NUMBER 46

ABERNATHY'S FIRST BALE—Frank B. Lovelace, left in above picture, produced the first bale of 1961 cotton ginned at Abernathy. The bale was delivered to City Gin shortly after 12 o'clock noon Saturday. Others in the above picture are, left to right, Oscar Lopez and Charles Norton, gin employees, and L. L. Duckett, gin manager.

Frank B. Lovelace Gets 1st Bale Of 1961 Cotton Here

Frank B. Lovelace delivered Abernathy's first bale of 1961 cotton shortly after 12 o'clock noon Saturday to City Gin, one-half mile south of town, where ginning of the bale was completed at 12:40 p.m.

The 1638 pounds of seed cotton was gathered from the Lovelace farm two miles south of Abernathy, and produced a 410-pound bale of lint cotton and 750 pounds of seed. The cotton was Lankart variety.

L. L. Duckett, manager of City Gin, said a premium of 50 cents per pound will be paid Mr. Lovelace, and the bale was ginned and wrapped free in all-cotton bagging. The new cotton bagging was developed through the efforts and research of Plains Cotton Growers, Inc.

More Cotton Ginned

Alvin Druesedow who farms two miles east of Abernathy, delivered Abernathy's second bale of cotton shortly after the first bale had been ginned. The cotton was delivered to Abernathy Gin Company at the Tucco intersection north of town at 12:45 p. m. Saturday.

Gin manager Ellis Turner re-

ported that 2280 pounds of seed cotton were delivered, producing a bale that weighed 560 pounds at the compressor and 950 pounds of seed. It tested out strict middling light spot. The cotton was dryland and was Lankart 57 variety.

Turner added that the gin will pay 50 cents per pound for the bale, and that the ginning and wrapping was done free of charge.

Mr. Druesedow also delivered a load of cotton to Abernathy Farmers Co-Op Gins around 4:00 o'clock Saturday afternoon. Leland Phillips, gin manager, reported that 2180 pounds of seed cotton were delivered, ginning out a 560-pound bale of lint cotton and 900 pounds of seed.

The Co-Op Gins will pay 50 cents per pound for the bale and furnished the ginning and wrapping free. The bale was wrapped in all-cotton bagging. Phillips stated the gin will use as much cotton bagging this season as they can get, but as a limited amount of the bagging was produced, it is also limited to area ginners.

Another "first bale" was ginned Monday, this one at Farmers Tucco Gin located three miles north of Abernathy at the Tucco intersection.

Gin manager A. L. Marcy reported that Elbert Harp, who farms six miles northwest of Abernathy, delivered 1800 pounds of seed cotton shortly after 4 p. m. Monday. The cotton produced 480 pounds of lint and 800 pounds of seed.

Marcy added that Harp will be paid 50 cents per pound for the bale, which was ginned and wrapped free in all-cotton bagging.

Harp stated that the Lankart 57 cotton from which the bale was produced was planted April 21, and was 4 in and 4 out skip-row cotton. Harp watered one row out of four, and expects a yield of about a bale and a half per acre.

Council Votes 2-Cent Cut In City Tax Rate

The Abernathy City Council Wednesday in a special session set the 1961 city tax rate at \$1.38 on each \$100 valuation. This is a reduction of two cents from the \$1.40 per \$100 valuation which has been in effect since 1956. Evaluations on property will remain at the same ratio as the past several years—40 percent of actual value.

In recommending adoption of the lower tax rate to the Council city manager Paul Noland stated, "we will be able to operate the city with the lower rate without materially affecting either our program for the forthcoming year or our long range capital expansion program. This was made possible by a large jump in new property additions on our tax roll. Abernathy, in 1960, not only experienced relatively large industrial expansion, but we seem to be on the way to becoming a "bedroom" city of Lubbock. The people who live in Abernathy and commute to Lubbock to work apparently are increasing in numbers each year."

