## Antelopes To Entertain Spur Bulldogs Here Friday Night

**NEW TEACHERS**—Eight new teachers were employed this year in the Abernathy Public School System, and are pictured above. They are, front row, left to right: Mrs. Sue Davenport, fifth grade teacher; Mrs. Juanita Nun, fourth grade teacher; Miss Ruth Torres, third grade teacher; and Miss Helen Bennett, high school speech and English teacher. Back row, left to right: Jerry Adams, high school vocational agriculture; Deony Park, mathematics in junior high; Robert Kayls, junior high language and arts; and Frank Simpson, high school history.—(School Photo).

The Abernathy Antelopes will play host Friday night to the Spur Bulldogs for the local team's first home game of the season. Spur will be playing on "foreign" ground for their second game of the season as they played at Floydada last week where the Whirlwinds handed them a 27-0 defeat.

Both teams will be fighting for their first victory of the season. The Spur team depends a lot on its fullback Ray Don Thompson, a 175-pound senior who also appears to be a good defensive man at the linebacker position. Quarterback Richard Walker is expected to also get some help from halfbacks Howard Landreth and Sam Parsons and may try passing some to Parsons as he did in the game last week against Floydada.

The Antelopes, however, should have learned their lesson in the Abernathy-Dimmitt game last week and will probably show a stronger pass defense Friday night against Spur. If lots of hustle and chatter in workouts have anything to do with it, the Antelopes should be playing one of their better games of the season here tomorrow night.

## Cotton Growers To Meet Here In Cafeteria Tonight

Opportunities for greater markets and acreage, and a plan by which cotton growers can achieve them at a profit, will be discussed Thursday, Sept. 7, in the high school cafeteria in Abernathy.

Announcement of the meeting was made by J. C. Mills, Abernathy Chairman of Organization Committee, Cotton Producers Institute. Cotton growers are urged to attend the meeting which begins at 8:00 o'clock that evening. "The total market for U. S. cotton can increase five million bales in the next seven or eight years," he said. "Whether we are able to achieve this 25 percent increase in production at a profit depends on what we, as cotton growers, are willing to do to bring it about."

The committee chairman said interested cotton growers have initiated a business movement to assure success in the endeavor. It will offer a new approach—a business approach based on proved American methods—to cotton's future, he stated.

During the 40 minute side presentation, speakers will describe the potential market for cotton, the program required to achieve it, and the grower's role in these efforts. Specific opportunities in research and promotion that need immediate attention if cotton farmers are to expand their market—and their production and profits—will be spelled out by speakers.

Attending a meeting at Graham's Tuesday morning of this week were the following cotton growers and ginners of this community: J. C. Mills, who acted as chairman, Irvin Rhodes, Noble Rice, Harold Davis, Carl Phillips, A. L. Marcy, H. S. Tennel, Clayton Enger, Joe Lovelace, Billie Harrison, E. A. Houston, Pete Thompson, E. A. McDougal, and Leland Phillips.

Each of the men is to contact five other cotton producers in his area and invite them to the meeting Thursday night, Sept. 7, at 8:00 p. m., in the High School Cafeteria.

If you are a cotton producer it is to your interest to attend this meeting and you are urged to be present. You are asked to contact any of the above named men for further information.

A Mr. Sears of the Cotton Producers Institute is the speaker for the Tuesday meeting and will have a very brief outline of the work to be accomplished.

## P-TA Study Course To Be Held Here Tuesday Night

Tuesday, September 12, has been designated by the local P-TA as a Study Course day. Mrs. Marvin Armstrong, who is the Fourteenth District President, will teach the book entitled "P-TA Leadership Procedure Course." It is designed for all persons interested in becoming better P-TA members and is particularly instructive for present chairmen and officers.

Those desiring to take the Study Course should contact either Mrs. Elbert Harp or Mrs. Lawrence Carter in order that a copy of the book may be secured for them. These books will be furnished by the local P-TA.

All persons wishing to take advantage of this Study Course are urged to meet in the School Superintendent's office Tuesday morning at 9 o'clock. A study room will be assigned at that time.

## New Deal High Selects New Band Director

Paul Frank Smith was recently employed as the band director at New Deal High School. Mr. Smith was a private music teacher in Lubbock prior to his position at New Deal.

He is in his fifth year as a band director, having served in that capacity at Frenship, Wilson, and Friona.

Mr. Smith's undergraduate work includes a Bachelors degree and a Masters degree from Texas Tech, where he played first clarinet in the Tech Band. He has also studied at the University of Mississippi.

## BIRTHS

Mr. and Mrs. Jimmy Mills of Petersburg are parents of a son, Kelly Jay, born August 30 at Plainview Hospital and Clinic. The baby weighed 7 pounds 6 ounces and is a grandson of Mr. and Mrs. E. L. Manley of Hereford and Mr. and Mrs. J. C. Mills of Abernathy.

Mr. and Mrs. Frank Simpson are parents of a son, born in West Texas Hospital, Lubbock, September 5. The baby weighed 7 pounds 10 1/2 ounces. The father is the new history teacher employed this year at Abernathy High School.

Mr. and Mrs. Guadalupe Rayes of New Deal are parents of a daughter, born Sept. 2. She weighed 8 pounds.

Mr. and Manuel Oliver of New Deal are parents of a son born September 5, and weighing 9 pounds.

## New Deal To Play Lazbuddie; Lost Opener To Amherst

The New Deal Lions will play their second ball game of the season away from home again this Friday night as they travel to Lazbuddie for a non-conference tilt. The Lions will be keeping a sharp eye on end James Brown, one of quarterback David Koelzer's favorite aerial targets, as well as trying to keep in check the running power of the Longhorn backfield.

New Deal should be "up" for the game as they will be seeking their first victory of the season, having lost last week to Amherst, 34-16. According to the New Deal coaches, the Lions played a pretty good game last week, but just couldn't cope with the Bulldog's speed. Once in the secondary, the opponents were "off and running."

New Deal scored first against Amherst when quarterback Don Enger passed to left end Don Brown for a 40-yard touchdown play. Fullback David Attebury ran the extra points.

The Bulldogs scored once in the second quarter and added the extra point to knot the score 8-8, then added 20 points in the third quarter and 8 in the final period. New Deal's final touchdown came in the fourth quarter when Attebury rammed two yards for the TD and then added the extra points.

For a rundown of the game see Ann Speer's column, Newsbits From New Deal High, on page 3 of this paper.

## Football Page To Appear Prior To Each Home Game

Readers will find in this issue of The Review a full page (page 5) giving support and encouragement to the 1961 AHS Antelope football squad.

The "football page" will appear in the Review prior to each of the five home games this season. The page is made possible by the combined support of local business firms which are listed at the bottom of the page, along with location and phone numbers. Read the names of the firms listed, and give them your support by "trading at home."

Also read through the football program at Friday night's game. There, also, will be found ads placed by several local business firms.

## Bowling News

Jim Herring, manager at A-1 Lanes, announced that Red Head Pin Day will be held from 9 a.m. until 6 p.m. each Wednesday. See their ad on page 9 of this paper for a complete list of league times.

The Men's Major League is to hold a meeting at 8 p.m. Thursday (tonight) in the League Room at A-1 Lanes. Those who aren't signed up or who don't have anyone to bowl with are asked to come on down and be prepared to bowl. If an even number of teams are signed up, league bowling will commence that night at 9 o'clock. If an odd number of teams are signed, league bowling will be postponed for one week.

## Meeting Sept. 11

A meeting of all bowlers interested in participation in a Men's Commercial Monday Night League are to meet at 7:30 p. m. Monday, Sept. 11, in the A-1 Lanes club room. It is hoped that the league can be started the night of the meeting.

## Japanese Representatives Study Grain Sorghum Here

A group of representatives from the Japanese Ministry of Agriculture and from Importers for Japan were in the Abernathy area Saturday to study production, marketing and utilization of grain sorghum.

Ippel Koshibe, assistant chief, Import Business Section Food Agency, from Tokyo, Genaro Hirose, representative of the Mitsui and Company, Ltd., and of all importers in Japan, and M. Ichihara, representative of Food Agency out of Portland, Ore., were accompanied by Bill Nelson, executive vice president of the Grain Sorghum Producers Association and Charles Potucek, representative of Great Plains Wheat Growers Inc., of Garden City, Kan.

They were guests of the Elbert Harps while in the Abernathy area. Harp is secretary-treasurer of the GSPA, and is a director of the national organization.

In addition to inspecting grain sorghum the group visited elevators and feedlots in the Plainview area and the High Plains Research Foundation near Halfway.

**NEW DEAL FOOTBALL SQUAD**—Pictured above are members of the 1961 New Deal High School football squad. They are, seated, left to right: Larry Harral, Mack Covey, Glenn Price, Don Enger, Kenneth Boothe and Jerry Brown. Standing, Coach Bob Wills, Glenn Coker, Gary Wheatley, Leon Cox, Clifford Ricken, Jimmy Justice, Ronnie Haggard and assistant coach Mel Williams. Standing, Johnny Hamilton (with broken foot), Otis Cox, Larry McBride, Charles Shropshire, David Attebury, Donald Brown, Jimmy Barrington and Gary McBride (who recently had his tonsils taken out). (Staff Photo)

## City Council Sets September 13 As Date For Budget Hearing

A public hearing for the purpose of reviewing the budget for the City of Abernathy has been set for 7:30 p. m., Wednesday, September 13, it was announced by City Manager Paul Noland. The date and time were set at the regularly scheduled City Council meeting Monday night.

The budget is on file in the city hall where any interested parties may examine it, Noland stated.

## Paving Progressing

With the paving work on city streets progressing rapidly, city officials made an inspection tour of the completed blocks Monday afternoon, and at the council meeting Monday night 32 units of the paving project were accepted as being completed. This number represents about 50 percent of the project.

## To Add Street Lights

The Council voted to place four new street lights in the Vineyard Addition. Locations for the new lights are at the corners of Ave. F and 1st Street, Ave. F and 2nd Street, Ave. D and 1st Street and at Ave. D and 2nd Street.

## Street Sweeping

Noland reported that city officials are trying to set up a schedule for certain streets to be swept by the sweeper at certain times. At present, parked cars on many streets prevent complete sweeping jobs.

If a schedule can be worked out, and the people informed as to when their streets are to be swept, complete sweeping jobs can be done on many streets, thus improving the drainage problem as well as being "preventative maintenance."

## No Trucks On Square

The City Council members voted to prohibit the parking of trucks in the city parking lot in front of and to the north of the city hall. Cars and pickups may use the parking facilities.

## Ordinance Passed

During the council meeting, an ordinance requiring electrical and plumbing inspection of buildings and houses being constructed in the city was passed. Owners must acquire a permit from the city hall before the houses or buildings may be constructed. No fee for the permits was set.

## Street Sweeping

Noland reported that city officials are trying to set up a schedule for certain streets to be swept by the sweeper at certain times. At present, parked cars on many streets prevent complete sweeping jobs.

If a schedule can be worked out, and the people informed as to when their streets are to be swept, complete sweeping jobs can be done on many streets, thus improving the drainage problem as well as being "preventative maintenance."

## Ordinance Passed

During the council meeting, an ordinance requiring electrical and plumbing inspection of buildings and houses being constructed in the city was passed. Owners must acquire a permit from the city hall before the houses or buildings may be constructed. No fee for the permits was set.

According to reports, Mr. Johnson was blinded by headlights of an on-coming vehicle and went off the road. He lost control of his car and hit a utility pole, it was stated.

Two of his daughters were injured in the mishap, but were not believed to be seriously hurt, according to the report.

## Abernathy Beaten By Dimmitt Aerial Attack There, 20 - 6

The AHS Antelopes journeyed to Dimmitt last Friday night to open the 1961 football season, and were defeated 20-6 by the Bobcats' aerial attack. Even though the local lads lost, they played a good ball game but were somewhat weak on pass defense.

The Antelopes, although finding it hard to sustain much of a drive against the larger Bobcat line, were a constant threat with the broken field running of speedy halfback Tom Ritchey. Quarterbacks, John Kiker and Bobby Pettit shared the duties of trying to muster a ground attack, but finally had to settle on a 44-yard pass from halfback Ritchey to end Don Hughes for their lone touchdown of the night.

Dimmitt took advantage of the passing ability of quarterback Jim Ratcliff and receiving ability of rugged end Wayne Meacham and Mike Calvert, to come through with the victory.

The Bobcats opened the scoring when they went for the TD from 27 yards out during the first quarter. The Antelopes blocked the try for extra point.

Abernathy tied the game early in the second period after Dimmitt had moved deep into Abernathy territory. With the Bobcats on the Antelope's 25, the Abernathy defense tightened and Mac Houston spilled Ratcliff for a no gain on fourth down. Here the inspired Antelope team used only five plays to move the ball 75 yards and tie the game. A 16-yard jaunt by Ritchey aided in moving the ball down field. From Bobcats' 46 yard line Ritchey faked an end run and lofted a pass to right end Don Hughes who pulled the ball off the finger tips of a Dimmitt defender on the 12 and raced over the goal line. Ritchey's try for the extra point was blocked.

Midway in the second quarter Ritchey sprinted 80 yards up the left sideline for a TD. However, officials ruled he had stepped out of bounds on the 50 yard line. Dimmitt scored again just before the end of the game.

Mr. and Mrs. Don V. Cunningham of Irving visited his parents, Mr. and Mrs. W. V. Cunningham, here over the Labor Day weekend.

## School Enrollment Report Is Given

As of Tuesday morning of this week, less than a week after the beginning of the 1961-62 school year, the Abernathy Public Schools had a total enrollment of 1,198 students, announced Noel Johnson, superintendent. This total includes 60 Negro students in the first eight grades of the East Ward School.

The number enrolled is about what school officials expected, but enrollment is expected to increase and should reach its peak probably during the month of November.

The elementary schools, being composed of the first five grades, had a total of 611 students. There are 147 first graders, 115 second graders, 118 third graders, 122 fourth graders, and 109 fifth graders.

In Junior High, grades six, seven and eight, there was a total of 270 students. Ninety-one of the Junior High students are sixth graders, 101 are seventh graders, and 78 are in the eighth grade. The high school had enrolled 80 students as freshmen, 51 as sophomores, 59 as juniors, and 67 as seniors, for a total of 257 in the top four grades.

Twelve to Dunbar Twelve students were transferred this year from East Ward School here to Dunbar High School in Lubbock. Of the twelve, one is a senior, four are juniors and seven are freshmen.

The senior student is Wilbert Joe Mathis. Junior students are L. J. Betts, Edward Lee Brown, Dorothy Minor, and F. G. Mathis. Those in the freshman class include Lesmir Connally, J. D. Minor, Coleen Mathis, Billy Don Manus, Emma Jewel Lewis, Etta Lue Johnson, and Frankie M. Johnson.

NEW DEAL GETS FIRST LOAD OF 1961 GRAIN THERE

Marion Warehouse and Storage Co. of New Deal reported that their first load of 1961 grain sorghum was delivered there by Harvey Bird, August 18.

Mr. Bird farms about five miles west of New Deal.

## Seceral Choice Reserve Football Seats Available

School Athletic Director Pete Wilson announced that season reserved seat football tickets may still be purchased from his office, even up to 6 p. m. tomorrow (Friday).

