## Lions Club's Annual Broom Sale Set For Saturday In Three Locations

ARCHIE ACKER  
Principal at New Deal

Mr. Archie Acker, principal of the elementary and junior high schools at New Deal, has been in the teaching profession for 35 years. He is not new to the school system at New Deal, having taught there for 10 years before moving to Petersburg in 1955.

Mr. Acker taught in the elementary grades the past six years at Petersburg, then returned to New Deal this year to accept the position of principal of the first eight grades.

He started his teaching profession in 1925 at a rural school near Gainsville, and taught in that area until 1933. He then taught school in Stonewall County until moving to this part of Texas.

Mr. Acker's wife, Beola, is a fifth grade teacher in the New Deal school.

## W. C. Jenkins Dies In Lubbock

William C. Jenkins, 73, 2401 14th St., resident of Lubbock 10 years, died at 1:15 p.m. Monday in Methodist Hospital after an illness of five years.

Born in Ellis County, Jenkins formerly lived in Abernathy 23 years where he had the Magnolia Oil Agency several years. Before moving to Abernathy, he ranched in Dickens County and in New Mexico. He was a member of First Baptist Church in Lubbock.

Funeral rites are scheduled for 10 a.m. Thursday (today) in Ford Memorial Chapel of First Baptist Church in Lubbock. Dr. J. Ralph Grant, pastor, will officiate, assisted by the Rev. J. Frank Nix, Baptist minister, and Horace Coffman of Broadway Church of Christ, Lubbock. Burial will be in Resthaven Memorial Park, Lubbock with Sanders Funeral Home of Lubbock in charge of arrangements.

Survivors include his wife; three brothers, the Rev. L. B. Jenkins, Forney; J. H. Jenkins, Woodson; Jesse Jenkins, Meridian; two sisters, Mrs. Nannie Vines, Ennis; Mrs. Maggie Howard, Hearne; two step-sons, Ronnie Smith, 2807 62nd St., A. J. Smith, Houston; and four step-daughters, Mrs. W. B. Green, Carrollton; Mrs. H. D. Craig, Springfield, Ill.; Mrs. Margaret Martin, Clovis; and Mrs. Drucilla Barber, 2317 54th St.

## GSPA Expands Its Organization

Harvest of what may be another bumper grain sorghum crop on the Texas High Plains is starting in the southern part of the Plains, Frank Moore, Plainview farmer, who is president of the Grain Sorghum Producers, Assn., said this week as he announced expansion of that organization.

In existence since late 1956, the GSPA has worked continuously in behalf of grain sorghum producers and has become recognized as the only sorghum commodity group of the nation. Work of the GSPA, while representing just about all farmers who produce grain sorghum, has been supported and directed mainly by producers in the area to the north of Lubbock up to the Oklahoma line.

For the first time this year, the organization is attempting to enlarge its representation and support and extend its boundaries southward over most of the High Plains. County organizations will be set up to give producers in each county a voice in the GSPA and representation on its board.

Elevator operators throughout the south portion of the Plains are now being contacted along with direct contact to producers about support of the grain sorghum research, market development and service program. Funds for the organization are made possible by producers through a deduction of two pounds per bushel and from grain sorghum deliveries at local elevators.

Moore said that additional information on the grain sorghum organization will be published later, to show results accomplished thus far and plans for future work.

The Abernathy Lions Club has set the date for the annual Broom Sale in Abernathy. The sale will be held Saturday, September 16.

Door-to-door canvassing of the residential sections of the city will not be done this year. Broom sale will be set up at three centrally located sites downtown—one in front of the post office, one in front of the city hall, and one in front of the bank.

The locations in front of the post office and city hall will be operated from 8 a.m. until 6 p.m., while the one in front of the bank will be operated from 9 a.m. until noon.

In addition to brooms of various types and sizes, the Lions will have for sale mops, various brushes, etc.

The proceeds from the sale will go to the Abernathy Lions Club and The Lighthouse, an organization to aid the blind.

The Lighthouse is a United Fund Agency and works in cooperation with the State Commission for the Blind in Austin. The employees earn their wages by producing marketable articles. Revenue from sales goes to pay wages and buy materials.

Help the local Lions Club and help the blind by buying any of their items from the Abernathy Lions at either of the three downtown locations Saturday.

## Golf Tourney Winners Named

Eight local ladies participated in the Labor Day weekend Golf Tourney at Abernathy Recreation Center. Entrants were Meses, John Hale, Harvey Lutrick, Lloyd Edwards, Hugh Pettit, Lon Carmickle, Paul Noland, Pete Wilson, and Miss Shelley Oswalt.

Winners of the four-member teams Pro-Am Tourney on Saturday were Meses, Pete Wilson, Lon Carmickle, Harvey Lutrick and Paul Noland.

On Saturday players were put into two-member teams by their qualifying scores on Friday. The teams were: Mrs. Noland and Mrs. Edwards; Mrs. Hale and Miss Oswalt; Mrs. Lutrick and Mrs. Pettit; and Mrs. Wilson and Mrs. Carmickle.

Winners of the Championship team tourney Sunday were Mrs. Noland and Mrs. Edwards, while runners-up were Mrs. Wilson and Mrs. Carmickle.

Winners of the consolation tourney were Mrs. Hale and Miss Oswalt, and runners-up were Mrs. Lutrick and Mrs. Pettit.

## To Form Golf Club

Mrs. Paul Noland reported that the women golfers are trying to form a ladies golf club which will meet once a week at ARC. At the present time the plans are very tentative, but Wednesday at 9 a.m. was chosen for the tee-off time.

At present no dues are being paid, and all ladies were urged to join the group Wednesday morning. Several beginner golfers are playing with the group so others are urged to come on out.

Mrs. Noland added that lady golfers who are non-ARC members may join them by paying the green fees.

## SPEAKERS ON LODGE PROGRAM HERE TONIGHT

Two speakers are to appear on the program during the stated meeting of Abernathy Lodge No. 1142, A. F. & A. M., tonight (Thursday) at 8:30. It was announced by Ray Willis, Lodge secretary. The visiting speaker will be Charles G. Rook, Jr., member of Yellowhouse Lodge, Lubbock. The other speaker will be Vernon Bartlett, a member of the local Lodge.

Cecil McCurdy, Worshipful Master of the Lodge, urges members to be present for this special program, and extends an invitation to visiting Masons.

Mr. and Mrs. Stanley Waits and family of Rockport visited his mother, Mrs. George Waits, and his brother, Monroe, and family. Stanley and his family left for home Saturday, but, at last report, were at Devine, near San Antonio, waiting out the "Carla" storm which was raging in the area of Rockport.

## New Deal Wins, 12-6, Over Lazbuddie; Plays Hart Next

The New Deal Lions racked up their first victory of the season last Friday night at Lazbuddie as they wrestled the Longhorns for a 12-6 win. Both New Deal touchdowns came in the first half of play.

