VOLUME 41 — HALE COUNTY — ABERNATHY, TEXAS — LUBBOCK COUNTY

THURSDAY, FEBRUARY 1, 1962

NUMBER 13

Joe L. Cox Announces For 64th District Judge

Joe L. Cox, Plainview Attorney, has announced as a candidate for Democratic nomination as District Judge of the 64th Judicial District, composed of Castro, Hale and Swisher Counties.

Cox, 41, is a graduate of Plainview High School and Wayland College, attended Texas Tech and graduated from the University of Texas Law School.

He practiced law in Plainview until his election as Hale County Attorney in 1949, he was re-elected as County Attorney twice before being elected District Attorney of the 64th Judicial District. Cox served two terms as District Attorney. He did not seek re-election at the end of his second term, and has been active in the practice of law in Plainview since that time.

In 1961, when the vacancy occurred by the resignation of the District Judge, Cox was unanimously recommended for appointment as District Judge at a meeting of the 64th District Bar Association.

In making his announcement, Cox said:

"I am well aware of the importance of the office I seek and I feel that my training and experience makes me well qualified to serve the people of this District as their Judge. If elected I will devote my full time and energy to fulfilling the office to the best of my ability."

Bowling News

A-1 Lanes has set the dates for a Bowler of the Month contest. The contest is to begin February 5 and will continue through May 26, according to Jimmy Herring, manager.

Four winners will be announced each month—the high handicap series in both men's and women's Class A and B.

See their ad on page 5 of this paper or ask at the desk at A-1 Lanes for details.

OBSERVE ANNIVERSARY—Mr. and Mrs. John Franklin Sifton Sr., pictured above, observed their Golden Wedding Anniversary Sunday, January 28, at an open house in their home in Idalou. The Siftons resided in Abernathy for 13 years before moving to Idalou in 1949.

AHS Girls To Play In The H-SU Tourny This Weekend

Coach Pete Wilson's varsity girls' basketball team of AHS will play in the 11th annual Hardin-Simmons University High School Girls Invitational Basketball Tournament in Abilene this weekend.

The tournament is slated to begin today (Thursday), and will be played in Rose Field House on the H-SU campus.

Other outstanding high schools girls teams in the tourney include Winters, Leuders, Duncanville, Jim Ned, Forsan, Avoca, Hawley, and Coleman, in the upper bracket, and Paint Creek, Hamlin, Bula, Anson, Trent, Old Glory and Benjamin, all in the lower bracket with Abernathy.

Abernathy will play Benjamin at 8:45 tonight. If the local fems win, they will play the winner of the Trent-Old Glory game at 5 p.m. Friday. Should they lose their first contest, they will play the loser of the above game at 10 a.m. Friday.

If the local lasses win their first two games, their third contest will be played at 12:15 Saturday afternoon. If they lose their first game and win the second, their third game will be played at 9:45 Saturday morning.

The consolation game is set for 6 p.m. Saturday; third place will be decided at 7:15; and the championship game is slated for 8:30 p.m.

Coach Wilson's team will go into the tourney with a season record of 19 wins against 7 losses.

Reid Chevrolet Observe 25th Anniversary

On Friday and Saturday, February 9 and 10, Reid Chevrolet will observe its twenty-fifth year in business in Abernathy. Friends and customers of the firm are invited to come in on those dates and visit.

Refreshments will be served during the visiting hours. Each visitor is asked to register.

At 4 p.m. Saturday, February 10, a drawing for gifts will be held. The lady whose name is drawn will receive a five-piece silver tea service, and the lucky man will be given fifty silver dollars.

Reid Chevrolet wishes to thank its friends for the business relationships it has enjoyed these 25 years.

Full details of the celebration, and a historical review of Reid Chevrolet's twenty-five years of progress and service to car owners of Abernathy area will be published in next week's issue of The Review. See their ad on another page of this paper.

Rites Are Held Here Monday For Julia Arnold

Funeral services for Mrs. Julia Arnold, 209 39th St., Lubbock, were held at 2 p.m. Monday in the Abernathy Church of Christ. Officiating was Clyde O. Freeman, minister, assisted by Bob Hoover, minister of Vandalia Village Church of Christ, Lubbock.

Burial was in Abernathy Cemetery.

Mrs. Arnold died at 4:30 a.m. Friday in Porter Clinic-Hospital, Lubbock, following a brief illness. She had lived in Lubbock five years, moving there from County Line.

She made her home with a son, L. E. Arnold.

Two Men Caught Burglarizing Police Car

Two young Latin American men, one from Petersburg and one from Abernathy, were apprehended here Sunday night after burglarizing the City Police car.

City policeman, John Marsh, had taken a prisoner to eat at Charlotte's Cafe in North Abernathy. While in the cafe, a boy at the front of the building yelled to Marsh that some boys were taking a rifle out of the police car. Marsh ran out and stopped the two young men as they were attempting to drive away. Both men were arrested at that time, and were transferred to Plainview Monday.

Marsh stated that the two will be tried in District Court in Plainview for felony.

TALK - In Print

"It's all wrong," said Ted Wayne Watts of the news reports that he had won a free trip to Ireland for shooting a hole-in-one in golf. The pro with whom he was matched gets the trip to Ireland and Ted Wayne is to receive a set of luggage in the deal.

Note to the Santa Fe: It's February! In February the past two years railroad freight cars have piled up in derailments at Alley Switch, six miles north of Abernathy. Both wrecks happened at about six o'clock in the morning.

The wreck in 1960, on Feb. 13, resulted in loss of two lives. In a freak accident during clean-up operations at the wreck scene that afternoon, two Santa Fe officials from Amarillo were killed.

The wreck on Feb. 12, 1961, did not claim any lives.

Welcome home, Dale.

Dale Powell returned home this week from Fort Polk, La., where he had been on Army duty since about Oct. 24, last year. He was one of several Abernathy boys caught in the call for former Army men, reservists and National Guard members to return to duty.

A son of Mr. and Mrs. Bryant V. Powell, Dale already had done his Army stint, with duty in Europe included. Dale's wife, Donna, and their young son remained in Abernathy while he was at Fort Polk. Mrs. Powell is owner of Alice's Beauty Salon south of the bowling alley. Dale was employed in the paint and body shop at Reid Chevrolet before going to Polk.

Ted Watts is advertising a windmill and tower in The Review want-ads this week. Is there a demand for this kind of equipment?

Abernathy welcomes a new resident, Mrs. Minnie Cochennet, who has moved here from Phillips, near Borger. She is a sister of C. W. Snodgrass, Mrs. Cochennet temporarily is at home with the Snodgrass family until she gets possession of a residence which she bought from Mr. and Mrs. A. D. Helms on 15th St. Mr. and Mrs. Helms will move to their new house on West 15th when finishing work is completed.

We appreciate efforts of two Abernathy churches in providing news for church columns. We would like for other churches to send in their news each week by 5:30 p.m. Mondays.

Before the widespread use of church bulletins and letters, local churches depended on The Review for publicizing their activities. The arrangement was mutually beneficial to the churches and newspaper.

The Review cannot take the place of church bulletins and letters. It can augment them by publicizing the work of churches that has a general news value to the membership and the community as a whole.

Pastors and ministers of the various churches are urged to cooperate in turning in the news or having church secretaries or some of the members do it for them. The Review is in the market for good, live news.

Reading early-day files of The Review, we noticed the large number of local items about people "visiting in Lubbock," or Plainview. That is not news now, but trips beyond a 50 or 75-mile radius are news.

These short local items about people in hospitals, trips, out-of-town visitors in homes here, families moving in, out, or within the community, and other activities that can be covered in from two to six lines of type, help make a country weekly newspaper interesting.

It is impossible for our staff to learn about all these activities each week. Call us, or write a card, when you have this, or any other news. Don't assume that we already know about it, because many times we don't.

The E. A. Houstons and a number of other Abernathians spent the weekend recently in Ruidoso, N. M., and tried out the new ski slopes.

Hale County Ag Center \$995,000 Bond Election Scheduled For Feb. 10th

(From the Plainview Herald)

A \$995,000 bond issue for a coliseum and agriculture center will be presented to Hale County voters on February 10.

The Commissioners Court in session Jan. 22 in response to a petition bearing more than 800 signatures called the bond election. Such a project has long been under consideration for the county.

The proposed center would provide facilities for agriculture activities like livestock shows, cotton carnivals and gatherings, large and small, in three huge structures. Adjoining those buildings would be the coliseum with a seating capacity of 4,000 and an arena to accommodate rodeos, sports and other entertainment events.

Office Space Included

A building adjoining the coliseum would provide office space for various agriculture departments—Extension Service offices, the ASC, Soil Conservation District, Farm Home Administration, District Noxious Weed Control and possibly others.

Leaders of various county organizations, working in interest of the center, point out that Hale County is practically without a place to hold its annual livestock shows and fairs. A Plainview firm has provided the facilities for the annual cotton carnival which attracts one of the largest attendances of any agriculture events in this area. The old Dairy Show barns in Plainview are in a state of decay.

The proposed agriculture center would be located outside the southwest Plainview city limit with access to U. S. Highway 87. The site has not been obtained, leaders say, but state the general location as between the Plainview city limits and the proposed U. S. 87 loop.

Conditions Not Definite

County Judge C. L. Abernethy pointed out that conditions of sale of the bond issue, if it is approved, have not been definitely determined. Judge Abernethy furnished data on the basis of a 22-year maturity period for the \$995,000 issue at 3.5 percent.

"No figures have been definitely arrived at and will not be until we know the bond issue is approved," Judge Abernethy emphasized, "but the maturity term of the bonds will not be more than 25 years and the interest rate will not be more than 5 percent."

Using the 22-year maturity period and 3.5 percent rate, Abernethy said that over the 22 years the average annual payment on interest and principal would be \$84,701.79.

Property Valuations

The increase in property valuations that would be required to retire the bonds has not been definitely determined, but that information will be official in a few months, the county judge said. He pointed out that the possible increase had been figured, but that the figures were based through error on a total assessed valuation below what the present valuation is. If the issue is approved

8th Grade Girls Win Anton Jr. High Tourny; Boys 2nd

Abernathy's eighth grade girls basketball team, coached by Miss Shirley Oswalt, won the championship trophy in the Anton Junior High Tournament last weekend.

The local "A" team unit defeated Condon Center Thursday night, 33-19, to gain a berth in the finals. Cindy Wilson pitched in 19 points in leading the local fems to victory. Dottie Wynne contributed 8 points and Marilyn Teaff had 6. Abernathy led at the quarters, 8-7, 17-7 and 28-11.

In Saturday night's finals Abernathy's "A" unit ran past the Spade "A" team to the tune of 29-8. The local girls held quarter leads of 6-1, 15-3 and 21-7.

Cindy Wilson paced the Abernathy girls with 15 points. Jeraldine Evans scored 5 points, Marilyn Teaff 4, Barbara Patterson 3, and Jan Florence 2.

Spade had used Abernathy's B team as a stepping stone to the finals. In the Thursday night contest Spade downed the local B squad, 14-11.

Jeraldine Evans was high scorer for the local girls with 5 points. Barbara Patterson scored 4 points and Barbara Patterson 2.

Boys Take Second

Abernathy's eighth grade boys "A" unit went down in defeat in the championship finals of the tourney Saturday night, losing to Anton's "A" squad, 31-14. The local lads had beaten Anton's B unit Monday night by the same score, 31-14, to gain a championship berth.

Lane Wade led the local boys' offensive attack with 6 points. Ronald Preston and Pat Hale scored 4 points each to finish out the scoring. Others seeing service were Larry Crowder, Dennis Brivette, Bobby Faver, Jerry Dickey, Harry Overstreet, Jimmy Franklin and Mike Tannehill. Couch

Whiteface won consolation honors in the boys bracket by downing Anton's B squad.

Home Demonstration Club To Sponsor Forty-Two Party

The Abernathy Home Demonstration Club has planned a 42 party which will be open to the public. The 42 party is set for 7 p.m. Monday, February 5, and will be conducted in Abernathy city hall club room.

Admission to the 42 party will be \$1.00 per couple, it was announced. Everyone is urged to make plans now to attend.

MOTHER DIES

Mrs. C. E. Faubion, 83, of Spicewood, the mother of Mrs. Ray Pinson of Abernathy, died Jan. 20, in a hospital at Burnet. Funeral rites were held Jan. 22, at Marble Falls, and burial was in the Spicewood Cemetery.

Ray Childress was on jury duty in Hale County Court in Plainview this week.

A-1C Dale Matejowsky, stationed at Goodfellow AFB, San Angelo, visited his parents, Mr. and Mrs. Elmo Matejowsky, here last weekend.

Local Units Split Wins With Muleshoe

Abernathy's basketball teams split two games with Muleshoe here Tuesday night in second-round action in District 2-AA. The local boys ran up their highest score of the season in defeating the Mules, 94-57, while the local girls were beaten by an eight-point margin, 51-43.

The Antelopes trailed, 15-13, after the first eight minutes of play after leading until the last minute of that stanza. The lead changed hands three times during the second quarter with the Antelopes emerging at halftime with a one-point lead, 39-38.

Coach Wayne Preston's Antelopes tightened their defense and sharpened their offense the second half as they poured in 26 and 29 points, respectively in the third and fourth quarters. Abernathy took a commanding third quarter lead, 65-50, and the hustling home town lads then put up a defensive struggle during the final quarter which allowed the visitors only seven points.