He stated that he still has several really "choice" seats available, and urges those who have not done so to buy their tickets prior to 6 p. m., Friday and take advantage of the special offer.

## Gate Opens At 7 P.M.

Coach Wilson stated that those wishing to drive their cars into the parking area around the football field may line their cars up at the gate, but added that the gate will not be opened until the set time of 7 p. m.

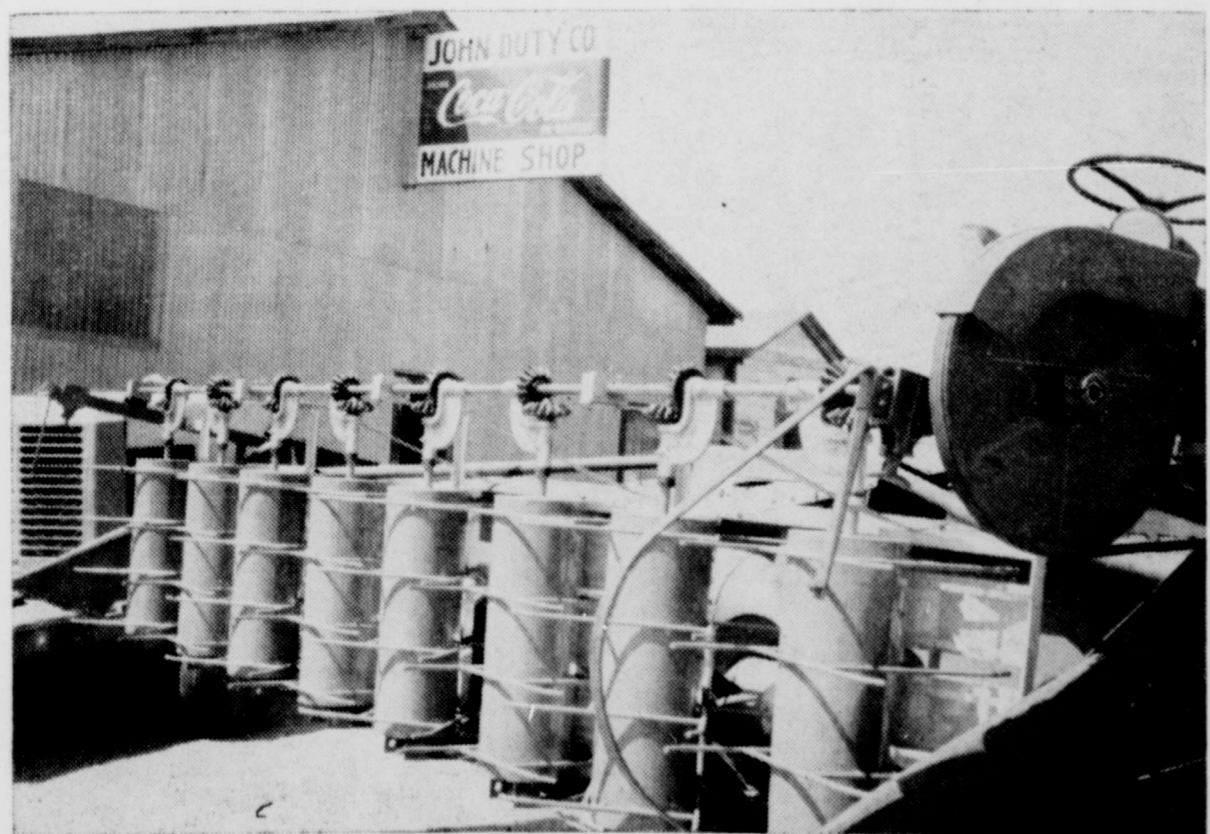

## Prices Increased

Due to a District 2-AA provision, of which Abernathy is a member, adult general admission tickets will sell for \$1.25 each for all home games this year. That will be the minimum price of admission at each game away from home, also, Coach Wilson stated. Price of student tickets remain at 50 cents per game.

## Reserve Seat

Abernathy school officials are again making season reserve seat tickets available for the same amount as general admission tickets if they are purchased before the first game.

Season tickets will sell for \$6.25 since there are five home games. If reserve seat tickets are purchased for individual games the price will be \$1.50 per ticket per game, Coach Wilson concluded.

**ROW CROP GATHERING ATTACHMENT**—The above pictured combine attachment to aid farmers in gathering a higher percentage of their grain sorghum was manufactured by John Duty, owner of the John Duty Company at the corner of 15th Street and Avenue D in north Abernathy. Duty claims that the mounted attachment, which is precision built, is trouble free, long lasting, and easy to operate, in addition to enabling a farmer to gather a higher percentage of his grain crop . . . and it will also handle soybeans. See his ad on page seven of this paper. (Staff Photo)

**Cerebral Palsy Clinic To Be Held Sept. 14**

Dr. Esther E. Snell, Director of the Lubbock Cerebral Palsy Treatment Center, has announced the next clinic for Thursday, September 14, according to information received by the Abernathy Weekly Review.

The Center was founded by the Lubbock Society for Crippled Children and the Lubbock Rotary Club in 1948, and is located at 2502 Avenue N in quarters planned to meet the needs of the treatment program and built by community effort. Through the generosity of interested individuals and organizations, the Center offers treatment without charge to all cerebral palsied children regardless of race or creed. Cases must be referred by their local physicians for admission to the Center and must register at the Center prior to the clinic date.

Qualified physicians and dentists, donating their services, are present at all clinics to examine patients and prescribe treatment. Parents are given instruction for exercises and care, and appointments are made for future visits to the Center.

**Lubbock Fair Attractions Are Being Readied**

With the opening of the Panhandle South Plains Fair "just around the corner," several crowd-pleasing attractions have already been signed, Fair officials said.

Feature attraction in the Fair Park Coliseum for the 1961 Fair will be the 21st edition of Ice Capades, which recently returned from a smash hit in Europe. The ticket office will be in the Pioneer Hotel in Lubbock and advance ticket information is available from the Lubbock Chamber of Commerce.

One of the top attractions of the 1960 Panhandle South Plains Fair was the I. Q. Zoo. Due to its overwhelming popularity, Fair officials resigned a larger I. Q. Zoo this year. It will feature two more acts than in 1960 and a stage show which is being introduced this season. Also scheduled is an antique auto show, the parade of bands, the Bill Hames midway, and children's barnyard, just to name a few.

Mr. and Mrs. Dewey Hammond were in Dallas early this week where they bought merchandise for Helen's Gift Shop.

If it RAINS on your car within 24 Hours from the time you pick up your newly washed car, we will re-wash it for you FREE.

**Peters Mobil Service**

QUEENS—Pictured above are five of the six young ladies who were crowned queens August 23 during Coronation Services for the Girls Auxiliary to the Women's Missionary Union of the First Baptist Church. They are, left to right: Francis Burnett, Betty Tow, Vicki Overstreet, Jane Thompson, and Patsy Hill. Also crowned as queen but not pictured was Toni Turpen. The castle in the background was painted by Mrs. Roy Matthews, Mrs. E. L. Kelley, and those who work with the organization.

**"Majestic Moments" Was Theme For Girls Auxiliary Coronation Service Recently**

"Majestic Moments" was the theme used in a Coronation Service, August 23, for the Girl's Auxiliary to the Women's Missionary Union of the First Baptist Church.

Mrs. Billy Skipper WMU president, presided and Mrs. Joe Griffin presented each girl with the award earned by learning the work required of her.

The girls recognized as Maidens

were: Kathy Blair, Joy Wright, Juanita Brown and Kerry Young. Sharon Morgan was recognized as a Princess.

Those crowned as Queens and their Crown Bearers, respectively were: Betty Tow and Janis Griffin, Jane Thompson and Kim Thompson, Patsy Hill and Susan Rape, Vickie Overstreet and Dana Smith, Toni Turpen and Zoe Thompson, and Francis Burnett and Debbie Burnett.

Adult leaders of the Girl's Auxiliary are Mrs. Thomas Conner, Director; Mrs. George Burnett, Mrs. Robert Scott, and Mrs. Ralph Davis, Counselors.

The setting for the service was a Castle painted by Mrs. Roy Matthews and Mrs. E. L. Kelley and those who work with the organization.

Background music was provided by a girls' chorus composed of Peggy Davis, Pam Davis, Martha Struve, Sara Lou Bruce and Janie Brown, directed by Mrs. Johnny Skipper. They were accompanied at the piano by Edwinna Anderson.

"We urge all drivers to be sure they send the right amount in with their renewal applications," said Col. Homer Garrison, Jr., DPS Director. "Those which are accompanied by the old fees after September 1 will have to be returned to the sender, causing unnecessary delay and inconvenience."

He said the \$3 two-year operator's license will still be lower than the fees in 12 other states, and will be exactly the same as in five other states. He reported Texas now has 4,838,000 currently-licensed drivers.

"Incidentally," said Garrison, "we would like to urge drivers to take care of their license, in spite of the fact that it only costs 25 cents for a replacement. Last year we received 85,000 applications for duplicates of lost or mutilated licenses."

**Court Adopts County Budget**

The Commissioners Court last week adopted an estimated \$1,057,870.17 budget for Hale County in the 1962 fiscal year.

The budget is based on the same tax rate as last year, \$1.13 per hundred dollar valuation. The estimated income for next year exceeds the estimated budget by \$317,471.42. County officials pointed out that the excess income includes the balance on hand at the end of the present fiscal year.

The estimated income is based on 93 percent of collections, about the annual average.

Present were Judge C. L. Abernathy, Commissioners Marvin Doc Brown and Rayburn Karrh and Clerk Mildred Tucker.

**Lions Club Broom Sale Date Set September 16**

The Abernathy Lions Club has set the date for the annual Broom Sale in Abernathy. The sale will be held Saturday, September 16.

Door-to-door canvassing of the residential sections of the city will not be done this year. Broom sales will be set up at two centrally located sites downtown—one in front of the post office and one on the city square.

Watch The Review for further details.

**Tech Entomology Department Head To Speak At ND**

Dr. Donald Ashdown, head of the Entomology Department at Texas Technological College, Lubbock, will be the principal speaker at a meeting in the vocational agriculture building in New Deal at 7:45 Thursday night, announced John Walton, New Deal vocational agriculture teacher.

Dr. Ashdown will show colored slides, and will talk about "More Effective Control of Cotton Insects" and insect identification.

Refreshments will be served at the meeting, which is sponsored by the New Deal F.F.A. chapter. All area farmers are invited to attend.

Visiting in the home of Mrs. W. L. Phillips of Abernathy last weekend were Mr. and Mrs. Dennis Chapman and boys of Oklahoma City, Mr. and Mrs. Albert Rand and baby of Denver, Colo., Jerry Phillips, also of Denver, Mr. and Mrs. Don A. Nelson and two children of Tulsa, Mr. and Mrs. Kenneth Phillips and children, and Mr. and Mrs. Marion Carlton of Abernathy.

Though barley ranks well down on the list of feed grains produced in Texas, many growers will soon have to make a decision on whether or not to participate in the 1962 feed grain program. Winter barley has been added to the program and seeding time is not far off. Local county agents and ASC officials can supply details on the program.

### Funeral Rites Are Held For Mrs. Fisher

Mrs. E. L. Fisher, 78, died at 1:45 a.m. Monday, August 28, after a lengthy illness at her home east of Abernathy, near the Lakeview community.

Funeral services were held at 2 p.m. Tuesday, August 29, at the Lakeview Methodist Church with Rev. Johnny F. Williams, pastor of the First Methodist Church in Turkey, officiating. Assisting was the Rev. R. H. Knight, McAdoo pastor.

Mrs. Fisher, a resident here since 1915, taught school in the Snyder School for two years. Her husband died December 23, 1960.

She was born Mary Catherine Ramer, Feb. 26, 1883, in Versailles, Mo. She and Mr. Fisher were married there Nov. 29, 1917, coming here to their farm home where they resided since then.

Mrs. Fisher was a graduate of Goshin College Academy in Goshin, Ind., and of Warrenburg State Normal in Warrenburg, Mo. She

taught school 13 years in Missouri, Kansas and Texas. Survivors include three daughters, Mrs. G. W. Casey, Bula; Mrs. Winston Wilson Friona; and Mrs. W. L. McDowell, Newport, Ark.; two sons, Avery and John, both of Petersburg; three brothers, Jacob A. Ramer, Versailles, Mo.; Amos I. Ramer, Jerome, Idaho; and Ira W. Ramer, Salinas, Calif.; and 11 grandchildren. Interment was in Pearce Chapel Cemetery, Plainview.

### GETS SCHOLARSHIP

Neal Humphrey, a 1961 Abernathy High School graduate, has been awarded a scholarship to play basketball at West Texas State College, Canyon. Neal had planned to attend Texas Tech and try out for the Red Raider basketball team before WTSC coaches contacted him.

Neal was also an outstanding football player for the Antelopes, and was Basketball Beau for the girls basketball team this past season. He is a son of Mr. and Mrs. Howard Humphrey.

### Newsbits FROM New Deal High

(By ANN SPEAR)

The Amherst Bulldogs rolled past New Deal Friday night for their first victory of the season. They defeated the Lions 34-16.

New Deal scored first when quarterback Don Enger passed to left end Don Brown for the touchdown. The play covered 40 yards. Fullback David Attebury ran the extra points.

Amherst tied the score in the second quarter with a touchdown by quarterback Johnnie Blair. Halfback James Brehears was on the receiving end of a pass from Blair for the extra points.

The third quarter was the deciding factor in the game. Brehears ran 35 yards for a TD, then caught a Blair pass for the extra points. Blair added another TD on a two-yard keeper, then Brehears intercepted a pass and ran it over for another score.

In the fourth quarter David Attebury blasted two yards for a New Deal TD and then added the extra points. Amherst's final TD came on a 42-yard punt by fullback Roy Edwards.

The New Deal Schools opened for the 1961-62 school year last week. Following is a list of the teachers in Elementary, Junior High, and High School for this school year:

**Elementary**  
1st Grade—Mrs. Irene Delashaw, Mrs. Irene Batsell, and Mrs. Halie Terrell.  
2nd Grade—Mrs. Marcella Austin, and Mrs. Thelma Oldham.  
3rd Grade—Mrs. Mary M. Weigle and Mrs. Delta Taylor.  
4th Grade—Mrs. Lucy McDonald and Mrs. Tine E. Davis.  
5th Grade—Mrs. Anna Jo Blake and Mrs. Beola Acker.

**Junior High**  
Principal—Mr. Archie Acker (principal of both Junior High and Elementary).

6th Grade—Mrs. Karen S. Carter and Mrs. John F. Lovingfoss.  
7th Grade—Miss Cherry Hatfield and Mr. Wayne Baker.  
8th Grade—Miss Laura Elisa Dockray.

**High School**  
Principal—Mr. A. A. Chandler.  
Other teachers include: Mrs. Barbara Law, Mr. Dean Furr, Mrs. Mary Joyce Harding, Mrs. Bea Cromer, Mr. John Walton, Mrs. Minnie James, Mr. Bob Willis, Mr. Mel Williams, Mr. Frank Smith, band director, and Mrs. Mildred Dennis, supervisor.  
Mr. Dalton James is the school superintendent.

