Missionary To Speak At Local Nazarene Church

REV. STANLEY P. STOREY
To Speak Here

Rev. Stanley P. Storey, returned Nazarene Missionary from Guatemala, Central America, will be speaking at the Nazarene Church of the Nazarene, Wednesday evening, January 31 to 7:30. Rev. Storey was assigned abroad in 1956 and has completed his first term of service. He is currently touring the Abilene District in the interest of the field that he represents. During the last five years Rev. Storey has been the director of a day school and pastor of the church at Santa Elena. He is active in the supervision of the construction of six Nazarene Chapels. During the service he will speak of the country, people, and spiritual and moral conditions in Guatemala. He will be showing colored slides of his work also.

Rev. Storey, a native of Lansing, Mich., earned two degrees at Pasadena College, Pasadena, Calif. He also attended the U. S. Navy Medical School at San Diego, Calif., studying general medicine. Rev. James H. Robertson, pastor, issued a special invitation to all Abernathians to hear this man.

Betty Johnson Ripped Cords For 89 Points In Two Games; Named Player Of The Week

Betty Johnson, scoring ace for the Abernathy girls basketball team, was named Player of the Week in this area in Class AA last week by the Plainview Daily Herald. She shared Class AA honors with Lavon Baughman, Lockney's high scoring boy.

Miss Johnson, a senior at AHS, dunked 89 points in two games last week, scoring 46 points against Olton Tuesday night and 43 against Lockney Friday night. These scoring outbursts were enough to give Abernathy two consecutive victories in District 2-AA, thus bringing Coach Pete Wilson's fans from the cellar to a 2-2 mark.

Miss Johnson started off with a bang this week also as she dunked 40 points here Tuesday night

against Morton. She connected on 18 field goals and added four free throws during the match.

Other Records
According to reports, Friday night was the first time in the past three years that Abernathy's boys varsity basketball unit has been beaten in a conference game. It was also stated that this is the first season in the past nine years that Abernathy's girls have been beaten by more than one team in the district race. They have been beaten by the same team twice, but never had they been beaten by teams from more than one school in the district in any given season during that period of time.

Sittons To Observe Golden Wedding Anniversary Sunday

Mr. and Mrs. John Franklin Sitton, Sr., will celebrate their Golden Wedding anniversary with an open house at their home, 703 Globe St., in Idalou Sunday, January 28, from 2:30 to 5:00 p.m.

Hosts for the occasion will be their three children and families. The children are Mrs. W. J. Land (Lois) of Houston, Frank, Jr., of Idalou and Mrs. C. W. Denison (Emily) of Brownfield. The couple has eight grandchildren.

The former Miss Vera Harlan and Frank Sitton were married January 28, 1912, at the bride's home near Avoca in Jones County, by Rev. J. E. Nicholson, pastor of Avoca Baptist Church.

Sitton was born in Nacogdoches County, October 17, 1879, and Mrs. Sitton was born in Clay County, Alabama, January 6, 1886. They came to the Plains in 1923, living for eight years in Floydada before moving to their farm near Petersburg, where they remained for

16 years. After retiring, the couple moved to Abernathy where they resided 13 years before moving to their present home in Idalou in October, 1959.

Both Mr. and Mrs. Sitton are long-time active members of the Baptist Church. Sitton is a deacon and has served as Church Clerk and Sunday School superintendent. Mrs. Sitton has been teacher of an adult Sunday School class for many years, presently serving as teacher of the Homemakers class in First Baptist Church, Idalou. Sitton also served as school trustee at Petersburg for eight years.

All friends and relatives are cordially invited to attend the celebration. The family has requested that no gifts be sent.

Junior High Teams Win Three, Lose One At Idalou

The local seventh and eighth grade boys and girls basketball teams traveled to Idalou Saturday and returned with three victories against one loss. Both eighth grade teams of AJH won district contests, while the local seventh grade girls won and the boys lost.

The local eighth grade boys captured a 21-19 victory; the eighth grade girls defeated Idalou 36-17; the seventh grade girls won 19-17; and the seventh grade boys went down in defeat 20-5.

Mike Tannehill and Larry Crowder led the local eighth grade boys to victory netting 6 points each. Lane Wade scored 5 points, Rondall Preston 3, and Jimmy Franklin 1. Ater was high for Idalou with 6.

Tommy Hunley and Bobby Vanroy led the local seventh grade boys' attack with 2 points each while Billy Rhodes added a free throw. Cannon was high for the winners with 6 points.

Cindy Wilson sacked up 11 points in leading the local eighth grade girls down victory lane. Marilyn Teaff contributed 7 points, Dottie Wynne had 6, and Jeraldine Evans 2.

The local seventh grade girls were paced by Sharon Albers' 10 points in their contest. Juanita Ward scored 4 points, Frances Burnett and Carolyn Barton had 2 points each, and Jane Thompson had 1.

Jay Johnson, son of School Superintendent and Mrs. Noel Johnson, sustained a chipped kneecap recently and is having to wear a cast on his left leg. The cast was put on Saturday at Medical Arts Center in Lubbock.

AUDIO VISUAL MEETING—Local school personnel pictured were among those present at a dinner meeting of Texas Tech's Education Class 538 at Graham's Restaurant last Wednesday night. Left to right in the photo are Jerry Adams, local vocational agriculture teacher and a member of said class; Gid B. Adkisson, Jr., principal of Abernathy Junior High School, a guest at the dinner meeting; and Howard Humphrey, class member and Audio-Visual instructor and coordinator for the Abernathy Schools.—(School Photo)

Riekens Observe 25th Wedding Anniversary

Mr. and Mrs. Tony Riekens, who reside south of New Deal, were honored on their 25th wedding anniversary at an open house conducted from 2 to 4 p.m. Sunday at their home.

They are the parents of Miss Jeri Lyn Riekens of the home.

Assisting the daughter with hostilities were Miss Virginia Greenhill, Mrs. Bob Greenhill, nieces of the couple; Mmes. Artie Greenhill, mother of Mrs. Riekens; W. A. Covey, Glen McKinney, R. C. Ellison, Harley Stanfield, Wayne Goodman, Elmer Cox, Ora McNeely and H. L. Greenhill, sister-in-law of Mrs. Riekens.

Mr. and Mrs. Riekens were married Jan. 24, 1937 in the home of his parents, the late Mr. and Mrs. Reiner Riekens Sr., northeast of New Deal.

The refreshment table was centered with a three-tiered decorated cake. White gladioli and silver candlesticks and silver appointments were used.

Local Junior High Teams Advance In Anton Meet

Both "A" and "E" units of the local eighth grade boys and girls basketball teams are currently playing in the Anton Junior High Tournament. The tourney is set to resume at 5 p.m. today (Thursday), with the final games being played Saturday. (No games in the tourney will be played Friday.)

