Schools Set To Open Next Week

THE ABERNATHY ANTELOPES are pictured above in two offensive units. The two units above are not necessarily 'A' and 'B' squads, as various boys are switched from one group to the other throughout the workouts. In the group at top, left to right, are: Don Hughes, end; Randy Itenson, tackle; Larry Florence, tackle; Mac Houston, center; Kay Don Habbinga, guard; Jim Stillwell, guard; and Jack Waters, end. In the backfield are John Kiker, quarterback; Joe Ybarra, halfback (at left); Dan Thompson, fullback; and Tom Ritehey, halfback. In the lower group are, left to right: Douglas Simpson, end; Billy Barrick, tackle; Billy Jack Hackler, guard; Charlie Stallings, center; Ray Ingram, guard; Bill Lee, tackle; and John Reagan, end. Backfield men include Bobby Pettit and Charles Lusty (left to right), quarterbacks; Pat O'Neil (at left), halfback; George Reagan, fullback; and Larry Boyce, halfback. Not present when the pictures were taken were Ben Templeton, guard; Jerry Settles, tackle; Jerry Bradshaw, halfback; and Larry Poage, end.—(Staff Photos).

'Lopes To Scrimmage Childress Here Friday

The Abernathy Antelopes will scrimmage the Childress High School football squad here Friday afternoon at 1 o'clock, according to Curtis Davenport, head football coach at AHS.

The scrimmage had previously been scheduled for Saturday afternoon, but was changed this week. This will be the second scrimmage for the Antelopes this year (besides inter-squad scrimmages) as they scrimmaged the Tahoka Bulldogs of J. D. Atwell here Tuesday night.

The Antelopes are by no means pre-season favorites to take the district crown this season, but they are expected to win several games.

Floydada is at present picked to win District 2-AA honors, and Abernathy should be in a close tussle for second or third place, according to pre-season information.

The nucleus of the 1961 team of Abernathy Antelopes will be stacked on the shoulders of 205-pound tackle Larry Florence, small quarterback John Kiker, end Jack Waters, and center Mac Houston. These four lettermen were all starters last year for Coach Curtis Davenport. Kiker was an outstanding guard on last year's team, but seems to be coming along nicely as the Antelopes' number 1 quarterback for this season.

Florence, a three year letterman, and Kiker, a two year letterman, each won All-District honors last season, and Waters was given honorable mention.

Captain Davenport stated that he feels that Kiker will make the switch from guard to quarterback just fine. "He's only a passer, but has lots of football savvy," Davenport added.

The Antelopes, who have depended a great deal on their aerial attack, are expected to win several games.

The Abernathy Board of Trustees presented the school's annual budget for public hearing on August 7. Prepared copies of the budget are available in the business office of the school to any interested patron. Copies of the budget may also be obtained at the office of the Abernathy Weekly Review.

The 1961-62 budget calls for an expenditure of \$549,731, which is a reduction of \$5,333 from the 1960-61 budget, stated Noel Johnson, Superintendent. Percentages of the 1961-62 budget are distributed as follows:

Administration	5.7%
Instruction	51.6%
Health Service	7.2%
Transportation	5.3%
Plant Operation	1.5%
Food Service	1.5%
Student Activities	1.5%
Community Service	1.5%
Capital Outlay	1.5%
Debt Service	23.18%

The largest single budget category is instruction which accounts for a total expenditure of \$282,419. The majority of this amount is comprised of salaries which in return are distributed for food, shelter, and clothing items to the economy of this community.

Although four teachers were added for the coming year (three in the white school and one in the East Ward school) due to increase in enrollment, it was possible to cut the budget in the areas of debt service and capital outlay due to the reductions of the outstanding debt and because of the new building and furniture having been purchased out of bond money.

It was pointed out that although the tax rate was the same, the tax values were down for the coming year due to a reduction in oil royalty values. The number of pumping ditches have been drastically reduced causing a loss of income and consequently a loss in value on the properties of the Antelopes oil field. The tax rate of \$10 per \$100 valuation will remain in effect for the third straight year.

The budget was presented prior to the session of the Special Session of the Legislature increasing teaching salaries and a special meeting of the Board will be held this week to amend the budget to encompass the new changes brought about by the Legislature. August 20 was the statutory deadline for presenting a budget and the delay of action by the Legislature to the second special session put a bind on Texas Public School districts.

Mr. and Mrs. Harvey Lutrick and son, Johnny Lynn, have returned from a vacation in Ruidoso, N. M.

Abernathy Public Schools will open the 1961-62 school year at 8:45 a. m. Wednesday, August 30, it was announced by Superintendent Noel Johnson. The first general faculty meeting will be at 9:00 a. m. on Monday, August 28, in the school cafeteria.