Fullback David Attebury was the big offensive gun for the Lions, and was credited with the first touchdown as he blasted across the goal line from three yards out in the first quarter. Quarterback Don Enger scored the second TD in the second

## Homes Being Built Here By Idalou Construction Firm

Jones Construction Company of Idalou recently began construction of a new home in the Virgil Phillips Addition here and has announced that they will build more homes in the addition. The home currently being built is for Mr. and Mrs. Billy Deering, and is nearing completion.

B. V. Powell, long-time resident of Abernathy, has been named the local representative for Jones Construction Company. Virgil Phillips is the land owner.

The construction company is made up of three men: Emmett Jones and Clifford Jones, who are brothers, and Don Jones, Clifford's son. Emmett and Clifford were raised in the Becton community and attended the Becton School. In talking of the growth of the area communities, Emmett related that he and Clifford had loaded large numbers of sheep on trains at the Abernathy "stock yards" in southeast Abernathy "around 30 years ago."

Clifford has had many years experience in his line of work, having been in the construction business in California for 15 years before the Jones brothers formed the partnership business in Texas and began the construction of new homes in the Sunrise Addition in Petersburg in 1958. They also constructed the clinic in Petersburg.

Two years ago they began construction of new homes in the western section of Idalou, which is now known as the Idalou Gardens Addition.

The main office for Jones Construction Company is located in Idalou, just off Highway 82 in the Idalou Gardens Addition. Emmett Jones is in charge of sales and promotion, Clifford is superintendent of construction, and Don is in charge of plans and promotion. See their ad on page two of this paper.

## Abernathy Man Is Part-Owner Of New Elevator

Formal opening of the Blue Star Elevator and Grain Storage, Inc., at Petersburg has been set for Saturday, September 16. The new elevator, located at the "Y" in Petersburg, is owned by four area men. Included in the list of owners is Floyd Shipman of Abernathy. Others are Lester Pearson, J. C. Alford, and Dwight A. Green. Manager of the new firm is J. B. "Bert" Robertson.

Coffee and doughnuts will be served during the formal opening.

## REV. BOYCE EVANS ACCEPTS PASTORATE OF BAPTIST CHURCH

The Rev. Boyce Evans of Lubbock has accepted the pastorate of Abernathy First Baptist Church. He has been in evangelistic work for some time. The church has been without a regular pastor since the Rev. Joe Griffin resigned and moved to Weatherford several months ago. The Rev. S. L. Harris of Lubbock has been serving as interim pastor.

Lloyd Givens, manager of Abernathy Motor Co., Ford and Mercury dealership, made two trips to Dallas recently to attend the dealer showing of the 1962 Ford and Mercury automobiles. The new model Ford will go on display here Sept. 29. Date for public showing of 1962 Mercurys has not been announced.

Linda Johnson was a patient in Hi-Plains Hospital, Hale Center.

Mr. and Mrs. Tracy G. Watson of Houston visited here in the home of her brother, Lloyd Edwards.

Ed Crow, Morris Gist, Joe Blair and Andy Reid of Reid Chevrolet were in Fort Worth last week for a dealer showing of the 1962 line of Chevrolets, which will be shown to the public here Sept. 29-30.

J. O. Robertson was a patient in West Texas Hospital, Lubbock.

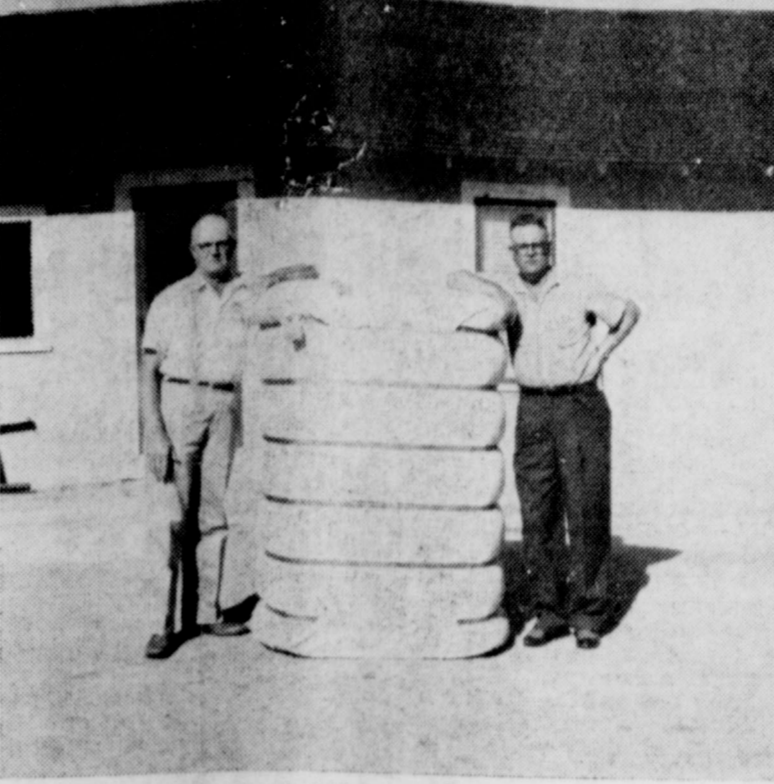

## Card Of Thanks

To the many hundreds of friends who signed the petition for me in regard to being your Post Mistress, I say "Thank you."

I will not continue to work toward the Post Office job. I needed a job badly, but at the official board meeting of the First Methodist Church I was elected secretary for the church, for which I am deeply grateful.

I will begin serving in this capacity October 1, and feel that this will be much better for me. I shall never forget each kind word of encouragement you extended me; and for your love and faithfulness, I shall ever be grateful.

Sincerely,  
Jewel Richter

NEW DEAL'S FIRST BALE—J. R. West delivered New Deal's first bale of 1961 cotton last Friday to New Deal Gin Company. Pictured above with the 460-pound bale are Mr. West, left, and J. B. Justice, manager of New Deal Gin Company. The bale is wrapped in cotton bagging developed through the efforts and research of Plains Cotton Growers, Inc. Cotton bagging will be available for only 100 bales at the New Deal Gin Company this season, Mr. Justice stated. The bale shown above was ginned in about 10 minutes time as they had no trouble spinning it and no stops. It was stated. —(Staff Photo)

## Rites Held At Post For Sister Of W. A. Waters

Funeral services for Mrs. Mary Ann Gilmore, 77-year-old resident of Post for the past 39 years, were held at 2:30 p. m. Monday in Calvary Baptist Church in Post, of which she was a member. The Rev. Grayson Howell, pastor, officiated.

Burial was in Terrace Cemetery at Post.

Mrs. Gilmore, a native of Lafayette Springs, Miss., died Friday night in Garza Memorial Hospital after a long illness.

The Gilmorees were former residents of the Abernathy area.

She is survived by five sons, Kei of Hobbs, N. M. Travis of Post, Troy of Carlisle, N. M., Arlie of Post and Roy of Big Spring; two daughters, Mrs. Mae Jackson of Carlisle, and Mrs. Maude Scott of Post; two brothers, W. A. Waters of Abernathy and J. C. Waters of Spearman; two sisters, Mrs. E. L. Gilmore of Post and Mrs. S. C. Watson of Los Lunas, N. M., 15 grandchildren and 12 great-grandchildren.