Had he been driving an automobile, Antelope forward Mike Miller could have been charged with reckless driving. The 6-foot

junior lad, who played in only three quarters, gracefully weaved through the defense as he drove for the basket on numerous occasions—enough to dunk 11 field goals and add nine free throws for a whopping 31 points.

Larry Florence played a fine floor game, and scored well on hook shots and his "right-sided" jump shot, canning 27 points. Junior forward Eddie Davis hit five jump shots, most of them from the side, to also be in double figures with 19 points.

John Kiker and Robert Pope handled themselves well as they set the stage from out front, and both lads played major roles in the Antelopes' defensive attack.

William Smith played probably his finest defensive game of the season, bringing down 19 rebounds. He contributed 9 points in the offensive portion of the game. Smith and Kiker fouled out late in the game.

Wayne Malone and Dick Allison led the Mules with 12 and 10 points, in that order.

Girls Lose

The Abernathy girls gave the district-leading Mulettes a run for their money, but could not contain the high-riding visitors.

The local fems trailed throughout the contest, but never by more than 10 points. The visitors held quarter leads of 16-10, 29-26 and 43-35.

Betty Johnson, who was forced to attempt several shots from a distance outside the keyhole with usually more than one defensive guard all over her, managed to connect on eight field goals and added 10 free pitches for a 26-point total. Donna Webb contributed 12 points and Janie Brown 5 to the Abernathy scoring attack.

Guard Janice Adkisson, Elaine Bilbrey, Peggy Davis and Gwyn Hendrix played their hearts out

defensively, and did a fine job of ball handling. But their all-out playing was not enough to control, but did hamper, the experienced, well-balanced scoring attack of Mary Wedal, Ira Lea-Inman, and Trudy Davis, who scored 22, 18 and 11 points respectively.

Olton Next Tuesday

The Abernathy teams will travel to Olton Tuesday night, February 6, for second-round games. The local units previously won district titles over the Olton teams here. The boys won, 74-46, and the girls took a 57-42 victory.

News From The Methodist Church

Official Board Meeting

If there is a member of our Official Board in your home please call this article to your attention. Our February meeting of the Board is to be called to order, following the evening service, Sunday, Feb. 4.

Bible Study Film

The Young Married People's Class has been enjoying a Bible Study Film, based on the Life of Paul. The fifth picture in this series is to be shown following the 7:00 p.m. service, Sunday, Feb. 4, in the Banquet Room, at Graham's Restaurant. You are invited to attend.

Junior Girls and Boys

This is a special notice to all girls and boys of the Junior Department, in our Sunday School. You are invited to share in a special program, beginning at 6 p.m. Sunday, Feb. 4, and continuing for several weeks, at the same hour, each Sunday. This is your annual additional session study and is to begin with a road film.

Our Library

Our Church Library is rapidly becoming stocked with fine books, some are biographical, some are humorous, some deal with arts and crafts, many are inspirational, some are helps for Bible Study, some are children's books, some are for young people, some deal with etiquette; one being a special book of etiquette for the bride. You can find a book on almost any subject.

Many of our people are using the Library and you are invited to join them. Books may be checked out for two weeks at a time but should be returned when due. They may be re-checked if desired. Use this fine library, it can be of great benefit to you.

BIRTHS

Mr. and Mrs. Billy Castner are parents of a son born Jan. 22. He weighed 7 pounds 4 ounces.

A daughter, weighing 5 pounds 9 1/2 ounces, was born Jan. 23, to Mr. and Mrs. Joe Manzales.

Abernathy Medical Clinic reported the following births:

An 8-pound 14-ounce son was born Jan. 25, to Mr. and Mrs. Martin Garcia of Hale Center.

Mr. and Mrs. Paul Loza of Hale Center are parents of a daughter born Jan. 26. She weighed 6 pounds 1 ounce, and was named Lulu.

TO CONVENTION

Representing Abernathy Co-op Gins at the Cooperative Convention in Houston Monday and Tuesday will be Messrs. and Mrs. Lee Roy Waters, B. A. McDougal, Billie Harrison, Clayton Enger, Ralph Davis, Lonnie Brownlow and Leland Phillips.

The group plans to leave here Saturday for Houston.

Need an ambulance? 298-2331.

Rites Are Held For Mrs. W. H. Rogers

Funeral services for Mrs. W. H. Rogers, 75, longtime Hale County resident, were held at 2:30 p.m. Friday in the First Baptist Church chapel in Plainview.

Dr. Roy McClung, pastor, officiated. Burial was in the Plainview Cemetery.

Mrs. Rogers died Wednesday, Jan. 24, at a rest home in Panhandle following a long illness.

She was born in Chickasha, Okla. She was the former Miss Mae Hall. She was married in 1905 to W. H. Rogers. He died in 1941.

Rogers farmed in the Happy Union community South of Plainview several years. The couple moved to Hale County in 1912. Mrs. Rogers resided in Abernathy nine years until about three years ago.

A survivor is a brother, Sam Hall, Wewoka, Okla.

Norbert Goebel Dies At Evant; Rites Held Here

Funeral services for Norbert N. Goebel, 69, were held at 2 p.m. Monday at the Methodist Church here, with the Rev. H. B. Coggin, pastor, officiating.

A former resident of Abernathy for 30 years, Goebel died Friday at Evant, where he lived.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home.

Survivors include his wife; a daughter, Mrs. Jean Lutrick, Dell City; two sisters, Miss Elizabeth Goebel, Abernathy, and Mrs. Vernon Smith, Petersburg; a brother, A. E. Goebel, Abernathy; and two grandchildren.

Jimmy Bruce visited his mother in Mena, Ark., last weekend.

H. L. Bridges has moved to 609 15th Street.

CANDIDATE COMMITTEE SET UP BY HALE GOPs

A Republican candidate committee has been set up for Hale County.

Purpose of the committee, Bob Castberry, Hale County GOP Committee chairman, explained is to accept applications of candidates for places on the ballot in the Republican primary.

Chairman of the committee is E. E. Terry. Other members are Tom Locke, John Curry, Mrs. R. Q. Silverhorne and Mrs. McKinley Howell.

Castberry said plans are to hold GOP elections in each Hale County voting precinct. If the plan materializes it will be the first time for Hale County Republicans to have the opportunity to ballot at GOP polls.

Date of the first GOP primary is May 5, same as the first Democratic primary.

Terry pointed out that February 5 is the deadline for filing for places on the ballot.

Kellis Dibrell and W. O. Hayes oppose each other on the GOP ballot for lieutenant governor of Texas.

GOP candidates may file applications in the office of Craig Silverhorne in the Skaggs Building, Plainview, or with any member of the committee.

Applications Being Taken For Stock Show Princesses

Applications for the 1962 Princess Contest to be held as a highlight of the South Plains Junior Fat Stock Show were mailed recently to county agents and vocational agriculture teachers in 29 counties.

The Princess Contest is slated for 10 a.m. March 17 in the Merchants Building on the Panhandle South Plains Fairgrounds, Raymond King, fat stock show general chairman, said.

The stock show will be held March 19, 20 and 21 on the fairgrounds.

Two girls are chosen as princesses, one representing the area's 4-H Clubs and the other representing the Future Farmers of America Chapters.

To enter, a girl must be single, at least 14-years old and be sponsored by either a FFA Chapter or 4-H Club. The sponsoring organization must have at least one member entering an animal in the stock show, but the girl contestant is not allowed to enter any animals in competition or in the sale.

The Two Princesses will receive a \$200 western outfit, including boots, a shirt, trousers and a hat, which they will wear during the fat stock show events.

The girls will present awards to winners and help with the stock show publicity.

In 1961, almost 600,000 children in Texas public schools participated in the national school lunch and milk programs. They drank approximately 174,000,000 half-pints of milk during the 12-month period.

Hale 4-H'ers Share Awards For Livestock

Lanny Savage, Hale County 4-H Club member, exhibited the champion fine wool lamb at the Amarillo Fat Stock Show last week. Lanny's entry was judged first in the fine wool class.

Savage showed the second place crossbred lamb.

Lennis Gregg won third in the light Southdown class. Earl White 2nd in the light Southdowns and Monty Gregg 3rd in the fine wool. Carey and Steve Gross were other Hale lads exhibiting lambs.

Johnny McGarr, Plainview, took third cash award in the Angus division as Hale exhibitors claimed a share of the awards in the hot competition.

Other winners in the beef classes from Hale were Richard Montgomery, Abernathy, 6th heavy Hereford; Burt Montgomery 9th heavy Hereford; Benny Lobstein, Abernathy, 8th heavy Hereford; and 10th medium Hereford;

Janice Huffine, Hale Center, 6th light Hereford; Eddie Huffine, Hale Center, 8th light Hereford; Charles Church, Halfway, 9th medium Hereford; and Bill Wiese, Petersburg, 10th heavy Hereford.

Wheeler County 4-H exhibitors took both the grand and reserve champion beef banners.

The Hale County 4-H livestock judging team is competing at the Amarillo show. Members are Rudolph Baumgardner, Earl White, Larry Karrh and Oran Harkleroad.

Ollie Liner, Hale County agriculture agent, was coach of the team. Liner also acted as one of the judges in the collegiate livestock judging contest at the Amarillo show.

Mrs. Wayne Burns accompanied her niece, Mary Alice Hill, and other Tech students on a ski trip to Ruidoso last week.

Miss Lloyd, Mr. Fred Marry

PETERSBURG—Miss Sue Lloyd, daughter of Mrs. Modena Lloyd, and L. C. Fred, son of Mr. and Mrs. N. J. Fred, were united in marriage at 7 p.m. Saturday, Jan. 20, in First Baptist Church. The Rev. Russell Foye read the double ring ceremony.

The bride, given in marriage by Tommy Byrd, wore a wedding gown of imported tulle over satin, designed with a yoke of Alencon lace, which extended over the shoulder to form brief cap sleeves. A circular hand grace the front of the skirt. Scattered lace appliques held the shirred tulle that formed the chapel train. A fingertip veil of French illusion was caught to a tiered crown of pearls dotted with sequins. White butterfly roses encircled gardenias to form the crescent shaped bridal bouquet.

Mrs. Bill John Hegi served as matron of honor. Bridesmaids were Mrs. J. D. Adams, Miss Carolyn Curry and Mrs. Jerry Steward of Lubbock, sister of the bridegroom. They wore matching dresses of royal blue slipper satin with bell-shaped over-skirts, below-elbow length sleeves and scoop necklines. Royal blue satin gloves and royal patent shoes accented the ensembles. They carried cascade bouquets of white gladioli.

M. H. Fred of Kress, served his brother as best man. Groomsman were Johnny Featherston, Lubbock, and Jimmy Byrd and Eldon Briggs, who also served as usher. Candelighters were Miss Marilyn Fred, Kress, niece of the bridegroom, and Mike Fred of Kress, Flower girl was Roxie Ann Fry of Petersburg. Monte Malone, nephew of the bridegroom, was ring bearer.

Miss Kaye Biggers, organist, presented traditional wedding music and accompanied Miss Linda Ellerd, soloist.

A reception followed the ceremony in the church dining hall. The house party included Miss Ann Speer, Miss Marjion Alford, Miss Mabel Short, Mrs. Charlie Ellerd, Miss Jan Miller, and Mrs. Mabel Scott.

For a wedding trip to Austin, the bride traveled in a beige linen brocade suit with tapestry shoes and bag. The corsage from her bridal bouquet accented the ensemble.

The bride is a mid-term graduate of Petersburg High School. Her husband attended Petersburg High School and is now engaged in farming.

Premuptial party honored the bride in the home of Mrs. Tommy Byrd when Mmes. Bill John Hegi, J. D. Adams, Lloyd Goldston, Warren Castleberry, Jim Belt, James Curry, Henry Scarborough, Cran Pittman, H. G. Timms, Haskell Miller, H. W. Mahagan, O. S. Bristow, Byrd, and Miss Carolyn Curry gave her a shower. Two electric appliances were presented as the hostess gift.

ENTERS H-SU
Mr. and Mrs. Freddie Apperson and daughter are moving to Abilene, where he has enrolled at Hardin-Simmons University. Mrs. Apperson is to be employed at the Chevrolet dealership in Abilene.

The Paul Noland family plans to move to the Apperson house at 811 4th Street.

C. F. Phillips was admitted to Methodist Hospital, Lubbock, early last week.

Mrs. Wayne Burns visited relatives in Fort Worth over the week end and attended the Fat Stock Show.

GRADE SCHOOL HONOR ROLL

Jerry Moorhead, Elementary School principal, released the following list of students making the Third Six Weeks Honor Roll:

First Grade
Johnny Mungia, Estela Ponciano, Mandi Mendez, Richard Hernandez, Danny Barrera, Ramon Lara, Patricia Schuur, Cindy Teaff, Karen Murray, Phillip McClendon, Maria Lupe Hernandez, Juan Castellon, Earl Gilliland, Alvaro Letija, Delora Thomas, Kent Snodgrass, Carolyn Rhodes, Johnny Watkins, Patricia Runnels, Kelly Hindman, Theresa Davis, Nancy Henderson, Roger Phillips and Dickie Overstreet.

Second Grade
Kathy Irish, Bobby Rogers, Linda Villegas, Kay Barton, Lane Harrison, Cecilia Hardin, Diane Harbin, Peggy Payne, Elaine Carter, Morris Wilkes, Brent Newton, Susan Montgomery, Paula Conn, Debbie Murray, Cindy Oswalt, Mike Nelson and Darryl Brightbill.