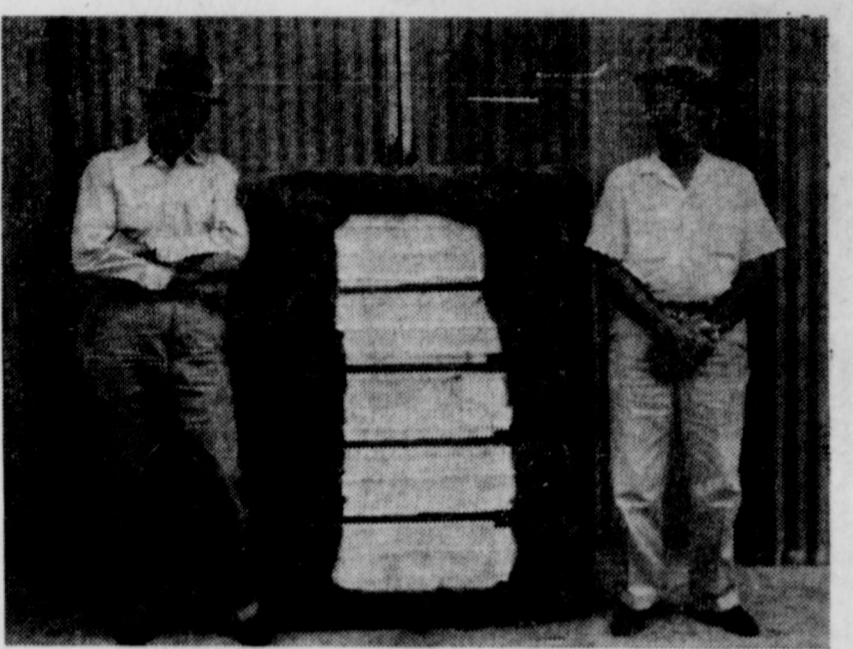

Noland further pointed out that assessed valuation, based on 40 percent of actual value, have increased in the past eight years from \$1,637,880 to \$3,434,152, an increase of 110 percent. The increase is partly due to two residential subdivisions which have come into the city during the eight year period.

Local Farmers Win Top Places In Head Show

In the DeKalb Head Show conducted in Amarillo at the Tri-State Fair early this week first and second places were won by James Davis and Jerry Oswalt, in that order. Of the ten top awards seven of them went to Abernathy farmers. Complete returns were not available at press time but will be published in next week's Abernathy Review.

F. F. A. Chapter Here Elects Officers, Plov Girl And Sweetheart

The Abernathy F.F.A. chapter held its first regular meeting of the new school year September 12 and elected officers for the coming year. Tommy Walker was elected to serve as president, along with the following other officers: Kay Don Habbinga, vice president; Charles Wisdom, secretary; Robert Pope, treasurer; Gene Stevens, reporter; and Don Marcy, sentinel.

FIRST BALE GINNED AT COUNTY LINE—The first bale of 1961 cotton to be ginned at County Line was produced by O. D. Sanders, left in above photo. The bale was ginned last Thursday morning at County Line Farmers Gin Co. Gin manager J. C. Roberts is shown at right. (Staff Photo)

Lions To Host Springlake

The New Deal Lions will play their second home game of the season Friday night when they play host to the high-flying Springlake Wolverines. New Deal has a 1-2 win-loss record while the Wolverines are 3-0.

The Lions played host to Hart last Friday night and lost to the Longhorns, 15-0. Both touchdowns were scored by Hart fullback Larry Lee. Lee carried for 8 yards in the second quarter for the first score, then in the final quarter scampered 65 yards for the final TD. The points after were added by halfback Dennis McLain.

New Deal quarterback Don Enger was the defensive star for the Lions while fullback David Attebury carried most of the offensive load.

First 1961 Bale Is Ginned At County Line

O. D. Sanders, who farms 1 1/2 miles west of County Line, produced the first bale of 1961 cotton to be ginned there. The bale was ginned last Thursday morning at County Line Farmers Gin Co.

J. C. Roberts, gin manager, stated that Sanders delivered 2,000 pounds of seed cotton which produced a 515 pound bale of lint cotton and 850 pounds of seed. Roberts added that Sanders will receive a premium of 50 cents per pound for the bale, which was ginned and wrapped free.

The irrigated Lankart cotton was planted April 26, and is expected to produce about a bale and a half to the acre.

Hobbs Gin At New Deal Gets First Bale

Hobbs Gin in New Deal received their first bale of 1961 cotton Monday. Sanders delivered 2,000 pounds of seed cotton which produced a 515 pound bale of lint cotton and 850 pounds of seed.

