

ABERNATHY WEEKLY REVIEW

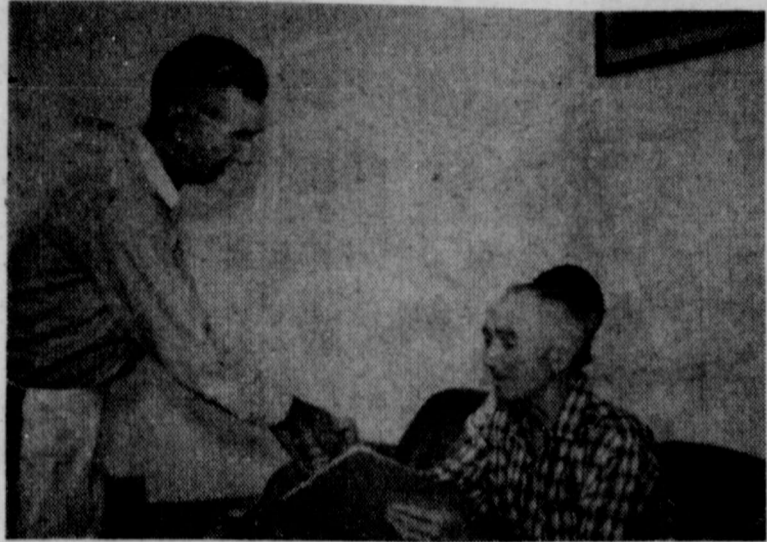

TEN CENTS
Per Copy

VOLUME 40 Hale County — Abernathy, Texas — Lubbock County

THURSDAY, AUGUST 3, 1961

NUMBER 39

JIM H. NUNN, seated, is shown receiving from Vernon Bartlett, a document awarding him a lifetime membership in Abernathy Lodge No. 1142, A. F. & A. M. Mr. Nunn has been a Mason since 1919. He moved his membership to the local Lodge from Hale Center in 1929. Mr. Nunn is a retired farmer and a former justice of the peace here. Both he and Bartlett, have served as Worshipful Master of the Abernathy Lodge. (Photo by Kenneth Phillips)

Registration Schedule For Local Schools Announced

Abernathy Public Schools will open the 1961-62 school year at 8:45 a. m. Wednesday, August 30, it was announced by Superintendent Noel Johnson. The first general faculty meeting will be at 9:00 a. m. on Monday, August 28, in the school cafeteria.

School buses will make their morning run at the regular time Wednesday, August 30, and school will be dismissed at 2:00 p. m. that afternoon. Regular all-day school sessions will begin Thursday, August 31. There will be no school Monday, September 4, which is Labor Day.

It was also announced that lunch will be served in the school cafeteria Wednesday for those who wish to take advantage of this service.

High School Principal Ralph Stevenson announced that registration for high school students will be held Tuesday, August 29. Freshman students will register from 8:00 to 10:00 a. m.; sophomore students will register from 10:00 a. m. until 12 noon; junior students will register from 1:00 until 3:00; and senior students will register from 3:00 until 5:00 that day.

Junior High students will also register Tuesday, August 29, announced Gid B. Adkisson, Jr., principal. The registration schedule includes the following: sixth graders will register from 8:00 a. m. until 12 noon; seventh grade students will register from 1:00 until 3:00 p. m.; and eighth grade students will register from 3:00 until 5:00 p. m.

Abernathy Hosts Visiting Girl Scouts

The Girl Scouts Heritage Trail brought as much fun and excitement to Abernathy as had been expected and the visitors were not disappointed either. They repeatedly told us that Texas and Texas are the best ever.

The chartered bus arrived on schedule at 5 p. m. on Thursday, July 27, and all aboard were eager to see an irrigation well in operation. They also took note of a flock of geese "weed-choppers" and asked many questions.

Mr. and Mrs. J. L. Irish and Mr. and Mrs. Ellis Turner greeted the bus at the Abernathy Gin and conducted the visitors thru the properties explaining every operation. Refreshments were served and the evening meal being prepared for the bracers was sampled.

A typical western supper was served to approximately 75 Abernathy scouts and their families and the Trail visitors at the Dwayne Taylor home. The meal was served from a chuckwagon and guests were seated on bales of hay around a campfire.

The visiting scouts enjoyed riding horseback on some horses provided by local scouts. Some of the girls were excellent riders but one of the girls admitted she had never been on a horse before in her life.

Mr. and Mrs. J. P. Nystel presented corsages to the guests and hostess committee in behalf of the Abernathy Lions Club. This was a surprise and delight to all.

Following the showing of colored slides of last year's cotton harvest and gin operations, there were many questions from the visitors. Many of them took notes to help them remember the details and all took cotton seeds that they promised to plant at home.

The evening's entertainment concluded with the group sitting around the campfire and singing. Several original songs which have been composed by the girl while on the Heritage Trail tour were included as well as many favorite songs familiar to all.

Band Rehearsals Slated To Begin Here August 14

Abernathy High School band rehearsals will begin Monday, August 14, at 8 a. m., according to information from Everett Maxwell, director. Hour and a half sessions will be held during that week, then there will be no rehearsals August 21-23, Monday through Wednesday, while Mr. Maxwell attends the Texas Bandmasters convention in San Antonio.

Session will resume on Thursday August 24, with both playing and marching practices. First performance will be at Dimmitt on Friday night September 1 at the football game.

Graham's To Open Sundays

Graham Restaurant announces in an ad in this paper that they will be open for business on Sundays, beginning Sunday, August 6. The popular eating place has been closed on Sundays for the past few months.

Foreign Exchange Student Here Is Party Honoree

A party was given Saturday night in the A. B. Reid home in honor of Dirk Engel, Foreign exchange Student from Schweinfurt, Bavaria, Germany. Dirk, 17-year old son of Mr. and Mrs. Karl Engel, will be the foster son of Mr. and Mrs. Reid for one year, and will attend Abernathy High School as a senior student.

After firing many questions at Dirk, who answered them very well in his British-type English, the group enjoyed a number of colored slides which Dirk had made prior to his leaving Germany. They included pictures of the school he attended, beautiful parks near the school and near his home, the Lord Mayor's house, the court house, shots of the main section of Schweinfurt (featuring both day and night shots), pictures of his mother, father, brother and sister and his dog, and pictures of his father's driving school.

Dirk explained that in Germany a person must be 18 years of age before he can get a driver's license, and he must have completed a driving course.

After the presentation of slides, refreshments were served to the following: School Superintendent and Mrs. Noel Johnson, Jay and Tonda (Mr. Johnson is president of the local chapter of American Field Service); High School Principal and Mrs. Ralph Stevenson; Mr. and Mrs. Dan Z. Ward (Mrs. Ward is Home Life representative of AFS); Mr. and Mrs. Ed Graham (Mr. Graham is school liaison representative); Mrs. Florine Forbes, who is secretary of AFS and representative for Americans Abroad; Mr. and Mrs. Ed Crow (Mr. Crow is an AFS member); Mr. and Mrs. Arno Struve and Horton; Mr. and Mrs. Richard Havens; and the guest of honor, Mr. Struve and his sister, Mrs. Ward, who both speak German.

(Continued on Page 4)

PICTURED here are members of the Abernathy Little League team. The local lads captured second place recently in the end-of-season tournament at Petersburg. (See story on page 3). The team members are, standing, left to right: Bobby Vannoy, Danny Kelley, L. J. Bradley, Jerry Sanders, Mike Pittman, Dennis Bristow, and Joe B. Thames, coach. Kneeling left to right: Lewis Henderson, Sammy Stevens, Burl Fuller, Billy Bob Drace, Harry Mathes, and Darrell Selke. (Photo by Mrs. Dwain Bristow)

COMPARE YOUR ALLEY with the ones in these two pictures! Which is yours like — the one on the left with a nice turf of mowed grass and no trash in the alley, or the one on the right? The alley pictured at left connects 10th and 11th Streets in the block bordered on the east and west by Avenues G and H. — (Staff Photos)

City Asks Help Of Individuals In Weed Control

City Manager Earl Spaulding has asked the cooperation of all Abernathy residents in keeping weeds on vacant lots and in alleys cut. A shredder has been operated through most of the alleys, but city employees are unable to operate the shredder too near fences, therefore the help of individuals is asked in keeping their alleys free of weeds.