## First Bale Of 1961 Cotton Is Delivered To New Deal Gin

J. R. West, who farms four miles east of New Deal, delivered the first cotton in that area for ginning last Friday.

Just to make it worth the trip, he also delivered a second load the same day which was harvested from the same field.

P. B. Justice, manager of the New Deal Gin Co., said West received 50 cents per pound for the 460-pound bale, and was paid on the basis of \$100 per ton for the seed. West brought in 2,100 pounds of seed cotton, which produced the first bale and 800 pounds of seed.

West will also receive a cash bonus for delivering the first bale. Each year the New Deal Lions Club sponsors a cash premium for that purpose, and through the cooperation of New Deal merchants over \$200 has been raised this year, stated Jake Scharnberg, New Deal Lions Club member in charge of the "first bale" drive.

West's cotton, Gregg variety, was planted April 15. He has 300 acres of cotton and is expected an average yield of two bales per acre.

The first bale was ginned and wrapped free in cotton bagging. The cotton bagging was developed through the efforts and research of the Plains Cotton Growers, Inc.

## BIRTHS

The following births were reported at Abernathy Medical Clinic:

Mr. and Mrs. Pablo Garza of Plainview, a son born August 29 at 8:40 a.m., weighing 5 pounds 11 ounces.

Mr. and Mrs. Mariano Martne of Anton, a son, weighing 6 pounds 15 ounces, born September 6.

Mr. and Mrs. Diego Lopez of Abernathy, a son, born September 9, weighing 7 pounds 3 ounces.

Mr. and Mrs. Ray Gerhardt of Hale Center, a 7 pound 4 ounce son, born September 11.

Recent visitors in the home of Mr. and Mrs. Ray Childress and family included Mrs. W. H. Parks, her daughter and son-in-law of Silver City, N. M., Mr. and Mrs. D. C. Parks of Quanah, Mr. and Mrs. Tommy Boykin and Mr. and Mrs. Moss of Amarillo.

## Mrs. Jewel Richter Elected Methodist Church Secretary

At the official board meeting Sunday night, Mrs. Jewel Richter was elected to serve as secretary of Abernathy First Methodist Church. Mrs. Richter has for many years been a faithful worker in church activities and church organizations.

Following is a card of thanks written by Mrs. Richter:

To the many hundreds of friends who signed the petition for me in regard to being your Post Mistress, I say "Thank you."

I will not continue to work toward the Post Office job. I needed a job badly, but at the official board meeting of the First Methodist Church I was elected secretary for the church, for which I am deeply grateful.

I will begin serving in this capacity October 1, and feel that this will be much better for me. I shall never forget each kind word of encouragement you extended me; and for your love and faithfulness, I shall ever be grateful.

## Abernathy Squad Plays Hale Center Here Friday

## Final Rites Held Here Friday For Guy Ellis, 49

Funeral services for Guy Ellis, 49, who died at 9:30 p.m. Wednesday, September 6, at his home here, were held at 2 p.m. Friday in First Baptist Church here.

The Rev. E. C. Chron, pastor of Northside Baptist Church here, officiated, assisted by the Rev. H. B. Coggin, pastor of First Methodist Church in Abernathy.

Burial was held in Resthaven Memorial Park in Lubbock under direction of Chambers Funeral Home here.

Ellis' sudden death was apparently the result of a heart attack. Born in Mars County, Ellis moved to Abernathy from Dimmit in 1956. He was a former resident of Lorenzo, Lamesa and Ropesville.

Ellis was a machinist employed by Thompson Implement Co. here and was a member of the First Baptist Church here.

Pallbearers were Jay Stone, Jewell Fowler, John Wims, Jess Gregg, Grady Apperson and Frank Bain. Honorary pallbearers were employees of Joe Thompson Implement Co.

He is survived by his wife; two daughters, Mrs. O. R. Howell, Stratford; Pat Ellis, of the home; his parents, Mr. and Mrs. W. T. Ellis, Lubbock; two brothers and three sisters.

## Bowling News

The Junior League at A-1 Lanes is now being formed, and all boys and girls 9 to 15 years of age are urged to sign up now. One girl and one boy will be presented a bicycle at the end of league play. All who finish in the league will be eligible for the award.

Jackpot Bowling Ben Brown of Lubbock, Texas State BPAA champion, will be featured on Jackpot Bowling Saturday night at 8:30 (or immediately following the fights).

## Farmers Should Claim Gas Refunds

The Texas Farm Bureau says that a number of individuals and County Farm Bureaus have contacted their office regarding the recently passed law, now in effect, pertaining to non-highway gasoline tax refunds. The following information is in answer to the question asked:

The time for claiming non-highway gasoline refunds has been extended to 1 year, instead of 6 months. Refunds can be filed at any time (1, 2, or more times per year), provided that the exemption certificate is not more than 1 year old.

The Claim for Refund is now filed on a simplified form, which has a total of 8 questions to be answered when refund claim is submitted.

The Exemption Certificate that must accompany the refund claim has not been changed and will still be delivered to purchaser by the dealer at time of purchase of gasoline.

The refund claim does not now have to be notarized. Abolition of the notarized oath does not remove nor reduce the penalty for violations.

If additional information is needed, contact the Austin Legislative Office, at 608 Nalle Building, Austin.

## Hale ASC Office Explains Barley Program Details

More details on the 1962 winter barley feed grain program were announced by E. J. Pope, Jr., Chairman, Hale County Agricultural Stabilization and Conservation Committee.

The chairman explained that barley producers diverting a share of their acreage will receive payments for the diversion and they also will qualify for price support. At the same time, they will be making an important contribution to the Nation in adjusting grain supplies and reducing Government costs.

A barley producer can forego the diversion payments and still qualify for price support if he elects to devote the diverted acreage to one or more of these crops: Castor Beans, guar, safflower, sunflower, or sesame. Adjustment in the diversion payment can be made if only a part of the diverted acreage is so used. Special program provisions enable growers of acceptable varieties of maturing barley to qualify for price support without participating in the barley feed grain program. Payments will be made to those barley growers who devote the di-

The Abernathy Antelopes will be up against the old-time rival here Friday night when Hale Center comes to town. The Owls from the neighboring town are boasting a record of no losses, having fought Lockney to a 14-14 tie the first game of the season, then downing the Sundown Roughnecks 29-12 last Friday night.

Hale Center's tailback, Perry Ritchey, is the big gun for the Owls offensively, and is also a defensive standout. Ritchey scored one touchdown against Sundown and threw a 34-yard pass for another. Fullback Lloyd Louthan added Hale Center's final tally last week, and is one of seven returning lettermen for the Owls.

Others helping to form the core of the Hale Center team are center Buddy Trimmer, tackle Danny Oliver, and tackle Don DeJarnett, whose combined teamwork has helped Hale Center to be a strong defensive unit this season than last year.