The Pep Squad had a meeting Tuesday for the purpose of electing officers for the new school year. Judith Essary was elected president and Glenda Norwood was elected secretary-treasurer. Pins will be given at the end of the year to those girls who attend at least eight of the ten games. The cheerleaders this year are Elizabeth Showalter, head cheerleader, senior; Shirley French, senior; Sharon Harrison, junior; Ruth Middlebrook, sophomore; and Sharon Weems, freshman.

The library staff for this coming year consists of the following girls: Ann Spear, head librarian, senior; Judith Essary, senior; Frankie Worley, junior; Judy Ring, junior; Shirley McAllister, freshman; and Mrs. Lee Cromer, sponsor.

**AUNT DIES**  
Olive A. Taylor of Okmulgee, Oklahoma, passed away early this week in that city. She is an aunt of Becky, Rocky and Boney Attebury of Abernathy.

Funeral services were conducted at 2:30 p.m. Wednesday in the First Methodist Church in Okmulgee. The three Abernathy nephews attended and were included in the list of pallbearers.

**DRIVE SAFELY**—The best known safety device is about nine inches above your shoulders.

Modern Etiquette By Roberta Lee

Q. Just what is the meaning of "semi-formal," as applied to the dress of both men and women?

A. This usually depends upon the community. In some places, where men customarily wear tails, then semi-formal means tuxedos for the women. In a simpler community, it would be plain dark blue or gray suits for the men and afternoon frocks for the women.

J. Is it up to the man or to the woman, who have just been introduced, to say, "I'm glad to have met you," when leaving each other?

A. The man should take the initiative, while the woman responds with a smile and "thank you."

Q. Is it correct to pour gravy from a gravy pitcher, or must one use a gravy ladle?

A. Either way is correct. Q. Is a hostess supposed to wait until all her guests have finished eating before beginning to remove the plates from the table?

A. Usually, yes. However, if one of her guests is "painfully" slow in eating, it would be all right, in consideration of the other guests, for her to begin removing some of the plates from the table.

Q. Should a wrist corsage be worn on the right or the left wrist?

A. There is no rule governing this, but I should think it would be better to wear the corsage on the left wrist than on the more-often-used right wrist.

Q. When mailing birthday cards

to my women friends, whom my husband knows only slightly, should I sign both our names or just mine alone?

A. You need not include your husband's name on your personal greetings.

Q. Are silver crumb scrapers still in good use?

A. Yes, if the tablecloth is of plain damask. But they are not so practical on lace or embroidery. In this case, one may fold a napkin to the thickness of a pot-holder for brushing of the crumbs.

Q. When a girl is being married in a simple, informal ceremony, and she is wearing her going-away costume, does she have a number of bridesmaids?

A. In an informal ceremony such as this, the bride usually has but one attendant—her maid-of-honor.

Q. When a girl is walking along the street with a man and he speaks to someone whom she does not know, should she speak also?

A. She should smile and nod her head. This holds true also for the man, should she speak to an acquaintance.

Q. When having a piece of silver for a baby marked with only one initial, should it be the first or the last?

A. The first.

Mrs. V. O. Bowden, mother of Mrs. Bobby Dyess, underwent surgery in Methodist Hospital, Lubbock, last week. She was released from the hospital Tuesday and is staying with her daughter and family here. Mr. and Mrs. Bowden reside at Lovington, N. M.

Abernathy (Texas) Weekly Review Thursday, Sept. 7, 1961 Page 2

**Cerebral Palsy  
Clinic To Be  
Held Sept. 14**

Dr. Esther E. Snell, Director of the Lubbock Cerebral Palsy Treatment Center, has announced the next clinic for Thursday, September 14, according to information received by the Abernathy Weekly Review.

The Center was founded by the Lubbock Society for Crippled Children and the Lubbock Rotary Club in 1948, and is located at 2502 Avenue N in quarters planned to meet the needs of the treatment program and built by community effort. Through the generosity of interested individuals and organizations, the Center offers treatment without charge to all cerebral palsied children regardless of race or creed. Cases must be referred by their local physicians for admission to the Center and must register at the Center prior to the clinic date.

Qualified physicians and dentists, donating their services, are present at all clinics to examine patients and prescribe treatment. Parents are given instruction for exercises and care, and appointments are made for future visits to the Center.

**Lubbock Fair  
Attractions Are  
Being Readied**

With the opening of the Panhandle South Plains Fair "just around the corner," several crowd-pleasing attractions have already been signed, Fair officials said.

Feature attraction in the Fair Park Coliseum for the 1961 Fair will be the 21st edition of Ice Capades, which recently returned from a smash hit in Europe. The ticket office will be in the Pioneer Hotel in Lubbock and advance ticket information is available from the Lubbock Chamber of Commerce.

One of the top attractions of the 1960 Panhandle South Plains Fair was the I. Q. Zoo. Due to its overwhelming popularity, Fair officials resigned a larger I. Q. Zoo this year. It will feature two more acts than in 1960 and a stage show which is being introduced this season. Also scheduled is an antique auto show, the parade of bands, the Bill Hames midway, and children's barnyard, just to name a few.

Mr. and Mrs. Dewey Hammond were in Dallas early this week where they bought merchandise for Helen's Gift Shop.

If it RAINS on your car within 24 Hours from the time you pick up your newly washed car, we will re-wash it for you FREE.

**QUEENS**—Pictured above are five of the six young ladies who were crowned queens August 23 during Coronation Services for the Girls Auxiliary to the Women's Missionary Union of the First Baptist Church. They are, left to right: Francis Burnett, Betty Tow, Vicki Overstreet, Jane Thompson, and Patsy Hill. Also crowned as queen but not pictured was Toni Turpen. The castle in the background was painted by Mrs. Roy Matthews, Mrs. E. L. Kelley, and those who work with the organization.

**"Majestic Moments" Was Theme For Girls  
Auxiliary Coronation Service Recently**

"Majestic Moments" was the theme used in a Coronation Service, August 23, for the Girl's Auxiliary to the Women's Missionary Union of the First Baptist Church.

Mrs. Billy Skipper WMU president, presided and Mrs. Joe Griffin presented each girl with the award earned by learning the work required of her. The girls recognized as Maidens

were: Kathy Blair, Joy Wright, Juanita Brown and Kerry Young. Sharon Morgan was recognized as a Princess.

Those crowned as Queens and their Crown Bearers, respectively were: Betty Tow and Janis Griffin, Jane Thompson and Kim Thompson, Patsy Hill and Susan Rape, Vickie Overstreet and Dana Smith, Toni Turpen and Zoe Thompson, and Francis Burnett and Debbie Burnett.

Adult leaders of the Girl's Auxiliary are Mrs. Thomas Conner, Director; Mrs. George Burnett, Mrs. Robert Scott, and Mrs. Ralph Davis, Counselors.

The setting for the service was a Castle painted by Mrs. Roy Matthews and Mrs. E. L. Kelley and those who work with the organization.

Background music was provided by a girls' chorus composed of Peggy Davis, Pam Davis, Martha Struve, Sara Lou Bruce and Janie Brown, directed by Mrs. Johnny Skipper. They were accompanied at the piano by Edwinna Anderson.

**TEXAS DRIVERS LICENSE  
FEES INCREASED**

AUSTIN—The Texas Department of Public Safety reminded Texas drivers that an increase in license fees has been ordered by the Legislature effective September 1.

The Texas operator's license on and after that date will be increased from \$2 to \$3 for a two-year period, the commercial driver's license will increase from \$3 to \$4.50 for a one-year period, and the chauffeur's license will go up from \$4 to \$6 per year. The fee for a duplicate of a lost license will remain at 25 cents.

"We urge all drivers to be sure they send the right amount in with their renewal applications," said Col. Homer Garrison, Jr., DPS Director. "Those which are accompanied by the old fees after September 1 will have to be returned to the sender, causing unnecessary delay and inconvenience."

He said the \$3 two-year operator's license will still be lower than the fees in 12 other states, and will be exactly the same as in five other states. He reported Texas now has 4,838,000 currently-licensed drivers.

"Incidentally," said Garrison, "we would like to urge drivers to take care of their license, in spite of the fact that it only costs 25 cents for a replacement. Last year we received 85,000 applications for duplicates of lost or mutilated licenses."

**Court Adopts  
County Budget**

The Commissioners Court last week adopted an estimated \$1,057,870.17 budget for Hale County in the 1962 fiscal year.

The budget is based on the same tax rate as last year, \$1.13 per hundred dollar valuation. The estimated income for next year exceeds the estimated budget by \$317,471.42. County officials pointed out that the excess income includes the balance on hand at the end of the present fiscal year. The estimated income is based on 93 percent of collections, about the annual average.

Present were Judge C. L. Abernethy, Commissioners Marvin Doe Brown and Rayburn Karrh and Clerk Mildred Tucker.

**Lions Club Broom  
Sale Date Set  
September 16**

The Abernathy Lions Club has set the date for the annual Broom Sale in Abernathy. The sale will be held Saturday, September 16.

Door-to-door canvassing of the residential sections of the city will not be done this year. Broom sales will be set up at two centrally located sites downtown—one in front of the post office and one on the city square.

Watch The Review for further details.

**News From The  
Church Of  
The Nazarene**

The Abernathy Church of the Nazarene will be engaged in a Christian Service Training school this week, announced Rev. James H. Robertson, pastor. The particular course being offered this week is "Sunday Night Evangelism." The textbook was written by Dr. Orville Jenkins, former District Superintendent of the Abilene District. The title of the text is "The Church Winning Sunday Nights."

Special arrangements have been made to secure area pastors to teach the course. Rev. Ivan Kounter, pastor of Lubbock Calvary Church of the Nazarene will be teaching Tuesday night; Rev. E. H. Stahley, pastor of the Church of the Nazarene at Petersburg will be teaching Thursday night; Rev. Corbie Grimes, pastor of the First Church of the Nazarene in Plainview will be teaching Friday night.

The goal for the local church set by the Department of Church Schools and the Christian Service Training Director is to issue 50 credits. Vester Patterson, local director of Christian Service Training will be in charge of the mechanics of the school.

Dr. Orville W. Jenkins, District Superintendent of the Abilene District Church of the Nazarene for ten years, was elected District Superintendent of the Kansas City District Church of the Nazarene in Kansas City last week. Dr. Jenkins will succeed Dr. Jarrett Acock, who has served the Kansas City District for more than twenty years as District Superintendent.

Dr. Jenkins has been pastor of the Kansas City First Church of the Nazarene for the past three years. During his term as District Superintendent he was a frequent speaker in Abernathy.

**Tech Entomology  
Department Head  
To Speak At ND**

Dr. Donald Ashdown, head of the Entomology Department at Texas Technological College, Lubbock, will be the principal speaker at a meeting in the vocational agriculture building in New Deal at 7:45 Thursday night, announced John Walton, New Deal vocational agriculture teacher.

Dr. Ashdown will show colored slides, and will talk about "More Effective Control of Cotton Insects" and insect identification.

Refreshments will be served at the meeting, which is sponsored by the New Deal F.F.A. chapter. All area farmers are invited to attend.

Visiting in the home of Mrs. W. L. Phillips of Abernathy last weekend were Mr. and Mrs. Dennis Chapman and boys of Oklahoma City, Mr. and Mrs. Albert Rand and baby of Denver, Colo., Jerry Phillips, also of Denver, Mr. and Mrs. Don A. Nelson and two children of Tulsa, Mr. and Mrs. Kenneth Phillips and children, and Mr. and Mrs. Marion Carlton of Abernathy.

Though barley ranks well down on the list of feed grains produced in Texas, many growers will soon have to make a decision on whether or not to participate in the 1962 feed grain program. Winter barley has been added to the program and seeding time is not far off. Local county agents and ASC officials can supply details on the program.

### Funeral Rites Are Held For Mrs. Fisher

Mrs. E. L. Fisher, 78, died at 1:45 a.m. Monday, August 28, after a lengthy illness at her home east of Abernathy, near the Lakeview community.

Funeral services were held at 2 p.m. Tuesday, August 29, at the Lakeview Methodist Church with Rev. Johnny F. Williams, pastor of the First Methodist Church in Turkey, officiating. Assisting was the Rev. R. H. Knight, McAdoo pastor.

Mrs. Fisher, a resident here since 1915, taught school in the Snyder School for two years. Her husband died December 23, 1960.

She was born Mary Catherine Ramer, Feb. 26, 1883, in Versailles, Mo. She and Mr. Fisher were married there Nov. 29, 1917, coming here to their farm home where they resided since then.

Mrs. Fisher was a graduate of Goshin College Academy in Goshin, Ind., and of Warrenbury State Normal in Warrenbury, Mo. She

taught school 13 years in Missouri, Kansas and Texas. Survivors include three daughters, Mrs. G. W. Casey, Bula; Mrs. Winston Wilson, Friona; and Mrs. W. L. McDowell, Newport, Ark.; two sons, Avery and John, both of Petersburg; three brothers, Jacob A. Ramer, Versailles, Mo.; Amos I. Ramer, Jerome, Idaho; and Ira W. Ramer, Salinas, Calif.; and 11 grandchildren.

Interment was in Pearce Chapel Cemetery, Plainview.

### GETS SCHOLARSHIP

Neal Humphrey, a 1961 Abernathy High School graduate, has been awarded a scholarship to play basketball at West Texas State College, Canyon. Neal had planned to attend Texas Tech and try out for the Red Raider basketball team before WTSC coaches contacted him.

Neal was also an outstanding football player for the Antelopes, and was Basketball Beau for the girls basketball team this past season. He is a son of Mr. and Mrs. Howard Humphrey.

## Newsbits FROM New Deal High

(By ANN SPEAR)

The Amherst Bulldogs rolled past New Deal Friday night for their first victory of the season. They defeated the Lions 34-16.

New Deal scored first when quarterback Don Enger passed to left end Don Brown for the touchdown. The play covered 40 yards. Fullback David Attebury ran the extra points.

Amherst tied the score in the second quarter with a touchdown by quarterback Johnnie Blair. Halfback James Breshers was on the receiving end of a pass from Blair for the extra points.

The third quarter was the deciding factor in the game. Breshers ran 35 yards for a TD, then caught a Blair pass for the extra points. Blair added another TD on a two-yard keeper, then Breshers intercepted a pass and ran it over for another score.

In the fourth quarter David Attebury blasted two yards for a New Deal TD and then added the extra points. Amherst's final TD came on a 42-yard jaunt by fullback Roy Edwards.

— Ann —

The New Deal Schools opened for the 1961-62 school year last week. Following is a list of the teachers in Elementary, Junior High and High School for this school year.

**Elementary**  
1st Grade—Mrs. Irene Delashaw, Mrs. Irene Batsell, and Mrs. Halie Terrell.  
2nd Grade—Mrs. Marcelle Austin, and Mrs. Thelma Oldham.  
3rd Grade—Mrs. Mary M. Weigle and Mrs. Delta Taylor.  
4th Grade—Mrs. Lucy McDonald and Mrs. Tine E. Davis.  
5th Grade—Mrs. Anna Jo Blake and Mrs. Beola Acker.