Third Grade
Barbara Williams, Valerie Dees, Teresa Hobbog, Mark Harrison, Scott McDonald, Susie Adkisson, Clinton Reeves, Cathy Wilson, Cathy Bryant, Felicia Macha, Reta Settle, Virginia Bartlett, J. A. Spruiell, Jim Forbes, Felipe Soto, Mike Kerr, Tonda Johnson, Chris Wolf, Mona Wright, Mark Reagan, Carol Connell and Rodney Huffaker.

Fourth Grade
Martha Humphill, Nancy Sanders, Marilyn Barton, Janet Wade, Sally Collins, Terri Sinclair, Beth Goheen, Karen McClendon, Sandra Furgerson, Jeanene Crowder, Laura Davidson, Cindy Dunn, Randy Springer, Mary Rantz, Valeria Cortez, Sharon Amerson, Anita Johnston, Joy Hall, Linda Pearce and Twyla West.

Fifth Grade
Lucy Villegas, Donna Huffaker, Jim Johnson, Mack Rogers, Nick Patterson, Patsy Lambert, Annette Adkisson, Kay Jones, Gerry Rogers, Delphina Valdez, Smitty Covey, Marilee Echols, Roxce Walker, Glenn Hammond, Phillip Jackson, Gerre Guarrant, Patty Davis, Gary Smith and Steve Patterson.

Southwest Conference schools won five of seven basketball games played with Big Eight members this season. Against Southeastern Conference teams the mark is 14-8 in the Southwest's favor.

Junior High Teams Enter Tournament At Hale Center

The Abernathy eighth grade boys and girls teams are entered in the Hale Center Junior High Tournament set for February 8, 9 and 10.

The local girls will contest the Olton girls at 7 p.m. Thursday, Feb. 8. Other girls teams in the tourney include: Hale Center vs. Idalou, 1 p.m. Thursday; Cotton Center vs. Petersburg, 3 p.m. Thursday; and Floydada vs. Kress, 5 p.m. Thursday.

Should the Abernathy girls win their first contest, they will play the winner of the Floydada-Kress tilt at 7 p.m. Friday. Should they lose their first game, they will play the loser of the above game at 5 p.m. Friday.

The consolation game in the girls bracket will be played at 3 p.m. Saturday. Third place is set for 5 p.m., and the championship game will be played at 7 p.m.

Boys' Bracket
The local eighth grade boys will play Olton at 8 p.m. Thursday (immediately following the local girls' game). Other boys' teams are: Hale Center vs. Idalou, 2 p.m. Thursday; Cotton Center vs. Petersburg, 4 p.m. Thursday; and Floydada vs. Kress, 6 p.m. Thursday.

If the local lads win over Olton they will play the winner of the Floydada-Kress game at 8 p.m. Friday. Should they lose their first match, they will play the loser of the above game at 6 p.m. Friday.

Consolation final in the boys bracket is set for 4 p.m. Saturday; third place is slated for 6 p.m. Saturday; and the championship game will be played at 8 p.m. Saturday.

1961 Accomplishments Of Hale County Noxious Weed Control District Reported

The Hale County Noxious Weed Control District was organized in January 1958 as the first weed control district in Texas as authorized by a legislative house bill. The district's primary objective since that date has been the control of field bindweed on farm land, county roads, railroads and highway rights-of-ways in Hale County. The district furnished application equipment and an equipment operator for the chemical treatment of bindweed without charge to Hale County farmers, commissioners court, railroads, and the State Highway Department.

The district's annual report indicates that the following work was accomplished during 1961: Weed District equipment applied soil sterilizing chemicals valued at more than \$60,000.00 to 644 acres of bindweed infestation on 454 Hale County farms. The treated acreage was broken down as follows: Highway rights-of-ways, 109 acres; county roads, 93.4 acres; railroads, 12.5 acres; and farm land 429.3 acres. Since 1953 the weed district has treated 1969 acres of bindweed infestation in Hale County.

Other weed district projects during 1961 included joint research with State experiment stations on preemergence, postemergence, and lateral oiling for weed control in cotton and the effect of flame cultivation on bindweed. A program for harvest machinery inspection was sponsored by the district during the year to prevent the introduction and spread of noxious weeds in transit harvest machinery. A total of 22 news releases concerning weed district operations and projects were published in area newspapers and farm magazines. Weed district personnel participated in presenting programs at the county, state and southern weed control conferences during 1961.

The district supervisor, Archie Martin, states that equipment and personnel for Hale County's "war on bindweed" will again be available in 1962 through the weed control district program.

Fifteen Bands Enter Festival At Hale Center

Fifteen high school and junior high school bands have tentatively entered Hale Center's Fourth Annual Band Festival, scheduled for February 15, according to reports. At least a dozen of the 15 bands are expected to participate in the festival, sponsored annually by the Hale Center Chamber of Commerce and Agricultural Development Board and the Hale Center Band Boosters.

Tentative entries in the high school division include Levelland, Seagraves, Ralls, Idalou, Sudan, Ropesville, Wilson, Olton and Hale Center.

Tentative junior high entries include Abernathy, Lockney, Petersburg, Floydada, Olton and Hale Center.

Awards will include one in each classification for best bands in parade, one for the outstanding concert band regardless of class, one for the outstanding sight-reading band regardless of class.

News From The First Baptist Church

Pastor Boyce Evans is preaching in a revival at College Avenue Baptist Church, Lubbock. The revival began last Sunday and will end Sunday, Feb. 4. At the church here last Sunday evening was the Rev. Arthur Hernandez. He is being considered for pastor of the new Latin American work here, under sponsorship of the First Baptist Church.

Kennedy Coming
The Rev. C. A. Kennedy and family of Raton, N. M., are due to arrive here this weekend to visit friends. A former pastor of the local church, he is to preach at the morning service in Abernathy First Baptist Church Sunday, February 4.

Sweetheart Banquet
The Intermediate Dept. will have a Sweetheart Banquet in fellowship hall Sat. Feb. 3, at 6:30 p.m. Special guest speaker will be Clyde O. Freeman, Minister of the Abernathy Church of Christ.

And Leon Hokett, Minister of Music and Education, Ralls, will be MC.

The young people will have a Sweetheart Banquet Feb. 14 following the revival service. Special guests will be Eddie Nicholson, guest singer and Bob Anderson, pianist. The group will go to the Ming Tree. Transportation will be available.

Mid-Week Service
In the absence of our pastor last Wed. night, the men's class from the Married Young People's Department under the direction of Mr. Joe Thompson, gave a demonstration of Sunday School class technique and teaching procedure.

Adults
Your banquet has been well planned for your pleasure and enjoyment. The date is February 8 at 7:00 p.m. This is something you won't want to miss. Plans have also been made for all children through Jr. age, at the church building.

Tickets for the Adult Sweetheart Banquet go on sale this Sunday. Cost is \$1.00 per ticket and they may be purchased from your Department Supt. in Sunday School. You may also purchase tickets during the week in the church office or from Kenneth Phillips, Mrs. Frank Lovelace or Mrs. Ralph Davis.

We need your reservation by Sunday, Feb. 4, so that we may inform the luncheon.

Rev. Bob Cunningham was ordained into the Ministry in a special service at the Baptist Church Sunday, Jan. 21. Rev. Cunningham accepted the pastorage of the Lakeview Baptist Church in December.

Mr. and Mrs. Fulton Glenn of Ropesville and his father, Odie Glenn of Levelland, visited W. A. Waters Wednesday.

Gerald Grant, son of Mr. and Mrs. E. E. Senter, and a Petersburg High School Senior, is in Dallas this week to play in the All State Band concerts Feb. 2 and 3.

Barbara McDougal, who underwent major surgery Jan. 22, returned home from Methodist Hospital Saturday. She is a teacher in Abernathy High School.

'Lopes Lose To Floydada, Girls Win

Abernathy's Antelopes, who were tied with Lockney and Floydada for first place in the District 2-AA race, were knocked back to the second place spot Friday night at the hands of the Whirlwinds, 68-64.

Antelope Eddie Davis turned in one of his best all-around games of the season, but fouled out late in the final quarter. The 6-2 junior did a remarkable job of rebounding and came through as second high scorer for the Antelopes with 13 points in the contest.

The Antelopes were hampered after hustling guard John Kiker committed four quick fouls early in the game and had to play "looser" and thus was not as effective from that point on. He fouled out later in the tilt.

Abernathy held a three-point margin, 18-15, at the end of the first quarter of play, but trailed by one at halftime, 37-36. The score was knotted, 49-49, going into the final eight minutes of play.

As the last stanza started, Abernathy took the lead and held it for a mere minute and ten seconds before Floydada took it on a bank shot by Rodney Teague, who ripped the cords for 35 points. The "Winds" took it from there and held on until the final whistle sounded.

Neither team was able to hold much of an advantage during the game as the winning margin was the largest lead either squad was able to attain. The lead changed hands 11 times during the contest before the Whirlwinds were able to emerge with the four-point margin.

Wednesday at 2 p.m. in the home of Mrs. J. C. Belt. Mrs. Berlyn Ammonett, president, conducted a business session, and the program on "Party Tips" was arranged by Mrs. Dale Milner. The hostess served a refreshment plate to Mrs. Leo Ammonett, Gordon Timms, E. G. Mahagan, H. L. Milner, Dale Milner and Berlyn Ammonett.

Mr. and Mrs. R. A. DuBose were hosts to members of the Builders Class in their home Saturday night. Table games were enjoyed and refreshments served. Attending were Messrs. a and Mmes. Jack Jackson, Clayton Enger, Dwain Bristow and Bill Harrison.

The young adult class of the Methodist Sunday School will conduct all the services at the Methodist Church Sunday morning and evening. Acting as superintendent and song leader will be Don Enger, Carla Smith, pianist and sec. Teaching the adult class will be Larry Monk; Friendship Class, Nancy Watson; Builders Class, Dianne DuBose, intermediates, Steve Monk and Steve Jackson; and nursery by J. Frank Jackson. He will also give the meditation for the evening service and Dianne DuBose will be pianist and Don Enger, song leader.

The Antelopes had a well-rounded scoring attack as five lads hit in double figures. Larry Florencia led the pack with 14 points, while Davis had 13, Robert Pope and William Smith 12 each, and Mike Miller 11.

Don Rainer assisted Teague in the "Winds" attack with 25 points.

Coach Pete Wilson's girls collected their fourth consecutive win in district play, running past the Floydada fems by 10 points, 61-51.

The local girls had started off the conference season with two straight losses, partially due to sickness, but have bounced back to at least be close contenders for second place. Muleshoe is currently leading the district with no losses.

Miss Betty Johnson kept her scoring above the 40 mark, meshing 44 points in leading the Abernathy lasses to victory. Jan Alexander kept Floydada in the game with 31.

Rudolph Struve, who explained the meaning of the club pledge, motto, and prayer.

Jim Johnson explained what the club emblem stands for.

Lloyd Hancock gave a talk on keeping the 4-H club record book. New members were Marilee Echols and Barbara Williams.

Thirty-one members were present, and 19 parents were in attendance.

Special visitors were Gena Brazeale, assistant county home demonstration agent, and Ollie Liner, Hale County agent.

Mrs. Frank Bartlett served refreshments following the meeting.

Lonnie Bartlett, Reporter

"FALLOUT PROTECTION"
A very limited supply of booklets published by the Department of Civil Defense, entitled "FALLOUT PROTECTION," "What To Know and Do About Nuclear Attack," are available at Abernathy City Hall. Free copies of the booklet are also available at Abernathy post office.

J. P. Nystel was in Dimmitt Thursday last week on business.

4-H Club News

The Abernathy Community 4-H Club met January 25 at the City Hall. Steve Johnson, club president, called the meeting to order.

Rodney Huffaker led the club in the pledge of allegiance to the flag.

Smitty Covey led the group in the 4-H club pledge.

Rosetta Wilson, secretary, read the minutes of the last meeting.

The new adult leader elected was L. G. Montgomery.

Karen McClendon gave a report on the officer's training meeting held recently at Hale Center.

Burt Montgomery reported on the Amarillo Livestock Show. Benny Lobstein placed 7th with his Hereford steer. Burt Montgomery placed 13th with a Hereford. Richard Montgomery placed 9th with his calf in the lightweight division. Benny Lobstein took 15th place with his Hereford in the medium weight. There were two pigs entered from Abernathy but neither placed.

Benny Lobstein introduced Mrs.

LETTER TO THE REVIEW

BRACKEN OIL COMPANY
Peoples National Bank Bldg.
Tyler, Texas

January 25, 1962
Mr. Buford Davenport
Abernathy, Texas
Dear Buford:

I will be honest and admit this letter is prompted by parental pride, but we like to feel we still have lots of friends in Abernathy and that a number of them would be interested in the attached clipping that appeared in the Jan. 25 issue of the Tyler Courier-Times.

Needless to say, Mary Francis and I are very proud of Julie and the fine work she is doing. Of course, being an old band man, I am probably prouder of her being a majorie in the John Tyler High School Band where she also plays bassoon. Julie is a Senior this year, which makes us all realize how times flies by. You will remember she was just a little tyke when we left Abernathy. Our other daughter, Sandy, was drum major of the Junior High School Band last year and is now in her first year of High School and plays saxophone in the band. Our son, Tony, is nine years old, plans on being a professional football player and is a great fishing buddy of his daddy.

We still miss Abernathy and the wonderful people that live there. We read with interest every bit of news we get about the school activities, especially the band. The band is becoming known among band men as one of the better bands in the state and I think Abernathy is extremely fortunate in having had Dub Crain and Everett Maxwell to build this band into such an outstanding organization. Of course, I know I have been gone too long to claim any credit for the band's success, but every time the subject comes up, I usually end up by throwing out my chest and saying, "Yes, I started that band back in 1949." It is about the same as a parent's pride in his children's accomplishments, so hope you can pardon my selfish pride in this great organization.