## Injuries

Don Hughes received a hard bump on a leg last Friday night and was taken to Methodist Hospital for X-Ray and observation, then released. Coach Curtis Davonport stated early this week that Hughes will be able to play in Friday night's game, as will Tom Ritchey who suffered a charley horse in his right leg last Thursday while practicing extra point kicking.

Quarterback John Kiker received a twisted knee in last week's game, and was re-injured in workouts Monday. Others being injured in workouts Monday include Ray Ingram and Jack Waters.

## AHS Band Makes Good Showing

During the halftime performance by the AHS Antelope Marching Band at the Abernathy-Spur football game here last Friday night, Everett Maxwell, band director, narrated.

The AHS cheerleaders were introduced, and are as follows: Sherry Wilson, head cheerleader, Diana Stevenson, Evelyn Dye, Gwen Hendrix, and Donna Webb.

The drum majors, Harold Davis and Janice Adkisson, were then introduced, followed by the introduction of the majorettes: Elaine Bilyrey, Pam Davis, Linda Burnett, Rita Evans, Janie Brown, Dianne DuBois, Peggy Davis, and Angela Presley.

Next to be introduced was Dirk Engel, Abernathy's foreign exchange student from Schweinfurt, Germany.

In addition to the other routines, the majorettes did a special routine to the tune of "St. Louis Blues."

## RESERVED SEAT NUMBERS PAINTED

Pete Wilson, athletic director at the Abernathy Public School, announced that numbers have been painted this week on the bleachers in the reserved seat section. Last year's paint had worn off and some confusion was experienced last week as to correctness of seat numbers.

## MONROE METHODIST CHURCH TO CONDUCT REVIVAL

A revival has been scheduled for September 17-24 at the Monroe Methodist Church, announced the Rev. Vernon O'Kelly, pastor.

The revival, evangelist will be Rev. Cecil Tume of Lamesa. Rev. Tume is the Conference Evangelist.

Clayton Enger will be the song leader.

Two services are scheduled daily, with morning services set for 7:45 and evening services set for 7:30.

Rev. O'Kelly and the church extend a cordial invitation to everyone to attend.

**Panhandle South Plains Fair**  
**Many Highlights Are Listed**

One of the highlights of the Panhandle South Plains Fair, slated Sept. 25 to 30, will be the eighth annual West Texas Twirling Festival, an event that annually draws as many as 400 youngsters from throughout the western section of the state.

The twirling festival will be held at 8 p.m. Sept. 30 on the fairgrounds near the Merchants' Building and will be directed by Benni Dunn Evans. Deadline for entering the event will be Sept. 21, but twirlers can pay a \$1 penalty and enter as late as Sept. 29, Mrs. Evans said.

Other highlights of the 1961 Fair will be the 21st edition of Ice Capades, the I. Q. Zoo, the Children's Barnyard, the livestock exhibits, the Merchants' Building, the Women's Building, the Bill Hames midway, the Parade of Bands and an all-new Antique Auto Show.

Premiums for the Panhandle South Plains Fair this year will be more than \$22,000.

The all-new Ice Capades—which made a hit even with the Russians this summer—will feature Aja Zanova, Jimmy Grogan, Peter Voss, Helga Neff, the Emanuels, the Maxfields, the Three Bruisers, Hans Leiter, Louisa Orwell and many others.

Some of the Ice Capades numbers will include a "Salute to Rodgers and Hammerstein," a medley of four operas called "Opera IV," a skating version of "The Wizard of Oz," an Arabian Nights Fantasy titled "Scheherazade," and several others, including comedy numbers by performers who had the audience rolling in the aisles last year.

Ice Capades performances are set for 3 p.m. on Sept. 24, 25 and 26; for 5:30 p.m. on Sept. 29, and for 8:30 p.m. on Sept. 25, 26, 27 and 28.

The I. Q. Zoo was such an overwhelming success in 1960 that Panhandle South Plains Fair officials signed a longer and more attractive animal act this year. Along with the individual acts seen last year will be a complete 8 to 12-minute stage show. The most popular acts of 1960 were retained, some of the less popular ones were replaced and some new ones were added to make I. Q. Zoo an even bigger part of the 1961 Fair.

The I. Q. Zoo will be inside Fair Park Coliseum this year—on each side under the grandstands—and will still be a free attraction.

Also inside the coliseum and also a free attraction will be the first or Pioneer Antique Auto Show. The cars will all be older than 1920 models and will be on view during the entire Fair.

More than 1,000 animals will compete in the Livestock Shows—not counting the hundreds of rabbits. About 300 head of cattle will be on hand and more than 700 swine.

The Children's Barnyard—a feature attraction of recent fairs—is already shaping up, with several animals signed. The Barnyard ap-

**GLADYS' CAFE**  
**CHANGES OWNERSHIP**

The cafe in north Abernathy which has been operated by Mrs. Gladys Dennis and known as Gladys' Cafe recently changed ownership. The new owners are Charlotte and Elmer Robinson who have moved here from Cisco. Charlotte is the former Charlotte McLaugh, a sister of Mutt McLaugh and came to this community in 1924.

They purchased the cafe and took charge August 30 and it will now be known as Charlotte's Cafe. They will, at present, be open from 5:00 a. m. to 11:00 p. m. serving meals and short orders.

Charlotte, having lived here for some time, will be remembered by a number of Abernathians and she will be pleased to have them come in and renew their acquaintance. See their ad on another page in this issue.

**Over 125 Attend**  
**Friendship Night**  
**At OES Meeting**

Approximately 125 persons attended friendship night last Thursday at the regular meeting of Abernathy Chapter No. 877, order of the Eastern Star.

A salad supper was served to guests by hostesses wearing Hawaiian dresses. The dining area was decorated with fish net, shells, lilies and miniature palm trees. Dinner music was rendered by Annie Williams, Lucille McKenzie, and George Hughes.

The Masonic Hall proper was decorated in a Hawaiian atmosphere. Small palm trees were placed behind each star point and a large palm and grass hut were placed in the front.

After regular opening and closing of chapter a Hawaiian program was presented. Those taking part on the program were Irma

Ward, announcer; Annie Williams, pianist; Lucille McKenzie, organist; Betty Carlton, vocalist; and George Hughes on the guitar.

Cindy and Marty Hurt gave a hula dance exhibition, and presented Lei's to each guest. Billie Noland gave a hula lesson, explaining hand motions. Brooks and Beulah Speer played parts of a Hawaiian song "I want to go back to my little grass shack." I found a little grass shack for my little grass shack," and Hawaiian Wedding song. All present joined in singing Aloha Oe. Then refreshments were served.

Out of town guests represented chapters from Hale Center, Idalou, Lovelland, Littlefield, Lubbock, Morton, O'Donnell, Petersburg, Ropesville, Slaton and Sudan.

Mr. and Mrs. Marshall Ledford and Mr. and Mrs. Buford Davenport returned Friday from a vacation trip to Hot Springs, Ark., and Memphis, Tenn.

### Check Your Grain Storage Before Harvest Time

College Station—Advanced planning in checking "on-farm" grain storage may save valuable time during harvest, says W. S. Allen, extension agriculturist engineer. Leaky, rundown, and unclean storage buildings will increase hazards from insect and rodent damage, the two factors usually responsible for the loss of quality in farm storage.