Other teams in the tourney in addition to the four from Abernathy include those from Spade, Whiteface, Cotton Center and Anton in the girls bracket, and Whiteface, Spade and Anton's A and B eighth grade units in the boys bracket.

Locals Win
Coach Bobby Dyess' eighth grade B team downed Spade, 19-13, in first round competition Monday evening and will meet Anton's A team at 7 o'clock tonight. The local A team downed Anton's B unit, 31-14 Monday night, and gained a berth in the finals, set for 8 p.m. Saturday.

Abernathy's girls' B team, which Coach Shirley Oswalt composed of both seventh and eighth grade students, whipped Whiteface 25-16 Monday evening to advance in the winners bracket. They will play Spade, winner over Anton, at 6 p.m. today.

The local girls A unit will play their first game in the meet at 5 p.m. today against Cotton Center. Should they win that contest, they will play in the finals at 7 p.m. Saturday. Should they lose, they will play for consolation honors at 5 p.m. Saturday.

Bobby Faver led the local boys B unit, scoring 9 points. Terry Barton had 4 points, and Mike Pettit, Mike Johnson and Jerry Diekey had 2 points each.

The boys A team was paced by the 12-point output of Lane Wade. Larry Crowder made 5 points, Jimmy Barton, Mike Tannehill and Pat Hale 4 each, and Rondall Preston 2.

Jeraldine Evans led the girls B squad with 12 points. Jan Florence and Barbara Patterson added 6 points each and Mary Hernandez had one.

Freshmen And B Units Lose To Slaton Teams

The Abernathy freshmen and B team boys lost two games at Slaton Monday night. The local freshmen were defeated, 43-32, and the local B unit was downed, 58-46.

Abernathy's freshmen trailed 18-8, 32-14 and 37-20 at the quarters. Boyce Paxton was high scorer for the local lads with 12 points. Terry Turner scored 5, Steve Monk and Junior Vecchio 4 each, Vincente Vecchio 3, and John Reagan and Jake Malloy 2 each. Hatcher was high for Slaton with 12.

The local B team trailed all the way also, with Slaton ahead 12-7, 32-16 and 48-32 at the quarters.

Sammye Hunley ripped the cords for 22 points to pace the Antelope attack. Pat O'Neil made 8 points, Leon Johnson 6, Ronnie Wynne 5, Don Hughes 3, and Jerry Settle 2. Smith, of Slaton, took all scoring honors with 25 points.

These same teams will meet here Monday night, January 29, in the high school gym.

Freshmen Teams To Play In Double Header

The Abernathy freshmen boys and girls basketball teams will play in a Double Header at Idalou this weekend, Thursday and Saturday, January 25 and 27. Other freshmen teams in addition to Abernathy and Idalou will include those from Floydada and Crosbyton.

Following is a schedule of the games to be played:

Thursday
4:30 p.m.—Abernathy freshmen and "B" (combination) vs. Idalou (Girls).
5:30 p.m.—Idalou vs. Floydada (Boys).

1:15 p.m.—Idalou vs. Abernathy (Girls).
2:30 p.m.—Abernathy vs. Idalou (Boys).

Abernathy Teams Win Two Games Over Morton Here

Both AHS varsity basketball teams captured victories here Tuesday night, the local girls running past Morton 59-43, and the Antelopes whipping the Indians 65-47.

Betty Johnson led the local fems to their third district win meshing 40 points. Janie Brown contributed 9 points, Martha Struve had 6, and Denise Barker 4. Abernathy guards, Janice Adkisson, Elaine Bilbrey, Peggy Davis, Rita Evans, Gwyn Hendrix and Linda Jo Brezeal, all turned in fine, hustling performances. The home team led by quarters, 17-10, 31-17 and 44-31.

National Honor Society News

The Abernathy Chapter of the National Honor Society held a business meeting Monday, Jan. 22. Plans were made for the Feb. meeting. A panel discussion will be held on colleges. A banquet and picnic were also discussed to be held in the coming months.

Officers were elected for the new semester. They are: Tom Ritchey, president; Dianna Stevenson, vice president; Sue Suttle, secretary; Bobby Pettit, treasurer; and Sherry Wilson, reporter.

Members present were Gwyn Hendrix, Elaine Bilbrey, Dianna Stevenson, Sue Suttle, Mary Kay Berutti, Dee Ann Davidson, Mary Anna Williams, Joyce Spruiell, Betty Ann Sternell, Sherry Wilson, Tom Ritchey, Bobby Pettit, Gid Adkisson and Neil Davidson.

Local Teams Set To Travel To Floydada Friday

The Abernathy varsity basketball teams will journey to Floydada Friday night to begin the second round of play in District 2-AA.

Abernathy, Lockney and Floydada are tied for first place in the district race with 4-1 records. The Antelopes beat Floydada, Lockney beat Abernathy, and Floydada won over Lockney. The Muleshoe girls are out front, 5-0. Abernathy is 3-2.

Muleshoe Here
The Muleshoe teams will be here Tuesday night, January 30, for second-round games with the local varsity units. This will be the local varsity teams' last home game of the regular season.

Fellowship Of Christian Women To Meet Monday

The Fifth Monday meeting of the Fellowship of Christian Women is scheduled for 2:30 p.m. Monday, January 29, in the local Church of the Nazarene.

Ladies from all local churches are urged and invited to attend.

Local School Board Approves Professional Improvement Plan

The Abernathy School Board approved a Professional Improvement Plan as a new Board Policy early this month during their regular meeting. The Plan is to become effective with the fall term of the 1962-63 school year.

Following is a copy of the Professional Improvement And Salary Increment Plan, as approved by the Board:

Plan: Effective with the school year 1962-63 a local salary increment above the state minimum salary will be provided Abernathy teaching personnel, based on periodic college earnings as specified below.

Purpose: It is the purpose of this plan to encourage continuous professional growth on the part of the teaching staff and to reward those staff members who are willing and able to comply.

Requirements: (a) Periodic college earnings will not be mandatory except for local salary increment purposes.

(b) Non-degree personnel will not qualify for more than the state minimum.

(c) Holders of the bachelor's degree will be required to complete not less than six college hours or its approved equivalent each five-year period.

(d) Holders of the master's degree will be required to complete six college hours or its approved equivalent during each 10-year period.

(e) College hours are defined as credit from any course or combination of courses from any recognized college or university institution offering graduate work.

(f) Approved equivalent may be earned by conferences, workshops, group studies, and other cases where regular college credit is granted, including extension work.

(g) Correspondence work must be previously approved by the principal concerned and must not comprise more than one-half of the required periodic college earnings.

