## Foreign Exchange Student To Arrive Friday

DIRK ENGEL  
Foreign Exchange Student

Dirk Engel, Abernathy's first Foreign Exchange Student, is scheduled to arrive in Amarillo Friday afternoon (tomorrow) where he will be met by Mr. and Mrs. Andy B. Reid, who will serve as his foster parents for one full year while he is here. The young Mr. Engel will be a senior student in Abernathy High School during his stay here.

Efforts to obtain a foreign exchange student for Abernathy were first begun last fall when Mr. and Mrs. Reid expressed their desire to serve as foster parents if arrangements for such a student could be made. Through Abernathy Public School Superintendent, Noel Johnson, the Abernathy School Board, and other school officials, application for a foreign exchange student was made to the American Field Service, New York, N. Y., and a local American Field Service Chapter was organized. In addition, a sponsoring organization was needed, and the Abernathy Lions Club readily

accepted the opportunity to sponsor (or underwrite) the student locally. This requires a fee of \$850.00. The \$650.00 is used mainly to furnish transportation to Abernathy from the students home town, and to give him a monthly allowance of \$14.00 while he is here.

The Abernathy Chapter of American Field Service is composed of the following: Noel Johnson, president; Ted Hill, finance chairman; Mrs. Dan Z. Ward, representing home life; Ed Graham, school liaison representative; Mrs. Florine Forbes, representative for Americans Abroad, and secretary of the local organization; and members, Joe Thompson and Ed Crow. Working closely with the local organization is Ralph Stevenson, high school principal, who will serve as advisor for the foreign exchange student, and Leonard Phillips, president of the Abernathy Lions Club.

According to information received from Dirk through the American Field Service, the young lad is about 6' 1" in height, weighs around 143 pounds, and has fair, brown hair.

**Personal Resume**  
Following is a resume of Dirk's life, his ambitions, and the reasons why he wanted to come to America. The following was written by Dirk and was attached to his Application for Scholarship, dated February 5, 1961, to the American Field Service:

**My Life and My Hobbies**  
I, Dirk, Dieter, Klaus, Engel was born at Rechlin/Muritz in the district of Mecklenburg, in the third child, besides my sister Sylvia and brother Hans-Joachim, of my parents Friedrich Alwin, Karl Engel (46 years) who is the independent chief of his own well off driving school and his wife Walli Emilie Gertrud Engel born Paul (43 years).

She used to work as a ladies' hairdresser and nowadays she helps in the office and does household. After war we had to leave our home in the Russian Zone, fled to Berlin, and went to Western Germany afterwards.  
At first we went to Hamburg in 1950. From Hamburg we drove to Emte where I came into the first class of the elementary school. One year later we changed our residential and went to Vreden in the district of Dülmen. The reason for this change was to better on livelihood. Another year ago we came to Schweinfurt/Bavaria. In the meantime my Father had worked very hard so that we could start a driving school at Schweinfurt in 1956.  
So our family came to this small town in Bavaria.

After I had finished my five

years in the ground school, I now visit after an examination the Oberrealschule in Schweinfurt in the fifth year.

I want to take my final examination (Abitur) in this school, after that to study physics.  
Besides my school interests, I also like to dive (diving sports) to do experiments with rockets and

to play the guitar. The reasons for my hobby which I like most, are as follows:

If I dive I'm interested in the new, the unknown things, which are worth to be known by us and the wonderful and marvelous feeling with the support of the tech-

## Old Fashioned Revival Begins Sunday At Methodist Church

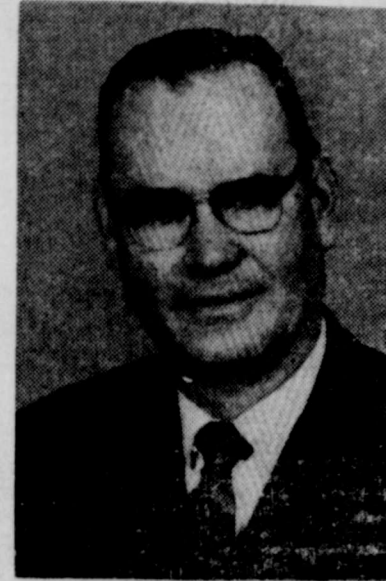

Revival services are to be conducted in Abernathy First Methodist Church, beginning on Sunday, July 30, and continuing through Sunday, August 6, with services daily. Services are scheduled for 11:00 a. m. and 7:00 p. m. on Sundays and 10:30 a. m. and 8:00 p. m. on weekdays.

Reverend Don R. Davidson of Abilene, Texas, is to do the preaching, and Mr. Woody Coleman of Lubbock, Texas, is to lead

the singing. Reverend Davidson was formerly pastor of First Methodist Church at Hereford, Loveland, and Andrews. He has also served Asbury Methodist Church in Lubbock.

The public is cordially invited to attend the services, said Rev. H. B. Coggin, pastor.

Mr. Coleman is a former member of the Abernathy school faculty. Currently, he is principal of an elementary school in Lubbock. Coleman is a son-in-law of Mr. and Mrs. Clyde Rhodes of Abernathy.

REV. DON R. DAVIDSON  
Evangelist

Mrs. Embry's  
County Line

Funeral rites were held Sunday in County Line Baptist Church for Mrs. W. T. Embry, 37, of Route 2, Abernathy. She died Thursday in M. D. Anderson Hospital, Houston.

The Rev. Roy Minor, pastor of the County Line Baptist Church, officiated. Burial was in Abernathy Cemetery.

She is survived by her husband; her mother, Mrs. O. H. Terry, Coleman; three sisters, Mrs. Joe C. Brooke, Coleman, Mrs. Delbert Young and Mrs. Pat Knight, both of San Angelo, and three brothers, E. G. Terry, Fort Worth, John Terry and Oscar Terry, both of Coleman.

Woody Coleman  
Song Leader

son, Elaine, visited  
Spur last Sunday.

## County Line Chit Chats

By MRS. A. H. KLAFFKA

Brother and Mrs. Stark of Worland, Wyoming, and Mrs. Stark's mother, Mrs. Joy, of San Angelo, and Brother and Mrs. Barnett of Frederick, Okla., were overnight visitors in the L. A. Jones home last week.

Mrs. Loren West and daughters of Abernathy, Mrs. Bobby Peoples and daughter of New Deal, and Mrs. Earl Hood of Shallowater spent the day with Mrs. G. W. Blackmon Tuesday.

Mr. and Mrs. George Gambie and family of Slaton and Mr. and Mrs. W. J. Presley and daughter of Lovington, N. M., visited in the Don Presley home Sunday afternoon.

Mr. and Mrs. Bill Connell of Muleshoe were Sunday visitors in the Jack Connell home.

Mr. and Mrs. Otis Wilson and family of Los Angeles, California, are visiting with the Jack Connell family. Mr. Wilson is a brother of Mrs. Connell.

Bonnie Goodrich, who underwent surgery recently, has recovered nicely. She, Darrell and Terri spent Sunday afternoon with Mr. and Mrs. Mathew Goodrich.

Mr. and Mrs. Marvin Stephens visited in the Otis Pope home in Abernathy Sunday afternoon.

Mr. and Mrs. Don Chastain of Lubbock were supper guests of Mr. and Mrs. Marvin Stephens Monday.

Mrs. Dick Embury, who died in Houston last Thursday, was buried in Abernathy Cemetery Sunday afternoon.

The revival at the County Line Baptist Church was well attended last week.

Mr. and Mrs. Grady Moss of Anton visited in the A. H. Klaffka home Tuesday evening.

as much as he can about the people as well as about grain sorghum. After his travels, he will return to the Easter Community for further work and study there.