A good storage unit should meet certain standards. The roof should be weather tight, the walls should be strong, sound, and rain proof. Any potential water leaks should be patched and caulked to prevent the entry of moisture from the outside. Cover the openings in the walls and gable ends of the buildings with screen wire to keep

out rats and birds, and use 1/4 inch mesh wire around the tops of wooden bins. Lining the lower part and door openings with strips of metal sheets will keep rats from gnawing holes at the corners. Check the foundations of wooden buildings to be sure they are not decayed, and repair any foundation deterioration, Allen says.

Store dry grain or provide equipment for drying the grain in storage. The maximum moisture content for safe storage in Texas is 12 percent in most areas. Establish a checking program and check the grain periodically to insure that it is dry, free of insects and that quality is being maintained. A little advanced planning and proper supervision will insure a quality stored product for later sale or feeding, concludes Allen.

Modern Etiquette  
By Roberta Lee

Q. Is it proper to abbreviate the name of the month on the date line of a business letter?

A. No. Neither the month nor the name of the state of the addressee is abbreviated—even of the states of Mississippi or Pennsylvania. It is considered better form to write them out.

Q. I am always uncertain about the lettuce on which a salad is served. I like lettuce but wonder if it is really proper to eat it.

A. Since the lettuce is as much a part of the salad as any other of the ingredients, it is perfectly proper for you to eat it.

Q. Does a woman ever take the aisle seat when she is attending the theater with a man?

A. Never. She always enters the row first, and her escort takes the aisle seat.

Q. When a dish is passed to you at the table, and the portion held toward you is too big, or too well done, or has too much fat on it, is it all right to search through the portions until you find a suitable piece?

A. This is all right if you can do it without taking too much time, or without disarranging the whole dish.

Q. When a person who is making an introduction does not speak a name clearly, and it is very important that you know the name, of whom do you ask the name be repeated?

A. Ask the person introduced, not the one who has made the introduction.

Q. Even if the wedding is to be a very small and informal one, would it be all right for the bride to wear a white bridal veil?

A. Yes, provided, of course, that it is not her second marriage.

Q. I've been told that one is now permitted to "reach" at the table. Is this correct?

A. Yes, a certain amount of reaching is now considered, not only proper, but more considerate of one's neighbors at the table—since this eliminates the necessity of bothering them needlessly to pass this and that article.

Q. How is the best way to invite a wedding guest to the reception?

A. By including a small card with the wedding invitation, read-

Q. Should a girl ever give a gift to a man she has been dating, and whom she especially likes?

A. Not unless she is engaged to the man, and even then the only gifts necessary are at Christmas and on his birthday.

Q. When one has a serious illness in one's family, and a friend says, "I am sorry," what should one's response be?

A. "Thank you" is sufficient.

### Warning To Motorists

City Policeman Dan Blanchard requested the following warning to motorists be published in The Review.

The 20-miles per hour speed limit signs governing the school zone crossing on Avenue D have been erected at 8th street and 10th street again this year. The 20-miles per hour speed limit went into effect Wednesday, Aug. 30, the opening day of school and is effective from 8:00 a. m. until 4 p. m. during the days school is in session.

The 20-miles per hour limit is also to be observed on streets around the schools, Blanchard added.

All cars are to come to a complete stop when children are anywhere in the crosswalk at Avenue D and Main Street, Blanchard stated. H. Lebow is in charge of the crosswalk again this year.

### WARNING

#### SCHOOL BUSES

Motorists are warned to observe the state law in regard to passing school buses stopped to take on or discharge passengers. The law requires that motorists STOP, then proceed with caution (not to exceed 10 mph) in passing a bus. School bus drivers are obligated to take the license number of any vehicle passing a bus in any other manner than that described above.

## MR. FARMER!

You did not Stint on the Seed you planted or the Fertilizer you used because like all good farmers you know that the soil will yield proportionately to what is put into it. Why not gather it all when you harvest?

NOW you can put it ALL IN THE BIN with one of our ROW CROP GATHERING ATTACHMENTS. It will put the tall heads in the bin. It works equally well on twin or single rows. It will cut across the rows and not leave any heads.

It will get all the heads where Johnson grass and weeds are taller than the maize.

It will handle SOYBEANS Also.

If the wind blows the crop down you can RECOVER AN AMAZINGLY HIGH PERCENTAGE of it.

This Machine will pay for itself in a very short time by saving grain that is lost when using a regular reel.

It is PRECISION BUILT, TROUBLE FREE, LONG LASTING and EASY TO OPERATE.

Our facilities are rather limited and we will not be able to turn out a large number of these machines this season, therefore, PLACE YOUR ORDER EARLY.

**VETERANS ADMINISTRATION QUESTIONS AND ANSWERS**

Q—My son, a World War II veteran, was killed recently in an accident. VA refused me death compensation allowance. I cannot understand this because I know other mothers who are drawing death dependency allowances. Why am I not entitled to the same benefits?

A—A dependent parents may collect death compensation from the VA only if the veteran's death resulted from a service-connected injury or illness.

Q—I understand that the VA's direct loan limit has been increased. What is the new maximum and the interest rate?

A—Limit for a direct loan from the VA is \$15,000. Interest rate remains 5 1/4 percent.

Q—May a peacetime veteran enter a VA domiciliary, and if so, what are the conditions of eligibility?

A—Yes. He must be permanently disabled, have been discharged for a disability incurred in line of duty or be receiving compensation for a service-connected disability, have no visible means of support, and be incapacitated from earning a living.

Q—How many women veterans in the United States?

A—There are an estimated 400,000 women veterans in the United States; about 315,000 of them World War II veterans, 70,000 veterans and the rest either World War I veterans or Army nurses during the Spanish-American War.

**Cerebral Palsy Clinic To Be Held Sept. 14**

Dr. Esther E. Snell, Director of the Lubbock Cerebral Palsy Treatment Center, has announced the next clinic for Thursday, September 14, according to information received by the Abernathy Weekly Review.

The Center was founded by the Lubbock Society for Crippled Children and the Lubbock Rotary Club in 1948, and is located at 3502 Avenue N in quarters planned to meet the needs of the treatment program and built by community effort. Through the generosity of interested individuals and organizations, the Center offers treatment without charge to all cerebral palsied children regardless of race or creed. Cases must be referred by their local physicians for admission to the Center and must register at the Center prior to the clinic date.

Qualified physicians and dentists, donating their services, are present at all clinics to examine patients and prescribe treatment. Parents are given instruction for exercises and care, and appointments are made for future visits to the Center.

# Antelopes Outgain Spur But Lose Game, 12-7

The Abernathy Antelopes outgained the Spur Bulldogs in total yardage here last Friday night, but lost to the visitors when the Bulldog's fullback Ray Don Thomason made a 67-yard punt return in the third quarter for the winning score.