School buses will make their morning run at the regular time Wednesday, August 30, and school will be dismissed at 2:00 p. m. that afternoon. Regular all-day school sessions will begin Thursday, August 31. There will be no school Monday, September 4, which is Labor Day.

It was also announced that lunch will be served in the school cafeteria Wednesday for those who wish to take advantage of this service.

High school principal Ralph Stevenson announced that all high school students will have their pictures made for the yearbook and for their own use at the time they register. Students are urged to please be prepared to have these pictures made when they come to register.

Seniors who can graduate with the class of 1962 will order rings at the time of registration. A deposit of five dollars (\$5.00) will be required at the time the ring is ordered.

Vote Set Today On Wheat Quotas

Wheat producers will vote on August 24 (today) on whether or not marketing quotas will be in effect for the 1962 wheat crop. E. J. Fope, Jr., Chairman, Hale County Stabilization and Conservation Committee, said. Quotas for the crop were proclaimed by the Secretary of Agriculture on May 12, but setting of the referendum date was deferred, pending action to provide an improved wheat program for the crop.

In setting the August 24 referendum date, Secretary Freeman said: "The decision that farmers make is extremely important to them and to the rest of the Nation not only for 1962 but also for many years to come. The program available with quotas in effect would be far different from that which could be operated without quotas."

While action has not yet been completed on a new wheat program, the date for the referendum on 1962 wheat marketing quotas is being set now in order that as many producers as possible may be apprised of the voting time. All eligible producers will be encouraged to participate in the referendum, making their desires known through a free vote.

If quotas are approved by at least two-thirds of the farmers who vote in the August 24 referendum, cooperators will be eligible for 1962 wheat price support at a level to be determined later. If quotas are not approved by the necessary percentage of votes, there will be no limit on marketing, and price support—at 50 percent of parity—will be available to those farmers who comply with their acreage allotments.

Ballots will be cast at local polling places throughout the 39-State commercial wheat area. Location of polling places are shown below.

- A—Halfway Community House, Halfway.
- B—Edmondson Community House, Edmondson.

THE REVIEW recently welcomed a new advertiser, The American Tobacco Company, whose Lucky Strike cigarette advertisements have been published in five consecutive issues, including this one. Two representatives of The American Tobacco Company were in Abernathy last week and, using The Review tear sheets of Lucky Strike ads, set up a display in one of the local grocery stores. Pictured above standing by the Lucky Strike display is Harold Fielding, manager and owner of Harold's Super Save, located at the corner of Avenue D and 16th Street. The Review is one of over 500 weekly newspapers in Texas publishing the Lucky Strike campaign advertisements. (Staff Photo)

Shirlee Nesbitt Wins Place On College Girls' Drill Team

Miss Shirlee Nesbitt, 18-year-old daughter of Mr. and Mrs. Paul Nesbitt, has become a member of the widely known Apache Belles, girls' precision drill team at Tyler Junior College.

Miss Nesbitt returned home last Friday after completing an exciting five week training period with the marching group at the college. She is one of 35 freshmen students from throughout the state selected as new members of the team.

Only Area Girl
Miss Nesbitt is the only girl from the South Plains area named to the group this year. She said the 35 new members were selected from a try-out group of around 125 girls.

Mrs. Mildred Stringer is coach for the organization. Miss Nesbitt said the new girls were taught various routines of the team during the training period, then were given a final examination by senior members and a dancing instructor.

She is a 1961 graduate of Abernathy High School, where she was a majorette. She also was a member of the National Honor Society, Future Homemakers of America and the girls' basketball team.

At Tyler Junior College, she will be a pre-law student this fall. The Apache Belles travel with the college band and perform at football games and other special events throughout the state, and at times throughout the nation.

Internationally Famous
The following was taken from Apacheland Smoke Signals, publication of Tyler Junior College: "Who has not heard of the internationally famous Apache Belles and Apache Band? Performing before hundreds of thousands in the Sugar Bowl, Gator Bowl, Cotton Bowl, Rose Bowl, Mexico City, Texas State Fair, Colorado State Fair, gubernatorial Inaugural Ceremonies, and many other famous places in person, through the movies, and over television, they have become the 'toast of the town' and are in overwhelming demand every year."

Dan Thompson, 17, son of Mr. and Mrs. Guy Wilson Thompson, is to undergo lung surgery today (Thursday) at Methodist Hospital, Lubbock.

Mrs. Robert Totty was a patient in Methodist Hospital, Lubbock.