Mr. Teeter delivered 2,000 pounds of seed cotton, which produced 480 pounds of lint. The seed weighed out a 830 pounds. Jake Scharberg, gin manager, reported that the cotton was Middling grade with a staple of 1-1/32".

FB Banquet Is Planned For Tonight

The outstanding farm family of Hale County will be recognized by the Hale County Farm Bureau at its Annual Banquet, which will be held Thursday night, September 21, 1961, at the Estacado Junior High School Cafeteria, Plainview, Texas, beginning at 7:30 p.m. The outstanding farm family from each community in the county will also be revealed at this time.

Rev. Leon M. Hill, of Amarillo, a widely traveled and much sought after speaker, and humorist of the Southwest, will be the featured speaker of the evening. Tickets can be secured at the Hale County Farm Bureau office, and from leaders in each community.

GUARDIAN LIGHTS ERECTED AT SCHOOL

Neel Johnson, School Superintendent, reported that five guardian lights have been erected on the school campus by Southwestern Public Service Company. The lights were put in the areas of the band hall, auditorium, and the parking lot back of the high school. They are equipped with mercury vapor type lights with automatic eye for turning them on and off.

Not only will the lights aid the band students in the area of the band hall, but will also help to reduce vandalism, of which Abernathy has been fortunate to have very little of, in the areas which were previously unlighted or poorly lighted.

Senator Smith To Speak Here

State Senator Preston Smith of Lubbock will speak to the combined government classes of Abernathy High School at 10:55 a.m., Sept. 26, according to Ralph Stevenson, principal. The classes which are taught by Mr. Howard Humphrey will meet in room number 117 of the high school building.

A limited number of visitors can be accommodated and will be welcomed to join the class for this occasion, Mr. Stevenson added.

Mrs. Chris Benn is visiting her daughter, Martha Benn, in Seal Beach, Calif.

Mrs. Frances Howard spent last weekend in Friona with her mother, Mrs. Bessie Drake. Her uncle, Dr. W. B. Miller, age 82, of Iowa, was also visiting his sister (Mrs. Howard's mother).

Around 225 Abernathy Band Students To Be In Parade

Approximately 225 band students from the Abernathy schools will be marching in the opening parade for the Panhandle South Plains Fair at Lubbock next Monday, September 25, announced Everett Maxwell, band director.

The 125-piece high school band led by Drum Majors Harold Davis and Janice Adkisson will be entering in the Class AA division of the parade. The Abernathy band has won the first prize of \$100 the past two years.

Also marching in the parade will be 95 of the 102 members of the junior high school band, led by Drum Major Peggy Carter. Twirlers recently selected for this band are: Shanna Crenshaw, Janice Phillips, Margaret Toler, and Treva Totty from the eighth grade; and Nita Lou Tenneil and Jane Thompson from the seventh grade.

About thirty bands are expected for the parade which begins at Broadway and Avenue Q at 10:30 a. m. Destination of the parade is the fair grounds where the awards will be presented at 12 o'clock.

The high school band will be playing the Triumphal March from Quo Vadis, the Raiders March, and Band Campers. The Junior

High band will play the Raiders March, and American Legion. Bands are judged on playing, alignment, carriage, precision, and general appearance. Judges will be: Homer Anderson of San Angelo High School, J. R. McEntyre of Permian High School in Odessa, and Bill Latson of Palo Duro High School in Amarillo. D. O. Wiley, formerly Tech band director is general chairman of the parade committee.

Contributions Are Sought For Storm Victims

The various Texas county chapters of the American Red Cross are well under way towards raising one million dollars for Hurricane Carla disaster relief. Hardy Shelby, fund raising chairman of the Hale County Red Cross chapter, states that this county's portion is \$3,114.00, and early this week this modest goal still lacked about 85% of attainment. Mr. Shelby, speaking for the local ARC chapter's board of directors and members, urged all Hale countians to immediately send their remittances to Red Cross Disaster Relief, Box 348, Plainview.