The boys of Coach Curtis Davernot dominated the first quarter of play and reeled off five consecutive first downs, covering 51 yards, for the initial score. Halfback Tom Ritchey capped the drive with a nine yard spurt around left end. Tackle Randy Henson booted the ball squarely thru

the uprights for the extra point. Midway in the second quarter Spur took possession of the ball on their own 39 yard line and drove 61 yards for their first TD. Fullback Thomason ended the drive with a one-yard plunge for the tally. The try for extra points was stopped by the Antelopes, and Abernathy led 7-6.

The Antelopes allowed the visitors only four plays during the first quarter, but managed to keep the ball only four plays during the second period.

Early in the third quarter, with Abernathy holding a one-point

margin, the Antelopes were forced to punt. Thomason took the ball on his own 33 and threaded his way 67 yards for the score which broke Abernathy's back. Quarterback Richard Walker attempted to run for the points after, but was nailed short of the goal by tackle Billy Jack Hackler and others.

Abernathy threatened again midway in the fourth quarter but an Antelope pass was intercepted to end the drive. The Antelopes, who were getting another drive underway late in the game, had moved the ball from their own 10 yard marker and were nearing midfield as time ran out.

**Antelopes Drive**  
Abernathy won the toss and elected to receive. Quarterback John Kiker took the kickoff on his own 15 and raced to the 40 before being downed. On the first play from scrimmage fullback George Reagan took a handoff from Kiker but fumbled. Hackler recovered for the Antelopes for a nine yard gain, then halfback Joe Ybarra picked up two yards to complete the yardage needed for the first down.

Reagan fumbled again on the next play and Spur's right end Sam Parsons recovered on the Bulldog's 49. However, Spur returned the compliment by fumbling on their first play from scrimmage and Kiker recovered for the Antelopes on Spur's 49. From here the Antelopes used only 11 plays to eat up the yardage between them and payday.

After the score Florence kicked off to Spur and Thomason was downed on the 20 by Kiker and Bobby Pettit. However a clipping penalty against Spur moved the ball back to the Bulldog's 4 yard line. Two plays netted five yards, then Thomason punted to Pettit who took the ball on Spur's 30 and returned it to the 25.

From here Abernathy almost scored again but ended up two yards shy of the goal where the ball went over on downs. Kiker started the drive by making a half yard, then picked up five more on the next play. Reagan got busy and blasted off right tackle for 11 yards to Spur's 9. Kiker lost a yard to put the ball on the four yard marker. A five yard penalty moved the Antelopes back to the 9 with only two plays left. Kiker attempted a pass which fell incomplete. (End Don Hughes was injured on the play and was taken to Methodist Hospital, Lubbock, for X-Ray and observation.) With fourth down and nine yards to go, Kiker passed to end Jack Waters who was stopped two yards shy of the goal line.

Spur took possession and moved the ball to Abernathy's 49 yard line, picking up four consecutive first downs. A 15-yard penalty moved Spur back to their own 36 where a pass attempt backfired when it was intercepted by Hackler who moved to Spur's 34. A Pettit-to-Ritchey pass attempt failed, then Ritchey picked up five

yards but a five yard penalty on the next play moved them back to their starting point, the 34. Ritchey tried an end run but was thrown for a five yard loss by Sam Parsons, and a fourth down pass attempt to Ybarra failed and Spur took over on their own 39. From that point Spur moved the distance on eight running plays and three completed passes. The extra points try failed. Score: Abernathy 7, Spur 6.

Abernathy's Hackler and Ray Ingram covered Spur's kick on the 49 and two plays later Walker intercepted an Antelope pass on Spur's 10 yard line. The Bulldogs moved to the 11 as the half ended. Florence kicked off for the Antelopes. Thomason took the ball on his own 25 but was spilled on the 27 by hard charging Ybarra. After the first play a penalty moved Spur back to their own 15. They managed only six yards on two plays, then Thomason quick kicked over the heads of the Antelope secondary. Waters picked the ball up on Abernathy's 35 and tried to evade the Bulldogs by circling to his left but was downed on the 26.

What yardage was picked up on the next series was erased by penalties, and with fourth down and 10 yards to go Waters punted to Thomason who took the ball on his own 33 and returned it for the winning score. Hackler stopped Walker on the points after attempt, and Spur led 12-7.

After a 13 yard kickoff runback by Ybarra, Reagan and Pettit picked up eight yards to the 39. On third down Abernathy fumbled and Andy Garcia recovered for Spur. Spur lacked two inches making a first down during the series and Abernathy took over on their own 29. Reagan picked up seven yards, then Spur's halfback Curtis Parsons stole the ball from Larry Boyce who was gaining yardage in the midst of several Bulldogs.

Spur managed only two yards on three plays then punted to Waters who slipped down on the 19 yard line. Reagan, Pettit and Boyce moved the ball out to the 26 behind fine blocking, then Ybarra broke through the Spur line and galloped 51 yards before being caught from behind by Walker on Spur's 23. Reagan added seven more yards for the Antelopes, then an attempted pass from Ritchey for Waters fell incomplete. On the next play Abernathy fumbled and Garcia recovered for Spur on the 20. Two plays later Spur fumbled and defensive linebacker Mac Houston recovered for the Antelopes on the 20.

Ybarra picked up three yards, then Boyce wiggled to the six yard line but Abernathy was off

sides. On the next play Garcia intercepted an Antelope pass and carried it out to the 39. The Bulldogs moved to Abernathy's 33 where the Antelope defense held strong, forcing Spur to punt. Waters took the kick on the two yard line and returned it 19 yards.

It was almost over at that point as Abernathy had time for only two plays. A pass fell incomplete, then Ybarra reeled off 21 yards to the 42 as time ran out.

**Summary**  
Abernathy picked up 175 yards

rushing to Spur's 94, but completed only one pass for seven yards while Spur completed five for 60 yards. The Antelopes had nine first downs, Spur had 11.

# Plan Backed Here For Greater Cotton Markets And Acreage

The Cotton Producers Institute, a plan based on a business approach to greater cotton markets and acreage at a profit, was received with enthusiasm by growers at a meeting here last Thursday night.

J. C. Mills, Abernathy, chairman of the Organization Committee of the Institute, presided at the meeting. He said 22 cotton producer organizations have initiated the program of the Institute, and have developed plans for raising and allocating funds.

Local farmers and businessmen totaling 100 or more were present for last Thursday night's meeting in the school cafeteria here. Mr. Mills stated that over 50 percent of the farmers at the meeting (representing approximately 15,000 bales of cotton) signed agreements to participate in the program.

The program is set up on a voluntary basis, but all area cotton growers are urged to check into the possibilities and functions

of the program. Anyone desiring information or wanting to participate in the program may pick up literature and forms at Abernathy First State Bank or at any of the local cotton gins.

Funds are to be used for exploring specific research and promotion opportunities through which growers could capitalize on a potential 20 million bale-market and increase their profits.

Cotton's market potential and its research and promotional opportunities were described by National Cotton Council field representatives.

The representatives pointed out that in five years' time, U. S. fiber consumption will probably rise by 1.3 million bale equivalents. World fiber consumption will be up by around 14 or 15 million bales. Cited as reasons for this increase were rising populations and increasing per capita incomes in most of the world.