Payment Procedure: (a) Proof of earnings for pay purposes will be the burden of the professional recipient and will be based on a college transcript bearing the official seal of the college registrar.

(b) Adjustments in salary will be made only once per year (the beginning of the fall semester). Proof of adjustment for increment pay must reach the Business Office prior to September 29 of the year earnings are to commence.

Special Increment Amount: (a) It was explained that the 1962-63 increment amount will be determined in April of this year.

(b) The amount of increment under this plan for subsequent years will have to be reviewed each year by the School Board for the next school term.

(c) This increment automatically terminates in the event of a change in the current state minimum salary schedule.

Several local couples were guests at a social at the Roy Matthews home last Friday night. Mr. Dan Ward showed films of their Alaskan trip.

Cake, coffee and hot tea were served to the guests: Messrs. and Mmes. Lloyd Edwards, Donald Huffaker, Irvan Rhodes, J. D. Vineyard, Loren West, Frank Lovelace, Bob Riley, Millard Hancock, Horace Davis, Rocky Attebury, Dan Z. Ward, and L. L. Duckett.

Tech Class Visits Here

Seventeen students in the class of Dr. R. L. Davidson at Texas Tech were in Abernathy last Wednesday night. The group had a dinner meeting at Graham's Restaurant, and then toured the Abernathy School plant and evaluated the audio-visual program of the local schools as a final meeting of the graduate class in Education 538.

The class is composed of principals and other administrators from several schools in and around Lubbock. Those from Abernathy taking the course are Noel Johnson, school superintendent; Howard Humphrey, audio-visual instructor and coordinator; and Jerry Adams, vocational agriculture instructor.

Special guests at the dinner meeting were local school principals and the business manager, Earl Carter.

TALK - In Print

Dedicating a lifetime to fighting county bond proposals would be of questionable value to anyone. Those people in Plainview who know, or care, probably think that I have made such a dedication.

I have opposed Hale County bond issues in the past when it seemed in the best interest of the taxpayers to take that course. Until I know more of the facts and details on the bond proposal that is soon to be offered the voters of the county, I'll neither oppose nor support it in this column.

It is possible that this may be one bond issue that I can support. Hale County may need a fair plant, coliseum and agricultural offices. Farmers would be the principal beneficiaries of such a plant, and it might help the county as a whole.

Farmers are the principal taxpayers of the county and a bond issue would hit them the hardest. So if they think the county needs it I'll go along with them.

(At presstime, we learned that the bond election, for \$995,000, has been set for February 10.)

Abernathy Riding Club is seeking a permanent "home" with enough acreage to build a plant for horse shows, rodeos, calf roping and other such activities.

The Riding Club membership may not want the airport section four miles east of town has plenty of room for their plant.

The Riding Club is an asset to the community. It has brought crowds to town the past three years with the horse shows. The club adds color to our parades, and represents the community at various activities in towns and cities over the South Plains and Panhandle.

If the Riding Club found the airport section site agreeable, the City Council should consider letting them locate there. The plant would be good for the community, and would augment and enhance the recreational facilities already located on the section.

Negotiations for a site also would have to be made with Lamar McKenzie, who is farming much of the section under lease from the city.

Any agreement that the city might make with the Riding Club would have to be reviewed by the FAA or CAB, due to location of the airport on the section.

A "political crackpot." I suppose, is a person whose political views differ from those held by the one making such a charge.

Two prominent Hale County men announced as candidates for state offices last week. Marshall Formby made his formal announcement for governor in a speech at McAllen. Meade F. Griffin is seeking re-election to his post of Associate Justice of the Supreme Court of Texas. Formby resides in Plainview, and Justice Griffin maintains his legal residence there.

Later this year a telephone system that is designed to improve service of the fire department will be installed here. It has been approved by the city council. The system will include a telephone hook-up in homes of ten volunteer firemen. When a fire is reported by telephone, the ten telephones will ring simultaneously. Each of the ten firemen (or their wives) then will call another member of the department who is not hooked up to the new system.

A telephone company representative is to explain the new system at a Lions Club meeting, said City Manager Paul Noland.

The Kennedy administration drew the noose a little tighter around the farmer's neck last week. A cabinet-level committee called for extension to farm workers of union bargaining rights, minimum wage and unemployment insurance.

Antelopes Downed, 70-68, By Lockney; Girls Win, 58-56

Two points was the difference in the scores of both boys and girls games here last Friday night when the local teams played host to Lockney. Both games were thrillers all the way, as the Abernathy girls won, 58-56, and the home town boys were handed their first district defeat, 70-68, in an overtime affair.

Going into the boys contest, the Abernathy and Lockney teams were tied for first place in District 2-AA with 3-0 records. The two teams were as closely matched as the scores, with each team taking the lead several times during the contest but neither team led by more than five points at any time during the game.

Both teams were "hot" on the court, as they ripped the cords with above-average percentages. The Antelopes hit 47 percent of their field goal attempts the first half and 45 percent the second half for an overall game average of 46 percent.

Abernathy held a one-point lead, 15-14, at the end of the first quarter, and led 33-31 at halftime. With three minutes gone in the third quarter, Lockney took the lead,

37-35, and held onto a narrow lead throughout the remainder of the quarter to be ahead 48-45 going into the final quarter.

The Antelopes regained the lead with 3½ minutes gone in the final quarter. Lockney scored again, leading 54-53, then Pope sank one of his brilliant jump shots and Davis followed with one of his own to give Abernathy a 3-point margin. Lockney scored again, then Florence hit a hook shot, was fouled in the process, and added a free throw.

With 2:40 left in the quarter, Florence sank another free toss to give the Antelopes a five-point lead, 61-56. Lockney and Florence swapped baskets, then the visitors added two consecutive field goals. Florence was fouled and made both free throws to make the score 65-62. Lockney scored again, then with 15 seconds remaining, Kiker was fouled. He missed the first toss, then made the second one. Trailing 66-64, Lockney worked the ball downcourt and with about three seconds to go Ronnie Kidd fired a jump shot which tied the score and forced the game into an overtime battle.

During the three-minute overtime both teams played conservative ball. Smith tipped the ball to Pope on the jump and seconds later Florence sank a hook shot. A minute later Lockney scored, again tying the score. With 45 seconds remaining on the clock, Lockney called time out then came back in and worked the ball around until only a few seconds

were left. Then Kidd took the ball and hit a long jump shot which put the Longhorns ahead, 70-68. Abernathy barely had time to get the ball to mid-court before the final buzzer sounded.

Larry Florence led the Antelope attack with 24 points, and Eddie Davis added 17. Lockney was paced by Ronnie Kidd and Lavon Baughman with 23 points each.