Palmer Simpson, ARC director of Hurricane Carla disaster relief issued this statement from his Houston headquarters:

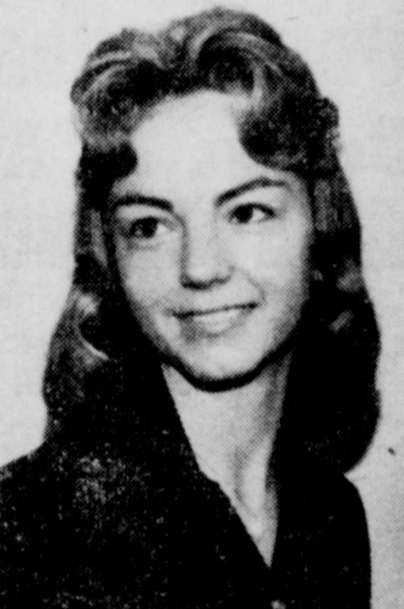

"During the past week those of us at Disaster Headquarters have been actively engaged in deploying staff and coordinating relief operations at the height of the hurricane. The mass care operation alone reached astronomical proportions. I am happy to report that the chapters throughout the state, and particularly in South Texas did a magnificent job!"

Now—more than half of the 202,000 people who went to Red Cross shelters during the crisis are returning home to the devastated areas and are asking, "what comes next?"

Many of the people do not have the resources to rebuild and re-furnish homes; to meet medical expenses for illnesses or injuries caused by the hurricane; to replace lost food stocks; or essential clothing and household effects. "What comes next"—is the biggest job yet to come for Red Cross, the rehabilitation of disaster sufferers.

Texas chapters have been asked to raise one million dollars to help finance its relief operation. Current estimates show more than 46,000 houses destroyed or damaged plus over 900 farm buildings. It is estimated that more than 205,000 persons are either homeless or their homes are damaged. Hence, the million dollar State goal is only a fraction of the total costs estimated to be spent."

Mr. and Mrs. V. O. Bowden of Lovington, N. M., visited last week in the home of their daughter, Mrs. Bobby Dyess, and family. The C. B. Beeson family went to Lake Texhoma last week. They reported high winds in that area as the "Carla" storm swept North.

ANN HUDSON

County Line Girls In Queen Contest

Miss Joanne Klafka and Miss Ann Hudson, pictured above, have been chosen to represent County Line in the annual Shallowater Lions Club Queen contest. Each of the young ladies is asking for the support of their friends in this contest which ends Saturday.

Votes are counted by the amount of money in each contestant's "ballot box," with each cent counting one vote. Containers have been placed in Abernathy, County Line and Shallowater for the convenience of voters.

Both young ladies are students at Abernathy High School. Miss Klafka, daughter of Mr. and Mrs. A. H. Klafka, is a freshman, and Miss Hudson, daughter of Mr. and Mrs. C. S. Hudson, is a senior.

Dale Matejowsky was home over the weekend from Goodfellow Air Force Base, San Angelo, and reported high winds in that area as the "Carla" storm swept North.

Antelopes To Play At Denver City Tomorrow Night

The Abernathy Antelopes will travel to Denver City tomorrow night for a battle with the Mustangs, who are playing Class AA state champions.

The Mustangs are thus far undefeated this season, having won all three games.

Dismissal Early School will be dismissed at 2 p. m. Friday in order for the buses to arrive at Denver City in time for Friday night's football game, announced School Superintendent Noel Johnson.

All classes will be dismissed at 2 p. m. that day and the buses will make their regular runs at that time.

Loading of the band buses for the trip to Denver City will begin at 4:30 p. m., and the buses will leave sharply at 5 p. m., it was stated.

Bowling News

The Junior League, which is slated to begin soon at A-1 Lanes, is still open for boys and girls nine to 15 years of age who wish to bowl in such a league. The cost will be \$1.00 for the bowling and shoe rental.

All who finish the league will be eligible to win a boys or a girls bicycle. The league will be bowled on Saturday mornings at 9:30.

DR. H. B. HOYT NAZARENE SPEAKER

In observance of Christian Education week Dr. H. B. Hoyt of Bethany Nazarene College, Bethany, Okla., will be the special speaker, Sunday morning, Sept. 24, at 10:40 a.m., at the local Church of the Nazarene.