The registration schedule includes the following: sixth graders will register from 8:00 a. m. until 12 noon; seventh grade students will register from 1:00 until 3:00 p. m.; and eighth grade students will register from 3:00 until 5:00 p. m. Jerry Moorhead, principal of the Elementary School, announced that registration of the grade school children will begin at 8:45 Wednesday morning, August 30, the first day of school. Room assignments for registration of Grades 1-5 in the Elementary Building are as follows: First Grade Anglos—All Purpose Room (west end of the building). First Grade Latins—Room 24. Second Grade—Rooms 15 and 16. Third Grade—Rooms 10 and 11. Fourth Grade—Room 8. Fifth Grade—Room 3. Mr. Moorhead also stated that all children entering the first

grade at Abernathy Elementary School must have in their possession their birth certificates, and they also must have had a smallpox vaccination. Either a certificate or the scar must be shown to verify the fact that a smallpox vaccination has been received by each child. A little booklet, entitled "To School One Day," was mailed to first grade students recently. If your child is entering the first grade for the first time this year and has not received a copy of this booklet, you may obtain a copy from the Business Office in Abernathy High School. You may either pick up a copy in person or request by telephone that one be sent to your child.

Local People Are Attending Annual Camp Meeting

The Abilene District of the Church of the Nazarene is having its annual "Camp Meeting" at beautiful Camp Arrowhead, near Glen Rose, Texas. This meeting is the modern counterpart of the old-time "Camp Meeting" that was so much a part of early-day West Texas. The "Camping" is done in modern dormitories and cabins with the meals prepared in a modern kitchen where all are served cafeteria style. The meetings consist of a "Laymens hours," Morning chapel services, and evening evangelistic services. There will be some five hundred people "camping" at Camp Arrowhead during the week with several hundred driving from Fort Worth, Dallas, Waco, and Mineral Wells areas into the service, stated Rev. James H. Robertson, pastor of the local Church of the Nazarene.

Dr. John L. Knight, District Superintendent in Florida, will be one of the speakers. Dr. Knight was the District Superintendent of the Abilene District about eighteen years ago. Monday evening services had been designated "Welcome Home, Dr. Knight," with an expected attendance of seventy-five pastors and 750 laymen.

Dr. T. W. Willingham, execu-

tive director of the Nazarene international radio program, "Showers of Blessings," will also be a speaker. Dr. Willingham is a resident of Kansas City, Mo. Dick and Dorothy Edwards of Long Beach, California, will have charge of the music for the gathering. Rev. R. W. Hurn, Abilene District Superintendent, will have charge of platform arrangements, and Rev. D. M. Duke, of Wichita Falls, will be camp manager. Rev. and Mrs. Robertson and family along with twenty-five to fifty Abernathy people will be in attendance this week. Mr. and Mrs. Hugh Pettit and daughter, Melinda, were on vacation in Ruidoso, N. M.

SELL FOR TOP PRICES THROUGH CO-OPS
 Bigger than you expected, Charlie? That's what happens when you sell through your co-ops. But there's more to it than that. At a co-op, you and your neighbors "sell through yourselves"—which means you share in the earnings of the cooperative. After all, Charlie, you own a share in the co-op when you do business there. Yes sir, Charlie! Check this CO-OPportunity for a better market—prove for yourself that Co-ops are Opportunity.

ATTEBURY REUNION HELD AT LUBBOCK
The annual Attebury family reunion was held at Clapp Park in Lubbock Sunday.
Mrs. C. L. Murray of Abernathy was hostess for the event. There were 14 members of her family present, and others included members of the following families: E. H. "Rocky" Attebury, 13 present; B. E. Attebury,

26 present; T. F. Attebury, Jr. of Austin, 5 present; family of the late W. C. Attebury, 9 present; D. C. "Boney" Attebury, 7 present; J. H. Attebury, Jr. of Lubbock; Mr. and Mrs. J. H. Shinn of Harrington, Kansas; and three distant relatives of the group for a total of 80 persons present.
Clinton L. Stokes moved to Lubbock.

COUPLES CLASS ENJOYS SUNDAY SCHOOL PARTY
The Young Married Couples Sunday School class of the First Methodist Church enjoyed a social at the Abernathy Recreation Center swimming pool last Wednesday night.

After a nice swim, refreshments of sandwiches, Cokes, cookies, and ice cream were served to the following: Mr. and Mrs. Noel Johnson and Leon, Jay and Tonda; Messrs. and Mmes. Carl Rose, Hoppy Toier, Billy Gist, Dale Powell, Jimmy Davis, Richard DuBose, and Richard Havens; Miss Gloria Houston and her fiancé, Ronald Taylor; Wendell

Soils of Olney who is visiting Jay Johnson; and Lawson Hager, lifeguard. Mr. Johnson is the class teacher.
A fine ventriloquist act was presented by Jay Johnson and his friend, "Squeaky." For a 12-year-old boy, Jay did a very fine job, both as a ventriloquist and as an actor. Jay writes his own material and works up his own act for presentation.

