Nazarene Church To Have Guest Speakers Sunday

REV. R. W. HURN

REV. RUSSELL WALBURN

Rev. R. W. Hurn of Lubbock, will be the special speaker at the Church of the Nazarene Sunday morning Oct. 15. Rev. Hurn has been the Abilene District Superintendent for the Church of the Nazarene for three years. Before that he was a pastor in Kansas, Oklahoma, Georgia and Oregon.

While pastor at Norman, Okla., he served two years as chaplain in the Central State Hospital in Norman.

Also speaking during the service will be Rev. Russell Walburn, pastor of the new Church of the Nazarene in Stamford. Rev. Walburn will be reporting to the local congregation on the progress of the new work in Stamford. The local congregation is one of the sponsoring churches of the Stamford church.

Rev. Hurn will be accompanied to Abernathy by his wife and two daughters. Rev. Hurn's district office is located at 3515 43rd St., in Lubbock.

TAX DISCOUNT

The city, school, county and state offer a three percent discount on tax payments made in October on the current year's taxes. See the Hale County tax ad in this paper for further details.

LIONS CLUB NEWS

H. G. Wells, Representative of the 89th Legislative District, was guest speaker at the Lions Club's noon luncheon at Graham's Restaurant Tuesday. Mr. Wells is a graduate of Tulia High School and received his bachelors degree from North Texas State. He worked on his masters degree at West Texas State College, Canyon, and received his law degree from the University of Texas.

Mr. Wells spoke briefly about the sales tax in Texas and explained that Texas had come to the point where this type of tax or some other broad based tax system had to be put into being to obtain badly needed revenue for the state treasury.

He added that since the tax bill was put into effect, some problems have arisen, but most of the problems are the exemptions. He stated, however, that it will be easier to work out these problems than to pass a new tax bill or a general sales tax bill.

Mr. Wells concluded by saying that he has no apologies for voting for the tax bill, but that he does have apologies for what is in the tax bill. He added that anyone who looks at the situation realistically can see that there is a need for a broad based tax bill in the state of Texas.

Prior to the Lions Club meeting, Mr. Wells addressed Abernathy High School students in the American History and American Government classes.

To Speak Here

Next week's guest speaker will be Jack Strong of Lubbock, District Governor of Lion District 2T2, of which the Abernathy chapter is a member, announced Leland Phillips local Lions Club president.

All local Lions Club members are urged to be present, and visiting Lions are welcome.

1962 Band Trip Tentatively Approved By School Board

A trip for the Abernathy High School band has tentatively been approved by the School Board, according to school superintendent, Noel Johnson. The trip, if earned, will be made next May, and according to reports would probably be to the festival at Corpus Christi, Texas.

The trip will be financed by a Magazine Campaign which in previous years was conducted by the junior class. The band members will begin the campaign November 3 and continue through November 13.

The following is a list of requirements set forth by the school board:

Band Trip, 1962

The Abernathy School Board will consider an overnight trip for the Senior High Antelope Band provided such trip is earned in accordance with the following general requirements:

1. A student must have been enrolled in the Band and have been a member in good standing at the time of the Regional Marching Contest November 21. (not applicable to students enrolling in school after this date and otherwise qualified)
2. The student must continue to be eligible in accordance with University Interscholastic League Rules, especially in respect to grades.
3. The student must enter a solo or ensemble contest unless excused by the Band Director for valid reasons.
4. The trip, if earned, will be conditional on the Band's being a Sweepstake Band or its equivalent.
5. The Band Trip must not cover more than two school days and will be in May.
6. The school will furnish the transportation, fees and lodging. Students will be required to buy their own meals and incidentals.
7. Any student guilty of any serious breach of discipline or habitual minor offenses during the school year in any other phase of the school program will forfeit his/her opportunity to make this trip. Excessive tardiness and absence will constitute a forfeiture of the trip by an individual.
8. The trip will not be mandatory; but, if a student meets all other requirements, he/she must show evidence of good health and have the parents' written consent to make this trip.

All overnight school trips must be approved by the Abernathy School Board and trips within themselves will not necessarily set precedence for future trips of any nature for any group.

A school sponsored band trip is first of all an educational trip and not a pleasure tour, although it is expected that students would find the experience an enjoyable one. The trip would be to a band festival wherein the Antelope Band would be in competition with outstanding bands from other states as well as other areas in Texas.

Several Plainview Future Farmers will also exhibit livestock at the State Fair.

Among them are Pat C de Baca, Floyd Medlin, Donny Daily, Gary Glidewell, Larry Shannon, Joe Culp and Forrest Dollar. Culp and Dollar do not plan to go to the Fair, but the others will.

Vocational Agriculture Teacher Gene Barnett will accompany the showmen.

City Manager Paul Noland reported that stop signs are being erected at various intersections in Abernathy where new paving has recently been completed. Also studies are being made to determine on which streets stop signs should be placed in various parts of town.

City officials had planned to make complete studies of the traffic flow on the various newly paved streets to determine where the stop signs should be placed but an accident at the corner of 2nd Street and Ave. H late last week prompted the city to begin erecting stop signs now at some intersections.