By keeping vacant lots and alley ways free of weeds, the propagation of mosquitos (some of which are carriers of the dread disease, encephalitis) is greatly reduced.

McAlister's To Give Frontier Saving Stamps

McAlister Grocery & Market starts this week giving Frontier Saving Stamps, it was announced by Bob McAlister, owner. To introduce Frontier Saving Stamps at his store, McAlister will give each adult visiting McAlister Food \$5.00 in value of Frontier Saving Stamps Thursday, Friday and Saturday, August 3, 4 and 5.

You may register today, Friday and Saturday for three prizes to be given away in a drawing Saturday night. First prize is a barbecue grill; second prize, a quart electric ice cream freezer; and a tricycle for third prize. No purchase is necessary to register and you do not have to be present to win.

See McAlister Food ad on page four in this paper for further details.

Seven New Teachers Are Employed By Local Schools

Seven new teachers have been employed by the Abernathy Public Schools for the 1961-62 school year, announced Noel Johnson, superintendent. Two new teachers have been employed to teach in high school, two in junior high, and three in the elementary school.

Employed to teach in high school are Frank R. Simpson and Miss Helen Joy Bennett. Miss Bennett, who will teach speech and English, is a graduate of Wayland Baptist College, Plainview, where she also served as student assistant for the college newspaper in the layout department for three years. Her home is in Weatherford, Texas.

Mr. Simpson, employed as a history teacher, is a graduate of Texas Technological College where he was student assistant to the head of the history department. He is a graduate of the Lake View Public School system at San Angelo.

Mr. and Mrs. Simpson and their two children have moved to Abernathy and reside at 105 Avenue J. Mr. Simpson is a nephew of Mrs. George Reagan, who is a fourth grade teacher in the local schools.

Jr. High Teachers

New teachers employed to teach in the local junior high this coming school year include Robert Rawls of Odessa, and Mr. Denny Park of Abernathy.

Mr. Rawls is a graduate of Lubbock High School and Texas Technological College. He will move to Abernathy from Odessa where he has been teaching in the Hood Junior High School there. He and Mrs. Rawls will move here the latter part of August as Mr. Rawls is doing graduate work at Texas Tech this summer. He is a veteran, having served in the U. S. Army from 1954 to 1956.

Mr. Park has been employed to teach mathematics and science. He graduated from high school at Monahan, and did college work at Arlington State and Texas Technological College, where he received a degree in mathematics in January of this year.

The Parks have resided in Abernathy the past three years while Mrs. Park has been employed as an English teacher in Abernathy High School.

Elementary Teachers

Mrs. Sue Davenport, wife of Coach Curtis Davenport, is one of three teachers added to the elementary school staff. Mrs. Davenport has had four years teaching experience at Monahan and Kermit. The Davenports have three children, and have resided in Abernathy the past two years.

A former Abernathy teacher, Mrs. Gene Nunn, has rejoined the teaching staff in the Abernathy Schools. Mrs. Nunn taught for six years here, from 1948 to 1953, and again in the 1955-56 school year. The Nunnns have two children.

The other appointee is Miss Ruth Torres. Miss Torres is a former student and a graduate of Abernathy High School, and graduated this past spring from Wayland Baptist College, Plainview, where she was an outstanding student, both scholastically and in the music program of the college. She majored in elementary education and minored in music education.

Miss Torres was salutatorian of her graduating class (class of 1957) at Abernathy High School. While in high school she was a member of the National Honor Society and of the Abernathy Antelope Band.

Airman Donnie Apperson, son of Mr. and Mrs. A. L. Apperson of Tuco, arrived home last week following two years of duty at a U. S. Air Force Base in Japan. He and Mrs. Apperson and their daughter, Tammy, will be at home in San Angelo, when Donnie reports for duty at Goodfellow Air Force Base.

August 13-20 Are Meeting Dates For Church Of Christ

(By O. F. REA)

The Church of Christ here will conduct a gospel meeting, beginning Sunday, August 13 and continuing through Sunday, August 20.

Stanley Lockhart of San Angelo will do the preaching. Bro. Lockhart is no stranger to the people here as he assisted the Church of Christ in a meeting previously and was well received and well liked generally.

He is no novice at preaching and teaching the gospel, having begun in 1943 at Elizabeth, W. Va., his home state. He was born at Parkersburg, W. Va., in 1927. He has B. A. degrees from Fred Hardeman College and Abilene Christian College, and an M. A. degree from Eastern New Mexico University.

He has served Texas churches at Moran, Texline, Friona, Levelland and is presently serving at San Angelo where he began in 1956. While at Levelland he conducted a daily radio program for two and one half years. He is now in his 5th year with a weekly radio program at San Angelo.

The Church of Christ is highly pleased to have Bro. Lockhart with them in a gospel meeting again and invites everyone interested in hearing the Bible taught plainly and clearly to attend this series of meetings. The time is Aug. 13 through Aug. 20, 10:00 A.M. and 8:00 P.M. daily except Sunday which will be 10:00 A.M. and 6:00 P.M.

See advertisement on another page of this issue and the next issue to follow.

Evangelist

Party At Rec Center Set For August 11th

A party at Abernathy Recreation Center swimming pool has been set for Friday night, August 11, announced Rec Center officials.

A business meeting will also be held and entertainment will be furnished, it was announced.

Hamburgers will be served to all attending, beginning at 7:30 p.m. Admission prices will be 75 cents per person. All members are urged to be present and are encouraged to bring guests.

Mr. and Mrs. Rudolph Struve and sons left Wednesday for New Orleans to attend the 14th annual reunion of Rudolph's World War II unit, the 52nd Seabee Battalion.

R. D. Presley Is Named To Committee

Appointment of R. D. Presley as a member of the Farmers Home Administration county committee has been announced by Ralph E. Griffiths, the agency's county supervisor serving Lubbock County.

Presley owns and operates a farm Southwest of Abernathy. He has lived in this area the last 18 years and is familiar with the problems confronted on dry land and irrigated farms.

Two other members make up the three-member committee which works with the county supervisor to see that the best possible use is made of the agency's farm credit service program consistent with local farmer's needs. They are T. Euel Linder and Charlie W. Boyd. Linder will serve as committee chairman next fiscal year. Each member is appointed for a three-year term. Presley succeeds Delmer W. McLeod whose term expired this year.

Mrs. Wages Named Director Of Women's Department For Lubbock Fair In September

Mrs. Glen M. Wages, New Deal, was named Director of the Women's Department Monday, for the Panhandle South Plains Fair, September 25-30, Homer Hunt, Fair President said.

Also named was Mrs. Haskell Speer, Textile assistant superintendent; Mrs. Lon Linecum, Crochet, Knitting and Tatting assistant superintendent; and Mrs. Herman Habbinga, Culinary assistant superintendent.

No superintendents have been selected for the Culinary or Textile divisions.

Mrs. Wages will be serving as Women's Department Director for the fifth consecutive year. It will be her eighth year with the Fair, however, since she served in the Women's Department three years before becoming director.

Mrs. Speer and Mrs. Habbinga are both from Lubbock, while Mrs. Linecum is from Idalou.

SCHOOL TO HOLD PUBLIC HEARING

A public hearing of the 1961-62 school budget is to be held in conjunction with the regular monthly School Board meeting at 8 p. m., August 7, at the high school, an-

Bowling News

Mrs. Alice Selke and Harold McCune were winners last week in the A-1 Lanes summer event. Mrs. Selke posted a 226 game and a 640 series in the women's division and McCune had a 279 game and a 749 series.

Records for the summer are: Hugh Pettit, 745; Harold McCune, 749; Mrs. Olea Edwards, 668; Nema Weaver, 663; McCune 279 and Mrs. Selke 226 for high games for the summer.

HAGERS OPERATING REC CENTER POOL AND GOLF COURSE

L. J. Hager and members of his family are operating Abernathy Recreation Center swimming pool and golf course. Curtis Davenport, head football coach, who has been operating the facilities, closed out his work there last week. He will attend the school for coaches in San Antonio next week, and will start workouts for the Antelope squad later this month.

Hager will continue his work at the Shamrock Oil & Gas Co. terminal station here. His son, Lawson, and other family members will assist him in operation of the REC Center.

Mr. and Mrs. Waydell Hill won the Scotch Foursome golf event last weekend.