I am now an accountant with the Bracken Oil Company and haven't picked up a baton since

the day I left Abernathy, but even so, I find it difficult during our football games. We enjoy Tyler very much and it is a nice place to live, but there will always be a special place in our hearts for the wonderful people of Abernathy.

Give that Antelope Band all the publicity you can, they surely deserve it.

Best Regards,
Clyde Haden

Y'S MEN HONOR YOUTH OF MONTH

(From The Tyler Courier-Times)
Julie Haden, John Tyler High School student, was honored as the "Youth of the Month" by the Tyler Y's Men's Club at the YMCA Wednesday.

Miss Haden was presented with a certificate stating the honor and with gift certificates from six firms.

She and her parents, Mr. and Mrs. Clyde Haden, 2832 Garden Valley Road, were honored guests at the Y's Men's meeting Wednesday. Judge Craven Beard of the Domestic Relations Court made the presentation to Miss Haden.

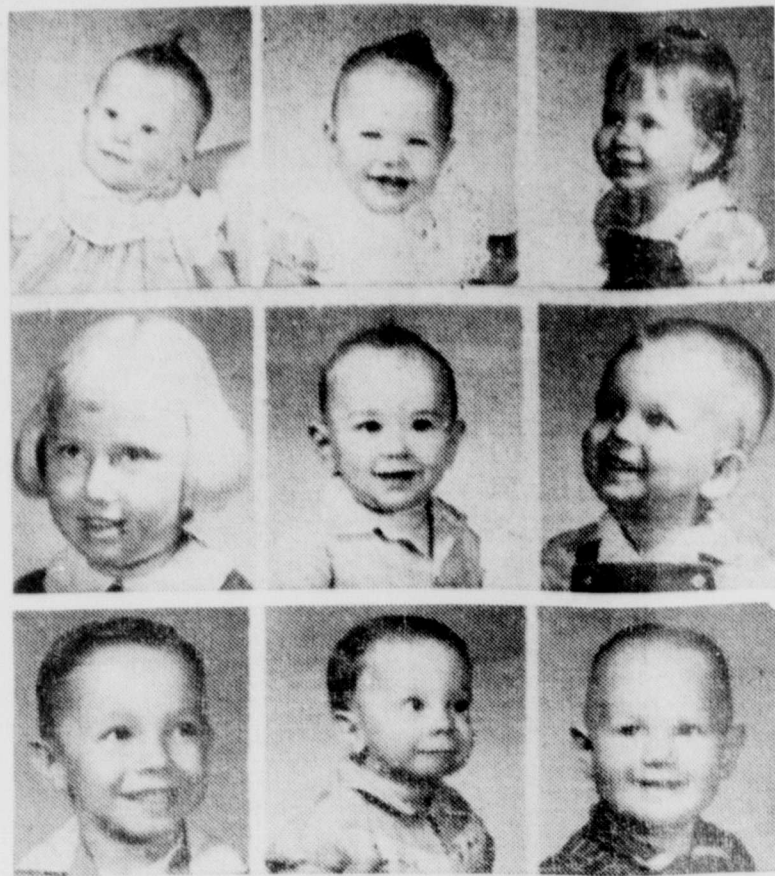

Gifts were from Mark's Men's Shop, Williamson's, Almon & McKinney, Inc., Sears, Roebuck & Co., Arthur Leverett and Southwestern Bell.

She also was presented with a membership in the YMCA. Miss Haden participates in a number of activities at John Tyler.

She is a majorie of the band and treasurer of the girls' forum. She is president of the Ross Avenue Christian Church Youth Group and a junior deaconess of the church, where she also teaches a Sunday School class. She is president of the Tri-Hi-Y, past worthy advisor of Tyler Assembly No. 72, Order of the Rainbow for Girls and a junior member of the Grand Examining Committee, Grand Assembly of Texas, Order of the Rainbow for Girls.

She also is a member of the Grand Cross of Colors, Order of the Rainbow, given for outstanding service to the Order. She has served as counselor at her church camp and has maintained high grade average in her school work.

Mr. and Mrs. O. H. (Buck) Cecil have returned from an extended visit to California.

Photos by Winston Lucas, Irving, Texas.

PLAINVIEW PRODUCTION CREDIT SEES EXCELLENT YEAR IN 1962

An excellent outlook for agricultural credit in 1962 for an eight county area of the High Plains has been forecast by an official of the Plainview Production Credit Association, in a report of 1961 activities of the agricultural credit organization.

"Credit outlook for 1962 is excellent," Olan Alexander, general manager of the association, stated. "Our farmers in this area made one of the best crops in history and are in the best financial position they have been in a long time."

Alexander said that most of them are investing profits in land and new equipment and expanding their farming operations.

"We are expecting to loan between forty and forty-five million dollars during 1962," Alexander said.

The Plainview Production Credit Association, the nation's largest in loan volume, had one of its brightest years in 1961. Loan volume totalled \$37,000,000, which was then an all-time record for the association.

Number of loans increased from 1,355 in 1960 to 1,589 in 1961. Association stockholders increased from 1,685 in 1960 to 1,742 in 1961.

The association has loaned \$206,912,900 to area farmers and ranchers in its 28-year history.

The home-owned and operated Plainview Production Credit Association provides short and intermediate-term agricultural credit in Farmer, Castro, Swisher, Floyd, Bailey, Lamb, Haie and Brazos counties. Alexander pointed out that the \$37,000,000 in loans made by the association in 1961 represents new money put into circulation in the area, providing a healthy boost to the area's economy.

Ample loan funds are available from the nation's commercial money market through the Intermediate Credit Bank in Houston, discount agency for all 36 associations in Texas.

"Our association has but one reason for its existence and that

TEXACO SERVICE UNDER NEW MANAGEMENT

Howard Clift, who has been operating Howard's Brake Shop for several months, recently purchased the interest of Floyd Price in the Texaco Service and has been operating it for several weeks. He recently made arrangements to give S & H Green Stamps, as do most other Texaco stations.

He will move only his brake and generator service equipment at present and will continue to give service on brakes and generators as usual.

He invites all Texaco users to continue to avail themselves of the same high quality gasoline and motor oils and now with the added attraction of S & H Green Stamps with every purchase.

The station will hence forth be known as Howard's Texaco Service. See his ad on another page of this issue.

is to serve as a dependable agricultural credit source," Alexander explained. He pointed out that the association's directors, two of whom are members of the loan committee, are farmers and ranchers themselves, are thoroughly familiar with agricultural conditions and problems throughout the area.

"We want to help each of our borrowers make more money in his operation through the application of sound credit practices," he said.

Central office of the association is in Plainview and field offices are operating in Friona, Dimmitt, Tulia, Silverton, Muleshoe, Littlefield and Floydada.

Serving on the board of directors are President L. R. Durham of Plainview, president; Henry Hayes of Plainview, vice president and D. S. Anderson of Muleshoe, Grady Shepard of Hale Center and Don Garrison of Silverton, directors.

SELF-EMPLOYMENT TAX FOR FARMERS AND RANCHERS

A majority of farmers and ranchers in this area must pay a federal self-employment tax for 1961, John J. Sloan, Administrative Officer, Internal Revenue Service, Lubbock, stated.

He said the rate of self-employment tax for the taxable year of 1961 is 4 1/2 percent, and is in addition to any income tax payable.

Under the federal Social Security law, the IRS representative said, Social Security taxes are paid by employees and their employers, and the self-employment tax must be paid by persons who are self-employed. These taxes are used to pay old-age, survivors and disability benefits under the federal Social Security program.

He explained a self-employed person is one who operates his own business, and that a farmer or rancher who operates a farm or ranch, either on his own land or land rented from someone else, is therefore considered self-employed. This is true, he said, even though he may employ someone else to do the work and does not live on the farm or ranch himself.

He reminds farmers they must file federal income tax returns and pay any self-employment tax due, even though they owe no income tax.

Ordinarily, he added, no self-employment tax is due unless net earnings from self-employment amounts to \$400 or more for the year.

However, he continued, farmers who have actual net earnings from the operation of their farms of less than \$400 may, under certain circumstances, elect to pay the self-employment tax and may qualify to receive benefits under the Social Security system.

Farmers with tax questions should have a copy of the free official publication, "Farmers' Tax Guide." The Guide is available from Agricultural agents, or from the IRS office located at 1909 Nineteenth Street, Lubbock.

Freshmen Boys, Girls B Win 3, Lose 1 At Idalou

Abernathy's freshmen boys and B team girls played in a double header at Idalou Thursday and Saturday.

In Thursday's events, the local B team girls were drubbed by Idalou, 41-19. Linda Miller was high scorer for the local fems with 9 points. Cheryl Hall scored 5. Mary Drape 3 and Glenda Evans 2. Foreman was high for Idalou with 17 points.

Abernathy's freshmen boys blasted the Crosbyton freshmen, 43-23, with eight local lads getting in on the scoring. Jake Mallow paced the Abernathy attack with 11 points, followed by Boyce Paxton with 8. Terry Turner and Vincente Vecchio had 5 points each, Bill Lee, Steve Monk and Junior Vecchio had 1 each, and J. Frank Jackson 2. Laney was high scorer for Crosbyton with 8.

Saturday

The Abernathy and Idalou girls' B units met again Saturday with Abernathy winning this one, 45-43. Donna Webb led the local team to victory, tossing in 6 field goals and 16 free throws for 28 points. Linda Jo Brezell meshed 16 and Linda Miller added 1. J. Power was high pointer for Idalou with 27.

The local freshmen boys drubbed Idalou's freshmen, 51-18, with eight local lads again aiding in the scoring attack. Boyce Paxton led the attack with 16 points. Terry Turner had 11, Steve Monk 5, Bill Forbes and Vincente Vecchio 5 each, Jake Mallow and Bill Lee 3 each, and John Reagan 2.

Virgil Phillips sold Lot 1 and Lot 27 in the Virgil Phillips Addition to Leroy Kelley.

J. W. McReynolds sold the SW 1/4 of Section 13, Block D-8, Hale County, to Lewis Lutrick.

County Line Chit Chats

By MRS. A. H. KLAFKA

Mr. and Mrs. G. W. Blackmon entertained the County Line Club members with a 42 party in their home Thursday evening. Those present were: Messrs. and Mmes. Buford Conn, Jack Connell, E. M. Crow, C. S. Hudson, A. H. Klafka, G. W. Manley, R. D. Presley, Mathew Goodrich and Elton Blackmon.

Mr. and Mrs. John Kveton and family and Mr. and Mrs. Ed Macha and family were guests in the A. H. Klafka home for a Mexican supper Sunday.

Terrie Goodrich of Lubbock spent the weekend with her grandparents, Mr. and Mrs. Mathew Goodrich.

Mr. and Mrs. Jack Connell, Carole Ann and Terrie Connell visited Mr. and Mrs. Wendell Barrick and baby in El Paso last weekend, Saturday they all went to Juarez.

Beverly Sanders and Beekie Stephens spent Sunday with Carole Ann Connell.

Mr. and Mrs. Elton Blackmon visited with Mr. and Mrs. R. D. Presley Sunday afternoon.

Mr. and Mrs. Marvin Stephens went to Ft. Worth last Wednesday to visit their daughter, the Jim Comptons, and went to the rodeo Saturday night. They returned home Monday afternoon.

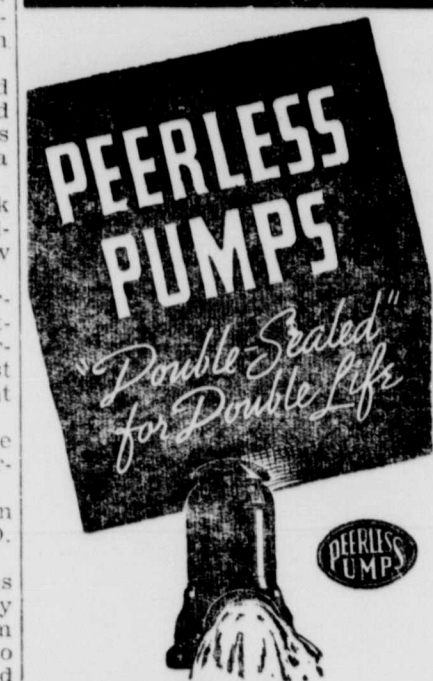

Carl P. McGee has moved to 499 2nd Street in Vineyard Addition.

Robert Holt has moved to 509 Avenue F.

L. A. Judkins has moved to 501 Avenue E.

A. D. Worthan has moved to 1201 Avenue K.

February 5 through March 30 has been designated as sign-up time for producers who wish to comply with the 1962 feed grain program. Provisions of the 1962 program are very similar to those for 1961, says C. H. Bates, extension farm management specialist, Barley, which was not included in the 1961 program, has been included in this year's program. Local county ASCS offices and county agents can supply information on the 1962 program.

Top-Flight Quality
Underground With Peerless
Double-Bearing, Double-Seal
Double Bearings (1) one bronze and one Goodrich Cutless Fluted Rubber bearing for each pump bowl add double life to bearings and impeller shaft. Double Seal (2) mounted below impeller neck (3), is a durable, resilient ring—automatically compensating for wear. See us today for a recommendation of pump and power drive to meet your needs for water.