Girls Win

The local girls were trailing 13-12 after the first eight minutes of play, but surged ahead, 30-26, by halftime. The visitors went ahead, 36-35, with 1:20 left in the third quarter. The local girls seemed to get a little rattled and Lockney pushed to a 44-38 third quarter bulge.

The Abernathy girls held on until mid-way in the final stanza and then began a surge of scoring that pulled them closer and closer to the opponents. With Lockney leading 52-46, Janie Brown hit a set shot from 20 feet out, then seconds later Betty Johnson connected on a jump shot. Two free tosses by Brown brought Abernathy within one point of the visitors, then Johnson hit another

News About Men In Service

Charles K. Powell, 26, son of Mrs. Ella E. Noble, Abernathy, recently was promoted to specialist four at Fort Bliss, Texas, where he is a member of the 30th Artillery.

Specialist Powell, who is assigned to the artillery's 2nd Missile Battalion, entered the Army in July 1960 and completed basic training at Fort Hood.

He attended Paul H. Hewitt High School in Omaha, Texas, and worked for the Electrified Water Co. in Dallas, prior to entering the Army.

His father, Charles E. Powell, lives on Route 1, Haworth, Okla.

JOY PRESIDES IN AMARILLO COURT DURING LAST WEEK

Judge James A. Joy, Plainview, of the 64th Judicial District, presided in 47th District Court at Amarillo for Judge Gene Jordan.

Judge Joy accepted Judge Jordan's invitation to preside in the Amarillo court when a heavy case load at Canyon necessitated the Amarillo Judge's presiding there last week.

Joy was appointed by Gov. Price in 1958 and served until August 1961 to complete the unexpired term of H. M. LaFont who resigned. Joy is seeking election to the post.

More than 625,000 Boy Scouts spent a week in Scout Camps during 1961.

Maudie Davis Returns To TRC

Maudie Davis, daughter of Mr. and Mrs. Otis Davis was admitted to the Texas Rehabilitation Center of Gonzales Warm Springs Foundation on January 15.

At the Center, she will have a program of rehabilitation treatments prescribed for her by the medical director, a specialist in physical medicine and rehabilitation.

The medical program at TRC is made up of physical therapy, occupational therapy, clinical psychology, speech therapy, 24-hour rehabilitation nursing, and recreational therapy. These are prescribed as needed for the individual patient.

In rehabilitation at the Center, the entire person is considered. Church services are offered, there is a school for children, and entertainment programs are held regularly. The goal is maximum rehabilitation—physically, socially, and emotionally—so the person can live and work to the best of his abilities.

TRC is a non-profit, non-sectarian hospital which assures needed care to Texans of all ages who have been disabled by many kinds of accidents and diseases. About 55 percent of the operating budget must come from contributions of Texas citizens.

Elbert Harp Is Named Chairman Of LATF By FGC

Elbert Harp, local farmer and secretary-treasurer of the Grain Sorghum Producers Association, has been named by the U. S. Feed Grains Council as Chairman of its Latin American Task Force, to implement grain market development activity there.

Harp, a Hale County grain sorghum farmer from Abernathy, along with W. R. Pearce, assistant vice president of Cargill, Inc., Minneapolis, and Roy Neeley, grain marketing specialist of Foreign Agricultural Service of USDA, will be in Central America and Columbia January 10 through early February for this purpose. It is expected that the producer-grain trade-government team will recommend to the Council and the U. S. Department of Agriculture, potentials for further expansion of markets for grain sorghum and other U. S. feed grains, and suggest programs for realizing the potentials.

Harp, Association officer since 1955, has specialized in the Latin American aspects of the Association's research, market development and service programs, and traveled extensively in Latin America in 1960, reporting to trade and government groups on similar matters.

The Students of the Week, chosen by the faculty at AHS and sponsored by the AHS National Honor Society, this week are as follows:
Senior—Ben Templeton.
Junior—Gid B. Adkisson III
Sophomore—Janie Brown
Freshman—J. Frank Jackson
 Ben is the son of Mr. and Mrs. R. F. Templeton. He was born in Granbury, Texas. He has been living in Abernathy for the past two and one-half years. Ben's father is the manager of a grain storage warehouse in Lubbock.
 Ben was a member of the varsity football squad this past season. After graduation he plans to attend the University of Texas and study medicine. Sports he likes to play, other than football, are golf and tennis.
 Gid was born January 1, 1945, in Lubbock, and has lived here all his life. He is the son of Mr. and Mrs. Gid B. Adkisson, Jr. His father is the principal of the local Junior High School and a farmer.
 He is a member of the National Honor Society, the Student Council and the Antelope Band. Gid is also president of the Junior Class. He likes to play tennis and build and fly model airplanes.
 Janie is the daughter of Mr. and Mrs. Jack Brown. She was born September 3, 1945, in Lubbock, and has lived here all of her life. Her father works at the Tucco Power Plant.
 Janie is a forward on the girls varsity basketball squad this year, head twirler in the Band, and is a member of the Student Council and the local FHA Chapter.
 She plans to attend college after graduation. During the summer she likes swimming and water skiing.
 J. Frank is the son of Mr. and Mrs. Jack F. Jackson. He was born April 7, 1947, in Plainview. His father is a farmer. He has lived here for 8 years.
 J. Frank plays football, basketball and is a member of the band. He was Historian of his 8th grade graduating class. He also likes tennis, track, swimming and building model automobiles. He wants to major in Engineering in college after graduation from high school.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, TEX. — Substantial progress has been made by the Legislators toward enactment of Gov. Price Daniel's program.

Lawmakers seeking re-election this spring are diligently at work. They want to be home by the filing deadline, Feb. 5.

LOANS: House of Representatives sent a much-amended loan regulatory bill to the Senate. Bill would set up tight supervision over those who lend in amounts less than \$1,500. Exceptions are banks, credit unions, savings and loan associations and various kinds of cooperative credit groups.

Those exempt from the regulatory law would be limited to 10 percent interest per year. All loans over \$1,500 would likewise be held to 10 percent.

House bill allows a 3 percent per month charge on loans under \$100—2½ percent on the part of the loan from \$100 to \$200—2 percent on \$200 to \$500—and 10 percent on the part of the loan between \$500 and \$1,500.

When interest allowed on a loan over \$20 is less than \$4, the lender can charge \$4 in lieu of interest.

RURAL ROADS—Senate passed the proposal by Sen. Neveille Colson of Navasota to cut the spending on farm-to-market road construction-improvement by \$17,500,000 a year. This amount will be used for construction of secondary and primary highways.

A House rural bloc on the Agriculture Committee favored a smaller reduction. They preferred a ten year graduated cut—to reach the goal set by Governor Daniel, Texas Farm Bureau, the County Judge and Commissioners Association and the Texas Good Roads Association.