BIRTHS

Mr. and Mrs. Don McKenzie are parents of a son, Jimmy Lynn born July 29. He weighed 7 pounds 5 1/2 ounces.

The following births were reported by Abernathy Medical Clinic:

Mr. and Mrs. Jesus Sepda, daughter, weighing 8 pounds, July 28.

Mr. and Mrs. Jack Holt, Petersburg, son, weighing 8 pounds, July 24.

Mr. and Mrs. Marcelino Soto, daughter, weighing 9 pounds, July 23.

Mr. and Mrs. Dewayne Johnson, Plainview, daughter, weighing 6 pounds, 8 ounces, July 29.

Mr. and Mrs. H. T. Peters and family were in Ruidoso, N. M., last weekend.

Nicky, son of Mr. and Mrs. Ray Linton, sustained a bone fracture in his right leg recently and was treated at Methodist Hospital, Lubbock. He was injured when a bicycle he was riding broke and threw him to the ground.

ROBISON DRAPERY SHOP ENLARGES OPERATION

Robison Drapery Shop is expanding their business to include complete interior decorating of the entire home. They will work out the full home decorating scheme: floors, walls, ceilings, draperies, colors, pictures, furniture, lighting, etc., and arrangement or any part of it you wish.

Starting in a very small way the Robisons have built up a good business, which encouraged them to expand their operations.

EASTERN STAR MEETS TONIGHT

Members of Abernathy Chapter No. 877, Order of the Eastern Star, will hold a meeting tonight (Thursday), at 8 o'clock. The Chapter will be celebrating the birthday of Robert Morris, OES founder.

Mrs. Kenneth Phillips, Worthy Matron, urges all members to be present, and invites visiting Eastern Star members to attend.

The Gerald Selke family of Bryan visited his mother, Mrs. H. H. Selke, and his brother, Glenn, and family.

Local Little League Lads Capture 2nd Place In Petersburg Tourney

The Abernathy Little League and Pony League baseball teams participated in the annual end-of-season tournament at Petersburg July 18-22, with the local Little Leaguers capturing second place in their division of the tourney. The lads used Petersburg and Hale Center as stepping stones to gain the finals, but were defeated by Lorenzo for the championship.

Wednesday afternoon the Little Leaguers got off to a good start by defeating Petersburg (one of the league leaders). The local lads led after the first inning, 3 to 1. In the second inning both teams scored two runs, making the score 5-3 in favor of Abernathy. Petersburg took the lead in the third inning, scoring eight runs. The local boys were not discouraged, and came back with a strong batting order to go ahead 12-11. They held Petersburg scoreless in the fifth inning, taking their first win of the meet.

Harry Mathes was the winning pitcher while Ellerd of Petersburg was the losing pitcher. Leading hitters for Abernathy were "Babo" Bradley, who hit a home run and a double, and Darrell Selke, who hit two singles and scored two runs.

Friday afternoon they played Hale Center. After a hard-fought game, with nip-and-tuck scores, the score was tied 8-8, going into the fifth inning. Abernathy made

a run which ended the ball game with a 9-8 victory for the local lads.

Mathes was again the winning pitcher for Abernathy, and Parish was the losing pitcher for Hale Center. The leading hitter for the local lads was Bradley, who collected three hits on three times at bat, hitting two singles and a home run.

Saturday afternoon in a close, well-played ball game, the local boys lost to Lorenzo by a close 3-1 score to win the second place trophy in the tournament.

Mathes was the losing pitcher, while McDaniel of Lorenzo was the winning pitcher. Leading hitters for Abernathy were Mathes with a triple, Bradley with two singles, and Mike Pittman with two singles.

The Little Leaguers played fine ball and showed real sportsmanship for which Mr. J. B. Thames and Mrs. Earl Davis are to be commended.

Mr. Don Apple of Lubbock and various base umpires were very efficient at their respective jobs and are to be commended for taking time off from their jobs to help encourage boys to play fine baseball.

Members of the Little League who played in the tourney are: Darrell Selke, Billy Bob Drake, Burl Fuller, L. J. Bradley, Dennis Bristow, Jerry Sanders, Harry

Mathes, Jimmy Joy, Bobby Vanoy, Lewis Henderson, Danny Kelley, Mike Pittman, and Sammy Stevens, David Sinclair and Mike Thames were members of the team but did not play during the tourney.

Pony League

The Pony Leaguers also played in the tournament, but were not as fortunate as the Little Leaguers. They lost both games, being defeated in the first round by a very high-classed, hard hitting Petersburg team, 15-5. They then lost their second game to Cotton Center by a 5-2 score.

Petersburg won the tournament, and also won the district title with a 15-0 win-loss record. Ralls won consolation honors in both the Pony League and Little League divisions of the tournament.

In the first game of the tourney, Larry Gist of Abernathy was the losing pitcher, and Scarborough of Petersburg was the winning pitcher. Mike Tannehill and "Nook" Bradley collected one hit for the local lads.

Against Cotton Center Bradley was the losing pitcher, and DeLeon was the winning pitcher. Jimmy Franklin was the leading Abernathy hitter, getting two singles, while Tannehill, Mike Collins, Bradley, Larry Northcutt, Barry Selke, J. D. Minor, Freddy Cockrell, Larry Gist, Earl Hill, and Ronal Stillwell, James Haley and Jody Thames were also members but did not play in the tourney.

The members of the Pony League also played good ball, and were also coached by Mr. Thames and Mr. Davis.

Members of the Pony League who played in the tourney are: Lane Wade, Mike Tannehill, Mike Collins, Willie Bradley, Jimmy Franklin, Larry Northcutt, Barry Selke, J. D. Minor, Freddy Cockrell, Larry Gist, Earl Hill, and Ronal Stillwell. James Haley and Jody Thames were also members but did not play in the tourney.

C. C. SHIPMANS AND O. F. REAS MAKE QUICK VACATION TRIP

The C. C. Shipmans and O. F. Reas spent the first four days of last week on a trip to Red River N. Mex., spending three nights there. Leaving early Sunday morning they attended church in Springer, New Mexico, and by mid-afternoon were settled down at Hickman Guest Ranch.

After spending the night a larger and nicer place was engaged for the following two nights. This place is about five miles west of Red River but on the river and was very nice and pleasant. We all enjoyed the large fireplace which we were glad to use as the temperature got down into the low forties by morning.

Mrs. E. W. Kenner, Mrs. Bill Glenn and daughter of Los Angeles, Calif., and Mrs. Guy Rosson of Leakey, Texas, visited briefly with Mrs. M. Z. Holland Tuesday of last week. Mrs. Kenner and Mrs. Rosson are sisters and were on their way to visit another sister, Mrs. Kiser, in Iowa. All are daughters of Mr. and Mrs. W. R. (Uncle Billy) Evans, long time residents of Abernathy and well known to all old timers here. Mrs. Glenn is the daughter of Mrs. Kenner.

Valuable time may be saved during the harvest season, by checking all on-farm grain storage facilities well in advance of the day when they will be needed, says W. S. Allen, extension agricultural engineer. Using leaky, run-down and unclean storage buildings will increase hazards from insects and rodent damage, two factors usually responsible for the loss of quality in farm stored grain, he says.

Mrs. D. C. Attebury and sons spent last weekend with her parents, Mr. and Mrs. J. C. Patterson, in Dallas County.

Mr. and Mrs. Douglas Ayers and daughters visited in the home of Mrs. Ayers' sister, Mrs. George Hughes, and family.

Miss Gloria Houston, Ronald Taylor To Be Wed August 27

Mr. and Mrs. E. A. Houston announce the approaching marriage of their daughter, Gloria Sue, to Ronald Edward Taylor.

Taylor is the son of Mr. and Mrs. Willie Taylor of Shamrock. He is a graduate of Samnorwood High School near Shamrock.

The future bride is a graduate of Abernathy High School, and is a junior student at WTSC.

Vows will be read August 27 in the First Methodist Church here.

Hale County Has Collected Most Of Current Taxes

The Hale County tax office has received \$675,802.94 in current taxes on 95.6 percent of taxes due, said Bill Hollars, tax collector-assessor, recently.

In addition, the office has collected \$561,533.75 from motor vehicle tag sales. Of that amount the county received \$175,000 and the state \$386,533.75.