Abernathy City Policeman and Mrs. John Marsh have returned from a vacation trip that took them to Dallas, Lone Star and Moody, Texas, and Sheldon, Miss., where they visited relatives.

al abilities in the past, will probably count on their ground play a lot this season. Davenport explained: "We're just not going to be the passing club we usually are. We'll still throw some, but our running game should be our strong point. We have more speed than we've had in the past."

Defense Looks Good
"Kiker at linebacker and Florence at guard or linebacker do a real fine job on defense for us, and we're hoping to get another real good job this year out of Houston. He'll probably be at defensive tackle."

Offensive Units
Present offensive starters on the Antelope team include Houston at center, Jim Stillwell and Kay Don Habbinga at guards, Florence and Randy Henson at tackles, Waters and Don Hughes at ends, Kiker at quarterback, Joe Ybarra and Tom Ritchey at halfbacks, and either Dan Thompson or George Reagan at fullback.
Thompson and Reagan are "battling it out" in workouts for the starting fullback position. Thompson, who weighs 150 pounds, is small and very quick, while Reagan, who weighs in at 175, is bigger and has more power.

With both fullbacks averaged in, the Antelope backfield checks in at an average of 163 pounds. The current line average is about 168 pounds.

The AHS Antelope team this season is composed of 11 seniors, 10 juniors, three sophomores, and two freshmen.

Voluntary Basis
The coaches stated that after the first few days' workouts, the freshmen boys were given the opportunity to make the switch from the freshmen squad to the varsity squad. It was explained that this was done on a voluntary basis, and Thursday afternoon of last week two freshmen boys made the switch. They are Bill Lee, 175-pound tackle, and John Reagan, 170-pound end and back.

Coach Davenport stated that these two boys will continue working out with the varsity twice each day, and added that they "will see some action in varsity games this season."

Freshmen
Fourteen other freshmen are working out, and will compose a "freshman team." The freshman team will play six scheduled games this season, Coach Davenport stated.

Those working out in the freshmen group include Jake Mallow, Jim Owens, Nathan Knight, Ronald Stillwell, Larry Northcutt, Freddie Gekrell, Vincents Vecchio, Arnold Garza, Earl Brown, Sandy Douglass, Tommy Adkisson, Ray Mac Prage, Santos Ramirez, and Joe Sandoval.

FIGURES FROM PLAINS COTTON GROWERS

What will your 1961 cotton be worth? As you know, a lot will depend on harvesting weather. If the quality of the 1961 crop is about the same as for the past three years, prices will be substantially higher than last season's.

Plains Cotton Growers has compiled some new statistics that all Plains cotton growers should study. In the table below are given the approximate loan values which will apply to the 1961 crop in terms of the average quality for the past three years.

Estimated average loan value of 1961 cotton if the quality equals the crops of:

	1958	1959	1960
Cotton classed prior to Nov. 30	30.40c	30.11c	30.45c
Total production 23 county area	29.97c	29.98c	29.36c

Plains Cotton Growers is not advising farmers on the wisdom of contracting. This is a decision for the individual to make. Some farms, because of weather or other conditions, may produce cotton of grades substantially lower than the average. Certainly, a farmer will wish to analyze the facts before contracting at or below the indicated guaranteed government loan values.

STRONG DEMAND MEANS HIGHER PRICES

These figures point up the valuable work being done by PCG in getting acceptance of lower qualities of cotton. Strong demands for these lower grades has used up the supply and raised prices. This is reflected in the loan discounts which are less than half as much as they were before PCG was organized.

The success of this organization in getting recognition for light spotted cotton is well known. This will put millions of dollars in the pockets of all cotton growers year after year.

PCCA's aggressive sales program has helped to move these qualities of cotton into consumption. It has emptied the warehouses, stimulated demand and brought higher prices the following year.

PRICE PROSPECTS CONTINUE GOOD

The 1961 crop expected at planting time to yield 14.5 million bales is now estimated at 13.9 million, a decrease of 600,000 bales. There has been a decided increase in inquiries from abroad indicating a firm price structure. It appears that the demand for Plains cotton will be good.

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF PLAINVIEW AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of the Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Plainview who helped make this department possible is sincerely appreciated.

JOHN McQUIEN

Recognized as one of the more progressive business men of Plainview, John McQuien of the Plainview Co-op Compress Incorporated, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has, and continues to build up good will for the Plainview Co-op Compress Incorporated throughout this entire district.

Mr. McQuien is deserving of praise, and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate John McQuien on his splendid record, and trust he shall continue to serve the people of Plainview and vicinity.