TOURISM: Large crowds turned out for the Senate and House committee meeting on these bills: (1) to appropriate \$300,000 for advertising for tourists; (2) for expansion of the juvenile parole system; (3) and for repairs to the San Jacinto Monument.

Opposition came largely from advertising people who felt the Highway Department isn't the proper supervisor of an advertising program.

ATTORNEY GENERAL'S RACE BEGINS—Former Secretary of State Tom Reavley of Austin was the first candidate for Attorney General to pay the \$1,000 filing fee at State Democratic Executive Committee headquarters.

This is Reavley's first statewide race. The former Nacogdoches County Attorney was appointed Secretary of State in 1955. He now practices law in Austin.

Wagoner Carr of Lubbock, two-term Speaker of the House of Representatives, already has announced as a candidate.

Although Carr lost the 1960 race to Will Wilson, he polled a half million votes.

The Lubbock lawyer says his platform has one basic plank, "strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted."

Les Proctor of Austin, who resigned his office as District Attorney is expected to make a strong bid for the Attorney General's job.

Proctor won prominence as prosecuting attorney during the veterans land scandals.

Rep. Tom James of Dallas, the fourth announced candidate for Attorney General, is busy with legislative duties.

"TOURISTS" READY TO TRAVEL—Formation of the Texas Tourist Council became official at a luncheon here which honored state representatives. Council urged appropriation of \$300,000 for out-of-state advertising.

Tourist Council elected as its president James Gaines of San Antonio. Vice-presidents are Glenn Alexander of Corpus Christi, Everett Fulgham of Lubbock, Ed Leach of Galveston, Charlie Meek-

er of Dallas, T. P. Newhall of Greenville, John Ben Sheppard of Odessa and John Simpson of Austin, Ed St. John of Austin was elected secretary.

Speaker James A. Thurman told the 500 luncheon guests that the old joke "it is easier to pick a tourist than a bale of cotton" is about to go stale. He said Texas must lead the rest of the nation know what it has to offer.

TEXAS CALLED BOOK DESERT—University of Texas Chancellor Dr. Harry Ransom told members of the Texas Commission on Higher Education that the State of Texas is laboring under the label of "the book desert of the United States."

Dr. Ransom made the statement in support of a plea from Dr. F. L. McDonald, President of Lamar State College of Technology, for a more realistic appropriation recommendation for libraries in Texas' 19 state colleges.

Reappointed to the State Board of Examiners for Teacher Education were: Dr. Glenn Barnett of the University of Texas; Mrs. Kate Bell of Houston Public Schools; Dr. Arvin N. Donner of the University of Houston; Dr. Frank Hubert of Texas A&M; Dr. Herbert LaGrone of Texas Christian University; Mr. Emmett D. Smith of West Texas State College, and Mrs. Florence Vaughn of Tyler Public Schools.

The Board also appointed a 16-member Junior College Study Commission on Budget Procedures and Reporting. This to comply with a bill for appropriations to public junior colleges passed in the summer session of the 57th Legislature.

Short Snorts

Assistant Attorney General Boh Eria Shannon of Brownwood has been appointed Chief of the Attorney General's Insurance, Banking and Securities Division.

Atty. Gen. Will Wilson won a judgement recovering more than \$423,000 for the State in a suit alleging fraudulent sale of land in Kinney County to the Veterans Land Board.

Agriculture Commissioner John White predicted that the growth of the European "Common Market" will have a major effect on Texas farm economy. He said Texans will export some 25 percent of their \$800 million cotton crop this year.

Accreditation standards was a much-discussed topic when 1,200 Texas school administrators met here last week.

Lawrence Carter sold lots 8 and 9, block 92, on Ave. F at 9th Street in Abernathy, to C. C. Stinson.

4-H Club News

The Abernathy Community 4-H Club is to hold a meeting at 7:30 tonight (Thursday) in the city hall club room.

New officers for the club were recently elected and are as follows:

Steve Johnson, president; Benny Lobstein, boy vice president; Karen McClendon, girl vice president; Lonnie Bartlett, reporter; Richard Montgomery, treasurer; and Rosetta Wilson, secretary.

The new officers attended a training meeting for all 4-H Club officers at Hale Center January 13.

Anyone interested in becoming a member of the 4-H Club is invited to be present at tonight's meeting, accompanied by a parent. Enrollment cards will be filled out by those interested.

Lonnie Bartlett, Reporter

L. Q. Oswalt sold the west 160 acres of the north 440 acres of Section 18, Block R, Hale County, to Billy Taylor.

Mrs. Roy Parsons sold her farm northeast of Abernathy to A. L. Stone, Jr. The farm has 292.85 acres.

Harvey Lutrick bought the 200-acre Jim H. Nunn farm about a mile and one-half north of Tucco.

Abernathy Music Club Holds Meet

The Abernathy Music Club met in the City Hall Club Room January 16 with 13 members and one guest attending. The program for the evening was "The Thrifty Thirties."

The first number on the program was a piano solo, "Josephine," by Mrs. Dean Sterling. Mrs. John Hale and Mrs. Charles Wilson sang a duet, "When My Dream Boat Comes Home." A piano duet "Three O'clock In The Morning" was presented by Mrs. John L. Harral and Mrs. Lawrence Carter. A duet "Harbor Lights" was sung by Mrs. Marion Carlton and Mrs. W. C. Clement, Jr.

Miss Alma Ruth Patterson played an accordion solo, "Sunrise Serenade." The program was concluded after the group joined in singing some favorites of that decade.

The next meeting will be Thursday, February 15, when the club will go to Lubbock to see the musical production, "Music Man." The group will meet at 6:45 at the City Hall.

Mrs. Willie Florence was admitted to Methodist Hospital, Sunday, for examination and treatment. Also, she may undergo surgery.

MARRIES

Tommy Leon Conner, son of Mr. and Mrs. Thomas Conner, 3705 East 4th St., Lubbock, formerly of Abernathy, was united in marriage January 9 with Miss Marla Jo Wright. The bride is the daughter of Mr. and Mrs. Joe Ed Wright, 2306 Boston, Lubbock.

Dorothy Alexander, S. W. Royal, Jr., Mrs. Joe Tom Brown, C. W. Lambert, Bill Jack Ingram and R. M. Carter, were among those called on a petit jury panel in 64th District Court, Plainview, Monday.

The John Paul Johnson family of Big Spring visited his mother, Mrs. A. N. Johnson, and his brother, Noel, and family here last week.

Hale 4-H'ers Enter Stock In Amarillo Project Show

Hale County 4-H'ers exhibited twenty-two steers, seven barrows and sixteen lambs at the Amarillo Stock Show, according to Payton Scott, Assistant County Agent.