Of the total received in taxes \$141,254.98 were state funds, \$464,879.52 ad valorem, \$48,188.92 for farm to market lateral roads and \$18,479.52 for the Hale County Noxious Weed Control District.

Current taxes became delinquent on July 1. Penalty and interest started after January 31.

Interest rates increase as tax payments are delayed, the penalty being 1 1/2 percent after July 1, plus a \$1 redemption charge. Hollars pointed out.

Mrs. J. B. Stuart of Boys Ranch near Amarillo visited here last weekend with Mrs. H. H. Selke.

The Rev. Lewis Patterson and family visited here recently in the home of his parents, Mr. and Mrs. R. C. Patterson, Sr. The minister and his family recently moved from Hays, Kansas, to Enid, Okla., where he is pastor of the Church of the Nazarene. He was pastor of the Nazarene Church at Hays for a number of years.

Mr. and Mrs. Jesse Knight, Jr., and family recently spent a week's vacation in Colorado.

Mr. and Mrs. Bobby Dyess were in Ruidoso, N. M., last weekend. Their son, Blaine, spent the weekend with his grandparents, Mr. and Mrs. V. Rowden, in Lovington, N. M.

Mrs. Frances Howard visited relatives in Friona last weekend.

Mr. and Mrs. C. F. Phillips, Barbara Phillips, Mrs. Dwayne Taylor and daughter, Marsha, returned last week from a tour of nine states in the central part of the country. They visited relatives in several of the states.

PLAINS Cotton Cooperative Association

CONTRACT PRICES

Contract prices have risen slowly since last week. Several hundred acres of hail damaged cotton at the northern edge of the territory have been sold at 30 cents with no delivery date penalty.

Farmers who desire to contract should check with their tax consultant if they desire to carry income over into the next year.

PCCA WILL PUSH MERCHANDISING

As in other years, PCCA will carry on an aggressive sales program for Plains cotton. Our new sales office recently opened in Osaka, Japan, is expected to sell many thousands of bales. We have set a goal of 250,000 bales of 1961 cotton in sales to domestic and foreign buyers.

Margins we can make on this merchandising operation, our warehousing department or from other sources will be distributed as a per bale patronage refund.

WHAT IS A COMPETITIVE MARKET?

Most farmers think they have a competitive market when three or four country buyers bid on their cotton. At PCCA's auction sales we have been able to attract the largest buyers in the nation and some 30 to 35 of them.

Resulting prices have been well above the prices offered at country points. This is another example of the advantages of cooperating. Farmers, through their cooperative gins and Marketing Association, do the job of assembling their cotton in attractive lots and profit by the saving.

fluently, made quite a hit with Dirk as they carried on an enlightening conversation with him.

Met A Lot of People Dirk stated that since his arrival

in Abernathy he has met almost as many people as he knows in Schweinfurt. In addition to many high school youngsters and grown-ups going by the Reid home to meet Dirk, quite a number have also phoned the Reids to make enthusiastic inquiries. More details about Dirk's activities will be published next week.

News Briefs

ABERNATHY RECREATION CENTER JULY 27, 1961

To Members and Family:

Ray Willis was in Quanah Saturday.

Mr. and Mrs. Glen Orval Rhodes and family have returned to Aztec, N. M., following a visit here in the homes of their parents Mr. and Mrs. Herman Henry and Mr. and Mrs. Clyde E. Rhodes.

Mr. and Mrs. Frank B. Lovelace and their son-in-law and daughter, Mr. and Mrs. Paul Stanford, of Albuquerque are on a trip to New York City and Washington, D. C.

Mr. and Mrs. Ray Childress and family left Friday on a vacation trip to Stafford, Ariz., and Silver City, N. M.

T. E. Lutrick is having a residence built on 13th Street at Ave. G. It is to be occupied by Mrs. Lutrick's mother, Mrs. Ruth Pipkin, who has been at home in Plainview.

Mr. and Mrs. C. J. Pharr and Mr. and Mrs. Lee Keese of Lubbock left last week on a trip to Wyoming, Northwest states and Canada, returning home by the way of Lake Tahoe in California and Nevada. They expect to meet Mr. and Mrs. Jack Barion, who also are on an extended trip, in Cheyenne, Wyo.

A. D. Kitchens sold Lot 8, Block 139, in Abernathy, to Rev. A. O. Brewer.

Mr. and Mrs. G. M. Folsom of Wichita Falls are expected here this weekend to visit in the home of their daughter, Mrs. Ray Willis, at Tuco.

Mrs. Evelyn Pipkin of San Angelo, Mrs. Keith Pipkin and Mrs. Harold Ball of Lubbock visited Mrs. J. W. Brooks here last weekend.

Mr. and Mrs. L. J. Coomber and family have returned from a two weeks vacation. They visited relatives in Pampa and Norman, Okla., and attended a Coombes family reunion in Blair, Okla.

Hale County Judge Jim Joy and family were on vacation in Red River, N. M.

Lubbock County Clerk issued a marriage license to Enrique Ramos, Jr., and Miss Mary Duran, both of Abernathy.

Mr. and Mrs. N. A. Oliver and their grandson, Nathan A. Oliver III, spent 10 days recently in St. Louis, Mo., Denver, Colo.,

You are invited to attend a picnic and meeting of the membership, at the Recreation Center on Friday evening August 11, 1961. All members are urged to attend and to bring the family. The food and entertainment committee should have something of interest for everyone.

If you did not attend the picnic and meeting on July 7, you will certainly not want to miss this one. Everyone enjoyed the refreshments and hot dogs. A putting contest, diving exhibition and diving contest for the small fry, highlighted the entertainment.

In order to attain some degree of financial stability the board recommended an increase of dues. The members present voted unanimously to increase the monthly dues to \$10.00, effective August 1, 1961.

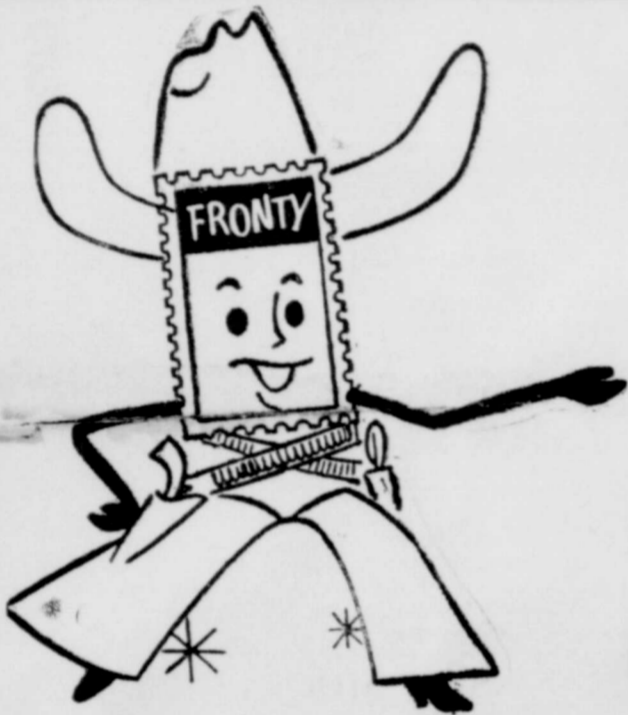

A great deal of interest was shown in the City Golf tournament July 22 and 23. About thirty contestants were entered in the men's tournament, nine in the women's division. Plans are being made for a Scotch double tournament on Sunday afternoon, July 30, all of you who are interested bring your partner out and enter the tourney.

The officers and directors hope each of you have enjoyed the swimming, golf and fellowship during the first part of the summer. We invite your suggestions and criticism for improving the facilities and in maintaining them. We welcome all members to the meetings of the board of directors which are held on the third Monday evening of each month.

John Hale, President and other places of interest. Nathan III made the trip from New Orleans, La., and returned home by plane.

Mr. and Mrs. George Reagan and son, George Stroud, were in Oklahoma City returned recently from a visit in Mary Anna Williams, daughter of Mr. and Mrs. Sam W. Williams, Oxnard, Calif.