**Junior High**  
Principal—Mr. Archie Acker (principal of both Junior High and Elementary).  
6th Grade—Mrs. Karen S. Carter and Mrs. John F. Lovingfoss.  
7th Grade—Miss Cherry Hatfield and Mr. Wayne Baker.  
8th Grade—Miss Laura Elsa Dockray.

**High School**  
Principal—Mr. A. A. Chandler. Other teachers include: Mrs. Barbara Law, Mrs. Dean Furr, Mrs. Mary Joyce Harding, Mrs. Bea Cromer, Mr. John Walton, Mrs. Minnie James, Mr. Bob Willis, Mr. Mel Williams, Mr. Frank Smith, band director, and Mrs. Mildred Dennis, supervisor.  
Mr. Dalton James is the school superintendent.

— Ann —

The Pep Squad had a meeting Tuesday for the purpose of electing officers for the new school year. Judith Essary was elected president and Glenda Norwood was elected secretary-treasurer. Pins will be given at the end of the year to those girls who attend at least eight of the ten games. The cheerleaders this year are Elizabeth Showalter, head cheerleader, senior; Shirley French, senior; Sharon Harrison, junior; Ruth Middlebrook, sophomore; and Sharon Weems, freshman.

— Ann —

The library staff for this coming year consists of the following girls: Ann Spear, head librarian, senior; Judith Essary, senior; Frankie Worley, junior; Judy Ring, junior; Shirley McAllister, freshman; and Mrs. Lee Cromer, sponsor.

PICTURED ABOVE is the coaching staff at Abernathy High School for the 1961-1962 season. The coaches are, left to right: Bobby Dyess, junior high coach; Curtis Davenport, head football coach; Wayne Preston, assistant coach; Pete Wilson, girls basketball coach and assistant football coach; and Pete Wilson, girls basketball coach and athletic director at AHS.—(Staff Photo)

### J. J. Goldston Is Claimed By Death

J. J. Goldston, 77, a resident of Petersburg for the past 39 years, died at 2 p. m. Sunday in Lubbock Methodist Hospital after undergoing surgery Saturday.

Funeral services were conducted at 10 a. m. Wednesday in the Main Street Church of Christ in Petersburg. The Rev. L. W. Baker of Fanningburg officiated. Burial was in Strip Cemetery near Lakeview.

Palbearers were L. J. Jordan, Rufus Martin, Ralph Boyd, Leslie Overstreet, B. W. Bailey, and Vester Webster.

Goldston came to Hale County in 1922 from Cooke County. He was superintendent of road construction and maintenance in Hale County Precinct 2 for 27 years, and from 1948 to 1958 was commissioner of Precinct 2.

He was born in Whitesboro, where he married in 1905. The Goldston family resided in the Lakeview community for several years before moving to Petersburg.

He is survived by his wife; four daughters, Mrs. W. F. Wooley, Modesta, Calif.; Mrs. George Harkness, Roswell; Mrs. Odell Cult, Petersburg; and Miss Hazel Goldston, Petersburg; four sons, W. A. Causey, N. M.; T. L. New Orleans; Jesse, Petersburg; and Loyd, Lakeview; three brothers, Sid and W. R. Roswell, and Joe of El Centro, Calif.; six sisters, Mrs. Floyd Fisher and Mrs. Gypsy Gore, both of Roswell, Mrs. Ralph Warner, Hawthorne, Calif.; Mrs. William Kern, San Gabriel, Calif.; Mrs. Lon Mason, Modesta, Calif.; and Mrs. H. E. Sparks, Portsmouth, N. H.; 12 grandchildren and six great-grandchildren.

### Over 50 South Plains High School Bands Invited To Participate In Fair Parade

Invitations have been issued to more than 50 high school bands throughout the South Plains and Eastern New Mexico area to participate in the "Parade of Bands" opening the Panhandle South Plains Fair at 10 a. m. September 25. D. O. Wiley Band Parade Chairman, said Tuesday. The annual parade will begin at Avenue Q, proceed through the business section on Broadway to Avenue A, and then to the Fairgrounds.

Bands will be competing for \$600 in cash prizes, Wiley said, with \$100 prizes to go to the top band in each of the four classes: AAA, AA, A and B. Prizes of \$50 will go to the second place bands in each division.

### Go-Kart Race Winners Named

Following are the winners of the Go-Kart races which were held at the Abernathy track Monday night:

Children's 490 — Gary Smith, Plainview, 1st; Don Blanchard, Abernathy, 2nd.

580, Men Under 170 Pounds — Herbert Rapstine, Abernathy, 1st; D. L. Williams, Plainview, 2nd.

580, Men Over 170 Pounds — Charles Lambert, Abernathy, 1st; S. W. Royal, Abernathy, 2nd.

490, Men Over 170 Pounds — Cecil Garlin, Plainview, 1st; Bob Baker, Plainview, 2nd.

490, Men Under 170 Pounds — R. C. Stevens, Plainview, 1st; Dean Hopson, Plainview, 2nd.

Australian Pursuit — Charles Lambert, 1st; and Herbert Rapstine, 2nd, both of Abernathy.

Races are scheduled again next Monday night at the track located four miles east and a mile north of town.

still existing in some areas, are just not equipped to cope with ever-expanding caseloads. Adding to their dilemma are some misinformed and misguided jurists and an apathetic citizenry who cause and condone the release of hardened criminals who glacially accept society's softness and repay it in the coin of treachery.

The realm of vice, which is the breeding ground for crimes of greater violence, is winked at in far too many instances. A recent preliminary survey on courts in a large city revealed, for example, that of almost 30,000 individuals arrested for lottery, numbers rackets, gambling, bookmaking, prostitution, and operating a disorderly house, 73 percent were discharged by magistrates! Out of well over 800 gamblers who pleaded guilty, only 12 percent ever went to jail! Fifty-eight percent were ordered to pay fines or costs — which have been correctly described as nothing more than license fees for gamblers. Two hundred and fifty others were given suspended sentences or placed on probation.

When vice, the very fountainhead of crime, is treated lightly, it is not difficult to understand why criminals do not fear the "wrath"

### 100 Million Dollars Increase Possible For Texas Farmers

Many Texas farmers can increase significantly their net income by utilizing more fully presently known technology, according to Director John E. Hutchison of the Texas Agricultural Extension Service. He said that farm families could increase their annual net income at least \$100 million by using the most advanced technological and management practices. Hutchison's statement followed an evaluation of first-year results in Extension's intensified soil fertility program which was launched early in 1960.

Initially, 12 counties representing different major land resource areas were selected to participate in the pilot project. They included 4 counties on the High Plains, 3 on the Coast Prairie and 5 in Northeast Texas where both Blackland and sandyland were involved. Emphasis was given to crop production practices important to those areas. These included the use of fertilizer based on soil tests, planting the best varieties of crops, effective insect and disease control, appropriate soil and water conservation measures and other practices based on the best research information available.

Results were obtained by comparing net profits from crops grown under advanced technological methods with income from carefully controlled check plots where farming practices were employed. Increased net income reported ranged from \$1.86 per acre to \$52.07 per acre. In one county, Red River, 47 demonstrations indicated that net income of the county could be increased \$2.9 million if all farmers followed recommended practices.

"If results in the 12 pilot counties are indicative of what can be accomplished on a state-wide basis, it means a potential equivalent to an important new industry in each Texas county," Hutchison said.

The immediate success of the

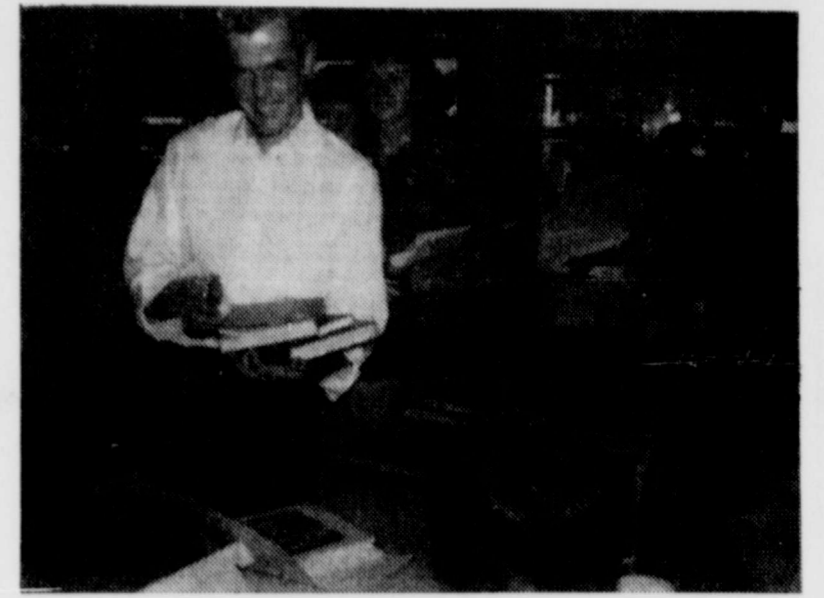

of some of this Nation's courts. Inevitably criminals who prey on honest men and still escape punishment are encouraged in their disdain for the law to go on to commit depredations of even more heinous proportions.

America is not a vengeful land, it is not a cruel land; but certainly something must be done to make it an internally peaceful land. Crime in 1960 rose to 12 percent over the previous year, and in the first quarter of 1961 our country appears headed for a new all-time high annual record. The first part of this year shows an increase of 10 percent in crime in American cities, with a 8 percent jump in murders, a 2 percent rise in forcible rapes, and a 3 percent increase in aggravated assaults.

Between March 1950 and June 1961, there have been 154 individuals on the FBI's "Ten Most Wanted Fugitives" list. Of this number, 130 previously received either suspended sentences, parole or probation. The leniency granted these vicious criminals resulted in untold suffering by their innocent victims.

For a peaceful and wholesome society, it is imperative that the rights of law-abiding citizens be given at least the same respect and consideration as the rights of lawbreakers. We can never hope to see crime abate until the perpetrators of evil deeds are taught the full meaning of the old adage, "Crime doesn't pay." Such a lesson cannot be taught by words alone; only stern action in our courts, involving a philosophy of making the punishment fit the crime, and realistic administration of rehabilitative measures can force back the criminal plague.

Very truly yours,  
J. EDGAR HOOVER  
Director, Federal Bureau of Investigation

FOREIGN EXCHANGE STUDENT—Dirk Engel, Abernathy's foreign exchange student from Schweinfurt Bavaria, Germany, is shown above as he completed registration in the local high school last week. Dirk is the foster son of Mr. and Mrs. Andy B. Reid, and will remain here for one year while attending AHS as a senior student. Others in the picture are Betty Johnson, Janet Linton, and Betty Sterrett. (Staff Photo)

### 20 Accidents In Rural Hale During July

The Highway Patrol investigated 20 accidents on Rural Highways in Hale County during the month of July, according to Sgt. L. S. Dawson, Highway Patrol Supervisor of this area.

These wrecks accounted for one person killed, eighteen injured and a property damage of \$15,230.00.

The rural traffic accident summary for Hale County from January through July of 1961 shows a total of 81 crashes. As a result of these crashes there were 44 persons injured and three persons killed. The estimated property damage amounted to \$47,179.00. This compares with the first seven months of 1960's total of 74 rural crashes injuring 29 people, and causing an estimated property damage of \$30,320.

Observe all traffic signs, especially the four-way STOP signs on Avenue E at 8th Street and 9th Street—now and when school opens.

### Antelopes

(Continued from Page 1)

fare the half when Ratcliff fired a pass to Meacham in the end zone from 10 yards out. A pass to Calvert was good for the extra points, giving Dimmitt a half-time lead of 14-6.

Dimmitt's final score came in the fourth quarter on another Ratcliff-Meacham pass combination which covered 52 yards for the score. Try for extra points failed, and the score remained 20-6.

The Antelopes threatened during the third quarter when they moved the ball to Dimmitt's 15 yard marker, but four downs proved fruitless and the ball went over on downs.

Abernathy's Larry Florence turned in a fine game and pounced on more than one of the Bob-

cats' fumbles. Quarterback Kiker also proved to be a thorn in the Bobcats' side as he turned in a fine defensive game from the linebacker position.

Mr. and Mrs. Richard Havens and family attended a Havens family reunion at Mackenzie Park in Lubbock Sunday.

### LONS' CLEANERS GETS NEW FRONT

A new glass front was being installed this week at Lons' Cleaners, located at 917 Ave. D. Owner of the business is Lon Carmickle.

### CARD OF THANKS

We wish to thank all the white and colored friends for all the kind deeds and words of sympathy during the recent illness and death of our wife and mother. Your kindness will always be deeply remembered.

Frank Johnson and children.

### Leniency Trend Cancels Work By Lawmen

(Reprinted from the FBI Law Enforcement Bulletin, August, 1961)

Nothing discourages and disheartens law enforcement officers more than the knowledge that their efforts in apprehending criminals are too often no more than useless expenditures of time and money unless because unwarranted leniency in the form of suspended sentences, parole, or probation so frequently makes a mockery of good police work.

Assuredly, we must continually strive to rehabilitate those persons who have strayed from lawful ways. On the other hand, consideration must be given to protecting society by isolating depraved individuals who have no respect for law and order or the rights of others. The scales of justice must be balanced.

Certainly, the principals of parole, probation, and other rehabilitative measures are good, but maladministration can nullify their worthwhile aspects. Conscientious, hard-working parole and probation officers, frequently underpaid and seldom able to discharge the heavy burdens placed upon them by the archaic clemency systems

### Former Abernathy Resident Becomes Bride At O'Donnell

The bride's father officiated at the double ring ceremony when Miss Irish Prescott and Robert Joe Godfrey were married at 6 p. m. Friday in the Church of Christ at O'Donnell. The father of the bridegroom closed the wedding ceremony with a prayer.

Parents of the bride are Mr. and Mrs. Ode M. Prescott. Mr. and Mrs. Ralph Godfrey of Gunter are the parents of the bridegroom.

Given in marriage by her brother, John Prescott of Austin, the bride wore a street length dress of silk organza over taffeta designed with a scalloped portrait and three-quarter length sleeves. A small white lace hat complemented her frock. She carried a bouquet of pink gardenias atop a white pearl Bible.

Miss Carrol Lewis of Carlsbad served as maid of honor wearing a pink sheath highlighted by a large satin cummerbund. Her bouquet was formed of white gardenias.

Best man was Dale Monroe of Bowie. Guests were seated by John Prescott, brother of the bride, and Richard Godfrey of San Antonio, brother of the bridegroom.

The home of the bride's parents was the scene for the reception following the wedding. Orson Rea of Abernathy, Richard Godfrey of San Antonio, and Miss Carol Vaughan of Carlsbad.

The bride chose a blue cotton dress with matching sweater and white accessories for a wedding trip to New Mexico.

When they return, they will make their home in Canyon where the bridegroom will attend West Texas State College and the bride is employed by the same college.

The bride is a graduate of Shallowater High School and Godfrey graduated from San Benito High School. Both are graduates of Lubbock Christian College where both were honor students and soloists for the a cappella and Meistersinging choruses.

Mr. and Mrs. O. F. Rea of Abernathy and the Hubert Arants of Lubbock attended the wedding. The Prescotts are former Abernathy residents. Ode M. Prescott having served as minister of the Abernathy Church of Christ a number of years ago.