U. S. Cotton now holds a 22 percent share of world fiber consumption. If cotton simply maintains this share, projected expansion in total consumption would permit a 20 million-bale market for cotton within the next seven or eight years.

Cotton can cash in on this potential if growers move to narrow the research and promotion gaps

between it and competitors, they stated.

Outlined were research projects already blueprinted—which can reduce production costs a likely probably \$25 a bale up to a possible \$60 per bale. Feasible improvements in quality will give cotton some badly needed promotion ammunition and a good chance to compete in additional markets totaling five million bales.

Most of the projects are in the field of fundamental research on critical problems of direct benefit only to cotton farmers. This research, controlled by farmers, can get answers to such basic problems as:

1. Cotton fabrics with more luster. The answer would enable cotton to compete in new markets totaling three million bales.

2. Boll shed. If a farmer could mature one more boll per plant, he'd increase production 100 lbs. per acre.

3. Disease resistant cotton plants. The answer could save the industry a \$400 million annual loss.

4. Cotton fabrics that are resilient and warm as wool. Cotton could compete in additional markets totaling 1.5 million bales.

In describing promotion needs, the Council representatives said current cotton industry funds are equivalent to about three percent of just one of the major corporations manufacturing competitive fibers.

The success of cotton's program, under such financial handicaps, is the result of following three basic principles—multiplication of dollars through joint campaigns, concentration of effort at influence points, and concentration on markets most responsive to promotion.

Designers, converters, manufacturers, wholesalers, and retailers exert a strong influence on products and the fiber offered to consumers. What cotton now needs desperately, the speakers stated, is a strong promotional push aimed at consumers.

Programs promotion use of U. S. cotton now are operating in 16 overseas countries representing 50 percent of the free world population and 66 percent of its cotton consumption. Patterned after the Council's promotional techniques, these programs are accomplishing a lot for cotton at a small cost to the industry.

But the industry is facing problems, including increasing red tape, prospect of dwindling funds, and infiltration of existing promotional machinery by synthetics. The industry must be prepared to keep it out of the hands of foreign synthetic competitors, the field representatives said, and to expand overseas efforts.

To take advantage of cotton's opportunities, the Cotton Producers Institute provides that:

1. A supplementary producer fund, based on \$1 per bale, for research and promotion be established separate and apart from the regular financing of the National Cotton Council;

2. Producers in each state, through their interest organizations, be given the option of deciding whether to contribute to this fund;

3. Producers, through their selected representatives, have sole control over allocations of money for specific research and promotion in proportion to contributions; and

4. In order to preclude heavy overhead expenses, producers uti-

lize the existing staff and facilities of the Council for developing proposed projects and for supervising those which are authorized.

## WESLEYAN SERVICE GUILD FIRST CLUB YEAR MEETING

The Wesleyan Service Guild held its first meeting of the new club year Monday night, September 4, in the parlor of the First Methodist Church.

Mrs. A. B. Reid of Abernathy was guest speaker. Mrs. Reid's interesting talk was on "Alcohol and Christian Responsibility."

The following were present: Mrs. Ray Pinson, Miss Ruth Torres, Mrs. Bob McAlister, Mrs. L. S. Wilson, Mrs. Cecil Amerson, Mrs. Lawrence Carter, Mrs. Eleanor Dean, Mrs. Herbert Hardin, Mrs. Bryant Powell, Mrs. Gertrude Prather, Mrs. George Reagan, Miss Nannin Bell Ritchey, Judy Stracener, Mrs. Frank Tannehill, Mrs. Oma Toler, Mrs. Thelma Wesley, Mrs. H. ## CARD OF THANKS

I wish to thank everyone who visited me in the hospital and since coming home, for your thoughtfulness and encouragement which you were kind enough to show me. I assure you they were appreciated greatly as were the many flowers, cards and the good food which you brought me. Let me again say a very heartfelt thank you to each and every one.

Thanks, Hixie Royal

## Acreage Survey Begins Today

Acting Postmaster Herbert Hardin announced that Rural Mail Carriers will begin distributing 1961 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office and U. S. Agriculture Departments cooperatively made this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1961.

To be sure this community is well represented in the survey, Mr. Hardin urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are: George W. Ragland, Route One and Jack Hacker, Route Two.

## RETURN FROM WASHINGTON

Jim McAlister arrived Sunday from Washington, D. C., where he spent the summer working in the office of Congressman George H. Mahon. A son of Mr. and Mrs. Robert A. McAlister, Jim will resume studies at Texas Tech this month.

Another Abernathian employed in the office of Mr. Mahon is to return home soon after the current Congress adjourns. He is Jimmy Ray, son of Wade Ray.

## CARD OF THANKS

The family of Guy Ellis acknowledges, with deep appreciation, your kind expressions of sympathy in the loss of our loved one. For all the food, flowers, other services, and sympathies extended, we are deeply grateful.

Mrs. Guy Ellis and Pat, Mr. and Mrs. Oran Howell and children.

## Hale County Residents Invited For Open House - Field Day At Lubbock Experiment Station

"All Hale County residents—farm, ranch and city folks alike—have been issued a special invitation to attend dedication ceremonies and the annual field day at the new home of the Lubbock Experiment Station on September 19," County Agent Ollie Liner announced.

Guided tours of experimental plots and laboratory facilities will begin at 1:00 p.m. Highlights of the field tour will include latest research on cotton, grain sorghum, irrigation, fertilizers, insect control, and vegetable and

oil crops. Formal dedication ceremonies will follow the evening meal.

The new headquarters for the 62-year-old experiment station is located about 7 miles north of Lubbock and east of the Plainview highway. Charles E. Fisher is station superintendent.

Observe all traffic signs, especially the four-way STOP signs on Avenue E at 8th Street and 9th Street—now and when school opens.

## Local B Team Downed 8-0 In Close Contest With Hale Center B Team Here

The Hale Center B football team invaded Abernathy last Thursday evening and captured an 8-0 win over the local B squad.

The Antelopes held the visitors to a 0-0 deadlock for almost three quarters before the Owls' right halfback Freddie Weil worked his way across the goal line against stout resistance from two yards out. Weil also scored the extra points as he fled around left end on a quick pitchout from quarterback Gary Douglas.

Abernathy's inside tackle, Billy Barrick, proved to be a workhorse on defense as he pounced on two Hale Center miscues and was in on a lot of tackles, some unassisted. Freshman tackle Bill Lee also recovered an Owl fumble and did a fine defensive job.

Hale Center opened play by taking the ball on their own 30 yard line. On the third play from scrimmage they fumbled and Barrick recovered on the 36. From here 102-pound quarterback Charles Lusty, halfbacks Pat O'Neil and

the children enjoyed swimming in the pool.

Mr. and Mrs. A. H. Klafka visited with Mr. and Mrs. Grady Moss near Anton Sunday afternoon.

Mr. and Mrs. Melvin Williams and family and Mr. and Mrs. Elton Benton and family visited in Marlin and Abilene several days last week.