Visiting Mr. and Mrs. Rudolph Struve and sons at their cabin in Cowles, N. M., recently were Mr. and Mrs. Ed Graham and son, Scotty, Janie Dunn, Mr. and Mrs. Joel Bray and sons, and the Lloyd Given family, Rosetta Wilson, Linda Ross, Mrs. Lawrence Carter and daughter, Elaine, all of Abernathy and Rudolph's sister, Mrs. Pete Gilvin, of Amarillo.

CY 8-2330 -- Abernathy

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF PLAINVIEW AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Plainview who helped make this department possible is sincerely appreciated.

H. A. KISER

Logically a man who has earned the reputation of being one of Plainview's more dependable automotive parts and supply dealers, would in so doing have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is—modest, friendly, H. A. Kiser of Kiser Auto Parts, who numbers many of our readers as some of his best customers.

to the public throughout this entire area. But Mr. Wright has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Charles Wright the credit for his accomplishments which his friends and associates have so long accorded him.

K. L. "KEN" McBETH

In compiling this review of progressive Plainview business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and commercial life of this district.

Such a man is K. L. "Ken" McBeth, the manager of M & M Janitorial Services, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. McBeth has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to "Ken" McBeth, and to point out to our readers that his sincere desire to be a service couplet with his aggressive methods are largely responsible for the standing of the M & M Janitorial Services throughout this entire area.

JOE A. LONG

Joe A. Long has provided his progressiveness by constantly adding and increasing the service which the Long Mobil Service Station has extended to the people. The large volume of business handled by his Mobil station proves that "service," to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Long was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of this intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Joe Long has many friends in and around the city, and it is a pleasure to bring him before our readers in this review of progressive Plainview business men.

JOHN MOODY

Recognized as one of the more progressive business men of Plainview, John Moody of the Eastern Blind & Awning Company, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has, and continues to build up good will for the Eastern Blind & Awning Company throughout this entire district.

Mr. Moody is deserving of praise, and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate John Moody on his splendid record, and trust he shall continue to serve the people of Plainview and vicinity.

F. WARREN CARRUTH

F. Warren Carruth of Warren Garage is one of those progressive business men who has always done his bit to maintain the prestige of the city of Plainview as the leading trading center for this section of Texas. He has always worked for the development of the city, and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, mechanical skill and business ability which has elevated Mr. Carruth to a position of leadership in the automotive repair and maintenance business.

He is completely aware of his civic responsibilities, and is wide

awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment Warren Carruth on his accomplishments, and we wish for him continued success.

AUDRY FURROW

Audry Furrow is one of the more successful drive in restaurant operators of Plainview who, by maintaining a constant standard of service and high quality foods, has made the Playland Drive Inn one of the more popular eating places in the community. We are glad to give her credit for her well-earned success in a field which is so highly competitive.

It is also a pleasure to give her credit for taking part in community affairs, and lending her assistance to various activities and public projects. When asked to take part in such matters, she does so without ostentation, but in a quiet manner which lends dignity to her cheerful acceptance of her share of the civic load. It is a pleasure to be associated in the promotion of community activities with such an individual as Mrs. Furrow.

This review of progressive and civic-minded people of Plainview would not be complete were we to fail to include Audry Furrow. Hers is the kind of success which deserves recognition, and we wish her many more years of the same.

DELWIN L. WILLIAMS

Recognized as an authority on sheet metal, heating and air-conditioning contracting problems, Delwin Williams has turned his knowledge to the advantage of the people of Plainview and vicinity. More than that, Mr. Williams is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Plainview owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, Delwin Williams has become accepted as a progressive business man who is an asset to both the business and commercial life of the city, and we trust he will continue to serve the people of Plainview and the surrounding area in his present capacity for many years.

R. C. VALENTINE JR.

In paying tribute to some of the more progressive business men of Plainview, we would be remiss in our duty should we fail to include R. C. Valentine Jr., of the R. C. Valentine Jr. Body Shop, whose business ability is no greater than his "know-how" and professional skill which has contributed to his well-earned success in the automotive body repair and painting business.

He has also contributed generously to the welfare of the city and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Valentine is a man of wide acquaintances, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate R. C. Valentine Jr., on his splendid record of service, and trust he shall continue to assist us for many years to come.

KENNETH S. GRIFFITH

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive business men of Plainview have found to be the shortest route to success. In making this statement, the man we have in mind is Kenneth S. Griffith of the Griffith Garage & Service Station. The popularity and patronage enjoyed by his many services accentuates the ideals of courtesy and efficiency which he has consistently applied in the management of his garage and Sinclair Service Station, and in the servicing of its patrons.

The conduct of such a business, and the men who operate them have done much to make Plainview the business center for many miles around, and it is fitting that we give credit where credit is due to such men as Mr. Griffith for his part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know him.

Kenneth Griffith has earned his success by the method in which he has served the public, and accepted both civic and business responsibilities, and we wish him every success in the future.

E. L. EDWARDS

In bestowing credit upon some of those progressive business men of Plainview, who in one way or another have contributed their bit to improve both business and civic conditions, we wish to publish a few words about E. L. Edwards of the Edwards Corden Station, located at 1012 East 5th Street.

Mr. Edwards has set a standard for himself and the operation of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Corden station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

E. L. Edwards is a civic-minded man, and when asked, cheerfully cooperated in those civic activities to which he has been able to lend his able assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

J. D. DUNLAP And CHARLES NABORS

In every community there are a number of business and professional men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of Plainview who belong in this category are J. D. Dunlap and Charles Nabors of the Dunlap-Nabors Garage.

Their leadership in the automotive repair and maintenance business is recognized throughout this entire district. And their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

Mr. Dunlap and Mr. Nabors are men who are equally well liked and respected by their intimate friends and their associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Charles Nabors and J. D. Dunlap for being good citizens, progressive business men and boosters of Plainview.

KENNETH NORTON

One of the more dependable business men of Plainview, and a man who deserves the respect and good will of a great many residents of the city is capable, friendly, Kenneth Norton of Norton Electric, whose wide knowledge and long experience in the commercial and industrial electrical contracting business has raised him into a position of prominence in his line.

It is because of this that the Norton Electric has earned a reputation for reliability—second to none.

Mr. Norton is also civic-minded and has always been ready to contribute his time and energy to any plan which promises to benefit this entire area. And the people of Plainview may regard with particular satisfaction the many services which he has performed for the community in the interest of progress and civic betterment.

We urge our readers to look to Kenneth Norton as a progressive business man of whom we may well be proud. His devotion to the city has been constant, and his achievements well merited. We wish for him further success.

DON GLADMAN

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the W-G Pharmacy, in their contacts with the public. And the ready acceptance of all business and civic obligations by Don Gladman, the manager, prove conclusively that he is a man who is well-versed in the principles of successful business management.

As most people know, this reliable pharmacy is a leader in their line of business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Don Gladman for the successful management of the W-G Pharmacy, and for his many contributions to those civic projects which aid in the growth and progress of Plainview and the adjacent territory.

PAUL HAMMER And B. C. GOREE

Two of the more dependable real estate men of Plainview, whose success can partly be attributed to a deep insight as to the direction in which the city will develop are Paul Hammer and B. C. Goree of the Realty Barn. They also have a sound basic knowledge of real estate values and have turned that knowledge to the advantage of the people with whom they do business. And their aggressive methods coupled with their sound and practical ideas have

JIMMIE R. TUTTLE

Jimmie R. Tuttle of the Tractor Supply Company, won the universal respect and good will of the people of Plainview and the surrounding country for the

made the services they have rendered to the people more valuable, and materially contributed to their well-earned success.

Mr. Hammer and Mr. Goree are also civic-minded, and have always shown a cheerful willingness to contribute their share of time and energy to the promotion of community projects.

It is because of the activities of such progressive business men that year after year, Plainview continues to show such a healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to B. C. Goree and Paul Hammer, for the part they are playing in the onward progress of their city.

MAMIE DUNCAN

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. Plainview has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Mamie Duncan of the Twenty Fourth Wrecking Company.

Her business ability, coupled with a sense of obligation to her many satisfied customers have been major factors in maintaining the Twenty Fourth Wrecking Company in a position of leadership throughout this entire area. She not only in her business activities but also in her attention to civic duty, assumed an active part in community affairs.

She has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Mamie Duncan on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

OLAN ALEXANDER

It is fitting in this review of progressive Plainview business men that we acquaint our readers with the man to be credited with having maintained the Plainview Production Credit Association in the enviable position it holds in the business and commercial life of this area.