Motorists are urged to be extra cautious at all intersections, and even after the stop signs are erected drivers should look both ways before entering an intersection, even after stopping.

REBEKAH LODGE TO HOLD RUMMAGE SALE

Members of the Rebekah Lodge are to hold a rummage sale Saturday, October 14, at the Oddfellows Lodge here. It was reported by Mrs. F. W. Struve that the proceeds from the sale will go for a good cause.

PICTURED ABOVE are prize winning exhibits entered in the Panhandle South Plains Fair at Lubbock recently. Thirty-three first, second and third place ribbons are placed on the respective exhibits. Winning exhibits included lint cotton, 29 open bolls, threshed milo, milo heads, yellow dent corn, pop corn, threshed sesame, peanuts, okra, tomatoes, squash, threshed pinto beans, castor beans, threshed wheat, blackeye peas, cream peas, and cucumbers. A total of 105 exhibits were entered in the fair by local FFA members, and many which did not place were taken to Dallas last week to be entered in the State Fair of Texas, stated Jerry Adams, Abernathy agriculture teacher and FFA advisor. —(Staff Photo)

Region I Band Contest Dates Set Recently

The Region I Music Committee, of which Abernathy superintendent of schools, Noel Johnson, is chairman, met September 27 at the Plainsman Hotel in Lubbock for the purpose of organizing and setting a date for the 1961-62 Region I Music Contest.

The marching contest will be held November 21 in Jones Stadium in Lubbock. The concert and sight reading contest is set for March 30-31 at Monterey High School, also in Lubbock.

Ratings from the marching contest and the concert and sight reading contests will be compiled for an overall rating.

4-H, FFA Stock Will Be Shown At State Fair

Hale County 4-H'ers have entered and will exhibit 43 head of livestock at the State Fair of Texas. The youthful agriculturists will load their stock from the dairy barn in Plainview, October 15 en route to Dallas.

Eight junior beef steers, two commercial steers, 31 barrows and two lambs comprise the Hale County 4-H'ers livestock. The Junior Steers and fat lambs will be judged October 18 at 8:30 a. m. Swine judging starts October 18 at 2:00 p. m. and continues at 8:00 a. m. the next day. Steer judge is Robert Totusek of Oklahoma State University, swine judge is Stanley Anderson of Texas Tech and judging fat lambs is Carl Menzies of Kansas State University.

Barrow exhibitors include Steve and Jim Johnson, Benny Lobstein and Edna Montgomery of Abernathy.

4-H'ers showing steers include: Larry Blumenstock and Benny Lobstein of Abernathy.

Ollie Limer, County Agricultural Agent and Payton Scott, Assistant County Agent, will accompany the 4-H'ers to Dallas.

Several Plainview Future Farmers will also exhibit livestock at the State Fair.

Among them are Pat C de Baca, Floyd Medlin, Donny Daily, Gary Glidewell, Larry Shannon, Joe Culp and Forrest Dollar. Culp and Dollar do not plan to go to the Fair, but the others will.

Antelopes Travel To Morton; Play At 7:30 Friday

The Abernathy Antelopes will travel to Morton Friday night to open conference play in District 2-AA with the undefeated Indians. Game time is set for 7:30 p. m., as are all remaining games in District 2-AA this season.

Other District 2-AA matches this week include Muleshoe at Olton and Lockney at Floydada. Floydada and Morton are the only undefeated-untied teams in 2-AA.

The Antelopes will be up against an experienced team Friday night as the Indians have 12 lettermen back from last year's squad. The Indians have depended a great deal on an aggressive passing attack this season, but also have the power to run with the ball.

Mrs. R. D. Spruiell was taken to West Texas Hospital, Lubbock, Wednesday night by Chambers ambulance.

Scott Graham, who has been in Army training at Fort Jackson, S. C., visited his parents, Mr. and Mrs. Ed Graham, en route to his new station at Fort Gordon, Augusta, Ga.

Mr. and Mrs. Billy Deering have moved to their new brick home in the Virgil Phillips Addition. It was built by Jones Construction Co.

Mr. and Mrs. Ray Savage of Dallas visited in the home of their daughter, Mrs. Lewis Lutrick, and family.

Donald Huffaker and Jack Lee entered a trap shoot in San Antonio last weekend.

Mr. and Mrs. Eddie Bailey and family visited the Leon Hocketts at Ralls last Sunday evening.