Dr. John H. Quisenberry, head, Poultry Science Department, Texas A&M College, is one of 24 college men selected to serve on the 1961-62 Feed Survey Committee of the American Feed Manufacturers Association. He was assigned to the poultry group.

Mrs. Edna Simpson of Dallas visited last weekend in the Sam Williams home.

RECENT BRIDE—The former Miss Gloria Houston, pictured above, recently became the bride of Ronald Edward Taylor of Shamrock. Wedding vows were exchanged August 27 in Abernathy First Methodist Church. Mrs. Taylor is a daughter of Mr. and Mrs. E. A. Houston of Abernathy, and the groom is the son of Mr. and Mrs. Wille Taylor of Shamrock. The couple is making their home in Canyon where they will be full students at West Texas State College.

### Men In Service

Air Force Staff Sergeant Nathan W. Simpson, whose wife, Betty, lives at 1205 W. Fifth St., Quanah, Texas, recently completed a ten-week liquid oxygen plant operation course at the U. S. Army Engineer School, Fort Belvoir, Va., August 18.

Sergeant Simpson was trained to operate equipment used in the generation, storage, handling and transfer of liquid oxygen.

He entered the Air Force in 1952 and was last stationed at Whiteman Air Force Base, Mo.

The 31-year-old airman is a 1947 graduate of Eldorado (Okla.) High School. His mother, Mrs. Lois Simpson, lives here.

Yokosuka, Japan (PHTNC) — Serving in the Far East aboard the attack aircraft carrier USS Bon Homme Richard, which visited Yokosuka, Japan, Aug. 10, is Barney C. Lewis, fireman, USN, son of Mr. and Mrs. M. C. Lewis of Abernathy.

The "Bonnie Dick," as the 42,000-ton carrier is known to its crew, delivered more than 70,000 pounds of clothing, medical supplies and other vital goods from the United States to needy areas of the Orient during its present cruise.

The deliveries, part of Operation Handclasp, were completed with the Yokosuka stop. The Bon Homme Richard also made visits offering Handclasp materials to Subic Bay, Philippines, and Sa-sebe, Japan.

Army PFC Eddie D. Wilson, 19, son of Mr. and Mrs. Edgar T. Wilson, Abernathy, Texas, recently participated with other personnel from the 4th Armored Division in a four-week training exercise in Grafenwohr, Germany.

The exercise was designed to train division personnel in map reading, infiltration, the use of mines and chemical, biological and radiological warfare.

Regularly assigned as a machine gunner in Company D of the division's 1st Infantry in New Ulm, Wilson entered the Army in August 1960, completed basic training at Fort Hood, Tex., and arrived overseas last February.

STOCKMEN TO BE ON ALERT FOR PINKEYE

Pinkeye has been reported from many areas of the state and Dr. C. M. Patterson, extension veterinarian, says stockmen should keep a careful watch for symptoms among their cattle.

Symptoms include watery eyes and swollen and reddened eyelids, Dr. Patterson said. Later the eyeball may become clouded, vision impaired and sick cattle will show discomfort in sunlight, he said. Pinkeye can cause damage ranging from simple irritation to permanent blindness, the veterinarian added.

Dr. Patterson said there are many causes for eye troubles which resemble pinkeye, including several infections, growths, vitamin A deficiency and wind-blow forage and chaff which irritate the eyes. It is best, he said, to consult a veterinarian if pinkeye is suspected so that proper treatment can be started at once and also the cause determined. The treatment varies with the cause, he said.

### 1961 Farm Program Highlights

College Station — The Agriculture Act of 1951 is now on the books and the rush is on to explain its provisions to farmers and others, reports C. H. Bates, extension farm management specialist.

One of its major provisions, reducing the wheat surplus, was voted on August 24. Wheat producers voted yes on marketing quotas for the 1962 crop. If they vote yes, a new wheat stabilization program will become effective, including higher support prices, a mandatory reduction of 10 percent in farm wheat allotments with acreage cuts up to 40 percent possible and a saving of \$250 million for the nation's taxpayers.

The legislation extends the feed

grain program which is now in effect and for the first time includes barley along with corn and grain sorghums. Current estimates indicate that feed grain production will be about 15 percent less than last year, says Bates.

Marketing order programs—self help in a true sense—are authorized on more commodities.

The Agricultural Trade Development and Assistance Act (includes food for peace) has been extended and strengthened; expansion and improvement of supervised credit services for farmers who lack sufficient private credit and an extension of the Wool Act, the Great Plains School Milk Program should have a strengthening effect on agriculture, says the specialist.

The act also authorizes the Secretary of Agriculture to consult with the formulation of legislative proposals.

Under the Act, Bates says consumers are assured of fair and stable prices and taxpayers will benefit from savings of as much as \$1 billion overall from reduced storage and support price activities. The increased farm income will be an aid to the nation's entire economy, Bates concludes.

Mr. and Mrs. W. D. Morgan and daughter, Sharon, spent two days at Ruidoso early last week. Mr. Morgan was also in Galveston recently.

### School Policy On Inclement Weather

Following is the Abernathy Schools' 1961-62 "School Policy Regarding Inclement Weather":

Official Radio Station

KFYO LUBBOCK 790KC has been designated as official station for emergency announcements of any kind.

If extreme bad weather developments during the night an announcement will be made between 6:30 and 7:00 a. m. if school is to be dismissed.

Should bad weather develop after the school day has commenced, an announcement will be made if school will be dismissed early.

NO ANNOUNCEMENT MEANS SCHOOL AS USUAL although at times busses cannot make all of their routes or even a part of it.

School Busses are so difficult to operate in mud and on ice that it is often dangerous to try as

well as expensive in the long run with added repairs.

WHEN THE BUSES CAN'T RUN the school will appreciate your help in transporting your children and other children near you—especially in the afternoon where some areas are inaccessible to the school bus.

SCHOOL MUST GO ON if possible. Days missed have to be added to the end of school and all days must be completed before the end of May to receive full share of state money.

School officials wish to express sincere appreciation to school patrons who over the years have assisted us in meeting our transportation problems so that as a whole our school district has been able to render good transportation service.

Mr. and Mrs. E. M. Crow and Mrs. Pete Knox and daughters were in Temple.

J. Morris Thomas was in a group of Hale County men attending the sugar beet meeting in Denver last week.

## Sept. 27 Is Field Day At High Plains Research Foundation

The 5th Annual Field Day of the High Plains Research Foundation will be held the afternoon of Wednesday, September 27. Tours will start at 1:30 p. m. and continue until the barbecue at 5:00 p. m. Research projects will be explained by farmers and scientists at stops on the tours. The evening program will begin at 6:00 p. m. with the introduction of the Trustees of the Foundation. Addresses by Congressman James Wright and Texas Agricultural Commissioner, John White, will conclude the program.

Farm equipment will be displayed and demonstrated during the afternoon. Included will be farm machinery, irrigation and fertilizer equipment, air spray and transportation equipment. Carl Hill, Jr., of Amarillo is chairman of the machinery exhibit. Exhibits by agricultural services will be explained by various agencies as a part of the afternoon's activities.

Members of the Board include: Frank Moore, Graddy Tunnell, Homer Garrison, R. V. Payne, Wendell Green, Olan Alexander, Harry Igo, and Joe Don Scott, Plainview; Grady Shepard, R. L. Burgess, Hale Center, Claude Fargason, Halfway, Harold Hinn, Dallas and Plainview for the central area, Homer Roberson, Petersburg; Carl Phillips, Abernathy, and Harmon White, Cotton Center.

### Farm Editorial

U. S. cotton growers are looking at the world market for fibers with a business gleam in their eye and a sharp pencil in their hand.

Figures show that in five years, U. S. fiber consumption will grow some 1.3 million bale equivalents and world use by 14 or 15 million. Reason: rising populations and increased per capita incomes.

If U. S. cotton simply maintains its present 22 percent share of the world fiber market, expansion in total consumption would permit a 20 million-bale market for American cotton by 1967-68.

To take advantage of this potential, growers have organized the Cotton Producers Institute. Through this voluntary, producer controlled and financed organization, they will step up research and promotion activities.

Their aim is to lower production costs, improve the quality of cotton fiber and products, and promote finished products more aggressively.

Put another way, cotton growers see the opportunity that exists in an expanding market, and they are setting up a sound mechanism for achieving their objective. See a related story on page one of this issue.

## Experiment Station Sets Open House And Field Day

The Texas Agricultural Experiment Station, Sub-station No. 8 will show off its new home at the new location, north of Municipal Airport in Lubbock, with dedication ceremonies and a combination Field Day on Sept. 19.

An open house will begin at 1 p. m. and all buildings on the new 320-acre experiment station site will be open to the public. Displays on work in progress will be available, in addition to a tractor drive tour of the station's field crops.

Plans call for a barbecue supper in the evening. Dedication ceremonies will be held at the supper and will feature Earl Rudder, president of Texas A&M College, who will speak briefly on "South Plains Research, Past and Future."

Dr. R. D. Lewis, director of the Texas Agricultural Experiment Station, also of College Station, will serve as master of ceremonies and Dr. R. D. Patterson, vice chancellor of agriculture of the Texas A&M System, will recognize special guests at the open house.

Charles Fisher, superintendent of the Lubbock Station, said the public is invited to visit the new research facilities during the open house.

### Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

The highest yield of wheat in the wheat fertilizer tests at the High Plains Research Foundation was received from a preplant application of 80 pounds of nitrogen and 80 pounds of phosphorus. The yield of 76.5 bushels per acre gave a profit from the fertilizer application over the non-fertilizer wheat of \$16.36.

Very close, with a yield of 76 bushels received from an application of forty pounds of nitrogen and 80 pounds of phosphate, was a profit of \$18.41 per acre above the non-fertilized wheat. The non-fertilized wheat yield was a surprising 60.3 bushels per acre.

Nitrogen, phosphorus and potash were used in various combinations. These included 40, 80, and 120 pounds of nitrogen, 80 pounds of phosphorus and 40 pounds of potash.

All fertilizer combinations were applied in preplant applications on October 5, 1960. Tascosa wheat, used in the tests, was planted on October 14 and harvested on June 24. The wheat was not winter grazed.

The yield was figured at 60 pounds of wheat per bushel at the price of \$1.75 per bushel. Rain-fall received during the growing season, October 1960 to June 1961 totaled 21.9 inches. Irrigation water was applied in the amount of 4.4 inches on April 14, 4.2 inches on April 28, and 3.6 inches on May 15.

The addition of potash to any of the nitrogen and phosphorus combinations failed to increase the yield. Phosphate alone increased yields by 5 bushels per acre and nitrogen alone increased yields 5 bushels but the combination of phosphate and nitrogen increased yields 16.5 bushels per acre. The fertilizer results closely paralleled the results secured in the 1959-60 season. Delbert Langford, Associate Agronomist, supervised both tests at the Halfway Foundation.

Plans are being coordinated with county agents and others of the Texas Extension Service to have representatives at the open house from all of the High Plains counties.

John J. Seibert, area farm management specialist of the Texas Agricultural Extension Service in Lubbock, said an evaluation of research and its impact on West Texas agriculture shows the total increased value of research and extension work in the High Plains area is an excess of 106 million dollars since 1950, or an average of some 19 million dollars per year.

Fisher said that during the open house, personnel of the experiment station will conduct the guided tractor tours and give brief explanations of the research work now in progress at the new experiment station site. Also other personnel will be on hand at displays and in the buildings to answer visitors' questions and furnish information.

The open house ceremony will climax more than two years of planning, building and moving of the facilities of Sub. Station No. 8 from its original location on the east edge of Lubbock to the larger, more modern facilities just north of Municipal Airport on Farm Road 1294.

"These new facilities for agriculture research are a giant step in cementing the agricultural future of this wonderful agriculture area we know as the High Plains. This new location, plus our new equipment and facilities, will enable our personnel to do expanded research work in agriculture. We hope the farmers and business-men throughout the plains will come to the open house," Fisher said.

### BARLEY ADDED TO FEED GRAIN PROGRAM

Though barley ranks well down on the list of feed grains produced in Texas, many growers will soon have to make a decision on whether or not to participate in the 1962 feed grain program. Winter barley has been added to the program and seeding time is not far off.

The feed grain program for 1962 is about the same as the 1961 plan, but with winter barley added. The purpose is to reduce the total barley acreage while protecting the farmer with price support and conservation payments, say economists for the Texas Agricultural Extension Service.

To participate in the barley program a farmer must divert at least 20 percent of his 1950-60 barley base and at the same time not increase his corn or grain sorghum acreage. The diverted acres must be put to conservation uses, the economists say. Payment for the first 20 percent of diverted acreage will be figured on 50 percent of the normal barley yield on the farm. Additional acreage may also be taken out of production at a higher rate of payment.

If the producer chooses, he may plant all or a part of his diverted barley acreage to one or more of the following oilseed crops: castor beans, guar, safflower, sunflower or sesame by passing up conservation payments. He will, however, be eligible for barley support price.

The economists advise farmers who are eligible to participate in the winter barley phase of the 1962 feed grain program to check with their local county agent or Agricultural Stabilization and Conservation office for details on the program.

### Hale Farmers Get Tests On 34 Soil Samples

Hale County farmers submitted 34 soil samples to the Agricultural Extension Service Soil Testing Laboratory at Lubbock during the months of May and June, according to Ollie Liner, Hale County Agricultural Agent. This was part of a total of samples received by the A & M College Laboratories for this period.

Liner says that the Agricultural Extension Service maintains and operates this Soil Testing Laboratory for Hale County farmers to use in determining their fertilizer needs. Even though soil tests have some limitations in determining fertilizer needs, the county agent says that the \$2.00 spent on a soil test is the most important money spent in a fertilizer program.

Submit your samples now to determine needs for your crops to be seeded this fall.

Pinkeye has been reported from many areas of the state and Dr. C. H. Patterson, extension veterinarian, advises cattlemen to keep a careful watch for symptoms among their cattle. It can cause permanent blindness. He suggests that a veterinarian be consulted if pinkeye is suspected.

## MR. FARMER!

You did not stint on the seed you planted or the Fertilizer you used because like all good farmers you know that the soil will yield proportionately to what is put into it. Why not gather it all when you harvest?

NOW you can put it ALL IN THE BIN with one of our ROW CROP GATHERING ATTACHMENTS. It will put the tall heads in the bin. It works equally well on twin or single rows. It will cut across the rows and not leave any heads.

It will get all the heads where Johnson grass and weeds are taller than the maize.

It will handle SOYBEANS Also.

If the wind blows the crop down you can RECOVER AN AMAZINGLY HIGH PERCENTAGE of it.

This Machine will pay for itself in a very short time by saving grain that is lost when using a regular reel.

It is PRECISION BUILT, TROUBLE FREE, LONG LASTING and EASY TO OPERATE.

Our facilities are rather limited and we will not be able to turn out a large number of these machines this season, therefore, PLACE YOUR ORDER EARLY.

"If You Are Not Sure, Ask The Farmer Who Owns One."