Mr. Cracknell stated that he can speak very highly of the Grain Sorghum Producers Association personnel—Messrs. R. G. Peeler of Hereford, Bill Nelson of Amarillo, and Elbert Harp of Abernathy—and that he hasn't felt "lost" anywhere since he arrived here two and one-half months ago.

The agriculturist pointed out that farmers in England do not grow milo, cotton, nor produce the large number of cattle in feed lots, as is done here. He added that he is very impressed by the feed lot operations, especially in the way of liveweight gains in the production of beef cattle.

The farms in England are small and the farmers must utilize all

(Continued on Page 2)

## City's Board Of Equalization Sets July 28 As Meeting Date

The Board of Equalization of the City of Abernathy will meet at 7:30 p. m. Friday, July 28, for the purpose of equalizing taxes for the 1961 tax year, reported city manager Paul Noland.

The Board sat in session Monday and Tuesday, July 17 and 18, to assess new property. All property owners whose assessments have been raised or lowered have been notified by personal letter.

Anyone else who wishes to meet with the Equalization Board to discuss their assessments may also attend the July 28 meeting, Noland stated.

## Church Women 5th Monday Meet Set

The Fifth Monday meeting of Fellowship of Christian Women will be held July 31, at 2:30 p. m. in the Foursquare Church on 14th St. at Ave. E.

The Rev. Homer Goodwin, a missionary on leave from Africa, will be guest speaker.

Women from all churches are invited to attend.

Mrs. M. M. Bell, Reporter

## LUBBOCK WOMAN IN CAR ACCIDENT

Chambers ambulance took Alma Leuty of Lubbock to Hi-Plains Hospital, Hale Center, early Tuesday morning. She sustained bruises and injury to her left arm in a one-car accident on Highway 87

six and one-half miles North of Abernathy. The car she was driving went out of control and turned over after a tire blew out.

Mail News To The Review!

## Sales At Local Firms Announced

Reid Chevrolet and Ward's Men's Store in Abernathy are announcing sales at their respective places of business this week.

Check over the items listed in their ads on other pages of this paper.

Watch for a complete story on Little League and Pony League baseball in next week's Review.

## Local Couple To Host Girl Scouts Tonite

The long-awaited Heritage Trail will arrive in Abernathy today (Thursday). The group of 18 Senior Girl Scouts and two adult leaders has been traveling since June 23 thru the Southwest. Their itinerary has included stops in California, Nevada, Arizona, New Mexico, and Colorado. Their only stop in Texas is to visit Caprock Council which includes 11 counties surrounding Lubbock.

The Scouts are traveling by chartered bus and will arrive in Abernathy at 5 p.m. They will be accompanied here by Mrs. L. L. Beck, Executive Director of Caprock Council, and Miss Susan Furtell, president of the Senior Planning Board.

The visiting scouts will be honored at a brunch in the Lubbock Garden & Arts Center on Thursday morning and all senior Scouts of Caprock Council are invited.

Soon after their arrival in Abernathy the visitors will be taken on a tour of the Abernathy Gin through the courtesy of J. L. Irish. They will also be shown colored slides made of last year's harvest. One of the purposes of their stop in this area is for the visitors to learn about the cotton industry.

Abernathy Girl Scouts and Brownies will be hostesses for a chuckwagon supper at the Dwayne Taylor home. Arrangements are being made by troop leaders and mothers with Mrs. Joe Lovelace, neighborhood chairman, in charge.

Anyone interested in meeting the visiting Scouts is invited to stop by the Dwayne Taylor home before 7:30 and 9 p.m. Informal entertainment on a western theme is being planned and all are welcome to attend.

Girls on the tour are from various cities in the United States and Germany, Canada, and the Philippines. Their names and home towns will be listed in next week's issue of The Review.

## Bowling News

A-1 Lanes Annual Bowling Tournament for Men closed Sunday with a tie for top place in the handicap division. Top teams were A-1 Lanes of Abernathy and Plains White Leasing, Lubbock, each with a 3070.

On the A-1 Lanes team were Keith Shipman, Dale Hansard, Donnie Brown, Bob Redford and Jack Branch. Plains White Leasing team members were Kenneth Wright, C. J. Berutti, Jack Saari, Lowell Caddell and Tubby Reed.

Other teams placing were C. C. Smith Drilling, 3061; Oakwood Lanes, Lubbock, 3027; Gifford-Hill-Western, 2938. High scratch series, out of the money, and Welch Brothers, 1052, high scratch game out of the money.

In the scratch team event, VFW, Abilene, was top with 3013, and A-1 Lanes had a 2990. High game was posted by GHW, 1033.

Luke Barlow, Hobbs, with a 1125, was first in scratch singles, with E. B. Dozier, Lubbock, counting 1109 for second place.

Placing in the singles sweep were Elton Kelley, Big Spring, 1175; Bob McGregor, Midland, 1144; Keith Shipman, Abernathy, 1129; Bill Lookingbill, Hereford, 1123; Floyd Dowder, Lubbock, 1123; E. B. Dozier, Lubbock, 1120; Ed Raue, Lubbock, 1119; Jack Welch, Lubbock, 1074; Gratton Smith, Lubbock, 1071.

In A-1 Lanes' Summer Spectacular, last week's winners were Harold McCune, 243; Christine Lebow, 218; Bill Jack Ingram, 643 series; Christine Lebow, 660 series.

See A-1 Lanes ad on the back page and Lobo Lanes ad on page 7 of this paper.

The Review wants your news.

## Paul Noland Wins Golf Tourney At Local Recreation Center

Paul Noland, Abernathy city manager, last weekend became the City Champion of the Abernathy Recreation Center's Intra-City Golf Tournament, which attracted a number of spectators in addition to the 30 men participants. In the ARC's Ladies Handicap Tourney which was held in conjunction with the men's event, Noland's wife, Billie, captured first place with a net score of 101. There were nine entries in the ladies' tourney, with Jimmie Wilson coming in as second place winner.

Four flights were featured in the men's event, with entrants in each flight being paired for match play. Winners, in addition to Noland, included Pete Wilson, first flight winner, Dwayne Taylor, second flight winner, and Donald Huffaker, third flight champ.

**Championship Flight**  
In the first round of the championship flight, Lloyd Edwards defeated Harold McCune, Ray Pinney, and Curtis Lebow defeated H. P. Gregg.

Edwards and Noland then defeated Pinson and Lebow, respectively, in the winners bracket of the second round of play, while in the consolation bracket Sterling defeated McCune and Gregg won over Sinclair.

Noland then won the third round of play over Edwards and was declared the City Champ. Sterling won the consolation round in the championship flight by defeating Gregg.

**First Flight**  
Participants in the first flight included Jack Hackler, Curtis Davenport, Eddie Guerrant, Lonnie Brownlow, Pete Wilson, Danny F. Ward, and Bill Harrison.

In the first round of play, Hackler defeated Davenport, Guerrant beat Brownlow, Ward won over Harrison, and Wilson drew a bye.

Hackler and Wilson were second-round victors in the winners bracket, defeating Guerrant and Ward, respectively. In the consolation bracket, Davenport won over Brownlow, and Harrison drew a bye.

Wilson defeated Hackler in the third round to capture the First Flight championship, and Davenport downed Harrison for consolation honors.

**Second Flight**  
The second flight was opened with Bobby McAlister defeating Lindell Myatt, Dwayne Taylor winning over Delton Stone, Harvey Lutrick downing Hugh Pettit, and Lewis Lutrick leading over Waydella Hill.

In the second round of play, Taylor defeated McAlister and H. Lutrick downed L. Lutrick in the winners bracket, defeating Myatt and Pettit, respectively.

Taylor won the second flight championship by defeating Harvey Lutrick in the third round of play. Hill downed Stone for consolation honors.