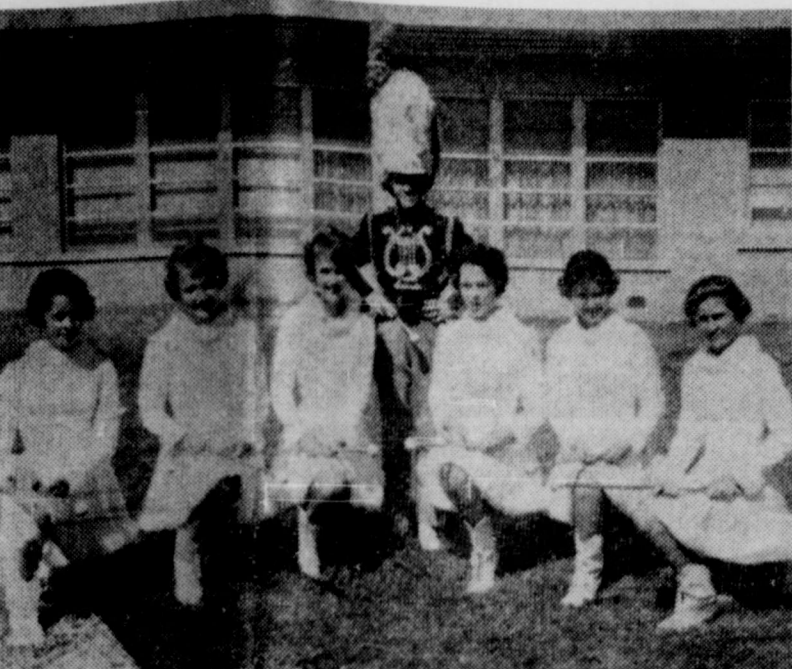

Mrs. Brooks Spear of New Deal sustained a minor back injury on the diving board at the ABC Branch Boy's Club pool in Lubbock Wednesday of last week. She received emergency treatment at a Lubbock hospital.

Joe Chambers won the handicap division of the Golden Spread Trap Shoot at Amarillo last weekend. He hit 93 out of 100.

Mrs. Jimmy Gragg is employed in the office of Maclon Insurance Agency at 909 Ave. D in Abernathy.

Roxanne, baby daughter of Mr. and Mrs. Carroll Bradley, is to undergo an examination for a heart murmur at Children's Medical Clinic in Dallas this morning (Thursday). Roxanne will be two years old January 9.

Lubbock County clerk issued a marriage license to Willie Franklin Adams, New Deal, and Miss Odell Wallace of Lubbock.

J.R. HIGH DRUM MAJOR AND MAJORETTES—Pictured above are the drum major and the six majorettes for the Abernathy Junior High School marching band. Miss Peggy Carter, center, drum major, is an eighth grade student and is the daughter of Mr. and Mrs. Earl Carter. The majorettes, right to left, are: Nita Lou Tennell, 7th grader, daughter of Mr. and Mrs. H. S. Tennell; Janice Phillips, 8th grader, daughter of Mr. and Mrs. Virgil Phillips; Margaret Toler, 8th grader, daughter of Mr. and Mrs. Marvin Toler; Treva Totty, 8th grader, daughter of Mr. and Mrs. Robert Totty; Shanna Crenshaw, 8th grader, daughter of Mr. and Mrs. Fred Crenshaw; and Jane Thompson, 7th grader, daughter of Mr. and Mrs. Joe Thompson. —(Staff Photo)

Jr. League Starts Sat.

Junior bowlers will hold a meeting at 9:30 Saturday morning, October 14, in the league room at A-1 Lanes, according to Jimmy Herring, manager. Immediately following the meeting the Junior bowlers will begin their fall league.

All Junior bowlers may bowl in this league for only \$1.00 for each three game series. Herring pointed out that the \$1.00 bowling fee also includes the shoe rental.

The October Alibi Sweeper is now in progress at A-1 Lanes. Early this week Harold McCune was on the board with a high game of 269 and a high series of 758. In the women's division, Oleta Edwards had a high game of 190, and Edna Berutti had a high series of 627.

A special award will be given for a men's 500 game or a ladies' 275 or more game.

For a complete list of rules to follow for eligibility in the Alibi Sweeper, check with A-1 Lanes personnel or observe the blackboard just above the desk at A-1 Lanes.

Is Cub Scouting To Continue In Abernathy?

By MRS. PAUL NESBITT

Parents; Cubbing, the younger brother program of the Boy Scouts of America, gives boys and parents lots of interesting things to do together. Boys learn games, handicraft, rules of health, patriotism, obedience and respect for elders.

There are boys of Cub age (eight, nine and ten) in our vicinity who would like to become cubs, however, without the cooperation of parents and the willingness of parents to work with the cubs, it is impossible for the sponsor to provide this program. Therefore, we are calling a meeting of the parents of boys of Cub age who have indicated their desire to join a Pack in the Abernathy area. We will meet in the All Purpose Room (old Jr. High Bldg. Tuesday, October 17, at 7:30 p. m.

The boys themselves are welcome to come to this meeting if one or both of their parents are with them. Otherwise, we ask that they do not come until one or both of their parents can attend a meeting of the parents of Cub age. Boys are asked to bring their fifty cents annual registration fee. Boys' Life magazine is available at \$1.50 per year.

Your child, if interested in becoming a Cub Scout, will be given a letter at school prior to this meeting. Please consider this program seriously and make your arrangements to attend.

Boy Scout Fund Drive Readied For Abernathy

The Boy Scout finance campaign is in preparation for the Abernathy area. Carl Barton is the local chairman for the drive again this year. The drive here will be held in conjunction with drives in the South Plains Council, covering a 20-county area.