That personality is Olan Alexander, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the association now enjoys throughout this entire district.

Mr. Alexander has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which Olan Alexander and the Plainview Production Credit Association have rendered to the people.

JAMES C. MOORE

Plainview owes much to those progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section. In mentioning some of these men, it is only fair to include James C. Moore, whose outstanding knowledge of the painting contracting business, backed up by his many years of experience has brought him to the forefront in his particular field.

Mr. Moore is wholly deserving of our sincere praise, and these few words of commendation are but just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that James Moore will continue to serve the people of Plainview and the surrounding area for many years to come.

GUS H. WESLEY

In all business and professional pursuits there are men who have met with success, because they have honestly deserved it, and such a man in his field is Gus H. Wesley of the Wesley Electric Company, who well deserves the reputation he has earned for being one of Plainview's more progressive business men. His thorough knowledge of everything pertaining to the electrical contracting business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Moreover, such experience as Mr. Wesley has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Gus Wesley in this group of dependable and civic-minded men who are actively taking part in the evolution of the business and commercial life of Plainview.

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Skip-Row Cotton

Cotton planted skip-row with barley got off to a flying start in comparison with cotton planted elsewhere at the High Plains Research Foundation. The plants exceeded the others in vigor and height, due to the wind protection afforded by the barley.

When the barley was harvested, the stubble was disked. Soybeans were planted in some four-row plots and grain sorghum in others for further study of the skip-row system of farming. The barley is the Cordova variety and the four-row strips of cotton are Paymaster, 889C.

Visiting farmers have shown considerable interest in the skip-row planting.

Oats Variety Test

The Cimarron variety of oats was the earliest to mature and was followed closely by New NorTex and Winter Excel in a test of eleven varieties of oats at the High Plains Research Foundation, Halfway, Texas. These three varieties were harvested May 30 to June 2, 1961. The other seven were harvested June 25, 1961. All varieties were planted on October 10, 1960. They were irrigated and received fertilizer in the pre-plant in the amount of 300 pounds of 10-30-10 in October with a top-dress of 40 pounds of nitrogen in March, 1961.

The Fulwin variety was the last to mature. The Cimarron variety led in yield with 29 bushels more than the next highest yielding variety, Bronco. The yield in the oats variety tests were: Cimarron, 173.1 bushels; Bronco, 153.7 bushels; Winter Excel, 134.0 bushels; Mustang, 132.5 bushels; 59 D-1550 (a hybrid), 132.0 bushels; Frazier, 115.9 bushels; Fulwin, 109.5 bushels; and Wintok, 105.7 bushels.

Delbert Langford, Associate Agronomist at the Foundation, conducted the test in co-operation with Dr. I. M. Atkins of Texas A. & M.

Farm Trailer License Plates Now Available

AUSTIN (Sp) — New license plates for farm trailers not used for hire are now available, according to Bob A. Lilly, Texas Farm Bureau legislative director.

Lilly said the Department of Public Safety has advised him that the \$5.00 license tags are now in county tax collector's offices across the state. Owners of farm trailers of between 4,000 and 10,000 pounds gross weight must have these tags displayed on their trailers in accordance with a new law passed during the regular session of the 57th Legislature. The law also provides a 30-m.p.h. speed limit, but exempt trailers up to 10,000 pounds gross from brake requirements.

The DPS indicated that it will give trailer owners a "reasonable" period of time to secure the tags before strict enforcement begins, Lilly said. The law became effective with the Governor's signing of House Bill 1082, the farm trailer bill, on May 29, but the new tags were not available until just recently.

Lilly said that the Texas Farm Bureau has been attempting to secure passage of a farm trailer law for several years. He explained that the \$5.00 license cost was a compromise to forestall a veto of the bill.

The TFB legislative director said that the new law was necessary to permit farmers to continue using their trailers to haul farm products. The DPS had warned that it was planning to begin strict enforcement of trailer licensing laws if a special farm trailer law were not enacted this year. Before the new law was passed, farmers were required by law to obtain commercial licenses for trailers over 4,000 pounds gross weight even though they normally use their trailers for only a few weeks each year.

Farmers who fail to obtain tags will be subject to a fine and also must immediately register their trailer as a commercial trailer and obtain a commercial license plate. A commercial license for a 10,000 pound trailer would cost \$55.00.

FARMERS ADVISED TO ASK FOR GAS TAX REFUND

College Station—Farmers are reminded by C. H. Bates, extension farm management specialist, of their eligibility for a refund of the 4-cent per gallon Federal gasoline tax on that used for farming purposes. The claim should include all eligible gasoline gallonage purchased between July 1, 1960 and June 30, 1961.

The claim refund should be filed on Form 2240 and not later than September 30, Bates said.

The gasoline on which a refund may be claimed covers that used for farming purposes and includes most normal production operations. Three exceptions, however, are noted by the specialist. They are gasoline used on the highway, even though for transporting farm products; that used for processing, packaging, freezing or canning operations and that used for non-farming or personal purposes.

Records of fuel purchases should be kept to verify the refund request and care should be exercised to avoid inaccurate or excessive claims, Bates said. He noted that Form 2240 does not apply to diesel and special motor fuels. Farmers who have questions regarding taxes on these fuels are advised to contact an Internal Revenue Service director.

TALK

In Print

Eugene Heath, local post office employe, confirms reports that fewer U. S. citizens are vacationing in Mexico this year. He recently returned from Mexico City and Acapulco, where he has spent vacations each summer for the past several years. "There were more vacationers from Europe and fewer from the United States this year," he said.

"When I first started going there only one airline was in service between Mexico City and Europe, with one round trip a week. Now there are seven airlines in service between those points, some with daily flights," Eugene said. His flights between Dallas and Mexico

City were on Braniff's Boeing Jet's.

U. S. businessmen living in Mexico are concerned over the drop in U. S. tourists. The few anti-U. S. demonstrations there in recent months were insignificant incidents, communist inspired, and not representing the true feelings of Mexico toward her Northern neighbors, they said. They claim that communists are using this method as a wedge between the two countries, and that U. S. citizens who refuse to go to Mexico on that account are doing just what the communists want them to do.

— tip —

While inspecting a 1-car accident North of town a few days ago I noticed this bit of irony. A sticker on the back window read: "I'd

Rather Be Flying." I had, too, it was a small, foreign-made car that turned over after a tire blew out.

My car was the only other one at the accident scene and I was the only person there. A half-dozen or more vehicles whizzed by, and the only one offering to stop was a truck driver. There was no need for assistance and I waved him on.

This offer to help is but another example of courtesy extended by the trucking industry and its drivers. One helped me a few years ago when our car ran out of gas in the ranch country on Highway 70 between Elida and Roswell. Still unsolved is the murder several years ago of two women and truck driver on the New Mexico highway between Carlsbad and Hobbs. Officers theorized that the women may have been captives of the murderer when the truck driver stopped to help them.

— tip —

SIX FLAGS OVER TEXAS, the Lone Star State's answer to Disneyland, will open to the public Saturday. Located between Fort Worth and Dallas, it is easy to find. On the Turnpike, exit at Highway 360, on Highway 80, take HWY. 360 at Arlington, on Highway 183, take HWY. 360 at Amon Carter Field.

— tip —

In the state, national and world news:

This is one of the rare times that I find myself in agreement with U. S. Senator Paul Douglas. The Illinois liberal Democrat. He has introduced a "truth in lending" bill. In a hearing on the bill, a witness suggested that the true interest rate for loans and credit buying be written on the face of the contract in figures three inches high and preferably in color.

— tip —

Did you notice the daily paper story about a 71-year-old lady making a 125-yard hole-in-one golf shot, and chalking up a 49 for nine holes on her first try at the game? Anyone want to buy five irons, two woods, bag, cart and balls?

— tip —

An 11-year-old Alabama boy "graduated" last week from television's school of violence, crime and murder when he waylaid, shot and burned a rural mail carrier to death in his car. "He liked war pictures and Westerns," the boy's father said in allotting to its portion of the blame for the crime.

— tip —

State legislation which will effect telephones was called to the attention of Texans by General Telephone Company of the Southwest. The three bills which have been passed are Senate Bill 309, which has to do with fraudulent use of telephones; Senate Bill 366, which deals with obstructing the use of a party line during an emergency; and House Bill 921, which deals with destruction or obstruction of telephone, telegraph or electrical transmission equipment.