### Former Abernathy Resident Becomes Bride At O'Donnell

The bride's father officiated at the double ring ceremony when Miss Irish Ellen Prescott and Robert Joe Godfrey were married at 6 p. m. Friday in the Church of Christ at O'Donnell. The father of the bridegroom closed the wedding ceremony with a prayer.

Parents of the bride are Mr. and Mrs. Ode M. Prescott. Mr. and Mrs. Ralph Godfrey of Gunter are the parents of the bridegroom.

Given in marriage by her brother, John Prescott of Austin, the bride wore a street length dress of silk organza over taffeta designed with a scalloped portrait and three-quarter length sleeves. A small white lace hat complemented her frock. She carried a bouquet of pink gardenias atop a white pearl Bible.

Miss Carrol Lewis of Carlisbad served as maid of honor wearing a pink sheath highlighted by a large satin cummerbund. Her bouquet was formed of white gardenias.

Best man was Dale Monroe of Bowie. Guests were seated by John Prescott, brother of the bride, and Richard Godfrey of San Antonio, brother of the bridegroom.

The home of the bride's parents was the scene for the re-

ception following the wedding. Orson Rea of Abernathy, Richard Godfrey of San Antonio, and Miss Carol Vaughan of Carlisbad.

The bride chose a blue cotton dress with matching sweater and white accessories for a wedding trip to New Mexico.

When they return, they will make their home in Canyon where the bridegroom will attend West Texas State College and the bride is employed by the same college.

The bride is a graduate of Shallowater High School and Godfrey graduated from San Benito High School. Both are graduates of Lubbock Christian College where both were honor students and soloists for the a cappella and Meister-singing choruses.

Mr. and Mrs. O. F. Rea of Abernathy and the Hubert Arants of Lubbock attended the wedding. The Prescotts are former Abernathy residents. Ode M. Prescott having served as minister of the Abernathy Church of Christ a number of years ago.

Dr. John H. Quisenberry, head, Poultry Science Department, Texas A&M College, is one of 24 college men selected to serve on the 1961-62 Feed Survey Committee of the American Feed Manufacturers Association. He was assigned to Taylor of Shamrock. The couple is making their home in Canyon where they will be full students at West Texas State College.

**RECENT BRIDE**—The former Miss Gloria Houston, pictured above, recently became the bride of Ronald Edward Taylor of Shamrock. Wedding vows were exchanged August 27 in Abernathy First Methodist Church. Mrs. Taylor is a daughter of Mr. and Mrs. E. A. Houston of Abernathy, and the groom is the son of Mr. and Mrs. Willie Taylor of Shamrock. The couple is making their home in Canyon where they will be full students at West Texas State College.

### Men In Service

Air Force Staff Sergeant Nathan W. Simpson, whose wife, Betty, lives at 1202 W. Fifth St., Quanah, Texas, recently completed a ten-week liquid oxygen plant operation course at the U. S. Army Engineer School, Fort Belvoir, Va., August 18.

Sergeant Simpson was trained to operate equipment used in the generation, storage, handling and transfer of liquid oxygen.

He entered the Air Force in 1952 and was last stationed at Whiteman Air Force Base, Mo.

The 31-year-old airman is a 1947 graduate of Eldorado (Okla.) High School. His mother, Mrs. Lois Simpson, lives here.

Yokosuka, Japan (FHTNC) — Serving in the Far East aboard the attack aircraft carrier USS Bon Homme Richard, which visited Yokosuka, Japan, Aug. 10, is Barney C. Lewis, fireman, USN, son of Mr. and Mrs. M. C. Lewis of Abernathy.

The "Bonnie Dick," as the 42,000-ton carrier is known to its crew, delivered more than 70,000 pounds of clothing, medical supplies and other vital goods from the United States to needy areas of the Orient during its present cruise.

The deliveries, part of Operation Handclasp, were completed with the Yokosuka stop. The Bon Homme Richard also made visits offering Handclasp materials to Subic Bay, Philippines, and Sa-sebo, Japan.

Army PFC Eddie D. Wilson, 19, son of Mr. and Mrs. Edgar T. Wilson, Abernathy, Texas, recently participated with other personnel from the 4th Armored Division in a four-week training exercise in Grafenwohr, Germany.

The exercise was designed to train division personnel in map reading, infiltration, the use of mines and chemical, biological and radiological warfare.

Regularly assigned as a machine gunner in Company D of the division's 41st Infantry in New Ulm, Wilson entered the Army in August 1960, completed basic training at Fort Hood, Tex., and arrived overseas last February.

### School Policy On Inclement Weather

Following is the Abernathy Schools' 1961-62 "School Policy Regarding Inclement Weather":

**Official Radio Station**  
KFYO LUBBOCK 790KC has been designated as official station for emergency announcements of any kind.

If extreme bad weather develops during the night an announcement will be made between 6:30 and 7:00 a. m. if school is to be dismissed.

Should bad weather develop after the school day has commenced, an announcement will be made if school will be dismissed early.

**NO ANNOUNCEMENT MEANS SCHOOL AS USUAL** although at times busses cannot make all of their routes or even a part of it.

School Busses are so difficult to operate in mud and on ice that it is often dangerous to try as

well as expensive in the long run with added repairs.

**WHEN THE BUSES CAN'T RUN** the school will appreciate your help in transporting your children and other children near you—especially in the afternoon where some areas are inaccessible to the school bus.

**SCHOOL MUST GO ON** if possible. Days missed have to be added to the end of school and all days must be completed before the end of May to receive full share of state money.

School officials wish to express sincere appreciation to school patrons who over the years have assisted us in meeting our transportation problems so that as a whole our school district has been able to render good transportation service.

Mr. and Mrs. E. M. Crow and Mrs. Pete Knox and daughters were in Temple.

J. Morris Thomas was in a group of Hale County men attending the sugar beet meeting in Denver last week.

### 1961 Farm Program Highlights

College Station — The Agricultural Act of 1958 is now on the books and the rush is on to explain its provisions to farmers and others, reports C. H. Bates, extension farm management specialist.

One of its major provisions, reducing the wheat surplus, was voted on August 24. Wheat producers voted yes on marketing quotas for the 1962 crop. If they vote yes, a new wheat stabilization program will become effective, including higher support prices, a mandatory reduction of 10 percent in farm wheat allotments with acreage cuts up to 40 percent possible and a saving of \$250 million for the nation's taxpayers.

The legislation extends the feed

grain program which is now in effect and for the first time includes barley along with corn and grain sorghums. Current estimates indicate that feed grain production will be about 15 percent less than last year, says Bates.

Marketing order programs—self-help in a true sense—are authorized on more commodities.

The Agricultural Trade Development and Assistance Act (includes food for peace) has been extended and strengthened; expansion and improvement of supervised credit services for farmers who lack sufficient private credit and an extension of the Wool Act, the Great Plains Conservation Program and School Milk Program should have a strengthening effect on agriculture, says the specialist.

The Act also authorizes the Secretary of Agriculture to consult with the formulation of legislative proposals.

Under the Act, Bates says consumers are assured of fair and stable prices and taxpayers will benefit from savings of as much as \$1 billion overall from reduced storage and support price activities. The increased farm income will be an aid to the nation's entire economy, Bates concludes.

Mr. and Mrs. W. D. Morgan and daughter, Sharon, spent two days at Ruidoso early last week. Mr. Morgan was also in Galveston recently.

## Experiment Station Sets Open House And Field Day

The Texas Agricultural Experiment Station, Sub-station No. 8 will show off its new home at the new location, north of Municipal Airport in Lubbock, with dedication ceremonies and a combination Field Day on Sept. 19.

An open house will begin at 1 p. m. and all buildings on the new 320-acre experiment station site will be open to the public. Displays on work in progress will be available, in addition to a tractor drive tour of the station's field crops.

Plans call for a barbecue supper in the evening. Dedication ceremonies will be held at the supper and will feature Earl Rudder, president of Texas A&M College, who will speak briefly on "South Plains Research, Past and Future."

Dr. R. D. Lewis, director of the Texas Agricultural Experiment Station, also of College Station, will serve as master of ceremonies and Dr. R. D. Patterson, vice chancellor of agriculture of the Texas A&M System, will recognize special guests at the open house.

Charles Fisher, superintendent of the Lubbock Station, said the public is invited to visit the new research facilities during the open

house. Plans are being coordinated with county agents and others of the Texas Extension Service to have representatives at the open house from all of the High Plains counties.

John J. Seibert, area farm management specialist of the Texas Agricultural Extension Service in Lubbock, said an evaluation of research and its impact on West Texas agriculture shows the total increased value of research and extension work in the High Plains area is an excess of 106 million dollars since 1950, or an average of some 10 million dollars per year.

Fisher said that during the open house, personnel of the experiment station will conduct the guided tractor tours and give brief explanations of the research work now in progress at the new experiment station site. Also other personnel will be on hand at displays and in the buildings to answer visitors questions and furnish information.

The open house ceremony will climax more than two years of planning, building and moving of the facilities of Sub. Station No. 8 from its original location on the east edge of Lubbock to the larger, more modern facilities just north of Municipal Airport on Farm Road 1294.

"These new facilities for agricultural research are a giant step in cementing the agricultural future of this wonderful agriculture area we know as the High Plains. This new location, plus our new equipment and facilities, will enable our personnel to do expanded research work in agriculture. We hope the farmers and business men throughout the plains will come to the open house," Fisher said.

### BARLEY ADDED TO FEED GRAIN PROGRAM

Though barley ranks well down on the list of feed grains produced in Texas, many growers will soon have to make a decision on whether or not to participate in the 1962 feed grain program. Winter barley has been added to the program and seeding time is not far off.

The feed grain program for 1962 is about the same as the 1961 plan, but with winter barley added. The purpose is to reduce the total barley acreage while protecting the farmer with price support and conservation payments, say economists for the Texas Agricultural Extension Service.

To participate in the barley program a farmer must divert at least 20 percent of his 1950-60 barley base and at the same time not increase his corn or grain sorghum acreage. The diverted acres must be put to conservation uses, the economists say. Payment for the first 20 percent of diverted acreage will be figured on 50 percent of the normal barley yield on the farm. Additional acreage may also be taken out of production at a higher rate of payment.

If the producer chooses, he may plant all or a part of his diverted barley acreage to one or more of the following oilseed crops: castor beans, guar, safflower, sunflower or sesame by passing up conservation payments. He will, however, be eligible for barley support price.

The economists advise farmers who are eligible to participate in the winter barley phase of the 1962 feed grain program to check with their local county agent or Agricultural Stabilization and Conservation office for details on the program.

### Hale Farmers Get Tests On 34 Soil Samples

Hale County farmers submitted 34 soil samples to the Agricultural Extension Service Soil Testing Laboratory at Lubbock during the months of May and June, according to Ollie Linder, Hale County Agricultural Agent. This was part of a total of samples received by the A & M College Laboratories for this period.

Linder says that the Agricultural Extension Service maintains and operates this Soil Testing Laboratory for Hale County farmers to use in determining their fertilizer needs. Even though soil tests have some limitations in determining fertilizer needs, the county agent says that the \$2.00 spent on a soil test is the most important money spent in a fertilizer program.

Submit your samples now to determine needs for your crops to be seeded this fall.

Pinkeye has been reported from many areas of the state and Dr. C. H. Patterson, extension veterinarian, advises cattlemen to keep a careful watch for symptoms among their cattle. It can cause permanent blindness. He suggests that a veterinarian be consulted if pinkeye is suspected.

## Sept. 27 Is Field Day At High Plains Research Foundation

The 5th Annual Field Day of the High Plains Research Foundation will be held the afternoon of Wednesday, September 27. Tours will start at 1:30 p. m. and continue until the barbecue at 5:00 p. m. Research projects will be explained by farmers and scientists at stops on the tours. The evening program will begin at 6:00 p. m. with the introduction of the Trustees of the Foundation. Addresses by Congressman James Wright and Texas Agricultural Commissioner, John White, will conclude the program.

Farm equipment will be displayed and demonstrated during the afternoon. Included will be farm machinery, irrigation and fertilizer equipment, air spray and transportation equipment. Carl Hill, Jr., of Amarillo is chairman of the machinery exhibit. Exhibits by agricultural services will be explained by various agencies as a part of the afternoon's activities.

Frank Moore, President, in announcing the Field Day program stated that soil and water conservation research will be featured at the Field Day this year. The attendance is expected to exceed that of close to 3,000 in 1960.

Harold Hinn, Chairman announced today that the Board of Trustees of the Foundation will hold their semi-annual meeting at McGrath's at 10:00 a. m. the morning of Field Day. The board will establish the research program and budget of 1962 and decide

### ENTERS SWINE

Harold Henkle, Kress, last Tuesday became the first swine breeder to enter animals in the 1961 Panhandle South Plains Fair.

policy matters for the Foundation. Steve Taylor, Vice-President of Dimmitt, is chairman of the Field Day Host Committee, which is composed of board members.

Members of the Board include: Frank Moore, Graddy Tunnell, Homer Garrison, R. V. Payne, Wendell Green, Olan Alexander, Harry Igo, and Joe Don Scott, Plainview; Grady Shepard, R. L. Burgess, Hale Center, Claude Ferguson, Halfway, Harold Hinn, Dallas and Plainview for the central area, Homer Roberson, Petersburg; Carl Phillips, Abernathy, and Harmon White, Cotton Center.

### Farm Editorial

U. S. cotton growers are looking at the world market for fibers with a business gleam in their eye and a sharp pencil in their hand.

Figures show that in five years, U. S. fiber consumption will grow some 1.3 million bale equivalents and world use by 14 or 15 million. Reason: rising populations and increased per capita incomes.

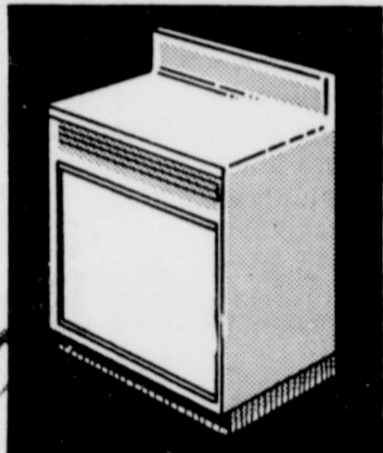

If U. S. cotton simply maintains its present 22 percent share of the world fiber market, expansion in total consumption would permit a 20 million-bale market for American cotton by 1967-68.

To take advantage of this potential, growers have organized the Cotton Producers Institute. Through this voluntary, producer controlled and financed organization, they will step up research and promotion activities.

Their aim is to lower production costs, improve the quality of cotton fiber and products, and promote finished products more aggressively.

Put another way, cotton growers see the opportunity that exists in an expanding market, and they are setting up a sound mechanism for achieving their objective. See a related story on page one of this issue.

## Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

The highest yield of wheat in the wheat fertilizer tests at the High Plains Research Foundation was received from a preplant application of 80 pounds of nitrogen and 80 pounds of phosphorus. The yield of 76.5 bushels per acre gave a profit from the fertilizer application over the non-fertilizer wheat of \$16.38.

Very close, with a yield of 76 bushels received from an application of forty pounds of nitrogen and 80 pounds of phosphate, was a profit of \$18.41 per acre above the non-fertilized wheat. The non-fertilized wheat yield was a surprising 60.3 bushels per acre.