Dr. Hoyt is a graduate of Bethany Nazarene College, Phillips University, and Southwestern Baptist Theological Seminary. He holds the D.D.E. degree from Southwestern. Dr. Hoyt has pastored several Churches of the Nazarene, and has for the last five years been an associate professor of religion at Bethany Nazarene College. He is in demand as a youth speaker and convention speaker.

Rev. James H. Robertson, pastor, issued a special invitation to all friends and ex-students of Bethany Nazarene College to attend this service.

C. S. T. Course

Thursday evening marked the close of the Christian Service Training course at the Church of the Nazarene. Nineteen people completed requirements for credit with others who will take make-up classes.

Rev. Corbitt Grimes of Plainview was the speaker for the Thursday night meeting. A watermelon feed followed the meeting. Watermelons were furnished by men of the church and were served to twenty-eight people.

The Don Cunninghams have moved from Irving to Waco, where he is enrolled at Baylor University to work on his master degree. He is the son of Mayor and Mrs. W. V. Cunningham.

"Doctor P-TA" Is Program Theme Here

The office of "Doctor P.T.A." in the auditorium was the scene for getting acquainted with newer faculty members Monday, September 11, when the Abernathy Parent-Teacher Association held its first meeting of this school year.

Portraying patients in the skit were students of the various schools with the new teachers as the "medicine or Sugar-coated Pills" needed.

During the brief business session preceding the program, a budget was adopted. This was a first for Abernathy P.T.A. and it is hoped that this will be beneficial to all concerned.

Members of the local Lions Club served refreshments in the cafeteria during the fellowship hour following the business session and program.

October 9 is the date of the next scheduled P.T.A. meeting. This, too, is a night meeting in the auditorium at eight. All Dads will be special guests with Captain W. A. Cox of the Lubbock Police Department, Juvenile Division, as guest speaker.

District P-TA President Holds Study Course

The Parent-Teacher Association is getting away from the idea that it is a money-making, cookie-baking group and now stresses "co-operate never seeking to operate our schools," stated Mrs. Marvin Armstrong, Fourteenth District P.T.A. President, from Lubbock, during the teaching of "P.T.A. Leadership Parliamentary Procedure Study Course" in the High School Speech Room, Tuesday, September 12. Beginning at nine in the morning the study was completed by 2:30 in the afternoon.

Information needed by P.T.A.'s, or any well-run organization, was presented in a refreshing manner by Mrs. Armstrong.

Members of the local unit taking the course were: Mrs. Billie Pittman, Mrs. Melvin Rape, Mrs. Glenn Reagan, Mrs. M. M. McClendon, Mrs. Elbert Harp, Mrs. Lawrence Carter, Mrs. R. R. Struve and Mrs. Paul Noland.

Other P.T.A. members will be given the opportunity to take this study course in April or May, 1962, when it will be taught here again.

Hale County Soil District Slates Tour In Area Friday

Hale County and area farmers are invited to attend the Annual Hale County Soil Conservation District Tour which will be held Friday, September 22 at 1:00 p. m.

Points of interest to be visited include various fertilizer and vanguard demonstration plots and conservation practices being conducted by Hale County farmers. The Plainview Chamber of Commerce Agricultural Committee will again sponsor a bus for the transportation which will depart from the Chamber of Commerce Building at 1:00 p. m.

The tour this year will be in

the Plainview, Happy Union, Abernathy and Hale Center communities. Farmers and businessmen are encouraged and urged to attend this important tour, according to Ollie Linder, County Agent.

Abernathy firemen were called to the Hilburn Barrick farm southwest of town at 3:30 p. m. Wednesday of last week. A weed fire set fire to a barn, which was destroyed. Wooden fencing was destroyed or damaged in the blaze, which the firemen prevented from spreading to nearby buildings.

Examination For Postmaster Job Here Announced

An examination for Postmaster at Abernathy, Texas, \$5,790 a year, will be open for acceptance of applications until October 10, 1961, the Commission announced. This examination has been announced under revised qualifications standards recently agreed upon between the Commission and the Post Office Department.

Competitors for the postmaster vacancy in this city must have at least 3 years of experience (education above high school level may be substituted for 1½ years of experience) showing that they have the ability to conduct and manage the community's postal business efficiently and to supervise employees so that customers are satisfied with the service.