The \$110,160.06 operating budget for the South Plains Council-Boy Scouts of America, is raised by Federated Campaigns and independent Boy Scout Campaigns in the 20-county area. No money is received to operate Scouting from local, state or federal governments.

Mahon Seeks Increase In Cotton Acres

WASHINGTON, D. C.—Representative George Mahon advises that he has urged Secretary of Agriculture Orville Freeman to fix the national cotton acreage allotment for the 1962 crop at a higher level than the 1961 allotment, and in no event at lower figure. The 1961 allotment is 18,400,000 acres. The Secretary is required to make his decision by October 15.

Mahon stated that a moderate increase in 1962 over 1961 is necessary in order to make sure that the American cotton producer will be able to maintain his fair share of the world market in addition to supplying domestic needs. He said that a reduction would stimulate foreign production and be unacceptable to domestic growers.

Cotton growers and producer groups have appealed to Members of Congress and government officials in regard to the cotton acreage matter. Mahon stated that he had discussed the matter with various officials of the Department of Agriculture and had written the Secretary and discussed the acreage situation with members of the White House staff.

Rev. Boyce Evans Assumes Baptist Pastorate Duties

The Rev. Boyce Evans is to assume duties as pastor of the Abernathy First Baptist Church Sunday. He accepted the pastorate here in September, but prior commitments to preach in revivals kept him from beginning his duties here before mid-October. He is in a revival at Pampa this week.

The Rev. Mr. Evans has been in evangelistic work, with headquarters in Lubbock. He and his family moved from Lubbock to the Baptist parsonage at 601 14th Street here last week.

The church had been without a pastor since the Rev. Joe R. Griffin moved to Weatherford several months ago. Rev. Griffin resigned his work here to accept the pastorate of Northside Baptist Church at Weatherford.

The following information on the Evans family is from the church news letter.

Rev. Evans and his wife, Mary were both born and graduated from high school in Tahoka. He received his B. A. Degree from Hardin-Simmons University and is at present a trustee of that school. He received his B. D. from Southwestern Seminary in January, 1954. While a student in the seminary he pastored rural churches at Mansfield and Colleyville, Texas.

Other pastorates he has filled include the First Baptist Church, Seagraves, and Bellview Baptist Church, Midland. Since April, 1960, Rev. Evans has been in evangelistic work. He has made his home in Lubbock during this time. We welcome the Evans family to Abernathy. There are three children in the family: Evan, 13 who is a Freshman; Suzanne, 12 in the seventh grade; and David, 8 in the third grade.

NOW! A NEW WORLD OF WORTH!

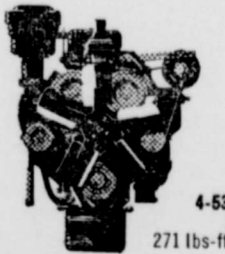

'62 CHEVROLET JOBMASTER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy... the most powerful engines in Chevrolet history... sure saving power and dependability for every job!

There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 V8* for heavies, right down to the thrifty Sixes... including the High Torque 261 Six* that's available for the first time in light-duties. Loads of other reasons, too. Like the new work styling with downward-sloping hoods

that let drivers see up to 10 1/2 feet more of the road directly ahead. Like Chevrolet's proved Independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles* (9,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction. Like to know more? See your Chevrolet dealer.

Mr. and Mrs. M. M. Bell and her sister and family, Mr. and Mrs. Floyd Boyd of Wichita Falls have returned from a 10-day vacation to the West Coast. They re-

ported that the red wood forest in California is beautiful at this time of year, and also reported that San Francisco is a nice place to visit but not to live.

Hobby Club News

The Abernathy Hobby Club met Thursday, October 5, at 2 p. m. in the city hall club room with Mrs. E. L. Cain presiding. The club welcomed a new member, Mrs. Lavall Bishop, who gave a very interesting program and demonstration on "Fabric Pictures."

Attending the meeting were: Mmes. O. D. Brown, a visitor from Spade, Clarence Nelson, M. M. Bell, N. A. Oliver, W. T. Landers, T. F. Garrett, G. B. Adkisson Sr., T. O. Brown, E. L. Cain and Mrs. Bishop.

The next regular meeting of the club will be held Thursday, November 2, at 2 p. m. in the city hall club room. Mrs. E. L. Kelly will have charge of the program on "Copper Tooling."

All members are urged to be present to make further plans for a Thanksgiving 42 party for members and their husbands to be held at 7 p. m. November 16 in the club room.

Local B Team Defeats Hale C B 32-24, In See-Saw Battle There

Abernathy's B team traveled to Hale Center last Thursday evening and brought home a 32-24 victory over the Hale Center B team.

Abernathy halfback Larry Boyce opened the scoring for the local lads in the first quarter, ending an 80-yard drive. The extra point try failed.

Hale Center scored in the second quarter following an Abernathy fumble on the Antelope's 1 1/2 yard line. The Owls then ran the ball over for the extra points, and held a halftime lead of 8-6.

On the first play of the second half, quarterback Bobby Pettit kept the ball and raced 70 yards to put Abernathy out front. Fullback Charley Stallings kicked the extra point and Abernathy led 13-8.