Nitrogen, phosphorus and potash were used in various combinations. These included 40, 80, and 120 pounds of nitrogen, 80 pounds of phosphorus and 40 pounds of potash.

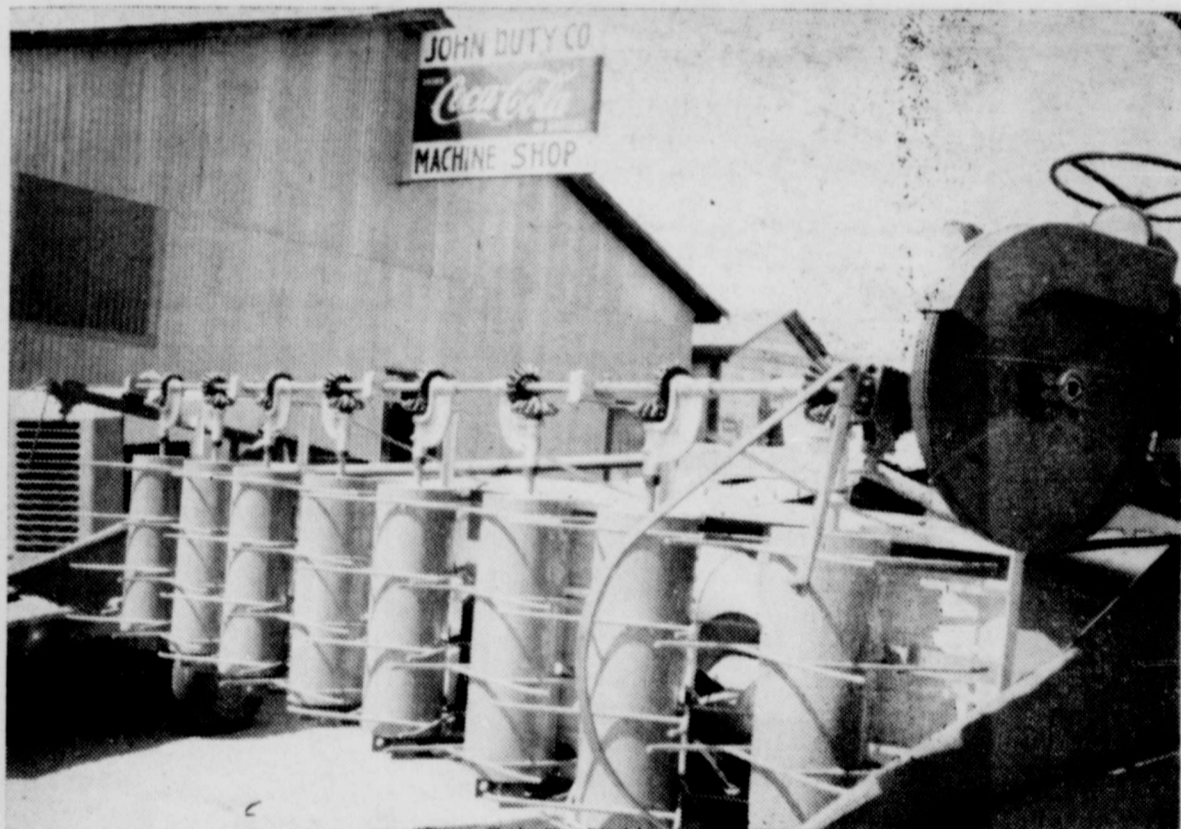

All fertilizer combinations were applied in preplant applications on October 5, 1960. Tascosa wheat, used in the tests, was planted on October 14 and harvested on June 24. The wheat was not winter grazed.

The yield was figured at 60 pounds of wheat per bushel at the price of \$1.75 per bushel. Rain-fall received during the growing season, October 1960 to June 1961, totaled 21.9 inches. Irrigation water was applied in the amount of 4.4 inches on April 14, 4.2 inches on April 28, and 3.6 inches on May 15.

The addition of potash to any of the nitrogen and phosphorus combinations failed to increase the yield. Phosphate alone increased yields by 5 bushels per acre and nitrogen alone increased yields 5 bushels but the combination of phosphate and nitrogen increased yields 16.5 bushels per acre. The fertilizer results closely paralleled the results secured in the 1959-60 season. Delbert Langford, Associate Agronomist, supervised both tests at the Halfway Foundation.

## MR. FARMER!

You did not stint on the seed you planted or the fertilizer you used because like all good farmers you know that the soil will yield proportionately to what is put into it. Why not gather it all when you harvest?

NOW you can put it ALL IN THE BIN with one of our ROW CROP GATHERING ATTACHMENTS. It will put the tall heads in the bin. It works equally well on twin or single rows. It will cut across the rows and not leave any heads.

It will get all the heads where Johnson grass and weeds are taller than the maize.

It will handle SOYBEANS Also.

If the wind blows the crop down you can RECOVER AN AMAZINGLY HIGH PERCENTAGE of it.

This Machine will pay for itself in a very short time by saving grain that is lost when using a regular reel.

It is PRECISION BUILT, TROUBLE FREE, LONG LASTING and EASY TO OPERATE.

Our facilities are rather limited and we will not be able to turn out a large number of these machines this season, therefore, PLACE YOUR ORDER EARLY.

"If You Are Not Sure, Ask The Farmer Who Owns One."

TED WAYNE WATTS, Manager

### Dr. Dorothy McCoy To Teach Matrix Algebra At Wayland Baptist College

Things aren't at all what they seem if you are listening to Dr. Dorothy McCoy talk about Matrix Algebra these days.

Dr. McCoy ought to know. She is professor of mathematics at Wayland Baptist College, Plainview and has just returned from eight weeks as visiting professor of mathematics at Baylor University. Then if you want more qualifications for her discussion of Matrix Algebra or some other phase of mathematics you would learn that she was one of the mathematicians who was called in to Cape Canaveral in Florida and to the Aberdeen Proving Grounds in Maryland to feed to the giant computers the higher mathematical problems dealing with missiles. She has also recently been visiting professor of mathematics at the University of Hawaii.

Dr. McCoy's explanation of Matrix Algebra, which will be offered at Wayland from 5 to 6 p.m. on Tuesdays to adults and hand-picked outstanding high school seniors, leaves the average person a little in the dark.

First class will meet from 5 to 6 o'clock, Sept. 19. Adults or

outstanding high school seniors should contact Dr. McCoy after Sept. 4 for permission to enroll in this class, although registration will not be completed until the first class meeting Sept. 19. Adults may earn one semester hour credit.

#### SANTA FE EARNS SAFETY CITATION

An outstanding safety program for employees and the general public during 1960 has earned a National Safety Council citation for the Santa Fe Railway, it was announced recently.

The Council's public safety activities award cited the Santa Fe for its work with civic groups in communities served by the company's lines, its attention to off-job accidents and its work in school systems to prevent trespassing mishaps.

Also praised in the award were the railroad's program to prevent highway-railroad accidents and its use of newspapers, radio, television and other media in publicizing home, school and traffic safety.

### County Line Chit Chats

By MRS. A. H. KLAFKA

Mr. and Mrs. Sam Terrell returned home Wednesday evening after vacationing in Red River, N. M., for several days.

The A. H. Klafkas left on Friday for a visit with relatives in and near Fredericksburg. They returned home Monday evening.

Mr. and Mrs. E. M. Crow and Mrs. Pete Knox and daughters attended a family reunion in Temple Labor Day weekend.

Verna Lee Compton and children returned home to Kingsville, Texas, after spending several days with her parents, Mr. and Mrs. Marvin Stephens.

Mr. and Mrs. G. W. Blackmon and Leldon are home from a vacation to Red River, N. M., and Durango, Colo. They were joined in Red River by Mr. and Mrs. Edzell Merrell and daughter, Dana, and Mr. and Mrs. Elton Blackmon. They all made the trip to Colorado.

Mrs. Marvin Floyd is home after spending a few days in the hospital last week.

Mr. and Mrs. Esten Blackmon of Andrews were Labor Day weekend visitors in the home of his parents, Mr. and Mrs. G. W. Blackmon. Leldon Blackmon returned to Dallas Friday to resume his teaching position in Highland Park High School Sept. 5.

The L. A. Jones are having an extended stay at their vacationing home in Cloudcroft, N. M., Jessie Katherine Newton, daughter of Mr. and Mrs. Jones, and children are with them. Mr. Newton spends weekends there.

Mr. and Mrs. Eddie Davis and children from Abilene were visitors in the Fred Exum home last week.

Mr. and Mrs. Ronnie Presley and Mr. and Mrs. Bill Simpson were weekend visitors in the home of Mr. and Mrs. Don Presley. The visitors were cousins of Don.

Mr. and Mrs. Allen Welch of Ponca City, Okla., visited her parents, Rev. and Mrs. Roy Miner last weekend. They came for their daughters who had spent the summer with their grandparents. Rev. and Mrs. Miner left Monday morning for a vacation in Arkansas and Tennessee. While in Tennessee the Rev. Miner will attend the Southern Baptist Brotherhood Convention in Memphis.

The Marvin Taylors spent last week at Possum Kingdom fishing. They reported fishing good and caught many nice fish.

Mrs. Leon Manley and children from Lamesa spent Friday night of last week with Mr. and Mrs. G. W. Manley. Lenora Manley and Dortha Alexander spent last weekend in Lorenzo visiting friends.

Several members and friends of the County Line Co-op Gins enjoyed ice cream, cold water-melons and soft drinks during the associations open house meeting last Friday afternoon. Dividend checks were distributed also.

Mr. and Mrs. Fulton Barron were Sunday visitors in the home of Mathew and Lona Goodrich. Mrs. Barron is Mathew's aunt.

Mr. and Mrs. Marvin Floyd and Phyllis visited in the home of Mathew and Lona Goodrich Sunday.

#### News of Men In Service

Coronado, Calif. (FHTNC) — Among the crewmembers aboard the destroyer USS Harry E. Hubbard who participated in exercise "Marlex 61" at Silver Strand, Coronado, Calif., from Aug. 14-18, was Smith L. Evans, fireman, USN, son of Mr. and Mrs. Charles R. Evans of Abernathy.

The exercise, connected with the Navy midshipman training program for 1961, involved 11 Navy ships, including attack transports, landing craft and destroyers, and several Marine Corps air and ground units.

The demonstration included shore bombardments, close air support, and assault landings using the latest surface and airborne attack methods.

### Idalou Home Is Wedding Scene

Idalou (Social) — Miss Linda Faye Johnson became the bride of Ronald Brooks Stanton in a double ring ceremony read at 2:30 p. m. Friday in the home of the bride's parents, Jack Johnson of San Antonio officiated.

The couple married on the 27th wedding anniversary of the bride's parents at the same hour.

She is the daughter of Mr. and Mrs. F. I. Johnson, Rt. 1, and he is the son of Mr. and Mrs. M. B. Stanton, Abernathy.

Given in marriage by her father, the bride wore a gown of white Chantilly lace over tulle and net. The fitted bodice featured long sleeves. Lace panels accented the skirt. She carried an arrangement of white roses nestled among white feathered carnations. Her fingertip veil of French silk illusion fell from a tiation of rhinestones and pearls.

#### Sisters Are Attendants

Matron of honor was Mrs. Winston Jones, sister of the bride, of Plainview. Bridesmatron was Mrs. Jim Jackson, Floydada, another sister of the bride. The attendants' dresses were identical except for color. They were fashioned with round necklines and cap sleeves. The gathered full skirts were attached to the fitted bodices by tiny cords. The matron of honor's dress was lime green and the bridesmatron's dress was pink. Each carried a bouquet of roses and carnations.

Candlelighters were Brenda Bramlett and Linda Gordon. Flower girls were Rhonda and Nesa Jackson, nieces of the bride, both of Floydada. Ring bearer was George Stanton, cousin of the bridegroom, of Shallowater.

Miss Sandra Caplinger accompanied Mrs. Dennis Taylor and John Taylor in wedding solos.

#### Reception Is Given

A reception followed in the home. Miss Kathleen Phillips presided at the guest register. In the house party were Misses Jamie Jones, Carol Ann Guess, and Dolie Jones.

For a trip to the Gulf Coast, the bride chose a forest green

### FARMERS FAVOR WHEAT QUOTAS IN REFERENDUM

Texas wheat producers and those in the other 38 commercial wheat producing states voted on August 24 to continue marketing quotas on their 1962 wheat crops. In the nation, 79.4 percent of those voting favored quotas and in Texas, 78.9 percent voted yes, says C. H. Bates, extension farm management specialist. A two-thirds majority was needed to keep marketing quotas in effect, and to make operative the new wheat stabilization program.

Wheat producers will have to cut their acreage allotments by at least 10 percent for 1962 and may, if they choose, take out another 30 percent of their allotment, Bates says. Those who comply with their acreage allotments and conservation requirements will be eligible for the \$2.00 per bushel price support and for wheat payments.

For the 10 percent acreage cut, the producer will be paid at the local price support rate for 45 percent of his normal yield. If additional acreage is diverted, payment will be based on 60 percent of the adjusted yield per acre, Bates says.

Farmers can get up to half of their payments when they sign up for the wheat acreage diverted to conservation uses, according to Bates. The balance will be paid after the farm has been checked for compliance.

Bates says that growers who need detailed information on the program should contact the local Agricultural Stabilization and Conservation committee, the ASC office or the county agent. Local meetings will be held in the near future to explain the new program and Bates urges all wheat growers to attend.

suit with light green and black accessories.

She is a May graduate of Idalou High School. He is a graduate of Idalou High School and attended Abilene Christian College and Lubbock Christian College. He is engaged in farming in the Becton community.

### Local County Agent To Be Among Voting Delegates At National Meeting In N. Y.

Six Texas county agricultural agents will be among the group honored by the National Association of County Agricultural Agents in New York City on September 14. The honorees will receive the Association's highest award, the Distinguished Service Award.

The Texas agents and the counties they serve are John D. Brazzil, Randall; W. C. Palmeyer, Motley; Chas. R. Brown, Franklin; H. C. Stanley, Taylor; W. T. LaRue, Anderson and Doyle L. Moore, Colorado County. All will attend the Association's 46th annual meeting, September 10-14, in the famous Waldorf Astoria Hotel. Each Distinguished Service Award winner was cited for outstanding contributions to Agriculture and improved rural living over a period of years.

Other Texas agents planning to attend include the officers of the Texas Association—J. M. Cooper, Eastland, president; R. B. Tate,

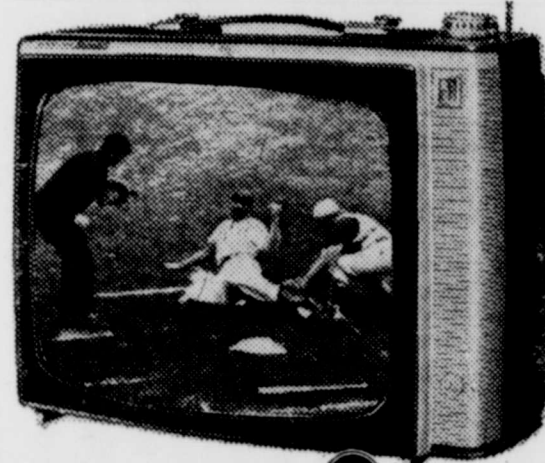

1st vice president and Chas. Carpenter, 2nd vice president, both of San Antonio; and T. J. Kennedy, Graham, secretary-treasurer. Other voting delegates planning to attend include Elmo Cook, Travis County; W. B. Griffin, Lynn County; Ollie Limer, Hale County; Emmett Anderson, Dallas County assistant agent and Eldred Jordan, Starr County; D. F. Bredthauer, Refugio County and Sam Mann, Johnson County.