Larry Boyce, and fullback Charles Stalling moved the ball to the Owls' 20 where Boyce lost the ball on a fumble.

The Owls made a first down to their 32, but could muster only 6 yards in 3 plays in the next series and were forced to punt. O'Neil took the ball on his own 35 but didn't have a chance to make a runback.

On the first play Abernathy fumbled and Hale Center recovered on the 36. Three plays netted them 19 yards to Abernathy's 17 yard line but a fumble cost them a possible score when alert tackle Bill Lee recovered for the home team. Boyce failed to gain on the first play but on second down raced around left end for a 23 yard gain. T'Neil added 5 yards, then freshman quarterback Jake Mallow attempted a pass which fell incomplete, then lost a 23 yard gain. O'Neil added 5 Neil punted.

Hale Center took over on their own 40 and three plays later Douglas spotted left end Frank Martinez in the clear and hit him with a pass on the 25 and he carried to the 5 yard line before being hauled in by Mallow. Here Abernathy's defense bristled and held the Owls on downs and took over on their own 7.

Three plays netted a minus 2 yards for the Antelopes and O'Neil punted out to the 32 where Kenneth Dejarnett pulled in the ball and carried it back to the 27 where he was hit hard by John Reagan.

A pass from Douglas to Martinez moved the ball inside Abernathy's 5 yard marker, but two plays later O'Neil intercepted an Owl pass on the 3 as the first half ended.

Abernathy took the ball on their own 30 to open the second half of play. Two plays later Mallow fumbled and Barrick and Reagan recovered on the 32, then O'Neil got off a 37-yard punt. Weil carried it back to the 46 and from there Hale Center went the distance on 12 running plays and one 11-yard pass.

After the score, Abernathy took possession on their own 30 but couldn't move and O'Neil booted a 39-yard punt to Hale Center's 30. The Owls moved to Abernathy's 46 early in the fourth quarter where they were forced to punt. Mallow took the kick on the 10 and returned it to the 24 Boyce chalked up 6 yards, but on second down an offside penalty against Abernathy moved the ball back to the 25. On third down Mallow attempted a pass but the ball was deflected and Owl linebacker Dennis Berlin intercepted on the 37.

The Antelopes pushed the Owls back 3 yards in 3 plays and Hale Center punted to Mallow on the 5 and he returned it to the 26. Boyce slanted off right guard for 6 yards, Nathan Knight picked up 3 more, then Boyce slanted off tackle for 8 yards and a first down. Jim Owens churned up the middle for 5 yards, then a penalty against Hale Center gave the Antelopes another first down on the Owl's 45.

O'Neil and Mallow reeled off 7 yards each, then Mallow carried 6 more yards to Hale Center's 25. The local lads had a good drive goin, but it was too late. Time had run out!

The starting lineup for the Antelopes included: Ends—Douglas Simpson and Reagan; tackles—Barrick and Lee; guards—Sandy Downs and Harry Sherman; cen-

### W. S. C. S. NEWS

The W.S.C.S. met Monday for its first meeting of the new year. A worship program, "The Spirit Is Lord," was led by Mrs. Donald Huffaker. A "meat and salad" luncheon followed the program.

At the September 17 meeting (Monday, 2:00 p. m.) the film "Operation Abolition," will be shown and facts and comments on the film will be given from pamphlets from the World Council of Churches, FBI Director J. Edgar Hoover, and the official report of the House Committee. All women interested in seeing this film are invited to attend.

### COUNTRY GARDEN CLUB HOLDS MEETING

Mrs. W. A. Goeth was the hostess for the Country Garden Club meeting held September 5. The 10 members present discussed the District Zone Meeting of the Garden Club which is slated for October 31, from 9 a. m. to 3 p. m., in Abernathy First Methodist Church.

The program at the meeting was presented by Mrs. Jack Barton.

Refreshments were served to the following members: Mmes. Hollis Barnett, Jack Barton, Lloyd Edwards, Cecil Gartin, J. L. Miller, Jr., J. C. Mills, C. J. Pharr, Clyde Rhodes, W. A. Goeth and a new member, Mrs. Edwin Braly.

The next meeting of the club will be held Tuesday, September 19, at 2:30 p. m. The program will be on the process of preservation of materials for dried arrangements and what materials to gather for arrangements. Mrs. Cleo Thomas will be the hostess.

### POLICE REPORT FOR MONTH OF AUGUST

Twelve traffic tickets were issued by city police in the month of August; tickets included 4 for no driver's license, 4 in connection with wrecks, 2 for passing improperly, 1 for improper muffler, and 1 for driving while under the influence of alcohol.

There were 10 arrests made on suspicion of theft and several ladies pocketbooks and other items were recovered due to the arrests. Three of the theft arrests were on shoplifting from a local supermarket.

In addition, 10 arrests were made on suspicion of intoxication in public. All pleaded guilty, and were fined in corporation court.

R. D. Slough, Sr., who became ill while on a visit in Mississippi, is under treatment at West Texas Hospital, Lubbock. He was brought to Dallas, and H. T. (St) Peters, his son-in-law, used Chambers Funeral Home ambulance to transfer him from there to the hospital in Lubbock.

**Farm Editorial**  
Cotton provides American growers with an annual income of around two and a half billion dollars. Less than one-tenth of one percent of the value of this crop is plowed back into programs of research and promotion.  
On the other hand, cotton's synthetic competitors spend from two to five percent of the value of their fibers on these two time-tested weapons to expand markets.  
In face of ever-increasing competition, the cotton grower's battle for markets, therefore, is first and foremost a battle of research and promotion.  
Growers now are moving to narrow the gap between cotton's efforts and those of competitors. They have established the Cotton Producers Institute as a means of stepping up their research and promotion efforts.  
Growers will participate in the Institute's program at a rate of one dollar per bale. An annual war chest of from \$10 to 12 million is envisioned within the next few years.  
All funds will be spent on operating research and promotion programs. This was made possible through an agreement between the institute and the board of directors of the National Cotton Council to use facilities and staff of the council for supervising projects. Cotton growers thus are going

# ABERNATHY WEEKLY REVIEW

Thursday, Sept. 14, 1961  
Published On Thursday of Each Week in Abernathy, Texas  
Entered As Second Class Mail Matter At The Post Office At Abernathy, Texas, Under The Act Of Congress of March 3, 1879  
ESTABLISHED IN 1921  
Richard Havens, Editor — Buford F. Davenport, Publisher  
P. O. Box 847, Abernathy, Texas

about the business of building markets and profits in a business-like manner. This is in the American tradition. We urge not only growers but all segments of the community to get behind the Institute.  
Mr. and Mrs. G. M. Carr have returned from a visit with their daughters and families in the state of Washington. They visited the Walden Reynolds in Monse, Washington, and the Travis Powell family at Soap Lake, Washington.  
Hale County Clerk issued a marriage license to Robert Jones of Abernathy and Miss Bessie Lu Carter of Hale Center.  
Doyle Oswald was on grand jury duty in Plainview this week.