Two plays later defensive halfback Don Hughes, who plays offensive end, intercepted an Owl pass on his own 40 yard marker and darted 60 yards for another Antelope TD. Stallings again booted the ball through the uprights to give the Antelope a 20-8 cushion.

The margin in the scores was narrowed shortly thereafter as the Owls scored again and added the extra points by running, making the score 20-16.

It was the Antelope's turn again and they got this one on a pass from Pettit to Hughes which covered 40 yards. The try for the extra point failed.

Halfback Jerry Bradshaw scored Abernathy's last touchdown when he went 2 yards on an end sweep

to climax a 65-yard drive. The extra point try failed again.

Hale Center scored again in the closing minutes of the game and added the extra points to make the final score, 32-24, in favor of Abernathy.

18 See Action

The Abernathy coaches took 18 boys to Hale Center for the contest and all 18 of them saw considerable action. The starting lineup included Don Hughes and Doug Simpson at ends, Billy Barrick and Sandy Downs at tackles, Jim Owens and John Reagan (both freshmen) at guards, Randy Henson at center, Pettit at quarterback, Stallings a fullback, Boyce at left halfback and Pat O'Neil at right halfback. Others seeing action were Santos Ramirez and Nathan Knight, ends; Bill Lee, tackle; Charles Lusty, quarterback; Earl Brown, fullback; and Jerry Bradshaw and Jake Malow, halfbacks.

The local freshman team will play at Tahoka Thursday night, October 19. Neither a B team nor a freshman game is scheduled for this week.

A car sped off the road, tore down the guard rail, rolled down the ditch, bounced off a tree, shattered to a stop. A passing motorist raced to the scene and said to the miraculously unhurt driver: "Say are you drunk?" Said the un hurt: Of course, I'm drunk! What do you think I am — a stunt driver?"

INFLUENZA VACCINATION RECOMMENDED

A cyclic upswing in the incidence of both Asian and type B influenza is likely this fall and winter. Patients in the following disease categories have experienced the highest mortality rates from influenza, and therefore, specific protection is clearly indicated for them as a routine practice.

A. Persons of all ages with car-

diovascular, pulmonary, renal or metabolic disorders; in particular: 1. Patients with rheumatic heart disease, especially those with mitral stenosis. 2. Patients with other cardiovascular disorders such as arteriosclerotic heart disease and hypertension, especially those with evidence of frank or incipient cardiac insufficiency. 3. Patients with chronic bronchopulmonary disease, for exam-

ple, chronic asthma, chronic bronchitis, bronchiectasis, pulmonary fibrosis, pulmonary emphysema, pulmonary tuberculosis. 4. Patients with diabetes mellitus. 5. Patients with Addison's disease. B. Pregnant women. C. All persons over 65 years of age.

In years of expected high incidence vaccination is recommended for the following groups of people: 1. Persons in medical and health services, public safety, public utilities, transportation, education and communications. 2. Persons in age groups in which influenza occurs in highest incidence, namely 5 to 25 years. Primary immunization—Polyva-

lent vaccine (500 CCA units/ml). Individual 13 years of age or older; two injections of 1.0 ml each, two months apart. Individuals 3 months - 6 years of age; two injections of 0.1 to 0.2 ml each, one to two weeks apart, followed by the same amount 2 to 3 months later. Booster immunizations—An annual booster of polyvalent vaccine given during the fall is recommended for maximum protection. Individuals allergic to chicken or eggs should not be vaccinated. Influenza vaccine is available from commercial sources only.

BULLETIN ON HOME GREENHOUSES RELEASED

Many home gardeners in Texas are becoming more interested in extending their activities to include greenhouse gardening. In response to many requests for information on the construction of small greenhouses, the Texas Agricultural Extension Service has released a publication which presents the fundamentals of greenhouse construction and gardening and the possible variations in construction, materials and operations.

Today, prefabricated greenhouses are readily and economically available. When all factors are considered, they are cheaper and easier to erect and more satisfactory than those constructed with locally available materials and labor. The main consideration facing the home gardener about to build a greenhouse is the choice of location, size and type of structure to build.

Once the greenhouse is constructed, the owner must then prepare the inside. Benches must be constructed, work areas prepared and heating, lighting and watering systems installed. Information on all these problems is contained in the extension publication.

In addition to construction information, the publication contains a guide for growing plants in the greenhouse. There is also a section on insect and disease control. Anyone desiring a copy of this publication may obtain one from their local county agent. Ask for a copy of MP-518, "Greenhouses for Texas Gardeners."

WHEAT BAKING QUALITY PREMIUMS PART OF 1962 LOAN PROGRAM

College Station—There is a new feature in the 1962 wheat price support program that farmers and elevator operators will want to consider.

The government has just announced that premiums for gluten "strength" quality in hard red winter and hard spring wheats will be used for loans on 1962 wheat. This is to encourage farmers to raise more of the kind of wheat in demand by commercial

bread bakers and to cut down on those varieties of "weaker" baking quality which are usually in plentiful supply on the market.