**Third Flight**  
In the first round of play in the third flight, Jack Gullett, Donald Huffaker, and Morris Kerr defeated Sam Williams, J. H. Myatt, and Charles Ray Owens, in that order, while J. D. Beard drew a bye.

The second round was opened with Huffaker defeating Gullett and Kerr winning over Beard in the winners bracket, while Myatt downed Williams and Owens drew a bye, in the lower bracket.

Huffaker emerged victorious as he defeated Kerr for the third flight championship. Myatt defeated Owens in the consolation finals.

**Ladies Event**  
Only two places were given in the Ladies Handicap tourney, with Billie Noland winning with a net score of 101, and Jimmie Wilson coming in second with a net score of 107.

Other participants in this event included Oleta Edwards, Cecil Pettit, Faye Lutrick, Sue Davenport, Juana Hill, Mozelle Owens, and Dorothy Davenport.

## Rec Center Plans Weekend Scotch Foursome Tourney

Abernathy Recreation Center officials announced early this week that a 9-hole "Scotch Foursome" Handicap Tournament will be held Sunday afternoon at the Rec Center golf course.

It was explained that in a Scotch Foursome event, partners, consisting of a man and a woman, will hit the ball every-other stroke. The men who wish to enter the tourney are responsible for getting their partners, it was stated.

A variety of prizes will be offered at the event (but only one prize to a team).

Deadline for entries, and a registration fee of \$2.50 per couple, is Friday afternoon. Curtis Davenport, manager, announced that tee-off time will be posted Saturday at the Rec Center.

## Honored On Birthday

Mr. and Mrs. Douglas Vineyard entertained with a wener roast in Mackenzie Park, Lubbock, Saturday night for their daughter, Jan, on her sixth birthday.

Those attending were Mr. and Mrs. J. H. McGee, Mr. and Mrs. Kenneth Russell, Kenny and Donna, of Plainview, Mr. and Mrs. M. C. McGee, Donnie and Sherry, Mr. and Mrs. H. T. Webb and Steve, Mr. and Mrs. Charles McGee, Ann, Delwin, Mark, Max and Scott of Lubbock, and Mr. and Mrs. Garland McGee, Kay and Brenda, of Hale Center.

TERRY CRACKNELL, an agriculturist from Ipswich, Suffolk, England, spent a few days last week and the weekend prior to that with the Elbert Harp family here. He is the seventeenth foreign person interested in grain sorghum either directly or indirectly, to be a guest in the Harp home since the first of this year. Harp, who resides five and one-half miles north and one mile west of Abernathy on an irrigation farm, is secretary of the Hale County Grain Sorghum Producers Association, which is a direct- in the national organization of GSPA, and plays an important role in the feed grains Market Development Association.

Mr. Cracknell, who came to the U.S. for the main purpose of studying grain sorghum and grain sorghum usage, especially in

mixed feeds for livestock, is here on a six-months tour in conjunction with and through the cooperation and support of the GSPA. The ship on which he had passage docked at Quebec, Canada, May 11, then Cracknell arrived in Hereford, Texas, two days later. He spent the first eight weeks with the Community Grain Company of Hereford. While there his host was Bill Waldrep, manager of the Community Grain Co.

Mr. Cracknell will spend the next four weeks at Kensley, Kansas, where he will be working in a cooperative owned feed mill. He expects to also do some work in California. He stated that with the money which he earns while here, he hopes to be able to visit throughout several states to learn

as much as he can about the people as well as about grain sorghum. After his travels, he will return to the Easter Community for further work and study there.

Mr. Cracknell stated that he can speak very highly of the Grain Sorghum Producers Association personnel—Messrs. R. G. Peeler of Hereford, Bill Nelson of Amarillo, and Elbert Harp of Abernathy—and that he hasn't felt "lost" anywhere since he arrived here two and one-half months ago.

The agriculturist pointed out that farmers in England do not grow milo, cotton, nor produce the large number of cattle in feed lots, as is done here. He added that he is very impressed by the feed lot operations, especially in the way of liveweight gains in the production of beef cattle.

The farms in England are small and the farmers must utilize all

## Agriculturist From England Visited In Area Recently

Terry Cracknell, a well-built, intelligent agriculturist from England, spent a few days last week and the weekend prior to that with the Elbert Harp family here. He is the seventeenth foreign person interested in grain sorghum either directly or indirectly, to be a guest in the Harp home since the first of this year. Harp, who resides five and one-half miles north and one mile west of Abernathy on an irrigation farm, is secretary of the Hale County Grain Sorghum Producers Association, which is a direct-

in the national organization of GSPA, and plays an important role in the feed grains Market Development Association.

Mr. Cracknell, who came to the U.S. for the main purpose of studying grain sorghum and grain sorghum usage, especially in

mixed feeds for livestock, is here on a six-months tour in conjunction with and through the cooperation and support of the GSPA. The ship on which he had passage docked at Quebec, Canada, May 11, then Cracknell arrived in Hereford, Texas, two days later. He spent the first eight weeks with the Community Grain Company of Hereford. While there his host was Bill Waldrep, manager of the Community Grain Co.

Mr. Cracknell will spend the next four weeks at Kensley, Kansas, where he will be working in a cooperative owned feed mill. He expects to also do some work in California. He stated that with the money which he earns while here, he hopes to be able to visit throughout several states to learn

as much as he can about the people as well as about grain sorghum. After his travels, he will return to the Easter Community for further work and study there.

Mr. Cracknell stated that he can speak very highly of the Grain Sorghum Producers Association personnel—Messrs. R. G. Peeler of Hereford, Bill Nelson of Amarillo, and Elbert Harp of Abernathy—and that he hasn't felt "lost" anywhere since he arrived here two and one-half months ago.

The agriculturist pointed out that farmers in England do not grow milo, cotton, nor produce the large number of cattle in feed lots, as is done here. He added that he is very impressed by the feed lot operations, especially in the way of liveweight gains in the production of beef cattle.

The farms in England are small and the farmers must utilize all

the land they can. Manual labor is used quite extensively, although the growing trend is to use more machinery. Mr. Cracknell stated that they have the machinery but it is cheaper to use manual labor. Irrigation is not prominent in England, as they are more concerned with drainage. However, some irrigating is done from streams, spray guns, or overhead irrigation systems.

The Englishman has found many things quite different in the U.S. than what they are in his native country. The people here drive on the left side of the road, our cars are much larger, and our policemen carry fire-arms. In England, gasoline costs about 80 cents per gallon (of which about 40 cents is tax), they have a different vocabulary of certain words, and they have a much more formal approach to their work and their clothes. Mr. Cracknell stated that it appears that many things which are luxuries to the people in England are considered necessities to the American people. He listed the following examples: two car family, air conditioners, dish washers, etc.

**Background**  
 Mr. Cracknell is employed in Ipswich, England, by Messrs. R. and W. Paul, Ltd., manufacturers of animal feeds and feedstuffs and specialists in malting barley and flake maize.

Ipswich, in the state of Suffolk, is located about 78 miles east of London. It is a harbor town of about 120,000 population. It is in the center of the wheat and barley growing district and boasts several large agricultural centers.

Mr. Cracknell's parents and brother live in Ipswich, where the elder Mr. Cracknell is a Finance Officer of the Suffolk hospitals. His brother, 17, who just finished high school, is now studying the automobile business.

The agriculturist attended primary school at Lincoln, England, and at March, in the Isle of Ely. His family then moved to Ipswich, where he attended a school founded in 1299 A.D., until he was 18.

