price supports," a Lubbock County PB spokesman said. "We here on the Plains country have got to get strong enough to tell them to stay out of our business," he added.

In another action that produced much discussion, the Farm Bureau delegates refused to endorse a sales tax as a way of financing state expenditures.

The 673 voting delegates, representing nearly 81,000 farm families through out the state, Lubbock County was represented by President Jimmy Davis, and 13 voting delegates.

May 25, Junior High Commencement.

May 26, High School Commencement.

Rules Given For Winter Driving

Seven rules were outlined today for avoiding "slip-ups" on slippery roads of early winter by J. O. Musick, General Manager of the Texas Safety Association.

Based on National Safety Council research by a committee of authorities, the rules are:

1. Learn to adjust your speed to varying road, weather and traffic conditions.
2. Get the "feel" of the road by trying your brakes or gently pressing your accelerator while driving slowly and away from traffic on snowy or icy days, and rainy days.
3. Follow other vehicles at a safe distance. You may find it hard to explain why you couldn't stop when the driver ahead did.
4. Pump your brakes rapidly to maintain best steering control when braking on ice or slippery snow. This gives short intervals of maximum braking separated by short intervals of effective steering while front wheels are rolling.
5. Signal your intention to turn or to stop in advance, as a means of alerting the driver behind regarding your plans to turn or come to a halt.
6. Keep your windshield and windows clear. You must see danger in time to avoid it. Be sure your windshield wiper arms and blades are in good condition and have recommended arm pressure to sweep rain, snow and sleet off instead of slipping over it.
7. Have good tires and always carry a pair of reinforced tire chains for severe conditions. Tests show that chains cut stopping distances in half and give four to seven times more "go" traction often needed on snow or ice.

"Driving is a convenience that helps us conduct our business and enjoy life more completely," Musick declared. "Between now and March some severe weather conditions will cover our streets and highways. By following these fundamental rules we can overcome these hazards that face us each winter."

Danny Kitchel moved to 709-15th street.

THE CHIHUAHUA

(Continued from Page 1)

10,000 years. The Chihuahua traces its history back to the 9th century to the immediate ancestor, the Techichi, which had appeared for several centuries before the pet and companion of the Toltecs of Mexico, and necessity in their religious life.

The Mexican version of the origin seems to be that the Techichi and a hairless dog brought from Asia interbred to produce the little dog of the Valley of Mexico, the Aztec Emperor Montezuma.

The Emperor is said to have carried a Chihuahua, and it is said that he left some to run and reproduce their kind in the state of Chihuahua, Mexico. The first Chihuahua was imported to the United States in 1850, and immediately named the Chihuahua.

The National Geographic Society's Natural History in 1907 exhibits one of the Chihuahua dogs from the state of Chihuahua. This was a medium fawn of three pounds or less in weight. In the same year a tri-colored canine of about seven pounds, said to have come from Mt. Chapultepec.

Breeding of this little dog began in the United States about 1890. By 1951 there were 10,810 registrations of this little dog.

There are several strains of the breed in the United States: the Meron, La Miniera, La Oro, Don Rubio, Don Judio were the most popular around 1951. In that same year the breeders agreed that they would register both the Smooth Coat and the Long Coat. The Smooth Coat dog is the more popular of the two, however.

The Chihuahua dog has a disposition which makes it a dog loved by dog lovers and a large majority of people who are not confirmed dog lovers. One breeder says, "My earliest recollection of the Chihuahua is that they were very fine and sturdy, but very sensitive; disposition varied as in humans, chock full of personality, and always very loving."

The Chihuahua is one of the most affectionate and loyal of all breeds. In many respects they seem human in their understanding and expression. Seldom if ever inclined to be quarrelsome if shabby, they make ideal pets for children when raised from puppyhood with children; are safe and companionable. No dog could make a better watch dog, for their keen sense of hearing and alertness make them instantly aware of every strange sound of which they give warning with a rather shrill and insistent bark. Most of them quiet immediately upon a word from their master or mistress, and if a stranger has entered their home, they begin at once to sniff around in a friendly, inquisitive manner, and soon may be licking the stranger's hand.

Chihuahuas are naturally playful and active, exceedingly faithful to their owner, and rather slow to transfer their affections. It usually takes them a week or so to establish confidential relations with a new owner.

The Chihuahua is a rather long lived dog, as dogs go, some live for as many as 22 years. This fact endears them to dog lovers. The Chihuahua is a dog to be loved and will rapidly deteriorate if not given affectionate attention.

The Chihuahua is, because of his high degree of intelligence, an easily trained dog as he responds readily to training. One dog, in three separate shows, showed his ability to respond to training by coming up with an average score of 190 out of a possible 200, in a test of his obedience to command.