Ben Spears, extension agronomist, says that although weather, soil and moisture factors affect the baking quality of wheat, the variety planted is most important. For Texas, Spears suggests that local county agents be consulted about the best varieties to give the premium-earning quality. This addition to the price support program is announced now so that growers can decide on varieties before fall planting is completed.

Tire Dealers Reminded Of Tax Deadline

Tire dealers were reminded of the October 16 deadline to report and pay their Federal floor stocks tax.

In a joint statement, District Directors Ellis Campbell, Jr., of Dallas, and R. L. Phinney of Austin recalled that this is the tax passed into law effective July 1, 1961, and placed on highway

type tires, innertubes (except bicycle tires and tubes), and tread rubber held by wholesalers, jobbers, distributors, and retailers as of that date.

Floor stocks tax returns should be prepared on Form 3174 and, together with the tax payment, sent to the Internal Revenue District in which the taxpayer's principal business is located. Forms 3174 and instructions are available in all IRS offices.

It pays to look your best before crossing the street.

Local Farmers Plant 193 Acres Bermuda Grass

Some area farmers are not only soil conservation minded but are also business minded as they had a combined total of over 190 acres planted in bermuda grass this past year in the Abernathy, County Line and New Deal areas. Not only is this a big step toward the prevention of wind and water erosion, but also furnishes fine grazing for feeder and for dairy cattle.

Bill Ward, manager of Whiteside Bermuda Pastures three miles north and two and one-half miles west of Abernathy, reported that 19 farmers in the Abernathy area had a total of 162½ acres planted in bermuda grass this past year. One County Line farmer had 8½ acres planted and two farmers in the New Deal area had 22 acres planted, thus making a three-community total of 193 acres.

Ward reported that Whiteside Bermuda Pastures had been employed to plant a total of 2,058 acres in bermuda this past year, and over 500 acres of this total was in Hale County.

Those in the Abernathy area having bermuda grass planted included the following: Vester Patterson, Lonnie Brownlow, E. J. Pope, John Nabors, Bill Riley, Doyle Smith, Lindy Neis, Marvin A. Looney, J. D. Webb, A. Kelley, Jack Kiker, H. H. Blacklock, A. A. Davis, Clyde Benn, Irvan Rhodes, E. A. (Bill) Houston, Wyley Wilkison, W. F. (Bill) Wolf, and Carl Phillips. Others include L. A. Jones in the County Line area, and A. M. Leftwich Jr. and Goble Dairy in the New Deal area.

ANIMAL HEALTH RESEARCH PLANS DISCUSSED BY GROUP

Trustees of the Southwest Animal Health Research Foundation met with officials of the Texas Education Agency and the A & M College of Texas to discuss plans for combatting multi-million dollar annual losses to the livestock industry in Texas.

T. A. Kincaid of Ozona, and Marvin J. Bridges of Buffalo, initial members of the board of trustees, announced that the purpose of the Foundation is to receive and disburse funds, and to foster research and educational programs in animal health. After receiving its charter from the State of Texas on August 29, 1961, the non-profit organization moved swiftly to initiate an action program.

First on the agenda is a state-wide program to control screw worms, Kincaid said. He pointed out that losses from this pest alone amounted to some \$50 million each year. The organization will employ the sterile fly technique developed by USDA scientists and proved effective by Florida cattlemen.

John E. Hutchison, Director, Texas Agricultural Extension Service and George Hurt, Director, Vocational Education, Texas Education Agency, pledged the full support of county agents and vocational agriculture teachers in carrying out educational phases of the animal health program. Detailed information concerning the Southwest Animal Health Research Foundation will be in the hands of all vocational agriculture teachers and county agents in the near future, they said.

October is going to be a good month for people who like to eat. According to the USDA's official plentiful foods list, apples, potatoes, broiler-fryers, cheese, rice, turkeys, beef, cranberries and vegetables will all be available in abundance to the October shopper.

Police in Madrid, Spain, have installed electronic robots that revolve in a full circle to direct traffic. Any motorist who violates the robot's traffic instructions gets his license plate photographed automatically. And THEN—a real, live policeman comes to call on you.

Mr. and Mrs. Clyde Dye and daughter, Evelyn, and Mr. and Mrs. B. H. Beard and son, Keith, went to the State Fair in Dallas and Six Flags Over Texas between Dallas and Fort Worth last weekend.

Marry Saturday

Miss Dorris Lee Stegall and Ray B. Smith, both of Abernathy, were married Saturday night at the Northside Baptist parsonage in the Virgil Phillips Addition. The Rev. E. C. Chron, Northside pastor, performed the ceremony. Smith is employed by the city. The couple will be at home on West 14th Street.

The Hunt County Agricultural Workers Association spearheaded a soil testing drive in the county which resulted in 500 soil samples being taken in a one week period.

PLEDGES SORORITY

Miss Shirlee Nesbitt, a freshman student at Tyler Junior College and a member of the Apache Belles, the college's widely known girls' precision drill team, was recently pledged to the To-Kalon Sorority. To-Kalon is the oldest sorority on campus at the college, having been founded in 1927, and means "Friendly Maiden."