J. R. BEAVERS

Logically a man who has earned the reputation of being one of Plainview's more dependable cotton ginners supply dealers, would in so doing have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is—modest, friendly, J. R. Beavers of The Fans, who numbers many of our readers as some of his best customers.

Mr. Beavers is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because of the ultimate measure of his value to his city and this district lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of Plainview for numbering among their more progressive citizens such a man as J. R. Beavers, and we also express the wish that he will enjoy many more years of success.

H. L. STOWE

It is fitting in this review of progressive Plainview business men that we acquaint our readers with the man to be credited with having maintained the Leader Gin Corporation in the enviable position it holds in the business and commercial life of this area.

That personality is H. L. Stowe, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which this reliable firm now enjoys throughout this entire district.

Mr. Stowe has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which H. L. Stowe and the Leader Gin Corporation have rendered to the people.

ARTHUR BROWN

In bestowing credit upon some of those progressive business men of Plainview, who have contributed their bit to improve both business and civic conditions, we wish to publish a few words about Arthur Brown of the Arthur Brown Standard Service, located at 1911 West 5th Street.

Mr. Brown has set a standard for himself and the operation of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Standard station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

Arthur Brown is also civic-minded, and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend his able assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

O. C. COLLINS

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the Collins Furniture & Appliance, authorized to service for Maytag and Kelvinator Washers & Dryers, in their contacts with the public. And the

ready acceptance of all business and civic obligations by O. C. Collins, proves conclusively that he is a man who is well versed in the principles of successful business management.

As most people know, this reliable firm is a leader in their line of business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment O. C. Collins for the successful management of the Collins Furniture & Appliance, and for his many contributions to those civic projects aiding in the growth and progress of Plainview and the adjacent territory.

EARNIE SCROGGINS

In paying tribute to some of the more progressive business men of Plainview, we would be remiss in our duty should we fail to include Earnie Scroggins of Earnie's Frame and Body Shop whose business ability is no greater than the "know-how" and professional skill which has contributed to his well-earned success in the automotive frame straightening, body repair and painting business.

He has also contributed generously to the welfare of the city and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed, and will continue to perform in the interest of the people as a whole.

Mr. Scroggins is a man of wide acquaintance whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate Earnie Scroggins on his splendid record of service, and trust he shall continue to assist us for many years to come.

ROY GREEN

Roy Green has proved his progressiveness by constantly adding to and increasing the service which the Gardenville Service Station, at 2066 West 24th, has extended to the people. The large volume of business handled by his Sinclair station proves that "service" to him, is not "just a word" but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Green was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Roy Green has many friends in and around the city, and it is a pleasure to bring him before our readers in this review of progressive Plainview business men.

GLENDON "TINY" HAYES

Because this is a period of growth and expansion for Plainview, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Glendon "Tiny" Hayes of A & W Drive-In, for he has become a well known figure in the business and commercial life of this district.

Mr. Hayes' persistent optimism and steadfast belief in the continued prosperity of the people of Plainview and vicinity are characteristics which are deserving of our highest praise.

"Tiny" Hayes has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

C. H. SMITH AND EARL WAYNE NIPPER

In every community there are a number of business and professional men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of Plainview who belong in this category are C. H. Smith and Earl Wayne Nipper of Plains Drug Incorporated.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

Mr. Smith and Mr. Nipper are men who are equally well liked and respected by their intimate friends and their associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Earl Wayne Nipper and C. H. Smith for being good citizens, progressive business men and boosters of Plainview.

W. EVERETT BRYAN AND C. L. HOFFMAN

Due to the efforts of a group of wide awake business and professional men, the city of Plainview has attained a dominant position in the commercial life of this section of Texas. And two of the men who have justly earned credit for being progressive members of that group are W. Everett Bryan and C. L. Hoffman of Bryan & Hoffman well known and completely reliable paving contractors.

It is because of the successful operation of such a business as theirs that the city of Plainview has earned the reputation of being one of the more progressive cities in this area.

Mr. Bryan and Mr. Hoffman have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include C. L. Hoffman and W. Everett Bryan in this Plainview review, and to publicly give them credit for their success in business, and for their many contributions to the general welfare of this entire district.

LEE R. RAWLINGS

It is a privilege in this Plainview review of progressive men and firms that have been such a great aid to the growth and development of this section of Texas, to place such a man as Lee R. Rawlings of the Rawlings Aerial Spraying Company on an equal plane with all others in this rank. In the past few men have exceeded him in contributing of their time and energy to the onward progress of Plainview and the surrounding country.

Mr. Rawlings is recognized as one of the more dependable aerial spraying contractors in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflects the principles which he has always so successfully applied to his business affairs.