— tip —

Red Star, a Russian newspaper, has attacked the John Birch Society, which is the best recommendation it can have. I agree with many of the principles and goals of the JB Society as a patriotic movement, but not as a potential political party or a vehicle to boost its founder, Mr. Welch, into a position of leadership in national politics. The two major parties are all we need . . . with citizens retaining their rights to change parties, as more than a hundred did last week in Littlefield.

— tip —

Mississippi's contention that communists are behind the "freedom rides" was strengthened by the charge that two white women "riders" had communist backgrounds.

A group of "freedom riders" from California to Southern States, according to the daily press, was sponsored by the Second Baptist Church of Los Angeles. Churches or churchmen getting involved in the "freedom rides" are doing an injustice generally to the cause of Christianity. And, with communists being linked with the "rides", it

makes the charge that communists have infiltrated the NCU a little more believable.

Drawing nationwide attention is the manner in which the city of Newburgh, N. Y., is handling its welfare aid. Officials of the 31,000 population city say that welfare takes about one-third of the \$3 million annual budget.

Their actions to reduce the aid rolls makes sense. They want to halt payments to all able-bodied men who refuse to work on city projects; to discontinue aid to unwed mothers who bear additional children, and to limit to three months a year aid payments to any person, except to the blind and infirm.

Politicians who thrive on giving tax money away are viewing this practical approach with some concern.

A considerable number of Negroes have migrated to the North in recent years. They comprise only 16 percent of Newburgh's population, but make up nearly half of the welfare rolls.

The South, in caring for welfare cases, has for many years had the problem of the unwed mother still producing children to be supported by public aid.

The Louisiana Legislature passed some bills to reduce this problem in that state.

— tip —

Mrs. Kennedy's sister married into the Polish Radziwill family, and her husband once held a courtesy title of prince. When the Kennedys and her sister and husband dined with the Queen of England recently, the Radziwills were listed as prince and princess on some of the formal printed matter connected with the event.

A columnist in a London paper says they may have been so listed to give the Kennedys a thrill at having a "princess" in the family.

Publicly, he couldn't express it that way, but President Kennedy's private reaction to the "princess" bit probably is: "nuts."

Whatever makes the London writer think that Americans are bowled over by British and European royalty titles? A Laborite in the House of Commons summed up the majority American opinion when he stated last week that royalty is "a very tiny, highly privileged and, in the main, useless minority."

As an outsider, it's ok by me if England wants its royalty, but they couldn't be further from right when they think America is impressed by royal titles.

— tip —

How petty can the public be? President and Mrs. Kennedy received letters criticizing the party they gave on the lawn at Mount Vernon honoring President Ayub Kahn of Pakistan. Common objection was to the party being given near the graves of George

and Martha Washington. Those of you who have visited Mount Vernon know that the tombs are removed by several hundred yards from the front lawn, which provides a beautiful view of the Potomac.

The Kennedys' party was no more a desecration of the grounds and memory of the Washingtons than the practice of letting thousands of tourists pour through the house and grounds every season.

At this stage, it seems that the State Highway Department's toll-free ferry operation between State Highway 87 on the coast and Galveston Island may be stopped. People claiming ownership of submerged land in Galveston Bay, over which the ferry operates, seem to be winning their case in various state courts.

The state has a right to condemn land for highway purposes. Why wouldn't this same right apply to the submerged land in question? The ferry is operated in the public interest, serving the same purpose as a dry highway. Secondary in importance, the ferry is a good tourist attraction for Galveston.

Out here we consider ourselves Westerners-Southwesterners, but a majority of us have Southern leanings. Although not directly involved, we've observed over the past few years a "sock the South" campaign that has been apparent in television broadcasting and in some nationally-circulated magazines. It crops out in the handling of tv news originating in New York City, in the editorial comment and in some of the entertainment shows. Some magazines go to great lengths to show the seamy side of the South.

We received a letter from a Southern State printer offering to sell some surplus printing equipment. Enclosed with, but unrelated to the letter was a small, 4-page mailing piece entitled "A Plan of Action, Monitor South." As indicated, it outlines a sensible "plan of action" to reduce unwarranted attacks on the South. The plan is not directed at those who merely disagree with them, or those who offer criticism on a constructive basis.

The South, apparently, has been successful in bringing economic pressure to bear upon sponsors of some tv news programs. The sponsor began to sit up and take notice when customers started returning credit cards to the company. This campaign, the "Plan" said, was voluntary. If the campaign is ever placed on an organized basis, "Plan" says, "We could deliver an estimated 10,000 to 60,000 credit cards to the desk of Mr. . . . president of . . ."

The "Plan" also outlines other economic pressures that have reduced activities of some firms in supporting either directly or indirectly the "Hate The South" campaign.

I didn't know the "Plan" was in operation until the mailing piece was received here, but I had observed some changes in the tv news programs.

News is news. Newspapers and tv don't make it, but it is their duty to report it . . . fairly. Up until a few months ago the only way you could learn the details of racial strife in the North was to read daily newspapers. Television news, that went all out with commentators and cameramen to cover conflicts in the South, would give only passing, fleeting mention of similar action in the North. Lately, tv news has been giving more complete coverage to race problems in the North. Chicago is an example.

Although it is used from the international level down to individuals, I have a certain amount of distaste for the economic pressure method for any purpose, business or personal. Recognizing that it is here to stay, I am going to suggest its use by the nation's farmers.

Even worse than the "Hate The South" campaign is one being waged against farmers. Let's call it a "Destroy The Farmer" campaign, because that is what it seems to be.

Television and national magazines also are working hard on "his campaign. Broadcast a few months ago over one of the major tv networks was a so-called documentary show that placed the farmers in a bad light before the nationwide viewing audience. Some nationally-circulated magazines are attacking the farmer with even more vigor than they are the South, screaming about subsidies and surpluses. If we should get into war, those farm surpluses which they deride would look good.

Magazines should be the last to

criticize any segment of our economy for accepting subsidies. They use the U. S. postal system to circulate their magazines to the readers, paying only a fraction of the cost it takes for the department to perform this service for them.

Making the "Destroy The Farmer" campaign even more vicious than that against the South is the fact that some daily newspapers and weekly newspapers join tv and magazines in the campaign. Daily and weekly newspapers should avoid the subsidy angle for the same reason given on the magazines.

Television has been severely, and justly, criticized for "rigging" in its industry. I suspect a certain amount of rigging in the story about the New York farmer and his automobile bought with money from layout land in the farm program. Everything reported may be facts . . . facts fabricated to suit the "Destroy The Farmer" campaign. It served the campaign's purpose to further hold the farmer up to public criticism.

The daily press may not have had a hand in the actual rigging, but it did its part in spreading the adverse publicity. The press did, however, give equal coverage

to the five average farmers who drove from Illinois to Washington to offset the bad impression left by the NY farmer and his big car.

Like the magazines and newspapers, most of the ones behind the "Destroy The Farmer" campaign themselves are receiving government subsidy in some form or the other.

If the farmers of the United States would organize on the same sensible basis, and for the same purpose, as "A Plan of Action, Monitor South" they could stamp out this "Destroy The Farmer" campaign in less than six months.

The American Farm Bureau, Farmers Union, Grange and other national farm organizations, although in sharp opposition to each other on some issues, should cooperate to combat the campaign against farmers. If they want some pointers, here is the address: Monitor South, Box 5665, Bossier City, La.

Like "Monitor South," farmers and farm organizations would not want to block constructive criticism . . . just the kind that seeks to destroy the agricultural economy of the country.

From the left—John Conley (Kansas State), from Snyder, Tex., High School; Willie Zapalac (Texas A&M) and Matt Lair (Kentucky), from Texas A&M; Merrill Green (Oklahoma), from Arkansas; and Berl Huffman (Trinity), former Texas Tech coach, returned from private industry in Alamogordo, N. M. King, a University of Texas graduate, formerly coached at Kenedy, Tex., and Enid, Okla., high schools, Tulane, Texas, and Texas A&M.

Lakeview News

Gerald Grant returned Saturday from Canyon where he attended Band School at West Texas State College. He won first chair in the coronet division of the Symphonic Band.