The Amarillo Stock Show is the first of the winter and spring shows for Hale 4-H'ers to exhibit their livestock. The Stock Show and Rodeo will be held January 29, through the 25. Steers and lambs were judged at 9:00 a.m. January 22, barrow judging was at 8:00 a.m. January 23.

4-H steer exhibitors from the county include, Burt and Richard Montgomery and Benny Lobstein, Abernathy.

Barrow exhibitors include, Jim Johnson and Benny Lobstein of Abernathy.

Hale County 4-H members will exhibit livestock in many of the major shows in Texas. Livestock has been entered in Fort Worth, Houston, San Antonio and El Paso. Only barrows and lambs have been entered in the San Antonio and El Paso Stock Shows. Steers will be exhibited at many major shows over the state, the Lubbock Stock Show and the Plainview Fat Stock Show are of primary concern. It seems that the youthful exhibitors had rather show and compete for championship honors at home. The competition will be keen at the Plainview Stock Show the latter part of March.

INCOME TAX FAX

Employers, Internal Revenue Service has a reminder for you—Employees should receive two copies of a Withholding Statement, Form W-2, on or before Wednesday, January 31, 1962.

John J. Sloan, administrative officer, of the Internal Revenue Service at Lubbock, said, "This statement shows the total wages paid and the income tax and social security tax withheld if any, during the calendar year 1961."

Total wages shown on an employee's W-2 must include amounts received as sick pay from his employer, even though no tax has been withheld on such sick pay. Sick pay is not required to be shown separately.

If it becomes necessary to correct a W-2 after it has been given to an employee, a revised statement must be issued and marked "corrected by employer."

Hale County Bank Account Up \$102,238 At Year-End

Hale County entered the new year with \$777,630.43 in the till. County Treasurer W. J. B. Gouldy pointed out that the figure represents an increase of \$102,238.16 over the county's bank account as of December 31, 1960. In addition, the county goes into 1962 with a reduction of \$54,000 in outstanding bonds and warrants which, Gouldy pointed out, amounts to a net gain in assets of \$156,238.16.

Gouldy has the figures on the various funds for the four precincts on record in his office for lateral and farm to market roads, as well as those for the various other funds for financing the county's operation.

The general road and bridge fund showed no account, but the county general fund was \$153,906.48. The Highway 87 fund amounted to \$154,783, special road and bridge interest and sinking fund \$94,919.61, courthouse and jail \$6,510, payroll \$1,000 and road bond interest and sinking \$51,149.48, which are some of the larger shares of the total.

The total outstanding county debt at the year's start was \$1,015,350, which observers say is

quite modest for a county of Hale's wealth and operations. Gouldy said it will take \$124,923.75 to service the debt this year, \$95,000 on the principal and \$29,923.75 for payment of interest.

The largest item of county indebtedness is \$520,000 in special road bonds voted in 1955. The \$295,000 road and bridge refunding bonds and \$159,000 in U. S. Highway 87 warrants make up the heavy side of the debt.

Joe Yeager returned last week from a business trip to Chicago. Jess Mc Masters and his brother, M. H., of Lubbock visited their mother in Henrietta early this week.

AMERICAN HERITAGE PROGRAM

Significant American scenes were shown in a presentation of colored slides by Don C. Hughes, independent geologist and furniture store owner from Amarillo, at the January meeting of the Plains American Heritage Program in Plainview.

Complete with taped narration and musical background, the slides were shown in two series, "America the Beautiful" and "This Is My Country." The New England countryside, the bustling business district of Chicago and the hilly streets of San Francisco's Chinatown were included in the variety of scenes in the 35 minute presentation.

Mr. and Mrs. Hughes spent the month of October in New England taking the colorful pictures of the countryside, historic sites and the other picturesque places which were incorporated into the series stressing Americanism. Photography has been Hughes' hobby since a boy, says his wife, and at last count the couple has made over 135,000 feet of movie film as well as innumerable slides.

In a brief business session Dr. John G. Chapman, director of the Plains American Heritage Program coordinated by Wayland Baptist College where he is head of the history department, reminded those present of the March 15 deadline for selecting finalists in the poster, essay and project contests in the schools. Winners will be recognized at the annual Awards Banquet April 10 as part of the observance of American Heritage Week April 9-14.

Next meeting of the group will be February 12 at 6:30 p.m. Place as to be announced later.

Present at the January meeting were 36 area school personnel representing Kress, Dimmitt, Lockney, Petersburg, Cotton Center, Hale Center, Abernathy and Plainview.

The general road and bridge fund showed no account, but the county general fund was \$153,906.48. The Highway 87 fund amounted to \$154,783, special road and bridge interest and sinking fund \$94,919.61, courthouse and jail \$6,510, payroll \$1,000 and road bond interest and sinking \$51,149.48, which are some of the larger shares of the total.

The total outstanding county debt at the year's start was \$1,015,350, which observers say is

Mrs. Patterson Resigns As Hale County HD Agent

Mrs. Roy S. Patterson has resigned as Hale County Home Demonstration agent.

Mrs. Patterson has resigned to go into partnership with her husband in part-ownership and operation of what was formerly the La Cafenoir which, under the Pattersons' management, will be Pattersons Restaurant.

Mrs. Patterson became Hale County home demonstration agent in July of 1956, coming here from Brownfield where she held a similar post in Lamb County.

She leaves the Extension Service after eight and one-half years in home demonstration work. "My only reason for leaving this very enjoyable field is to go into partnership in business with my husband," Mrs. Patterson declared. "I have found home demonstration work most enjoyable and deeply rewarding in personal satisfaction, especially in Hale County," Mrs. Patterson said.

"I feel that this county has accomplished a world of good through its Extension Service work, especially with the youth, and I know bigger and better accomplishments lie ahead."

Gena Brazeale, assistant home demonstration agent, will have charge of the office until an agent is selected.

News From The First Baptist Church

February 11-18 is the week set for Revival at First Baptist Church in Abernathy with their pastor, Boyce Evans preaching. A guest singer, Eddie Nicholson and organist is coming to help with the music.

Sweetheart Banquet
 The annual Sweetheart Banquet has been set for February 8. Tickets will go sale very soon. Watch for the announcement!

Evangelistic Conference
 A group of local members of the First Baptist Church left Monday, January 22, to attend an Evangelistic Conference in Dallas. Those attending were Mr. and Mrs. Lon-

nie Brownlow, Mr. and Mrs. Ralph Davis, Mr. and Mrs. Leland Phillips and Rev. and Mrs. Boyce Evans. The group returned home Wednesday.

Wednesday Nights
 The Wednesday night response has been tremendous. The family meal began the first night with 72 present; the second Wednesday night there were 88 present; then last Wednesday night there were 108 in attendance. We all take our hats off to the kitchen staff. Their work and concern have put this program over wonderfully.