Political Announcements

The following announcements for public office are made subject to the action of the Democratic Primary, May 5, 1962:

- HALE COUNTY**
 For Representative 89th Legislative District:
 CHARLIE DURNING
- For District Judge, 6th Judicial District (Including Hale, Castro and Swisher Counties):
 JAMES A. JOY,
 1st elective term.
 JOE L. COX
- For Judge of Hale County:
 C. L. ABERNETHY
 1st elective term.
- For County Treasurer:
 HAROLD MARTIN
 W. J. B. (BILL) GOULDY,
 1st elective term.
- For County Clerk:
 MILDRED TUCKER, Re-election
- For Hale County School Superintendent:
 MRS. WILLIE MERLE
 HAITHCOCK, Re-election

Ralph Glenn Wright, a former Abernathian, visited here last week. A son of Mrs. Josephine Wright of Angleton, he is to enter the Army this month.

V. J. Farris of Shallowater was in Abernathy last week on business.

1935 STUDY CLUB

The 1935 Study Club met in the home of Mrs. J. L. Miller Jr., Jan. 25. A very interesting program on Finland was given by Mrs. E. A. Houston and Mrs. Wesley Harris.

The club voted to sponsor a drive to urge people to pay their Poll Tax. This was done by sending out cards.

Our next meeting will be held in the home of Mrs. Frank Lovelace, Feb. 8.

Those attending included our new member, Mrs. Waldo Cox and other members: Mmes. Fred Blumenstock, W. V. Cunningham, John L. Harral, Wesley Harris, E. A. Houston, Ercell Givens, Arno Struve, Thomas Johnston, J. C. Mills, Paul Noland, Frank Lovelace, R. R. Struve, Dan Ward, and the hostess.

Delicious refreshments were served and a social hour was enjoyed by all.

The fourth annual conference for County Judges and Commissioners will be held February 18-20 in the Memorial Student Center on the campus of Texas A & M College. Participants will register Sunday afternoon, and the program will get underway Monday morning.

Titus County Judge Harry Taylor will preside at the opening session.

Texas Tech basketball coach, Gene Gibson, was an all-Border Conference center in 1950.

Photos by Winston Lucas, Irving, Texas.

TOP ROW, from left: Dwayne and Brent, Mr. and Mrs. C. W. Wolf; Laura Megna, second place winner in contest staged by Lucas, Mr. and Mrs. Frank Megna.

CENTER ROW: Jerry Don, Mr. and Mrs. Jerry Simmons; Genny, Mr. and Mrs. Nobuko Kitchens; Evelyn Colette, Mr. and Mrs. Melvin Lindsey.

BOTTOM ROW: Ronda Arthur, first place winner in the contest staged by Lucas, and Kathy Arthur, Mr. and Mrs. Dale Arthur; Anna Lisa, Mr. and Mrs. Billy Pittman.

SUPPORT PRICE LEVELS ANNOUNCED FOR IMPORTANT CROPS

Price support levels for 1962 crops of cotton, peanuts, rice and honey have been announced by Secretary of Agriculture Orville L. Freeman.

The minimum national average support price for upland cotton will be 31.83 cents per pound, gross weight, the same as last year. This reflects approximately 82 percent of the current parity price. For extra long staple cotton, the price will be 53.17 cents per pound, net weight, and 65 percent of current parity price.

In the event the minimum level of support for upland or extra long staple as required by law on the basis of parity as of the beginning of the marketing year is higher than the level announced, the level of support will be increased accordingly, the secretary said.

The minimum national average support price for peanuts will be

\$221 per ton, the same as for 1961 and it reflects 85 percent of parity price on January 1.

The support level for rice was set at the same level as 1961, \$4.71 per hundredweight, and is dependent on a favorable vote by producers in the upcoming rice marketing quota referendum set January 23. If quotas are approved by two-thirds of the voters, producers who comply with acreage allotments and marketing quotas will be eligible for support on their 1962 production. If quotas are not approved, acreage allotments will remain in effect as a condition of eligibility for price support at 50 percent of the parity level.

The support for honey was set at 11.2 cents a pound. The same as the 1961 rate but substantially above the 1960 level, and reflects 74 percent of the January 1962 parity price adjusted to a 60-pound container basis. The support announced applies to honey marketed during the 1962 season, which begins on April 1.

Abernathy Teachers Complete Questionnaires--For IBM Cards

A general meeting of the Abernathy Schools faculty was held last Wednesday afternoon. Main purpose of the meeting was to inform those present of the Revised Accreditation Standards teachers must follow next fall, and the new Teacher Certification Requirements, which will also be effective next fall. Also a discussion of the new Board Policy, Professional Improvement and Salary Increment Plan, was conducted.

IBM Cards
 During the meeting, questionnaires from the Division of Teacher Education and Certification, Texas Education Agency, were distributed and their purpose explained.

Senate Resolution No. 451 (57th Legislature, Regular Session) called for a study of education in Texas to be made by the State Board of Examiners for Teacher Education.

A questionnaire has been developed to assist in evaluating the present status of professional school personnel, both teachers and administrators. All items on the questionnaire have been designed for machine processing to expedite the analysis of data for some 95,000 professional personnel.

These questionnaires, which will take each teacher at least 30 minutes to fill out, will be returned to the Division of Teacher Education and Certification, Texas Education Agency, Austin, Texas. After the information from the questionnaires has been transferred to IBM cards, data on any teacher will be available in seconds.

Textbook Division First
 The Textbook Division, largest division of the Texas Education Agency, was the first to be changed over to machine processing.

It was pointed out by Noel Johnson, superintendent of Abernathy Schools, that the free textbook program in Texas costs in excess of \$7 million annually. This figure includes contracts for new textbooks, renewal contracts, replacements and additional needs.

REVISION PROPOSED FOR U. S. STANDARDS FOR GRAIN SORGHUM

Because of the change in character of the grain sorghum crop due to the adoption of new varieties, the U. S. Department of Agriculture has announced a proposal to revise the Official Grain Standards of the United States for grain sorghum.

The proposed changes include the elimination of the class Red Grain Sorghums and all the subclasses in the classes of Yellow Grain and White Grain Sorghums. Since the new varieties and hybrids are heavier than the old ones, it is proposed that the test weight per bushel be raised from 55 to 58 pounds for No. 1, from 53 to 56 for No. 2, from 51 to 54 for No. 3 and 49 to 51 for No. 4.

Also, in order to provide for better keeping quality, a proposal has been made to lower moisture content from 14 to 13 percent for No. 1, from 15 to 14 for No. 2 and from 16 to 15 for No. 3. It is also proposed to eliminate dockage and substitute a factor for fine foreign material in the grade table. Alternative proposal provide for dockage as now applied and a special grade

It's the Law in TEXAS

Your Legal Name
 Most probably you are never quite sure whether your wife should use your first name, or her own, when signing an important paper.

Perhaps you also wonder whether to put a "Mr." or a "Mrs." in front of a signature; and you can get all mixed up about a "Jr." or a "Sr." after it. Then, what about your middle name or initial?

It seems that for centuries under common law a legal name has consisted of one Christian or family name. The law presumes that every person has a given name and a surname which must be stated in full on any legal document.

The law pays little attention to a middle name or initial, but it is wise to use either one or the other for exact identification. You must be consistent, too. For example, one real estate buyer was advised to sign all papers by his full name "William Alton Smith, Jr." to make it clear which of the Bill Smiths was buying the property.

If you are a "Jr." or a "Sr." such description should be used to help distinguish you from namesakes.

As for "Mr." in front of your name, that's not important at all. The same is true for "Mrs.", because it's your wife's own given name that counts.

When a woman marries, she takes her husband's family name. Her maiden surname is absolutely lost. Many women incorrectly use their husband's full name, and sign "Mrs. William A. Smith," for example. The correct way is for her to sign her own given name and her husband's surname such as "Joan Marie Smith."

A divorced woman who wants to resume the use of her maiden name may, under some circumstances, have it returned to her by court order.

Price support levels for 1962 crops of cotton, peanuts, rice and honey have been announced by Secretary of Agriculture Orville L. Freeman. The minimum national average support price for upland cotton will be the same as last year, as will the 1962 support price for peanuts. Support levels for rice and honey will also be the same as the 1961 minimum for these products.

PVT. LONNIE HINES
 (AHTNC)—Army Pvt. Lonnie E. Hines, 23, son of Walter P. Hines, Abernathy, Tex., completed eight weeks of military police training at The Provost Marshal General Center, Fort Gordon, Ga., Jan. 19. Hines received instruction in self defense, traffic control and the basic procedures of civil and military law. He entered the Army last September and completed basic training at Fort Carson, Colo. Hines was graduated from Abernathy High School in 1957 and worked for DeKalb Agricultural Association, Inc. in Lubbock prior to entering the Army.

"Tough" instead of moisture as a grading factor.

Informal public hearings to consider these proposals have been scheduled for Lubbock on January 25 at 1:30 p.m. in the Mackenzie Terrace, 407 E. Broadway and January 31 at 9:30 a.m., Continental Hotel, Kansas City, Missouri.

Interested persons may also submit written data, views or arguments to the Director, Grain Division, Agricultural Marketing Service, U. S. Department of Agriculture, Washington 25, D. C. not later than February 1, 1962.

The proposals were scheduled to appear in the January 13 Federal Register. Copies will be available from the AMS Grain Division.

The Billy Beard family visited the Wayne Rays in Midland and the Bonnie Gene Beards in Crane last week.

New Deal Cubs Hold Pack Meeting

Cub Scout Pack 497 of New Deal held its regular monthly meeting Monday night in the New Deal Club House.

Den 3 kicked off the evening's activities with a rooster fight. Lester Owens was then presented a shoulder patch. He is Den Chief for Pack 497.

After a business session, Dens 2, 4 and 1, in that order, presented a program on "Knights." Den 2 entitled their skit, "The Reluctant Knight," Den 4's skit was "The Degraded Knight," and Den 1 performed the "Tournament of Knights." The boys and mothers did a fine job of making their costumes and armor.

During the meeting, Den Mothers were awarded neck tie holders. Also presented an award was Joey Sherman.

Registration cards were distributed to members who recently joined the Cub Scout Pack at New Deal. Those receiving their cards were James Humphrey, Roy Sanders, Bob Parrish, Randy Dunn, Buzz Showalter, Larry Anderson, Matthew Bailey, Ervino Anderson, Johnny Roddy, R. J. Darty and Jimmy Jackson.

Blue and Gold Banquet
The Blue and Gold Banquet plans were made at this meeting. The banquet has been set for Monday night, February 26, and will be held in the school cafeteria.

Cub Master for the New Deal Pack is Joe Bush. Jack Beatty is the assistant Cub Master, and Jerome Byrd is secretary-treasurer, replacing Phil Gainer who resigned that position to work with the Boy Scouts.

Frank Dunn is a committeeman and Reiner Rieken is the Institutional Director.

Shirlee Nesbitt, a student at Tyler Junior College, visited her parents, Mr. and Mrs. Paul Nesbitt, here between semesters.

DEVELOPING DESIRABLE HABITS AND SKILLS

"The Kindergarten Year"

Editor's Note: Mrs. Joe B. Reeves, who with the assistance of Mrs. Virgil Overstreet operates a kindergarten in Abernathy, is responsible for the following article:

Since we make no attempt to teach any of the 3 R's in the Kindergarten, we are doubly concerned with the formation of desirable habits and skills. These goals are suggestions made by experienced

JUNIOR HIGH HONOR ROLL

Gid B. Adkisson, Jr., principal of Abernathy Junior High School, released the names of the following students as those making the Third Six Weeks Honor Roll.

Eighth Grade
1st Honor Roll
JoAnn Lovelace, Larry Crowder, Mike Skipper, Treva Totty and Margaret Toler.

2nd Honor Roll
Jan Wilson, Cindy Wilson, Mike Tannehill, Jeraldine Evans, Mary Ann Ruiz and Marilyn Teaf.

Seventh Grade
1st Honor Roll
Jane Valdez, Carolyn Barton, Steve Guerrant and Suzanne Evans.

2nd Honor Roll
Sondra Slough, Jerry Rice and Josa Chron.

Sixth Grade
1st Honor Roll
Theresa Valdez, Micki Sterling, Doris Rhodes, Cecilia Davis, Shirley Knight and Jerry Brightbill.

2nd Honor Roll
Judy Kitchel, Kathy Kerr, Sammy Stephens, Dale Allenburg, Randy Hendrix and Pam Pittman.

teachers working with children during the various periods of the kindergarten day.

Although no one child will likely attain all these goals and some may attain only a very few, this list includes what teachers felt could be expected, at least in varying degrees before the child enters the first grade.

Conversation Period—Telling Time
Can tell experience in detail.
Repeats five to six-word sentences.

Has outgrown his baby talk.
Enjoys listening while others take a turn.

Is willing to take his turn and has overcome his shyness.
Does not interrupt others.

Activity Period—Work Time
Is persistent in finishing a task.
Shows increasing skill in the use of scissors, paint, and other manipulative materials.

Is able to work with others as well as alone.
Tries to follow directions.

Makes his hands and eyes work together well in cutting.
Learns to value and find joy in his achievements.

Is happy in his work.
Story Period
Is interested in books.

Has learned to listen to a story and not interrupt.
Can retell a story with enjoyment.

Likes to and is able to recite nursery rhymes.
Can remember and retell the events in a story.

Game Period
Has developed habits of fair play and sharing.
Joins in active play.

Is able to control his large muscles.
Waits for his turn.

Is friendly to other children.
Is willing to obey the rules of the game.