On leaving school in 1955, he worked for six months for Messrs. R. and W. Paul, Ltd. Beginning in June, 1956, and for 18 months thereafter, Cracknell had to do some practical work on a private farm before being accepted by the Seale Hayne Agricultural College at Newton, Devon County, England. The farm on which he worked is owned by Sir Clavering Fison, Chairman of Fison's Fertilizer and Agrochemicals. He then completed a two-year course in agriculture, which he started in 1957.

After leaving college, he resumed his work with the R. and W. Paul company, and for the past 18 months he has been visiting smallholders on Ministry Estates placed throughout England.

Jim Paul, president of the feed manufacturing company, and Wylie Gibson, chief technical advisor, visited here two years ago, and according to Cracknell were very impressed by the information they gained about grain sorghum and grain sorghum usage.

By Cracknell's request, Paul and Gibson contacted the American Embassy, which in turn contacted R. G. Peeler of Hereford and Bill Nelson, executive secretary of the GSPA, of Amarillo. Nelson and Peeler then contacted Bill Waldrep at Community Grain Company and Cracknell's trip was arranged.

Elbert Harp pointed out last week that England continues to be one of the United States' largest grain sorghum customers. He added, however, that some manufacturers in England still feel that there is something wrong with grain sorghum, but through programs such as the one being carried out by the GSPA and Mr. Cracknell, he feels that this problem will eventually be overcome.

Mr. Cracknell stated that through the knowledge he has gained about what proportions of grain sorghum can be used in mixed feeds, he feels more confident that he can go home, and knowing what can be done, can urge the use of more grain sorghum in mixed feeds for livestock.

**Young People**  
 In discussing some of the differences of the two countries, Mr. Cracknell stated that the young people in England feel that it is a good thing to get married, but he feels they marry too soon. He stated that he wouldn't have missed the past five years of his life for anything, and added that had he been a married man, he could not have made the trip to the United States, for financial reasons.

According to Mr. Cracknell, people are not considered properly experienced and they lack the proper verve for the more difficult problems of life, until they have reached the age of 45. In other words, to use the phrase common to Americans, in England a man isn't "dry behind the ears" until he is 45.

**Outstanding Athlete**  
 Mr. Cracknell enjoys all sports, and apparently is very skilled as he was awarded the Governor's Challenge Cup for the Best All-Around Sportsman of the Year in 1957. He demonstrated his skill again in 1958 when he won a Car Rally. In school, Cracknell participated in such sports as rugby, cricket, hockey, squash, and also took part in boxing and swimming. At the state school he played on the first team in both rugby and cricket, the two main sports for boys in England.

furnish Performance and Payment Bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid. The Owner reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the City's interest.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposal forms, plans and specifications are on file at the office of Paul D. Noland, City Manager, Abernathy Texas, and Parkhill, Smith and Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas.

Copies of Plans and Specifications may be secured from Parkhill, Smith and Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas.

**Barking Dogs Bite Into Night's Rest**

(By O. F. Rea)

We frequently see an article in various magazines suggesting things to invent. Now we have in mind an invention, which, if brought to perfection in its effectiveness would enjoy unlimited popularity among a large number of people in thousands of communities which are now suffering because of the lack of quiet during sleeping hours, especially from 11:30 p.m. to about 6:00 a.m.

What is badly needed is an effective barking dog silencer. One lonesome dog will bark and in a matter of seconds the din has reached epidemic proportions, waking two thirds of the sleepers in the neighborhood. After several minutes there will be a short time of quiet and most of us will have gone back to sleep, then comes another outbreak and more loss of much wanted sleep. You may go out and throw rocks at the dogs nearest to you but this gives little general effect.

Won't some of you inventive minds get to work on this now? We might suggest that dog collars and license have not as yet been effective.

**Legal Notice**

**NOTICE TO BIDDERS**

Sealed proposals addressed to the Honorable Mayor and City Council of Abernathy, Texas, will be received at the office of Paul D. Noland, City Manager, City Hall, Abernathy, Texas until 7:30 P. M., August 7, 1961, for furnishing all necessary materials, machinery, equipment, superintendence and labor for seal coating approximately 19,960 square yards of asphalt street surfacing and other incidental items of work for the City of Abernathy, Texas. (Approximately 11 blocks).

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Abernathy, Texas, in an amount not less than five percent (5%) of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bonds and guaranty in ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

## ... Foreign Exchange Student

(Continued from Page 1)

nique to go into a world, which is closed to the normal nature of man for every time.

I still have a sister and a brother. Both are older than I. My sister works as an office clerk in the school of our father. She is 19 years old, has black hair and brown eyes. We understand and love each other very much.

My brother is 17 years old, black hair about 1.85 m high (about 6'1"). He wants to become a driving teacher and is working as a practicum at Opel-works (General Motors).

**My Daily Life is the following:**  
I get up about 6 o'clock. From eight o'clock to 12:15 o'clock a.m., I have school. After dinner I sit down for doing my homework. Then my friend comes to me and we go swimming, or we make a trip through the city with our bicycles. When we are at home we sometimes look at the television programme or we go to the musical club where we are members and play guitar. Then we go to bed.

The reasons why I want to go to America:

The first thing is:  
As I am interested as an active member in rocket construction, it is clear I try to read all about

the affords of the American people and the real successes which the American explorers have had. I would like not only to read about it, but to see and hear what the American youth does and has done for the development of rocket constructions. If it were possible I would like to meet friends on that subject. I admire those people, who are real pioneers and who built up such a great power I never heard before.

The second is, I want to get a knowledge about the social life in America, for instance how the scholarships in the U. S. A. are regulated, or how the American boys and girls live today in school and at home and what rights they have and how they use them.

And the third is, I want to know where and why the traditional democracy is different from that in Germany.

If I return from America I will tell everything I have seen to every person who is interested in the United States.

And I am sure all my friends and comrades are already very interested in these things. I had to pass, if I could go to America, and I will tell them freely what I have seen and what I think about it.

/s/ Dirk Engel

# Young Engel Is Highly Recommended

Following are recommendations written by two of Dirk's teachers in Schweinfurt Alexander-von-Humboldt High School, and one written by, apparently, a close friend of the family.

The family Engel and the applicant Dirk Engel are known to me since over seven years.

Dirk Engel has good parents, and he himself always good relations to all family members. He is an obedient son who does not only his duty for school and parents, but who likes to perform his personal ideas (diving sport, experiments with rockets). His parents allow (him) to do so, and that may show that he is on the best way to become a personality. His parents support him as much as possible.

Dirk likes modern life, but is intelligent enough to pick out what suits him. You can feel that he wants to get as many impressions of the modern world as he can find. He is interested in sports and technical science, and he wants to get more knowledge in these subjects.

His school fellows like him and he prefers a compromise and an arrangement to quarrels.

I think that a stay of one year in the United States would give him a furthering of his life and a finding of the real values of human understanding between the two nations. I am convinced that the applicant would like to tell his experiences, his new knowledge, and his events after returning home to all those who could not go over to the United States so that they may also (get)

### Nat'l Farm Safety Week Gains Support

A concerted effort to decrease the alarming number of accidental deaths and disabling injuries occurring each year to farm and ranch residents has been urged by national and state safety and agricultural officials.

Good safety practices have been pinpointed as an integral part of National Safety Week being observed July 23-29. It is sponsored nationally by the National Safety Council and the U.S. Department of Agriculture, and is supported by the 36 Production Credit Associations of Texas, owned and operated by more than 30,000 of the state's farmers, ranchers and dairymen.

National Safety Council figures show that approximately 24,000 farmers and ranchers died in 1959 due to accidents. Another 2,000,000 received disabling injuries. "Statistics show that one of every seven persons killed in motor vehicle accidents is a farm resident," pointed out Olan Alexander, general manager of the Plainview Production Credit Association. "Three-fourths of all deaths from motor vehicle injuries result from accidents on rural roads."