The sorority colors are red and white.

Miss Nesbitt is a 1961 graduate of Abernathy High School and is the daughter of Mr. and Mrs. Paul Nesbitt.

Union-Texas No. 1 Barrick Oil test was drilling ahead at 10,235 feet late last week with no showing of gas nor oil so far.

Miss Matejowsky And Leon Stewart Marry In Lubbock

The exchange of wedding bands in a ceremony at 7 p. m. Saturday at Redeemer Lutheran Church, Lubbock, united in marriage Miss Daphne Ryta Matejowsky, daughter of Mr. and Mrs. Elmo W. Matejowsky, Abernathy, and Leon Douglas Stewart of Waco, Mo. He is the son of Mr. and Mrs. Buell H. Stewart, Yakima, Wash.

The Rev. Mr. E. G. Neunaber officiated at the candlelight service. Traditional wedding music was presented by Mrs. L. J. Hager of Abernathy, organist, who accompanied the soloist, Mrs. James Herklotz of Lexington, cousin of the bride. Tapers in candelabra were lighted by Steven Berry, and Flower Girl was Miss Susie Harkey and Bruce Hohle, a cousin of the bride from Waco, was ring bearer. Miss Sandra Wolf of Abernathy was maid of honor. Bridesmaids were Miss Rita Burnett and Mrs. Gene Paul Bernhardt, cousin of the bride, both of Abernathy.

Dale Matejowsky, San Angelo, brother of the bride, served as best man. Groomsmen were Gene Paul Bernhardt of Abernathy and Ray Bernhardt of Denton. Tommy Matthews of Abernathy and Ray Bernhardt of Denton were ushers. **Wear Identical Dresses** The attendants wore identical street-length dresses of emerald green brocade, styled with bouffant skirts. Soft gathers from a center panel accented the waist. The fitted bodices were designed with portrait necklines and short cap sleeves. The ensembles were completed with green satin slippers and short veils. Bridesmaids carried crescent arrangements of garmellias and the maid of honor carried a white crescent arrangement of carnations.

The bride, given in marriage by her father, wore a formal gown of white bridal satin, styled with a gathered skirt on either side of the front. The back panel was joined to the shaped, lowered waistline, accented in front by a satin bow. The classic simplicity was completed with a boat neckline and tapered sleeves forming

Sophomores Have Class Party

By NEIL DAVIDSON
Class Reporter

The sophomore class of AHS enjoyed a party last Friday night. Linda Kitchens was hostess for the event.

Members of the class also enjoyed a hayride. They rode out to one of Mr. Kitchens' farms and upon arriving there they roasted weiners and marshmallows.

The group then rode back to the Kitchens' home here in town and played games. This was the group's first class party of the year and all really enjoyed it.

WEDDING GUESTS

Out of town guests at the wedding of Leon Stewart and Miss Daphne Matejowsky Saturday night included Mr. and Mrs. J. F. Luecke of Houston, Mr. and Mrs. C. W. Wagner of Giddings, Mr. and Mrs. James Herklotz of Lexington, Ralph Wagner of Austin, Mrs. Leroy Hohle and children of Waco, Mr. and Mrs. Fred Zoch and family of Houston, and Mr. and Mrs. Martin Hobrath of Littlefield.

Junior High Students Elect New Officers

Students of Abernathy Junior High School, composed of grades six, seven and eight, recently elected class officers. With three rooms of sixth graders, three rooms of eighth graders and four rooms of seventh graders, a new "system" was initiated this year, according to Gid B. Adkisson, Jr., principal.

In the past a president, a vice president, and a secretary-treasurer were elected from the combined rooms of each class. This year a president and a secretary-treasurer were elected for each combined class, and a vice president and an assistant secretary-treasurer were then elected from each room in the respective classes.

8th Grade Officers

Following are the officers for the eighth grade:
Larry Crowder, president; Cindy Hurt, secretary-treasurer, Room 801—Howard Ross, vice president; Nancy Kelso, assistant sec.-treas.; Room 802—Bryan Cox, assistant sec.-treas.; Room 803—Ronald Preston, vice president; Marilyn Teaff, assistant sec.-treas.

7th Grade

The seventh grade officers are as follows:
Dana Moore, president; Frances Burnett, secretary-treasurer, Room 701—Marilyn Terry, vice president; Patsy Hill, assistant sec.-treas.; Room 702—Cindy O'Neill, vice president; Josa Chron, assistant sec.-treas.; Room 703—Roland Murray, vice president; Jay Johnson, assistant sec.-treas.; Room 704—Darrell Johnson, vice president; Betty Tow, assistant sec.-treas.

6th Grade

The following students were elected officers of the sixth grade:
Gary Lovelace, president; Steve Skipper, secretary-treasurer, Room 601—Brenda Lindsey, vice president; Vic Struve, assistant sec.-treas.; Room 602—Lynn Phillips, vice president; Pam Pittman, assistant sec.-treas.; Room 603—Martha Hurt, vice president; Kathy Kerr, assistant sec.-treas.

Hale County clerk issued a marriage license to Ray Blanchard Smith and Miss Dorris Lee Stegall, both of Abernathy.