Kindergarten in Abernathy has had a very successful year as far as the children are concerned. All the children have enjoyed the ac-

Motorists Urged To Secure Inspection Stickers Early

The Director of the Texas Department of Public Safety, Col. Homer Garrison Jr., urged motorists to secure their 1962 vehicle inspection stickers as soon as possible prior to the April 15 deadline.

After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles will be subject to arrest, he said.

Garrison said approximately half of the inspection period has expired and only about one-fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.

"There are some 4,800 authorized inspection stations in the state and they are ready and capable of handling the inspection of all vehicles without delay if owners of the uninspected vehicles do not wait until the last few days before the deadline," Garrison said.

He pointed out that vehicles inspected so far this year have fewer defects than have ever been noted heretofore. He said vehicle defects contributing to motor vehicle accidents in Texas is the lowest in the history of the state.

HIGH SCHOOL HONOR ROLL

High School principal, Ralph Stevenson, announced the following students as those making the Third Six Weeks Honor Roll at AHS.

Seniors
1st Honor Roll
Janice Adkisson, Ruthie Beaton, Evelyn Dye, Larry Florence, Janice Hall, Judy Kiker, Ann Robertson, Gloria Robles, Betty Ann Sterrett, Dianna Stevenson, Sue Suttle and Marsha Taylor.

2nd Honor Roll
Edwina Anderson, Johnny Bridgeway, Lawrence Hager, Jimmy Irish, John Kiker, James Klafka, Willa Kay Powell, Ben Templeton and Brent Weir.

Juniors
1st Honor Roll
Mary Kay Berutti, Elaine Bilbrey, Linda Burnett, Dee Ann Davidson, Peggy Davis, Dianne Dupose, Carolyn Forbes, Fawlette Lebow, Mike Miller, Lajuana Patterson, Bobby Pettit, Angela Presley, Tom Ritchey, Joyce Spruiell, Mary Anna Williams and Sherry Wilson.

2nd Honor Roll
Gid B. Adkisson III, Cherylene Bradley, Eddie Davis and Martha Struve.

Sophomores
1st Honor Roll
Janie Brown, Neil Davidson, Gwyn Hendrix, Henry Northcutt, Lou Ellen Rogers, Danny West, Ronnie Wynne and Linda Kitchen.

2nd Honor Roll
Joy Boon, Allen Embry, Rita Evans, Loyd Hancock, Mike Irish, Jane Roberts, Gwen Russell and Betty Wisdom.

Freshmen
1st Honor Roll
Denise Barker, Frederick Benn, Clint Chron, Bill Forbes, Cristie Givens, J. Frank Jackson, Linda Miller, Jana Stevenson, Barry Selig and Truett Skipper.

2nd Honor Roll
Tommy Adkisson, Johnny Bailey, Yvonne Bundick, Sandy Downs, Mona Drace, Glenda Evans, Janie Pearce and John Reagan.

Last year, county agents in 207 Texas counties assisted producers with all phases of cotton production. They held almost 2,100 meetings attended by some 33,000 interested persons in their drive to get valuable information to cotton growers. They also enjoyed the cooperation of newspapers and radio and television stations in their educational programs.

City Garden Club

The City Garden Club met January 24 at 2:30 p. m. in the club house. Mrs. Smith was the hostess.

Mrs. Joe Arrington of Lubbock presented a very interesting and informative program on "Landscaping." She showed many beautiful slides of her garden and also pictures made in Washington of the Japanese Gardens.

Refreshments were served by the hostess to Mmes. T. O. Brown, N. A. Oliver, M. M. Bell, H. H. Selke, W. V. Halford, Ed Heath, S. R. Jackson, A. B. Myatt, Floyd Shipman, Orval Weeks, H. B. Coggin, Dewey Price, B. H. Beard, G. M. Carr, Frances Smith and guest speaker, Mrs. Arrington.

Mrs. L. S. Wilson was voted a new member. February 8 is our next club day. The program will be given by Mrs. T. O. Brown on "How to Grow Chrysanthemums," and Mrs. Ira Lee Harrell will "Name Varieties for This Area."

Mrs. T. A. Brewster, Reporter

Local HD Club Holds Meeting

The Abernathy Home Demonstration Club met January 19 with seven members present. The meeting was called to order by the president, and roll call was answered with a favorite color.

Mrs. G. D. Clapp gave a very interesting Council Report. Mrs. R. L. Hall presented a program on "Color and Lines."

Members present included Mmes. Howard Humphrey, A. R. Knight, W. F. Wolf, Doyle Lyles, R. L. Hall, Melvin Johnson, and the hostess, Mrs. G. D. Clapp.

The next regular meeting of the club will be held Friday, February 2. The program will be "Care of Cotton Fabrics."

Mail News to The Review

AHS STUDENTS ARE HONORED

By HENRY NORTHCUTT

The Students of the Week, which are chosen one from each grade each week by the faculty and sponsored by the National Honor Society, are as follows:

Senior—Ruthie Beaton
Junior—Leon Johnson
Sophomore—Betty Wisdom
Freshman—Denise Barker

Ruthie is the daughter of Mr. and Mrs. D. E. Beaton. She was born March 11, 1944 in Pala Alto, Calif., and has lived here for 14 years. Her father is the Justice of the Peace in Abernathy.

Ruthie is a four-year member of the FHA Chapter, a member of the National Honor Society, and was Annual Representative her sophomore year.

She is an eleven-year member of the Girl Scouts of which, at the present time, is a representative to the Caprock Council of the Girl Scouts. After graduation, she plans to attend Lubbock Christian College.

Leon, son of Mr. and Mrs. Noel Johnson, was born August 21, 1945 in Lubbock and has resided here all his life except for two years. His father is superintendent of the local schools and his

mother is the librarian of the Junior High School.

Leon is a member of the Antelope Band, was a member of the Junior Play cast this year, and he also plays basketball. He likes to read and his favorite subject in school is history.

Betty is the daughter of Mr. and Mrs. Ted Wisdom. She was born October 9, 1945 in Amarillo and has lived here for 14 years. Her father is a farmer.

Betty likes to swim, ride horses, bobsled, and bowl. She also likes to watch basketball games, football games, baseball games, track and tennis. After graduation she plans to attend college.

Denise is the daughter of Mr. and Mrs. D. E. Barker. She was born May 4, 1947 in Lubbock. Her father is the maintenance foreman at Tucco power plant.

She plays basketball and tennis. She is also a member of the FHA chapter and the Antelope Band.

Texas Tech has attracted 62,500 fans to eight home basketball games this season—an average of 7,812 per contest. For three Southwest Conference games played in Lubbock the total is 27,300—9,100 per night. Biggest crowd was 19,000 for Baylor; the smallest, 7,900 for Rice on a night the temperature dropped below zero.

(Continued on Page 8)

Shown above is the Board of Directors of the High Plains Underground Water Conservation District for 1962. Seated left to right, is Elmer Blankenship of Wilson, Vice-Chairman of the Board and T. L. Sparkman, Jr. of Hereford, Chairman. Standing, left to right, is John Gammon, Lazbuddie; Henry J. Schmidly, Levelland; and J. R. Belt, Jr., Lockney, Secretary-Treasurer.

Grain Sign-Up Starts Feb. 5

Producers who wish to comply with the 1962 feed grain program will sign up between February 5 and March 30, reports C. H. Bates, extension farm management specialist.

Provisions of the 1962 program are very similar to those for 1961. One change is that idle and fallow land for the years 1959 and 1960 will be considered in the soil conserving base for farms. This will give less flexibility in the use of land diverted from feed grains, explains Bates.

Payment rates for diverted acres will be in line with those for 1961 because support prices for feed grains have been set at identical levels. The rates are again based on the normal production of the farm times the county support rate. The minimum acreage reduction (from the 1959-60 base) is 20 percent, which will earn a payment based on 50 percent of the local support price.

For diversion of between 20 and 40 percent the payment will be figured at 60 percent of the local support price.

Barley, which was not included in last year's program because of late passage of legislation, is included in the 1962 program. A producer having barley plus grain sorghum or corn can participate in barley reduction independent of the other crops. If he wishes to comply on barley alone, however, he must stay within his 1959-60 base on corn and grain sorghum if he wants to receive price supports. On the other hand, if he wishes to comply on the corn and grain sorghum he must not exceed his base acreage for barley.

Peggy Evans Is On LCC's Honor Roll

Peggy Evans, a freshman biological science major at Lubbock Christian College, Lubbock, Texas, has been named to the first semester honor roll, according to Jack W. Bates, academic dean.

Peggy was one of eight freshman from her class of 285 at the junior college to achieve the honor. On the 3.0 scale, on which 2.0 indicates a straight "B" record and 3.0 indicates straight "A," Peggy rated 2.5.

In Abernathy High School, where Peggy graduated in 1961, she participated in band, FHA, NHS, and was the basketball manager. She is the daughter of Mr. and Mrs. M. D. Evans.

cluded in the 1962 program. A producer having barley plus grain sorghum or corn can participate in barley reduction independent of the other crops. If he wishes to comply on barley alone, however, he must stay within his 1959-60 base on corn and grain sorghum if he wants to receive price supports. On the other hand, if he wishes to comply on the corn and grain sorghum he must not exceed his base acreage for barley.

Soil Tests Take Guesswork Out Of Fertilizer Needs

There is no better time than at present to get your soil tested to determine your fertilizer requirements according to associate county agent, Charlie Cyfert.

A soil test aids in taking the guesswork out of fertilizer needs. The Texas Agricultural Extension Service maintains a soil testing laboratory at Lubbock which analyzes soil samples for diagnostic purposes. The organic matter, pH, available phosphorus, potassium, and calcium are measured to estimate need for fertilizer ingredients. The amount of soluble salts is measured and if it is high, the soil is tested for possible toxic amounts of sulphates and chlorides. Results of the soil tests are reported to the farmer along with recommendations based on research by the Texas Agricultural Experiment Station and result demonstrations conducted in the county.

Research in Texas and especially Hale County under the 4-Point Soil Fertility Program has shown close relationship between the way a soil tests in the laboratory and how it responds to fertilizers in the field. A soil that tests high in potash in the laboratory usually does not respond to potash fertilizer. Soil that tests low in a fertilizer nutrient normally responds well to that nutrient.

Soils vary greatly in their supply of nutrients essential for plant growth. A soil test shows which nutrients are deficient and are limiting plant growth. With this information, the extension specialist can recommend the rate and rates of fertilizer, right. A soil test helps the farmer get the most from his fertilizer dollar because he adds only the nutrients that are needed for a particular crop.

According to Cyfert, soil tests can be only as accurate as the samples on which they are made. Proper collection of soil samples is extremely important. Chemical tests of poorly taken samples may actually be misleading. Here are a few basic rules to follow:

1. Take one soil sample from each major soil type in a field. A soil type is uniform in slope, texture, color, drainage, crop growth and past treatment. Each sample should represent 20 to 40 acres.

2. The sample should be taken from over all the area. This can be done by taking a small amount of soil from 10 to 15 different places. Place these in a clean container (bucket, paper sack, etc.) mix thoroughly and take out approximately 1 pint for the composite sample. Avoid sampling unusual areas such as slight field depressions and small eroded areas.

3. When taking the small samples use a spade, soil auger or soil sampling tube. Scrape the litter from the surface. To use an auger or tube, make the boring 6 inches deep in the soil on cultivated land and 4 inches deep on

pasture. To use a spade, dig a V-shaped hole and take a 1/2 inch slice of soil from the smooth side of the hole. Repeat in 10 to 15 different places.

PRECAUTIONS:

1. Avoid sampling unusual spots of the field such as small gullies, terrace, waterways or depressions.
2. When sampling fertilized fields, avoid sampling directly in the fertilized land.
3. Do not use old vegetable cans, tobacco cans, match boxes, etc. to submit samples.
4. Do not use heat to dry samples.
5. Be sure to keep a record for yourself as to the area represented by each sample.
6. Be sure sample numbers on the boxes correspond with sample numbers on the information sheets. After the soil has been tested the recommendations should be good for 2 to 3 years. However, if the land use or production goal changes, resample the field; have the soil tested again and obtain revised fertilizer recommendations from the laboratory.

For further information on soil testing services and to obtain your soil cartons and information sheets, consult your county Extension office.

Hale Livestock Being Shown At Fort Worth

Hale County 4-H steers led for the Southwestern Exposition and Fat Stock Show in Fort Worth last Wednesday at 1:00 p.m., according to Payton Scott, Assistant County Agent. Barrows and lambs were not due to arrive in Fort Worth until January 31.

Competing in the Junior Steer show are: Wayne Ballard, Jimmy Curry and Lynn Trimmer, from Hale Center; Hoyle Curtis, Margaret Dendy, Wayne Dendy, from Petersburg; Oran Harkleroad, Cotton Center; and Rebecca Karth, Larry Karth and Elmer Freese from Plainview.

Nineteen 4-H Club steers will be exhibited, including 10 Hereford steers, 7 Shorthorns and two Angus steers.

Barrow exhibitors at Fort Worth will show 20 pigs. These 4-H members are: Larry Blumenstock, Jim Johnson, Steve Johnson, Abernathy; Lenis Gregg, Chris Vaughn and Randall Vaughn of Plainview.

Fat lamb exhibitors include Lenis Gregg, Hugh Jester, Lanny Savage and Earl White, all of Plainview 4-H Clubs. These boys will exhibit seven lambs—3 Hampshires and 3 Southdowns.

The Junior Steers judged Monday, according to Scott. Barrows and fat lambs will be judged at 8:00 a.m. February 2 and 3.

Mrs. Bob Adams returned home Monday from a 15-day stay in a Lubbock hospital, where she was treated for a back injury.