There are approximately 1,000 persons killed each year in farm tractor accidents, he said. Non-fatal tractor accidents total 45,000 each year.

"Every farm and ranch resident is urged to practice good safety procedures while driving, at his work and around the home," he said, "to help in the effort to reduce the rising accidental deaths and disabling injury toll."

The Plainview Production Credit Association provides short and intermediate term agricultural loans for its stockholders - borrowers in Parmer, Castro, Swisher, Bailey, Lamb, Hall, Floyd, and western Briscoe Counties.

Central office is located in Plainview, with field offices in Muleshoe, Littlefield, Floydada, Dimmitt, Tulia, and Silvertown.

Abernathy area . . . the best place in the world to live.

an impression of the advantages of traveling and learning there.

I think the best would be to let him stay in the family of a marine engineer, for it would combine his school duties with his private interests.

Eduard Hoffmann  
Occupation: Rechtsanwalt

The above mentioned applicant is a pupil of Schweinfurt Alexander-von-Humboldt High School. His knowledge of British English is sufficient for an understanding of simple phrases and a common conversation.

Dirk Engel is known to me as a quite, but attentive young boy who is not only interested in his school subjects, but also in some activities during his free time which seem to form his character for the future. He is (a) member

of a rocket amateur club, and he likes diving and music.

His parents are interested in his education and they want to give their boy all opportunities to form his ideas of public relation and contact.

Dirk Engel had a hard youth because his family are refugees of the eastern part of Germany. So he is interested in social problems as well.

Heribert Peter Baumler  
Occupation: Fachstudienrat

Dirk Engel is a reliable, intelligent boy, always interested and ready to help. Although working hard in their firm, (one of Schweinfurt's largest driving schools), his parents are able to give him a good education and to further him in every respect. Dirk is a relatively independent boy, a good

comrade, and exerts a good influence upon his comrades. His hobbies are rocket research and travelling; he has made several journeys abroad (Greece, Turkey, and other countries).

Dirk is polite, has good manners, and will easily be able to adapt himself to the conditions and customs in America.

Wilhelm Rohm  
Occupation: Studienrat

# PROGRESSIVE BUSINESS AND CIVIC MINDED PEOPLE OF PLAINVIEW AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Plainview who helped make this department possible is sincerely appreciated.

## O. P. LINDLEY

There are many men in their chosen fields who have gained recognition for the progressive manner in which they have conducted their business and accepted their civic responsibilities but who will not permit much to be said of their achievements.

Such citizens we should include O. P. Lindley of Lindley's Reliable Pharmacy, for he is a man who has always done his work effectively, even though it has been accomplished in an unobtrusive manner.

Mr. Lindley, busy as he is, always manages somehow or other to do his bit in any movement calculated to benefit the community as a whole. His modesty however, will not permit him to say the things about himself which are said by his friends, who do so because of a personal knowledge of his activities.

We do not hesitate to recommend O. P. Lindley to our readers as a citizen who continues at all times to work to the advantage of the people of this entire district.

## JACK HOLLAND

Jack Holland of the Plainview Body Works has a well earned reputation for progressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable.

This invariable policy has made the Plainview Body Works outstanding in its field, a fact that is well known to the public throughout this entire area.

But Mr. Holland has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Jack Holland the credit for his accomplishments which his friends and associates have so long accorded him.

## MRS. J. C. CALLAHAN

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. Plainview has its share of these progressive and civic-minded people, and one who is deserving of recognition is Mrs. J. C. Callahan of Slim's Farm Supply.

Her business ability, coupled with a sense of obligation to her many satisfied customers have been major factors in maintaining Slim's Farm Supply in a position of leadership throughout this entire area. She not only in her business activities but also in her attention to civic duty, assumed an active part in community affairs.

Mrs. Callahan has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Mrs. Callahan on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

## JERRY CAYLOR

It is a privilege in this Plainview review of progressive men and firms that have been such a great aid to the growth and development of this section of Texas, to place such a man as Jerry Caylor of the Caylor Auto Supply on an equal plane with all others in this rank. In the past few years he has exceeded his contributions of their time and energy to the onward progress of Plainview and the surrounding country.

Mr. Caylor is recognized as one of the more dependable automotive supply and equipment dealers in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflects the principles which he has always so successfully applied to his business affairs.

We congratulate Jerry Caylor on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

## R. L. "BOB" KERNELL

R. L. "Bob" Kernell of the Clearview Garage is one of those progressive business men who has always done his bit to maintain the prestige of the city of Plainview as the leading trading center for this section of Texas. He has always worked for the development of the city, and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, mechanical skill and business ability which has elevated Mr. Kernell to a position of leadership in the automotive repair and maintenance business. He is completely aware of his civic responsibilities, and is wide awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment "Bob" Kernell on his accomplishments, and we wish for him continued success.

## JAMES M. KIMBLE

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is James M. Kimble of the Kimble Roofing Service, who well deserves the reputation he has earned for being one of Plainview's more progressive business men.

His thorough knowledge of everything pertaining to the roofing contracting business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Moreover, such experience as Mr. Kimble has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance.

Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including James Kimble in this group of dependable and civic-minded men who are actively taking part in the evolution of the business and commercial life of Plainview.

DAVID H. STOWE

David H. Stowe, the manager of the Hale County Gin Incorporated, has won the universal respect and good will of the people of Plainview and the surrounding country for the progressive manner in which he has kept the gin in the forefront of the business and commercial life of this entire district.

Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Stowe is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after, and listened to with respect.

We compliment David Stowe for the successful management of the Hale County Gin, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

LEE PAYNE

It is appropriate that we include in this review of progressive Plainview business men Lee Payne, whose agency is located at 118 East 5th, a well known real estate man of the city who is recognized authority on all city, ranch and farm real estate values. Furthermore, he not only has the reputation of being progressive, but also the added one of being a willing supporter of many community affairs.

Aside from his business activities, Mr. Payne has always shown an interest in the civic betterment and progress of the city, and he has backed up his interest by his contributions to many projects which have benefited the city and the surrounding area.

His help along these lines has made of Lee Payne a fine example of the kind of man we all appreciate. We congratulate and extend to him on behalf of all citizens interested in better business and civic progress, sincere appreciation for his contributions to the general welfare of Plainview and this section of the South Plains.

DELTON WAGGONER And JOE SETTLE

In paying tribute to some of the more progressive business men of Plainview, we would be remiss in our duty should we fail to include Delton Waggoner and Joe Settle of Delton & Joe's Garage, whose business ability is no greater than the "know-how" and mechanical skill which has contributed to their well-earned success in the automotive repair and maintenance business.

They have also contributed generously to the welfare of their city and the community for many miles around, and their civic spirit is evidenced by the many services which they have performed, and will continue to perform in the interest of the people as a whole.

Mr. Waggoner and Mr. Settle are men of wide acquaintance, whose many friends admire and respect in them those virtues which inspire confidence and promote good feeling. Their upright business methods are a credit to their inherent sense of fair play.

We congratulate Joe Settle and Delton Waggoner on their splendid record of service, and we trust they shall continue to assist us for many years to come.

JOHNNIE BALLEW

Plainview owes much to those progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make the business center for this section. In mentioning some of these men, it is only fair to include Johnnie D. Ballew of Johnnie's Appliance Repair Service, whose outstanding knowledge of the electrical appliance repair and maintenance business, backed up by his many years of experience, has brought him to the forefront in his particular field.

## LEE B. CARTER

It is a well known fact that a man's true character must come through in his work; whether in business or professional activities or in public life. So when a man conducts himself in such a manner as to cause the public to recognize in him certain qualities, over and above the average, he is deserving of a few words of praise. Such a personality is Lee B. Carter, well known and completely reliable building contractor, and representing Carter Storm Doors & Windows, a leader in the business and civic life of Plainview.