County Line Chit Chats

By MRS. A. H. KLAFKA

The home of Mr. and Mrs. Milton Tucker was partially destroyed by fire Tuesday morning. They lost most of the furnishings and personal belongings. The people of the community came through with their generosity, but they still need a lot of things.

Mr. and Mrs. Buford Conn and family spent Saturday in Lovington, N. M.

Mr. and Mrs. Esten Blackmon of Andrews spent the weekend with his parents, Mr. and Mrs. G. W. Blackmon and attended the football game at Tech Saturday night.

Mr. and Mrs. Marvin Floyd entertained the young married people's Sunday School Class in their home Friday evening. They enjoyed playing progressive 42.

Mr. Mathew Goodrich returned from Durant, Okla., Sunday evening, after a near two weeks stay with her mother who is ill.

Mr. and Mrs. Marvin Stephens and Becky and Rhonda Stephens had dinner with Mr. and Mrs. Marvin Floyd Sunday.

Mr. and Mrs. W. J. Presley and Eileen of Lovington, N. M., spent Saturday night and Sunday with Mr. and Mrs. R. D. Presley and Mr. and Mrs. Don Presley and children, and Mr. and Mrs. H. L. Gentry of Shallowater were Sunday visitors in the Presley home.

Mr. and Mrs. E. M. Crow went to Temple Saturday morning to be with her mother who is in the hospital.

Mr. and Mrs. Jimmy Rice of Tatum, N. M., Mr. and Mrs. Allen Rice of Lovington, N. M., Mrs. Opal Powell of Grady, N. M., Mrs. Hoyt Rice of Lubbock, Mr. and Mrs. Marion Rice of Lubbock, Mr. and Mrs. Buddie Rice, and Mr. and Mrs. Noble Rice were Sunday visitors in the home of Mr. and Mrs. C. S. Hudson.

Mr. and Mrs. A. H. Klafka and family spent the weekend in Ft. Worth with their daughter and family, the Glen Averys.

Mr. and Mrs. L. A. Jones went to Cloudcraft, N. M. Friday.

The County Line Club is to meet in the home of Mrs. H. L. Griffin for coffee Thursday morning, October 19.

H. L. Hunley, Ereell Givens and Douglas Chapman were in Ruidoso, N. M., last weekend for the annual Aspencade tour through the mountains.

Seniors Enjoy Weiner Roast

By LARRY FLORENCE
Class Reporter

Members of the AHS senior class enjoyed a hayride and weiner roast last Thursday night. The group left from the high school parking lot at 6:30 p. m. Transportation for the hayride and to and from the party was furnished by J. L. Irish. The party site was on the Billy Houston's farm a few miles south of Cotton Center. All the students and sponsors enjoyed the food and the fun.

The class members extend their thanks to Dianna Stevenson and John Kiker for arranging the food committee, and to the sponsors, Miss Helen Bennett, Mrs. Herbert Hardin, and Mr. Frank Simpson. Mr. Hardin also attended.

All had such an enjoyable time that it is suggested that we do it again sometime.

Mr. and Mrs. Darrell Stephens, Mr. and Mrs. Lloyd Edwards, Mr. and Mrs. Charles Ray Owens, Mr. and Mrs. Jim Ned Gragg and Mr. and Mrs. Buford Davenport were in Hobbs, N. M., last weekend where the women bowled in a tournament.

No one was injured Friday afternoon when cars driven by Mrs. Pete Wilson and Mickey Pettit collided in the south part of town.

WATCH IT! SCHOOL CHILDREN

Thousands of school children are now trooping to school throughout Texas. Many of them are being transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this year because a child or a motorist, or both, were careless at that very time.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed which is prudent, not exceeding ten miles per hour, and with due caution for the safety of such children.

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Familiar to all are the no-passing zones designated by yellow lines placed to one side of the center line of our highways. Not so well known are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking, when not engaged in passing another vehicle, one should not drive to the left of the roadway.

CONSULT COUNTY AGENT BEFORE BUILDING

If you are planning any new construction on your farm, you'll likely profit if you check with your county agricultural agent. He can tell you about the farm building plan service that is available from Texas A & M College and can show you what plans are available, says W. S. Allen, extension agricultural engineer.

The plans are for typical farm service buildings and homes which are recommended for the many different farm situations throughout Texas. The plans were developed over many years on the basis of research and field experience.

Agricultural engineers at Texas A & M say most farmers build no more than one building of any type during their lifetime. Therefore, reliable information is necessary to help plan and construct the most suitable building for any one specific purpose.

In selecting plans the entire farm operation and the probable use of other buildings must be carefully considered. Any building that does not permit the best use of labor and equipment, or that does not do the job for which it is needed, should be remodeled. Allen says. Consideration should be given to the flexibility and possible future needs when selecting a plan for a new building. Also, a visit to another farm where a building similar to that planned is in use would be time well spent.

A catalog of over 500 building and equipment plans is available from your county agent. He can advise on selection of the plan that will most nearly fit your needs. Plans can be obtained by the county extension agent free of charge.