Ski Trip
 The Ski trip to Cloudercroft, N. M., last weekend was a big success according to those attending. Approximately 100 people in 15 cars made the trip. All returned safely and well except for a few sore muscles and red eyes. We wish to thank the adults who took their cars and those who helped to make the trip possible.

Attendance Records
 The attendance records last Sunday were: Sunday School, 358; Training Union, 143. The attendance records are down; thus your presence at these meetings is solicited as you are invited and urged to attend.

MISSIONS COMMITTEE REPORT
 Work is well underway at First Baptist Church's Latin American mission site. The ground is being prepared and plans are being accepted for the building. We trust in the next few days, the sound of hammers will announce the beginning of construction. The committee has also been in the process of looking for a pastor for this mission endeavor. On Sunday night, Jan. 28, they will bring a young man before our church who is being considered for this work. Much of the building will be erected with volunteer labor.

Seventy-five percent of all West Point graduates were Boy Scouts.

TALK

(Continued From Page 1)

Don't kid him too much, fellows. If you were in his native Yankee-land you might ask a question about mining that sounded as funny as "what is a steer?"

Prediction: If U. S. Senator Ralph Yarborough decides to run for the Texas Governorship, he'll win.

Would General Edwin A. Walker seek Yarborough's seat in the Senate?

Another prediction: The new U. S. Representative from San Antonio, Henry B. Gonzalez, eventually will return to run for Governor of Texas, and win.

He made the race in the '50s and garnered near a quarter-million votes.

Mr. Jones Goes to Washington! Don Jones was on a five-day expense paid trip to Washington, D. C., a prize he won in a Young Democrats membership drive in Lubbock. A son of Mr. and Mrs. Ward Jones, Don is a student at Texas Tech. He was graduated from Abernathy High School, and is a former Review staffman.

Don flew to Washington last weekend. He attended the \$100-a-plate National Democratic Party anniversary dinner in the nation's capital Saturday night. President John F. Kennedy was the principal speaker at the dinner.

When Don came to work for The Review in November, 1956, he was a freshman in high school. His ambition then was to become a lawyer and to go into politics.

Don was with us only a short time when we discovered in him the potential for a successful journalistic career. It was then that our efforts to divert him from politics to journalism began. Our efforts were augmented by the West Texas Press Association, which gave Don a scholarship when he finished high school.

Don entered Tech and worked part time at the Tech Press. Taking a holiday from college, he worked for several months on the Tulsa Herald, then returned to The Review, leaving us last summer and returning to Tech in September. Currently, he is working part time at Dennis Brothers printers in Lubbock.

Through the years that Don was here, we thought he had conservative leanings in his political thinking. It was a surprise to us when he started getting publicity in the Lubbock Avalanche-Journal in connection with the Young Democrats organization. We challenged him on this recently when he visited us on a coffee break. He considers himself neither conservative nor liberal, but politically a "Modern."

Bypassing the law field, Don wants to go directly into politics when he finishes college.

Left-wing liberals are running scared. The resurgence of conservative thinking and action over the Nation is driving them crazy. The John Birch Society figures in

their nightmares, and the mere mention of the names Tom Anderson and General Edwin Walker makes them turn pale. Closer home, there are some who worry about J. Evetts Haley, the Canyon historian, Wes Izzard of the Amarillo newspaper and the conservative leader who lives in Lubbock, Dr. Charles Finley.

Middle-of-the-road, rather than extreme left or right, is the course most beneficial to the Nation. Should it come to the point where a choice of extremes had to be made, I'd rather be with the John Birch Society than with the ultra liberal Americans For Democratic Action. I'd choose Magazine Editor Tom Anderson rather than columnist Drew Pearson. I would take General Walker over some of the people who are serving as advisers to President Kennedy, and J. Evetts Haley and Izzard instead of Frankie Randolph and her liberal DOT editor, Ronnie Dugger.

H. M. Baggary, the Tulia editor, could be accused of being a fraction left of center. Or, it may be that I am so far right of center that I think he is left of center. Mr. Baggary took issue with an Amarillo editor who used the words "extreme liberal" along with DOT, Democrats of Texas.

All members of the DOT may not be "extreme" or "liberal." THE TEXAS OBSERVER, a newspaper owned by Frankie Randolph, leader of the DOT, and edited by Ronnie Dugger, reads like an "extreme liberal" publication. I have some old copies on file. If you doubt that the DOT official newspaper is "extreme liberal" you are welcome to come by and read the file. They are old copies, because I have been removed from their mailing list.

Since the time that Lyndon Johnson was elected U. S. Senator by 87 votes over my candidate, Coke Stevenson, I have found but few things on which I could agree with him. One of these few is the way he smashed the DOT in the Texas Demo convention held in 1960 ahead of the National Demo meet in Los Angeles. Thanks to Johnson's action, the DOT hasn't been the same since that convention was held.

Some of the textbooks proposed

for use in Texas schools have been challenged by J. Evetts Haley and his "Texans For America" group. This action brought down upon them the wrath of the liberals.

I approve of this group's efforts in challenging some of the textbooks. Left-wingers, with great subtlety, attempt to include their ideology in public school textbooks. Haley should be praised, rather than condemned, for his work.

It happened last week in a Connecticut high school: A senior student wrote in the school newspaper that "Patriotism has outlived its usefulness and it is necessary to replace loyalty to the nation with an even higher loyalty, loyalty to the world." Apparently, the One-Worlders really got to her. Was it through their school textbooks?

The Texas House of Representatives is doing some investigating

of its own concerning public school textbooks. A five-man committee was appointed to examine contents of some of the controversial textbooks.

J. Evetts Haley has been the whipping boy of many Texas newspapers for his part in firing three Texas Tech professors a few years ago. He was a member of the Tech board at that time. Major complaint of most papers was the way in which the board fired them. The papers may have a point there. The board, I believe, was justified in firing the professors.

J. Evetts Haley must be A-O-K, because so many radical left-wingers hate him. It is possible that some of the people who dislike him are neither radical nor left-wingers.

Sugar Beet Legislation

Mr. Davenport:
Perhaps this article would be of interest to you and your readers. You may want to add or delete from the article, please feel free to do so. Since Abernathy has a local sugar beet organization, you may want to delete the last paragraph. Although we do have members in the Abernathy area, anything you might do will be appreciated. Thank you.
Don Paul Hegl,
Petersburg, Texas

Sugar Beet Legislation
Someone once said "Anything that is worth having, is worth fighting for." Sugar beets can mean a great deal to both farmers and business men of Hale County; but, if we are to have them we must fight for them. Developments in the past few months have been encouraging; however, if we let slip our efforts now we will stop short of our needed goal.