In addition to being one of the city's more progressive business men, Mr. Carter was never a man to shirk his civic duties. More than that, he enters cheerfully and with enthusiasm and optimism into those civic affairs in which he has time to take a part, and seldom does he fail to find time to do his share.

Lee Carter deserves his share of credit for being one of those dependable citizens of Plainview who has contributed so substantially to the onward progress of the city. It is a pleasure to include him in this group.

T. A. "DOC" GARNER

Recognized as an authority on all electrical contracting problems, T. A. "Doc" Garner of Doc's Electric, has turned his knowledge to the advantage of the people of Plainview and vicinity. More than that, Mr. Garner is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole.

Plainview owes much to such men for their part in making the city the business center of this area. He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, "Doc" Garner has become accepted as a progressive business man who is an asset to both the business and commercial life of the city, and we trust he will continue to serve the people of Plainview and the surrounding area in his present capacity for many years.

J. D. WOOD

Every progressive and successful business man in Plainview contributes in some manner to the growth and progress of the city, and a man who is always willing to do his part in both business and civic activities is J. D. Wood, District Manager of the National Alfalfa Dehydrating & Milling Company, who is well known and has many friends and business associates throughout this entire district.

The prominent part that the National Alfalfa Dehydrating & Milling Company is playing in the business and industrial life of Plainview and vicinity mirrors the progressiveness and ability of such men as he. Moreover, Mr. Wood has also at all times been steadfast in his devotion to the city, and the surrounding area, and on many occasions has lent his support to the successful promotion of meritorious civic projects.

Plainview and this district are fortunate to have such a man as J. D. Wood in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more progressive business men.

JIM W. GAEDE

Because this is a period of growth and expansion for Plainview, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Jim W. Gaede of the Jim Gaede Oil Company, wholesale distributor in this area for Col-Tex Petroleum Products, for he has become a well known figure in the business and commercial life of this district.

Mr. Gaede's persistent optimism and steadfast belief in the continued prosperity of the people of Plainview and vicinity are characteristic which are deserving of our highest praise.

Jim Gaede has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

D. E. "SHORTY" GRAHAM

In bestowing credit upon some of those progressive business men of Plainview, who in one way or another have contributed their bit to improve both business and civic conditions, we wish to publish a few words about D. E. "Shorty" Graham of the High School Texaco Service.

Mr. Graham has set a standard for himself, and the operation of his business under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Texaco station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

"Shorty" Graham is also civic-minded and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend his able assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

## RONALD MORRIS

In singling out some of the more progressive business men of Plainview, we would be censored should we fail to include Ronald Morris of the Plainview Acid Delinting Company, for he is a man who has never spared himself in his participation in both the business and commercial activities of the city.

Mr. Morris has always been conscious of his civic responsibilities, and is ever ready and willing to meet in every detail those opportunities which come to his attention to further civic enterprise. He may well be proud of his achievements along these lines.

Ronald Morris deserves a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a friendly and likeable personality, whose sincere desire to be of service has gained for him a host of friends and business associates in and around Plainview who would, if given the opportunity, join us in wishing him many more years of continued success.

PAUL SPARKMAN

Recognized as one of the more progressive business men of Plainview, Paul Sparkman of The Book & Gift Shop, authorized dealer for Old Master Liquare, who offers free demonstrations for this revolutionary process, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns.

His success has been achieved, in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has, and continues to build up good will for The Book & Gift Shop throughout this entire district.

Mr. Sparkman is deserving of praise, and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate Paul Sparkman on his splendid record, and trust he shall continue to serve the people of Plainview and vicinity.

J. N. KELLY

J. N. Kelly, who just a short time ago assumed the operation and management of the Plains Plastic Pipe Incorporated in Plainview, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new endeavor, and to conduct his affairs accordingly.

Although he has been managing the business for a comparatively short time, he has already made many new friends and satisfied customers for the Plains Plastic Pipe Incorporated.

Mr. Kelly is an active energetic man, whose sincere and friendly personality and desire to be of service, is rapidly earning a place for him in this district. He has always taken an interest in community activities, and in due course of time will assume his full share of civic responsibilities.

J. N. Kelly deserves a word of praise for having so quickly established himself in his new venture, and we are glad to give him this brief mention.

J. J. "ANDY" ANDERSON

We wish in this edition to pay tribute to J. J. "Andy" Anderson of the Plainview Fence Company. We wish to appreciate the obligations and responsibilities of his new endeavor, and to conduct his affairs accordingly.

Although he has been managing the business for a comparatively short time, he has already made many new friends and satisfied customers for the Plains Plastic Pipe Incorporated.

Mr. Kelly is an active energetic man, whose sincere and friendly personality and desire to be of service, is rapidly earning a place for him in this district. He has always taken an interest in community activities, and in due course of time will assume his full share of civic responsibilities.

J. N. Kelly deserves a word of praise for having so quickly established himself in his new venture, and we are glad to give him this brief mention.

J. J. "ANDY" ANDERSON

## HAZEL WELCH

We desire in this Plainview review to call the attention of our readers to the well-earned position which Hazel Welch has reached in the business life of this section. During the comparatively short time she has been the manager of the Harvey Bass Sewing Center, formerly Allen's Necchi-Elina Sewing Center, located at 109 West 5th Street, she has made many personal friends as well as having earned the good will of her associates for the straight-forward manner in which she has conducted her business affairs.

Mrs. Welch is working hard to deserve the confidence which the people of the community have in her, and she continues to work hard to maintain in every way, that high standard which she has set, not only for herself, but for the operation and management of the Harvey Bass Sewing Center as well.

She has also shown a willingness to assist in every manner in her disposal in the growth and development of Plainview, and is always ready to lend her support to civic projects. Hazel Welch deserves our heartiest congratulations on the splendid record she has already established, and we sincerely hope for her continued success.

JOHN PHILLIPS

A drive in restaurant operator of Plainview who has based his success upon the belief that the public will appreciate good food, well prepared and appetizingly served is John Phillips of Eddie's Drive Inn, whose many friends and customers by their daily patronage of his popular eating place, attest to the soundness of his policy.

It is not only because of the successful management of his business that Mr. Phillips has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of Plainview and the people as a whole.

He is another of those men who has shown appreciation for his success by a willingness to contribute of his time and energy to the promotion of community projects.

It is such men as John Phillips whom we are privileged to include in this review, and to publicly give him due credit for his success in business and civic affairs.

GLEN W. TULLIS

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement the man we have in mind is one of Plainview's more dependable new and used auto and truck parts, and used car dealers, Glen W. Tullis of the West Fifth Street Working Company, who has a wide circle of personal friends and customers scattered throughout this entire district—many of whom reside in our own community.

His contagious optimism and freely expressed belief in the assured future prosperity of the people of Plainview and its metropolitan trading area, are characteristics which are to be appreciated in a progressive business man. He has always taken an interest in community affairs, and has shown a willingness to shoulder his share of the civic load.

It is such men as Glen Tullis who, because of the successful conduct of their business and private affairs, and their willingness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay him this brief, but sincere tribute.

RUFUS B. BRADFORD

One of the more dependable business men of Plainview, and a man who deserves the respect and good will of a great many residents of the city is capable, friendly, Rufus B. Bradford of Bradford Welding Service, whose wide knowledge and long experience in the custom built steel building business has raised him into a position of prominence in his line.

It is because of this that Bradford Welding Service has earned a reputation for reliability—second to none.

Mr. Bradford is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire area. And the people of Plainview may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to Rufus Bradford as a progressive business man of whom we may be proud. His devotion to the city has been constant, and his achievement well merited. We wish for him further success.