### School Opens

Dear Mr. Driver:  
 Today my daughter, who is six years old, started to school. She wore a dark blue dress with a white collar, black shoes and blue socks. Her cocker spaniel, Scoot, sat on the front porch and whined his canine belief in the folly of education as she waved goodbye.

Tonight, we talked about school. She told me about the girl who sits in front of her . . . the little girl with the yellow curls, and the boy across the aisle who makes funny faces.

She told me about her teacher, who has eyes in the back of her head . . . about the trees in the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things . . . tremendously vital, important things.

We studied spelling, reading, and writing, and then to bed. She is there now, up in her room, sound asleep. And "Princess Elizabeth" (her doll) is cuddled in her arm.

You guys wouldn't hurt her, would you? You see, when her doll's finger is cut, or when a leg is broken, I can fix it. But when my little girl starts to school, when she walks across the street . . . well, then she is in your hands.

She's a nice kid. She can run

### 1954 WOMEN'S CLUB ENJOYS PICNIC

Members of the 1954 Women's Club held their annual family picnic August 24 in the back yard of the home of Dr. and Mrs. Kenneth Gregory.

Members and their husbands and families attending were: Messrs. Harp, Bobby Barton, W. A. Covey, Kenneth Gregory, Frank Megna, David Pinson, Melvin Rape, Harold Thomas, Pete Thompson, Ted Watts, Maurice Priddy, and D'Ann Shipman and family.

The first meeting of the year was held Wednesday, Sept. 6, in the city hall club room. It was a "taste and trade" luncheon of the members' favorite dishes and recipes. Exchange of gifts with Secret Pals was also conducted.

Wanda Beaton, Reporter

like a deer, and darts about like a chipmunk. She likes to ride her tricycle and go for a walk with me on Sunday afternoon.

But I can't be with her all the time. I have to work to pay for her clothes and education. So, won't you please look out for her and the other children.

Please drive slowly past the schools and intersections . . . and please remember that children forget—you must not.

—A Father.

### LCC To Sponsor Community Chorus

For the third year a "Community Chorus" for adults who enjoy singing will be organized by Lubbock Christian College, according to an announcement made by Wayne Hinds, head of the music department.

Hinds said that the group will meet for practice from 7:30-9:00 p. m. on Tuesdays, beginning September 12 and continuing through November 21. Charles Cox, a recent addition to the LCC music faculty, will assist in the drill sessions.

Membership is open to anyone in the Lubbock area who is interested in a cappella singing for enjoyment, and who can attend rehearsals regularly. The community chorus was started in the fall of 1950, and Hinds says that the members usually range in age from 21 to 60, with the average age being about 35. Past choruses have numbered 45 and 50.

Hymns and specially arranged religious numbers will compose the major part of the repertoire for the "two or three" concerts that the singers will give in area Churches of Christ, probably following Wednesday evening prayer meeting services. The final concert will be given Tuesday evening, November 21 in the LCC auditorium.

Texas wheat producers and those in the other 38 commercial wheat growing states voted on August 24 to continue wheat marketing quotas another year. In the nation, 79.4 percent of those voting favored quotas and in Texas, 78.9 percent voted yes. A two-thirds majority was needed to continue quotas and make operative the new wheat stabilization program. C. H. Bates, extension farm management specialist, said growers could get details of the new program from the county ASC office or local county agent.

MISS DAPHNE MATEJOWSKY . . . Engaged

### Engagement Of Miss Matejowsky Is Announced

Mr. and Mrs. Elmo Matejowsky announce the engagement and approaching marriage of their daughter, Daphne to Leon Stewart. He is the son of Mr. and Mrs. Buell Stewart of Yakima, Washington.

Miss Matejowsky is a graduate of Abernathy High School.

### BALD FACTS

A bank president, extremely sensitive about his baldness, wore his hat much of the time inside and out. One day while the porter, an employee of long standing, was sweeping out his office, the president asked jokingly, "Sam, why is it after all these years you don't have an account with us?" "Because, Boss, you always look like you're about to go somewhere."

### Lakeview News

John Fisher is on a business trip to El Centro, Calif., and Nevada.

Mr. and Mrs. J. C. Belt visited in Sweetwater and Lenora over the weekend.

M. and Mrs. Gordon Timms attended funeral rites of a friend, W. D. Throp, in Lamesa Friday.

Mrs. Maude Fortson of San Angelo and Mrs. Felix Fred of Morton visited their sister, Mrs. A. B. Colwell, last week, and Mr. and Mrs. Colwell accompanied Mrs. Fortson home to San Angelo to visit other relatives.

Mrs. Mary DeVore has returned to her home in Lubbock from the Fisher home where she resided the past 18 months.

Mr. and Mrs. Tommy Thomas of Plainview visited her mother, Mrs. Lemmie Ragland Sunday.

Guests in the Herbert Watson home last week were Mr. and Mrs. G. C. Watson, Mr. and Mrs. J. D. Watson, and Mrs. Bob Thompson, all of Tahoka, Mrs. Roy Houck of Durant, Okla., Mrs. Eddie Winchell of Ark. Mrs. Lillie Alexander, and Mrs. Leon Manley and children of Lamesa.

Mrs. Clayton Enger, Mrs. J. C. Belt and Mrs. Dick Richards attended the W.S.C.S. Seminar held in St. Luke's Methodist Church in Lubbock Wednesday, 9:30 a. m. to 12 noon.

Jean Carnes of Slaton is visiting her grandparents, Mr. and Mrs. Gordon Timms.

Mr. and Mrs. Preston Mitchell and Paul of Albuquerque spent the weekend with relatives here.

Mrs. Nita Overton returned to her home Saturday following a visit in the Jack Lee home.

Mr. and Mrs. R. E. Anderson returned home Friday, following a two months vacation in Shreveport and East Texas.

Visitors in the Lee Roy Waters home Monday were Mr. and Mrs. Clarence Edgeman, Mr. and Mrs. J. G. Cox and Abene, all of Weatherford, and Mrs. G. M. Stout, Mr. and Mrs. Dwain Jordan of Petersburg. Mr. and Mrs. Cox are the grandparents of Mrs. Waters.

Mr. and Mrs. A. L. Jordan have been visiting his parents, Mr. and Mrs. L. J. Jordan while he is recuperating from injuries of a car wreck near his home in Kermit two weeks ago.

Mr. and Mrs. Kermit Mitchell of Tulsa and Mrs. A. W. Mayo and Paula of Lubbock, visited the R. E. Andersons during the weekend.

Mr. and Mrs. T. E. Lutrick are vacationing in Colorado this week. The Builders Class of the Methodist Sunday School enjoyed a picnic supper in Mackenzie Park Saturday night.

Bud Goldston of Roswell was here for several days with his brother, J. J. Goldston, during his surgery and death in Methodist Hospital.

The W.S.C.S. met in the home of Mrs. Lawrence Amerson Monday at 2 p. m. The opening prayer was by Mrs. J. C. Belt. Mrs. Vernon Smith gave the Devotional. The program, arranged by Mrs. N. Matthews, was presented by Mmes. Jack Jackson, T. W. Driver and Herbert Watson. Mrs. A. B. Colwell dismissed the group with prayer.

Mmes. R. A. DuBose, A. B. Colwell and Dwain Bristow, received birthday gifts during a recreational period directed by Mrs. S. M. Harrison. Thirteen members attended.

Mrs. Mae Wooley of Modesta, Calif., was here to attend funeral rites of her father, J. J. Goldston, and visited in the home of her brother, Floyd Goldston.

Mr. and Mrs. O. D. Rhodes and

### Granddaughter Of Mrs. C. H. Williams Married Recently

Miss Winette Beaton, daughter of Mr. and Mrs. Estes Beaton, and Ira Bruce Parr, son of Mr. and Mrs. Bruce Parr, all of Friona, were united in marriage at 3 p. m. Sunday, August 27, in the Friona First Baptist Church.

The bride is a granddaughter of Mrs. C. H. Williams of Abernathy.

Paul Smith, minister of the Sixth Street Church of Christ in Friona read the double ring ceremony.

Given in marriage by her father, she wore a gown of imported French Chantilly lace. The yoke of tulle and lace featured lace sleeves. The scalloped lace skirt cascaded to the floor over nylon tulle and baroness bridal satin. Her shoulder length veil of imported French illusion and Chantilly lace was caught with a tiara of pearlized orange blossoms. She carried a white orchid with cascades of roses atop a white Bible.

Miss Iva Ben Parr, sister of the bridegroom, was maid of honor. Bridesmaids were Misses LuAnn Hough, Kay Struve, Suzanne Taylor, Kitty Black and Pam Roggen.

Attendants wore identical dresses.

Margie Lyles and Pam, all of Lubbock, were Sunday visitors in the C. P. Loyd home.

Mrs. E. L. McLaugh was in Cisco last weekend.

es of embroidered beige peau de soie fashioned with high necklines, fitted bodices and bell shaped skirts. They carried gladioli bouquets.

Dale Smith was best man. Groomsman and ushers were Charles Beaton, brother of the bride; Johnny Miller, cousin of the groom; Larry Joe Moyer, Jim Laurance of El Paso and Elliott Crabtree of Stratford.

Candles were lighted by Billy and Buddy Rhodes of Abernathy, cousins of the bride. Ringbearers were Mikala Renner and Kim Parr, brother of bridegroom. Donna Jo Parr, sister of the bridegroom, was flower girl.

Miss Nelda Douglas, organist, played a prelude of wedding music. Miss Donna Blackburn, pianist, accompanied Miss Suzanne Taylor, soloist.

Guests at the reception in Fellowship Hall were registered by Miss Jere Buske. Others in the house party were Misses Gayle Knight and Ceila Weatherly and Mmes. D. L. Carmichael, Sam B. Bailey Jr., Ralph Price and R. E. Sneed.

Visitors over the weekend in the home of Mr. and Mrs. Dewey Price were their son and family, Mr. and Mrs. J. D. Price and children of Dallas, their daughter and family, Mr. and Mrs. Jack Drye and son of Muleshoe, and Dewey's brother, Randolph Price, also of Dallas.

Mr. and Mrs. Eddie Bailey and family visited relatives in Pampa over the Labor Day weekend.

LIONS CLUB NEWS

MARSHALL FORMBY  
Lions Club Speaker

"Let's quit downgrading ourselves, quit being on the defensive and quit worrying about what other countries think about everything we do. There are many things 'right' with America, so we must do to preserve our nation," Marshall Formby, Plainview Attorney, said in a talk at the Lions Club luncheon at Graham's Restaurant Tuesday.

Formby is a former state senator and former member and chairman of the Texas Highway Commission. He has traveled extensively. Formby's speech was non-political, although he is mentioned as a probable candidate for Governor in 1962.

"We've got to sell democracy to the world and quit apologizing," Formby said.

"In Italy, for example, Communists are spending \$1 per person per year for communist propaganda. The democracies are spending four cents per person per year in telling our side of the story."

Turning his comments to this nation's continuing struggle with Communism, Formby urged spending money for more rockets and a defense from the Russian intercontinental missiles, "instead of spending money to try to get to the moon."

"If Russia develops a defense for these fast rockets (ICBM's) before we do, it is going to be rough," he added. "We must be willing to make sacrifices and I believe the people are ready. We need to quit worrying about pink bathrooms, colored telephones, increase pleasure car horsepower, \$50,000 homes, three cars in a family, two new refrigerators every year. We may be buying these highly publicized conveniences at a tremendous price . . . the price of freedom, or even of life itself."

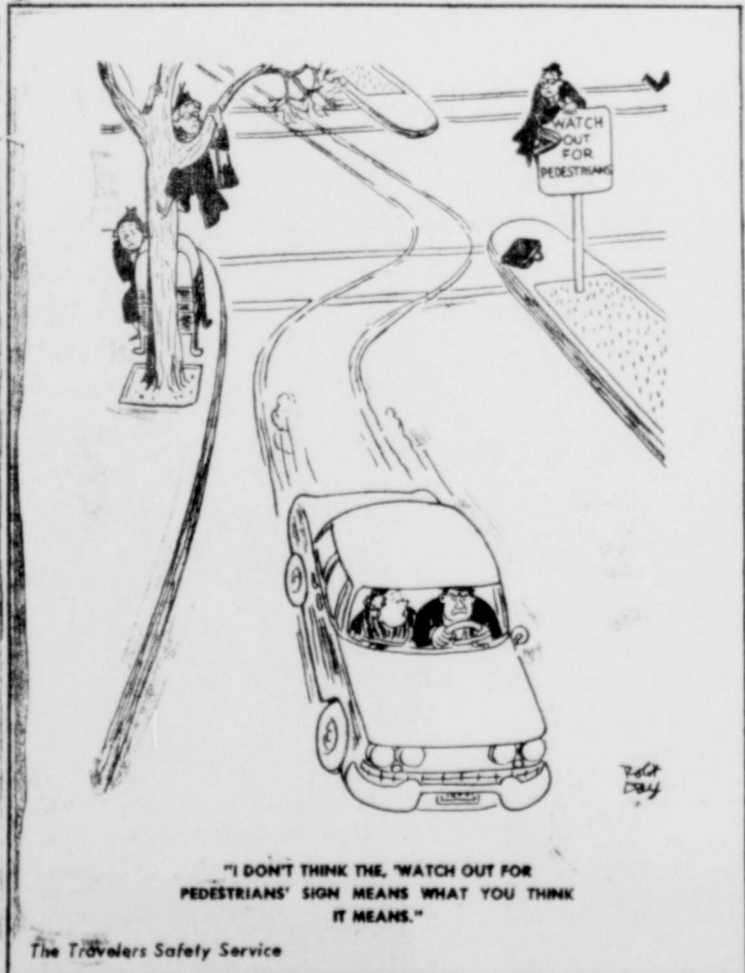

Formby charged this country has "lost face" because of the ill-fated Cuban invasion—that Nikita Khrushchev and Fidel Castro have been "allowed to grab the propaganda offensive against us." Formby criticized the recent tendency of some Americans to "cussing and condemning" themselves and "downgrading the United States."

"We have the greatest salemen in the world if we will just get them to sell democracy, to sell the good parts of our capitalistic free enterprise system," the attorney said.

WARNING

**SCHOOL BUSES**  
Motorists are warned to observe the state law in regard to passing school buses stopped to take on or discharge passengers. The law requires that motorists STOP, then proceed with caution (not to exceed 10 mph) in passing a bus. School bus drivers are obligated to take the license number of any vehicle passing a bus in any other manner than that described above.

Deadly Reckoning by Robt. Day

"DON'T THINK THE 'WATCH OUT FOR PEDESTRIANS' SIGN MEANS WHAT YOU THINK IT MEANS."  
The 700,000 Safety Service

More than 260,000 pedestrians were killed or injured in 1960.