Mrs. T. S. Walser and Bill Walser of Austin, and Mrs. L. V. Risinger of Lubbock were guests in the S. M. Harrison home Thursday. The Walsers are former residents of this community.

Eighty persons attended the picnic and dinner of the Lakeview Methodist Sunday School in Mackenzie Park Sunday.

Mrs. Nita Overton of Mountainair, N. M. is a guest in the Jack Lee and T. E. Lutrick homes.

Mrs. C. B. Beeson has been ill at her home.

Mr. and Mrs. J. C. Belt were visiting in Ackerly Friday.

Suzann and Diane Rambo of Hale Center visited their grandmother, Mrs. L. Ragland.

Mr. and Mrs. Lloyd Goldston and Mr. and Mrs. J. D. Adams left Wednesday to fish a few days at Lake Brownwood and will attend the Fisher family reunion at Comanche Saturday and Sunday.

Mrs. N. Matthews left Tuesday for Mabank where she will assist in caring for her father, L. H. Holcomb.

Rev. O. N. Reed will be engaged in a Revival meeting at Gomez, August 6 through 13.

Mrs. Winston Wilson and Jean spent the weekend with her mother, Mrs. E. L. Fisher.

Nancy Watson returned home from a 10 day visit with her sister, Mrs. Leon Manley and family in Lamesa.

Mr. and Mrs. A. B. Colwell will attend the Rannels County reunion in Mackenzie Park Sunday.

CECIL McCURDY is shown here after he was installed as Worshipful Master of Abernathy Lodge No. 1142, A. F. & A. M., last month. He follows Bob Drace in that office. (Photo by Kenneth Phillips)

Check Your Grain Storage Before Harvest Time

College Station—Advanced planning in checking "on-farm" grain storage may save valuable time during harvest, says W. S. Allen, extension agricultural engineer. Leaky, rundown, and unclean storage buildings will increase hazards from insect and rodent damage, the two factors usually responsible for the loss of quality in farm storage.

A good storage unit should meet certain standards. The roof should be weather tight, the walls should be strong, sound, and rain proof. Any potential water leaks should be patched and caulked to prevent the entry of moisture from the outside. Cover the openings in the walls and gable ends of the buildings with screen wire to keep out rats and birds, and use 1/4 inch mesh wire around the tops of wooden bins. Lining the lower part and door openings with strips of metal sheets will keep rats from gnawing holes at the corners. Check the foundations of wooden buildings to be sure they are not decayed, and repair any foundation deterioration, Allen says.

Be sure all trash, weeds, and grass are clear from around the bins to help reduce rat population and insect infestation. A poisoning program to control rats and a fumigation program to control insects can be recommended by your county agricultural agent.

Store dry grain or provide equipment for drying the grain in storage. The maximum moisture content for safe storage in Texas is 12 percent in most areas. Establish a checking program and check the grain periodically to insure that it is dry, free of insects and that quality is being maintained. A little advanced planning and proper supervision will insure a quality stored product for later sale or feeding, concludes Allen.

Legal Notice

A public hearing of the 1961-62 school budget has been set for August 7, 1961, at 8:00 p. m. in Room 117 of the High School building, in compliance with State law requiring same.

Mr. and Mrs. Jack Connell and Carole attended the Wilson family reunion at Lake Texhoma last week-end.

Donnie Maye Blackmon of Ropesville is visiting her grandparents, Mr. and Mrs. G. W. Blackmon.

Mr. and Mrs. Mathew Goodrich have gone to California to be with his father who underwent surgery.

Mr. and Mrs. Pete Thompson and family of Abernathy, Mr.

and Mrs. Darrell Stephens and family and Mr. and Mrs. Lindell Myatt and family spent several days last week at Santa Fe, N. M., and surrounding places.

Mrs. Grace Halley of Pueblo, Colo., sister of W. T. Embry and Mrs. T. C. Jewell of Crain, Texas, and Mrs. A. L. Faw of Ardmore, Okla., sister and brother of Mrs. W. T. Embry visited in the Embry home last week.

Appointment of R. D. Proseley as a member of the Farmers Home Administration County Committee has been announced by Ralph E. Griffiths, the agency's county supervisor serving Lubbock County.

Farm fires in 1959 resulted in an estimated property loss of \$174 million, according to the U. S. Department of Agriculture.

Tractors and machinery, drownings, firearms and burns from fires are the leading causes of death on farmland and around farm buildings.

LIONS CLUB NEWS

H. B. Coggin, pastor of Abernathy First Methodist Church, was in charge of the program at the Lions Club's noon luncheon at Graham's Restaurant Tuesday. He introduced Woody Coleman and Rev. Don R. Davidson, who are currently engaged in Revival services at the Methodist Church here.

Mr. Coleman, who is a former resident of Abernathy and a former member of Abernathy Public Schools faculty, presented two beautiful spiritual solos. He was accompanied at the piano by Lions Club Sweetheart Edwinna Anderson.

Rev. Davidson spoke briefly but to the point about the treatment of the "aging" people in America. He pointed out that it is up to us as individuals, as church people, as citizens, to help the older people in any way we can, whereby their remaining years on earth may be made more enjoyable.

Engel Introduced
Prior to the program getting underway, Noel Johnson, president of the local chapter of American

'Lope Schedule

The 1961-62 school football schedule has been completed and was released by Pete Wilson, athletic director at AHS.

It was pointed out that all conference games this coming season will be played at 7:30 p. m. It is not yet known whether or not the starting time of the non-conference games will be changed to 7:30 or will remain at 8:00 p. m.

The AHS Antelopes will meet the same teams this coming season as they did last season. Only the dates and the places to be played have been changed.

- Sept. 1—Dimmitt, There.
 - Sept. 8—Spur, Here.
 - Sept. 15—Hale Center, There.
 - Sept. 22—Denver City, There.
 - Sept. 29—Tulia, Here.
 - Oct. 6—Open Date.
 - *Oct. 13—Merton, There.
 - *Oct. 20—Lockney, Here.
 - *Oct. 27—Floydada, There.
 - *Nov. 3—Olton, Here.
 - *Nov. 10—Muleshoe, There.
- * Denotes District Games.

Field Service, introduced Dirk Engel, Abernathy's Foreign Exchange Student. Dirk arrived here last weekend, having been met at the airport in Amarillo by Mr. and Mrs. Andy Reid who will serve as his foster parents while he is here. Mr. Reid, owner of Reid Chevrolet here, is a member of the Abernathy Lions Club which is locally sponsoring the exchange student.

Dirk expressed his gratitude to the Lions and the people of Abernathy for making it possible for him to come here. Dirk's home is in Schweinfurt, Bavaria, Germany. He will remain here for

TAKEN last winter and held for August publication is this cooling scene of heavy snowfall here just a few short months ago. A metal carport at the Billy Shipman home, 412 13th Street, caved in following one of the snow storms.

one year, and will attend Abernathy High School as a senior student.

Complying with American Field Service rules, Dirk will not be available to any organization or group to present a prepared speech until after December 1 of this year.

DOVE SEASON DATE PROBABLY WILL BE SEPT. 1

AUSTIN—The Texas dove season in 1961 probably will be about the same as last year, according to H. D. Dodgen, executive secretary of the Game and Fish Commission. The dates were set at a Commission meeting in Austin July 7.

P. B. Uzzell, assistant director of wildlife restoration, returned from Washington this week where he attended a dove conference. It was agreed at this conference with the U. S. Fish and Wildlife Service that a 60-day season could be set in Texas. Opening date of the North Zone is expected to be Sept. 1. Opening of the South Zone season will be decided by the Commission.

The bag limit probably will be 15 per day or 30 in possession of mourning doves.

There is strong indication, according to Dodgen, that the white-

winged season in the Valley will be set to open Sept. 8. Whether or not it will be a three or five day season is still open.

Last year, the limit on white-wings for the three-day season was 10 per day and 10 in possession. However, there was an aggregate possession of 30 doves, with not more than 10 white-wings.

News Briefs

Scott Graham, son of Mr. and Mrs. Ed Graham, enlisted in the Army and is in training at Fort Hood.

A new residence for the John Dutys is under construction on 13th Street at Ave. G. It is located south of their present home.

Mr. and Mrs. Charles Hines and daughter of Albuquerque visited briefly in the Richard Havens home one day last week.