We congratulate Lee Rawlings on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

DOROTHY AND PERRY WILLINGHAM

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive men and women of Plainview have found to be the shortest route to success. In making this statement, the two we have in mind are two of Plainview's more dependable citizens, Dorothy and Perry Willingham. The popularity and patronage enjoyed by their many services accentuates the ideals of courtesy and efficiency which they have consistently applied in the management of the business, and in the servicing of its patrons.

The conduct of such businesses, and the people who operate them have done much to make Plainview the business center for many miles around, and it is fitting that we give credit where credit is due to such Citizens as the Willingham's for their part in the onward progress of their city. In so doing, we are merely putting into words the opinions of those who know them.

Perry and Dorothy Willingham have earned their success by the method in which they have served the public, and accepted both business and civic obligations, and we wish them every success in the future.

TOMMY H. RINGWALD

The city of Plainview has assumed its place of importance in this section of the South Plains because of the efforts of far-seeing business men who have helped in developing its industry, or in some manner extended the trade advantages of the locality. One of the men who has taken an important part in many progressive movements is Tommy H. Ringwald of the Ranch House Drive In & Trailer Park, who is also an active member and booster of the newly organized Highway 70 Organization.

Mr. Ringwald has devoted his

share of time and energy to the growth and development of Plainview, and this district, and it is fitting at this time that we attempt to express in a small way, our appreciation for his unselfish contributions to the general welfare of the community.

He is a man of wide acquaintance whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. His upright business methods are but an outward reflection of his inherent appreciation for fair practices. We congratulate Tommy Ringwald on his splendid record of service, and wish him continued success.

RUTH CRAIG

A city grows and prospers by reason of the public spirited men and women who take an active interest in its development. Plainview has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Ruth Craig of the Craig Hamman Oil Company, distributors of Phillips 66 Petroleum Products.

Her business ability, coupled with a sense of obligation to her many satisfied retail dealers have been major factors in maintaining the Craig Hamman Oil Company in a position of leadership throughout this entire area. She not only in her business activities but also in her attention to civic duty, assumed an active part in community affairs.

Mrs. Craig has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Ruth Craig on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

WILLIAM P. SHANNON AND MANUEL W. AYERS

Having acquired reputations for honesty, spendable judgment, and complete knowledge of the insurance business far above the average, William P. Shannon and Manuel W. Ayers, agents for the Hale County Farm Bureau, merit a brief tribute in this Plainview review.

Without assumption or seeking public acclaim, they have, for years filled their places in the community as two of its solid citizens, performing their duties of citizenship quietly, yet efficiently as leading and progressive business men. Mr. Shannon and Mr. Ayers hold high positions in the esteem of the public generally.

It not only as practical executives whose sound judgment and right-sighted planning have brought such fine things to themselves but it is because of their insipid optimism and loyal friendship that William Shannon and Manuel Ayers are held in such high regard by the people of this entire district. We gladly praise the records of these two dependable Plainview insurance counselors.

LUIS J. McBEE

To be a consistent and persistent member of any community, often takes courage and plenty of optimism. It is because of his unflinching faith in the future of Plainview and the surrounding country, and his unflagging efforts to promote its development that Louis J. McBee is selected now for this brief salute.

Mr. McBee has a proved very ability as a restaurant operator (unusual ability, for it is largely due to his ideals of service, supported by a determination to see only the very best of food served in a delightful atmosphere, to be had at the Chicken Inn located at 2003 on West 5th St. in Plainview.

His personality and energy in directing the operations of the business are important factors in his outstanding success.

We are glad to pay tribute to Louis J. McBee and to point out to our readers that his guiding interest is responsible for the high service and delicious food served in a delightful atmosphere, to be had at the Chicken Inn located at 2003 on West 5th St. in Plainview.

BYRON C. BENNETT

By C. Bennett, owner of Bennett Fertilizer Company, located at 909 South Date, has a well earned reputation for progressiveness because he has consistently forged ahead in his business never letting up in his effort to make the service he renders to the people more valuable. His invariable policy has been to sell the best fertilizer available, and in its field, he has outstandingly well known throughout this entire area.

But, Bennett has accomplished much more than just making a success of his business and private affairs, and we take this

opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Byron Bennett the credit for his accomplishments which his friends and associates have so long accorded him.

R. L. BOUCHER

Plainview owes much to those progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section. In mentioning some of these men, it is only fair to include R. L. Boucher of Boucher Homes, whose outstanding knowledge of the building and contracting business, backed up by his many years of experience has brought him to the forefront in his particular field.

Mr. Boucher is wholly deserving of our sincere praise, and these few words of commendation are but just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that R. L. Boucher will continue to serve the people of Plainview and the surrounding area for many years to come.

BOBBY COLLINS

Bobby Collins, who just a short time ago assumed the operation and management of the College Hill Mobile Service, located at 210 West 5th, in Plainview, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new endeavor, and to conduct his affairs accordingly.