JIM REINKEN

There are a number of business and professional men in Plainview who have gained recognition for their progressiveness, and a well-known name in this category is Jim Reinken, representing the Equitable Life Assurance Society of U. S., whose fair dealings with many of our readers has earned for him a host of friends and policy holders throughout this area. He is well established in the

many in number to be described here. It may be sufficient to say that we consider "Andy" Anderson an asset to the community, and a progressive business man of whom his city may be proud.

## FRANK L. RAMSEY

In compiling this review of progressive Plainview business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and commercial life of this district.

Such a man is Frank L. Ramsey, the manager of Hale County Concrete Company, and Plainview Ready Mix Concrete Company, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. Ramsey has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Frank Ramsey, and to point out to our readers that his sincere desire to be of service coupled with his aggressive methods are largely responsible for the standing of the Plainview Ready Mix Concrete Company, and Hale County Concrete Company throughout this entire area.

GENE HENDERSON

Generally speaking, civic pride is one of those things that goes hand-in-hand with success, because a man must have been successful to fully appreciate the advantages that were afforded to him by the community in which he lives.

Gene Henderson of the Henderson Brothers Ambulance Service, is one of those progressive business men of Plainview who has shown his appreciation for his success by his attention to civic matters. His willingness to become a cog in the wheels of our community progress whenever united effort is needed to put over some movement or project advanced for the good of the city, has always been taken for granted.

Mr. Henderson's quiet assumption of responsibility, not only in connection with his own business, but in regard to other matters as well, has often lent a feeling of confidence to others interested in the same movements.

In complimenting Gene Henderson upon his high standing in the community, we do no more than express the admiration and respect of his many friends and associates.

And the people of Plainview may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to Rufus Bradford as a progressive business man of whom we may be proud. His devotion to the city has been constant, and his achievement well merited. We wish for him further success.

JIM REINKEN

There are a number of business and professional men in Plainview who have gained recognition for their progressiveness, and a well-known name in this category is Jim Reinken, representing the Equitable Life Assurance Society of U. S., whose fair dealings with many of our readers has earned for him a host of friends and policy holders throughout this area. He is well established in the

forefront of the business and civic life of the city. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his outstanding success.

In addition to his insurance activities, Mr. Reinken has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, Plainview is firmly established in the minds of the people as the logical trading center for this section of the Lone Star State.

We congratulate Jim Reinken for his success in business and civic affairs, and trust that he will continue for many years to enjoy that success which he has so justly earned.

FRANK L. RAMSEY

### TALK — In Print

If Waymon Jones ever in his life has complained about being skinny, I'll bet he'll never do it again. That may have been the margin between life and death for him Thursday when a link broke in a chain hoist and let a large industrial engine fall from a pick-up truck at Reid Chevrolet, where he is employed. The protruding manifold assembly of the engine was all that held the entire weight of the unit off him when it fell. Waymon came out of the near-tragedy with four broken teeth, lacerations and abrasions. Receiving lesser injuries were Charles Nelson and Joe Tom Brown.

Weeds are taking vacant lots in Abernathy, causing unsightly appearance and creating a health menace. Some of the non-drainable spots in town also are a health threat.

Received a letter Sunday addressed to "Any Newspaper, Ab-

ernathy, Texas." on stationery of the City of Grand Junction, Colorado, Judge of The Municipal Court. If the letter is not a prank or hoax, the Abernathy man mentioned should get in touch with them concerning a 'speeding' ticket which he allegedly received in that city.

This column in the past has had considerable to say about the responsibility of television in showing a steady viewing diet of violence. The wire services and the big daily newspapers joined TV in irresponsible acts last week. They let a man, who apparently is, or has been, mentally ill, hoax them into reviving the New London school disaster story. That may be big city news reporting, but I believe the man's condition should have indicated to the hot shot reporters the possibility that his story was a hoax. Reviving the story under such circumstances was unnecessarily cruel to the families of the New London victims.

### Legal Notice

AN ORDINANCE DETERMINING THE NECESSITY FOR IMPROVEMENT OF CERTAIN STREETS IN THE CITY OF ABERNATHY; NOTIFYING THE ABUTTING PROPERTY OWNERS AND INTERESTED PERSONS OF THE INTENT TO IMPROVE SAID STREETS IN THE CITY OF ABERNATHY; SETTING A TIME AND PLACE WHEREBY THE ABUTTING PROPERTY OWNERS AND INTERESTED PERSONS MAY APPEAR BEFORE THE CITY COUNCIL ON MATTERS RELATING TO SAID STREET IMPROVEMENTS; REQUIRING THE CITY ENGINEER TO PREPARE AND FILE COMPLETE SPECIFICATIONS AND PLANS FOR THE PROPOSED IMPROVEMENTS; REPEALING ORDINANCE NUMBER 119; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ABERNATHY, TEXAS:

Section 1. That a necessity exists for the permanent improvement of those certain portions of public streets hereinafter listed, by excavating, grading and paving the same, by the installation of drainage facilities therein, and by the construction of curbs and gutters where adequate curbs and gutters are not now in place, and such improvements are hereby ordered, and the portions of public streets to be so improved being designed and defined as follows:

On 6th Street from the east property right of way line of U. S. Highway 87 (now under construction) 150 feet eastward to the west right of way line of the north-south alley on 6th Street.

The estimated amount per front foot proposed to be assessed against the owner or owners of abutting property shall be \$4.28. The estimated total cost of the improvements for said street shall be \$1,284.

On Avenue F from 5th Street to the intersection at 6th Street.

The estimated amount per front foot proposed to be assessed against the owner or owners of abutting property shall be \$4.28. The estimated total cost of the improvements for said street shall be \$3,286.93.

East-West alley in Block 118, starting at the West curb line of Avenue C, and continuing West 160 feet to the Southwest corner of Lot 21.

The estimated amount per front foot proposed to be assessed against the owner or owners of abutting property shall be \$1.44. The estimated total cost of the improvements for said street shall be \$231.00.

On 16th Street from the East right of way line of U. S. High-

way 87 (under construction) to the East right of way line of Texas Avenue.

The estimated amount per front foot proposed to be assessed against the owner or owners of abutting property shall be \$4.28, which is the same amount to be assessed for all railroad crossings. The estimated total cost of the improvements for said street shall be \$5,739.51.

On 11th Street from the East right of way line of U. S. Highway 87 (under construction) to the East right of way line of Texas Avenue.

The estimated amount per front foot proposed to be assessed against the owner or owners of abutting property shall be \$4.28, which is the same amount to be assessed for all railroad crossings. The estimated total cost of the improvements for said street shall be \$5,432.58.

Section 2. The property owners of the above streets are hereby notified of the intent of the City of Abernathy to order the improvement of the said streets and are given notice that the City Council of the City shall meet in the City Hall at 8 o'clock p. m. Monday, July 24, 1961, to allow property owners and interested persons to appear before the City Council on matters pertaining to the above mentioned street improvements.

Section 3. The City Engineer is hereby directed to prepare forthwith and file with the City Council complete plans and specifications for the proposed improvements, together with an estimate of the cost of such improvements, and a written statement

The 7th annual Range Camp for 4-H and FFA boys will be held at the Texas A&M College Adjunct, July 30-August 5. Thirty outstanding boys from every section of the state will attend the

which shall contain the name of persons, firms, corporations and estates owning property abutting upon said street said statement to have the number of front feet owned by each and described by lot or block number, or in any manner sufficient to identify it.

Section 4. Ordinance Number 119, passed by the City Council on the 1st day of May, A. D., 1961, is hereby repealed.

Section 5. The fact that the above streets are in bad condition and should be improved immediately creates a public emergency requiring this ordinance be passed finally on this date, foregoing the rule of three readings, and shall take effect immediately.