Johnny Hines Hurt In Wreck

Johnny Hines, 21, Abernathy resident, was listed in poor condition Tuesday of last week at Methodist Hospital, Lubbock, after suffering injuries in a one-car accident about 5:30 that morning.

An employee of the Lubbock Armored Service, Hines' car turned over about two miles west of Seagraves on the Denver City Highway.

Officials of the armored service said he was driving a company vehicle, but nothing was lost from the car.

Hines was taken to Methodist Hospital by a Webb Ambulance of Seagraves.

He is a son of Walter Hines of Abernathy.

Crop rotation is still one of the most effective methods for controlling plant diseases, reports Harlan Smith, extension plant pathologist. He says disease control in crops has been getting 'fancier' in recent years but the old standby—rotation—is hard to beat.

New Deal Cubs Hold Pack Meeting

Cub Scout Pack 497 of New Deal held its regular monthly meeting Monday night in the New Deal Club House.

Den 3 kicked off the evening's activities with a rooster fight.

Lester Owens was then presented a shoulder patch. He is Den Chief for Pack 497.

After a business session, Dens 2, 4 and 1, in that order, presented a program on "Knights." Den 2 entitled their skit, "The Reluctant Knight," Den 4's skit was "The Degraded Knight," and Den 1 performed the "Tournament of Knights." The boys and mothers did a fine job of making their costumes and armor.

During the meeting, Den Mothers were awarded neck tie holders. Also presented an award was Joey Sherman.

Registration cards were distributed to members who recently joined the Cub Scout Pack at New Deal. Those receiving their cards were James Humphrey, Roy Sanders, Bob Parrish, Randy Dunn, Buzz Showalter, Larry Anderson, Matthew Bailey, Ervine Anderson, Johnny Roddy, R. J. Darty and Jimmy Jackson.

Blue and Gold Banquet

The Blue and Gold Banquet plans were made at this meeting. The banquet has been set for Monday night, February 26, and will be held in the school cafeteria.

Cub Master for the New Deal Pack is Joe Bush. Jack Beatty is the assistant Cub Master, and Gerome Byrd is secretary-treasurer, replacing Phil Gainer who resigned that position to work with the Boy Scouts.

Frank Dunn is a committeeman and Reiner Rieken is the Institutional Director.

Shirlee Nesbitt, a student at Tyler Junior College, visited her parents, Mr. and Mrs. Paul Nesbitt, here between semesters.

DEVELOPING DESIRABLE HABITS AND SKILLS

"The Kindergarten Year"

Editor's Note: Mrs. Joe B. Reeves, who with the assistance of Mrs. Virgil Overstreet operates a kindergarten in Abernathy, is responsible for the following article:

Since we make no attempt to teach any of the 3 R's in the Kindergarten, we are doubly concerned with the formation of desirable habits and skills. These goals are suggestions made by experienced

teachers working with children during the various periods of the kindergarten day.

Although no one child will likely attain all these goals and some may be expected, at least in varying degrees before the child enters the first grade.

Conversation Period—Telling Time
Can tell experience in detail.
Repeats five to six-word sentences.

Has outgrown his baby talk.
Enjoys listening while others take a turn.
Is willing to take his turn and has overcome his shyness.
Does not interrupt others.

Activity Period—Work Time
Is persistent in finishing a task.
Shows increasing skill in the use of scissors, paint, and other manipulative materials.
Is able to work with others as well as alone.
Tries to follow directions.
Makes his hands and eyes work together well in cutting.
Learns to value and find joy in his achievements.
Is happy in his work.

Story Period
Is interested in books.
Has learned to listen to a story and not interrupt.
Can retell a story with enjoyment.
Likes to and is able to recite nursery rhymes.
Can remember and retell the events in a story.

Game Period
Has developed habits of fair play and sharing.
Joins in active play.
Is able to control his large muscles.
Waits for his turn.
Is friendly to other children.
Is willing to obey the rules of the game.

Kindergarten in Abernathy has had a very successful year as far as the children are concerned. All the children have enjoyed the ac-

tivities and progressed very well. If you are interested in kindergarten, you are invited to visit any day. For more information concerning the Abernathy Kindergarten, please see the ad in the classified section.

City Garden Club

The City Garden Club met January 24 at 2:30 p. m. in the club house. Mrs. Smith was the hostess.

Mrs. Joe Arrington of Lubbock presented a very interesting and informative program on "Landscaping." She showed many beautiful slides of her garden and also pictures made in Washington of the Japanese Gardens.

Refreshments were served by the hostess to Meses T. O. Brown, N. A. Oliver, M. M. Bell, H. H. Selke, W. V. Halford, Ed Heath, S. R. Jackson, A. B. Myatt, Floyd Shipman, Orval Weeks, H. B. Coggin, Dewey Price, B. H. Beard, G. M. Carr, Frances Smith and guest speaker, Mrs. Arrington.

Mrs. L. S. Wilson was voted a new member. February 8 is our next club day. The program will be given by Mrs. T. O. Brown on "How to Grow Chrysanthemums," and Mrs. Ira Lee Harrel on "Name Varieties for This Area."

Mrs. T. A. Brewster, Reporter

Local HD Club Holds Meeting

The Abernathy Home Demonstration Club met January 19 with seven members present. The meeting was called to order by the president, and roll call was answered with a favorite color.

Mrs. G. D. Clapp gave a very interesting Council Report. Mrs. R. L. Hall presented a program on "Color and Lines."

Members present included Meses Howard Humphrey, A. R. Knight, W. F. Wolf, Doyle Lyles, R. L. Hall, Melvin Johnson, and the hostess, Mrs. G. D. Clapp.

The next regular meeting of the club will be held Friday, February 2. The program will be "Care of Cotton Fabrics."

Mail News to The Review

HIGH SCHOOL HONOR ROLL

High School principal, Ralph Stevenson, announced the following students as those making the Third Six Weeks Honor Roll at AHS.

Seniors
1st Honor Roll
Janice Adkisson, Ruthie Beaton, Evelyn Dye, Larry Florence, Janie Hall, Judy Kiker, Ann Robertson, Gloria Robles, Betty Ann Sterrett, Dianna Stevenson, Sue Suttle and Marsha Taylor.
2nd Honor Roll
Edwina Anderson, Johnny Bridges, Lawson Hager, Jimmy Irish, John Kiker, James Klafka, Willa Kay Powell, Ben Templeton and Brent Weir.

Juniors
1st Honor Roll
Mary Kay Burnett, Elaine Bily, Linda Burnett, Dee Ann Davidson, Peggy Davis, Dianne Duse, Carolyn Forbes, Paulette Lebow, Mike Miller, Lajuana Patterson, Bobby Pettit, Angela Presley, Tom Ritchey, Joyce Spruiell, Mary Anna Williams and Sherry Wilson.

2nd Honor Roll
Gid B. Adkisson III, Cherylene Bradley, Eddie Davis and Martha Struve.

Sophomores
1st Honor Roll
Janie Brown, Neil Davidson, Gwyn Hendrix, Henry Northcutt, Lou Ellen Rogers, Danny West, Ronnie Wynne and Linda Kitchens.

2nd Honor Roll
Joy Boone, Allen Embry, Rita Evans, Loyd Hancock, Mike Irish, Jane Roberts, Gwen Russell and Betty Wisdom.

Freshmen
1st Honor Roll
Denise Barker, Frederick Benn, Clint Chron, Bill Forbes, Cristie Givens, J. Frank Jackson, Linda Miller, Jana Stevenson, Barry Selke and Truett Skipper.

2nd Honor Roll
Tommy Adkisson, Johnny Ballew, Yvonne Bundick, Sandy Downs, Mona Drace, Glenda Evans, Janie Pearce and John Reagan.

Last year, county agents in 207 Texas counties assisted producers with all phases of cotton production. They held almost 2,100 meetings attended by some 53,000 interested persons in their drive to get valuable information to cotton growers. They also enjoyed the cooperation of newspapers and radio and television stations in their educational programs.

AHS STUDENTS ARE HONORED

By HENRY NORTHCUTT

The Students of the Week, which are chosen one from each grade each week by the faculty and sponsored by the National Honor Society, are as follows:

Senior—Ruthie Beaton
Junior—Leon Johnson
Sophomore—Betty Wisdom
Freshman—Denise Barker

Ruthie is the daughter of Mr. and Mrs. D. E. Beaton. She was born March 14, 1944 in Pala Alto, Calif., and has lived here for 14 years. Her father is the Justice of the Peace in Abernathy.

Ruthie is a four-year member of the FHA Chapter, a member of the National Honor Society, and was Annual Representative her sophomore year.

She is a eleven-year member of the Girl Scouts of which, at the present time, is a representative to the Caprock Council of the Girl Scouts. After graduation, she plans to attend Lubbock Christian College.

Leon, son of Mr. and Mrs. Noel Johnson, was born August 21, 1945 in Lubbock and has resided here all his life except for two years. His father is superintendent of the local schools and his

mother is the librarian of the Junior High School.

Leon is a member of the Antelope Band, was a member of the Junior Play cast this year, and he also plays basketball. He likes to read and his favorite subject in school is history.

Betty is the daughter of Mr. and Mrs. Ted Wisdom. She was born October 9, 1945 in Amarillo and has lived here for 14 years. Her father is a farmer.

Betty likes to swim, ride horses, hobble, and bowl. She also likes to watch basketball games, track and tennis. After graduation she plans to attend college.

Denise is the daughter of Mr. and Mrs. D. E. Barker. She was born May 4, 1947 in Lubbock. Her father is the maintenance foreman at Tucco power plant.

She plays basketball and tennis. She is also a member of the FHA chapter and the Antelope Band.

Texas Tech has attracted 62,500 fans to eight home basketball games this season—an average of 7,812 per contest. For three Southwest Conference games played in Lubbock the total is 27,300—9,100 per night. Biggest crowd was 10,000 for Baylor; the smallest, 7,800 for Rice on a night the temperature dropped below zero.

JUNIOR HIGH HONOR ROLL

Gid B. Adkisson, Jr., principal of Abernathy Junior High School, released the names of the following students as those making the Third Six Weeks Honor Roll.

Eighth Grade
1st Honor Roll
JoAnn Lovelace, Larry Crowder, Mike Skipper, Treva Totty and Margaret Toler.
2nd Honor Roll
Jan Wilson, Cindy Wilson, Mike Tammhill, Jeraldine Evans, Mary Ann Ruiz and Marilyn Teaff.

Seventh Grade
1st Honor Roll
Jane Valdez, Carolyn Barton, Steve Guerrant and Suzanne Evans.

2nd Honor Roll
Sondra Slough, Jerry Rice and Josa Chron.

Sixth Grade
1st Honor Roll
Theresa Valdez, Micki Sterling, Doris Rhodes, Cecilia Davis, Shirlee Knight and Jerry Brightbill.

2nd Honor Roll
Judith Kitchel, Kathy Kerr, Sammy Stephens, Dale Allenburg, Randy Hendrix and Pam Pittman.

Motorists Urged To Secure Inspection Stickers Early

The Director of the Texas Department of Public Safety, Col. Homer Garrison Jr., urged motorists to secure their 1962 vehicle inspection stickers as soon as possible prior to the April 15 deadline.

After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles will be subject to arrest, he said.

Garrison said approximately half of the inspection period has expired and only about one-fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.

"There are some 4,800 authorized inspection stations in the state and they are ready and capable of handling the inspection of all vehicles without delay if owners of the uninspected vehicles do not wait until the last few days before the deadline," Garrison said. He pointed out that vehicles inspected so far this year have fewer defects than have ever been noted heretofore. He said vehicle defects contributing to motor vehicle accidents in Texas is the lowest in the history of the state.

(Continued on Page 8)

Shown above is the Board of Directors of the High Plains Underground Water Conservation District for 1962. Seated left to right, is Elmer Blankenship of Wilson, Vice-Chairman of the Board and T. L. Sparkman, Jr. of Hereford, Chairman. Standing, left to right, is John Gammon, Lazbuddie; Henry J. Schmiddy, Levelland; and J. R. Belt, Jr., Lockney, Secretary-Treasurer.

Grain Sign-Up Starts Feb. 5

Producers who wish to comply with the 1962 feed grain program will sign up between February 5 and March 30, reports C. H. Bates, extension farm management specialist.

Provisions of the 1962 program are very similar to those for 1961. One change is that idle and fallow land for the years 1959 and 1960 will be considered in the soil conserving base for farms. This will give less flexibility in the use of land diverted from feed grains, explains Bates.

Payment rates for diverted acres will be in line with those for 1961 because support prices for feed grains have been set at identical levels. The rates are again based on the normal production of the farm times the county support rate. The minimum acreage reduction (from the 1959-60 base) is 20 percent, which will earn a payment based on 50 percent of the local support price. For diversion of between 20 and 40 percent the payment will be figured at 60 percent of the local support price.

Barley, which was not included in last year's program because of late passage of legislation, is included in the 1962 program. A producer having barley plus grain sorghum or corn can participate in barley reduction independent of the other crops. If he wishes to comply on barley alone, however, he must stay within his 1959-60 base on corn and grain sorghum if he wants to receive price supports. On the other hand, if he wishes to comply on the corn and grain sorghum he must not exceed his base acreage for barley.

Peggy Evans Is On LCC's Honor Roll

Peggy Evans, a freshman biological science major at Lubbock Christian College, Lubbock, Texas, has been named to the first semester honor roll, according to Jack W. Bates, academic dean.