Although he has been managing the business for a comparatively short time, he has already made many new friends and satisfied customers for the College Hill Mobile Service.

Mr. Collins is an active energetic man, whose sincere and friendly personality and desire to be of service, is rapidly earning a place for him in this district. He has always taken an interest in community activities, and in due course of time will assume his full share of civic responsibilities.

Bobby Collins deserves a word of praise for having so quickly established himself in his new endeavor, and we are glad to give him this brief mention.

WARREN MATHIS

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is Warren Mathis of Mathis Irrigation Engines Service, who well deserves the reputation he has earned for being one of Plainview's more progressive business men.

His thorough knowledge of everything pertaining to the irrigation engines sales and service business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Moreover, such experience as Mr. Mathis has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Warren Mathis in this group of dependable and civic minded men who are actively taking part in the evolution of the business and commercial life of Plainview.

JAMES KILPATRICK AND JOHNNIE L. HARRIS

Plainview has attained a prominent position in the business and commercial life of this section of the South Plains because of the foresight of those men who had the ability to envision the possibilities of the community, and the trade area it serves. And two wide awake progressive men who justly should be included in this category are James Kilpatrick and Johnnie L. Harris of American Homes Incorporated.

Such men have many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Kilpatrick and Mr. Harris have earned the good will and respect of their fellow citizens for contributing their bit to the general welfare of the city and the people as a whole.

It is our duty to include Johnnie Harris and James Kilpatrick

that group of progressive and civic-minded men who have done so much for Plainview, and to express the wish that they will continue for many years to forge ahead with the success which they have enjoyed in the past.

JOE A. SMITH

Joe A. Smith of the Frontier Body Shop, is one of those progressive business men who has always done his bit to maintain the prestige of the city of Plainview as the leading trading center of this section of the South Plains. He has always worked for the development of the city, and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Smith to a position of leadership in the automotive body repair and painting business.

He is completely aware of his civic responsibilities, and is wide awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment Joe Smith on his accomplishments, and wish for him continued success.

LLOYD WATTS

Performing an outstanding service for the people of Plainview and the surrounding territory, Lloyd Watts, Resident Manager for Mutual Of Omaha, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well earned success.

Mr. Watts is a man of ideas, and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the public. His sound business judgement and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet, he is unassuming and modest in his personal contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Lloyd Watts who have caused Plainview to become recognized as the metropolitan trading center for this section of the South Plains.

A. L. AND EVELYN HOLLAND

A. L. and Evelyn Holland of Holland's Gifts, located at 1715 West Fifth Street, are two citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have, in the past, and no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. and Mrs. Holland have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Evelyn and A. L. Holland to our readers as good examples of the more progressive type of business people who have aided in the growth and development of Plainview and the surrounding country.

HENRY BLALOCK IS HOSPITALIZED

(By O. F. Rea)
Henry Blalock was taken to the West Texas Hospital about 3:00 a. m. on Tuesday night of last week suffering from a rather severe heart condition. A phone conversation with Mrs. Blalock revealed that his condition was slightly improved, as of Friday, Aug. 18, but he is undergoing treatment and cannot have any visitors.

There was some considerable damage to the heart and it may take three months or so before he can be getting about to any extent. Henry is still in the hospital, and will be for some time yet.

Plains Cotton Growers And Ginners Joint Meet Is Set For August 26 In Lubbock

LUBBOCK—Two nationally prominent speakers representing the American Cotton Textile Industry and the U. S. Department of Agriculture have accepted invitations to address the joint annual meeting of the Plains Cotton Growers and the Plains Ginners' Association.

The two big cotton organizations will hold a combined meeting rather than the two separate meetings which have been held in the past. The joint meeting will begin at 9:30 A. M., August 26 in Fair Park Coliseum, Lubbock. Prior to the meeting, at 9:00 A. M., PGC county directors will meet to select officers for the 1961-62 year. Plains Ginners' directors will meet prior to lunch for the election of their officers.

Main speakers for this year's program will be S. R. Field, Vice President, Purchasing, Fieldcrest Mills, Inc., Spray, North Carolina and Robert C. Sherman, Cotton Division, Foreign Agricultural Service, USDA, Washington, D. C. Mr. Field will discuss the domestic market potentials and problems as related to the cotton producer and our domestic mills. Mr. Sherman will talk on the cotton export market situation. "We are indeed fortunate to have such highly qualified men to discuss these subjects which are of vital interest to our area," said Mr. W. O. Fortenberry, President of the Plains Cotton Growers.