Competitors must also show that

they are of good reputation and that they can deal with the public agreeably and effectively. Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience, and fitness for the position. They must have resided within the delivery of the office for one year immediately preceding the closing date of the examination.

MAKE TRIP TO EAST COAST

Mrs. E. O. Graham, Mrs. J. D. Ferrier and her son Marshall, and Miss Janie Dunn made a trip to the east coast, leaving here August 29 and returning September 8. They traveled on Highway 82 to Birmingham, Ala. then northeast to Atlanta, Georgia and Columbia, South Carolina, this being the location of Ft. Jackson where Scotty Graham is stationed with the Army. They had no trouble finding Scotty and in a matter of an hour or so he got a three day pass.

They spent Sunday, Sept. 3, at Myrtle Beach, South Carolina, which is on the east coast. Having crossed most of Texas and then Arkansas, Mississippi, Alabama and Georgia on the way over, they decided to move a little north coming back so came through Tennessee from east to west crossing the "Ole Mississippi" at Memphis and again across Arkansas via a different route.

Everything was pretty and green and crops looked good, though late, and the country in general looked prosperous, they reported.

Lubbock County Clerk issued a marriage license to William Fletcher Shephard, Jr., Rt. 2, Lubbock, and Miss Minnie M. Lewis, Rt. 2, Abernathy.

Antelopes Outscored By Owls Of Hale Center, 38-20, Here

The Abernathy Antelopes were the victims of defeat for the third consecutive week last Friday night as they were outscored by the visiting Hale Center Owls, 38-20.

The first half of play proved to be a defensive battle as only eight points were scored, that coming in the last minute and 34 seconds of the second quarter. The second half was quite a different story as both teams broke loose for long runs and racked up a total of 52 points. The longest run of the game was a 68-yard jaunt by Antelope halfback Tom Ritchey early in the third quarter.

Both teams were scoreless in the first quarter. The Antelopes, piloted by quarterback Bobby Pettit, moved to Hale Center's 23 early in the game, but lost the ball on a fumble. Hale Center also penetrated deep into the Antelope territory during the first period, but were held on downs.

Early in the second stanza the Antelopes moved the ball past the mid-field marker. With a fourth and four situation on the Owls 45, Tom Ritchey attempted a pass which was intercepted by Hale Center's tailback Perry Ritchey, and carried to Abernathy's 43. Four plays later Pettit intercepted an Owl pass on his own 12 yard line and made a 33 yard run back to the 45.

Four plays and a five yard penalty against Abernathy gave Hale Center the ball on their own 42 yard line. From here the Owls went the distance on 7 plays. Fullback Lloyd Louthan carried the ball on the final two plays, moving from the 19 to the one yard line, then plunging over on the next play for the tally. Ritchey scooted around end for the extra points.

With 90 seconds left in the first half, Abernathy moved the ball downfield from their own 38 to Hale Center's 16. A pass fell incomplete, then a pass to end Jack Waters in the right flat lost 6 yards and the half ended with the next play.

Owls scored again late in the quarter on a 13-yard pass from Ritchey to end Joe Mack Byrd. Ritchey's pass to Jimmy Louthan was good for the extra points.

A 36-yard pass from Tom Ritchey to Waters late in the game moved Abernathy to the Owl's 20 yard line, but the Antelopes were off sides on the play. A pass interception then ended any Antelope threat.

Abernathy was without the services of quarterback John Kiker who also plays linebacker on defense. The Antelopes are still without the services of speedy fullback Dan Thompson who underwent lung surgery a week before the first game.

Antelopes Score

Everything broke loose in the third quarter of play. Abernathy's fine small guard Kay Don Habbinga took the kickoff on his own 20 and returned it 16 yards. A 15 yard holding penalty on the first play from scrimmage moved the Antelopes back to their 21 yard line from which point Tom Ritchey broke through left tackle, cut to his right and raced 68 yards before being brought down by L. Louthan on the Owl's 8 yard line. Three plays later Ritchey skirted right end for 3 yards and the TD. A pass intended for Waters for the extra points failed, and Abernathy trailed, 6-8.

Hale Center returned the kickoff to their 35, then on the first play from scrimmage L. Louthan blasted off tackle and galloped 65 yards for the score. Ritchey hit left tackle for the extra points to give the visitors at 16-6 cushion.