The Chihuahua is essentially a house dog as he loves to hug around a stove, lie in a warm corner or snuggle up in a warm blanket. They will play in the snow but, like a human, when through, he wants a warm place in which to thaw out. He is very easily house trained and will go outside when necessary. They are unusually clean pets.

Another reason for their popularity has shown up more recently. A number of breeders and owners claim they are a deterrent to hay fever and asthma. It is thought that they have a certain type of oil about them, the scent of which has a relieving effect on sufferers of hay fever and in some cases asthma. Some claim that as long as they keep the Chihuahua in the house they are free from hay fever. Some claim the effect is more psychologic than medical but yet is there.

In any case this little dog is an unusually clean, intelligent, easily trained, affectionate and lovable little pet and for a watch dog is unbeatable. He will tell you if someone is fooling around the house, if it is on fire or if anything unusual is going on. In fact, anything that he is unfamiliar with he will most likely tell you about it.

When you find something good, put it to use. Now we were never any "butterfly" but we have been put to use and are still being used every day. Use us on your next project in our line of business.

Local Navyman On Antarctica Duty

William P. Brown, fireman apprentice, USN, son of Mr. and Mrs. Homer Hindman, Abernathy, departed Seattle, Wash., recently aboard the icebreaker USS Staten Island for a six-month cruise to Antarctica. The ship is participating in Operation Deepfreeze '61, a scientific research program conducted by 12 nations in the ice-covered South Polar region.

MAN, THESE DRYERS ARE THE GREATEST! BUT WHY ARE THEY ALWAYS GAS?

ANY FAMILY MAN CAN ANSWER THAT ONE! GAS IS FASTER, SAFER AND COSTS LESS. WHAT ELSE?

there are good reasons why **97% OF ALL COMMERCIAL LAUNDRIES USE GAS CLOTHES DRYERS**

Gas goes to work instantly, with no warm-up wait. Gas is faster by far, reducing drying time to a minimum. Its low heat, high air-flow principle makes short work of even difficult-to-dry shag rugs and bedspreads, yet is ever-so-gentle on even the daintiest synthetics. And as for economy, a Gas Dryer operates for about 1/9th the cost of the other kind. When Gas drying rates first with those who know, wouldn't it be best for your family, too?

SEE YOUR GAS APPLIANCE DEALER NOW FOR THE YEAR'S BEST DRYER BUYS!

Count of Lost Hale Ballots Is Incomplete

Only four Hale precincts made records of the number of mutilated ballots in the General Election, examination of returns showed. Mildred Tucker, county clerk, said. There was a record of the absentee mutilated ballots at the four boxes and absentee.

Petersburg, Abernathy, Hale Center and City Auditorium No. 10 were the boxes keeping count of the ballots thrown out. The total was 93, one of them from the absentee votes which totaled 321, one of the 4,208 ballots cast at the four boxes and absentee.

At Petersburg 559 ballots were cast and one was not counted, at Abernathy 729 were cast and 22 not counted, Hale Center 862 cast clerk, said. There was a record and 46 not counted and at the Precinct 10 box 1,735 cast and 23 not counted.

Deer Hunters Asked To Donate Hides To Hospitals of State

Dallas, Puhleeze, Mr. Hunter, don't throw away that deer hide! That's the plea of volunteers in state-operated hospitals who annually sponsor the collection of these skins and have them tanned into leather for use by patients in occupational therapy.

Mrs. Frank O. Hamilton of Dallas, chairman of the Volunteer Service Council for all the state hospitals and special schools, said the patients fashion all types of small articles from the leather which provide gifts for their families, or if salable, "cokes and cigarettes" funds for themselves.

"The real value though," she points out, "is in giving the patient something to occupy his thoughts and his hands. Working with leather especially appeals to many men in our hospitals."

The hides should be lightly salted, drained and sent to the Austin Taxidermist Studio, 2708 Fredrickburg Road, Austin, where the owner L. M. Rathbone donates storage, curing and preparation of the hides for the tannery.

Most motor freight lines in Texas hauls the hides without charge if the shipping tag is marked "charity". Many locker plant operators also will assist in adding the hides to the collection when the deer are skinned or instructed to do so by the hunter, Mrs. Hamilton said.

In addition to the Texas Motor Transportation Association, the buckskin collection has the endorsement and active cooperation of Sportsmen's Clubs of Texas, Texas Independent Meat Packers Association, State Game and Fish Commission, sports writers and radio editors throughout Texas, the Volunteer chairman said.

So, Puhleeze, Mr. Hunter, don't throw away that deer hide!

Cpl. Ira Benson In Marine Corps "Pack Mule" Drill

Coast of California (FHTNC)—Marine Lance Cpl. Ira W. Benson, son of Mr. and Mrs. I. D. Benson of Abernathy, Texas is serving with the First Marine Division, Camp Pendleton, Calif., which is participating in a huge amphibious operation known as Exercise "Pack Mule", off the coast of California.