Indications are that sugar legislation will come up early this year in Congress. The voices of the people have a decided effect on our representatives in Washington. D. C. Our elected officials desire to know the wishes of the voters of their districts. We have the obligation to always let our representatives know our thoughts on all things. Government of, by, and for the people is the foundation of our nation.

You are asked to help. The Hale County Sugar Beet Growers Ass'n. appeals to all business men and farmers to sit down today and write letters to President Kennedy, Secretary of Agriculture Freeman, Senators Ralph Yarborough and John Tower, and Congressman George Mahon. Anyone acquainted with Congressmen or other states is especially urged to write them. A short letter asking for increased domestic sugar production and favorable legislation for new grower areas is sufficient. Since domestic, including Hawaii and Puerto Rico, production of sugar amounts to only 55 percent of the total amount consumed in the U. S., we do not feel we are being unreasonable in asking for a larger domestic production.

Farmers not belonging to the Hale County Sugar Beet Growers Association are urged to join by contacting Ronald Tullis, Secretary, HCSEGA, Star Route, Hale Center, Texas. The ten dollar annual dues is used to defray expenses in working for favorable legislation. This is a job for All of us. Ten dollars is a small amount when sugar beets could mean millions of dollars a year to the economy of Hale County.

Don Paul Hegl, President Hale County Sugar Beet Growers Association.
TO SHOW STEER AT FORT WORTH
Robert Montgomery of Abernathy will have one junior show Hereford steer in competition at the 1962 Southwestern Exposition and Fat Stock Show in Fort Worth, Jan. 26 through Feb. 4, officials have reported.

June Speer entered St. Mary's Hospital in Lubbock Saturday afternoon. She was to receive treatment for a "whip-lash" neck she received when involved in a car-truck collision at the corner of 14th St. and Avenue H in Abernathy recently, it was reported.
Gene Numm has entered contract to buy the Pete Wilson residence at 911 First Street in Abernathy.

Beet Growers Elect Officers

Officers and directors of the Hale County Sugar Beet Growers Association were elected recently, and the annual dues reduced from \$25 to \$10.

Ernest Sammann, retiring president reported on activities of the year. Contacts were made by representatives of the association with members of the Congress on legislation. A group was in attendance at a hearing in Denver when the USDA was seeking data on whether to establish grower acreage quotas, and another at a conference at Hereford and other missions.

The association's balance will permit operation for a while on lesser dues the members determined, feeling that if more were needed the members would respond.

Officers cannot succeed themselves. Don Hegl of Petersburg was elected president, Billy Sylvester, vice president, and Ronald Tullis, secretary-treasurer.

Directors are Wesley Masters, in place of his father, Everett Masters, of Hale Center; Joe Barton of Abernathy, re-elected; Ray Bradshaw of Cotton Center, replacing J. Morris Thomas.

Six other directors carry over, three being elected each year for three-year terms.

January 31 Deadline For Grain Loans

Farmers have until January 31, 1962, to cover their grains and a number of other 1961 crops under the price-support program, John B. Martin, office manager, Hale County Agricultural Stabilization and Conservation Service Office said January 4, 1962. For wheat, compliance with the individual farm allotment is required in order to be eligible for price support on the crop.

The 1961 crops for which January 31 is the deadline for obtaining loans or purchase agreements include wheat, barley, oats, grain sorghum, rye, corn, soybeans and dry edible beans.

The manager reminds growers that good storage, which must first be approved by the County ASC Committee, is a requisite for obtaining a price-support loan on any farm-stored crop. While the farmer himself is responsible for storing a crop covered by a purchase agreement, the condition and quality of the crop will be a determining factor in the amount of the support he receives should he decide to deliver his crop under the support program at the end of the season.

three being elected each year for three-year terms.

INCOME TAX FAX

CHECK AND DOUBLE CHECK

Every year there's a decrease in the number of errors discovered in federal income tax returns, Ellis Campbell, Jr., District Director of Internal Revenue for the Dallas District said.

But, he added, many mistakes continue to pop up, sometimes in the oddest places, in individual income tax returns.

"I'm not advocating any particular method of checking or re-checking a return," the IRS representative declared.

"I would suggest, though, that the return be checked immediately on completion, put aside for

two or three days, and then re-checked.

Frequently taxpayers find an error which didn't show up at first look.

"By beginning now to prepare their returns," he added, "taxpayers will be able to give themselves a breathing spell in which to take an objective look at their work. For many, it may be a worthwhile saving; for us, it should make for better and more efficient processing."

Youngster: "Five cents' worth of castor oil please."

Druggist: "The tasteless kind, I presume?"

Youngster: "No, sir; its for father."

1962 FEED GRAIN SIGN-UP PERIOD SET

Producers who wish to comply with the 1962 feed grain program will sign up between February 5 and March 30, report C. H. Bates, extension farm management specialist.

Provisions of the 1962 program are very similar to those for 1961. One change is that idle and fallow land for the years 1959 and 1960 will be considered in the soil conserving base for farms. This will give less flexibility in the use of land diverted from feed grains, explains Bates.

Payment rates for diverted acre will be in line with those for 1961 because support prices for feed grains have been set at identical levels. The rates are again based on the normal production of the farm times the county support rate. The minimum acreage reduction (from the 1959-60 base) is 20 percent, which will earn a payment based on 50 percent of the local support price. For diversion of between 20 and 40 percent the payment will be figured at 60 percent of the local support price.

Barley, which was not included in last year's program because of late passage of legislation, is included in the 1962 program. A producer having barley plus grain sorghum or corn can participate in barley reduction independent of the other crops. If he wishes to comply on barley alone, however, he must stay within his 1959-60 base on corn and grain sorghum if he wants to receive price supports. On the other hand, if he wishes to comply on the corn and grain sorghum he must not exceed his base acreage for barley.

Cooperating farmers will be eligible for price supports on their 1962 crops of corn, grain sorghum, barley, oats and rye, subject to the base yield limitations, Bates continues. Also, they are permitted to draw one-half of their total diversion payment at the time of their sign-up.

Non-cooperating producers will not be eligible for price supports on feed grains, but they will receive the market price for them. Since no acreage will be diverted they will not receive payment for any additional conservation use.

Grain producers should study carefully their individual alternatives in these programs. Decisions should rest on the estimated outcome for each operator, based on the goals he is seeking, says Bates.

Producers having questions about the effects of varying levels of compliance on their 1962 operations should contact their local County ASCS office manager or their local county agent.

The past year wasn't what cotton growers in many Texas counties would classify as a good one, but for the state as a whole, lint yields were the second highest on record, 348 pounds an acre. Fred Elliott, extension cotton specialist, in highlights from his 1961 annual report said the 7-Step Cotton Committees, working on all levels, continued to be a major factor in the progress made by the producers of the state's most important crop.