As in past meetings, the door prizes will be awarded throughout the day and a free barbecue will be held at noon. Orville "Sleepy" Bailey, President of the Plains Ginners' Association, announced that they will again offer as a special attraction prizes of several Texas Tech season football and basketball tickets. Only cooperating ginners who are present at the meeting will be eligible, he announced. As a special feature again this year, the PGC in thanks for the cooperation and help of South Plains ginners are awarding a grand prize to some lucky ginner and wife, of a free trip to the Texas State Ginners Association annual meeting in Dallas next April. To be eligible, the ginner must be present at the meeting, August 26, and be a cooperating member collecting dues for the PGC. In addition this year, the PGC will award a prize of a similar trip to a producer member and wife who are present at the meeting.

In addition to the major addresses listed above, other parts of the joint meeting will include reports from the presidents of both organizations, reports from Ed Bush, Executive Vice President, Texas Cotton Ginners' Association and George W. Pfeiffenberger, Executive Vice President Plains Cotton Growers, Inc. and a talk from Troy Price, Manager, Texas Em-

ployers Casualty Company, on gin safety.

School Lunchroom Personnel To Meet Friday

Mrs. Edith Wilson, manager of Abernathy's school lunchroom, announced that all lunchroom employees will meet on Friday, August 25, at 1:30 p.m., for an orientation period.

The lunchroom personnel will be making preparations for a record number of participants in the school lunch program this coming year. The average number of children eating in the lunchroom daily last year was 603.

Several of the lunchroom cooks and bakers attended a foods workshop at Texas Technological College during the month of June.

SCHOOL TO PARTICIPATE IN ACCIDENT INSURANCE PROGRAM FOR STUDENTS

The following letter, which is self-explanatory, was furnished The Review by School Superintendent Noel Johnson.

To Whom It May Concern:

The Abernathy Public Schools will participate in a student accident insurance program for the school year 1961-62. This is a program that the school district must offer to all students in order to obtain athletic coverage for football.

The writing agency that the School Board has selected writes 80% of this type of coverage in Texas. The School Board in authorizing this plan does not relinquish in any form or manner its legal immunity as a tax-supported institution having no legal responsibility for accidents involving students in any endeavor, including athletics.

Under no circumstances will the school pay to any doctor, hospital, parent, student, or others any money in conjunction with any claims unpaid or partially paid.

Students, faculty members, parents, patrons, and doctors must understand that the school district will not be responsible for the settlement of any claims other than providing the claim forms.

Nazarene "Pals" Enjoy Hay-Ride And Wiener Roast

Thirty-eight Nazarene "Pals" met at the church last Thursday evening for a "hay-ride" and wiener roast. Mr. and Mrs. Jack Houts, local "Pals" leaders, accompanied the group. Mr. Wilson McGuire also went along.

The "hay-ride" began on the high school parking lot and made a round trip of some 20 miles. Mr. W. V. Halford furnished a tractor and a cotton trailer for the "Pals," and Mr. R. L. Hall furnished watermelons for the group. Mr. and Mrs. Vester Patterson had the fire going when the group arrived at their farm and they roasted wieners and ate watermelons there.

"Pals" is an international fellowship of "Teens" with local chapters in Churches of the Nazarene around the world. "Pals" purpose is fellowship, fun, and service. The local "Pal" chapter is sponsored by the N.Y.P.S. and has as its leaders Mr. and Mrs. Jack Houts.

Jimmy Pope, a graduate of AHS and Texas Tech, has accepted a teaching position on the Pep school faculty. He also will coach basketball. Jimmy is a son of Mr. and Mrs. J. W. Pope.

Students May Make Arrangements For Piano Lessons

Parents of elementary age children who are interested in their children taking private piano lessons may make arrangements on the morning of August 30, which is the first day of school.

The school authorizes two teachers per year to teach private lessons in the elementary building during class hours as a convenience to patrons.

Eleanor Bond and Mrs. Melvin Toler offered private lessons last school term and will be available again during the coming school term. Mrs. Bond and Mrs. Toler will be available in the music rooms in the Intermediate School between the hours of 9 and 11 on August 30. Arrangements for non-school hours should be made other than involvement of school facilities to conform with School Board Policy.

"I like my dishwasher best of all!"

says Mrs. Paul Toliver, 1201 Xenia, Plainview, Texas

Mrs. Toliver moved into a new Medallion Home almost a year ago and while she appreciates all her electric appliances, she most likes her electric dishwasher. "I have fingernails for the first time in years," she says. This is her way of pointing out that since strong detergents never touch her hands, her nails stay pretty. "I just push the button

and the dishes wash while I'm out," she adds. "Mother washes everything in her dishwasher—pots, pans, dishes... even silverware, fine china and crystal—all come out sparkling clean. And you can guess how much I like it, being a busy teenager," says Dorthlyn, the Toliver's lovely daughter.