Passed and Approved this the 19th day of June, A. D., 1961.

APPROVED: W. V. Cunningham Mayor

ATTEST: Otelia Clement City Clerk

I, Otelia Clement, City Clerk of the City of Abernathy do hereby certify that the above and foregoing is a true and correct copy of Ordinance No. 123, as the same appears upon the Minutes of the City Council.

Witness My Hand and Official Seal This 20th day of June, A. D., 1961.

### TALK —In Print

(Continued From Page Six)

Residents of State Senator Preston Smith's district, which includes Lubbock County, and his other friends will be interested to learn that he is expected to serve as Governor of Texas for one day, Friday, August 4. Gov. Price Daniel and Lt. Gov. Ben Ramsey will be out of the State that day. As Senate president pro tempore of the special session of the Texas Legislature, Senator Smith is third in line to occupy the office of governor, and he will serve in that

office for the day that both of the top men are out of Texas. Senator Smith extends an invitation to his friends to visit him in the governor's office in the capitol building August 4.

—tip—  
One of my favorite daily columns is the page one, column one "This Is West Texas," by George Dolan, in the Fort Worth Star-Telegram. Dolan makes no effort to be profound, or to solve the problems of the state, nation and the world. His column is about people, some you know and others you'd like to know.

—tip—  
Add "things I'd like to do" . . . someday: Go to Roscoe, Texas.

and talk to the men who operate the Roscoe, Snyder & Pacific railroad. The 30-mile line that runs between Snyder and Roscoe connects with the Santa Fe at Snyder and the Texas & Pacific at Roscoe. The line is unique in the history of railroading in this country, and has received much publicity over the nation. The line has three engines, two modern Electro-Motive switchers in active use and a 2-6-2 steam locomotive held in reserve. It would be worth a trip to Roscoe to see the steam locomotive in action.

—tip—  
Abernathy's Santa Fe agent, C. L. Adams, has art as a hobby. His paintings appeal to me, and I am paying on one. It's an Abernathy street scene looking west at sunset from the depot. This painting, and other work by Mr. Adams, was displayed in the art exhibit recently. Making the rounds of the exhibit with Paul Noland, I expressed the desire to buy a steam train locomotive painting by Mr. Adams. "I am buying it," Noland, who comes from a railroading family, informed me.

—tip—  
Claiming no formal knowledge of art, but knowing what I like or dislike in that line, my judgment is that Abernathy has some good artists. I attended the art exhibit in the city hall clubroom quite by accident, wandering into that room while waiting to see the city manager. The exhibit made me as proud as punch of the talent of our people here. In fact, it was an agreeable surprise to discover so many accomplished artists in our community. Many of the displays were by teenagers and children, who show great promise in that field.

If you missed the exhibit a few weeks ago, try to make the next one. The Review will cooperate, as we did before, in publicizing the next show date in advance.

—tip—  
Abernathy has another artist whose talent for entertaining has been used at a number of local gatherings the past few months. He is Jay Johnson, young son of Supt. and Mrs. Noel Johnson. His ventriloquist act has been in demand for programs here. More about Jay later.

While we are taking stock of the accomplishments of our young people, let's give a big round of applause for the teenagers who have presented the program on communism here a number of times. The group, sponsored by Mrs. Juana Hill, earlier this month gave the program at Burnett's First Baptist Church.

—tip—  
Abernathy area can be proud of the talent of its teenagers and young people in art, music, vocal music, athletics and in other endeavors. They can take over and conduct the various phases of work in their churches, doing this during Youth Week.

By and large, this community has a pretty good bunch of people in that age group. We'd be unrealistic and naive to tag all of them as angels, and it would be unfair to brand the whole group

as little devils because of the antics of a very small number. I have no direct "informer" line into their crowd, but I know fairly close what goes on in our teenage community.

—tip—  
After hearing a charge against teenagers on manners and courtesy, I began observing them . . . and their elders. I saw a boy of about 15, during the rush lunch period from school, hold the post office door for an elderly man to enter.

As an act of common courtesy, and without knocking myself out to do it, I held the door of a local business open for a young teenage couple, who responded with a polite "thank you." A few days later I held the same door, under the same circumstances, for two women carrying something in their hands. They didn't say kiss my foot, go to thunder or anything that sounded like a "thank you." All four of the persons are strangers to me.

—tip—  
The Paul Harrals of Abernathy and Bob and Emma Mayo of Levelland are opening their new bowling place in Levelland Tuesday August 1. Named LOBO LANES, it is located at 1308 Brownfield Highway, and features Brunswick automatic equipment on 16 lanes. The Harrals, owners of A-1 Lanes in Abernathy, invite their friends to attend the opening.

Paul says there may be some pre-opening bowling at Lobo Lanes this weekend. Check this at A-1 if you want to try the Lobo bowling place before the Tuesday opening.

In the planning for improvements at A-1 Lanes is removal of the posts out front. They will be replaced by concrete curbs and islands. The State Highway Department requires some kind of separation between the parking area and the highway, and the specified exit and entrance ways.

—tip—  
The Review this week welcomes a new advertiser, American Tobacco Company, makers of the long-popular Lucky Strike cigarettes.

—tip—  
Running true to form, Abernathy is caught in another craze or rage. This time its golf. The Rec Cen-

ter course is kept hot from dawn 'till dusk . . . with experienced golfers and beginners.

—tip—  
Recipe for fried filet of rattlesnake:

Remove snake's head, skin and rattles. Clean, de-bone. Cut meat into three-inch lengths. Dip in

milk; salt and pepper to taste. Roll in corn meal and fry in deep fat.

—tip—  
"Tastes just like chicken," says State Game Warden Cecil Fox of Spur.

W. R. Richards of Holdrege, Nebraska and president of the National Association of Soil Conservation Districts will be the featured speaker at the first National Stubble Mulch contest in Wichita Falls on July 28. His address is scheduled for 2 p. m. According to Jack Barton, extension conservationist, Richards is one of the world's leaders in conservation. He invites all interested persons to attend. Farmers should submit Form 2240 at their earliest convenience to the Internal Revenue Service to claim a refund of the 4-cent per gallon Federal gasoline tax on all gasoline used for farming purposes and purchased between July 1, 1960 and June 30, 1961.

## News of Men In Service

1ST CAV. DIV. KOREA (AHT-NC) — PFC Eddie R. Blair, son of Mr. and Mrs. M. M. Blair, Abernathy, recently participated with other personnel from the 1st Division's 7th Cavalry in the Army training test in Korea.

Designed to determine individual and unit combat efficiency, the test featured training in various phases of warfare against a simulated aggressor force. The 19-year-old soldier, a truck driver in the cavalry's Company A, entered the Army in August 1960, and completed basic training at Fort Hood, Texas. He attended Abernathy High School.

1ST CAV. DIV. KOREA (AHT-NC)—Army Pvt. Gerald L. Wilson, son of Mr. and Mrs. Marce D. Wilson, Shallowater, recently arrived in Korea and is now serving

with the 1st Cavalry Division's 77th Artillery.

Wilson, a supply clerk in Headquarters Battery of the artillery, entered the Army last January.

The 18-year-old soldier attended Shallowater High School.

Before entering the Army, he was employed by M. D. Wilson in Lubbock.

## BIRTHS

Mr. and Mrs. Abelardo Garcia are parents of a son born July 19. He weighed 6 pounds.

Eleanor S. Dean sold lots 8 and 9, Block 170, in Southeast Abernathy, to Abernathy Church of Christ.

Mr. and Mrs. Russell Eickhoff and daughters, Suzanne and Deborah, of St. Louis, Mo., visited here briefly Friday morning with Mrs. Eickhoff's cousins, Douglas Chapman and Mrs. Buford Davenport.