Peggy was one of eight freshmen from her class of 285 at the junior college to achieve the honor. On the 3.0 scale, on which 2.0 indicates a straight "B" record and 3.0 indicates straight "A," Peggy rated 2.5.

In Abernathy High School, where Peggy graduated in 1961, she participated in band, FHA, NHS, and was the basketball manager. She is the daughter of Mr. and Mrs. M. D. Evans.

cluded in the 1962 program. A producer having barley plus grain sorghum or corn can participate in barley reduction independent of the other crops. If he wishes to comply on barley alone, however, he must stay within his 1959-60 base on corn and grain sorghum if he wants to receive price supports. On the other hand, if he wishes to comply on the corn and grain sorghum he must not exceed his base acreage for barley.

Soil Tests Take Guesswork Out Of Fertilizer Needs

There is no better time than at present to get your soil tested to determine your fertilizer requirements according to associate county agent, Charlie Cyert.

A soil test aids in taking the guesswork out of fertilizer needs. The Texas Agricultural Extension Service maintains a soil testing laboratory at Lubbock which analyzes soil samples for diagnostic purposes. The organic matter, pH, available phosphorus, potassium, and calcium are measured to estimate need for fertilizer ingredients. The amount of soluble salts is measured and if it is high, the soil is tested for possible toxic amounts of sulphates and chlorides. Results of the soil tests are reported to the farmer along with recommendations based on research by the Texas Agricultural Experiment Station and result demonstrations conducted in the county.

Research in Texas and especially Hale County under the 4-Point Soil Fertility Program has shown close relationship between the way a soil tests in the laboratory and how it responds to fertilizers in the field. A soil that tests high in potash in the laboratory usually does not respond to potash fertilizer. Soil that tests low in a fertilizer nutrient normally responds well to that nutrient.

Soils vary greatly in their supply of nutrients essential for plant growth. A soil test shows which nutrients are deficient and are limiting plant growth. With this information, the extension specialist can recommend the rate and rates of fertilizer, right. A soil test helps the farmer get the most from his fertilizer dollar because he adds only the nutrients that are needed for a particular crop.

According to Cyert, soil tests can be only as accurate as the samples on which they are made. Proper collection of soil samples is extremely important. Chemical tests of poorly taken samples may actually be misleading. Here are a few basic rules to follow:

1. Take one soil sample from each major soil type in a field. A soil type is uniform in slope, texture, color, drainage, crop growth and past treatment. Each sample should represent 20 to 40 acres.

2. The sample should be taken from over all the area. This can be done by taking a small amount of soil from 10 to 15 different places. Place these in a clean container (bucket, paper sack, etc.) mix thoroughly, and take out approximately 1 pint for the composite sample. Avoid sampling unusual areas such as slight field depressions and small eroded areas.

3. When taking the small samples use a spade, soil auger or soil sampling tube. Scrape the litter from the surface. To use an auger or tube, make the boring 6 inches deep in the soil on cultivated land and 4 inches deep on

pasture. To use a spade, dig a V-shaped hole and take a 1/2 inch slice of soil from the smooth side of the hole. Repeat in 10 to 15 different places.

PRECAUTIONS:

1. Avoid sampling unusual spots of the field such as small gullies, terrace, waterways or depressions.

2. When sampling fertilized fields, avoid sampling directly in the fertilized land.

3. Do not use old vegetable cans, tobacco cans, match boxes, etc. to submit samples.

4. Do not use heat to dry samples.

5. Be sure to keep a record for yourself as to the area represented by each sample.

6. Be sure sample numbers on the boxes correspond with sample numbers on the information sheets.

After the soil has been tested the recommendations should be good for 2 to 3 years. However, if the land use or production goal changes, resample the field; have the soil tested again and obtain revised fertilizer recommendations from the laboratory.

For further information on soil testing services and to obtain your soil cartons and information sheets, consult your county Extension office.

Hale Livestock Being Shown At Fort Worth

Hale County 4-H steers left for the Southwestern Exposition and Fat Stock Show in Fort Worth last Wednesday at 1:00 p.m., according to Payton Scott, Assistant County Agent. Barrows and lambs were not due to arrive in Fort Worth until January 31.

Competing in the Junior Steer show are: Wayne Ballard, Jimmy Curry and Lynn Trimmer, from Hale Center; Hoyle Curtis, Margaret Denny, Wayne Denny, from Petersburg; Oran Harkleroad, Cotton Center; and Rebecca Karrh, Larry Karrh and Elmer Freese from Plainview.

Nineteen 4-H Club steers will be exhibited, including 10 Hereford steers, 7 Shorthorns and two Angus steers.

Barrow exhibitors at Fort Worth will show 20 pigs. These 4-H members are: Larry Blumenstock, Jim Johnson, Steve Johnson, Abernathy; Lenis Gregg, Chris Vaughn and Randall Vaughn of Plainview.

Fat lamb exhibitors include Lenis Gregg, Hugh Jester, Lanny Savage and Earl White, all of Plainview 4-H Clubs. These boys will exhibit seven lambs—3 Hampshires and 3 Southdowns.

The Junior Steers judged Monday, according to Scott. Barrows and fat lambs will be judged at 8:00 a.m. February 2 and 3.

Mrs. Bob Adams returned home Monday from a 15-day stay in a Lubbock hospital, where she was treated for a back injury.

Johnny Hines Hurt In Wreck

Johnny Hines, 21, Abernathy resident, was listed in poor condition Tuesday of last week at Methodist Hospital, Lubbock, after suffering injuries in a one-car accident about 5:30 that morning.

An employee of the Lubbock Armored Service, Hines' car turned over about two miles west of Seagraves on the Denver City Highway.

Officials of the armored service said he was driving a company vehicle, but nothing was lost from the car.

Hines was taken to Methodist Hospital by a Webb Ambulance of Seagraves.

He is a son of Walter Hines of Abernathy.

Crop rotation is still one of the most effective methods for controlling plant diseases, reports Harlan Smith, extension plant pathologist. He says disease control in crops has been getting 'fancier' in recent years but the old standby—rotation—is hard to beat.

LIONS CLUB NEWS

The Abernathy Lions Club has begun to again recognize Lionesses of the Week by honoring a local senior girl at each luncheon from now until school is out. This week's Lioness of the Week honors went to Miss Janice Adkisson, daughter of Mr. and Mrs. Joe Dolph Adkisson. Janice is an outstanding guard on the AHS girls varsity basketball team, is assistant drum major in the Antelope Band, is a member of the National Honor Society, and is girls' sports editor of the annual. She was presented to the Lions Club by Lion Sweetheart, Edwina Anderson.

Local Speaker

Program chairman Paul Noland introduced the speaker, Rev. H. B. Coggin, pastor of Abernathy First Methodist Church. Rev. Coggin spoke on the "Dangers of Freedom." He stated that freedom is recognized as a precious thing. "Those who have it, cherish it. Those who fear it try to destroy it. Those who don't have it but want it will fight for it," he added.

He remarked that a free country is where the people are free to complain about it. We have freedom of speech, freedom of worship, freedom of choice... but we sometimes use these freedoms to defeat their purposes. Thus, one of the dangers of freedom is being free to worship or not to worship at all, Rev. Coggin stated.

In quoting a minister of the First Christian Church in Houston, he stated that one of the greatest dangers of freedom is the danger of coming to worship the gods of the enemies of freedom. Rev. Coggin added that we do have an obligation to speak, to worship, to choose, to select... wisely. Otherwise the people of America "shall turn away from the eternal truth on which our freedom is based."

Dirk Engel Speaks

Last week's guest speaker was Dirk Engel, Abernathy's foreign exchange student from Schweinfurt, Germany. Dirk came to the United States and Texas last July, and is currently enrolled as a senior student at Abernathy High School. His "parents" in Abernathy are Mr. and Mrs. A. B. Reid.

In presenting Dirk to the Lions and guests, Mr. Reid stated, "Dirk's stay here has been highly successful and awarding as far as we as parents are concerned." Dirk expressed his appreciation and thankfulness to the local Lions Club members for making it possible for him to come here as an exchange student. (The Lions Club is the local sponsoring organization).

Dirk related how he happened to gain knowledge of the foreign exchange program (American Field Service) through his hometown newspaper, and later traveled to a neighboring town to undergo an oral examination. He was among some 50 other boys and girls who also took the test in hopes of coming to the United States as exchange students.

About six months later, Dirk was notified by AFS, and the wheels of preparation began to roll. (In addition to the test, Dirk had to submit a written application along with recommendations from three of his teachers.) Out of the 50 hopeful students from his district who took the oral ex-

amination only two were selected as exchange students. After arriving in New York in early July, Dirk spent three days there before being flown to his flight destination, Amarillo. Upon arriving in Amarillo, he did not see what he had expected to see. Having seen numerous Westerns on television and read various books about Texas, he said the first thing he expected to see was a horse, then a covered wagon, then a six-shooter. But, after getting off the plane, "I didn't get into a covered wagon; I didn't get a horse; I didn't get a six-shooter. What I did was get into a comfortable Chevrolet," he related.

Dirk also told of his first experience of ordering a meal in an American restaurant, which proved to be quite amusing to his listeners. Several questions were asked after the young man had finished his talk. Asked if he would lose this year that he is missing from his school in Germany, Dirk replied that he would have to make up the year in his school work, but added that he feels that he is losing nothing, but instead is gaining much through his experience in the United States.

In the agreement with American Field Service, foreign exchange students are required to return to their native country after their year's stay here is completed, and must remain there at least two years before returning to the United States. Dirk stated that he hopes to return to the United States two years from now and enter college, where he will study to be a scientist.

First vice president, Ted Hill, filling in for Lion Boss Leland Phillips who was attending an Evangelistic Conference in Dallas, spoke briefly stating that he feels that we in Abernathy have been more enlightened and brought closer to our foreign neighbors by this experience (speaking of Dirk's stay here). He added, that we are proud of Dirk, we are proud of Mr. and Mrs. Reid, and the Lions are proud of the role they are playing as local sponsor.

Local Boys Teams Whip Slaton Units

The local freshmen and B team units played host to two teams from Slaton Monday night. The local freshmen captured a 48-31 victory, and the B team nudged the visitors, 59-54.

Boyce Paxton led the freshmen attack with 11 points. Bill Forbes and Vincent Vecchio scored 10 points each. Steve Monk and Jake Mallow had 4 each, Bill Lee 3, J. Frank Jackson and Junior Vecchio 2 each, and John Reagan and Terry Turner 1 each. Brake was high for Slaton with 8.

Sammye Hunley and Don Hughes paced the local B boys with 18 and 16 points, respectively. Leon Johnson scored 8 points, Pat O'Neil 7, Jerry Settles 6, and Ronnie Wynne 1. Smith was high scorer for Slaton with 18 points.

To Floydada Both local teams will travel to Floydada tonight (Thursday) for contests with freshmen and B units in that city.

Leroy Kelley sold the NE-1/4 of Section 36, Block A-4, Hale County, to Virgil Phillips.

James A. Joy sold a residence at 1211 Ave. J, Abernathy, to Fred Abney, who moved there with his family from 808 13th St. Fred's parents, Mr. and Mrs. Edgar Abney has moved to the 808 13th St. residence in Abernathy from their farm southeast of town.

Abernathy, Texas (tsr)

Soil Conservation District, Weed Control District and other offices. It would be air conditioned. It may be either of masonry or prefabricated steel panel construction like that of the planned exhibition and other buildings.

The proposed exhibition building dimensions are 180 by 225 feet with a total of 40,500 square feet. Seating capacity along the sides of the vast arena would be 4,000. There would be provisions for seating an additional 2,000 in chairs at the ends of the arena.

"There will be no posts to obstruct spectators' view from any part of the coliseum," said John Kerr of Kerr and Kerr, architects for the center.

Seating Arrangements

The permanent seating sections would have chairs and bleacher sections. There would be forced ventilation and heating. Ticket booths, concession areas, first aid and dressing rooms, lounges, rest rooms and other facilities are included in the plans. Construction of the arena concrete floor would be such that it could be flooded and the water frozen with portable refrigeration equipment for ice shows.

The swine and sheep building, one of three structures that would adjoin the exhibition building is 90 by 240 feet. This structure would have dirt floor which is considered more suitable to keeping livestock, but exhibitors' aisles and access areas would be concrete.

The building would have 600

permanent pens for show stock and an area for judging and seating of 450 spectators in folding bleacher type seats.

The structure designed as the cattle and Cotton Carnival building would be 90 by 240 feet with concrete floors and stalls for 200 head of cattle.

The machinery building would be 80 by 240 feet with 14 to 16-foot high ceilings, a foot or two higher than ceilings of the livestock building.

Banquet Hall

This structure would provide a banquet hall to seat 1,900 people. Kitchen area and other accommodations are in the plans. Plans call for attractive bright color schemes. The Cotton Carnival building will have interior decorations carrying out the carnival atmosphere.

The most modern lighting and types of lighting best suited to the various areas will be installed. The entire unit will be about as fire proof as it is possible to construct such facilities.

A paved and lighted parking area large enough to accommodate any peak attendance at the center will be provided. Access roads, utility and utility centers are yet to be worked out, such depends somewhat on the location of the center, which has not been decided, but a site outside the southwest Plainview city limit with access to U.S. 87 has been considered.

Mail NEWS to The Review.

Mr. and Mrs. Jim Ned Gragg were in Wellington Friday to attend the funeral of his aunt, Mrs. Nell Johnson, 88, who died there Thursday morning.

Mr. and Mrs. Orson Rea attend funeral services in Weatherford Tuesday afternoon for his uncle, W. L. Garrett, 84, who died there Sunday night.