Abernathy also returned the kickoff to their own 35 and worked the ball 65 yards for another score. Fullback George Reagan, halfbacks Joe Ybarra and Ritchey chalked up good gains, and a 17-yard pass from Pettit to Ritchey aided in the drive. Pettit climaxed the drive with a 10-yard jog around right end. Ybarra slanted off tackle for the extra points. Score: Abernathy 14, Hale Center 10.

Hale Center then scored again, driving another 65 yards. L. Louthan burst around end for 54 yards to Abernathy's 10 where he was downed by Pettit. It then took the Owls four downs to score, with Louthan going over from the 2. But a holding penalty moved the ball back to the 17 and Ritchey tossed a TD pass to halfback Jimmy Louthan for the score. The extra points try failed.

N.F.M.S. NEWS

Thirty-eight members of the local N.F.M.S. met last Wednesday evening at the Church of the Nazarene for its regular meeting. The lesson dealing with the work of the Church of the Nazarene in Guatemala was presented by three different people. They were Mrs. W. G. Spruiell, Mrs. Vester Patterson, and Mrs. Louis Spruiell. Mrs. B. J. Ingram, local president had charge of the meeting. Special emphasis was made con-

cerning the Alabaster offering to be received by the N.F.M.S. for the erection of permanent buildings on the mission fields of the church. The Alabaster offering amounted to \$140.00. The meeting closed with prayer for the missionaries who have special needs. Mr. and Mrs. Sam W. Williams and Mr. and Mrs. John H. Reagan of New Deal spent the weekend in Missouri visiting the Barnes who formerly lived in New Deal.

City Garden Club

The first 1961-62 meeting of the City Garden Club was held in the club room of the City Hall Thursday, Sept. 14. Committees were named and plans were made in regard to the District Zone Meeting of the Garden Club which is to be held in the First Methodist Church of Abernathy Oct. 31 from 9 a.m. to 3 p.m. The members voted to sell Christmas wrapping paper and bows for the benefit of the blind. This project is sponsored by the Light House for the Blind. It was also decided to hold a rummage sale beginning the last Saturday in September.

IT IS OUR BELIEF THAT . . .

- A customer is the most important person in our office . . . in person or by mail.
- He is not dependent on us . . . we are dependent on him.
- He is not an interruption of our work . . . he is the purpose of it.
- We are not doing him a favor by serving him . . . he is doing us a favor by giving us the opportunity to do so.
- He is not an outsider to our business . . . he is part of it.
- He is not a cold statistic . . . he is a flesh-and-blood human being with feelings and emotions like our own.
- He is not someone to argue and match wits with. Nobody ever won an argument with a customer.
- He is a customer who brings us his wants . . . it is our job to handle them profitably to him and to ourselves.

We Really Believe In This Policy.
We Have Proved It To Others . . . Come In . . .

NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!

'62 CHEVROLET JOBMASTER TRUCKS!

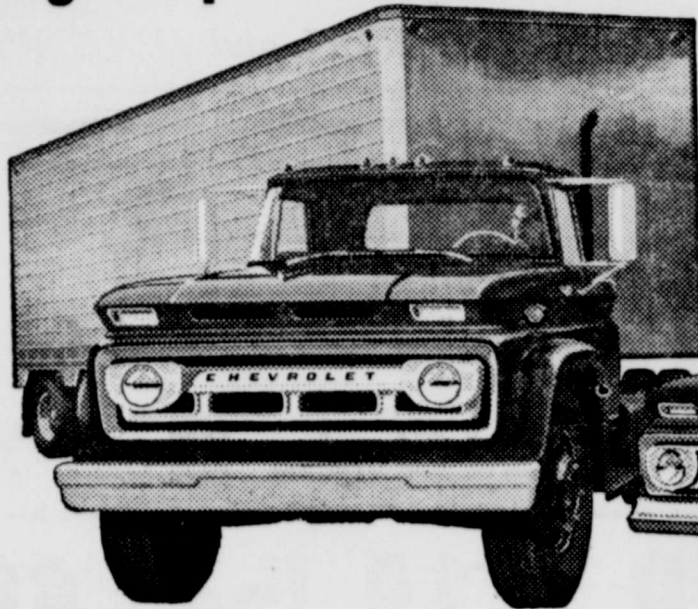

WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16½ per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rain'-to-work, ready-to-save engines.