Navy and Marine units totaling 41 ships and 15,000 men are involved in the operation being held from Oct. 26 through Nov. 4.

Highlights of the involved operation include an actual landing by a crack Marine battalion against a mock missile installation on San Clemente Island; laying and use of an underwater wire telephone system; and the installation and use of a special system to facilitate the delivery of fuel directly from tankers to the forces on the beach.

In addition to the American submarines, aircraft, underwater demolition teams, etc., participating, ships of the Canadian Navy Mine Force are also taking part in Exercise "Pack Mule".

To Receive Special Training Course

AUSTIN—A request by the Board for Texas State Hospitals and Special Schools for \$2,500 to finance a special training course for laboratory technicians in state TB hospitals was approved by directors of the Texas Tuberculosis Association, the Christmas Seal organization, meeting in Austin November 13.

Dr. John W. Middleton of Galveston, chairman of TTA's hospital committee, which has just completed its ninth annual survey of TB hospitals, brought to the attention of his fellow directors the need for better trained lab technicians in the hospitals.

"It is the hope of the committee," Dr. Middleton said, "that such training will lead not only to improved laboratory facilities, but to better methods of determining a patient's progress and of whether he is in a contagious stage." He said up-to-date lab services are important, but methods of determining contagiousness are essential to carrying-out of the state's compulsory isolation law. Under this law, a person with contagious TB who will not protect others from his disease can be "quarantined" in a

CLOSING IS SET THANKSGIVING

Thanksgiving is among holidays generally observed by many Abernathy firms by closing of their places of business. Abernathy post office will be closed that day and there will be no rural mail delivery. Abernathy First State Bank will be closed Thanksgiving Day, Thursday, November 24. Bank customers are reminded of the night depository unit at the southeast entrance to the bank, for making deposits after the bank closes, over the weekend and on holidays.

Noting a need for more and better trained social workers, Dr. Middleton pointed out the importance of adequate screening of TB patients prior to discharge. Before a patient is sent home to follow "outpatient treatment," Dr. Middleton said, the hospital staff should know that he will have adequate medical supervision either as a private patient or at a public TB clinic. Without a sufficient number of trained social workers in the hospital, such information is lacking.

The TTA's hospital committee has noted steady improvement in facilities for the care of patients in State TB hospitals since it began nine years ago.

Construction Of New Elevator Building Started

A new grain elevator building for Plains Grain Company is under construction about one-half block south of the present elevator buildings.

E. L. Kelley, manager of the firm, reported that the new building will be 100 ft. by 200 ft., and when completed will have a capacity of 500,000 bushels. This will give Plains Grain Company a total capacity of 1,051,000 bushels.

It was stated that the new elevator building should be completed around December 10.

Owner of Plains Grain Company is J. C. Mills, who recently purchased the firm from E. B. Lindsey who had owned and operated the firm the past 40 years.

GIRL SCOUTS

The Girl Scouts wish to thank all who have contributed to their annual Fund Drive. Mr. Carl D. Barton, Chairman, reports that well over half the goal was reached in one day on Friday, November 18. This was due to the concentrated efforts of members of the Lions Club and Scout mothers and leaders who canvassed the residential and business sections. If you were not at home or have not been contacted, please give your contribution to Mr. Barton or to Mrs. Joe Lovelace. It is hoped that the drive will be completed soon after Thanksgiving.

W. S. C. S. NEWS
The Rev. W. L. Armstrong Jr., of Lorenzo, spoke to the Woman's Society of Christian Service Monday, November 14, at 2:30 p. m., in the First Methodist Church here. Rev. Armstrong, who served as a missionary in Hawaii, showed slides and told many interesting things about the church work there.
The Society was to meet again Monday, November 21 in the church.
R. R. Knox underwent an emergency appendectomy in a Lubbock hospital around noon Monday.

CARD OF THANKS
We wish to thank all our many friends for their visits and for the food and the many beautiful flowers that were given during

the illness and death of our father and grandfather. May God bless each and every one of you.
The Family of
W. F. Durrett

THANKSGIVING
A time to pause and count our blessings . . . to offer our thanks and to remember those who have been thoughtful and kind to us. Thank you everyone.

NOTICE CORRECTION
G-E SERVICE NOW AVAILABLE IN ABERNATHY
In Abernathy, Bruce Furniture, local G-E dealer now has an arrangement with G-E whereby all service on MAJOR G-E appliances will be handled through the store. Any MAJOR G-E appliance except T-V and Radios purchased from a G-E dealer carries a 12-month service warranty with it. You may call us and get service without delay or red tape. On G-E Radios and T-Vs, call Newton Radio and T-V as he has been designated G-E Radio and T-V serviceman for this area. Radios and TVs carry a warranty on PARTS ONLY. Call Newton for parts and Service.
Most service on MAJOR appliances can be done in the home with minimum delay by experienced G-E servicemen. Call us for Service.