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

New SERIES 60 DIESEL. Diesel savings and sure Chevy durability.

Newsbits FROM New Deal High

(By ANN SPEER)

The New Deal Chapter of the National Honor Society held its first meeting Wednesday, September 13, in the high school study hall. The entire school was present. The purpose of the meeting was the induction of two new members. They are Molly Vickers and Wanda Stafford, both sophomores.

Betty Deavours, president of the Honor Society, was in charge of the ceremony. A program describing the emblem and the qualities needed to become a member was presented. The two new members were presented to the president by Judy Ring and Glenda Norwood. This was followed by an explanation of the emblem by Dona Slaton. Next, the four characteristics needed to become a member were presented in the form of a short speech by four of the members. Tana Kay McDonald explained scholarship, Ann Speer explained the type of character needed, Jimmy Justice gave the Honor Society's opinion of leadership, and Glenda Norwood told of the kind of service expected of each member.

To conclude the program, the two new members took the pledge of the National Honor Society given to them by Mr. Dean Furrh, one of the sponsors of the organization.

The annual staff for the year 1961-1962 was chosen this past week at New Deal. The members were chosen by the annual sponsor, Mrs. Bea Cromer, and Mr. A. A. Chandler, high school principal. The names of the members and the positions they are to hold on the staff are given below:

Editor, Caroline Isaacs; Business Manager, Betty Deavours; Assistant B.M., Jimmy Esty; Literary Editor, Ann Speer; Subscription Editor, Glenda Norwood; Assistant S.E., Jimmy Justice; Photography, Jane Loudon; Sports Editor, Mack Covey; Activities, Shirley French; and Favorites, Billy Mack Ellison.

— Ann —

The girls' basketball captains were elected this past week at New Deal. They are Caroline Isaacs, a senior guard, and Shirley French, a senior forward. Miss Isaacs is the editor of the annual this year and was selected as an All-Regional guard during last year's basketball season. Miss French is also serving on the annual staff and is a cheerleader this year.

The Future Farmers of America held their first meeting Thursday, September 13. The purpose of the meeting was to elect officers and the F.F.A. Sweetheart. The sweetheart was chosen but the name will not be announced until September 29, when the F.F.A. and F.H.A. are to have a joint party. The F.H.A. Beau will also be announced at that time.

The F.F.A. also decided on a time for their annual initiation. It will be held Tuesday, September 18, at 7:30 p. m.

The F.F.A. officers for this coming year are as follows:

President, Ronnie Haggard; Vice President, David Attebury; Secretary, Lynn Price; Treasurer, Lynn Price; Sentinel, Don Brown; Parliamentarian, Billy Mack Ellison; Historian, Gary Wheatly; and Reporter, Jimmy Cox.

— Ann —

The Future Homemakers of America also held a meeting last Thursday. In the meeting they discussed their activities for the coming year. A program was presented by Judith Essary and Laverne Bell on Parliamentary Pro-

cedure and Degrees of Achievement. To conclude the program, Glenda Norwood gave a short speech on Projects.

The Hart Longhorns won their second game of the season Friday night by defeating New Deal 16-0 at New Deal.

Fullback Larry Lee was the deciding factor in the Longhorn victory. He scored both touchdowns on end sweeps—first in the second quarter and again in the fourth. Dennis McLain scored both the extras in the Longhorn victory. Lee went for 8 yards on the

first tally and made a run of 65 yards on the last touchdown.

Outstanding for New Deal were Don Enger on defense and David Attebury, who carried most of the offensive duties.

The game left New Deal with a 1-2 record for the season. The Lions encounter Sprinklake Friday night at New Deal.

CARD OF THANKS

I wish to express my thanks for the many flowers, cards and visits during my recent illness.

A tribute to schoolteachers

Our nation's future leaders are in school rooms today.

Their training for leadership is in the hands of America's teachers—dedicated men and women who are molding the future of our country.

Now that school days are here again, we salute these teachers, and honor them as one of our most priceless assets.
